

1
00:00:26,300 --> 00:00:32,060
okay so I've just come back from my

2
00:00:28,879 --> 00:00:34,549
little adventure with the infamous

3
00:00:32,060 --> 00:00:38,000
Stephen Emlyn because you know I'm a

4
00:00:34,549 --> 00:00:40,219
little crazy and as it turned out it was

5
00:00:38,000 --> 00:00:43,299
absolutely fantastic went really smooth

6
00:00:40,219 --> 00:00:45,049
and what you're about to see now is

7
00:00:43,299 --> 00:00:48,199
exactly what happened

8
00:00:45,049 --> 00:00:50,058
so enjoy all right we're on the way to

9
00:00:48,200 --> 00:00:54,910
go sign and today to interview a couple

10
00:00:50,058 --> 00:00:58,849
of witnesses amongst the triangle set

11
00:00:54,909 --> 00:01:01,519
scene with Swansea area and Mike Dean

12
00:00:58,850 --> 00:01:03,260
for January 1983 so we got a lovely day

13
00:01:01,520 --> 00:01:04,308
for it first of November but do you

14
00:01:03,259 --> 00:01:07,969
think he would be the first of all

15
00:01:04,308 --> 00:01:09,679
graphs and we do last August I think he

16
00:01:07,969 --> 00:01:11,859
was more like November switching wrong

17
00:01:09,680 --> 00:01:11,860
this year

18
00:01:28,890 --> 00:01:34,379
hello I'm Steve drusen co-founder of

19
00:01:31,590 --> 00:01:35,329
Swansea UFL Network together with

20
00:01:34,379 --> 00:01:38,879
emmalin williams

21
00:01:35,329 --> 00:01:41,159
today in Sunday the 1st of November 2015

22
00:01:38,879 --> 00:01:44,849
and we come to Brighton Road Goose

23
00:01:41,159 --> 00:01:47,819
Island Swansea neither workman's club to

24
00:01:44,849 --> 00:01:50,699
speak to mr. Milan Bali AK together with

25
00:01:47,819 --> 00:01:52,469
his brother Byron now this is regarding

26
00:01:50,700 --> 00:01:55,170
UFO sighting they experienced some

27
00:01:52,469 --> 00:01:59,629
thirty two years ago on the evening of

28
00:01:55,170 --> 00:02:02,460
Wednesday the 19th of January 2019 83

29

00:01:59,629 --> 00:02:05,129
that's become locally known as the night

30
00:02:02,459 --> 00:02:06,209
of the triangles so welcome Byron would

31
00:02:05,129 --> 00:02:08,459
you like to tell us a little bit about

32
00:02:06,209 --> 00:02:10,079
what happened that night please well

33
00:02:08,459 --> 00:02:13,020
that's that night to a squatter pass

34
00:02:10,080 --> 00:02:15,180
sexy were standing here and one of our

35
00:02:13,020 --> 00:02:18,450
main us Sir Roger Williams just looked

36
00:02:15,180 --> 00:02:19,770
across the road yeah and he screamed I

37
00:02:18,449 --> 00:02:21,419
what what's that

38
00:02:19,770 --> 00:02:24,150
as he looked across you it there was the

39
00:02:21,419 --> 00:02:27,750
house there there was a row of white

40
00:02:24,150 --> 00:02:29,010
blue he lights very small and as I came

41
00:02:27,750 --> 00:02:32,219
over the top of the house the whole

42
00:02:29,009 --> 00:02:34,679
thing tilted in between these houses

43
00:02:32,219 --> 00:02:37,650

year we could see a triangle shape a

44

00:02:34,680 --> 00:02:39,239

huge triangle shape but very lights we

45

00:02:37,650 --> 00:02:41,459

can see then was the shape of the

46

00:02:39,239 --> 00:02:42,750

triangle one the front and one his side

47

00:02:41,459 --> 00:02:45,450

to the other side of the triangle was a

48

00:02:42,750 --> 00:02:46,919

red with a red light not a descent that

49

00:02:45,449 --> 00:02:48,929

was the front

50

00:02:46,919 --> 00:02:51,539

this thing was floating in this

51

00:02:48,930 --> 00:02:56,000

direction very slow you could walk

52

00:02:51,539 --> 00:02:59,269

faster it immediately run over

53

00:02:56,000 --> 00:03:01,789

in debt and where we were stars he was

54

00:02:59,270 --> 00:03:06,170

just moving so slow and went in that

55

00:03:01,789 --> 00:03:07,759

direction when one of the boys when they

56

00:03:06,169 --> 00:03:10,069

went out the side completely washed it

57

00:03:07,759 --> 00:03:11,929

for a while till one out the site and

58
00:03:10,069 --> 00:03:14,870
when my brother when his mate went in

59
00:03:11,930 --> 00:03:16,250
they formed a strong G sound but when I

60
00:03:14,870 --> 00:03:19,129
went in there there was two smaller

61
00:03:16,250 --> 00:03:20,960
triangles in this street here going up

62
00:03:19,129 --> 00:03:22,519
and down just past each other like this

63
00:03:20,960 --> 00:03:27,770
but much smaller that's why you were in

64
00:03:22,520 --> 00:03:29,510
sight I was I was like at least to end

65
00:03:27,770 --> 00:03:32,209
in this one touch phone and I was

66
00:03:29,509 --> 00:03:34,340
telling Judith I stayed here and out of

67
00:03:32,209 --> 00:03:36,349
nowhere this street here there were two

68
00:03:34,340 --> 00:03:38,030
small triangles up and down each other I

69
00:03:36,349 --> 00:03:41,329
got silly completely when on the site

70
00:03:38,030 --> 00:03:43,459
no sense whatsoever but this one year

71
00:03:41,330 --> 00:03:45,890
this one knew this table year was huge

72
00:03:43,459 --> 00:03:47,560
these were small and it was really big

73
00:03:45,889 --> 00:03:50,179
with her you know right in front of us

74
00:03:47,560 --> 00:03:53,509
yeah so initially then the sytem was

75
00:03:50,180 --> 00:03:56,030
opposite the club yeah right here what's

76
00:03:53,509 --> 00:03:57,439
the height for thee what you say your

77
00:03:56,030 --> 00:04:00,819
bite another lettuce on top of that

78
00:03:57,439 --> 00:04:04,120
house there it's awkward to say I just

79
00:04:00,819 --> 00:04:09,489
remember the size of it say yep from

80
00:04:04,120 --> 00:04:13,400
here I reckon on one corner would be

81
00:04:09,489 --> 00:04:16,310
half of the heights of this again I'm

82
00:04:13,400 --> 00:04:19,310
going to the point there that one yeah I

83
00:04:16,310 --> 00:04:22,189
ain't going over to that so you first

84
00:04:19,310 --> 00:04:23,810
came down from the north and that's with

85
00:04:22,189 --> 00:04:27,379
us where I sorry I didn't see any earth

86

00:04:23,810 --> 00:04:29,750
so it was food for angle from house to

87
00:04:27,379 --> 00:04:33,350
house and in between so

88
00:04:29,750 --> 00:04:35,899
that is that sighs I'm about 40-50 cuts

89
00:04:33,350 --> 00:04:38,480
up there yeah it's like but you couldn't

90
00:04:35,899 --> 00:04:39,729
I couldn't change him in between a apart

91
00:04:38,480 --> 00:04:42,310
from the light

92
00:04:39,730 --> 00:04:44,410
and I would say look we're I couldn't

93
00:04:42,310 --> 00:04:58,300
see any you couldn't say I couldn't see

94
00:04:44,410 --> 00:05:00,820
anything in Bettina but my parliamentary

95
00:04:58,300 --> 00:05:03,220
and Raja went in right unless I went

96
00:05:00,819 --> 00:05:04,750
then I stayed you it was you know

97
00:05:03,220 --> 00:05:06,730
they've gone now boys I stayed you just

98
00:05:04,750 --> 00:05:08,500
have a look around disguise and then of

99
00:05:06,730 --> 00:05:10,330
them go and it's just sort of looking I

100
00:05:08,500 --> 00:05:11,620

was just there and it was too small the

101

00:05:10,329 --> 00:05:13,199
triangles going up this street here

102

00:05:11,620 --> 00:05:15,730
don't the what's there

103

00:05:13,199 --> 00:05:18,370
yeah yeah exactly in a straight line

104

00:05:15,730 --> 00:05:20,020
here and slowly back and forth just

105

00:05:18,370 --> 00:05:22,209
missed each other guys but the first one

106

00:05:20,019 --> 00:05:24,639
at company first the drunken TV you know

107

00:05:22,209 --> 00:05:26,349
these have gone into phone and I just

108

00:05:24,639 --> 00:05:29,409
stated note on the laws lab I would look

109

00:05:26,350 --> 00:05:30,430
to the skies and then it was there just

110

00:05:29,410 --> 00:05:31,480
look that way and they were that haven't

111

00:05:30,430 --> 00:05:34,300
said he couldn't see anything between

112

00:05:31,480 --> 00:05:36,340
yeah the place well I could just see I

113

00:05:34,300 --> 00:05:37,960
could see a was a black a black ship

114

00:05:36,339 --> 00:05:40,060
there was a black triangle I could see

115
00:05:37,959 --> 00:05:41,889
that but you couldn't see is definitely

116
00:05:40,060 --> 00:05:43,810
a cloud that oh yes yeah but you

117
00:05:41,889 --> 00:05:46,209
couldn't see I was sick or people

118
00:05:43,810 --> 00:05:47,620
anything it was no I mean Rodriguez use

119
00:05:46,209 --> 00:05:50,560
those lights and you could definitely

120
00:05:47,620 --> 00:05:52,060
see in the really black block shape of

121
00:05:50,560 --> 00:05:53,980
the triangle you can see what she really

122
00:05:52,060 --> 00:05:57,459
was and you couldn't see what depth it

123
00:05:53,980 --> 00:05:58,660
was nothing like a cannot return after

124
00:05:57,459 --> 00:06:00,159
him then a you said he went off to the

125
00:05:58,660 --> 00:06:01,480
west we did not like straight down over

126
00:06:00,160 --> 00:06:03,610
a car go straight to not laying down

127
00:06:01,480 --> 00:06:05,470
there how did it turn did it maneuver

128
00:06:03,610 --> 00:06:08,160
did it only for Manali for when it came

129
00:06:05,470 --> 00:06:10,600
over the South should I tell did you

130
00:06:08,160 --> 00:06:12,700
then then you could see

131
00:06:10,600 --> 00:06:14,650
triangles if you couldn't look till it

132
00:06:12,699 --> 00:06:16,449
came over there it tilted north all

133
00:06:14,649 --> 00:06:18,189
those that a light lights went off on

134
00:06:16,449 --> 00:06:19,719
its straightened out in between like

135
00:06:18,189 --> 00:06:21,819
violence and in between those houses

136
00:06:19,720 --> 00:06:25,810
there and then you could see it was just

137
00:06:21,819 --> 00:06:27,250
a light on each page yeah you know what

138
00:06:25,810 --> 00:06:29,410
sort of time was it and quarter past

139
00:06:27,250 --> 00:06:31,930
6:00 for the past six and was dark then

140
00:06:29,410 --> 00:06:35,520
it was it was dark but I'll be just

141
00:06:31,930 --> 00:06:35,519
really mean it was really just stuck

142
00:06:36,149 --> 00:06:40,319
they still go away to the pub drawer but

143

00:06:42,360 --> 00:06:52,449
we obviously we always you know possibly

144
00:06:45,610 --> 00:06:55,150
men you know I'll be honest I told em

145
00:06:52,449 --> 00:06:58,719
then this right this is true I went on

146
00:06:55,149 --> 00:07:00,579
that night and I know it sounds stupid

147
00:06:58,720 --> 00:07:02,320
anomaly people say what they done my

148
00:07:00,579 --> 00:07:04,659
life turned I burned all my you were

149
00:07:02,319 --> 00:07:09,730
four books in the garden I did you know

150
00:07:04,660 --> 00:07:12,189
Jay a high-neck I notice the following

151
00:07:09,730 --> 00:07:14,110
days and all the good deal with jets and

152
00:07:12,189 --> 00:07:18,759
fly runs they were looking for something

153
00:07:14,110 --> 00:07:21,040
before the morning but it did it it was

154
00:07:18,759 --> 00:07:23,319
a who's we had you know I mean I knew

155
00:07:21,040 --> 00:07:26,740
that there was nothing mid-year you know

156
00:07:23,319 --> 00:07:34,149
how that was well he says well you know

157
00:07:26,740 --> 00:07:35,740

I think so yeah yeah no just me

158

00:07:34,149 --> 00:07:39,789

you remember the year you probably

159

00:07:35,740 --> 00:07:41,439

better than during before that new roads

160

00:07:39,790 --> 00:07:45,010

or the orange ball and I was going yeah

161

00:07:41,439 --> 00:07:47,769

I was going down from yes Mizzou the end

162

00:07:45,009 --> 00:07:48,959

the golden so some commercial pub and

163

00:07:47,769 --> 00:07:51,120

the main roads

164

00:07:48,959 --> 00:07:54,478

and the world is a noun it ages the

165

00:07:51,120 --> 00:07:57,120

oldest rebel and I was walking home I

166

00:07:54,478 --> 00:08:00,870

lived on that I saw shortcut don't know

167

00:07:57,120 --> 00:08:01,918

any old way right walking down everyone

168

00:08:00,870 --> 00:08:07,129

dying for with me

169

00:08:01,918 --> 00:08:09,599

and I looked up it was this all ng red

170

00:08:07,129 --> 00:08:11,879

late so I just kept my eyes neck all

171

00:08:09,600 --> 00:08:14,750

away while I was walking just kept

172
00:08:11,879 --> 00:08:17,819
looking it didn't look right I think

173
00:08:14,750 --> 00:08:20,490
that it's amazing and I just looked and

174
00:08:17,819 --> 00:08:22,829
all of a sudden it this one God and I

175
00:08:20,490 --> 00:08:25,379
were so made and you sink them L what is

176
00:08:22,829 --> 00:08:28,259
saying the whole thing's is if you

177
00:08:25,379 --> 00:08:31,259
remember back as a third one I was

178
00:08:28,259 --> 00:08:32,968
saying because it goes right back to my

179
00:08:31,259 --> 00:08:35,338
gran when we lived up there on the hill

180
00:08:32,969 --> 00:08:38,200
but I can't remember much about that and

181
00:08:35,339 --> 00:08:40,780
you saying what did you do

182
00:08:38,200 --> 00:08:42,580
I use the telephone sometimes fair

183
00:08:40,779 --> 00:08:43,539
enough after three drinks but I used

184
00:08:42,580 --> 00:08:45,250
this piece a night

185
00:08:43,539 --> 00:08:47,919
come on let's instead he saying I take

186
00:08:45,250 --> 00:08:49,419
because I would've loved didn't know

187
00:08:47,919 --> 00:08:53,799
Serena would now I know I would

188
00:08:49,419 --> 00:08:55,299
I read a lot about um Macedon today

189
00:08:53,799 --> 00:09:00,370
we're like at the moment but there's

190
00:08:55,299 --> 00:09:02,889
another thing well yeah I'm very very

191
00:09:00,370 --> 00:09:04,840
envious because it was a true they say

192
00:09:02,889 --> 00:09:06,939
yeah I do if Rogers ever told you this

193
00:09:04,840 --> 00:09:09,850
but that's was of the one that was you

194
00:09:06,940 --> 00:09:11,200
say good that first year that steam year

195
00:09:09,850 --> 00:09:14,379
it was the same man for same week that

196
00:09:11,200 --> 00:09:16,629
senior Roger was coming to my house is

197
00:09:14,379 --> 00:09:19,659
staring of them from walking back across

198
00:09:16,629 --> 00:09:22,689
the common my sponsor says yeah and I

199
00:09:19,659 --> 00:09:24,279
don't you told us Byron and you have a

200

00:09:22,690 --> 00:09:25,440
call some people do come now got to see

201
00:09:24,279 --> 00:09:27,490
what he could see

202
00:09:25,440 --> 00:09:29,080
yeah it was on the common air without

203
00:09:27,490 --> 00:09:31,419
even knew Rowan about visible there and

204
00:09:29,080 --> 00:09:33,850
there was two clouds in the sky there

205
00:09:31,419 --> 00:09:35,860
with like a metal pipe or light he said

206
00:09:33,850 --> 00:09:37,720
coming across it though he call these

207
00:09:35,860 --> 00:09:39,519
people over because he knew what they'd

208
00:09:37,720 --> 00:09:40,690
say they'd say was two airplanes refill

209
00:09:39,519 --> 00:09:43,389
and in the middle of Gallatin I don't

210
00:09:40,690 --> 00:09:44,680
think so but that actually came in and

211
00:09:43,389 --> 00:09:46,480
told us and we call these people are

212
00:09:44,679 --> 00:09:47,649
these two couples will walk about from

213
00:09:46,480 --> 00:09:48,850
the Kings through our locker than they

214
00:09:47,649 --> 00:09:54,639

seeded like you know it's just they're

215

00:09:48,850 --> 00:09:57,310
not moving at all you came back from

216

00:09:54,639 --> 00:09:58,899
looking at the other one yeah we do we

217

00:09:57,309 --> 00:10:00,669
kick you I came across the roll with our

218

00:09:58,899 --> 00:10:02,799
car is there and we were at end of it

219

00:10:00,669 --> 00:10:04,860
and you said it was the two trailers

220

00:10:02,799 --> 00:10:07,019
moving up

221

00:10:04,860 --> 00:10:10,019
new features to cielos and he likes oh

222

00:10:07,019 --> 00:10:11,759
yeah just likes just likes any idea what

223

00:10:10,019 --> 00:10:14,730
sort of depth they will ignore you

224

00:10:11,759 --> 00:10:17,340
credit from long

225

00:10:14,730 --> 00:10:19,259
I know I've seen them one that you made

226

00:10:17,340 --> 00:10:22,980
spell on there right the one in Chile

227

00:10:19,259 --> 00:10:24,809
with or wherever you were and I swear I

228

00:10:22,980 --> 00:10:26,340
was in use role he was so flat but I'd

229
00:10:24,809 --> 00:10:29,519
say a nap though I mean like I couldn't

230
00:10:26,340 --> 00:10:31,320
tell you could exactly yeah yeah is it

231
00:10:29,519 --> 00:10:33,600
like a two-dimensional images it was it

232
00:10:31,320 --> 00:10:36,000
that type of thing yes here you cannot

233
00:10:33,600 --> 00:10:39,740
see it's a massive blocky but you

234
00:10:36,000 --> 00:10:39,740
couldn't see the depth under the throne

235
00:10:42,649 --> 00:10:48,689
they were just straight down a note of

236
00:10:46,529 --> 00:10:51,329
it the house there straight down over

237
00:10:48,690 --> 00:10:52,590
there or that way and even still as far

238
00:10:51,330 --> 00:10:54,930
back as they were still going like this

239
00:10:52,590 --> 00:10:57,290
but this up here down there without way

240
00:10:54,929 --> 00:10:57,289
yeah

241
00:10:57,940 --> 00:11:04,660
above the houses nor they won't even I'd

242
00:11:03,490 --> 00:11:06,070
say they were just a promise to the

243
00:11:04,659 --> 00:11:09,100
highest peak where I'd say they've

244
00:11:06,070 --> 00:11:10,270
adjusted above their you know I mean

245
00:11:09,100 --> 00:11:13,629
whenever the site that over the end oh

246
00:11:10,269 --> 00:11:15,279
so it's okay yeah yeah but smaller not

247
00:11:13,629 --> 00:11:17,769
thought there was no so many any of them

248
00:11:15,279 --> 00:11:20,259
know some thought was right under that I

249
00:11:17,769 --> 00:11:21,939
reckon to that and he was just oh i

250
00:11:20,259 --> 00:11:25,340
supply and they serve I went over look

251
00:11:21,940 --> 00:11:29,510
you know could you size

252
00:11:25,340 --> 00:11:31,670
well I'd say this one you're the one

253
00:11:29,509 --> 00:11:36,139
I've seen here when I was ended it was

254
00:11:31,669 --> 00:11:36,649
the size of two aircrafts I'd say but

255
00:11:36,139 --> 00:11:41,379
jets

256
00:11:36,649 --> 00:11:43,399
buenas yeah it was large oh yeah yeah

257

00:11:41,379 --> 00:11:46,269
well this I see there are you seen

258
00:11:43,399 --> 00:11:49,838
estimate distance you know and these

259
00:11:46,269 --> 00:11:55,939
nobodies need as big as that you know

260
00:11:49,839 --> 00:11:57,980
I've seen you a new yeah oh yeah oh they

261
00:11:55,940 --> 00:12:01,010
worry about anyone I saw was this

262
00:11:57,980 --> 00:12:03,649
because that particular the guy in the

263
00:12:01,009 --> 00:12:05,480
respawn he said that they were really

264
00:12:03,649 --> 00:12:08,480
small about the size of a saloon cow

265
00:12:05,480 --> 00:12:13,190
that one that his dad so yeah yeah I see

266
00:12:08,480 --> 00:12:15,440
that yeah that was a bit shocked yes I

267
00:12:13,190 --> 00:12:19,670
said I'd say was twice at least twice as

268
00:12:15,440 --> 00:12:21,140
big as an area is under after he went

269
00:12:19,669 --> 00:12:22,879
this he went into this onesie sound and

270
00:12:21,139 --> 00:12:28,490
you've never individual the following

271
00:12:22,879 --> 00:12:30,320

morning yes that's right yeah yeah what

272

00:12:28,490 --> 00:12:33,230

were mellow my mates may send up a free

273

00:12:30,320 --> 00:12:34,550

robber two days ago and said he said

274

00:12:33,230 --> 00:12:37,399

Brian ha and he was looking read our

275

00:12:34,549 --> 00:12:40,219

chat and he said he knows about the view

276

00:12:37,399 --> 00:12:43,069

on Swansea sound and my son Robert said

277

00:12:40,220 --> 00:12:45,170

to me uh my my dad was my friends

278

00:12:43,070 --> 00:12:47,510

father's working in garage in Gaudin and

279

00:12:45,169 --> 00:12:52,099

used on the radio so you know through

280

00:12:47,509 --> 00:12:55,490

people of Newbury village people see it

281

00:12:52,100 --> 00:12:58,570

and stuff not that I'm not really know

282

00:12:55,490 --> 00:12:58,570

what no no

283

00:12:58,639 --> 00:13:03,759

yeah yeah I'm not only that the one that

284

00:13:01,759 --> 00:13:06,379

really put him a post

285

00:13:03,759 --> 00:13:07,899

is if I'm Kelly she sends her in the

286
00:13:06,379 --> 00:13:09,649
garden and they seen there she was from

287
00:13:07,899 --> 00:13:11,539
where say yeah but she was leaving

288
00:13:09,649 --> 00:13:11,990
working bitch goes in the red in South

289
00:13:11,539 --> 00:13:14,360
dock

290
00:13:11,990 --> 00:13:15,709
yeah and up just after sex when she saw

291
00:13:14,360 --> 00:13:17,120
these two triangles yeah

292
00:13:15,708 --> 00:13:19,009
and I was again that was happening same

293
00:13:17,120 --> 00:13:20,899
time these ones a lot of fun to the port

294
00:13:19,009 --> 00:13:23,088
he must have seen them the other areas

295
00:13:20,899 --> 00:13:25,730
are on two triangles there I mean that's

296
00:13:23,089 --> 00:13:26,959
exactly what we saw that ship where the

297
00:13:25,730 --> 00:13:29,360
lights were that that is what we've seen

298
00:13:26,958 --> 00:13:31,309
no you didn't notice any protuberance

299
00:13:29,360 --> 00:13:33,289
coming from underneath no and I was

300
00:13:31,309 --> 00:13:35,199
right down the lit no there was nothing

301
00:13:33,289 --> 00:13:37,578
at all what arrangements of the lights

302
00:13:35,200 --> 00:13:40,060
well like I were as it came over here

303
00:13:37,578 --> 00:13:42,708
there was a row of small bluey lights

304
00:13:40,059 --> 00:13:44,778
Lord of them but when it till didn't

305
00:13:42,708 --> 00:13:46,729
came here it says everything went off

306
00:13:44,778 --> 00:13:49,458
and it was just a light on each point on

307
00:13:46,730 --> 00:13:54,889
his peak you know and there was a red

308
00:13:49,458 --> 00:13:56,719
light towards the front of it I'm rather

309
00:13:54,889 --> 00:13:58,309
he said right in front of us it was I

310
00:13:56,720 --> 00:13:59,660
couldn't believe myself went across the

311
00:13:58,309 --> 00:14:01,549
road after the following day I thought

312
00:13:59,659 --> 00:14:03,559
what was he doing like you know you're

313
00:14:01,549 --> 00:14:05,479
new see that in films but I was

314

00:14:03,559 --> 00:14:07,838
intrigued straight over under underneath

315
00:14:05,480 --> 00:14:12,019
it and it was just it was just that slow

316
00:14:07,839 --> 00:14:14,149
no sound nothing at all I mean I've had

317
00:14:12,019 --> 00:14:16,429
weird experiences in my life one

318
00:14:14,149 --> 00:14:17,149
particular experience then what it was

319
00:14:16,429 --> 00:14:21,799
happening

320
00:14:17,149 --> 00:14:23,570
there was a feeling of there's a part

321
00:14:21,799 --> 00:14:25,719
neither wasn't surprised but there's

322
00:14:23,570 --> 00:14:29,140
another part feel it's

323
00:14:25,720 --> 00:14:31,060
you know that yeah I know - did you get

324
00:14:29,139 --> 00:14:34,000
that kind of I did yes at the time like

325
00:14:31,059 --> 00:14:36,189
I've been reading this box yeah it's

326
00:14:34,000 --> 00:14:39,039
real yeah I mean I've seen lights in the

327
00:14:36,190 --> 00:14:41,920
sky for years a fall of things since

328
00:14:39,039 --> 00:14:43,719

1969 and all I've seen is yard light in

329

00:14:41,919 --> 00:14:45,519

the sky which has meant nothing at all -

330

00:14:43,720 --> 00:14:47,290

you know it's been nothing you know I'd

331

00:14:45,519 --> 00:14:49,870

save myself for that's only destiny that

332

00:14:47,289 --> 00:14:51,849

are noble planets and Venus not a snap

333

00:14:49,870 --> 00:14:53,679

they blame it on a nice rubbish I mean

334

00:14:51,850 --> 00:14:56,050

to see something like that floating

335

00:14:53,679 --> 00:14:58,029

above your head well it shook me you

336

00:14:56,049 --> 00:14:59,979

know I thought you know I played the

337

00:14:58,029 --> 00:15:06,279

four-eyed folders for years that this is

338

00:14:59,980 --> 00:15:11,740

real like you know I'd say about 300

339

00:15:06,279 --> 00:15:13,209

pounds worth it was it was it was in my

340

00:15:11,740 --> 00:15:15,399

head that my god you know we definitely

341

00:15:13,210 --> 00:15:17,830

not alone I know it's an old second but

342

00:15:15,399 --> 00:15:19,840

we are not and you know what's gonna

343
00:15:17,830 --> 00:15:21,910
happen in the future I don't know you

344
00:15:19,840 --> 00:15:24,490
know is it a feeling of anxiety possible

345
00:15:21,909 --> 00:15:27,069
things yes all that put together yeah

346
00:15:24,490 --> 00:15:28,899
yeah I mean like I said down the garden

347
00:15:27,070 --> 00:15:31,780
what the lot there put him in the box

348
00:15:28,899 --> 00:15:34,389
and burned everything you know and I

349
00:15:31,779 --> 00:15:36,100
chatted to be honest that night as old

350
00:15:34,389 --> 00:15:37,419
as I was I went to bed out Nathan closed

351
00:15:36,100 --> 00:15:44,139
the blinds on the currently they want to

352
00:15:37,419 --> 00:15:55,299
see those outside you know well 3232 is

353
00:15:44,139 --> 00:15:57,850
older it's Nathan 83 yeah I mean you

354
00:15:55,299 --> 00:15:59,649
know everybody say same people in the

355
00:15:57,850 --> 00:16:01,480
same but everyone is talking about the

356
00:15:59,649 --> 00:16:04,539
law use the plains that you know what's

357
00:16:01,480 --> 00:16:07,120
going on like yeah we're known for a

358
00:16:04,539 --> 00:16:11,259
couple of hours back and for very noisy

359
00:16:07,120 --> 00:16:13,919
very low yeah so I thought to myself oh

360
00:16:11,259 --> 00:16:16,230
they must be looking for

361
00:16:13,919 --> 00:16:18,929
but I know yeah I never expect the

362
00:16:16,230 --> 00:16:21,870
singer from I got an assumed you know I

363
00:16:18,929 --> 00:16:25,019
mean yourselves now to do a view of any

364
00:16:21,870 --> 00:16:27,839
triangle UFOs before legs I didn't know

365
00:16:25,019 --> 00:16:28,709
before 83 the only one I can think of is

366
00:16:27,839 --> 00:16:30,750
the Phoenix lights

367
00:16:28,708 --> 00:16:33,989
I seen the Felix likes rubble I was

368
00:16:30,750 --> 00:16:36,870
nothing like this I'm your number yeah

369
00:16:33,990 --> 00:16:38,970
but over there let me pre eighties

370
00:16:36,870 --> 00:16:41,850
attended to be source of shape Dulce

371

00:16:38,970 --> 00:16:44,220
gosh yes oh gosh eighties on seem to be

372
00:16:41,850 --> 00:16:46,649
pregnant myself like never good I've

373
00:16:44,220 --> 00:16:47,850
never read anything about UFO try on

374
00:16:46,649 --> 00:16:48,448
your FOIA review I've never heard that

375
00:16:47,850 --> 00:16:50,550
before

376
00:16:48,448 --> 00:16:54,828
never never read about it never see

377
00:16:50,549 --> 00:16:57,328
nothing until long night yeah you know

378
00:16:54,828 --> 00:16:58,979
so uh it's like it's like over the years

379
00:16:57,328 --> 00:17:07,970
they changing the change in form we got

380
00:16:58,980 --> 00:17:10,410
there we got new ones out good oh yeah

381
00:17:07,970 --> 00:17:12,120
your family's reaction when you actually

382
00:17:10,410 --> 00:17:14,040
told them that you've seen this what was

383
00:17:12,119 --> 00:17:16,828
the usual rings life is skepticism a

384
00:17:14,039 --> 00:17:18,449
yeah my father was a funniest one he'll

385
00:17:16,828 --> 00:17:21,418

make named at me my dad was yuccas laugh

386

00:17:18,449 --> 00:17:23,130

right Beavis our good night and you very

387

00:17:21,419 --> 00:17:26,730

abrupt talk and lovely blawker very

388

00:17:23,130 --> 00:17:28,770

abrupt I when we told Melissa told about

389

00:17:26,730 --> 00:17:30,150

we've seen for the tongue be silly we

390

00:17:28,769 --> 00:17:32,910

said if they were if you've seen it if

391

00:17:30,150 --> 00:17:34,559

you see that they'd be a shorter set up

392

00:17:32,910 --> 00:17:36,269

by now all these us people report miss a

393

00:17:34,558 --> 00:17:37,730

nap he said you know we don't own supply

394

00:17:36,269 --> 00:17:41,519

now why why is the by a snake handling

395

00:17:37,730 --> 00:17:41,849

the berry very of black do but that was

396

00:17:41,519 --> 00:17:50,960

about it

397

00:17:41,849 --> 00:17:55,829

yeah yeah you know people I have told

398

00:17:50,960 --> 00:17:57,750

about that there's a is being afraid you

399

00:17:55,829 --> 00:17:59,009

know they've been gone you know it's not

400
00:17:57,750 --> 00:18:01,048
what I said yeah that's right I said you

401
00:17:59,009 --> 00:18:03,269
know I knew you my missus today says

402
00:18:01,048 --> 00:18:04,918
says me you know tell the story said you

403
00:18:03,269 --> 00:18:06,808
must be telling the truth LeSabre ham I

404
00:18:04,919 --> 00:18:08,490
said why do you say that and she said

405
00:18:06,808 --> 00:18:10,259
because every time you say that all

406
00:18:08,490 --> 00:18:12,359
those years ago you say exactly the same

407
00:18:10,259 --> 00:18:13,769
thing the times what we've seen the

408
00:18:12,359 --> 00:18:15,629
lights and all restaurant they said well

409
00:18:13,769 --> 00:18:15,990
you know you've got a good memory to be

410
00:18:15,630 --> 00:18:17,730
a liar

411
00:18:15,990 --> 00:18:20,250
and this is the truth you know that's

412
00:18:17,730 --> 00:18:21,289
what happens didn't expect that but they

413
00:18:20,250 --> 00:18:24,079
was

414
00:18:21,289 --> 00:18:25,069
hello it's been a part of you that have

415
00:18:24,079 --> 00:18:26,509
always hoped

416
00:18:25,069 --> 00:18:29,000
perhaps after you get over the initial

417
00:18:26,509 --> 00:18:31,129
shock and everything yeah like 10 used

418
00:18:29,000 --> 00:18:32,990
on the like did you ever think we'll it

419
00:18:31,130 --> 00:18:34,790
I wouldn't mind another boom I'm ready

420
00:18:32,990 --> 00:18:36,190
for another one now I'll need to know to

421
00:18:34,789 --> 00:18:39,200
what only lately

422
00:18:36,190 --> 00:18:40,670
Alethea yeah I said the last Weller

423
00:18:39,200 --> 00:18:43,039
Sealy in the last couple of years

424
00:18:40,670 --> 00:18:44,450
perhaps yeah you know what I mean five

425
00:18:43,039 --> 00:18:46,039
times accident doing school runs

426
00:18:44,450 --> 00:18:47,630
sometimes I'm elderly in the morning and

427
00:18:46,039 --> 00:18:49,159
I went there and I'm always you know

428

00:18:47,630 --> 00:18:51,050
always having a look see what you like

429
00:18:49,160 --> 00:18:52,519
you know for six o'clock and one on

430
00:18:51,049 --> 00:18:55,129
November mornin his level you know the

431
00:18:52,519 --> 00:18:57,319
clear sky but there no one nothing and I

432
00:18:55,130 --> 00:18:58,970
have thought you know what you know I'd

433
00:18:57,319 --> 00:19:03,649
like to see you I mean maybe not quite

434
00:18:58,970 --> 00:19:09,500
not so close like okay okay thank you

435
00:19:03,650 --> 00:19:12,290
very much thank you okay I thought that

436
00:19:09,500 --> 00:19:16,029
went well Knoll and his brother by

437
00:19:12,289 --> 00:19:20,149
remover very affable and good speakers

438
00:19:16,029 --> 00:19:22,069
there really shows that these sightings

439
00:19:20,150 --> 00:19:23,960
can have effect people from what he was

440
00:19:22,069 --> 00:19:25,829
saying that he went home and burned all

441
00:19:23,960 --> 00:19:28,919
his books

442
00:19:25,829 --> 00:19:31,259

it's a young man in his thirties this

443

00:19:28,919 --> 00:19:35,840

was he'd never seen anything like that

444

00:19:31,259 --> 00:19:35,839

before they really affected him

445

00:19:38,868 --> 00:19:45,720

yeah he was a very very interesting

446

00:19:41,759 --> 00:19:50,089

speaking to me so um and we are on to

447

00:19:45,720 --> 00:19:50,089

the next one or the next one right
