

1

00:00:00,000 --> 00:00:05,000

They said they'd see some colonel out there when you heard from him.

2

00:00:05,000 --> 00:00:07,000

He's in the appendage all year and he's had no colonel.

3

00:00:07,000 --> 00:00:11,000

Sir, what colonel were you supposed to be talking about?

4

00:00:11,000 --> 00:00:13,000

Yeah, do you have any questions?

5

00:00:13,000 --> 00:00:14,000

I don't know.

6

00:00:14,000 --> 00:00:16,000

I just want to get to it.

7

00:00:16,000 --> 00:00:18,000

That's right.

8

00:00:18,000 --> 00:00:22,000

I'm going to ask some of the questions.

9

00:00:22,000 --> 00:00:26,000

You have an invert from University of Colorado,

10

00:00:26,000 --> 00:00:29,000

Dr. Condon, to know he has one on.

11

00:00:29,000 --> 00:00:33,000

They are supposed to send a man in here to look this up.

12

00:00:33,000 --> 00:00:39,000

I think it was a sight of yours in several other places.

13

00:00:39,000 --> 00:00:45,000

So now, let's see, you started to fill that keynote report out,

14

00:00:45,000 --> 00:00:47,000

which is...

15

00:00:47,000 --> 00:00:53,000

I started to, but I thought maybe somebody would tell me to come from the government.

16

00:00:53,000 --> 00:00:55,000

I don't want you to fill it out.

17

00:00:55,000 --> 00:00:58,000

Well, of course, I think they will.

18

00:00:58,000 --> 00:01:00,000

They don't have it as covered things, right?

19

00:01:00,000 --> 00:01:02,000

Yeah, that's right.

20

00:01:02,000 --> 00:01:05,000

It was quite interesting that you took that to...

21

00:01:05,000 --> 00:01:07,000

took a piece of metal.

22

00:01:07,000 --> 00:01:12,000

Of course, it's so small that its significance may be difficult now.

23

00:01:12,000 --> 00:01:15,000

Do you have any reading of that?

24

00:01:15,000 --> 00:01:17,000

I haven't had an outline.

25

00:01:17,000 --> 00:01:22,000

I read it, but it's in the area out there for any radioactivity.

26

00:01:22,000 --> 00:01:24,000

It's in the space behind it.

27

00:01:24,000 --> 00:01:26,000

It's in your...

28

00:01:26,000 --> 00:01:29,000

It's shown that it's in your pocket, I believe.

29

00:01:29,000 --> 00:01:32,000

You got something higher here than the one I read.

30

00:01:32,000 --> 00:01:34,000

I do not see it from anywhere.

31

00:01:34,000 --> 00:01:37,000

So that's the actual page, including a little bit of it.

32

00:01:37,000 --> 00:01:39,000

This is Lincoln's...

33

00:01:39,000 --> 00:01:41,000

I got two more papers in there.

34

00:01:41,000 --> 00:01:45,000

I told this reporter in Lincoln that he sends people out here.

35

00:01:45,000 --> 00:01:47,000

I guess it would be.

36

00:01:47,000 --> 00:01:49,000

What is that?

37

00:01:49,000 --> 00:01:52,000

It's an art of all the way down the face of the museum.

38

00:01:52,000 --> 00:01:54,000

This is in the...

39

00:01:54,000 --> 00:01:59,000

Lincoln Journal for Friday, December 8th, PM.

40

00:01:59,000 --> 00:02:01,000

Right?

41

00:02:01,000 --> 00:02:03,000

Oh, yeah.

42

00:02:03,000 --> 00:02:05,000

See, this is why we should have got Lincoln paper on that.

43

00:02:05,000 --> 00:02:09,000

It's either with the sighting, the toothy night that we came out here,

44

00:02:09,000 --> 00:02:12,000

at 11 o'clock, again, and we couldn't...

45

00:02:12,000 --> 00:02:14,000

We haven't been able to learn the names of anybody.

46

00:02:14,000 --> 00:02:17,000

But I've got two more authors, Valerie Wimman.

47

00:02:17,000 --> 00:02:21,000

We were a little bit of a told people that they're local kids.

48

00:02:21,000 --> 00:02:24,000

They seem to say anything. I haven't had a chance to talk to you, but they don't.

49

00:02:24,000 --> 00:02:26,000

They're afraid of publicity.

50

00:02:26,000 --> 00:02:28,000

They're afraid of anybody.

51

00:02:28,000 --> 00:02:30,000

Well, probably.

52

00:02:30,000 --> 00:02:33,000

We can talk to them without publicity, and that is if you would...

53

00:02:33,000 --> 00:02:35,000

If you ever get a...

54

00:02:35,000 --> 00:02:37,000

If you want to call them up here.

55

00:02:37,000 --> 00:02:39,000

Eight micro-wrenches.

56

00:02:39,000 --> 00:02:42,000

About 160 times higher than them.

57

00:02:42,000 --> 00:02:44,000

I'm not familiar with that.

58

00:02:44,000 --> 00:02:45,000

Yeah.

59

00:02:45,000 --> 00:02:46,000

I had no training.

60

00:02:46,000 --> 00:02:48,000

Yeah, and on that metal piece...

61

00:02:48,000 --> 00:02:53,000

There was a physics man, Dr. Ladsden.

62

00:02:53,000 --> 00:02:57,000

He was a chief McMillan at OU.

63

00:02:57,000 --> 00:03:01,000

That's quite interesting in this, and he may assist you.

64

00:03:01,000 --> 00:03:04,000

I couldn't get hold of me. I had some meeting going on.

65

00:03:04,000 --> 00:03:06,000

We have a group of people,

66

00:03:06,000 --> 00:03:10,000

working right here, different networks, we can call them.

67

00:03:10,000 --> 00:03:13,000

We had private sessions.

68

00:03:13,000 --> 00:03:15,000

I'm not going to send it to the government.

69

00:03:15,000 --> 00:03:18,000

I might not have any of them yet.

70

00:03:18,000 --> 00:03:21,000

If you give them anything, you'll never get it back.

71

00:03:21,000 --> 00:03:25,000

If you have any pictures that usually try to get your negatives, that's it.

72

00:03:25,000 --> 00:03:31,000

Yeah, you see, there was an incident in Omaha where we went and got some material in a guy's yard,

73

00:03:31,000 --> 00:03:38,000

and I measured it and took pictures of it, and he worked for Allied Chemical this spring as a guard.

74

00:03:38,000 --> 00:03:41,000

He took the material down there to their chemist,

75

00:03:41,000 --> 00:03:44,000

and the first thing, you know, the guy's from off the field over there,

76

00:03:44,000 --> 00:03:48,000

but he managed to move back a big chunk of it like that,

77

00:03:48,000 --> 00:03:55,000

and they took a photograph of it at Allied Chemical of the pieces that were in a gallon pan.

78

00:03:55,000 --> 00:03:59,000

Well, the only thing that he had left was a photograph,

79

00:03:59,000 --> 00:04:05,000

and the author got all the little pieces of wire and some of the things we thought would be good for him to still have.

80

00:04:05,000 --> 00:04:07,000

He don't have them anymore.

81

00:04:07,000 --> 00:04:14,000

They went to Western Electric, and they ran a spectograph on it, which is a pretty high-class.

82

00:04:14,000 --> 00:04:17,000

And they told me exactly when they found them.

83

00:04:17,000 --> 00:04:21,000

Did you get any report on your piece of metal yet?

84

00:04:21,000 --> 00:04:23,000

I haven't. I had an analysis.

85

00:04:23,000 --> 00:04:26,000

I had an analysis. I ain't on it.

86

00:04:26,000 --> 00:04:29,000

Yeah, now, we got this from this fellow, and...

87

00:04:29,000 --> 00:04:35,000

Well, now, this extra radioactivity is very important.

88

00:04:35,000 --> 00:04:38,000

What's OPPD officials got to say about it?

89

00:04:38,000 --> 00:04:40,000

I didn't say. I modeled it.

90

00:04:40,000 --> 00:04:42,000

Oh, yeah.

91

00:04:42,000 --> 00:04:45,000

OPPD officials in Ashton, what have they got here?

92

00:04:45,000 --> 00:04:48,000

As OPPD got an office here.

93

00:04:48,000 --> 00:04:49,000

They do.

94

00:04:49,000 --> 00:04:55,000

Well, we noticed there's a big switching, or a transformer placed out by that power station, you see.

95

00:04:55,000 --> 00:04:56,000

And you've got a...

96

00:04:56,000 --> 00:05:01,000

I had my mapping, and I'll show you, but there's a 69,000-volt line coming up from Lernsville.

97

00:05:01,000 --> 00:05:06,000

It crosses the highway out here, and then it cuts straight north about where there's a switching.

98

00:05:06,000 --> 00:05:08,000

That's the answer on this.

99

00:05:08,000 --> 00:05:11,000

Well, this may or may not have...

100

00:05:11,000 --> 00:05:18,000

There's evidence around the country where these are seen, usually, in the proximity to large power lines, regularly.

101

00:05:18,000 --> 00:05:19,000

No power lines?

102

00:05:19,000 --> 00:05:20,000

No.

103

00:05:20,000 --> 00:05:22,000

And it's, well, yeah.

104

00:05:22,000 --> 00:05:24,000

We're right on the other side. This is right straight out here.

105

00:05:24,000 --> 00:05:27,000

And these power lines are there.

106

00:05:27,000 --> 00:05:30,000

Substation, more or less, that's what we're here for.

107

00:05:30,000 --> 00:05:31,000

What actually?

108

00:05:31,000 --> 00:05:33,000

Two or three miles, you know.

109

00:05:33,000 --> 00:05:34,000

Let me push this over.

110

00:05:34,000 --> 00:05:36,000

I have to stay and then I'll get out of this.

111

00:05:36,000 --> 00:05:40,000

We had heard in a cafe Tuesday night that there was a couple girls.

112

00:05:40,000 --> 00:05:44,000

Now, did these girls tell you about this light so that you went out there?

113

00:05:44,000 --> 00:05:46,000

You know, if they'd find it on your...

114

00:05:46,000 --> 00:05:48,000

I found this on my own.

115

00:05:48,000 --> 00:05:49,000

I got a call.

116

00:05:49,000 --> 00:05:52,000

I sure liked the one girl, that two girls called them.

117

00:05:52,000 --> 00:05:54,000

They said they...

118

00:05:54,000 --> 00:05:58,000

They think they seem to be talking, but they don't want to give me...

119

00:05:58,000 --> 00:06:00,000

Yeah, no, I really didn't.

120

00:06:00,000 --> 00:06:01,000

I don't know.

121

00:06:01,000 --> 00:06:04,000

See, now I have a daughter that's going to nursing school,

122

00:06:04,000 --> 00:06:10,000

and she's got a friend here by the name of Kat, or Pam Johnson.

123

00:06:10,000 --> 00:06:13,000

And she's of the opinion that...

124

00:06:13,000 --> 00:06:14,000

This is Oaks.

125

00:06:14,000 --> 00:06:17,000

That's the story she's telling my daughter down in the school seat.

126

00:06:17,000 --> 00:06:24,000

And, but the thing is, this is the sort of thing that sometimes puts you on the spot,

127

00:06:24,000 --> 00:06:25,000

both of you, because...

128

00:06:25,000 --> 00:06:30,000

Boy, there's not anything that you probably desire to get involved in,

129

00:06:30,000 --> 00:06:33,000

because a lot of times people in the past have neglected you,

130

00:06:33,000 --> 00:06:35,000

because they've also...

131

00:06:35,000 --> 00:06:37,000

It's the right way to cover it up.

132

00:06:37,000 --> 00:06:40,000

See, they try to smear it here, or anybody connected with it,

133

00:06:40,000 --> 00:06:42,000

and they just tell the truth.

134

00:06:42,000 --> 00:06:44,000

They do this with their cause, their...

135

00:06:44,000 --> 00:06:45,000

Their...

136

00:06:45,000 --> 00:06:46,000

Their...

137

00:06:46,000 --> 00:06:50,000

That way it makes you feel kind of decent.

138

00:06:50,000 --> 00:06:51,000

That's why you're...

139

00:06:51,000 --> 00:06:53,000

Yeah, I like to test your test.

140

00:06:53,000 --> 00:06:56,000

That's one of the things that...

141

00:06:56,000 --> 00:06:57,000

What?

142

00:06:57,000 --> 00:06:59,000

Well, who's interested in that?

143

00:06:59,000 --> 00:07:03,000

Afco, Lawrence, and other things,

144

00:07:03,000 --> 00:07:09,000

although I don't know how much authenticity you're involved in those tests.

145

00:07:09,000 --> 00:07:13,000

You didn't decide if he did it, or if he never came out.

146

00:07:13,000 --> 00:07:14,000

He came to Craig?

147

00:07:14,000 --> 00:07:15,000

No.

148

00:07:15,000 --> 00:07:16,000

Okay.

149

00:07:16,000 --> 00:07:19,000

Okay, well, I'm through about this,

150

00:07:19,000 --> 00:07:22,000

because there seems to be a need to check out a couple of these girls

151

00:07:22,000 --> 00:07:24,000

and verify that, somewhere,

152

00:07:24,000 --> 00:07:28,000

and then you say that there's a couple of older women.

153

00:07:28,000 --> 00:07:29,000

Yeah.

154

00:07:29,000 --> 00:07:32,000

They don't care any publicity.

155

00:07:32,000 --> 00:07:34,000

They just want to call...

156

00:07:34,000 --> 00:07:38,000

They just want to ask them the names of the woman who was coming...

157

00:07:38,000 --> 00:07:40,000

Mrs. Falter was her name.

158

00:07:40,000 --> 00:07:44,000

My wife is running publicity right now.

159

00:07:44,000 --> 00:07:47,000

And around this town here,

160

00:07:47,000 --> 00:07:49,000

you're going to find out that these kids right here

161

00:07:49,000 --> 00:07:52,000

are really going to put a hopes on people.

162

00:07:52,000 --> 00:07:53,000

Yeah.

163

00:07:53,000 --> 00:07:55,000

They'll make sure it was who he is, what he is,

164

00:07:55,000 --> 00:07:57,000

and what he's doing, especially if he's a police officer.

165

00:07:57,000 --> 00:07:58,000

Oh, right.

166

00:07:58,000 --> 00:07:59,000

Definitely.

167

00:07:59,000 --> 00:08:00,000

Definitely.

168

00:08:00,000 --> 00:08:02,000

They can give you a rough time, right, in any...

169

00:08:02,000 --> 00:08:03,000

All the time.

170

00:08:03,000 --> 00:08:05,000

I don't think he's being too much.

171

00:08:05,000 --> 00:08:07,000

Too much, yeah.

172

00:08:07,000 --> 00:08:09,000

But sometimes somebody can start a nice little rumor

173

00:08:09,000 --> 00:08:12,000

to discredit the whole thing, you know what I mean?

174

00:08:12,000 --> 00:08:14,000

Did you ever see one of these people,

175

00:08:14,000 --> 00:08:17,000

or any form of police before?

176

00:08:17,000 --> 00:08:18,000

How much?

177

00:08:18,000 --> 00:08:19,000

Never.

178

00:08:19,000 --> 00:08:21,000

I've never been...

179

00:08:21,000 --> 00:08:22,000

In close.

180

00:08:22,000 --> 00:08:24,000

In a jury around anyone who had?

181

00:08:24,000 --> 00:08:26,000

Where are you going south on 6th?

182

00:08:26,000 --> 00:08:28,000

I was going toward Waverly.

183

00:08:28,000 --> 00:08:29,000

I was out.

184

00:08:29,000 --> 00:08:31,000

Over the whole South on 6th.

185

00:08:31,000 --> 00:08:33,000

And you can see it just once you got along.

186

00:08:33,000 --> 00:08:35,000

I was going to the side of the street.

187

00:08:35,000 --> 00:08:36,000

I was going right there, you know.

188

00:08:36,000 --> 00:08:38,000

I was going quite fast, right?

189

00:08:38,000 --> 00:08:40,000

I was going to the left.

190

00:08:40,000 --> 00:08:42,000

And I noticed red lights.

191

00:08:42,000 --> 00:08:44,000

I thought it was a truck.

192

00:08:44,000 --> 00:08:47,000

So I figured, well, if these lights weren't flashing,

193

00:08:47,000 --> 00:08:48,000

then I stopped.

194

00:08:48,000 --> 00:08:51,000

I pulled in this little place where we turned around all the time.

195

00:08:51,000 --> 00:08:53,000

And I looked at my watch.

196

00:08:53,000 --> 00:08:55,000

I always looked at my watch.

197

00:08:55,000 --> 00:08:57,000

It was a habit.

198

00:08:57,000 --> 00:08:59,000

You know, you get out and take it, you leave it on.

199

00:08:59,000 --> 00:09:00,000

It was a habit, you know.

200

00:09:00,000 --> 00:09:02,000

And I turned around, I come up on the object,

201

00:09:02,000 --> 00:09:04,000

and I put my lights on bright,

202

00:09:04,000 --> 00:09:06,000

and it just lit up like a grid of a street,

203

00:09:06,000 --> 00:09:08,000

and red lights started flashing on off.

204

00:09:08,000 --> 00:09:11,000

These lights were not on the outside of the span.

205

00:09:11,000 --> 00:09:13,000

They were on the inside.

206

00:09:13,000 --> 00:09:19,000

Were they a point light, like a spotlight, or a glow?

207

00:09:19,000 --> 00:09:21,000

You see one of these.

208

00:09:21,000 --> 00:09:24,000

Take a big red light like this.

209

00:09:24,000 --> 00:09:26,000

It's flashing on and off.

210

00:09:26,000 --> 00:09:29,000

That's what you could observe.

211

00:09:29,000 --> 00:09:34,000

That's what I'm sure of.

212

00:09:34,000 --> 00:09:36,000

Coming from the inside.

213

00:09:36,000 --> 00:09:38,000

And through the purple.

214

00:09:38,000 --> 00:09:40,000

These lights were just that kind of.

215

00:09:40,000 --> 00:09:42,000

When you first saw a light coming up on the road,

216

00:09:42,000 --> 00:09:44,000

or when the thing got your attention,

217

00:09:44,000 --> 00:09:46,000

it wasn't light that got your attention.

218

00:09:46,000 --> 00:09:50,000

Were the lights near the top like they'd be on the top of a summit?

219

00:09:50,000 --> 00:09:52,000

No.

220

00:09:52,000 --> 00:09:58,000

No, these lights were mid-williams.

221

00:09:58,000 --> 00:10:01,000

What shape was the thing?

222

00:10:01,000 --> 00:10:03,000

I'm more like a disperper.

223

00:10:03,000 --> 00:10:08,000

That's a shape.

224

00:10:08,000 --> 00:10:12,000

I don't have any with the top.

225

00:10:12,000 --> 00:10:14,000

Well, just a purple.

226

00:10:14,000 --> 00:10:17,000

Because there was a lot of them on the way.

227

00:10:17,000 --> 00:10:21,000

I got some of these girls over in here that seen one,

228

00:10:21,000 --> 00:10:22,000

and they sent out letters.

229

00:10:22,000 --> 00:10:24,000

They get all kinds of fan mail.

230

00:10:24,000 --> 00:10:27,000

We see that.

231

00:10:27,000 --> 00:10:29,000

I don't know when you're talking about it.

232

00:10:29,000 --> 00:10:31,000

This is Janet.

233

00:10:31,000 --> 00:10:34,000

This is Janet Marys at Milligan, Nebraska.

234

00:10:34,000 --> 00:10:39,000

She sent a letter on December 7th from Geneva, Nebraska.

235

00:10:39,000 --> 00:10:41,000

What does it say in the memory?

236

00:10:41,000 --> 00:10:43,000

Whatever it is.

237

00:10:43,000 --> 00:10:47,000

I'll give you a second.

238

00:10:47,000 --> 00:10:50,000

It says I'm on Friday morning.

239

00:10:50,000 --> 00:10:53,000

Monday morning.

240

00:10:53,000 --> 00:10:56,000

I have a little report.

241

00:10:56,000 --> 00:10:58,000

I see that.

242

00:10:58,000 --> 00:11:00,000

I don't have any say in it.

243

00:11:00,000 --> 00:11:02,000

Do you have a little...

244

00:11:02,000 --> 00:11:04,000

I don't think it's a big or not.

245

00:11:04,000 --> 00:11:07,000

I don't know if I'm going to say it.

246

00:11:07,000 --> 00:11:09,000

I don't know.

247

00:11:09,000 --> 00:11:11,000

It would burst out.

248

00:11:11,000 --> 00:11:15,000

I don't want to get into talk with you so much.

249

00:11:15,000 --> 00:11:17,000

I have to watch.

250

00:11:17,000 --> 00:11:19,000

Is that the way you see it?

251

00:11:19,000 --> 00:11:22,000

Start talking.

252

00:11:22,000 --> 00:11:25,000

Questioning for a day or two.

253

00:11:25,000 --> 00:11:29,000

I was convinced you were down.

254

00:11:29,000 --> 00:11:33,000

I told you I knew where to sit.

255

00:11:33,000 --> 00:11:37,000

I told you we'd take a polygraph test.

256

00:11:37,000 --> 00:11:42,000

We'd just read the report.

257

00:11:42,000 --> 00:11:46,000

That's the way the meeting looked when it was out.

258

00:11:46,000 --> 00:11:50,000

We didn't come straight to the ground.

259

00:11:50,000 --> 00:11:54,000

The whole thing could have been luminous than underneath.

260

00:11:54,000 --> 00:11:56,000

It may have.

261

00:11:56,000 --> 00:11:58,000

I don't know.

262

00:11:58,000 --> 00:12:00,000

A translucent sort of thing.

263

00:12:00,000 --> 00:12:03,000

Can you come around and look at that?

264

00:12:03,000 --> 00:12:07,000

Does that look anything like what you saw Tuesday night?

265

00:12:07,000 --> 00:12:09,000

Monday morning.

266

00:12:09,000 --> 00:12:15,000

Did you see it from underneath?

267

00:12:15,000 --> 00:12:18,000

It went outside.

268

00:12:18,000 --> 00:12:21,000

There's lights underneath.

269

00:12:21,000 --> 00:12:25,000

It's right in there.

270

00:12:25,000 --> 00:12:29,000

What color was it?

271

00:12:29,000 --> 00:12:32,000

What color were those lights?

272

00:12:32,000 --> 00:12:36,000

They were different colors.

273

00:12:36,000 --> 00:12:39,000

But yours were all red.

274

00:12:39,000 --> 00:12:41,000

I asked Curb.

275

00:12:41,000 --> 00:12:44,000

What was the first hand pulse?

276

00:12:44,000 --> 00:12:49,000

He said he don't need this here.

277

00:12:49,000 --> 00:12:52,000

He thought it was possible.

278

00:12:52,000 --> 00:12:55,000

He said let's walk around.

279

00:12:55,000 --> 00:12:57,000

This right here.

280

00:12:57,000 --> 00:13:00,000

He thought it was a catwalk.

281

00:13:00,000 --> 00:13:02,000

Right here.

282

00:13:02,000 --> 00:13:06,000

He thought it was a catwalk.

283

00:13:06,000 --> 00:13:13,000

They said the beam filled the whole work.

284

00:13:13,000 --> 00:13:16,000

He said he didn't come to the ground.

285

00:13:16,000 --> 00:13:19,000

Was it white enough or was it white?

286

00:13:19,000 --> 00:13:22,000

It would be as white as the paper.

287

00:13:22,000 --> 00:13:25,000

It was white as the paper.

288

00:13:25,000 --> 00:13:29,000

Was that over towards the hill?

289

00:13:29,000 --> 00:13:31,000

Yeah.

290

00:13:31,000 --> 00:13:34,000

Was that dirt road right in that general area?

291

00:13:34,000 --> 00:13:37,000

It was a little wider spot.

292

00:13:37,000 --> 00:13:42,000

Right there at that road.

293

00:13:42,000 --> 00:13:46,000

That's where I kept that metal.

294

00:13:46,000 --> 00:13:48,000

Right there.

295

00:13:48,000 --> 00:13:51,000

I couldn't find anything out there.

296

00:13:51,000 --> 00:13:53,000

No.

297

00:13:53,000 --> 00:13:56,000

We found some on the street.

298

00:13:56,000 --> 00:14:00,000

I don't know if this is metal.

299

00:14:00,000 --> 00:14:03,000

It's an antivagnetic.

300

00:14:03,000 --> 00:14:06,000

When you take a picture of it,

301

00:14:06,000 --> 00:14:09,000

with the flash, we shade our eyes.

302

00:14:09,000 --> 00:14:12,000

We see it live off the flash.

303

00:14:12,000 --> 00:14:15,000

It's off the flash.

304

00:14:15,000 --> 00:14:20,000

I, of course, would probably get some help from this biochemist.

305

00:14:20,000 --> 00:14:24,000

There's Kepler and from this doctor.

306

00:14:24,000 --> 00:14:28,000

He's a lab rat.

307

00:14:28,000 --> 00:14:31,000

They do anything in the way of analysis.

308

00:14:31,000 --> 00:14:35,000

The thing is that this way we feel

309

00:14:35,000 --> 00:14:39,000

that there's a certain amount of evidence

310

00:14:39,000 --> 00:14:42,000

that we can give to the person.

311

00:14:42,000 --> 00:14:45,000

Even if we give it tonight.

312

00:14:45,000 --> 00:14:47,000

This outfit.

313

00:14:47,000 --> 00:14:49,000

Or even after.

314

00:14:49,000 --> 00:14:52,000

I'm not a member of those.

315

00:14:52,000 --> 00:14:55,000

I don't know if you get that.

316

00:14:55,000 --> 00:14:58,000

Can we get the night out?

317

00:14:58,000 --> 00:15:02,000

The thing is, there's no necessity

318

00:15:02,000 --> 00:15:05,000

given anything out.

319

00:15:05,000 --> 00:15:08,000

As far as I can see.

320

00:15:08,000 --> 00:15:11,000

To me, more people, more civilian people,

321

00:15:11,000 --> 00:15:13,000

have given it.

322

00:15:13,000 --> 00:15:15,000

Air Force pilot.

323

00:15:15,000 --> 00:15:17,000

Bus driver.

324

00:15:17,000 --> 00:15:20,000

Somebody bus driver in the town.

325

00:15:20,000 --> 00:15:22,000

That I was the only person in the United States

326

00:15:22,000 --> 00:15:24,000

that got 40 feet from us.

327

00:15:24,000 --> 00:15:27,000

Well, we got wind in our phone.

328

00:15:27,000 --> 00:15:30,000

We call the U.S. Air Force.

329

00:15:30,000 --> 00:15:34,000

The one and only person in our town

330

00:15:34,000 --> 00:15:37,000

that got 40 feet from us.

331

00:15:37,000 --> 00:15:40,000

He's not the only person in the U.S.

332

00:15:40,000 --> 00:15:43,000

who got 40 feet from us.

333

00:15:43,000 --> 00:15:45,000

The only person in the U.S.

334

00:15:45,000 --> 00:15:48,000

who got 40 feet from us.

335

00:15:48,000 --> 00:15:51,000

I'm not a U.S. Air Force pilot.

336

00:15:51,000 --> 00:15:54,000

I'm not a U.S. Air Force pilot either.

337

00:15:54,000 --> 00:15:59,000

I think it's him, came down.

338

00:15:59,000 --> 00:16:02,000

Well, then, you know, his job and his career.

339

00:16:02,000 --> 00:16:04,000

There seems to be evidence.

340

00:16:04,000 --> 00:16:09,000

There seems to be evidence that they could have picked up a brother.

341

00:16:09,000 --> 00:16:13,000

They could have picked a little brother who was a little bit like a shield.

342

00:16:13,000 --> 00:16:16,000

I just went and dived out to the live-out there.

343

00:16:16,000 --> 00:16:22,000

I tried to ask local residents around to ask them to come and tell them I'm here.

344

00:16:22,000 --> 00:16:24,000

I really think of the land of their...

345

00:16:24,000 --> 00:16:27,000

I want you to go to the...

346

00:16:27,000 --> 00:16:31,000

Where it was with farming centers, in the next door, is called Cully's Brook.

347

00:16:31,000 --> 00:16:37,000

And they're supposed to have actually had this land there.

348

00:16:37,000 --> 00:16:41,000

They had it in the paper, but the paper was missing when you did it.

349

00:16:41,000 --> 00:16:43,000

It's a microfilm.

350

00:16:43,000 --> 00:16:48,000

The microfilm paper's broke and that day's missing out of the microfilm copy.

351

00:16:48,000 --> 00:16:51,000

That was ten years later when I went there.

352

00:16:51,000 --> 00:16:54,000

But then I went over to the cap.

353

00:16:54,000 --> 00:16:56,000

There wasn't anything like that.

354

00:16:56,000 --> 00:16:58,000

Yeah, I was always missing out.

355

00:16:58,000 --> 00:17:03,000

So there's quite a bit to that, that side of it.

356

00:17:03,000 --> 00:17:04,000

Now, let's speak.

357

00:17:04,000 --> 00:17:07,000

One of these fellas was asking me on the way down,

358

00:17:07,000 --> 00:17:11,000

you said there was no legs or anything on the thing.

359

00:17:11,000 --> 00:17:12,000

Negative.

360

00:17:12,000 --> 00:17:13,000

Yeah.

361

00:17:13,000 --> 00:17:14,000

I just wanted to say that.

362

00:17:14,000 --> 00:17:15,000

Yeah.

363

00:17:15,000 --> 00:17:16,000

There's a few things for two of them.

364

00:17:16,000 --> 00:17:17,000

Yeah.

365

00:17:17,000 --> 00:17:20,000

Of course, that doesn't mean anything.

366

00:17:20,000 --> 00:17:24,000

Because just as many of them have been seen all over the country without legs.

367

00:17:24,000 --> 00:17:25,000

In fact, more.

368

00:17:25,000 --> 00:17:27,000

Of course, it wasn't touching me.

369

00:17:27,000 --> 00:17:28,000

It was over.

370

00:17:28,000 --> 00:17:29,000

It was over and over the ground.

371

00:17:29,000 --> 00:17:31,000

I mean, it made no noise.

372

00:17:31,000 --> 00:17:32,000

It made no noise at all.

373

00:17:32,000 --> 00:17:33,000

Now, wait a minute.

374

00:17:33,000 --> 00:17:35,000

What about your wife and your car?

375

00:17:35,000 --> 00:17:36,000

Was your car running?

376

00:17:36,000 --> 00:17:37,000

Yeah.

377

00:17:37,000 --> 00:17:38,000

When you pulled up to it?

378

00:17:38,000 --> 00:17:39,000

No effect on it?

379

00:17:39,000 --> 00:17:40,000

No effect on it?

380

00:17:40,000 --> 00:17:41,000

I saw my own in it.

381

00:17:41,000 --> 00:17:44,000

Because I had low gear and I just pulled up to it.

382

00:17:44,000 --> 00:17:47,000

I just tried to put it in the right place.

383

00:17:47,000 --> 00:17:49,000

You didn't go out at any time?

384

00:17:49,000 --> 00:17:50,000

No.

385

00:17:50,000 --> 00:17:52,000

And you had them left on all the time while you used that out?

386

00:17:52,000 --> 00:17:53,000

Yeah.

387

00:17:53,000 --> 00:17:54,000

Yeah.

388

00:17:54,000 --> 00:17:55,000

It was kind of around the odd.

389

00:17:55,000 --> 00:17:56,000

You go into my light, then bright lights did.

390

00:17:56,000 --> 00:18:00,000

That thing just shot up big like a big bright light, you know, and just flared up.

391

00:18:00,000 --> 00:18:01,000

You know.

392

00:18:01,000 --> 00:18:03,000

The light out there was a nice little light.

393

00:18:03,000 --> 00:18:04,000

It was a little bit smaller.

394

00:18:04,000 --> 00:18:06,000

There was a lot of dirt by there.

395

00:18:06,000 --> 00:18:07,000

What did it look like?

396

00:18:07,000 --> 00:18:09,000

It didn't have any of it.

397

00:18:09,000 --> 00:18:13,000

I mean, the herb said that it absolutely was not jet-for-forced.

398

00:18:13,000 --> 00:18:14,000

Oh, yeah.

399

00:18:14,000 --> 00:18:15,000

Oh, yeah.

400

00:18:15,000 --> 00:18:20,000

You ever heard of both things, Irene?

401

00:18:20,000 --> 00:18:24,000

I mean, a fire truck or a police car.

402

00:18:24,000 --> 00:18:29,000

But it had more of a tension.

403

00:18:29,000 --> 00:18:35,000

It went faster, it had a weirder howling and it went a little bit faster than that.

404

00:18:35,000 --> 00:18:39,000

And this is what it was doing when the steam was coming out from the engine.

405

00:18:39,000 --> 00:18:41,000

It just shot straight up in the air.

406

00:18:41,000 --> 00:18:47,000

I mean, if they liked that, I guess maybe, I don't know how a lot of times it did.

407

00:18:47,000 --> 00:18:49,000

So, what color would it be?

408

00:18:49,000 --> 00:18:50,000

Orange is red.

409

00:18:50,000 --> 00:18:51,000

Oh, it's orange.

410

00:18:51,000 --> 00:18:52,000

It's orange, too.

411

00:18:52,000 --> 00:18:53,000

There's all the air.

412

00:18:53,000 --> 00:18:58,000

Now, the fellas you're talking about are half and it's brother, right?

413

00:18:58,000 --> 00:18:59,000

Yeah.

414

00:18:59,000 --> 00:19:00,000

See, because it's an occasion.

415

00:19:00,000 --> 00:19:04,000

Some are very, you know, I don't remember making sounds.

416

00:19:04,000 --> 00:19:09,000

Were there any dogs around that you heard howling?

417

00:19:09,000 --> 00:19:12,000

No, the cows were acting up real bad here and down.

418

00:19:12,000 --> 00:19:13,000

They were just gone.

419

00:19:13,000 --> 00:19:16,000

They just had long, I mean, I'd never seen cows act like this before.

420

00:19:16,000 --> 00:19:18,000

Was this beat for in a spot?

421

00:19:18,000 --> 00:19:19,000

Yeah.

422

00:19:19,000 --> 00:19:22,000

And I said, well, I'm going to start checking around town.

423

00:19:22,000 --> 00:19:23,000

See what's going on.

424

00:19:23,000 --> 00:19:25,000

You know, the town was dead.

425

00:19:25,000 --> 00:19:27,000

And I got here by the highway, you know.

426

00:19:27,000 --> 00:19:30,000

Usually when cows act up in the hills, they'll be coming.

427

00:19:30,000 --> 00:19:34,000

And then if you couldn't, then I had to find them all.

428

00:19:34,000 --> 00:19:38,000

After I clicked about 20 times, I was about to snow.

429

00:19:38,000 --> 00:19:39,000

Well, that's upon me.

430

00:19:39,000 --> 00:19:40,000

Yeah, this is interesting.

431

00:19:40,000 --> 00:19:43,000

Now, what was this about the surface that you said?

432

00:19:43,000 --> 00:19:46,000

That it was, what, shiny or something?

433

00:19:46,000 --> 00:19:51,000

It was bright and we just saw it.

434

00:19:51,000 --> 00:19:53,000

It was bright and light, you know.

435

00:19:53,000 --> 00:19:54,000

It's glow.

436

00:19:54,000 --> 00:19:56,000

I mean, glow or bridge.

437

00:19:56,000 --> 00:20:00,000

It was a little bright when you had to go in the hills.

438

00:20:00,000 --> 00:20:05,000

Was there a sharp white light or kind of blueish white?

439

00:20:05,000 --> 00:20:09,000

If you see any windows, or if anybody's moving around,

440

00:20:09,000 --> 00:20:12,000

no, I didn't see anything moving inside.

441

00:20:12,000 --> 00:20:17,000

I noticed like the inside of red light, it had a little black line.

442

00:20:17,000 --> 00:20:19,000

A little straight line going like this.

443

00:20:19,000 --> 00:20:20,000

Very little line.

444

00:20:20,000 --> 00:20:21,000

Yeah.

445

00:20:21,000 --> 00:20:23,000

That was the inner part of the red line.

446

00:20:23,000 --> 00:20:24,000

Yeah, the seat looks like that.

447

00:20:24,000 --> 00:20:25,000

Yeah, behind like that.

448

00:20:25,000 --> 00:20:29,000

Was there any kind of, anything that looked like in the technique?

449

00:20:29,000 --> 00:20:30,000

No.

450

00:20:30,000 --> 00:20:36,000

There's been a couple of sightings where people claimed to have seen on the doorframe

451

00:20:36,000 --> 00:20:38,000

or maybe in the paper book.

452

00:20:38,000 --> 00:20:39,000

Yeah.

453

00:20:39,000 --> 00:20:40,000

But what about this compass?

454

00:20:40,000 --> 00:20:44,000

I think we missed that I had this paper, you said that they were acting up before this

455

00:20:44,000 --> 00:20:46,000

around the edges of town.

456

00:20:46,000 --> 00:20:47,000

Yeah.

457

00:20:47,000 --> 00:20:51,000

And usually their power, they were open up.

458

00:20:51,000 --> 00:20:53,000

Unusually, we said something about it.

459

00:20:53,000 --> 00:20:58,000

They were, I mean, I never think I was going to say anything.

460

00:20:58,000 --> 00:21:01,000

You know, the dead mold of me, it just scared me, you know.

461

00:21:01,000 --> 00:21:05,000

In other words, the clouds seemed to be in a certain way, it hurt very, very much.

462

00:21:05,000 --> 00:21:06,000

Yeah.

463

00:21:06,000 --> 00:21:11,000

You know, that could be a reaction like this dog, Pat's dog there, you know,

464

00:21:11,000 --> 00:21:13,000

it really shook up my mind.

465

00:21:13,000 --> 00:21:15,000

How did your dog react?

466

00:21:15,000 --> 00:21:17,000

Would you just swallow or something?

467

00:21:17,000 --> 00:21:22,000

Yeah, it's actually, it's run around the yard and you're going to pick a table.

468

00:21:22,000 --> 00:21:27,000

You can scratch that, the door, the parking and stuff like that.

469

00:21:27,000 --> 00:21:28,000

Yeah.

470

00:21:28,000 --> 00:21:30,000

Well, what did the dog react?

471

00:21:30,000 --> 00:21:31,000

What did the dog do to you?

472

00:21:31,000 --> 00:21:33,000

The dog was barking or did he let him out?

473

00:21:33,000 --> 00:21:37,000

Well, first I heard the dog barking, and then I heard the noise.

474

00:21:37,000 --> 00:21:41,000

And then I went, you know, through the hallway, then the top hallway, there's the window.

475

00:21:41,000 --> 00:21:44,000

And I kept looking out, you know, and watching this thing.

476

00:21:44,000 --> 00:21:47,000

And I kept going just as far as I could, you know, so I could see it.

477

00:21:47,000 --> 00:21:50,000

And then one of the men downstairs on the hallway was gone.

478

00:21:51,000 --> 00:21:52,000

And he was seen.

479

00:21:52,000 --> 00:21:58,000

Because there was a fella who was in the state of Carson 24, or Hyde 24.

480

00:22:00,000 --> 00:22:01,000

Happy down by.

481

00:22:01,000 --> 00:22:02,000

I didn't know he was talking.

482

00:22:02,000 --> 00:22:03,000

Right.

483

00:22:03,000 --> 00:22:06,000

They were that, you know, the kid down on County First,

484

00:22:06,000 --> 00:22:09,000

and he was not in the street, and he was in the state, you know,

485

00:22:09,000 --> 00:22:14,000

and he had a car to run into, you know, 24-some-month-old or a victim or a phone on the camera.

486

00:22:14,000 --> 00:22:15,000

You know, I don't know, huh?

487

00:22:15,000 --> 00:22:16,000

I heard him.

488

00:22:16,000 --> 00:22:17,000

He was naked.

489

00:22:17,000 --> 00:22:18,000

He was just,

490

00:22:19,000 --> 00:22:20,000

one of my guys, you know,

491

00:22:20,000 --> 00:22:25,000

that we would take a pipe and take a piece of rubber in it, push it through it, like a suction.

492

00:22:25,000 --> 00:22:26,000

Oh, yeah?

493

00:22:26,000 --> 00:22:28,000

Or that was just made when it was straight up in the air.

494

00:22:28,000 --> 00:22:30,000

Yeah, well, it probably wouldn't.

495

00:22:30,000 --> 00:22:31,000

Anything could be moving rapidly.

496

00:22:31,000 --> 00:22:33,000

It was on the side of it.

497

00:22:33,000 --> 00:22:35,000

It was straight up by the side.

498

00:22:35,000 --> 00:22:39,000

I didn't see them, like, I looked, you know, I was just looking at that.

499

00:22:39,000 --> 00:22:42,000

And he also said when he was, when he was going to find him at 618,

500

00:22:42,000 --> 00:22:43,000

he was around to work with me.

501

00:22:43,000 --> 00:22:44,000

I was looking for the video.

502

00:22:44,000 --> 00:22:45,000

He was looking for the video.

503

00:22:45,000 --> 00:22:46,000

And then it started going like this.

504

00:22:46,000 --> 00:22:48,000

There was just kind of, it was going like this.

505

00:22:48,000 --> 00:22:50,000

We had to raise up a little bit more.

506

00:22:50,000 --> 00:22:54,000

It wasn't, it wasn't, it got up to about 50 feet.

507

00:22:54,000 --> 00:22:55,000

I was down on it.

508

00:22:55,000 --> 00:22:57,000

No, actually, how high it got up, but I would say it was 50 feet.

509

00:22:57,000 --> 00:22:59,000

Well, it was almost as high as a surface,

510

00:22:59,000 --> 00:23:01,000

as high as a thing, then, when it was first on it.

511

00:23:01,000 --> 00:23:03,000

Yes, it was almost that high, yes.

512

00:23:03,000 --> 00:23:04,000

It was down on the ground.

513

00:23:04,000 --> 00:23:07,000

And there's no other trucks or anything went by in this time,

514

00:23:07,000 --> 00:23:13,000

because this total time of last was maybe what, less than three minutes, or one and a half hours?

515

00:23:13,000 --> 00:23:14,000

One and a half hours.

516

00:23:14,000 --> 00:23:16,000

We got one and one.

517

00:23:16,000 --> 00:23:18,000

That's why I got back to station, it was three o'clock.

518

00:23:18,000 --> 00:23:21,000

Man, you don't know exactly how long it did last.

519

00:23:21,000 --> 00:23:22,000

Wow.

520

00:23:22,000 --> 00:23:25,000

You got a pretty watch out there.

521

00:23:25,000 --> 00:23:27,000

I, I, I had a watch out there.

522

00:23:27,000 --> 00:23:29,000

I, I had a watch out there.

523

00:23:29,000 --> 00:23:34,000

I had, I had, I had, I had, I felt a little weak.

524

00:23:34,000 --> 00:23:39,000

I was by the, by the way, I had some faith to affect.

525

00:23:39,000 --> 00:23:44,000

I've asked him every question, under the sun.

526

00:23:44,000 --> 00:23:46,000

I asked him what time it is.

527

00:23:46,000 --> 00:23:48,000

North East Washington City, it was 234 times.

528

00:23:48,000 --> 00:23:51,000

He got, the next time he looked at, he said it was about three o'clock.

529

00:23:51,000 --> 00:23:53,000

He said, come out here and stay.

530

00:23:53,000 --> 00:23:54,000

No.

531

00:23:54,000 --> 00:23:57,000

It was five minutes.

532

00:23:57,000 --> 00:24:00,000

I'll just go into the, into the, into the, into the, into the, into the, into the...

533

00:24:00,000 --> 00:24:03,000

He knows the worst meaning about our two way radial.

534

00:24:03,000 --> 00:24:04,000

I couldn't hear it.

535

00:24:04,000 --> 00:24:09,000

I could not hear when he told me well, it could have been quiet that time.

536

00:24:09,000 --> 00:24:13,000

But did it seem to you like it with the half-hour?

537

00:24:13,000 --> 00:24:17,000

Well, I got back to safety, it seemed like me like it was five minutes.

538

00:24:17,000 --> 00:24:18,000

Half-hour?

539

00:24:18,000 --> 00:24:19,000

Half-hour.

540

00:24:19,000 --> 00:24:22,000

Half-hour is when they weren't going to open.

541

00:24:22,000 --> 00:24:26,000

So whether or not you either observed it for a short time,

542

00:24:26,000 --> 00:24:30,000

you know, it's never for some such when you're these people, they're talking.

543

00:24:30,000 --> 00:24:31,000

I mean, I don't know.

544

00:24:31,000 --> 00:24:38,000

I do know that I do know that a car went through there at exactly five minutes after two

545

00:24:38,000 --> 00:24:40,000

and there wasn't anything there at that time.

546

00:24:40,000 --> 00:24:42,000

So we didn't see it.

547

00:24:42,000 --> 00:24:44,000

It was five after five.

548

00:24:44,000 --> 00:24:47,000

How long were the cars taken up?

549

00:24:47,000 --> 00:24:48,000

Four or five minutes.

550

00:24:48,000 --> 00:24:50,000

I checked all the times.

551

00:24:50,000 --> 00:24:52,000

I guess it was about four or five minutes.

552

00:24:52,000 --> 00:24:55,000

I guess I was curious to see what it was going to be.

553

00:24:55,000 --> 00:24:58,000

You know, when you didn't know, it was going to be a big mess.

554

00:24:58,000 --> 00:25:00,000

I figured, man, they're going to plus dollars.

555

00:25:00,000 --> 00:25:02,000

I'm going to have my solar job.

556

00:25:02,000 --> 00:25:04,000

How does this happen?

557

00:25:04,000 --> 00:25:07,000

It's more than a thousand years back.

558

00:25:07,000 --> 00:25:08,000

It's all healthy.

559

00:25:08,000 --> 00:25:09,000

It's a health problem.

560

00:25:09,000 --> 00:25:13,000

They just had a bottle of juice in my arm, which I didn't change until I got the rest.

561

00:25:13,000 --> 00:25:31,000

In other words, this photograph here that was seen in Biber, Pennsylvania, August 8, 1965,

562

00:25:31,000 --> 00:25:39,000

courtesy of NYCAP, and the time exposure was made by James Luthi, was about 45 feet in diameter.

563

00:25:39,000 --> 00:25:47,000

And it's on about page 90 of the book Flying Thoughts of the Series,

564

00:25:47,000 --> 00:26:00,000

but in his life, Frank Edwards, that they have the Vanham book, number S3378, paperback.

565

00:26:00,000 --> 00:26:08,000

It's one of several photographs in here, but Mr. Schurmer feels that that's about the closest thing

566

00:26:08,000 --> 00:26:10,000

he looks like when he's off.

567

00:26:10,000 --> 00:26:17,000

He gives off a sort of a, just one of that was off of his camera, flash, or that's the timing exposure there.

568

00:26:17,000 --> 00:26:24,000

I don't know how far away he was, but that's pretty, pretty, just pretty well, it looks like it's,

569

00:26:24,000 --> 00:26:28,000

I don't believe it, it's about, Mr. Schurmer only saw it one time.

570

00:26:28,000 --> 00:26:32,000

You know, that's pretty neat, and then he's too bad, it's here.

571

00:26:33,000 --> 00:26:35,000

That's fairly close.

572

00:26:35,000 --> 00:26:37,000

With the clothes down here.

573

00:26:37,000 --> 00:26:39,000

Yeah, that's what he looks like tomorrow.

574

00:26:39,000 --> 00:26:41,000

And it looks just like that.

575

00:26:41,000 --> 00:26:45,000

That's the floor beam on the right.

576

00:26:45,000 --> 00:26:51,000

The beam that he's taking out of the room, it wasn't a straight beam like a spotlight,

577

00:26:51,000 --> 00:26:56,000

but it was like a half-veer, like flame coming out of the bottom of it.

578

00:26:56,000 --> 00:26:57,000

It had it all gone.

579

00:26:57,000 --> 00:26:58,000

It shaped it.

580

00:26:59,000 --> 00:27:01,000

Well, I don't know why.

581

00:27:02,000 --> 00:27:04,000

Now, see this? See this one here?

582

00:27:04,000 --> 00:27:07,000

This is the one taken near McMillan, Oregon.

583

00:27:07,000 --> 00:27:11,000

Now, at home, I have this picture here.

584

00:27:11,000 --> 00:27:12,000

I have this picture here.

585

00:27:12,000 --> 00:27:14,000

You talked about this, right?

586

00:27:14,000 --> 00:27:15,000

I heard it here.

587

00:27:15,000 --> 00:27:17,000

When I was born, it was Schurmer.

588

00:27:17,000 --> 00:27:18,000

This one here on the left?

589

00:27:18,000 --> 00:27:19,000

Yeah, that's right.

590

00:27:19,000 --> 00:27:21,000

And I heard it from him.

591

00:27:21,000 --> 00:27:22,000

That's the camera.

592

00:27:22,000 --> 00:27:23,000

Yeah, that's the camera.

593

00:27:23,000 --> 00:27:24,000

Thank you.

594

00:27:24,000 --> 00:27:28,000

This is a picture about you having, you know, you would be for Sheriff's office.

595

00:27:28,000 --> 00:27:29,000

For Sheriff's office?

596

00:27:29,000 --> 00:27:30,000

Yeah.

597

00:27:30,000 --> 00:27:31,000

Well, it's got it.

598

00:27:31,000 --> 00:27:34,000

On your side, like, you know, they got it on your side.

599

00:27:34,000 --> 00:27:35,000

You have got it.

600

00:27:35,000 --> 00:27:36,000

You have got it on your side.

601

00:27:36,000 --> 00:27:37,000

You have got it on your side.

602

00:27:37,000 --> 00:27:38,000

You have got it on your side.

603

00:27:38,000 --> 00:27:39,000

You have got it on your side.

604

00:27:39,000 --> 00:27:40,000

You have got it on your side.

605

00:27:40,000 --> 00:27:41,000

You have got it on your side.

606

00:27:41,000 --> 00:27:42,000

You have got it on your side.

607

00:27:42,000 --> 00:27:43,000

You have got it on your side.

608

00:27:43,000 --> 00:27:44,000

You have got it on your side.

609

00:27:44,000 --> 00:27:45,000

You have got it on your side.

610

00:27:45,000 --> 00:27:46,000

You have got it on your side.

611

00:27:46,000 --> 00:27:47,000

You have got it on your side.

612

00:27:47,000 --> 00:27:48,000

You have got it on your side.

613

00:27:48,000 --> 00:27:49,000

You have got it on your side.

614

00:27:49,000 --> 00:27:50,000

You have got it on your side.

615

00:27:50,000 --> 00:27:51,000

You have got it on your side.

616

00:27:51,000 --> 00:27:52,000

You have got it on your side.

617

00:27:52,000 --> 00:27:53,000

You have got it on your side.

618

00:27:53,000 --> 00:27:54,000

You have got it on your side.

619

00:27:54,000 --> 00:27:55,000

You have got it on your side.

620

00:27:55,000 --> 00:27:56,000

You have got it on your side.

621

00:27:56,000 --> 00:27:57,000

You have got it on your side.

622

00:27:57,000 --> 00:27:58,000

You have got it on your side.

623

00:27:58,000 --> 00:27:59,000

You have got it on your side.

624

00:27:59,000 --> 00:28:00,000

You have got it on your side.

625

00:28:00,000 --> 00:28:01,000

You have got it on your side.

626

00:28:01,000 --> 00:28:02,000

You have got it on your side.

627

00:28:02,000 --> 00:28:03,000

You have got it on your side.

628

00:28:03,000 --> 00:28:04,000

You have got it on your side.

629

00:28:04,000 --> 00:28:05,000

You have got it on your side.

630

00:28:05,000 --> 00:28:06,000

You have got it on your side.

631

00:28:06,000 --> 00:28:07,000

You have got it on your side.

632

00:28:07,000 --> 00:28:08,000

You have got it on your side.

633

00:28:08,000 --> 00:28:09,000

You have got it on your side.

634

00:28:09,000 --> 00:28:10,000

You have got it on your side.

635

00:28:10,000 --> 00:28:11,000

You have got it on your side.

636

00:28:11,000 --> 00:28:12,000

You have got it on your side.

637

00:28:12,000 --> 00:28:17,000

I want to see if you can.

638

00:28:17,000 --> 00:28:18,000

I want to see if you can.

639

00:28:18,000 --> 00:28:19,000

I want to see if you can.

640

00:28:19,000 --> 00:28:20,000

I want to see if you can.

641

00:28:20,000 --> 00:28:21,000

I want to see if you can.

642

00:28:21,000 --> 00:28:22,000

I want to see if you can.

643

00:28:22,000 --> 00:28:23,000

I want to see if you can.

644

00:28:23,000 --> 00:28:24,000

I want to see if you can.

645

00:28:24,000 --> 00:28:25,000

I want to see if you can.

646

00:28:25,000 --> 00:28:26,000

I want to see if you can.

647

00:28:26,000 --> 00:28:27,000

I want to see if you can.

648

00:28:27,000 --> 00:28:28,000

I want to see if you can.

649

00:28:28,000 --> 00:28:29,000

I want to see if you can.

650

00:28:29,000 --> 00:28:30,000

I want to see if you can.

651

00:28:30,000 --> 00:28:31,000

I want to see if you can.

652

00:28:31,000 --> 00:28:32,000

I want to see if you can.

653

00:28:32,000 --> 00:28:33,000

I want to see if you can.

654

00:28:33,000 --> 00:28:34,000

I want to see if you can.

655

00:28:34,000 --> 00:28:35,000

I want to see if you can.

656

00:28:35,000 --> 00:28:36,000

I want to see if you can.

657

00:28:36,000 --> 00:28:37,000

I want to see if you can.

658

00:28:37,000 --> 00:28:38,000

I want to see if you can.

659

00:28:38,000 --> 00:28:39,000

I want to see if you can.

660

00:28:39,000 --> 00:28:40,000

I want to see if you can.

661

00:28:40,000 --> 00:28:41,000

I want to see if you can.

662

00:28:41,000 --> 00:28:42,000

I want to see if you can.

663

00:28:42,000 --> 00:28:43,000

I want to see if you can.

664

00:28:43,000 --> 00:28:44,000

I want to see if you can.

665

00:28:44,000 --> 00:28:45,000

I want to see if you can.

666

00:28:45,000 --> 00:28:46,000

I want to see if you can.

667

00:28:46,000 --> 00:28:47,000

I want to see if you can.

668

00:28:47,000 --> 00:28:48,000

I want to see if you can.

669

00:28:48,000 --> 00:28:49,000

I want to see if you can.

670

00:28:49,000 --> 00:28:50,000

I want to see if you can.

671

00:28:50,000 --> 00:28:51,000

I want to see if you can.

672

00:28:51,000 --> 00:28:52,000

I want to see if you can.

673

00:28:52,000 --> 00:28:53,000

I want to see if you can.

674

00:28:53,000 --> 00:28:54,000

I want to see if you can.

675

00:28:54,000 --> 00:28:55,000

I want to see if you can.

676

00:28:55,000 --> 00:28:56,000

I want to see if you can.

677

00:28:56,000 --> 00:28:57,000

I want to see if you can.

678

00:28:57,000 --> 00:28:58,000

I want to see if you can.

679

00:28:58,000 --> 00:28:59,000

I want to see if you can.

680

00:28:59,000 --> 00:29:00,000

I want to see if you can.

681

00:29:00,000 --> 00:29:01,000

I want to see if you can.

682

00:29:01,000 --> 00:29:02,000

I want to see if you can.

683

00:29:02,000 --> 00:29:03,000

I want to see if you can.

684

00:29:03,000 --> 00:29:04,000

I want to see if you can.

685

00:29:04,000 --> 00:29:05,000

I want to see if you can.

686

00:29:05,000 --> 00:29:06,000

I want to see if you can.

687

00:29:06,000 --> 00:29:07,000

I want to see if you can.

688

00:29:07,000 --> 00:29:08,000

I want to see if you can.

689

00:29:08,000 --> 00:29:09,000

I want to see if you can.

690

00:29:09,000 --> 00:29:10,000

I want to see if you can.

691

00:29:10,000 --> 00:29:11,000

I want to see if you can.

692

00:29:11,000 --> 00:29:12,000

I want to see if you can.

693

00:29:12,000 --> 00:29:13,000

I want to see if you can.

694

00:29:13,000 --> 00:29:14,000

I want to see if you can.

695

00:29:14,000 --> 00:29:15,000

I want to see if you can.

696

00:29:15,000 --> 00:29:16,000

I want to see if you can.

697

00:29:16,000 --> 00:29:17,000

I want to see if you can.

698

00:29:17,000 --> 00:29:18,000

I want to see if you can.

699

00:29:18,000 --> 00:29:19,000

I want to see if you can.

700

00:29:19,000 --> 00:29:20,000

I want to see if you can.

701

00:29:20,000 --> 00:29:21,000

I want to see if you can.

702
