

1
00:00:52,948 --> 00:00:58,058
tonight we're going to talk about some

2
00:00:56,229 --> 00:01:00,119
abduction cases from the South Wales

3
00:00:58,058 --> 00:01:02,140
area

4
00:01:00,119 --> 00:01:07,599
last Thursday I went to see Hilary

5
00:01:02,140 --> 00:01:10,899
Porter a lady from Farnborough has a

6
00:01:07,599 --> 00:01:13,629
long long history of being abducted and

7
00:01:10,899 --> 00:01:14,890
she had missing time and lots of things

8
00:01:13,629 --> 00:01:17,549
happening in our house and when she was

9
00:01:14,890 --> 00:01:19,929
growing up basically she had a lot of

10
00:01:17,549 --> 00:01:20,409
happenings when she was from when she

11
00:01:19,929 --> 00:01:21,850
was a baby

12
00:01:20,409 --> 00:01:24,519
your mother would put it in the garden

13
00:01:21,849 --> 00:01:28,059
to be just to play when she was a

14
00:01:24,519 --> 00:01:31,989
toddler and mother would no longer the

15
00:01:28,060 --> 00:01:35,429
mother would be switch it off no

16
00:01:31,989 --> 00:01:35,429
recollection over a period of

17
00:01:36,899 --> 00:01:47,228
disappeared garden gates bolted lit the

18
00:01:41,978 --> 00:01:50,019
phone this happened a few times actually

19
00:01:47,228 --> 00:01:53,819
her older things that happened to her

20
00:01:50,019 --> 00:01:57,069
and a friend are the NGO called Janet

21
00:01:53,819 --> 00:02:00,728
when they were teenagers they would see

22
00:01:57,069 --> 00:02:03,968
in craft in the sky again possible miss

23
00:02:00,728 --> 00:02:07,118
in time but it all came to her I had my

24
00:02:03,968 --> 00:02:09,280
thing 70 there was a major incident

25
00:02:07,118 --> 00:02:11,919
happened when she was on the way back

26
00:02:09,280 --> 00:02:14,379
from Ireland and that's what I'm

27
00:02:11,919 --> 00:02:16,089
concentrating on tonight with the with

28
00:02:14,379 --> 00:02:17,949
the video that I took but she is online

29

00:02:16,090 --> 00:02:21,099
she's meaning to be different

30
00:02:17,949 --> 00:02:23,379
researchers over the years she is quite

31
00:02:21,099 --> 00:02:25,689
bit on YouTube about her with all if we

32
00:02:23,379 --> 00:02:29,259
interested in the other things happening

33
00:02:25,689 --> 00:02:30,549
to her under under friends she does go

34
00:02:29,259 --> 00:02:33,929
into a lot of detail on language

35
00:02:30,549 --> 00:02:37,989
unfortunately I've got time codes so I

36
00:02:33,930 --> 00:02:40,209
start the video and about half an hour

37
00:02:37,989 --> 00:02:42,390
long after that then I'm going to talk a

38
00:02:40,209 --> 00:02:46,629
little bit more about some of the cases

39
00:02:42,389 --> 00:02:50,649
relevant to Hilary and then we'll have a

40
00:02:46,629 --> 00:02:53,409
half an hour break and then I'll resume

41
00:02:50,650 --> 00:02:55,480
them by talking about some cases we

42
00:02:53,409 --> 00:02:59,629
should Swansea you a phone network of

43
00:02:55,479 --> 00:03:01,159

discovered locally and

44

00:02:59,629 --> 00:03:02,960

a couple of us have been Steve need to

45

00:03:01,159 --> 00:03:04,879

meet a couple of people so I'll be going

46

00:03:02,960 --> 00:03:09,290

through those see what the similarities

47

00:03:04,879 --> 00:03:13,549

are between Hilary's case and local

48

00:03:09,289 --> 00:03:16,129

other local cases okay hello I'm Emily

49

00:03:13,550 --> 00:03:17,810

Williams swansey UFO network and I've

50

00:03:16,129 --> 00:03:20,269

traveled down from Swansea today for me

51

00:03:17,810 --> 00:03:22,580

to Farnborough to see Hilary Porter

52

00:03:20,270 --> 00:03:24,980

who's had many experiences over the

53

00:03:22,580 --> 00:03:28,520

years but today we like to talk to her

54

00:03:24,979 --> 00:03:29,810

but through experience in 1970 whilst

55

00:03:28,520 --> 00:03:32,840

travelling through South Wales on the

56

00:03:29,810 --> 00:03:40,610

way back from a trip to Ireland and more

57

00:03:32,840 --> 00:03:46,099

recently in 2009 infinitely hello

58
00:03:40,610 --> 00:03:49,150
everybody Hilary and I'm going to tell

59
00:03:46,099 --> 00:03:54,680
you all about the journey back from

60
00:03:49,150 --> 00:03:59,840
Ireland through Wales 1970 early

61
00:03:54,680 --> 00:04:02,360
September it was in the absolute dead of

62
00:03:59,840 --> 00:04:06,950
night with coming off the push guard

63
00:04:02,360 --> 00:04:09,650
ferry at about 115 traveled down to have

64
00:04:06,949 --> 00:04:13,579
a full of West and then we went

65
00:04:09,650 --> 00:04:18,199
southeast little roads because in that

66
00:04:13,580 --> 00:04:20,509
time those days there wasn't bm4 we were

67
00:04:18,199 --> 00:04:26,209
travelling I've got to about as far as

68
00:04:20,509 --> 00:04:28,819
we could remember to Swansea area and

69
00:04:26,209 --> 00:04:34,370
there's no more recall of the journey

70
00:04:28,819 --> 00:04:37,969
home the next thing we know it's sunrise

71
00:04:34,370 --> 00:04:41,569
and we're outside Cardiff now we're

72
00:04:37,970 --> 00:04:46,190
sitting in a garage forecourt and

73
00:04:41,569 --> 00:04:48,349
there's the sand and everything along

74
00:04:46,189 --> 00:04:49,930
the river 7 I could see

75
00:04:48,350 --> 00:04:54,710
weston-super-mare

76
00:04:49,930 --> 00:04:57,769
this way I can see the breach way way

77
00:04:54,709 --> 00:05:01,699
out in the distance to go back over to

78
00:04:57,769 --> 00:05:07,819
England I could see Somerset Levels that

79
00:05:01,699 --> 00:05:11,899
way nice and I was very very ill feeling

80
00:05:07,819 --> 00:05:13,589
absolutely dreadful my ex at the time he

81
00:05:11,899 --> 00:05:15,979
was very angry

82
00:05:13,589 --> 00:05:19,229
because he's given me the last few

83
00:05:15,980 --> 00:05:21,240
pounds to buy you know me other than

84
00:05:19,230 --> 00:05:24,120
everything cuz he knew I'd get migraines

85
00:05:21,240 --> 00:05:28,350
if I'm not careful if I don't eat

86

00:05:24,120 --> 00:05:31,470
properly so I had had perfectly good eat

87
00:05:28,350 --> 00:05:34,830
the evening meal and set me up for the

88
00:05:31,470 --> 00:05:37,890
night know something had happened I was

89
00:05:34,829 --> 00:05:40,500
really ill and I knew I'd been abducted

90
00:05:37,889 --> 00:05:44,219
somehow but I didn't know what he'll

91
00:05:40,500 --> 00:05:49,079
wear or anything all I know is I've got

92
00:05:44,220 --> 00:05:51,360
to get back to England so he's really

93
00:05:49,079 --> 00:05:54,300
angry but then he's looking at the

94
00:05:51,360 --> 00:05:56,639
dashboard and he says hmm

95
00:05:54,300 --> 00:06:00,509
he says that's a bit funny he says

96
00:05:56,639 --> 00:06:02,399
because you've got more petrol in there

97
00:06:00,509 --> 00:06:04,680
than one would've thought you said

98
00:06:02,399 --> 00:06:08,279
because you know we've traveled a good

99
00:06:04,680 --> 00:06:13,290
few miles and said why just get us home

100
00:06:08,279 --> 00:06:15,659

please so nothing more was said and then

101

00:06:13,290 --> 00:06:18,810

he we went over the bridge we had to pay

102

00:06:15,660 --> 00:06:20,610

in stamps to get across the bridge then

103

00:06:18,810 --> 00:06:23,970

we won't be seen we went to a bank and

104

00:06:20,610 --> 00:06:28,160

sort themselves out money wise food wise

105

00:06:23,970 --> 00:06:31,560

everything got home later that day I

106

00:06:28,160 --> 00:06:33,980

staggered into my bedroom I needed to

107

00:06:31,560 --> 00:06:38,160

sleep desperately because in those days

108

00:06:33,980 --> 00:06:45,650

driving in a little mini you know

109

00:06:38,160 --> 00:06:45,650

there's no you know banging up and down

110

00:06:46,310 --> 00:06:53,720

sprung anything in those days I found

111

00:06:51,540 --> 00:06:59,879

when I was getting undressed a

112

00:06:53,720 --> 00:07:06,600

triangular mark here and it was red

113

00:06:59,879 --> 00:07:09,180

blood-like sort of suction is that so I

114

00:07:06,600 --> 00:07:12,330

shouted sir Robert come and have a look

115
00:07:09,180 --> 00:07:13,709
you know the other look he said well you

116
00:07:12,329 --> 00:07:16,229
know it was a bit of a rough journey

117
00:07:13,709 --> 00:07:20,629
across he said maybe you fell against

118
00:07:16,230 --> 00:07:23,879
the bar you know or something you know

119
00:07:20,629 --> 00:07:26,288
getting around ship no no I would have

120
00:07:23,879 --> 00:07:29,408
remembered that so

121
00:07:26,288 --> 00:07:31,718
that is weird anyway I was so ill I just

122
00:07:29,408 --> 00:07:34,418
had to get to sleep I slept for a few

123
00:07:31,718 --> 00:07:41,308
hours while he prepared food and things

124
00:07:34,418 --> 00:07:44,680
like that it was seven years later when

125
00:07:41,309 --> 00:07:49,569
the flashbacks and everything started to

126
00:07:44,680 --> 00:07:52,689
happen and it came hard on the heels of

127
00:07:49,569 --> 00:07:56,528
another abduction at that very time and

128
00:07:52,689 --> 00:08:02,619
for whatever reason this was given to me

129
00:07:56,528 --> 00:08:07,028
this flashback the flashback is that yes

130
00:08:02,619 --> 00:08:09,849
we are at this beach we are seeing

131
00:08:07,028 --> 00:08:12,658
people walking up and down on the sand

132
00:08:09,848 --> 00:08:15,819
it appears to be a Sunday afternoon

133
00:08:12,658 --> 00:08:21,158
round about three o'clock rather than

134
00:08:15,819 --> 00:08:24,699
the dead of night and there's these

135
00:08:21,158 --> 00:08:27,069
aliens out on the beach and a craft

136
00:08:24,699 --> 00:08:32,918
that's landing I can't really see the

137
00:08:27,069 --> 00:08:35,769
craft in much detail because I wasn't

138
00:08:32,918 --> 00:08:38,799
allowed to I suppose it's how they work

139
00:08:35,769 --> 00:08:43,089
with you and the old mind anyway I go

140
00:08:38,799 --> 00:08:49,139
across the the coastal road where we are

141
00:08:43,089 --> 00:08:52,560
on to the beach and there was a tall

142
00:08:49,139 --> 00:08:57,009
alien that's per six foot maybe more

143

00:08:52,559 --> 00:09:01,869
with a green overall all in one with a

144
00:08:57,009 --> 00:09:04,600
box strapped to his chest and they're

145
00:09:01,870 --> 00:09:07,750
smaller ones but I cannot see any of

146
00:09:04,600 --> 00:09:11,709
their faces I've never been able to see

147
00:09:07,750 --> 00:09:14,198
their faces but he does say to me others

148
00:09:11,708 --> 00:09:16,539
perhaps it's telepathically Aziz well

149
00:09:14,198 --> 00:09:18,909
that when I move these buttons and

150
00:09:16,539 --> 00:09:22,990
things on this box that's going to be a

151
00:09:18,909 --> 00:09:24,789
seismic test done on the beach the

152
00:09:22,990 --> 00:09:26,709
people are going to get very angry you

153
00:09:24,789 --> 00:09:31,319
said when they get angry they're gonna

154
00:09:26,708 --> 00:09:34,059
run after us so we have got to run so

155
00:09:31,320 --> 00:09:37,000
but you say it's so good to have you

156
00:09:34,059 --> 00:09:39,279
here that's part of our team would you

157
00:09:37,000 --> 00:09:39,759

like to be part of our team I said yes I

158

00:09:39,279 --> 00:09:43,360

would

159

00:09:39,759 --> 00:09:45,970

so he said right so next thing I know

160

00:09:43,360 --> 00:09:51,940

he's doing these buttons and things and

161

00:09:45,970 --> 00:09:54,970

everything and sure enough he says run

162

00:09:51,940 --> 00:10:02,350

run the people are after us well there's

163

00:09:54,970 --> 00:10:07,779

like Georgian houses Terrace running

164

00:10:02,350 --> 00:10:09,580

along and this little garden and another

165

00:10:07,779 --> 00:10:13,750

bit of gardeners were going up a steep

166

00:10:09,580 --> 00:10:16,990

hill there's another of houses and he

167

00:10:13,750 --> 00:10:19,480

said go round there go go down here so

168

00:10:16,990 --> 00:10:20,649

we're running down the next road at the

169

00:10:19,480 --> 00:10:25,060

top of the hill

170

00:10:20,649 --> 00:10:27,699

I've run about seven houses along when

171

00:10:25,059 --> 00:10:32,669

there's suddenly a big gap and in this

172
00:10:27,700 --> 00:10:35,470
gap there is a path that goes down in a

173
00:10:32,669 --> 00:10:38,769
bit you know so far back down to the

174
00:10:35,470 --> 00:10:41,830
beach road and also it's very overgrown

175
00:10:38,769 --> 00:10:43,689
with loads of weeds and things you know

176
00:10:41,830 --> 00:10:47,770
it's never been built on since the war I

177
00:10:43,690 --> 00:10:50,760
would think anyway the voice says make

178
00:10:47,769 --> 00:10:54,399
for one of those cars down there well

179
00:10:50,759 --> 00:10:58,240
you know the car Kao look at what they

180
00:10:54,399 --> 00:11:00,879
call those little cars cars it there

181
00:10:58,240 --> 00:11:03,220
were two black ones but it looked like

182
00:11:00,879 --> 00:11:07,600
that that's the closest I consented they

183
00:11:03,220 --> 00:11:12,129
were really sort of Roundy's I look like

184
00:11:07,600 --> 00:11:14,259
a Volkswagen type thing but we rushed

185
00:11:12,129 --> 00:11:18,789
down and next thing I know I'm going

186
00:11:14,259 --> 00:11:24,220
into the passenger side of the first car

187
00:11:18,789 --> 00:11:28,750
come to accept I'm not in a car at all

188
00:11:24,220 --> 00:11:30,570
I'm in an oval-shaped between eighteen

189
00:11:28,750 --> 00:11:35,679
twenty foot

190
00:11:30,570 --> 00:11:41,040
craft and that is the craft inside

191
00:11:35,679 --> 00:11:45,419
I come to or whatever it is I'm due and

192
00:11:41,039 --> 00:11:45,419
seat here this

193
00:11:45,570 --> 00:11:50,890
they've got very long backs on them and

194
00:11:48,429 --> 00:11:55,509
I noticed that everything in that the

195
00:11:50,889 --> 00:11:59,889
craft was centrally anchored to the

196
00:11:55,509 --> 00:12:02,649
floor this table was very large they all

197
00:11:59,889 --> 00:12:04,299
kind of looked plasticky but I couldn't

198
00:12:02,649 --> 00:12:07,449
say they were I couldn't say they were

199
00:12:04,299 --> 00:12:12,909
leather not really sure what material

200

00:12:07,450 --> 00:12:16,150
they were made the green or one of the

201
00:12:12,909 --> 00:12:19,209
aliens in yet another green overall

202
00:12:16,149 --> 00:12:26,169
maybe the same one I was standing right

203
00:12:19,210 --> 00:12:30,269
next to me and then you've got another

204
00:12:26,169 --> 00:12:34,529
alien very similar sitting on a stall

205
00:12:30,269 --> 00:12:37,569
working a console I noticed how

206
00:12:34,529 --> 00:12:40,269
beautifully fashioned it was with the

207
00:12:37,570 --> 00:12:41,410
wall of the crafts I thought how

208
00:12:40,269 --> 00:12:46,659
beautiful that is

209
00:12:41,409 --> 00:12:52,719
maybe and being an artist and a

210
00:12:46,659 --> 00:12:55,089
draftsman I asked this bean I said can I

211
00:12:52,720 --> 00:12:57,879
go and have a look at the console oh yes

212
00:12:55,090 --> 00:13:00,879
he said that's fine so I got up and I

213
00:12:57,879 --> 00:13:03,580
walked across and I stood to the one

214
00:13:00,879 --> 00:13:24,639

side of this other alien being

215

00:13:03,580 --> 00:13:27,580

I saw the console the console made up of

216

00:13:24,639 --> 00:13:33,129

section squares and you could see a

217

00:13:27,580 --> 00:13:37,840

mapping system and you could also see a

218

00:13:33,129 --> 00:13:42,730

light moving extremely fast across this

219

00:13:37,840 --> 00:13:45,100

system it was then that I turned and I

220

00:13:42,730 --> 00:13:49,060

was looking out of the large windows

221

00:13:45,100 --> 00:13:54,310

here big horseshoe shaped front to it

222

00:13:49,059 --> 00:13:59,369

and I saw the other pilots in the chat

223

00:13:54,309 --> 00:14:03,609

piloting the craft again in the green oh

224

00:13:59,370 --> 00:14:07,179

he had these levers and he was moving

225

00:14:03,610 --> 00:14:11,610

levers back and forth and also his feet

226

00:14:07,179 --> 00:14:14,769

with something moving as well but by

227

00:14:11,610 --> 00:14:24,639

moving we've gone right across the seven

228

00:14:14,769 --> 00:14:26,559

almost in a matter of moments and I just

229
00:14:24,639 --> 00:14:29,409
asked you but you were traveling back

230
00:14:26,559 --> 00:14:31,269
from Ireland yes just before you're

231
00:14:29,409 --> 00:14:33,730
black you blacked out or whatever and

232
00:14:31,269 --> 00:14:36,220
and find yourself further on in the

233
00:14:33,730 --> 00:14:40,200
journey yes how far has he gone when

234
00:14:36,220 --> 00:14:40,200
that happened I've gone from swansea

235
00:14:41,429 --> 00:14:56,649
swansea I think I'll use the coastal

236
00:14:54,129 --> 00:15:10,059
roads or something like that so many

237
00:14:56,649 --> 00:15:13,199
nice what was it on the motorway portal

238
00:15:10,059 --> 00:15:13,199
but it was a bit of a dual carriageway

239
00:15:16,740 --> 00:15:24,220
one doesn't sleep when you've got no

240
00:15:19,740 --> 00:15:32,470
suspension or anything yeah yeah in a

241
00:15:24,220 --> 00:15:34,060
mini there's not much space anemone so

242
00:15:32,470 --> 00:15:37,750
the next thing you know you were in a

243
00:15:34,059 --> 00:15:40,569
garage forecourt yes next would be any

244
00:15:37,750 --> 00:15:43,210
idea where that dawn oh yes it's just

245
00:15:40,570 --> 00:15:45,820
outside Cardiff just a sec I'm not sure

246
00:15:43,210 --> 00:15:47,050
exactly where because um you haven't

247
00:15:45,820 --> 00:15:49,200
been back to trying to retrace your

248
00:15:47,049 --> 00:15:49,199
steps

249
00:15:52,379 --> 00:15:58,480
I'd like to go when you say it was just

250
00:15:55,929 --> 00:16:03,269
outside Cardiff was yeah I was sort of

251
00:15:58,480 --> 00:16:03,269
the west side of it or the west side

252
00:16:05,519 --> 00:16:10,399
many many years later

253
00:16:08,000 --> 00:16:15,799
I began to understand what was happening

254
00:16:10,399 --> 00:16:19,669
to me yes I always knew I was an

255
00:16:15,799 --> 00:16:21,159
abductee but I needed answers I needed

256
00:16:19,669 --> 00:16:28,188
something

257

00:16:21,159 --> 00:16:32,088
Wael stood out always for me where

258
00:16:28,188 --> 00:16:37,309
they've taken me what happened to me so

259
00:16:32,089 --> 00:16:40,459
I researched some of your newspapers

260
00:16:37,309 --> 00:16:43,719
things like that Margaret Frye kept

261
00:16:40,458 --> 00:16:44,929
coming up with she studied this and she

262
00:16:43,720 --> 00:16:46,370
yes

263
00:16:44,929 --> 00:16:52,239
oh you're contacted Margaret didn't yet

264
00:16:46,370 --> 00:16:52,240
I did she said explained exactly where

265
00:16:52,539 --> 00:16:58,519
and she said oh boy do you she said

266
00:16:56,089 --> 00:17:01,250
that's a hot spot she says that there's

267
00:16:58,519 --> 00:17:06,318
been many abductions that have taken

268
00:17:01,250 --> 00:17:08,900
place in that area between swansea and

269
00:17:06,318 --> 00:17:11,240
cardiff yeah so I said so I do

270
00:17:08,900 --> 00:17:14,179
appreciate you being open with me in

271
00:17:11,240 --> 00:17:18,349

telling me I can take it because I just

272

00:17:14,179 --> 00:17:18,699

want to know the truth that's fine thank

273

00:17:18,349 --> 00:17:24,649

you

274

00:17:18,699 --> 00:17:28,940

so with that and also Tony died too late

275

00:17:24,650 --> 00:17:35,690

police sergeant Jared daun who worked on

276

00:17:28,940 --> 00:17:40,429

abduction things he too verified had to

277

00:17:35,690 --> 00:17:43,610

go through quite a grueling a lot of

278

00:17:40,429 --> 00:17:46,580

tests who liked things and questioning

279

00:17:43,609 --> 00:17:49,099

and all sorts but I passed every single

280

00:17:46,579 --> 00:17:53,210

one and he said yeah there's no doubt

281

00:17:49,099 --> 00:17:55,158

about it you are an abductee so I said

282

00:17:53,210 --> 00:17:58,009

well you know we're getting that under

283

00:17:55,159 --> 00:18:06,500

the belt then I could go on then go

284

00:17:58,009 --> 00:18:07,220

forward so to me I was petrified of

285

00:18:06,500 --> 00:18:10,640

Wales

286
00:18:07,220 --> 00:18:14,120
after that actually I mean I love to see

287
00:18:10,640 --> 00:18:17,960
me and everything about it but I was too

288
00:18:14,119 --> 00:18:20,389
frightened then in row 9 my friend

289
00:18:17,960 --> 00:18:24,980
Janet's who had grown up with and

290
00:18:20,390 --> 00:18:26,990
everything was living in Canary and she

291
00:18:24,980 --> 00:18:29,870
said oh come on he'll come over and

292
00:18:26,990 --> 00:18:32,919
spend some time with us you know well as

293
00:18:29,869 --> 00:18:36,158
of carer as well for many many years

294
00:18:32,919 --> 00:18:38,900
going anywhere for any length of time I

295
00:18:36,159 --> 00:18:43,580
was not an option because Sally

296
00:18:38,900 --> 00:18:45,440
my daughter was severely autistic not

297
00:18:43,579 --> 00:18:53,269
not a sport just like you see on the

298
00:18:45,440 --> 00:18:58,779
telly so but we said we would go to

299
00:18:53,269 --> 00:19:02,119
honestly she had nice little bungalow

300
00:18:58,779 --> 00:19:08,418
and she had room to put Sally up for

301
00:19:02,119 --> 00:19:11,058
Kevin I and she had to sort of put you

302
00:19:08,419 --> 00:19:13,730
up in there in their lounge so she says

303
00:19:11,058 --> 00:19:15,798
no excuse come on Hill so and she said

304
00:19:13,730 --> 00:19:18,940
and she knew because there were all our

305
00:19:15,798 --> 00:19:22,220
abductions her daughter was having

306
00:19:18,940 --> 00:19:24,950
abductions for a long time

307
00:19:22,220 --> 00:19:27,409
and she said I want you to talk to my

308
00:19:24,950 --> 00:19:29,330
daughter because it's you know if you

309
00:19:27,409 --> 00:19:31,250
can get through this will help her in

310
00:19:29,329 --> 00:19:35,629
any way I said of course I will Jack

311
00:19:31,250 --> 00:19:37,460
course I do you know and I thought well

312
00:19:35,630 --> 00:19:40,820
I've got to put myself second in this

313
00:19:37,460 --> 00:19:46,519
case and you know get some courage and

314

00:19:40,819 --> 00:19:48,889
just go so we all traveled to Wales who

315
00:19:46,519 --> 00:19:55,849
knows one little spot we were all coming

316
00:19:48,890 --> 00:19:57,710
through a bridge in Cardiff there was a

317
00:19:55,849 --> 00:19:59,629
I don't know what made this particular

318
00:19:57,710 --> 00:20:02,808
noise there's only cars but there was

319
00:19:59,630 --> 00:20:06,679
like an acoustic shock an absolute

320
00:20:02,808 --> 00:20:09,589
deafening sound suddenly it was

321
00:20:06,679 --> 00:20:11,538
something sometimes sounds if you look

322
00:20:09,589 --> 00:20:13,519
duck T there are certain things

323
00:20:11,538 --> 00:20:16,490
sometimes well maybe it's certain

324
00:20:13,519 --> 00:20:19,549
frequencies or something that triggers

325
00:20:16,490 --> 00:20:21,079
something off and my heart pound

326
00:20:19,549 --> 00:20:26,859
mothers on the way to the finale yeah

327
00:20:21,079 --> 00:20:31,909
yeah just coming through sort of rounds

328
00:20:26,859 --> 00:20:42,589

on the m4 under this bridge terrific

329

00:20:31,910 --> 00:20:45,620

well I was shaking like a leaf and all

330

00:20:42,589 --> 00:20:48,019

seems okay and then I picked up a bit

331

00:20:45,619 --> 00:20:50,000

more you know took deep breaths and

332

00:20:48,019 --> 00:20:54,700

everything and I've got to Janet sit sir

333

00:20:50,000 --> 00:20:57,349

within three hours just on three hours I

334

00:20:54,700 --> 00:21:00,980

rang them I said we're here we're at the

335

00:20:57,349 --> 00:21:05,179

bus stop I'm just off the m4 just coming

336

00:21:00,980 --> 00:21:08,269

down towards her nicely she said hold on

337

00:21:05,180 --> 00:21:10,400

the hill I'll be able to get you and she

338

00:21:08,269 --> 00:21:14,660

did a few minutes later she was in the

339

00:21:10,400 --> 00:21:21,980

car with her daughter and they we

340

00:21:14,660 --> 00:21:24,920

followed them into new doc Street and

341

00:21:21,980 --> 00:21:29,240

they're routing to where she lives you

342

00:21:24,920 --> 00:21:32,509

see which is a new complex everything

343
00:21:29,240 --> 00:21:37,400
went fine the only problem was her

344
00:21:32,509 --> 00:21:40,339
daughter had a boyfriend who just didn't

345
00:21:37,400 --> 00:21:42,560
seem to want to let her speak to me you

346
00:21:40,339 --> 00:21:45,319
know and that was so sad because I'm

347
00:21:42,559 --> 00:21:47,419
there for her for that weekend and

348
00:21:45,319 --> 00:21:52,099
trying to overcome an enormous amount

349
00:21:47,420 --> 00:21:55,670
I felt it aside me to do this anyway we

350
00:21:52,099 --> 00:21:59,949
did places did things but I just didn't

351
00:21:55,670 --> 00:22:06,500
feel quite right there was something I

352
00:21:59,950 --> 00:22:08,390
felt buried down I felt strange feeling

353
00:22:06,500 --> 00:22:11,210
the whole time I was there I didn't

354
00:22:08,390 --> 00:22:14,930
think I was imagining it Ken told me I

355
00:22:11,210 --> 00:22:17,930
was very restless and the nights and I

356
00:22:14,930 --> 00:22:19,970
was twisting and tiling it not not at

357
00:22:17,930 --> 00:22:22,370
all right he said you were you know

358
00:22:19,970 --> 00:22:24,710
something was happening to you mumbling

359
00:22:22,369 --> 00:22:28,699
in his sleep and I thought I said

360
00:22:24,710 --> 00:22:32,120
alright so we get right through the

361
00:22:28,700 --> 00:22:35,840
weekend on the

362
00:22:32,119 --> 00:22:39,649
some day we went to a room to the gawah

363
00:22:35,839 --> 00:22:50,059
you see the date again it was August 14

364
00:22:39,650 --> 00:22:50,930
15 16 17 2009 yes Sunday going out in my

365
00:22:50,059 --> 00:22:53,929
little car

366
00:22:50,930 --> 00:22:59,450
so we'll got in her car when I was in

367
00:22:53,930 --> 00:23:02,299
the gamma travelled all the way down we

368
00:22:59,450 --> 00:23:09,140
had a lovely afternoon except something

369
00:23:02,299 --> 00:23:11,799
was preventing me from being I want just

370
00:23:09,140 --> 00:23:14,990
to be happy and enjoy my friends and

371

00:23:11,799 --> 00:23:18,230
everything but something's wrong and I

372
00:23:14,990 --> 00:23:20,420
could not put my finger I just couldn't

373
00:23:18,230 --> 00:23:24,950
work out well but there we were there

374
00:23:20,420 --> 00:23:32,390
was a beach on the east side of the

375
00:23:24,950 --> 00:23:34,400
gallows beautiful sandy beach it was

376
00:23:32,390 --> 00:23:37,420
lovely and we spent a couple of hours

377
00:23:34,400 --> 00:23:41,710
there and then we traveled back through

378
00:23:37,420 --> 00:23:46,150
going gradually back to Swansea and

379
00:23:41,710 --> 00:23:46,150
Lesley remember the name of that bitch

380
00:23:48,880 --> 00:24:03,320
cuz well London's something I mean I do

381
00:23:53,180 --> 00:24:17,870
not see on the on the map yeah might

382
00:24:03,319 --> 00:24:23,539
have some significance I was checking

383
00:24:17,869 --> 00:24:28,279
something out myself I'm finding that

384
00:24:23,539 --> 00:24:32,240
you want to carry with the story yeah we

385
00:24:28,279 --> 00:24:35,149

go to the room to the artists seat and

386

00:24:32,240 --> 00:24:39,259

came jumped out the other stone yes yeah

387

00:24:35,150 --> 00:24:41,860

and he shot down over there pictures of

388

00:24:39,259 --> 00:24:41,859

that as well

389

00:24:42,519 --> 00:25:12,859

sheep everywhere absolutely everywhere

390

00:24:46,029 --> 00:25:19,240

and then we got back yeah yeah I would

391

00:25:12,859 --> 00:25:23,929

say it was this one here ops which yeah

392

00:25:19,240 --> 00:25:28,660

yeah you came just across across here to

393

00:25:23,930 --> 00:25:28,660

about their weight yeah I'll be ox which

394

00:25:30,910 --> 00:25:40,850

then making our way back

395

00:25:37,539 --> 00:25:43,159

you know something Santi tea time and

396

00:25:40,849 --> 00:25:45,369

everything and she goes to a

397

00:25:43,160 --> 00:25:49,460

spiritualist Church in the evening

398

00:25:45,369 --> 00:25:51,259

things which we learnt with her and I

399

00:25:49,460 --> 00:25:55,819

won't go into that I don't think too

400
00:25:51,259 --> 00:25:57,440
much thinking away that night we went to

401
00:25:55,819 --> 00:25:58,849
bathe you know I need to get some good

402
00:25:57,440 --> 00:26:02,680
bit of sleep too

403
00:25:58,849 --> 00:26:05,659
we've got a journey to make the next day

404
00:26:02,680 --> 00:26:08,810
I'm Restless again as I'm told

405
00:26:05,660 --> 00:26:11,990
next morning kids said to me flipping it

406
00:26:08,809 --> 00:26:16,339
go you know you really well even worse

407
00:26:11,990 --> 00:26:18,230
last night I said right I mean wasn't

408
00:26:16,339 --> 00:26:20,629
looking at me and I didn't think

409
00:26:18,230 --> 00:26:23,630
anything was wrong but sit coolly at

410
00:26:20,630 --> 00:26:30,010
that second one time I went over to the

411
00:26:23,630 --> 00:26:40,490
bathroom and I such a shock because my

412
00:26:30,009 --> 00:26:42,619
right eye was all swollen all I know is

413
00:26:40,490 --> 00:26:45,589
that I couldn't see through the wretched

414
00:26:42,619 --> 00:26:57,099
thing very well it was all bruised up

415
00:26:45,589 --> 00:28:06,859
now so I go into the bedroom so

416
00:26:57,099 --> 00:28:16,039
look at this oh my god oh my god so I

417
00:28:06,859 --> 00:28:18,709
think we're nervous driving under this

418
00:28:16,039 --> 00:28:30,759
bridge and then you're going gradually

419
00:28:18,710 --> 00:28:37,640
back out you won't go back the whales

420
00:28:30,759 --> 00:28:39,769
you want to go back the way you know

421
00:28:37,640 --> 00:28:41,840
something I don't know what I've done I

422
00:28:39,769 --> 00:28:47,900
haven't done anything to my knowledge in

423
00:28:41,839 --> 00:28:50,980
it whatever it is doesn't like me so the

424
00:28:47,900 --> 00:28:55,130
night when he was staying with Jan yeah

425
00:28:50,980 --> 00:28:58,390
no recollection at all of any anything

426
00:28:55,130 --> 00:29:02,920
happening apart from the black I know

427
00:28:58,390 --> 00:29:02,920
because that night we

428

00:29:04,400 --> 00:29:09,650
we sat in her guard and we did sky watch

429
00:29:07,539 --> 00:29:13,629
hmm

430
00:29:09,650 --> 00:29:17,090
Saturday so I was in the back and I

431
00:29:13,630 --> 00:29:23,210
drove around place which was pretty

432
00:29:17,089 --> 00:29:27,319
quiet looking out towards visit yeah

433
00:29:23,210 --> 00:29:29,660
come on be that way because she said

434
00:29:27,319 --> 00:29:34,579
sometime she was very aware about all

435
00:29:29,660 --> 00:29:36,890
the sightings going on she is very much

436
00:29:34,579 --> 00:29:39,919
like myself she's she knows and she

437
00:29:36,890 --> 00:29:43,130
knows all about the animal mutilations

438
00:29:39,920 --> 00:29:46,279
on the gawa and all around because you

439
00:29:43,130 --> 00:29:50,170
know this wild sheep and there's cattle

440
00:29:46,279 --> 00:29:50,170
and there's all kinds of things you know

441
00:29:52,450 --> 00:30:09,220
so but that night we didn't really see

442
00:29:55,549 --> 00:30:09,220

anything of any significance the reports

443

00:30:10,269 --> 00:30:17,029

so looking at the map come back to 1970

444

00:30:14,650 --> 00:30:18,110

okay any idea what they did that would

445

00:30:17,029 --> 00:30:23,389

have been yes

446

00:30:18,109 --> 00:30:28,569

something about within the first few

447

00:30:23,390 --> 00:30:31,309

days of September yeah that's the 9th

448

00:30:28,569 --> 00:30:37,220

September we went like we're newest

449

00:30:31,308 --> 00:30:40,099

about quality coming up kind of yeah

450

00:30:37,220 --> 00:30:42,589

so filled the map up bigger point on

451

00:30:40,099 --> 00:30:46,509

that how far down do you think you would

452

00:30:42,589 --> 00:30:46,509

have gone before you had your blackout

453

00:31:01,058 --> 00:31:12,259

yeah it's Cardiff will be that way on

454

00:31:04,880 --> 00:31:17,530

the old road we were trying to keep the

455

00:31:12,259 --> 00:31:17,529

bodies did you want the coast road Oh

456

00:31:17,630 --> 00:31:23,840

ya know we carried on now we did we

457
00:31:20,419 --> 00:31:26,480
carried on coming down yeah these down

458
00:31:23,839 --> 00:31:29,000
these roads is nothing like in 70 that

459
00:31:26,480 --> 00:31:41,990
the m4 was there then as far as portal

460
00:31:29,000 --> 00:31:45,829
but yeah we did then if we look at the

461
00:31:41,990 --> 00:31:49,750
map from the Cardiff try and find out

462
00:31:45,829 --> 00:31:49,750
where this beach was with or the garage

463
00:31:51,250 --> 00:32:11,950
never had any regression yeah why else I

464
00:32:03,710 --> 00:32:11,950
think I would what was the beach like

465
00:32:13,720 --> 00:32:29,000
dark sand

466
00:32:15,200 --> 00:32:46,039
yeah a big beach houses yes the road

467
00:32:29,000 --> 00:32:47,929
that came down right so if we hold them

468
00:32:46,039 --> 00:32:49,730
have a look at the map of Cardiff

469
00:32:47,929 --> 00:32:50,360
beneath this like you think I would be

470
00:32:49,730 --> 00:32:53,630
in this area

471
00:32:50,359 --> 00:32:55,729
yes that's possibly Barry or Penelope is

472
00:32:53,630 --> 00:32:57,230
a sandy beach yes

473
00:32:55,730 --> 00:33:22,610
so that rules up pin off because they

474
00:32:57,230 --> 00:33:26,720
know right we look at Barry area may be

475
00:33:22,609 --> 00:33:29,589
wrong Sully was the road quite close to

476
00:33:26,720 --> 00:33:31,029
the beach yes

477
00:33:29,589 --> 00:33:33,490
yeah that's all enough to have a look at

478
00:33:31,029 --> 00:33:36,490
that oh good you could tell me yeah I'd

479
00:33:33,490 --> 00:33:42,309
be so pleased look at Google Maps maybe

480
00:33:36,490 --> 00:33:44,970
yes I've tried to go in place yeah just

481
00:33:42,309 --> 00:33:48,119
think about 1970 where there's a garage

482
00:33:44,970 --> 00:33:53,910
yes early in the morning was it when you

483
00:33:48,119 --> 00:33:53,909
told yourself that nobody else about no

484
00:33:55,319 --> 00:34:00,000
and they just continued to do anything

485

00:33:57,490 --> 00:34:00,000
back to you

486
00:34:24,898 --> 00:34:28,539
hey she was lovely lady to talk to she

487
00:34:27,579 --> 00:34:32,409
made me lunch as well

488
00:34:28,539 --> 00:34:34,829
and a partner can the many years ago

489
00:34:32,409 --> 00:34:39,849
they started a group called beams

490
00:34:34,829 --> 00:34:43,960
British Earth aerial mysteries Society

491
00:34:39,849 --> 00:34:47,019
and she runs a help group for abductees

492
00:34:43,960 --> 00:34:51,369
and contactees and a very knowledgeable

493
00:34:47,019 --> 00:34:54,579
lady on the subject a bit of backgrounds

494
00:34:51,369 --> 00:34:56,889
again to her she told me a few stories

495
00:34:54,579 --> 00:35:01,449
and again you can see them online as

496
00:34:56,889 --> 00:35:04,329
well one incidence of incident that

497
00:35:01,449 --> 00:35:09,579
happened to her was she had a missing

498
00:35:04,329 --> 00:35:11,949
pregnancy it's quite a common occurrence

499
00:35:09,579 --> 00:35:15,099

actually with the with abductees that

500

00:35:11,949 --> 00:35:18,419

the report being Craig nated and then

501

00:35:15,099 --> 00:35:18,420

the features taken away for

502

00:35:18,929 --> 00:35:26,940

interbreeding breeding the hybrid race

503

00:35:22,150 --> 00:35:30,280

is one suggestion way why he doing it

504

00:35:26,940 --> 00:35:32,679

she went it is online you can you can

505

00:35:30,280 --> 00:35:35,620

look at she went to the hospital and she

506

00:35:32,679 --> 00:35:37,419

had some hassle with the the nurses and

507

00:35:35,619 --> 00:35:38,779

the doctors and he wouldn't tell her

508

00:35:37,420 --> 00:35:41,599

what was going on

509

00:35:38,780 --> 00:35:43,240

I mean 2003 she was she had something

510

00:35:41,599 --> 00:35:46,690

wrong with the telephone and she

511

00:35:43,239 --> 00:35:51,409

telephoned BT to get it sorted out and

512

00:35:46,690 --> 00:35:52,880

within minutes a young man arrived she

513

00:35:51,409 --> 00:35:54,440

was outside the funk garden and he was

514
00:35:52,880 --> 00:35:58,070
walking across the road and he said

515
00:35:54,440 --> 00:35:59,030
hello I mean new BT man and she she

516
00:35:58,070 --> 00:36:01,370
thought strange for someone he just

517
00:35:59,030 --> 00:36:03,260
phoned up honey he came into the city no

518
00:36:01,369 --> 00:36:05,269
money he came into the living room door

519
00:36:03,260 --> 00:36:09,710
through the living room dawnie he didn't

520
00:36:05,269 --> 00:36:12,170
have a degree 180 degree turn where she

521
00:36:09,710 --> 00:36:13,579
had a picture of a flying saucer with a

522
00:36:12,170 --> 00:36:15,470
beam of light coming up from it a

523
00:36:13,579 --> 00:36:18,769
painting yeah and he said oh that's a

524
00:36:15,469 --> 00:36:22,029
really nice picture are you were

525
00:36:18,769 --> 00:36:24,889
interested in UFOs and yeah yeah yeah

526
00:36:22,030 --> 00:36:27,019
anyway you fixed the phone and then

527
00:36:24,889 --> 00:36:29,989
rather than going he he started showing

528

00:36:27,019 --> 00:36:33,920

her his family pictures humans partner

529

00:36:29,989 --> 00:36:36,500

or wife and a small child it's strange

530

00:36:33,920 --> 00:36:37,639

for some BT engineer to do that and not

531

00:36:36,500 --> 00:36:39,619

only that but they asked him if he

532

00:36:37,639 --> 00:36:41,629

wanted to stay for some foods because it

533

00:36:39,619 --> 00:36:42,889

was lunchtime he said yeah yeah fine he

534

00:36:41,630 --> 00:36:45,680

sat on the wicker chair in the living

535

00:36:42,889 --> 00:36:47,719

room he didn't have any food even mother

536

00:36:45,679 --> 00:36:50,539

bunny food eats noise okay he didn't

537

00:36:47,719 --> 00:36:51,679

drink he was just talking to them and he

538

00:36:50,539 --> 00:36:54,679

was at that one when she throws up

539

00:36:51,679 --> 00:36:56,089

something not quite strange here she and

540

00:36:54,679 --> 00:37:01,190

I said I think you know we go in there

541

00:36:56,090 --> 00:37:05,140

she he was her son hybrid son he said

542

00:37:01,190 --> 00:37:05,139
well he was living with his family

543
00:37:17,269 --> 00:37:28,610
like come up the good sermon was bit

544
00:37:20,900 --> 00:37:30,880
late set in the camera she's born in the

545
00:37:28,610 --> 00:37:30,880
40s

546
00:37:33,780 --> 00:38:11,040
oh yeah oh he's he's a fascinating guy

547
00:37:44,280 --> 00:38:42,380
we were talking about half an hour but

548
00:38:11,039 --> 00:38:42,380
unfortunately a lot of stories yeah 1970

549
00:38:45,289 --> 00:38:50,550
no no I asked her that she did she can't

550
00:38:48,030 --> 00:38:52,970
you know she but she had a feeling all

551
00:38:50,550 --> 00:38:54,840
day that something wasn't right and

552
00:38:52,969 --> 00:38:57,809
initially when I asked if she'd come to

553
00:38:54,840 --> 00:39:00,360
our meeting to give us a talk you know

554
00:38:57,809 --> 00:39:04,049
we put it up over she said no I come for

555
00:39:00,360 --> 00:39:09,380
the wheels she's got a genuine fear of

556
00:39:04,050 --> 00:39:12,780

coming to Wilson England as well but I

557

00:39:09,380 --> 00:39:14,670

think the the experience that having

558

00:39:12,780 --> 00:39:17,790

done in like in 70 he doesn't send us so

559

00:39:14,670 --> 00:39:19,170

much I think I think he's having what

560

00:39:17,789 --> 00:39:20,940

happens at home is bad enough but if

561

00:39:19,170 --> 00:39:23,659

you'd away from home away from your

562

00:39:20,940 --> 00:39:23,659

secure zone

563

00:39:24,469 --> 00:39:30,569

yeah she said she's a definite believer

564

00:39:28,710 --> 00:39:33,539

that the abduction phenomenon does

565

00:39:30,570 --> 00:39:34,170

follow bloodlines this happens in her

566

00:39:33,539 --> 00:39:36,860

family

567

00:39:34,170 --> 00:39:39,809

he's happened with her friend as well

568

00:39:36,860 --> 00:39:42,210

she said on the video that is something

569

00:39:39,809 --> 00:39:43,460

to a friend's daughter I'm trying to get

570

00:39:42,210 --> 00:39:45,990

in touch with a friend

571
00:39:43,460 --> 00:39:48,720
she lives in phonetically so she's local

572
00:39:45,989 --> 00:39:59,129
it should be nice if we could get her

573
00:39:48,719 --> 00:40:02,969
side of the story another look September

574
00:39:59,130 --> 00:40:13,890
1970 I'm found anything yet August

575
00:40:02,969 --> 00:40:15,719
August September thing she says but it's

576
00:40:13,889 --> 00:40:16,949
very interesting I think what is a fair

577
00:40:15,719 --> 00:40:19,019
weather there are some other interviews

578
00:40:16,949 --> 00:40:22,559
online if you another luck Richard he

579
00:40:19,019 --> 00:40:26,639
halted in interview with in 2009 there's

580
00:40:22,559 --> 00:40:29,029
a couple of others as well yeah she's

581
00:40:26,639 --> 00:40:29,029
got a daughter
