

1

00:00:00,000 --> 00:00:07,000

This is a true story taken from an actual medical file.

2

00:00:16,160 --> 00:00:17,160

Enjoy the film, Paula?

3

00:00:17,160 --> 00:00:19,160

Very much, darling. Did you?

4

00:00:19,160 --> 00:00:21,160

Yes, but I won't be sorry to get home.

5

00:00:21,160 --> 00:00:23,160

I'm darn tired.

6

00:00:23,160 --> 00:00:25,160

You've had a wretched week. All those nightclubs.

7

00:00:25,160 --> 00:00:27,160

This is probably a list of them waiting and we'll get home.

8

00:00:27,160 --> 00:00:29,160

Oh, heavens, I hope not.

9

00:00:29,320 --> 00:00:31,320

Do you want me to drive?

10

00:00:31,320 --> 00:00:33,320

Not quite that bad, honey.

11

00:00:33,320 --> 00:00:35,320

Almost home. There's not much traffic.

12

00:00:35,320 --> 00:00:37,320

Besides, you hate to sit in the passenger seat, I know.

13

00:00:37,320 --> 00:00:39,320

Tom, what's that?

14

00:00:39,320 --> 00:00:41,320

That blue kind of light across the field over there.

15

00:00:41,320 --> 00:00:43,320

Seeds through the trees.

16

00:00:43,320 --> 00:00:45,320

It's probably a house.

17

00:00:45,320 --> 00:00:47,320

There are no houses across there.

18

00:00:47,320 --> 00:00:49,320

Besides, look at it. It's quite distinctly blue.

19

00:00:49,320 --> 00:00:51,320

What on earth?

20

00:00:51,320 --> 00:00:53,320

Did you see the way it flayed up suddenly?

21

00:00:53,320 --> 00:00:55,320

I thought I saw something else.

22

00:00:55,320 --> 00:00:57,320

What's the water?

23

00:00:57,480 --> 00:00:59,480

It's running away from that light.

24

00:00:59,480 --> 00:01:01,480

Not quite sure.

25

00:01:01,480 --> 00:01:03,480

I think I'd better go and find out what's happening.

26

00:01:07,480 --> 00:01:09,480

Medical file.

27

00:01:09,480 --> 00:01:11,480

The story of the men and women whose vigilance guards our lives.

28

00:01:11,480 --> 00:01:13,480

A reconstruction of a clinical case history.

29

00:01:13,480 --> 00:01:15,480

Step by step for the doctors who were there.

30

00:01:19,480 --> 00:01:21,480

My name is Tom Abbott.

31

00:01:21,480 --> 00:01:23,480

You're a doctor of Midson.

32

00:01:23,480 --> 00:01:25,480

You stopped one night on a lonely road because of something you saw.

33

00:01:25,640 --> 00:01:27,640

You stopped and you became a part of the strangest newspaper headlined in a generation.

34

00:01:39,640 --> 00:01:41,640

And now, medical file.

35

00:01:51,640 --> 00:01:53,640

It was 8.25 pm, the Thursday, September the 4th.

36

00:01:53,800 --> 00:01:55,800

It had been a long day.

37

00:01:55,800 --> 00:01:57,800

Patients at my consulting rooms all morning.

38

00:01:57,800 --> 00:01:59,800

A hurried lunch.

39

00:01:59,800 --> 00:02:01,800

Passed by around for most of the afternoon.

40

00:02:01,800 --> 00:02:03,800

At 5 pm, I'd met my wife and seen an early movie.

41

00:02:05,800 --> 00:02:07,800

And at 8.25 pm, we were driving home.

42

00:02:09,800 --> 00:02:11,800

Along the north road was where we noticed a strange blue light.

43

00:02:11,800 --> 00:02:13,800

About 100 yards from the highway through a row of trees.

44

00:02:15,800 --> 00:02:17,800

And what I saw next made me slow the car to a sudden halt.

45

00:02:17,800 --> 00:02:19,800

Tom, what is this?

46

00:02:19,800 --> 00:02:21,800

A car.

47

00:02:21,960 --> 00:02:23,960

Tom, what is this?

48

00:02:23,960 --> 00:02:25,960

What did you think you saw?

49

00:02:25,960 --> 00:02:27,960

It looked like a man running away from that night.

50

00:02:27,960 --> 00:02:29,960

Well, the light's gone, look.

51

00:02:29,960 --> 00:02:31,960

Yet I'm sure I saw someone.

52

00:02:31,960 --> 00:02:33,960

I'd really better go and take a look.

53

00:02:33,960 --> 00:02:35,960

Darling, I...

54

00:02:35,960 --> 00:02:37,960

What?

55

00:02:37,960 --> 00:02:39,960

I was going to say perhaps we should be careful.

56

00:02:39,960 --> 00:02:41,960

But that'd be stupid, wouldn't it?

57

00:02:41,960 --> 00:02:43,960

Just some kind of flaring light.

58

00:02:43,960 --> 00:02:45,960

Yes, I suppose it was.

59

00:02:45,960 --> 00:02:47,960

Yes, of course it was.

60

00:02:47,960 --> 00:02:49,960

Well, come on, Tom. I'll come with you while you look.

61

00:02:51,960 --> 00:02:53,960

The north road is an unlit, at times almost deserted highway.

62

00:02:53,960 --> 00:02:55,960

There was nothing behind us but the headlights of our own car.

63

00:02:55,960 --> 00:02:57,960

Nothing ahead but a dark field.

64

00:02:57,960 --> 00:02:59,960

And against the sky, the outline of slowly waving trees.

65

00:02:59,960 --> 00:03:01,960

Of the man I thought I'd seen, there was no sign.

66

00:03:01,960 --> 00:03:03,960

There was no sign.

67

00:03:03,960 --> 00:03:05,960

There was no sign.

68

00:03:05,960 --> 00:03:07,960

I wish we'd brought a torch, Tom.

69

00:03:07,960 --> 00:03:09,960

And that blue light's died down.

70

00:03:09,960 --> 00:03:11,960

Dark, isn't it?

71

00:03:11,960 --> 00:03:13,960

Yes.

72

00:03:13,960 --> 00:03:15,960

I wish we'd brought a torch, Tom.

73

00:03:15,960 --> 00:03:17,960

And that blue light's died down.

74

00:03:17,960 --> 00:03:19,960

Dark, isn't it?

75

00:03:20,120 --> 00:03:22,120

Are you sure you really saw someone?

76

00:03:22,120 --> 00:03:24,120

I thought so.

77

00:03:24,120 --> 00:03:26,120

This is the only way to make sure.

78

00:03:26,120 --> 00:03:28,120

Yes.

79

00:03:28,120 --> 00:03:30,120

Here, hold my hand.

80

00:03:30,120 --> 00:03:32,120

Tom.

81

00:03:32,120 --> 00:03:34,120

Paula, what is it?

82

00:03:34,120 --> 00:03:36,120

I tripped over.

83

00:03:36,120 --> 00:03:38,120

Tom on the ground.

84

00:03:38,120 --> 00:03:40,120

Someone's lying there.

85

00:03:40,120 --> 00:03:42,120

I tripped over somebody lying on the ground.

86

00:03:42,120 --> 00:03:44,120

Wait a minute. One way to see and...

87

00:03:44,120 --> 00:03:46,120

This is it.

88

00:03:46,120 --> 00:03:48,120

Whoever it is, he's unconscious.

89

00:03:48,280 --> 00:03:50,280

It's not dead?

90

00:03:50,280 --> 00:03:52,280

No, there's a heartbeat.

91

00:03:52,280 --> 00:03:54,280

Haltz says rapid.

92

00:03:54,280 --> 00:03:56,280

Here, see if we can give me handle him.

93

00:03:56,280 --> 00:03:58,280

Get him back to the car.

94

00:03:58,280 --> 00:04:00,280

Yes.

95

00:04:08,280 --> 00:04:10,280

8.35 p.m.

96

00:04:10,280 --> 00:04:12,280

We carried the unconscious man to the car

97

00:04:12,280 --> 00:04:14,280

and attempted to revive him.

98

00:04:14,280 --> 00:04:16,280

When this proved unsuccessful, I drove the rest of the way home,

99

00:04:16,440 --> 00:04:18,440

arriving there 10 minutes later.

100

00:04:28,440 --> 00:04:30,440

Tom, I'll open the front door.

101

00:04:30,440 --> 00:04:32,440

You bring him inside.

102

00:04:32,440 --> 00:04:34,440

Right.

103

00:04:34,440 --> 00:04:36,440

Where are you taking me?

104

00:04:36,440 --> 00:04:38,440

Oh, hello. Didn't realize you'd come, too.

105

00:04:38,440 --> 00:04:40,440

Who are you?

106

00:04:40,440 --> 00:04:42,440

What do you want?

107

00:04:42,440 --> 00:04:44,440

Easy, old chap. You've had a fall.

108

00:04:44,600 --> 00:04:46,600

I don't believe you.

109

00:04:46,600 --> 00:04:48,600

You're from that... from that thing?

110

00:04:48,600 --> 00:04:50,600

What do you want with me?

111

00:04:50,600 --> 00:04:52,600

Hold my puss, go in my back, please.

112

00:04:52,600 --> 00:04:54,600

Yes.

113

00:04:54,600 --> 00:04:56,600

I saw you hovering up there.

114

00:04:56,600 --> 00:04:58,600

I saw you right above my head.

115

00:04:58,600 --> 00:05:00,600

Did you?

116

00:05:00,600 --> 00:05:02,600

I saw you.

117

00:05:02,600 --> 00:05:04,600

Round and gray.

118

00:05:04,600 --> 00:05:06,600

And that blue fire you shot at me.

119

00:05:06,600 --> 00:05:08,600

It burned me.

120

00:05:08,600 --> 00:05:10,600

I ran away.

121

00:05:10,600 --> 00:05:12,600

I know who you are.

122

00:05:12,760 --> 00:05:14,760

You'll now come from this planet.

123

00:05:14,760 --> 00:05:16,760

What's that you got?

124

00:05:16,760 --> 00:05:18,760

I just want you to relax.

125

00:05:18,760 --> 00:05:20,760

Get away from me.

126

00:05:20,760 --> 00:05:22,760

Don't touch me, Leslie.

127

00:05:22,760 --> 00:05:24,760

Don't touch me.

128

00:05:24,760 --> 00:05:26,760

8.55 pm, I gave the patient morphia

129

00:05:26,760 --> 00:05:28,760

and removed him to the surgery attached to my home.

130

00:05:28,760 --> 00:05:30,760

During this time, he muttered continuously

131

00:05:30,760 --> 00:05:32,760

about the thing that hovered over his head

132

00:05:32,760 --> 00:05:34,760

and about the blue fires that burned him.

133

00:05:34,760 --> 00:05:36,760

It was not until I examined him

134

00:05:36,760 --> 00:05:38,760

under the strong light of the sun

135

00:05:38,760 --> 00:05:40,760

that I found him.

136

00:05:40,920 --> 00:05:42,920

It was not until I examined him under the strong light

137

00:05:42,920 --> 00:05:44,920

in my surgery that I saw the burn marks

138

00:05:44,920 --> 00:05:46,920

clearly visible on his arms and face.

139

00:05:50,920 --> 00:05:52,920

What happened to me?

140

00:05:52,920 --> 00:05:54,920

Just relax, Mr. Diddixon.

141

00:05:54,920 --> 00:05:56,920

You're in my surgery.

142

00:05:56,920 --> 00:05:58,920

I'm a doctor.

143

00:05:58,920 --> 00:06:00,920

You're the one who...

144

00:06:00,920 --> 00:06:02,920

I'm the one who gave you a morphia injection

145

00:06:02,920 --> 00:06:04,920

to calm you down.

146

00:06:04,920 --> 00:06:06,920

Now, just lie back and relax.

147

00:06:06,920 --> 00:06:08,920

My wife's making a cup of tea.

148

00:06:09,080 --> 00:06:11,080

That sounds...

149

00:06:11,080 --> 00:06:13,080

normal enough.

150

00:06:13,080 --> 00:06:15,080

But how did you know my name?

151

00:06:15,080 --> 00:06:17,080

You called me Derrickson.

152

00:06:17,080 --> 00:06:19,080

How did you find that out?

153

00:06:19,080 --> 00:06:21,080

I hope you'll forgive me.

154

00:06:21,080 --> 00:06:23,080

I took the liberty of checking through your shirt pockets

155

00:06:23,080 --> 00:06:25,080

and found a letter addressed to Norman Derrickson.

156

00:06:25,080 --> 00:06:27,080

That is you, I take it?

157

00:06:27,080 --> 00:06:29,080

Yes.

158

00:06:29,080 --> 00:06:31,080

Derrickson.

159

00:06:31,080 --> 00:06:33,080

I'm a school teacher.

160

00:06:33,080 --> 00:06:35,080

My name's Abbott.

161

00:06:35,080 --> 00:06:37,080

My wife and I were driving along the North Road

162

00:06:37,240 --> 00:06:41,240

in the Great Smith Corner when we saw a kind of blue flare.

163

00:06:41,240 --> 00:06:43,240

You saw it?

164

00:06:43,240 --> 00:06:45,240

Then I wasn't imagining things.

165

00:06:45,240 --> 00:06:47,240

You didn't see it.

166

00:06:47,240 --> 00:06:49,240

Yes, we went across to investigate

167

00:06:49,240 --> 00:06:51,240

and found you unconscious.

168

00:06:51,240 --> 00:06:53,240

I was running away. I must have tripped and fallen.

169

00:06:53,240 --> 00:06:55,240

Well, I don't think there's any real harm done.

170

00:06:55,240 --> 00:06:57,240

Except that you have some minor burns on the arms and face.

171

00:06:57,240 --> 00:06:59,240

And probably you'll get a cold

172

00:06:59,240 --> 00:07:01,240

from not wearing a coat out and not like this.

173

00:07:01,240 --> 00:07:03,240

Burns?

174

00:07:03,240 --> 00:07:05,240

You said...

175

00:07:05,400 --> 00:07:07,400

Don't touch them. I've covered the areas with ointment.

176

00:07:07,400 --> 00:07:09,400

They...

177

00:07:09,400 --> 00:07:11,400

tried to kill me.

178

00:07:11,400 --> 00:07:13,400

No, Mr. Derrickson...

179

00:07:13,400 --> 00:07:15,400

I didn't know they did.

180

00:07:15,400 --> 00:07:17,400

That blue flame you saw.

181

00:07:17,400 --> 00:07:19,400

They shot it at me.

182

00:07:19,400 --> 00:07:21,400

Who did?

183

00:07:21,400 --> 00:07:23,400

I don't know.

184

00:07:23,400 --> 00:07:25,400

You said something when you were under morphia

185

00:07:25,400 --> 00:07:27,400

about a thing I'll bring over your head.

186

00:07:27,400 --> 00:07:29,400

I'm afraid some of this doesn't make sense.

187

00:07:29,400 --> 00:07:31,400

Doesn't it?

188

00:07:31,400 --> 00:07:33,400

Then let me tell you, Doctor.

189

00:07:33,560 --> 00:07:35,560

I wish you would.

190

00:07:35,560 --> 00:07:37,560

Let me...

191

00:07:37,560 --> 00:07:39,560

Let me try and make you understand.

192

00:07:39,560 --> 00:07:41,560

I was just out for a walk.

193

00:07:41,560 --> 00:07:43,560

It was a nice night and...

194

00:07:43,560 --> 00:07:45,560

I felt like a stroll.

195

00:07:45,560 --> 00:07:47,560

Yes?

196

00:07:47,560 --> 00:07:49,560

I walked past Grace Smith Corner into the fields

197

00:07:49,560 --> 00:07:51,560

where you found me.

198

00:07:51,560 --> 00:07:53,560

I saw the light.

199

00:07:53,560 --> 00:07:55,560

A bluish light shining through the trees.

200

00:07:55,560 --> 00:07:57,560

Well...

201

00:07:57,560 --> 00:07:59,560

I had a flashlight with me.

202

00:07:59,560 --> 00:08:01,560

I went over to see what it was.

203

00:08:02,120 --> 00:08:04,120

All of a sudden...

204

00:08:04,120 --> 00:08:06,120

I started to feel a strange...

205

00:08:06,120 --> 00:08:08,120

choking sensation.

206

00:08:08,120 --> 00:08:10,120

It's as if I couldn't breathe.

207

00:08:10,120 --> 00:08:12,120

The air all around me was smoking.

208

00:08:12,120 --> 00:08:14,120

It felt hot.

209

00:08:14,120 --> 00:08:16,120

I thought it must have been a fire.

210

00:08:16,120 --> 00:08:18,120

Then I got the feeling that...

211

00:08:18,120 --> 00:08:20,120

somebody was watching me.

212

00:08:20,120 --> 00:08:22,120

Go on.

213

00:08:22,120 --> 00:08:24,120

I don't know why, but...

214

00:08:24,120 --> 00:08:26,120

suddenly I'd looked up.

215

00:08:26,120 --> 00:08:28,120

There were no stars.

216

00:08:28,120 --> 00:08:30,120

Everything was blackened out

217

00:08:30,680 --> 00:08:32,680

by a huge dark shape about...

218

00:08:32,680 --> 00:08:34,680

about 50 feet above me.

219

00:08:34,680 --> 00:08:36,680

Dark shape?

220

00:08:36,680 --> 00:08:38,680

I must have backed away somehow because...

221

00:08:38,680 --> 00:08:40,680

a couple of seconds later, I wasn't underneath it any longer.

222

00:08:40,680 --> 00:08:42,680

And I could breathe and the heat was gone.

223

00:08:44,680 --> 00:08:46,680

And I could see what it was.

224

00:08:46,680 --> 00:08:48,680

What was it?

225

00:08:50,680 --> 00:08:52,680

It was a big, circular-shaped kind of object.

226

00:08:52,680 --> 00:08:54,680

Smooth and...

227

00:08:54,680 --> 00:08:56,680

grayish-colored.

228

00:08:56,680 --> 00:08:58,680

The upper part of it had a kind of...

229

00:08:59,240 --> 00:09:01,240

dome. Like a turret, yes.

230

00:09:01,240 --> 00:09:03,240

But I...

231

00:09:03,240 --> 00:09:05,240

I just didn't know what to do.

232

00:09:05,240 --> 00:09:07,240

I shone the torch out at it.

233

00:09:07,240 --> 00:09:09,240

I suppose that was stupid.

234

00:09:09,240 --> 00:09:11,240

Then I heard this sound...

235

00:09:11,240 --> 00:09:13,240

like a ratchet.

236

00:09:13,240 --> 00:09:15,240

And the turret opened.

237

00:09:15,240 --> 00:09:17,240

And this bright ball of fire

238

00:09:17,240 --> 00:09:19,240

came straight down at me.

239

00:09:19,240 --> 00:09:21,240

I felt it sting my eyes and start to burn me.

240

00:09:21,240 --> 00:09:23,240

And it expanded into a kind of...

241

00:09:23,240 --> 00:09:25,240

mist of white.

242

00:09:25,240 --> 00:09:27,240

And I was in the middle of it.

243

00:09:27,800 --> 00:09:29,800

I ran and...

244

00:09:31,800 --> 00:09:33,800

That's all I remember.

245

00:09:33,800 --> 00:09:35,800

Whether I passed out a trip, well...

246

00:09:35,800 --> 00:09:37,800

was something I couldn't say.

247

00:09:37,800 --> 00:09:39,800

Well, Dirkson, you'd better report this.

248

00:09:39,800 --> 00:09:41,800

I...

249

00:09:41,800 --> 00:09:43,800

I have to admit, I saw the blue light myself.

250

00:09:43,800 --> 00:09:45,800

My wife did too.

251

00:09:45,800 --> 00:09:47,800

But I don't know...

252

00:09:47,800 --> 00:09:49,800

Don't worry. I'll report it.

253

00:09:49,800 --> 00:09:51,800

Sooner the better.

254

00:09:51,800 --> 00:09:53,800

I've got my own ideas about what that was tonight.

255

00:09:54,360 --> 00:09:56,360

Yes.

256

00:09:56,360 --> 00:09:58,360

I think we'd better call the police.

257

00:10:06,360 --> 00:10:08,360

Well, Doctor,

258

00:10:08,360 --> 00:10:10,360

no need to feel the strain of any longer, sir.

259

00:10:10,360 --> 00:10:12,360

It's been a long night.

260

00:10:12,360 --> 00:10:14,360

Certainly has, Sergeant. What about Mr. Dirkson?

261

00:10:14,360 --> 00:10:16,360

He's gone to the station with the inspector to make a statement.

262

00:10:16,360 --> 00:10:18,360

And I understand there'll be someone down

263

00:10:18,360 --> 00:10:20,360

from the Air Force investigating unit first thing in the morning.

264

00:10:20,360 --> 00:10:22,360

Air Force?

265

00:10:22,920 --> 00:10:24,920

I'm sure there's a special intelligence section

266

00:10:24,920 --> 00:10:26,920

that reports on an identified flying object.

267

00:10:26,920 --> 00:10:28,920

They'll certainly want to talk to you some time tomorrow, Dr.

268

00:10:28,920 --> 00:10:30,920

You mean you're taking this quite seriously, this story?

269

00:10:30,920 --> 00:10:32,920

What else can we do, sir?

270

00:10:32,920 --> 00:10:34,920

You saw the blue flame

271

00:10:34,920 --> 00:10:36,920

and the white flare after which you saw it?

272

00:10:36,920 --> 00:10:38,920

Well, surely there must be some...

273

00:10:38,920 --> 00:10:40,920

some reasonable explanation.

274

00:10:40,920 --> 00:10:42,920

I wish there was.

275

00:10:42,920 --> 00:10:44,920

There'll be the devil to pay tomorrow

276

00:10:44,920 --> 00:10:46,920

with the reporters and the like all over the town.

277

00:10:46,920 --> 00:10:48,920

Once this news gets out,

278

00:10:48,920 --> 00:10:50,920

there's going to be an almighty fuss.

279

00:10:51,480 --> 00:10:53,480

We can't believe it.

280

00:10:53,480 --> 00:10:55,480

Strings the imagination, doesn't it, sir?

281

00:10:55,480 --> 00:10:57,480

Yet you saw those burns on his arms.

282

00:10:57,480 --> 00:10:59,480

Yes, but...

283

00:10:59,480 --> 00:11:01,480

And there were other things.

284

00:11:01,480 --> 00:11:03,480

What do you mean?

285

00:11:03,480 --> 00:11:05,480

We haven't been wasting time in the two hours

286

00:11:05,480 --> 00:11:07,480

since you telephoned.

287

00:11:07,480 --> 00:11:09,480

For one thing, we sent a man out to that spot

288

00:11:09,480 --> 00:11:11,480

on the north road to have a look around.

289

00:11:11,480 --> 00:11:13,480

At this time of night?

290

00:11:13,480 --> 00:11:15,480

With a spotlight beam on the car, he was able to see enough.

291

00:11:15,480 --> 00:11:17,480

We'll confirm it by daylight tomorrow.

292

00:11:17,480 --> 00:11:19,480

He saw the grass had been singed all around the spot

293

00:11:20,040 --> 00:11:22,040

where Derrickson was standing.

294

00:11:22,040 --> 00:11:24,040

And then he saw the trees just above.

295

00:11:24,040 --> 00:11:26,040

There were branches broken off

296

00:11:26,040 --> 00:11:28,040

as if some large object like a plane

297

00:11:28,040 --> 00:11:30,040

had crashed through there.

298

00:11:30,040 --> 00:11:32,040

Still, we're only amateurs, Doctor.

299

00:11:32,040 --> 00:11:34,040

We'll see what the air force think about it in the morning.

300

00:11:34,600 --> 00:11:36,600

We return to medical file.

301

00:11:46,600 --> 00:11:48,600

Friday, September the 5th, began early for me.

302

00:11:48,600 --> 00:11:50,600

At 7.45 a.m.,

303

00:11:50,600 --> 00:11:52,600

we're going to the hospital.

304

00:11:52,600 --> 00:11:54,600

We'll be back in a few minutes.

305

00:11:54,600 --> 00:11:56,600

We'll be back in a few minutes.

306

00:11:56,600 --> 00:11:58,600

We'll be back in a few minutes.

307

00:11:58,600 --> 00:12:00,600

We'll be back in a few minutes.

308

00:12:00,600 --> 00:12:02,600

We'll be back in a few minutes.

309

00:12:03,160 --> 00:12:05,160

At 4.45 a.m.,

310

00:12:05,160 --> 00:12:07,160

breakfast was interrupted by the arrival of the Air Force's investigating officer,

311

00:12:07,160 --> 00:12:09,160

a flight lieutenant in civilian dress.

312

00:12:11,160 --> 00:12:13,160

Don't let me spoil the meal.

313

00:12:13,160 --> 00:12:15,160

I'll just sit over here and thumb through the magazine until you're finished.

314

00:12:15,160 --> 00:12:17,160

Why don't you join us, Flight Lieutenant?

315

00:12:17,160 --> 00:12:19,160

Yes, please do.

316

00:12:19,160 --> 00:12:21,160

I'll thank you, but I've had breakfast.

317

00:12:21,160 --> 00:12:23,160

I was called out at 0400 this morning to drive down here and look into this thing.

318

00:12:23,160 --> 00:12:25,160

The Air Force must take this pretty seriously, eh?

319

00:12:25,160 --> 00:12:27,160

We take all UFO reports seriously, Doctor.

320

00:12:27,160 --> 00:12:29,160

UFO?

321

00:12:29,160 --> 00:12:31,160

And identify the flying objects.

322

00:12:31,720 --> 00:12:33,720

The newspaper is referred to them as flying sources.

323

00:12:33,720 --> 00:12:35,720

Oh.

324

00:12:35,720 --> 00:12:37,720

I know. Sounds rather fantastic, doesn't it?

325

00:12:37,720 --> 00:12:39,720

Well, frankly, it does.

326

00:12:39,720 --> 00:12:41,720

Another couple of coffee down the case?

327

00:12:41,720 --> 00:12:43,720

Yes, Doctor.

328

00:12:43,720 --> 00:12:45,720

It sounds a bit fantastic to me when they first threw the job at me.

329

00:12:45,720 --> 00:12:47,720

But after I investigated a couple of dozen cases,

330

00:12:47,720 --> 00:12:49,720

you mean you really think there's something in these stories?

331

00:12:49,720 --> 00:12:51,720

Well, sometimes we're left with facts we're unable to explain.

332

00:12:51,720 --> 00:12:53,720

That's a fairly evasive answer, Flight Lieutenant.

333

00:12:53,720 --> 00:12:55,720

It's about as far as I'm prepared to go, Doctor.

334

00:12:55,720 --> 00:12:57,720

You see, as we all know,

335

00:12:57,720 --> 00:12:59,720

there's been a wave of flying sources.

336

00:13:00,280 --> 00:13:02,280

They started in America, they spread to most other countries.

337

00:13:02,280 --> 00:13:04,280

There are reports of people seeing UFOs pretty well all the time.

338

00:13:04,280 --> 00:13:06,280

Most of it is probably imagination

339

00:13:06,280 --> 00:13:08,280

and is written off as harmless.

340

00:13:08,280 --> 00:13:10,280

But once in a while, there comes a story like this.

341

00:13:10,280 --> 00:13:12,280

Can you imagine the way the papers

342

00:13:12,280 --> 00:13:14,280

will enjoy themselves over the last nights of fear?

343

00:13:14,280 --> 00:13:16,280

Is there any need for the newspapers to know?

344

00:13:16,280 --> 00:13:18,280

They're pretty good at finding out, Doctor.

345

00:13:18,280 --> 00:13:20,280

Can you visualize the headlines?

346

00:13:20,280 --> 00:13:22,280

Flying Scenes, the most famous of them all.

347

00:13:22,280 --> 00:13:24,280

The most famous of them all.

348

00:13:24,280 --> 00:13:26,280

The most famous of them all.

349

00:13:26,280 --> 00:13:28,280

The most famous of them all.

350

00:13:28,840 --> 00:13:30,840

Flying Sorcerer attacks man on North Road.

351

00:13:30,840 --> 00:13:32,840

Can you see what that's likely to start?

352

00:13:32,840 --> 00:13:34,840

Yes, I can see it'll start a lot of people panicking.

353

00:13:34,840 --> 00:13:36,840

Exactly, Mrs. Abbott.

354

00:13:36,840 --> 00:13:38,840

Our job is to fully investigate this

355

00:13:38,840 --> 00:13:40,840

and to try to prove it either a fake or a hoax.

356

00:13:40,840 --> 00:13:42,840

That's why my section exists.

357

00:13:42,840 --> 00:13:44,840

But why would it be a hoax?

358

00:13:44,840 --> 00:13:46,840

Well, that's just the point.

359

00:13:46,840 --> 00:13:48,840

I've got to find out why

360

00:13:48,840 --> 00:13:50,840

or else give some reasonable explanation.

361

00:13:50,840 --> 00:13:52,840

I think you're going to have your work cut out, aren't you?

362

00:13:52,840 --> 00:13:54,840

Have you heard about those trees?

363

00:13:54,840 --> 00:13:56,840

I've already been there.

364

00:13:57,400 --> 00:13:59,400

I know. I got startled early.

365

00:13:59,400 --> 00:14:01,400

But we have to work quickly.

366

00:14:01,400 --> 00:14:03,400

Was it as bad as the police seemed to think last night?

367

00:14:03,400 --> 00:14:05,400

Well, it was puzzling.

368

00:14:05,400 --> 00:14:07,400

There were a couple of patches of scorched grass

369

00:14:07,400 --> 00:14:09,400

and the spot where the UFO was supposed to be hovering.

370

00:14:09,400 --> 00:14:11,400

And a few branches had been broken.

371

00:14:11,400 --> 00:14:13,400

And but they're really small branches

372

00:14:13,400 --> 00:14:15,400

and they could have been snapped off

373

00:14:15,400 --> 00:14:17,400

by someone climbing the trees and breaking them by hand.

374

00:14:17,400 --> 00:14:19,400

Your idea is not to admit anything.

375

00:14:19,400 --> 00:14:21,400

Is it flight lieutenant?

376

00:14:21,400 --> 00:14:23,400

We can't afford to, Mrs. Abbott.

377

00:14:23,400 --> 00:14:25,400

The grass could have been bird or singed in someone.

378

00:14:25,960 --> 00:14:27,960

Oh, uh, Derrickson had a flashlight with him, he claims.

379

00:14:27,960 --> 00:14:29,960

You didn't pick that up, did you?

380

00:14:29,960 --> 00:14:31,960

No.

381

00:14:31,960 --> 00:14:33,960

I can't find it anywhere.

382

00:14:33,960 --> 00:14:35,960

Frankly, there's nothing that contradicts his story.

383

00:14:37,960 --> 00:14:39,960

We're going to put a guy get counter over the area.

384

00:14:39,960 --> 00:14:41,960

Take some photographs later.

385

00:14:41,960 --> 00:14:43,960

And now we come to you.

386

00:14:43,960 --> 00:14:45,960

Doctor, when you reached Derrickson, he was unconscious.

387

00:14:45,960 --> 00:14:47,960

Could that have been failed?

388

00:14:47,960 --> 00:14:49,960

Well, yes.

389

00:14:49,960 --> 00:14:51,960

It could have been failed.

390

00:14:51,960 --> 00:14:53,960

I don't know.

391

00:14:54,520 --> 00:14:56,520

Yes, it could.

392

00:14:56,520 --> 00:14:58,520

I could only make a hard-ed examination

393

00:14:58,520 --> 00:15:00,520

and before we reached the surgery, he recovered consciousness.

394

00:15:00,520 --> 00:15:02,520

But his heartbeat and pulse

395

00:15:02,520 --> 00:15:04,520

as I tested them later were accelerated.

396

00:15:04,520 --> 00:15:06,520

He was either very scared or very excited.

397

00:15:06,520 --> 00:15:08,520

And the burns?

398

00:15:08,520 --> 00:15:10,520

They actually were burns.

399

00:15:10,520 --> 00:15:12,520

Quite definitely. Deep burns?

400

00:15:12,520 --> 00:15:14,520

No, I wouldn't say so.

401

00:15:14,520 --> 00:15:16,520

But they must have been fairly painful.

402

00:15:16,520 --> 00:15:18,520

And the hair on the arms and head

403

00:15:18,520 --> 00:15:20,520

was singed, indicating a flash heat.

404

00:15:20,520 --> 00:15:22,520

I see.

405

00:15:23,080 --> 00:15:25,080

It's very thorough.

406

00:15:25,080 --> 00:15:27,080

It's certainly done nothing to contradict this story.

407

00:15:27,080 --> 00:15:29,080

No, I suppose not.

408

00:15:29,080 --> 00:15:31,080

Sorry, that's the work of a world, including.

409

00:15:31,080 --> 00:15:33,080

My patients start bringing it from about this time.

410

00:15:33,080 --> 00:15:35,080

Oh, thanks, Paula.

411

00:15:35,080 --> 00:15:37,080

Well, what's the next move, Flight of Tennis?

412

00:15:37,080 --> 00:15:39,080

The obvious move now is to check on Derrickson thoroughly.

413

00:15:39,080 --> 00:15:41,080

If this is a fake, then a character search

414

00:15:41,080 --> 00:15:43,080

should find it out.

415

00:15:43,080 --> 00:15:45,080

Excuse me a moment, will you?

416

00:15:45,080 --> 00:15:47,080

What's the trouble, Paula?

417

00:15:47,080 --> 00:15:49,080

It's a daily star. They want to interview him.

418

00:15:49,080 --> 00:15:51,080

Tell them nothing doing.

419

00:15:51,640 --> 00:15:53,640

I'll wait a minute, Chiefs.

420

00:15:53,640 --> 00:15:55,640

Look, I'd rather you did see them, Doctor.

421

00:15:55,640 --> 00:15:57,640

But if you don't mind, you said you wanted to keep this out of the papers.

422

00:15:57,640 --> 00:15:59,640

I also told you the papers would hear.

423

00:15:59,640 --> 00:16:01,640

They don't take kindly to not getting information.

424

00:16:01,640 --> 00:16:03,640

They're liable to make the details up to themselves.

425

00:16:03,640 --> 00:16:05,640

Well, what do you want me to tell them?

426

00:16:05,640 --> 00:16:07,640

Just the facts.

427

00:16:07,640 --> 00:16:09,640

Play it down as much as you can.

428

00:16:09,640 --> 00:16:11,640

I've warned Derrickson to do the same.

429

00:16:11,640 --> 00:16:13,640

If we can stop the newspapers getting sensational for 24 hours,

430

00:16:13,640 --> 00:16:15,640

perhaps by then we'll have the truth.

431

00:16:21,640 --> 00:16:23,640

You finished taking those angle shots, Jefferies?

432

00:16:23,640 --> 00:16:25,640

Yes.

433

00:16:25,640 --> 00:16:27,640

Right.

434

00:16:27,640 --> 00:16:29,640

How about you, Frank, getting anything on the Geiger counter?

435

00:16:29,640 --> 00:16:31,640

Not a peep out of it, sir.

436

00:16:31,640 --> 00:16:33,640

Give it once more around the area than pack up.

437

00:16:33,640 --> 00:16:35,640

I'll meet you back at the hotel.

438

00:16:35,640 --> 00:16:37,640

Right.

439

00:16:37,640 --> 00:16:39,640

Paula, and see if you can find that flashlight.

440

00:16:39,640 --> 00:16:41,640

It's still missing.

441

00:16:41,640 --> 00:16:43,640

I'm going to talk to a few people in you, Derrickson.

442

00:16:51,640 --> 00:16:53,640

Hello.

443

00:16:53,640 --> 00:16:55,640

Sit down, Flight Lieutenant.

444

00:16:55,640 --> 00:16:57,640

Thank you, sir.

445

00:16:57,640 --> 00:16:59,640

You know why I'm here, of course.

446

00:16:59,640 --> 00:17:01,640

Of course, yes.

447

00:17:01,640 --> 00:17:03,640

This flying saucer business, it's incredible.

448

00:17:03,640 --> 00:17:05,640

I understand Mr. Derrickson teaches here at your school.

449

00:17:05,640 --> 00:17:07,640

Quite so.

450

00:17:07,640 --> 00:17:09,640

Of course he's not here at the moment.

451

00:17:09,640 --> 00:17:11,640

Those reporter people were hanging about, so I gave him the day off.

452

00:17:11,640 --> 00:17:13,640

Can't have that sort of thing around the school, you know?

453

00:17:13,640 --> 00:17:15,640

No, I suppose not.

454

00:17:15,640 --> 00:17:17,640

How long has Derrickson been teaching here?

455

00:17:17,640 --> 00:17:19,640

Two years.

456

00:17:20,200 --> 00:17:22,200

He's also a splendid wall record, so I understand.

457

00:17:22,200 --> 00:17:24,200

Army?

458

00:17:24,200 --> 00:17:26,200

Yes, at least he mentioned so in passing.

459

00:17:26,200 --> 00:17:28,200

Sir, I'd like to know your very candid opinion of Derrickson.

460

00:17:28,200 --> 00:17:30,200

My opinion?

461

00:17:30,200 --> 00:17:32,200

I think he's an excellent fellow.

462

00:17:32,200 --> 00:17:34,200

All very good type.

463

00:17:34,200 --> 00:17:36,200

Otherwise he wouldn't have lasted two years at my school, Flight Lieutenant.

464

00:17:44,200 --> 00:17:46,200

Well, that's the answer all over town, Doctor.

465

00:17:46,200 --> 00:17:48,200

Everyone who knew Derrickson,

466

00:17:48,760 --> 00:17:50,760

he's a very good fellow, he's a very good fellow.

467

00:17:50,760 --> 00:17:52,760

He teaches even his landlady.

468

00:17:52,760 --> 00:17:54,760

They all say he's a fine person, straightforward, honest.

469

00:17:54,760 --> 00:17:56,760

The guy could count a picked up nothing out there,

470

00:17:56,760 --> 00:17:58,760

but we didn't really expect it.

471

00:17:58,760 --> 00:18:00,760

What sort of a day did you have?

472

00:18:00,760 --> 00:18:02,760

Asked the reporters.

473

00:18:02,760 --> 00:18:04,760

They took up most of it.

474

00:18:04,760 --> 00:18:06,760

Oh, have you seen the evening papers?

475

00:18:06,760 --> 00:18:08,760

Some of them.

476

00:18:08,760 --> 00:18:10,760

It's not as bad as it could be, then you haven't seen the Gazette.

477

00:18:10,760 --> 00:18:12,760

Gazette? It's our main local cheat here.

478

00:18:12,760 --> 00:18:14,760

Derrickson has given them what adds up to an exclusive interview.

479

00:18:14,760 --> 00:18:16,760

Sure, I think you'd better read it.

480

00:18:17,320 --> 00:18:19,320

What on earth?

481

00:18:19,320 --> 00:18:21,320

In an exclusive interview this afternoon,

482

00:18:21,320 --> 00:18:23,320

Norman Derrickson told the Gazette

483

00:18:23,320 --> 00:18:25,320

I have been questioned by top military and air force authorities

484

00:18:25,320 --> 00:18:27,320

and sworn to secrecy.

485

00:18:27,320 --> 00:18:29,320

They and myself realized

486

00:18:29,320 --> 00:18:31,320

that if the truth of what I saw last night was revealed,

487

00:18:31,320 --> 00:18:33,320

it would panic the nation.

488

00:18:33,320 --> 00:18:35,320

What?

489

00:18:35,320 --> 00:18:37,320

Oh, excuse me.

490

00:18:37,320 --> 00:18:39,320

There's a lot more along the same lines.

491

00:18:39,320 --> 00:18:41,320

Hello?

492

00:18:41,320 --> 00:18:43,320

Yes?

493

00:18:43,320 --> 00:18:45,320

Oh yes, just a moment.

494

00:18:45,880 --> 00:18:47,880

Well, if we were downtown at the police station, I'd be here.

495

00:18:47,880 --> 00:18:49,880

Thanks.

496

00:18:49,880 --> 00:18:51,880

Hello?

497

00:18:51,880 --> 00:18:53,880

Yes, Inspector?

498

00:18:53,880 --> 00:18:55,880

Yes, I've just been reading it.

499

00:18:55,880 --> 00:18:57,880

What's that?

500

00:18:57,880 --> 00:18:59,880

He has.

501

00:18:59,880 --> 00:19:01,880

I see.

502

00:19:01,880 --> 00:19:03,880

Yes, I'm very glad you did ring.

503

00:19:03,880 --> 00:19:05,880

I'll be down there as soon as I can.

504

00:19:07,880 --> 00:19:09,880

Well, the Inspector of Police just thought I'd like to know.

505

00:19:09,880 --> 00:19:11,880

Derrickson has apparently hired himself a press agent.

506

00:19:11,880 --> 00:19:13,880

And he's been a real criminal.

507

00:19:14,440 --> 00:19:16,440

And he's announced all over town that he's negotiating with a big magazine

508

00:19:16,440 --> 00:19:18,440

for the national rights to his personal story.

509

00:19:18,440 --> 00:19:20,440

Sure.

510

00:19:20,440 --> 00:19:22,440

You know, Doctor, I get the impression our friend is out to make himself

511

00:19:22,440 --> 00:19:24,440

a fast pound or two.

512

00:19:24,440 --> 00:19:26,440

Well, I suppose there's nothing against that.

513

00:19:26,440 --> 00:19:28,440

Nothing.

514

00:19:28,440 --> 00:19:30,440

Except until now there wasn't a motor for any of this.

515

00:19:30,440 --> 00:19:32,440

I think Derrickson was just a little too quick

516

00:19:32,440 --> 00:19:34,440

with his exclusive panic story in his press agent

517

00:19:34,440 --> 00:19:36,440

and his national negotiations.

518

00:19:36,440 --> 00:19:38,440

But we'll see, Doctor.

519

00:19:38,440 --> 00:19:40,440

We'll see.

520

00:19:41,000 --> 00:19:43,000

We'll see.

521

00:19:51,000 --> 00:19:53,000

Saturday, September the 6th.

522

00:19:53,000 --> 00:19:55,000

The papers that day headlined the flying saucer story.

523

00:19:55,000 --> 00:19:57,000

A cartoon pictured men from another planet in an all-out attack.

524

00:19:57,000 --> 00:19:59,000

Then,

525

00:19:59,000 --> 00:20:01,000

Sunday, September the 7th.

526

00:20:01,000 --> 00:20:03,000

The picture changed

527

00:20:03,000 --> 00:20:05,000

as dramatically and suddenly

528

00:20:05,000 --> 00:20:07,000

as it had begun.

529

00:20:07,000 --> 00:20:09,000

That morning, the City Dailies

530

00:20:09,560 --> 00:20:11,560

announced the flying saucer story as a hoax.

531

00:20:11,560 --> 00:20:13,560

A complete fake from start to finish.

532

00:20:13,560 --> 00:20:15,560

On Monday, September the 8th.

533

00:20:15,560 --> 00:20:17,560

Norman Derrickson was arrested.

534

00:20:29,560 --> 00:20:31,560

Well, Doctor, I came to say goodbye.

535

00:20:31,560 --> 00:20:33,560

Then to do some explaining.

536

00:20:33,560 --> 00:20:35,560

One thing I'd like to thank you for, Jacob.

537

00:20:35,560 --> 00:20:37,560

You made it clear to the newspapers that Paula and I were innocent witnesses.

538

00:20:38,120 --> 00:20:40,120

Well, you were taken in by a master of the craft.

539

00:20:40,120 --> 00:20:42,120

It could have been anyone else.

540

00:20:42,120 --> 00:20:44,120

You happened to be the first car that came along.

541

00:20:44,120 --> 00:20:46,120

But, um, look here.

542

00:20:46,120 --> 00:20:48,120

All those damaged branches and burnt grass.

543

00:20:48,120 --> 00:20:50,120

It happened as we thought it could have happened.

544

00:20:50,120 --> 00:20:52,120

He climbed the trees and broke off enough branches

545

00:20:52,120 --> 00:20:54,120

to make it effective.

546

00:20:54,120 --> 00:20:56,120

Then he put a plastic blue cover over his flashlight

547

00:20:56,120 --> 00:20:58,120

and waited for a car.

548

00:20:58,120 --> 00:21:00,120

And we came along.

549

00:21:00,120 --> 00:21:02,120

He must have seen you slow down.

550

00:21:02,120 --> 00:21:04,120

So he lit the sudden flare yourself.

551

00:21:04,120 --> 00:21:06,120

What was it?

552

00:21:06,680 --> 00:21:08,680

A long strip that burnt the grass as well.

553

00:21:08,680 --> 00:21:10,680

Yes, and singed his arms and face.

554

00:21:10,680 --> 00:21:12,680

Oh, no. No, he'd done that a short time before.

555

00:21:12,680 --> 00:21:14,680

With matches.

556

00:21:14,680 --> 00:21:16,680

He simply singed the skin and made sure he'd have burns

557

00:21:16,680 --> 00:21:18,680

to back up his story.

558

00:21:18,680 --> 00:21:20,680

Here.

559

00:21:20,680 --> 00:21:22,680

When the magnesium was flaring and you'd stopped the car,

560

00:21:22,680 --> 00:21:24,680

he started to run, trip himself,

561

00:21:24,680 --> 00:21:26,680

faked his unconsciousness,

562

00:21:26,680 --> 00:21:28,680

and then staged his act back here at your house.

563

00:21:28,680 --> 00:21:30,680

Well, we...

564

00:21:30,680 --> 00:21:32,680

And the flashlight?

565

00:21:32,680 --> 00:21:34,680

He threw it away as he ran.

566

00:21:35,240 --> 00:21:37,240

You mean he confessed to all this?

567

00:21:37,240 --> 00:21:39,240

He confessed to all right.

568

00:21:39,240 --> 00:21:41,240

You know, he got quite proud of his story.

569

00:21:41,240 --> 00:21:43,240

Once he saw that his original purpose had been defeated,

570

00:21:43,240 --> 00:21:45,240

and he wasn't going to make any money out of it,

571

00:21:45,240 --> 00:21:47,240

he was eager to tell us how clever he'd been.

572

00:21:47,240 --> 00:21:49,240

But what made him confess?

573

00:21:49,240 --> 00:21:51,240

After I found out about that press agent

574

00:21:51,240 --> 00:21:53,240

and the magazine deal,

575

00:21:53,240 --> 00:21:55,240

I started to do some real probing.

576

00:21:55,240 --> 00:21:57,240

He was supposed to have a fine army record.

577

00:21:57,240 --> 00:21:59,240

Well, I checked on that.

578

00:21:59,240 --> 00:22:01,240

He was discharged from the army dishonorably,

579

00:22:01,240 --> 00:22:03,240

found a double-edged sword,

580

00:22:03,800 --> 00:22:05,800

and wearing an officer's uniform.

581

00:22:05,800 --> 00:22:07,800

Needless to say, he was actually a private.

582

00:22:07,800 --> 00:22:09,800

Yes.

583

00:22:09,800 --> 00:22:11,800

The kind who had to be bigger than he was, eh?

584

00:22:11,800 --> 00:22:13,800

Yes, I've met a few.

585

00:22:13,800 --> 00:22:15,800

He was also supposed to have been a successful master

586

00:22:15,800 --> 00:22:17,800

at several other schools.

587

00:22:17,800 --> 00:22:19,800

None of them had ever heard of him.

588

00:22:19,800 --> 00:22:21,800

How he got away with it, I'll never know.

589

00:22:21,800 --> 00:22:23,800

But some of his kind are lucky for a time.

590

00:22:23,800 --> 00:22:25,800

But once we got these facts,

591

00:22:25,800 --> 00:22:27,800

the rest was just a matter of convincing Derek,

592

00:22:27,800 --> 00:22:29,800

and the game was up.

593

00:22:29,800 --> 00:22:31,800

And certainly,

594

00:22:32,360 --> 00:22:34,360

you've disproved another flying saucer story, eh, Jacobs?

595

00:22:34,360 --> 00:22:36,360

I know what you're thinking.

596

00:22:36,360 --> 00:22:38,360

But don't believe they're all engineered by Frauds, Doctor.

597

00:22:38,360 --> 00:22:40,360

Once in a while, you know, we really get one

598

00:22:40,360 --> 00:22:42,360

we can't explain.

599

00:22:42,360 --> 00:22:44,360

Well, goodbye, Doctor.

600

00:22:44,360 --> 00:22:46,360

Any time you see an object in the sky

601

00:22:46,360 --> 00:22:48,360

that you can't identify, just let me know.

602

00:22:48,360 --> 00:22:50,360

Yes, I will.

603

00:22:50,360 --> 00:22:52,360

Ha, ha, ha.

604

00:22:52,920 --> 00:22:54,920

On October the 28th,

605

00:22:54,920 --> 00:22:56,920

seven weeks after his arrest,

606

00:22:56,920 --> 00:22:58,920

Norman Derrickson was found guilty of fraud

607

00:22:58,920 --> 00:23:00,920

and sentenced to six months imprisonment.

608

00:23:00,920 --> 00:23:02,920

He may not have made the money he set out to make,

609

00:23:02,920 --> 00:23:04,920

but at least he achieved fame

610

00:23:04,920 --> 00:23:06,920

in the records of UFO investigation.

611

00:23:06,920 --> 00:23:08,920

Which, to Norman Derrickson,

612

00:23:08,920 --> 00:23:10,920

is the most important thing.

613

00:23:10,920 --> 00:23:12,920

And he was also a very good man.

614

00:23:12,920 --> 00:23:14,920

He was a very good man.

615

00:23:14,920 --> 00:23:16,920

He was a very good man.

616

00:23:16,920 --> 00:23:18,920

He was a very good man.

617

00:23:18,920 --> 00:23:20,920

He was a very good man.

618

00:23:21,480 --> 00:23:23,480

And which, to Norman Derrickson,

619

00:23:23,480 --> 00:23:25,480

was probably a poor consolation.

620

00:23:45,480 --> 00:23:47,480

Medical file is the story of the men and women

621

00:23:47,480 --> 00:23:49,480

who in city hospitals,

622

00:23:50,040 --> 00:23:52,040

and lonely surgeries guard our lives.

623

00:23:52,040 --> 00:23:54,040

As Dr. Tom Abbott, you heard Derrick Barnes.

624

00:23:54,040 --> 00:23:56,040

As flight attendant Jacobs,

625

00:23:56,040 --> 00:23:58,040

Brian Anderson.

626

00:23:58,040 --> 00:24:00,040

With June Salter,

627

00:24:00,040 --> 00:24:02,040

Don Pascoe,

628

00:24:02,040 --> 00:24:04,040

Gordon Venright, and Charles Tasman.

629

00:24:04,040 --> 00:24:06,040

Medical file is written by

630

00:24:06,040 --> 00:24:08,040

Peter Yelden and directed by

631

00:24:08,040 --> 00:24:10,040

John Saul for Grace Gibson Radio Productions.

632

00:24:19,480 --> 00:24:22,040

Thank you.
