

1
00:00:07,700 --> 00:00:14,009
okay so what do you feel about the

2
00:00:09,808 --> 00:00:15,029
meetings and I'm really places the fact

3
00:00:14,009 --> 00:00:17,070
that there's so many people come in

4
00:00:15,029 --> 00:00:20,129
every month from them we get to know a

5
00:00:17,070 --> 00:00:22,410
lot of people and people looking at

6
00:00:20,129 --> 00:00:27,570
community and there's different stories

7
00:00:22,410 --> 00:00:31,230
and okay so let me let me fight a

8
00:00:27,570 --> 00:00:32,698
question i do then it okay well if

9
00:00:31,230 --> 00:00:34,619
somebody come to the club and just come

10
00:00:32,698 --> 00:00:37,229
up with a story that was so outrageous

11
00:00:34,619 --> 00:00:38,759
it was like you know how would you

12
00:00:37,229 --> 00:00:40,738
respond to that how would you would you

13
00:00:38,759 --> 00:00:44,039
home with them would you consider it

14
00:00:40,738 --> 00:00:47,099
with you just show contempt how can you

15
00:00:44,039 --> 00:00:51,420
can show interviews what is our Regis is

16
00:00:47,100 --> 00:00:52,649
a personal thing yeah rebound you got a

17
00:00:51,420 --> 00:00:54,539
ball you've got to keep an open mind

18
00:00:52,649 --> 00:00:56,158
because one what's our ages to some

19
00:00:54,539 --> 00:00:58,250
people would be perfectly acceptable to

20
00:00:56,158 --> 00:01:00,210
others some of the stuff we came up with

21
00:00:58,250 --> 00:01:01,820
the average man on the street who

22
00:01:00,210 --> 00:01:04,670
doesn't know if in about the UFO subject

23
00:01:01,820 --> 00:01:06,959
to them that would be outrageous yeah

24
00:01:04,670 --> 00:01:10,049
yeah you got to keep in mind because

25
00:01:06,959 --> 00:01:12,658
everything is part of the whole there's

26
00:01:10,049 --> 00:01:14,729
different aspects you need to look at so

27
00:01:12,659 --> 00:01:16,439
do so do you want other people sort of

28
00:01:14,728 --> 00:01:18,030
coming in and sort of help and out late

29

00:01:16,438 --> 00:01:19,858
like what I'm doing or what other people

30
00:01:18,030 --> 00:01:22,500
are doing is the more the merrier so to

31
00:01:19,858 --> 00:01:24,000
speak yeah yeah yeah yeah we more people

32
00:01:22,500 --> 00:01:26,909
to do interviews as well as much as me

33
00:01:24,000 --> 00:01:31,009
say for himself yeah we got a couple

34
00:01:26,909 --> 00:01:34,560
people I've been asking them to do

35
00:01:31,009 --> 00:01:38,670
little projects different cases to go

36
00:01:34,560 --> 00:01:41,189
out and interview people yep so yeah

37
00:01:38,670 --> 00:01:44,320
it's a non-profit-making

38
00:01:41,189 --> 00:01:48,370
membership is free we'll just come along

39
00:01:44,319 --> 00:01:49,989
in giant talks enjoyed evenings and also

40
00:01:48,370 --> 00:01:52,329
organized sky watches as well she

41
00:01:49,989 --> 00:01:54,789
unwilling to in or tell us a bit about

42
00:01:52,329 --> 00:01:56,349
the sky watch then I suppose that's a

43
00:01:54,790 --> 00:01:58,690

little bit my side of things as well I

44

00:01:56,349 --> 00:02:01,059

10m intends to do most of the research

45

00:01:58,689 --> 00:02:03,609

and mean to you might help out with

46

00:02:01,060 --> 00:02:07,060

interviews but my survey tends to be the

47

00:02:03,609 --> 00:02:10,599

administration side of things and I'm

48

00:02:07,060 --> 00:02:12,550

organizing skywatchers yeah not quite as

49

00:02:10,599 --> 00:02:15,189

well attended as it could be but it's

50

00:02:12,550 --> 00:02:18,459

probably due to the weather happy maybe

51

00:02:15,189 --> 00:02:20,859

this one's always seem to 15 cold or wet

52

00:02:18,459 --> 00:02:23,199

wet is in Britain as soon as we find a

53

00:02:20,860 --> 00:02:25,660

nice clear e-mini it tends to be with me

54

00:02:23,199 --> 00:02:27,579

and not everybody wants to settle on the

55

00:02:25,659 --> 00:02:29,709

monitor to the sky but I must admit

56

00:02:27,580 --> 00:02:31,420

everyone we fell it's been really really

57

00:02:29,709 --> 00:02:34,090

interesting me I've seen a few odds and

58
00:02:31,419 --> 00:02:35,919
ends some strange sights but I'm

59
00:02:34,090 --> 00:02:38,140
learning as long as I got no but iridium

60
00:02:35,919 --> 00:02:39,129
satellite flares that's right because we

61
00:02:38,139 --> 00:02:41,289
were seeing these flashes in the sky

62
00:02:39,129 --> 00:02:43,150
even figure horse up there's a flash

63
00:02:41,289 --> 00:02:45,729
there another flashed a place thought of

64
00:02:43,150 --> 00:02:49,689
that yeah let me find out of it so we've

65
00:02:45,729 --> 00:02:50,919
learned my lesson ourselves yeah we've

66
00:02:49,689 --> 00:02:52,750
been you know we've looked it without

67
00:02:50,919 --> 00:02:54,579
mine and tried to explain and why

68
00:02:52,750 --> 00:02:56,259
everything you see no cuz it got a job

69
00:02:54,580 --> 00:02:57,880
at a conclusion I was leaving spaceship

70
00:02:56,259 --> 00:03:00,459
you gotta look at the other

71
00:02:57,879 --> 00:03:02,889
possibilities first I am glad you said

72
00:03:00,459 --> 00:03:04,719
that because he you know I just want to

73
00:03:02,889 --> 00:03:08,469
clarify for the audience at home that

74
00:03:04,719 --> 00:03:10,419
they not this is not a cult they don't

75
00:03:08,469 --> 00:03:12,550
set on top of hills with tents and

76
00:03:10,419 --> 00:03:15,159
commit mass see we said you know after

77
00:03:12,550 --> 00:03:16,959
three days and tinfoil hat although I've

78
00:03:15,159 --> 00:03:21,810
actually done a spoof of that on YouTube

79
00:03:16,959 --> 00:03:24,250
you might be able to see it but um

80
00:03:21,810 --> 00:03:26,170
anything else you'd like to discuss well

81
00:03:24,250 --> 00:03:27,939
as about it I mean as I said if any

82
00:03:26,169 --> 00:03:31,030
wants it for my longest happen to be

83
00:03:27,939 --> 00:03:32,979
Mormon well right is it always gonna be

84
00:03:31,030 --> 00:03:35,259
held where it's being held at the moment

85
00:03:32,979 --> 00:03:38,429
which is in the welcome inn or you gotta

86

00:03:35,259 --> 00:03:41,689
find some other one what it is that's

87
00:03:38,430 --> 00:03:44,310
obviously we hope to have some

88
00:03:41,689 --> 00:03:46,590
celebrated the guest speakers coming

89
00:03:44,310 --> 00:03:50,250
along in future Bell Embling Johnson

90
00:03:46,590 --> 00:03:54,390
January and gary has a very much hope

91
00:03:50,250 --> 00:03:55,590
hopefully richard d Hall come on I don't

92
00:03:54,389 --> 00:03:57,568
think that I'll probably very well

93
00:03:55,590 --> 00:03:59,129
attended does next next year they are

94
00:03:57,568 --> 00:04:00,469
those I'll be really excited here we may

95
00:03:59,129 --> 00:04:03,919
have to find a larger premises

96
00:04:00,469 --> 00:04:06,239
especially for those particular needs I

97
00:04:03,919 --> 00:04:09,919
think a lot of people if it goes public

98
00:04:06,239 --> 00:04:12,450
we want to come to those meetings yeah

99
00:04:09,919 --> 00:04:15,738
right okay we leave with a bang or

100
00:04:12,449 --> 00:04:15,738

something like it all so much
