

1

00:00:00,000 --> 00:00:07,000

Is there any idea what these unidentified blind objects are?

2

00:00:07,000 --> 00:00:08,000

Yes.

3

00:00:08,000 --> 00:00:09,000

What is that?

4

00:00:09,000 --> 00:00:10,000

Miracles.

5

00:00:10,000 --> 00:00:11,000

The human soul needs miracles.

6

00:00:11,000 --> 00:00:20,000

And in a scientific age, what is more proper than that the miracle should be scientific

7

00:00:20,000 --> 00:00:21,000

miracles.

8

00:00:21,000 --> 00:00:22,000

That's what the federax is saying.

9

00:00:22,000 --> 00:00:26,000

How they are, they are, they are, they are.

10

00:00:26,000 --> 00:00:27,000

They are miracles.

11

00:00:27,000 --> 00:00:29,000

How do I know who's miracle?

12

00:00:29,000 --> 00:00:34,000

Well, John, this is where we continue to stay alive to discuss and I think it needs better

13

00:00:34,000 --> 00:00:35,000

to be recognized.

14

00:00:35,000 --> 00:00:36,000

That's hard time.

15

00:00:36,000 --> 00:00:37,000

That's the thing.

16

00:00:37,000 --> 00:00:38,000

Thank you very much, Dr. Keller.
