

1

00:00:00,000 --> 00:00:07,000

Governor, who once saw UFO, UFO, if you were president, would you reopen the quietest UFOs?

2

00:00:07,000 --> 00:00:13,000

Well no, but I would make information that we have about those sightings available to the public and that they decide.

3

00:00:13,000 --> 00:00:15,000

I never have tried to identify.

4

00:00:15,000 --> 00:00:20,000

What I saw, it was a light in the west, it was very unique, I hadn't seen it before.

5

00:00:20,000 --> 00:00:22,000

I said, there were about 20 of us who saw it.

6

00:00:22,000 --> 00:00:25,000

None of us could figure out what it was.

7

00:00:25,000 --> 00:00:29,000

I don't think it was anything solid, it looked to me like it was a light.

8

00:00:29,000 --> 00:00:33,000

It was a very cute aberration, so I don't make quite a few people.

9

00:00:33,000 --> 00:00:37,000

You know, you say they've seen unidentified objects in the sky.

10

00:00:37,000 --> 00:00:42,000

You still have the audience that investigated UFOs, but that's been discontinued.

11

00:00:42,000 --> 00:00:43,000

Did you reopen it?

12

00:00:43,000 --> 00:00:44,000

No, not yet.
