

1

00:00:00,000 --> 00:00:10,000

Well, uh, we first came to the, one of the artificialities that I recall as a Nintendo

2

00:00:10,000 --> 00:00:14,000

practice, uh, yeah, you can say that.

3

00:00:14,000 --> 00:00:20,000

You were pretty much upset about this whole experience, with something doing good, volume

4

00:00:20,000 --> 00:00:22,000

and keeping with Dr. Stevens.

5

00:00:22,000 --> 00:00:23,000

Uh, okay, right.

6

00:00:23,000 --> 00:00:24,000

It came out.

7

00:00:24,000 --> 00:00:25,000

It came out.

8

00:00:25,000 --> 00:00:28,000

And you want to talk to Steve?

9

00:00:28,000 --> 00:00:34,000

Because just about this time, well, as a result of a former marriage, I had two sons.

10

00:00:34,000 --> 00:00:41,000

And occasionally I began becoming depressed at the spawn of thinking about them.

11

00:00:41,000 --> 00:00:48,000

And I hadn't, well, I had stopped drinking from 1950 until about 1961.

12

00:00:48,000 --> 00:00:55,000

And, uh, then I began drinking, so that, uh, though I had gone to Dr. Stevens for one,

13

00:00:55,000 --> 00:01:02,000

for what was an obvious or an apparent reason, he became interested in my returning to drink

14

00:01:02,000 --> 00:01:04,000

in 1961.

15

00:01:04,000 --> 00:01:11,000

And, uh, I happened to mention, uh, what I had talked to him about, uh, Betty and I seeing

16

00:01:11,000 --> 00:01:12,000

a UFO.

17

00:01:12,000 --> 00:01:20,000

And then he thought this was, uh, possible, or the reason that I had to return to drink

18

00:01:20,000 --> 00:01:23,000

in the 1950s.

19

00:01:23,000 --> 00:01:35,000

And now, as I was saying, you know, you had gone to Dr. Stevens for this problem, and

20

00:01:35,000 --> 00:01:40,000

the experience of the UFO came out as a part of your therapy, yes, and began to take,

21

00:01:40,000 --> 00:01:46,000

to, uh, gain, uh, grants, signatures and importance, and that Steve was then thought we should

22

00:01:46,000 --> 00:01:48,000

start at this.

23

00:01:48,000 --> 00:01:55,000

But I remember that also Betty had been troubled with, who was the nightmare that she had,

24

00:01:55,000 --> 00:02:01,000

in which she had some feelings that might have been kidnapped.

25

00:02:01,000 --> 00:02:02,000

Yes.

26

00:02:02,000 --> 00:02:03,000

Is that right?

27

00:02:03,000 --> 00:02:04,000

Yes, this is correct.

28

00:02:04,000 --> 00:02:06,000

And she told you about it?

29

00:02:06,000 --> 00:02:07,000

Yes.

30

00:02:07,000 --> 00:02:12,000

And, uh, she told you about these things in ordinary conversations?

31

00:02:12,000 --> 00:02:13,000

Yes.

32

00:02:13,000 --> 00:02:16,000

Did you ever listen to any of our nightmares?

33

00:02:16,000 --> 00:02:17,000

No, I had not.

34

00:02:17,000 --> 00:02:19,000

Oh, you were always asleep?

35

00:02:19,000 --> 00:02:20,000

Yes.

36

00:02:20,000 --> 00:02:26,000

And, uh, well, now you two sleep in double bed?

37

00:02:26,000 --> 00:02:32,000

No, we sleep, yes, we sleep together, yes, and a little bit, no double bed, or at least

38

00:02:32,000 --> 00:02:35,000

a bed that's called a toilet.

39

00:02:35,000 --> 00:02:41,000

And, uh, Betty talking to us, though she doesn't, oh, she knows you better, she might know that

40

00:02:41,000 --> 00:02:42,000

she doesn't, she does not.

41

00:02:42,000 --> 00:02:46,000

Oh, that when I am awake sometimes and she's asleep, I've never heard her, you know, I've

42

00:02:46,000 --> 00:02:48,000

heard her talk to me.

43

00:02:48,000 --> 00:02:53,000

Now, what does she describe these things?

44

00:02:53,000 --> 00:02:54,000

How much did she tell you about it?

45

00:02:54,000 --> 00:02:59,000

What did she tell you she had feelings?

46

00:02:59,000 --> 00:03:08,000

She would tell me that somehow she is wondering if there's any reference or relation to her

47

00:03:08,000 --> 00:03:16,000

dreams and to those missing minutes up there in the White Mountains.

48

00:03:16,000 --> 00:03:18,000

And then you'd head to Ashland.

49

00:03:18,000 --> 00:03:20,000

How about these minutes?

50

00:03:20,000 --> 00:03:26,000

This was pointed out only by the Mr. Cormier and Mr. Jackson.

51

00:03:26,000 --> 00:03:33,000

Your area of interest, that is, you were not aware, it did take you longer on the trip,

52

00:03:33,000 --> 00:03:36,000

but then you had a lot of exchanges on the trip.

53

00:03:36,000 --> 00:03:38,000

You hadn't been aware of the trip to the successes?

54

00:03:38,000 --> 00:03:40,000

No, I kind of thought by the experiences of the trade.

55

00:03:40,000 --> 00:03:44,000

Only when you pointed out, did that seem to be a tip.

56

00:03:44,000 --> 00:03:49,000

Yes, because he thought it was interesting that we said we had heard a beeping sound at

57

00:03:49,000 --> 00:03:55,000

Indian Head, and then we picked up a story by saying, and then when we reached Ashland,

58

00:03:55,000 --> 00:03:58,000

We reached Ashland, we heard this beeping sound again.

59

00:03:58,000 --> 00:04:03,000

They said, well, what's happening in between the period of time from Ashland, from Indian

60

00:04:03,000 --> 00:04:06,000

head to Ashland, which is approximately 35 miles?

61

00:04:06,000 --> 00:04:09,000

And I just couldn't seem to recall.

62

00:04:09,000 --> 00:04:12,000

I just thought that, well, I probably was driving my car.

63

00:04:12,000 --> 00:04:21,000

Then I realized that I had been driving for a period of time with no knowledge of passing

64

00:04:21,000 --> 00:04:26,000

anything or going down this particular highway in this section.

65

00:04:26,000 --> 00:04:28,000

Did you miss anyone?

66

00:04:28,000 --> 00:04:30,000

No.

67

00:04:30,000 --> 00:04:31,000

Have any cars?

68

00:04:31,000 --> 00:04:32,000

No.

69

00:04:32,000 --> 00:04:33,000

Any people?

70

00:04:33,000 --> 00:04:34,000

Nothing.

71

00:04:34,000 --> 00:04:35,000

Nobody had a line happen there.

72

00:04:35,000 --> 00:04:39,000

You were not particularly impressed by the fact that I'm not.

73

00:04:39,000 --> 00:04:40,000

No, I wasn't.

74

00:04:40,000 --> 00:04:42,000

I was very impressed.

75

00:04:42,000 --> 00:04:46,000

All right.

76

00:04:46,000 --> 00:04:56,000

Now you will recall, fully, all the experiences that we have talked about in this office,

77

00:04:56,000 --> 00:05:03,000

all of them, and all your feelings that they would have attached you anymore.

78

00:05:03,000 --> 00:05:13,000

You will recall all your feelings, all your experiences, and those things that you think may have been experiences.

79

00:05:13,000 --> 00:05:25,000

I want to go back and talk about the experiences that you have of being stuck in the road by

80

00:05:25,000 --> 00:05:29,000

some men in dark clothes.

81

00:05:29,000 --> 00:05:33,000

You describe them as looking like tea jackets or some kind of uniform.

82

00:05:33,000 --> 00:05:34,000

Is that right?

83

00:05:34,000 --> 00:05:37,000

Yes, ma'am.

84

00:05:37,000 --> 00:05:45,000

Now, how did you learn about this experience?

85

00:05:45,000 --> 00:05:48,000

You didn't really have it, did you?

86

00:05:48,000 --> 00:05:57,000

Because in the sequestered, you were hypnotized.

87

00:05:57,000 --> 00:06:03,000

Yeah, I mean, I was just a servant.

88

00:06:03,000 --> 00:06:08,000

Yes, that's true, but then you told us about the experience.

89

00:06:08,000 --> 00:06:12,000

Yes, I mean, it happened before you told him about it.

90

00:06:12,000 --> 00:06:14,000

All right?

91

00:06:14,000 --> 00:06:21,000

Somebody told you about this before that, in some way.

92

00:06:21,000 --> 00:06:24,000

He was beddy, beddy, right?

93

00:06:24,000 --> 00:06:25,000

Yeah.

94

00:06:25,000 --> 00:06:28,000

And how did she tell you about it?

95

00:06:28,000 --> 00:06:41,000

Well, she would say that she had had a dream, and the dream was that she had been taking aboard a UFO.

96

00:06:41,000 --> 00:06:51,000

And that I was also in her dream and was taking aboard.

97

00:06:51,000 --> 00:06:56,000

And she told me that she didn't speak to you about it.

98

00:06:56,000 --> 00:06:58,000

But how did you tell you about it?

99

00:06:58,000 --> 00:07:10,000

She would tell me this, usually when someone would ask us about our signing of a UFO,

100

00:07:10,000 --> 00:07:20,000

and then she would mention this, and I just told her it was a dream and nothing to get alarmed about.

101

00:07:20,000 --> 00:07:21,000

Did you have a story?

102

00:07:21,000 --> 00:07:26,000

All the details, did you tell me all the details about the UFO?

103

00:07:26,000 --> 00:07:46,000

She would tell me a great many of the details of her dreams, but she was not searching to the location where we had stopped.

104

00:07:46,000 --> 00:07:59,000

And she would tell me she had gone into this UFO and had talked with the people there on board.

105

00:07:59,000 --> 00:08:07,000

And she was told that she would forget.

106

00:08:07,000 --> 00:08:15,000

In her dreams she would forget this, and she said she would tell me that she was determined she would not forget,

107

00:08:15,000 --> 00:08:21,000

that she had told these people in this UFO that she would not forget.

108

00:08:21,000 --> 00:08:26,000

And this was the way she would tell me of her dreams.

109

00:08:26,000 --> 00:08:39,000

And I told her they were only dreams, and that I can't believe whatever these dreams are that she's having,

110

00:08:39,000 --> 00:08:44,000

except that she is having nightmares of their frightening.

111

00:08:44,000 --> 00:08:48,000

And she said, no, they're not frightening.

112

00:08:48,000 --> 00:08:57,000

It is just that she feels that somehow there is some connection between her dreams,

113

00:08:57,000 --> 00:09:03,000

because she has never dreamed of UFOs before.

114

00:09:03,000 --> 00:09:13,000

And she would tell me that they had stopped something in her navel causing great pain,

115

00:09:13,000 --> 00:09:21,000

and that just a leave of the hand, this pain disappeared.

116

00:09:22,000 --> 00:09:32,000

And she was not telling this to me, but I would be present while she was telling it to friends of ours,

117

00:09:32,000 --> 00:09:44,000

to what to web, when we would see him, and he would ask us about the UFO sighting that we had had.

118

00:09:44,000 --> 00:09:58,000

And then I would hear her dreams, but never did she tell this actually to me that she told me what they did to you.

119

00:09:58,000 --> 00:10:12,000

And it was funny that they had come into a rolling with my teeth, and they were quite startled that her teeth had not come out,

120

00:10:12,000 --> 00:10:18,000

and mine could, and this is all she knew about me.

121

00:10:18,000 --> 00:10:23,000

What was all she thinking of the UFO that she told me about?

122

00:10:23,000 --> 00:10:25,000

No, she never told me that.

123

00:10:25,000 --> 00:10:40,000

I was lying on a table, and I was being turned over, and I felt this pain going into my rectum,

124

00:10:40,000 --> 00:10:51,000

and it did not pain me, and it was gone for a long while while you were lying on the table.

125

00:10:51,000 --> 00:10:59,000

September the 20th.

126

00:10:59,000 --> 00:11:04,000

I was lying on a table, and she just told me this was all a dream.

127

00:11:04,000 --> 00:11:13,000

This was not my dream, it was the funny she dreams, but this was not what she told me in her dreams.

128

00:11:14,000 --> 00:11:17,000

This was not her dream.

129

00:11:17,000 --> 00:11:34,000

I never knew this happened, and I am very puzzled that I could think that this happened,

130

00:11:34,000 --> 00:11:38,000

and I never knew it had happened.

131

00:11:38,000 --> 00:11:50,000

And not all of this pain about you are being taken aboard the UFO, and being examined, and having your teeth taken, and all of the examination.

132

00:11:50,000 --> 00:11:53,000

This is all told to you by Betty, wasn't it?

133

00:11:53,000 --> 00:11:59,000

No, Betty never told me only about my teeth, only about your teeth.

134

00:11:59,000 --> 00:12:04,000

But how did you get the other information?

135

00:12:04,000 --> 00:12:11,000

I was hypnotized by Dr. Sainton's, and he told me all of it?

136

00:12:11,000 --> 00:12:15,000

No, he did not tell me this.

137

00:12:15,000 --> 00:12:27,000

He made me go back to September 19th, when I left Montreal, and he was going home to Pruett'swood,

138

00:12:27,000 --> 00:12:38,000

and he had me hypnotized, and he kept telling me to go further and further along my trip,

139

00:12:38,000 --> 00:12:47,000

and tell him what was happening to me each time as I drove along the highway.

140

00:12:47,000 --> 00:13:04,000

And then I began to see things that I had never seen before, and I knew that I had seen a UFO.

141

00:13:05,000 --> 00:13:18,000

And my last remembrance of it was when I reached Indian Head, and had gotten out of my car, and looked at what this UFO was,

142

00:13:18,000 --> 00:13:32,000

and I saw some eyes staring down at me, and I was coming closer and closer to this UFO,

143

00:13:32,000 --> 00:13:40,000

and I could not believe it was there, and yet I could not make it go away,

144

00:13:40,000 --> 00:14:00,000

and I was compelled to go closer, and I prayed to God to make me a UFO, and I prayed that I could get away and run back to the car,

145

00:14:00,000 --> 00:14:11,000

and that I did, and the eyes kept following me back to my car, and I felt very, very upset,

146

00:14:11,000 --> 00:14:24,000

and I said, Benny, they're going to capture us, and look out the window, and I saw it as it stormed around to the rear of my car,

147

00:14:24,000 --> 00:14:31,000

but then I was driving down the highway, and Benny was looking out her window, and she said,

148

00:14:31,000 --> 00:14:37,000

I don't see it, I don't see it, and I said it is there, it's right above us, Benny, look!

149

00:14:37,000 --> 00:14:47,000

And I was hurrying to get away, and I kept driving, and driving, and driving, and I made a turn,

150

00:14:47,000 --> 00:15:01,000

and I never knew this, and I felt no lie, I had to make that turn, and I was lost,

151

00:15:01,000 --> 00:15:14,000

and I saw that I was in a strange area on the highway that I had never been before,

152

00:15:14,000 --> 00:15:29,000

and I was being stopped, and I was very uncomfortable, but somehow the eyes were telling me that I should be calm,

153

00:15:29,000 --> 00:15:39,000

and I would not be harmed, and to relax, and I saw these men coming down toward me,

154

00:15:39,000 --> 00:15:44,000

and I didn't really see them, and told me that there had been men not being stopped,

155

00:15:44,000 --> 00:15:50,000

but I was in the wrong road, I didn't think that there were men there, they were there,

156

00:15:50,000 --> 00:16:04,000

and I did not think this, I never knew this, I never knew this, because I was hypnotized by Dr. Siamans,

157

00:16:04,000 --> 00:16:17,000

and he told me I would remember, and I remembered, I remember what you felt, as well as anything that might happen,

158

00:16:17,000 --> 00:16:25,000

because you just knew it, you knew it, you knew it, no, I did not dream this, I ran down the road, and I just stopped,

159

00:16:25,000 --> 00:16:46,000

and I started to get out of my car, and I felt myself being supported by two men, and my eyes were closed,

160

00:16:46,000 --> 00:16:53,000

and I felt I should be very afraid, and yet they had done something, Betty told you this,

161

00:16:53,000 --> 00:17:04,000

and I told you this, she told you this, Betty never told me this, she had never told me this,

162

00:17:04,000 --> 00:17:19,000

I had never heard her tell me this, Betty told me that we were inside a UFO in her dreams,

163

00:17:19,000 --> 00:17:27,000

and look, she did not know how we got there, and she told you that you were also inside, and they brought you her,

164

00:17:27,000 --> 00:17:36,000

and you told me, yes, she told me they had brought my teeth to her, so she told you everything like you had experienced,

165

00:17:36,000 --> 00:17:48,000

and it was really being stopped by the men, now she did not tell me about being stopped by the men, she did not have this in her dreams,

166

00:17:49,000 --> 00:17:58,000

this was only when I was hypnotized, the only one we had to talk about, that I saw this,

167

00:17:59,000 --> 00:18:12,000

not any more time for this, not any more time for this, how many of you think it really happened,

168

00:18:13,000 --> 00:18:23,000

it did happen, I don't know what to say, I don't want to remember it,

169

00:18:27,000 --> 00:18:37,000

I was told I won't remember it, and I don't know what to say,

170

00:18:37,000 --> 00:18:55,000

I was told in my mind that I would forget that it happened, the UFO was in my mind, the UFO was in my mind,

171

00:18:55,000 --> 00:19:14,000

I thought it was the man I saw looking down at me, and I was looking back at him, and I was at Indian Head,

172

00:19:15,000 --> 00:19:29,000

and I thought it was him who told me that I should be found, and that I should not be afraid,

173

00:19:29,000 --> 00:19:41,000

and that no harm would come to me, and that I would be met, alone to go on my way,

174

00:19:41,000 --> 00:19:49,000

but I would forget everything, and I would never remember it again,

175

00:19:49,000 --> 00:19:56,000

have you ever had anything for that day like this?

176

00:19:56,000 --> 00:20:17,000

In 1957, Dr. Chisholm in Philadelphia treated me for a fish dealer,

177

00:20:17,000 --> 00:20:34,000

and he would take and put some kind of saw on his hands, and this was the only time I can remember,

178

00:20:34,000 --> 00:20:52,000

except when I was very young, and I was given an enemy by my mother, that I had something to put in my acting,

179

00:20:52,000 --> 00:21:00,000

and I just agree with what you are not agree with me.

180

00:21:00,000 --> 00:21:07,000

I don't understand what we do like this, or what we do good like this.

181

00:21:07,000 --> 00:21:16,000

I'm not even one of us. I thought you were different.

182

00:21:17,000 --> 00:21:28,000

Why do you account for the fact that you know nothing about Betty's experience, you seem to know everything about George?

183

00:21:29,000 --> 00:21:41,000

I was not in the same room with Betty. I don't know where Betty is.

184

00:21:42,000 --> 00:22:02,000

I don't know where she is, and I was carried into a room, and I tap on a table,

185

00:22:02,000 --> 00:22:17,000

and I wanted to be afraid, and yet I sometimes was not afraid enough to run,

186

00:22:17,000 --> 00:22:31,000

and I thought it would soon be over if they burned on me, and I was way just there about it.

187

00:22:33,000 --> 00:22:40,000

You said before, last time, that you don't know what happened with Betty,

188

00:22:40,000 --> 00:22:47,000

but you also said to me that Betty never talked about these experiences,

189

00:22:47,000 --> 00:22:51,000

and it seems to me that he did tell you a lot about it.

190

00:22:51,000 --> 00:22:56,000

She told you about being put on a table. She told you about having something put into her navel.

191

00:22:57,000 --> 00:22:59,000

She told you about herself?

192

00:22:59,000 --> 00:23:00,000

Yeah.

193

00:23:00,000 --> 00:23:05,000

What you told me before I hypnotized you, that you didn't know anything about that.

194

00:23:05,000 --> 00:23:09,000

In fact, you told me that when I hypnotized you, you didn't know what happened with Betty.

195

00:23:12,000 --> 00:23:20,000

I did not know what happened to Betty when I was on the highway.

196

00:23:21,000 --> 00:23:32,000

I never believed in dreams, and if you never believed in dreams, why do you believe in it?

197

00:23:32,000 --> 00:23:45,000

I never dreamed about UFOs until last Sunday I dreamed about a UFO,

198

00:23:45,000 --> 00:23:55,000

and I dreamed about a UFO Tuesday night and Wednesday night,

199

00:23:55,000 --> 00:24:03,000

and this was the first time in my life I had ever dreamed about a UFO.

200

00:24:03,000 --> 00:24:08,000

You told me two times ago that you had put out this video, what do you believe about that?

201

00:24:08,000 --> 00:24:17,000

I felt that I had never known what this feeling felt like,

202

00:24:17,000 --> 00:24:31,000

and that I felt disassociated as if I was doing things and my body was moving,

203

00:24:31,000 --> 00:24:37,000

and yet all my senses were to do something else.

204

00:24:38,000 --> 00:24:47,000

And I had never felt like this before in my life, and I felt disassociated,

205

00:24:47,000 --> 00:24:53,000

and I then felt that these men had taken me.

206

00:24:53,000 --> 00:25:05,000

I have only experienced that feeling of gain when I was in your office,

207

00:25:05,000 --> 00:25:15,000

and you made a little doggy come into the room, and I was hypnotized,

208

00:25:15,000 --> 00:25:22,000

and I felt a little doggy was there with hallucination,

209

00:25:22,000 --> 00:25:28,000

and that was her hallucination, and how about the experience of being kidnapped?

210

00:25:29,000 --> 00:25:32,000

Could medicine ever be nice and good?

211

00:25:32,000 --> 00:25:41,000

I wish I could think it was a hallucination, but why couldn't I think?

212

00:25:41,000 --> 00:25:43,000

I don't know.

213

00:25:43,000 --> 00:25:46,000

I don't know what it is, don't you?

214

00:25:46,000 --> 00:25:51,000

I live straight and I don't know how to think of you, so let's explain it.

215

00:25:51,000 --> 00:25:55,000

How about Mr. Webb, who tells you that something else will happen?

216

00:25:56,000 --> 00:26:06,000

Mr. Webb didn't suggest that something happened to me.

217

00:26:06,000 --> 00:26:24,000

They said that there was a period from Indian head to Ashram

218

00:26:24,000 --> 00:26:34,000

and I was wondering what was worth redoing, and I kept thinking,

219

00:26:34,000 --> 00:26:40,000

and all I could remember was being out on the highway at Indian head,

220

00:26:40,000 --> 00:26:49,000

and I could never remember except to run back to my car and drive away,

221

00:26:49,000 --> 00:26:55,000

and I did not know what I was doing from Indian head to Ashram

222

00:26:55,000 --> 00:27:02,000

when Mr. Jackson and Mr. Hallman were the boss we do work with at the both of you.

223

00:27:02,000 --> 00:27:05,000

I did not feel disassociated.

224

00:27:05,000 --> 00:27:13,000

I just didn't think about it, or I did not feel anything,

225

00:27:13,000 --> 00:27:23,000

except I had to have driven and that is all I thought that happened.

226

00:27:28,000 --> 00:27:32,000

Are you sure, or do you feel sure that this actually happened?

227

00:27:32,000 --> 00:27:37,000

Or can't think of some other explanation?

228

00:27:38,000 --> 00:27:45,000

I feel very sure it happened.

229

00:27:48,000 --> 00:27:59,000

The development field, in the vehicle, only the one I thought was the leader.

230

00:27:59,000 --> 00:28:03,000

And the people you thought was the leader in the facial?

231

00:28:03,000 --> 00:28:07,000

Yes, what can I say?

232

00:28:08,000 --> 00:28:14,000

He did not speak by words.

233

00:28:14,000 --> 00:28:26,000

I was told what to do by his thoughts, making my thoughts understand.

234

00:28:27,000 --> 00:28:39,000

And I could hear him, and I could not understand, and yet I could understand him,

235

00:28:39,000 --> 00:28:51,000

and I was told I would not be harmed, and that is why I have not a philosophy.

236

00:28:52,000 --> 00:28:56,000

I am living the mulliest mental level of anything,

237

00:28:56,000 --> 00:29:03,000

being able to understand someone else's thoughts, or to have no thoughts on the truth of someone else.

238

00:29:03,000 --> 00:29:09,000

I could understand his thoughts, but he never spoke any words to me.

239

00:29:09,000 --> 00:29:16,000

His thoughts came to me like I feel now when you talk to me,

240

00:29:16,000 --> 00:29:27,000

and you are there, and yet my eyes are closed, and you ask me questions,

241

00:29:27,000 --> 00:29:34,000

and I know you are there, but I don't know where,

242

00:29:34,000 --> 00:29:41,000

and this is how he told me that I would not be harmed,

243

00:29:41,000 --> 00:29:54,000

and that I would be let along to go, soon as they had taken me into this room.

244

00:29:54,000 --> 00:30:01,000

And then I did not see him, or hear him anymore,

245

00:30:01,000 --> 00:30:13,000

and I was going down a ramp, and I could hear his thoughts telling me

246

00:30:13,000 --> 00:30:20,000

I would not remember any of this, because I was not harmed,

247

00:30:20,000 --> 00:30:26,000

and I wanted to forget, and he helped me to forget

248

00:30:26,000 --> 00:30:38,000

by telling me that this is what I wanted to do, and I did not remember any more.

249

00:30:38,000 --> 00:30:45,000

Even if he was body-eyed, he would not be blind.

250

00:30:45,000 --> 00:31:01,000

When we were standing in the highway, in the forestry section of the light mountains on Route 3,

251

00:31:01,000 --> 00:31:10,000

the first time we stopped to get a better look at this light that was moving through the sky,

252

00:31:10,000 --> 00:31:17,000

and coming toward us, I could see this happening, and I said, it's a plane,

253

00:31:17,000 --> 00:31:28,000

and Betty said, look how it is flying, and I got Dorothy off the car, and put her chain on her,

254

00:31:28,000 --> 00:31:37,000

and I kept looking up and down the highway, because I was afraid of a car coming by and seeing me,

255

00:31:37,000 --> 00:31:46,000

while I released myself, and then I went to the front of my car, and I opened it,

256

00:31:46,000 --> 00:31:54,000

and took out a gun that I had concealed there, and put it in my pocket, and then I said,

257

00:31:54,000 --> 00:32:04,000

give me the binoculars, and I looked, and I could see that this thing that I thought was a plane

258

00:32:04,000 --> 00:32:13,000

had made a turn to the left toward Vermont, and kept turning, and started coming right back,

259

00:32:13,000 --> 00:32:25,000

and I thought I had only seen this happen when I was in Philadelphia, and I used to be a mail truck driver,

260

00:32:25,000 --> 00:32:33,000

and there was a box located near the International Airport, and just where I would stop,

261

00:32:33,000 --> 00:32:46,000

I would see planes coming in to man with the lights on, and it was a very funny feeling to see this large thing coming to land,

262

00:32:46,000 --> 00:32:54,000

and I thought of that when I was standing on the highway, that this thing is coming right toward us,

263

00:32:54,000 --> 00:33:00,000

and I said, come on Betty, let's go, and I quickly returned to the car, and I said,

264

00:33:00,000 --> 00:33:08,000

oh Betty, you're trying to make me see something that is not there, and I would slow down and look at her insistence,

265

00:33:08,000 --> 00:33:15,000

that look what it's doing, and I said, well forget it, it's just a plane, it's probably some flyer or something,

266

00:33:15,000 --> 00:33:21,000

and yet I felt very strange about a whole thing, because I could not hear any sound,

267

00:33:21,000 --> 00:33:31,000

and I wanted to hear some sound of a motor, and I could not quite understand why it was now following us off to the right,

268

00:33:31,000 --> 00:33:37,000

and when we would go around a bend in the road where it would be obstructed from view,

269

00:33:37,000 --> 00:33:44,000

it would appear as the leaves had gone around, and there it was coming around the other side of the mountain,

270

00:33:44,000 --> 00:33:56,000

and I began to really feel very alarmed and hoped that some traffic, some car, or I could see a state police to come by and say,

271

00:33:56,000 --> 00:34:06,000

look at that, it is following us, but no one came by, and I felt very uncomfortable.

272

00:34:06,000 --> 00:34:12,000

Yes, I wanted to see some of them.

273

00:34:12,000 --> 00:34:23,000

I didn't want to see those men in the lamp who had positive experience around harm, but it would be a better.

274

00:34:23,000 --> 00:34:29,000

I felt funny.

275

00:34:29,000 --> 00:34:42,000

I could not remember, and yet I knew something had happened, and I was confused that I was off of Route 3,

276

00:34:42,000 --> 00:34:53,000

and I was driving back to Route 3, and I just could not understand why I was off Route 3,

277

00:34:53,000 --> 00:34:58,000

and Betty said, well, do you believe in flying saucers now?

278

00:34:58,000 --> 00:35:08,000

And I said, oh, don't be ridiculous Betty, of course not, and we then had a beep beep beep beep sound on the car,

279

00:35:08,000 --> 00:35:14,000

and I kept quiet after that.

280

00:35:14,000 --> 00:35:18,000

Oh, didn't Betty hypnotize you?

281

00:35:18,000 --> 00:35:22,000

Oh, Betty didn't hypnotize me.

282

00:35:22,000 --> 00:35:34,000

I wanted to think she was doing this to me to make me feel better, because I kept seeing that object in the sky,

283

00:35:34,000 --> 00:35:43,000

and I finally stopped that Indian head because it was right there, large and hovering,

284

00:35:43,000 --> 00:35:52,000

and I could not understand this, so I knew I had the gun in my pocket, and I said,

285

00:35:52,000 --> 00:36:02,000

I will get out and get a better look, and I opened my car door and tried to brace my arms on the door and the roof of the car,

286

00:36:02,000 --> 00:36:09,000

and the motor was running and my arms were jiggling, so I stepped away from my car,

287

00:36:09,000 --> 00:36:19,000

and I did the object which was to the right of the car on Betty's side made an arc-like turn,

288

00:36:19,000 --> 00:36:28,000

not a turn but a swinging motion over to the left of my side, and I thought,

289

00:36:28,000 --> 00:36:35,000

my God, what is this thing? It's got to be a helicopter to just stay suspended like that,

290

00:36:35,000 --> 00:36:42,000

and it's just not making no sound, and I started walking across the highway to look at it,

291

00:36:42,000 --> 00:36:54,000

and as I walked further away from the car, I noticed with my binoculars that there were about 11 men now,

292

00:36:54,000 --> 00:37:03,000

I thought, looking down at me, and they suddenly made a turn to what I thought was a panel,

293

00:37:03,000 --> 00:37:10,000

and I could see their arms growing up, and there was one that kept looking down,

294

00:37:10,000 --> 00:37:21,000

and I kept going closer, and I could see two red lights coming out from the tip of this thing

295

00:37:21,000 --> 00:37:32,000

that did not look like a plane at all, or a helicopter, and I could see a long something coming down from the center,

296

00:37:32,000 --> 00:37:41,000

and I kept going closer and closer, and I thought, oh my God, what is this thing?

297

00:37:41,000 --> 00:37:52,000

And I felt myself being told to come closer, and I was greatly confused, and I blinked my eyes,

298

00:37:52,000 --> 00:37:59,000

and I thought, this can't be real, and I shook my head and turned it away and looked back,

299

00:37:59,000 --> 00:38:03,000

and I said, oh God, it's there, what is this thing?

300

00:38:03,000 --> 00:38:13,000

And I put my hand toward my gun, and I could not put my hand there, and I could not understand why my hands kept going up with the binoculars,

301

00:38:13,000 --> 00:38:21,000

and I was told to keep the binoculars up, and keep looking up, and keep coming closer, no harm would come to me,

302

00:38:21,000 --> 00:38:30,000

and that's when I opened my hands, and the binoculars fell around my neck, and I ran screaming back to the car

303

00:38:30,000 --> 00:38:37,000

that they were going to capture us, and yet I could not understand what they wanted to capture us for,

304

00:38:37,000 --> 00:38:47,000

and I thought I should report this to the police if ever I could find a call box or anything or a restaurant open,

305

00:38:47,000 --> 00:38:53,000

because this was very unusual for something to do that, and I thought of the military,

306

00:38:53,000 --> 00:38:59,000

and I thought since they had on Black Jack the one looking at me had on a black jacket,

307

00:38:59,000 --> 00:39:08,000

he must have been a military officer, and yet I could not quite understand why they were doing what they were doing,

308

00:39:08,000 --> 00:39:13,000

and there was no sound coming from this thing just up there in the sky.

309

00:39:13,000 --> 00:39:15,000

How did they do this?

310

00:39:17,000 --> 00:39:19,000

They didn't seem too big.

311

00:39:20,000 --> 00:39:24,000

What does that picture of them like? Are they're larger?

312

00:39:24,000 --> 00:39:40,000

I thought that they did not look too strange, they were not unlike people I see, human beings, or any other kind of eyes.

313

00:39:40,000 --> 00:39:52,000

The eyes kept coming down, but they were not the leader's eyes, and they kept telling me to keep quiet and come closer,

314

00:39:52,000 --> 00:40:02,000

and when I ran back to the car, the eyes seemed to still be in my brain, but they were not the leader's eyes,

315

00:40:03,000 --> 00:40:12,000

and I could not understand why this growing thing kept following me down the highway when I ran back to the car,

316

00:40:12,000 --> 00:40:22,000

and it kept following me, yet I knew it wasn't there, and I would blink my eyes and look off to the left, and I would look at Betty.

317

00:40:22,000 --> 00:40:27,000

I knew it couldn't be real, something in my head like that.

318

00:40:27,000 --> 00:40:28,000

What do you mean by that?

319

00:40:28,000 --> 00:40:30,000

Yes, the eyes.

320

00:40:30,000 --> 00:40:32,000

The whole thing in my head, then.

321

00:40:32,000 --> 00:40:35,000

No, my presentation.

322

00:40:36,000 --> 00:40:39,000

All right, my reason now.

323

00:40:41,000 --> 00:40:52,000

I remember it just like I remembered everything up to when I stopped at Indian Head.

324

00:40:52,000 --> 00:41:05,000

I remember everything I did, and I drove down the highway, and I went through North Woodstock and made a left turn,

325

00:41:05,000 --> 00:41:13,000

and drove a short distance and made a right turn, and then a left turn,

326

00:41:13,000 --> 00:41:20,000

and Betty was looking at me, sort of puzzled, and yet she did not question what I was going,

327

00:41:20,000 --> 00:41:25,000

and I could sense what she was thinking, and I said,

328

00:41:25,000 --> 00:41:31,000

that I know I'm doing all right, I know I'm in the right road, but I didn't think she was thinking.

329

00:41:31,000 --> 00:41:34,000

I didn't think that she was thinking.

330

00:41:34,000 --> 00:41:44,000

I thought she was thinking that I had gone off the highway, and yet, you often sense her thought?

331

00:41:45,000 --> 00:41:48,000

Yes.

332

00:41:48,000 --> 00:41:53,000

We sometimes do this.

333

00:41:53,000 --> 00:42:02,000

We sometimes try to see if one can sense what the other.

334

00:42:02,000 --> 00:42:04,000

It's not too effective.

335

00:42:04,000 --> 00:42:08,000

You might be tired of the easy things.

336

00:42:08,000 --> 00:42:12,000

Yes, I'm trying to get myself back to bed.

337

00:42:13,000 --> 00:42:22,000

Well, when I was in Philadelphia, Chief would say that she would want me to call her,

338

00:42:22,000 --> 00:42:28,000

and Chief said that many times she would lie there in her room and say,

339

00:42:28,000 --> 00:42:34,000

call me, Bonnie, call me, and then I would call her.

340

00:42:34,000 --> 00:42:39,000

Not that I thought she had asked me to call, but that I had planned to call,

341

00:42:39,000 --> 00:42:46,000

but she would say, you must have read my thoughts, because I was lying here hoping you would call.

342

00:42:50,000 --> 00:42:57,000

Could you have planned all of these thoughts of your mind, and thought that you might have been guided?

343

00:42:57,000 --> 00:43:00,000

I knew Betty hadn't hypnotized me.

344

00:43:00,000 --> 00:43:04,000

I wanted to think she had hypnotized me.

345

00:43:04,000 --> 00:43:14,000

I wanted to think that that object wasn't there, and that's why I said,

346

00:43:14,000 --> 00:43:17,000

what are you doing, Betty, trying to hypnotize me?

347

00:43:17,000 --> 00:43:25,000

And since I kept saying it's a plane, I wanted her to say, yes, it's a plane, and we drive on,

348

00:43:25,000 --> 00:43:38,000

but it kept following us, and I did not like that, and I knew it was very peculiar that a plane would follow a car down the highway like that,

349

00:43:38,000 --> 00:43:51,000

and I had hoped it was not there, and I did not want it to be there, and yet it stayed and kept going down the highway with us until I stopped,

350

00:43:51,000 --> 00:44:02,000

and it stopped and began coming closer as it made a swing over to my side of the car, and I started walking through water,

351

00:44:02,000 --> 00:44:14,000

and I knew it was there. It was very huge and very close, and I was very puzzled that it was still there,

352

00:44:14,000 --> 00:44:23,000

and then I saw a row of windows, and I could see these people looking back at me,

353

00:44:23,000 --> 00:44:33,000

and I thought, my, isn't this the most ridiculous thing, and I would shake my head and look up in another direction,

354

00:44:33,000 --> 00:44:42,000

and look back, thinking, well, maybe if I do this, it really won't be there, and it stayed there, and I kept going closer toward it,

355

00:44:42,000 --> 00:44:59,000

and I was confused that this thing could do that, and then I ran back to the car because I knew very strongly that it had planned to capture a gravity out there,

356

00:44:59,000 --> 00:45:03,000

and the man who had had the plan to capture me, how did you know that?

357

00:45:04,000 --> 00:45:20,000

I could see the thing coming very, very closer, and I too was walking closer, and I saw a, it was not like a rope,

358

00:45:20,000 --> 00:45:30,000

but a long object coming down from the bottom of it. I could see this with my binoculars and my eyes.

359

00:45:31,000 --> 00:45:38,000

I thought of the ladder, but I didn't know really what it was, except that something was coming down from it,

360

00:45:38,000 --> 00:45:55,000

and these wings that slid out were not like wings of a plane, but very more like that type, the

military plane that type wings, it slid out,

361

00:45:56,000 --> 00:46:00,000

and the wings slid out from the body?

362

00:46:00,000 --> 00:46:10,000

It didn't have a fuselage type shape, and the wings began sliding out, the red lights began moving away,

363

00:46:10,000 --> 00:46:20,000

and I noticed that they were an extension of these wings, and I then was able to break away and run back to my car.

364

00:46:20,000 --> 00:46:29,000

What was the shape of this? It had more of an oval type flint type shape.

365

00:46:29,000 --> 00:46:39,000

What was the shape of this? It had more of an oval type flint type shape.

366

00:46:39,000 --> 00:46:43,000

The body was crowded with cigars.

367

00:46:43,000 --> 00:46:55,000

When it was flying in the sky, it gave the appearance of a cigar because I thought it was a passenger plane because of the longness of it,

368

00:46:55,000 --> 00:47:07,000

but then it was off at a distance, and only when I came closer did I notice that what I thought was a straight row of lights on a plane

369

00:47:07,000 --> 00:47:12,000

turned out to be a curved type of series of lights.

370

00:47:12,000 --> 00:47:15,000

Alright, now we're about there.

371

00:47:15,000 --> 00:47:17,000

I hope you have anything further.

372

00:47:23,000 --> 00:47:25,000

That's all fine.

373

00:47:25,000 --> 00:47:32,000

I'm puzzled about something that I can remember being hypnotized.

374

00:47:38,000 --> 00:47:46,000

Usually when I would come in here, I knew I had been hypnotized, but I wouldn't remember,

375

00:47:46,000 --> 00:47:52,000

and I would look at my watch and two hours would have gone by, and I would think that only about ten minutes had passed,

376

00:47:52,000 --> 00:47:59,000

and I can remember things that seemed to...

377

00:47:59,000 --> 00:48:04,000

About this today's session that I couldn't remember about any other sessions we had.

378

00:48:05,000 --> 00:48:14,000

About my UFO sighting that I was talking about,

379

00:48:14,000 --> 00:48:23,000

and certain things puzzled me, but I could not quite understand.

380

00:48:23,000 --> 00:48:27,000

I could never understand.

381

00:48:27,000 --> 00:48:32,000

I used to talk with Walter Webb when he would pay us a visit,

382

00:48:32,000 --> 00:48:36,000

and we would talk about our sighting, my sighting and Betty sighting,

383

00:48:36,000 --> 00:48:43,000

and I would always talk, and I would come right up to the men turning to the panel,

384

00:48:43,000 --> 00:48:47,000

and I never could seem to go any further than that,

385

00:48:47,000 --> 00:48:55,000

but now I can almost see just what that fellow looked like that was looking down at me,

386

00:48:56,000 --> 00:49:09,000

and that he was not frightening in a horrible sense, like a distorted or unhuman type of a creature.

387

00:49:09,000 --> 00:49:15,000

He was more... the frightening part was the military precision,

388

00:49:15,000 --> 00:49:22,000

as if a person who knew what to do could do it and was willing to carry it out.

389

00:49:22,000 --> 00:49:26,000

And when I said that he was going to capture me,

390

00:49:26,000 --> 00:49:32,000

I used to could remember that, but I never could remember why I thought he was going to capture me.

391

00:49:32,000 --> 00:49:39,000

I don't know why. Why was he going to capture me?

392

00:49:39,000 --> 00:49:45,000

Well, now I was forced out there,

393

00:49:45,000 --> 00:49:50,000

and I could never understand what caused me to walk out toward that object,

394

00:49:50,000 --> 00:49:58,000

but all my senses would do a thing like that.

395

00:49:58,000 --> 00:50:06,000

And it's very strange. It's unbelievable.

396

00:50:06,000 --> 00:50:11,000

And I'll tell you three things. Here on out, if we go along,

397

00:50:11,000 --> 00:50:16,000

we're going to be going down to become more and more conscious of what's going on in this market,

398

00:50:16,000 --> 00:50:20,000

and what you have remembered. It won't help you,

399

00:50:20,000 --> 00:50:26,000

and you'll remember more and more as you get used to it, and not be in trouble for it.

400

00:50:26,000 --> 00:50:28,000

Yes.

401

00:50:29,000 --> 00:50:36,000

You know, Benny and I used to go up to the White Mountains after this sighting.

402

00:50:36,000 --> 00:50:41,000

This would have been in the year 1962, occasionally in 1963.

403

00:50:41,000 --> 00:50:48,000

And we would drive around in these different back trails of the mountains

404

00:50:48,000 --> 00:50:55,000

because we could never seem to understand what we were doing off the main highway,

405

00:50:55,000 --> 00:51:03,000

because I just couldn't seem to understand why I felt that I was on U3,

406

00:51:03,000 --> 00:51:11,000

and yet I wasn't sure that I was on U3, but now I know that I turned off the highway.

407

00:51:11,000 --> 00:51:17,000

And how do you remember Benny talking about these things?

408

00:51:17,000 --> 00:51:24,000

Yes. Benny would have mentioned that.

409

00:51:24,000 --> 00:51:32,000

Now, some of the things she told me about her dreams, where I was a part of it,

410

00:51:32,000 --> 00:51:36,000

was my teeth being taken out, and I said, well, what was I doing?

411

00:51:36,000 --> 00:51:42,000

And she said, well, you weren't doing anything because she really didn't know other than that.

412

00:51:42,000 --> 00:51:46,000

You didn't stop for a rest on the time on the trip?

413

00:51:46,000 --> 00:51:53,000

Yes, we stopped. We stopped, oh, it was quite, I'd say approximately 20 miles out.

414

00:51:53,000 --> 00:51:59,000

We were 20 miles out of Montreal, but I mean, then we stopped, and no, we didn't stop at all.

415

00:51:59,000 --> 00:52:03,000

We didn't stop to take a nap, and we were like, no, we didn't never stop.

416

00:52:03,000 --> 00:52:05,000

And it was just a continuous drive down.

417

00:52:05,000 --> 00:52:11,000

I felt, in good spirits, I felt in high spirits, I was well rested from the night before,

418

00:52:11,000 --> 00:52:19,000

and we had spent a delightful day, and I knew I could drive on from the right mountains down the Putsmouth,

419

00:52:19,000 --> 00:52:22,000

so I didn't stop, I didn't feel too tired.

420

00:52:22,000 --> 00:52:28,000

But that's puzzling because, you know, Dr. Freyman's, I almost called you Dr. Stevens,

421

00:52:28,000 --> 00:52:41,000

it's puzzling because vaguely, I could remember a red glow in the highway,

422

00:52:41,000 --> 00:52:47,000

and I always thought someone was doing something like that, like dragging me down.

423

00:52:47,000 --> 00:52:51,000

Well, yes, if a lantern had been in the hand.

424

00:52:51,000 --> 00:52:53,000

Well, that would give me a red glow.

425

00:52:53,000 --> 00:52:56,000

No, but the glow wasn't coming from this, are they?

426

00:52:56,000 --> 00:52:57,000

No.

427

00:52:57,000 --> 00:53:02,000

The glow was just a large glow, and I thought, jeez, my God, it can't be that kind.

428

00:53:02,000 --> 00:53:04,000

I don't know how to say large moon, not large, but I think...

429

00:53:04,000 --> 00:53:08,000

Well, I thought about the moon, but the thing was right there on the highway,

430

00:53:08,000 --> 00:53:10,000

which I could never seem to understand.

431

00:53:10,000 --> 00:53:16,000

If I had looked for that spot, and looked where I said, now how can the moon be on the highway

432

00:53:16,000 --> 00:53:23,000

in that kind of position, and I could never seem to find any terrain up there that fit

433

00:53:23,000 --> 00:53:28,000

what I sort of, definitely remembered, this thing was sitting there, like,

434

00:53:28,000 --> 00:53:34,000

and I kept remembering these men flagging me down, and then I sort of don't remember,

435

00:53:34,000 --> 00:53:38,000

and now I remember.

436

00:53:38,000 --> 00:53:43,000

All right, then we'll continue now.
