

1
00:00:06,940 --> 00:00:13,039
against Mochrie with

2
00:00:09,949 --> 00:00:13,038
[Applause]

3
00:00:19,760 --> 00:00:27,330
gives everybody a real thing

4
00:00:23,339 --> 00:00:32,278
good those were beautiful portals

5
00:00:27,329 --> 00:00:34,439
although the portals ready yeah so being

6
00:00:32,279 --> 00:00:42,690
interested in this subject for a long

7
00:00:34,439 --> 00:00:45,469
time since since a young boy since a

8
00:00:42,689 --> 00:00:47,699
young boy have been interested in this

9
00:00:45,469 --> 00:00:50,119
but lots of experiences

10
00:00:47,700 --> 00:01:10,978
lots of stuff happened and it was until

11
00:00:50,119 --> 00:01:14,849
later on in my life and it was a subject

12
00:01:10,978 --> 00:01:19,310
of mine and through looking at our

13
00:01:14,849 --> 00:01:22,019
environment buildings and reasons why

14
00:01:19,310 --> 00:01:25,469
pillars of the ship ships that they are

15
00:01:22,019 --> 00:01:27,810
I don't believe it just it was a lot of

16
00:01:25,468 --> 00:01:29,759
them I believe is some sort of structure

17
00:01:27,810 --> 00:01:32,340
or something involved whether it be a

18
00:01:29,759 --> 00:01:38,188
vortex of energy which is spiraling the

19
00:01:32,340 --> 00:01:45,329
hill upwards you can always tell same

20
00:01:38,188 --> 00:01:48,828
with buildings and churches and like

21
00:01:45,328 --> 00:01:48,828
geometric buildings

22
00:01:55,259 --> 00:02:05,049
yeah like to see what especially

23
00:02:02,019 --> 00:02:06,968
buildings and stuff like that and it

24
00:02:05,049 --> 00:02:10,409
seems this give a chunk of history which

25
00:02:06,968 --> 00:02:13,120
we've kind of lost so you can understand

26
00:02:10,409 --> 00:02:16,509
the function of these buildings what

27
00:02:13,120 --> 00:02:19,180
they still doing why there are shapes

28
00:02:16,509 --> 00:02:22,298
but each is the geometric symbols on the

29

00:02:19,180 --> 00:02:25,780
front why there are they just pretty are

30
00:02:22,299 --> 00:02:30,730
they just you know some architect it's

31
00:02:25,780 --> 00:02:31,419
just a pretty stained glass I don't

32
00:02:30,729 --> 00:02:33,669
think so

33
00:02:31,419 --> 00:02:35,708
so I'm going to cover a little bit of

34
00:02:33,669 --> 00:02:38,859
that tonight what have you a lot and

35
00:02:35,709 --> 00:02:40,449
then I'm gonna move down into three

36
00:02:38,860 --> 00:02:48,940
different kind of portals basically

37
00:02:40,449 --> 00:02:51,219
which I think still operate so let's try

38
00:02:48,939 --> 00:02:53,519
to cover up those definitely as much as

39
00:02:51,219 --> 00:02:56,949
I can and the ones that surround us as

40
00:02:53,519 --> 00:03:01,379
mostly funny noises killed a hill in

41
00:02:56,949 --> 00:03:05,619
Swansea so meeting is a major portal

42
00:03:01,379 --> 00:03:08,859
really sightings at this place over the

43
00:03:05,620 --> 00:03:10,450

years including one when I was that was

44

00:03:08,859 --> 00:03:12,969

20 years of age or the world is the

45

00:03:10,449 --> 00:03:14,828

living math world around us and at seven

46

00:03:12,969 --> 00:03:19,780

o'clock in the morning there was a

47

00:03:14,829 --> 00:03:21,760

silver ball of the towers there I think

48

00:03:19,780 --> 00:03:24,750

I could stand on it but when I'm looking

49

00:03:21,759 --> 00:03:28,609

at it then a plane's going towards it so

50

00:03:24,750 --> 00:03:30,979

I need to work I'm excited

51

00:03:28,610 --> 00:03:33,440

the UFOs I'm telling everybody there I

52

00:03:30,979 --> 00:03:39,709

see the silver ball which you can see

53

00:03:33,439 --> 00:03:42,379

from the top up that's lovely but later

54

00:03:39,710 --> 00:03:47,689

on that day some guys came in from

55

00:03:42,379 --> 00:03:50,359

people and Darcy and his wife was

56

00:03:47,689 --> 00:03:52,430

working in the cantina and they told her

57

00:03:50,360 --> 00:03:54,590

they source of silver ball flying or

58
00:03:52,430 --> 00:03:57,110
beeping a dusty at seven o'clock in

59
00:03:54,590 --> 00:03:58,819
morning around that time so they all

60
00:03:57,110 --> 00:04:01,820
team up and see me when I was on the

61
00:03:58,819 --> 00:04:04,759
evening visible and he couldn't see me

62
00:04:01,819 --> 00:04:09,439
let me just share their experience so I

63
00:04:04,759 --> 00:04:12,889
think this place happens all the time

64
00:04:09,439 --> 00:04:16,358
but I think only when these television

65
00:04:12,889 --> 00:04:18,289
masts that song done was just under

66
00:04:16,358 --> 00:04:22,789
think they are messing with the

67
00:04:18,290 --> 00:04:25,430
frequency of that girl I had on my

68
00:04:22,790 --> 00:04:28,939
escapades around that level I have some

69
00:04:25,430 --> 00:04:33,860
really great images and there's a storm

70
00:04:28,939 --> 00:04:37,009
circle in the forest off the site it

71
00:04:33,860 --> 00:04:41,600
just is with my phone I've said enough

72
00:04:37,009 --> 00:04:43,519
to be repaired and this is because he

73
00:04:41,600 --> 00:04:46,129
came back with all the pictures of

74
00:04:43,519 --> 00:04:50,569
filming that would and the beautiful Sun

75
00:04:46,129 --> 00:04:53,930
has gone into it and so this is stone

76
00:04:50,569 --> 00:04:54,649
stone on the side and then opposite

77
00:04:53,930 --> 00:04:57,889
morrison's

78
00:04:54,649 --> 00:05:00,739
there's a tunnel which goes directly in

79
00:04:57,889 --> 00:05:03,139
the film veil and he loves clean there's

80
00:05:00,740 --> 00:05:05,509
a mine next to it which is always half

81
00:05:03,139 --> 00:05:07,490
fun even still see down on it is half

82
00:05:05,509 --> 00:05:09,500
full and it's Tyler's work that we went

83
00:05:07,490 --> 00:05:15,650
up as far as we could pictures all of

84
00:05:09,500 --> 00:05:18,379
them but I think this place I think is

85
00:05:15,649 --> 00:05:21,259
full of some sort of precious metal at

86

00:05:18,379 --> 00:05:23,930
one point which I think was mined a

87
00:05:21,259 --> 00:05:28,759
quarry dirt and this is all these places

88
00:05:23,930 --> 00:05:31,579
work I think the precious metals vibrate

89
00:05:28,759 --> 00:05:34,610
with a frequency which speeds the whole

90
00:05:31,579 --> 00:05:37,279
area which opens up a portal which

91
00:05:34,610 --> 00:05:37,800
obviously some people know I was still

92
00:05:37,279 --> 00:05:41,579
used

93
00:05:37,800 --> 00:05:44,460
comedians know how to still use but

94
00:05:41,579 --> 00:05:46,589
that's a very very interesting place

95
00:05:44,459 --> 00:05:48,689
it's right on our doorstep just well

96
00:05:46,589 --> 00:05:51,478
with a lot because some of the stones

97
00:05:48,689 --> 00:05:53,038
there don't know could be part of the

98
00:05:51,478 --> 00:05:54,899
villa that's the only way to explain it

99
00:05:53,038 --> 00:05:56,250
this is very interesting and looking

100
00:05:54,899 --> 00:05:59,519

back at the history of the hill

101

00:05:56,250 --> 00:06:01,829

there was a cave metric accurately used

102

00:05:59,519 --> 00:06:03,478

to run through it I can't find that now

103

00:06:01,829 --> 00:06:06,779

this is on the side of it there's a

104

00:06:03,478 --> 00:06:09,930

steel door which is sealing something

105

00:06:06,779 --> 00:06:11,369

off but apparently used to be able to

106

00:06:09,930 --> 00:06:14,158

walk straight through the center of that

107

00:06:11,370 --> 00:06:14,728

hill so obviously there's something wood

108

00:06:14,158 --> 00:06:18,149

under there

109

00:06:14,728 --> 00:06:20,668

and the other rumour is which you've

110

00:06:18,149 --> 00:06:23,728

been told is that there's a military

111

00:06:20,668 --> 00:06:25,709

facility in there but they used to which

112

00:06:23,728 --> 00:06:28,560

like most about you should store all

113

00:06:25,709 --> 00:06:30,930

artillery and a good month so quite

114

00:06:28,560 --> 00:06:33,839

possibly that stuff is still there but

115
00:06:30,930 --> 00:06:36,300
these reasons why they thought that kind

116
00:06:33,839 --> 00:06:39,418
of thing in places like this and I don't

117
00:06:36,300 --> 00:06:41,870
think it's just the military ones and

118
00:06:39,418 --> 00:06:47,668
stuff like I think that's just a cover

119
00:06:41,870 --> 00:06:52,228
let's move on to the next one it's down

120
00:06:47,668 --> 00:06:54,508
towards down towards the left is where

121
00:06:52,228 --> 00:06:58,139
the storm circle is and I stumbled on it

122
00:06:54,509 --> 00:07:01,460
accidentally just got lost up there in

123
00:06:58,139 --> 00:07:03,418
the trees I see mr. pretty amazing

124
00:07:01,459 --> 00:07:05,609
I'm just wondering if it's to do with

125
00:07:03,418 --> 00:07:06,240
the Earth's books but check among

126
00:07:05,610 --> 00:07:07,979
Internet

127
00:07:06,240 --> 00:07:10,650
there's two stone circles on the real

128
00:07:07,978 --> 00:07:12,508
one exam finds or not one is still there

129
00:07:10,649 --> 00:07:13,079
obviously just well there's a lot of you

130
00:07:12,509 --> 00:07:16,288
walk there

131
00:07:13,079 --> 00:07:21,139
I think yeah going these boys on the top

132
00:07:16,288 --> 00:07:21,139
or just off left a bit yeah

133
00:07:26,209 --> 00:07:35,839
again you can also tell as big as the

134
00:07:33,110 --> 00:07:37,879
hell it is this is always like a path

135
00:07:35,839 --> 00:07:41,119
that will go around in a spiral run

136
00:07:37,879 --> 00:07:42,829
through some of these hills and it shows

137
00:07:41,120 --> 00:07:45,728
that the energy in this place is

138
00:07:42,829 --> 00:07:55,939
traveling anti-clockwise

139
00:07:45,728 --> 00:07:57,918
but obviously speaking of menus there's

140
00:07:55,939 --> 00:08:07,310
a good love it you can see off to the

141
00:07:57,918 --> 00:08:09,680
right herbs around so this one probably

142
00:08:07,310 --> 00:08:14,780
most of you know this is the top of

143

00:08:09,680 --> 00:08:19,030
grass Mountain a major portal still

144
00:08:14,779 --> 00:08:22,598
active and as far as I'm aware still

145
00:08:19,029 --> 00:08:25,848
inhabited by military people or from

146
00:08:22,598 --> 00:08:28,639
mobile phone masts and people which turn

147
00:08:25,848 --> 00:08:31,038
up I got a friend that lives facing the

148
00:08:28,639 --> 00:08:35,599
mountain so he feeds off information

149
00:08:31,038 --> 00:08:39,500
outside but again major data center it

150
00:08:35,599 --> 00:08:41,930
would be better lunch here which again I

151
00:08:39,500 --> 00:08:44,839
don't think about our alums again when

152
00:08:41,929 --> 00:08:47,269
you look into the history the caverns

153
00:08:44,839 --> 00:08:50,930
and they deal with the different

154
00:08:47,269 --> 00:08:52,220
equinoxes throughout the year so

155
00:08:50,929 --> 00:08:56,120
different kind of energies will go in

156
00:08:52,220 --> 00:08:59,000
there and obviously the least one effort

157
00:08:56,120 --> 00:09:01,759

healing people use the financial straits

158

00:08:59,000 --> 00:09:04,669

have important to different areas and

159

00:09:01,759 --> 00:09:06,860

people used to go in there to transport

160

00:09:04,669 --> 00:09:09,049

stuff people were going there today

161

00:09:06,860 --> 00:09:11,360

basically because they believe to be

162

00:09:09,049 --> 00:09:13,879

transported from these places just tell

163

00:09:11,360 --> 00:09:18,879

you the permits so there's a lot of

164

00:09:13,879 --> 00:09:18,879

interest with paramount

165

00:09:22,320 --> 00:09:28,379

that's the biggest one I think this

166

00:09:25,350 --> 00:09:29,579

forum a special showing that's for

167

00:09:28,379 --> 00:09:33,049

better ones but this is the one with the

168

00:09:29,578 --> 00:09:35,370

troponin top which is more prominent

169

00:09:33,049 --> 00:09:41,278

with this place

170

00:09:35,370 --> 00:09:44,278

back in 2016 January 2016 we took part

171

00:09:41,278 --> 00:09:48,240

of the ritual of year it's open a place

172
00:09:44,278 --> 00:09:52,230
and instinctively one of the guys with

173
00:09:48,240 --> 00:09:55,948
us asked for permission from the

174
00:09:52,230 --> 00:09:58,649
ancestors to go up there and do what we

175
00:09:55,948 --> 00:10:01,349
wanted to do and which was very

176
00:09:58,649 --> 00:10:03,028
interesting because looking into portals

177
00:10:01,350 --> 00:10:07,740
and the rituals involved with portals

178
00:10:03,028 --> 00:10:10,578
now everybody seems to know if it was a

179
00:10:07,740 --> 00:10:16,039
ritual default which boom back then I

180
00:10:10,578 --> 00:10:16,039
didn't really know so learn guys with us

181
00:10:16,850 --> 00:10:22,199
ask permission we done it and I'm not

182
00:10:20,549 --> 00:10:24,419
saying this is the cause but the month

183
00:10:22,198 --> 00:10:26,939
later is where they've all been to

184
00:10:24,419 --> 00:10:32,698
everything happened which is on the same

185
00:10:26,940 --> 00:10:35,399
crumbs that mate as well we saw gone or

186
00:10:32,698 --> 00:10:42,509
firm across the state after we finish

187
00:10:35,399 --> 00:10:44,568
the ritual there's the side of it as

188
00:10:42,509 --> 00:10:48,720
well the right side of you from Penta

189
00:10:44,568 --> 00:10:50,909
area so you put the face there and

190
00:10:48,720 --> 00:10:53,629
you've got beginning but the row that

191
00:10:50,909 --> 00:10:55,708
would walk around so from an aerial view

192
00:10:53,629 --> 00:10:58,588
again you probably have to see the

193
00:10:55,708 --> 00:11:02,338
spiral and I think they'll be an ad

194
00:10:58,589 --> 00:11:09,209
default place for tests again or energy

195
00:11:02,339 --> 00:11:11,579
center okay this is lucky money from a

196
00:11:09,208 --> 00:11:15,629
different bill and it almost looks like

197
00:11:11,578 --> 00:11:18,750
a face on the stage but I think these

198
00:11:15,629 --> 00:11:21,480
places kind of hum and resonate I think

199
00:11:18,750 --> 00:11:24,659
just like the pyramids they give off a

200

00:11:21,480 --> 00:11:26,659
frequency and I think what diamonds the

201
00:11:24,659 --> 00:11:30,448
frequency

202
00:11:26,659 --> 00:11:33,769
that's over the top of it but that's

203
00:11:30,448 --> 00:11:33,769
another subject or the other

204
00:11:33,828 --> 00:11:38,370
yeah but this one you can see three over

205
00:11:36,240 --> 00:11:42,419
there once we see four actually look see

206
00:11:38,370 --> 00:11:43,049
the big one the one behind it to the

207
00:11:42,419 --> 00:11:45,929
right

208
00:11:43,049 --> 00:11:48,539
and the other two as well this is for on

209
00:11:45,929 --> 00:11:49,318
there and all will be given a different

210
00:11:48,539 --> 00:11:52,799
frequency

211
00:11:49,318 --> 00:11:55,229
what's in presence of God is inside the

212
00:11:52,799 --> 00:11:59,429
office the magnetic metal of hematite

213
00:11:55,230 --> 00:12:02,819
which got lined out again why you got my

214
00:11:59,429 --> 00:12:06,269

doubts I have had theories but this is

215

00:12:02,818 --> 00:12:08,248

how miss Davis worked and magnetic and

216

00:12:06,269 --> 00:12:17,578

let's see what has helped you know in

217

00:12:08,249 --> 00:12:19,050

that portal this is a burial mound or a

218

00:12:17,578 --> 00:12:21,179

chamber on Jacob

219

00:12:19,049 --> 00:12:23,008

whichever as one and this is where I

220

00:12:21,179 --> 00:12:25,159

think all of a booklet you can handle

221

00:12:23,009 --> 00:12:29,039

although it didn't used to have the

222

00:12:25,159 --> 00:12:32,370

graph sobre there would be holes in the

223

00:12:29,039 --> 00:12:35,610

walls to catch the light coming in from

224

00:12:32,370 --> 00:12:37,589

the different equinoxes which again

225

00:12:35,610 --> 00:12:40,589

which transport people to different

226

00:12:37,589 --> 00:12:43,769

places with the right sine waves or the

227

00:12:40,589 --> 00:12:48,899

wise or ever used so this is what I feel

228

00:12:43,769 --> 00:12:59,568

the incentive most important another one

229

00:12:48,899 --> 00:13:03,688

okay so there's the sketch or feedeth

230

00:12:59,568 --> 00:13:07,469

amongst the biggest one is called -

231

00:13:03,688 --> 00:13:10,678

movie and I can't pronounce killers so

232

00:13:07,470 --> 00:13:14,879

as you can see I'm Nikki wine Dublin but

233

00:13:10,678 --> 00:13:17,669

it's for fountain this is a major place

234

00:13:14,879 --> 00:13:19,199

and as I say to this taste those

235

00:13:17,669 --> 00:13:21,919

sightings are based on really good

236

00:13:19,198 --> 00:13:21,919

seconds of God

237

00:13:24,379 --> 00:13:33,000

this is painter and I believe it was the

238

00:13:29,340 --> 00:13:36,470

feels at the bath able to do it that

239

00:13:33,000 --> 00:13:36,470

weekend a month the end you said this

240

00:13:39,440 --> 00:13:46,920

gist only I went to map of the field

241

00:13:43,559 --> 00:13:51,449

which the cycling was embarking for

242

00:13:46,919 --> 00:13:54,899

every 2016 and I expected to find a

243
00:13:51,450 --> 00:13:57,230
stone servo but what we found was

244
00:13:54,899 --> 00:14:00,689
different

245
00:13:57,230 --> 00:14:03,090
there's avenues of air and receptors and

246
00:14:00,690 --> 00:14:05,730
they were all traveling clockwise and

247
00:14:03,090 --> 00:14:09,780
anti-clockwise so the main field by the

248
00:14:05,730 --> 00:14:12,200
the pyramid came through that field was

249
00:14:09,779 --> 00:14:16,829
full of energy centers on our ley line

250
00:14:12,200 --> 00:14:20,460
and then la line running right the way

251
00:14:16,830 --> 00:14:23,759
across done then but these down the

252
00:14:20,460 --> 00:14:26,490
bottom here expect the farmer to remove

253
00:14:23,759 --> 00:14:30,240
the stones from the field and dump them

254
00:14:26,490 --> 00:14:31,889
down by the stream so I think when you

255
00:14:30,240 --> 00:14:36,870
look around that field on the stones the

256
00:14:31,889 --> 00:14:38,250
scattered or the sights at the top but

257

00:14:36,870 --> 00:14:43,610
they were definitely deliberately

258
00:14:38,250 --> 00:14:46,409
removed but these this Avenue runs into

259
00:14:43,610 --> 00:14:49,080
another field as well and possibly a

260
00:14:46,409 --> 00:14:53,429
third field so this whole place this

261
00:14:49,080 --> 00:14:58,580
whole area is huge and at one point is

262
00:14:53,429 --> 00:14:58,579
the magic being a major a major place

263
00:14:59,269 --> 00:15:22,360
I think those stones are part of the I

264
00:15:03,350 --> 00:15:22,360
believe anybody recognizes something

265
00:15:23,919 --> 00:15:35,559
again on our doorstep this one is in

266
00:15:28,669 --> 00:15:36,949
risk up in Newport that's the one yeah

267
00:15:35,559 --> 00:15:40,429
tomorrow

268
00:15:36,950 --> 00:15:44,899
I see this thing every day and this

269
00:15:40,429 --> 00:15:48,379
month is huge despair the month but the

270
00:15:44,899 --> 00:15:49,940
whole the whole face is a fantastic and

271
00:15:48,379 --> 00:15:53,679

again I'm not locked into this place

272

00:15:49,940 --> 00:15:58,130

very much or what's interesting it's

273

00:15:53,679 --> 00:16:01,009

what I love this place

274

00:15:58,129 --> 00:16:03,470

lines up with the pleiades and it's very

275

00:16:01,009 --> 00:16:06,379

rare for a place that history nothing so

276

00:16:03,470 --> 00:16:09,430

back in the day people with these thin

277

00:16:06,379 --> 00:16:12,708

tools and stuff for able to align things

278

00:16:09,429 --> 00:16:19,729

and so much accuracy and yet we needed

279

00:16:12,708 --> 00:16:24,609

flint tools so I don't buy that these

280

00:16:19,730 --> 00:16:28,129

are steps gonna want to be mom's

281

00:16:24,610 --> 00:16:32,539

supposed even be a fantastic day but

282

00:16:28,129 --> 00:16:34,909

again a very strong energy center and

283

00:16:32,539 --> 00:16:38,809

this is the view from Newport City

284

00:16:34,909 --> 00:16:43,789

Center looking at bullet you can see how

285

00:16:38,809 --> 00:16:47,659

big this this man was saw some major

286
00:16:43,789 --> 00:16:52,189
ritual sanitation and wherever else

287
00:16:47,659 --> 00:16:58,338
leaves it for place yeah and I believe

288
00:16:52,190 --> 00:16:59,209
that the Phoenicians and the tempest

289
00:16:58,339 --> 00:17:02,329
back in the day

290
00:16:59,208 --> 00:17:03,949
traveled through places like this I

291
00:17:02,328 --> 00:17:07,178
think it was a normal thing from the

292
00:17:03,950 --> 00:17:09,240
doom but again that history's being lost

293
00:17:07,179 --> 00:17:14,079
it's a lot any reviewed of the Santuario

294
00:17:09,240 --> 00:17:16,179
area which has been lost anything it's

295
00:17:14,078 --> 00:17:18,578
like a history is being buried at our

296
00:17:16,179 --> 00:17:21,720
tolerance it was a race of giant being

297
00:17:18,578 --> 00:17:25,028
something that given a new run and

298
00:17:21,720 --> 00:17:27,669
they've got a lot of megastructures but

299
00:17:25,028 --> 00:17:30,759
in their records which is it's not even

300
00:17:27,669 --> 00:17:33,250
a conspiracy if you google and Italians

301
00:17:30,759 --> 00:17:36,339
it's all that was the pedia pictures

302
00:17:33,250 --> 00:17:39,970
from everything and they report mud

303
00:17:36,339 --> 00:17:41,798
flows which covers most of the world so

304
00:17:39,970 --> 00:17:44,798
they saved most of the places they had

305
00:17:41,798 --> 00:17:46,349
was buried and obviously sometimes they

306
00:17:44,798 --> 00:17:50,278
got buried true

307
00:17:46,349 --> 00:17:50,278
so I was very interesting

308
00:17:57,259 --> 00:18:04,640
so this is Magnificat not an EVP night

309
00:18:00,519 --> 00:18:12,019
and it's interesting because it's a

310
00:18:04,640 --> 00:18:13,970
little write-up on tomorrow long before

311
00:18:12,019 --> 00:18:16,730
my name took place on the hills it's a

312
00:18:13,970 --> 00:18:18,980
minute lane the buzz at the end of the

313
00:18:16,730 --> 00:18:21,620
range to bottom was utilized to fix

314

00:18:18,980 --> 00:18:24,140
times of the year it was very distinct

315
00:18:21,619 --> 00:18:28,009
and far-reaching collaborative

316
00:18:24,140 --> 00:18:31,360
associations the cycle of next year are

317
00:18:28,009 --> 00:18:34,970
over quite a distance maybe 30 miles

318
00:18:31,359 --> 00:18:39,319
what is seen is an association with the

319
00:18:34,970 --> 00:18:43,069
Pleiades 2500 BC and with great health

320
00:18:39,319 --> 00:18:44,689
northern major impact with a steep hill

321
00:18:43,069 --> 00:18:48,200
overlooking Eastern said when the

322
00:18:44,690 --> 00:18:49,759
reservoir wide ladies were observing

323
00:18:48,200 --> 00:18:51,410
numerous cultures in the northern

324
00:18:49,759 --> 00:18:55,250
hemisphere what we see on the ground

325
00:18:51,410 --> 00:18:59,929
here is the subsequent in the southwest

326
00:18:55,250 --> 00:19:02,359
appears to be unique the other one was

327
00:18:59,929 --> 00:19:04,429
on which I highlighted once more between

328
00:19:02,359 --> 00:19:06,740

six hundred and seventy years I've been

329

00:19:04,429 --> 00:19:08,179

wrong as that these shores the Normans

330

00:19:06,740 --> 00:19:10,700

utilized the mound at the end of the

331

00:19:08,179 --> 00:19:12,259

hill range in the intervening period

332

00:19:10,700 --> 00:19:14,509

between Bronze Age and out of the

333

00:19:12,259 --> 00:19:18,109

Normans a small bank condition being

334

00:19:14,509 --> 00:19:19,849

added to the race there after one it

335

00:19:18,109 --> 00:19:22,129

seems that the Norman already took the

336

00:19:19,849 --> 00:19:25,639

Vantage of this and you still utilized

337

00:19:22,130 --> 00:19:27,890

it as the contained area of him

338

00:19:25,640 --> 00:19:31,070

Bailey that was part of the mountain on

339

00:19:27,890 --> 00:19:34,880

Bailey Castle thought the Mont be able

340

00:19:31,069 --> 00:19:37,579

to open or the pimple there was no he

341

00:19:34,880 --> 00:19:39,770

further safely spot on a hill the pimple

342

00:19:37,579 --> 00:19:43,399

and this mark was indeed you place this

343
00:19:39,769 --> 00:19:47,960
manner it visible assistant in a setting

344
00:19:43,400 --> 00:19:50,450
of the further months which is kind of

345
00:19:47,960 --> 00:19:54,350
interesting and particularly a layman to

346
00:19:50,450 --> 00:19:57,170
the ladies as you know with kind of the

347
00:19:54,349 --> 00:19:59,929
pyramids of their lands of Ryan

348
00:19:57,170 --> 00:20:03,170
and you get to wonder how these places

349
00:19:59,930 --> 00:20:06,710
alignment up there are they able to do

350
00:20:03,170 --> 00:20:09,050
that which gets you thinking which gets

351
00:20:06,710 --> 00:20:12,559
me thinking outside the box so I'm not

352
00:20:09,049 --> 00:20:15,470
but thinking what I be taught I'm

353
00:20:12,559 --> 00:20:20,179
thinking of alternative three are these

354
00:20:15,470 --> 00:20:23,420
alternative sections to try and see if

355
00:20:20,180 --> 00:20:33,769
anything face basically so I haven't got

356
00:20:23,420 --> 00:20:38,170
a crazy kind of theory but it's just so

357
00:20:33,769 --> 00:20:41,450
moving on from that we've got the

358
00:20:38,170 --> 00:20:44,960
microcosm for those end and the church

359
00:20:41,450 --> 00:20:47,120
is and savvy each church gives the

360
00:20:44,960 --> 00:20:49,039
address or the signing of a dress or the

361
00:20:47,119 --> 00:20:53,119
sunday dress on the front

362
00:20:49,039 --> 00:20:57,109
every single time it looks gonna be you

363
00:20:53,119 --> 00:21:00,349
know just above the dog you've got the

364
00:20:57,109 --> 00:21:03,139
geometric shape up in the concave of the

365
00:21:00,349 --> 00:21:13,129
roof a geometric shape and across the

366
00:21:03,140 --> 00:21:16,430
walls that's all and again you always

367
00:21:13,130 --> 00:21:20,510
see the sponsor no not that kind of

368
00:21:16,430 --> 00:21:23,269
shade and what I think happens is when

369
00:21:20,509 --> 00:21:26,690
these places were flowing and the bells

370
00:21:23,269 --> 00:21:30,019
are ringing and the bells would vibrate

371

00:21:26,690 --> 00:21:33,170
the whole building these buildings at

372
00:21:30,019 --> 00:21:36,920
Kooskia we built for a purpose and feel

373
00:21:33,170 --> 00:21:37,759
the towers the bells would ring open the

374
00:21:36,920 --> 00:21:42,019
portal

375
00:21:37,759 --> 00:21:45,200
people are coming they pray and within

376
00:21:42,019 --> 00:21:49,089
the frame they would send their intent

377
00:21:45,200 --> 00:21:53,740
to all three realms whatever was going

378
00:21:49,089 --> 00:21:56,299
and then they would close it and leave

379
00:21:53,740 --> 00:21:59,779
and I believe then what they've done was

380
00:21:56,299 --> 00:22:03,009
they were feeding the gods involved

381
00:21:59,779 --> 00:22:06,308
without ritual because there's a ritual

382
00:22:03,009 --> 00:22:09,408
but it's different

383
00:22:06,308 --> 00:22:14,239
address every time so we deal with the

384
00:22:09,409 --> 00:22:18,919
physical plane the mental plane and the

385
00:22:14,239 --> 00:22:19,608

spiritual runs and I think when we kind

386

00:22:18,919 --> 00:22:21,739
of open it

387

00:22:19,608 --> 00:22:24,349
who ring the bells we start a ritual

388

00:22:21,739 --> 00:22:26,569
we've linked in with all three lived

389

00:22:24,349 --> 00:22:28,638
with all three realms there we even

390

00:22:26,569 --> 00:22:34,278
start dealing with the nature spirits

391

00:22:28,638 --> 00:22:37,908
and the guys involved to come help again

392

00:22:34,278 --> 00:22:40,819
the Arthur ritual has has been lost that

393

00:22:37,909 --> 00:22:45,919
the axe of knowledge has been lost from

394

00:22:40,819 --> 00:22:48,798
doing this so a lot of the time even

395

00:22:45,919 --> 00:22:49,850
going to church people don't really know

396

00:22:48,798 --> 00:22:52,460
what they're doing they don't really

397

00:22:49,849 --> 00:22:56,079
understand and they don't really know

398

00:22:52,460 --> 00:23:00,470
this the way these places are built

399

00:22:56,079 --> 00:23:04,668
these places are living entities and

400
00:23:00,470 --> 00:23:07,339
above them are thought forms every time

401
00:23:04,669 --> 00:23:12,169
you go in there and he pray you feed the

402
00:23:07,339 --> 00:23:15,168
thought form which encases the whole

403
00:23:12,169 --> 00:23:18,679
building within the spiritual realm and

404
00:23:15,169 --> 00:23:20,889
the mental thing and again when you

405
00:23:18,679 --> 00:23:23,679
manipulate those two realms you

406
00:23:20,888 --> 00:23:26,839
manipulate the physical realm as well

407
00:23:23,679 --> 00:23:32,119
which is why you can get stuff happening

408
00:23:26,839 --> 00:23:34,658
through prayer through magic ritual this

409
00:23:32,118 --> 00:23:40,069
is why this stuff works and this is why

410
00:23:34,659 --> 00:23:44,889
again why this stuff is lost forgiveness

411
00:23:40,069 --> 00:23:44,888
it's part of a loss of our history

412
00:23:49,170 --> 00:23:55,050
again me but the tower the whole place

413
00:23:52,680 --> 00:23:58,560
if it locks them up whistle some sort of

414
00:23:55,049 --> 00:24:00,809
you know flute and that's exactly the

415
00:23:58,559 --> 00:24:05,519
way that this patient operate it will

416
00:24:00,809 --> 00:24:07,679
open up and whatever him or whatever

417
00:24:05,519 --> 00:24:09,839
being played on the organ will a

418
00:24:07,680 --> 00:24:12,600
different vibration a different

419
00:24:09,839 --> 00:24:16,409
frequency dress I'm gonna open up and

420
00:24:12,599 --> 00:24:20,129
again repeating again those nature

421
00:24:16,410 --> 00:24:24,360
spirits will come in and will do your

422
00:24:20,130 --> 00:24:26,820
video and do it once but most of the

423
00:24:24,359 --> 00:24:30,959
time these days it's a one-way avenue

424
00:24:26,819 --> 00:24:33,619
where we do the ritual we give them the

425
00:24:30,960 --> 00:24:38,130
power but we take nothing for ourselves

426
00:24:33,619 --> 00:24:40,109
at the end we should be sending the

427
00:24:38,130 --> 00:24:41,940
energy and the healing out to different

428

00:24:40,109 --> 00:24:44,750
parts of his globe and that's the way it

429
00:24:41,940 --> 00:24:51,150
used to work but all that has been lost

430
00:24:44,750 --> 00:24:55,069
so it only goes to one place now again

431
00:24:51,150 --> 00:24:59,100
the the more complex the design but more

432
00:24:55,069 --> 00:25:01,200
high the frequency is the same wave is

433
00:24:59,099 --> 00:25:03,569
very high spawning that is probably

434
00:25:01,200 --> 00:25:07,049
obvious thousands so they look they'll

435
00:25:03,569 --> 00:25:09,480
start from there 400 megahertz I love

436
00:25:07,049 --> 00:25:12,240
you simple designs like the one in the

437
00:25:09,480 --> 00:25:14,160
middle but as the same wave and the

438
00:25:12,240 --> 00:25:19,529
frequency of the vibration of this is

439
00:25:14,160 --> 00:25:24,810
higher you get stuff like that and that

440
00:25:19,529 --> 00:25:30,750
stuff homes our solidity together about

441
00:25:24,809 --> 00:25:33,450
run even more so I would say they were

442
00:25:30,750 --> 00:25:36,480

suggest but these are higher level

443

00:25:33,450 --> 00:25:40,920

places and they probably seem to higher

444

00:25:36,480 --> 00:25:46,890

level things have a ritual so I have no

445

00:25:40,920 --> 00:25:49,610

doubt that this still goes on and the

446

00:25:46,890 --> 00:25:49,610

fascinating one

447

00:25:50,970 --> 00:25:57,500

and I gave the glass is fantastic with

448

00:25:55,109 --> 00:25:57,500

the fellas

449

00:26:02,970 --> 00:26:06,659

that's pretty complex that they make on

450

00:26:06,179 --> 00:26:09,330

us

451

00:26:06,659 --> 00:26:13,789

I would not put too many pictures of

452

00:26:09,329 --> 00:26:13,788

churches but boy falling over there

453

00:26:16,819 --> 00:26:21,058

again this is another life space like

454

00:26:19,048 --> 00:26:23,638

the flower life it just keeps going on

455

00:26:21,058 --> 00:26:29,908

and on and again it's a high end sang

456

00:26:23,638 --> 00:26:34,469

move but we could solve a tower that

457
00:26:29,909 --> 00:26:36,049
represents the pineal gland so when

458
00:26:34,470 --> 00:26:39,210
these places the building do exactly

459
00:26:36,048 --> 00:26:42,929
what they were doing but as I said these

460
00:26:39,210 --> 00:26:45,389
places are living entities they're not

461
00:26:42,929 --> 00:26:48,778
just buildings you know you're walking

462
00:26:45,388 --> 00:26:54,228
you walk into the put the vagina at the

463
00:26:48,778 --> 00:26:54,229
front and straight into the living body

464
00:26:55,878 --> 00:27:07,019
that's the way they designed this what's

465
00:27:02,489 --> 00:27:13,288
fascinating in the plans up at the top

466
00:27:07,019 --> 00:27:16,229
and the cross in the middle the address

467
00:27:13,288 --> 00:27:17,940
or the dresses on a different sign moves

468
00:27:16,229 --> 00:27:26,098
somebody knows which side moves they

469
00:27:17,940 --> 00:27:27,450
played at the same time I'll share

470
00:27:26,098 --> 00:27:30,058
something with you that they had not

471
00:27:27,450 --> 00:27:33,659
shared before but everybody

472
00:27:30,058 --> 00:27:38,368
it's one reason why I'm very much

473
00:27:33,659 --> 00:27:39,989
interested in this subject one of the

474
00:27:38,368 --> 00:27:46,098
reasons why I know these problems that

475
00:27:39,989 --> 00:27:51,028
exists I was at a place some time back

476
00:27:46,098 --> 00:27:51,589
there is stuff going on before you knew

477
00:27:51,028 --> 00:27:55,259
it

478
00:27:51,589 --> 00:28:02,339
this is the this is the truth I was

479
00:27:55,259 --> 00:28:05,389
staring at three reptilian-type beers

480
00:28:02,339 --> 00:28:09,720
that were obtained for the way from me

481
00:28:05,388 --> 00:28:11,998
one to another bow to him to me and one

482
00:28:09,720 --> 00:28:15,950
of them was staring straight strings on

483
00:28:11,999 --> 00:28:19,309
my eyes before they turned up there was

484
00:28:15,950 --> 00:28:21,680
olbes going across the floor with snails

485

00:28:19,309 --> 00:28:25,730
on and - scattering in no particular

486
00:28:21,680 --> 00:28:30,110
direction so this is another thing a

487
00:28:25,730 --> 00:28:33,610
sparked my interest with knowing how

488
00:28:30,109 --> 00:28:36,919
these realms exist and knowing how easy

489
00:28:33,609 --> 00:28:40,069
that they could come through anytime

490
00:28:36,920 --> 00:28:42,440
anyplace anywhere ever they see fit or

491
00:28:40,069 --> 00:28:45,679
anywhere with this device setting for

492
00:28:42,440 --> 00:28:49,430
him to come through and they take part

493
00:28:45,680 --> 00:28:52,340
and they interact with us and do stuff

494
00:28:49,430 --> 00:28:55,220
for us do stuff for them but that's the

495
00:28:52,339 --> 00:28:57,589
way it works so I just just for word

496
00:28:55,220 --> 00:29:00,380
share out with you as the truthful thing

497
00:28:57,589 --> 00:29:04,759
that happened to me the description of

498
00:29:00,380 --> 00:29:07,430
them was they had like a kind of frogs

499
00:29:04,759 --> 00:29:09,769

mouths right I hope this is not the

500

00:29:07,430 --> 00:29:13,820

screen even though it was the bottle

501

00:29:09,769 --> 00:29:17,420

they had frogs mouse they had the heads

502

00:29:13,819 --> 00:29:21,349

went up into almost a corn and the the

503

00:29:17,420 --> 00:29:23,360

rice was snake left and it was thick set

504

00:29:21,349 --> 00:29:26,959

and it looked like they didn't have any

505

00:29:23,359 --> 00:29:29,539

any nests they fixed set the skin was

506

00:29:26,960 --> 00:29:31,370

white and had brown patches on his skin

507

00:29:29,539 --> 00:29:35,539

and their tails

508

00:29:31,369 --> 00:29:40,579

I was very simple it was very simple it

509

00:29:35,539 --> 00:29:42,889

was from the do that so again I think

510

00:29:40,579 --> 00:29:44,899

they come in a note when they want

511

00:29:42,890 --> 00:29:47,900

whether we believe it or not they just

512

00:29:44,900 --> 00:29:49,790

do a neck to come in or not so and this

513

00:29:47,900 --> 00:29:52,370

wasn't the dreams they said this wasn't

514
00:29:49,789 --> 00:29:54,259
an actual thing this this assignment of

515
00:29:52,369 --> 00:29:57,039
a Bayside is but this one was my own

516
00:29:54,259 --> 00:30:03,129
with my own physical eyes I saw them

517
00:29:57,039 --> 00:30:03,129
Swahili without that sparked my interest

518
00:30:04,140 --> 00:30:19,480
[Music]

519
00:30:24,619 --> 00:30:36,939
[Music]

520
00:30:33,849 --> 00:30:36,939
[Applause]

521
00:30:44,920 --> 00:30:49,679
[Music]

522
00:30:56,869 --> 00:31:06,229
[Music]

523
00:31:14,569 --> 00:31:20,328
[Music]

524
00:31:30,740 --> 00:31:33,818
[Music]

525
00:31:42,430 --> 00:31:45,538
[Music]

526
00:31:54,119 --> 00:31:58,079
[Music]

527
00:32:06,569 --> 00:32:09,799
[Music]

528
00:32:18,240 --> 00:32:28,480
[Applause]

529
00:32:18,519 --> 00:32:28,480
[Music]

530
00:32:31,569 --> 00:32:44,639
[Music]

531
00:32:50,619 --> 00:32:54,219
[Music]

532
00:33:07,289 --> 00:33:15,318
[Music]

533
00:33:22,089 --> 00:33:28,409
[Music]

534
00:33:29,909 --> 00:33:36,789
and you know you're gonna get the gist

535
00:33:32,019 --> 00:33:37,870
of those ships and Steve research and

536
00:33:36,788 --> 00:33:41,169
investment none

537
00:33:37,869 --> 00:33:44,678
he says the church where Templars used

538
00:33:41,169 --> 00:33:47,230
to inhabit and these ships were all over

539
00:33:44,679 --> 00:33:51,538
the church apart from there was a couple

540
00:33:47,230 --> 00:33:54,308
missing I would suggest that that's the

541
00:33:51,538 --> 00:33:59,379
that's the missing link to address

542

00:33:54,308 --> 00:34:01,599
that's hella poor double these places so

543
00:33:59,380 --> 00:34:03,299
you know there's lots of pictures and

544
00:34:01,599 --> 00:34:06,038
probably lots of you would come across

545
00:34:03,298 --> 00:34:08,829
come across the money internet and you

546
00:34:06,038 --> 00:34:11,199
see Egyptians with the handbag loose

547
00:34:08,829 --> 00:34:14,289
again because with a handbag I mean the

548
00:34:11,199 --> 00:34:15,848
other handle at the end and you know I

549
00:34:14,289 --> 00:34:20,500
think these are the devices they used to

550
00:34:15,849 --> 00:34:24,099
use and the vibration we're standing in

551
00:34:20,500 --> 00:34:27,608
the ground the precious manner would

552
00:34:24,099 --> 00:34:31,210
vibrate with power the whole area every

553
00:34:27,608 --> 00:34:34,329
single standing stone and here and

554
00:34:31,210 --> 00:34:36,159
vortex that was needed to trigger off at

555
00:34:34,329 --> 00:34:39,279
those times and trigger off and they

556
00:34:36,159 --> 00:34:41,500

were just group and they'd be gone to

557

00:34:39,280 --> 00:34:45,280

the next place and it's interesting as

558

00:34:41,500 --> 00:34:52,599

well because there's evidence of Knights

559

00:34:45,280 --> 00:34:54,599

Templar Phoenicians and the Welsh be in

560

00:34:52,599 --> 00:34:56,980

America fifteen hundred years before

561

00:34:54,599 --> 00:34:58,869

Columbus got there and there's evidence

562

00:34:56,980 --> 00:35:03,750

to prove that is wealth is wealth

563

00:34:58,869 --> 00:35:06,579

writing on some of the stones in Arizona

564

00:35:03,750 --> 00:35:10,510

which is very interesting and we've got

565

00:35:06,579 --> 00:35:12,759

a unique country how do you make this so

566

00:35:10,510 --> 00:35:14,830

don't think anywhere are from Korea and

567

00:35:12,760 --> 00:35:17,920

stuff like that has no place with so

568

00:35:14,829 --> 00:35:20,889

many standing stones a megalithic areas

569

00:35:17,920 --> 00:35:24,159

so definitely there was this place where

570

00:35:20,889 --> 00:35:26,348

we're living is a hub for this kind of

571
00:35:24,159 --> 00:35:29,079
thing that happened and we just we just

572
00:35:26,349 --> 00:35:32,170
don't normally use it and not just

573
00:35:29,079 --> 00:35:33,239
forgotten leaves it maybe it's been

574
00:35:32,170 --> 00:35:36,180
erased

575
00:35:33,239 --> 00:35:36,719
from us and we're not sure nothing for

576
00:35:36,179 --> 00:35:39,509
anymore

577
00:35:36,719 --> 00:35:41,848
because I think from a young age it's a

578
00:35:39,510 --> 00:35:44,510
kind of an unfair advantage where they

579
00:35:41,849 --> 00:35:48,599
can get hold of us and they can teach us

580
00:35:44,510 --> 00:35:51,599
this reality this is three dimensional

581
00:35:48,599 --> 00:35:54,170
of existence and now he's have a whole

582
00:35:51,599 --> 00:35:57,420
perception for growing up and

583
00:35:54,170 --> 00:36:02,280
deciphering no reality so he see things

584
00:35:57,420 --> 00:36:06,059
quite quite closed in effect and it's

585
00:36:02,280 --> 00:36:11,130
like what if what if we were born and we

586
00:36:06,059 --> 00:36:14,900
were told from birth nothing but from

587
00:36:11,130 --> 00:36:18,030
being his school the moon in this body

588
00:36:14,900 --> 00:36:20,789
wasn't a solid object it was just a hole

589
00:36:18,030 --> 00:36:23,430
for catching Souls what if we could spot

590
00:36:20,789 --> 00:36:25,949
that we grow up and think that that

591
00:36:23,429 --> 00:36:31,649
would be what it is and we grow up

592
00:36:25,949 --> 00:36:36,809
thinking I'm perceiving that object as a

593
00:36:31,650 --> 00:36:41,670
whole I'm not a solid object so I'm kind

594
00:36:36,809 --> 00:36:42,989
of on the fence with everything to do

595
00:36:41,670 --> 00:36:46,800
with that and to do with what we've been

596
00:36:42,989 --> 00:36:48,809
taught definitely to do with our senses

597
00:36:46,800 --> 00:36:52,920
because we not taught anything to do

598
00:36:48,809 --> 00:36:55,259
with empathy in school and stuff like

599

00:36:52,920 --> 00:37:01,530
that really gasps places and connected

600
00:36:55,260 --> 00:37:04,770
to each other we taught to be slaves

601
00:37:01,530 --> 00:37:07,140
we support to do things that will put us

602
00:37:04,769 --> 00:37:09,019
in a position where we can slot in to

603
00:37:07,139 --> 00:37:12,838
society we can do it they want us to do

604
00:37:09,019 --> 00:37:15,630
and do the jobs they want us to do so

605
00:37:12,838 --> 00:37:17,849
there's a whole new perception there

606
00:37:15,630 --> 00:37:20,849
were two fundamental spiritualism this

607
00:37:17,849 --> 00:37:25,200
is another possession and being as we

608
00:37:20,849 --> 00:37:29,070
are creators we have the power to bring

609
00:37:25,199 --> 00:37:31,309
that reality into existence and change

610
00:37:29,070 --> 00:37:35,910
things a change of belief systems and

611
00:37:31,309 --> 00:37:38,940
build new networks empowered in its

612
00:37:35,909 --> 00:37:43,429
domains so this is not you know this is

613
00:37:38,940 --> 00:37:45,079

not a new thing and when you speak to

614

00:37:43,429 --> 00:37:46,669

you see you know anybody will agree

615

00:37:45,079 --> 00:37:48,950

probably that you see a lot of people

616

00:37:46,670 --> 00:37:51,559

wakin up these days you can talk to them

617

00:37:48,949 --> 00:37:52,548

and they roll on some sort of level and

618

00:37:51,559 --> 00:37:54,859

they're all have some sort of

619

00:37:52,548 --> 00:37:56,869

information which they can share and

620

00:37:54,858 --> 00:38:00,170

again the Internet has been really

621

00:37:56,869 --> 00:38:02,720

important for getting that through and

622

00:38:00,170 --> 00:38:06,260

first remembering what we have we are as

623

00:38:02,719 --> 00:38:10,009

humans and as humans connecting with our

624

00:38:06,260 --> 00:38:16,160

souls and realizing it's it's just a

625

00:38:10,010 --> 00:38:19,539

spacesuit way we are the avatars of our

626

00:38:16,159 --> 00:38:22,909

source energy and existence so it's

627

00:38:19,539 --> 00:38:25,250

connecting with that is important and I

628
00:38:22,909 --> 00:38:28,190
don't think it's a case of run out and

629
00:38:25,250 --> 00:38:30,559
go look for that information or you know

630
00:38:28,190 --> 00:38:32,659
anyway I think it's just having

631
00:38:30,559 --> 00:38:36,260
naturally I think people are just coming

632
00:38:32,659 --> 00:38:39,739
across this stuff and I think frequency

633
00:38:36,260 --> 00:38:42,500
levels in our minds I'm naturally coming

634
00:38:39,739 --> 00:38:45,828
up whether you believe it or not at some

635
00:38:42,500 --> 00:38:51,679
point you were looking for something and

636
00:38:45,829 --> 00:38:54,970
you will and everybody goes at their own

637
00:38:51,679 --> 00:38:58,909
level there's no there's no faster slow

638
00:38:54,969 --> 00:39:00,379
level it's a marathon as they say so

639
00:38:58,909 --> 00:39:06,730
this is what I'm noticing and it's

640
00:39:00,380 --> 00:39:17,260
really interesting watching it happen so

641
00:39:06,730 --> 00:39:27,740
this is my bizarre theory from me I

642
00:39:17,260 --> 00:39:30,589
think my bizarre thinking this is a view

643
00:39:27,739 --> 00:39:38,118
an aerial view of nighttime or sleep on

644
00:39:30,588 --> 00:39:40,599
earth plane or a drone or what would

645
00:39:38,119 --> 00:39:45,710
that look like to you

646
00:39:40,599 --> 00:39:47,000
yeah yeah that's right it looks like

647
00:39:45,710 --> 00:39:49,639
you're looking up in the sky and you've

648
00:39:47,000 --> 00:39:52,059
been done because if you're looking down

649
00:39:49,639 --> 00:39:54,879
at the Stars

650
00:39:52,059 --> 00:40:00,190
there was another angle on the image

651
00:39:54,880 --> 00:40:02,230
this is definitely from a plane so it

652
00:40:00,190 --> 00:40:04,840
really looks it really does not like me

653
00:40:02,230 --> 00:40:07,050
looking you can obviously perceive that

654
00:40:04,840 --> 00:40:10,360
isn't looking up to people you know

655
00:40:07,050 --> 00:40:14,289
looking at some sort of nebula some sort

656

00:40:10,360 --> 00:40:17,740
of exploding star or galaxy or post

657
00:40:14,289 --> 00:40:20,619
office that's plant good all around us

658
00:40:17,739 --> 00:40:28,689
or whatever fix with your perception of

659
00:40:20,619 --> 00:40:33,029
this time but okay this parties from the

660
00:40:28,690 --> 00:40:36,070
space station again it just looks like

661
00:40:33,030 --> 00:40:38,519
you look it up the sky you know looking

662
00:40:36,070 --> 00:40:46,059
down to the space station it's kind of

663
00:40:38,519 --> 00:40:50,039
you realize obviously is bringing you

664
00:40:46,059 --> 00:40:53,139
run and he gave me the bright stars

665
00:40:50,039 --> 00:40:54,639
the lastest does and when you're in a

666
00:40:53,139 --> 00:40:55,989
place with normal light pollution they

667
00:40:54,639 --> 00:40:58,509
know you know when you look up at the

668
00:40:55,989 --> 00:41:00,489
stars there's a blanket about it stars

669
00:40:58,510 --> 00:41:02,320
bearded stars and stars and you can just

670
00:41:00,489 --> 00:41:04,029

you shoot them up and I saw many you

671

00:41:02,320 --> 00:41:06,100

don't just see Orion when he comes to

672

00:41:04,030 --> 00:41:12,420

see the plow you see what's going on

673

00:41:06,099 --> 00:41:12,420

grounded when you're in that place so

674

00:41:12,659 --> 00:41:21,190

that's the sky there's not much

675

00:41:18,610 --> 00:41:22,269

difference there and I'm not trying to

676

00:41:21,190 --> 00:41:24,490

look this is just a theory

677

00:41:22,269 --> 00:41:27,519

I'm not I'm not trying to you know say

678

00:41:24,489 --> 00:41:30,209

this is it this is just my my crazy mind

679

00:41:27,519 --> 00:41:37,320

I'm sharing my crazy wing with you guys

680

00:41:30,210 --> 00:41:43,329

and see what you think okay that

681

00:41:37,320 --> 00:41:47,519

exploded in a ruler you know it's not so

682

00:41:43,329 --> 00:41:51,808

much different and then being some tests

683

00:41:47,519 --> 00:41:54,329

simply Hermeticism other religions

684

00:41:51,809 --> 00:41:58,170

you know as above so below which will

685
00:41:54,329 --> 00:42:02,818
come on I think it means more than just

686
00:41:58,170 --> 00:42:04,710
the words just the words we thought this

687
00:42:02,818 --> 00:42:08,900
is not any of meeting my parents

688
00:42:04,710 --> 00:42:08,900
Magnus's I think off the internet

689
00:42:11,809 --> 00:42:16,730
but again is respected to perceive that

690
00:42:14,309 --> 00:42:20,789
if all of you done the meditation now

691
00:42:16,730 --> 00:42:23,940
and in the guided meditation I was

692
00:42:20,789 --> 00:42:27,089
telling you you have to perceive the sky

693
00:42:23,940 --> 00:42:29,249
as a land

694
00:42:27,088 --> 00:42:37,818
a lot of you probably will come onto it

695
00:42:29,248 --> 00:42:37,818
and see that as solid land a solid place

696
00:42:46,980 --> 00:42:54,869
so as above so below anybody look things

697
00:42:50,429 --> 00:42:58,469
up and we see the teachings under partly

698
00:42:54,869 --> 00:43:01,200
there is a mirror the universe there

699
00:42:58,469 --> 00:43:03,779
were two hours which all the ancients do

700
00:43:01,199 --> 00:43:05,730
about I'm the same you know this

701
00:43:03,780 --> 00:43:09,540
informations out there if you want to go

702
00:43:05,730 --> 00:43:18,000
to the lot if you're interested but I

703
00:43:09,539 --> 00:43:21,869
think the words meet more and I think

704
00:43:18,000 --> 00:43:29,010
what the when the mind is right you see

705
00:43:21,869 --> 00:43:31,220
you start to see it forms so this was

706
00:43:29,010 --> 00:43:37,619
Hermes Trismegistus

707
00:43:31,219 --> 00:43:40,098
who was the reincarnation of thought as

708
00:43:37,619 --> 00:43:46,130
above so below as within so without

709
00:43:40,099 --> 00:43:48,359
as the universe saw the soul so really

710
00:43:46,130 --> 00:43:50,579
it's a possibility that we're just

711
00:43:48,358 --> 00:43:55,108
mirroring everything to do with this

712
00:43:50,579 --> 00:43:59,940
ground we have many universes I was

713

00:43:55,108 --> 00:44:01,920
seven heavenly bodies inside of us these

714
00:43:59,940 --> 00:44:06,568
heavenly bodies reflects the seven

715
00:44:01,920 --> 00:44:07,588
heavenly bodies outside of us and so on

716
00:44:06,568 --> 00:44:09,659
and it's never-ending

717
00:44:07,588 --> 00:44:10,799
the microcosm like because somebody just

718
00:44:09,659 --> 00:44:15,059
was on and on

719
00:44:10,800 --> 00:44:18,089
and it's quite fractal and where's the

720
00:44:15,059 --> 00:44:26,190
way out maybe the way of this mastery

721
00:44:18,088 --> 00:44:29,369
and find it also utilizes so this led me

722
00:44:26,190 --> 00:44:32,280
on to the kind of third kind of portal

723
00:44:29,369 --> 00:44:34,559
which what we love the portals we we

724
00:44:32,280 --> 00:44:38,369
love that was we look at the hills and

725
00:44:34,559 --> 00:44:40,799
the churches which I pointed out we

726
00:44:38,369 --> 00:44:44,309
never look at the obvious and for me a

727
00:44:40,800 --> 00:44:49,130

lot of these places really are back

728

00:44:44,309 --> 00:44:49,130
engineered from us I mean telepathy

729

00:44:51,230 --> 00:44:57,380
meditation where there is you know

730

00:44:54,059 --> 00:45:03,929
breakfast of levitation even to this day

731

00:44:57,380 --> 00:45:06,960
you have planes helicopters to me it

732

00:45:03,929 --> 00:45:11,190
seems like external extension this

733

00:45:06,960 --> 00:45:12,840
reality's projection of ourselves quite

734

00:45:11,190 --> 00:45:15,059
possibly we could be walking around

735

00:45:12,840 --> 00:45:18,780
within our within our own minds within

736

00:45:15,059 --> 00:45:22,619
our own matter so this will explain kind

737

00:45:18,780 --> 00:45:25,680
of how we create things and how we

738

00:45:22,619 --> 00:45:28,650
resonate things and synchronicities and

739

00:45:25,679 --> 00:45:46,349
bring stuff closest ourselves from just

740

00:45:28,650 --> 00:45:48,289
thinking because anyway so astral

741

00:45:46,349 --> 00:45:51,900
projection

742
00:45:48,289 --> 00:45:58,009
subject I'm very interested in it's

743
00:45:51,900 --> 00:46:02,599
something i've subject a lot of mornings

744
00:45:58,010 --> 00:46:05,280
not fully conscious and walk in

745
00:46:02,599 --> 00:46:18,659
different places at once in realms

746
00:46:05,280 --> 00:46:20,640
because I can't say I've recognized I've

747
00:46:18,659 --> 00:46:22,440
not seen anything like that yet and

748
00:46:20,639 --> 00:46:26,179
maybe that's because of my frequency

749
00:46:22,440 --> 00:46:29,880
where I am but when I project out that I

750
00:46:26,179 --> 00:46:34,440
go into similar places but from my

751
00:46:29,880 --> 00:46:39,140
experience these places are exactly the

752
00:46:34,440 --> 00:46:42,150
same as standing here the ones I thought

753
00:46:39,139 --> 00:46:46,319
it's different rounds it's fractal

754
00:46:42,150 --> 00:46:48,000
universities power cells everything to

755
00:46:46,320 --> 00:46:51,619
do with that and although we tend those

756
00:46:48,000 --> 00:46:54,650
I was talking a friend who's an expert

757
00:46:51,619 --> 00:46:55,789
teaches this thing in London and he's

758
00:46:54,650 --> 00:47:00,229
running the school a couple things

759
00:46:55,789 --> 00:47:04,989
couple ideas I recently have enough body

760
00:47:00,228 --> 00:47:09,348
experience but I couldn't get back and I

761
00:47:04,989 --> 00:47:12,409
was in a place that was on some sort of

762
00:47:09,349 --> 00:47:16,130
university complex and I'm looking

763
00:47:12,409 --> 00:47:22,489
around and at first I'm excited because

764
00:47:16,130 --> 00:47:27,588
I'm gone and fully conscious and I

765
00:47:22,489 --> 00:47:35,289
promise this Chinese I see where am I

766
00:47:27,588 --> 00:47:39,528
and she's stupid she said you're in the

767
00:47:35,289 --> 00:47:44,180
Cologne or Merrill research facility on

768
00:47:39,528 --> 00:47:47,568
this particular one all right okay at

769
00:47:44,179 --> 00:47:49,940
that point I'm it's so real

770

00:47:47,568 --> 00:47:52,849
and it's you know it's no different to

771
00:47:49,940 --> 00:47:55,749
being here you wonder how we're gonna

772
00:47:52,849 --> 00:47:58,190
get back on this side crossed my mind

773
00:47:55,748 --> 00:48:00,169
and when I crossed you mind you can get

774
00:47:58,190 --> 00:48:03,920
yourself into a little panic because

775
00:48:00,170 --> 00:48:07,249
you're trying to were the way I hope you

776
00:48:03,920 --> 00:48:09,440
have to get back where the phone so I

777
00:48:07,248 --> 00:48:11,149
sat down I went down the running field

778
00:48:09,440 --> 00:48:14,329
this place as a running track

779
00:48:11,150 --> 00:48:16,700
I went down the muddy field and I looked

780
00:48:14,329 --> 00:48:19,778
for a mobile phone in my pocket no way

781
00:48:16,699 --> 00:48:23,838
to my mind that it's not gonna be there

782
00:48:19,778 --> 00:48:25,880
another phone yeah and him money and I

783
00:48:23,838 --> 00:48:33,619
was thinking where they're gonna go from

784
00:48:25,880 --> 00:48:37,910

here I'm gonna present yourself so he's

785

00:48:33,619 --> 00:48:40,759

kind of it a good experience but could

786

00:48:37,909 --> 00:48:44,058

he stop in that one because I've never

787

00:48:40,759 --> 00:48:51,199

got consumed with being able to get back

788

00:48:44,059 --> 00:48:53,778

before spoke to people and then you just

789

00:48:51,199 --> 00:48:58,609

come back the what brought me back and

790

00:48:53,778 --> 00:49:01,610

this one was the sound of my voice which

791

00:48:58,610 --> 00:49:04,970

again coming back from this one I sense

792

00:49:01,610 --> 00:49:07,849

myself coming from under the bed and

793

00:49:04,969 --> 00:49:11,329

sometimes you you will crunch down from

794

00:49:07,849 --> 00:49:11,630

the top and not align krabi so

795

00:49:11,329 --> 00:49:20,449

myself

796

00:49:11,630 --> 00:49:23,660

coming up and as he said but after doing

797

00:49:20,449 --> 00:49:25,750

that one if I close my eyes I was going

798

00:49:23,659 --> 00:49:28,549

back to another place

799

00:49:25,750 --> 00:49:30,320
so it's like this is another tuned at

800

00:49:28,550 --> 00:49:31,370
that point so in the end I wouldn't

801

00:49:30,320 --> 00:49:34,809
close my eyes because I didn't want it

802

00:49:31,369 --> 00:49:37,190
go normal travel so what dumb stairs

803

00:49:34,809 --> 00:49:42,259
I'll just be a cup of coffee and then

804

00:49:37,190 --> 00:49:45,320
obviously past so - a friend of mine

805

00:49:42,260 --> 00:49:49,460
visit a lot of the mother these kind of

806

00:49:45,320 --> 00:49:51,800
experiences you have sometimes you can

807

00:49:49,460 --> 00:49:54,280
have experience where you're out and you

808

00:49:51,800 --> 00:50:06,560
really room and I think that's a proper

809

00:49:54,280 --> 00:50:10,430
astral projection if you want but it's

810

00:50:06,559 --> 00:50:12,500
interesting to see what you're

811

00:50:10,429 --> 00:50:14,539
inhabiting when you're open these are

812

00:50:12,500 --> 00:50:16,670
the realms you know your

813
00:50:14,539 --> 00:50:19,489
multi-dimensional suffering the power of

814
00:50:16,670 --> 00:50:23,019
those new self because I don't believe

815
00:50:19,489 --> 00:50:26,179
this there's such thing as dreaming this

816
00:50:23,019 --> 00:50:28,969
so what are these experiences I think

817
00:50:26,179 --> 00:50:31,309
when you go to bed at night and again

818
00:50:28,969 --> 00:50:33,769
this is not how it is this is just my

819
00:50:31,309 --> 00:50:37,099
experience sharing with you to share my

820
00:50:33,769 --> 00:50:41,409
crazy thoughts with you I think our

821
00:50:37,099 --> 00:50:45,469
consciousness slips around different

822
00:50:41,409 --> 00:50:47,589
different versions of ourselves and you

823
00:50:45,469 --> 00:50:50,719
know you're unconscious dreaming and

824
00:50:47,590 --> 00:50:52,640
it's always a kind of familiarity to it

825
00:50:50,719 --> 00:50:55,039
when you when you when you become

826
00:50:52,639 --> 00:50:59,750
conscious when you wake up and was there

827

00:50:55,039 --> 00:51:02,150
were these people they was forgetting me

828
00:50:59,750 --> 00:51:02,920
but not familiar and I was gone along

829
00:51:02,150 --> 00:51:05,809
with it

830
00:51:02,920 --> 00:51:07,940
she only unconscious version and he fits

831
00:51:05,809 --> 00:51:08,659
into another dream or what is

832
00:51:07,940 --> 00:51:11,050
familiarity

833
00:51:08,659 --> 00:51:15,670
sometimes it's anybody

834
00:51:11,050 --> 00:51:19,180
but it'd be us experience so let me let

835
00:51:15,670 --> 00:51:22,720
me on to the idea that I don't think we

836
00:51:19,179 --> 00:51:26,199
dream I think we visit the parallel

837
00:51:22,719 --> 00:51:28,769
races ourselves and then I spoke to my

838
00:51:26,199 --> 00:51:34,059
friends which some of you know that

839
00:51:28,769 --> 00:51:39,969
Mises in London he said think quantum

840
00:51:34,059 --> 00:51:42,670
leap sometimes which I know some country

841
00:51:39,969 --> 00:51:45,849

when you look at your arms they can be

842

00:51:42,670 --> 00:51:47,860

older I've looked in the mirror I've

843

00:51:45,849 --> 00:51:49,989

even seen my floors are for that I'm

844

00:51:47,860 --> 00:51:53,200

being than supporting deserves or being

845

00:51:49,989 --> 00:51:57,849

caught that's a result when you're there

846

00:51:53,199 --> 00:52:04,000

you just fascinated by everything so

847

00:51:57,849 --> 00:52:05,639

that is a form of teleportation which i

848

00:52:04,000 --> 00:52:10,059

think is more important than anything

849

00:52:05,639 --> 00:52:12,940

because that is a faculty which all of

850

00:52:10,059 --> 00:52:15,900

us possess and all of a sudden ability

851

00:52:12,940 --> 00:52:18,309

to do with practice and if you want to

852

00:52:15,900 --> 00:52:19,660

and if we want to wake up you know in

853

00:52:18,309 --> 00:52:23,380

our dreams

854

00:52:19,659 --> 00:52:25,449

we can do that we can travel I've

855

00:52:23,380 --> 00:52:28,960

watched many things over there and

856
00:52:25,449 --> 00:52:32,799
watched animals come up to me that watch

857
00:52:28,960 --> 00:52:39,429
people in cars just driving as normal

858
00:52:32,800 --> 00:52:41,470
not realising these lives go on in these

859
00:52:39,429 --> 00:52:45,969
different realms these frogs or places

860
00:52:41,469 --> 00:52:48,399
so when you look into that and then you

861
00:52:45,969 --> 00:52:51,879
look at what's out here and you look at

862
00:52:48,400 --> 00:52:53,700
the Santa and you look at the hills and

863
00:52:51,880 --> 00:52:56,800
you know the way the energy centers

864
00:52:53,699 --> 00:53:11,219
operates don't you and you're not gonna

865
00:52:56,800 --> 00:53:16,300
be the and maybe we'll take the pulse

866
00:53:11,219 --> 00:53:17,719
for this kind of things work so very

867
00:53:16,300 --> 00:53:22,690
interesting

868
00:53:17,719 --> 00:53:27,289
very very interesting so this is a

869
00:53:22,690 --> 00:53:28,700
Egyptian belief in astral travel this is

870
00:53:27,289 --> 00:53:33,920
one of the pictures what I don't think

871
00:53:28,699 --> 00:53:37,069
absolutely on papyrus and they didn't

872
00:53:33,920 --> 00:53:41,840
even perceive themselves as traveling

873
00:53:37,070 --> 00:53:44,900
that way which is a long thing there

874
00:53:41,840 --> 00:53:47,240
because in the sarcophaguses these drawn

875
00:53:44,900 --> 00:53:51,650
a sight of what they wanted to take over

876
00:53:47,239 --> 00:53:55,899
into the App Store after that including

877
00:53:51,650 --> 00:53:59,300
you know some of the genitals off and

878
00:53:55,900 --> 00:54:01,340
you know for them what they thought they

879
00:53:59,300 --> 00:54:03,289
were taking over which the body were

880
00:54:01,340 --> 00:54:08,750
they probably will because it will

881
00:54:03,289 --> 00:54:10,159
protect that so ancient Egyptians were

882
00:54:08,750 --> 00:54:12,500
welcomed into this tank

883
00:54:10,159 --> 00:54:14,779
this form of soul travel or astral

884

00:54:12,500 --> 00:54:17,539
voyage they referred to the astral

885
00:54:14,780 --> 00:54:20,210
bodies and the disabilities of the

886
00:54:17,539 --> 00:54:24,190
astral bodies often just overall beyond

887
00:54:20,210 --> 00:54:28,010
the real body often it was depicted as

888
00:54:24,190 --> 00:54:30,139
translucent Airy inhalant they were so

889
00:54:28,010 --> 00:54:32,270
fascinated by it that they expend many

890
00:54:30,139 --> 00:54:34,909
methods of controlling it in order to

891
00:54:32,269 --> 00:54:38,389
visit one other plane in time and space

892
00:54:34,909 --> 00:54:41,690
what a physical body stayed behind we

893
00:54:38,389 --> 00:54:45,940
see the film John Carter and they see

894
00:54:41,690 --> 00:54:49,659
that amazing from not many be seen I

895
00:54:45,940 --> 00:54:53,179
suggest you go watch it because that

896
00:54:49,659 --> 00:54:56,179
somebody has got the info has made the

897
00:54:53,179 --> 00:55:00,139
film mr. Disney film and this is where

898
00:54:56,179 --> 00:55:01,909

he finds one of the controllers so you

899

00:55:00,139 --> 00:55:06,170

want to call him the archons which a lot

900

00:55:01,909 --> 00:55:08,509

of people have talked about he's managed

901

00:55:06,170 --> 00:55:10,820

to kill one and this is making the you

902

00:55:08,510 --> 00:55:13,790

know cowboy setting and he's got this

903

00:55:10,820 --> 00:55:17,180

device and this device transporting from

904

00:55:13,789 --> 00:55:21,259

a cave again it looks like it's Arizona

905

00:55:17,179 --> 00:55:22,989

or something that right over to Mars but

906

00:55:21,260 --> 00:55:25,570

because his frequencies

907

00:55:22,989 --> 00:55:27,399

he's not super puzzle master so you

908

00:55:25,570 --> 00:55:29,160

could jump really high they go super

909

00:55:27,400 --> 00:55:32,108

strength and there's all different

910

00:55:29,159 --> 00:55:35,588

beings some really great from a surprise

911

00:55:32,108 --> 00:55:37,829

there wasn't a sequel but that explains

912

00:55:35,588 --> 00:55:37,829

a lot

913
00:55:39,030 --> 00:55:45,730
so this is kind of some experiences of

914
00:55:41,949 --> 00:55:47,108
people having of the body experiences

915
00:55:45,730 --> 00:55:50,139
and their accounts of it

916
00:55:47,108 --> 00:55:52,469
you know McKenney when it happens and it

917
00:55:50,139 --> 00:55:55,480
will happen to you to me to everybody

918
00:55:52,469 --> 00:55:58,199
it's the process it's a secret plot to

919
00:55:55,480 --> 00:56:02,230
our programming waited to be awoken

920
00:55:58,199 --> 00:56:05,019
times those the light changes everything

921
00:56:02,230 --> 00:56:08,440
becomes really brightly colored you know

922
00:56:05,019 --> 00:56:12,009
next high definition it's like when you

923
00:56:08,440 --> 00:56:16,059
wake up in everything just takes form it

924
00:56:12,010 --> 00:56:17,430
comes alive and the air becomes viscous

925
00:56:16,059 --> 00:56:20,108
than water

926
00:56:17,429 --> 00:56:21,429
don't be a star you buzz with

927
00:56:20,108 --> 00:56:24,250
electricity of an establishment if

928
00:56:21,429 --> 00:56:26,049
there's fear excitement and then

929
00:56:24,250 --> 00:56:29,829
exhilaration overwhelm you

930
00:56:26,050 --> 00:56:33,940
as you soak up every millisecond of it

931
00:56:29,829 --> 00:56:36,369
it's real it's all bloody real you turn

932
00:56:33,940 --> 00:56:37,838
around to see your body sleeping and

933
00:56:36,369 --> 00:56:41,410
lying on the bed

934
00:56:37,838 --> 00:56:46,259
my first upper body was in the dentist's

935
00:56:41,409 --> 00:56:50,799
chair I was set up in place dr. stairs

936
00:56:46,260 --> 00:56:53,710
scare me for nurses how we down and hit

937
00:56:50,800 --> 00:56:55,780
the gas mask on my face I popped up the

938
00:56:53,710 --> 00:56:59,559
my body I watched in cigarettes he felt

939
00:56:55,780 --> 00:57:03,030
while sitting on the bed that was pure

940
00:56:59,559 --> 00:57:03,029
fear that got me out comes the first one

941

00:57:08,760 --> 00:57:13,089
you don't need that where you go in the

942
00:57:11,440 --> 00:57:13,838
atmosphere dances and shimmers around

943
00:57:13,088 --> 00:57:16,029
you

944
00:57:13,838 --> 00:57:18,130
this is mentally impossible you're not

945
00:57:16,030 --> 00:57:19,680
meant to be here you smile to the head

946
00:57:18,130 --> 00:57:23,650
or the launch of something to the sky

947
00:57:19,679 --> 00:57:25,929
and a blur of speed clouds embracing the

948
00:57:23,650 --> 00:57:27,940
once held beliefs stings and fears of

949
00:57:25,929 --> 00:57:31,029
the world the longer sway you you will

950
00:57:27,940 --> 00:57:31,940
never see life the same way again you've

951
00:57:31,030 --> 00:57:35,380
experienced

952
00:57:31,940 --> 00:57:41,710
you really the divine dear you've awoken

953
00:57:35,380 --> 00:57:44,869
and you've gotten more for superpowers

954
00:57:41,710 --> 00:57:48,230
but it's really interesting when you

955
00:57:44,869 --> 00:57:50,630

speaking to others who have the same the

956

00:57:48,230 --> 00:57:54,909

same things happen because the

957

00:57:50,630 --> 00:57:54,910

experiences are the same they just say

958

00:57:56,798 --> 00:58:03,259

this is when it's kind of heavy of the

959

00:58:00,170 --> 00:58:07,309

body experience teleportation or even in

960

00:58:03,259 --> 00:58:08,509

court wake me up it was pointless my

961

00:58:07,309 --> 00:58:11,990

body was over the account

962

00:58:08,509 --> 00:58:18,108

I gave many bodies to try it it doesn't

963

00:58:11,989 --> 00:58:21,308

work as well and it won't be good and if

964

00:58:18,108 --> 00:58:24,710

you mines not a right place again just

965

00:58:21,309 --> 00:58:27,289

destroyed the whole experience there was

966

00:58:24,710 --> 00:58:28,909

more like rock formation helplessly I

967

00:58:27,289 --> 00:58:30,920

stared at the bubbling attached to the

968

00:58:28,909 --> 00:58:31,489

ceiling they knew I was in the land of

969

00:58:30,920 --> 00:58:34,430

death

970
00:58:31,489 --> 00:58:36,139
I knew that now I was in a place where I

971
00:58:34,429 --> 00:58:39,018
wasn't meant to be it was the ultimate

972
00:58:36,139 --> 00:58:39,699
unknown I was beyond the veil on the

973
00:58:39,018 --> 00:58:41,750
other side

974
00:58:39,699 --> 00:58:45,828
Hollywood's a religious condition

975
00:58:41,750 --> 00:58:48,318
invaded my thoughts reminding me I was

976
00:58:45,829 --> 00:58:50,059
alone or even worse that I would be

977
00:58:48,318 --> 00:58:53,869
dealing with their most fixed as demons

978
00:58:50,059 --> 00:58:56,150
of Hell spawn again to do with our

979
00:58:53,869 --> 00:59:00,680
programming and movies what they teach

980
00:58:56,150 --> 00:59:05,170
us our perception goes over there with

981
00:59:00,679 --> 00:59:05,169
us so if we believe stuff like that

982
00:59:10,750 --> 00:59:14,929
behavior given a seizure this is the

983
00:59:13,608 --> 00:59:17,900
last thing I wanted to see right now

984
00:59:14,929 --> 00:59:20,149
like a liquid shadow figure however that

985
00:59:17,900 --> 00:59:25,639
it's not about me it was fear made

986
00:59:20,150 --> 00:59:28,160
manifest which the strange being white

987
00:59:25,639 --> 00:59:30,739
beat mass with a line and affairs

988
00:59:28,159 --> 00:59:33,679
I did not look at it but I have no

989
00:59:30,739 --> 00:59:36,618
choice my eyes are locked open the worst

990
00:59:33,679 --> 00:59:37,269
case about to become real as my fairy

991
00:59:36,619 --> 00:59:39,809
friends

992
00:59:37,269 --> 00:59:42,789
I float down to have a closer look at me

993
00:59:39,809 --> 00:59:55,230
great I found shot my eyes now it wants

994
00:59:42,789 --> 00:59:55,230
to close up get away from me slowly

995
00:59:56,849 --> 01:00:26,110
again this is a good size this soles

996
01:00:24,159 --> 01:00:28,059
with my smaller different people's

997
01:00:26,110 --> 01:00:32,460
experiences which I just read from there

998

01:00:28,059 --> 01:00:36,309
but there's a list of questions on here

999
01:00:32,460 --> 01:00:39,820
which is very good which I'll share with

1000
01:00:36,309 --> 01:00:43,570
you all next time the partners astral

1001
01:00:39,820 --> 01:00:49,750
projection is the mornings every one of

1002
01:00:43,570 --> 01:00:51,850
mine comes in the morning after if you

1003
01:00:49,750 --> 01:00:54,309
do it at night usually tired from daily

1004
01:00:51,849 --> 01:00:56,079
activities so you can fall asleep when

1005
01:00:54,309 --> 01:01:04,210
you become an excuse to ask traveler you

1006
01:00:56,079 --> 01:01:06,250
can do it every time you also know what

1007
01:01:04,210 --> 01:01:07,720
you want to do where you want to go or

1008
01:01:06,250 --> 01:01:12,610
whom you want to meet before you ask the

1009
01:01:07,719 --> 01:01:14,559
project again I need my experiences of

1010
01:01:12,610 --> 01:01:18,550
running them so I had runs on the end up

1011
01:01:14,559 --> 01:01:21,509
over there so obviously maybe some of

1012
01:01:18,550 --> 01:01:25,590

you I don't know not a position working

1013

01:01:21,510 --> 01:01:27,970

will go where everyone's at the moment

1014

01:01:25,590 --> 01:01:29,740

before I stop objecting to your

1015

01:01:27,969 --> 01:01:31,139

perception measures and mattresses and

1016

01:01:29,739 --> 01:01:34,299

sort of went to golden legs

1017

01:01:31,139 --> 01:01:35,949

similarly to be in a bubble the one can

1018

01:01:34,300 --> 01:01:37,690

go let me give you the final section and

1019

01:01:35,949 --> 01:01:40,379

nobody can penetrate it

1020

01:01:37,690 --> 01:01:42,610

I don't know why that can't be honest

1021

01:01:40,380 --> 01:01:45,039

it's not something I do again I think

1022

01:01:42,610 --> 01:01:48,400

it's to be wants to do I think

1023

01:01:45,039 --> 01:01:49,989

a perception and again as you can see

1024

01:01:48,400 --> 01:01:53,769

even having need to be protected

1025

01:01:49,989 --> 01:01:57,989

then you're gonna do it and maybe

1026

01:01:53,769 --> 01:02:03,400

possibly attract survivors like that

1027
01:01:57,989 --> 01:02:04,569
remove all jewelry as preparation

1028
01:02:03,400 --> 01:02:06,639
courses for us a little protection

1029
01:02:04,570 --> 01:02:09,490
improving developing your inner energy

1030
01:02:06,639 --> 01:02:13,949
system Shaq was learn about them an

1031
01:02:09,489 --> 01:02:13,949
amenity visualized in each one

1032
01:02:14,789 --> 01:02:19,150
remove all jewelry wristwatches and

1033
01:02:17,170 --> 01:02:23,139
similar before watch the projection

1034
01:02:19,150 --> 01:02:25,329
where light flow then the fear events if

1035
01:02:23,139 --> 01:02:28,389
you've got this stuff on you could end

1036
01:02:25,329 --> 01:02:34,449
up with that stuff over there so I don't

1037
01:02:28,389 --> 01:02:36,099
see what can be wrong with that she was

1038
01:02:34,449 --> 01:02:37,989
attending there's more see people in the

1039
01:02:36,099 --> 01:02:42,869
beginning some of techniques may not

1040
01:02:37,989 --> 01:02:42,869
work for you so I another one

1041
01:02:45,420 --> 01:02:51,639
never allow you fear to overwhelm you

1042
01:02:47,849 --> 01:02:53,710
which is whatever happens to you my

1043
01:02:51,639 --> 01:02:57,579
comments territory thoughts emotions and

1044
01:02:53,710 --> 01:02:59,170
acts fear is off to the love if you are

1045
01:02:57,579 --> 01:03:00,789
under pressure of fear there's a bigger

1046
01:02:59,170 --> 01:03:04,030
possibility to this of the lower up

1047
01:03:00,789 --> 01:03:05,949
sport if you raise your vibrations about

1048
01:03:04,030 --> 01:03:08,530
vision love you will be higher astral

1049
01:03:05,949 --> 01:03:12,489
where amazing world sets and beings

1050
01:03:08,530 --> 01:03:14,590
exist make sure nothing to disturb you I

1051
01:03:12,489 --> 01:03:18,519
have two formats of travel even in week

1052
01:03:14,590 --> 01:03:24,100
of second always mates Damien disturb

1053
01:03:18,519 --> 01:03:25,690
you and cause a failed attempt you

1054
01:03:24,099 --> 01:03:27,969
cannot perform us for the fashion with

1055

01:03:25,690 --> 01:03:30,159
day that around you talk any room of

1056
01:03:27,969 --> 01:03:33,189
keep it from being total darkness a

1057
01:03:30,159 --> 01:03:35,549
company that was true because a lot are

1058
01:03:33,190 --> 01:03:38,019
something to be a today that's it

1059
01:03:35,550 --> 01:03:40,300
we posted on the receivers master

1060
01:03:38,019 --> 01:03:43,059
traveling a person experience on a space

1061
01:03:40,300 --> 01:03:44,620
travel may help you to learn many useful

1062
01:03:43,059 --> 01:03:47,409
things about this phenomenon

1063
01:03:44,619 --> 01:03:49,359
which again when you read it or looking

1064
01:03:47,409 --> 01:03:50,710
into stuff like that you are creating

1065
01:03:49,360 --> 01:03:52,599
new part things of your mind

1066
01:03:50,710 --> 01:03:54,639
so you are bringing out the students

1067
01:03:52,599 --> 01:03:55,719
closer to you this is as simple as that

1068
01:03:54,639 --> 01:03:58,359
you were just downloading information

1069
01:03:55,719 --> 01:04:04,419

there to allow yourself to have that

1070

01:03:58,360 --> 01:04:07,090

experience so understand the gaps were

1071

01:04:04,420 --> 01:04:09,970

playing fulfills desires and fantasies

1072

01:04:07,090 --> 01:04:11,920

everything you wish may become reality

1073

01:04:09,969 --> 01:04:12,929

when you were there so be careful what

1074

01:04:11,920 --> 01:04:17,740

you wish

1075

01:04:12,929 --> 01:04:19,659

possibly when you achieve your first

1076

01:04:17,739 --> 01:04:22,329

actual projection or stay the room for

1077

01:04:19,659 --> 01:04:26,889

first 10 minutes alone to come and dry

1078

01:04:22,329 --> 01:04:35,440

your eyes full body flame after that

1079

01:04:26,889 --> 01:04:39,009

explore neighborhood long distance sound

1080

01:04:35,440 --> 01:04:40,570

like people you strong mental demands

1081

01:04:39,010 --> 01:04:42,100

when you want to achieve something in

1082

01:04:40,570 --> 01:04:46,240

the National Day for example go to the

1083

01:04:42,099 --> 01:04:49,569

moon to the moon now in a matter of

1084
01:04:46,239 --> 01:04:51,969
seconds you will be there again my

1085
01:04:49,570 --> 01:05:00,760
friend a post of the book trying to get

1086
01:04:51,969 --> 01:05:02,709
for the moon for some reason maybe these

1087
01:05:00,760 --> 01:05:10,000
are the cheapest also make sure we

1088
01:05:02,710 --> 01:05:12,670
usually also make sure you save a

1089
01:05:10,000 --> 01:05:14,920
process demands if you for instance say

1090
01:05:12,670 --> 01:05:18,400
I want to travel to the past in my

1091
01:05:14,920 --> 01:05:22,740
childhood it is not enough you have to

1092
01:05:18,400 --> 01:05:22,740
ask for specific period date or event

1093
01:05:23,400 --> 01:05:28,780
they can all guys I think all these

1094
01:05:27,099 --> 01:05:33,059
experiences at first all to yourself I

1095
01:05:28,780 --> 01:05:37,840
mean I think you develop your own and

1096
01:05:33,059 --> 01:05:38,889
system for getting out there well you

1097
01:05:37,840 --> 01:05:40,180
really ask for realm you cannot

1098
01:05:38,889 --> 01:05:42,699
communicate with people in the physical

1099
01:05:40,179 --> 01:05:44,440
world which I believe the vibration

1100
01:05:42,699 --> 01:05:46,359
level these two dimensions is different

1101
01:05:44,440 --> 01:05:48,230
however may happen in the very rare

1102
01:05:46,360 --> 01:05:50,390
occasions when a person

1103
01:05:48,230 --> 01:05:59,539
the physical world has some paranormal

1104
01:05:50,389 --> 01:06:00,170
activities I've been in the grounds for

1105
01:05:59,539 --> 01:06:02,179
the mirror

1106
01:06:00,170 --> 01:06:06,530
whichever you want to call it and I

1107
01:06:02,179 --> 01:06:11,118
watched a friend silicone in part of a

1108
01:06:06,530 --> 01:06:13,119
floor whatever though his house he said

1109
01:06:11,119 --> 01:06:16,430
it formed part of the floor I saw

1110
01:06:13,119 --> 01:06:22,430
different kind of silicone and I think

1111
01:06:16,429 --> 01:06:25,489
it was a mirror version of all this

1112

01:06:22,429 --> 01:06:27,969
realm and that reason wasn't actually

1113
01:06:25,489 --> 01:06:32,358
him but the two versions of ourselves

1114
01:06:27,969 --> 01:06:36,909
are interacting together one is leading

1115
01:06:32,358 --> 01:06:42,529
the other I think again that's open to

1116
01:06:36,909 --> 01:06:46,179
beliefs different theories explain

1117
01:06:42,530 --> 01:06:55,030
yourself there are these experiences

1118
01:06:46,179 --> 01:06:55,029
around belong yeah good ones

1119
01:06:55,300 --> 01:07:00,760
hmm yeah

1120
01:07:02,130 --> 01:07:06,570
are you conscious when you're over there

1121
01:07:04,360 --> 01:07:09,280
or can you control it

1122
01:07:06,570 --> 01:07:18,220
yeah we're just observing - sometimes

1123
01:07:09,280 --> 01:07:20,950
you just observe reason that's amazing

1124
01:07:18,219 --> 01:07:27,250
I'll get listened to throw a few

1125
01:07:20,949 --> 01:07:36,159
questions after all right the ultimate

1126
01:07:27,250 --> 01:07:46,539

form of teleportation free free you got

1127

01:07:36,159 --> 01:07:48,009

rid of the spacing one thing you run you

1128

01:07:46,539 --> 01:07:50,050

1129

01:07:48,010 --> 01:07:55,720

1130

01:07:50,050 --> 01:07:57,460

1132

field if it is well 18 remember that

1133

01:08:00,550 --> 01:08:04,000

there is no real danger if you're faced

1134

01:08:02,380 --> 01:08:05,289

with some unpleasant event - entrapment

1135

01:08:04,000 --> 01:08:09,880

of the astral plane you can immediately

1136

01:08:05,289 --> 01:08:17,260

return to your physical body I've come

1137

01:08:09,880 --> 01:08:19,600

across not so nice is there a physical

1138

01:08:17,260 --> 01:08:21,579

body hated so I just didn't do with the

1139

01:08:19,600 --> 01:08:26,530

whole process which I think this kind of

1140

01:08:21,579 --> 01:08:28,149
