

1

00:00:00,000 --> 00:00:07,740

However, there have been a certain percentage of this volume of reports that have been made

2

00:00:07,740 --> 00:00:12,720

by credible observers of relatively incredible things.

3

00:00:12,720 --> 00:00:19,280

It is this group of observations that we now are attempting to resolve.

4

00:00:19,280 --> 00:00:25,280

We have, as of date, come to only one firm conclusion with respect to this remaining

5

00:00:25,280 --> 00:00:26,920

percentage.

6

00:00:26,920 --> 00:00:34,800

And that is that it does not contain any pattern of purpose or of consistency that

7

00:00:34,800 --> 00:00:38,680

we can relate to any conceivable threat to the United States.
