

1  
00:00:07,139 --> 00:00:13,620  
okay good evening ladies and gentlemen

2  
00:00:09,119 --> 00:00:15,000  
welcome to the June meeting of sofa I'm

3  
00:00:13,619 --> 00:00:16,769  
afraid we don't have the pleasure of

4  
00:00:15,000 --> 00:00:19,019  
Emlyn with us tonight he's apparently

5  
00:00:16,769 --> 00:00:21,570  
putting on makeup and ladies dresses

6  
00:00:19,019 --> 00:00:23,730  
again he tells me it's for a dress

7  
00:00:21,570 --> 00:00:25,109  
rehearsal freeze latest stage production

8  
00:00:23,730 --> 00:00:27,240  
but I don't know it all seems to be

9  
00:00:25,109 --> 00:00:29,880  
getting a little bit too frequent for my

10  
00:00:27,239 --> 00:00:33,149  
liking anyway you should show up about

11  
00:00:29,879 --> 00:00:36,420  
10-ish so keep an eye out for leftover

12  
00:00:33,149 --> 00:00:38,488  
lipstick on his face okay now if

13  
00:00:36,420 --> 00:00:40,739  
anyone's a palace sky watch shall

14  
00:00:38,488 --> 00:00:43,109  
certainly be a Kevin Bryn 9:00 p.m. the

15  
00:00:40,738 --> 00:00:45,030  
Saturday evening

16  
00:00:43,109 --> 00:00:47,789  
if you want to come down for a few hours

17  
00:00:45,030 --> 00:00:51,268  
you'll be made very welcome it'll be by

18  
00:00:47,789 --> 00:00:53,128  
King Arthur stone just done by there

19  
00:00:51,268 --> 00:00:54,719  
just a reminder there's a voluntary

20  
00:00:53,128 --> 00:00:56,280  
donation box at the back of the hall

21  
00:00:54,719 --> 00:00:59,850  
that's how we managed to bring you the

22  
00:00:56,280 --> 00:01:02,698  
guest speakers that we do so let's turn

23  
00:00:59,850 --> 00:01:05,308  
to tonight's event tonight I have the

24  
00:01:02,698 --> 00:01:08,519  
pleasure of introducing you to mr. Andy

25  
00:01:05,308 --> 00:01:10,769  
Thomas now I know that a few you already

26  
00:01:08,519 --> 00:01:12,539  
seen Andy at other venues and therefore

27  
00:01:10,769 --> 00:01:15,119  
you'll know what to expect for those of

28  
00:01:12,540 --> 00:01:18,240  
you who don't I'll tell you a little bit

29

00:01:15,120 --> 00:01:21,750  
about our guest if I get it wrong I do

30  
00:01:18,239 --> 00:01:22,170  
apologize beforehand well where do we

31  
00:01:21,750 --> 00:01:26,069  
start

32  
00:01:22,170 --> 00:01:27,750  
Andy is renowned around the world for us

33  
00:01:26,069 --> 00:01:30,000  
being one of Britain's most prolific

34  
00:01:27,750 --> 00:01:35,209  
authors and lecturers on unexplained

35  
00:01:30,000 --> 00:01:39,629  
mysteries conspiracies global cover-ups

36  
00:01:35,209 --> 00:01:41,158  
histories and British folklore those

37  
00:01:39,629 --> 00:01:42,810  
delivered literally thousands of

38  
00:01:41,159 --> 00:01:46,680  
lectures around the world including

39  
00:01:42,810 --> 00:01:50,670  
America Australia Brazil Peru Denmark

40  
00:01:46,680 --> 00:01:52,680  
and several European countries he's

41  
00:01:50,670 --> 00:01:55,680  
appeared on many television programs in

42  
00:01:52,680 --> 00:01:57,630  
court including GMTV the one show

43  
00:01:55,680 --> 00:01:59,240

Richard and Judy I think now right isn't

44

00:01:57,629 --> 00:02:02,158

it yeah thank you

45

00:01:59,239 --> 00:02:04,109

and he's also the author of over a dozen

46

00:02:02,159 --> 00:02:04,630

best-selling books including the truth

47

00:02:04,109 --> 00:02:07,420

again

48

00:02:04,629 --> 00:02:10,899

the conspiracies and introduction to

49

00:02:07,420 --> 00:02:13,439

crop circles and vital signs which is a

50

00:02:10,899 --> 00:02:17,800

complete guide to the crop circle

51

00:02:13,439 --> 00:02:20,318

phenomena now there'll be some books

52

00:02:17,800 --> 00:02:22,450

that you can have a look at on the table

53

00:02:20,318 --> 00:02:24,189

to my left your right there in that

54

00:02:22,449 --> 00:02:27,789

intermission if you want have a look at

55

00:02:24,189 --> 00:02:31,120

those I think I'm right in saying that

56

00:02:27,789 --> 00:02:34,539

he himself has actually had a few

57

00:02:31,120 --> 00:02:37,360

strange visual experiences whilst being

58

00:02:34,539 --> 00:02:38,979

present in crop circles and he's also

59

00:02:37,360 --> 00:02:41,019

undergone a number of paranormal

60

00:02:38,979 --> 00:02:42,639

experiences so what he's going to talk

61

00:02:41,019 --> 00:02:43,659

about those tonight I don't know but if

62

00:02:42,639 --> 00:02:46,779

you want to have a chat with him in the

63

00:02:43,659 --> 00:02:49,030

break I'm sure you the light knew and

64

00:02:46,780 --> 00:02:51,430

he's the co emcee for the annual

65

00:02:49,030 --> 00:02:53,289

Glastonbury symposium at which I know a

66

00:02:51,430 --> 00:02:56,260

few of you have been in attendance in

67

00:02:53,289 --> 00:02:58,090

the past now I know there's quite a few

68

00:02:56,259 --> 00:02:59,919

people here know loved our part of the

69

00:02:58,090 --> 00:03:04,269

country as much as I do there's one

70

00:02:59,919 --> 00:03:06,458

sitting over there the conference covers

71

00:03:04,269 --> 00:03:10,989

such subjects as crop circles UFOs

72  
00:03:06,459 --> 00:03:13,090  
conspiracies metaphysics etc if anyone's

73  
00:03:10,989 --> 00:03:16,390  
interested go to this year's it's been

74  
00:03:13,090 --> 00:03:19,840  
held from Friday the 27th to Sunday the

75  
00:03:16,389 --> 00:03:21,548  
29th of July I think Gandhi you'll be

76  
00:03:19,840 --> 00:03:24,340  
doing the introductions there and he's

77  
00:03:21,549 --> 00:03:26,950  
actually talking himself on the Saturday

78  
00:03:24,340 --> 00:03:27,969  
I think it is isn't it yeah right so

79  
00:03:26,949 --> 00:03:29,679  
that hopefully that'll give you a little

80  
00:03:27,969 --> 00:03:32,259  
bit of an insight as to what you might

81  
00:03:29,680 --> 00:03:34,900  
expect tonight so without further ado as

82  
00:03:32,259 --> 00:03:38,159  
they say may I present you with mr. Andy

83  
00:03:34,900 --> 00:03:38,159  
Thomas thank you

84  
00:03:39,280 --> 00:03:49,659  
oh well thank you very much for inviting

85  
00:03:47,349 --> 00:03:52,150  
me here I appreciate that

86

00:03:49,659 --> 00:03:54,699  
now I understand and would imagine that

87  
00:03:52,150 --> 00:03:57,159  
you're fairly kind of all-knowing about

88  
00:03:54,699 --> 00:03:59,199  
many of these subjects already you've

89  
00:03:57,159 --> 00:04:01,870  
been running for a while and some of

90  
00:03:59,199 --> 00:04:05,379  
what I'm gonna do today will be familiar

91  
00:04:01,870 --> 00:04:08,020  
to you but what I hope to do is to give

92  
00:04:05,379 --> 00:04:09,310  
it a bit of a wider context and we're

93  
00:04:08,020 --> 00:04:12,670  
going to talk about all kinds of stuff

94  
00:04:09,310 --> 00:04:15,629  
and trying to see where it all joins

95  
00:04:12,669 --> 00:04:18,879  
together and one of the things that I do

96  
00:04:15,629 --> 00:04:21,909  
which I think he is perhaps not done

97  
00:04:18,879 --> 00:04:24,399  
enough is I tried desperately to get

98  
00:04:21,910 --> 00:04:27,040  
this kind of material out to the wider

99  
00:04:24,399 --> 00:04:30,310  
world and I'm lucky enough to be able to

100  
00:04:27,040 --> 00:04:32,200

address all kinds of audiences who are

101

00:04:30,310 --> 00:04:34,930

generally skeptical because they are

102

00:04:32,199 --> 00:04:36,639

trained to be skeptical and that's one

103

00:04:34,930 --> 00:04:38,740

of the issues that we've got the

104

00:04:36,639 --> 00:04:40,829

mainstream media as most of you here

105

00:04:38,740 --> 00:04:43,360

know for instance is heavily biased

106

00:04:40,829 --> 00:04:46,269

against anything that is considered

107

00:04:43,360 --> 00:04:48,520

alternative and what I want to do as I

108

00:04:46,269 --> 00:04:49,990

threat my way through this is look at

109

00:04:48,519 --> 00:04:52,478

some of the evidence some of which you

110

00:04:49,990 --> 00:04:56,379

will know as I say some of which may

111

00:04:52,478 --> 00:04:59,550

also be new and see to a large degree

112

00:04:56,379 --> 00:05:03,759

how this has been treated culturally and

113

00:04:59,550 --> 00:05:06,639

perhaps to try to solidify why it is

114

00:05:03,759 --> 00:05:09,189

that we don't talk about it enough and

115  
00:05:06,639 --> 00:05:11,649  
it's interesting to see how all of that

116  
00:05:09,189 --> 00:05:12,490  
work so that's the essence of what we're

117  
00:05:11,649 --> 00:05:14,288  
doing tonight

118  
00:05:12,490 --> 00:05:16,930  
and the reason I'm beginning with the

119  
00:05:14,288 --> 00:05:19,418  
pyramids is just to make a simple point

120  
00:05:16,930 --> 00:05:21,430  
now we can be here all night and talk

121  
00:05:19,418 --> 00:05:23,250  
about ancient aliens and all of this and

122  
00:05:21,430 --> 00:05:27,100  
we'll do a bit of that later on but

123  
00:05:23,250 --> 00:05:30,430  
let's just take one very basic thing

124  
00:05:27,100 --> 00:05:31,780  
about the crop circles and the UFOs and

125  
00:05:30,430 --> 00:05:34,329  
the pyramids and all of these things

126  
00:05:31,779 --> 00:05:36,489  
right that we will be talking about and

127  
00:05:34,329 --> 00:05:39,759  
just sort of look at one aspect of them

128  
00:05:36,490 --> 00:05:43,150  
so here we see something that we're all

129  
00:05:39,759 --> 00:05:45,699  
told that we understand we know when

130  
00:05:43,149 --> 00:05:46,120  
pyramids were made we know why they were

131  
00:05:45,699 --> 00:05:49,478  
made

132  
00:05:46,120 --> 00:05:51,490  
how they were made right don't we and

133  
00:05:49,478 --> 00:05:53,740  
yeah of course there is so much we

134  
00:05:51,490 --> 00:05:56,079  
simply don't know but that's not the way

135  
00:05:53,740 --> 00:05:57,939  
that itself it's sold to us but it's all

136  
00:05:56,079 --> 00:05:59,709  
very easily explained and let's just

137  
00:05:57,939 --> 00:06:03,639  
take the hell never mind anything else

138  
00:05:59,709 --> 00:06:06,399  
that's how we were usually told that the

139  
00:06:03,639 --> 00:06:11,650  
pyramids were made we always see these a

140  
00:06:06,399 --> 00:06:14,349  
huge ramps gigantic masonry ramps going

141  
00:06:11,649 --> 00:06:16,000  
up to the tops of the pyramids and you

142  
00:06:14,350 --> 00:06:18,939  
see all these people hauling them up

143

00:06:16,000 --> 00:06:21,370  
there now the issue around that is that

144  
00:06:18,939 --> 00:06:23,469  
of course therefore these ramps would

145  
00:06:21,370 --> 00:06:25,329  
have been almost as big as the pyramids

146  
00:06:23,470 --> 00:06:27,310  
themselves so you would have thought

147  
00:06:25,329 --> 00:06:30,430  
they would have left some kind of trace

148  
00:06:27,310 --> 00:06:32,410  
or at least some you know foundation

149  
00:06:30,430 --> 00:06:35,319  
mark that an infrared camera might pick

150  
00:06:32,410 --> 00:06:37,120  
up well no no actually if there's

151  
00:06:35,319 --> 00:06:39,788  
nothing but when they've looked around

152  
00:06:37,120 --> 00:06:41,500  
the pyramids with all kinds of scanning

153  
00:06:39,788 --> 00:06:46,449  
equipment there's nothing there's no

154  
00:06:41,500 --> 00:06:48,220  
trace of any such ramp so of course you

155  
00:06:46,449 --> 00:06:51,220  
know many people believe there are lost

156  
00:06:48,220 --> 00:06:53,320  
arts but even when engineers come along

157  
00:06:51,220 --> 00:06:56,380

gentlemen like this man the

158

00:06:53,319 --> 00:06:59,610

award-winning engineer the the frenchman

159

00:06:56,379 --> 00:07:02,379

jean pierre who damn now even when he

160

00:06:59,610 --> 00:07:03,848

came along and questioned this theory

161

00:07:02,379 --> 00:07:05,978

about external ramps

162

00:07:03,848 --> 00:07:09,399

it didn't get treated very well and this

163

00:07:05,978 --> 00:07:12,250

is a really good illustration of how the

164

00:07:09,399 --> 00:07:14,500

mainstream treats anybody that comes out

165

00:07:12,250 --> 00:07:17,560

with something that appears to question

166

00:07:14,500 --> 00:07:20,918

the status quo so he has come up with a

167

00:07:17,560 --> 00:07:23,649

theory that a kind of a spiral ramp was

168

00:07:20,918 --> 00:07:25,959

built and they then built around the

169

00:07:23,649 --> 00:07:28,448

pyramids now there is actually more

170

00:07:25,959 --> 00:07:30,668

physical evidence to support that theory

171

00:07:28,449 --> 00:07:33,038

and it's only a theory yes but there's

172  
00:07:30,668 --> 00:07:34,839  
more evidence to support that than the

173  
00:07:33,038 --> 00:07:36,159  
external ramps theory and we're leaving

174  
00:07:34,839 --> 00:07:38,709  
aside for the time being

175  
00:07:36,160 --> 00:07:40,780  
levitation on all of that although many

176  
00:07:38,709 --> 00:07:43,299  
people of course believe that may well

177  
00:07:40,779 --> 00:07:45,579  
have been involved but now even this

178  
00:07:43,300 --> 00:07:48,490  
seemingly reasonable theory was not

179  
00:07:45,579 --> 00:07:51,250  
heard out so he has been treated as a

180  
00:07:48,490 --> 00:07:53,050  
heretic and a maverick and that word

181  
00:07:51,250 --> 00:07:54,490  
they like to reserve for anybody that

182  
00:07:53,050 --> 00:07:58,569  
comes up with this kind of stuff

183  
00:07:54,490 --> 00:08:00,158  
appear immediate which is it says it all

184  
00:07:58,569 --> 00:08:02,439  
doesn't it really that the fact that

185  
00:08:00,158 --> 00:08:04,750  
they can even have that term tells you a

186  
00:08:02,439 --> 00:08:07,839  
lot about the attitude so this is

187  
00:08:04,750 --> 00:08:10,240  
typical even reasonable alternative

188  
00:08:07,839 --> 00:08:13,449  
theories to mainstream stuff that they

189  
00:08:10,240 --> 00:08:15,668  
don't generally get heard out so we're

190  
00:08:13,449 --> 00:08:17,680  
always seeing a strange position of

191  
00:08:15,668 --> 00:08:20,889  
seeing this stuff get rejected and yet

192  
00:08:17,680 --> 00:08:23,168  
culturally we're really fascinated with

193  
00:08:20,889 --> 00:08:26,110  
this kind of stuff I mean take for

194  
00:08:23,168 --> 00:08:28,870  
instance the success of the x-files so

195  
00:08:26,110 --> 00:08:32,440  
I'm assuming most of you here know the

196  
00:08:28,870 --> 00:08:34,629  
x-files and probably have watch them a

197  
00:08:32,440 --> 00:08:37,030  
thousand times but it's funny isn't it

198  
00:08:34,629 --> 00:08:39,639  
this has been usually successful over

199  
00:08:37,029 --> 00:08:41,559  
the years but it seems that some people

200

00:08:39,639 --> 00:08:45,549  
can be comfortable with this kind of

201  
00:08:41,559 --> 00:08:47,528  
material that he covers and yet in

202  
00:08:45,549 --> 00:08:50,949  
fiction they can be comfortable and yet

203  
00:08:47,528 --> 00:08:52,629  
not when it comes to considering that

204  
00:08:50,950 --> 00:08:53,620  
that might be going on in the real world

205  
00:08:52,629 --> 00:08:55,720  
and there have been a number of

206  
00:08:53,620 --> 00:08:57,940  
conspiracy theories of course over the

207  
00:08:55,720 --> 00:09:00,519  
years that the creator of the x-files

208  
00:08:57,940 --> 00:09:03,279  
Chris Carter might actually be trying to

209  
00:09:00,519 --> 00:09:06,009  
seed real ideas out there it's certainly

210  
00:09:03,278 --> 00:09:09,250  
got to be close to the bone on a few

211  
00:09:06,009 --> 00:09:11,620  
occasions in what is shown us so some

212  
00:09:09,250 --> 00:09:13,360  
say there is an agenda behind some of

213  
00:09:11,620 --> 00:09:16,060  
this stuff because they know that people

214  
00:09:13,360 --> 00:09:17,440

can accept it through fiction when the

215

00:09:16,059 --> 00:09:19,929

court seemed to accept that it might

216

00:09:17,440 --> 00:09:22,660

really be going on around them and yet

217

00:09:19,929 --> 00:09:24,129

that said we'll see as we go through

218

00:09:22,659 --> 00:09:26,919

that there are some things that actually

219

00:09:24,129 --> 00:09:28,929

the general public is fairly dubious

220

00:09:26,919 --> 00:09:31,599

about but they don't necessarily have a

221

00:09:28,929 --> 00:09:33,909

context into which to you know into

222

00:09:31,600 --> 00:09:35,980

which they can express that so this is

223

00:09:33,909 --> 00:09:37,208

one of the issues that we've got so

224

00:09:35,980 --> 00:09:39,250

we're going to be looking in the way of

225

00:09:37,208 --> 00:09:41,469

some real x-files here and we'll come

226

00:09:39,250 --> 00:09:43,690

back to this briefly because we'll see

227

00:09:41,470 --> 00:09:46,329

later on how the x-files did manage to

228

00:09:43,690 --> 00:09:49,480

predict at least one thing which did

229  
00:09:46,328 --> 00:09:51,069  
then come true in the real world so

230  
00:09:49,480 --> 00:09:54,039  
here's something that would definitely

231  
00:09:51,070 --> 00:09:55,570  
be classified as an X file is there

232  
00:09:54,039 --> 00:09:58,208  
anybody here that's not seen this before

233  
00:09:55,570 --> 00:10:01,400  
we're not familiar with this okay as it

234  
00:09:58,208 --> 00:10:04,699  
says a few people have not seen it well

235  
00:10:01,399 --> 00:10:08,629  
let me introduce here to it this was in

236  
00:10:04,700 --> 00:10:11,180  
the news in 2009 it was widely reported

237  
00:10:08,629 --> 00:10:13,309  
even in the mainstream and yet

238  
00:10:11,179 --> 00:10:15,500  
astonishingly many people no longer

239  
00:10:13,309 --> 00:10:17,179  
remember it I think the reason they

240  
00:10:15,500 --> 00:10:20,720  
don't remember it is that they've been

241  
00:10:17,179 --> 00:10:22,779  
effectively programmed to forget it so

242  
00:10:20,720 --> 00:10:25,790  
what we're looking at here is a strange

243  
00:10:22,779 --> 00:10:28,189  
apparition over the skies of Norway and

244  
00:10:25,789 --> 00:10:30,529  
we know it's real because there are

245  
00:10:28,190 --> 00:10:32,510  
thousands of different images taken by

246  
00:10:30,529 --> 00:10:35,120  
lots of different people and if you go

247  
00:10:32,509 --> 00:10:37,970  
onto YouTube there are videos of it it

248  
00:10:35,120 --> 00:10:40,519  
spirals it then so there walks down into

249  
00:10:37,970 --> 00:10:43,190  
this very eerie black hole in the sky

250  
00:10:40,519 --> 00:10:46,309  
and then spirals out again it's Theory

251  
00:10:43,190 --> 00:10:49,430  
odd so this didn't make the mainstream

252  
00:10:46,309 --> 00:10:51,319  
news and yeah it's very strange you

253  
00:10:49,429 --> 00:10:53,629  
think we'd all remember that but most

254  
00:10:51,320 --> 00:10:56,629  
people don't remember it and no

255  
00:10:53,629 --> 00:11:00,200  
speculation was it atmospheric phenomena

256  
00:10:56,629 --> 00:11:02,029  
was it UFO phenomena was it a secret

257

00:11:00,200 --> 00:11:04,820  
weapon being tested was it the HAARP

258  
00:11:02,029 --> 00:11:07,730  
project and so forth well then we were

259  
00:11:04,820 --> 00:11:09,920  
told what it was quietly you know in the

260  
00:11:07,730 --> 00:11:11,810  
way that they always do and they said oh

261  
00:11:09,919 --> 00:11:13,969  
that thing yeah don't worry about that

262  
00:11:11,809 --> 00:11:18,379  
that's just a Russian missile going

263  
00:11:13,970 --> 00:11:21,230  
wrong well okay let's have a look at a

264  
00:11:18,379 --> 00:11:23,799  
bit of film that they showed ironically

265  
00:11:21,230 --> 00:11:27,470  
of an American missile going wrong and

266  
00:11:23,799 --> 00:11:30,169  
so they said well there you go now all

267  
00:11:27,470 --> 00:11:33,110  
right this kind of spirally bit here

268  
00:11:30,169 --> 00:11:36,379  
maybe that could explain that but there

269  
00:11:33,110 --> 00:11:39,110  
is certainly no footage anywhere of a

270  
00:11:36,379 --> 00:11:40,629  
spiral going round around coming over

271  
00:11:39,110 --> 00:11:44,029

the back of the missile of that

272

00:11:40,629 --> 00:11:46,129

perfectly and I mean if it was a Russian

273

00:11:44,029 --> 00:11:48,379

missile why didn't that trigger some

274

00:11:46,129 --> 00:11:52,399

major international incident I mean what

275

00:11:48,379 --> 00:11:55,159

today wouldn't it but in 2009 no people

276

00:11:52,399 --> 00:11:57,919

seemed it's very easy with that but also

277

00:11:55,159 --> 00:12:00,159

if it was a Russian missile how then do

278

00:11:57,919 --> 00:12:02,509

we explain this that in the years since

279

00:12:00,159 --> 00:12:04,819

several other spirals have been seen

280

00:12:02,509 --> 00:12:07,240

around the world the Gold Coast in

281

00:12:04,820 --> 00:12:09,790

Australia Mexico

282

00:12:07,240 --> 00:12:12,610

over the Middle East this is now a

283

00:12:09,789 --> 00:12:15,429

recurring phenomenon and what is I think

284

00:12:12,610 --> 00:12:18,519

a particular note is it's no longer

285

00:12:15,429 --> 00:12:21,789

mainstream news so the first spiral was

286  
00:12:18,519 --> 00:12:23,799  
mainstream news now no I mean yes you

287  
00:12:21,789 --> 00:12:25,419  
know the kind of place that we know we

288  
00:12:23,799 --> 00:12:27,309  
can go to find out about this sort of

289  
00:12:25,419 --> 00:12:30,250  
stuff you'll see them getting reported

290  
00:12:27,309 --> 00:12:31,569  
but in terms of now it being culturally

291  
00:12:30,250 --> 00:12:34,929  
acknowledged no it's gone

292  
00:12:31,570 --> 00:12:37,209  
and that's very typical of course of how

293  
00:12:34,929 --> 00:12:39,639  
a lot of this kind of stuff gets treated

294  
00:12:37,208 --> 00:12:43,059  
and of course that leads to accusations

295  
00:12:39,639 --> 00:12:45,250  
or cover-ups so you can explain mystery

296  
00:12:43,059 --> 00:12:47,500  
but it does look like it's now being

297  
00:12:45,250 --> 00:12:49,269  
covered up and nobody wants to discuss

298  
00:12:47,500 --> 00:12:52,059  
this publicly and we still don't know

299  
00:12:49,269 --> 00:12:54,399  
for sure what it is but many people do

300  
00:12:52,059 --> 00:12:56,409  
think it is related to the HAARP project

301  
00:12:54,399 --> 00:12:56,889  
and if you don't know what that is by

302  
00:12:56,409 --> 00:12:59,110  
now

303  
00:12:56,889 --> 00:13:01,299  
it's an American military project or

304  
00:12:59,110 --> 00:13:04,480  
began as such it's now been farmed out

305  
00:13:01,299 --> 00:13:08,079  
to more sort of civilian their companies

306  
00:13:04,480 --> 00:13:09,250  
but originally for it would seem at

307  
00:13:08,080 --> 00:13:11,829  
least they claimed military

308  
00:13:09,250 --> 00:13:14,649  
communications in theory it could also

309  
00:13:11,828 --> 00:13:16,629  
be used for weather control mind control

310  
00:13:14,649 --> 00:13:19,299  
and of course some people wonder that

311  
00:13:16,629 --> 00:13:22,179  
they're not using it to do stuff like

312  
00:13:19,299 --> 00:13:25,599  
this or some kind of experiment well we

313  
00:13:22,179 --> 00:13:28,629  
shall see this is very typical if the

314

00:13:25,600 --> 00:13:29,860  
way that we treat stuff like this and as

315  
00:13:28,629 --> 00:13:31,269  
you heard at the beginning now I'm a

316  
00:13:29,860 --> 00:13:33,759  
little passion I've had over the years

317  
00:13:31,269 --> 00:13:36,759  
which is deeply unfashionable these days

318  
00:13:33,759 --> 00:13:39,100  
it is for the crop circle mystery and

319  
00:13:36,759 --> 00:13:40,319  
I'm in the crop circle mystery even in

320  
00:13:39,100 --> 00:13:43,389  
the realms of paranormal research

321  
00:13:40,320 --> 00:13:46,120  
doesn't get treated that well and the

322  
00:13:43,389 --> 00:13:48,578  
general view of course in the public eye

323  
00:13:46,120 --> 00:13:50,679  
is well it's all a big joke you know and

324  
00:13:48,578 --> 00:13:53,939  
they're all made by mainly bits of wood

325  
00:13:50,679 --> 00:13:56,769  
and guard rollers and NASA it basically

326  
00:13:53,940 --> 00:13:59,410  
but it's not it because you look at the

327  
00:13:56,769 --> 00:14:01,809  
evidence and there is simply no way that

328  
00:13:59,409 --> 00:14:04,449

you can explain every crop circle that

329

00:14:01,809 --> 00:14:07,269

way I mean yes son no question some of

330

00:14:04,450 --> 00:14:10,149

manmade absolutely but are all man-made

331

00:14:07,269 --> 00:14:11,199

I mean remember you've got reports going

332

00:14:10,149 --> 00:14:13,958

back centuries

333

00:14:11,200 --> 00:14:15,810

you've got eye witness accounts of these

334

00:14:13,958 --> 00:14:18,239

appearing within seconds

335

00:14:15,809 --> 00:14:21,688

in front of people's eyes you've got

336

00:14:18,240 --> 00:14:24,688

light phenomena you've got exquisite

337

00:14:21,688 --> 00:14:26,969

geometry incredible mathematics embedded

338

00:14:24,688 --> 00:14:28,889

into them biological anomalies it would

339

00:14:26,970 --> 00:14:31,528

seem occurring in the plants and so on

340

00:14:28,889 --> 00:14:32,970

and they don't compare to the manmade

341

00:14:31,528 --> 00:14:35,009

formations when you look at the very

342

00:14:32,970 --> 00:14:38,160

best of them so there's there's a gray

343  
00:14:35,009 --> 00:14:40,649  
area still with crop circles near the

344  
00:14:38,159 --> 00:14:42,778  
general view is now it's all finished

345  
00:14:40,649 --> 00:14:45,659  
isn't it most people in the public I

346  
00:14:42,778 --> 00:14:47,669  
think it's all over well it isn't and

347  
00:14:45,659 --> 00:14:49,259  
indeed just to show you some from this

348  
00:14:47,669 --> 00:14:51,719  
year I mean these are some we've had

349  
00:14:49,259 --> 00:14:54,269  
just in the last few weeks and it's

350  
00:14:51,720 --> 00:14:56,249  
still going long so this is a phenomenon

351  
00:14:54,269 --> 00:14:58,589  
that the public thinks has ended well it

352  
00:14:56,249 --> 00:15:00,959  
hasn't and it's still very much alive

353  
00:14:58,589 --> 00:15:03,540  
and you know believe what you will about

354  
00:15:00,958 --> 00:15:05,248  
it but let's not misrepresent it the

355  
00:15:03,539 --> 00:15:07,289  
fact that most people don't even know

356  
00:15:05,249 --> 00:15:09,899  
it's going on is I think a very good

357  
00:15:07,289 --> 00:15:12,929  
example of how we push this stuff away

358  
00:15:09,899 --> 00:15:15,509  
and we do that with a lot of things and

359  
00:15:12,929 --> 00:15:18,058  
of course just on a basic factual level

360  
00:15:15,509 --> 00:15:21,930  
well it's a line and people are being

361  
00:15:18,058 --> 00:15:23,698  
fed a faucet so you know if you still a

362  
00:15:21,929 --> 00:15:26,039  
little bit in the middle about crops

363  
00:15:23,698 --> 00:15:28,078  
separate it's worth looking more into

364  
00:15:26,039 --> 00:15:31,740  
the evidence because in my view that

365  
00:15:28,078 --> 00:15:33,388  
cannot all be man-made and and you know

366  
00:15:31,740 --> 00:15:36,539  
the interest still goes on in at least

367  
00:15:33,389 --> 00:15:38,490  
some areas so look at some other mystery

368  
00:15:36,539 --> 00:15:40,500  
areas then because it's interesting to

369  
00:15:38,490 --> 00:15:43,680  
compare the way they're all treated so

370  
00:15:40,500 --> 00:15:47,159  
what about cryptozoology the study of

371

00:15:43,679 --> 00:15:49,919  
strange creatures so you've got of

372  
00:15:47,159 --> 00:15:52,019  
course classics like bigfoot them the

373  
00:15:49,919 --> 00:15:53,818  
yeti which might look like that the yes

374  
00:15:52,019 --> 00:15:56,639  
he lives in the himalayas apparently

375  
00:15:53,818 --> 00:15:59,338  
Bigfoot lives in you know the North

376  
00:15:56,639 --> 00:16:01,230  
American mountains and I mean the

377  
00:15:59,339 --> 00:16:03,600  
traditional view to the famous film the

378  
00:16:01,230 --> 00:16:07,170  
Bigfoot is well it's a guy in a gorilla

379  
00:16:03,600 --> 00:16:08,970  
suit clearly but then you look at the

380  
00:16:07,169 --> 00:16:11,009  
evidence and there's much more to it and

381  
00:16:08,970 --> 00:16:13,290  
you know there are many sides is you've

382  
00:16:11,009 --> 00:16:15,778  
got the Sasquatch as well you've got all

383  
00:16:13,289 --> 00:16:17,669  
these related creatures that maybe one

384  
00:16:15,778 --> 00:16:20,639  
of the same species and again in the end

385  
00:16:17,669 --> 00:16:23,338

you think well easy impossible that

386

00:16:20,639 --> 00:16:26,068

there could be some strange unusual

387

00:16:23,339 --> 00:16:27,350

maybe species of creature abroad in

388

00:16:26,068 --> 00:16:30,079

these places

389

00:16:27,350 --> 00:16:32,750

mean if we just look at the Yeti some

390

00:16:30,080 --> 00:16:35,000

quite well-known people have been

391

00:16:32,750 --> 00:16:36,649

looking for the Yeti and one of the

392

00:16:35,000 --> 00:16:38,990

people that's been on expeditions to

393

00:16:36,649 --> 00:16:41,829

find their which surprises a number of

394

00:16:38,990 --> 00:16:43,370

people II's the actor Brian Blessed

395

00:16:41,830 --> 00:16:48,770

Brian brushwood

396

00:16:43,370 --> 00:16:50,360

that Brian Blessed sobriety is somebody

397

00:16:48,769 --> 00:16:53,210

that takes this seriously now a few

398

00:16:50,360 --> 00:16:55,370

years ago I did the Esther Rantzen TV

399

00:16:53,210 --> 00:16:56,720

show if you remember that and there

400  
00:16:55,370 --> 00:16:58,850  
Brian was one of the other guests so

401  
00:16:56,720 --> 00:17:01,009  
we're quite long chat and in between the

402  
00:16:58,850 --> 00:17:03,800  
swear words had an interesting

403  
00:17:01,009 --> 00:17:05,990  
conversation and absolutely he is

404  
00:17:03,799 --> 00:17:07,430  
convinced the Yeti exists and of course

405  
00:17:05,990 --> 00:17:10,039  
over the years other people have been

406  
00:17:07,430 --> 00:17:12,200  
gathering things like first samples from

407  
00:17:10,039 --> 00:17:14,839  
claimed sightings and just in the last

408  
00:17:12,200 --> 00:17:17,059  
two or three years a lab in America has

409  
00:17:14,839 --> 00:17:20,659  
declared they do think the Yeti is real

410  
00:17:17,059 --> 00:17:23,139  
but the what it is is an unusual species

411  
00:17:20,660 --> 00:17:26,540  
of bribe blessing

412  
00:17:23,140 --> 00:17:28,400  
some people they he might be the Yeti no

413  
00:17:26,539 --> 00:17:32,089  
they believe it might be an unusual

414  
00:17:28,400 --> 00:17:34,640  
species of bear now probably a cross

415  
00:17:32,089 --> 00:17:37,879  
between a grizzly bear and a polar bear

416  
00:17:34,640 --> 00:17:39,410  
now okay if that's correct and you know

417  
00:17:37,880 --> 00:17:42,110  
of course there's still arguments around

418  
00:17:39,410 --> 00:17:44,540  
this all right it's not an alien but

419  
00:17:42,109 --> 00:17:46,729  
maybe there's something you know people

420  
00:17:44,539 --> 00:17:49,039  
are trying to get a context to something

421  
00:17:46,730 --> 00:17:51,860  
they're seeing and they've called it the

422  
00:17:49,039 --> 00:17:54,740  
Yeti well why not and I mean of course

423  
00:17:51,859 --> 00:17:57,740  
in terms of cryptozoology what about a

424  
00:17:54,740 --> 00:18:00,200  
strange creature a bit nearer well the

425  
00:17:57,740 --> 00:18:01,640  
good old alot Ness monster I mean you

426  
00:18:00,200 --> 00:18:04,130  
may have heard recently they're trying

427  
00:18:01,640 --> 00:18:06,470  
to take DNA samples from the water now

428

00:18:04,130 --> 00:18:08,720  
to try to see if they can sieve out you

429  
00:18:06,470 --> 00:18:10,940  
know some species though we don't know

430  
00:18:08,720 --> 00:18:12,680  
about I mean here's one of the classic

431  
00:18:10,940 --> 00:18:15,890  
Loch Ness monster pictures which were

432  
00:18:12,680 --> 00:18:17,750  
always told is a known hoax photograph

433  
00:18:15,890 --> 00:18:19,370  
but on the other hand you will then meet

434  
00:18:17,750 --> 00:18:22,190  
people that will tell you the hoax story

435  
00:18:19,369 --> 00:18:23,929  
is the hoax so how do you know and

436  
00:18:22,190 --> 00:18:25,820  
there's some of you know already you

437  
00:18:23,930 --> 00:18:28,490  
know in these realms it's often very

438  
00:18:25,819 --> 00:18:31,039  
difficult to get to the bottom of what's

439  
00:18:28,490 --> 00:18:33,019  
going on here a token of getting to the

440  
00:18:31,039 --> 00:18:35,269  
bottom of things submarines of course

441  
00:18:33,019 --> 00:18:36,849  
have been down into the lock trying to

442  
00:18:35,269 --> 00:18:41,349

find a creature

443

00:18:36,849 --> 00:18:43,779

this was taken in 1975 and again the

444

00:18:41,349 --> 00:18:46,689

cynics say well it's a bit of driftwood

445

00:18:43,779 --> 00:18:50,440

or something but others say well you

446

00:18:46,690 --> 00:18:53,470

know what that doesn't look quite a lot

447

00:18:50,440 --> 00:18:55,570

like a plesiosaur now I mean again we

448

00:18:53,470 --> 00:18:59,470

imagine plesiosaurs died out with the

449

00:18:55,569 --> 00:19:02,289

dinosaurs 65 million years or so ago but

450

00:18:59,470 --> 00:19:04,600

is the impulse of all the prehistoric

451

00:19:02,289 --> 00:19:06,039

species could have survived somewhere

452

00:19:04,599 --> 00:19:08,099

down there because it can't just be one

453

00:19:06,039 --> 00:19:11,619

monster I mean it's got to be an ongoing

454

00:19:08,099 --> 00:19:13,750

species well in my view it is possible

455

00:19:11,619 --> 00:19:17,309

and the reason is because we have things

456

00:19:13,750 --> 00:19:21,039

like this here is the coelacanth fish

457  
00:19:17,309 --> 00:19:22,899  
believed for years to be a species of

458  
00:19:21,039 --> 00:19:26,889  
fish that died out again with the

459  
00:19:22,900 --> 00:19:29,080  
dinosaurs all we had were fossils until

460  
00:19:26,890 --> 00:19:30,910  
in the last couple of decades or so

461  
00:19:29,079 --> 00:19:33,460  
they've started to find them swimming

462  
00:19:30,910 --> 00:19:36,100  
around and the coelacanth is alive and

463  
00:19:33,460 --> 00:19:36,730  
well and has barely changed in millions

464  
00:19:36,099 --> 00:19:40,000  
of years

465  
00:19:36,730 --> 00:19:42,250  
so can we rule out that there might be

466  
00:19:40,000 --> 00:19:44,440  
other species around which haven't

467  
00:19:42,250 --> 00:19:46,750  
changed much yeah I think they are there

468  
00:19:44,440 --> 00:19:49,240  
what makes sense to me and certainly

469  
00:19:46,750 --> 00:19:50,859  
cannot be ruled out but again trying to

470  
00:19:49,240 --> 00:19:53,680  
get this over in the mainstream is a

471  
00:19:50,859 --> 00:19:56,469  
very difficult thing even with blatant

472  
00:19:53,680 --> 00:20:00,430  
examples like this that show that there

473  
00:19:56,470 --> 00:20:02,230  
is a case to be made and I get a lot of

474  
00:20:00,430 --> 00:20:04,240  
talks and I meet a lot of people on one

475  
00:20:02,230 --> 00:20:07,990  
of the market there's two areas actually

476  
00:20:04,240 --> 00:20:10,839  
I hate constant right constant reports

477  
00:20:07,990 --> 00:20:14,259  
of one is UFOs which will come to the

478  
00:20:10,839 --> 00:20:16,689  
other is people have seen ghosts this is

479  
00:20:14,259 --> 00:20:19,930  
one of the most prevalent and explained

480  
00:20:16,690 --> 00:20:22,660  
mysteries in our society and yet again

481  
00:20:19,930 --> 00:20:25,000  
it's not treated seriously I mean here

482  
00:20:22,660 --> 00:20:26,740  
are some claimed classic ghost

483  
00:20:25,000 --> 00:20:28,990  
photographs I don't know if they're real

484  
00:20:26,740 --> 00:20:30,370  
or not but in more recent times of

485

00:20:28,990 --> 00:20:32,920  
course you've got CCTV everywhere

486  
00:20:30,369 --> 00:20:35,469  
they're often being photographed on

487  
00:20:32,920 --> 00:20:37,779  
multiple cameras from different angles

488  
00:20:35,470 --> 00:20:40,450  
you got poltergeist activity being

489  
00:20:37,779 --> 00:20:43,359  
caught and you get to a point where you

490  
00:20:40,450 --> 00:20:45,970  
say this come all be fraud surely

491  
00:20:43,359 --> 00:20:48,819  
and when I put that together with the

492  
00:20:45,970 --> 00:20:51,610  
amount of people that I've met you know

493  
00:20:48,819 --> 00:20:53,798  
just reasonable qualified professional

494  
00:20:51,609 --> 00:20:55,898  
people who told me about the ghosts

495  
00:20:53,798 --> 00:20:58,628  
they've seen I would say there's around

496  
00:20:55,898 --> 00:21:01,209  
1 in 10 people who believe they've seen

497  
00:20:58,628 --> 00:21:03,488  
a ghost and that's a lot of people I

498  
00:21:01,210 --> 00:21:06,429  
mean ghost stories go back you know

499  
00:21:03,489 --> 00:21:08,739

yawns as Roman ghost stories

500

00:21:06,429 --> 00:21:11,139

even the Bible refers to go see is

501

00:21:08,739 --> 00:21:14,169

something that's been in our psyche for

502

00:21:11,138 --> 00:21:16,089

a long time but we told these days

503

00:21:14,169 --> 00:21:18,940

though they're both young ghosts don't

504

00:21:16,089 --> 00:21:21,038

exist clearly they don't because and

505

00:21:18,940 --> 00:21:22,808

that's where it ends because yeah what

506

00:21:21,038 --> 00:21:23,499

and you won't get a good reason why they

507

00:21:22,808 --> 00:21:25,418

don't exist

508

00:21:23,499 --> 00:21:27,480

you'll just be told on the likes of

509

00:21:25,419 --> 00:21:30,009

Radio 4 that it's it's probably

510

00:21:27,480 --> 00:21:32,858

hallucination you know trick of the mind

511

00:21:30,009 --> 00:21:34,499

and the problem with that is hey that

512

00:21:32,858 --> 00:21:38,168

doesn't explain all the visual evidence

513

00:21:34,499 --> 00:21:40,989

and B what that doesn't explain is why

514  
00:21:38,169 --> 00:21:44,019  
very often many different people will

515  
00:21:40,989 --> 00:21:46,749  
report seeing the same ghost in the same

516  
00:21:44,019 --> 00:21:48,970  
place a completely different times

517  
00:21:46,749 --> 00:21:51,460  
never knowing that anybody else had ever

518  
00:21:48,970 --> 00:21:54,519  
seen them so that's not one thing in one

519  
00:21:51,460 --> 00:21:57,429  
person's mind I mean it can't be weather

520  
00:21:54,519 --> 00:22:00,849  
then these are spirits trapped between

521  
00:21:57,429 --> 00:22:03,580  
worlds as some people believe or is some

522  
00:22:00,849 --> 00:22:06,339  
strange crack in time replaying over and

523  
00:22:03,579 --> 00:22:08,970  
over or portals between dementia let's

524  
00:22:06,339 --> 00:22:12,099  
call it well you well we don't know but

525  
00:22:08,970 --> 00:22:13,629  
anybody that says ghosts don't exist

526  
00:22:12,099 --> 00:22:15,969  
without ever having looked at the

527  
00:22:13,628 --> 00:22:17,678  
evidence to me it's been foolish because

528

00:22:15,970 --> 00:22:20,440

it is absolutely clear it is a

529

00:22:17,679 --> 00:22:22,450

phenomenon wherever they come from and

530

00:22:20,440 --> 00:22:25,149

it's something that I think we should be

531

00:22:22,450 --> 00:22:28,239

treated more seriously but you don't

532

00:22:25,148 --> 00:22:30,189

necessarily need to be dead to find that

533

00:22:28,239 --> 00:22:32,710

your consciousness can exist outside of

534

00:22:30,190 --> 00:22:36,778

your body because another recurring

535

00:22:32,710 --> 00:22:39,850

phenomena is the out-of-body experience

536

00:22:36,778 --> 00:22:41,128

anybody here ever had one of these yep

537

00:22:39,849 --> 00:22:44,349

several well there you go

538

00:22:41,128 --> 00:22:46,839

is again more common than you might know

539

00:22:44,349 --> 00:22:48,459

because it's something which people are

540

00:22:46,839 --> 00:22:50,558

afraid to talk about a very personal

541

00:22:48,460 --> 00:22:52,028

thing but also they know they're gonna

542

00:22:50,558 --> 00:22:54,278  
get ridicule

543  
00:22:52,028 --> 00:22:56,079  
it's absolutely clear this is now real

544  
00:22:54,278 --> 00:22:58,210  
phenomenon the projection of

545  
00:22:56,079 --> 00:23:00,519  
consciousness would seem to be possible

546  
00:22:58,210 --> 00:23:03,249  
and often people are experiencing this

547  
00:23:00,519 --> 00:23:04,929  
either in sleep or under a general

548  
00:23:03,249 --> 00:23:06,579  
anaesthetic and they're having an

549  
00:23:04,929 --> 00:23:09,399  
operation and the line down there on the

550  
00:23:06,579 --> 00:23:12,189  
slab and suddenly it's as if basemap to

551  
00:23:09,398 --> 00:23:14,199  
wait but there could be a wake away

552  
00:23:12,190 --> 00:23:16,119  
because they're often there hovering up

553  
00:23:14,200 --> 00:23:18,129  
there somewhere looking down on their

554  
00:23:16,118 --> 00:23:20,949  
body which is still lying down there on

555  
00:23:18,128 --> 00:23:22,808  
the slab and many people have found that

556  
00:23:20,950 --> 00:23:24,308

they can waft around and go through

557

00:23:22,808 --> 00:23:26,440

walls and go and have a look in other

558

00:23:24,308 --> 00:23:28,329

rooms and then they finally come back

559

00:23:26,440 --> 00:23:30,519

into their body and when they come to

560

00:23:28,329 --> 00:23:32,648

they're telling doctors and nurses about

561

00:23:30,519 --> 00:23:34,479

things that they couldn't have ever seen

562

00:23:32,648 --> 00:23:36,278

from lying down there in the slap the

563

00:23:34,479 --> 00:23:37,899

describing saying things in other parts

564

00:23:36,278 --> 00:23:40,659

of the hospital that they couldn't have

565

00:23:37,898 --> 00:23:42,538

ever got to and some hospitals are now

566

00:23:40,659 --> 00:23:46,269

treating this seriously as a study in

567

00:23:42,538 --> 00:23:48,398

Southampton hospital for instance so it

568

00:23:46,269 --> 00:23:50,739

is such a recurring phenomenon now that

569

00:23:48,398 --> 00:23:53,168

we need to understand this but it does

570

00:23:50,739 --> 00:23:55,298

look like our minds and our physicality

571  
00:23:53,169 --> 00:23:57,940  
are not necessarily one of the same

572  
00:23:55,298 --> 00:24:00,278  
thing and I mean of course over the

573  
00:23:57,940 --> 00:24:03,190  
years there have been many studies made

574  
00:24:00,278 --> 00:24:05,108  
into psychic phenomena of all kinds and

575  
00:24:03,190 --> 00:24:07,719  
I think you could call that a kind of

576  
00:24:05,108 --> 00:24:09,128  
psychic phenomenon and it's pretty clear

577  
00:24:07,719 --> 00:24:10,989  
if you look at what the likes of the

578  
00:24:09,128 --> 00:24:12,998  
Russian military and the American

579  
00:24:10,989 --> 00:24:15,700  
military have done just to give you two

580  
00:24:12,999 --> 00:24:18,489  
examples they know there is a phenomenon

581  
00:24:15,700 --> 00:24:20,288  
here except of course they're probably

582  
00:24:18,489 --> 00:24:23,769  
trying to use it for their own dubious

583  
00:24:20,288 --> 00:24:26,408  
ends so they won't shout too much about

584  
00:24:23,769 --> 00:24:28,598  
any positive results but there are lots

585  
00:24:26,409 --> 00:24:32,710  
of other more public positive results

586  
00:24:28,598 --> 00:24:34,798  
you can cite for several years these two

587  
00:24:32,710 --> 00:24:37,778  
gentlemen Robert John and Dean Radin

588  
00:24:34,798 --> 00:24:40,989  
professors at Princeton University did a

589  
00:24:37,778 --> 00:24:43,479  
whole series a series of experiments to

590  
00:24:40,989 --> 00:24:45,009  
try to put a psychic phenomena of all

591  
00:24:43,479 --> 00:24:48,969  
kinds to the test everything from

592  
00:24:45,009 --> 00:24:51,819  
telepathy telekinesis and in the end

593  
00:24:48,969 --> 00:24:55,659  
when they did amateur analysis as you

594  
00:24:51,819 --> 00:24:57,308  
call it of all the results and they were

595  
00:24:55,659 --> 00:24:59,289  
you know sure at all what they would

596  
00:24:57,308 --> 00:25:00,319  
come up with but in the end they had to

597  
00:24:59,288 --> 00:25:03,259  
conclude the

598  
00:25:00,319 --> 00:25:06,079  
they had so many positive results that

599

00:25:03,259 --> 00:25:09,288  
the odds of those positive results just

600  
00:25:06,079 --> 00:25:13,339  
being chance were an incredible 35

601  
00:25:09,288 --> 00:25:14,839  
trillion to one against Marren if that

602  
00:25:13,339 --> 00:25:18,259  
was a 1 million to one

603  
00:25:14,839 --> 00:25:22,398  
or I'd be impressive 35 trillion is an

604  
00:25:18,259 --> 00:25:24,620  
almost unimaginable number and yet based

605  
00:25:22,398 --> 00:25:26,658  
on that you say well why don't we all

606  
00:25:24,619 --> 00:25:29,209  
walk round going we're all psychic and

607  
00:25:26,659 --> 00:25:31,700  
you turn on the tallien is today is

608  
00:25:29,210 --> 00:25:34,069  
psychic news and it's all normal but

609  
00:25:31,700 --> 00:25:37,460  
it's not like they said no because we're

610  
00:25:34,069 --> 00:25:39,259  
in hideous denial about this side of us

611  
00:25:37,460 --> 00:25:41,240  
in the way that we're in denial of so

612  
00:25:39,259 --> 00:25:43,610  
much other so-called paranormal

613  
00:25:41,240 --> 00:25:45,620

phenomena and one of the reasons though

614

00:25:43,609 --> 00:25:47,859

we don't hear from people like this is

615

00:25:45,619 --> 00:25:50,508

instead we hear from people like this

616

00:25:47,859 --> 00:25:53,148

people like Richard Dawkins Brian Cox

617

00:25:50,509 --> 00:25:55,970

rubber Winston and Professor Chris

618

00:25:53,148 --> 00:25:58,278

French the arch skeptic is a nice chap

619

00:25:55,970 --> 00:26:00,500

but always on the news basically saying

620

00:25:58,278 --> 00:26:03,470

no there's no reality to any of this

621

00:26:00,500 --> 00:26:05,419

alleged paranormal stuff and we have a

622

00:26:03,470 --> 00:26:06,620

problem here because these types of

623

00:26:05,419 --> 00:26:09,350

people and there are others we could

624

00:26:06,619 --> 00:26:12,949

mention have enormous influence over the

625

00:26:09,349 --> 00:26:14,658

medium and you know people are Dawkins

626

00:26:12,950 --> 00:26:16,370

and Cox they don't believe in the spirit

627

00:26:14,659 --> 00:26:18,500

they don't believe in ghosts they don't

628  
00:26:16,369 --> 00:26:20,859  
believe in anything that is not

629  
00:26:18,500 --> 00:26:23,628  
immediately in front of their eyes and

630  
00:26:20,859 --> 00:26:25,219  
scientifically verifiable but the

631  
00:26:23,628 --> 00:26:27,949  
problem is they don't really apply this

632  
00:26:25,220 --> 00:26:29,870  
sighs properly to look at these things

633  
00:26:27,950 --> 00:26:31,819  
they just assume there's nothing to it

634  
00:26:29,869 --> 00:26:34,898  
and so they don't get investigated and

635  
00:26:31,819 --> 00:26:37,398  
yet when real science like the Princeton

636  
00:26:34,898 --> 00:26:39,469  
University science comes forward they

637  
00:26:37,398 --> 00:26:41,689  
don't want to know they dismiss those

638  
00:26:39,470 --> 00:26:44,000  
people as mavericks and that's a problem

639  
00:26:41,690 --> 00:26:46,429  
in the world of scientism as soon as

640  
00:26:44,000 --> 00:26:48,349  
somebody starts to study something that

641  
00:26:46,429 --> 00:26:50,840  
the likes of these people believe is not

642  
00:26:48,349 --> 00:26:53,418  
credible that's it they are considered

643  
00:26:50,839 --> 00:26:55,788  
no longer scientists and so you can say

644  
00:26:53,419 --> 00:26:57,320  
there is no scientific evidence for this

645  
00:26:55,788 --> 00:26:58,878  
or that because you've just declared

646  
00:26:57,319 --> 00:27:02,240  
those over there are no longer

647  
00:26:58,878 --> 00:27:05,028  
scientists it's very wrong and it's very

648  
00:27:02,240 --> 00:27:08,000  
unfair and it's creating a completely

649  
00:27:05,028 --> 00:27:09,740  
full view of the reality that we're

650  
00:27:08,000 --> 00:27:11,929  
living and then yeah most people in

651  
00:27:09,740 --> 00:27:12,558  
mainstream say this they don't see the

652  
00:27:11,929 --> 00:27:14,240  
guys are in

653  
00:27:12,558 --> 00:27:16,700  
in university and I'm just using them as

654  
00:27:14,240 --> 00:27:18,009  
but one example and let me show you how

655  
00:27:16,700 --> 00:27:20,840  
this works in practice

656

00:27:18,009 --> 00:27:23,440  
Europe remember they found their rich at

657  
00:27:20,839 --> 00:27:27,798  
the Third's body two or three years ago

658  
00:27:23,440 --> 00:27:29,659  
under a car park in Leicester so here on

659  
00:27:27,798 --> 00:27:31,429  
the left is the lady who was

660  
00:27:29,659 --> 00:27:34,519  
instrumental in finding Richard that

661  
00:27:31,429 --> 00:27:36,350  
third Philippa Langley and when you

662  
00:27:34,519 --> 00:27:38,028  
watch the original television programs

663  
00:27:36,349 --> 00:27:39,918  
about the discovery of Richard the third

664  
00:27:38,028 --> 00:27:42,710  
you will see a lot of Philippa Langley

665  
00:27:39,919 --> 00:27:45,830  
though she is chatting away and telling

666  
00:27:42,710 --> 00:27:48,558  
you very openly about what it was that

667  
00:27:45,829 --> 00:27:50,509  
led her to know exactly where the body

668  
00:27:48,558 --> 00:27:53,658  
was oh yes there were clues to the

669  
00:27:50,509 --> 00:27:56,210  
general area that's true but she says in

670  
00:27:53,659 --> 00:27:59,210

those original programs what led her to

671

00:27:56,210 --> 00:28:02,899

the exact spot in the car park was that

672

00:27:59,210 --> 00:28:06,499

she had a psychic intuition she was led

673

00:28:02,898 --> 00:28:09,168

there by some feeling and of course that

674

00:28:06,499 --> 00:28:10,788

is all very embarrassing to all the

675

00:28:09,169 --> 00:28:13,129

scientists in the white coats that want

676

00:28:10,788 --> 00:28:15,259

to talk about the bones and now you look

677

00:28:13,128 --> 00:28:16,969

at the modern programs made about the

678

00:28:15,259 --> 00:28:19,009

discovery of the body of Richard the

679

00:28:16,970 --> 00:28:21,200

third and guess what poor old Philip is

680

00:28:19,009 --> 00:28:22,849

hardly in it she's absolutely been

681

00:28:21,200 --> 00:28:25,639

pushed to the bag you don't hear about

682

00:28:22,849 --> 00:28:27,769

the psychic intuition now she's been

683

00:28:25,638 --> 00:28:30,528

written out of history and that is very

684

00:28:27,769 --> 00:28:33,349

typical of the way it gets dealt with

685  
00:28:30,528 --> 00:28:36,079  
that doesn't fit the scientism view so

686  
00:28:33,349 --> 00:28:38,509  
it doesn't get reported and I mean what

687  
00:28:36,079 --> 00:28:40,428  
I find ironic here is that I mean when

688  
00:28:38,509 --> 00:28:43,730  
the world of academia is proved to be

689  
00:28:40,429 --> 00:28:45,798  
wrong it never apologizes it's very

690  
00:28:43,730 --> 00:28:47,058  
critical of everybody else but when they

691  
00:28:45,798 --> 00:28:49,668  
get something wrong there's no

692  
00:28:47,058 --> 00:28:52,220  
correction or apology for example the

693  
00:28:49,669 --> 00:28:53,778  
way Richard the third looked when they

694  
00:28:52,220 --> 00:28:55,999  
got the skull they said right we're

695  
00:28:53,778 --> 00:28:58,128  
gonna reconstruct it but we must warn

696  
00:28:55,999 --> 00:29:01,519  
you that he will look nothing like the

697  
00:28:58,128 --> 00:29:04,339  
old Tudor pictures bletchley look why

698  
00:29:01,519 --> 00:29:06,019  
not buy the old truth pictures but then

699  
00:29:04,339 --> 00:29:07,730  
they move on nobody corrects they don't

700  
00:29:06,019 --> 00:29:09,558  
say oh my god we were wrong though just

701  
00:29:07,730 --> 00:29:13,460  
they pretend they never said what they

702  
00:29:09,558 --> 00:29:15,740  
said so many people believe that they're

703  
00:29:13,460 --> 00:29:18,499  
a whole store is just being literally

704  
00:29:15,740 --> 00:29:20,599  
removed from our sight on a daily basis

705  
00:29:18,499 --> 00:29:24,029  
as we've seen where the spy rose in the

706  
00:29:20,599 --> 00:29:26,339  
sky crop circles and to a degree UFOs

707  
00:29:24,029 --> 00:29:28,410  
yes it occasionally appears in the press

708  
00:29:26,339 --> 00:29:31,740  
but not to the degree that it should

709  
00:29:28,410 --> 00:29:33,840  
given how much of it is going on so the

710  
00:29:31,740 --> 00:29:37,109  
problem with that is it starts to lead

711  
00:29:33,839 --> 00:29:40,019  
you into the world of cover-ups and

712  
00:29:37,109 --> 00:29:43,679  
conspiracy theories because you're left

713

00:29:40,019 --> 00:29:45,750  
with no choice and some people say well

714  
00:29:43,680 --> 00:29:47,310  
you know that's very paranoid isn't it I

715  
00:29:45,750 --> 00:29:49,650  
mean how can you prove there's a

716  
00:29:47,309 --> 00:29:51,240  
cover-up well you don't really need me

717  
00:29:49,650 --> 00:29:53,070  
to go through this but I'll just whisk

718  
00:29:51,240 --> 00:29:54,630  
through this briefly because I do think

719  
00:29:53,069 --> 00:29:57,679  
one area you can absolutely prove

720  
00:29:54,630 --> 00:30:01,170  
cover-ups going on it's the area of UFOs

721  
00:29:57,680 --> 00:30:03,720  
so you know the UFOs have been you know

722  
00:30:01,170 --> 00:30:07,170  
in the news since at least the 1940s

723  
00:30:03,720 --> 00:30:08,460  
Roswell and all of that and culturally

724  
00:30:07,170 --> 00:30:10,019  
it's funny isn't it most people have

725  
00:30:08,460 --> 00:30:11,880  
heard of Roswell

726  
00:30:10,019 --> 00:30:13,980  
ask them what it's all about and they

727  
00:30:11,880 --> 00:30:17,310

won't always remember but their name

728

00:30:13,980 --> 00:30:20,009

Roswell is Albert and should anybody new

729

00:30:17,309 --> 00:30:23,399

be here tonight you don't know this is

730

00:30:20,009 --> 00:30:24,960

of course where in 1947 it was reported

731

00:30:23,400 --> 00:30:27,600

that a place called Roswell in New

732

00:30:24,960 --> 00:30:30,690

Mexico that a flying saucer had been

733

00:30:27,599 --> 00:30:32,909

found crashed into the desert dry alien

734

00:30:30,690 --> 00:30:34,650

bodies were lying nearby of course the

735

00:30:32,910 --> 00:30:35,940

military held a press conference and

736

00:30:34,650 --> 00:30:38,490

said it was a weather balloon there's

737

00:30:35,940 --> 00:30:41,009

famous made you just seen Marcel but of

738

00:30:38,490 --> 00:30:43,170

course when Marcel then retired he

739

00:30:41,009 --> 00:30:44,539

completely turned the story around and

740

00:30:43,170 --> 00:30:46,860

said no I believe it was

741

00:30:44,539 --> 00:30:48,599

extraterrestrial and the Roswell

742  
00:30:46,859 --> 00:30:50,699  
whistleblowers have said the same thing

743  
00:30:48,599 --> 00:30:52,919  
and getting to the bottom arose well as

744  
00:30:50,700 --> 00:30:55,980  
most of you here know as well as anybody

745  
00:30:52,920 --> 00:30:57,900  
is now very hard but you know clearly it

746  
00:30:55,980 --> 00:30:59,490  
was more than a weather balloon I mean

747  
00:30:57,900 --> 00:31:01,800  
the weather blew never explained the

748  
00:30:59,490 --> 00:31:04,710  
claims of the alien bodies anyway which

749  
00:31:01,799 --> 00:31:07,440  
we have doctors nurses on record as

750  
00:31:04,710 --> 00:31:10,230  
claiming they saw this bodies and only

751  
00:31:07,440 --> 00:31:12,330  
about 25-30 years ago the US military

752  
00:31:10,230 --> 00:31:13,860  
then tried to explain that they're

753  
00:31:12,329 --> 00:31:16,500  
saying well they were just crash test

754  
00:31:13,859 --> 00:31:18,329  
dummies well you like to hope that you

755  
00:31:16,500 --> 00:31:20,000  
nurses can tell the difference between

756

00:31:18,329 --> 00:31:22,230

bodies in crash tests I've never

757

00:31:20,000 --> 00:31:24,539

apparently not if I've understood that

758

00:31:22,230 --> 00:31:25,980

right so the rosewater phenomena goes on

759

00:31:24,539 --> 00:31:28,049

but the point I'm making here is it's

760

00:31:25,980 --> 00:31:29,250

still in the public consciousness even

761

00:31:28,049 --> 00:31:31,829

though you're not meant to take it

762

00:31:29,250 --> 00:31:32,450

seriously and most people today have

763

00:31:31,829 --> 00:31:35,359

heard of it

764

00:31:32,450 --> 00:31:38,410

area 51 there's an aerial shot of it you

765

00:31:35,359 --> 00:31:41,139

know the military test zone in Nevada

766

00:31:38,410 --> 00:31:43,400

many people say they've got

767

00:31:41,140 --> 00:31:45,200

extraterrestrial technology and hangars

768

00:31:43,400 --> 00:31:47,140

under the ground they're trying to copy

769

00:31:45,200 --> 00:31:49,610

it to create modern military technology

770

00:31:47,140 --> 00:31:51,800  
you can say that to people and most

771  
00:31:49,609 --> 00:31:54,139  
people have kind of grasp that that is a

772  
00:31:51,799 --> 00:31:55,879  
kind of athenaeus have belief even if

773  
00:31:54,140 --> 00:31:58,610  
they don't believe it themselves so you

774  
00:31:55,880 --> 00:32:01,070  
know the UFO phenomenon is very much out

775  
00:31:58,609 --> 00:32:05,389  
there in the collective psyche but still

776  
00:32:01,069 --> 00:32:07,399  
were in massive denial so ghost is one

777  
00:32:05,390 --> 00:32:08,900  
thing I keep coming across people come

778  
00:32:07,400 --> 00:32:10,490  
up to me and share the ghost stories

779  
00:32:08,900 --> 00:32:12,890  
because they know I'm not going to

780  
00:32:10,490 --> 00:32:15,230  
really cure them UFO sightings is the

781  
00:32:12,890 --> 00:32:17,330  
other one I mean so many people you know

782  
00:32:15,230 --> 00:32:19,579  
this there's so many people that

783  
00:32:17,329 --> 00:32:21,710  
wouldn't normally talk about it see UFOs

784  
00:32:19,579 --> 00:32:24,759

and whether you want to argue they're

785

00:32:21,710 --> 00:32:27,019

alien military hybrid whatever they are

786

00:32:24,759 --> 00:32:28,579

there's something clearly flying around

787

00:32:27,019 --> 00:32:30,200

and there's no question about that

788

00:32:28,579 --> 00:32:32,409

but most of the people that speak to

789

00:32:30,200 --> 00:32:35,450

mean by the way many of them are pilots

790

00:32:32,410 --> 00:32:37,670

military commercial you know sensible

791

00:32:35,450 --> 00:32:39,980

people it's always the same thing yeah I

792

00:32:37,670 --> 00:32:41,870

don't need the hassle or I don't want

793

00:32:39,980 --> 00:32:44,000

the ridicule or I thought somebody would

794

00:32:41,869 --> 00:32:46,099

laugh for me and that's how clever we've

795

00:32:44,000 --> 00:32:48,289

been in our society we've encouraged the

796

00:32:46,099 --> 00:32:50,209

world to laugh at it and then that's

797

00:32:48,289 --> 00:32:52,009

Moses found conversations because then

798

00:32:50,210 --> 00:32:54,500

people are very afraid of coming forward

799

00:32:52,009 --> 00:32:57,859  
and again then you get this false view

800

00:32:54,500 --> 00:33:00,470  
of the world and when you apply what in

801

00:32:57,859 --> 00:33:02,389  
my book I called the truth agenda you

802

00:33:00,470 --> 00:33:04,069  
start to look at what stacks up as

803

00:33:02,390 --> 00:33:06,410  
evidence and what doesn't you realize

804

00:33:04,069 --> 00:33:09,259  
the truth is here there is something

805

00:33:06,410 --> 00:33:10,700  
going on the freedom of information that

806

00:33:09,259 --> 00:33:11,990  
doesn't get you anywhere because of

807

00:33:10,700 --> 00:33:15,890  
course even if they do release a

808

00:33:11,990 --> 00:33:17,779  
document that's what you can't and so we

809

00:33:15,890 --> 00:33:20,450  
have to turn to civilian testimony of

810

00:33:17,779 --> 00:33:23,269  
which there is of course a lot and you

811

00:33:20,450 --> 00:33:26,630  
know I mean it's endless every year more

812

00:33:23,269 --> 00:33:29,089  
claims and I mean I mean I did find

813  
00:33:26,630 --> 00:33:32,150  
interest in the late john mack who of

814  
00:33:29,089 --> 00:33:34,819  
course was a professor at harvard i mean

815  
00:33:32,150 --> 00:33:36,920  
he tried to do a study into alien

816  
00:33:34,819 --> 00:33:39,769  
abduction and the people who claimed to

817  
00:33:36,920 --> 00:33:42,410  
man these beings when he was a Harvard

818  
00:33:39,769 --> 00:33:45,170  
and he took a lot of flack for doing it

819  
00:33:42,410 --> 00:33:47,660  
and indeed he began just out of interest

820  
00:33:45,170 --> 00:33:49,970  
really to see what's this all about even

821  
00:33:47,660 --> 00:33:51,769  
just as a psychological phenomenon but

822  
00:33:49,970 --> 00:33:54,769  
you know after putting people through

823  
00:33:51,769 --> 00:33:56,779  
hypnotic regression and psychological

824  
00:33:54,769 --> 00:33:59,180  
analysis he had to conclude at the other

825  
00:33:56,779 --> 00:34:01,160  
end of it that most of the people he

826  
00:33:59,180 --> 00:34:03,769  
interviewed he believed that they

827

00:34:01,160 --> 00:34:05,210  
believed it they weren't just fantasies

828  
00:34:03,769 --> 00:34:07,670  
they weren't having a laugh that they

829  
00:34:05,210 --> 00:34:09,769  
personally truly believed in it and so

830  
00:34:07,670 --> 00:34:11,780  
of course he crossed to the other side

831  
00:34:09,769 --> 00:34:13,639  
but by god the flack I mean he nearly

832  
00:34:11,780 --> 00:34:15,440  
got thrown out of Harvard for doing that

833  
00:34:13,639 --> 00:34:17,329  
and that's the problem the minute

834  
00:34:15,440 --> 00:34:19,970  
somebody even dares to study something

835  
00:34:17,329 --> 00:34:22,099  
like this no they've put themselves out

836  
00:34:19,969 --> 00:34:23,449  
on a limb and a mainstream no longer

837  
00:34:22,099 --> 00:34:27,829  
will acknowledge them and I think that's

838  
00:34:23,449 --> 00:34:29,779  
stupid very very small minded but I want

839  
00:34:27,829 --> 00:34:31,789  
to kind of take this talk on to a

840  
00:34:29,780 --> 00:34:33,500  
slightly different level here so what

841  
00:34:31,789 --> 00:34:35,619

I've done here is just kind of plow

842

00:34:33,500 --> 00:34:38,090

through a few famous mysteries but

843

00:34:35,619 --> 00:34:39,650

there's another element that comes out

844

00:34:38,090 --> 00:34:42,050

of this and some of you will be familiar

845

00:34:39,650 --> 00:34:45,019

with this already I mean there are

846

00:34:42,050 --> 00:34:47,630

recurring phenomena with this of like

847

00:34:45,019 --> 00:34:49,730

operations and implants and strange

848

00:34:47,630 --> 00:34:51,380

things but the other recurring phenomena

849

00:34:49,730 --> 00:34:53,960

that I don't things talked about enough

850

00:34:51,380 --> 00:34:54,579

is when these beings whatever they may

851

00:34:53,960 --> 00:34:58,039

be

852

00:34:54,579 --> 00:34:59,299

give prophecies to people so you know

853

00:34:58,039 --> 00:35:01,369

there are many people over the years

854

00:34:59,300 --> 00:35:03,050

people like you know witty streamer and

855

00:35:01,369 --> 00:35:05,569

John King they've been told that these

856  
00:35:03,050 --> 00:35:07,519  
beams gave them prophecies of things

857  
00:35:05,570 --> 00:35:09,410  
that would happen in in our world and

858  
00:35:07,519 --> 00:35:11,509  
they've watched some of them come true

859  
00:35:09,409 --> 00:35:13,250  
and again and again over the years of

860  
00:35:11,510 --> 00:35:16,280  
the last few decades there's been this

861  
00:35:13,250 --> 00:35:18,619  
recurring theme of change that our world

862  
00:35:16,280 --> 00:35:21,920  
where we are now is about to go through

863  
00:35:18,619 --> 00:35:24,199  
change and upheaval and transformation

864  
00:35:21,920 --> 00:35:26,450  
which of course ties in with a lot of

865  
00:35:24,199 --> 00:35:29,119  
other stuff so the element of prophecy I

866  
00:35:26,449 --> 00:35:30,529  
think's been underdone in the UFO world

867  
00:35:29,119 --> 00:35:32,809  
and what I have a little look at this

868  
00:35:30,530 --> 00:35:34,310  
because this is something that might go

869  
00:35:32,809 --> 00:35:38,360  
back a little bit earlier than you might

870  
00:35:34,309 --> 00:35:40,309  
know one of the famous mysteries of the

871  
00:35:38,360 --> 00:35:43,910  
early 20th century that I've always been

872  
00:35:40,309 --> 00:35:47,539  
fascinated by is the Fatima apparitions

873  
00:35:43,909 --> 00:35:50,389  
so if you're not aware of this Fatima is

874  
00:35:47,539 --> 00:35:53,550  
village in Portugal and these three

875  
00:35:50,389 --> 00:35:55,859  
Shepherd children claim in 1917

876  
00:35:53,550 --> 00:35:58,710  
that they make festival an angel and

877  
00:35:55,860 --> 00:36:02,550  
then a glowing female being that they

878  
00:35:58,710 --> 00:36:04,070  
believed to be the Virgin Mary and this

879  
00:36:02,550 --> 00:36:07,230  
being started to give them information

880  
00:36:04,070 --> 00:36:10,050  
that they were asked to pass on to the

881  
00:36:07,230 --> 00:36:11,940  
church authorities at the time and the

882  
00:36:10,050 --> 00:36:14,580  
first bit of information was the

883  
00:36:11,940 --> 00:36:16,470  
prediction of a second world war this of

884

00:36:14,579 --> 00:36:19,139  
course was during the first world that

885  
00:36:16,469 --> 00:36:21,119  
came true the second was a prediction of

886  
00:36:19,139 --> 00:36:23,429  
a cold war and the rise of communism

887  
00:36:21,119 --> 00:36:24,509  
which of course also occurred and the

888  
00:36:23,429 --> 00:36:27,899  
third secret

889  
00:36:24,510 --> 00:36:30,810  
well that was kept very quiet for many

890  
00:36:27,900 --> 00:36:33,930  
years by the Vatican and yet Vatican

891  
00:36:30,809 --> 00:36:36,539  
officials like Cardinal Ratzinger who

892  
00:36:33,929 --> 00:36:39,869  
would go on to become pope benedict xvi

893  
00:36:36,539 --> 00:36:42,000  
he dropped very heavy hints the third

894  
00:36:39,869 --> 00:36:44,460  
secret was all about big changes and

895  
00:36:42,000 --> 00:36:47,460  
stuff all due to occur cleaned up now in

896  
00:36:44,460 --> 00:36:49,679  
our lifetimes here today but when he

897  
00:36:47,460 --> 00:36:50,940  
became Pope he then shut up I wouldn't

898  
00:36:49,679 --> 00:36:54,389

say anything more about it

899

00:36:50,940 --> 00:36:56,400

and I think religious agendas again if

900

00:36:54,389 --> 00:36:58,349

you're gonna look at global cover-ups I

901

00:36:56,400 --> 00:37:00,480

think there are more things to say about

902

00:36:58,349 --> 00:37:02,339

religious agendas then currently get

903

00:37:00,480 --> 00:37:03,690

talked about understand a little bit

904

00:37:02,340 --> 00:37:06,390

more about that in a minute

905

00:37:03,690 --> 00:37:08,579

but you could say okay yeah but on the

906

00:37:06,389 --> 00:37:09,359

other hand surely they just made this up

907

00:37:08,579 --> 00:37:12,599

they were kids

908

00:37:09,360 --> 00:37:14,430

obviously invented it well the reason I

909

00:37:12,599 --> 00:37:17,069

don't think that that's true is because

910

00:37:14,429 --> 00:37:20,309

there are thousands of accounts of what

911

00:37:17,070 --> 00:37:22,769

was called the miracle of the Sun now if

912

00:37:20,309 --> 00:37:24,989

you go to Fatima today there is a side

913  
00:37:22,769 --> 00:37:26,539  
chapel and they don't shout about this

914  
00:37:24,989 --> 00:37:30,119  
window but there's a window there

915  
00:37:26,539 --> 00:37:31,800  
commemorating the miracle of the Sun so

916  
00:37:30,119 --> 00:37:34,440  
this is where the children asked this

917  
00:37:31,800 --> 00:37:36,120  
being for a sign because reasonably they

918  
00:37:34,440 --> 00:37:38,130  
were worried nobody would listen to them

919  
00:37:36,119 --> 00:37:40,739  
and the being said yeah fair enough well

920  
00:37:38,130 --> 00:37:43,640  
bring lots of people here at this time

921  
00:37:40,739 --> 00:37:47,489  
on this date which was 13th of October

922  
00:37:43,639 --> 00:37:50,069  
1917 and I will perform a miracle and

923  
00:37:47,489 --> 00:37:51,389  
there are literally thousands of

924  
00:37:50,070 --> 00:37:54,510  
accounts of people who claim they saw

925  
00:37:51,389 --> 00:37:56,909  
the Sun flying around the sky performing

926  
00:37:54,510 --> 00:37:59,370  
acrobatics throwing our beautiful colors

927  
00:37:56,909 --> 00:38:02,759  
doing strange things the Sun doesn't

928  
00:37:59,369 --> 00:38:05,130  
normally do and what is very unusual is

929  
00:38:02,760 --> 00:38:08,039  
that we have photographs of the event

930  
00:38:05,130 --> 00:38:10,259  
there is a photograph porting to show at

931  
00:38:08,039 --> 00:38:13,230  
least the object taken from a few miles

932  
00:38:10,259 --> 00:38:15,809  
away it looks like an eclipse there but

933  
00:38:13,230 --> 00:38:17,548  
no eclipse was due that day here old

934  
00:38:15,809 --> 00:38:20,039  
people waiting they've been told to

935  
00:38:17,548 --> 00:38:21,420  
gather for a sign what I think's

936  
00:38:20,039 --> 00:38:24,210  
interesting is that you look up there

937  
00:38:21,420 --> 00:38:26,490  
you see what the bran is up and it was

938  
00:38:24,210 --> 00:38:29,190  
raining really heavily during all of

939  
00:38:26,489 --> 00:38:31,229  
this now the very last thing this object

940  
00:38:29,190 --> 00:38:33,088  
is so this went on for a while doing all

941

00:38:31,230 --> 00:38:35,250  
this incredible spinning stuff it

942  
00:38:33,088 --> 00:38:37,139  
suddenly came down very low over the

943  
00:38:35,250 --> 00:38:39,059  
heads of the crowd who by now of course

944  
00:38:37,139 --> 00:38:41,940  
would terrify they thought it was now

945  
00:38:39,059 --> 00:38:45,180  
the end of the world but as he did that

946  
00:38:41,940 --> 00:38:48,119  
the rain stopped instantly the puddles

947  
00:38:45,179 --> 00:38:51,058  
fiddles as it fizzled into steam and the

948  
00:38:48,119 --> 00:38:54,059  
clothes were instantly dry like that and

949  
00:38:51,059 --> 00:38:57,509  
that's it no because some have said when

950  
00:38:54,059 --> 00:39:00,569  
standing near UFOs water could suddenly

951  
00:38:57,509 --> 00:39:02,639  
dry up but all right personally you may

952  
00:39:00,568 --> 00:39:02,880  
remember was very keen on pointing that

953  
00:39:02,639 --> 00:39:06,179  
out

954  
00:39:02,880 --> 00:39:08,338  
so there's a connotation here now I am

955  
00:39:06,179 --> 00:39:10,679

NOT saying the Virgin Mary was or wasn't

956

00:39:08,338 --> 00:39:12,210

involved I cannot speak for that but if

957

00:39:10,679 --> 00:39:14,429

you got reported today it would

958

00:39:12,210 --> 00:39:16,710

certainly go down as if of course a

959

00:39:14,429 --> 00:39:18,768

major UFO sighting and again you've got

960

00:39:16,710 --> 00:39:21,690

the connotation of prophecy and that

961

00:39:18,768 --> 00:39:24,058

binds it together with with many other

962

00:39:21,690 --> 00:39:26,099

things briefly back to crop sir where

963

00:39:24,059 --> 00:39:28,289

some of you may know some of them have

964

00:39:26,099 --> 00:39:32,039

shown over the years clear references to

965

00:39:28,289 --> 00:39:33,869

the the ancient great cycle the people

966

00:39:32,039 --> 00:39:36,869

at the Maya you know had these

967

00:39:33,869 --> 00:39:38,818

prophecies around and it's a cycle of

968

00:39:36,869 --> 00:39:41,039

time that is embedded into many ancient

969

00:39:38,818 --> 00:39:46,528

calendrical systems not just the Maya

970  
00:39:41,039 --> 00:39:48,660  
and it's a cycle of 5125 years and the

971  
00:39:46,528 --> 00:39:51,480  
prophecy said when that cycle ended and

972  
00:39:48,659 --> 00:39:54,719  
began again as it did in December 2012

973  
00:39:51,480 --> 00:39:57,778  
it would herald the beginning of a huge

974  
00:39:54,719 --> 00:40:00,358  
time of upheaval transformation change

975  
00:39:57,778 --> 00:40:02,400  
and so forth well of course many would

976  
00:40:00,358 --> 00:40:06,119  
argue we've had nothing but upheaval

977  
00:40:02,400 --> 00:40:07,980  
since 2012 and we're now living in the

978  
00:40:06,119 --> 00:40:09,599  
new era of change according to the

979  
00:40:07,980 --> 00:40:11,548  
ancients so wasn't the end of the world

980  
00:40:09,599 --> 00:40:13,780  
as some talked it might be but it was in

981  
00:40:11,548 --> 00:40:15,940  
a way the beginning of a new world

982  
00:40:13,780 --> 00:40:18,160  
and they'll make some people wonder well

983  
00:40:15,940 --> 00:40:21,159  
what was it the ancients knew about that

984  
00:40:18,159 --> 00:40:22,960  
maybe we'd all forgotten so I mean if

985  
00:40:21,159 --> 00:40:25,389  
you just look at you know the ancients

986  
00:40:22,960 --> 00:40:27,159  
like the Meyer on that of course you

987  
00:40:25,389 --> 00:40:30,190  
know then you get all the themes of

988  
00:40:27,159 --> 00:40:35,009  
ancient aliens and it's now quite a wide

989  
00:40:30,190 --> 00:40:37,240  
belief that we were visited long ago by

990  
00:40:35,010 --> 00:40:39,640  
extraterrestrials maybe the same ones

991  
00:40:37,239 --> 00:40:41,619  
that are visiting today and of course

992  
00:40:39,639 --> 00:40:44,079  
you know you will know much about this

993  
00:40:41,619 --> 00:40:45,969  
as far as I'm aware the first person to

994  
00:40:44,079 --> 00:40:49,179  
really go pick on this was a good old

995  
00:40:45,969 --> 00:40:51,579  
Erich von däniken always made fun of on

996  
00:40:49,179 --> 00:40:54,369  
the telly is you know mad eccentric but

997  
00:40:51,579 --> 00:40:57,429  
to be fair to him his book Chariots of

998

00:40:54,369 --> 00:41:00,400  
the Gods hasn't been a multi-billion

999  
00:40:57,429 --> 00:41:01,750  
Besser for years for nothing there's

1000  
00:41:00,400 --> 00:41:04,090  
something in the collective their

1001  
00:41:01,750 --> 00:41:06,010  
response to it and you can't knock some

1002  
00:41:04,090 --> 00:41:09,760  
of the observations what really were the

1003  
00:41:06,010 --> 00:41:11,560  
Nazca lines in Peru they runways some of

1004  
00:41:09,760 --> 00:41:13,630  
the old cave paintings did not look like

1005  
00:41:11,559 --> 00:41:14,289  
what you'd call an alien if you saw it

1006  
00:41:13,630 --> 00:41:16,960  
today

1007  
00:41:14,289 --> 00:41:19,059  
the Oscar is we don't know for sure but

1008  
00:41:16,960 --> 00:41:21,670  
there's a great appetite for this you

1009  
00:41:19,059 --> 00:41:24,130  
know again the success of the American

1010  
00:41:21,670 --> 00:41:26,019  
TV series ancient aliens is not for

1011  
00:41:24,130 --> 00:41:28,480  
nothing it's something that we respond

1012  
00:41:26,019 --> 00:41:31,599

to and I think it should be acknowledged

1013

00:41:28,480 --> 00:41:34,210

more in the mainstream and of course

1014

00:41:31,599 --> 00:41:36,690

this gives rise to various conspiracy

1015

00:41:34,210 --> 00:41:39,610

theories that they seeded an

1016

00:41:36,690 --> 00:41:43,720

extraterrestrial gene because you've got

1017

00:41:39,610 --> 00:41:45,670

so many references in old writings like

1018

00:41:43,719 --> 00:41:48,250

the book of Genesis chapter 6 and the

1019

00:41:45,670 --> 00:41:50,680

Sumerian legends of a race of beings

1020

00:41:48,250 --> 00:41:53,079

from the sky who come down and

1021

00:41:50,679 --> 00:41:55,569

interbreed with mankind and in the Bible

1022

00:41:53,079 --> 00:41:58,420

it says that they then gave birth to a

1023

00:41:55,570 --> 00:42:00,760

hybrid race known as the Nephilim and

1024

00:41:58,420 --> 00:42:03,340

you know you've got this story in many

1025

00:42:00,760 --> 00:42:05,740

ancient texts of us mingling with

1026

00:42:03,340 --> 00:42:08,650

something else and of course from that

1027  
00:42:05,739 --> 00:42:10,659  
you also get at least part of the

1028  
00:42:08,650 --> 00:42:13,780  
conspiracy theory about the reptilian

1029  
00:42:10,659 --> 00:42:16,989  
agenda the the bloodline that was seeded

1030  
00:42:13,780 --> 00:42:18,820  
back then basically maintained itself in

1031  
00:42:16,989 --> 00:42:21,009  
a ruling elite which is of course now

1032  
00:42:18,820 --> 00:42:22,800  
has it it stopped the British royal

1033  
00:42:21,010 --> 00:42:25,960  
family who are of course

1034  
00:42:22,800 --> 00:42:28,670  
extraterrestrial lizard

1035  
00:42:25,960 --> 00:42:30,920  
and many people believe that seems

1036  
00:42:28,670 --> 00:42:32,990  
reasonable and I'm not here to make fun

1037  
00:42:30,920 --> 00:42:35,090  
of anyone who knows I don't know but

1038  
00:42:32,989 --> 00:42:37,909  
David Icke certainly takes it seriously

1039  
00:42:35,090 --> 00:42:40,070  
and many people take him seriously worth

1040  
00:42:37,909 --> 00:42:42,139  
noting that many prime ministers and

1041  
00:42:40,070 --> 00:42:50,690  
presidents are said to also carry the

1042  
00:42:42,139 --> 00:42:52,279  
same extraterrestrial gene and yes can

1043  
00:42:50,690 --> 00:42:54,409  
we have that conversation at the end do

1044  
00:42:52,280 --> 00:42:56,600  
I well quick answer yeah I think David I

1045  
00:42:54,409 --> 00:42:59,269  
don't agree with everything he believes

1046  
00:42:56,599 --> 00:43:01,519  
but I think he's right about enough that

1047  
00:42:59,269 --> 00:43:03,739  
he shouldn't be just instantly made fun

1048  
00:43:01,519 --> 00:43:05,509  
of that's how I feel yeah okay but

1049  
00:43:03,739 --> 00:43:08,539  
hopefully we'll have a time for chat

1050  
00:43:05,510 --> 00:43:11,450  
later but I mean here's an interesting

1051  
00:43:08,539 --> 00:43:13,340  
thing so it is true that most presidents

1052  
00:43:11,449 --> 00:43:16,039  
and prime ministers apparently have

1053  
00:43:13,340 --> 00:43:18,170  
strong genealogical links to the British

1054  
00:43:16,039 --> 00:43:20,300  
royal family I don't know about Trump

1055

00:43:18,170 --> 00:43:23,510  
but some saying even that's in there but

1056  
00:43:20,300 --> 00:43:26,030  
it's interesting it may well be that

1057  
00:43:23,510 --> 00:43:27,430  
even if it's not an alien bloodline that

1058  
00:43:26,030 --> 00:43:30,110  
there is something special about

1059  
00:43:27,429 --> 00:43:32,299  
maintaining bloodlines I mean how wars

1060  
00:43:30,110 --> 00:43:33,950  
have been fought over bloodlines of

1061  
00:43:32,300 --> 00:43:37,100  
course never more so than in this

1062  
00:43:33,949 --> 00:43:40,069  
country and I mean you know when you

1063  
00:43:37,099 --> 00:43:42,199  
look just at ancient symbols you can

1064  
00:43:40,070 --> 00:43:44,780  
certainly show that things from ancient

1065  
00:43:42,199 --> 00:43:48,289  
times still matter in the world today

1066  
00:43:44,780 --> 00:43:49,970  
there's still denote power so just put

1067  
00:43:48,289 --> 00:43:52,670  
alien genes aside for a minute that may

1068  
00:43:49,969 --> 00:43:54,919  
or may not be true but say the pyramid

1069  
00:43:52,670 --> 00:43:57,289

or various ancient Egyptian symbolism

1070

00:43:54,920 --> 00:44:00,349

any Freemasons will tell you this is

1071

00:43:57,289 --> 00:44:01,849

still used as markers of power now and

1072

00:44:00,349 --> 00:44:03,409

we keep building pyramids they're all

1073

00:44:01,849 --> 00:44:06,079

over the world are in China they're in

1074

00:44:03,409 --> 00:44:08,599

India they're in Peru they're in Vietnam

1075

00:44:06,079 --> 00:44:10,130

different coins yes the Mayans have

1076

00:44:08,599 --> 00:44:12,829

their own coins of Pyramus many

1077

00:44:10,130 --> 00:44:14,960

centuries later some believe the

1078

00:44:12,829 --> 00:44:17,449

original pyramids were created by the

1079

00:44:14,960 --> 00:44:20,480

survivors of Atlantis or the muriël or

1080

00:44:17,449 --> 00:44:23,899

mu you know there are many legends about

1081

00:44:20,480 --> 00:44:26,539

a lost once enlightened civilization but

1082

00:44:23,900 --> 00:44:28,369

it persists the pyramid to the point

1083

00:44:26,539 --> 00:44:29,989

where of course if you're in America

1084  
00:44:28,369 --> 00:44:32,420  
today you probably got one in your

1085  
00:44:29,989 --> 00:44:35,179  
pocket because the Great Seal of America

1086  
00:44:32,420 --> 00:44:37,599  
is the Eye of Providence which again is

1087  
00:44:35,179 --> 00:44:39,669  
a Masonic symbol founded in 1776

1088  
00:44:37,599 --> 00:44:41,739  
two-six the Freemason say it's very

1089  
00:44:39,670 --> 00:44:44,559  
lovely symbol as the Divine Being and

1090  
00:44:41,739 --> 00:44:46,209  
looking after everybody there below but

1091  
00:44:44,559 --> 00:44:49,090  
the conspiracy view says it's very

1092  
00:44:46,210 --> 00:44:51,280  
sinister it is the all-seeing eye with

1093  
00:44:49,090 --> 00:44:52,990  
everybody trapped below it so the

1094  
00:44:51,280 --> 00:44:53,650  
arguments about that go on but we do

1095  
00:44:52,989 --> 00:44:56,919  
Kemp

1096  
00:44:53,650 --> 00:44:59,530  
keep building pyramids glass pyramids at

1097  
00:44:56,920 --> 00:45:01,300  
the Louvre in Paris for instance Canary

1098  
00:44:59,530 --> 00:45:04,000  
Wharf tower right the heart of our

1099  
00:45:01,300 --> 00:45:06,970  
financial center in Greenwich and London

1100  
00:45:04,000 --> 00:45:09,519  
we have a glass pyramid on the top it is

1101  
00:45:06,969 --> 00:45:11,709  
rumoured and I've never been up there a

1102  
00:45:09,519 --> 00:45:14,139  
mission it but it's rumored that if you

1103  
00:45:11,710 --> 00:45:16,329  
follow the lines of the pyramid down as

1104  
00:45:14,139 --> 00:45:18,789  
if they then come to the ground level of

1105  
00:45:16,329 --> 00:45:20,829  
the tower it is said to then give you

1106  
00:45:18,789 --> 00:45:24,369  
the exact dimensions of the Great

1107  
00:45:20,829 --> 00:45:26,500  
Pyramid of Giza so if so that's very

1108  
00:45:24,369 --> 00:45:28,389  
curious indeed because that would

1109  
00:45:26,500 --> 00:45:30,670  
suggest again they are then linking

1110  
00:45:28,389 --> 00:45:32,049  
ancient power with modern power and

1111  
00:45:30,670 --> 00:45:32,650  
things like that don't happen by

1112

00:45:32,050 --> 00:45:34,120  
accident

1113  
00:45:32,650 --> 00:45:35,590  
so if anybody wants to get out there

1114  
00:45:34,119 --> 00:45:36,159  
with the tank measure we can put this to

1115  
00:45:35,590 --> 00:45:39,190  
the test

1116  
00:45:36,159 --> 00:45:41,319  
but I do think that the Olympics you

1117  
00:45:39,190 --> 00:45:43,570  
know were fantastic for this symbolism

1118  
00:45:41,320 --> 00:45:46,330  
some of you might have noticed at the

1119  
00:45:43,570 --> 00:45:49,420  
time that we have mascots for the 2012

1120  
00:45:46,329 --> 00:45:51,819  
Olympics with a single I really are very

1121  
00:45:49,420 --> 00:45:53,260  
like the eye over the pyramid and even

1122  
00:45:51,820 --> 00:45:55,510  
the lighting contra is a very

1123  
00:45:53,260 --> 00:45:56,920  
reminiscent of the aya Providence and

1124  
00:45:55,510 --> 00:45:59,830  
some thought that given that this was

1125  
00:45:56,920 --> 00:46:01,780  
2012 the year of the beginning of the

1126  
00:45:59,829 --> 00:46:04,469

new era of change well maybe they were

1127

00:46:01,780 --> 00:46:06,519

trying to see their symbols out there

1128

00:46:04,469 --> 00:46:08,649

subliminally knowing that lots of people

1129

00:46:06,519 --> 00:46:10,929

would be watching Italian there they're

1130

00:46:08,650 --> 00:46:13,930

putting their stamp on the beginning of

1131

00:46:10,929 --> 00:46:17,559

the new era of change but we do know

1132

00:46:13,929 --> 00:46:21,429

that secret societies especially do like

1133

00:46:17,559 --> 00:46:23,349

signs and symbols the Bohemian Club is a

1134

00:46:21,429 --> 00:46:25,419

secret society that's not actually very

1135

00:46:23,349 --> 00:46:29,049

secret anymore but the mainstream won't

1136

00:46:25,420 --> 00:46:30,909

touch it and they begun in California

1137

00:46:29,050 --> 00:46:33,130

for those that are new to this in the

1138

00:46:30,909 --> 00:46:37,089

late 18-hundreds Boursin woods up

1139

00:46:33,130 --> 00:46:38,829

christened and Bohemian Grove and people

1140

00:46:37,090 --> 00:46:41,440

rich and famous from around the world

1141  
00:46:38,829 --> 00:46:43,829  
began to gather and once a year would do

1142  
00:46:41,440 --> 00:46:46,389  
this ritual called the cremation of care

1143  
00:46:43,829 --> 00:46:48,319  
where they sacrifice the effigy of a

1144  
00:46:46,389 --> 00:46:51,559  
child to a giant stone now

1145  
00:46:48,320 --> 00:46:54,140  
as you do and this is the thing these

1146  
00:46:51,559 --> 00:46:57,199  
cells are something of Victoriano gone

1147  
00:46:54,139 --> 00:46:59,539  
man but it's still going on now so the

1148  
00:46:57,199 --> 00:47:01,939  
same ceremony goes on every year as well

1149  
00:46:59,539 --> 00:47:04,099  
recognize protesters even show up at the

1150  
00:47:01,940 --> 00:47:06,679  
gates but you won't hear about this in

1151  
00:47:04,099 --> 00:47:09,409  
the mainstream the nearest we got was

1152  
00:47:06,679 --> 00:47:11,419  
when the author Jon Ronson broke into

1153  
00:47:09,409 --> 00:47:13,670  
the Bohemian Grove compound with Channel

1154  
00:47:11,420 --> 00:47:15,530  
four cameras and film the ceremony then

1155  
00:47:13,670 --> 00:47:19,070  
you can watch you on YouTube that's how

1156  
00:47:15,530 --> 00:47:20,480  
our there it is and yes still 98 percent

1157  
00:47:19,070 --> 00:47:22,910  
of the world's population there's no

1158  
00:47:20,480 --> 00:47:24,440  
idea that this is going on and he even

1159  
00:47:22,909 --> 00:47:27,319  
wrote into a chapter in his best-selling

1160  
00:47:24,440 --> 00:47:30,019  
book then so this can be going on very

1161  
00:47:27,320 --> 00:47:32,240  
overtly and still most of the world

1162  
00:47:30,019 --> 00:47:33,800  
won't notice and I find that very sad

1163  
00:47:32,239 --> 00:47:36,379  
can I say question at the end of that's

1164  
00:47:33,800 --> 00:47:38,510  
right I'll give you chance I mean when

1165  
00:47:36,380 --> 00:47:40,579  
you look at the group's they have

1166  
00:47:38,510 --> 00:47:43,070  
enormous influence like the bilderbergs

1167  
00:47:40,579 --> 00:47:45,469  
and the trilateral commission and all

1168  
00:47:43,070 --> 00:47:48,410  
these unelected think tanks and windows

1169

00:47:45,469 --> 00:47:50,599  
and weird kind of meetings what is so

1170  
00:47:48,409 --> 00:47:53,179  
incredible is how obvious they are our

1171  
00:47:50,599 --> 00:47:55,969  
mainstream politicians go monarchs go

1172  
00:47:53,179 --> 00:47:57,949  
people I've Rupert Murdoch go and yet

1173  
00:47:55,969 --> 00:47:59,389  
still hardly ever mentioned I think the

1174  
00:47:57,949 --> 00:48:00,769  
Daily Mail ran a feature on the

1175  
00:47:59,389 --> 00:48:01,489  
Bilderberg this year and that was

1176  
00:48:00,769 --> 00:48:03,380  
unusual

1177  
00:48:01,489 --> 00:48:05,779  
The Guardian had got in there a couple

1178  
00:48:03,380 --> 00:48:07,910  
of years ago too but on the whole they

1179  
00:48:05,780 --> 00:48:09,680  
are clearly making decisions which

1180  
00:48:07,909 --> 00:48:12,469  
influenced Parliament's around the world

1181  
00:48:09,679 --> 00:48:14,509  
and yet we're told that we have no say

1182  
00:48:12,469 --> 00:48:16,219  
with the wit hole we're not even allowed

1183  
00:48:14,510 --> 00:48:18,530

to know exactly what it is they talk

1184

00:48:16,219 --> 00:48:20,959

about and of course that just leads to

1185

00:48:18,530 --> 00:48:23,510

conspiracy theories they don't like

1186

00:48:20,960 --> 00:48:25,849

conspiracy theorists that you know we're

1187

00:48:23,510 --> 00:48:29,270

all being basically operated like

1188

00:48:25,849 --> 00:48:30,679

puppets by some secret ruling elite well

1189

00:48:29,269 --> 00:48:34,429

maybe they'd like to be a little bit

1190

00:48:30,679 --> 00:48:36,679

more open about this and I mean this is

1191

00:48:34,429 --> 00:48:38,389

how the equation works out which again I

1192

00:48:36,679 --> 00:48:40,099

think about David I was one of the first

1193

00:48:38,389 --> 00:48:42,619

to point out if you can keep the

1194

00:48:40,099 --> 00:48:44,599

population in fear all the time of

1195

00:48:42,619 --> 00:48:46,819

course we're always then begging for

1196

00:48:44,599 --> 00:48:48,349

distraction and while we're all

1197

00:48:46,820 --> 00:48:50,180

distracted because we don't want to be

1198  
00:48:48,349 --> 00:48:52,159  
worried about terrorism and global

1199  
00:48:50,179 --> 00:48:54,919  
warming and god knows what we're all

1200  
00:48:52,159 --> 00:48:55,629  
giving into control without noticing so

1201  
00:48:54,920 --> 00:48:58,570  
the more

1202  
00:48:55,630 --> 00:49:01,210  
fearful we are the less informed we are

1203  
00:48:58,570 --> 00:49:03,010  
the more easily controlled we are and

1204  
00:49:01,210 --> 00:49:04,869  
you know now we're getting into the

1205  
00:49:03,010 --> 00:49:07,450  
realms are talking about microchip in

1206  
00:49:04,869 --> 00:49:10,389  
the population which was last out 25

1207  
00:49:07,449 --> 00:49:12,329  
years ago and now it's begun in America

1208  
00:49:10,389 --> 00:49:15,879  
and Sweden and it'll be here soon enough

1209  
00:49:12,329 --> 00:49:18,460  
unless people stand up and say no so

1210  
00:49:15,880 --> 00:49:20,559  
it's quite extraordinary also that you

1211  
00:49:18,460 --> 00:49:24,550  
know you've got religious agendas going

1212  
00:49:20,559 --> 00:49:26,980  
on too in America bear in mind we have

1213  
00:49:24,550 --> 00:49:29,080  
many people that are wanting the Battle

1214  
00:49:26,980 --> 00:49:30,789  
of Armageddon they believe that they are

1215  
00:49:29,079 --> 00:49:32,619  
living in the end times but more than

1216  
00:49:30,789 --> 00:49:35,279  
that they want to bring the end times

1217  
00:49:32,619 --> 00:49:37,750  
about I mean read some very over

1218  
00:49:35,280 --> 00:49:38,769  
evangelical stuff but again you're not

1219  
00:49:37,750 --> 00:49:40,869  
going to read about that in the

1220  
00:49:38,769 --> 00:49:43,690  
mainstream even though it's plainly

1221  
00:49:40,869 --> 00:49:45,880  
motivating mainstream politics we are

1222  
00:49:43,690 --> 00:49:48,490  
endlessly about Trump you don't hear

1223  
00:49:45,880 --> 00:49:50,200  
much about Mike Pence to you some people

1224  
00:49:48,489 --> 00:49:50,500  
think pence is more important than meets

1225  
00:49:50,199 --> 00:49:53,649  
the eye

1226

00:49:50,500 --> 00:49:56,920  
he is seriously an entire evangelical

1227  
00:49:53,650 --> 00:49:58,570  
and some people think that he really is

1228  
00:49:56,920 --> 00:49:59,079  
possibly one of the powers behind the

1229  
00:49:58,570 --> 00:50:00,700  
throne

1230  
00:49:59,079 --> 00:50:03,340  
and yet of course we're always looking

1231  
00:50:00,699 --> 00:50:05,019  
at what Trump's up to so it's worth

1232  
00:50:03,340 --> 00:50:07,300  
checking this out it wouldn't have gone

1233  
00:50:05,019 --> 00:50:09,219  
much differently had Hillary won because

1234  
00:50:07,300 --> 00:50:09,910  
Hillary is said to be a member of the

1235  
00:50:09,219 --> 00:50:12,669  
family

1236  
00:50:09,909 --> 00:50:14,559  
another key and tiny evangelical

1237  
00:50:12,670 --> 00:50:16,329  
movement so I'm not saying these people

1238  
00:50:14,559 --> 00:50:17,679  
shouldn't have their beliefs absolutely

1239  
00:50:16,329 --> 00:50:20,349  
everybody's free to believe what they

1240  
00:50:17,679 --> 00:50:23,349

will but this is clearly influencing

1241  
00:50:20,349 --> 00:50:25,539  
global politics and yet nobody's talking

1242  
00:50:23,349 --> 00:50:28,000  
about it and that's next to many of

1243  
00:50:25,539 --> 00:50:31,059  
cover up but it certainly smacks of

1244  
00:50:28,000 --> 00:50:33,969  
unfairness if nothing else and it leads

1245  
00:50:31,059 --> 00:50:36,279  
of course ultimately all of this to make

1246  
00:50:33,969 --> 00:50:39,009  
people question everything they believe

1247  
00:50:36,280 --> 00:50:42,190  
and that's when people started look at

1248  
00:50:39,010 --> 00:50:44,860  
even very mainstream events and start to

1249  
00:50:42,190 --> 00:50:47,740  
wonder that maybe we shouldn't believe

1250  
00:50:44,860 --> 00:50:49,840  
anything were told anymore so what I

1251  
00:50:47,739 --> 00:50:52,000  
want to do is have a break here and

1252  
00:50:49,840 --> 00:50:53,710  
we'll come back and we'll kind of try

1253  
00:50:52,000 --> 00:50:56,050  
and tie all of this up in the second

1254  
00:50:53,710 --> 00:50:58,240  
half so gonna have a beer have a drink

1255  
00:50:56,050 --> 00:50:59,500  
there are some of my books here some of

1256  
00:50:58,239 --> 00:51:02,289  
the leaflets about the glass bridge

1257  
00:50:59,500 --> 00:51:03,300  
symposium and it's a website leafless is

1258  
00:51:02,289 --> 00:51:05,309  
that you come and have a load

1259  
00:51:03,300 --> 00:51:11,519  
I see you surely you're right thanks

1260  
00:51:05,309 --> 00:51:15,029  
very much thank you we've established

1261  
00:51:11,519 --> 00:51:17,070  
shops now that you know there are very

1262  
00:51:15,030 --> 00:51:19,170  
good reasons to doubt the version of the

1263  
00:51:17,070 --> 00:51:21,180  
world that we are presented with it's

1264  
00:51:19,170 --> 00:51:23,400  
absolutely obvious that we are lied to

1265  
00:51:21,179 --> 00:51:26,129  
and it's absolutely obvious therefore

1266  
00:51:23,400 --> 00:51:29,369  
that we shouldn't necessarily ever take

1267  
00:51:26,130 --> 00:51:31,170  
anything at face value so there's a

1268  
00:51:29,369 --> 00:51:33,539  
whole talk that I gave about the history

1269  
00:51:31,170 --> 00:51:35,309  
of conspiracy theories and I don't want

1270  
00:51:33,539 --> 00:51:37,829  
to go too far down that route today but

1271  
00:51:35,309 --> 00:51:41,519  
I thought I would focus on two

1272  
00:51:37,829 --> 00:51:43,590  
conspiracy theories because this kind of

1273  
00:51:41,519 --> 00:51:46,139  
thinking can lead you down interest in

1274  
00:51:43,590 --> 00:51:48,210  
parts and the next term I think

1275  
00:51:46,139 --> 00:51:52,349  
illustrates some of the interesting gray

1276  
00:51:48,210 --> 00:51:54,449  
areas that come up when you look at the

1277  
00:51:52,349 --> 00:51:56,219  
claims of cover-ups and conspiracy so

1278  
00:51:54,449 --> 00:51:58,199  
let's start with one that's great fun

1279  
00:51:56,219 --> 00:52:01,169  
and many of you will be familiar with it

1280  
00:51:58,199 --> 00:52:04,049  
the one that questions whether we really

1281  
00:52:01,170 --> 00:52:06,599  
went to the moon now I mean next year

1282  
00:52:04,050 --> 00:52:09,030  
you are gonna get so much NASA

1283

00:52:06,599 --> 00:52:11,489  
propaganda because of course is 50 years

1284  
00:52:09,030 --> 00:52:13,290  
next year since man first allegedly

1285  
00:52:11,489 --> 00:52:15,479  
landed on the moon so they're gonna

1286  
00:52:13,289 --> 00:52:17,279  
really sell it big time and yeah I don't

1287  
00:52:15,480 --> 00:52:20,250  
think that's gonna make the conspiracy

1288  
00:52:17,280 --> 00:52:21,810  
theories go away at the last count in

1289  
00:52:20,250 --> 00:52:23,969  
Britain anyway cos speak for the world

1290  
00:52:21,809 --> 00:52:26,009  
but I took a poll in Britain for the

1291  
00:52:23,969 --> 00:52:29,069  
40th anniversary of the moon landings

1292  
00:52:26,010 --> 00:52:32,010  
and roughly 25 percent of British people

1293  
00:52:29,070 --> 00:52:35,039  
believe they were faked that's a lot of

1294  
00:52:32,010 --> 00:52:37,290  
people so again that's not just one or

1295  
00:52:35,039 --> 00:52:38,759  
two cranks you can brush your sight you

1296  
00:52:37,289 --> 00:52:40,590  
know if you brush that aside and make

1297  
00:52:38,760 --> 00:52:43,050

fun of people that's 25 percent of the

1298

00:52:40,590 --> 00:52:46,650

population you're basically dismissing

1299

00:52:43,050 --> 00:52:48,750

and the reasons that they doubt are many

1300

00:52:46,650 --> 00:52:50,820

but I'm just going to look at some of

1301

00:52:48,750 --> 00:52:52,889

the reasons today because this is

1302

00:52:50,820 --> 00:52:55,110

important because this is held up very

1303

00:52:52,889 --> 00:52:58,109

often as one of the great achievements

1304

00:52:55,110 --> 00:52:59,340

have been kind and yet if you can show

1305

00:52:58,110 --> 00:53:01,740

that they've not been straight about

1306

00:52:59,340 --> 00:53:04,530

this well of course then what else have

1307

00:53:01,739 --> 00:53:07,049

they not been straight about so the

1308

00:53:04,530 --> 00:53:08,730

criticisms are this number one some

1309

00:53:07,050 --> 00:53:10,289

people say you've only got three bits of

1310

00:53:08,730 --> 00:53:12,530

evidence that we went to the moon you've

1311

00:53:10,289 --> 00:53:17,059

got the astronauts testimony

1312  
00:53:12,530 --> 00:53:18,650  
so you know they say they went but did

1313  
00:53:17,059 --> 00:53:21,019  
you know they often contradict each

1314  
00:53:18,650 --> 00:53:23,180  
other I mean some say for instance

1315  
00:53:21,019 --> 00:53:24,949  
they're looking out the stars were

1316  
00:53:23,179 --> 00:53:26,389  
amazing another said I couldn't really

1317  
00:53:24,949 --> 00:53:28,849  
see the stars it was a bit disappointing

1318  
00:53:26,389 --> 00:53:31,309  
well somebody's right and somebody's

1319  
00:53:28,849 --> 00:53:33,949  
wrong there's no clouds up there so how

1320  
00:53:31,309 --> 00:53:37,269  
do we explain this um they could be

1321  
00:53:33,949 --> 00:53:40,519  
lying under threat under oath maybe um

1322  
00:53:37,269 --> 00:53:42,320  
we've got moon rock but that could have

1323  
00:53:40,519 --> 00:53:44,690  
been brought back by automated probes

1324  
00:53:42,320 --> 00:53:46,400  
well the Russians did that they brought

1325  
00:53:44,690 --> 00:53:49,519  
back moon dust and they never stood on

1326  
00:53:46,400 --> 00:53:51,530  
the moon nobody's seen by the way the

1327  
00:53:49,519 --> 00:53:52,670  
the all of NASA would have been in on

1328  
00:53:51,530 --> 00:53:55,250  
this now most of them would have

1329  
00:53:52,670 --> 00:53:57,289  
believed they went to the moon rockets

1330  
00:53:55,250 --> 00:53:59,030  
took off and clearly the people in

1331  
00:53:57,289 --> 00:54:01,070  
Mission Control probably all thought it

1332  
00:53:59,030 --> 00:54:03,800  
was real the question is where do those

1333  
00:54:01,070 --> 00:54:05,840  
images come from and in the end it boils

1334  
00:54:03,800 --> 00:54:09,080  
down to the images because if you can't

1335  
00:54:05,840 --> 00:54:10,880  
trust the astronauts testimony and moon

1336  
00:54:09,079 --> 00:54:14,299  
rock doesn't necessarily prove anything

1337  
00:54:10,880 --> 00:54:17,000  
it's the visual record that is the main

1338  
00:54:14,300 --> 00:54:19,370  
evidence that we stood there and yet of

1339  
00:54:17,000 --> 00:54:21,409  
course many critics say this is not

1340

00:54:19,369 --> 00:54:23,480  
quite right and famously people like

1341  
00:54:21,409 --> 00:54:25,789  
Marcus Allen who's been a photographer

1342  
00:54:23,480 --> 00:54:28,219  
himself has raised many objections so

1343  
00:54:25,789 --> 00:54:31,759  
let's have a look at some of this this

1344  
00:54:28,219 --> 00:54:34,699  
is the most possibly famous photograph

1345  
00:54:31,760 --> 00:54:36,680  
ever taken this is Buzz Aldrin standing

1346  
00:54:34,699 --> 00:54:38,480  
on the moon Armstrong a lot of people

1347  
00:54:36,679 --> 00:54:39,829  
think is Armstrong Armstrong took the

1348  
00:54:38,480 --> 00:54:43,010  
picture in fact we'll see him in a

1349  
00:54:39,829 --> 00:54:45,469  
minute um or did he take the picture

1350  
00:54:43,010 --> 00:54:47,780  
well we'll come to that so what have we

1351  
00:54:45,469 --> 00:54:50,239  
got here we've got sunlight coming from

1352  
00:54:47,780 --> 00:54:52,519  
behind him and is casting a jet-black

1353  
00:54:50,239 --> 00:54:54,199  
shadow on the ground fair enough now

1354  
00:54:52,519 --> 00:54:56,329

there's a lot of discussion about shadow

1355

00:54:54,199 --> 00:54:58,339

anomaly as an angles and all of that I'm

1356

00:54:56,329 --> 00:55:02,029

going to leave most of it aside but here

1357

00:54:58,340 --> 00:55:03,680

is an interesting point so why is the

1358

00:55:02,030 --> 00:55:05,930

shadow black but the body of the

1359

00:55:03,679 --> 00:55:07,789

astronaut that you would reasonably

1360

00:55:05,929 --> 00:55:09,829

assume might be in silhouette is not

1361

00:55:07,789 --> 00:55:12,739

it's quite well lit up you can see all

1362

00:55:09,829 --> 00:55:13,519

the detail on the suit why is he not

1363

00:55:12,739 --> 00:55:16,369

black as well

1364

00:55:13,519 --> 00:55:18,710

now nASA says well the reason is because

1365

00:55:16,369 --> 00:55:21,710

lights bouncing off the surface and it's

1366

00:55:18,710 --> 00:55:23,300

spilling in the detail however there's a

1367

00:55:21,710 --> 00:55:24,289

number of critics have said well if

1368

00:55:23,300 --> 00:55:26,300

there's that much

1369  
00:55:24,289 --> 00:55:28,909  
collected light to light see my bat

1370  
00:55:26,300 --> 00:55:30,560  
brightly you should see some detail on

1371  
00:55:28,909 --> 00:55:33,739  
the ground and you don't miss jetpack

1372  
00:55:30,559 --> 00:55:36,139  
many images have the same anomaly right

1373  
00:55:33,739 --> 00:55:40,069  
this is just a good example you can find

1374  
00:55:36,139 --> 00:55:41,900  
this in many of the NASA images so ok

1375  
00:55:40,070 --> 00:55:45,140  
the next thing that you could do is

1376  
00:55:41,900 --> 00:55:47,269  
raise the exposure of the camera so ok

1377  
00:55:45,139 --> 00:55:49,429  
fair enough you raise it up and then yes

1378  
00:55:47,269 --> 00:55:52,369  
you'd get the detail on the suit but it

1379  
00:55:49,429 --> 00:55:53,779  
can then you should have detail visible

1380  
00:55:52,369 --> 00:55:56,900  
on the ground but you don't

1381  
00:55:53,780 --> 00:55:58,580  
there's nothing is jet black so that's

1382  
00:55:56,900 --> 00:56:00,559  
when the critics say ok that's

1383  
00:55:58,579 --> 00:56:03,769  
artificial lighting this has been

1384  
00:56:00,559 --> 00:56:05,389  
artificially lit but that then creates a

1385  
00:56:03,769 --> 00:56:07,519  
problem because nASA says they didn't

1386  
00:56:05,389 --> 00:56:09,829  
use any artificial lighting there was no

1387  
00:56:07,519 --> 00:56:13,400  
film of any lighting gantry's there so

1388  
00:56:09,829 --> 00:56:14,900  
how do we explain it and here's the

1389  
00:56:13,400 --> 00:56:17,329  
other thing I mean if you did raise the

1390  
00:56:14,900 --> 00:56:19,610  
exposure of the camera up together that

1391  
00:56:17,329 --> 00:56:21,650  
should all be gleaming very very bright

1392  
00:56:19,610 --> 00:56:24,769  
but actually there's an uneven light

1393  
00:56:21,650 --> 00:56:26,780  
quality in this picture and you can see

1394  
00:56:24,769 --> 00:56:29,239  
there there's a bright pool of light

1395  
00:56:26,780 --> 00:56:31,600  
around the astronaut but it starts to

1396  
00:56:29,239 --> 00:56:35,479  
fall off into shadow towards the horizon

1397

00:56:31,599 --> 00:56:38,150  
but of note it's also falling off into

1398  
00:56:35,480 --> 00:56:40,579  
shadow even 4 or 5 feet in the

1399  
00:56:38,150 --> 00:56:42,530  
foreground which is very long because

1400  
00:56:40,579 --> 00:56:45,440  
this is on the moon this should be a

1401  
00:56:42,530 --> 00:56:47,120  
bright uniform light and it's not and it

1402  
00:56:45,440 --> 00:56:49,280  
looks like he's standing in a pool of

1403  
00:56:47,119 --> 00:56:52,880  
light which of course the critics say

1404  
00:56:49,280 --> 00:56:54,590  
well that's the spotlight so here's

1405  
00:56:52,880 --> 00:56:56,269  
something else you might not have

1406  
00:56:54,590 --> 00:56:58,820  
noticed about this picture look at where

1407  
00:56:56,269 --> 00:57:01,099  
the horizon line goes it's going through

1408  
00:56:58,820 --> 00:57:03,590  
the helmet there ok now let's see Neil

1409  
00:57:01,099 --> 00:57:05,599  
Armstrong if you zoom into the helmet

1410  
00:57:03,590 --> 00:57:08,090  
there you'll see on strim and he's

1411  
00:57:05,599 --> 00:57:11,059

taking this picture with a camera

1412  
00:57:08,090 --> 00:57:11,690  
strapped to the chest standing on flat

1413  
00:57:11,059 --> 00:57:15,409  
ground

1414  
00:57:11,690 --> 00:57:17,720  
ok now that means it's very unlikely

1415  
00:57:15,409 --> 00:57:20,869  
that he could have taken this picture

1416  
00:57:17,719 --> 00:57:23,000  
because if he took it many people have

1417  
00:57:20,869 --> 00:57:25,309  
calculated the horizon line should go

1418  
00:57:23,000 --> 00:57:27,860  
through Waldron's middle there not

1419  
00:57:25,309 --> 00:57:29,989  
through the helmet and you can see the

1420  
00:57:27,860 --> 00:57:32,329  
top of the backpack there so this

1421  
00:57:29,989 --> 00:57:34,549  
clearly was taken by the camera about 5

1422  
00:57:32,329 --> 00:57:36,529  
6 feet up angled downwards

1423  
00:57:34,550 --> 00:57:39,980  
and could not have been taken from down

1424  
00:57:36,530 --> 00:57:41,900  
here at ground level so this is the kind

1425  
00:57:39,980 --> 00:57:44,119  
of thing that is very visible in a

1426  
00:57:41,900 --> 00:57:46,789  
number of these images there's another

1427  
00:57:44,119 --> 00:57:49,039  
shadow anomaly another horizon anomaly

1428  
00:57:46,789 --> 00:57:50,989  
but you can see the camera is quite

1429  
00:57:49,039 --> 00:57:54,380  
clearly they're strapped to the chest

1430  
00:57:50,989 --> 00:57:56,419  
now they had no viewfinders they never

1431  
00:57:54,380 --> 00:57:57,980  
pick them up and look through them so

1432  
00:57:56,420 --> 00:58:01,250  
they were just walking around going

1433  
00:57:57,980 --> 00:58:02,780  
click click and hoping finally enough

1434  
00:58:01,250 --> 00:58:04,960  
they've got a lot of masterpieces that

1435  
00:58:02,780 --> 00:58:07,700  
way but that aside

1436  
00:58:04,960 --> 00:58:09,860  
they were good cameras in their way but

1437  
00:58:07,699 --> 00:58:11,869  
one missing element that's never really

1438  
00:58:09,860 --> 00:58:14,809  
been explained they have minimal

1439  
00:58:11,869 --> 00:58:17,059  
radiation protection if any this is my

1440  
00:58:14,809 --> 00:58:18,889  
child about they would code to the

1441  
00:58:17,059 --> 00:58:20,440  
various things but many people have said

1442  
00:58:18,889 --> 00:58:23,210  
that wouldn't have kept the x-rays out

1443  
00:58:20,440 --> 00:58:25,190  
now you may or may not remember years

1444  
00:58:23,210 --> 00:58:28,010  
ago when he came back from your holidays

1445  
00:58:25,190 --> 00:58:30,619  
with a film and a canister of all your

1446  
00:58:28,010 --> 00:58:33,350  
holiday snaps they would often say don't

1447  
00:58:30,619 --> 00:58:35,269  
put it through the airport scanner why

1448  
00:58:33,349 --> 00:58:38,119  
because the x-rays that the scanner

1449  
00:58:35,269 --> 00:58:40,550  
would fog the film well on the moon I

1450  
00:58:38,119 --> 00:58:43,670  
mean it is awash with x-rays nor coins

1451  
00:58:40,550 --> 00:58:47,390  
about the cosmic radiation how did the

1452  
00:58:43,670 --> 00:58:49,519  
film survive maybe they did go to the

1453  
00:58:47,389 --> 00:58:51,019  
moon and they could never make the films

1454

00:58:49,519 --> 00:58:53,570  
come out there but they got back they

1455  
00:58:51,019 --> 00:58:56,090  
were blink they had to show this obvious

1456  
00:58:53,570 --> 00:58:58,789  
something so maybe they then had to re

1457  
00:58:56,090 --> 00:59:01,039  
station but I was go even further and

1458  
00:58:58,789 --> 00:59:03,259  
say yeah but actually how did the

1459  
00:59:01,039 --> 00:59:05,090  
astronauts survive the radiation it's

1460  
00:59:03,260 --> 00:59:06,980  
never really been explained either I

1461  
00:59:05,090 --> 00:59:09,260  
mean the suit keep out a certain amount

1462  
00:59:06,980 --> 00:59:11,539  
but how much and many say the exposure

1463  
00:59:09,260 --> 00:59:14,990  
they had should have left them extremely

1464  
00:59:11,539 --> 00:59:17,119  
vulnerable to cancer and whatnot later

1465  
00:59:14,989 --> 00:59:19,579  
on but there seems no higher statistical

1466  
00:59:17,119 --> 00:59:22,309  
rate amongst the astronauts so there's

1467  
00:59:19,579 --> 00:59:24,949  
many others the question says let's just

1468  
00:59:22,309 --> 00:59:27,019

kick over the pictures for a minute is

1469

00:59:24,949 --> 00:59:31,639

the lunar lander there's the Sun jet

1470

00:59:27,019 --> 00:59:33,139

black shadow but again so much light in

1471

00:59:31,639 --> 00:59:36,079

what ought to be in silhouette the

1472

00:59:33,139 --> 00:59:39,259

astronauts glowing he's got a lens flare

1473

00:59:36,079 --> 00:59:40,579

coming off of him and if you zoom in you

1474

00:59:39,260 --> 00:59:41,930

go online you can look at the

1475

00:59:40,579 --> 00:59:44,659

high-resolution shots

1476

00:59:41,929 --> 00:59:46,669

if you zoom in you can see the lights

1477

00:59:44,659 --> 00:59:48,920

acting light coming directly in from the

1478

00:59:46,670 --> 00:59:51,079

side it is not bouncing off of the

1479

00:59:48,920 --> 00:59:54,048

surface it's not earth light because the

1480

00:59:51,079 --> 00:59:57,048

earth directly up here somewhere it's

1481

00:59:54,048 --> 00:59:59,358

artificial lighting so this is of course

1482

00:59:57,048 --> 01:00:02,599

where then you start to think okay why

1483  
00:59:59,358 --> 01:00:04,869  
why then would they need to do that what

1484  
01:00:02,599 --> 01:00:08,660  
else don't you see in this picture a

1485  
01:00:04,869 --> 01:00:12,048  
saline from the rubbish sack in all six

1486  
01:00:08,659 --> 01:00:14,920  
missions you never see any crater any

1487  
01:00:12,048 --> 01:00:17,150  
big disturbance of moon dust or any cert

1488  
01:00:14,920 --> 01:00:19,309  
underneath these craft which came down

1489  
01:00:17,150 --> 01:00:21,410  
on several thousand pounds worth of

1490  
01:00:19,309 --> 01:00:24,109  
thrust now if you watch the videos

1491  
01:00:21,409 --> 01:00:25,818  
because NASA says ah well we cut the

1492  
01:00:24,108 --> 01:00:27,558  
motors slightly before we touch ground

1493  
01:00:25,818 --> 01:00:29,239  
you watch the video is they clearly

1494  
01:00:27,559 --> 01:00:31,250  
didn't or you know there's enough that

1495  
01:00:29,239 --> 01:00:34,068  
it would have created a serious

1496  
01:00:31,250 --> 01:00:36,139  
displacement of the dust and yet we see

1497  
01:00:34,068 --> 01:00:39,349  
no evidence of this at all on the moon

1498  
01:00:36,139 --> 01:00:41,449  
now let's go to Mars for a minute a few

1499  
01:00:39,349 --> 01:00:43,700  
years ago the Curiosity rover got

1500  
01:00:41,449 --> 01:00:47,838  
lowered down from a platform which

1501  
01:00:43,699 --> 01:00:51,739  
hovered 70 feet up and even 70 feet up

1502  
01:00:47,838 --> 01:00:53,869  
the jets scalded the ground and on the

1503  
01:00:51,739 --> 01:00:55,818  
moon I was connected now let me talk

1504  
01:00:53,869 --> 01:00:58,400  
about there you can just see the

1505  
01:00:55,818 --> 01:01:01,009  
scalding there so they scalded the

1506  
01:00:58,400 --> 01:01:03,440  
ground very notably on the moon there's

1507  
01:01:01,010 --> 01:01:06,039  
not only no scalding but not even any

1508  
01:01:03,440 --> 01:01:08,568  
dust is blown onto the feet of the craft

1509  
01:01:06,039 --> 01:01:11,299  
it's almost like somebody's come in and

1510  
01:01:08,568 --> 01:01:14,028  
vacuumed afterwards and that's where

1511

01:01:11,298 --> 01:01:16,338  
some say this is too sterile this looks

1512  
01:01:14,028 --> 01:01:18,679  
like scenery compared to another Mars

1513  
01:01:16,338 --> 01:01:20,989  
Lander have a look at the Phoenix lander

1514  
01:01:18,679 --> 01:01:23,929  
showing what you'd expect dirt and dust

1515  
01:01:20,989 --> 01:01:25,848  
on the feed but on the moon we're told

1516  
01:01:23,929 --> 01:01:27,949  
that moon dust went everywhere by the

1517  
01:01:25,849 --> 01:01:29,900  
way here the amount of accounts moon

1518  
01:01:27,949 --> 01:01:31,848  
dust by gaudí once it was up it took

1519  
01:01:29,900 --> 01:01:34,099  
ages it came down all over everything

1520  
01:01:31,849 --> 01:01:36,170  
well there is no visual record of that

1521  
01:01:34,099 --> 01:01:38,720  
anywhere and when you see the lunar

1522  
01:01:36,170 --> 01:01:40,639  
rover by the way driving around watch

1523  
01:01:38,719 --> 01:01:43,189  
watch the dust it just pops straight

1524  
01:01:40,639 --> 01:01:44,868  
back down like heavy sand it doesn't do

1525  
01:01:43,190 --> 01:01:48,798

what they said it did so it's all very

1526

01:01:44,869 --> 01:01:50,960

odd and one last word about the lunar

1527

01:01:48,798 --> 01:01:53,460

lander when it takes off what don't you

1528

01:01:50,960 --> 01:01:56,789

see there's no clue

1529

01:01:53,460 --> 01:01:58,470

there's no evidence of any thrust coming

1530

01:01:56,789 --> 01:02:01,769

out of that was going up while several

1531

01:01:58,469 --> 01:02:03,869

thousand pounds worth of thrust so some

1532

01:02:01,769 --> 01:02:06,300

of said well maybe because it's in a

1533

01:02:03,869 --> 01:02:08,400

vacuum you wouldn't see it well you

1534

01:02:06,300 --> 01:02:10,860

would and you can prove that you work

1535

01:02:08,400 --> 01:02:13,380

because only a few years later the Space

1536

01:02:10,860 --> 01:02:16,530

Shuttle used exactly the same for your

1537

01:02:13,380 --> 01:02:17,160

mix and when that fired its thrusters in

1538

01:02:16,530 --> 01:02:20,400

space

1539

01:02:17,159 --> 01:02:23,159

it was very visible on the moon nothing

1540  
01:02:20,400 --> 01:02:25,860  
the moon it looks like it's going up on

1541  
01:02:23,159 --> 01:02:28,769  
a wire which is of course exactly what

1542  
01:02:25,860 --> 01:02:31,349  
some argue it's a model shop Stanley

1543  
01:02:28,769 --> 01:02:33,000  
Kubrick had shown very convincing model

1544  
01:02:31,349 --> 01:02:35,610  
shots just the year before the first

1545  
01:02:33,000 --> 01:02:37,500  
moon landing in the 2001 film course

1546  
01:02:35,610 --> 01:02:39,420  
many have accused him have been involved

1547  
01:02:37,500 --> 01:02:41,670  
with faking I don't personally subscribe

1548  
01:02:39,420 --> 01:02:45,000  
to that but some of the techniques yeah

1549  
01:02:41,670 --> 01:02:47,099  
may well have been used some people say

1550  
01:02:45,000 --> 01:02:50,340  
yeah but NASA wouldn't lie died never

1551  
01:02:47,099 --> 01:02:51,599  
lie what date when I would I mean here

1552  
01:02:50,340 --> 01:02:53,910  
for instance have you not seen this

1553  
01:02:51,599 --> 01:02:55,739  
before this is a good one for years this

1554  
01:02:53,909 --> 01:02:58,799  
was out in the public domain as a

1555  
01:02:55,739 --> 01:03:01,169  
picture of Michael Collins space walking

1556  
01:02:58,800 --> 01:03:04,500  
from one of the Gemini craft it's even

1557  
01:03:01,170 --> 01:03:06,840  
in his autobiography but then some years

1558  
01:03:04,500 --> 01:03:09,329  
later on somebody was going through the

1559  
01:03:06,840 --> 01:03:11,190  
NASA image Bank and they found this

1560  
01:03:09,329 --> 01:03:14,489  
picture of Michael Pollan's in a test

1561  
01:03:11,190 --> 01:03:16,950  
airplane and they cut him out and

1562  
01:03:14,489 --> 01:03:19,019  
they've stuck him on black and it's not

1563  
01:03:16,949 --> 01:03:20,489  
cheap and nasty and there's a number of

1564  
01:03:19,019 --> 01:03:22,889  
other images you can prove a

1565  
01:03:20,489 --> 01:03:25,500  
cut-and-paste jobs because you can find

1566  
01:03:22,889 --> 01:03:28,619  
the original source material which they

1567  
01:03:25,500 --> 01:03:30,090  
seem not to bother to then hide so the

1568

01:03:28,619 --> 01:03:32,339  
point is if they can do their four or

1569  
01:03:30,090 --> 01:03:35,910  
five times how do we know they didn't do

1570  
01:03:32,340 --> 01:03:37,470  
it four or five thousand times now we

1571  
01:03:35,909 --> 01:03:38,940  
could be here all day here are just a

1572  
01:03:37,469 --> 01:03:40,049  
few other questions about the moon

1573  
01:03:38,940 --> 01:03:42,269  
landings I'm not even going to go

1574  
01:03:40,050 --> 01:03:44,039  
through them look it up if you don't

1575  
01:03:42,269 --> 01:03:46,289  
know where to start again take a website

1576  
01:03:44,039 --> 01:03:48,329  
leaflet look it up it's really worth

1577  
01:03:46,289 --> 01:03:50,639  
looking at I'm not saying we didn't go

1578  
01:03:48,329 --> 01:03:53,819  
to the moon or I was not there and I

1579  
01:03:50,639 --> 01:03:57,440  
can't say that does the evidence which

1580  
01:03:53,820 --> 01:04:00,030  
is presented seem entirely convincing no

1581  
01:03:57,440 --> 01:04:01,860  
that that's what we're saying here and

1582  
01:04:00,030 --> 01:04:03,630

it's one of those gray areas there's

1583

01:04:01,860 --> 01:04:05,490  
something not right about

1584

01:04:03,630 --> 01:04:08,970  
evidence that they present and therefore

1585

01:04:05,489 --> 01:04:10,469  
of course that leaves a big hole because

1586

01:04:08,969 --> 01:04:12,809  
it makes you wonder what it is they

1587

01:04:10,469 --> 01:04:15,719  
might be lying about and that of course

1588

01:04:12,809 --> 01:04:18,119  
then leads to mistrust in authority now

1589

01:04:15,719 --> 01:04:20,730  
let's zoom forward a few decades from

1590

01:04:18,119 --> 01:04:24,119  
this because the other example I want to

1591

01:04:20,730 --> 01:04:26,730  
give of a conspiracy stroke cover-up

1592

01:04:24,119 --> 01:04:29,880  
which is blatant when you look at it and

1593

01:04:26,730 --> 01:04:31,559  
if you've not seen this before well it

1594

01:04:29,880 --> 01:04:36,390  
might seem shocking to everyone else

1595

01:04:31,559 --> 01:04:38,519  
you're probably on but 9/11 9/11 is now

1596

01:04:36,389 --> 01:04:41,400  
one of the biggest conspiracy theories

1597  
01:04:38,519 --> 01:04:44,219  
of all time I think at the last poll

1598  
01:04:41,400 --> 01:04:46,860  
roughly speaking around 50% of the

1599  
01:04:44,219 --> 01:04:49,049  
world's population does not believe the

1600  
01:04:46,860 --> 01:04:52,050  
official story that's a lot of people

1601  
01:04:49,050 --> 01:04:54,600  
and of that percentage around thirty to

1602  
01:04:52,050 --> 01:04:57,420  
thirty five percent believed that it was

1603  
01:04:54,599 --> 01:05:00,239  
basically at least partially staged by

1604  
01:04:57,420 --> 01:05:02,579  
somebody within America itself in the

1605  
01:05:00,239 --> 01:05:05,219  
command and control structure so that's

1606  
01:05:02,579 --> 01:05:07,139  
a massive accusation of course now that

1607  
01:05:05,219 --> 01:05:09,389  
doesn't mean how kinda wasn't involved

1608  
01:05:07,139 --> 01:05:10,920  
you always need patsies you'd have

1609  
01:05:09,389 --> 01:05:14,069  
somebody to blame so they probably aware

1610  
01:05:10,920 --> 01:05:17,130  
on some level but how was 9/11 as

1611  
01:05:14,070 --> 01:05:18,750  
successful as it was and this is one of

1612  
01:05:17,130 --> 01:05:21,150  
those things that the mainstream will

1613  
01:05:18,750 --> 01:05:22,710  
not touch so bill other moon landings

1614  
01:05:21,150 --> 01:05:24,300  
know that they're laughing it but they

1615  
01:05:22,710 --> 01:05:28,260  
generally won't go there by the old

1616  
01:05:24,300 --> 01:05:31,470  
channel five documentary this no they

1617  
01:05:28,260 --> 01:05:33,570  
cannot go there and if you try to they

1618  
01:05:31,469 --> 01:05:35,339  
wall demolish it there on invent stupid

1619  
01:05:33,570 --> 01:05:37,400  
theories which they can then knock down

1620  
01:05:35,340 --> 01:05:41,370  
which are nothing to do with the real

1621  
01:05:37,400 --> 01:05:43,349  
criticisms of the evidence it's so

1622  
01:05:41,369 --> 01:05:45,359  
obvious that this story is a lie now a

1623  
01:05:43,349 --> 01:05:48,329  
way the truth is that's another matter

1624  
01:05:45,360 --> 01:05:50,550  
and I can't decide that for you but you

1625

01:05:48,329 --> 01:05:52,679  
can easily show that what they say

1626  
01:05:50,550 --> 01:05:54,390  
happened didn't happen in the way that

1627  
01:05:52,679 --> 01:05:56,779  
they say it did which immediately makes

1628  
01:05:54,389 --> 01:05:59,489  
you I know why they not being straight

1629  
01:05:56,780 --> 01:06:02,340  
I'll just very briefly scratched the

1630  
01:05:59,489 --> 01:06:05,519  
surface of this for instance at the

1631  
01:06:02,340 --> 01:06:07,350  
Pentagon right the main aeroplane which

1632  
01:06:05,519 --> 01:06:10,039  
we're told that hit the Pentagon had a

1633  
01:06:07,349 --> 01:06:12,199  
wingspan of 164 feet and you

1634  
01:06:10,039 --> 01:06:15,320  
main entry point is barely 20 feet

1635  
01:06:12,199 --> 01:06:17,480  
across now the official explanation for

1636  
01:06:15,320 --> 01:06:20,269  
this is that the wings vaporized on

1637  
01:06:17,480 --> 01:06:22,630  
impact that's the first feet perusing

1638  
01:06:20,269 --> 01:06:25,219  
error plane in the whole of history

1639  
01:06:22,630 --> 01:06:27,619

that's a pretty desperate claim to me

1640

01:06:25,219 --> 01:06:29,419

the people in the pentacle know the time

1641

01:06:27,619 --> 01:06:32,119

said it was really weird it was minimal

1642

01:06:29,420 --> 01:06:35,360

debris hardly any luggage there was no

1643

01:06:32,119 --> 01:06:38,000

bodies lying around some believe that

1644

01:06:35,360 --> 01:06:40,640

what hit it was a small craft or even a

1645

01:06:38,000 --> 01:06:42,980

missile certainly there's no evidence

1646

01:06:40,639 --> 01:06:44,750

that this plane hit it now what did hit

1647

01:06:42,980 --> 01:06:46,639

it you know it could be a road a what I

1648

01:06:44,750 --> 01:06:48,860

have to the real plane there's a lot of

1649

01:06:46,639 --> 01:06:50,599

speculation about that there's much more

1650

01:06:48,860 --> 01:06:51,950

about this in the truth agenda book

1651

01:06:50,599 --> 01:06:53,869

especially if you want to have a look

1652

01:06:51,949 --> 01:06:55,639

later we haven't got the time tonight

1653

01:06:53,869 --> 01:06:57,289

there's a lot of reasons for where those

1654  
01:06:55,639 --> 01:06:59,509  
planes might have gone we're not going

1655  
01:06:57,289 --> 01:07:02,119  
to get into hologram theory here but

1656  
01:06:59,510 --> 01:07:04,400  
there are certainly reasons to doubt

1657  
01:07:02,119 --> 01:07:05,900  
that the planes that we're told hit the

1658  
01:07:04,400 --> 01:07:08,599  
buildings were the real planes and

1659  
01:07:05,900 --> 01:07:10,639  
certainly there are issues and here is

1660  
01:07:08,599 --> 01:07:12,380  
we're told the flight path that that

1661  
01:07:10,639 --> 01:07:14,000  
aeroplane took to come in and hit the

1662  
01:07:12,380 --> 01:07:14,650  
Pentagon notice anything strange about

1663  
01:07:14,000 --> 01:07:17,989  
it

1664  
01:07:14,650 --> 01:07:20,210  
well it goes out of its way to turn

1665  
01:07:17,989 --> 01:07:23,029  
there's a really tiny curve dropping

1666  
01:07:20,210 --> 01:07:24,710  
like hundreds of feet very quickly the

1667  
01:07:23,030 --> 01:07:25,400  
speed we're told was about five hundred

1668  
01:07:24,710 --> 01:07:28,699  
feet across

1669  
01:07:25,400 --> 01:07:30,320  
now I've had pilots tell me that is not

1670  
01:07:28,699 --> 01:07:33,349  
possible in one of those planes

1671  
01:07:30,320 --> 01:07:35,240  
he should have broken up in the air and

1672  
01:07:33,349 --> 01:07:37,039  
even if it was possible there are other

1673  
01:07:35,239 --> 01:07:38,989  
issues number one why didn't they just

1674  
01:07:37,039 --> 01:07:41,029  
head straight down and take up the half

1675  
01:07:38,989 --> 01:07:43,369  
that block but it went out of its way to

1676  
01:07:41,030 --> 01:07:46,220  
hit the one block there was under

1677  
01:07:43,369 --> 01:07:48,170  
renovation at that's right I didn't have

1678  
01:07:46,219 --> 01:07:51,219  
that many people in it you know they

1679  
01:07:48,170 --> 01:07:52,700  
want not too much carnage there

1680  
01:07:51,219 --> 01:07:55,309  
interesting isn't it

1681  
01:07:52,699 --> 01:07:58,460  
and who performed this extraordinary

1682

01:07:55,309 --> 01:08:02,179  
feat of aerial acrobatics well let's

1683  
01:07:58,460 --> 01:08:04,820  
have a look honey I'm sure this is the

1684  
01:08:02,179 --> 01:08:07,940  
man and I'll clay a hijacker that we

1685  
01:08:04,820 --> 01:08:10,309  
were told even by the flight school that

1686  
01:08:07,940 --> 01:08:12,800  
inadvertently trained him they said he

1687  
01:08:10,309 --> 01:08:15,619  
was the worst pilot they'd ever had he

1688  
01:08:12,800 --> 01:08:17,630  
could barely handle a Cessna and yet

1689  
01:08:15,619 --> 01:08:18,989  
we're being asked to believe a 911 he

1690  
01:08:17,630 --> 01:08:21,029  
did this

1691  
01:08:18,989 --> 01:08:23,039  
none of it makes sense there's so much

1692  
01:08:21,029 --> 01:08:26,579  
more we could say I'm just giving you

1693  
01:08:23,039 --> 01:08:28,739  
pin pricks here the Twin Towers collapse

1694  
01:08:26,579 --> 01:08:31,439  
it seems that maximum carnage was

1695  
01:08:28,739 --> 01:08:33,510  
desired that and there are so many

1696  
01:08:31,439 --> 01:08:35,399

anomalies about how they collapse you

1697

01:08:33,510 --> 01:08:37,440

know we're told the fire and the damage

1698

01:08:35,399 --> 01:08:40,229

brought them down but there are now so

1699

01:08:37,439 --> 01:08:42,509

many architects so many engineers that

1700

01:08:40,229 --> 01:08:44,549

are questioning that just saying that is

1701

01:08:42,510 --> 01:08:46,590

not possible at least not without some

1702

01:08:44,550 --> 01:08:48,869

unevenness of clap so you know you

1703

01:08:46,590 --> 01:08:51,569

expect not to see them go down like

1704

01:08:48,869 --> 01:08:53,250

packs of cars and of course many people

1705

01:08:51,569 --> 01:08:54,899

have pointed out that it's very visible

1706

01:08:53,250 --> 01:08:57,510

that you get these strange sub

1707

01:08:54,899 --> 01:08:59,609

explosions going down the tower which

1708

01:08:57,510 --> 01:09:01,650

have nothing to do with the collapses

1709

01:08:59,609 --> 01:09:04,819

when you see the collapses they are

1710

01:09:01,649 --> 01:09:08,519

collapsing it effectively freefall speed

1711  
01:09:04,819 --> 01:09:10,159  
okay so nothing can fall faster than

1712  
01:09:08,520 --> 01:09:12,870  
that so what are these they think to be

1713  
01:09:10,159 --> 01:09:15,000  
independent if you look at footage of a

1714  
01:09:12,869 --> 01:09:18,539  
real demolition as a block of flats

1715  
01:09:15,000 --> 01:09:20,550  
going down in Philadelphia they do look

1716  
01:09:18,539 --> 01:09:22,829  
rather like demolition charges is as

1717  
01:09:20,550 --> 01:09:26,159  
many demolition experts have said it

1718  
01:09:22,829 --> 01:09:27,720  
looks like they pre place charges in the

1719  
01:09:26,159 --> 01:09:30,349  
building to make it go down which of

1720  
01:09:27,720 --> 01:09:32,970  
course is very anomalous who why what

1721  
01:09:30,350 --> 01:09:36,180  
the evidence is very strong you even see

1722  
01:09:32,970 --> 01:09:38,070  
molten something rolling down the sides

1723  
01:09:36,180 --> 01:09:41,460  
of the towers a lot of debate about what

1724  
01:09:38,069 --> 01:09:43,199  
that is it can't be molten metal or if

1725  
01:09:41,460 --> 01:09:45,180  
it is something's been introduced into

1726  
01:09:43,199 --> 01:09:47,699  
that building to make something burn

1727  
01:09:45,180 --> 01:09:49,289  
hotter than any of the officially

1728  
01:09:47,699 --> 01:09:51,569  
acknowledged fires could possibly a

1729  
01:09:49,289 --> 01:09:53,760  
burnt her the temperature information

1730  
01:09:51,569 --> 01:09:56,149  
they give makes no sense if that's

1731  
01:09:53,760 --> 01:09:59,039  
molten metal there are many anomalies

1732  
01:09:56,149 --> 01:10:02,189  
again the evidence that these charges is

1733  
01:09:59,039 --> 01:10:04,229  
strong visually whether it's some new

1734  
01:10:02,189 --> 01:10:06,569  
strange technology like Judy wood

1735  
01:10:04,229 --> 01:10:08,219  
believes whether it's some conventional

1736  
01:10:06,569 --> 01:10:09,989  
demolition technology who knows the

1737  
01:10:08,220 --> 01:10:11,520  
arguments go on I don't know I'm no

1738  
01:10:09,989 --> 01:10:13,590  
expert there is something very wrong

1739

01:10:11,520 --> 01:10:16,800  
with what we see in these collapses and

1740  
01:10:13,590 --> 01:10:18,569  
remember that on the day firemen risky

1741  
01:10:16,800 --> 01:10:20,190  
workers people being brought out of the

1742  
01:10:18,569 --> 01:10:22,769  
building said there were bombs in the

1743  
01:10:20,189 --> 01:10:24,210  
buildings you'll see the famous footage

1744  
01:10:22,770 --> 01:10:26,820  
of the firemen going it's going boom

1745  
01:10:24,210 --> 01:10:28,270  
boom boom like bombs even before the

1746  
01:10:26,819 --> 01:10:29,979  
collapses began

1747  
01:10:28,270 --> 01:10:32,560  
that you will never see that on

1748  
01:10:29,979 --> 01:10:35,159  
mainstream TV now or you find on YouTube

1749  
01:10:32,560 --> 01:10:38,310  
just until that all gets thrown off soon

1750  
01:10:35,159 --> 01:10:41,050  
it's extraordinary the way they have now

1751  
01:10:38,310 --> 01:10:42,670  
misrepresented this to the public and of

1752  
01:10:41,050 --> 01:10:45,520  
course where all of this gets really

1753  
01:10:42,670 --> 01:10:48,279

peculiar is the fact that after all the

1754

01:10:45,520 --> 01:10:50,860

carnage at the Twin Towers some hours

1755

01:10:48,279 --> 01:10:53,159

later this building a couple of blocks

1756

01:10:50,859 --> 01:10:56,380

away from their building number seven

1757

01:10:53,159 --> 01:10:58,689

which house the American Secret Service

1758

01:10:56,380 --> 01:11:01,470

and many other important departments in

1759

01:10:58,689 --> 01:11:05,139

the u.s. stay for no reason whatsoever

1760

01:11:01,470 --> 01:11:07,240

suddenly decides to do this which is

1761

01:11:05,140 --> 01:11:10,210

it'd be odd even that it was never hit

1762

01:11:07,239 --> 01:11:11,949

by an airplane and I can see from some

1763

01:11:10,210 --> 01:11:13,659

faces here that some of you a nutriment

1764

01:11:11,949 --> 01:11:15,670

some of you you've never seen this

1765

01:11:13,659 --> 01:11:18,909

before others you go oh god not building

1766

01:11:15,670 --> 01:11:21,840

seven again but the mainstream will not

1767

01:11:18,909 --> 01:11:24,579

talk about it or only only to knock it

1768  
01:11:21,840 --> 01:11:26,590  
there are scientific reports which

1769  
01:11:24,579 --> 01:11:29,019  
purport to explain why this building

1770  
01:11:26,590 --> 01:11:31,239  
fell down they are widely considered to

1771  
01:11:29,020 --> 01:11:34,420  
be scientific fraud in many circles

1772  
01:11:31,239 --> 01:11:36,519  
because they simply make no sense what

1773  
01:11:34,420 --> 01:11:41,380  
brought that Bell was apparently fire

1774  
01:11:36,520 --> 01:11:44,590  
here is the fire not a lot really if

1775  
01:11:41,380 --> 01:11:47,949  
that little fire brings down a 47-story

1776  
01:11:44,590 --> 01:11:50,529  
steel frame building why didn't they

1777  
01:11:47,949 --> 01:11:52,510  
evacuate every similarly built building

1778  
01:11:50,529 --> 01:11:54,670  
around the world the next day because

1779  
01:11:52,510 --> 01:11:56,500  
there are many other buildings made that

1780  
01:11:54,670 --> 01:11:57,819  
way and funnily enough several of them

1781  
01:11:56,500 --> 01:12:00,670  
had caught fire and nobody's ever

1782  
01:11:57,819 --> 01:12:03,159  
thought they would suddenly collapse the

1783  
01:12:00,670 --> 01:12:05,829  
general view in the conspiracy world is

1784  
01:12:03,159 --> 01:12:08,109  
that 9/11 was at least partially if not

1785  
01:12:05,829 --> 01:12:10,569  
wholly coordinated from this building

1786  
01:12:08,109 --> 01:12:12,819  
and they had to bring the evidence down

1787  
01:12:10,569 --> 01:12:14,799  
at the end of the day and isn't it

1788  
01:12:12,819 --> 01:12:18,090  
interesting that when we had the grand

1789  
01:12:14,800 --> 01:12:20,980  
full tragedy a building cheaply made

1790  
01:12:18,090 --> 01:12:23,020  
burnt for something like 24 hours but it

1791  
01:12:20,979 --> 01:12:25,569  
didn't collapse and nobody thought that

1792  
01:12:23,020 --> 01:12:27,220  
was an anomalous when building seven

1793  
01:12:25,569 --> 01:12:28,599  
built to withstand everything did but

1794  
01:12:27,220 --> 01:12:31,240  
nobody raised that in the mainstream

1795  
01:12:28,600 --> 01:12:33,309  
funny that isn't it because that should

1796

01:12:31,239 --> 01:12:35,738  
have been a major feature

1797  
01:12:33,309 --> 01:12:37,989  
the CIA would be investigated for the

1798  
01:12:35,738 --> 01:12:39,908  
loss of trillions of dollars the

1799  
01:12:37,988 --> 01:12:45,538  
paperwork copy was kept in building

1800  
01:12:39,908 --> 01:12:48,519  
seven the IT copy was kept in a Pentagon

1801  
01:12:45,538 --> 01:12:54,099  
in the exact place and they lost them

1802  
01:12:48,520 --> 01:12:55,659  
all oh well I'm in building number 70

1803  
01:12:54,099 --> 01:12:57,760  
and we're on investigator member the be

1804  
01:12:55,658 --> 01:12:59,589  
Enron scandal was being investigated

1805  
01:12:57,760 --> 01:13:02,469  
there and again they lost a lot of key

1806  
01:12:59,590 --> 01:13:04,119  
papers funnily enough on that day again

1807  
01:13:02,469 --> 01:13:05,710  
it's like the moon landings I'm not

1808  
01:13:04,118 --> 01:13:09,339  
gonna go through all these there are so

1809  
01:13:05,710 --> 01:13:11,590  
many unanswered questions about 9/11 if

1810  
01:13:09,340 --> 01:13:14,440

you believe the official story you are

1811

01:13:11,590 --> 01:13:16,538

believing it very bravely in the face of

1812

01:13:14,439 --> 01:13:19,178

enormous amounts of evidence to clearly

1813

01:13:16,538 --> 01:13:22,420

contradict it again have a look at the

1814

01:13:19,179 --> 01:13:24,760

books take a leaflet look online it you

1815

01:13:22,420 --> 01:13:26,408

need to know more if this is new to you

1816

01:13:24,760 --> 01:13:28,739

you owe it to yourselves to find out

1817

01:13:26,408 --> 01:13:31,479

more because I cannot in five minutes

1818

01:13:28,738 --> 01:13:33,759

explain why this you know is the way it

1819

01:13:31,479 --> 01:13:35,799

is when you see the detail though you'll

1820

01:13:33,760 --> 01:13:37,469

realize immediately there's something

1821

01:13:35,800 --> 01:13:39,880

very very wrong

1822

01:13:37,469 --> 01:13:41,710

here's the thing I mean some people say

1823

01:13:39,880 --> 01:13:43,538

well why would they do that well I can

1824

01:13:41,710 --> 01:13:46,960

think of a lot of reasons it gave them

1825  
01:13:43,538 --> 01:13:49,269  
the mandates for all the wars if you you

1826  
01:13:46,960 --> 01:13:51,489  
know look at the New World Order project

1827  
01:13:49,270 --> 01:13:53,440  
and the unfolding of that which I trace

1828  
01:13:51,488 --> 01:13:56,138  
in the book conspiracies and in my

1829  
01:13:53,439 --> 01:13:58,598  
conspiracies tall you realize that they

1830  
01:13:56,139 --> 01:14:00,760  
needed Wars they needed reasons to be in

1831  
01:13:58,599 --> 01:14:02,800  
the places it led them it of course

1832  
01:14:00,760 --> 01:14:05,920  
opened the door to the control and

1833  
01:14:02,800 --> 01:14:09,010  
surveillance agenda of the back of 9/11

1834  
01:14:05,920 --> 01:14:11,020  
we lost fundamental liberties people

1835  
01:14:09,010 --> 01:14:14,860  
don't realize how much Liberty we lost

1836  
01:14:11,020 --> 01:14:16,389  
because of 9/11 and you know pence back

1837  
01:14:14,859 --> 01:14:18,429  
to where we left off in the first half

1838  
01:14:16,389 --> 01:14:20,288  
now they're talking about microchipping

1839  
01:14:18,429 --> 01:14:23,230  
everybody and they can sell it because

1840  
01:14:20,288 --> 01:14:25,000  
we'll all be safer we'll be safe from

1841  
01:14:23,229 --> 01:14:27,009  
terrorists and all of this and every

1842  
01:14:25,000 --> 01:14:29,828  
time there's a new terror attack of

1843  
01:14:27,010 --> 01:14:33,039  
course that's just register fine so once

1844  
01:14:29,828 --> 01:14:34,509  
again the more that we're afraid the

1845  
01:14:33,038 --> 01:14:36,429  
more we are then open to being

1846  
01:14:34,510 --> 01:14:38,710  
controlled and this would be another

1847  
01:14:36,429 --> 01:14:40,449  
very good reason to mount something like

1848  
01:14:38,710 --> 01:14:41,439  
9/11 there's plenty of people in the

1849  
01:14:40,448 --> 01:14:42,389  
world who wouldn't think twice about

1850  
01:14:41,439 --> 01:14:44,549  
doing that

1851  
01:14:42,390 --> 01:14:46,200  
sadly they're in laughs live minority

1852  
01:14:44,550 --> 01:14:48,659  
most people are very nice and very good

1853

01:14:46,199 --> 01:14:50,639  
but he get big powerful people they

1854  
01:14:48,659 --> 01:14:54,000  
would in some way in their minds justify

1855  
01:14:50,640 --> 01:14:57,600  
why that had to be done but sadly most

1856  
01:14:54,000 --> 01:14:59,340  
of us don't agree or happily look at the

1857  
01:14:57,600 --> 01:15:01,200  
mainstream could the mainstream

1858  
01:14:59,340 --> 01:15:04,140  
cover-ups that have been revealed in

1859  
01:15:01,199 --> 01:15:06,829  
recent years Hillsboro weapons of mass

1860  
01:15:04,140 --> 01:15:10,200  
destruction bank scandals MPs expenses

1861  
01:15:06,829 --> 01:15:11,760  
the Jimmy Savile debacle I mean Jimmy

1862  
01:15:10,199 --> 01:15:14,460  
Savile was named as a pedophile on

1863  
01:15:11,760 --> 01:15:16,920  
conspiracy websites about a decade

1864  
01:15:14,460 --> 01:15:18,449  
before it all came out well think what

1865  
01:15:16,920 --> 01:15:20,430  
could have been stopped in that time has

1866  
01:15:18,449 --> 01:15:23,340  
somebody listened but no they were just

1867  
01:15:20,430 --> 01:15:25,800

bad conspiracy theorists and in the news

1868

01:15:23,340 --> 01:15:29,039

again recently we have it with Snowden

1869

01:15:25,800 --> 01:15:30,810

back Snowden's revelations that we were

1870

01:15:29,039 --> 01:15:32,880

all under mass surveillance wouldn't be

1871

01:15:30,810 --> 01:15:35,190

a surprise to people already in the

1872

01:15:32,880 --> 01:15:37,650

conspiracy world but you know it was a

1873

01:15:35,189 --> 01:15:39,239

revelation to a lot of people and sadly

1874

01:15:37,649 --> 01:15:40,469

the world was now shrugged and said oh I

1875

01:15:39,239 --> 01:15:41,699

suppose we are under mass surveillance

1876

01:15:40,470 --> 01:15:43,970

oh well never mind

1877

01:15:41,699 --> 01:15:46,380

and that also is a worrying response

1878

01:15:43,970 --> 01:15:48,930

we've been very nice I'll about that

1879

01:15:46,380 --> 01:15:51,390

instead of getting I'm going crazy we've

1880

01:15:48,930 --> 01:15:54,630

just sort of shrugged it off but should

1881

01:15:51,390 --> 01:15:56,160

we and by the way it won't surprise you

1882  
01:15:54,630 --> 01:15:57,840  
to learn that you're not gonna find many

1883  
01:15:56,159 --> 01:15:59,880  
people that study this kind of thing

1884  
01:15:57,840 --> 01:16:02,699  
believing the whole story about the sort

1885  
01:15:59,880 --> 01:16:04,680  
spree nerve gas attack many people think

1886  
01:16:02,699 --> 01:16:06,720  
we're now being led into a new Cold War

1887  
01:16:04,680 --> 01:16:09,659  
that doesn't mean a Russian to whiter

1888  
01:16:06,720 --> 01:16:11,250  
than white course they're not but did

1889  
01:16:09,659 --> 01:16:12,899  
they do this in exactly the way we're

1890  
01:16:11,250 --> 01:16:15,689  
told because if they did that evidence

1891  
01:16:12,899 --> 01:16:17,639  
has not been presented and this is the

1892  
01:16:15,689 --> 01:16:20,669  
kind of thing we're led into war were

1893  
01:16:17,640 --> 01:16:23,280  
led into hating basically other

1894  
01:16:20,670 --> 01:16:25,560  
countries on the back of war limp the

1895  
01:16:23,279 --> 01:16:30,179  
claims which they haven't yet backed up

1896  
01:16:25,560 --> 01:16:32,490  
and sadly this goes on a lot so back to

1897  
01:16:30,180 --> 01:16:34,079  
the x-files the x-files over the years

1898  
01:16:32,489 --> 01:16:36,869  
has covered a lot of this kind of ground

1899  
01:16:34,079 --> 01:16:38,250  
under the guise of fiction and people

1900  
01:16:36,869 --> 01:16:40,800  
watching oh that's exciting

1901  
01:16:38,250 --> 01:16:42,359  
I enjoyed that not everybody makes the

1902  
01:16:40,800 --> 01:16:44,010  
leap to think

1903  
01:16:42,359 --> 01:16:46,259  
yeah but what if actually this is

1904  
01:16:44,010 --> 01:16:48,869  
basically what's really going on in so

1905  
01:16:46,260 --> 01:16:51,179  
many words the phrase of course the

1906  
01:16:48,868 --> 01:16:53,279  
x-files used to use was the truth is out

1907  
01:16:51,179 --> 01:16:56,069  
there and yeah the truth is out there

1908  
01:16:53,279 --> 01:16:58,198  
you have to look for it a bit some of

1909  
01:16:56,069 --> 01:17:01,349  
you might recall that there was a brief

1910

01:16:58,198 --> 01:17:03,509  
spin-off series from the x-files called

1911  
01:17:01,350 --> 01:17:06,119  
the lone gunman and in one of the

1912  
01:17:03,510 --> 01:17:09,090  
episodes of the lone gunman an aeroplane

1913  
01:17:06,118 --> 01:17:11,789  
is hijacked by remote control and flown

1914  
01:17:09,090 --> 01:17:13,560  
towards the World Trade Center million

1915  
01:17:11,789 --> 01:17:16,079  
months before it that actually happened

1916  
01:17:13,560 --> 01:17:18,690  
and then of course when he did happened

1917  
01:17:16,079 --> 01:17:20,368  
George Bush and Coe said well we could

1918  
01:17:18,689 --> 01:17:22,618  
never ever mention that ever happening

1919  
01:17:20,368 --> 01:17:23,759  
well if they watch the telly nine months

1920  
01:17:22,618 --> 01:17:27,210  
before they could have seen you on the

1921  
01:17:23,760 --> 01:17:29,369  
telly and this is the kind of ridiculous

1922  
01:17:27,210 --> 01:17:32,340  
statement that they put out and it makes

1923  
01:17:29,368 --> 01:17:34,679  
no sense sometimes I'm afraid life

1924  
01:17:32,340 --> 01:17:36,150

imitates art but was somebody trying to

1925

01:17:34,679 --> 01:17:37,100

warn us of what was gonna have any

1926

01:17:36,149 --> 01:17:39,750

belief sir

1927

01:17:37,100 --> 01:17:41,789

sometimes there are limitation life I

1928

01:17:39,750 --> 01:17:44,939

sometimes think about a many black

1929

01:17:41,789 --> 01:17:47,488

movies very silly movies you know the

1930

01:17:44,939 --> 01:17:49,469

men in black movies and I mean so these

1931

01:17:47,488 --> 01:17:52,678

are of course a parity of the real

1932

01:17:49,469 --> 01:17:55,618

alleged real men in black who allegedly

1933

01:17:52,679 --> 01:17:57,449

this is CCTV of real many black who tend

1934

01:17:55,618 --> 01:18:00,979

to come and find you if you've seen a

1935

01:17:57,448 --> 01:18:03,419

UFO war start blabbing about aliens and

1936

01:18:00,979 --> 01:18:06,868

basically very quietly but in a very

1937

01:18:03,420 --> 01:18:08,100

sinister way tell you to shut up and if

1938

01:18:06,868 --> 01:18:10,889

you know what's good for you you

1939  
01:18:08,100 --> 01:18:12,510  
probably then do but it's funny isn't it

1940  
01:18:10,889 --> 01:18:15,510  
so in the mainstream where we treat this

1941  
01:18:12,510 --> 01:18:18,449  
a funny joke in the movies it's much

1942  
01:18:15,510 --> 01:18:20,579  
easier than real life pads so they have

1943  
01:18:18,448 --> 01:18:22,500  
this device and they flash it at you and

1944  
01:18:20,579 --> 01:18:25,529  
then you forget everything you saw or

1945  
01:18:22,500 --> 01:18:28,289  
anyway but through all the kinds of

1946  
01:18:25,529 --> 01:18:32,158  
things that we've seen this evening and

1947  
01:18:28,289 --> 01:18:35,130  
indeed this may be it is happening in

1948  
01:18:32,158 --> 01:18:39,029  
real life everyday the distraction of

1949  
01:18:35,130 --> 01:18:41,859  
Trofeo mind-numbing money dewatering

1950  
01:18:39,029 --> 01:18:43,658  
madness that we are fed

1951  
01:18:41,859 --> 01:18:46,389  
every day go look at the magazine

1952  
01:18:43,658 --> 01:18:49,210  
shelves and WH Smith he's the mind what

1953  
01:18:46,389 --> 01:18:51,219  
you don't hear about spirals in the sky

1954  
01:18:49,210 --> 01:18:53,980  
but you hear about Pippa Middleton's

1955  
01:18:51,219 --> 01:18:55,840  
bottom and people know more about that

1956  
01:18:53,979 --> 01:18:57,459  
then spirals in this guy you can't

1957  
01:18:55,840 --> 01:19:00,670  
compete with Freddie Star eating

1958  
01:18:57,460 --> 01:19:03,069  
hamsters and unfortunately it has just

1959  
01:19:00,670 --> 01:19:06,100  
enough effect to keep most people just

1960  
01:19:03,069 --> 01:19:07,929  
out of harm's way they haven't got the

1961  
01:19:06,100 --> 01:19:09,850  
time anyway to do much about all this

1962  
01:19:07,929 --> 01:19:11,770  
stuff you know they're trying to earn a

1963  
01:19:09,850 --> 01:19:13,570  
living and raise families and it's all

1964  
01:19:11,770 --> 01:19:16,600  
too difficult but I'll have time to sit

1965  
01:19:13,569 --> 01:19:18,609  
and read eat and this is the problem and

1966  
01:19:16,600 --> 01:19:21,820  
I think the powers that be rely on this

1967

01:19:18,609 --> 01:19:23,679  
they rely on our inertia and they foster

1968  
01:19:21,819 --> 01:19:25,210  
our inertia but we should really be

1969  
01:19:23,679 --> 01:19:27,399  
aware of that because this is the

1970  
01:19:25,210 --> 01:19:29,560  
classic conjurer's trick because all the

1971  
01:19:27,399 --> 01:19:31,439  
time we're all looking at that of course

1972  
01:19:29,560 --> 01:19:34,690  
the important stuffs going on over there

1973  
01:19:31,439 --> 01:19:36,219  
we need to be very careful this and I

1974  
01:19:34,689 --> 01:19:38,229  
know many of you here the fact that

1975  
01:19:36,219 --> 01:19:39,880  
you'll come here and you'll talk about

1976  
01:19:38,229 --> 01:19:42,250  
these kinds of subjects you were already

1977  
01:19:39,880 --> 01:19:44,739  
to some degrees alert to this but we

1978  
01:19:42,250 --> 01:19:46,630  
need to help other people to wake up and

1979  
01:19:44,738 --> 01:19:49,388  
see what's going on even just

1980  
01:19:46,630 --> 01:19:50,949  
conversations in the pub the whole fake

1981  
01:19:49,389 --> 01:19:54,520

news thing of course has been a

1982

01:19:50,948 --> 01:19:57,609

fantastic way of muddy new orders so

1983

01:19:54,520 --> 01:20:00,040

fake news and the shock horror around

1984

01:19:57,609 --> 01:20:01,929

that is now of course being used to

1985

01:20:00,039 --> 01:20:04,868

close down perfectly legitimate

1986

01:20:01,929 --> 01:20:07,899

alternative inquiry and that is a

1987

01:20:04,868 --> 01:20:09,908

serious problem if the faint news issue

1988

01:20:07,899 --> 01:20:11,379

has been the biggest gift to the

1989

01:20:09,908 --> 01:20:13,899

authorities that they've had for years

1990

01:20:11,380 --> 01:20:15,639

because now they found a way of making

1991

01:20:13,899 --> 01:20:18,488

everybody doubt anything they're told

1992

01:20:15,639 --> 01:20:21,520

well we all know fake news is deeply

1993

01:20:18,488 --> 01:20:24,069

subjective fake them the BBC is

1994

01:20:21,520 --> 01:20:26,020

basically a propaganda channel you want

1995

01:20:24,069 --> 01:20:28,149

fake news but a BBC one you see better

1996  
01:20:26,020 --> 01:20:30,100  
faint news there but that's not what

1997  
01:20:28,149 --> 01:20:31,779  
many people believe the hope perhaps

1998  
01:20:30,100 --> 01:20:35,230  
though is that of course increasingly

1999  
01:20:31,779 --> 01:20:37,000  
many people are no longer looking at ITN

2000  
01:20:35,229 --> 01:20:37,988  
a BBC they're using their own social

2001  
01:20:37,000 --> 01:20:39,789  
media feeds

2002  
01:20:37,988 --> 01:20:41,649  
although the danger there is you get to

2003  
01:20:39,789 --> 01:20:43,658  
the echo chamber effect you never hear

2004  
01:20:41,649 --> 01:20:46,388  
anybody challenging your view which can

2005  
01:20:43,658 --> 01:20:49,019  
also be an issue but what's going on at

2006  
01:20:46,389 --> 01:20:52,440  
the moment is trying to shut people down

2007  
01:20:49,020 --> 01:20:53,940  
I think that is off concern let's go

2008  
01:20:52,439 --> 01:20:56,309  
back to unexplained mysteries for a

2009  
01:20:53,939 --> 01:20:59,429  
minute this is something that the years

2010  
01:20:56,310 --> 01:21:01,650  
was ridiculed people said you know what

2011  
01:20:59,430 --> 01:21:03,690  
if you see a thunderstorm but from a

2012  
01:21:01,649 --> 01:21:06,029  
long long way away often hundreds of

2013  
01:21:03,689 --> 01:21:09,210  
miles away and you look above the

2014  
01:21:06,029 --> 01:21:11,659  
thunderclaps you can see weird lightning

2015  
01:21:09,210 --> 01:21:14,520  
coming up coming up into space and

2016  
01:21:11,659 --> 01:21:16,859  
Sciences laughter these people thing is

2017  
01:21:14,520 --> 01:21:19,620  
they said I will drinking usual or

2018  
01:21:16,859 --> 01:21:21,599  
dismiss he's seeing things well until

2019  
01:21:19,619 --> 01:21:24,599  
that is the space shuttle starts to film

2020  
01:21:21,600 --> 01:21:27,060  
them and now we call them sprites and

2021  
01:21:24,600 --> 01:21:28,829  
now there are a known scientific

2022  
01:21:27,060 --> 01:21:31,260  
phenomenon then there present about many

2023  
01:21:28,829 --> 01:21:33,720  
thunderstorms so that's something that's

2024

01:21:31,260 --> 01:21:36,270  
now just real it's just science but they

2025  
01:21:33,720 --> 01:21:40,409  
laugh for how long that people who claim

2026  
01:21:36,270 --> 01:21:42,870  
they've seen more obscurely but also I

2027  
01:21:40,409 --> 01:21:45,029  
think of worth in the science of fluid

2028  
01:21:42,869 --> 01:21:48,210  
dynamics have it have been declared you

2029  
01:21:45,029 --> 01:21:50,819  
cannot have a hexagon in the atmosphere

2030  
01:21:48,210 --> 01:21:52,980  
of a planet but then they fly the

2031  
01:21:50,819 --> 01:21:55,739  
Cassini craft over the pole of Saturn

2032  
01:21:52,979 --> 01:21:58,259  
and look at that the biggies hexagons in

2033  
01:21:55,739 --> 01:22:00,329  
the whole of the solar system considered

2034  
01:21:58,260 --> 01:22:03,600  
impossible until the day they took that

2035  
01:22:00,329 --> 01:22:05,039  
picture so very often they are shown to

2036  
01:22:03,600 --> 01:22:08,640  
be wrong but of course nobody ever

2037  
01:22:05,039 --> 01:22:10,710  
apologizes the people that we look up to

2038  
01:22:08,640 --> 01:22:14,039

is the founders of modern science like

2039

01:22:10,710 --> 01:22:16,770

Copernicus and Galileo that's not how it

2040

01:22:14,039 --> 01:22:18,060

was in their day no in that day they

2041

01:22:16,770 --> 01:22:21,180

were the Mavericks they were the

2042

01:22:18,060 --> 01:22:23,520

heretics believing ridiculous things

2043

01:22:21,180 --> 01:22:25,140

like maybe the earth goes round the Sun

2044

01:22:23,520 --> 01:22:28,020

rather than the other way around but

2045

01:22:25,140 --> 01:22:30,930

who'd believe a well now we do believe

2046

01:22:28,020 --> 01:22:33,660

it and now that's just science but it's

2047

01:22:30,930 --> 01:22:36,720

sad that what hamda scientism has come

2048

01:22:33,659 --> 01:22:38,699

along now and that's unfortunate but it

2049

01:22:36,720 --> 01:22:41,130

may well be that some of the things that

2050

01:22:38,699 --> 01:22:44,609

you know we are having ridiculed today

2051

01:22:41,130 --> 01:22:46,890

could be the science of tomorrow and be

2052

01:22:44,609 --> 01:22:50,729

accepted as such because sometimes you

2053  
01:22:46,890 --> 01:22:53,820  
do get vindication yeah do you know what

2054  
01:22:50,729 --> 01:22:55,679  
you get it enough that I don't see how

2055  
01:22:53,819 --> 01:22:58,349  
the mainstream media can justify the

2056  
01:22:55,680 --> 01:22:59,670  
continual dismissal of people that are

2057  
01:22:58,350 --> 01:23:01,530  
trying to talk about mister

2058  
01:22:59,670 --> 01:23:04,350  
and cover-ups because they've been shown

2059  
01:23:01,529 --> 01:23:06,389  
to be right enough times in history that

2060  
01:23:04,350 --> 01:23:09,500  
is madness not to at least hear them out

2061  
01:23:06,390 --> 01:23:13,289  
hence that's why people fear and agenda

2062  
01:23:09,500 --> 01:23:15,090  
well soon that stuff about prophecies so

2063  
01:23:13,289 --> 01:23:17,369  
again and again you saw in the first

2064  
01:23:15,090 --> 01:23:20,400  
half there's talk of these times that

2065  
01:23:17,369 --> 01:23:23,340  
were in now being tides of great change

2066  
01:23:20,399 --> 01:23:25,948  
upheaval transformation the good news is

2067  
01:23:23,340 --> 01:23:28,260  
some say it leads to a Golden Age of you

2068  
01:23:25,948 --> 01:23:29,939  
know everything being quite nice but

2069  
01:23:28,260 --> 01:23:32,369  
it's probably going to be unsettling

2070  
01:23:29,939 --> 01:23:34,469  
while we can it through it so some of

2071  
01:23:32,369 --> 01:23:37,260  
course say wow you know it's just all in

2072  
01:23:34,469 --> 01:23:40,198  
the mind really but is it there might be

2073  
01:23:37,260 --> 01:23:43,260  
a tangible cause for these kind of

2074  
01:23:40,198 --> 01:23:46,439  
shifts it's been noticed in recent times

2075  
01:23:43,260 --> 01:23:49,500  
that the Sun has been breaking records I

2076  
01:23:46,439 --> 01:23:51,238  
mean over the last 35 40 years it's done

2077  
01:23:49,500 --> 01:23:53,429  
all kinds of things we didn't know he

2078  
01:23:51,238 --> 01:23:54,869  
could do although it's suddenly falling

2079  
01:23:53,429 --> 01:23:58,350  
very quiet in the last two or three

2080  
01:23:54,869 --> 01:24:00,329  
years this makes some people think that

2081

01:23:58,350 --> 01:24:02,489  
we're going through an unusual cycle

2082  
01:24:00,329 --> 01:24:05,309  
some scientists are now talking about a

2083  
01:24:02,488 --> 01:24:07,649  
roughly 5,000 year cycle on the Sun that

2084  
01:24:05,310 --> 01:24:09,630  
we didn't know about too recently which

2085  
01:24:07,649 --> 01:24:11,429  
then would tie in reasonably well with

2086  
01:24:09,630 --> 01:24:16,529  
those ancient prophecies and the whole

2087  
01:24:11,429 --> 01:24:19,710  
2012 stuff and it may well be that the

2088  
01:24:16,529 --> 01:24:22,649  
changed electromagnetic environment that

2089  
01:24:19,710 --> 01:24:25,500  
this cycle creates every roughly 5,000

2090  
01:24:22,649 --> 01:24:28,109  
years or so is changing us that it

2091  
01:24:25,500 --> 01:24:30,810  
creates leaps in evolution because there

2092  
01:24:28,109 --> 01:24:32,670  
are some people like Rick Strassman and

2093  
01:24:30,810 --> 01:24:34,370  
Michael Persinger that have done a lot

2094  
01:24:32,670 --> 01:24:36,840  
of experiments we're looking at how

2095  
01:24:34,369 --> 01:24:40,050

electromagnetic charge has changed the

2096

01:24:36,840 --> 01:24:41,750

brain that can rewire DNA and something

2097

01:24:40,050 --> 01:24:43,710

that we are now in a changed

2098

01:24:41,750 --> 01:24:46,939

electromagnetic space in our solar

2099

01:24:43,710 --> 01:24:49,529

system and it's changing us and maybe

2100

01:24:46,939 --> 01:24:51,210

that's why things currently feel like

2101

01:24:49,529 --> 01:24:53,698

they're suddenly very fluid there is a

2102

01:24:51,210 --> 01:24:55,350

lot of changing on me to thickness it's

2103

01:24:53,698 --> 01:24:56,399

not breaking out everywhere that you

2104

01:24:55,350 --> 01:24:59,010

know you wouldn't have imagined

2105

01:24:56,399 --> 01:25:00,779

happening five years ago and maybe it's

2106

01:24:59,010 --> 01:25:02,219

just stuff that now needs to come out

2107

01:25:00,779 --> 01:25:05,250

but you might get bored were reading

2108

01:25:02,219 --> 01:25:07,170

about it it needs to happen and some

2109

01:25:05,250 --> 01:25:11,139

people think we are literally at the new

2110  
01:25:07,170 --> 01:25:12,699  
dawn of a new stage in our evolution

2111  
01:25:11,139 --> 01:25:14,969  
that maybe it's not happening fast

2112  
01:25:12,698 --> 01:25:18,248  
enough and the powers that be are

2113  
01:25:14,969 --> 01:25:21,069  
withholding it from us and that's why

2114  
01:25:18,248 --> 01:25:23,738  
there is a breakout of seemingly very

2115  
01:25:21,069 --> 01:25:26,558  
overt paranormal phenomena whether it be

2116  
01:25:23,738 --> 01:25:29,049  
crop circles or UFOs or more and more

2117  
01:25:26,559 --> 01:25:30,550  
people reporting ghosts and discovering

2118  
01:25:29,050 --> 01:25:34,779  
ancient knowledge because what that's

2119  
01:25:30,550 --> 01:25:37,269  
doing is waking people up irrespective

2120  
01:25:34,779 --> 01:25:39,340  
of which path you follow most people

2121  
01:25:37,269 --> 01:25:41,949  
seem to find that they're being led into

2122  
01:25:39,340 --> 01:25:43,989  
an understanding that they've been lied

2123  
01:25:41,948 --> 01:25:46,839  
to number one and that there are bigger

2124  
01:25:43,988 --> 01:25:48,578  
things going on and yeah of course the

2125  
01:25:46,840 --> 01:25:49,599  
people at the tops of the pyramids don't

2126  
01:25:48,578 --> 01:25:51,698  
want that to happen

2127  
01:25:49,599 --> 01:25:55,569  
it's in their interest to keep us as

2128  
01:25:51,698 --> 01:25:58,388  
stupid as possible and yet these somehow

2129  
01:25:55,569 --> 01:26:00,938  
wake people up so I'll explain mysteries

2130  
01:25:58,389 --> 01:26:03,159  
I think serve a purpose because it just

2131  
01:26:00,939 --> 01:26:05,369  
makes you think and you realize that the

2132  
01:26:03,158 --> 01:26:07,268  
world you're living in is perhaps being

2133  
01:26:05,368 --> 01:26:10,029  
misrepresented and the world of

2134  
01:26:07,269 --> 01:26:13,929  
communication has changed beyond belief

2135  
01:26:10,029 --> 01:26:16,478  
in the last 60 70 years now the truth is

2136  
01:26:13,929 --> 01:26:17,199  
out there you can't get to it if you

2137  
01:26:16,479 --> 01:26:19,449  
know where to look

2138

01:26:17,198 --> 01:26:20,978  
yeah there's a load across on the net

2139  
01:26:19,448 --> 01:26:23,408  
but there's a load of draw since myth

2140  
01:26:20,979 --> 01:26:25,360  
since we've seen its drops in libraries

2141  
01:26:23,408 --> 01:26:27,069  
you need to discern any

2142  
01:26:25,359 --> 01:26:28,448  
cross-referencing you need to use your

2143  
01:26:27,069 --> 01:26:31,029  
head in your heart have been a wisdom

2144  
01:26:28,448 --> 01:26:34,089  
you can't find your way to what's going

2145  
01:26:31,029 --> 01:26:35,648  
on but of course that's why I think the

2146  
01:26:34,090 --> 01:26:38,168  
authorities around the world are now

2147  
01:26:35,649 --> 01:26:40,119  
terrified of the internet which was the

2148  
01:26:38,168 --> 01:26:41,618  
genie out of the bottle and now they're

2149  
01:26:40,118 --> 01:26:45,248  
trying to shut it down by saying all

2150  
01:26:41,618 --> 01:26:47,978  
fake news and we need to be very wary of

2151  
01:26:45,248 --> 01:26:50,288  
that but if you are still one of those

2152  
01:26:47,979 --> 01:26:53,380

people that only get your news from the

2153

01:26:50,288 --> 01:26:55,809

mainstream sources like the BBC and you

2154

01:26:53,380 --> 01:26:58,359

know the Daily Express or whether you're

2155

01:26:55,809 --> 01:27:00,820

probably only getting a fraction of

2156

01:26:58,359 --> 01:27:03,279

what's really going on if any of it at

2157

01:27:00,819 --> 01:27:05,408

all and we've seen tonight how things

2158

01:27:03,279 --> 01:27:07,179

are just easily removed you don't hear

2159

01:27:05,408 --> 01:27:08,529

about spires and the sky don't hear

2160

01:27:07,179 --> 01:27:10,809

about Philippa Langley you don't hear

2161

01:27:08,529 --> 01:27:12,458

about crop circles very often and so on

2162

01:27:10,809 --> 01:27:14,380

you can believe what you want about all

2163

01:27:12,458 --> 01:27:15,408

of these things but they are good

2164

01:27:14,380 --> 01:27:18,199

examples of

2165

01:27:15,408 --> 01:27:20,058

easily things are taken away from us and

2166

01:27:18,198 --> 01:27:23,448

why we always have to be ever vigilant

2167  
01:27:20,059 --> 01:27:25,159  
that we it falls to those of us that

2168  
01:27:23,448 --> 01:27:27,049  
know about this kind of thing have a

2169  
01:27:25,158 --> 01:27:30,038  
responsibility to put them back out

2170  
01:27:27,050 --> 01:27:32,538  
there wherever we can to whoever we can

2171  
01:27:30,038 --> 01:27:36,319  
this is how we always get shown isn't it

2172  
01:27:32,538 --> 01:27:39,018  
mystery researchers silly cartoon people

2173  
01:27:36,319 --> 01:27:41,719  
running around doing silly things well

2174  
01:27:39,019 --> 01:27:44,389  
yeah but sometimes as we've shown today

2175  
01:27:41,719 --> 01:27:46,729  
I'm in there sometimes right and the

2176  
01:27:44,389 --> 01:27:49,519  
right enough that this should be a

2177  
01:27:46,729 --> 01:27:51,380  
hearing of this stuff closing it down to

2178  
01:27:49,519 --> 01:27:55,429  
pretending it's not going on does not

2179  
01:27:51,380 --> 01:27:57,349  
serve anybody so I hope though what I've

2180  
01:27:55,429 --> 01:27:58,969  
done tonight is draw together a lot of

2181  
01:27:57,349 --> 01:28:02,328  
threads which I know some of you are

2182  
01:27:58,969 --> 01:28:04,248  
already familiar with but what I hope I

2183  
01:28:02,328 --> 01:28:07,639  
suppose above all is that they might get

2184  
01:28:04,248 --> 01:28:09,649  
over NIH's you to risk taking this out

2185  
01:28:07,639 --> 01:28:12,168  
there even if it's a conversation of

2186  
01:28:09,649 --> 01:28:13,819  
work tomorrow or on the bus about what

2187  
01:28:12,168 --> 01:28:16,969  
you were doing last night what you were

2188  
01:28:13,819 --> 01:28:20,299  
sitting here listening to get the Cape

2189  
01:28:16,969 --> 01:28:22,340  
back take the ridicule that's just their

2190  
01:28:20,300 --> 01:28:24,498  
program to do that and you'll often find

2191  
01:28:22,340 --> 01:28:26,328  
actually when you show your conviction

2192  
01:28:24,498 --> 01:28:29,538  
and as to why you believe in something

2193  
01:28:26,328 --> 01:28:31,188  
people change and in the end it's funny

2194  
01:28:29,538 --> 01:28:33,529  
they will come back with an odd kind of

2195

01:28:31,189 --> 01:28:35,360  
respect even if it's just sort of

2196  
01:28:33,529 --> 01:28:37,668  
intrigue oh why do you believe that then

2197  
01:28:35,359 --> 01:28:39,768  
and the day they ask you a question

2198  
01:28:37,668 --> 01:28:42,319  
about it right you're onto something and

2199  
01:28:39,769 --> 01:28:43,668  
you tip the dominoes all the time we

2200  
01:28:42,319 --> 01:28:45,438  
don't say anything about what we're

2201  
01:28:43,668 --> 01:28:47,448  
interested in because we fear ridicule

2202  
01:28:45,439 --> 01:28:50,389  
with them falling into the control

2203  
01:28:47,448 --> 01:28:52,488  
agenda oh we mustn't do that we can't do

2204  
01:28:50,389 --> 01:28:55,458  
that especially now though freedom of

2205  
01:28:52,488 --> 01:28:56,958  
speech is under such danger for some of

2206  
01:28:55,458 --> 01:28:59,809  
the reasons we've covered here and of

2207  
01:28:56,958 --> 01:29:00,349  
course many others so I hope that's been

2208  
01:28:59,809 --> 01:29:02,779  
of some use

2209  
01:29:00,349 --> 01:29:04,578

thank you very much coming out have a

2210

01:29:02,779 --> 01:29:06,559

look at the table take a leaflet if you

2211

01:29:04,578 --> 01:29:10,478

want to know more but thanks for having

2212

01:29:06,559 --> 01:29:10,479

me here and I'll see you again one day

2213

01:29:14,750 --> 01:29:17,960

thank you
