

1

00:00:00,000 --> 00:00:07,000

I was coming home from the hospital after just being locked at a door.

2

00:00:07,000 --> 00:00:13,000

I stopped the motor van, railway crossing, on the best road coming towards Bramanna.

3

00:00:13,000 --> 00:00:23,000

I waited five minutes or six hundred yards past the crossing and the road was out in a blue, irregular light.

4

00:00:23,000 --> 00:00:29,000

My first thought was that it was the helicopter that took my little board to the hospital because it had a blue light under it.

5

00:00:29,000 --> 00:00:37,000

I thought at the time that he was flying too low, I thought he would hit the trees and you know, down so low.

6

00:00:37,000 --> 00:00:45,000

I couldn't get out of the blue light, couldn't get out of the blue light, it kept up with me so I slowed down thinking that he would keep going,

7

00:00:45,000 --> 00:00:48,000

giving me all the speed and I would back out of the light.

8

00:00:48,000 --> 00:00:51,000

I didn't, it slowed down with me.

9

00:00:51,000 --> 00:00:55,000

So I thought, well maybe he's trying to signal the car, he wants the car to stop.

10

00:00:55,000 --> 00:01:02,000

So I stopped the car, a thing I wouldn't normally do on a dark road on my own, I wouldn't get out of the car.

11

00:01:02,000 --> 00:01:06,000

But I had no fear, never had a clue that there was no noise from the helicopter.

12

00:01:06,000 --> 00:01:08,000

I didn't hear him say I had no noise.

13

00:01:08,000 --> 00:01:16,000

I got out of the car and looked out and here was a normal flying saucer, I call it.

14

00:01:16,000 --> 00:01:21,000

It was approximately four times wider than the road.

15

00:01:21,000 --> 00:01:30,000

It could not have come down on the road if it wanted to land without flattening the light poles and centres on each side.

16

00:01:30,000 --> 00:01:32,000

I stood frozen.

17

00:01:32,000 --> 00:01:34,000

How high above he was there?

18

00:01:34,000 --> 00:01:38,000

Approximately two light poles, just above the trees.

19

00:01:38,000 --> 00:01:41,000

A better hundred feet, no more.

20

00:01:41,000 --> 00:01:44,000

How wide the distance was there?

21

00:01:44,000 --> 00:01:47,000

I believe it's a two cane road.

22

00:01:47,000 --> 00:01:50,000

I don't know how wide it came.

23

00:01:51,000 --> 00:01:53,000

It's a wide road.

24

00:01:53,000 --> 00:01:58,000

I think we've seen in class roughly what a hundred feet long is.

25

00:01:58,000 --> 00:02:00,000

I would say that.

26

00:02:00,000 --> 00:02:02,000

But round.

27

00:02:02,000 --> 00:02:03,000

It's a giant.

28

00:02:03,000 --> 00:02:04,000

Yes.

29

00:02:04,000 --> 00:02:06,000

It's a pretty good time.

30

00:02:06,000 --> 00:02:10,000

The only noise it made was a low hand.

31

00:02:10,000 --> 00:02:14,000

My husband told me it's like an electrical substation hand.

32

00:02:14,000 --> 00:02:19,000

No flashing, no sparks, nothing, no flashing lights.

33

00:02:19,000 --> 00:02:24,000

No windows, nothing visible, it was just hovering above the trees.

34

00:02:24,000 --> 00:02:26,000

Not a direct shot.

35

00:02:26,000 --> 00:02:28,000

No, it was iridescent blue.

36

00:02:28,000 --> 00:02:33,000

The whole thing was glowing and the glow from it was reflecting on the road.

37

00:02:33,000 --> 00:02:36,000

It wasn't seeing a beam of light.

38

00:02:36,000 --> 00:02:40,000

It was illuminating the whole road.

39

00:02:40,000 --> 00:02:44,000

My brain was completely round.

40

00:02:44,000 --> 00:02:46,000

Perfectly round, almost.

41

00:02:46,000 --> 00:02:49,000

And what about, you know...

42

00:02:49,000 --> 00:02:54,000

I would say it was the widest point in the middle between these two.

43

00:02:54,000 --> 00:02:57,000

What was the shape of the...

44

00:02:57,000 --> 00:02:59,000

Largest nail scale.

45

00:02:59,000 --> 00:03:00,000

Largest nail scale.

46

00:03:00,000 --> 00:03:03,000

A bell shape, you know what I'm saying?

47

00:03:03,000 --> 00:03:05,000

No, another piece was a bell.

48

00:03:05,000 --> 00:03:11,000

Put two ordinary household sources, one on top of the other, and you'd have the shape.

49

00:03:11,000 --> 00:03:13,000

There was no room for standing out.

50

00:03:13,000 --> 00:03:15,000

No, no, just the slight...

51

00:03:15,000 --> 00:03:16,000

Two sources of space.

52

00:03:16,000 --> 00:03:18,000

One on top of the other.

53

00:03:18,000 --> 00:03:20,000

Exactly, that's right.

54

00:03:20,000 --> 00:03:22,000

That's how I would decide if anybody said to me draw it.

55

00:03:22,000 --> 00:03:26,000

That's what I would draw to the source if one on top of the other.

56

00:03:26,000 --> 00:03:31,000

My brain was streaking me from the moon and I couldn't.

57

00:03:31,000 --> 00:03:34,000

And then I did eventually get to pay out the moon.

58

00:03:34,000 --> 00:03:39,000

I got back into the car and went fast as I could possibly drive the car.

59

00:03:39,000 --> 00:03:43,000

It drove me to eight miles to please help me when I went to the police station.

60

00:03:43,000 --> 00:03:44,000

The light...

61

00:03:44,000 --> 00:03:45,000

Eight miles?

62

00:03:45,000 --> 00:03:47,000

Yes, because I didn't know the road.

63

00:03:47,000 --> 00:03:55,000

I went back later and they explained to me that from where I saw it to where it led me was approximately eight miles.

64

00:03:55,000 --> 00:04:01,000

When I got to what I call civilisation and drama, there were lots coming back on.

65

00:04:01,000 --> 00:04:03,000

It just left.

66

00:04:03,000 --> 00:04:05,000

It didn't swerve, it went backwards.

67

00:04:05,000 --> 00:04:08,000

It didn't swerve or tip.

68

00:04:08,000 --> 00:04:10,000

It just changed direction.

69

00:04:10,000 --> 00:04:13,000

There was a streak of light and it was gone.

70

00:04:13,000 --> 00:04:15,000

When you say it went backwards, did you mean it reversed?

71

00:04:15,000 --> 00:04:16,000

It reversed.

72

00:04:16,000 --> 00:04:17,000

That's right.

73

00:04:17,000 --> 00:04:18,000

But it didn't...

74

00:04:18,000 --> 00:04:20,000

Yeah, it didn't turn.

75

00:04:20,000 --> 00:04:21,000

No.

76

00:04:21,000 --> 00:04:22,000

It just changed direction.

77

00:04:22,000 --> 00:04:24,000

It was stopped before the wind came.

78

00:04:24,000 --> 00:04:25,000

No.

79

00:04:25,000 --> 00:04:27,000

It just seemed to change direction.

80

00:04:27,000 --> 00:04:30,000

One minute of whip it out and the next second it was going backwards.

81

00:04:30,000 --> 00:04:33,000

There was a streak of light and then it stopped.

82

00:04:33,000 --> 00:04:34,000

It stopped.

83

00:04:34,000 --> 00:04:35,000

It stopped in a flash.

84

00:04:35,000 --> 00:04:36,000

It stopped in a flash.

85

00:04:36,000 --> 00:04:37,000

You did see it up in the street?

86

00:04:37,000 --> 00:04:42,000

I saw the streak of light and well, I thought, well, you know, there is a star.

87

00:04:42,000 --> 00:04:43,000

It's gone.

88

00:04:43,000 --> 00:04:45,000

I kept on going to Drumana.

89

00:04:45,000 --> 00:04:48,000

I first thought we'd get to a police station.

90

00:04:48,000 --> 00:04:50,000

No police station.

91

00:04:50,000 --> 00:04:53,000

No police men in the police station at Drumana.

92

00:04:53,000 --> 00:04:54,000

At the station.

93

00:04:54,000 --> 00:04:57,000

So I got back in my car and went on to Rosebath.

94

00:04:57,000 --> 00:05:02,000

When he was in Rosebath police station, he said, I've been followed home and that he went

95

00:05:02,000 --> 00:05:04,000

to go outside and I said, you won't catch it.

96

00:05:04,000 --> 00:05:06,000

I think it was a fine source.

97

00:05:06,000 --> 00:05:08,000

And he said, I'll lay me coming and sit down.

98

00:05:08,000 --> 00:05:11,000

You know, I think it's a chore that's gone on.

99

00:05:11,000 --> 00:05:15,000

Well, I told him all that what I'd seen and said I wanted to make an official report and

100

00:05:15,000 --> 00:05:21,000

he said that he would report it to the authority and to go home, which I did.

101

00:05:21,000 --> 00:05:26,000

I came home and I'm the husband of three and he makes a couple of three.

102

00:05:27,000 --> 00:05:29,000

That's all for that night.

103

00:05:29,000 --> 00:05:32,000

The next morning I ran near the force.

104

00:05:32,000 --> 00:05:40,000

They informed me that I had probably seen some sort of phenomenon and that they were sending

105

00:05:40,000 --> 00:05:46,000

out a questionnaire and filled in and sent them, which they didn't.

106

00:05:46,000 --> 00:05:47,000

I filled them in.

107

00:05:47,000 --> 00:05:50,000

I might say it was quite a difficult thing to fill in.

108

00:05:51,000 --> 00:05:56,000

I think there needs to be an astronaut to take in what they've, you know, how they put

109

00:05:56,000 --> 00:05:57,000

them down.

110

00:05:57,000 --> 00:05:59,000

They don't put it ordinary every day to what we are.

111

00:05:59,000 --> 00:06:03,000

You need to be a pilot or to understand some of the questions.

112

00:06:03,000 --> 00:06:05,000

I said, have you filled it back in?

113

00:06:05,000 --> 00:06:08,000

Yeah, filled it back in.

114

00:06:08,000 --> 00:06:10,000

That was the first time.

115

00:06:10,000 --> 00:06:18,000

The second time, I think, was 22 days later on the 25th of July.

116

00:06:18,000 --> 00:06:21,000

Same time, 1972.

117

00:06:21,000 --> 00:06:25,000

Same time and approximately the same time.

118

00:06:25,000 --> 00:06:31,000

I came over the same way I was crossing and I passed a man with a talking driving,

119

00:06:31,000 --> 00:06:34,000

leaning a cow on a rope.

120

00:06:34,000 --> 00:06:37,000

We both passed the crossing at the same time.

121

00:06:37,000 --> 00:06:43,000

I got four 500 yards past the man when the road lit up again.

122

00:06:43,000 --> 00:06:48,000

I knew what it was straight away, but I was accelerating and off I went.

123

00:06:48,000 --> 00:06:52,000

I was turning this counter and I wasn't hitting it out, but anybody.

124

00:06:52,000 --> 00:06:59,000

I was driving over half a mile going across the man's engine cut off.

125

00:06:59,000 --> 00:07:01,000

It was completely cut off.

126

00:07:01,000 --> 00:07:04,000

I had no control of the car at all.

127

00:07:04,000 --> 00:07:05,000

I couldn't steer it.

128

00:07:05,000 --> 00:07:07,000

I couldn't stop it.

129

00:07:07,000 --> 00:07:10,000

And even though I turned the engine key, I couldn't start the reader.

130

00:07:11,000 --> 00:07:13,000

Even you were still near the end of the point.

131

00:07:13,000 --> 00:07:15,000

It glided until it stopped to the side of the road.

132

00:07:15,000 --> 00:07:16,000

You were there for your phone, right?

133

00:07:16,000 --> 00:07:17,000

Yeah.

134

00:07:17,000 --> 00:07:19,000

No, it was nothing.

135

00:07:19,000 --> 00:07:20,000

Nothing.

136

00:07:20,000 --> 00:07:21,000

Nothing worse.

137

00:07:21,000 --> 00:07:24,000

I didn't have any control at all.

138

00:07:24,000 --> 00:07:25,000

I said,

139

00:07:25,000 --> 00:07:27,000

No, I couldn't steer it.

140

00:07:27,000 --> 00:07:29,000

Although the steering wheel moved.

141

00:07:29,000 --> 00:07:32,000

Everything was working, but not controlling the car.

142

00:07:32,000 --> 00:07:36,000

The headlights were still on, on full beam.

143

00:07:36,000 --> 00:07:38,000

The driver still was in my mechanism.

144

00:07:38,000 --> 00:07:40,000

No street lights.

145

00:07:40,000 --> 00:07:43,000

It just glided to a stop on the side of the road.

146

00:07:43,000 --> 00:07:45,000

And the birds on the side of the road.

147

00:07:45,000 --> 00:07:46,000

I sat petrified.

148

00:07:46,000 --> 00:07:48,000

I thought, well, I'm gone this time.

149

00:07:52,000 --> 00:07:57,000

This is hard to explain because what happened is like sitting in a vacuum.

150

00:07:57,000 --> 00:08:00,000

And it's hard to describe what a vacuum is like.

151

00:08:00,000 --> 00:08:02,000

There was no sound at all.

152

00:08:02,000 --> 00:08:05,000

It was like sitting in a tube.

153

00:08:05,000 --> 00:08:07,000

And it's there anyway.

154

00:08:07,000 --> 00:08:09,000

It was not in the tube.

155

00:08:09,000 --> 00:08:11,000

It felt like it.

156

00:08:11,000 --> 00:08:19,000

I had the feeling that I was closing in a sound with a vacuum.

157

00:08:19,000 --> 00:08:21,000

It's hard to describe.

158

00:08:21,000 --> 00:08:22,000

Practices it.

159

00:08:22,000 --> 00:08:24,000

Yeah, but that's what it felt like.

160

00:08:24,000 --> 00:08:25,000

Yeah, nothing.

161

00:08:25,000 --> 00:08:27,000

There was just no sound.

162

00:08:27,000 --> 00:08:28,000

Nothing.

163

00:08:28,000 --> 00:08:30,000

Not a breath of air.

164

00:08:30,000 --> 00:08:32,000

Just a really good response.

165

00:08:32,000 --> 00:08:34,000

Yeah.

166

00:08:34,000 --> 00:08:40,000

I then had the feeling that I was receiving a message from this thing which was above the car.

167

00:08:40,000 --> 00:08:42,000

I could see it.

168

00:08:42,000 --> 00:08:45,000

Out of the car, you know, and ran around the sides of the car without getting it.

169

00:08:45,000 --> 00:08:47,000

So that's it.

170

00:08:47,000 --> 00:08:50,000

The first thought was I didn't understand it.

171

00:08:50,000 --> 00:08:54,000

And I knew I was getting some sort of a message, but I couldn't understand it.

172

00:08:54,000 --> 00:08:58,000

I don't speak any foreign languages and I felt that I was receiving this message in a foreign language.

173

00:08:58,000 --> 00:08:59,000

In a foreign language.

174

00:08:59,000 --> 00:09:00,000

Yes.

175

00:09:00,000 --> 00:09:02,000

There was no voices.

176

00:09:02,000 --> 00:09:03,000

Not a sound.

177

00:09:03,000 --> 00:09:08,000

Just a dead quiet.

178

00:09:08,000 --> 00:09:15,000

Then the message that I was getting was translated into English.

179

00:09:15,000 --> 00:09:16,000

Beautiful English.

180

00:09:16,000 --> 00:09:18,000

Not English like we speak.

181

00:09:18,000 --> 00:09:20,000

Beautifully spoken English.

182

00:09:20,000 --> 00:09:22,000

Because you can hear this with the ember on.

183

00:09:22,000 --> 00:09:23,000

That's right.

184

00:09:23,000 --> 00:09:24,000

Yes.

185

00:09:24,000 --> 00:09:25,000

Hear the actual words.

186

00:09:25,000 --> 00:09:26,000

Hear the words.

187

00:09:26,000 --> 00:09:29,000

Hear the words without hearing the voice.

188

00:09:29,000 --> 00:09:31,000

No voice, no sound, nothing.

189

00:09:31,000 --> 00:09:34,000

No, no, no no, no, no, no.

190

00:09:34,000 --> 00:09:35,000

But in your mind it was just something that was beautiful.

191

00:09:35,000 --> 00:09:36,000

That's right, yes.

192

00:09:36,000 --> 00:09:44,000

And I wouldn't say that I could return on whether it was male or female, it was just a book

193

00:09:44,000 --> 00:09:47,000

speaking a message.

194

00:09:47,000 --> 00:09:53,000

The first part of the message was, all your tests will be negative.

195

00:09:53,000 --> 00:09:55,000

Then there was a pause.

196

00:09:55,000 --> 00:09:58,000

And it said, tell the media do not panic when you mean no harm.

197

00:09:58,000 --> 00:10:05,000

Then there was a long pool and then it said you now have control.

198

00:10:05,000 --> 00:10:11,000

The car started up all right so I still had both hands on the steering wheel.

199

00:10:11,000 --> 00:10:17,000

The blue light went out and I suppose it was gone.

200

00:10:17,000 --> 00:10:22,000

I just sat on the side of the road with the car engine sitting over.

201

00:10:22,000 --> 00:10:27,000

No sound still. Just sitting there in the dark.

202

00:10:27,000 --> 00:10:31,000

Put the car into gear and off I went.

203

00:10:31,000 --> 00:10:33,000

I didn't panic like I did the first time.

204

00:10:33,000 --> 00:10:36,000

The first thought was I must get to the house with a telephone.

205

00:10:36,000 --> 00:10:37,000

I must ring the police.

206

00:10:37,000 --> 00:10:40,000

There may be some sign of this thing still a bit.

207

00:10:40,000 --> 00:10:42,000

How do they can get here in time?

208

00:10:42,000 --> 00:10:47,000

I would say seven miles before I could find the house with a light on.

209

00:10:47,000 --> 00:10:49,000

Close enough to the road to go in.

210

00:10:49,000 --> 00:10:52,000

But a lot of times back off the road.

211

00:10:52,000 --> 00:10:54,000

But not close enough to drive in.

212

00:10:54,000 --> 00:10:58,000

You have to go down side streets and things to get to them.

213

00:10:58,000 --> 00:11:02,000

Not these people out there and said could I come in.

214

00:11:02,000 --> 00:11:06,000

That I had a fright on the road and could I ring the police and they said no.

215

00:11:06,000 --> 00:11:08,000

They didn't have the phone on.

216

00:11:08,000 --> 00:11:16,000

So I got back into the car and went straight through to the road that police station where I had been before.

217

00:11:16,000 --> 00:11:21,000

With greed it was us and not you again.

218

00:11:21,000 --> 00:11:25,000

I told them that I had a gang of thing in this object.

219

00:11:25,000 --> 00:11:30,000

And that I had received a message from it and I didn't know what to do with it.

220

00:11:30,000 --> 00:11:33,000

I said I wanted to make an official report.

221

00:11:33,000 --> 00:11:36,000

I didn't want it just written down and passed off.

222

00:11:36,000 --> 00:11:38,000

But I wanted it to be official.

223

00:11:38,000 --> 00:11:43,000

But I had seen this thing because I thought that people should know that it was a theft.

224

00:11:43,000 --> 00:11:47,000

Went home and told my husband I was seeing him again.

225

00:11:47,000 --> 00:11:50,000

But this time I ran the airport straight away.

226

00:11:50,000 --> 00:11:55,000

And he just said I was late and I'll pass it on to the right authority.

227

00:11:55,000 --> 00:12:05,000

I then received a couple of days later another questionnaire to be filled in in return with Jody.

228

00:12:05,000 --> 00:12:14,000

I reported it the next day on the Wednesday to Radio station 3AW.

229

00:12:14,000 --> 00:12:20,000

And then the 3B station 2 last and hang up.

230

00:12:20,000 --> 00:12:30,000

I'm seeing about a team of reporters in Cameron and took an interview which will be played later in the month of the week and the month of August.

231

00:12:30,000 --> 00:12:34,000

And that's it up to date.

232

00:12:34,000 --> 00:12:37,000

And I hope I don't see it again.

233

00:12:37,000 --> 00:12:38,000

Well.

234

00:12:38,000 --> 00:12:39,000

Thank you very much.

235

00:12:39,000 --> 00:12:43,000

That's a very clear and coherent description of the subject.

236

00:12:44,000 --> 00:12:49,000

Just a few questions I'd like to ask you to that one in relation to this.

237

00:12:49,000 --> 00:12:55,000

Naturally first of all I'd like to write about you've never had any similar experience with this?

238

00:12:55,000 --> 00:12:56,000

No.

239

00:12:56,000 --> 00:12:59,000

Have you been interested in UFOs before?

240

00:12:59,000 --> 00:13:00,000

No.

241

00:13:00,000 --> 00:13:01,000

Not at all?

242

00:13:01,000 --> 00:13:02,000

You've never read anything about it?

243

00:13:02,000 --> 00:13:03,000

No.

244

00:13:03,000 --> 00:13:04,000

I see.

245

00:13:04,000 --> 00:13:07,000

Have you had any psychic experience with them?

246

00:13:07,000 --> 00:13:08,000

No.

247

00:13:08,000 --> 00:13:11,000

I'm just trying to find all the ways.

248

00:13:11,000 --> 00:13:18,000

And why do you think that they can change you?

249

00:13:18,000 --> 00:13:24,000

The only reason I can get the message that I was alone on a lonely road is no one else about.

250

00:13:24,000 --> 00:13:27,000

Yes, but then how do you account for having tried?

251

00:13:27,000 --> 00:13:29,000

Twenty two days first?

252

00:13:29,000 --> 00:13:30,000

Twenty two days.

253

00:13:30,000 --> 00:13:31,000

Exactly.

254

00:13:31,000 --> 00:13:32,000

And has it been you in the second couple?

255

00:13:32,000 --> 00:13:33,000

I don't know.

256

00:13:33,000 --> 00:13:36,000

I can't explain.

257

00:13:36,000 --> 00:13:38,000

And you've never had any psychic experience?

258

00:13:38,000 --> 00:13:39,000

Nothing at all.

259

00:13:39,000 --> 00:13:44,000

I've never been interested in trying, solving, solving.

260

00:13:44,000 --> 00:13:46,000

I like to watch the space things I'm seeing.

261

00:13:46,000 --> 00:13:48,000

You've never had one of my other pieces, especially?

262

00:13:48,000 --> 00:13:49,000

No.

263

00:13:49,000 --> 00:13:50,000

We have to answer.

264

00:13:50,000 --> 00:13:52,000

But have you ever had any psychic experience with them?

265

00:13:52,000 --> 00:13:53,000

No.

266

00:13:53,000 --> 00:13:55,000

You've never been given to a person like this?

267

00:13:55,000 --> 00:13:56,000

No.

268

00:13:56,000 --> 00:13:57,000

Make any things?

269

00:13:57,000 --> 00:13:58,000

No.

270

00:13:58,000 --> 00:14:03,000

Do you know what anybody else has been thinking about?

271

00:14:03,000 --> 00:14:11,000

One morning I reported it to the radio stations that was on the short fact program.

272

00:14:11,000 --> 00:14:18,000

And three or four people from around on the peninsula,

273

00:14:18,000 --> 00:14:23,000

they had seen the light from this object.

274

00:14:23,000 --> 00:14:27,000

One lady ran and said that her husband had seen the object,

275

00:14:27,000 --> 00:14:29,000

but he had gone inside to get binoculars,

276

00:14:29,000 --> 00:14:32,000

and at the time he came out of the dark.

277

00:14:32,000 --> 00:14:34,000

What time did you start the course?

278

00:14:34,000 --> 00:14:35,000

9.15.

279

00:14:35,000 --> 00:14:37,000

The course was 9.15.

280

00:14:37,000 --> 00:14:41,000

I heard the short fact program,

281

00:14:41,000 --> 00:14:46,000

you were searching the war in Ray Evans and she had found one of Mara Wiener's 10th certificate.

282

00:14:46,000 --> 00:14:47,000

No.

283

00:14:47,000 --> 00:14:48,000

Where did it go?

284

00:14:48,000 --> 00:14:50,000

May have been the same one.

285

00:14:50,000 --> 00:14:52,000

That's possible.

286

00:14:52,000 --> 00:14:57,000

Anyway, that's certainly a most interesting and unusual experience.

287

00:14:57,000 --> 00:15:01,000

I have to say it's similar to that in America.

288

00:15:01,000 --> 00:15:05,000

One of the students had to stop studying very similar things.

289

00:15:05,000 --> 00:15:09,000

He had to spend a lot of time in the shooting at the Chief of Law.

290

00:15:09,000 --> 00:15:11,000

I think I mentioned it to you.

291

00:15:11,000 --> 00:15:20,000

The only light that was on was the illumination from this light.

292

00:15:20,000 --> 00:15:22,000

What light?

293

00:15:22,000 --> 00:15:24,000

That's right.

294

00:15:25,000 --> 00:15:27,000

That's a blue glow.

295

00:15:27,000 --> 00:15:33,000

It's a light that's pretty dark.

296

00:15:33,000 --> 00:15:35,000

It's a blue light.

297

00:15:35,000 --> 00:15:37,000

It's all about the new dimensions.

298

00:15:37,000 --> 00:15:39,000

Anyway, thank you.

299

00:15:39,000 --> 00:15:42,000

I'll tell you something about this.

300

00:15:42,000 --> 00:15:44,000

It's a blue light.

301

00:15:44,000 --> 00:15:46,000

Anyway, thank you very much.

302

00:15:46,000 --> 00:15:52,000

I think that's the result of the funding for the Formula Go.

303

00:15:52,000 --> 00:15:54,000

You don't mind just what places.

304

00:15:54,000 --> 00:15:57,000

You know, Private Gallery or Private Gallery.

305

00:15:57,000 --> 00:15:59,000

Thank you very much.

306

00:15:59,000 --> 00:16:02,000

There's one other thing, which I meant to mention.

307

00:16:02,000 --> 00:16:07,000

You mentioned recently about some experience you had in between the six writings.

308

00:16:07,000 --> 00:16:09,000

Can you tell us about that?

309

00:16:09,000 --> 00:16:12,000

On the Monday night before the second signing,

310

00:16:12,000 --> 00:16:16,000

which was the Monday, the 24th of July,

311

00:16:16,000 --> 00:16:21,000

I usually go to see the visitor, some in the hospital.

312

00:16:21,000 --> 00:16:24,000

On Monday's Wednesdays and Fridays,

313

00:16:24,000 --> 00:16:26,000

well, this week I didn't.

314

00:16:26,000 --> 00:16:30,000

I went on the Tuesday night and the Thursday night.

315

00:16:30,000 --> 00:16:33,000

On the Monday night, I was home,

316

00:16:33,000 --> 00:16:36,000

making toast to my little daughter's dog.

317

00:16:36,000 --> 00:16:40,000

And I thought I heard someone call my name.

318

00:16:40,000 --> 00:16:42,000

The second I heard someone's calling,

319

00:16:42,000 --> 00:16:45,000

and I went out into the back and there was no one there.

320

00:16:45,000 --> 00:16:47,000

And we live on the corner,

321

00:16:47,000 --> 00:16:50,000

and I thought at the time that anyone passing,

322

00:16:50,000 --> 00:16:53,000

might have just been voices of people passing in the street.

323

00:16:53,000 --> 00:16:55,000

I didn't give it any more thought

324

00:16:55,000 --> 00:16:58,000

than when to be normally 11 o'clock.

325

00:16:58,000 --> 00:17:01,000

And the whole night long,

326

00:17:01,000 --> 00:17:04,000

I was kept awake by this voice,

327

00:17:04,000 --> 00:17:06,000

repeatedly calling my name,

328

00:17:06,000 --> 00:17:08,000

Maureen, over and over again.

329

00:17:08,000 --> 00:17:10,000

How long has it been?

330

00:17:10,000 --> 00:17:14,000

Just as it's been, that's why I'm calling you.

331

00:17:14,000 --> 00:17:18,000

Maureen, Maureen, over and over again.

332

00:17:18,000 --> 00:17:19,000

How long has it been?

333

00:17:19,000 --> 00:17:20,000

All night.

334

00:17:20,000 --> 00:17:23,000

Twice I got up to say that was my daughter,

335

00:17:23,000 --> 00:17:24,000

who is five,

336

00:17:24,000 --> 00:17:26,000

or when she was her bedroom,

337

00:17:26,000 --> 00:17:29,000

she was sound asleep, wasn't my daughter.

338

00:17:29,000 --> 00:17:31,000

And there's a lady, an old lady,

339

00:17:31,000 --> 00:17:33,000

at the end of that block.

340

00:17:33,000 --> 00:17:35,000

And I thought she might have fallen over,

341

00:17:35,000 --> 00:17:38,000

or she maybe sick and she was about calling me.

342

00:17:38,000 --> 00:17:40,000

So I went out into the back yard,

343

00:17:40,000 --> 00:17:42,000

and there was nobody there either.

344

00:17:42,000 --> 00:17:43,000

There's nobody about it.

345

00:17:43,000 --> 00:17:45,000

I came inside, locked up,

346

00:17:45,000 --> 00:17:47,000

went back to bed again.

347

00:17:47,000 --> 00:17:49,000

I was still in the middle of the night.

348

00:17:49,000 --> 00:17:51,000

I was down, slept again,

349

00:17:51,000 --> 00:17:53,000

but this continual voice,

350

00:17:53,000 --> 00:17:55,000

went on calling, all night long.

351

00:17:55,000 --> 00:17:57,000

Was it inside the end or outside?

352

00:17:57,000 --> 00:18:00,000

I would say inside, maybe.

353

00:18:00,000 --> 00:18:01,000

Did it ever last you?

354

00:18:01,000 --> 00:18:02,000

No.

355

00:18:02,000 --> 00:18:03,000

You cannot hear it?

356

00:18:03,000 --> 00:18:04,000

No.

357

00:18:04,000 --> 00:18:06,000

A year's in bed, and it's like, no.

358

00:18:06,000 --> 00:18:07,000

Are you asleep?

359

00:18:07,000 --> 00:18:09,000

It sounds like, sounds like...

360

00:18:09,000 --> 00:18:10,000

But then you had an earlier meeting,

361

00:18:10,000 --> 00:18:11,000

and you wasn't asleep.

362

00:18:11,000 --> 00:18:13,000

That's right, you were having a better...

363

00:18:13,000 --> 00:18:14,000

You didn't hear it then, right?

364

00:18:14,000 --> 00:18:15,000

No.

365

00:18:15,000 --> 00:18:16,000

I think it matters.

366

00:18:16,000 --> 00:18:17,000

Yes.

367

00:18:17,000 --> 00:18:20,000

And I rang my mother early in the morning

368

00:18:20,000 --> 00:18:22,000

to see if she was all right.

369

00:18:22,000 --> 00:18:24,000

I thought, well, maybe there's something wrong

370

00:18:24,000 --> 00:18:26,000

and I'm giving messages.

371

00:18:26,000 --> 00:18:28,000

I rang them, months ago, she was fine,

372

00:18:28,000 --> 00:18:29,000

and she asked me why,

373

00:18:29,000 --> 00:18:30,000

and I said,

374

00:18:30,000 --> 00:18:31,000

because I've been sent away,

375

00:18:31,000 --> 00:18:33,000

so her voice was calling me all night long.

376

00:18:33,000 --> 00:18:35,000

Can't explain it.

377

00:18:35,000 --> 00:18:37,000

It just happened.

378

00:18:37,000 --> 00:18:39,000

And then, that was on the Tuesday morning,

379

00:18:39,000 --> 00:18:40,000

and then on the Tuesday night,

380

00:18:40,000 --> 00:18:42,000

I had a second time.

381

00:18:42,000 --> 00:18:44,000

That happened the night after the same,

382

00:18:44,000 --> 00:18:45,000

what, the next night?

383

00:18:45,000 --> 00:18:47,000

The next night, I had to start.

384

00:18:47,000 --> 00:18:50,000

The night I would use me as an outing

385

00:18:50,000 --> 00:18:52,000

at the hospital on my way home,

386

00:18:52,000 --> 00:18:55,000

you can go until the Tuesday night instead.

387

00:18:55,000 --> 00:18:57,000

First three.

388

00:18:57,000 --> 00:18:59,000

Thank you very much.
