action www.supershootergames.com

2
00:00:14,789 --> 00:00:16,849
you

3
00:00:57,920 --> 00:01:03,210
hi I'm Emma when we've just come up to

4
00:01:00,929 --> 00:01:05,368
town Hill tonight to meet mark ray Werth

5
00:01:03,210 --> 00:01:07,289
who was a witness to one of the

6
00:01:05,368 --> 00:01:10,049
triangles on the night of the triangles

7
00:01:07,289 --> 00:01:11,609
19th of January in 1983 he was 8 years

8
00:01:10,049 --> 00:01:15,179
old at the time and he was with his

9
00:01:11,609 --> 00:01:17,368
mother and his sister I believe yeah and

10
00:01:15,179 --> 00:01:18,659
she was in the early evening because it

11
00:01:17,368 --> 00:01:20,879
was a school night so he would wouldn't

12
00:01:18,659 --> 00:01:23,310
be not that late so he's not sure the

13
00:01:20,879 --> 00:01:25,798
exact time but we hope to find out

14
00:01:23,310 --> 00:01:28,439
shortly when he has a word with his

15
00:01:25,799 --> 00:01:30,690
mother later on so mark what what can

16
00:01:28,439 --> 00:01:35,519
you tell us about that night oh he's

17
00:01:30,689 --> 00:01:38,189
going walking my friend on it was

18
00:01:35,519 --> 00:01:41,959
roughly around 7:00 I did confirm up

19
00:01:38,189 --> 00:01:45,000
with my mother I just want to get there

20
00:01:41,959 --> 00:01:48,030
my mother said look at that that's weird

21
00:01:45,000 --> 00:01:51,118
and we looked up to the sky like there

22
00:01:48,030 --> 00:01:53,280
was two huge triangles biggest things

23
00:01:51,118 --> 00:01:54,929
I've ever seen one in front of the other

24
00:01:53,280 --> 00:01:57,269
the left one was in front of the right

25
00:01:54,929 --> 00:01:59,819
one just traveling up to see very slowly

26
00:01:57,269 --> 00:02:02,429
no no used to them at all I remember the

27
00:01:59,819 --> 00:02:03,840
big white rings underneath um and the

28
00:02:02,429 --> 00:02:08,929
lights going off all over that you see

29

00:02:03,840 --> 00:02:10,830
the two triangles - I would say roughly

30
00:02:08,929 --> 00:02:20,908
and this would be guessing now but

31
00:02:10,830 --> 00:02:24,360
roughly around 500 I just remember the

32
00:02:20,908 --> 00:02:26,189
size of them I say if they were if they

33
00:02:24,360 --> 00:02:31,500
were down here I would say they were

34
00:02:26,189 --> 00:02:35,639
bigger than two for pictures for about

35
00:02:31,500 --> 00:02:38,310
20 minutes we were yeah roughly they

36
00:02:35,639 --> 00:02:41,609
hardly moved by the time we left they'd

37
00:02:38,310 --> 00:02:44,009
hardly moved no spawn at all nothing at

38
00:02:41,610 --> 00:02:45,360
all and it's my mother that said let's

39
00:02:44,009 --> 00:02:49,489
go in the end because we had to take my

40
00:02:45,360 --> 00:02:49,489
friend on his mother was waiting so

41
00:02:51,310 --> 00:02:55,640
the streetlights were coming on my

42
00:02:54,110 --> 00:02:58,400
mother confirmed to me that it was just

43
00:02:55,639 --> 00:02:59,658

getting dark so I thought was that but

44

00:02:58,400 --> 00:03:04,189

she confirmed was just getting dark it

45

00:02:59,658 --> 00:03:06,109

was yeah there was a white ring

46

00:03:04,189 --> 00:03:08,060

underneath and there was I remember

47

00:03:06,110 --> 00:03:10,970

yellow lights white lights going off all

48

00:03:08,060 --> 00:03:21,229

over it so it's like as if they wanted

49

00:03:10,969 --> 00:03:26,269

to be seen it was deep the thickness

50

00:03:21,229 --> 00:03:29,060

yeah I wouldn't know the exact thickness

51

00:03:26,269 --> 00:03:33,439

but it was quite deep but looking at it

52

00:03:29,060 --> 00:03:34,489

they looked they looked shallow but they

53

00:03:33,439 --> 00:03:36,139

weren't because they would they were

54

00:03:34,489 --> 00:03:38,120

just too big so these can see they have

55

00:03:36,139 --> 00:03:40,158

their head in South yeah yeah

56

00:03:38,120 --> 00:03:44,450

if that's so Lawrence with a good turn

57

00:03:40,158 --> 00:03:45,979

get a shot of the you could get mark

58
00:03:44,449 --> 00:03:50,589
pointing up to exactly where they were

59
00:03:45,979 --> 00:03:55,329
in this day okay

60
00:03:50,590 --> 00:04:01,348
yep that that's so we look in South East

61
00:03:55,330 --> 00:04:05,349
there so they'd be heading left to right

62
00:04:01,348 --> 00:04:07,719
big ones trail to the beach yeah so just

63
00:04:05,348 --> 00:04:11,018
to get your bearings we write my grade

64
00:04:07,719 --> 00:04:14,259
glutes square just down there and behind

65
00:04:11,019 --> 00:04:16,800
this we've got time for roads past the

66
00:04:14,259 --> 00:04:16,800
police station

67
00:04:21,310 --> 00:04:29,389
people can get their bearings so like

68
00:04:27,139 --> 00:04:32,919
you said he was he was just he was just

69
00:04:29,389 --> 00:04:35,060
getting dark so lighting for January

70
00:04:32,920 --> 00:04:39,199
just getting darker beep something like

71
00:04:35,060 --> 00:04:40,939
5 o'clock that was yeah I'm lost with

72
00:04:39,199 --> 00:04:44,029
that 1 o'clock my mother comes to

73
00:04:40,939 --> 00:04:46,790
midwinter yeah what you remember was it

74
00:04:44,029 --> 00:04:49,429
dark or was it I I remember it being

75
00:04:46,790 --> 00:04:53,780
dark damn but my mother said was just

76
00:04:49,430 --> 00:05:02,780
getting dark so because of the lights

77
00:04:53,779 --> 00:05:04,609
shining on it so yeah we just fascinated

78
00:05:02,779 --> 00:05:07,909
with it so we just you know we were

79
00:05:04,610 --> 00:05:10,009
staring for ages and by the time we

80
00:05:07,910 --> 00:05:11,660
walked we walked my friend home I was

81
00:05:10,009 --> 00:05:16,670
over on Gordon Avenue but time we come

82
00:05:11,660 --> 00:05:19,660
back be gone so I mean I read no I was

83
00:05:16,670 --> 00:05:24,530
more exciting than anything it was like

84
00:05:19,660 --> 00:05:26,480
fascinating nothing at all I want to

85
00:05:24,529 --> 00:05:29,049
know more even as young as I was I

86

00:05:26,480 --> 00:05:33,170
wanted to know more

87
00:05:29,050 --> 00:05:34,970
yeah since the kids really after that it

88
00:05:33,170 --> 00:05:37,879
was a big interest of mine so when I was

89
00:05:34,970 --> 00:05:41,450
in school I started subscribing to the

90
00:05:37,879 --> 00:05:46,189
magazines and everything that sparked my

91
00:05:41,449 --> 00:05:50,149
interest he's no noise at all totally

92
00:05:46,189 --> 00:05:51,889
silent I say the ring that the white

93
00:05:50,149 --> 00:05:59,419
rings underneath which is bright and the

94
00:05:51,889 --> 00:06:02,120
lights just going off yeah the actual

95
00:05:59,420 --> 00:06:04,160
rings were white the orange rings

96
00:06:02,120 --> 00:06:06,379
underneath yeah it's all around you know

97
00:06:04,160 --> 00:06:08,390
if there was a white ring which is all

98
00:06:06,379 --> 00:06:09,980
white right the whole ring and then the

99
00:06:08,389 --> 00:06:12,649
lights were going off all over the

100
00:06:09,980 --> 00:06:13,660

triangle so the front the sides there

101

00:06:12,649 --> 00:06:15,829
were lights going off those legs

102

00:06:13,660 --> 00:06:18,439
intimately going off all over all over

103

00:06:15,829 --> 00:06:19,539
them yeah on both of and faster they

104

00:06:18,439 --> 00:06:21,949
move into that

105

00:06:19,540 --> 00:06:24,169
not like they wasn't moving that's the

106

00:06:21,949 --> 00:06:27,319
thing was just staring at me was they

107

00:06:24,168 --> 00:06:28,909
wasn't going anywhere no they must have

108

00:06:27,319 --> 00:06:30,699
jest by the time we got to win a damn

109

00:06:28,910 --> 00:06:33,289
him and come back they must have just

110

00:06:30,699 --> 00:06:34,788
shut off because if they were still

111

00:06:33,288 --> 00:06:36,319
doing the same speed they were doing

112

00:06:34,788 --> 00:06:38,120
they would have still been here when we

113

00:06:36,319 --> 00:06:39,978
got back so the vivid memory like you is

114

00:06:38,120 --> 00:06:42,620
holding you so remember study I can

115
00:06:39,978 --> 00:06:43,909
picture him in my head to this day what

116
00:06:42,620 --> 00:06:46,699
they look that what they look like

117
00:06:43,910 --> 00:06:49,729
because I say was fascinated and I

118
00:06:46,699 --> 00:06:51,410
stared at him for ages what did your

119
00:06:49,728 --> 00:06:53,209
mother and sister say the time remember

120
00:06:51,410 --> 00:06:54,020
was just the can remember she was

121
00:06:53,209 --> 00:06:56,089
younger the mess again

122
00:06:54,019 --> 00:06:58,939
my mother is clear with my mother as

123
00:06:56,089 --> 00:07:01,549
well it's clear clear images and we

124
00:06:58,939 --> 00:07:02,600
often bring it up when we having family

125
00:07:01,550 --> 00:07:05,650
meals and stuff

126
00:07:02,600 --> 00:07:08,240
my mother will talk quiet she got a

127
00:07:05,649 --> 00:07:09,918
middle room full of you have four boxes

128
00:07:08,240 --> 00:07:12,800
which sparked their interest as well

129
00:07:09,918 --> 00:07:13,490
that was a pinnacle for us that was

130
00:07:12,800 --> 00:07:19,310
mm-hmm

131
00:07:13,490 --> 00:07:23,210
it changed the two of us definitely yeah

132
00:07:19,310 --> 00:07:25,490
fourth painters were more interesting

133
00:07:23,209 --> 00:07:28,069
yeah but lots of other seconds as well

134
00:07:25,490 --> 00:07:29,629
since yeah since that yeah no I

135
00:07:28,069 --> 00:07:35,629
interviewed you a little while ago about

136
00:07:29,629 --> 00:07:37,129
this I know that you develop psychic

137
00:07:35,629 --> 00:07:39,500
abilities as well haven't you that's

138
00:07:37,129 --> 00:07:42,969
right there when when you will act that

139
00:07:39,500 --> 00:07:42,970
age when you're actually witness this

140
00:07:45,920 --> 00:07:51,319
I thought that I was aware of but stuff

141
00:07:49,189 --> 00:07:56,029
did happen when I was when I was a kid

142
00:07:51,319 --> 00:07:58,670
particularly in that house there but I

143

00:07:56,029 --> 00:08:01,369
think it's just as I think the reason I

144
00:07:58,670 --> 00:08:02,960
see so many is just the sensitivity yeah

145
00:08:01,370 --> 00:08:12,129
my peripheral vision because we have

146
00:08:02,959 --> 00:08:12,129
found this with a lot of psychics in

147
00:08:12,730 --> 00:08:26,120
clairvoyance mostly have seen these

148
00:08:17,300 --> 00:08:27,290
similar objects on the same night which

149
00:08:26,120 --> 00:08:28,879
is why I was asking you about the time

150
00:08:27,290 --> 00:08:32,659
because this put the important about the

151
00:08:28,879 --> 00:08:35,149
time yeah cuz it was getting dark I I

152
00:08:32,659 --> 00:08:39,019
just cast around sadness because my

153
00:08:35,149 --> 00:08:41,870
friends when used to come for tea they'd

154
00:08:39,019 --> 00:08:43,370
have tea and it's there an hour to an MD

155
00:08:41,870 --> 00:08:46,340
gone he's always around Sam o'clock ish

156
00:08:43,370 --> 00:08:48,230
yeah so we was taking him home so I

157
00:08:46,340 --> 00:08:54,139

thought that must have been around Santa

158

00:08:48,230 --> 00:08:55,670

Clau fish but I don't know my mother

159

00:08:54,139 --> 00:08:57,620

thinks it was just getting dark sore

160

00:08:55,669 --> 00:09:02,089

which would put it well that's all seven

161

00:08:57,620 --> 00:09:09,409

yeah thanks we'll make this my girl

162

00:09:02,090 --> 00:09:16,519

thank you very much okay at the same

163

00:09:09,409 --> 00:09:17,679

time it's fasting one friend of mine

164

00:09:16,519 --> 00:09:21,188

journey

165

00:09:17,679 --> 00:09:23,258

husband I think about what ten years all

166

00:09:21,188 --> 00:09:25,929

the D about DPLA make time and it was a

167

00:09:23,259 --> 00:09:28,028

discus guy but outdoor the dish has come

168

00:09:25,929 --> 00:09:29,859

in another white ball fooling around to

169

00:09:28,028 --> 00:09:32,278

warm back into the disc we watch that

170

00:09:29,860 --> 00:09:32,278

for ages

171

00:09:44,929 --> 00:09:46,989

you
