

1
00:00:19,690 --> 00:00:24,130
welcome I've never done this before so

2
00:00:23,050 --> 00:00:26,760
you have to pay would be especially

3
00:00:24,129 --> 00:00:30,309
after mr. Howard Jones is superb

4
00:00:26,760 --> 00:00:32,410
delivery was a professionally probably a

5
00:00:30,309 --> 00:00:34,420
broadcast he planted by comparison to

6
00:00:32,409 --> 00:00:37,929
him for anyway I'd like to share with

7
00:00:34,420 --> 00:00:40,539
you the experiences that I had all along

8
00:00:37,929 --> 00:00:44,619
be the type in connection with crop

9
00:00:40,539 --> 00:00:47,378
circles what I've tried to do it didn't

10
00:00:44,619 --> 00:00:48,969
unfortunately have enough literature to

11
00:00:47,378 --> 00:00:52,000
give you but some people do have

12
00:00:48,969 --> 00:00:55,719
illustrations of some of the things that

13
00:00:52,000 --> 00:01:00,850
I will mention in here crop circles wow

14
00:00:55,719 --> 00:01:04,989
where do we start a giant hoax or some

15
00:01:00,850 --> 00:01:08,799
form of non-human intelligence trying to

16
00:01:04,989 --> 00:01:11,978
communicate with us if so what is the

17
00:01:08,799 --> 00:01:15,819
message for example if any of you seen

18
00:01:11,978 --> 00:01:20,459
or being in a crop circle at all any

19
00:01:15,819 --> 00:01:23,559
anyone had experience of it no right now

20
00:01:20,459 --> 00:01:25,949
I'll tell you what I don't even I'll

21
00:01:23,560 --> 00:01:31,090
never forget the first crop server i saw

22
00:01:25,950 --> 00:01:33,549
was in 2004 in shell hill just outside

23
00:01:31,090 --> 00:01:37,299
the town of khan in wheelchair southern

24
00:01:33,549 --> 00:01:39,759
England it was city we did below the

25
00:01:37,299 --> 00:01:43,209
white horse which is carved out of the

26
00:01:39,760 --> 00:01:45,790
hill site and consists of chalk no on

27
00:01:43,209 --> 00:01:47,979
the front page of some of the people

28
00:01:45,790 --> 00:01:51,580
that have the leaflets you will see the

29

00:01:47,980 --> 00:01:54,640
actual white horse and also at the crop

30
00:01:51,579 --> 00:01:58,950
formation that particular crop formation

31
00:01:54,640 --> 00:02:02,260
measured so 380 feet across

32
00:01:58,950 --> 00:02:05,770
geometrically absolutely perfect and

33
00:02:02,260 --> 00:02:09,340
that particular design was actually the

34
00:02:05,769 --> 00:02:11,949
Star of David of Bethlehem those

35
00:02:09,340 --> 00:02:14,610
interesting to note the crop circles

36
00:02:11,949 --> 00:02:17,139
that are never replicated there are no

37
00:02:14,610 --> 00:02:21,550
to crop circles and saying they're all

38
00:02:17,139 --> 00:02:24,669
entirely different when inside the crop

39
00:02:21,550 --> 00:02:29,770
circle you can actually feel a very very

40
00:02:24,669 --> 00:02:32,179
definitive energy the crop was sweet and

41
00:02:29,770 --> 00:02:35,939
bent now the interesting thing

42
00:02:32,180 --> 00:02:38,280
the nodules of the corn were actually

43
00:02:35,939 --> 00:02:42,930

bet they weren't brought in any shape

44

00:02:38,280 --> 00:02:46,650

or form the crop inside had a very rough

45

00:02:42,930 --> 00:02:49,770

hard feel it rather sticky actually in

46

00:02:46,650 --> 00:02:52,530

substance was the crop outside of the

47

00:02:49,770 --> 00:02:56,880

circle was very very smooth and pliable

48

00:02:52,530 --> 00:03:03,719

Azure grid energy had actually the crop

49

00:02:56,879 --> 00:03:05,340

had been exposed to this area that is

50

00:03:03,719 --> 00:03:08,280

where the crop circle as well its vast

51

00:03:05,340 --> 00:03:12,090

plains is actually the breadbasket of

52

00:03:08,280 --> 00:03:14,099

England and is rich in many many leg

53

00:03:12,090 --> 00:03:18,450

lines that so many ley lines and energy

54

00:03:14,099 --> 00:03:22,439

lines on this plane for example we've

55

00:03:18,449 --> 00:03:26,369

got some henge the Neolithic stones

56

00:03:22,439 --> 00:03:29,370

available under a large suppose it

57

00:03:26,370 --> 00:03:33,360

ancient burial mound called syllabary

58
00:03:29,370 --> 00:03:35,789
helmet which has been suggested that

59
00:03:33,360 --> 00:03:40,620
over the centuries it's been a landing

60
00:03:35,789 --> 00:03:42,449
site for UFOs and I've no evidence of it

61
00:03:40,620 --> 00:03:45,300
as such that i can chill either no but

62
00:03:42,449 --> 00:03:47,459
it's it is a theory and in fact Silbury

63
00:03:45,300 --> 00:03:51,300
Hill rises above the flat plains of

64
00:03:47,460 --> 00:03:54,240
wheelchair and is itself completely flat

65
00:03:51,300 --> 00:03:57,000
and we can be seen for miles just if you

66
00:03:54,240 --> 00:04:00,360
are familiar with that area that the air

67
00:03:57,000 --> 00:04:03,330
is vast as all things the whole area is

68
00:04:00,360 --> 00:04:08,250
actually hot spot for various blunt

69
00:04:03,330 --> 00:04:13,220
phenomena and crop circles encompass in

70
00:04:08,250 --> 00:04:18,319
all ears in the road con pusey devices

71
00:04:13,219 --> 00:04:22,048
Avery Alton Barnes and bishops turn in I

72
00:04:18,319 --> 00:04:23,730
became so interested in this that I

73
00:04:22,048 --> 00:04:27,079
became a member of the wheelchair

74
00:04:23,730 --> 00:04:32,700
proximal Society for over 10 years and

75
00:04:27,079 --> 00:04:35,719
all this time we had or I've seen

76
00:04:32,699 --> 00:04:40,019
literally a few hundred crop formations

77
00:04:35,720 --> 00:04:42,930
a result of an incredible phenomena or

78
00:04:40,019 --> 00:04:45,538
man-made yes absolutely

79
00:04:42,930 --> 00:04:48,990
men on the way home from the pub with

80
00:04:45,538 --> 00:04:52,199
planks gas cylinders dogs doing it for

81
00:04:48,990 --> 00:04:56,780
nations which are instantaneously

82
00:04:52,199 --> 00:05:00,240
different in quality from the others

83
00:04:56,779 --> 00:05:03,119
however what about large circles

84
00:05:00,240 --> 00:05:06,019
designed that appear in desert sands or

85
00:05:03,120 --> 00:05:09,300
circle designs in a so very interesting

86

00:05:06,019 --> 00:05:12,810
thing has come for this evening the

87
00:05:09,300 --> 00:05:16,829
gentleman here has fought a very good

88
00:05:12,810 --> 00:05:20,098
picture of a massive server which is the

89
00:05:16,829 --> 00:05:25,439
man-made formed on the suns in the

90
00:05:20,098 --> 00:05:27,569
finger westbury 4000 longer total

91
00:05:25,439 --> 00:05:32,250
coincidence wat is just what is here the

92
00:05:27,569 --> 00:05:35,219
scene in any way for example mandiant if

93
00:05:32,250 --> 00:05:38,639
you think that man me some years ago a

94
00:05:35,220 --> 00:05:45,530
large formation with a highly complex

95
00:05:38,639 --> 00:05:45,530
craption of 1000 circles within circles

96
00:05:47,089 --> 00:05:55,348
producing the shape of a scorpion again

97
00:05:51,000 --> 00:05:57,478
perfect geometrically within 50 yards of

98
00:05:55,348 --> 00:06:00,658
the main London Road in and up of the

99
00:05:57,478 --> 00:06:04,680
tone of car summertime I think it's

100
00:06:00,658 --> 00:06:08,598

reasonable to say it's dark eleven

101

00:06:04,680 --> 00:06:12,329
o'clock level 15 door one summer time

102

00:06:08,598 --> 00:06:15,269
for 30 and it's there for all to see

103

00:06:12,329 --> 00:06:19,339
within 50 yards of the main road no one

104

00:06:15,269 --> 00:06:23,519
sees a thing the formation measured some

105

00:06:19,339 --> 00:06:26,579
980 feet across achieved in four and a

106

00:06:23,519 --> 00:06:29,848
half hours in the dark and Norman sees a

107

00:06:26,579 --> 00:06:32,459
thing so guys if you are doing these

108

00:06:29,848 --> 00:06:35,069
things show us we've seen the smaller

109

00:06:32,459 --> 00:06:38,069
circles and everything but not on that

110

00:06:35,069 --> 00:06:41,610
steel and these are absolutely perfectly

111

00:06:38,069 --> 00:06:44,819
made of a demo repeat myself the corn is

112

00:06:41,610 --> 00:06:47,970
is actually sways and mock Magnus just

113

00:06:44,819 --> 00:06:50,038
bend no one's left their plant cell

114

00:06:47,970 --> 00:06:52,340
antibodies are strongly all their

115
00:06:50,038 --> 00:06:52,339
ex-wives

116
00:06:52,519 --> 00:06:58,549
researchers believe there is evidence of

117
00:06:55,949 --> 00:07:01,408
a very high energy beginner flight

118
00:06:58,550 --> 00:07:05,699
skeptics of course believe the majority

119
00:07:01,408 --> 00:07:09,538
of formations of all man made for

120
00:07:05,699 --> 00:07:12,990
example some years ago there was a

121
00:07:09,538 --> 00:07:15,718
design of a messy car made for

122
00:07:12,990 --> 00:07:19,709
an ablative Alton Barnes in wilcher back

123
00:07:15,718 --> 00:07:25,199
in 1998 this took an astonishing two

124
00:07:19,709 --> 00:07:27,389
days to complete in broad daylight when

125
00:07:25,199 --> 00:07:31,740
the crop circle starts I really can't

126
00:07:27,389 --> 00:07:33,800
answer that and the list we have any

127
00:07:31,740 --> 00:07:39,809
reference to anything to do with the

128
00:07:33,800 --> 00:07:41,520
crop circles and back in 1678 obviously

129
00:07:39,809 --> 00:07:44,490
a long time ago there were something

130
00:07:41,519 --> 00:07:47,609
known as the mowing devil and he was an

131
00:07:44,490 --> 00:07:51,329
impish style character that literally

132
00:07:47,610 --> 00:07:54,990
went through the proper it created a

133
00:07:51,329 --> 00:07:56,639
formation with a scythe but that's going

134
00:07:54,990 --> 00:07:59,338
back from historical times I can't

135
00:07:56,639 --> 00:08:01,619
actually tell you probably would think

136
00:07:59,338 --> 00:08:04,800
within a 30 or 40 years crop circles

137
00:08:01,619 --> 00:08:07,349
have become very prevalent during my

138
00:08:04,800 --> 00:08:10,228
tenure as member of the crop circle

139
00:08:07,348 --> 00:08:14,459
society we had many many interesting

140
00:08:10,228 --> 00:08:18,389
weekends researching exploring an eager

141
00:08:14,459 --> 00:08:21,439
there was a new formation the over that

142
00:08:18,389 --> 00:08:24,269
period of time we had a number of very

143

00:08:21,439 --> 00:08:27,479
interesting people from all those we

144
00:08:24,269 --> 00:08:32,578
were given talks researchers and

145
00:08:27,478 --> 00:08:36,598
skeptics alike notably the world leading

146
00:08:32,578 --> 00:08:39,418
researcher on crop formations is another

147
00:08:36,599 --> 00:08:44,730
who Indian by the name of rod bear cloud

148
00:08:39,418 --> 00:08:46,948
now living in Canada his whole life has

149
00:08:44,730 --> 00:08:49,199
been studying crop circles all over the

150
00:08:46,948 --> 00:08:51,778
world in this country for example they

151
00:08:49,198 --> 00:08:54,809
they contained in will channel super get

152
00:08:51,778 --> 00:08:57,990
anything in new castle or Sunderland or

153
00:08:54,809 --> 00:09:00,229
whatever was we get away for sightings

154
00:08:57,990 --> 00:09:03,310
in westmeath we don't get crop circles

155
00:09:00,230 --> 00:09:07,450
he studied the subject for many many

156
00:09:03,309 --> 00:09:10,059
is he believes that they come from the

157
00:09:07,450 --> 00:09:13,240

hieroglyphics in the King's Chamber in

158

00:09:10,059 --> 00:09:15,639

the Great Pyramid as far as the Incas

159

00:09:13,240 --> 00:09:20,700

are concerned it comes from Machu Picchu

160

00:09:15,639 --> 00:09:24,009

in Peru and the temples of Cambodia and

161

00:09:20,700 --> 00:09:27,339

many various sacred sites all over the

162

00:09:24,009 --> 00:09:29,559

world again every people I said there

163

00:09:27,339 --> 00:09:32,200

are never to patterns of like each is

164

00:09:29,559 --> 00:09:35,619

completely individual with its own

165

00:09:32,200 --> 00:09:39,790

message for example as far as Rob bear

166

00:09:35,620 --> 00:09:42,970

cloud was concerned Indian reservations

167

00:09:39,789 --> 00:09:45,778

in America are self policing no

168

00:09:42,970 --> 00:09:50,649

government authority is allowed entry or

169

00:09:45,778 --> 00:09:54,480

fly over landed upon ahem he says that

170

00:09:50,649 --> 00:09:57,759

his forefathers for thousands of years

171

00:09:54,480 --> 00:10:00,670

I've actually been busy visited by what

172
00:09:57,759 --> 00:10:03,129
he calls the star people who apparently

173
00:10:00,669 --> 00:10:07,959
come not unlike the Egyptians from the

174
00:10:03,129 --> 00:10:12,309
dog star or Orion and that we humans are

175
00:10:07,960 --> 00:10:14,860
the offspring of extraterrestrials would

176
00:10:12,309 --> 00:10:18,129
deeply concerned that their prodigies

177
00:10:14,860 --> 00:10:22,930
are destroying mother earth which is

178
00:10:18,129 --> 00:10:24,789
true with chemicals Civil War possibly

179
00:10:22,929 --> 00:10:28,629
nuclear attacks doesn't big a fear of

180
00:10:24,789 --> 00:10:30,929
all these glyphs of binary messages are

181
00:10:28,629 --> 00:10:34,000
sent to us in a form of a crop circle

182
00:10:30,929 --> 00:10:35,729
warning us of the damage that we

183
00:10:34,000 --> 00:10:38,529
actually do into mother earth and

184
00:10:35,730 --> 00:10:42,310
there's a consequence of destroying the

185
00:10:38,529 --> 00:10:46,059
world we however are not advanced enough

186
00:10:42,309 --> 00:10:51,489
to be able to interpret and see what

187
00:10:46,059 --> 00:10:54,699
these signs are actually telling us the

188
00:10:51,490 --> 00:10:57,669
extremely precise geometrical qualities

189
00:10:54,700 --> 00:10:59,320
of some crop formations though if you're

190
00:10:57,669 --> 00:11:03,429
lucky enough to have an effect on the

191
00:10:59,320 --> 00:11:08,980
second page there a German researcher

192
00:11:03,429 --> 00:11:11,409
has drawn the geometry of a crop circle

193
00:11:08,980 --> 00:11:13,840
which is when you have a look at it it's

194
00:11:11,409 --> 00:11:18,490
so complex but it is

195
00:11:13,840 --> 00:11:21,879
we perfectly on each crop circle has its

196
00:11:18,490 --> 00:11:31,769
own genre 54 it's actually put into a

197
00:11:21,879 --> 00:11:36,970
server now these circles are either

198
00:11:31,769 --> 00:11:41,110
natural mathematical laws or sign kind

199
00:11:36,970 --> 00:11:45,300
of premarital telligence is involved in

200

00:11:41,110 --> 00:11:48,100
it the notion that such non-random

201
00:11:45,299 --> 00:11:52,689
accuracy could be trumped up by hoaxers

202
00:11:48,100 --> 00:11:56,110
in dark fields civilian a stretches the

203
00:11:52,690 --> 00:12:00,400
credibility of many observers complex

204
00:11:56,110 --> 00:12:02,200
tangents geometrical alignments present

205
00:12:00,399 --> 00:12:04,959
in three of the pictograms that are

206
00:12:02,200 --> 00:12:06,400
actually on page two I do apologize with

207
00:12:04,960 --> 00:12:08,290
not everybody managed to get the

208
00:12:06,399 --> 00:12:11,139
information but the people who do have

209
00:12:08,289 --> 00:12:14,889
it can see on page to the complex or

210
00:12:11,139 --> 00:12:17,470
there um if it means anything that the

211
00:12:14,889 --> 00:12:20,949
Germans neighbor who actually study that

212
00:12:17,470 --> 00:12:25,509
is a specialist on it his name is

213
00:12:20,950 --> 00:12:27,400
Wolfgang slightly got a name and John

214
00:12:25,509 --> 00:12:29,350

Bartle ooh there are the two people

215

00:12:27,399 --> 00:12:32,079

responsible for the research on these

216

00:12:29,350 --> 00:12:34,870

and they have carried an extensive

217

00:12:32,080 --> 00:12:37,629

search on that area now another not

218

00:12:34,870 --> 00:12:40,810

well-known person who was actually

219

00:12:37,629 --> 00:12:43,870

president of which a crop said Society

220

00:12:40,809 --> 00:12:46,179

for many years before he died was he

221

00:12:43,870 --> 00:12:49,570

didn't see her was 60 sentiste man the

222

00:12:46,179 --> 00:12:52,569

troggs it was reg Presley never had a

223

00:12:49,570 --> 00:12:54,370

garage there's a Monday the middle reg

224

00:12:52,570 --> 00:12:58,450

reg I'm sure you've all heard about him

225

00:12:54,370 --> 00:13:03,460

no reg Lipton devices and it was very

226

00:12:58,450 --> 00:13:05,730

very knowledgeable on all is reg wrote a

227

00:13:03,460 --> 00:13:09,610

very interesting book called 40 things

228

00:13:05,730 --> 00:13:11,379

they would tell us about I have a

229

00:13:09,610 --> 00:13:14,169
copyright that which I'll bring next

230

00:13:11,379 --> 00:13:19,179
time and couldn't get it in time to the

231

00:13:14,169 --> 00:13:22,000
ceiling now a video which he once showed

232

00:13:19,179 --> 00:13:26,679
us at one of the meetings showed a

233

00:13:22,000 --> 00:13:30,089
thorner playing a fellow on the world

234

00:13:26,679 --> 00:13:34,778
and directly behind him was a big

235

00:13:30,089 --> 00:13:38,620
plantation of corn without anyone in 30

236

00:13:34,778 --> 00:13:41,740
it selects about the size of large beach

237

00:13:38,620 --> 00:13:44,440
house came down for the sky and for

238

00:13:41,740 --> 00:13:47,980
about five minutes they actually just

239

00:13:44,440 --> 00:13:51,279
went over the crop up down just all it

240

00:13:47,980 --> 00:13:53,680
then all of a sudden a formation was

241

00:13:51,278 --> 00:13:55,689
created by these orbs of light which

242

00:13:53,679 --> 00:13:58,659
went directly straight up into the sky

243
00:13:55,690 --> 00:14:00,640
and there they were know if this is a

244
00:13:58,659 --> 00:14:05,969
hoax I don't know it's one that Robert

245
00:14:00,639 --> 00:14:09,519
reg actually presented and showed us and

246
00:14:05,970 --> 00:14:11,350
it's it as I say you know people can

247
00:14:09,519 --> 00:14:14,829
make their own judgment whether it's

248
00:14:11,350 --> 00:14:17,110
right wrong or indifferent anyway I'd

249
00:14:14,830 --> 00:14:21,580
like to say before I conclude because I

250
00:14:17,110 --> 00:14:23,440
brought quite a long DVD for you to see

251
00:14:21,580 --> 00:14:24,639
on the eris crop circles you can take

252
00:14:23,440 --> 00:14:26,080
all even though we're not going to do

253
00:14:24,639 --> 00:14:29,919
that because we've got other things to

254
00:14:26,080 --> 00:14:33,520
discuss but you can see it for 20-25

255
00:14:29,919 --> 00:14:35,620
minutes I've had this for many years and

256
00:14:33,519 --> 00:14:37,480
I've never seen it myself so we go

257

00:14:35,620 --> 00:14:41,620
interested in in and see what it's about

258
00:14:37,480 --> 00:14:43,810
there's one very impressed in crop

259
00:14:41,620 --> 00:14:46,959
circle I am sure you've heard of the

260
00:14:43,809 --> 00:14:50,619
organization set e which is search for

261
00:14:46,958 --> 00:14:55,149
extraterrestrial life Americans and that

262
00:14:50,620 --> 00:15:01,330
they have a signal station in Arecibo in

263
00:14:55,149 --> 00:15:05,079
Puerto Rico now in 1974 they send it a

264
00:15:01,330 --> 00:15:07,959
binary message out to the universe or

265
00:15:05,080 --> 00:15:10,450
which is on I think it's a second page

266
00:15:07,958 --> 00:15:16,799
before the end of that particular

267
00:15:10,450 --> 00:15:21,570
leaflet and basically if ever had our

268
00:15:16,799 --> 00:15:25,479
numerals at the top alphabet underneath

269
00:15:21,570 --> 00:15:28,778
what we concede to be the universe in a

270
00:15:25,480 --> 00:15:32,170
shape with a at one of the hill in the

271
00:15:28,778 --> 00:15:36,450

in other words the letter M underneath

272

00:15:32,169 --> 00:15:40,099

now this was sent out from Arecibo in

273

00:15:36,450 --> 00:15:43,220

1974 and took quite a while if

274

00:15:40,100 --> 00:15:46,879

actually had a reply which we didn't

275

00:15:43,220 --> 00:15:51,579

have a reply in 2002 in the form of a

276

00:15:46,879 --> 00:15:54,740

crop circle but children in Hampshire

277

00:15:51,578 --> 00:15:56,568

very very interesting was it a walk such

278

00:15:54,740 --> 00:16:01,519

a genuine it was a very very complex

279

00:15:56,568 --> 00:16:04,250

message basically the message was that

280

00:16:01,519 --> 00:16:08,360

the universe was different to the form

281

00:16:04,250 --> 00:16:14,509

that we believed it to be and there was

282

00:16:08,360 --> 00:16:18,079

a grey alien on it and was it a hoax was

283

00:16:14,509 --> 00:16:20,919

it real I don't know but it's quite

284

00:16:18,078 --> 00:16:24,049

interesting because I say took 20 years

285

00:16:20,919 --> 00:16:29,299

in order to get a reply it wasn't madly

286
00:16:24,049 --> 00:16:31,250
it very very complicated but anyway not

287
00:16:29,299 --> 00:16:33,919
on what I can and I think I let the crop

288
00:16:31,250 --> 00:16:35,929
circles do the work and you can have a

289
00:16:33,919 --> 00:16:38,448
look at the video and see the different

290
00:16:35,929 --> 00:16:40,189
formations and if I can be of service to

291
00:16:38,448 --> 00:16:42,049
you in any way any questions you want to

292
00:16:40,190 --> 00:16:45,680
ask them fold it like weather without

293
00:16:42,049 --> 00:16:48,278
any shadow else yes I'll angular so

294
00:16:45,679 --> 00:16:52,008
similar up there there is intelligence

295
00:16:48,278 --> 00:16:55,399
that I'm trying to do yeah teach us

296
00:16:52,009 --> 00:17:02,949
without many shadow yes I borrow that oh

297
00:16:55,399 --> 00:17:02,948
okay in with us gently put the drink

298
00:17:03,788 --> 00:17:14,199
what isn't radiation that move honey

299
00:17:07,490 --> 00:17:16,788
elevated circles yes there is yes um

300
00:17:14,199 --> 00:17:20,009
yeah there is I mean I couldn't

301
00:17:16,788 --> 00:17:22,440
specifically tell you to level over

302
00:17:20,009 --> 00:17:25,019
the very texture the very nature the

303
00:17:22,440 --> 00:17:29,070
very soil is entirely different with in

304
00:17:25,019 --> 00:17:34,500
that complex than it is outside so

305
00:17:29,069 --> 00:17:36,929
whatever is actually making them is a

306
00:17:34,500 --> 00:17:40,319
very very high energy field to be able

307
00:17:36,930 --> 00:17:44,519
to produce and indeed as you noticed on

308
00:17:40,319 --> 00:17:46,639
the film the corn is actually suede even

309
00:17:44,519 --> 00:17:49,619
with an intense energy it's not broken

310
00:17:46,640 --> 00:17:52,710
now I would assume what you say see

311
00:17:49,619 --> 00:17:55,709
without youngsters doing it and we do I

312
00:17:52,710 --> 00:17:59,460
mean I'm their network them create crop

313
00:17:55,710 --> 00:18:02,130
circles but when when you actually study

314

00:17:59,460 --> 00:18:04,350
them they are entirely different and can

315
00:18:02,130 --> 00:18:06,390
be seen as such when you see a team

316
00:18:04,349 --> 00:18:08,399
Noah's mom made yeah that's exactly what

317
00:18:06,390 --> 00:18:11,310
this is a documentary showing doing

318
00:18:08,400 --> 00:18:14,190
spent 60 and spent nine hours on us it

319
00:18:11,309 --> 00:18:17,099
is very very basic know those produce

320
00:18:14,190 --> 00:18:19,799
something so so difficult yeah well

321
00:18:17,099 --> 00:18:23,909
something 980 feet across phone off I

322
00:18:19,799 --> 00:18:25,829
was in the dark you know it's beggars

323
00:18:23,910 --> 00:18:27,180
belief really patel attentions they

324
00:18:25,829 --> 00:18:29,309
offer every will achieve almost eerily

325
00:18:27,180 --> 00:18:32,460
question well i'm just gonna stay with

326
00:18:29,309 --> 00:18:35,700
the rum the fake ones and the real ones

327
00:18:32,460 --> 00:18:38,370
yeah was it a difference in a electric

328
00:18:35,700 --> 00:18:40,319

magnetic energy on down nobody's are to

329

00:18:38,369 --> 00:18:42,719

be fair I they're almost at a state but

330

00:18:40,319 --> 00:18:45,329

I've never been in the one that that's

331

00:18:42,720 --> 00:18:50,279

actually fitch like I couldn't say give

332

00:18:45,329 --> 00:18:51,960

it a fair comparison you know ya know

333

00:18:50,279 --> 00:18:53,339

the one of the ones that I've seen have

334

00:18:51,960 --> 00:18:55,140

come through all the society and

335

00:18:53,339 --> 00:18:57,869

whatever we've got it and we gonna look

336

00:18:55,140 --> 00:19:01,110

at it don't yeah and you can tell you

337

00:18:57,869 --> 00:19:03,029

could instantly either you can tell the

338

00:19:01,109 --> 00:19:08,729

difference between a box one and one

339

00:19:03,029 --> 00:19:12,599

that is one else think we've a break

340

00:19:08,730 --> 00:19:14,250

have a break now um 50 minutes yep okay

341

00:19:12,599 --> 00:19:16,759

I never will be up next thank you very

342

00:19:14,250 --> 00:19:16,759

much right

343

00:19:36,720 --> 00:19:40,679

come down when that's the dry notes
