

1
00:00:00,000 --> 00:00:03,089
[Music]

2
00:00:08,460 --> 00:00:10,520
you

3
00:01:20,618 --> 00:01:28,159
some glass is excellent in all good we

4
00:01:23,269 --> 00:01:29,840
all right oh yes if you can't so anyway

5
00:01:28,159 --> 00:01:31,340
good evening everybody have you very

6
00:01:29,840 --> 00:01:35,030
much for inviting us to talk to you this

7
00:01:31,340 --> 00:01:36,890
evening first of all my I say that we're

8
00:01:35,030 --> 00:01:39,019
not that experienced in public speaking

9
00:01:36,890 --> 00:01:41,299
compared with your very able mr. David

10
00:01:39,019 --> 00:01:44,000
hardly in there however we think the

11
00:01:41,299 --> 00:01:46,520
subject of UFOs is important enough that

12
00:01:44,000 --> 00:01:49,310
any lack of experience that we may have

13
00:01:46,519 --> 00:01:50,959
available attic at is more important

14
00:01:49,310 --> 00:01:52,609
than sharing our experiences with you

15
00:01:50,959 --> 00:01:55,849
and getting the message out there so

16
00:01:52,609 --> 00:01:57,739
please bear with us now my name is Steve

17
00:01:55,849 --> 00:02:01,250
drusen and together with Emily Williams

18
00:01:57,739 --> 00:02:04,090
here we co-founded soup-bone which is

19
00:02:01,250 --> 00:02:06,349
the acronym for Swansea UFO network

20
00:02:04,090 --> 00:02:08,030
we're also going tonight or one of our

21
00:02:06,349 --> 00:02:10,399
hard-working members which is this the

22
00:02:08,030 --> 00:02:13,039
Mike Mo under there who hopefully will

23
00:02:10,399 --> 00:02:16,789
ensure on an electronic school rock they

24
00:02:13,039 --> 00:02:19,280
don't we do both and then I myself had a

25
00:02:16,789 --> 00:02:22,459
long-standing interest in the subject of

26
00:02:19,280 --> 00:02:25,639
UFO sightings and any in abductions etc

27
00:02:22,459 --> 00:02:27,109
I probably like yourselves we've read

28
00:02:25,639 --> 00:02:30,889
many books and articles on the subject

29

00:02:27,109 --> 00:02:32,600
and its many options I'm sure many

30
00:02:30,889 --> 00:02:34,310
people you come across of expected

31
00:02:32,599 --> 00:02:37,340
you'll be wearing anoraks in tinfoil

32
00:02:34,310 --> 00:02:41,689
hats goes very far either than myself

33
00:02:37,340 --> 00:02:43,819
because the thing is you know people

34
00:02:41,689 --> 00:02:46,400
expect us to be all that I'm very well

35
00:02:43,818 --> 00:02:48,318
ease and living in caves and and you

36
00:02:46,400 --> 00:02:54,730
know associate with good looking chic

37
00:02:48,318 --> 00:02:54,729
and doris member tourists version

38
00:02:56,878 --> 00:03:04,870
she was a anyway little bit about my

39
00:03:02,530 --> 00:03:06,580
background I spent 30 years as a traffic

40
00:03:04,870 --> 00:03:11,560
police officer with South Wales

41
00:03:06,580 --> 00:03:14,200
Constabulary and ten years as a

42
00:03:11,560 --> 00:03:16,870
warehouse manager so eventually retired

43
00:03:14,199 --> 00:03:19,479

altogether in april 2010 to become

44

00:03:16,870 --> 00:03:21,640

another burden and drain on society fish

45

00:03:19,479 --> 00:03:24,039

who didn't take me long to realize his

46

00:03:21,639 --> 00:03:25,568

own us so much Jeremy Kyle and reruns of

47

00:03:24,039 --> 00:03:28,419

the snow night you've been watching with

48

00:03:25,568 --> 00:03:30,339

me so I just happened to find further my

49

00:03:28,419 --> 00:03:34,000

interest which was a long standing in

50

00:03:30,340 --> 00:03:38,319

the subject of UFOs it does seem strange

51

00:03:34,000 --> 00:03:41,560

at somebody police officers seem to have

52

00:03:38,318 --> 00:03:43,268

an avid interest in UFOs maybe it's

53

00:03:41,560 --> 00:03:45,340

because it's been so long working night

54

00:03:43,269 --> 00:03:47,370

shift auckland absorbs and witness

55

00:03:45,340 --> 00:03:50,319

unusual events so who knows ended up

56

00:03:47,370 --> 00:03:51,879

anyway they did rest i decided to troll

57

00:03:50,318 --> 00:03:54,458

through the internet in an effort to

58
00:03:51,878 --> 00:03:56,949
find a local UFO group that i could join

59
00:03:54,459 --> 00:03:58,900
and to cut a long story short it

60
00:03:56,949 --> 00:04:01,899
transpired that all the local club we

61
00:03:58,900 --> 00:04:05,709
have folded or they were just limiting

62
00:04:01,900 --> 00:04:07,539
themselves to online discussions so i

63
00:04:05,709 --> 00:04:10,000
basically that left just one else heard

64
00:04:07,539 --> 00:04:12,400
it and that was to try to start my own

65
00:04:10,000 --> 00:04:15,239
group so with that in mind is set up a

66
00:04:12,400 --> 00:04:18,639
Facebook page and entitled it sir

67
00:04:15,239 --> 00:04:21,098
Swansea area UFO club examination and

68
00:04:18,639 --> 00:04:23,439
research team I was a bit of a mouthful

69
00:04:21,098 --> 00:04:27,969
yes but it did not manage to capture my

70
00:04:23,439 --> 00:04:30,038
sleeve he acted in saucer anyway funny

71
00:04:27,970 --> 00:04:32,680
enough within 24 hours i was contacted

72
00:04:30,038 --> 00:04:34,719
by everyone here who ever known to me

73
00:04:32,680 --> 00:04:37,150
was living just two miles down the road

74
00:04:34,720 --> 00:04:39,450
for me and he just started a facebook

75
00:04:37,149 --> 00:04:42,069
page that very day on the same subject

76
00:04:39,449 --> 00:04:45,310
now that's a classic case of synchronous

77
00:04:42,069 --> 00:04:47,168
if you've ever I heard one so naturally

78
00:04:45,310 --> 00:04:48,939
or if we arranged a meet-up and we

79
00:04:47,168 --> 00:04:51,279
discuss the situation and agreed we

80
00:04:48,939 --> 00:04:51,959
would pool our resources and start a new

81
00:04:51,279 --> 00:04:54,959
group

82
00:04:51,959 --> 00:04:58,709
penis which after some deliberation we

83
00:04:54,959 --> 00:05:00,089
turn the Swans UFO network now we've

84
00:04:58,709 --> 00:05:01,829
been running just a little over 18

85
00:05:00,089 --> 00:05:04,258
months and in fairness things that look

86

00:05:01,829 --> 00:05:06,269
pretty quickly for us we hold the

87
00:05:04,259 --> 00:05:08,939
regular monthly meeting like yourselves

88
00:05:06,269 --> 00:05:10,258
and just in over half of those meetings

89
00:05:08,939 --> 00:05:12,949
we have the pleasure of being addressed

90
00:05:10,259 --> 00:05:16,080
by some excellent guest speakers

91
00:05:12,949 --> 00:05:19,139
included a number of authors crop circle

92
00:05:16,079 --> 00:05:21,060
experts an Egyptologist and the likes of

93
00:05:19,139 --> 00:05:22,590
mr. Bannon and Jones is the Gary Henson

94
00:05:21,060 --> 00:05:24,389
saying about the leaves of the best view

95
00:05:22,589 --> 00:05:28,409
and of course toward us christmas is a

96
00:05:24,389 --> 00:05:30,120
target Aaron on nights when we do not

97
00:05:28,410 --> 00:05:32,280
have the benefit of a guest speaker Emma

98
00:05:30,120 --> 00:05:34,590
and I tend to give a short talk on UFOs

99
00:05:32,279 --> 00:05:38,459
or an Associated topic and then from the

100
00:05:34,589 --> 00:05:40,679

fluorophore discussion and debate our

101

00:05:38,459 --> 00:05:42,689

attendance varies between 20 and 80

102

00:05:40,680 --> 00:05:45,120

persons depending on the weather in the

103

00:05:42,689 --> 00:05:47,009

speaker so it's basically 20 persons

104

00:05:45,120 --> 00:05:50,158

family to myself and eight people mr.

105

00:05:47,009 --> 00:05:52,169

Gallagher sir so similar to yourselves

106

00:05:50,158 --> 00:05:55,168

we have a lot of enter attendees and

107

00:05:52,168 --> 00:05:56,848

found for the first time they're able to

108

00:05:55,168 --> 00:05:59,430

open up and discuss sightings they've

109

00:05:56,848 --> 00:06:02,310

had and situations they found themselves

110

00:05:59,430 --> 00:06:03,900

in sometimes they repress these

111

00:06:02,310 --> 00:06:07,709

incidents for years for fear of

112

00:06:03,899 --> 00:06:09,359

disbelief or ridicule the fact many of

113

00:06:07,709 --> 00:06:11,459

the visitors have compared our winters

114

00:06:09,360 --> 00:06:13,590

to that of an a a meeting if you don't

115
00:06:11,459 --> 00:06:15,149
know we're after sharing their story

116
00:06:13,589 --> 00:06:17,519
they're able to go home and get drunk I

117
00:06:15,149 --> 00:06:18,929
felt paper go on however the sensor

118
00:06:17,519 --> 00:06:22,319
relief it being able to share their

119
00:06:18,930 --> 00:06:23,699
experiences you know it's the first time

120
00:06:22,319 --> 00:06:27,718
they've been able to do that sort of

121
00:06:23,699 --> 00:06:29,280
thing we hope regular sky watches as you

122
00:06:27,718 --> 00:06:32,610
probably do throughout the year when the

123
00:06:29,279 --> 00:06:34,109
weather conditions permit I find the sky

124
00:06:32,610 --> 00:06:36,449
watchers don't tend to be as well as

125
00:06:34,110 --> 00:06:37,449
tended as we would like although our

126
00:06:36,449 --> 00:06:39,009
members always

127
00:06:37,449 --> 00:06:42,098
quinta know what the result of the mites

128
00:06:39,009 --> 00:06:44,348
vents work as well as understand that

129
00:06:42,098 --> 00:06:46,628
was quite a lot of our members are older

130
00:06:44,348 --> 00:06:50,588
and not reading your classics 40th floor

131
00:06:46,629 --> 00:06:52,960
types and you know given the topography

132
00:06:50,588 --> 00:06:55,028
of Wales it's what we sometimes have to

133
00:06:52,959 --> 00:06:58,568
climb every mountain as they say ordered

134
00:06:55,028 --> 00:07:00,990
a good vantage point so we also arrange

135
00:06:58,569 --> 00:07:03,870
trips and visits to places of interest

136
00:07:00,990 --> 00:07:09,218
such as cough circles historical sites

137
00:07:03,870 --> 00:07:10,930
and UFO conferences etc is a new purpose

138
00:07:09,218 --> 00:07:12,639
made website which has been constructed

139
00:07:10,930 --> 00:07:14,528
it's currently in the process of being

140
00:07:12,639 --> 00:07:17,860
revised and updated by mr. McMullin

141
00:07:14,528 --> 00:07:19,538
Lydia ko and then I must say has been a

142
00:07:17,860 --> 00:07:21,490
very good ambassador for the club

143

00:07:19,538 --> 00:07:24,459
there's over a period of many years he's

144
00:07:21,490 --> 00:07:26,918
a master huge record of local sightings

145
00:07:24,459 --> 00:07:29,438
and incidents and they're in the process

146
00:07:26,918 --> 00:07:41,889
of being downloaded onto the new website

147
00:07:29,439 --> 00:07:45,039
which is www.hyken.com magazines as well

148
00:07:41,889 --> 00:07:46,718
as the internet he's also spent a huge

149
00:07:45,038 --> 00:07:48,818
amount of time trolling through every

150
00:07:46,718 --> 00:07:52,088
edition of our local daily newspapers

151
00:07:48,819 --> 00:07:53,588
from 1952 date searching for any

152
00:07:52,088 --> 00:07:57,189
articles that have been published on the

153
00:07:53,588 --> 00:07:59,528
subject there was a few different daily

154
00:07:57,189 --> 00:08:01,419
and evening newspapers in our Aryan in

155
00:07:59,528 --> 00:08:05,019
the case of our local evening paper the

156
00:08:01,418 --> 00:08:06,728
sequester with 24,000 copies so it's

157
00:08:05,019 --> 00:08:10,028

quite a laborious task but it's still

158

00:08:06,728 --> 00:08:11,498

ongoing unfortunately as a little bit of

159

00:08:10,028 --> 00:08:15,218

help these days from some of our more

160

00:08:11,499 --> 00:08:17,740

enthusiastic club members but in the

161

00:08:15,218 --> 00:08:19,778

main I suppose one of our biggest tasks

162

00:08:17,740 --> 00:08:21,879

is the process of interviewing people

163

00:08:19,778 --> 00:08:25,360

how do you wear for a good sighting of

164

00:08:21,879 --> 00:08:26,709

contact some of the persons have been

165

00:08:25,360 --> 00:08:27,110

traced from the Nietzscheans are just

166

00:08:26,709 --> 00:08:29,629

men

167

00:08:27,110 --> 00:08:31,310

and some of contact is at a club and

168

00:08:29,629 --> 00:08:32,779

summer friends or acquaintances of our

169

00:08:31,310 --> 00:08:35,659

members or previous person we've

170

00:08:32,779 --> 00:08:37,909

interviewed the interviews are either

171

00:08:35,659 --> 00:08:39,559

recorded just in writing or sometimes by

172
00:08:37,909 --> 00:08:40,909
filming the proceedings and I believe

173
00:08:39,559 --> 00:08:47,089
we're now after seminary you know what

174
00:08:40,909 --> 00:08:53,629
500 plus report mm 521 reports at the

175
00:08:47,090 --> 00:08:54,920
long arm twisting in a single yeah never

176
00:08:53,629 --> 00:08:56,389
seen the name is going to run through

177
00:08:54,919 --> 00:08:58,309
some of the more interesting reports we

178
00:08:56,389 --> 00:09:01,549
see the meantime I just have to touch on

179
00:08:58,309 --> 00:09:04,489
one of them now we've all heard about

180
00:09:01,549 --> 00:09:07,309
the more famously where coincidence from

181
00:09:04,490 --> 00:09:09,019
around Britain Rendlesham warminster &

182
00:09:07,309 --> 00:09:10,759
in our neck of the woods and you've got

183
00:09:09,019 --> 00:09:13,610
the barren Mountain incident the worst

184
00:09:10,759 --> 00:09:14,629
triangle or governing map but something

185
00:09:13,610 --> 00:09:16,370
anything that I are currently

186
00:09:14,629 --> 00:09:19,159
investigating is probably what a bigots

187
00:09:16,370 --> 00:09:21,710
one of Britain's biggest one night UFO

188
00:09:19,159 --> 00:09:24,649
sightings involve in several separate

189
00:09:21,710 --> 00:09:27,889
ufos which were witnessed by a huge

190
00:09:24,649 --> 00:09:30,049
number of independent witnesses now the

191
00:09:27,889 --> 00:09:32,330
Sunday Mirror reported that over 200

192
00:09:30,049 --> 00:09:34,909
separate people with the suspect it will

193
00:09:32,330 --> 00:09:39,410
include the football team a class in

194
00:09:34,909 --> 00:09:40,969
children now as usual the local media

195
00:09:39,409 --> 00:09:43,459
reported the incident for two

196
00:09:40,970 --> 00:09:46,310
consecutive nights and then the matter

197
00:09:43,460 --> 00:09:48,850
the shells but my opinion it's probably

198
00:09:46,309 --> 00:09:51,649
one of the biggest mass UFO sightings

199
00:09:48,850 --> 00:09:54,680
that there's been that you can name over

200

00:09:51,649 --> 00:09:57,110
two hundred witnesses now its head a

201
00:09:54,679 --> 00:09:58,099
little bit more about the incidents but

202
00:09:57,110 --> 00:10:00,110
I'm not going to bore you in the

203
00:09:58,100 --> 00:10:02,529
individual witness testimonies but

204
00:10:00,110 --> 00:10:05,180
perhaps 12 or the more interesting ones

205
00:10:02,529 --> 00:10:07,610
now what I do it now mmm hopefully will

206
00:10:05,179 --> 00:10:09,379
be draw it out for you the individual

207
00:10:07,610 --> 00:10:12,769
sightings on the map of swansea and

208
00:10:09,379 --> 00:10:15,070
Gower coast and hopefully include in the

209
00:10:12,769 --> 00:10:17,210
times of directions on the travel DeGraw

210
00:10:15,070 --> 00:10:18,890
now the whole thing occurred between

211
00:10:17,210 --> 00:10:21,019
early and late evening on the night of

212
00:10:18,889 --> 00:10:24,199
wednesday the 19th in january nineteen

213
00:10:21,019 --> 00:10:26,210
eighty-three when dark triangular shaped

214
00:10:24,200 --> 00:10:29,420

craft was seen to move slowly and

215

00:10:26,210 --> 00:10:29,980

silently at a very low altitude or where

216

00:10:29,419 --> 00:10:32,110

there is

217

00:10:29,980 --> 00:10:35,409

parts of swansea and also the Cardiff

218

00:10:32,110 --> 00:10:47,110

area for this reason our clubs dozens of

219

00:10:35,409 --> 00:10:51,100

the night of the triangles was a white

220

00:10:47,110 --> 00:10:53,019

toy a mother to the people ran the

221

00:10:51,100 --> 00:10:54,909

police the Coast Guard the airports the

222

00:10:53,019 --> 00:10:57,789

RAF the radio stations and the

223

00:10:54,909 --> 00:10:59,500

newspapers about this the cycads of

224

00:10:57,789 --> 00:11:01,659

subsequently reported in the local

225

00:10:59,500 --> 00:11:04,120

Swansea newspaper the South cozy new

226

00:11:01,659 --> 00:11:06,370

post and also the South Wales a Cohen

227

00:11:04,120 --> 00:11:08,320

carded that was the following evening

228

00:11:06,370 --> 00:11:10,029

and then the usual attempts to derive

229
00:11:08,320 --> 00:11:13,870
the event were published on the

230
00:11:10,029 --> 00:11:15,669
subsequent evening all these people saw

231
00:11:13,870 --> 00:11:17,799
what they individually corroborated as

232
00:11:15,669 --> 00:11:20,469
being triangular shaped objects moving

233
00:11:17,799 --> 00:11:25,959
slowly and silently at a low altitude

234
00:11:20,470 --> 00:11:28,480
across the skies some reported single

235
00:11:25,960 --> 00:11:31,600
craft was that I saw two or three close

236
00:11:28,480 --> 00:11:33,159
together The Times recorded and many of

237
00:11:31,600 --> 00:11:37,210
the sightings were absolutely identical

238
00:11:33,159 --> 00:11:38,529
and as these crash were miles apart it

239
00:11:37,210 --> 00:11:40,480
left no doubt that there were clearly

240
00:11:38,529 --> 00:11:44,829
many objects being observed in the sky

241
00:11:40,480 --> 00:11:46,960
the same time obviously as is the case

242
00:11:44,830 --> 00:11:48,910
with any witnesses to an event there was

243
00:11:46,960 --> 00:11:51,580
there's always slightly ambiguities

244
00:11:48,909 --> 00:11:54,100
between testimonies but in the main that

245
00:11:51,580 --> 00:11:55,540
appears to be overwhelming analogical

246
00:11:54,100 --> 00:11:59,440
description of what these crafts

247
00:11:55,539 --> 00:12:03,159
actually looked like firstly they were

248
00:11:59,440 --> 00:12:05,620
triangle and in the main large extremely

249
00:12:03,159 --> 00:12:08,049
large some describe them has been as big

250
00:12:05,620 --> 00:12:11,250
as two football pitches and others are

251
00:12:08,049 --> 00:12:13,359
spent in the street above their houses I

252
00:12:11,250 --> 00:12:16,360
don't forget this two hundred witnesses

253
00:12:13,360 --> 00:12:18,490
to this it would seem to be the large

254
00:12:16,360 --> 00:12:20,320
singular circular-shaped light at the

255
00:12:18,490 --> 00:12:21,909
other side of the three corners the

256
00:12:20,320 --> 00:12:24,720
predominant opinion of the witnesses

257

00:12:21,909 --> 00:12:26,980
puts the color of those lights is white

258
00:12:24,720 --> 00:12:29,230
this seems to have been a large circle

259
00:12:26,980 --> 00:12:32,889
symbol like under the center of the crop

260
00:12:29,230 --> 00:12:34,840
which was red in color now when the main

261
00:12:32,889 --> 00:12:35,639
the altitude the objects was described

262
00:12:34,840 --> 00:12:40,290
as a couple of

263
00:12:35,639 --> 00:12:42,029
feet up but in some cases the objects

264
00:12:40,289 --> 00:12:45,389
were described as virtually skimming

265
00:12:42,029 --> 00:12:47,339
houses that they were passing over all

266
00:12:45,389 --> 00:12:49,049
the way to say is seem to agree that no

267
00:12:47,340 --> 00:12:53,009
sound was heard coming from any of the

268
00:12:49,049 --> 00:12:54,839
objects two of the witnesses were South

269
00:12:53,009 --> 00:12:57,419
Wales Police detectives and they were

270
00:12:54,840 --> 00:12:58,950
described people who described one of

271
00:12:57,419 --> 00:13:00,629

the objects which was heading towards

272

00:12:58,950 --> 00:13:03,890

and has been as large as two football

273

00:13:00,629 --> 00:13:06,389

fields I would talk about a detective

274

00:13:03,889 --> 00:13:09,240

Superintendent here not just any old

275

00:13:06,389 --> 00:13:12,539

Harry right so I think we can take these

276

00:13:09,240 --> 00:13:14,190

testimonies being true the object

277

00:13:12,539 --> 00:13:15,689

interns woods right and slowly

278

00:13:14,190 --> 00:13:19,680

disappeared in the direction of the

279

00:13:15,690 --> 00:13:27,170

coast they were apparently contacted by

280

00:13:19,679 --> 00:13:29,579

RAF yeah so we'll see it bitch please

281

00:13:27,169 --> 00:13:32,759

the guy openings left you know what

282

00:13:29,580 --> 00:13:35,990

looks like a fuck-boy familiar yeah Holy

283

00:13:32,759 --> 00:13:39,259

Mother Mary degree that saw me right

284

00:13:35,990 --> 00:13:39,259

galloping

285

00:13:40,850 --> 00:13:44,240

we get there

286
00:13:44,730 --> 00:13:54,399
munster lovely yeah that's right anyway

287
00:13:52,750 --> 00:13:56,830
these two detectives were apparently

288
00:13:54,399 --> 00:13:58,330
contacted by RAF uxbridge who questioned

289
00:13:56,830 --> 00:13:59,950
him about the incident before they went

290
00:13:58,330 --> 00:14:03,759
off duty that night which is strange in

291
00:13:59,950 --> 00:14:05,379
itself that would one rural area Swansea

292
00:14:03,759 --> 00:14:07,919
what residents hall was plunged into

293
00:14:05,379 --> 00:14:10,360
darkness when his electricity went off

294
00:14:07,919 --> 00:14:12,278
so in order to check it was just his

295
00:14:10,360 --> 00:14:13,930
home or whether other residents were

296
00:14:12,278 --> 00:14:17,169
affected the open the lounge windows

297
00:14:13,929 --> 00:14:18,879
from doneil of donors immediately saw

298
00:14:17,169 --> 00:14:21,819
the one of the aforementioned described

299
00:14:18,879 --> 00:14:25,299
craft is drifting slowly overhead and

300
00:14:21,820 --> 00:14:26,920
disappeared away into the distance he

301
00:14:25,299 --> 00:14:28,899
later established the electricity

302
00:14:26,919 --> 00:14:31,240
supplier had in fact fail to a large

303
00:14:28,899 --> 00:14:36,190
number of residents in his village is

304
00:14:31,240 --> 00:14:37,959
restored later that evening now all

305
00:14:36,190 --> 00:14:39,640
these numerous triangle sightings of

306
00:14:37,958 --> 00:14:41,708
various parts of two cities were

307
00:14:39,639 --> 00:14:44,049
explained away by the various official

308
00:14:41,708 --> 00:14:46,268
bodies with the usual contender in your

309
00:14:44,049 --> 00:14:49,569
suit and ring a familiarity about them

310
00:14:46,269 --> 00:14:52,690
namely meteorites high level i proud

311
00:14:49,570 --> 00:14:54,250
refueling a satellite reintroduce orbit

312
00:14:52,690 --> 00:14:57,040
which is burning up a Sea King

313
00:14:54,250 --> 00:15:04,570
helicopter and even refraction of an

314

00:14:57,039 --> 00:15:09,099
atmospheric dust yeah I need to observe

315
00:15:04,570 --> 00:15:10,570
you're right in front of me I 1985

316
00:15:09,100 --> 00:15:12,310
always use a little too early for

317
00:15:10,570 --> 00:15:13,720
Chinese lanterns or a suspect that would

318
00:15:12,309 --> 00:15:15,789
have been involved well I know that

319
00:15:13,720 --> 00:15:17,980
that's there now and then and I

320
00:15:15,789 --> 00:15:20,620
attempted to trace an interview every

321
00:15:17,980 --> 00:15:23,560
witness to this incident currently we're

322
00:15:20,620 --> 00:15:25,690
aware of 26 separate witnesses in our

323
00:15:23,559 --> 00:15:26,789
Swansea area and there's many more on

324
00:15:25,690 --> 00:15:28,770
the card I very will

325
00:15:26,789 --> 00:15:30,539
which we guessed yet to investigate

326
00:15:28,769 --> 00:15:33,090
because because it's such a long time

327
00:15:30,539 --> 00:15:35,490
ago now a lot of people passed on passed

328
00:15:33,090 --> 00:15:37,080

away moved away the very difficult race

329

00:15:35,490 --> 00:15:39,419

we're doing our best to get around them

330

00:15:37,080 --> 00:15:43,410

all and of course the more witnesses you

331

00:15:39,419 --> 00:15:45,089

speak to the more you find now it seems

332

00:15:43,409 --> 00:15:46,919

these sightings actually interrupted

333

00:15:45,090 --> 00:15:48,690

tool amateur football matches one in

334

00:15:46,919 --> 00:15:50,339

Swansea run in the Cardiff area where

335

00:15:48,690 --> 00:15:54,780

the players just watched in amazement of

336

00:15:50,340 --> 00:15:56,610

these objects boob overhead investing as

337

00:15:54,779 --> 00:15:58,740

investigated the sighted of one of the

338

00:15:56,610 --> 00:16:01,500

objects and the sketti area probably

339

00:15:58,740 --> 00:16:03,360

know at the sketti area of Swansea well

340

00:16:01,500 --> 00:16:05,370

gentlemen reported to us that his father

341

00:16:03,360 --> 00:16:08,190

who was a driving instructor and as

342

00:16:05,370 --> 00:16:09,899

sadly since passed away was just leaving

343
00:16:08,190 --> 00:16:11,670
his house to go to his car which was

344
00:16:09,899 --> 00:16:14,789
parked on the roadway outside his house

345
00:16:11,669 --> 00:16:16,799
to collect the pupil now it seems he

346
00:16:14,789 --> 00:16:18,419
witness an immense triangular object

347
00:16:16,799 --> 00:16:20,729
display lights on his on the side

348
00:16:18,419 --> 00:16:23,659
passing over his house and then over the

349
00:16:20,730 --> 00:16:26,039
houses on the opposite side of the road

350
00:16:23,659 --> 00:16:27,899
he said that his father had told him

351
00:16:26,039 --> 00:16:29,669
that he was traveling solo that actually

352
00:16:27,899 --> 00:16:32,419
had to ascend in order to clear the

353
00:16:29,669 --> 00:16:34,799
loose on the houses on the opposite sign

354
00:16:32,419 --> 00:16:37,649
that was father didn't report the matter

355
00:16:34,799 --> 00:16:39,990
for the usual reasons but after his

356
00:16:37,649 --> 00:16:42,419
father passed away his son contacted us

357
00:16:39,990 --> 00:16:44,159
as he cut it this now his father died he

358
00:16:42,419 --> 00:16:48,029
deems it important that the psychic

359
00:16:44,159 --> 00:16:53,929
should be officially recorded on a very

360
00:16:48,029 --> 00:16:53,929
genuine witnesses said was me yeah yeah

361
00:16:57,149 --> 00:17:01,839
now this site in ties in nicely with

362
00:16:59,948 --> 00:17:03,878
another which occurred at the same time

363
00:17:01,839 --> 00:17:07,509
only this witness actually reported

364
00:17:03,879 --> 00:17:09,578
missing time during her cycle she was

365
00:17:07,509 --> 00:17:11,890
only 13 years old at the time and she

366
00:17:09,578 --> 00:17:14,769
resided in the road that ran parallel

367
00:17:11,890 --> 00:17:16,449
live and two roads from and directly in

368
00:17:14,769 --> 00:17:18,490
the flight path of the previous person

369
00:17:16,449 --> 00:17:21,038
psychic so if you imagine a road running

370
00:17:18,490 --> 00:17:23,470
here proper this fate / another Road

371

00:17:21,038 --> 00:17:27,398
there and she's the next one though it

372
00:17:23,470 --> 00:17:29,048
was exactly the same time now she stated

373
00:17:27,398 --> 00:17:31,178
that whilst watching television in the

374
00:17:29,048 --> 00:17:34,509
house she felt compelled for some reason

375
00:17:31,179 --> 00:17:36,429
to go to her front door and unlock it out

376
00:17:34,509 --> 00:17:38,319
she saw a massive object silently

377
00:17:36,429 --> 00:17:41,048
hovering over the houses on the opposite

378
00:17:38,319 --> 00:17:43,750
side of the road she compared into the

379
00:17:41,048 --> 00:17:45,788
shape of a little football stadium and

380
00:17:43,750 --> 00:17:48,278
said that it was covered in large round

381
00:17:45,788 --> 00:17:50,579
lights which were constantly changing

382
00:17:48,278 --> 00:17:50,579
color

383
00:17:53,160 --> 00:17:56,890
now while she was described in the

384
00:17:55,420 --> 00:17:58,930
object as we know well it seems that

385
00:17:56,890 --> 00:18:02,460

Bochy was actually observing was a close

386

00:17:58,930 --> 00:18:05,019

up of its underside and extremities

387

00:18:02,460 --> 00:18:08,110

extremities of the object we're outside

388

00:18:05,019 --> 00:18:10,119

of a field of vision so actually the

389

00:18:08,109 --> 00:18:12,729

object could have been easily a

390

00:18:10,119 --> 00:18:14,259

different shape than if you right now

391

00:18:12,730 --> 00:18:16,240

she described that everything seemed

392

00:18:14,259 --> 00:18:20,259

very still and although it should have

393

00:18:16,240 --> 00:18:22,509

been cold light it wasn't now she very

394

00:18:20,259 --> 00:18:24,490

excitedly cold to her sister and a

395

00:18:22,509 --> 00:18:28,119

stepfather to come outside to see the

396

00:18:24,490 --> 00:18:30,220

object which they did but she describes

397

00:18:28,119 --> 00:18:32,169

their behaviors been extremely strange

398

00:18:30,220 --> 00:18:34,299

and uncharacteristic in that neither

399

00:18:32,170 --> 00:18:36,610

little displayed any excitement or

400
00:18:34,299 --> 00:18:38,619
interest and eventually just went back

401
00:18:36,609 --> 00:18:42,819
in the house as if they well if you like

402
00:18:38,619 --> 00:18:44,769
being switched off no other people in

403
00:18:42,819 --> 00:18:47,889
nearby houses were also standing on the

404
00:18:44,769 --> 00:18:49,599
doorsteps watching the proceedings now

405
00:18:47,890 --> 00:18:52,390
unfortunately our advisory of these

406
00:18:49,599 --> 00:18:55,509
since moved away or passed away so we

407
00:18:52,390 --> 00:18:57,550
can't contact them anywhere our witness

408
00:18:55,509 --> 00:18:59,410
was determined to watch what developed

409
00:18:57,549 --> 00:19:03,129
and what was anxious to see the actor

410
00:18:59,410 --> 00:19:04,750
craft actually moving away she then

411
00:19:03,130 --> 00:19:06,220
described that after watch your water

412
00:19:04,750 --> 00:19:08,799
scene with ten minutes she suddenly

413
00:19:06,220 --> 00:19:10,450
started to feel very cold the wind had

414
00:19:08,799 --> 00:19:12,789
picked up and she was now the only

415
00:19:10,450 --> 00:19:14,590
person left on the street more

416
00:19:12,789 --> 00:19:17,200
importantly the object had just

417
00:19:14,589 --> 00:19:18,789
disappeared without her seeing Italy the

418
00:19:17,200 --> 00:19:22,870
stars were no visible where they're

419
00:19:18,789 --> 00:19:24,519
being located so she returned to the

420
00:19:22,869 --> 00:19:26,500
house in a confused state and was

421
00:19:24,519 --> 00:19:28,539
greeted by a stepfather who joke with

422
00:19:26,500 --> 00:19:31,029
her say well did you see who you f old

423
00:19:28,539 --> 00:19:34,899
go and the subject was never raised

424
00:19:31,029 --> 00:19:36,639
again now many years later when she did

425
00:19:34,900 --> 00:19:38,830
mention the night in question has set

426
00:19:36,640 --> 00:19:41,470
father had absolutely no recollection of

427
00:19:38,829 --> 00:19:46,029
the incident at all and a sister said

428

00:19:41,470 --> 00:19:48,250
she got it had all been a dream now she

429
00:19:46,029 --> 00:19:50,680
believes to this day that something more

430
00:19:48,250 --> 00:19:52,779
happened that evening but she has no

431
00:19:50,680 --> 00:19:53,660
recollection all she has apparently

432
00:19:52,779 --> 00:19:56,389
considered

433
00:19:53,660 --> 00:19:57,980
hypnotic regression have decided that

434
00:19:56,390 --> 00:20:00,470
you didn't really want to pursue that

435
00:19:57,980 --> 00:20:02,750
Avenue as the memory she currently has

436
00:20:00,470 --> 00:20:04,309
her it are positive and he doesn't want

437
00:20:02,750 --> 00:20:06,589
to record anything which might be of a

438
00:20:04,309 --> 00:20:11,029
negative nature sympathize with a very

439
00:20:06,589 --> 00:20:12,980
weak now speaking as an ex-police

440
00:20:11,029 --> 00:20:15,410
officer with 30 years experience in

441
00:20:12,980 --> 00:20:17,059
interviewing people I think of a pretty

442
00:20:15,410 --> 00:20:19,070

good idea when it's someone has been

443

00:20:17,059 --> 00:20:23,329

honest up in a little bit economical

444

00:20:19,069 --> 00:20:25,369

with the truth anyone has had experience

445

00:20:23,329 --> 00:20:28,429

in the interview of UFO witnesses is

446

00:20:25,369 --> 00:20:31,009

readily encountered the witness was read

447

00:20:28,430 --> 00:20:34,400

the library full of UFO books or seen

448

00:20:31,009 --> 00:20:36,410

every episode of Star Wars 15 times as a

449

00:20:34,400 --> 00:20:39,470

vivid imagination or maybe just want

450

00:20:36,410 --> 00:20:41,900

their name in lights sometimes you find

451

00:20:39,470 --> 00:20:46,490

yourself faced with eaten the Venus de

452

00:20:41,900 --> 00:20:48,560

Milo very pretty when the hallway now I

453

00:20:46,490 --> 00:20:50,870

could save us a guard to this case I

454

00:20:48,559 --> 00:20:52,279

have i seen involved in the interview

455

00:20:50,869 --> 00:20:54,589

where every person that we've been able

456

00:20:52,279 --> 00:20:56,899

to trace today's I make them in Fat City

457
00:20:54,589 --> 00:20:59,720
State that all of it this is the bona

458
00:20:56,900 --> 00:21:02,060
fide a members of the public many of

459
00:20:59,720 --> 00:21:04,759
them was with respected professional

460
00:21:02,059 --> 00:21:06,829
backgrounds not looking for 15 minutes

461
00:21:04,759 --> 00:21:08,450
of fame or living out some kind of

462
00:21:06,829 --> 00:21:10,789
fantasy we know what they've seen and

463
00:21:08,450 --> 00:21:13,610
they're unable to a tribute what we've

464
00:21:10,789 --> 00:21:16,909
seen to anything that has a rational

465
00:21:13,609 --> 00:21:18,649
explanation boom so makes you wonder

466
00:21:16,910 --> 00:21:20,509
what is required before the general

467
00:21:18,650 --> 00:21:22,430
public stand up to the government's able

468
00:21:20,509 --> 00:21:26,480
but there's no doubt these things exist

469
00:21:22,430 --> 00:21:28,340
what on earth is going on now hopefully

470
00:21:26,480 --> 00:21:30,079
while I be talking ambling years being

471
00:21:28,339 --> 00:21:32,379
busy drawing the various icons on the

472
00:21:30,079 --> 00:21:32,379
map

473
00:21:34,539 --> 00:21:43,149
all right yeah yeah this is not the one

474
00:21:40,970 --> 00:21:43,150
that

475
00:21:43,230 --> 00:21:51,249
thirteen-year-old that sort the park was

476
00:21:47,259 --> 00:21:53,470
as big as an oval football picture and

477
00:21:51,249 --> 00:21:55,089
like an American football picture but i

478
00:21:53,470 --> 00:21:56,649
believe the craft of acting bigger

479
00:21:55,089 --> 00:21:59,288
naturally just view in the underneath of

480
00:21:56,648 --> 00:22:00,819
it but she told us that ever since then

481
00:21:59,288 --> 00:22:02,798
she kept on that hand in the head all

482
00:22:00,819 --> 00:22:04,480
she actually had a good look you can

483
00:22:02,798 --> 00:22:06,489
actually go to bold fashion and she said

484
00:22:04,480 --> 00:22:10,509
no very growing ever since I that it

485

00:22:06,489 --> 00:22:16,298
occurred so maybe this is all in the

486
00:22:10,509 --> 00:22:19,690
same time so I don't know yeah the swype

487
00:22:16,298 --> 00:22:24,009
raised mark on it as well but I don't

488
00:22:19,690 --> 00:22:26,399
know if there's anything that she was a

489
00:22:24,009 --> 00:22:28,690
very honest witness as well you know

490
00:22:26,398 --> 00:22:31,599
didn't really want to come forward but

491
00:22:28,690 --> 00:22:33,700
she felt that she had to anyway

492
00:22:31,599 --> 00:22:39,488
pretending can show you know some

493
00:22:33,700 --> 00:22:40,690
directions of traffic all right om what

494
00:22:39,489 --> 00:22:42,308
every single one down and said I don't

495
00:22:40,690 --> 00:22:50,109
know I mention every single one of all

496
00:22:42,308 --> 00:22:53,278
the pants off my toe yeah there was one

497
00:22:50,108 --> 00:22:53,278
other incidents

498
00:22:53,349 --> 00:22:58,359
this one here this gentleman here is

499
00:22:55,900 --> 00:23:03,850

waiting to go into a club senator this

500

00:22:58,359 --> 00:23:08,168

one sand outside factors Wednesday night

501

00:23:03,849 --> 00:23:11,319

that's right yes a nice and well they

502

00:23:08,169 --> 00:23:31,120

face or trying to shake off down the

503

00:23:11,319 --> 00:23:34,418

street that will be massive but if I'm

504

00:23:31,119 --> 00:23:36,339

outta here there was two in the air

505

00:23:34,419 --> 00:23:39,190

going in opposite directions to each

506

00:23:36,339 --> 00:23:40,808

other yeah it was small as it was in the

507

00:23:39,190 --> 00:23:42,700

original those two small ones were an

508

00:23:40,808 --> 00:23:46,750

opposite directions to each other and

509

00:23:42,700 --> 00:23:49,650

the both the witnesses in 12 years ago

510

00:23:46,750 --> 00:23:49,650

partner

511

00:24:04,990 --> 00:24:18,308

sometimes the possibility this could

512

00:24:14,900 --> 00:24:18,309

have been a largely seen

513

00:24:25,798 --> 00:24:27,859

Oh

514
00:24:30,730 --> 00:24:35,058
can you put on there if you do remember

515
00:24:33,289 --> 00:24:52,480
where the others were set around the

516
00:24:35,058 --> 00:24:57,099
same time yeah they saw you so to to

517
00:24:52,480 --> 00:24:57,099
pick triangles to win itself

518
00:24:59,240 --> 00:25:08,349
very slowly they were also seen this in

519
00:25:04,910 --> 00:25:08,350
to see my son

520
00:25:09,730 --> 00:25:37,519
see the dawn of the two triangles of you

521
00:25:12,640 --> 00:25:49,520
captain savings work numbers you don't

522
00:25:37,519 --> 00:25:56,089
know what the time want it small we'll

523
00:25:49,519 --> 00:25:59,029
get up 530 6 15 security so not the same

524
00:25:56,089 --> 00:26:03,289
object all different places but several

525
00:25:59,029 --> 00:26:06,829
year two of these books on that one and

526
00:26:03,289 --> 00:26:09,500
he said because very active his family

527
00:26:06,829 --> 00:26:11,928
triangle stop on the back of it and he

528
00:26:09,500 --> 00:26:30,888
said he would

529
00:26:11,929 --> 00:26:38,749
whilst he said it was she saw the killer

530
00:26:30,888 --> 00:26:41,359
Bay Hill hovering over the hill all GBC

531
00:26:38,749 --> 00:26:43,819
seems like five or six laundry it's lots

532
00:26:41,359 --> 00:26:46,128
of lights and they move that way and it

533
00:26:43,819 --> 00:26:50,240
moves that way I mean in a blankie went

534
00:26:46,128 --> 00:26:52,189
from there and there oh yeah it was a

535
00:26:50,240 --> 00:26:58,099
big oil refining they can be be clad

536
00:26:52,190 --> 00:27:01,038
acid or silly stopped come on with over

537
00:26:58,099 --> 00:27:03,558
the island rick shedding the sides of

538
00:27:01,038 --> 00:27:05,329
the older phone readings trailer the

539
00:27:03,558 --> 00:27:09,109
older finally select which we miles

540
00:27:05,329 --> 00:27:12,859
across not yeah and that was like I was

541
00:27:09,109 --> 00:27:16,849
actually quite 15 of the other guests on

542

00:27:12,859 --> 00:27:22,189
the night that we've got so big triangle

543
00:27:16,849 --> 00:27:25,998
there 550 from that they're all the

544
00:27:22,190 --> 00:27:28,669
networking 10 minutes a whole family of

545
00:27:25,999 --> 00:27:31,009
the window and also they just shot

546
00:27:28,669 --> 00:27:33,710
straight up in the air site instead of

547
00:27:31,009 --> 00:27:35,720
me I mean and I would like to then all

548
00:27:33,710 --> 00:27:38,179
these things happen this one here in

549
00:27:35,720 --> 00:27:40,419
book runway between Samuel acre witness

550
00:27:38,179 --> 00:27:40,419
study

551
00:27:42,410 --> 00:27:47,730
this place will bishopstone your penis

552
00:27:45,240 --> 00:27:50,160
like watching TV and all the lights went

553
00:27:47,730 --> 00:27:52,079
off power cut see whether the window to

554
00:27:50,160 --> 00:27:55,220
see if the area was it was just his

555
00:27:52,079 --> 00:28:00,480
street and then he sold my shop things

556
00:27:55,220 --> 00:28:02,548

saw you can't quite see it this has been

557

00:28:00,480 --> 00:28:05,190

website mystical knowledge this is

558

00:28:02,548 --> 00:28:06,538

actually learn together and he's just

559

00:28:05,190 --> 00:28:11,788

three white lights in the sky English

560

00:28:06,538 --> 00:28:14,400

slowly I'm positive of that caused the

561

00:28:11,788 --> 00:28:17,509

power cut in the local paper it said

562

00:28:14,400 --> 00:28:20,159

that the power cut was caused by down

563

00:28:17,509 --> 00:28:22,829

again gville the energy company said it

564

00:28:20,159 --> 00:28:24,720

was caused by yeah how long he's been

565

00:28:22,829 --> 00:28:27,629

affected by trees from blowing strong

566

00:28:24,720 --> 00:28:30,900

wind afternoon low in the tall like

567

00:28:27,630 --> 00:28:33,030

regret that might have you a very

568

00:28:30,900 --> 00:28:37,490

genuine witness he was in fact was me

569

00:28:33,029 --> 00:28:40,139

you know he's not an enthusiastic

570

00:28:37,490 --> 00:28:42,480

watching star wars or anything that you

571
00:28:40,140 --> 00:28:46,530
know he's been where he talking to us

572
00:28:42,480 --> 00:28:55,400
actually but very genuine other

573
00:28:46,529 --> 00:28:55,399
witnesses hotel wat so woman collection

574
00:28:59,140 --> 00:29:03,890
there's so many different reports they

575
00:29:01,670 --> 00:29:05,620
say I just touch on a couple of them but

576
00:29:03,890 --> 00:29:12,800
if we put them all up their level is

577
00:29:05,619 --> 00:29:16,750
something else or going that way so he

578
00:29:12,799 --> 00:29:16,750
saw something here already really low

579
00:29:20,769 --> 00:29:28,639
that was interesting somebody came to

580
00:29:23,240 --> 00:29:33,679
our club to talk about this how long was

581
00:29:28,640 --> 00:29:38,390
he he just couldn't bring himself to

582
00:29:33,679 --> 00:29:40,600
stay you got very very upset and one of

583
00:29:38,390 --> 00:29:40,600
the witnesses

584
00:29:45,920 --> 00:29:53,730
so one of the peace detectives the

585
00:29:51,059 --> 00:29:59,069
retired superintendent there we tracked

586
00:29:53,730 --> 00:30:05,779
it though he was in this area of the

587
00:29:59,069 --> 00:30:08,129
city sort of cleanup plan with are

588
00:30:05,779 --> 00:30:10,619
regard the combat because of his

589
00:30:08,130 --> 00:30:12,750
colleague and retired the oxidation

590
00:30:10,619 --> 00:30:15,389
occurs you're going to get them both

591
00:30:12,750 --> 00:30:20,960
together for me to do on-site whether

592
00:30:15,390 --> 00:30:20,960
they saw the object reunion

593
00:30:27,868 --> 00:30:32,349
yeah there are there's a lot of these if

594
00:30:30,339 --> 00:30:33,908
you want to look at you house on YouTube

595
00:30:32,349 --> 00:30:38,319
find a lot of the interviews are on

596
00:30:33,909 --> 00:30:40,239
there anyway before I finish now I want

597
00:30:38,319 --> 00:30:41,888
to move on to something that may or may

598
00:30:40,239 --> 00:30:44,288
not be connected without light of the

599

00:30:41,888 --> 00:30:46,178
triangles and that you may have heard of

600
00:30:44,288 --> 00:30:48,460
any more I don't know and that's what

601
00:30:46,179 --> 00:30:52,149
appears to be a UFO crash which occurred

602
00:30:48,460 --> 00:30:53,470
at plan in LA near aberystwyth was

603
00:30:52,148 --> 00:30:55,839
either on the same day or the day after

604
00:30:53,470 --> 00:30:57,879
our way to the triangle and it's being

605
00:30:55,839 --> 00:31:01,628
done by our investigators as the Welsh

606
00:30:57,878 --> 00:31:03,398
Ross what was he like the exact time and

607
00:31:01,628 --> 00:31:05,378
date of the incident is open to

608
00:31:03,398 --> 00:31:08,258
conjecture as a proudly who were

609
00:31:05,378 --> 00:31:09,819
actually no witnesses to this there was

610
00:31:08,259 --> 00:31:12,669
a farmer in the rural village of

611
00:31:09,819 --> 00:31:15,489
planning bar mr. Hoover will end first

612
00:31:12,669 --> 00:31:16,989
st. not unless she was you ruined me he

613
00:31:15,489 --> 00:31:19,210

went to check on the well-being of his

614

00:31:16,989 --> 00:31:23,919

sheep one morning we didn't know any of

615

00:31:19,210 --> 00:31:25,569

them do we we discovered that he

616

00:31:23,919 --> 00:31:29,440

discovered that four of his fields were

617

00:31:25,569 --> 00:31:31,178

strewn with debris now feeling them in a

618

00:31:29,440 --> 00:31:33,519

plane crash he reported the matter to

619

00:31:31,179 --> 00:31:35,798

the local priests now mr. Evans

620

00:31:33,519 --> 00:31:39,069

subsequently received a visit from the

621

00:31:35,798 --> 00:31:41,079

RAF crash investigation team who after

622

00:31:39,069 --> 00:31:42,819

inspecting the debris advised him it was

623

00:31:41,079 --> 00:31:46,358

definitely not from any aircraft of the

624

00:31:42,819 --> 00:31:48,730

RAF were aware of Oh shortly after that

625

00:31:46,358 --> 00:31:51,428

achievement MLD investigators arrived

626

00:31:48,730 --> 00:31:53,618

they began a search of the area and

627

00:31:51,429 --> 00:31:55,899

directed a contingent of uniformed

628
00:31:53,618 --> 00:31:58,538
police officers to collect every piece

629
00:31:55,898 --> 00:32:00,368
of debris that we could find now this

630
00:31:58,538 --> 00:32:03,720
debris varied in size for just a few

631
00:32:00,368 --> 00:32:06,759
inches to pieces as large as six toes

632
00:32:03,720 --> 00:32:08,589
this terror operation considered into

633
00:32:06,759 --> 00:32:11,409
the hours of darkness by torchlight

634
00:32:08,589 --> 00:32:13,509
which prompted farmer ends to remark

635
00:32:11,409 --> 00:32:17,350
that it resembled something over the

636
00:32:13,509 --> 00:32:19,298
James Bond movie now the MOT made only

637
00:32:17,349 --> 00:32:21,459
one comment on the matter which was some

638
00:32:19,298 --> 00:32:24,069
two weeks after the event and they

639
00:32:21,460 --> 00:32:26,409
stated that at the time they were unable

640
00:32:24,069 --> 00:32:29,168
to identify the nature of the fragment

641
00:32:26,409 --> 00:32:31,330
founder mr. Evans's farm they confirm

642
00:32:29,169 --> 00:32:34,300
that there were no RAF aircraft in the

643
00:32:31,329 --> 00:32:38,490
area the radar not detected any

644
00:32:34,299 --> 00:32:41,529
in the area at the time of the incident

645
00:32:38,490 --> 00:32:45,160
no then they also said that there was no

646
00:32:41,529 --> 00:32:48,180
RAF or privately owned aircraft that

647
00:32:45,160 --> 00:32:51,250
have been reported crashed or missing

648
00:32:48,180 --> 00:32:53,799
now there was a UFO investigator based

649
00:32:51,250 --> 00:32:56,200
in North Wales mr. Garrow ordinary feel

650
00:32:53,799 --> 00:32:58,149
about him now he got to hear about this

651
00:32:56,200 --> 00:33:00,490
incident we assembled a team of

652
00:32:58,150 --> 00:33:02,410
investigators and with the farmers

653
00:33:00,490 --> 00:33:04,359
permission we scoured the fields for any

654
00:33:02,410 --> 00:33:08,200
further evidence of the crash but they

655
00:33:04,359 --> 00:33:10,539
failed to find anything now adjacent to

656

00:33:08,200 --> 00:33:12,430
the field areas was a forest which on

657
00:33:10,539 --> 00:33:14,409
inspection revealed that was swayed had

658
00:33:12,430 --> 00:33:16,769
been cut through the tops of the trees

659
00:33:14,410 --> 00:33:19,779
of a straight line towards these fields

660
00:33:16,769 --> 00:33:21,789
on search in the land beneath the trees

661
00:33:19,779 --> 00:33:25,660
they soon started to find small pieces

662
00:33:21,789 --> 00:33:28,569
of debris the metallic debris was of a

663
00:33:25,660 --> 00:33:30,550
sort of greeny gray color and it is

664
00:33:28,569 --> 00:33:33,849
honeycombed them very very strong in

665
00:33:30,549 --> 00:33:35,470
nature so Gary later said some of the

666
00:33:33,849 --> 00:33:38,439
fragments to a metallurgist for

667
00:33:35,470 --> 00:33:40,269
examination the results showed that its

668
00:33:38,440 --> 00:33:43,059
composition appeared to be that of an

669
00:33:40,269 --> 00:33:44,619
hour similar to do or a looming which is

670
00:33:43,059 --> 00:33:47,409

an alloy used in aircraft construction

671

00:33:44,619 --> 00:33:49,119

but it's not appeared lead active on our

672

00:33:47,410 --> 00:33:50,920

way that they could recognize or one

673

00:33:49,119 --> 00:33:54,429

that was being produced anywhere in the

674

00:33:50,920 --> 00:33:56,080

world at that time the green paint that

675

00:33:54,430 --> 00:33:57,940

was on it of color that was on it appear

676

00:33:56,079 --> 00:33:59,649

to be actin is some kind of a protected

677

00:33:57,940 --> 00:34:04,059

to the Alawis but it hasn't as yet been

678

00:33:59,650 --> 00:34:06,040

identified now a few weeks later Gary

679

00:34:04,059 --> 00:34:07,839

received a visit from some officials

680

00:34:06,039 --> 00:34:10,860

purporting to be from a government

681

00:34:07,839 --> 00:34:13,569

agency our men in black men if you like

682

00:34:10,860 --> 00:34:15,700

they requested that he had those are

683

00:34:13,570 --> 00:34:19,570

then any fragments of debris that he

684

00:34:15,699 --> 00:34:21,609

collected from the scene now gary is

685
00:34:19,570 --> 00:34:25,000
quite clever here because he anticipated

686
00:34:21,610 --> 00:34:26,200
that the situation might arise he

687
00:34:25,000 --> 00:34:28,280
explained to them that he'd actually

688
00:34:26,199 --> 00:34:30,750
manufactured 100

689
00:34:28,280 --> 00:34:33,179
from some of the collected debian

690
00:34:30,750 --> 00:34:38,389
dislocated be coming to thousands of

691
00:34:33,179 --> 00:34:40,710
people in you throughout the UK so

692
00:34:38,389 --> 00:34:42,870
explain when it he was forced to hand

693
00:34:40,710 --> 00:34:44,610
over any of his remains every would

694
00:34:42,869 --> 00:34:46,259
request the person who held the key

695
00:34:44,610 --> 00:34:49,500
rings to contact the British media

696
00:34:46,260 --> 00:34:51,750
immediately with him so consequently

697
00:34:49,500 --> 00:34:55,668
realized the futility of the situation

698
00:34:51,750 --> 00:34:55,668
the officials left and he handed in

699
00:34:57,590 --> 00:35:02,760
there's one last significant part of the

700
00:35:00,420 --> 00:35:04,530
story and that's this Gary and his team

701
00:35:02,760 --> 00:35:06,360
decided that they would make one last

702
00:35:04,530 --> 00:35:08,340
visit to la nena to see if they could

703
00:35:06,360 --> 00:35:11,099
find any more pieces of debris they're

704
00:35:08,340 --> 00:35:13,230
having her master to the area now

705
00:35:11,099 --> 00:35:15,179
shortly before they were due to me Gary

706
00:35:13,230 --> 00:35:18,329
received a telephone call from this

707
00:35:15,179 --> 00:35:20,849
farmer end and he stated that they were

708
00:35:18,329 --> 00:35:22,349
welcome to still attend but there would

709
00:35:20,849 --> 00:35:24,569
be little point is the Forestry

710
00:35:22,349 --> 00:35:26,610
Commission we're in a ten zap that time

711
00:35:24,570 --> 00:35:29,789
I learned the closer's of cutting down

712
00:35:26,610 --> 00:35:31,500
the wooded area a consequently the

713

00:35:29,789 --> 00:35:33,449
search was cancelled and instead Gary

714
00:35:31,500 --> 00:35:37,289
contact the Forestry Commission for an

715
00:35:33,449 --> 00:35:39,329
explanation robbers going on it was

716
00:35:37,289 --> 00:35:43,349
oddly explained him they removing the

717
00:35:39,329 --> 00:35:45,059
cops due to storm damage so was it a

718
00:35:43,349 --> 00:35:48,089
crashed aircraft but we don't know

719
00:35:45,059 --> 00:35:49,980
although it doesn't appear to be was it

720
00:35:48,090 --> 00:35:52,950
a UFO well I suppose the answers yes

721
00:35:49,980 --> 00:35:58,619
isn't it was it extraterrestrial in

722
00:35:52,949 --> 00:36:00,839
origin again we don't know so I said no

723
00:35:58,619 --> 00:36:03,179
then other girls out later the tribals

724
00:36:00,840 --> 00:36:05,850
is still a huge amount of investigative

725
00:36:03,179 --> 00:36:09,739
work to be done before we have the full

726
00:36:05,849 --> 00:36:12,210
facts of exactly what went on that night

727
00:36:09,739 --> 00:36:13,319

so basically there you have it then

728

00:36:12,210 --> 00:36:16,019

we've got over two hundred witnesses

729

00:36:13,320 --> 00:36:17,359

strength of silent low flying craft

730

00:36:16,019 --> 00:36:20,329

which the deck nobody

731

00:36:17,358 --> 00:36:22,159

satisfactorily explained away but as far

732

00:36:20,329 --> 00:36:23,720

as the media and the authorities are

733

00:36:22,159 --> 00:36:27,318

concerned the whole matter was shelled

734

00:36:23,719 --> 00:36:28,669

within 48 hours so that's it I don't

735

00:36:27,318 --> 00:36:30,679

know about you but I think this is

736

00:36:28,670 --> 00:36:32,889

certainly probably one of Britain's most

737

00:36:30,679 --> 00:36:35,088

interesting cases of falling meteors

738

00:36:32,889 --> 00:36:36,828

when we thank you listen to me and

739

00:36:35,088 --> 00:36:39,259

Edmonds will take over now you must give

740

00:36:36,829 --> 00:36:42,200

you a forever a chat about some of our

741

00:36:39,259 --> 00:36:48,068

local cycads which might do a lot of

742
00:36:42,199 --> 00:36:51,048
break well basically like the triangle

743
00:36:48,068 --> 00:36:55,969
the official one suggestion was that

744
00:36:51,048 --> 00:36:59,619
whose low-level plans high-level

745
00:36:55,969 --> 00:37:01,998
military pls refilling which is again

746
00:36:59,619 --> 00:37:08,809
there's another similar nights to this

747
00:37:01,998 --> 00:37:13,399
in my 2690 686 i'm selling again this

748
00:37:08,809 --> 00:37:15,319
same explanation came forward the mental

749
00:37:13,400 --> 00:37:18,739
faculties things were a little apple

750
00:37:15,318 --> 00:37:21,880
menu but no sound at all some cases

751
00:37:18,739 --> 00:37:25,608
static some cases moving very slowly

752
00:37:21,880 --> 00:37:28,390
there's one case we've been instantly by

753
00:37:25,608 --> 00:37:28,389
my attention

754
00:37:29,420 --> 00:37:43,000
this is like washing

755
00:37:32,289 --> 00:37:45,360
nice try so I your boxee already loving

756
00:37:43,000 --> 00:37:45,360
window

757
00:37:57,090 --> 00:37:59,150
you

758
00:38:13,710 --> 00:38:16,820
[Music]
