

1

00:00:00,000 --> 00:00:08,280

During two years of thorough investigation, no evidence was found which would indicate

2

00:00:08,280 --> 00:00:14,940

that the reported flying saucers were anything but the results of natural phenomena.

3

00:00:14,940 --> 00:00:20,480

On the other hand, all the evidence indicated that the reports of unidentified flying objects

4

00:00:20,480 --> 00:00:24,320

could be accounted for under three major headings.

5

00:00:24,320 --> 00:00:28,800

One, misinterpretation of various conventional objects.

6

00:00:28,800 --> 00:00:32,960

Two, a mild form of hysteria.

7

00:00:32,960 --> 00:00:36,480

Three, or simple hoaxes.

8

00:00:36,480 --> 00:00:41,200

It has been suggested that what people actually have been seeing is the result of some of

9

00:00:41,200 --> 00:00:47,920

our own secret experiments, guided missiles or new types of planes or flying weapons.

10

00:00:47,920 --> 00:00:51,040

This is emphatically not the case.

11

00:00:51,040 --> 00:00:56,320

None of the three military departments nor any other agency and government is conducting

12

00:00:56,320 --> 00:01:02,640

experiments classified or otherwise with disc shaped flying objects which could be

13

00:01:02,640 --> 00:01:04,680

a basis for the reported phenomena.
