Mr. Godfrey recently disclosed on his network radio show an encounter he had with a UFO several years ago.

2

00:00:06,240 --> 00:00:12,000

Godfrey is an accomplished pilot and the sighting took place as he was flying his private plane from New York to Washington.

3

00:00:12,000 --> 00:00:20,240

Near Philadelphia, Godfrey and his co-pilot radioed the Federal Aviation Agency tower in the city and reported a near brush with a brilliantly lighted object.

4

00:00:20,240 --> 00:00:24,560

The tower confirmed that there was no air traffic scheduled near the area at the time.

5

00:00:24,800 --> 00:00:30,320

Godfrey reported that the object paced his plane off his right wing, circled the aircraft and came up on the left.

6

00:00:30,320 --> 00:00:35,920

He said he put his plane through several evasive maneuvers, but the UFO followed closely no matter what he did.

7

00:00:35,920 --> 00:00:39,920

It was a few minutes later that the object veered off and disappeared in the distance.

Godfrey, a reliable pilot with everything from propeller planes to Air Force jet flights behind him, is a colonel in the Air Force Reserve.
