

1

00:00:00,000 --> 00:00:07,000

Well, the Air Force has the best brain in the country working on it.

2

00:00:07,000 --> 00:00:17,000

General Mason Trining, the Air Force Chief of Staff, says that about 90% of reports of flying saucers are pure imagination,

3

00:00:17,000 --> 00:00:25,000

but that there has been no explanation for the remaining 10% of the flying saucer shortage.

4

00:00:25,000 --> 00:00:32,000

Trining says that if there are saucers from Mars or Jupiter or some far off planet,

5

00:00:32,000 --> 00:00:36,000

and if there are things that people in the world that far ahead of us,

6

00:00:36,000 --> 00:00:40,000

who doesn't believe in even half the worry about it.
