

1

00:00:30,000 --> 00:00:40,000

Well, anyway, that was the first time I had faced not just the call for the other guys,

2

00:00:40,000 --> 00:00:45,000

but from that, and from another book about the fact that in the 50s, the first time I

3

00:00:45,000 --> 00:00:51,000

did, I had read several names of people connected with the Pentagon, the 16th-5th group of the

4

00:00:51,000 --> 00:00:57,000

Pentagon, and searched and made sure that the duties were insured to the Pentagon.

5

00:00:57,000 --> 00:01:03,000

Tonight, I'm pretty familiar with the book, and I had almost wondered what it had to do

6

00:01:03,000 --> 00:01:05,000

with the 50 years.

7

00:01:05,000 --> 00:01:11,000

And the people that you have always met, the Gays, and the very dark and the ladies, and the like,

8

00:01:11,000 --> 00:01:20,000

so, and one of the nice people that was last year, I had a picture of various pictures of people

9

00:01:20,000 --> 00:01:32,000

and I had a picture of his home address, and I was afraid that it would be written that he was alive.

10

00:01:32,000 --> 00:01:38,000

So I called on evening and I was afraid that he was going to hang out the moment I said

11

00:02:38,000 --> 00:02:48,000

Okay, I appreciate all the time that this game was going to go down.

12

00:02:48,000 --> 00:02:53,000

I did want to point out that he was very, very careful.

13

00:02:53,000 --> 00:02:58,000

He said that I involved in that interview.

14

00:02:58,000 --> 00:03:06,000

As the getting broader, he said that I remember right then that I don't want to do that.

15

00:03:06,000 --> 00:03:09,000

That's why I'm here.

16

00:03:09,000 --> 00:03:12,000

Getting to the conversation.

17

00:03:12,000 --> 00:03:14,000

It's not about a night nap.

18

00:03:14,000 --> 00:03:17,000

I remember that after this break, but I just don't do that.

19

00:03:17,000 --> 00:03:27,000

Because the interview is all in time, so that's where the conversation is all in.

20

00:03:27,000 --> 00:03:34,000

And if any of you want to take a look, I should walk up here and put a stack of papers on that to defend myself.

21

00:03:34,000 --> 00:03:42,000

Because I'm a very, very shabby person, I'm not afraid of much of these things that I do, but I'm afraid of that.

22

00:03:42,000 --> 00:03:48,000

I guess, I guess we should start with this one.

23

00:03:48,000 --> 00:03:50,000

Roger, great.

24

00:03:50,000 --> 00:03:53,000

Remember war.

25

00:03:53,000 --> 00:03:56,000

I asked myself a question.

26

00:03:56,000 --> 00:03:59,000

How did I get involved in this at any time?

27

00:03:59,000 --> 00:04:08,000

And secondly, after I said that I got involved, I thought it was really essential, but my involvement reached you there.

28

00:04:08,000 --> 00:04:17,000

And I hope to hear you with that reason for the pale of what was happening within the air for which I was in this country.

29

00:04:17,000 --> 00:04:28,000

Because when you did in 1947 and 1963, the third day, I am level.

30

00:04:28,000 --> 00:04:31,000

You know what stands as the first question?

31

00:04:31,000 --> 00:04:35,000

How did I get involved in this at any time?

32

00:04:35,000 --> 00:04:43,000

I was the two that most of you already know, from the very beginning.

33

00:04:43,000 --> 00:05:01,000

That it's either by the way of any experience that you may have had, or it was the gradual, a round-up of your personal curiosity and feeling, that finally, you've found the truth.

34

00:05:01,000 --> 00:05:07,000

I was very understanding of my very own involvement with the security involved there.

35

00:05:07,000 --> 00:05:10,000

I had to trust on it.

36

00:05:10,000 --> 00:05:19,000

And that's why I wanted to elaborate on some of the points about the Ripple side of the D-E-N-O-T, the one I saw was really air-cooled.

37

00:05:19,000 --> 00:05:26,000

Number one, there's a certain significant fact that fraud is going to the devil.

38

00:05:26,000 --> 00:05:29,000

The point that should frighten you all.

39

00:05:29,000 --> 00:05:32,000

I'm an air-noir coordinator.

40

00:05:32,000 --> 00:05:37,000

I got my degree in 1921.

41

00:05:37,000 --> 00:05:44,000

For incidentally, I had to finish this whole year on the D-C program.

42

00:05:44,000 --> 00:05:51,000

And I sure were catching it, but it qualified for the degree.

43

00:05:51,000 --> 00:05:55,000

Now, there's been the orange in more than a year.

44

00:05:55,000 --> 00:06:03,000

However, I was only 19 when I got my degree, so I was deprived of my degree and so I was a state of aid.

45

00:06:03,000 --> 00:06:08,000

And the result is, that unlike the rest of my life, I think I was just free of it.

46

00:06:08,000 --> 00:06:14,000

I would not call that a security in the summer of 1941, which is when everybody in the early years,

47

00:06:14,000 --> 00:06:17,000

was able to reserve the status of the state before then.

48

00:06:17,000 --> 00:06:22,000

Because people think that they were the only ones who got it.

49

00:06:22,000 --> 00:06:26,000

I was the next to have to work the lobby.

50

00:06:26,000 --> 00:06:29,000

And it ain't here.

51

00:06:30,000 --> 00:06:35,000

But after a long, long time after some of these visits to my court,

52

00:06:35,000 --> 00:06:38,000

they already knew that I needed my admission.

53

00:06:38,000 --> 00:06:44,000

And I didn't expect what he was going to do, because I was about to go to the D-C with my place of duty.

54

00:06:44,000 --> 00:06:51,000

After his initially bare, and it was all serious, he was driving to the D-C, and I'm not going to be in that state.

55

00:06:51,000 --> 00:06:57,000

I got registered towards the U, the thing that I thought I had to learn.

56

00:06:57,000 --> 00:07:08,000

And after six months of his visit, I was driving to the D-C, and he told me that I was starting to reserve a degree.

57

00:07:08,000 --> 00:07:13,000

This is an animation project, and you get to know me.

58

00:07:13,000 --> 00:07:16,000

Well, that didn't work too well.

59

00:07:16,000 --> 00:07:20,000

I was more of a leader in the meeting than I was in the project.

60

00:07:20,000 --> 00:07:26,000

So I never knew what it was going to be, but it was a great project to work in.

61

00:07:26,000 --> 00:07:35,000

And I was being registered there, because I felt that I was being interviewed by the Supreme Court of Justice.

62

00:07:35,000 --> 00:07:38,000

There was almost no sign that I was that kind of person.

63

00:07:38,000 --> 00:07:45,000

I was pretty entertained from the dozen students in the office of the U.S. Supreme Court.

64

00:07:46,000 --> 00:07:55,000

And by more serious, I was going to say that what I mean was that we were going to act to be a representative of the State of the United States.

65

00:07:55,000 --> 00:07:57,000

I did do that.

66

00:07:57,000 --> 00:07:59,000

I became a representative of the State of the United States.

67

00:07:59,000 --> 00:08:02,000

I started doing that, and I did it as a representative.

68

00:08:02,000 --> 00:08:07,000

And I became a representative of the State of the United States in 1984.

69

00:08:07,000 --> 00:08:12,000

I did not want to thank the elite allies during that time.

70

00:08:12,000 --> 00:08:18,000

The allies in the United States were the dozen students that I had a copy of the document before.

71

00:08:18,000 --> 00:08:26,000

I finished up a little more than I was going to do in there, and I thought I would actually do the same right here.

72

00:08:28,000 --> 00:08:32,000

And this, young children, I was still doing well.

73

00:08:32,000 --> 00:08:36,000

I was a representative of the United States.

74

00:08:36,000 --> 00:08:43,000

I was very, very concerned with the things of the state.

75

00:08:43,000 --> 00:08:51,000

And helping give the people their role in the life of the poor and the bad people that are free.

76

00:08:53,000 --> 00:08:57,000

I visited by 34 years before I was told.

77

00:08:58,000 --> 00:09:04,000

Because we had to think of the reasons that were not false and that were set about to be right.

78

00:09:04,000 --> 00:09:15,000

And we had to follow the nationalities of the women and make sure that we give the program to the women who were the leaders of the women.

79

00:09:15,000 --> 00:09:19,000

If they felt my life was a problem, I would have to do it myself.

80

00:09:20,000 --> 00:09:32,000

As I was preparing for the first to be reviewed before I thought the report started to be released, I was in correction as I told you.

81

00:09:32,000 --> 00:09:39,000

Let's write my thoughts on the new setting of my thoughts.

82

00:09:39,000 --> 00:09:41,000

So I did.

83

00:09:41,000 --> 00:09:44,000

I started to think about the future of the country.

84

00:09:44,000 --> 00:09:48,000

I think I was going to be able to use this when we were talking.

85

00:09:48,000 --> 00:09:54,000

And if I came by and so on, anyone who was a national activist, I would have to be a chief speaker.

86

00:09:54,000 --> 00:10:01,000

Because I pointed out that just as the public agreement with the government's agreement could not come to this life,

87

00:10:01,000 --> 00:10:05,000

I felt it was very attitude to the decision-making that was moving forward.

88

00:10:05,000 --> 00:10:08,000

And I told you, we needed to do that.

89

00:10:09,000 --> 00:10:17,000

One of the things that I had to demonstrate was that I was the board member that I think of when I was in the U.S.

90

00:10:17,000 --> 00:10:20,000

and he was going to be a so-called law enforcement officer.

91

00:10:20,000 --> 00:10:23,000

The law enforcement officer was the chief executive of the law enforcement force.

92

00:10:23,000 --> 00:10:25,000

He was not really the law enforcement officer.

93

00:10:25,000 --> 00:10:29,000

He was not really the law enforcement officer.

94

00:10:29,000 --> 00:10:32,000

He was the chief executive of the U.S. and he was probably more than 12 years old.

95

00:10:32,000 --> 00:10:34,000

So there, I had to end this.

96

00:10:34,000 --> 00:10:37,000

This is what I needed by a unit.

97

00:10:37,000 --> 00:10:40,000

So little did I know all these young things.

98

00:10:40,000 --> 00:10:45,000

This is about the time I was 1840 to 1847.

99

00:10:45,000 --> 00:10:51,000

I was going to have to go to the U.S. and then to Korea.

100

00:10:51,000 --> 00:10:57,000

So I signed a law that was pretty close to the North Korea Congressional Special.

101

00:10:57,000 --> 00:11:00,000

And that was what I was going to do.

102

00:11:00,000 --> 00:11:03,000

Therefore, I resolved that in the future.

103

00:11:04,000 --> 00:11:09,000

I sent an air command to say I was moving three months to the North Korea Congressional Special

104

00:11:09,000 --> 00:11:12,000

and then I was actually in charge of the project.

105

00:11:12,000 --> 00:11:16,000

He had to make a contract on Corona as a test.

106

00:11:16,000 --> 00:11:18,000

It was all in the budget.

107

00:11:18,000 --> 00:11:20,000

It was all in the budget.

108

00:11:20,000 --> 00:11:26,000

And my area of activity was the Congress of the Air of the Turkey.

109

00:11:26,000 --> 00:11:28,000

I was in Turkey.

110

00:11:29,000 --> 00:11:31,000

I was two years in Turkey.

111

00:11:31,000 --> 00:11:35,000

And again, it was the Russian deal that somebody had to reach the United States.

112

00:11:35,000 --> 00:11:38,000

But I took the air for the final.

113

00:11:38,000 --> 00:11:42,000

But I wasn't doing it more than two months.

114

00:11:42,000 --> 00:11:47,000

What it was decided was that if you found a terminal in the U.S. and had to make it to the U.S.

115

00:11:47,000 --> 00:11:49,000

and come to the United States,

116

00:11:49,000 --> 00:11:51,000

was the agreement going on.

117

00:11:51,000 --> 00:11:57,000

Therefore, I was given this entry in coming to the United States.

118

00:11:57,000 --> 00:11:59,000

And that's how it went on.

119

00:11:59,000 --> 00:12:01,000

The right thing.

120

00:12:01,000 --> 00:12:03,000

I heard about the duty,

121

00:12:03,000 --> 00:12:07,000

the incident in the NSF intelligence branch,

122

00:12:07,000 --> 00:12:10,000

was on board.

123

00:12:10,000 --> 00:12:15,000

And then on the other hand,

124

00:12:15,000 --> 00:12:18,000

as an unfortunate thing to do.

125

00:12:18,000 --> 00:12:21,000

But I think that's right.

126

00:12:21,000 --> 00:12:24,000

I didn't want to even know, however,

127

00:12:24,000 --> 00:12:26,000

that I was in Turkey.

128

00:12:26,000 --> 00:12:28,000

I was not alone in it.

129

00:12:28,000 --> 00:12:31,000

My presence here today,

130

00:12:31,000 --> 00:12:35,000

proves that I'm one of the most quiet people in the world in Turkey.

131

00:12:38,000 --> 00:12:42,000

So I was in trouble about what was going on in the United States.

132

00:12:42,000 --> 00:12:44,000

I was worried that

133

00:12:44,000 --> 00:12:50,000

even if I'd like to break this under the duty of my free 1851,

134

00:12:50,000 --> 00:12:53,000

which was number one in my Soviet Union,

135

00:12:53,000 --> 00:12:59,000

and that my 1851 in 1953 was considered my active involvement

136

00:12:59,000 --> 00:13:03,000

along with a captain in the British Navy,

137

00:13:03,000 --> 00:13:06,000

I'm sure all of you,

138

00:13:06,000 --> 00:13:08,000

you, and me,

139

00:13:08,000 --> 00:13:10,000

in Britain,

140

00:13:10,000 --> 00:13:12,000

in problems in Turkey,

141

00:13:12,000 --> 00:13:14,000

in the Turkish region.

142

00:13:14,000 --> 00:13:16,000

I'd also like to mention that

143

00:13:16,000 --> 00:13:20,000

the city of the United States is problematic.

144

00:13:20,000 --> 00:13:22,000

We were a day ahead of it.

145

00:13:22,000 --> 00:13:26,000

Our city is being sold to the ashes of all of us.

146

00:13:26,000 --> 00:13:29,000

It's a pleasure to be here today,

147

00:13:29,000 --> 00:13:31,000

but I've told you years.

148

00:13:31,000 --> 00:13:34,000

I am a time to know about my history.

149

00:13:36,000 --> 00:13:39,000

But first of all, I'm afraid I need to hear from you all.

150

00:13:43,000 --> 00:13:45,000

I'm going to repeat something,

151

00:13:45,000 --> 00:13:47,000

and so we all know about it,

152

00:13:47,000 --> 00:13:52,000

and we try to believe it's the slightest of this or that comes from Canada.

153

00:13:57,000 --> 00:13:59,000

He's fighting something.

154

00:14:00,000 --> 00:14:03,000

I don't know how he was born in there.

155

00:14:03,000 --> 00:14:06,000

He was a U.I. and a 47-year-old,

156

00:14:06,000 --> 00:14:09,000

and he was a U.S.

157

00:14:10,000 --> 00:14:14,000

And he, he's made a report

158

00:14:14,000 --> 00:14:17,000

describing what it was all about,

159

00:14:17,000 --> 00:14:20,000

and looking like a high-level citizen,

160

00:14:20,000 --> 00:14:23,000

thought this giving of order.

161

00:14:24,000 --> 00:14:26,000

That was why he thought it.

162

00:14:28,000 --> 00:14:31,000

That was the end of it, all the right.

163

00:14:33,000 --> 00:14:38,000

It was only in 1915

164

00:14:38,000 --> 00:14:41,000

when that was happening.

165

00:14:42,000 --> 00:14:44,000

It's something he's so much,

166

00:14:44,000 --> 00:14:47,000

but it's not right in the air force.

167

00:14:47,000 --> 00:14:49,000

That's all there is to it,

168

00:14:49,000 --> 00:14:52,000

whether it was a police or a prosecutor's air force,

169

00:14:52,000 --> 00:14:54,000

but we have been going,

170

00:14:54,000 --> 00:14:57,000

and we've been working around

171

00:14:57,000 --> 00:15:00,000

reparing for every crime I've done,

172

00:15:00,000 --> 00:15:03,000

or any air force that has ever done for me,

173

00:15:03,000 --> 00:15:05,000

fly off.

174

00:15:06,000 --> 00:15:09,000

But the end result is what he finally did

175

00:15:09,000 --> 00:15:11,000

and what he was able to do.

176

00:15:11,000 --> 00:15:13,000

The actual mission was to get the video

177

00:15:13,000 --> 00:15:15,000

of your son and your daughter,

178

00:15:15,000 --> 00:15:18,000

who were human, unidentified by God.

179

00:15:18,000 --> 00:15:20,000

He was like the American pilot

180

00:15:20,000 --> 00:15:23,000

who didn't even think he'd be able to return to the past.

181

00:15:23,000 --> 00:15:26,000

His life was thought to be an interesting crime.

182

00:15:26,000 --> 00:15:28,000

It was like, how does it look?

183

00:15:28,000 --> 00:15:30,000

What was going on?

184

00:15:31,000 --> 00:15:33,000

Let me begin, Harold, by

185

00:15:33,000 --> 00:15:35,000

turning the court tree

186

00:15:35,000 --> 00:15:37,000

what he had started with the law

187

00:15:37,000 --> 00:15:40,000

that he had started in the last few years.

188

00:15:44,000 --> 00:15:47,000

Remember, the mission of the air force

189

00:15:47,000 --> 00:15:49,000

is one of the pretexting

190

00:15:49,000 --> 00:15:52,000

the integrity of the air force in the United States.

191

00:15:54,000 --> 00:15:58,000

The one priority goal is to be determined

192

00:15:58,000 --> 00:16:02,000

what anything is as far as public

193

00:16:03,000 --> 00:16:06,000

and what the air force is doing.

194

00:16:06,000 --> 00:16:09,000

Determining what it is to finally arrive

195

00:16:09,000 --> 00:16:11,000

and to describe what it is that is proceeding

196

00:16:11,000 --> 00:16:13,000

in the United States.

197

00:16:13,000 --> 00:16:15,000

And to reach the report of the people that are

198

00:16:15,000 --> 00:16:17,000

trying to get into the field of air force

199

00:16:17,000 --> 00:16:18,000

is the obvious,

200

00:16:18,000 --> 00:16:21,000

the fact that it is an air force.

201

00:16:23,000 --> 00:16:25,000

I think this is a part of the story

202

00:16:25,000 --> 00:16:28,000

of the air force that was in line

203

00:16:28,000 --> 00:16:31,000

in all of the air force.

204

00:16:31,000 --> 00:16:34,000

For instance, the Captain was in charge

205

00:16:34,000 --> 00:16:36,000

and before he leaves the military

206

00:16:36,000 --> 00:16:38,000

I would give this opportunity to the law

207

00:16:38,000 --> 00:16:40,000

that he was about to hold to the law

208

00:16:40,000 --> 00:16:42,000

and this is what I think is reason why

209

00:16:42,000 --> 00:16:45,000

this doesn't work and happens.

210

00:16:45,000 --> 00:16:48,000

But in terms of the law in the world of air force

211

00:16:48,000 --> 00:16:50,000

they bring hand to hand the leadership

212

00:16:50,000 --> 00:16:52,000

of the party that was in line

213

00:16:52,000 --> 00:16:55,000

and that's what the mission of the law is to be able

214

00:16:55,000 --> 00:16:57,000

to show their own race.

215

00:16:58,000 --> 00:17:01,000

Therefore taking a second seat

216

00:17:01,000 --> 00:17:04,000

was a thing that was not to be identified

217

00:17:04,000 --> 00:17:07,000

and he said that if it was death

218

00:17:07,000 --> 00:17:09,000

we weren't to be trapped.

219

00:17:09,000 --> 00:17:12,000

But as long as there is no evidence

220

00:17:12,000 --> 00:17:16,000

whatsoever that he is saying it is a fact

221

00:17:16,000 --> 00:17:18,000

that it is self-possessing that is opposing

222

00:17:18,000 --> 00:17:20,000

the other things.

223

00:17:20,000 --> 00:17:22,000

Then there is this very question

224

00:17:22,000 --> 00:17:24,000

that he can do to be trapped.

225

00:17:24,000 --> 00:17:26,000

He can say with me that there are

226

00:17:26,000 --> 00:17:29,000

many other things that he knows

227

00:17:29,000 --> 00:17:31,000

could be that he is teaching

228

00:17:31,000 --> 00:17:35,000

possible possibility

229

00:17:35,000 --> 00:17:38,000

that he can't do to save his life.

230

00:17:39,000 --> 00:17:41,000

He holds this in mind.

231

00:17:41,000 --> 00:17:44,000

He also reminds the back of the air force

232

00:17:44,000 --> 00:17:48,000

and the police are of very exciting

233

00:17:48,000 --> 00:17:51,000

people, very different backgrounds,

234

00:17:51,000 --> 00:17:53,000

very different missions, very different missions

235

00:17:53,000 --> 00:17:55,000

just as we, as we from

236

00:17:55,000 --> 00:17:59,000

or any other general thought of it.

237

00:18:01,000 --> 00:18:03,000

And that's the way he's getting prepared

238

00:18:03,000 --> 00:18:05,000

that he's not in the precise

239

00:18:05,000 --> 00:18:07,000

and precise as we do in the

240

00:18:07,000 --> 00:18:09,000

storm of the air force decision.

241

00:18:10,000 --> 00:18:13,000

Then he gets into the team

242

00:18:13,000 --> 00:18:16,000

and he stands and he goes in.

243

00:18:17,000 --> 00:18:19,000

Then that he follows

244

00:18:19,000 --> 00:18:21,000

the impact of the political events.

245

00:18:21,000 --> 00:18:23,000

However, he is mainly given

246

00:18:23,000 --> 00:18:25,000

the opportunity to really develop

247

00:18:25,000 --> 00:18:28,000

through the 90 years of this.

248

00:18:29,000 --> 00:18:31,000

He depends on how much substance

249

00:18:31,000 --> 00:18:33,000

he can bring to the air that I'm into.

250

00:18:35,000 --> 00:18:37,000

These are the things that are going on.

251

00:18:37,000 --> 00:18:40,000

That makes the fear so heavy, so confusing

252

00:18:40,000 --> 00:18:42,000

that he had a force that made one

253

00:18:42,000 --> 00:18:44,000

reason why it was covered up

254

00:18:44,000 --> 00:18:46,000

and in the other reason why

255

00:18:46,000 --> 00:18:49,000

it was this important, stupid,

256

00:18:49,000 --> 00:18:52,000

dangerous, and perhaps

257

00:18:52,000 --> 00:18:54,000

a more exciting reason

258

00:18:54,000 --> 00:18:56,000

of these levels of cruelty

259

00:18:56,000 --> 00:18:58,000

in a lot of actions.

260

00:18:58,000 --> 00:19:00,000

That's how bad it was.

261

00:19:08,000 --> 00:19:10,000

There was a big idea

262

00:19:10,000 --> 00:19:12,000

that came to the loop of a black

263

00:19:12,000 --> 00:19:14,000

political event in the

264

00:19:14,000 --> 00:19:16,000

North of Washington.

265

00:19:16,000 --> 00:19:18,000

I know you're not at all

266

00:19:18,000 --> 00:19:20,000

pasti that there's going to be

267

00:19:20,000 --> 00:19:22,000

these conversations with

268

00:19:23,000 --> 00:19:43,000

black mass gue gangster

269

00:20:43,000 --> 00:20:47,000

That's the peak of the hill in the district.

270

00:20:47,000 --> 00:20:50,000

There, I think, here was the governor of the party.

271

00:20:50,000 --> 00:20:54,000

I was there to add more questions, and just to take a look at my story,

272

00:20:54,000 --> 00:20:58,000

but putting it off my head, that's why I'm trying to make a big one,

273

00:20:58,000 --> 00:21:01,000

and I'm very civilized with it.

274

00:21:05,000 --> 00:21:10,000

I'd like to be ready to use this, uh, to be telling you

275

00:21:10,000 --> 00:21:14,000

of the so-called black people in that era.

276

00:21:14,000 --> 00:21:17,000

But I am going to go through the restoration of that area,

277

00:21:17,000 --> 00:21:19,000

and I expect those who can,

278

00:21:19,000 --> 00:21:22,000

that can help me to find a way to do this.

279

00:21:22,000 --> 00:21:24,000

Rovers in the region,

280

00:21:24,000 --> 00:21:27,000

and the district, and the people of the whole South Bank,

281

00:21:27,000 --> 00:21:31,000

that make the fair, and the United States, where they're solid.

282

00:21:33,000 --> 00:21:35,000

And among these, I'm going to go to the center.

283

00:21:35,000 --> 00:21:39,000

There are a lot of American-owned Americans in South America.

284

00:21:39,000 --> 00:21:45,000

And, I think, one is, I am convinced that this day,

285

00:21:45,000 --> 00:21:49,000

we're nothing more than only, I guess, a lot of Americans,

286

00:21:49,000 --> 00:21:51,000

and it is a lot of, I guess, a lot of Americans,

287

00:21:51,000 --> 00:21:54,000

that are nothing more than Americans.

288

00:21:58,000 --> 00:22:01,000

But what would we try with you?

289

00:22:02,000 --> 00:22:07,000

Well, I would say, I was talking about the area of,

290

00:22:07,000 --> 00:22:11,000

another black man, I would say,

291

00:22:11,000 --> 00:22:14,000

what would be trying to determine

292

00:22:14,000 --> 00:22:17,000

all these people that we got,

293

00:22:17,000 --> 00:22:21,000

whether there was only the indication whatsoever

294

00:22:21,000 --> 00:22:25,000

of any threat to the American security in the United States.

295

00:22:26,000 --> 00:22:28,000

And you still hear this?

296

00:22:33,000 --> 00:22:35,000

Now, I don't even know about this,

297

00:22:35,000 --> 00:22:37,000

but I think that's a little tough.

298

00:22:37,000 --> 00:22:40,000

The Wilburys line, somebody's got a,

299

00:22:40,000 --> 00:22:44,000

you can't even hear it, you want to charge a resume charge,

300

00:22:44,000 --> 00:22:47,000

or a farming and air freight,

301

00:22:47,000 --> 00:22:50,000

and you have to send a certificate to the city to catch,

302

00:22:51,000 --> 00:22:56,000

or you have to handle these things,

303

00:22:56,000 --> 00:22:59,000

crack, like it, that's it,

304

00:22:59,000 --> 00:23:02,000

you have to have a quarter of the hardware,

305

00:23:02,000 --> 00:23:03,000

that's on examination,

306

00:23:03,000 --> 00:23:07,000

we need to include that there is an officer in it at all.

307

00:23:10,000 --> 00:23:15,000

I am the equalizer for the security of the American.

308

00:23:15,000 --> 00:23:17,000

I believe you are the reason

309

00:23:17,000 --> 00:23:20,000

that we realize that there was a threat

310

00:23:20,000 --> 00:23:23,000

in the security of the United States

311

00:23:23,000 --> 00:23:25,000

during the American invasion.

312

00:23:25,000 --> 00:23:27,000

We have control of the problem.

313

00:23:27,000 --> 00:23:29,000

We have control of the wall height

314

00:23:29,000 --> 00:23:31,000

before the British government.

315

00:23:32,000 --> 00:23:34,000

And so what we are concerned is

316

00:23:34,000 --> 00:23:37,000

the misrepresentation

317

00:23:37,000 --> 00:23:39,000

of the weapons

318

00:23:40,000 --> 00:23:43,000

that's on threat to the American government

319

00:23:43,000 --> 00:23:45,000

and the post-war heat.

320

00:23:48,000 --> 00:23:50,000

We have a franchise

321

00:23:50,000 --> 00:23:52,000

that is to be visited.

322

00:23:53,000 --> 00:23:55,000

We have whole circle of money

323

00:23:55,000 --> 00:23:57,000

on the stock

324

00:23:57,000 --> 00:23:59,000

but at least the average person

325

00:23:59,000 --> 00:24:00,000

does not agree

326

00:24:00,000 --> 00:24:02,000

if I think it's not a crime to see

327

00:24:02,000 --> 00:24:05,000

what the war that's been in the United States

328

00:24:05,000 --> 00:24:07,000

is going to be.

329

00:24:10,000 --> 00:24:14,000

And, well, we're an information man.

330

00:24:16,000 --> 00:24:18,000

How do we know about it?

331

00:24:19,000 --> 00:24:22,000

Because every time we're reporting

332

00:24:22,000 --> 00:24:24,000

that there's a military coming in by radio

333

00:24:24,000 --> 00:24:27,000

or by other fast-eating communications,

334

00:24:29,000 --> 00:24:31,000

somebody has gotten an information from the military

335

00:24:31,000 --> 00:24:33,000

I don't know.

336

00:24:34,000 --> 00:24:36,000

All the time that there's been reports

337

00:24:36,000 --> 00:24:38,000

of the U.S. military

338

00:24:38,000 --> 00:24:40,000

that the American military

339

00:24:40,000 --> 00:24:42,000

was evacuated from the United States.

340

00:24:42,000 --> 00:24:44,000

So was there a real cattle

341

00:24:44,000 --> 00:24:47,000

that was put by a carry dog?

342

00:24:47,000 --> 00:24:49,000

Someone has to make it a doubt.

343

00:24:49,000 --> 00:24:52,000

It's the fact that he is an anti-catholic.

344

00:24:52,000 --> 00:24:54,000

And we can use it for this matter

345

00:24:54,000 --> 00:24:56,000

as possible, as possible.

346

00:24:56,000 --> 00:24:58,000

Even though companies over the United States

347

00:24:58,000 --> 00:25:00,000

have a genocide.

348

00:25:01,000 --> 00:25:04,000

This is a matter of the operation.

349

00:25:04,000 --> 00:25:06,000

Secondly,

350

00:25:06,000 --> 00:25:09,000

we are looking at a bunch of unknowns

351

00:25:09,000 --> 00:25:11,000

over a long period of time.

352

00:25:11,000 --> 00:25:15,000

Can we condone what's in the oil?

353

00:25:15,000 --> 00:25:18,000

Or is it some better information

354

00:25:18,000 --> 00:25:20,000

than what's in our likeness?

355

00:25:20,000 --> 00:25:22,000

That doesn't mean

356

00:25:22,000 --> 00:25:25,000

that you would expect to save the American project.

357

00:25:25,000 --> 00:25:27,000

Somebody has proved it.

358

00:25:27,000 --> 00:25:29,000

Somebody has proved it.

359

00:25:33,000 --> 00:25:35,000

But he's not mad at me.

360

00:25:35,000 --> 00:25:37,000

This is a question for the reason

361

00:25:37,000 --> 00:25:39,000

why I don't hear it yet.

362

00:25:41,000 --> 00:25:43,000

The original project was

363

00:25:43,000 --> 00:25:45,000

to be in place at the beginning of the summer.

364

00:25:47,000 --> 00:25:49,000

It actually was done

365

00:25:49,000 --> 00:25:51,000

for all the time that the military was in place

366

00:25:51,000 --> 00:25:53,000

in the United States.

367

00:25:53,000 --> 00:25:55,000

The military was in the middle of the year.

368

00:25:57,000 --> 00:26:01,000

It was about 40 years later.

369

00:26:03,000 --> 00:26:05,000

The next one was the situation

370

00:26:05,000 --> 00:26:07,000

when the military was prepared

371

00:26:07,000 --> 00:26:09,000

to occupy at least two homes

372

00:26:09,000 --> 00:26:11,000

in the former project.

373

00:26:11,000 --> 00:26:15,000

I had an attack on the death of my father

374

00:26:15,000 --> 00:26:18,000

about his father's mother.

375

00:26:19,000 --> 00:26:22,000

And many of you have heard

376

00:26:22,000 --> 00:26:24,000

that when they concluded this assessment

377

00:26:24,000 --> 00:26:26,000

that these were indeed

378

00:26:26,000 --> 00:26:29,000

of actual interaction with our enemies.

379

00:26:30,000 --> 00:26:33,000

In the phase of the 200-hours

380

00:26:34,000 --> 00:26:37,000

of the stormy vacuum,

381

00:26:38,000 --> 00:26:40,000

something like the

382

00:26:40,000 --> 00:26:42,000

fully-exaggerated voice

383

00:26:42,000 --> 00:26:44,000

of the Governor Grader

384

00:26:44,000 --> 00:26:47,000

and to the subject of the type of the vacuum

385

00:26:47,000 --> 00:26:49,000

that the investigation

386

00:26:49,000 --> 00:26:51,000

has been produced for our important debate.

387

00:26:53,000 --> 00:26:55,000

Even though I never had any serious logic,

388

00:26:55,000 --> 00:26:57,000

I was used

389

00:26:57,000 --> 00:27:00,000

for my interest in the next election.

390

00:27:02,000 --> 00:27:04,000

That the more unnecessary

391

00:27:04,000 --> 00:27:05,000

and missed

392

00:27:05,000 --> 00:27:07,000

that this was the answer.

393

00:27:08,000 --> 00:27:10,000

But what they wanted to do

394

00:27:10,000 --> 00:27:12,000

was to shake the tree pretty good

395

00:27:12,000 --> 00:27:14,000

and see if it could require

396

00:27:14,000 --> 00:27:16,000

some degree of respect to those in the air

397

00:27:16,000 --> 00:27:18,000

that they had to leave that room.

398

00:27:18,000 --> 00:27:20,000

I therefore advised

399

00:27:20,000 --> 00:27:22,000

to take with extreme caution

400

00:27:23,000 --> 00:27:25,000

anybody who's pointing to the fact

401

00:27:25,000 --> 00:27:28,000

that this was the original air force target

402

00:27:28,000 --> 00:27:31,000

and say that was the answer.

403

00:27:31,000 --> 00:27:34,000

I can say it's used in the assessment

404

00:27:34,000 --> 00:27:36,000

that the project that it was not.

405

00:27:36,000 --> 00:27:39,000

This was not the official air force including

406

00:27:39,000 --> 00:27:42,000

and that only was the air force.

407

00:27:47,000 --> 00:27:50,000

Let me take off the people

408

00:27:50,000 --> 00:27:52,000

or the highlights

409

00:27:52,000 --> 00:27:55,000

of the experience in my time.

410

00:27:59,000 --> 00:28:02,000

I'm getting a little bit of a hand-button regret.

411

00:28:03,000 --> 00:28:05,000

Project Science Holders

412

00:28:05,000 --> 00:28:07,000

includes all of our current policies

413

00:28:07,000 --> 00:28:09,000

that were left by Project Christmas

414

00:28:09,000 --> 00:28:11,000

and to be part of all of our activities

415

00:28:11,000 --> 00:28:13,000

in Mexico.

416

00:28:13,000 --> 00:28:15,000

349

417

00:28:15,000 --> 00:28:17,000

or 249

418

00:28:17,000 --> 00:28:19,000

349

419

00:28:19,000 --> 00:28:21,000

and there's a

420

00:28:21,000 --> 00:28:23,000

Project in front of us

421

00:28:23,000 --> 00:28:25,000

of the great justice.

422

00:28:25,000 --> 00:28:27,000

You might be far from the name

423

00:28:27,000 --> 00:28:29,000

of that project

424

00:28:29,000 --> 00:28:31,000

that it was just a

425

00:28:31,000 --> 00:28:33,000

I think that you need to be

426

00:28:33,000 --> 00:28:35,000

self-conflict

427

00:28:35,000 --> 00:28:37,000

considering that you were

428

00:28:37,000 --> 00:28:39,000

to be part of the agreement.

429

00:28:40,000 --> 00:28:42,000

It had to be this way.

430

00:28:43,000 --> 00:28:45,000

But the assessment

431

00:28:45,000 --> 00:28:47,000

for our people

432

00:28:47,000 --> 00:28:49,000

were trying to

433

00:28:49,000 --> 00:28:51,000

find the real thing.

434

00:28:52,000 --> 00:28:54,000

You pretend

435

00:28:54,000 --> 00:28:56,000

that it never existed

436

00:28:56,000 --> 00:28:58,000

and you clam up and don't tell the public

437

00:28:58,000 --> 00:29:00,000

anything that I don't explain

438

00:29:00,000 --> 00:29:02,000

and there's nothing to it.

439

00:29:02,000 --> 00:29:04,000

Then you protect yourself

440

00:29:04,000 --> 00:29:06,000

and you just watch the difference

441

00:29:06,000 --> 00:29:08,000

with the law.

442

00:29:08,000 --> 00:29:10,000

You pretend you're going to turn around

443

00:29:10,000 --> 00:29:12,000

and you're letting people know.

444

00:29:12,000 --> 00:29:14,000

I'm going to say that

445

00:29:14,000 --> 00:29:16,000

I think I was the first

446

00:29:16,000 --> 00:29:18,000

to get around all the way

447

00:29:18,000 --> 00:29:20,000

into the government.

448

00:29:20,000 --> 00:29:22,000

I think it was one of the first

449

00:29:22,000 --> 00:29:24,000

organizations we used to be by and by.

450

00:29:26,000 --> 00:29:28,000

But one of the things

451

00:29:28,000 --> 00:29:30,000

that happened to us

452

00:29:30,000 --> 00:29:32,000

of course was the few stages

453

00:29:32,000 --> 00:29:34,000

that I've already mentioned

454

00:29:34,000 --> 00:29:36,000

that I'm going to say

455

00:29:36,000 --> 00:29:38,000

that was the beginning of very

456

00:29:38,000 --> 00:29:40,000

shortfall.

457

00:29:40,000 --> 00:29:42,000

If that happened

458

00:29:42,000 --> 00:29:44,000

and I would have been

459

00:29:44,000 --> 00:29:46,000

that other ideas

460

00:29:46,000 --> 00:29:48,000

would have been

461

00:29:48,000 --> 00:29:50,000

that other issues

462

00:29:50,000 --> 00:29:52,000

could be

463

00:29:54,000 --> 00:29:56,000

■■■■hed

464

00:29:59,000 --> 00:30:02,000

or were non-compliant

465

00:30:02,000 --> 00:30:04,000

in difficult areas

466

00:30:34,000 --> 00:30:40,000

One, it was September 64, 14, last year.

467

00:30:40,000 --> 00:30:42,000

I'd like to begin.

468

00:30:42,000 --> 00:30:46,000

I'm not just inviting you to do anything that you were curious about,

469

00:30:46,000 --> 00:30:50,000

but I want you to do a lot of research and investigation into that.

470

00:30:50,000 --> 00:30:54,000

I want you to make the need and the fact that it's the same as

471

00:30:54,000 --> 00:30:59,000

all of the considerable do-or-mots that have been found out right here.

472

00:30:59,000 --> 00:31:06,000

I'd like to like all of you to just have this 1964 radio-ov-lite

473

00:31:06,000 --> 00:31:10,000

technically-increasing professional product.

474

00:31:10,000 --> 00:31:18,000

And it's the actually, the amateur photographer who's done the work.

475

00:31:18,000 --> 00:31:21,000

And he's done it, he's done it all now.

476

00:31:21,000 --> 00:31:23,000

14, 19.

477

00:31:24,000 --> 00:31:29,000

Well, I'm Aaron Grover, and today I'm going to introduce you to what I just heard

478

00:31:29,000 --> 00:31:32,000

on the bottom of this child's video.

479

00:31:32,000 --> 00:31:35,000

I'm going to say that he's with me today on air pilot.

480

00:31:35,000 --> 00:31:39,000

That is important, that is.

481

00:31:41,000 --> 00:31:46,000

Outstanding and well-liked, therefore, is the fact that he's reporting.

482

00:31:46,000 --> 00:31:52,000

State is an age-less meatier, boring, aggressive.

483

00:31:52,000 --> 00:31:57,000

This is a late-night-night, he's low-tempo.

484

00:31:57,000 --> 00:32:01,000

Oh, he's low-tempo, and right-tempo, he's looking for photographs

485

00:32:01,000 --> 00:32:04,000

and a background of his profession,

486

00:32:04,000 --> 00:32:07,000

ripping out his influence with that stuff.

487

00:32:07,000 --> 00:32:12,000

We were looking for, before his airborne observations,

488

00:32:12,000 --> 00:32:16,000

where the objects were being low, and therefore,

489

00:32:16,000 --> 00:32:21,000

we could determine the maximum of a serious delay.

490

00:32:21,000 --> 00:32:24,000

And then it was in the classroom.

491

00:32:26,000 --> 00:32:32,000

The two Washington National Airborne and the Canada Fire Redarm,

492

00:32:32,000 --> 00:32:40,000

43 days, and some of the technical-reasoned airborne observations

493

00:32:40,000 --> 00:32:43,000

by a second-world pilot.

494

00:32:43,000 --> 00:32:47,000

The first chapter is in place on the night of July 19th,

495

00:32:47,000 --> 00:32:51,000

and the second chapter is in the studio.

496

00:32:51,000 --> 00:32:54,000

Through unfortunate circumstances,

497

00:32:54,000 --> 00:32:59,000

the airborne was not only a part of the airborne next day,

498

00:32:59,000 --> 00:33:03,000

but on the following day, one week later,

499

00:33:03,000 --> 00:33:05,000

I was on the fly.

500

00:33:05,000 --> 00:33:07,000

I was in the airborne cell,

501

00:33:07,000 --> 00:33:09,000

with an evil lieutenant,

502

00:33:09,000 --> 00:33:13,000

who had had to be killed by the airborne next week.

503

00:33:13,000 --> 00:33:15,000

Nobody was holding him to the freedom

504

00:33:15,000 --> 00:33:19,000

when he was in the second chapter of the war in the United States.

505

00:33:19,000 --> 00:33:21,000

Again, I'm not immediately sure

506

00:33:21,000 --> 00:33:24,000

that's the value of his speculation or anything else.

507

00:33:24,000 --> 00:33:29,000

I'm very sure that some of the music efforts in the studio

508

00:33:29,000 --> 00:33:32,000

are not the same as what he might have been made

509

00:33:32,000 --> 00:33:35,000

in the National Airborne.

510

00:33:36,000 --> 00:33:42,000

The dream model, he told on the other end of the version,

511

00:33:42,000 --> 00:33:47,000

was a surprise idea, 100%

512

00:33:50,000 --> 00:33:53,000

This piece was taken a little later,

513

00:33:53,000 --> 00:33:56,000

taken by Chief of the College of Strings,

514

00:33:56,000 --> 00:34:01,000

a non-bottle action military student,

515

00:34:01,000 --> 00:34:06,000

who was found in the family of Joe of California,

516

00:34:06,000 --> 00:34:08,000

who he's done.

517

00:34:09,000 --> 00:34:14,000

As a matter of fact, nobody has ever been able to land

518

00:34:14,000 --> 00:34:17,000

on the ground in the United States,

519

00:34:17,000 --> 00:34:19,000

on the streets of the United States.

520

00:34:19,000 --> 00:34:23,000

I don't think it's an observation that he's searching for

521

00:34:23,000 --> 00:34:25,000

and why he's still on the ground.

522

00:34:25,000 --> 00:34:27,000

I'm not sure.

523

00:34:29,000 --> 00:34:32,000

He's not even off the streets until I have

524

00:34:32,000 --> 00:34:35,000

more than one person reported to another state

525

00:34:35,000 --> 00:34:37,000

about him.

526

00:34:37,000 --> 00:34:40,000

I don't think I have the same camera as that.

527

00:34:40,000 --> 00:34:42,000

I don't think he's on the ground here

528

00:34:42,000 --> 00:34:45,000

or the Chicago State, who has a little old cat

529

00:34:45,000 --> 00:34:47,000

that's been on the street for a week.

530

00:34:47,000 --> 00:34:49,000

I think that he has a little cat.

531

00:34:52,000 --> 00:34:54,000

So where's the general?

532

00:34:54,000 --> 00:34:57,000

Where's the general?

533

00:34:57,000 --> 00:34:59,000

Where's the general?

534

00:34:59,000 --> 00:35:02,000

Some hall numbers, you can look up right now.

535

00:35:02,000 --> 00:35:04,000

We have a person who has a minute to his

536

00:35:04,000 --> 00:35:08,000

a few years ago, in the second city.

537

00:35:08,000 --> 00:35:11,000

The room is from a great call from the

538

00:35:11,000 --> 00:35:13,000

Manhattan State Department.

539

00:35:17,000 --> 00:35:20,000

We were able to obtain three of these

540

00:35:20,000 --> 00:35:24,000

and have them live in the general community.

541

00:35:26,000 --> 00:35:29,000

Now, I would like to relate to another person.

542

00:35:29,000 --> 00:35:32,000

She's a young user of our school day group

543

00:35:32,000 --> 00:35:33,000

who built this building and helped us

544

00:35:33,000 --> 00:35:35,680

to solve the problem.

545

00:35:36,000 --> 00:35:39,000

She's sitting in the corner of the building.

546

00:35:43,000 --> 00:35:46,000

The agreement is cancelled,

547

00:35:46,000 --> 00:35:47,800

but a photo everyone isidade were

548

00:35:47,800 --> 00:35:49,000

not buying,WW for a settlement.

549

00:36:19,000 --> 00:36:23,000

We all did get it, but that's a prank.

550

00:36:23,000 --> 00:36:28,000

And he ended his life by doing it so badly.

551

00:36:28,000 --> 00:36:33,000

And he is an original hero that has been recruited.

552

00:36:33,000 --> 00:36:39,000

Marcus, a hero that has been recruited, has still won an even 8,000 share back.

553

00:36:39,000 --> 00:36:43,000

This is kind of a deep rocket.

554

00:36:44,000 --> 00:36:47,000

But we got it.

555

00:36:47,000 --> 00:36:51,000

We finally convinced the American that we were only up to nothing.

556

00:36:51,000 --> 00:36:57,000

We were the only characters that offered to win the internet.

557

00:36:57,000 --> 00:36:59,000

I thought, boy, it's alright.

558

00:36:59,000 --> 00:37:02,000

That I think anyone who has ever been a superhero in the day,

559

00:37:02,000 --> 00:37:05,000

who would say that he's got an opportunity here,

560

00:37:05,000 --> 00:37:08,000

will definitely be a hero.

561

00:37:08,000 --> 00:37:17,000

Well, all of these things were happening in the modern acting character of the Jarvis Memorial.

562

00:37:17,000 --> 00:37:21,000

But they're not the same story.

563

00:37:21,000 --> 00:37:29,000

I guess the new part of the story is not so much an act of a dead self-inheritance,

564

00:37:29,000 --> 00:37:37,000

a state of war, but it's a philosophy to be invited to take a step back.

565

00:37:37,000 --> 00:37:42,000

I'm not going to say that perhaps this is what you need to read or hear.

566

00:37:42,000 --> 00:37:48,000

What is the story of the American hero?

567

00:37:48,000 --> 00:37:56,000

I've already replied what I think was the story of the presentation.

568

00:37:56,000 --> 00:38:06,000

I'm going to give you a backdrop of what you could do as a superhero.

569

00:38:06,000 --> 00:38:09,000

There's war on some of this and that,

570

00:38:09,000 --> 00:38:17,000

but there's other things that could have been happening.

571

00:38:17,000 --> 00:38:24,000

I wonder who the worst is in this, not the real or the bad of it.

572

00:38:24,000 --> 00:38:28,000

Let's just say you're talking to Rowling.

573

00:38:28,000 --> 00:38:34,000

Thanks for all this, he's living through it.

574

00:38:34,000 --> 00:38:38,000

The same thing is true of every actor for the most part,

575

00:38:38,000 --> 00:38:45,000

being a core general on a regular basis.

576

00:38:45,000 --> 00:38:49,000

Each one of us is limited in his background,

577

00:38:49,000 --> 00:38:55,000

each one of us is present in one way or another,

578

00:38:55,000 --> 00:38:58,000

through our great dreams and sub-spaces,

579

00:38:58,000 --> 00:39:00,000

through our great dreams and sub-spaces,

580

00:39:00,000 --> 00:39:06,000

or through any subject that is not really out there.

581

00:39:06,000 --> 00:39:11,000

We have a number that's not really out there.

582

00:39:11,000 --> 00:39:17,000

And to that, the fact that the military is in all these countries

583

00:39:17,000 --> 00:39:22,000

is comprised of almost exclusively of career opportunities.

584

00:39:22,000 --> 00:39:28,000

Rowling, what you can change as a man is in the military.

585

00:39:28,000 --> 00:39:33,000

Rowling, who I love, that I've adopted this career to change

586

00:39:33,000 --> 00:39:40,000

on a fully-adjusted and charged by the state

587

00:39:40,000 --> 00:39:47,000

is the name he orders when he has so many other kids out of it.

588

00:39:47,000 --> 00:39:49,000

I want the career to be,

589

00:39:49,000 --> 00:39:53,000

I can afford to say, but I've got to say, it's over.

590

00:39:53,000 --> 00:39:55,000

But I drive that.

591

00:39:55,000 --> 00:39:57,000

I hit those.

592

00:39:57,000 --> 00:40:01,000

I got a job to offer you,

593

00:40:01,000 --> 00:40:07,000

and that's why you never really know what's happening.

594

00:40:07,000 --> 00:40:11,000

But the feet of the dead pictures you find out

595

00:40:11,000 --> 00:40:15,000

is the director of the television, the story general of the airfield.

596

00:40:15,000 --> 00:40:19,000

His brand, his vision, his school career,

597

00:40:19,000 --> 00:40:22,000

all career-man.

598

00:40:22,000 --> 00:40:26,000

One of them comes out and says, yes, I believe you're doing more than anything.

599

00:40:26,000 --> 00:40:29,000

I believe there's something more there than you see out there.

600

00:40:29,000 --> 00:40:31,000

I think it deserves a lot of attention.

601

00:40:31,000 --> 00:40:37,000

This is what I'm about to tell you.

602

00:40:37,000 --> 00:40:39,000

And there's also a lot of people who have,

603

00:40:39,000 --> 00:40:42,000

and some guys with one word is all that,

604

00:40:42,000 --> 00:40:45,000

that it's the house that we came to get.

605

00:40:45,000 --> 00:40:48,000

This is the one that's not the top.

606

00:40:48,000 --> 00:40:51,000

And he must have had a hard time.

607

00:40:51,000 --> 00:40:54,000

And I thought this was a hard thing to do.

608

00:40:54,000 --> 00:40:57,000

But it was all in vain.

609

00:40:57,000 --> 00:40:59,000

But it was easy.

610

00:40:59,000 --> 00:41:02,000

All right, let's be independent of myself.

611

00:41:02,000 --> 00:41:06,000

He was actually re-engaged because of the cooperations in the war,

612

00:41:06,000 --> 00:41:08,000

or the legal theory war.

613

00:41:08,000 --> 00:41:11,000

He could be bothered less,

614

00:41:11,000 --> 00:41:15,000

unless somebody had turned the shit out of substance and crude

615

00:41:15,000 --> 00:41:18,000

or had been excluded,

616

00:41:18,000 --> 00:41:21,000

that he had nothing else to worry about

617

00:41:21,000 --> 00:41:24,000

and that he could do more on the Russian side.

618

00:41:24,000 --> 00:41:27,000

Here's the theory.

619

00:41:27,000 --> 00:41:31,000

So I think there's a lot of reason.

620

00:41:31,000 --> 00:41:34,000

There's a lot of reason.

621

00:41:34,000 --> 00:41:38,000

Because of what's been said, and I think it was stupid.

622

00:41:38,000 --> 00:41:43,000

The fact that they never reported it back to knowledge,

623

00:41:43,000 --> 00:41:46,000

that they have a way to leave people,

624

00:41:46,000 --> 00:41:50,000

that they would just have a point, totally and completely,

625

00:41:50,000 --> 00:41:53,000

and would not have to outside of knowledge.

626

00:41:53,000 --> 00:41:56,000

With no one exception,

627

00:41:56,000 --> 00:41:59,000

that there's not a way of reporting it to the nation.

628

00:41:59,000 --> 00:42:01,000

Of the title of scientist that was the

629

00:42:01,000 --> 00:42:04,000

Being Dead Designed to the United States of the United States

630

00:42:04,000 --> 00:42:06,000

and given the meaning of the CIA

631

00:42:06,000 --> 00:42:10,000

in the act of the very first 1950s.

632

00:42:12,000 --> 00:42:15,000

Each one of them had his say.

633

00:42:15,000 --> 00:42:17,000

I had my name.

634

00:42:17,000 --> 00:42:20,000

I tried to change the tree.

635

00:42:20,000 --> 00:42:23,000

I had never been to the country before.

636

00:42:23,000 --> 00:42:25,000

I was doing it. I was prepared.

637

00:42:25,000 --> 00:42:28,000

In fact, all of them were in the States.

638

00:42:28,000 --> 00:42:30,000

Everybody had, and if you were lost,

639

00:42:30,000 --> 00:42:33,000

five old, old classics were in the air.

640

00:42:33,000 --> 00:42:36,000

They did. They loved the beauty.

641

00:42:36,000 --> 00:42:39,000

Probably one of the leaders in this possible case

642

00:42:39,000 --> 00:42:43,000

was Al Fortuno.

643

00:42:43,000 --> 00:42:46,000

But the fact that they were there

644

00:42:46,000 --> 00:42:48,000

and everything was well forgotten

645

00:42:48,000 --> 00:42:50,000

is an extra-periodity.

646

00:42:50,000 --> 00:42:53,000

I think that was an exaggeration.

647

00:42:53,000 --> 00:42:55,000

But what I had done

648

00:42:55,000 --> 00:42:59,000

was to try to change the tree and not live.

649

00:42:59,000 --> 00:43:01,000

There was a person that was in knowledge

650

00:43:01,000 --> 00:43:03,000

that he had to go somewhere else.

651

00:43:03,000 --> 00:43:05,000

And I tried to change the book

652

00:43:05,000 --> 00:43:08,000

by indicating that this was the reason

653

00:43:08,000 --> 00:43:10,000

that all the positives

654

00:43:10,000 --> 00:43:13,000

were not the cause or the reason of the cause.

655

00:43:15,000 --> 00:43:18,000

And by allowing me to try

656

00:43:18,000 --> 00:43:20,000

a very quick and dirty way

657

00:43:20,000 --> 00:43:23,000

that was presented to that federal

658

00:43:23,000 --> 00:43:25,000

in January 1953,

659

00:43:25,000 --> 00:43:29,000

attempting to show some degree of solidarity

660

00:43:29,000 --> 00:43:31,000

in the moment falling out of writing

661

00:43:31,000 --> 00:43:34,000

indicating that that was the reason.

662

00:43:35,000 --> 00:43:38,000

This was the only way I could help.

663

00:43:40,000 --> 00:43:42,000

But the federal decided that

664

00:43:42,000 --> 00:43:46,000

nothing of a truly scientific evidence

665

00:43:46,000 --> 00:43:49,000

had been reduced in it by any single person.

666

00:43:49,000 --> 00:43:52,000

So, what made the degree of the law open

667

00:43:52,000 --> 00:43:55,000

that absolutely it was only the case

668

00:43:55,000 --> 00:43:57,000

of possibly the case

669

00:43:57,000 --> 00:44:00,000

which was a startling introduction.

670

00:44:02,000 --> 00:44:05,000

And therefore, I think there's nothing to believe

671

00:44:05,000 --> 00:44:09,000

that was the exact way he had it said.

672

00:44:09,000 --> 00:44:11,000

But in the sense,

673

00:44:11,000 --> 00:44:14,000

state is like the reason for explanation

674

00:44:14,000 --> 00:44:18,000

that the effort was tried to change the fact

675

00:44:18,000 --> 00:44:20,000

that this interpretation

676

00:44:20,000 --> 00:44:23,000

provided however we would have it.

677

00:44:23,000 --> 00:44:25,000

And that,

678

00:44:25,000 --> 00:44:28,000

for resort to the frauds in this regard.

679

00:44:30,000 --> 00:44:33,000

This is by asking the evidence

680

00:44:33,000 --> 00:44:38,000

as best I can deduce

681

00:44:38,000 --> 00:44:40,000

on this by this court of history.

682

00:44:40,000 --> 00:44:43,000

The Air Force told the U.S.

683

00:44:43,000 --> 00:44:46,000

that this action wasn't the other way.

684

00:44:47,000 --> 00:44:49,000

They kept the appearance

685

00:44:49,000 --> 00:44:53,000

of a real, mathematical project.

686

00:44:54,000 --> 00:44:56,000

But the whole thing was there

687

00:44:56,000 --> 00:44:58,000

and that is just a possible reason

688

00:44:58,000 --> 00:45:00,000

to explain everything that you present

689

00:45:00,000 --> 00:45:02,000

in the Department of Education.

690

00:45:02,000 --> 00:45:04,000

This is the way I get rid of

691

00:45:04,000 --> 00:45:07,000

the sense of the evidence

692

00:45:07,000 --> 00:45:10,000

by making the decision to not take the part.

693

00:45:10,000 --> 00:45:12,000

Follow the short-term basis

694

00:45:12,000 --> 00:45:15,000

of the law rather than pre-seeded.

695

00:45:15,000 --> 00:45:17,000

Short-term basis by the U.S.

696

00:45:17,000 --> 00:45:19,000

and the U.S. and the U.S.

697

00:45:19,000 --> 00:45:21,000

and the U.S. and the U.S.

698

00:45:26,000 --> 00:45:29,000

I hope I've given you an even angrier

699

00:45:29,000 --> 00:45:32,000

as to what was going on in the air today.

700

00:45:35,000 --> 00:45:38,000

It was always a fear to be

701

00:45:40,000 --> 00:45:42,000

in fact there is another, I think,

702

00:45:42,000 --> 00:45:44,000

this place of fear.

703

00:45:45,000 --> 00:45:47,000

If any of you were to come in and like me

704

00:45:47,000 --> 00:45:49,000

about these things,

705

00:45:49,000 --> 00:45:51,000

I would say I have been in this place

706

00:45:51,000 --> 00:45:53,000

with the man first and the man himself

707

00:45:53,000 --> 00:45:55,000

on the after-sales.

708

00:45:55,000 --> 00:45:58,000

Not me, I'll make up the position I have.

709

00:45:58,000 --> 00:46:00,000

But before I wanted to,

710

00:46:00,000 --> 00:46:02,000

I was going to take a little liberty

711

00:46:02,000 --> 00:46:04,000

from the mission that I was on.

712

00:46:04,000 --> 00:46:06,000

I feel fear.

713

00:46:06,000 --> 00:46:08,000

I'd like to hear from you closer.

714

00:46:08,000 --> 00:46:10,000

First of all, thank you.

715

00:46:16,000 --> 00:46:19,000

There has been a change in a lot of reasons

716

00:46:19,000 --> 00:46:21,000

to be in this.

717

00:46:22,000 --> 00:46:25,000

Rather than the decision.

718

00:46:26,000 --> 00:46:29,000

And each one of them is not really over-saving.

719

00:46:31,000 --> 00:46:34,000

But if I had an observation that had

720

00:46:36,000 --> 00:46:38,000

it would be that

721

00:46:39,000 --> 00:46:42,000

liking anything or anything that you lose

722

00:46:43,000 --> 00:46:45,000

not having that prove,

723

00:46:45,000 --> 00:46:47,000

I think it's a fact

724

00:46:47,000 --> 00:46:50,000

that we hold our relations

725

00:46:50,000 --> 00:46:52,000

in a secondary role.

726

00:46:53,000 --> 00:46:55,000

Except for how

727

00:46:55,000 --> 00:46:57,000

for the judge,

728

00:46:58,000 --> 00:47:00,000

that indeed there is something

729

00:47:00,000 --> 00:47:02,000

that you can apply to us

730

00:47:03,000 --> 00:47:05,000

in that situation.

731

00:47:05,000 --> 00:47:07,000

And that's how the tension must be

732

00:47:07,000 --> 00:47:09,000

with much more of those

733

00:47:09,000 --> 00:47:11,000

than there is with the court.

734

00:47:12,000 --> 00:47:15,000

In this area, in this arena,

735

00:47:15,000 --> 00:47:18,000

we can share our objective.

736

00:47:19,000 --> 00:47:21,000

But I'll tell you, the one thing

737

00:47:21,000 --> 00:47:23,000

that has really driven me all the time

738

00:47:23,000 --> 00:47:25,000

since I got out of the airport

739

00:47:25,000 --> 00:47:27,000

is the fact that there's nobody

740

00:47:28,000 --> 00:47:30,000

who has a final resolution

741

00:47:30,000 --> 00:47:32,000

of the problem,

742

00:47:32,000 --> 00:47:34,000

and it's what you can tell from what I

743

00:47:34,000 --> 00:47:37,000

have assigned to yourself to take care of the problem.

744

00:47:38,000 --> 00:47:40,000

I have to say that I have a friend of mine

745

00:47:40,000 --> 00:47:42,000

that was involved in driving this thing.

746

00:47:42,000 --> 00:47:44,000

He didn't do anything for it.

747

00:47:45,000 --> 00:47:47,000

But if any of you were ever stuck at me,

748

00:47:47,000 --> 00:47:49,000

or if you ever stuck here,

749

00:47:49,000 --> 00:47:52,000

and you have an open relationship

750

00:47:52,000 --> 00:47:54,000

with me,

751

00:47:55,000 --> 00:47:57,000

but I don't think you'll ever get

752

00:47:57,000 --> 00:47:59,000

to run the thing.

753

00:47:59,000 --> 00:48:01,000

I'll tell you about it in a second,

754

00:48:01,000 --> 00:48:03,000

and I think it's a lot more time to do this.

755

00:48:03,000 --> 00:48:05,000

But it deserves all the attention

756

00:48:05,000 --> 00:48:07,000

as long as there is a place

757

00:48:07,000 --> 00:48:09,000

that appears to be within the law

758

00:48:09,000 --> 00:48:11,000

and with the experience

759

00:48:11,000 --> 00:48:13,000

like how they've been done in years ago.

760

00:48:13,000 --> 00:48:15,000

I have these leads

761

00:48:15,000 --> 00:48:17,000

that I have told you about.

762

00:48:17,000 --> 00:48:19,000

About the name of the person who was

763

00:48:19,000 --> 00:48:21,000

ordered as he put it in the form of

764

00:48:21,000 --> 00:48:23,000

his resolution.

765

00:48:23,000 --> 00:48:25,000

As we have common cause,

766

00:48:25,000 --> 00:48:27,000

this is a theme that he

767

00:48:27,000 --> 00:48:29,000

was developing.

768

00:48:31,000 --> 00:48:33,000

How do you share these holding evidence?

769

00:48:36,000 --> 00:48:38,000

I actually said it,

770

00:48:38,000 --> 00:48:39,000

but I guess I'm not the next

771

00:48:39,000 --> 00:48:41,000

to be in this field.

772

00:48:41,000 --> 00:48:43,000

They said that for one degree,

773

00:48:43,000 --> 00:48:45,000

I'll see what's right now

774

00:48:45,000 --> 00:48:47,000

and I think that is

775

00:48:47,000 --> 00:48:49,000

the difference between them.

776

00:48:49,000 --> 00:48:51,000

And therefore,

777

00:48:51,000 --> 00:48:53,000

I can be told right now

778

00:48:53,000 --> 00:48:55,000

what it's called.

779

00:48:55,000 --> 00:48:57,000

You know, it's perhaps

780

00:48:57,000 --> 00:48:59,000

I could try to give you

781

00:48:59,000 --> 00:49:01,000

a little bit of a direction

782

00:49:01,000 --> 00:49:03,000

of what I do.

783

00:49:05,000 --> 00:49:07,000

I feel strongly, however,

784

00:49:07,000 --> 00:49:09,000

that my friends here today

785

00:49:09,000 --> 00:49:11,000

indicate that this is a place

786

00:49:11,000 --> 00:49:13,000

that I have been a part of

787

00:49:13,000 --> 00:49:15,000

the year before.

788

00:49:15,000 --> 00:49:17,000

My friends should indicate

789

00:49:17,000 --> 00:49:19,000

that I feel that

790

00:49:19,000 --> 00:49:21,000

I'm not the only one

791

00:49:21,000 --> 00:49:23,000

who's allowed to be in one more

792

00:49:23,000 --> 00:49:25,000

step of life.

793

00:49:25,000 --> 00:49:27,000

Not only should we

794

00:49:27,000 --> 00:49:29,000

think about a life

795

00:49:29,000 --> 00:49:31,000

that we have to fully have

796

00:49:31,000 --> 00:49:33,000

and never before been in.

797

00:49:35,000 --> 00:49:37,000

But somewhere along the way,

798

00:49:37,000 --> 00:49:39,000

the major organizations

799

00:49:39,000 --> 00:49:41,000

are forming the inter-unities.

800

00:49:41,000 --> 00:49:43,000

Not necessarily the single organizations,

801

00:49:43,000 --> 00:49:45,000

but certainly the

802

00:49:45,000 --> 00:49:47,000

full-time organizations

803

00:49:47,000 --> 00:49:49,000

who are doing that.

804

00:49:49,000 --> 00:49:51,000

I therefore hope

805

00:49:51,000 --> 00:49:53,000

to try and take

806

00:49:53,000 --> 00:49:55,000

a pretty active step

807

00:49:55,000 --> 00:49:57,000

to implement

808

00:49:57,000 --> 00:49:59,000

our main mission

809

00:49:59,000 --> 00:50:01,000

and that is

810

00:50:01,000 --> 00:50:03,000

to get a working sense

811

00:50:03,000 --> 00:50:05,000

of community and a legacy

812

00:50:05,000 --> 00:50:07,000

that is represented

813

00:50:07,000 --> 00:50:09,000

by the major organizations.

814

00:50:09,000 --> 00:50:11,000

And just thought of looking at

815

00:50:11,000 --> 00:50:13,000

the top of this, I think,

816

00:50:13,000 --> 00:50:15,000

what will we want to

817

00:50:15,000 --> 00:50:17,000

do to

818

00:50:17,000 --> 00:50:19,000

have such a collective

819

00:50:19,000 --> 00:50:21,000

effect.

820

00:50:21,000 --> 00:50:23,000

When I say major organizations,

821

00:50:23,000 --> 00:50:25,000

I'm talking about the

822

00:50:25,000 --> 00:50:27,000

human-meditation system.

823

00:50:31,000 --> 00:50:33,000

We already have

824

00:50:33,000 --> 00:50:35,000

a real

825

00:50:35,000 --> 00:50:37,000

development in the

826

00:50:37,000 --> 00:50:39,000

development areas.

827

00:50:41,000 --> 00:50:43,000

Dr. Hammack called

828

00:50:43,000 --> 00:50:45,000

a radical

829

00:50:45,000 --> 00:50:47,000

initiative to do the

830

00:50:47,000 --> 00:50:49,000

research in the development.

831

00:50:49,000 --> 00:50:51,000

Nobody wants to repeat the

832

00:50:51,000 --> 00:50:53,000

step.

833

00:50:53,000 --> 00:50:55,000

We want to know, again,

834

00:50:55,000 --> 00:50:57,000

what is the power of

835

00:50:57,000 --> 00:50:59,000

the human-meditation system

836

00:50:59,000 --> 00:51:01,000

that is a working-signal

837

00:51:01,000 --> 00:51:03,000

of the human-meditation system.

838

00:51:03,000 --> 00:51:05,000

IT is what the

839

00:51:05,000 --> 00:51:11,160

Civilizing

840

00:51:11,800 --> 00:51:13,000

safely

841

00:51:13,000 --> 00:51:15,000

reaction policy

842

00:51:15,000 --> 00:51:17,000

to proposing

843

00:51:17,000 --> 00:51:18,640

the

844

00:51:18,640 --> 00:51:21,320

Boards

845

00:51:22,040 --> 00:51:23,080

and

846

00:51:23,080 --> 00:51:26,160

the

847

00:51:26,160 --> 00:51:30,580

BTS

848

00:51:30,580 --> 00:51:32,580

I'm sorry.

849

00:51:32,580 --> 00:51:34,580

I'm sorry.

850

00:51:34,580 --> 00:51:36,580

I'm sorry.

851

00:51:36,580 --> 00:51:38,580

I'm sorry.

852

00:51:38,580 --> 00:51:40,580

I'm sorry.

853

00:51:40,580 --> 00:51:42,580

I'm sorry.

854

00:51:42,580 --> 00:51:44,580

I'm sorry.

855

00:51:44,580 --> 00:51:46,580

I'm sorry.

856

00:51:46,580 --> 00:51:48,580

I'm sorry.

857

00:51:48,580 --> 00:51:50,580

I'm sorry.

858

00:51:50,580 --> 00:51:52,580

I'm sorry.

859

00:51:52,580 --> 00:51:54,580

I'm sorry.

860

00:51:54,580 --> 00:51:56,580

I'm sorry.

861

00:51:56,580 --> 00:51:58,580

I'm sorry.

862

00:51:58,580 --> 00:52:00,580

I'm sorry.

863

00:52:02,580 --> 00:52:06,580

The chair needs an opulence of the project.

864

00:52:06,580 --> 00:52:12,580

Burry Stuller, released from 1943.

865

00:52:12,580 --> 00:52:19,580

His reasons for use Friday deemed short of possession.

866

00:52:49,580 --> 00:52:54,580

And if I say I mean Jeff, the, the, the was,

867

00:53:24,580 --> 00:53:34,580

I'm not sure if I'm going to be able to say that I mean Jeff,

868

00:53:34,580 --> 00:53:44,580

I'm not sure if I'm going to be able to say that I mean Jeff,

869

00:53:44,580 --> 00:53:54,580

I'm not sure if I'm going to be able to say that I mean Jeff,

870

00:53:54,580 --> 00:54:04,580

I'm not sure if I'm going to be able to say that I mean Jeff,

871

00:54:04,580 --> 00:54:14,580

I'm not sure if I'm going to be able to say that I mean Jeff,

872

00:54:14,580 --> 00:54:24,580

I'm not sure if I'm going to be able to say that I mean Jeff,

873

00:54:24,580 --> 00:54:34,580

I'm not sure if I'm going to be able to say that I mean Jeff,

874

00:54:34,580 --> 00:54:44,580

I'm not sure if I'm going to be able to say that I mean Jeff,

875

00:54:44,580 --> 00:54:54,580

I'm not sure if I'm going to be able to say that I mean Jeff,

876

00:54:54,580 --> 00:55:04,580

I'm not sure if I'm going to be able to say that I mean Jeff,

877

00:55:04,580 --> 00:55:14,580

I'm not sure if I'm going to be able to say that I mean Jeff,

878

00:55:14,580 --> 00:55:24,580

I'm not sure if I'm going to be able to say that I mean Jeff,

879

00:55:24,580 --> 00:55:34,580

I'm not sure if I'm going to be able to say that I mean Jeff,

880

00:55:34,580 --> 00:55:44,580

I'm not sure if I'm going to be able to say that I mean Jeff,

881

00:55:44,580 --> 00:55:54,580

I'm not sure if I'm going to be able to say that I mean Jeff,

882

00:55:54,580 --> 00:56:04,580

I'm not sure if I'm going to be able to say that I mean Jeff,

883

00:56:04,580 --> 00:56:14,580

I'm not sure if I'm going to be able to say that I mean Jeff,

884

00:56:14,580 --> 00:56:24,580

I'm not sure if I'm going to be able to say that I mean Jeff,

885

00:56:24,580 --> 00:56:34,580

I'm not sure if I'm going to be able to say that I mean Jeff,

886

00:56:34,580 --> 00:56:44,580

I'm not sure if I'm going to be able to say that I mean Jeff,

887

00:56:44,580 --> 00:56:54,580

I'm not sure if I'm going to be able to say that I mean Jeff,

888

00:56:54,580 --> 00:57:04,580

I'm not sure if I'm going to be able to say that I mean Jeff,

889

00:57:04,580 --> 00:57:14,580

I'm not sure if I'm going to be able to say that I mean Jeff,

890

00:57:14,580 --> 00:57:24,580

I'm not sure if I'm going to be able to say that I mean Jeff,

891

00:57:24,580 --> 00:57:34,580

I'm not sure if I'm going to be able to say that I mean Jeff,

892

00:57:34,580 --> 00:57:44,580

I'm not sure if I'm going to be able to say that I mean Jeff,

893

00:57:44,580 --> 00:57:54,580

I'm not sure if I'm going to be able to say that I mean Jeff,

894

00:57:54,580 --> 00:58:04,580

I'm not sure if I'm going to be able to say that I mean Jeff,

895

00:58:04,580 --> 00:58:14,580

I'm not sure if I'm going to be able to say that I mean Jeff,

896

00:58:14,580 --> 00:58:24,580

I'm not sure if I'm going to be able to say that I mean Jeff,

897

00:58:24,580 --> 00:58:29,580

she said one of the things that happened was he said,

898

00:58:29,580 --> 00:58:34,580

I'm not sure if it was trying to lose the things about the jackpot,

899

00:58:34,580 --> 00:58:37,580

the convention, the fraud, any of this,

900

00:58:37,580 --> 00:58:40,580

because that's the last thing I'm going to say about it,

901

00:58:40,580 --> 00:58:42,580

he's gone here and he just started again,

902

00:58:42,580 --> 00:58:44,580

he's been here for a little while,

903

00:58:44,580 --> 00:58:47,580

she didn't think he was practicing to do it,

904

00:58:47,580 --> 00:58:49,580

but he's been here for a little while,

905

00:58:49,580 --> 00:58:51,580

he's been here for a little while,

906

00:58:51,580 --> 00:58:53,580

he's been here for a little while,

907

00:58:53,580 --> 00:58:55,580

he's been here for a little while,

908

00:58:55,580 --> 00:58:57,580

he's been here for a little while,

909

00:58:57,580 --> 00:58:59,580

he's been here for a little while,

910

00:58:59,580 --> 00:59:01,580

he's been here for a little while,

911

00:59:01,580 --> 00:59:03,580

he's been here for a little while,

912

00:59:03,580 --> 00:59:05,580

he's been here for a little while,

913

00:59:05,580 --> 00:59:07,580

he's been here for a little while,

914

00:59:07,580 --> 00:59:09,580

he's been here for a little while,

915

00:59:09,580 --> 00:59:11,580

he's been here for a little while,

916

00:59:11,580 --> 00:59:13,580

he's been here for a little while,

917

00:59:13,580 --> 00:59:15,580

he's been here for a little while,

918

00:59:15,580 --> 00:59:17,580

he's been here for a little while,

919

00:59:17,580 --> 00:59:19,580

he's been here for a little while,

920

00:59:19,580 --> 00:59:21,580

he's been here for a little while,

921

00:59:21,580 --> 00:59:23,580

he's been here for a little while,

922

00:59:23,580 --> 00:59:25,580

he's been here for a little while,

923

00:59:25,580 --> 00:59:27,580

he's been here for a little while,

924

00:59:27,580 --> 00:59:29,580

he's been here for a little while,

925

00:59:29,580 --> 00:59:31,580

he's been here for a little while,

926

00:59:31,580 --> 00:59:33,580

he's been here for a little while,

927

00:59:33,580 --> 00:59:35,580

he's been here for a little while,

928

00:59:35,580 --> 00:59:37,580

he's been here for a little while,

929

00:59:37,580 --> 00:59:39,580

he's been here for a little while,

930

00:59:39,580 --> 00:59:41,580

he's been here for a little while,

931

00:59:41,580 --> 00:59:43,580

he's been here for a little while,

932

00:59:43,580 --> 00:59:45,580

he's been here for a little while,

933

00:59:45,580 --> 00:59:47,580

he's been here for a little while,

934

00:59:47,580 --> 00:59:49,580

he's been here for a little while,

935

00:59:49,580 --> 00:59:51,580

he's been here for a little while,

936

00:59:51,580 --> 00:59:53,580

he's been here for a little while,

937

00:59:53,580 --> 00:59:55,580

he's been here for a little while,

938

00:59:55,580 --> 00:59:57,580

he's been here for a little while,

939

00:59:57,580 --> 00:59:59,580

he's been here for a little while,

940

00:59:59,580 --> 01:00:01,580

he's been here for a little while,

941

01:00:01,580 --> 01:00:03,580

he's been here for a little while,

942

01:00:03,580 --> 01:00:05,580

he's been here for a little while,

943

01:00:05,580 --> 01:00:07,580

he's been here for a little while,

944

01:00:07,580 --> 01:00:09,580

he's been here for a little while,

945

01:00:09,580 --> 01:00:11,580

he's been here for a little while,
