

1
00:00:01,879 --> 00:00:06,199
WWF on you

2
00:01:28,109 --> 00:01:32,900
like here we are this is long walks

3
00:01:31,170 --> 00:01:36,079
Avenue in the uplands

4
00:01:32,900 --> 00:01:39,180
remember the first video that we did

5
00:01:36,079 --> 00:01:41,969
where Phil Jones the son of the witness

6
00:01:39,180 --> 00:01:45,570
came up to tell us about his father's

7
00:01:41,969 --> 00:01:50,870
sight in of a black triangle roughly 18

8
00:01:45,569 --> 00:01:55,319
inches thick traveling across the road

9
00:01:50,870 --> 00:01:57,300
over the house there and it dipped well

10
00:01:55,319 --> 00:02:05,909
across the road slowly and then went

11
00:01:57,299 --> 00:02:09,959
over the following house 12 hours yeah

12
00:02:05,909 --> 00:02:12,120
12 well that was about core bar sex on

13
00:02:09,959 --> 00:02:13,229
the night of 19th of January 1983 and

14
00:02:12,120 --> 00:02:17,219
like we've called the light of the

15
00:02:13,229 --> 00:02:19,679
triangles now we're gonna see a witness

16
00:02:17,219 --> 00:02:21,780
couple of streets away from here called

17
00:02:19,680 --> 00:02:22,290
Natalie Bowden and she was about 13 at

18
00:02:21,780 --> 00:02:25,020
the time

19
00:02:22,289 --> 00:02:26,909
and she saw something roughly between

20
00:02:25,020 --> 00:02:32,519
half six and a half seven on the same

21
00:02:26,909 --> 00:02:35,219
night so he's interested in the fact

22
00:02:32,519 --> 00:02:37,680
he's so close by but new thing is it

23
00:02:35,219 --> 00:02:39,719
wasn't triangle he was mall it was a the

24
00:02:37,680 --> 00:02:41,659
sound of it at large discs so we can

25
00:02:39,719 --> 00:02:44,519
have a chat with her now

26
00:02:41,659 --> 00:02:47,169
outside the house where she grew up

27
00:02:44,519 --> 00:02:49,030
which was a mother's house

28
00:02:47,169 --> 00:02:51,419
until recently they just sold it

29

00:02:49,030 --> 00:02:51,419
apparently

30
00:03:08,139 --> 00:03:12,369
we'll go across get the roads heading

31
00:03:09,879 --> 00:03:16,060
south which is the sim direction of a

32
00:03:12,370 --> 00:03:19,349
triangle that oh boy in Jones saw one

33
00:03:16,060 --> 00:03:19,349
over long oops yeah

34
00:03:29,830 --> 00:03:35,650
Beachwood wrote where Natalie Belden was

35
00:03:33,348 --> 00:03:35,649
living

36
00:03:36,289 --> 00:03:39,219
and the 38

37
00:03:43,159 --> 00:03:48,990
it's thirty eight pm taco site there

38
00:03:47,370 --> 00:03:52,890
Steve

39
00:03:48,990 --> 00:03:56,610
here's the man himself I'm Steve drusen

40
00:03:52,889 --> 00:03:58,679
from Swansea UFO network welcome to

41
00:03:56,610 --> 00:04:02,670
another exciting installment of night of

42
00:03:58,680 --> 00:04:06,240
the triangles today is Thursday the 11th

43
00:04:02,669 --> 00:04:08,669

of August 2016 we've come down the

44

00:04:06,240 --> 00:04:11,310

beechwood road and sketti to interview

45

00:04:08,669 --> 00:04:14,039

another witness to this extraordinary

46

00:04:11,310 --> 00:04:17,459

event so our hand now and you can

47

00:04:14,039 --> 00:04:19,469

introduce it to the lady involved right

48

00:04:17,459 --> 00:04:23,789

here we are number 38 Beach Road roads

49

00:04:19,470 --> 00:04:28,770

uplands to see Natalie Bowden who's was

50

00:04:23,790 --> 00:04:32,520

13 at the time of her sighting 13 her

51

00:04:28,769 --> 00:04:33,689

take place right we began asking out to

52

00:04:32,519 --> 00:04:39,359

the owner to tell us in their own words

53

00:04:33,689 --> 00:04:41,040

what happened just for the record one

54

00:04:39,360 --> 00:04:44,400

record this is not to convince anyone

55

00:04:41,040 --> 00:04:47,400

this is you know my story for me I don't

56

00:04:44,399 --> 00:04:49,829

need to convince anyone okay so in this

57

00:04:47,399 --> 00:04:52,439

house of 13 I was sitting in the back

58
00:04:49,829 --> 00:04:55,169
room which is next to the kitchen in the

59
00:04:52,439 --> 00:04:58,019
annex and one evening was super my talk

60
00:04:55,170 --> 00:05:01,230
watching TV and I just had an urge to

61
00:04:58,019 --> 00:05:02,519
get up and go out and go my butt cut

62
00:05:01,230 --> 00:05:04,759
through the house the dog doesn't follow

63
00:05:02,519 --> 00:05:04,759
me

64
00:05:06,639 --> 00:05:12,370
what talk to me on my thumb okay so I

65
00:05:09,399 --> 00:05:15,968
came out from the back room with King up

66
00:05:12,370 --> 00:05:19,240
the front and stood on this step right

67
00:05:15,968 --> 00:05:23,860
here and in the sky 30 feet above that

68
00:05:19,240 --> 00:05:25,990
house over there is a massive UFO the

69
00:05:23,860 --> 00:05:28,360
central part of it is as I said before

70
00:05:25,990 --> 00:05:31,240
it's a stadium shape okay

71
00:05:28,360 --> 00:05:32,949
but the windows are like this size like

72
00:05:31,240 --> 00:05:37,860
you know and but there's a lot of likes

73
00:05:32,949 --> 00:05:41,259
and I caught the lights with creams and

74
00:05:37,860 --> 00:05:42,370
aquas and pinks and all soft its kind of

75
00:05:41,259 --> 00:05:43,930
colors and they were all different you

76
00:05:42,370 --> 00:05:46,840
know I thought it was trying to say

77
00:05:43,930 --> 00:05:48,759
something to me in my in my head but I

78
00:05:46,839 --> 00:05:50,560
was also signed and you're thinking what

79
00:05:48,759 --> 00:05:52,479
they're doing that I didn't see the

80
00:05:50,560 --> 00:05:54,788
circumference of it because it was

81
00:05:52,478 --> 00:05:56,228
immense you know is it black scary

82
00:05:54,788 --> 00:05:58,959
bro I was focusing on with the lights

83
00:05:56,228 --> 00:06:01,568
underneath so I'm looking at it

84
00:05:58,959 --> 00:06:02,978
wondering why it's there for five

85
00:06:01,569 --> 00:06:04,240
minutes I'm science and you're wondering

86

00:06:02,978 --> 00:06:05,918
whether it needs the water in the park

87
00:06:04,240 --> 00:06:07,900
you know trying to make sense of what

88
00:06:05,918 --> 00:06:11,079
I'm seeing and logically explain it in

89
00:06:07,899 --> 00:06:13,028
my own air so I couldn't make any sense

90
00:06:11,079 --> 00:06:14,560
of it and then I thought people think

91
00:06:13,028 --> 00:06:16,750
I'm gonna be a nutter so I better cool

92
00:06:14,560 --> 00:06:20,019
so I started screaming into the house to

93
00:06:16,750 --> 00:06:23,079
cool my brother my sister and my

94
00:06:20,019 --> 00:06:26,198
stepfather so they came out because I

95
00:06:23,079 --> 00:06:27,698
was causing so much commotion are the

96
00:06:26,199 --> 00:06:30,669
neighbors in the street to come out so I

97
00:06:27,699 --> 00:06:32,348
said to across that to up here one

98
00:06:30,668 --> 00:06:35,549
across them so place it in the end there

99
00:06:32,348 --> 00:06:38,110
was about 99 of us looking at this thing

100
00:06:35,550 --> 00:06:40,120

the other thing is is that it wasn't

101

00:06:38,110 --> 00:06:41,919

cold anymore the sound in the street

102

00:06:40,120 --> 00:06:43,149

baby it felt like a pin could had

103

00:06:41,918 --> 00:06:45,098

dropped you know if you could use it

104

00:06:43,149 --> 00:06:48,429

here a pin drop it was that kind of I

105

00:06:45,098 --> 00:06:51,688

know just stillness complete stillness

106

00:06:48,430 --> 00:06:54,338

no sound out of this thing that's bad

107

00:06:51,689 --> 00:06:56,588

but what my stepfather and my sister

108

00:06:54,338 --> 00:06:59,528

finally could might be and they stand on

109

00:06:56,588 --> 00:07:01,120

what Utah and they're looking at it and

110

00:06:59,528 --> 00:07:04,240

I'm like can you believe it you know it

111

00:07:01,120 --> 00:07:07,110

sir see UFO you know he's like wow yeah

112

00:07:04,240 --> 00:07:10,180

you but you know no excitement or

113

00:07:07,110 --> 00:07:12,639

interest that's all just gonna pick a

114

00:07:10,180 --> 00:07:16,610

tell oh yeah UFO

115
00:07:12,639 --> 00:07:19,100
I'll put at this point my stepfather

116
00:07:16,610 --> 00:07:21,500
didn't get along I'm doing this to set

117
00:07:19,100 --> 00:07:24,050
the scene because it's not normal what

118
00:07:21,500 --> 00:07:25,759
they did next he walked in and I said

119
00:07:24,050 --> 00:07:29,000
what you do it and he's like I've seen

120
00:07:25,759 --> 00:07:31,160
enough so he steps down mechanically but

121
00:07:29,000 --> 00:07:33,350
fluidly follows only my sister does

122
00:07:31,160 --> 00:07:35,330
exactly the same I'm like Ashley what

123
00:07:33,350 --> 00:07:37,550
you doing so shouldn't you answer me

124
00:07:35,329 --> 00:07:40,159
just fold them in which is not normal

125
00:07:37,550 --> 00:07:42,918
because they she would never ever but

126
00:07:40,160 --> 00:07:45,320
just stopping us so they went in and I'm

127
00:07:42,918 --> 00:07:47,089
like what I'm watching it go you know so

128
00:07:45,319 --> 00:07:49,310
I'm standing there so it's been five

129
00:07:47,089 --> 00:07:51,049
minutes I was out on my own I called

130
00:07:49,310 --> 00:07:53,329
there might be another five minutes

131
00:07:51,050 --> 00:07:54,949
they've gone in and now I'm just

132
00:07:53,329 --> 00:07:56,870
stand-in there and just watching it and

133
00:07:54,949 --> 00:07:59,180
I'm you know because looking at the

134
00:07:56,870 --> 00:08:01,509
lights wondering you know just asking me

135
00:07:59,180 --> 00:08:03,470
questions mentally you know

136
00:08:01,509 --> 00:08:05,779
telepathically if I you know I was like

137
00:08:03,470 --> 00:08:08,660
sending it like what's going on while

138
00:08:05,779 --> 00:08:11,509
you there what you do it you know take

139
00:08:08,660 --> 00:08:13,160
me away even who asked it to give me you

140
00:08:11,509 --> 00:08:15,110
know another perspective the border days

141
00:08:13,160 --> 00:08:16,759
come on Contini there's a kid you just

142
00:08:15,110 --> 00:08:19,060
joking around of just looking for

143

00:08:16,759 --> 00:08:22,400
something that's the logic in some sense

144
00:08:19,060 --> 00:08:24,949
so after another five maybe ten minutes

145
00:08:22,399 --> 00:08:26,598
I was you know I was just really just

146
00:08:24,949 --> 00:08:28,669
you know I was just looking at it and

147
00:08:26,598 --> 00:08:30,918
then all of a sudden it wasn't that as

148
00:08:28,668 --> 00:08:32,689
clear as I'm looking at you too I didn't

149
00:08:30,918 --> 00:08:34,519
see you move but you just not there

150
00:08:32,690 --> 00:08:35,000
anyone was just blank space I could see

151
00:08:34,519 --> 00:08:37,610
the stars

152
00:08:35,000 --> 00:08:40,038
it got cold it was wind yeah you know

153
00:08:37,610 --> 00:08:42,500
that was stillness I'm definitely on the

154
00:08:40,038 --> 00:08:45,309
street for me looked across all the

155
00:08:42,500 --> 00:08:47,570
house there's no no but what I saw was

156
00:08:45,309 --> 00:08:49,789
the central bit like say I couldn't see

157
00:08:47,570 --> 00:08:51,950

the circumference of it but I know that

158

00:08:49,789 --> 00:08:53,870

my sister we discussed it when we went

159

00:08:51,950 --> 00:08:56,028

back in she doesn't might you know I

160

00:08:53,870 --> 00:08:59,840

went back in kind of really just gutted

161

00:08:56,028 --> 00:09:01,759

and upset and wound up but

162

00:08:59,840 --> 00:09:03,050

you know I didn't happen on I didn't see

163

00:09:01,759 --> 00:09:05,990

it go that's four of us that I just

164

00:09:03,049 --> 00:09:07,789

wanted to see it move and so I went in

165

00:09:05,990 --> 00:09:11,000

am I set forth being the Joker I said

166

00:09:07,789 --> 00:09:14,709

did you see a UFO go and I was like your

167

00:09:11,000 --> 00:09:18,230

UFO all right no you know I've just

168

00:09:14,710 --> 00:09:20,540

couldn't make any sense out of it and my

169

00:09:18,230 --> 00:09:21,710

sisters you know had said that she well

170

00:09:20,539 --> 00:09:23,149

now she didn't we didn't discuss it

171

00:09:21,710 --> 00:09:25,009

that's the weird thing about all this is

172
00:09:23,149 --> 00:09:26,329
that we didn't discuss it with a

173
00:09:25,009 --> 00:09:29,659
neighbor server again nothing was

174
00:09:26,330 --> 00:09:31,250
discussed the next day no one talked the

175
00:09:29,659 --> 00:09:32,719
next morning or the next mean I'm

176
00:09:31,250 --> 00:09:35,690
addicted and my stepfather got the

177
00:09:32,720 --> 00:09:38,600
newspaper The Evening Post and I just

178
00:09:35,690 --> 00:09:40,550
hope need it on a page when a UFO and it

179
00:09:38,600 --> 00:09:44,120
said satellite out of orbit in big

180
00:09:40,549 --> 00:09:46,849
letters I think a little story there big

181
00:09:44,120 --> 00:09:50,929
letters satellite orbit or satellite a

182
00:09:46,850 --> 00:09:52,879
ticket said and yeah a cup that's

183
00:09:50,929 --> 00:09:56,000
remember just big box seeing satellite

184
00:09:52,879 --> 00:09:59,360
and I was like yeah as if you know but

185
00:09:56,000 --> 00:10:01,460
you know that was all he you know it was

186
00:09:59,360 --> 00:10:02,899
just it was some psycho kind of joke and

187
00:10:01,460 --> 00:10:05,180
it became a joke that what we saw

188
00:10:02,899 --> 00:10:07,338
between us I said it was never discussed

189
00:10:05,179 --> 00:10:09,679
again I mentioned it to my friends I

190
00:10:07,339 --> 00:10:13,000
mentioned it to on certain occasions if

191
00:10:09,679 --> 00:10:15,919
ever that you know the subject came up

192
00:10:13,000 --> 00:10:18,950
and people think I'm nuts oh there you

193
00:10:15,919 --> 00:10:20,689
go so you just don't discuss it so much

194
00:10:18,950 --> 00:10:23,120
anymore but the following week

195
00:10:20,690 --> 00:10:24,110
okay the after that the Russian

196
00:10:23,120 --> 00:10:27,679
satellites out of orbit

197
00:10:24,110 --> 00:10:30,169
I read the article and it said something

198
00:10:27,679 --> 00:10:31,699
about discounting it was a UFO because

199
00:10:30,169 --> 00:10:35,629
there was a Saturn I'm like uh-huh

200

00:10:31,700 --> 00:10:38,210
it was 30 feet it was 30 feet I mean it

201
00:10:35,629 --> 00:10:40,220
was so low I mean I could even see you

202
00:10:38,210 --> 00:10:42,440
stood to be 30 feet above the ground or

203
00:10:40,220 --> 00:10:45,290
about that well perhaps it was probably

204
00:10:42,440 --> 00:10:47,150
about just that it couldn't be I don't

205
00:10:45,289 --> 00:10:49,219
know what I'm looking at bro it was just

206
00:10:47,149 --> 00:10:51,409
that it was just so low I could see

207
00:10:49,220 --> 00:10:53,360
every detail or the central part of it

208
00:10:51,409 --> 00:10:55,159
and like as I couldn't see these and you

209
00:10:53,360 --> 00:10:57,080
know the outside of it cuz all I was

210
00:10:55,159 --> 00:10:58,969
focusing on was the lights in which I

211
00:10:57,080 --> 00:11:00,589
was thinking that is

212
00:10:58,970 --> 00:11:03,829
you can't understand likes can you good

213
00:11:00,589 --> 00:11:05,810
you just thought if I define this world

214
00:11:03,828 --> 00:11:08,719

that was about seven days off Twitter's

215

00:11:05,809 --> 00:11:10,458

washed my hair oh it's two days whatever

216

00:11:08,720 --> 00:11:12,528

it wasn't wash my hair I was robbed the

217

00:11:10,458 --> 00:11:14,508

shampoo in math I won't spit this feels

218

00:11:12,528 --> 00:11:19,970

really cold yeah just thought we killed

219

00:11:14,509 --> 00:11:21,169

so when I was a kid nothing we were

220

00:11:19,970 --> 00:11:23,269

housed in the car feels really weird

221

00:11:21,169 --> 00:11:24,649

bike but that come from I mean wash my

222

00:11:23,269 --> 00:11:29,028

hair enough to know that that wasn't

223

00:11:24,649 --> 00:11:31,309

there before the experience and yeah so

224

00:11:29,028 --> 00:11:33,019

I asked them that you know some some

225

00:11:31,309 --> 00:11:35,958

people said ask your mother you know if

226

00:11:33,019 --> 00:11:38,269

you're an accident that no you have no

227

00:11:35,958 --> 00:11:40,039

neck said that but the point is I knew

228

00:11:38,269 --> 00:11:42,679

it wasn't that full thanks for you and

229
00:11:40,039 --> 00:11:46,938
so I don't know and you told me that you

230
00:11:42,679 --> 00:11:47,388
you stepfather doesn't remember it at

231
00:11:46,938 --> 00:11:50,059
all

232
00:11:47,389 --> 00:11:53,329
well this is the weird thing years later

233
00:11:50,059 --> 00:11:54,888
when I had my first child that I think

234
00:11:53,328 --> 00:11:56,628
there was an article I was eighteen

235
00:11:54,889 --> 00:11:59,568
nineteen an article came out in these

236
00:11:56,629 --> 00:12:01,879
paper and it was a young lad in Bishop's

237
00:11:59,568 --> 00:12:03,409
turn I say young man I don't know his

238
00:12:01,879 --> 00:12:09,139
name now it's million spring cos major

239
00:12:03,409 --> 00:12:10,698
Daniel I think and he was doing he was

240
00:12:09,139 --> 00:12:12,259
looking for you know things are not

241
00:12:10,698 --> 00:12:13,818
sections and well he was looking for

242
00:12:12,259 --> 00:12:16,730
research and things they talked to some

243
00:12:13,818 --> 00:12:18,979
people and he wanted to you know the

244
00:12:16,730 --> 00:12:21,379
ones that he considered that was the

245
00:12:18,980 --> 00:12:24,019
relevance he'd come around an interview

246
00:12:21,379 --> 00:12:25,789
but that was not when I was eighteen I

247
00:12:24,019 --> 00:12:28,129
saw the article about it when I was 18

248
00:12:25,789 --> 00:12:30,259
19 or something I can't my brother's my

249
00:12:28,129 --> 00:12:32,769
first or second daughter but I saw that

250
00:12:30,259 --> 00:12:36,318
article but it's only when I had my son

251
00:12:32,769 --> 00:12:38,060
Harvey was in 1998 but I saw the article

252
00:12:36,318 --> 00:12:39,740
again I thought I'll get in touch with

253
00:12:38,059 --> 00:12:42,258
him this time it's a lot less going on

254
00:12:39,740 --> 00:12:43,990
my life now good job so he came around I

255
00:12:42,259 --> 00:12:46,699
got in touch with him he came around and

256
00:12:43,990 --> 00:12:47,879
he just interviewed me at home I think

257

00:12:46,698 --> 00:12:50,669
it's really young at the time

258
00:12:47,879 --> 00:12:53,939
in 1920 I think as fight so young you

259
00:12:50,669 --> 00:12:56,519
look well you know girl this yeah so I

260
00:12:53,940 --> 00:12:58,440
gave him the story he said no would you

261
00:12:56,519 --> 00:13:01,139
mind doing some hypnosis I said I don't

262
00:12:58,440 --> 00:13:03,870
mind but the thing is is I had a good

263
00:13:01,139 --> 00:13:06,210
experience I don't remember you know I

264
00:13:03,870 --> 00:13:09,470
don't want to go back in and hypnosis

265
00:13:06,210 --> 00:13:09,470
and find that it was a bad experience

266
00:13:13,879 --> 00:13:19,259
bull patch what it actually happened

267
00:13:16,409 --> 00:13:21,240
yeah that worries me that's the sense of

268
00:13:19,259 --> 00:13:23,039
you know I did I went for it anyway but

269
00:13:21,240 --> 00:13:25,019
I'd actually I'll be my partner the day

270
00:13:23,039 --> 00:13:29,370
I might go for hypnosis I don't want to

271
00:13:25,019 --> 00:13:34,769

know Wolf's throat where the punch we

272

00:13:29,370 --> 00:13:38,100
saw that you know 10 B and yeah I went

273

00:13:34,769 --> 00:13:39,990
there but they said to do a color chart

274

00:13:38,100 --> 00:13:43,170
to see whether you're susceptible to

275

00:13:39,990 --> 00:13:44,759
being hypnotized so I called out these

276

00:13:43,169 --> 00:13:49,379
colors and he said no you're not

277

00:13:44,759 --> 00:13:53,279
susceptible today even no recollection

278

00:13:49,379 --> 00:13:55,409
of loss of time or anything at all but

279

00:13:53,279 --> 00:13:58,339
the only thing the only recollection I

280

00:13:55,409 --> 00:14:01,379
have is that point where they'd gone in

281

00:13:58,340 --> 00:14:04,790
I'm sanding that and in that moment of

282

00:14:01,379 --> 00:14:07,019
me waiting for it to go I can't I can't

283

00:14:04,789 --> 00:14:08,339
explain how I didn't see it leave

284

00:14:07,019 --> 00:14:10,740
because that's all I was that full

285

00:14:08,340 --> 00:14:13,620
you've got a recollection of it going

286
00:14:10,740 --> 00:14:15,600
whether it just disappeared oh no no no

287
00:14:13,620 --> 00:14:17,310
movement no disappeared with a really

288
00:14:15,600 --> 00:14:18,480
caution lights on him well yeah usable

289
00:14:17,309 --> 00:14:20,849
they're like yes for saying the

290
00:14:18,480 --> 00:14:23,610
essential part of their toil after

291
00:14:20,850 --> 00:14:25,470
everyone is it's like I said that's a

292
00:14:23,610 --> 00:14:27,090
distinctive shape I was looking so the

293
00:14:25,470 --> 00:14:28,590
size of that that would have been these

294
00:14:27,090 --> 00:14:32,009
two houses here mm-hmm

295
00:14:28,590 --> 00:14:33,810
imagine that as a state in shape mm-hmm

296
00:14:32,009 --> 00:14:38,580
but it's going that way okay

297
00:14:33,809 --> 00:14:40,229
I'm seeing this side of it yeah um it

298
00:14:38,580 --> 00:14:42,000
goes out because it was so black that

299
00:14:40,230 --> 00:14:44,190
yeah it's a giant oh it's a black sky

300
00:14:42,000 --> 00:14:45,389
anyway right so I was aware no you

301
00:14:44,190 --> 00:14:48,110
couldn't see the shape of the craft

302
00:14:45,389 --> 00:14:51,330
itself just this ring yes yeah yeah but

303
00:14:48,110 --> 00:14:55,139
when Neil sprinkle in touch of me I

304
00:14:51,330 --> 00:14:57,120
asked him I said it was anybody else

305
00:14:55,139 --> 00:14:59,730
that night and I said yep my sister and

306
00:14:57,120 --> 00:15:03,600
you know I told me story so I phoned my

307
00:14:59,730 --> 00:15:06,329
father and my sister my stepfather said

308
00:15:03,600 --> 00:15:09,300
before you talking about like was it you

309
00:15:06,328 --> 00:15:10,409
know that you had that one snap I've got

310
00:15:09,299 --> 00:15:12,958
no idea what you talking about

311
00:15:10,409 --> 00:15:15,600
yeah okay so if I'm sister and she's

312
00:15:12,958 --> 00:15:18,659
she's in bath and he's in Bristol and

313
00:15:15,600 --> 00:15:19,199
she was she said oh yeah I thought it

314

00:15:18,659 --> 00:15:21,088
was a dream

315
00:15:19,198 --> 00:15:23,338
besides she put it she thought that was

316
00:15:21,089 --> 00:15:26,579
a dream was interested and I said well

317
00:15:23,339 --> 00:15:30,060
no as she was clear she was like and

318
00:15:26,578 --> 00:15:34,109
when I said you know she's sorry ash but

319
00:15:30,059 --> 00:15:35,819
she she she she thinks that you know me

320
00:15:34,110 --> 00:15:37,620
by saying it was for me I felt like it

321
00:15:35,820 --> 00:15:39,570
was to me you know that experience was

322
00:15:37,620 --> 00:15:40,528
just for me because like I said I it was

323
00:15:39,570 --> 00:15:43,528
the first one night you have made a

324
00:15:40,528 --> 00:15:44,759
racket called everyone out and when they

325
00:15:43,528 --> 00:15:47,278
caught everyone you know they come back

326
00:15:44,759 --> 00:15:48,778
in and I'm waiting for it to go and when

327
00:15:47,278 --> 00:15:51,149
it does go but I don't see it though

328
00:15:48,778 --> 00:15:52,939

there's no noise nothing I suppose that

329

00:15:51,149 --> 00:16:02,190

you could hear a pin drop it was still

330

00:15:52,940 --> 00:16:04,920

funny my to describe the yeah in every

331

00:16:02,190 --> 00:16:07,769

window so what in that'll be window

332

00:16:04,919 --> 00:16:09,899

around that bit was protruding I guess

333

00:16:07,769 --> 00:16:11,850

in staging but this coming Stadium is

334

00:16:09,899 --> 00:16:13,860

protruding down its titular dad who's

335

00:16:11,850 --> 00:16:28,379

like or was it no that was the

336

00:16:13,860 --> 00:16:29,909

stadium shape so anyway the lights like

337

00:16:28,379 --> 00:16:31,919

to save them for the size the windows

338

00:16:29,909 --> 00:16:36,448

okay I'm looking at it I know that the

339

00:16:31,919 --> 00:16:37,889

size I think I caught her a 70 ship

340

00:16:36,448 --> 00:16:39,899

because it was very clunky like

341

00:16:37,889 --> 00:16:42,318

seventies cars are it's not this is

342

00:16:39,899 --> 00:16:45,028

elongated streamlined gonna you know

343

00:16:42,318 --> 00:16:48,929
stuff you get these days you know it's

344

00:16:45,028 --> 00:16:51,629
it was it seemed quite good you know the

345

00:16:48,929 --> 00:16:53,278
actual shape of the windows you know

346

00:16:51,629 --> 00:16:55,919
they're on a slight angle coming in as

347

00:16:53,278 --> 00:16:56,818
well so but underneath I don't know I

348

00:16:55,919 --> 00:16:58,528
bought something nice but I was just

349

00:16:56,818 --> 00:17:00,958
focus on lights that's what I can you

350

00:16:58,528 --> 00:17:02,669
remember and when I say they were pearly

351

00:17:00,958 --> 00:17:05,818
they were kind of like you know all very

352

00:17:02,669 --> 00:17:08,509
soft soft colors room mint

353

00:17:05,818 --> 00:17:11,568
you know iridescent

354

00:17:08,509 --> 00:17:15,890
yeah crustal yes yes so what time of day

355

00:17:11,568 --> 00:17:20,389
was this was uh I don't know I can only

356

00:17:15,890 --> 00:17:21,799
say it was between six and cuz my

357
00:17:20,390 --> 00:17:23,780
stepfather was home from work

358
00:17:21,798 --> 00:17:27,410
so it's alpha-strike me and my sister my

359
00:17:23,779 --> 00:17:29,058
mum was it's a very busy household for

360
00:17:27,410 --> 00:17:31,759
three of us to be in it's quite shocking

361
00:17:29,058 --> 00:17:34,009
there's about seven of us eight yes I

362
00:17:31,759 --> 00:17:37,039
didn't understand so it's just I think

363
00:17:34,009 --> 00:17:40,009
it's between six and Papa seven eight

364
00:17:37,039 --> 00:17:43,849
that's that's you know but say it was

365
00:17:40,009 --> 00:17:47,230
dark it was very dark it was cold

366
00:17:43,849 --> 00:17:49,609
well not when it not when it was that no

367
00:17:47,230 --> 00:17:51,289
but you say the people you have this

368
00:17:49,609 --> 00:17:53,779
side the road looking at it so if you

369
00:17:51,289 --> 00:17:56,720
say it was over that house no one not

370
00:17:53,779 --> 00:17:59,660
these two houses right um that one over

371

00:17:56,720 --> 00:18:00,829
there well the people standing yeah mr.

372
00:17:59,660 --> 00:18:02,269
James's family

373
00:18:00,829 --> 00:18:03,889
well then so for that but they were the

374
00:18:02,269 --> 00:18:05,869
other side of the road yeah but they

375
00:18:03,890 --> 00:18:07,610
were looking across up they were looking

376
00:18:05,869 --> 00:18:10,969
across thought it was over the street

377
00:18:07,609 --> 00:18:13,909
then yeah for them to be able to see it

378
00:18:10,970 --> 00:18:16,039
well let me say I saw this a bit

379
00:18:13,910 --> 00:18:21,110
so it was kept for children over you

380
00:18:16,039 --> 00:18:23,450
know it's probably to the pages so it

381
00:18:21,109 --> 00:18:24,979
would be those people there would have

382
00:18:23,450 --> 00:18:26,390
been looking straight up with it no they

383
00:18:24,980 --> 00:18:28,670
weren't there the people next door to

384
00:18:26,390 --> 00:18:31,220
these laws yeah everyone else would have

385
00:18:28,670 --> 00:18:32,870

been there was these sort of still

386

00:18:31,220 --> 00:18:34,759

things students time that this time is

387

00:18:32,869 --> 00:18:36,439

you know yeah there's gonna Steven area

388

00:18:34,759 --> 00:18:38,509

at that hopeful off the street do they

389

00:18:36,440 --> 00:18:40,759

come I don't know I just look at

390

00:18:38,509 --> 00:18:43,099

focusing on the potential but but what I

391

00:18:40,759 --> 00:18:45,500

say is my sister said when I said that

392

00:18:43,099 --> 00:18:47,119

she remembers it like a dream and I

393

00:18:45,500 --> 00:18:49,130

tried to explain to her but she said I

394

00:18:47,119 --> 00:18:50,839

don't have any lights in the middle I am

395

00:18:49,130 --> 00:18:52,610

Not sure that they were all coming out

396

00:18:50,839 --> 00:18:55,189

the edge is that what you mean the edge

397

00:18:52,609 --> 00:18:57,169

and she went over the edge of you know

398

00:18:55,190 --> 00:19:00,410

the the desk of it so she told me it was

399

00:18:57,170 --> 00:19:02,090

a desk I just ran the central bit so I

400
00:19:00,410 --> 00:19:04,310
knew it was black and I couldn't see the

401
00:19:02,089 --> 00:19:07,579
skip those stars whereas when it gone

402
00:19:04,309 --> 00:19:08,960
all he could see were stars whoa back we

403
00:19:07,579 --> 00:19:15,649
interviewed another witness mark ray

404
00:19:08,960 --> 00:19:18,799
worth on that night you remember that

405
00:19:15,650 --> 00:19:21,050
very vividly he saw two gigantic

406
00:19:18,799 --> 00:19:24,710
triangles moving very slowly from town

407
00:19:21,049 --> 00:19:26,659
hill over towards debate what he

408
00:19:24,710 --> 00:19:27,920
described was on each of these big

409
00:19:26,660 --> 00:19:31,580
triangles was a ring of lights

410
00:19:27,920 --> 00:19:35,120
underneath so I'm wondering whether your

411
00:19:31,579 --> 00:19:37,639
ring your stadium shape central part of

412
00:19:35,119 --> 00:19:38,839
it could have been cut because you said

413
00:19:37,640 --> 00:19:40,130
he can't remember the shape of it it

414
00:19:38,839 --> 00:19:42,470
could have been I don't know the shape

415
00:19:40,130 --> 00:19:44,330
of it I can't say she's congested but

416
00:19:42,470 --> 00:19:46,850
I'm struck by the similarity because he

417
00:19:44,329 --> 00:19:50,269
said he was is this is like Tring

418
00:19:46,849 --> 00:19:52,369
underneath yeah so detail of this ring

419
00:19:50,269 --> 00:19:54,920
and I was talking to this these lighting

420
00:19:52,369 --> 00:19:57,829
so told it did whatever was inside and I

421
00:19:54,920 --> 00:19:59,930
was asking it you know many questions at

422
00:19:57,829 --> 00:20:02,539
the time to kind of logically I was

423
00:19:59,930 --> 00:20:03,830
thinking I mean we've all seen 13 the

424
00:20:02,539 --> 00:20:05,450
closing credits are served crank we'd

425
00:20:03,829 --> 00:20:07,129
all seen that there was like a program

426
00:20:05,450 --> 00:20:09,680
one that was called V at the time when I

427
00:20:07,130 --> 00:20:12,230
was a kid so you know I was I had lots

428

00:20:09,680 --> 00:20:14,000
of questions for come on do you need

429
00:20:12,230 --> 00:20:16,910
that watching the path you need you know

430
00:20:14,000 --> 00:20:19,220
why here why now what's going on

431
00:20:16,910 --> 00:20:23,090
my dog wouldn't come out you know and

432
00:20:19,220 --> 00:20:24,710
and sensed something I had come out but

433
00:20:23,089 --> 00:20:26,539
I don't know why I came out there's no

434
00:20:24,710 --> 00:20:32,029
reason for me to get up tomorrow sitting

435
00:20:26,539 --> 00:20:33,470
you know I just was there any comment by

436
00:20:32,029 --> 00:20:38,690
then the other people who will speak to

437
00:20:33,470 --> 00:20:41,720
you know that time which is why when I

438
00:20:38,690 --> 00:20:42,110
say my sister they left I went I've seen

439
00:20:41,720 --> 00:20:44,630
enough

440
00:20:42,109 --> 00:20:46,129
oh my goodness I just you know it that's

441
00:20:44,630 --> 00:20:50,990
a very strange really I said you're nuts

442
00:20:46,130 --> 00:20:53,540

mean something like that it's very well

443

00:20:50,990 --> 00:20:54,920

after five minutes who's you know I was

444

00:20:53,539 --> 00:20:57,319

just staring there goes my god it's

445

00:20:54,920 --> 00:21:01,340

amazing no I'm a cousin to talk to that

446

00:20:57,319 --> 00:21:03,230

I knew that I wasn't gonna be discounted

447

00:21:01,339 --> 00:21:04,669

and it you know everyone you know I need

448

00:21:03,230 --> 00:21:06,680

you to call somebody others that's how

449

00:21:04,670 --> 00:21:08,420

my brain was working it was yeah I'm

450

00:21:06,680 --> 00:21:10,580

gonna be called nuts I better get some

451

00:21:08,420 --> 00:21:13,279

of that yeah but the racket I was making

452

00:21:10,579 --> 00:21:16,519

out of scream about you know screaming

453

00:21:13,279 --> 00:21:21,559

at them to Matt just kiss event I was

454

00:21:16,519 --> 00:21:24,829

just worried so they came out he stood

455

00:21:21,559 --> 00:21:27,710

there nope yep he's supposed she said

456

00:21:24,829 --> 00:21:31,519

that and Ashley is very quiet very very

457
00:21:27,710 --> 00:21:33,559
quiet just just I mean it's act a

458
00:21:31,519 --> 00:21:36,529
character one for her to follow them

459
00:21:33,559 --> 00:21:38,089
follow a men which makes me feel that

460
00:21:36,529 --> 00:21:40,670
the mechanical of fluid movements they

461
00:21:38,089 --> 00:21:43,309
did was it is under control is account

462
00:21:40,670 --> 00:21:45,080
so there is more to it than what meets

463
00:21:43,309 --> 00:21:47,809
the eye there is more to it than the

464
00:21:45,079 --> 00:21:49,309
store but I have any answers I just I

465
00:21:47,809 --> 00:21:50,869
just I mean I thought what better over

466
00:21:49,309 --> 00:21:52,700
the years and I thought well you know

467
00:21:50,869 --> 00:21:53,029
we're studying my life in any shape or

468
00:21:52,700 --> 00:21:56,450
form

469
00:21:53,029 --> 00:22:00,109
hmm I've had four children and okay no

470
00:21:56,450 --> 00:22:01,970
problem well if that's any study you

471
00:22:00,109 --> 00:22:03,949
know the Old Testament though there were

472
00:22:01,970 --> 00:22:06,500
many many witnesses that night one was

473
00:22:03,950 --> 00:22:11,600
only two streets up as you know yeah

474
00:22:06,500 --> 00:22:12,579
Louis Avenue in Fort Wayne Jones good

475
00:22:11,599 --> 00:22:16,159
person name was it

476
00:22:12,579 --> 00:22:19,339
0.0 uh double I wi ana

477
00:22:16,160 --> 00:22:22,160
he's passed away now but four years ago

478
00:22:19,339 --> 00:22:23,990
but his son has come forward with his

479
00:22:22,160 --> 00:22:28,610
story he was eight

480
00:22:23,990 --> 00:22:30,410
no no it's different one so this one was

481
00:22:28,609 --> 00:22:31,699
just two streets up in Lawrence Avenue

482
00:22:30,410 --> 00:22:34,640
the other sketchy Road

483
00:22:31,700 --> 00:22:36,769
yeah and he saw a black triangle but the

484
00:22:34,640 --> 00:22:37,190
size of a car moving over the top of the

485

00:22:36,769 --> 00:22:39,470
house

486
00:22:37,190 --> 00:22:42,890
the deputy cop as it moved across the

487
00:22:39,470 --> 00:22:45,769
road a walking pace heading this way

488
00:22:42,890 --> 00:22:47,840
about the size of the car yeah and it

489
00:22:45,769 --> 00:22:49,839
was only about 18 inches thick it's

490
00:22:47,839 --> 00:22:51,619
black triangle and you know the

491
00:22:49,839 --> 00:22:53,389
projection from each corner with all

492
00:22:51,619 --> 00:22:55,759
white liked on the end of it and that

493
00:22:53,390 --> 00:22:57,560
was it was heading this way there's no

494
00:22:55,759 --> 00:22:59,210
way it was that small no it's obviously

495
00:22:57,559 --> 00:23:09,039
not the same object but he was within

496
00:22:59,210 --> 00:23:12,950
within I just know that it was 15 it was

497
00:23:09,039 --> 00:23:14,720
15 tiny perfectly because it would be

498
00:23:12,950 --> 00:23:17,330
about right yeah I can't say there's all

499
00:23:14,720 --> 00:23:18,829

I enjoy his wisdom yeah he was a driving

500

00:23:17,329 --> 00:23:21,379

instructor so he was leaving those

501

00:23:18,829 --> 00:23:23,210

specific time to pick up a bike so he

502

00:23:21,380 --> 00:23:26,270

can say clearly I don't know what it was

503

00:23:23,210 --> 00:23:29,240

might my wanna make partner what said

504

00:23:26,269 --> 00:23:31,639

that I told him 13 whatever I might

505

00:23:29,240 --> 00:23:33,200

years ago that it was I was getting

506

00:23:31,640 --> 00:23:38,060

ready to watch she sent us or whatever

507

00:23:33,200 --> 00:23:41,720

time you stand as his on Oh what is it

508

00:23:38,059 --> 00:23:43,369

yeah and they had children it was my

509

00:23:41,720 --> 00:23:47,079

kind of parameter to get the kids to bed

510

00:23:43,369 --> 00:23:50,839

and I was like my day is done when I was

511

00:23:47,079 --> 00:23:53,750

honest anything else or yeah yeah but

512

00:23:50,839 --> 00:23:55,669

not like no no I was walking back from

513

00:23:53,750 --> 00:23:58,000

school one day you know and I thought

514
00:23:55,670 --> 00:23:59,180
you know even to in Baramulla game damn

515
00:23:58,000 --> 00:24:00,950
bottomless

516
00:23:59,180 --> 00:24:02,450
burn it you know it goes flat through

517
00:24:00,950 --> 00:24:04,340
the street then straight yeah just Anna

518
00:24:02,450 --> 00:24:05,750
I remember looking up to the sky because

519
00:24:04,339 --> 00:24:09,049
I think once you've seen something once

520
00:24:05,750 --> 00:24:11,180
you kind of decode okay a certain you

521
00:24:09,049 --> 00:24:14,359
know I don't know if you've got the same

522
00:24:11,180 --> 00:24:17,750
car you sniffing everywhere you see so

523
00:24:14,359 --> 00:24:20,389
much you so yeah that was God when I

524
00:24:17,750 --> 00:24:24,369
heard Dominique so obviously that was

525
00:24:20,390 --> 00:24:26,600
six seven eight years later maybe

526
00:24:24,369 --> 00:24:28,099
yeah just saw this gonna think it was

527
00:24:26,599 --> 00:24:29,699
moving the sky Britt was just it was

528
00:24:28,099 --> 00:24:31,230
this kind of light so

529
00:24:29,700 --> 00:24:32,819
the light was what it wasn't a plane

530
00:24:31,230 --> 00:24:35,250
because it was moving

531
00:24:32,819 --> 00:24:36,869
it was very high up but it looked like a

532
00:24:35,250 --> 00:24:38,759
shiny object but the light was hitting

533
00:24:36,869 --> 00:24:41,039
it so it was kind of you you couldn't

534
00:24:38,759 --> 00:24:43,410
clearly see what it was but it was

535
00:24:41,039 --> 00:24:44,129
movement that I thought was just hang on

536
00:24:43,410 --> 00:24:45,810
that's going

537
00:24:44,130 --> 00:24:47,550
it wasn't look like this it was going up

538
00:24:45,809 --> 00:24:49,319
it looked like what staying still but

539
00:24:47,549 --> 00:24:52,109
then you realize it was getting further

540
00:24:49,319 --> 00:24:59,490
away and then another time was when I

541
00:24:52,109 --> 00:25:04,199
had Laurel which was 96 97 9 1997 yeah

542

00:24:59,490 --> 00:25:09,210
196 it's pretty awful so like night 7:30

543
00:25:04,200 --> 00:25:11,009
yeah 19 8 hey I've been done but I

544
00:25:09,210 --> 00:25:13,049
wasn't done by the time I know the

545
00:25:11,009 --> 00:25:30,000
valley that goes times through from four

546
00:25:13,049 --> 00:25:31,740
I would you know that comes down so

547
00:25:30,000 --> 00:25:34,019
awkward somebody was open and I don't

548
00:25:31,740 --> 00:25:36,690
know christening and after-party you

549
00:25:34,019 --> 00:25:40,079
know with all the kids and in the garden

550
00:25:36,690 --> 00:25:41,250
I saw this kind of cloud but I saw

551
00:25:40,079 --> 00:25:43,559
something behind the cloudiness or the

552
00:25:41,250 --> 00:25:45,509
lights behind the cloud which was and it

553
00:25:43,559 --> 00:25:48,960
seemed like this cloud was moving with

554
00:25:45,509 --> 00:25:50,970
his life but that was again through the

555
00:25:48,960 --> 00:25:55,350
valley if you give you in that area you

556
00:25:50,970 --> 00:25:58,170

can see imagine imagine that's the road

557

00:25:55,349 --> 00:26:00,719

it's the road one time I'm wearing a

558

00:25:58,170 --> 00:26:02,750

half sphere so the valley is going down

559

00:26:00,720 --> 00:26:05,430

and it was just coming back moving

560

00:26:02,750 --> 00:26:07,230

through the valley this cloud but the

561

00:26:05,430 --> 00:26:08,490

lights behind it so I didn't see it but

562

00:26:07,230 --> 00:26:10,589

I saw the lights again

563

00:26:08,490 --> 00:26:13,819

the light so I just thought on this

564

00:26:10,589 --> 00:26:13,819

clever disguise myself

565

00:26:15,950 --> 00:26:20,950

well after that experience I was having

566

00:26:18,900 --> 00:26:23,139

many

567

00:26:20,950 --> 00:26:24,490

dreams that comes past premonitions of

568

00:26:23,138 --> 00:26:26,829

transfer my daughter before I was born

569

00:26:24,490 --> 00:26:30,370

and something old man that you know a

570

00:26:26,829 --> 00:26:33,158

lot of things like that comes upon did

571
00:26:30,369 --> 00:26:34,959
you have any sleep paralysis like before

572
00:26:33,159 --> 00:26:38,110
the event the main event the laughter

573
00:26:34,960 --> 00:26:39,610
the main event is it cases of waking up

574
00:26:38,109 --> 00:26:42,729
and not being able to move and that type

575
00:26:39,609 --> 00:26:44,500
of stuff after Laurel there was a couple

576
00:26:42,730 --> 00:26:45,880
of things but I you know I think I was

577
00:26:44,500 --> 00:26:48,490
just time to catch enough drought and

578
00:26:45,880 --> 00:26:49,929
children you know sleep in my sleep

579
00:26:48,490 --> 00:26:51,819
patterns always completely changed after

580
00:26:49,929 --> 00:26:54,929
having children and you know your breast

581
00:26:51,819 --> 00:26:57,668
feeds are the night and then you tie it

582
00:26:54,929 --> 00:27:00,220
as well as situations will you sort of

583
00:26:57,669 --> 00:27:02,620
wake up a new clue you can't speak one

584
00:27:00,220 --> 00:27:04,298
of our dreams were looking at I thought

585
00:27:02,619 --> 00:27:06,758
a book enough and then again I drank

586
00:27:04,298 --> 00:27:08,230
when I woke up again this happens three

587
00:27:06,759 --> 00:27:16,808
or four times and it just freaky because

588
00:27:08,230 --> 00:27:19,269
you think you're awake going back to the

589
00:27:16,808 --> 00:27:21,878
lighting question the people on the

590
00:27:19,269 --> 00:27:27,519
street that did do you know it did he

591
00:27:21,878 --> 00:27:32,798
know anything family Duncan you submit

592
00:27:27,519 --> 00:27:35,558
such a mrs. Parker down there passed

593
00:27:32,798 --> 00:27:37,599
away the people down there I'm not very

594
00:27:35,558 --> 00:27:39,250
sure that they were so just cuz I said

595
00:27:37,599 --> 00:27:41,678
it was a student there's only one or two

596
00:27:39,250 --> 00:27:43,500
students house but these rent house or

597
00:27:41,679 --> 00:27:45,850
flat down that so didn't know they were

598
00:27:43,500 --> 00:27:47,919
you gentleman down there like it's from

599

00:27:45,849 --> 00:28:04,808
host man you should tend to his roses

600
00:27:47,919 --> 00:28:06,070
all the time he passed away that's why

601
00:28:04,808 --> 00:28:07,778
when you just said the boy would say

602
00:28:06,069 --> 00:28:10,119
that's quite interesting to being

603
00:28:07,778 --> 00:28:12,460
because you know all these children and

604
00:28:10,119 --> 00:28:14,888
I remember it is clear as day because no

605
00:28:12,460 --> 00:28:16,000
one has shaken at me from or you

606
00:28:14,888 --> 00:28:17,769
couldn't have been know that wouldn't

607
00:28:16,000 --> 00:28:20,138
you know so many people you know and

608
00:28:17,769 --> 00:28:22,089
anybody killed so obviously that's why

609
00:28:20,138 --> 00:28:24,008
for many years I kept quiet about things

610
00:28:22,089 --> 00:28:26,740
or if the subject came up and people

611
00:28:24,009 --> 00:28:27,900
were interested I'd speak about it but

612
00:28:26,740 --> 00:28:31,799
otherwise you know

613
00:28:27,900 --> 00:28:33,509

you know butts the young boy seal spring

614

00:28:31,799 --> 00:28:35,419

came round and we talked about this when

615

00:28:33,509 --> 00:28:37,650

I found out I could say from actually

616

00:28:35,420 --> 00:28:38,640

about the circumference of it she's

617

00:28:37,650 --> 00:28:41,370

although it's coming out the skin

618

00:28:38,640 --> 00:28:43,680

Francis the first time I knew as they

619

00:28:41,369 --> 00:28:47,250

because I could see stars you know

620

00:28:43,680 --> 00:29:01,970

because when it gone I saw it starts so

621

00:28:47,250 --> 00:29:01,970

not that many other II thought okay

622

00:29:02,029 --> 00:29:07,500

disappear did you actually see it smooth

623

00:29:05,960 --> 00:29:10,500

just one minute

624

00:29:07,500 --> 00:29:13,319

air thanks well yeah and that's the bit

625

00:29:10,500 --> 00:29:15,839

that annoys me the most is that I was

626

00:29:13,319 --> 00:29:17,460

there from the moment I came out and I

627

00:29:15,839 --> 00:29:19,289

was the first person out on the streets

628
00:29:17,460 --> 00:29:21,029
I'm a killer knows how to fight minutes

629
00:29:19,289 --> 00:29:22,859
cuz I'm talking to it and looking at the

630
00:29:21,029 --> 00:29:24,389
lights and thinking what he's trying to

631
00:29:22,859 --> 00:29:26,069
say to me through these lights or you

632
00:29:24,390 --> 00:29:28,050
know that's what that's my mind that was

633
00:29:26,069 --> 00:29:29,490
my mind was thinking because I'd seen

634
00:29:28,049 --> 00:29:32,339
these films it wasn't the influence of

635
00:29:29,490 --> 00:29:34,519
these films I felt like it's about to be

636
00:29:32,339 --> 00:29:37,799
in that I wasn't scared or nervous

637
00:29:34,519 --> 00:29:42,629
that's all I felt very uncomfortable I

638
00:29:37,799 --> 00:29:44,609
just wanted to know why yeah so I'm

639
00:29:42,630 --> 00:29:46,530
staring at it I'm seeing the lights and

640
00:29:44,609 --> 00:29:49,109
I'm thinking after you know I'm studying

641
00:29:46,529 --> 00:29:50,490
the shapes of never like the shape of

642
00:29:49,109 --> 00:29:54,119
the stage in me that's why I could say

643
00:29:50,490 --> 00:29:55,829
it so clearly what I saw I could draw it

644
00:29:54,119 --> 00:29:58,579
and I could even you know I want to say

645
00:29:55,829 --> 00:30:01,980
every test sent more paralyzed those

646
00:29:58,579 --> 00:30:06,569
lights the windows both little pearly

647
00:30:01,980 --> 00:30:11,339
it's kind of like a pulsing like this

648
00:30:06,569 --> 00:30:12,808
about this yeah it's very soft

649
00:30:11,339 --> 00:30:15,959
I remember when off the Rubicon never

650
00:30:12,808 --> 00:30:18,690
settled did somebody mention a little

651
00:30:15,960 --> 00:30:20,519
missing time after you witnessed it was

652
00:30:18,690 --> 00:30:22,980
the only missing time I asked of them I

653
00:30:20,519 --> 00:30:24,150
don't well the only thing getting back

654
00:30:22,980 --> 00:30:25,620
to the question just asked me did I

655
00:30:24,150 --> 00:30:27,590
think it go didn't deem it here like

656

00:30:25,619 --> 00:30:31,248
they was I was standing here and I'm

657
00:30:27,589 --> 00:30:32,959
in the end I'm like come on move you

658
00:30:31,249 --> 00:30:34,940
know that's that was my attitude it was

659
00:30:32,960 --> 00:30:37,129
it was quite jokey about it it's like

660
00:30:34,940 --> 00:30:38,659
okay you know I just wanna see you move

661
00:30:37,128 --> 00:30:41,028
we move now what can take more than it

662
00:30:38,659 --> 00:30:42,200
unit but it doesn't time because when

663
00:30:41,028 --> 00:30:44,839
you were aware suddenly where they're

664
00:30:42,200 --> 00:30:46,370
gone the other spectators in the street

665
00:30:44,839 --> 00:30:50,418
that had gone as well well that's what I

666
00:30:46,369 --> 00:30:51,798
mean well however long later it was I

667
00:30:50,419 --> 00:30:53,809
didn't look at the time when I went in

668
00:30:51,798 --> 00:30:55,519
and my stepfather said did you see it go

669
00:30:53,808 --> 00:30:58,128
you know there was old that jokey

670
00:30:55,519 --> 00:30:59,868

element there my sister was silent but I

671
00:30:58,128 --> 00:31:00,439
was looking at it and I was sitting come

672
00:30:59,868 --> 00:31:02,839
on then

673
00:31:00,440 --> 00:31:04,999
will you move some get bored now first I

674
00:31:02,839 --> 00:31:07,038
should leave when I was getting bored

675
00:31:04,999 --> 00:31:08,659
it's been long enough and and it wasn't

676
00:31:07,038 --> 00:31:10,999
cold it was still like that

677
00:31:08,659 --> 00:31:13,759
you know when you use make this if you

678
00:31:10,999 --> 00:31:15,288
want to pop your ears that was the site

679
00:31:13,759 --> 00:31:19,069
there being a bit of heat coming from it

680
00:31:15,288 --> 00:31:21,319
then that fresh no I just think you know

681
00:31:19,069 --> 00:31:23,509
I just think he cannot stop the cold

682
00:31:21,319 --> 00:31:25,579
yeah and Johnny late wasn't it it should

683
00:31:23,509 --> 00:31:27,319
have been cold yeah yeah but then I was

684
00:31:25,579 --> 00:31:32,148
a kiddin I was out nowhere there's any

685
00:31:27,319 --> 00:31:33,470
way not the money no acid is gone you

686
00:31:32,148 --> 00:31:37,368
noticed that the people are gone as well

687
00:31:33,470 --> 00:31:39,440
yeah yeah so Dave and I stayed on in I'm

688
00:31:37,368 --> 00:31:40,999
like not something I wasn't even aware

689
00:31:39,440 --> 00:31:42,379
of the people at that point only when

690
00:31:40,999 --> 00:31:44,960
they came out did I look and I go oh

691
00:31:42,378 --> 00:31:46,878
yeah we went way even go night we're all

692
00:31:44,960 --> 00:31:49,730
looking at it you know I suppose but I

693
00:31:46,878 --> 00:31:51,969
was focusing it was just me focusing

694
00:31:49,730 --> 00:31:55,929
then I was books on anyone else this is

695
00:31:51,970 --> 00:31:55,929
you know you don't look at anything else

696
00:31:57,859 --> 00:32:03,829
in the end when take when and as we go

697
00:32:01,920 --> 00:32:07,710
it I'm I didn't even took my eyes off it

698
00:32:03,829 --> 00:32:10,349
and he said I've seen enough is a UFO

699
00:32:07,710 --> 00:32:13,019
it's a once-in-a-lifetime opportunity we

700
00:32:10,349 --> 00:32:14,849
do it and deal with them I just carried

701
00:32:13,019 --> 00:32:17,009
on walking then actually the core might

702
00:32:14,849 --> 00:32:18,599
sheet I said what you doing at shouldn't

703
00:32:17,009 --> 00:32:26,339
send it just walked in mmm

704
00:32:18,599 --> 00:32:28,799
Fox fluidly kind of you know when I so

705
00:32:26,339 --> 00:32:30,959
this is deep you know I'm standing that

706
00:32:28,799 --> 00:32:34,919
good you know but what you doing Dave

707
00:32:30,960 --> 00:32:37,350
just goes seen enough her name and she

708
00:32:34,920 --> 00:32:46,620
came it just he just steps down and she

709
00:32:37,349 --> 00:32:49,308
just was very how many people he would

710
00:32:46,619 --> 00:32:51,989
just bang them one in your mind yeah but

711
00:32:49,308 --> 00:32:55,109
because I mean most people want to see

712
00:32:51,990 --> 00:32:57,630
this to me I think I'd probably dreamt

713

00:32:55,109 --> 00:32:59,759
about or asked for this to happen

714
00:32:57,630 --> 00:33:01,440
many of you know like say I was very

715
00:32:59,759 --> 00:33:03,359
uncomfortable when it happens what

716
00:33:01,440 --> 00:33:05,640
you're saying basically is if something

717
00:33:03,359 --> 00:33:08,250
was convincing him to service yes that's

718
00:33:05,640 --> 00:33:09,660
what we do I feel like that is and

719
00:33:08,250 --> 00:33:11,579
whether he knew it or not I mean there

720
00:33:09,660 --> 00:33:14,600
was no choice I think it was his choice

721
00:33:11,579 --> 00:33:14,599
to of--can

722
00:33:31,619 --> 00:33:40,419
how'd you explain this right so across

723
00:33:36,910 --> 00:33:43,210
the street here this is the stadium

724
00:33:40,420 --> 00:33:47,080
shape alcoholic protrusion underneath

725
00:33:43,210 --> 00:33:50,079
the craft that I saw these were the

726
00:33:47,079 --> 00:33:53,289
windows they were paralyzed pulsing

727
00:33:50,079 --> 00:33:56,889

lights that would move but more pulse

728

00:33:53,289 --> 00:33:59,259

and move and it wasn't her this I call

729

00:33:56,890 --> 00:34:01,990

it as my seventies craft because it was

730

00:33:59,259 --> 00:34:07,180

very clunky it wasn't streamlined as

731

00:34:01,990 --> 00:34:09,400

you'd imagine a space craft to be so um

732

00:34:07,180 --> 00:34:12,700

it was almost like I could see the joins

733

00:34:09,400 --> 00:34:16,090

of everything you know the it was crude

734

00:34:12,699 --> 00:34:17,589

and this is all the darkness I couldn't

735

00:34:16,090 --> 00:34:19,750

see that I think that's the bottom of

736

00:34:17,590 --> 00:34:22,630

the craft but I was focusing on this so

737

00:34:19,750 --> 00:34:25,510

I couldn't see this is from the floor to

738

00:34:22,630 --> 00:34:28,450

the pavement 30 feet above imagine the

739

00:34:25,510 --> 00:34:32,080

houses 20 to 40 feet I suppose and all

740

00:34:28,449 --> 00:34:34,750

in total it was very low it was silent

741

00:34:32,079 --> 00:34:37,418

you could hear a pin drop ascent it felt

742
00:34:34,750 --> 00:34:39,969
like your ears would pop but that was

743
00:34:37,418 --> 00:34:42,190
the atmosphere of the street so there

744
00:34:39,969 --> 00:34:45,279
was people stand into this side in this

745
00:34:42,190 --> 00:34:47,639
house people stand in there's another

746
00:34:45,280 --> 00:34:50,080
set of houses and next ones over and

747
00:34:47,639 --> 00:34:51,789
then on my side there was a lot of

748
00:34:50,079 --> 00:34:54,639
people like but by the time the

749
00:34:51,789 --> 00:34:56,079
continent my everyone had went and the

750
00:34:54,639 --> 00:34:58,710
craft had gone there was nobody on the

751
00:34:56,079 --> 00:35:02,009
street but myself so this is opposite

752
00:34:58,710 --> 00:35:06,039
pictured Road this is 38 where I'm at

753
00:35:02,010 --> 00:35:16,790
well those numbers of Zartha it's would

754
00:35:06,039 --> 00:35:22,349
be by 10 feet there it was

755
00:35:16,789 --> 00:35:25,500
and my sister who was with me who was

756
00:35:22,349 --> 00:35:27,000
standing next to me only many years

757
00:35:25,500 --> 00:35:30,030
later she'd say she remember it like a

758
00:35:27,000 --> 00:35:31,860
dream and she saw the circumference of

759
00:35:30,030 --> 00:35:33,900
the craft and all these lights come in

760
00:35:31,860 --> 00:35:35,700
at the edge which would have been all

761
00:35:33,900 --> 00:35:38,010
the way over there to the end of the

762
00:35:35,699 --> 00:35:40,379
street certainly the end of those houses

763
00:35:38,010 --> 00:35:43,560
if not further so if that's the

764
00:35:40,380 --> 00:35:45,329
circumference she saw I can't judge that

765
00:35:43,559 --> 00:35:47,250
I just remember this being black and

766
00:35:45,329 --> 00:35:49,710
when it disappeared all I could see was

767
00:35:47,250 --> 00:35:52,409
dots of stars but it didn't disappear it

768
00:35:49,710 --> 00:35:54,690
just it was just gone and that's what

769
00:35:52,409 --> 00:35:55,889
left me dumbfounded because I wanted it

770

00:35:54,690 --> 00:35:57,119
to see it girl do you know what that

771
00:35:55,889 --> 00:35:59,039
sounds like to me it tells that you're

772
00:35:57,119 --> 00:36:00,869
abducted and just pop back at the spot

773
00:35:59,039 --> 00:36:03,000
and they tuck off some of the time you

774
00:36:00,869 --> 00:36:04,829
come round it as far as you can see they

775
00:36:03,000 --> 00:36:07,849
just got it to me I'm such a strong pair

776
00:36:04,829 --> 00:36:11,009
and I know my mind I know you know I

777
00:36:07,849 --> 00:36:13,019
don't unless they just completely wiped

778
00:36:11,010 --> 00:36:14,610
it and let me think what I wanted to

779
00:36:13,019 --> 00:36:16,739
think like my stepfather is very

780
00:36:14,610 --> 00:36:19,079
strong-minded as well for him not to

781
00:36:16,739 --> 00:36:20,759
remember it I just feel it's just it is

782
00:36:19,079 --> 00:36:22,590
it that that's the bit that lets me down

783
00:36:20,760 --> 00:36:25,860
and get cut it about because I don't

784
00:36:22,590 --> 00:36:27,510

know what happened but the pool patch if

785

00:36:25,860 --> 00:36:30,930

I go back to a hypnotist and find out it

786

00:36:27,510 --> 00:36:32,490

was a I was not a nice it's very no no

787

00:36:30,929 --> 00:36:34,349

we got this on camera can you can you

788

00:36:32,489 --> 00:36:41,069

show the bone Patrick and do you mind no

789

00:36:34,349 --> 00:36:44,329

I get to that's right can you help me

790

00:36:41,070 --> 00:36:48,030

find it I don't know what I can feel it

791

00:36:44,329 --> 00:36:48,980

yeah what's it but if you feel it there

792

00:36:48,030 --> 00:36:53,519

is a lump there

793

00:36:48,980 --> 00:36:56,940

yeah I see it Kichi a lump see it yeah

794

00:36:53,519 --> 00:37:07,670

definitely look that it certainly wasn't

795

00:36:56,940 --> 00:37:07,670

that no it's out there

796

00:37:14,869 --> 00:37:16,929

you
