

1

00:00:00,000 --> 00:00:08,240

I was coming home from the hospital after this thing got aboard. I crossed the river

2

00:00:08,240 --> 00:00:16,240

across the river crossing on the back road coming towards the manor. I waited for the

3

00:00:16,240 --> 00:00:23,240

oil to come to the gas pass across the river and the road was up in a blue iridescent light.

4

00:00:23,240 --> 00:00:27,240

My first thought was that it was the helicopter that put the river aboard at the hospital

5

00:00:27,240 --> 00:00:34,240

because it has a blue light under it. I thought at the time that he was flying too low I thought he would hit the trees and

6

00:00:34,240 --> 00:00:42,240

you know, stand so low. I couldn't get out of the blue light, it kept up with me so I

7

00:00:42,240 --> 00:00:48,240

slowed down thinking that he would keep going and give me on the speed and I would back out of the light.

8

00:00:48,240 --> 00:00:55,240

I didn't slow down with me. So I thought maybe he was trying to signal the car if he wants the car to stop.

9

00:00:56,240 --> 00:01:02,240

So I stopped the car and the thing I wouldn't normally do on a back road on my own, I wouldn't get out of the car.

10

00:01:02,240 --> 00:01:08,240

But I had no fear. Never did me there was no noise from the helicopter. I didn't hear and say I had no noise.

11

00:01:08,240 --> 00:01:16,240

I got out of the car and looked out and here was this enormous flying saucer I call it.

12

00:01:16,240 --> 00:01:24,240

It was approximately four times wider than the road. It could not have come down on the road if it wanted to land.

13

00:01:24,240 --> 00:01:32,240

Without flattening the light poles and the sensors on each side, I stood frozen.

14

00:01:32,240 --> 00:01:34,240

How high above he was.

15

00:01:34,240 --> 00:01:38,240

Approximately two light poles, just above the trees.

16

00:01:38,240 --> 00:01:41,240

I barely could see. No more.

17

00:01:41,240 --> 00:01:44,240

I wasn't looking at the road yet.

18

00:01:44,240 --> 00:01:49,240

I believe it's a can road. I don't know how the road is going.

19

00:01:49,240 --> 00:01:53,240

It's a right road.

20

00:01:53,240 --> 00:01:58,240

The car is roughly one hundred feet long.

21

00:01:58,240 --> 00:02:00,240

Oh, it's so good.

22

00:02:00,240 --> 00:02:02,240

But it's right now.

23

00:02:02,240 --> 00:02:03,240

It's iron.

24

00:02:03,240 --> 00:02:04,240

Yes.

25

00:02:04,240 --> 00:02:06,240

I just want to say that.

26

00:02:06,240 --> 00:02:10,240

The only noise is noise with a low hand.

27

00:02:10,240 --> 00:02:14,240

My husband told me like an electrical trans-session hand.

28

00:02:14,240 --> 00:02:17,240

No flashing, no sat.

29

00:02:17,240 --> 00:02:19,240

No flashing light.

30

00:02:19,240 --> 00:02:21,240

No windows. Nothing visible.

31

00:02:21,240 --> 00:02:24,240

It was just hovering above the tree.

32

00:02:24,240 --> 00:02:28,240

No, it was iridescent blue.

33

00:02:28,240 --> 00:02:33,240

The whole thing was glowing and the glow from it was reflecting on the road.

34

00:02:33,240 --> 00:02:36,240

It wasn't seeing a beam of light.

35

00:02:36,240 --> 00:02:41,240

It was illuminating the whole road.

36

00:02:41,240 --> 00:02:44,240

My brain was going to be lamp.

37

00:02:44,240 --> 00:02:46,240

The light was glowing.

38

00:02:46,240 --> 00:02:48,240

So was it.

39

00:02:48,240 --> 00:02:50,240

And what about, you know...

40

00:02:50,240 --> 00:02:55,240

I would say that at the riser point in the middle, it would be 20 feet high.

41

00:02:55,240 --> 00:02:58,240

What was the shape of the...

42

00:02:58,240 --> 00:03:00,240

The last nail shell.

43

00:03:00,240 --> 00:03:01,240

The last one.

44

00:03:01,240 --> 00:03:03,240

The bell shape.

45

00:03:03,240 --> 00:03:06,240

No, another leaf of the bell.

46

00:03:06,240 --> 00:03:11,240

Put two ordinary hairpots of one on top of the other and you have to shape it.

47

00:03:11,240 --> 00:03:13,240

There was no roof standing up.

48

00:03:13,240 --> 00:03:17,240

Just the slide was on top of the...

49

00:03:17,240 --> 00:03:19,240

Exactly, that's right.

50

00:03:19,240 --> 00:03:21,240

That's how I would...

51

00:03:21,240 --> 00:03:23,240

If anybody said we draw it, that's what I would draw.

52

00:03:23,240 --> 00:03:26,240

And then you have to shape it on top of the other.

53

00:03:26,240 --> 00:03:30,240

My brain was straightening at me and moved and I couldn't.

54

00:03:30,240 --> 00:03:33,240

And then I eventually get power to move.

55

00:03:33,240 --> 00:03:38,240

I got back into the car and went fast as I could possibly drive the car.

56

00:03:38,240 --> 00:03:42,240

But it followed me for eight miles between the salons and the station.

57

00:03:42,240 --> 00:03:44,240

The lights?

58

00:03:44,240 --> 00:03:45,240

Yes, they were on.

59

00:03:45,240 --> 00:03:47,240

Because they didn't know the road.

60

00:03:47,240 --> 00:03:51,240

I went back later and they explained to me that from there to where I saw it,

61

00:03:51,240 --> 00:03:54,240

to where it reached me, was approximately eight miles.

62

00:03:54,240 --> 00:04:00,240

When I got to what I call civilisation and demand, where all the lights came back on,

63

00:04:00,240 --> 00:04:02,240

it just lit.

64

00:04:02,240 --> 00:04:05,240

It didn't flurred, it went back with it.

65

00:04:05,240 --> 00:04:07,240

But it didn't flurrlle or tick.

66

00:04:07,240 --> 00:04:09,240

It just changed direction.

67

00:04:09,240 --> 00:04:12,240

And there was a stretch of light and it was gone.

68

00:04:12,240 --> 00:04:15,240

When you said it went back, did you mean it reversed?

69

00:04:15,240 --> 00:04:16,240

Reversed.

70

00:04:16,240 --> 00:04:18,240

That's right, but it didn't.

71

00:04:18,240 --> 00:04:20,240

It didn't turn.

72

00:04:20,240 --> 00:04:21,240

No.

73

00:04:21,240 --> 00:04:22,240

It just changed direction.

74

00:04:22,240 --> 00:04:24,240

It will start before it went back.

75

00:04:24,240 --> 00:04:25,240

No.

76

00:04:25,240 --> 00:04:27,240

It just changed direction.

77

00:04:27,240 --> 00:04:30,240

One minute at the Whippetow, the next second at the Garnvett,

78

00:04:30,240 --> 00:04:34,240

there was a stretch of light and then it was a star and sky at the start.

79

00:04:34,240 --> 00:04:35,240

Garnvett's light.

80

00:04:35,240 --> 00:04:36,240

Garnvett's light.

81

00:04:36,240 --> 00:04:37,240

You didn't see that in the stretch?

82

00:04:37,240 --> 00:04:43,240

I saw the stretch of light and well, I thought, well, you know, there's a star, it's gone.

83

00:04:43,240 --> 00:04:46,240

I kept on going to Drumana.

84

00:04:46,240 --> 00:04:48,240

I first got to the police station.

85

00:04:48,240 --> 00:04:50,240

No police station.

86

00:04:50,240 --> 00:04:53,240

No police in the police station at Drumana.

87

00:04:53,240 --> 00:04:54,240

In the police station.

88

00:04:54,240 --> 00:04:57,240

So I got back in my car, went on the roadside.

89

00:04:57,240 --> 00:05:01,240

We used the roadside police station, said I'd been fired at home,

90

00:05:01,240 --> 00:05:03,240

and that he'd need to go outside.

91

00:05:03,240 --> 00:05:04,240

And I said, you won't catch it.

92

00:05:04,240 --> 00:05:06,240

I think it was a fine source of it.

93

00:05:06,240 --> 00:05:08,240

And he said, oh, they'd be coming and sit down.

94

00:05:08,240 --> 00:05:11,240

You know, I think it's a total gone off.

95

00:05:11,240 --> 00:05:15,240

Well, I told you all that what I'd seen and said I wanted to make an official report.

96

00:05:15,240 --> 00:05:22,240

And he said that he was reported to the authority and to Galhain, which I think I came from.

97

00:05:22,240 --> 00:05:24,240

And he's from the husband, what I would say.

98

00:05:24,240 --> 00:05:27,240

And he made it come to the scene.

99

00:05:27,240 --> 00:05:29,240

That's all for that night.

100

00:05:29,240 --> 00:05:33,240

The next morning, I reneged at four.

101

00:05:33,240 --> 00:05:39,240

They informed me that I had probably seen some sort of phenomenon.

102

00:05:39,240 --> 00:05:45,240

And that they'd send me a questionnaire and filled in and sent back.

103

00:05:45,240 --> 00:05:46,240

Which they did.

104

00:05:46,240 --> 00:05:48,240

I filled it in.

105

00:05:48,240 --> 00:05:51,240

I might have said it was quite a difficult thing to fill in.

106

00:05:51,240 --> 00:05:56,240

I think there needs to be a national to tell you what they've, you know, how they put down.

107

00:05:56,240 --> 00:05:59,240

They don't put it through ordinary everyday people, which we are.

108

00:05:59,240 --> 00:06:03,240

You need to be a part of trying to think some of the questions.

109

00:06:03,240 --> 00:06:05,240

I tended to fill it back in.

110

00:06:05,240 --> 00:06:08,240

Yeah, I filled it back.

111

00:06:08,240 --> 00:06:11,240

And that was the first time.

112

00:06:11,240 --> 00:06:18,240

The press and timing was 22 days later on the 26th of July.

113

00:06:18,240 --> 00:06:21,240

Same time, 1972.

114

00:06:21,240 --> 00:06:25,240

Same time and approximately the same time.

115

00:06:25,240 --> 00:06:28,240

I came over the same way I was crossing.

116

00:06:28,240 --> 00:06:34,240

And I passed a man with a torching driving, leaving his cow on a road.

117

00:06:34,240 --> 00:06:38,240

We both passed the crossing at the same time.

118

00:06:38,240 --> 00:06:44,240

I got four or five hundred yards past the man when the road was up again.

119

00:06:44,240 --> 00:06:46,240

I knew what it was, just straight away.

120

00:06:46,240 --> 00:06:49,240

But we suddenly accelerated and I hurried away.

121

00:06:49,240 --> 00:06:50,240

I was a ten minute stuntman.

122

00:06:50,240 --> 00:06:51,240

I wasn't even going to get there.

123

00:06:51,240 --> 00:06:53,240

But anybody.

124

00:06:53,240 --> 00:06:59,240

I was fed over half a night going past the man in his calf.

125

00:06:59,240 --> 00:07:01,240

Completely cut off.

126

00:07:01,240 --> 00:07:04,240

I had no control of the calf at all.

127

00:07:04,240 --> 00:07:05,240

I couldn't steer it.

128

00:07:05,240 --> 00:07:07,240

I couldn't stop it.

129

00:07:07,240 --> 00:07:11,240

And even though I turned the engine key, I couldn't stand it either.

130

00:07:11,240 --> 00:07:13,240

Even you're still moving at this point.

131

00:07:13,240 --> 00:07:15,240

Gliding to a stop to the side of the road.

132

00:07:15,240 --> 00:07:17,240

You're still moving.

133

00:07:17,240 --> 00:07:19,240

No, nothing.

134

00:07:19,240 --> 00:07:21,240

Nothing was.

135

00:07:21,240 --> 00:07:24,240

I didn't have any control at all.

136

00:07:24,240 --> 00:07:26,240

I started to.

137

00:07:26,240 --> 00:07:27,240

No, I couldn't steer it.

138

00:07:27,240 --> 00:07:29,240

Well, I was steering the whole thing.

139

00:07:29,240 --> 00:07:33,240

Everything was working but not controlling the car.

140

00:07:33,240 --> 00:07:36,240

The headlight was still on on full beam.

141

00:07:36,240 --> 00:07:39,240

I drive with full beam on it because there's no street lights.

142

00:07:39,240 --> 00:07:43,240

And it just glided to a stop to the side of the road.

143

00:07:43,240 --> 00:07:45,240

And the bed on the side of the road.

144

00:07:45,240 --> 00:07:46,240

I set the test side.

145

00:07:46,240 --> 00:07:49,240

I thought, well, I'm going this time.

146

00:07:49,240 --> 00:07:56,240

This is hard to explain because what happened is like sitting in a vacuum.

147

00:07:56,240 --> 00:07:59,240

And it's hard to describe what the rest of this was like.

148

00:07:59,240 --> 00:08:02,240

There was no sound at all.

149

00:08:02,240 --> 00:08:04,240

It was like sitting in a tube.

150

00:08:04,240 --> 00:08:08,240

And that's not the only way you can describe it in a tube.

151

00:08:08,240 --> 00:08:10,240

It felt like it.

152

00:08:10,240 --> 00:08:17,240

I had to see that I was clearly being in a sound with a tube.

153

00:08:17,240 --> 00:08:19,240

Yeah, it was in a vacuum.

154

00:08:19,240 --> 00:08:21,240

It was hard to describe.

155

00:08:21,240 --> 00:08:23,240

It was in a vacuum.

156

00:08:23,240 --> 00:08:24,240

Yeah, except for the sound.

157

00:08:24,240 --> 00:08:25,240

Yeah, nothing.

158

00:08:25,240 --> 00:08:27,240

There was just no sound.

159

00:08:27,240 --> 00:08:28,240

Nothing.

160

00:08:28,240 --> 00:08:30,240

Nothing breath of air.

161

00:08:30,240 --> 00:08:33,240

It was just a really loud sound.

162

00:08:33,240 --> 00:08:40,240

I then had the feeling that I was receiving a message from this thing which was about the car.

163

00:08:40,240 --> 00:08:42,240

I could see it over the car.

164

00:08:42,240 --> 00:08:44,240

You know, right around the car.

165

00:08:44,240 --> 00:08:47,240

Now, without getting it off the back of the seat,

166

00:08:47,240 --> 00:08:50,240

the first thought was I didn't understand it.

167

00:08:50,240 --> 00:08:54,240

And I knew I was getting some sort of a message, but I couldn't understand it.

168

00:08:54,240 --> 00:08:58,240

I don't speak any foreign language, and I felt that I was receiving this message in a foreign language.

169

00:08:58,240 --> 00:08:59,240

In a foreign language?

170

00:08:59,240 --> 00:09:00,240

Yeah.

171

00:09:00,240 --> 00:09:02,240

There was no voices.

172

00:09:02,240 --> 00:09:03,240

Nothing was sound.

173

00:09:03,240 --> 00:09:08,240

Just a deadly cry.

174

00:09:08,240 --> 00:09:11,240

I was reading the message that I was getting.

175

00:09:11,240 --> 00:09:15,240

It was translated into English.

176

00:09:15,240 --> 00:09:16,240

Beautiful English.

177

00:09:16,240 --> 00:09:18,240

Not English like we speak.

178

00:09:18,240 --> 00:09:20,240

Beautifully spoken English.

179

00:09:20,240 --> 00:09:22,240

You could hear this for the MRI.

180

00:09:22,240 --> 00:09:23,240

That's right.

181

00:09:23,240 --> 00:09:24,240

Yes.

182

00:09:24,240 --> 00:09:25,240

Hear the actual words.

183

00:09:25,240 --> 00:09:26,240

Hear the words.

184

00:09:26,240 --> 00:09:29,240

Hear the words without hearing the voice.

185

00:09:29,240 --> 00:09:31,240

No voice, no sound, nothing.

186

00:09:31,240 --> 00:09:33,240

No, that level of sound, that external sound.

187

00:09:33,240 --> 00:09:36,240

But in your mind, it was just because I wasn't even speaking.

188

00:09:36,240 --> 00:09:37,240

That's right.

189

00:09:37,240 --> 00:09:41,240

And I wouldn't say that I couldn't determine whether it was male or female.

190

00:09:41,240 --> 00:09:44,240

It was just a voice.

191

00:09:44,240 --> 00:09:45,240

Speaking of message.

192

00:09:45,240 --> 00:09:48,240

First thought of the message was,

193

00:09:48,240 --> 00:09:51,240

burn your tests will be negative.

194

00:09:51,240 --> 00:09:53,240

Then there was a call.

195

00:09:53,240 --> 00:09:58,240

And it said, tell the media, do not take, we need no harm.

196

00:09:58,240 --> 00:10:02,240

Then there was a long call.

197

00:10:02,240 --> 00:10:05,240

And then it said, you now have control.

198

00:10:05,240 --> 00:10:07,240

A car slammed up.

199

00:10:07,240 --> 00:10:11,240

All right, so I still had both hands on the steering wheel.

200

00:10:11,240 --> 00:10:14,240

The blue light went out.

201

00:10:14,240 --> 00:10:17,240

And I suppose it was gone.

202

00:10:17,240 --> 00:10:22,240

I just sat on the side of the road with the car engine ticking over.

203

00:10:22,240 --> 00:10:24,240

No sound still.

204

00:10:24,240 --> 00:10:27,240

Just sitting there in the dark.

205

00:10:27,240 --> 00:10:29,240

Put the hand again.

206

00:10:29,240 --> 00:10:31,240

And off I went.

207

00:10:31,240 --> 00:10:33,240

I didn't panic like I did the first time.

208

00:10:33,240 --> 00:10:35,240

I might not get to the house with the telephone.

209

00:10:35,240 --> 00:10:37,240

I must ring the police.

210

00:10:37,240 --> 00:10:39,240

There may be some sign of this thing still a bit.

211

00:10:39,240 --> 00:10:42,240

I hope they can get here in time.

212

00:10:42,240 --> 00:10:47,240

I would say seven miles before I could find the house with the light.

213

00:10:47,240 --> 00:10:49,240

I'm close enough to the road to go in.

214

00:10:49,240 --> 00:10:52,240

But all I'm trying to say is back off the road.

215

00:10:52,240 --> 00:10:54,240

But not close enough to drive in.

216

00:10:54,240 --> 00:10:58,240

You have to go down South Street and things to get to them.

217

00:10:58,240 --> 00:11:02,240

Not these people out there and say could I come in?

218

00:11:02,240 --> 00:11:04,240

That I'd had a fright on the road.

219

00:11:04,240 --> 00:11:05,240

And could I ring the police?

220

00:11:05,240 --> 00:11:06,240

And they said no.

221

00:11:06,240 --> 00:11:08,240

They didn't have the phone off.

222

00:11:08,240 --> 00:11:13,240

So I got back into the car and went straight through to Road That Police Station

223

00:11:13,240 --> 00:11:16,240

where I'd been before.

224

00:11:16,240 --> 00:11:21,240

With great interest with, you know, not you again.

225

00:11:21,240 --> 00:11:25,240

I told them that I had a downing scene of this object.

226

00:11:25,240 --> 00:11:30,240

And that I had received a message from it and I didn't know what to do with it.

227

00:11:30,240 --> 00:11:33,240

I said I wanted to make an official report.

228

00:11:33,240 --> 00:11:36,240

I didn't want it just written down and passed off.

229

00:11:36,240 --> 00:11:39,240

But I wanted it to be official because I had seen this thing

230

00:11:39,240 --> 00:11:43,240

because I thought the people should know that it was a theft.

231

00:11:43,240 --> 00:11:47,240

Went home and tell my husband I was free again.

232

00:11:47,240 --> 00:11:50,240

So this time I rang the air force straight away.

233

00:11:50,240 --> 00:11:53,240

And he just said, I was late.

234

00:11:53,240 --> 00:11:56,240

I'll pass it on to the right authority.

235

00:11:56,240 --> 00:12:04,240

I then received a couple of days later another questionnaire to be filled in in return,

236

00:12:04,240 --> 00:12:10,240

which I think I reported it the next day, on the Wednesday,

237

00:12:10,240 --> 00:12:19,240

to Radio Station 3AW, when the TV station to last and hang up.

238

00:12:19,240 --> 00:12:23,240

I'm seeing that I've seen this report in Camelam,

239

00:12:23,240 --> 00:12:28,240

and took an interview which will be played later in the month of the week

240

00:12:28,240 --> 00:12:30,240

and the month of August.

241

00:12:30,240 --> 00:12:34,240

And that's it up to date.

242

00:12:34,240 --> 00:12:37,240

And I hope I don't see it again.

243

00:12:37,240 --> 00:12:39,240

Well, thank you very much.

244

00:12:39,240 --> 00:12:42,240

That's a very clear and coherent description of the code of love, isn't it?

245

00:12:42,240 --> 00:12:44,240

Thank you.

246

00:12:44,240 --> 00:12:49,240

Just a few questions I'd like to ask you to that one in relation to this.

247

00:12:49,240 --> 00:12:53,240

Naturally, first of all, I'd like to know,

248

00:12:53,240 --> 00:12:55,240

have you ever had any similar experiences with this?

249

00:12:55,240 --> 00:12:56,240

No, never.

250

00:12:56,240 --> 00:12:58,240

Have you been interested in new affairs before?

251

00:12:58,240 --> 00:12:59,240

No.

252

00:12:59,240 --> 00:13:00,240

Not at all?

253

00:13:00,240 --> 00:13:01,240

Not at all.

254

00:13:01,240 --> 00:13:02,240

You've never read anything about it?

255

00:13:02,240 --> 00:13:03,240

No.

256

00:13:03,240 --> 00:13:04,240

Like this.

257

00:13:04,240 --> 00:13:07,240

Have you had any psychic experiences with this?

258

00:13:07,240 --> 00:13:08,240

No.

259

00:13:08,240 --> 00:13:11,240

I'm just trying to always relate.

260

00:13:11,240 --> 00:13:17,240

And why do you think the same thing to you?

261

00:13:17,240 --> 00:13:22,240

The only reason I can get this is that I was alone on a lonely road.

262

00:13:22,240 --> 00:13:23,240

Now what else about?

263

00:13:23,240 --> 00:13:26,240

Yes, but then how do you account for something?

264

00:13:26,240 --> 00:13:27,240

Twice?

265

00:13:27,240 --> 00:13:28,240

Twenty-nine times?

266

00:13:28,240 --> 00:13:29,240

Twenty-nine times.

267

00:13:29,240 --> 00:13:31,240

And have you ever seen the same color?

268

00:13:31,240 --> 00:13:32,240

I don't know.

269

00:13:32,240 --> 00:13:34,240

I can't explain.

270

00:13:34,240 --> 00:13:37,240

And you've never had any psychic experiences?

271

00:13:37,240 --> 00:13:39,240

No, nothing at all.

272

00:13:39,240 --> 00:13:43,240

I've never been interested in fine thoughts at all.

273

00:13:43,240 --> 00:13:46,240

I like to watch the fake things on TV.

274

00:13:46,240 --> 00:13:48,240

You've had one of those especially?

275

00:13:48,240 --> 00:13:49,240

No.

276

00:13:49,240 --> 00:13:52,240

Have you ever had any psychic experiences with this?

277

00:13:52,240 --> 00:13:53,240

No.

278

00:13:53,240 --> 00:13:55,240

You've never been given to this nation?

279

00:13:55,240 --> 00:13:56,240

No.

280

00:13:56,240 --> 00:13:57,240

Have you seen it?

281

00:13:57,240 --> 00:13:58,240

No.

282

00:13:58,240 --> 00:14:02,240

Did you ever have any other experiences with this?

283

00:14:02,240 --> 00:14:03,240

No.

284

00:14:03,240 --> 00:14:09,240

I only went in the morning, but I reported it to the radio stations that was on the Talks

285

00:14:09,240 --> 00:14:10,240

That program.

286

00:14:10,240 --> 00:14:20,240

And three or four people from around on the peninsula, means say that they had seen the

287

00:14:20,240 --> 00:14:22,240

light from this object.

288

00:14:22,240 --> 00:14:28,240

One lady, you mean, said that her husband had seen the object, that he had gone inside

289

00:14:28,240 --> 00:14:32,240

the peninsula, and the time he came out of the dock.

290

00:14:32,240 --> 00:14:34,240

What time did she say the case?

291

00:14:34,240 --> 00:14:35,240

Nine, fifteen at night.

292

00:14:35,240 --> 00:14:36,240

The time?

293

00:14:36,240 --> 00:14:37,240

It was nine.

294

00:14:37,240 --> 00:14:41,240

Because I only heard the talk about programming or part of it.

295

00:14:41,240 --> 00:14:44,240

She was referring to the war in the radio station, and she had said that it was a marvellous

296

00:14:44,240 --> 00:14:45,240

event.

297

00:14:45,240 --> 00:14:46,240

I didn't think of that.

298

00:14:46,240 --> 00:14:47,240

No.

299

00:14:47,240 --> 00:14:48,240

What was it when it went?

300

00:14:48,240 --> 00:14:49,240

Losing framework.

301

00:14:49,240 --> 00:14:50,240

That's possible.

302

00:14:50,240 --> 00:14:55,240

Anyway, that's certainly the most interesting and unused experience.

303

00:14:55,240 --> 00:15:00,240

Actually, I have heard a couple of similar stories about it in America.

304

00:15:00,240 --> 00:15:03,240

One of them was in the British capital, South Sydney.

305

00:15:03,240 --> 00:15:08,240

Very similar thing happened in South Sydney, which he spent his time and sort of had to

306

00:15:08,240 --> 00:15:09,240

chew the blood.

307

00:15:09,240 --> 00:15:11,240

I think I mentioned it before.

308

00:15:11,240 --> 00:15:20,240

And the only light that was on was the illumination from this incredible light.

309

00:15:20,240 --> 00:15:21,240

That's all.

310

00:15:21,240 --> 00:15:26,240

And then you just hear a bit of blue glow.

311

00:15:26,240 --> 00:15:28,240

There was no shine.

312

00:15:28,240 --> 00:15:31,240

It was just a little bit of blue.

313

00:15:31,240 --> 00:15:34,240

It was just a little bit of blue.

314

00:15:34,240 --> 00:15:36,240

It was just a little bit of blue.

315

00:15:36,240 --> 00:15:38,240

It was just a little bit of blue.

316

00:15:38,240 --> 00:15:40,240

It was just a little bit of blue.

317

00:15:40,240 --> 00:15:42,240

It was just a little bit of blue.

318

00:15:42,240 --> 00:15:44,240

It was just a little bit of blue.

319

00:15:44,240 --> 00:15:48,240

Anyway, well, thanks very much for the time you've spent here.

320

00:15:48,240 --> 00:15:49,240

You've told us a little bit.

321

00:15:49,240 --> 00:15:51,240

I think you've done it for me a little bit.

322

00:15:51,240 --> 00:15:56,240

So you don't mind if I play this in the crime gallery or in the crime gallery?

323

00:15:56,240 --> 00:15:57,240

No, nothing.

324

00:15:57,240 --> 00:15:58,240

Thank you very much.

325

00:15:58,240 --> 00:16:02,240

Well, there's one other thing, something which I meant to mention.

326

00:16:02,240 --> 00:16:06,240

You mentioned briefly about some experience you've had in between the two crimes.

327

00:16:06,240 --> 00:16:08,240

Can you tell us a bit about that?

328

00:16:08,240 --> 00:16:16,240

On the Monday night before the second starting, which was the Monday, the 24th of July,

329

00:16:16,240 --> 00:16:21,240

I usually go to see the visitation in the hospital.

330

00:16:21,240 --> 00:16:25,240

On Monday's Wednesday and Friday, well, this week I didn't.

331

00:16:25,240 --> 00:16:29,240

I went on the Tuesday night and the Thursday night.

332

00:16:29,240 --> 00:16:35,240

On the Monday night, I was home making trades from the little daughter's doll.

333

00:16:35,240 --> 00:16:39,240

And I thought I heard someone call my name.

334

00:16:39,240 --> 00:16:41,240

I was looking at her house and someone's calling.

335

00:16:41,240 --> 00:16:44,240

And they went out into the back and there was no one there.

336

00:16:44,240 --> 00:16:46,240

And they live on the corner.

337

00:16:46,240 --> 00:16:49,240

And I thought at the time that anyone passing, you know,

338

00:16:49,240 --> 00:16:52,240

and I'd just seen voices of people passing in the street.

339

00:16:52,240 --> 00:16:54,240

I didn't give it any more thought.

340

00:16:54,240 --> 00:16:58,240

And went to bed and only 11 o'clock.

341

00:16:58,240 --> 00:17:04,240

And the whole night long, I was kept awake by this voice,

342

00:17:04,240 --> 00:17:08,240

repeatedly calling my name, Maureen, over and over again.

343

00:17:08,240 --> 00:17:11,240

All right, I hope you can explain to me how that's done.

344

00:17:11,240 --> 00:17:18,240

Just as I was back then, I was calling, Maureen, Maureen, over and over again.

345

00:17:18,240 --> 00:17:19,240

How long was it?

346

00:17:19,240 --> 00:17:20,240

All night.

347

00:17:20,240 --> 00:17:26,240

Twice I got back to see the little daughter to describe, or when she was in her bedroom,

348

00:17:26,240 --> 00:17:29,240

she was found asleep looking at the daughter.

349

00:17:29,240 --> 00:17:32,240

And there was a lady, an old lady, at the end of that block.

350

00:17:32,240 --> 00:17:37,240

And I thought she might have fallen over or she maybe sick and she was about calling me.

351

00:17:37,240 --> 00:17:41,240

And I went out into the back yard and there was nobody there either.

352

00:17:41,240 --> 00:17:42,240

There was nobody about.

353

00:17:42,240 --> 00:17:46,240

I came inside, locked up into bed, back to bed again.

354

00:17:46,240 --> 00:17:48,240

I thought long enough, didn't make any noise.

355

00:17:48,240 --> 00:17:52,240

When I got to sleep again, this was a two-year reward.

356

00:17:52,240 --> 00:17:54,240

And I was calling all night long.

357

00:17:54,240 --> 00:17:57,240

Was it inside your head or outside your head?

358

00:17:57,240 --> 00:18:00,240

I would say inside, maybe.

359

00:18:00,240 --> 00:18:01,240

Did anybody else do it?

360

00:18:01,240 --> 00:18:02,240

No.

361

00:18:02,240 --> 00:18:03,240

You can't do it?

362

00:18:03,240 --> 00:18:04,240

No.

363

00:18:04,240 --> 00:18:05,240

Yes, indeed.

364

00:18:05,240 --> 00:18:06,240

In the sleep?

365

00:18:06,240 --> 00:18:07,240

No.

366

00:18:07,240 --> 00:18:08,240

In the sleep?

367

00:18:08,240 --> 00:18:09,240

In the sound sleep.

368

00:18:09,240 --> 00:18:10,240

In the sleep?

369

00:18:10,240 --> 00:18:11,240

In the sound sleep.

370

00:18:11,240 --> 00:18:13,240

But then you had an area of meeting in your bedroom.

371

00:18:13,240 --> 00:18:14,240

That's right.

372

00:18:14,240 --> 00:18:15,240

You were having a meeting.

373

00:18:15,240 --> 00:18:16,240

You didn't hear it then either.

374

00:18:16,240 --> 00:18:17,240

I think it might have been in your mind.

375

00:18:17,240 --> 00:18:18,240

I think it might have been in your mind.

376

00:18:18,240 --> 00:18:22,240

I rang my mother early in the morning to see if she was alright.

377

00:18:22,240 --> 00:18:25,240

I thought, well, maybe there's something wrong.

378

00:18:25,240 --> 00:18:26,240

We're not getting messages.

379

00:18:26,240 --> 00:18:28,240

It's been months and she's fine.

380

00:18:28,240 --> 00:18:30,240

And she asked me why and I said,

381

00:18:30,240 --> 00:18:34,240

because I think she's got voice call and they're all night long.

382

00:18:34,240 --> 00:18:35,240

Can't explain it.

383

00:18:35,240 --> 00:18:37,240

It just happened.

384

00:18:37,240 --> 00:18:40,240

And then it was on the Tuesday morning and then on the Tuesday night,

385

00:18:40,240 --> 00:18:42,240

I had a second time.

386

00:18:42,240 --> 00:18:45,240

It was the night at the same, well, the next night.

387

00:18:45,240 --> 00:18:47,240

The next night I had to start.

388

00:18:47,240 --> 00:18:52,240

The next night I would usually have been at the hospital on my right hand.

389

00:18:52,240 --> 00:18:55,240

You can get it on the Tuesday night instead.

390

00:18:55,240 --> 00:18:57,240

First thing in the morning, just in.

391

00:18:57,240 --> 00:18:58,240

Thank you very much.
