

1

00:00:00,000 --> 00:00:18,000

I'm not identified by object, something with, we cannot identify if we hear or if we are

2

00:00:18,000 --> 00:00:19,000

doing to investigate.

3

00:00:19,000 --> 00:00:24,000

Well, does the Air Force investigate each one of these reports that comes in?

4

00:00:24,000 --> 00:00:25,000

Very right, yes.

5

00:00:25,000 --> 00:00:31,000

Off the top of your head, you're telling me about how many of these reports have come

6

00:00:31,000 --> 00:00:32,000

into the Air Force?

7

00:00:32,000 --> 00:00:33,000

Each hour is a report.

8

00:00:33,000 --> 00:00:34,000

Each hour is a report.

9

00:00:34,000 --> 00:00:35,000

How many of these have been unexplained?

10

00:00:35,000 --> 00:00:47,000

Well, in the early days of the process of due to these methods of investigating and

11

00:00:47,000 --> 00:01:00,000

the investigation, we did run as high as 20% and in 1965 they had run somewhere in the

12

00:01:00,000 --> 00:01:09,000

neighborhood of 2% and we do believe that it's more immediate data that could have been
