

1

00:00:00,000 --> 00:00:06,000

You were on the spacecraft that had examined you.

2

00:00:06,000 --> 00:00:11,000

Do you have any physical scars or any evidence that you were examined?

3

00:00:11,000 --> 00:00:19,000

Well, I went for x-rays of my head and everything and there were no breaks in the bone.

4

00:00:19,000 --> 00:00:27,000

However, the doctor said something as far as finding out about anything in the membrane,

5

00:00:27,000 --> 00:00:33,000

any scar or anything like that, I would have to go through a different type of x-ray

6

00:00:33,000 --> 00:00:38,000

and the radiation level was quite high and he didn't feel as if I should do that

7

00:00:38,000 --> 00:00:41,000

because unless I had a tumor or something like that.

8

00:00:41,000 --> 00:00:44,000

Alright. Okay, I want to get back to your story now.

9

00:00:44,000 --> 00:00:47,000

They examined you. Obviously you were in some pain,

10

00:00:47,000 --> 00:00:50,000

or at least you were starting to show signs of fear then.

11

00:00:50,000 --> 00:00:52,000

What did they do after they had examined you?

12

00:00:52,000 --> 00:00:56,000

Well, after they had examined me, they took me back to the cubicle

13

00:00:56,000 --> 00:00:59,000

where they told me to change into my regular clothes

14

00:00:59,000 --> 00:01:07,000

and from there I was escorted into this room that appeared like a quantset hut type room,

15

00:01:07,000 --> 00:01:11,000

half cylindrical and within it were eight glass-like chairs

16

00:01:11,000 --> 00:01:15,000

and they sat me down in one of the chairs to the right

17

00:01:15,000 --> 00:01:19,000

and this wood, glass-like wood came down and I could hear it click around me

18

00:01:19,000 --> 00:01:22,000

and then I felt very cold as if I was freezing

19

00:01:22,000 --> 00:01:26,000

and it seemed as if I was there for a very long time

20

00:01:26,000 --> 00:01:31,000

and from there I was taken and put into another chair to the left

21

00:01:31,000 --> 00:01:35,000

and again this glass-like wood came down and sealed around me

22

00:01:35,000 --> 00:01:39,000

and I could hear the snap and they also put some tubes in my nose

23

00:01:39,000 --> 00:01:43,000

and I could hear it as they put them into the glass, I could hear it seal-like

24

00:01:43,000 --> 00:01:48,000

and also a tube from my mouth and they told me to keep my eyes closed

25

00:01:48,000 --> 00:01:53,000

and they gave me this reddish color liquid to take

26

00:01:53,000 --> 00:01:56,000

and it tasted very sweet and I felt very relaxed from it

27

00:01:56,000 --> 00:02:02,000

and meanwhile this gray liquid fell down, you know, was falling on my head

28

00:02:02,000 --> 00:02:05,000

and it was filling up in the bottom of the chair

29

00:02:05,000 --> 00:02:10,000

and when it was filled it vibrated like a whirlpool around about me

30

00:02:10,000 --> 00:02:15,000

and from there they drained that out to the breathing tubes out

31

00:02:16,000 --> 00:02:20,000

and set me on this track where one being was in front of me

32

00:02:20,000 --> 00:02:25,000

and one being was in back of me and at this point they had their different uniform

33

00:02:25,000 --> 00:02:30,000

it was sort of a shiny aluminum type uniform

34

00:02:30,000 --> 00:02:33,000

and they put two black hoods on their heads

35

00:02:33,000 --> 00:02:37,000

and we went out of this room into a very dark black tunnel

36

00:02:37,000 --> 00:02:39,000

it seemed as if it was chipped out of stone

37

00:02:39,000 --> 00:02:42,000

and there were other entrances I could tell because their uniform

38

00:02:43,000 --> 00:02:48,000

sent off like a bright light and I could see like darker holes off to the sides

39

00:02:48,000 --> 00:02:53,000

and did you start thinking that maybe these weren't angels after all at this point?

40

00:02:53,000 --> 00:02:55,000

I didn't know what it was

41

00:02:55,000 --> 00:02:59,000

but the term alien still didn't cross your mind?

42

00:02:59,000 --> 00:03:02,000

I wasn't, you know, you were not aware of mine obviously

43

00:03:02,000 --> 00:03:05,000

No, I wasn't aware of UFOs, you know, okay

44

00:03:05,000 --> 00:03:10,000

So anyway, I was taken through this tunnel

45

00:03:10,000 --> 00:03:12,000

and we were coming up to a mirror

46

00:03:12,000 --> 00:03:15,000

and I thought we were going to crash right through the mirror

47

00:03:15,000 --> 00:03:19,000

and instead we passed just like we passed through the wood in my home

48

00:03:19,000 --> 00:03:21,000

and we came into this red atmosphere

49

00:03:21,000 --> 00:03:24,000

and in this red atmosphere there was no vegetation

50

00:03:24,000 --> 00:03:28,000

there were just large buildings with square windows

51

00:03:28,000 --> 00:03:31,000

and there were these strange creature-like beings

52

00:03:31,000 --> 00:03:36,000

having like two stalks where I had very large eyes on the end of them

53

00:03:36,000 --> 00:03:39,000

and they were crawling all over the walls and in and out the windows

54

00:03:39,000 --> 00:03:41,000

and all over the place

55

00:03:41,000 --> 00:03:44,000

and as I said the two beings had these black hoods on

56

00:03:44,000 --> 00:03:48,000

and evidently they thought that my head felt very heavy

57

00:03:48,000 --> 00:03:52,000

evidently they thought my black hair was covering enough for me that I, you know

58

00:03:52,000 --> 00:03:53,000

Didn't they?

59

00:03:53,000 --> 00:03:54,000

Yeah

60

00:03:54,000 --> 00:03:59,000

So we passed through this area into a green atmosphere

61

00:03:59,000 --> 00:04:02,000

and it was beautiful, it was just fantastically beautiful

62

00:04:02,000 --> 00:04:05,000

there were things there I can't even describe today

63

00:04:05,000 --> 00:04:09,000

they, you know, nothing that I could relate to in this

64

00:04:09,000 --> 00:04:14,000

and planet Earth and so I saw different things there

65

00:04:14,000 --> 00:04:15,000

a dome city

66

00:04:15,000 --> 00:04:17,000

This was obviously their planet then?

67

00:04:17,000 --> 00:04:19,000

No, this was not their planet

68

00:04:19,000 --> 00:04:21,000

they told me that this was the high place

69

00:04:21,000 --> 00:04:22,000

the highest place

70

00:04:22,000 --> 00:04:25,000

They had told me their planet, the name of their planet

71

00:04:25,000 --> 00:04:27,000

the name of their planet, but I couldn't pronounce it

72

00:04:27,000 --> 00:04:29,000

there was too many consonants in it

73

00:04:29,000 --> 00:04:30,000

I've tried

74

00:04:30,000 --> 00:04:33,000

Did they say it was in this galaxy or in another?

75

00:04:33,000 --> 00:04:35,000

or they gave some writings

76

00:04:35,000 --> 00:04:38,000

but I'm not really aware of what they are

77

00:04:38,000 --> 00:04:41,000

I just passed them on into the investigators

78

00:04:41,000 --> 00:04:45,000

and in this high place this green atmosphere was just beautiful

79

00:04:45,000 --> 00:04:51,000

and I came up to some crystals that were just hanging in mid-air

80

00:04:51,000 --> 00:04:54,000

and I did become fearful I wanted to go back at that point

81

00:04:54,000 --> 00:04:56,000

because it was awesome

82

00:04:56,000 --> 00:05:00,000

and they just wouldn't go along with my request

83

00:05:00,000 --> 00:05:03,000

and we kept on going until we came to this area

84

00:05:03,000 --> 00:05:05,000

where this large bird stood

85

00:05:05,000 --> 00:05:07,000

and the beings just got off the track

86

00:05:07,000 --> 00:05:10,000

and I was left there along where this huge bird was

87

00:05:10,000 --> 00:05:11,000

and it was alive

88

00:05:11,000 --> 00:05:14,000

and there was light in back of it just radiating

89

00:05:14,000 --> 00:05:15,000

kept on radiating

90

00:05:15,000 --> 00:05:17,000

and I kept getting hotter and hotter and hotter

91

00:05:17,000 --> 00:05:20,000

and these sparks of gold were flying around in front of me

92

00:05:20,000 --> 00:05:23,000

and I felt like I was being consumed by fire

93

00:05:23,000 --> 00:05:26,000

and at that point I must have passed out or something

94

00:05:26,000 --> 00:05:29,000

because the next time I looked the bird was gone

95

00:05:29,000 --> 00:05:31,000

and there was a pile of ashes there

96

00:05:31,000 --> 00:05:34,000

and out of these pile of ashes a large gray worm appeared

97

00:05:34,000 --> 00:05:37,000

and then from the side a voice spoke to me

98

00:05:37,000 --> 00:05:39,000

a very loud voice and called my name twice

99

00:05:39,000 --> 00:05:42,000

and said you have seen and you have heard, do you understand?

100

00:05:42,000 --> 00:05:45,000

and I said I don't know, I don't understand

101

00:05:45,000 --> 00:05:47,000

I don't even know why I was there

102

00:05:47,000 --> 00:05:50,000

and then the voice talked with me

103

00:05:50,000 --> 00:05:53,000

and reassured me that everything was alright

104

00:05:53,000 --> 00:05:57,000

that some of the pain that I experienced was because of my fear

105

00:05:57,000 --> 00:05:59,000

and I just felt better

106

00:05:59,000 --> 00:06:01,000

I felt elated and joy filled me

107

00:06:01,000 --> 00:06:04,000

I felt very happy at that particular point

108

00:06:04,000 --> 00:06:07,000

and then the voice told me I would have to return

109

00:06:07,000 --> 00:06:10,000

and I was taken back by the being...

110

00:06:10,000 --> 00:06:12,000

To earth, yes

111

00:06:12,000 --> 00:06:14,000

I believe I also gave you a book

112

00:06:14,000 --> 00:06:15,000

Is that true?

113

00:06:15,000 --> 00:06:17,000

There was an exchange of the Bible

114

00:06:17,000 --> 00:06:19,000

and they passed me a blue book

115

00:06:19,000 --> 00:06:22,000

half a ten days and to look within it

116

00:06:22,000 --> 00:06:25,000

and grasp as much as I could possibly grasp

117

00:06:25,000 --> 00:06:27,000

and I was not to show it to anyone

118

00:06:27,000 --> 00:06:29,000

however I did show my daughter Becky

119

00:06:29,000 --> 00:06:31,000

which I should know

120

00:06:31,000 --> 00:06:33,000

and when she put her hand on it

121

00:06:33,000 --> 00:06:35,000

her hand sort of glowed

122

00:06:35,000 --> 00:06:38,000

and after nine or ten days the book was gone

123

00:06:38,000 --> 00:06:40,000

Gone, disappeared just in time

124

00:06:40,000 --> 00:06:44,000

Mr. Fowler have you heard any stories similar to this one?

125

00:06:44,000 --> 00:06:46,000

Everything that Betty has said

126

00:06:46,000 --> 00:06:50,000

has a similar parallel to other cases except the

127

00:06:50,000 --> 00:06:53,000

you know normally I guess would call it

128

00:06:53,000 --> 00:06:55,000

the bird experience

129

00:06:55,000 --> 00:06:58,000

and I don't really know what to make about the bird experience

130

00:06:58,000 --> 00:07:01,000

the only thing that relates internally with a bird

131

00:07:01,000 --> 00:07:04,000

is that these aliens had a similar bird

132

00:07:04,000 --> 00:07:07,000

insignia or symbol on their shoulders

133

00:07:07,000 --> 00:07:10,000

and whether this was an induced hallucination

134

00:07:10,000 --> 00:07:13,000

an object lesson that was set up I really don't know

135

00:07:13,000 --> 00:07:17,000

and those could draw an analogy to a South Sea islander

136

00:07:17,000 --> 00:07:19,000

for example who drifted out to sea

137

00:07:19,000 --> 00:07:21,000

and was out to sea for many many days in his canoe

138

00:07:21,000 --> 00:07:23,000

and he sees this huge aircraft carrier coming

139

00:07:23,000 --> 00:07:25,000

and they send a small boat, they pick him up

140

00:07:25,000 --> 00:07:28,000

they bring him back, they give him a physical examination

141

00:07:28,000 --> 00:07:30,000

they put him in the hospital and when he's resuscitated

142

00:07:30,000 --> 00:07:33,000

they bring him to the day room, he sees movies, he sees TV

143

00:07:33,000 --> 00:07:34,000

all these more than inventions

144

00:07:34,000 --> 00:07:36,000

then they take a helicopter, they bring him back

145

00:07:36,000 --> 00:07:37,000

they dump him on the beach

146

00:07:37,000 --> 00:07:40,000

and he goes back and tries to relate this whole thing

147

00:07:40,000 --> 00:07:43,000

to his own religion, his philosophy, and with an unlimited

148

00:07:43,000 --> 00:07:47,000

you know, people would think he was probably crazy

149

00:07:47,000 --> 00:07:50,000

How about the book? How much do you remember?

150

00:07:50,000 --> 00:07:52,000

they asked you to grasp what you could

151

00:07:52,000 --> 00:07:54,000

what was in it that you remember?

152

00:07:54,000 --> 00:07:57,000

Well the first three pages were very bright light

153

00:07:57,000 --> 00:08:00,000

there were approximately 40 pages

154

00:08:00,000 --> 00:08:03,000

it was very thin-toned paper

155

00:08:03,000 --> 00:08:06,000

the writings on it, there were symbols

156

00:08:06,000 --> 00:08:08,000

there were numbers, there was strange writing

157

00:08:08,000 --> 00:08:11,000

there were pictures of the workings of the craft

158

00:08:11,000 --> 00:08:13,000

there were just so many different things

159

00:08:13,000 --> 00:08:17,000

and they've come forth and I just handed them to the investigators

160

00:08:17,000 --> 00:08:19,000

I don't know what they are

161

00:08:19,000 --> 00:08:21,000

You handed the notes that you took on it

162

00:08:21,000 --> 00:08:25,000

or the different things that have been revealed to me

163

00:08:25,000 --> 00:08:28,000

I've just passed the writings and things over to the investigators

164

00:08:28,000 --> 00:08:34,000

also my daughter Becky is able to write the same strange writing

165

00:08:34,000 --> 00:08:35,000

that was in the book

166

00:08:35,000 --> 00:08:39,000

and a few occasions I have been able to too

167

00:08:39,000 --> 00:08:41,000

and it is not like automatic writing

168

00:08:41,000 --> 00:08:42,000

when something takes hold of her hand

169

00:08:42,000 --> 00:08:44,000

she's just able to sit down and she writes them

170

00:08:44,000 --> 00:08:47,000

she has page after page of this particular stuff

171

00:08:47,000 --> 00:08:50,000

It's incredible, unfortunately we are about out of time

172

00:08:50,000 --> 00:08:52,000

we are out of time but I must ask you

173

00:08:52,000 --> 00:08:54,000

if they were to come back

174

00:08:54,000 --> 00:08:56,000

would you go with them?

175

00:08:56,000 --> 00:08:59,000

If they wouldn't put me through the physical examination

176

00:08:59,000 --> 00:09:02,000

probably yes, but other than that, no

177

00:09:02,000 --> 00:09:05,000

Needless to say this is an absolutely incredible story

178

00:09:05,000 --> 00:09:07,000

whether or not you believe in UFOs

179

00:09:07,000 --> 00:09:09,000

and close encounters of the third kind

180

00:09:09,000 --> 00:09:11,000

I think you will agree ladies and gentlemen

181

00:09:11,000 --> 00:09:14,000

that this is an absolutely incredible revelation

182

00:09:14,000 --> 00:09:17,000

Again, it is in a book called The Andreessen Affair

183

00:09:17,000 --> 00:09:20,000

It is the documented investigation of a woman's abduction

184

00:09:20,000 --> 00:09:21,000

aboard a UFO

185

00:09:21,000 --> 00:09:24,000

Our guests on KERC and Transition have been Betty Andreessen

186

00:09:24,000 --> 00:09:26,000

and UFO investigator Ray Fowler

187

00:09:26,000 --> 00:09:27,000

Thank you both very much

188

00:09:27,000 --> 00:09:28,000

Thank you for having us
