

1

00:00:00,000 --> 00:00:13,920

I don't think I have a copy of it, but as I recall it, that's the, in that particular

2

00:00:13,920 --> 00:00:18,520

part, the statement was sorted out of context.

3

00:00:18,520 --> 00:00:22,960

The trouble is, the government's seeing this, and I'm not quite sure who would have a copy

4

00:00:22,960 --> 00:00:25,120

of that original statement at present time.

5

00:00:25,120 --> 00:00:30,360

I'm afraid I haven't, because in my movie, I destroyed a lot of old files, and I've

6

00:00:30,360 --> 00:00:32,200

only been getting my current file.

7

00:00:32,200 --> 00:00:33,200

No, there is.

8

00:00:33,200 --> 00:00:40,840

I haven't been very much in this, in the last few years, and I wouldn't be much of an authority

9

00:00:40,840 --> 00:00:41,840

on it.

10

00:00:41,840 --> 00:00:47,840

I mean, it's been many years since I was just in such a big year, since I sat on that home,

11

00:00:47,840 --> 00:00:54,840

and I was hesitant to really purpose a piece of paper, which, to be the main piece of the

12

00:00:54,840 --> 00:00:57,840

which I've really forgotten, over at H.E.S.T.

13

00:00:57,840 --> 00:01:02,840

When I was referred, I needed to be better at getting a hold of the original piece of

14

00:01:02,840 --> 00:01:07,840

paper, but how you get a hold of it, I just don't know, because in this year, the government

15

00:01:07,840 --> 00:01:08,840

files a great deal.

16

00:01:08,840 --> 00:01:12,840

I don't think that's the reason it's one response one time.

17

00:01:12,840 --> 00:01:17,840

I don't remember it at all, but I wouldn't have said that it might not be there, because

18

00:01:17,840 --> 00:01:22,840

you know, when it's like the first thing to make a year, and you're doing it any day,

19

00:01:22,840 --> 00:01:25,840

that's not correct, but I don't remember.

20

00:01:25,840 --> 00:01:32,840

Our report is just a very simple one-page report in which we reported the results of

21

00:01:32,840 --> 00:01:37,840

quite a long deliberation, and we study all of the data that we have available at that

22

00:01:37,840 --> 00:01:38,840

time.

23

00:01:38,840 --> 00:01:39,840

Thank you.

24

00:01:39,840 --> 00:01:40,840

Thank you.

25

00:01:40,840 --> 00:01:41,840

Thank you.

26

00:01:41,840 --> 00:01:42,840

Thank you.

27

00:01:42,840 --> 00:01:43,840

Thank you.

28

00:01:43,840 --> 00:01:44,840

Thank you.

29

00:01:44,840 --> 00:01:45,840

Thank you.

30

00:01:45,840 --> 00:01:46,840

Thank you.

31

00:01:46,840 --> 00:01:47,840

Thank you.

32

00:01:47,840 --> 00:01:48,840

Thank you.

33

00:01:48,840 --> 00:01:49,840

Thank you.

34

00:01:49,840 --> 00:01:50,840

Thank you.

35

00:01:50,840 --> 00:01:51,840

Thank you.

36

00:01:51,840 --> 00:01:52,840

Thank you.

37

00:01:52,840 --> 00:01:53,840

Thank you.

38

00:01:53,840 --> 00:01:54,840

Thank you.

39

00:01:54,840 --> 00:01:55,840

Thank you.

40

00:01:55,840 --> 00:01:56,840

Thank you.

41

00:01:56,840 --> 00:01:57,840

Thank you.

42

00:01:57,840 --> 00:01:58,840

Thank you.

43

00:01:58,840 --> 00:01:59,840

Thank you.

44

00:01:59,840 --> 00:02:00,840

Thank you.

45

00:02:00,840 --> 00:02:01,840

Thank you.

46

00:02:01,840 --> 00:02:02,840

Thank you.

47

00:02:02,840 --> 00:02:03,840

Thank you.

48

00:02:03,840 --> 00:02:04,840

Thank you.

49

00:02:04,840 --> 00:02:05,840

Thank you.

50

00:02:05,840 --> 00:02:06,840

Thank you.

51

00:02:06,840 --> 00:02:07,840

Thank you.
