8  
00:02:27,199 --> 00:02:33,000  
right we got mr. Dave Davis here who's

9  
00:02:30,389 --> 00:02:34,919  
all grown up now who was a pupil at the

10  
00:02:33,000 --> 00:02:57,000  
school when this incident occurred so

11  
00:02:34,919 --> 00:02:59,399  
he's gonna come across right someone who

12  
00:02:57,000 --> 00:03:01,680  
followed this case over the last 40

13  
00:02:59,400 --> 00:03:03,780  
years might realize and identified me

14  
00:03:01,680 --> 00:03:08,159  
from having given numerous interviews

15  
00:03:03,780 --> 00:03:09,810  
over the years despite these interviews

16  
00:03:08,159 --> 00:03:11,939  
I've never actually done any public

17  
00:03:09,810 --> 00:03:13,379  
speaking on on the subject so I hope

18  
00:03:11,939 --> 00:03:15,030  
you'll be with me you know if I start

19  
00:03:13,379 --> 00:03:17,310  
boarding you just books just start

20  
00:03:15,030 --> 00:03:22,650  
throwing things and I resent the

21  
00:03:17,310 --> 00:03:25,680  
implication that I've grown up but 4th

22  
00:03:22,650 --> 00:03:28,200  
February 1977 anybody who's in the area

23  
00:03:25,680 --> 00:03:30,990  
yesterday will appreciate the weather

24  
00:03:28,199 --> 00:03:36,179  
that we had on a particular day it was

25  
00:03:30,990 --> 00:03:40,010  
abysmal never be in one who's been a

26  
00:03:36,180 --> 00:03:43,409  
great lover of being cold and wet I

27  
00:03:40,009 --> 00:03:45,359  
wasn't particularly I wasn't out that

28  
00:03:43,409 --> 00:03:48,750  
day with the rest of the children while

29

00:03:45,360 --> 00:03:50,400  
they were playing football I much

30  
00:03:48,750 --> 00:03:59,639  
prepared to stay in the classroom read

31  
00:03:50,400 --> 00:04:01,800  
in doing my own work throughout the day

32  
00:03:59,639 --> 00:04:04,489  
the children will be coming in from the

33  
00:04:01,800 --> 00:04:06,660  
playground during break times and

34  
00:04:04,490 --> 00:04:08,939  
reporting that they've seen something

35  
00:04:06,659 --> 00:04:13,229  
strange in me in the play field

36  
00:04:08,939 --> 00:04:15,569  
surrounding the school I've always been

37  
00:04:13,229 --> 00:04:18,899  
a natural-born skeptic I don't do belief

38  
00:04:15,569 --> 00:04:20,849  
systems I don't believe in things I even

39  
00:04:18,899 --> 00:04:23,138  
know what I don't know simple as that

40  
00:04:20,850 --> 00:04:25,000  
and one thing that I was pretty

41  
00:04:23,139 --> 00:04:29,199  
at the time was the flying sources

42  
00:04:25,000 --> 00:04:30,158  
didn't exist at a long fascination with

43  
00:04:29,199 --> 00:04:32,770

science fiction

44

00:04:30,158 --> 00:04:36,250

however the sort of science fiction that

45

00:04:32,769 --> 00:04:38,968

deals with humanity's place in the

46

00:04:36,250 --> 00:04:41,408

future etc and nothing to do with

47

00:04:38,968 --> 00:04:44,918

spaceships coming from Mars and invade

48

00:04:41,408 --> 00:04:47,199

in nothing's like that so the other

49

00:04:44,918 --> 00:04:50,438

natural-born skeptic that I was at the

50

00:04:47,199 --> 00:04:52,560

end of the day I decided that I was

51

00:04:50,439 --> 00:04:56,169

going to debunk this once and for all

52

00:04:52,560 --> 00:04:59,319

talking nonsense so at the end of the

53

00:04:56,168 --> 00:05:01,448

day and the final bell went I walked to

54

00:04:59,319 --> 00:05:05,500

the top playing field which you'll see

55

00:05:01,449 --> 00:05:07,180

when you go there later and there was

56

00:05:05,500 --> 00:05:12,939

absolutely nothing in sight it was

57

00:05:07,180 --> 00:05:14,829

drizzling like mad wind horrible but

58  
00:05:12,939 --> 00:05:16,330  
despite this and despite the fact that

59  
00:05:14,829 --> 00:05:18,068  
it was a bit of a quagmire I thought I

60  
00:05:16,329 --> 00:05:20,168  
wasn't going to get this debunked

61  
00:05:18,069 --> 00:05:22,240  
properly unless I actually got to the

62  
00:05:20,168 --> 00:05:26,649  
the location with the children and said

63  
00:05:22,240 --> 00:05:28,418  
they'd seen something so despite it

64  
00:05:26,649 --> 00:05:30,158  
being a little bit against the school

65  
00:05:28,418 --> 00:05:32,829  
rules I thought I'd make my way over the

66  
00:05:30,158 --> 00:05:35,829  
fence perimeter of the school and cross

67  
00:05:32,829 --> 00:05:41,829  
a small street well I've only managed to

68  
00:05:35,829 --> 00:05:45,908  
get my leg over when I've suddenly drawn

69  
00:05:41,829 --> 00:05:48,338  
to a large object which is appeared from

70  
00:05:45,908 --> 00:05:55,560  
behind a group of trees which is still

71  
00:05:48,338 --> 00:05:57,550  
there about 45 feet long silver an

72  
00:05:55,560 --> 00:05:59,408  
expression I didn't use at the time

73  
00:05:57,550 --> 00:06:01,930  
because it wasn't in my vocabulary

74  
00:05:59,408 --> 00:06:05,788  
but the silvery the silver finish had a

75  
00:06:01,930 --> 00:06:10,629  
pearlescent sort of feel to it it was

76  
00:06:05,788 --> 00:06:12,128  
almost difficult to focus on but not a

77  
00:06:10,629 --> 00:06:15,250  
sort of mother-of-pearl mother-of-pearl

78  
00:06:12,129 --> 00:06:17,650  
effect it had a central dome that

79  
00:06:15,250 --> 00:06:22,000  
covered the top

80  
00:06:17,649 --> 00:06:24,039  
they're of the vehicle and a read I

81  
00:06:22,000 --> 00:06:27,970  
described it at the time as a flashing

82  
00:06:24,040 --> 00:06:29,800  
light now again not good that wasn't in

83  
00:06:27,970 --> 00:06:31,419  
my vocabulary at the same time and I'll

84  
00:06:29,800 --> 00:06:34,660  
correct that now I would say there's

85  
00:06:31,418 --> 00:06:36,189  
pulsating more than more than flashing

86

00:06:34,660 --> 00:06:40,110  
rather than a flash like you'd see on an

87  
00:06:36,189 --> 00:06:43,209  
emergency vehicle it was more sort of a

88  
00:06:40,110 --> 00:06:49,410  
very slow that's warm

89  
00:06:43,209 --> 00:06:49,409  
one flash per second pulsation I

90  
00:06:50,970 --> 00:06:55,479  
obviously complete what I saw on the

91  
00:06:53,709 --> 00:07:00,388  
sighting of the lasted for the matter of

92  
00:06:55,478 --> 00:07:04,029  
about 10 seconds at the very most and

93  
00:07:00,389 --> 00:07:06,430  
the object virtually motionless but it

94  
00:07:04,029 --> 00:07:11,469  
appeared to be given a slight tug in

95  
00:07:06,430 --> 00:07:16,090  
motion away from the trees and then went

96  
00:07:11,470 --> 00:07:21,639  
behind the tree trees again now for some

97  
00:07:16,089 --> 00:07:23,679  
reason my natural curiosity did let me

98  
00:07:21,639 --> 00:07:26,050  
point out that this time there's no fear

99  
00:07:23,680 --> 00:07:28,269  
at all in the sight in it was pure

100  
00:07:26,050 --> 00:07:32,639

amazement of this thing runs in front of

101

00:07:28,269 --> 00:07:35,109

me but one thing I've never been able to

102

00:07:32,639 --> 00:07:36,460

explain since and it's brought to me

103

00:07:35,110 --> 00:07:40,900

it's more important than the actual

104

00:07:36,459 --> 00:07:45,870

sight in itself to I mean five to 10

105

00:07:40,899 --> 00:07:48,759

seconds and sight in its memorable but

106

00:07:45,870 --> 00:07:51,788

there's also a psychological aspect as

107

00:07:48,759 --> 00:07:54,699

well because I found myself running away

108

00:07:51,788 --> 00:07:56,589

from where I've seen it as I said

109

00:07:54,699 --> 00:08:00,129

there's no fear at all and to this day I

110

00:07:56,589 --> 00:08:05,138

can't explain why I felt the urge to run

111

00:08:00,129 --> 00:08:07,120

away but I the speed at which I moved it

112

00:08:05,139 --> 00:08:10,689

was almost as if my life depended on

113

00:08:07,120 --> 00:08:12,038

that and I keep thinking about this time

114

00:08:10,689 --> 00:08:14,589

and time again over the last 40 years

115  
00:08:12,038 --> 00:08:16,689  
and the other thing I can think of is

116  
00:08:14,589 --> 00:08:20,859  
that some sort of suggestion was put

117  
00:08:16,689 --> 00:08:24,168  
there that I had to get away anyway I

118  
00:08:20,860 --> 00:08:29,288  
got in the taxi that we

119  
00:08:24,168 --> 00:08:33,490  
- takes it on from skill and got home

120  
00:08:29,288 --> 00:08:36,559  
mama they realized I was very agitated I

121  
00:08:33,490 --> 00:08:38,360  
think I think she described described it

122  
00:08:36,559 --> 00:08:40,338  
more as frightened but it wasn't it

123  
00:08:38,360 --> 00:08:43,639  
wasn't frightened it was literally

124  
00:08:40,339 --> 00:08:45,290  
agitated with what I'd say and the fact

125  
00:08:43,639 --> 00:08:48,350  
that I've had my world turned up on it

126  
00:08:45,289 --> 00:08:52,578  
on its end because to me these things

127  
00:08:48,350 --> 00:08:55,850  
didn't exist Randall Jones people you

128  
00:08:52,578 --> 00:08:59,838  
mentioned in the talk Brandon Jones pew

129  
00:08:55,850 --> 00:09:05,480  
had recently retired as the local vet

130  
00:08:59,839 --> 00:09:07,160  
for the area living on a farm we've been

131  
00:09:05,480 --> 00:09:08,870  
very well at least my mother did so she

132  
00:09:07,159 --> 00:09:13,240  
got in touch with him knowing the

133  
00:09:08,870 --> 00:09:16,639  
interest that that he had in UFOs

134  
00:09:13,240 --> 00:09:19,879  
so Randall appeared quite quickly and

135  
00:09:16,639 --> 00:09:21,409  
later on that night we came back down to

136  
00:09:19,879 --> 00:09:25,000  
the school probably about 6 or 7 o'clock

137  
00:09:21,409 --> 00:09:27,139  
and evening but by that time it was

138  
00:09:25,000 --> 00:09:31,909  
totally impossible to get where we'd

139  
00:09:27,139 --> 00:09:34,850  
seen it is a quagmire and the light had

140  
00:09:31,909 --> 00:09:36,230  
gone completely so we came down the

141  
00:09:34,850 --> 00:09:37,550  
following morning with a reporter from

142  
00:09:36,230 --> 00:09:40,670  
the Western Telegraph called Hugh

143

00:09:37,549 --> 00:09:44,750  
Turnbull and managed to get to the spot

144  
00:09:40,669 --> 00:09:49,309  
where with the object of the pig there's

145  
00:09:44,750 --> 00:09:51,350  
no evidence that any other vehicle had

146  
00:09:49,309 --> 00:09:54,500  
been involved like I said the area was

147  
00:09:51,350 --> 00:09:57,470  
an absolute quagmire and subsequent

148  
00:09:54,500 --> 00:09:59,870  
investigations with Welsh water or well

149  
00:09:57,470 --> 00:10:02,990  
no sewage treatment was just further up

150  
00:09:59,870 --> 00:10:05,839  
the up the hill and the local farmers

151  
00:10:02,990 --> 00:10:09,759  
revealed that no vehicles of any type of

152  
00:10:05,839 --> 00:10:16,100  
been in May in that area on the day or

153  
00:10:09,759 --> 00:10:18,708  
from any time in previous to that day so

154  
00:10:16,100 --> 00:10:21,500  
a little bit a little bit further

155  
00:10:18,708 --> 00:10:23,659  
investigation revealed birds near the

156  
00:10:21,500 --> 00:10:26,159  
site the only physical evidence which

157  
00:10:23,659 --> 00:10:29,969

could be taken that there was

158

00:10:26,159 --> 00:10:33,299

something to what we had seen was that a

159

00:10:29,970 --> 00:10:37,199

recently erected and repaired telegraph

160

00:10:33,299 --> 00:10:39,659

pole the cross-section which has been

161

00:10:37,198 --> 00:10:47,909

product dated only a few days earlier

162

00:10:39,659 --> 00:10:53,610

had been not to angle like that from

163

00:10:47,909 --> 00:10:55,889

then it just went crazy the school

164

00:10:53,610 --> 00:10:57,690

erupted into a media circus the the

165

00:10:55,889 --> 00:11:01,409

likes of which amber tree was probably

166

00:10:57,690 --> 00:11:03,060

never seen its it's certainly a

167

00:11:01,409 --> 00:11:05,429

headmaster at Sydney never seen anything

168

00:11:03,059 --> 00:11:07,669

like it because he got to the point in

169

00:11:05,429 --> 00:11:10,649

the amber is that the phone off the hook

170

00:11:07,669 --> 00:11:13,229

decided to put an end to this once and

171

00:11:10,649 --> 00:11:15,328

for all but in that time we'd we'd

172  
00:11:13,230 --> 00:11:18,028  
attracted media attention all around the

173  
00:11:15,328 --> 00:11:19,948  
world there were even rumors of going

174  
00:11:18,028 --> 00:11:25,500  
over to the states to film a documentary

175  
00:11:19,948 --> 00:11:32,179  
which of course never transpired now 40

176  
00:11:25,500 --> 00:11:35,879  
years on over over the last 40 years

177  
00:11:32,179 --> 00:11:36,929  
I've always been referred to as the boys

178  
00:11:35,879 --> 00:11:43,289  
and small dysplasia

179  
00:11:36,929 --> 00:11:45,989  
I have never at any time in the last 40

180  
00:11:43,289 --> 00:11:52,438  
years not then not now ever claimed that

181  
00:11:45,990 --> 00:11:53,159  
oscillation I saw a UFO it was a flying

182  
00:11:52,438 --> 00:11:55,230  
object

183  
00:11:53,159 --> 00:11:58,129  
it was unidentified that's simple as

184  
00:11:55,230 --> 00:12:00,778  
that if there is a terrestrial

185  
00:11:58,129 --> 00:12:02,188  
terrestrial explanation for this UFO I'm

186  
00:12:00,778 --> 00:12:04,759  
quite willing to accept that

187  
00:12:02,188 --> 00:12:07,620  
but after 14 years of research and

188  
00:12:04,759 --> 00:12:10,919  
thousands of pounds spent on literature

189  
00:12:07,620 --> 00:12:14,549  
various other work I am still none the

190  
00:12:10,919 --> 00:12:17,759  
wiser to what we saw I could go into the

191  
00:12:14,549 --> 00:12:20,818  
into the little details of how the

192  
00:12:17,759 --> 00:12:26,399  
theories of how these crafts are powered

193  
00:12:20,818 --> 00:12:31,458  
how they fly but with regards to the

194  
00:12:26,399 --> 00:12:31,458  
origin of these craft nobody knows

195  
00:12:32,340 --> 00:12:36,970  
so I don't want to sensational eyes

196  
00:12:35,139 --> 00:12:40,750  
things at all and I never have

197  
00:12:36,970 --> 00:12:42,070  
sensational eyes you've probably you've

198  
00:12:40,750 --> 00:12:45,340  
probably seen the reports that the

199  
00:12:42,070 --> 00:12:46,930  
children made at the time now there's

200

00:12:45,340 --> 00:12:49,000  
been a few comments that the pictures

201  
00:12:46,929 --> 00:12:50,739  
weren't all identical in all but you

202  
00:12:49,000 --> 00:12:54,039  
have to accept as well the children are

203  
00:12:50,740 --> 00:12:56,500  
notoriously unreliable witnesses if you

204  
00:12:54,039 --> 00:12:58,649  
if children words with if charmander

205  
00:12:56,500 --> 00:13:00,789  
what small child words with mr. Klein a

206  
00:12:58,649 --> 00:13:02,889  
simple robbery by the time the police

207  
00:13:00,789 --> 00:13:04,569  
get doing that to interview them

208  
00:13:02,889 --> 00:13:06,250  
afterwards you'll of the robbers and

209  
00:13:04,570 --> 00:13:11,850  
strike jumpers wearing masks and

210  
00:13:06,250 --> 00:13:16,059  
carrying guns so they're them certainly

211  
00:13:11,850 --> 00:13:19,149  
possibly combined with or artistic

212  
00:13:16,059 --> 00:13:24,028  
talent there was also certainly an

213  
00:13:19,149 --> 00:13:26,139  
element of understandable juvenile

214  
00:13:24,028 --> 00:13:30,789

elaboration that some of the accounts

215

00:13:26,139 --> 00:13:32,139

I'll leave it to you not to to work that

216

00:13:30,789 --> 00:13:34,209

for yourselves when you think that

217

00:13:32,139 --> 00:13:37,569

multiplicative but what you have to

218

00:13:34,210 --> 00:13:39,430

remember is don't look at the

219

00:13:37,570 --> 00:13:42,820

differences between the pictures look at

220

00:13:39,429 --> 00:13:46,509

the similarities give them the fact that

221

00:13:42,820 --> 00:13:50,160

14 children were all put into exam

222

00:13:46,509 --> 00:13:52,569

situations with no chance of

223

00:13:50,159 --> 00:13:54,159

collaborating on a story or a novel or

224

00:13:52,570 --> 00:13:56,500

on the description whatsoever

225

00:13:54,159 --> 00:13:59,588

we have the weekend since the site in

226

00:13:56,500 --> 00:14:03,309

before Monday what we did when we make

227

00:13:59,589 --> 00:14:05,860

these pictures and descriptions but this

228

00:14:03,309 --> 00:14:08,289

was a time when there's no Skype there's

229  
00:14:05,860 --> 00:14:10,720  
no Facebook mobile phones having come

230  
00:14:08,289 --> 00:14:12,250  
along and if you wanted that used to

231  
00:14:10,720 --> 00:14:14,259  
have sprung they even have to have a

232  
00:14:12,250 --> 00:14:16,539  
damn good reason for your parents and

233  
00:14:14,259 --> 00:14:21,269  
even then they were year wiggling on

234  
00:14:16,539 --> 00:14:23,529  
watching you say to your friends so

235  
00:14:21,269 --> 00:14:26,559  
after we did the duck out of the pages

236  
00:14:23,529 --> 00:14:29,409  
and the descriptions the headmaster at

237  
00:14:26,559 --> 00:14:35,289  
school Ralph Llewellyn a lovely very

238  
00:14:29,409 --> 00:14:37,019  
very strength no-nonsense man I suppose

239  
00:14:35,289 --> 00:14:39,629  
if you would if you would live

240  
00:14:37,019 --> 00:14:42,000  
a Victorian teacher a Victorian

241  
00:14:39,629 --> 00:14:46,139  
headmaster ruff Llewellyn would fit the

242  
00:14:42,000 --> 00:14:51,389  
bill perfectly quite stressful fantastic

243  
00:14:46,139 --> 00:14:53,909  
warm sense of humor as well now he had

244  
00:14:51,389 --> 00:14:57,809  
been skeptical all along but the moment

245  
00:14:53,909 --> 00:15:01,230  
that he saw the pictures and read the

246  
00:14:57,809 --> 00:15:04,889  
descriptions his attitude change he

247  
00:15:01,230 --> 00:15:10,139  
never accepted birds what we saw was a

248  
00:15:04,889 --> 00:15:12,960  
UFO because he didn't want to but he did

249  
00:15:10,139 --> 00:15:15,149  
accept that the children had seen

250  
00:15:12,960 --> 00:15:18,360  
something out of the ordinary but they

251  
00:15:15,149 --> 00:15:20,279  
couldn't explain the other thing books

252  
00:15:18,360 --> 00:15:22,769  
have got to accept is that a lot of

253  
00:15:20,279 --> 00:15:25,339  
suggestions that we made as I said about

254  
00:15:22,769 --> 00:15:29,970  
tankers wealth water tankers

255  
00:15:25,340 --> 00:15:32,190  
agricultural equipment most the children

256  
00:15:29,970 --> 00:15:33,870  
who attended school in broad haven can

257

00:15:32,190 --> 00:15:37,290  
provide the cultural backgrounds myself

258  
00:15:33,870 --> 00:15:41,159  
included any piece of agricultural

259  
00:15:37,289 --> 00:15:43,409  
equipment silage equipment tankers we'd

260  
00:15:41,159 --> 00:15:47,100  
have recognized like a short there there

261  
00:15:43,409 --> 00:15:48,299  
was no there's no possibility that it

262  
00:15:47,100 --> 00:15:51,600  
could have been anything like that at

263  
00:15:48,299 --> 00:15:53,219  
all also the fact that sewage hangers

264  
00:15:51,600 --> 00:15:58,200  
don't tend to hire a 50 feet off the

265  
00:15:53,220 --> 00:16:01,080  
ground the other suggestion was that it

266  
00:15:58,200 --> 00:16:03,180  
might possibly have been a helicopter or

267  
00:16:01,080 --> 00:16:05,940  
I think I've heard a Harrier Jump Jet

268  
00:16:03,179 --> 00:16:07,679  
mentioned in recent days as well well

269  
00:16:05,940 --> 00:16:09,390  
besides the noise that a helicopter in

270  
00:16:07,679 --> 00:16:12,689  
our area John Kerr obviously makes when

271  
00:16:09,389 --> 00:16:15,360

taking off a man there we have broadly

272

00:16:12,690 --> 00:16:16,980

on the doorstep and the school had a

273

00:16:15,360 --> 00:16:20,399

very good relationship with poverty

274

00:16:16,980 --> 00:16:22,920

itself in fact I've been two sets of

275

00:16:20,399 --> 00:16:25,439

encyclopedias that we had in in the

276

00:16:22,919 --> 00:16:28,799

school the Encyclopedia Britannica which

277

00:16:25,440 --> 00:16:30,720

was donated by RAF broad day and we also

278

00:16:28,799 --> 00:16:33,939

had a full sentence like

279

00:16:30,720 --> 00:16:35,889

americana which was donated from the US

280

00:16:33,940 --> 00:16:39,040

Naval facility so we had a close

281

00:16:35,889 --> 00:16:41,769

relationship in the base and all the

282

00:16:39,039 --> 00:16:44,289

children we were so familiar with

283

00:16:41,769 --> 00:16:47,289

practically every NATO aircraft in the

284

00:16:44,289 --> 00:16:50,049

sky we were so used to Falcon bombers

285

00:16:47,289 --> 00:16:51,699

flying overhead light men's effort every

286  
00:16:50,049 --> 00:16:54,479  
type of military hardware that you could

287  
00:16:51,700 --> 00:16:55,750  
imagine that we we couldn't name it

288  
00:16:54,480 --> 00:16:57,759  
immediately

289  
00:16:55,750 --> 00:17:00,129  
Peter Padgett who wrote the Welsh

290  
00:16:57,759 --> 00:17:02,649  
triangle actually Spectre states in his

291  
00:17:00,129 --> 00:17:06,789  
book that he arrived with a little bit

292  
00:17:02,649 --> 00:17:09,700  
of skepticism in his mind on whether we

293  
00:17:06,789 --> 00:17:11,649  
identified it properly however when he

294  
00:17:09,700 --> 00:17:16,380  
arrived he had a very very nice sports

295  
00:17:11,650 --> 00:17:19,030  
car not I've got another common one and

296  
00:17:16,380 --> 00:17:20,520  
the fact that we identified it

297  
00:17:19,029 --> 00:17:22,779  
immediately as a Lotus Europa

298  
00:17:20,519 --> 00:17:29,980  
immediately made in think these kids

299  
00:17:22,779 --> 00:17:34,420  
know what they what they say the local

300  
00:17:29,980 --> 00:17:36,250  
community have been very supportive I

301  
00:17:34,420 --> 00:17:40,150  
will say that there's a lot of

302  
00:17:36,250 --> 00:17:41,829  
skepticism in the area and possibly that

303  
00:17:40,150 --> 00:17:43,720  
there possibly stir this and it's not

304  
00:17:41,829 --> 00:17:45,699  
helped in recent times by the amount of

305  
00:17:43,720 --> 00:17:52,380  
nonsense that's on the internet about

306  
00:17:45,700 --> 00:17:55,630  
the UFO subject so and the moment people

307  
00:17:52,380 --> 00:17:58,750  
think of the word UFO instantly they

308  
00:17:55,630 --> 00:18:01,330  
think I mean which isn't what is about

309  
00:17:58,750 --> 00:18:05,680  
it couldn't been an alien I don't know I

310  
00:18:01,329 --> 00:18:07,720  
honestly can't give you any further

311  
00:18:05,680 --> 00:18:11,769  
information at this day on that subject

312  
00:18:07,720 --> 00:18:13,839  
now I'm gonna stop waffling now because

313  
00:18:11,769 --> 00:18:16,539  
I've actually reached pretty much the

314

00:18:13,839 --> 00:18:22,029  
point of what I want to do explain so if

315  
00:18:16,539 --> 00:18:23,619  
emma nor anybody else would like to any

316  
00:18:22,029 --> 00:18:26,369  
anything you'd like to be like that that

317  
00:18:23,619 --> 00:18:26,369  
i might have missed

318  
00:18:34,490 --> 00:18:39,319  
whatever I'll do some Q&A session but

319  
00:18:39,440 --> 00:18:43,950  
that that's my counterpart as far as I

320  
00:18:42,690 --> 00:18:45,990  
can tell you and like I said I'm not

321  
00:18:43,950 --> 00:18:48,720  
used to public speaking so I hope we

322  
00:18:45,990 --> 00:18:52,769  
don't mind the posture crack it up now

323  
00:18:48,720 --> 00:18:55,319  
so I let pass the mic back and hopefully

324  
00:18:52,769 --> 00:18:57,089  
if you have got any questions that I

325  
00:18:55,319 --> 00:18:59,990  
haven't covered and I'll be quite happy

326  
00:18:57,089 --> 00:18:59,990  
to answer them later on

327  
00:19:00,539 --> 00:19:05,539  
[Applause]

328  
00:19:08,000 --> 00:19:11,170

[Music]
