

1

00:00:00,000 --> 00:00:10,840

Dr. R. Leo Sprinkle.

2

00:00:10,840 --> 00:00:15,240

The history of the UFO controversy as described by Jacobs is filled with strange claims and

3

00:00:15,240 --> 00:00:16,720

eerie events.

4

00:00:16,720 --> 00:00:21,740

For some writers, for example, class, menzel and taves, these claims are nonsense brought

5

00:00:21,740 --> 00:00:25,640

forth by misguided UFO witnesses and by misled UFO investigators.

6

00:00:25,880 --> 00:00:30,640

However, other writers, for example, Heineck, Lorenzen and Lorenzen, Salisbury, Valais and

7

00:00:30,640 --> 00:00:35,640

others have described the UFO experience in terms of a display, including close encounters,

8

00:00:35,640 --> 00:00:37,960

abductions and contactee cases.

9

00:00:37,960 --> 00:00:43,480

The emerging pattern of UFO activity leads to the tentative hypothesis of conditioning.

10

00:00:43,480 --> 00:00:49,080

The question can be asked, does the UFO phenomenon represent a program of cosmic consciousness

11

00:00:49,080 --> 00:00:50,720

conditioning?

12

00:00:50,720 --> 00:00:54,240

If investigators are willing to consider the question of psychic as well as physical man

13

00:00:54,240 --> 00:00:58,800

in the stations in the UFO display, then other questions raise their silly heads.

14

00:00:58,800 --> 00:01:00,120

Some of the questions are like these.

15

00:01:00,120 --> 00:01:03,960

Are UFO prophecies in the physical realm or in the psychic realm?

16

00:01:03,960 --> 00:01:07,760

Do UFO prophecies represent future events which will occur?

17

00:01:07,760 --> 00:01:11,340

Or do they represent impossibly events which cannot occur?

18

00:01:11,340 --> 00:01:16,680

Do UFO prophecies represent possible events if humans do not mind their manners?

19

00:01:16,680 --> 00:01:21,640

Do UFO prophecies represent a mirage of our fantasies and fears of the future?

20

00:01:21,640 --> 00:01:25,480

Or do they represent a mirror which reflects our own postures and pronouncements of the

21

00:01:25,480 --> 00:01:26,800

presence?

22

00:01:26,800 --> 00:01:29,960

The problem with UFO prophecies is difficult to explore.

23

00:01:29,960 --> 00:01:31,360

There is a mass of information.

24

00:01:31,360 --> 00:01:35,920

However, there seems to be no easy method for analyzing the information.

25

00:01:35,920 --> 00:01:39,640

The general literature of prophecy has several features, including these.

26

00:01:39,640 --> 00:01:40,640

1.

27

00:01:40,640 --> 00:01:44,560

Prophecies often deal with claims of covenants or relationships between humans and gods

28

00:01:44,560 --> 00:01:46,200

or spiritual forces.

29

00:01:46,200 --> 00:01:47,360

2.

30

00:01:47,360 --> 00:01:51,600

Prophecies often deal with claims of changes which will occur or must occur if humans are

31

00:01:51,600 --> 00:01:56,320

to regain or gain their rightful position within the framework of the cosmos.

32

00:01:56,320 --> 00:01:57,320

And 3.

33

00:01:57,320 --> 00:02:02,880

Prophecies often deal with terminology and symbols which promote a variety of interpretations.

34

00:02:02,880 --> 00:02:06,600

Historians are quick to point out that prophecies, revelations and doomed-day predictions usually

35

00:02:06,600 --> 00:02:08,640

increase at the end of each century.

36

00:02:08,640 --> 00:02:12,800

Thus, it is appropriate that we now observe an increase of Bible-inspired predictions

37

00:02:12,800 --> 00:02:14,360

at the end of the world.

38

00:02:14,360 --> 00:02:18,040

As a bonus, we also have an increase in predictions about UFO phenomena.

39

00:02:18,040 --> 00:02:22,560

However, for every UFO prediction which seems to be fulfilled, there is one which is not

40

00:02:22,560 --> 00:02:23,560

fulfilled.

41

00:02:23,560 --> 00:02:24,560

Examples?

42

00:02:24,560 --> 00:02:29,720

Jacobs has written about the incident described by Major Friend, I love that name.

43

00:02:29,720 --> 00:02:33,200

Major Friend was then the director of the Project Blue Book.

44

00:02:33,200 --> 00:02:39,160

He described an incident in which six witnesses watched while one CIA officer went into a

45

00:02:39,160 --> 00:02:42,440

trance and apparently made contact with space people.

46

00:02:42,440 --> 00:02:44,280

The others wanted proof.

47

00:02:44,280 --> 00:02:47,000

The man in trance said that if they looked out of the window they would see a flying

48

00:02:47,000 --> 00:02:48,000

saucer.

49

00:02:48,000 --> 00:02:50,680

Three men rushed to the window and saw an UFO.

50

00:02:50,680 --> 00:02:54,880

At the same time, the radar center at Washington National Airport reported a blockage of radar

51

00:02:54,880 --> 00:02:58,720

returns which occurred in the direction of the sighting.

52

00:02:58,720 --> 00:03:02,600

The CIA briefed Major Friend who sat in on a later trance session.

53

00:03:02,600 --> 00:03:07,280

He asked to be kept informed of later developments, but apparently nothing happened except for

54

00:03:07,280 --> 00:03:10,120

the transfer to other positions of the men involved.

55

00:03:10,120 --> 00:03:15,520

On the other hand, we have an incident described in the book by Fessinger, Reakin and Schachter

56

00:03:15,520 --> 00:03:18,200

when prophecy fails.

57

00:03:18,200 --> 00:03:22,800

This book offers a conclusion by a group of social psychologists that when specific UFO

58

00:03:22,800 --> 00:03:25,560

prophecies fail, true believers do not change their beliefs.

59

00:03:25,560 --> 00:03:28,760

They merely redouble their efforts in the same wrong direction.

60

00:03:28,760 --> 00:03:35,680

Well, we ask again, shall we dismiss UFO prophecies as a mirage generated by spacey CIA officials

61

00:03:35,680 --> 00:03:39,200

or silly occult groups in little towns across the USA?

62

00:03:39,200 --> 00:03:43,560

Do UFO prophecies merely mirror the doubts and anxieties about the future or do these

63

00:03:43,560 --> 00:03:48,800

prophecies represent a portion of a much larger program to condition our belief systems and

64

00:03:48,800 --> 00:03:52,640

thereby change our actions and our patterns of behavior?

65

00:03:52,640 --> 00:03:57,760

A review of the literature offers information, opinions and speculations about the purposes

66

00:03:57,760 --> 00:04:03,760

and processes of prophecy, especially in regard to the questions about the evolution of humankind.

67

00:04:03,760 --> 00:04:05,440

Here are some examples.

68

00:04:05,440 --> 00:04:15,440

The Urancha book of 1955 and OAH SPE 1882 are histories of the universes as well as a history

69

00:04:15,440 --> 00:04:16,440

of the earth.

70

00:04:16,440 --> 00:04:21,760

A book by Chan Thomas called The Adam and Eve Story offers a theory of cataclysmic earth

71

00:04:21,760 --> 00:04:22,960

changes.

72

00:04:22,960 --> 00:04:27,480

Other books dealing with catastrophic events and earthquakes include those by Goodavage,

73

00:04:27,480 --> 00:04:33,480

by Goodman, Valentine, Viscure, Weber and Liss and the anonymous geologist who analyzed

74

00:04:33,520 --> 00:04:36,480

Edgar Cayce's predictions about earth changes.

75

00:04:36,480 --> 00:04:38,560

In general, these books are well written.

76

00:04:38,560 --> 00:04:42,920

In many instances, the writers compare available scientific knowledge with information which

77

00:04:42,920 --> 00:04:49,160

is obtained from persons who describe their clairvoyant visions or precognitive impressions.

78

00:04:49,160 --> 00:04:52,920

Another group of books offer various theories about the process of prediction, prophecy

79

00:04:52,920 --> 00:04:58,080

and synchronicity, including social and psychic factors, for example, the books by Loy, Vaca

80

00:04:58,080 --> 00:04:59,080

and Vaughn.

81

00:04:59,600 --> 00:05:03,520

Yet another batch of books are based upon the writer's interpretations of biblical or

82

00:05:03,520 --> 00:05:04,520

religious revelations.

83

00:05:04,520 --> 00:05:10,280

For example, The Fathom of Prophecy is described by Conor, by Culligan and interpreted by

84

00:05:10,280 --> 00:05:11,280

Stanford.

85

00:05:11,280 --> 00:05:15,640

A variety of books, some of which seem to be more sensationalist and sensible, offer

86

00:05:15,640 --> 00:05:18,280

the writer's versions of the apocalypse for the end of the world.

87

00:05:18,280 --> 00:05:24,240

For example, books by Brooke, Ebon, Lahaye, Lindsay, Weldon and Levitt, Wilkerson and the

88

00:05:24,240 --> 00:05:27,480

booklet Cosmic Awareness Speaks.

89

00:05:27,480 --> 00:05:31,000

Some writers provide their interpretations of the significance of UFO phenomena in the

90

00:05:31,000 --> 00:05:33,240

forthcoming, quote, New Age, unquote.

91

00:05:33,240 --> 00:05:38,680

For example, Beckley at Elkins, Hirtac, Moyer, Peters, Bucharach, Shuddlewood, Spangler and

92

00:05:38,680 --> 00:05:40,200

Stigert.

93

00:05:40,200 --> 00:05:44,840

One writer with the marvelous name of Eden has written a book entitled Planet in Trouble,

94

00:05:44,840 --> 00:05:47,000

the UFO Assault on Earth.

95

00:05:47,000 --> 00:05:51,400

Another writer wrote a book whose title refers to economic predictions, but the title looks

96

00:05:51,400 --> 00:05:53,400

as if it could refer to UFO predictions.

97

00:05:53,720 --> 00:05:58,000

It's entitled How to Prepare for the Coming Crash.

98

00:05:58,000 --> 00:06:02,840

Hoyleroid has provided a fascinating account of meditational experiments or rituals which

99

00:06:02,840 --> 00:06:07,280

apparently were proposed by UFO personalities and conducted by three persons who are attempting

100

00:06:07,280 --> 00:06:10,840

to minimize warfare between Arab and Israeli armies.

101

00:06:10,840 --> 00:06:17,800

Tanzli's book 77 argues that most UFO phenomena are reflective of esoteric or mystical teachings

102

00:06:17,800 --> 00:06:22,920

rather than physical manifestations, and he concludes the purpose of these mystical displays

103

00:06:23,000 --> 00:06:27,160

is to shape the consciousness of the inhabitants of Earth.

104

00:06:27,160 --> 00:06:31,920

Spangler described two types of archetypal symbols for new creative energies, services

105

00:06:31,920 --> 00:06:35,520

which are symbolized by the prophet and by the priest.

106

00:06:35,520 --> 00:06:39,560

The prophet refers to consciousness which is divinely inspired, pointing out the need

107

00:06:39,560 --> 00:06:46,560

for change, approaching danger, and acts as a catalyst in order to inspire transformation.

108

00:06:46,560 --> 00:06:51,040

For the prophet, reality is that which must be changed, but the priest refers to changes

109

00:06:51,080 --> 00:06:55,560

which have already been accomplished so that reality is seen as the presence of the new,

110

00:06:55,560 --> 00:06:58,920

the redeemed, or the regenerated form of the world.

111

00:06:58,920 --> 00:07:00,720

For the prophet, the new age is yet to come.

112

00:07:00,720 --> 00:07:04,760

For the priest, the new age is already here.

113

00:07:04,760 --> 00:07:09,160

Spangler goes on to point out that our links with quote, space brothers and quote, are

114

00:07:09,160 --> 00:07:11,120

based upon consciousness.

115

00:07:11,120 --> 00:07:15,720

Quote, ultimately it is only consciousness which separates anything in the universe,

116

00:07:15,720 --> 00:07:19,920

not space, not time, but consciousness.

117

00:07:20,040 --> 00:07:24,440

And the key to all space contact in the new age is placed before you.

118

00:07:24,440 --> 00:07:25,440

Unquote.

119

00:07:25,440 --> 00:07:30,400

He claims that meditational practice will lead to quote, building an ark.

120

00:07:30,400 --> 00:07:34,320

All who attune to and live this consciousness are absolutely protected no matter what happens

121

00:07:34,320 --> 00:07:36,440

to the outer world.

122

00:07:36,440 --> 00:07:40,680

He goes on to say, you are being visited by other planetary beings, but they come to

123

00:07:40,680 --> 00:07:45,640

you now in higher energy bodies than before, and you must yourselves rise in consciousness

124

00:07:45,640 --> 00:07:47,520

if you wish to contact them.

125

00:07:47,520 --> 00:07:48,520

Unquote.

126

00:07:48,520 --> 00:07:52,880

Spangler concludes, quote, the space brothers will not come into relationship with you until

127

00:07:52,880 --> 00:07:56,120

you have evolved the capacity for cosmic brotherhood.

128

00:07:56,120 --> 00:07:58,640

Their interest is not simply that of helping you.

129

00:07:58,640 --> 00:08:03,120

They await the people of earth to arise in consciousness so that you can begin working

130

00:08:03,120 --> 00:08:07,360

together to build greater patterns of life that will be interplanetary in scope, forming

131

00:08:07,360 --> 00:08:12,600

the bodies of truly vast cosmic beings who cannot incarnate, save within energy fields

132

00:08:12,600 --> 00:08:18,200

provided by the United Harmony, Love, Thought, and Interaction of the races of several planetary

133

00:08:18,200 --> 00:08:19,200

systems.

134

00:08:19,200 --> 00:08:20,200

Unquote.

135

00:08:20,200 --> 00:08:24,400

Well, these are heavy statements to lay on our poor suffering souls.

136

00:08:24,400 --> 00:08:28,840

Is there any basis for accepting these statements as meaningful within our traditional knowledge?

137

00:08:28,840 --> 00:08:33,520

I tried to think of ways that I could conduct, quote, scientific, unquote, observations in

138

00:08:33,520 --> 00:08:37,160

order to test the hypotheses of UFO prophecies.

139

00:08:37,160 --> 00:08:39,560

I could not.

140

00:08:39,560 --> 00:08:43,000

So I decided to burn a couple of methods of observations.

141

00:08:43,000 --> 00:08:49,000

After contemplation, I decided to participate in two rituals or two observations.

142

00:08:49,000 --> 00:08:54,560

In the second ritual at 1.20 p.m. Monday, November 12, 1979, I consulted the Yi Qing

143

00:08:54,560 --> 00:08:57,320

workbook by wing of 1979.

144

00:08:57,320 --> 00:09:02,680

I cast coins while asking the question, is the topic of UFO prophecies a significant

145

00:09:02,680 --> 00:09:06,280

issue in the eventual solution of the UFO mystery?

146

00:09:06,280 --> 00:09:13,520

I obtained the trigrams Li and Tui, resulting in the hexagram 49, changing to trigrams

147

00:09:13,520 --> 00:09:18,040

Chen and Chen, resulting in hexagram number 51.

148

00:09:18,040 --> 00:09:19,040

What does that mean?

149

00:09:19,040 --> 00:09:25,140

Well, hexagram 49 is entitled changing or revolution, quote, the forces at work in the situation

150

00:09:25,140 --> 00:09:29,680

are in conflict, leaving the path open to change, unquote.

151

00:09:29,680 --> 00:09:34,880

Hexagram 51 is entitled shocking, quote, the sudden force of stored and kinetic energy

152

00:09:34,880 --> 00:09:40,120

in the cosmos will be released in a powerful and shocking display, unquote.

153

00:09:40,120 --> 00:09:43,800

I don't know what this information means to you, but I regard it as one more question

154

00:09:43,800 --> 00:09:47,000

mark and the many questions about UFO phenomena.

155

00:09:47,000 --> 00:09:50,960

My first ritual was somewhat more traditional in obtaining information.

156

00:09:50,960 --> 00:09:54,960

I gathered from my files a few of the materials which had been submitted by persons who claimed

157

00:09:54,960 --> 00:10:00,600

the experience of being abducted, examined, released, and then monitored by UFO entities

158

00:10:00,600 --> 00:10:03,400

or UFO occupants or UFOs.

159

00:10:03,400 --> 00:10:07,640

Of these some 40 persons, I have conducted regular correspondence with several of them

160

00:10:07,640 --> 00:10:11,240

and they send me copies of the messages or transmissions which they receive from their

161

00:10:11,240 --> 00:10:12,240

UFO mentors.

162

00:10:12,240 --> 00:10:16,360

Of course, they have no way to prove the alleged source of the information which they

163

00:10:16,360 --> 00:10:22,760

receive, but they are obviously sincere in their belief that they are obtaining information.

164

00:10:22,760 --> 00:10:27,440

Two of the men have obtained psychic impressions of, quote, future, unquote, armed conflict

165

00:10:27,440 --> 00:10:29,600

between Arab and Israeli armies.

166

00:10:29,600 --> 00:10:32,040

One had a premonition of the death of Robert Kennedy.

167

00:10:32,040 --> 00:10:37,680

The other man had described in an impression received in 1968 of Ted Kennedy becoming a

168

00:10:37,680 --> 00:10:43,040

presidential candidate and then being wounded in the shoulder during an assassination attempt.

169

00:10:43,040 --> 00:10:47,000

Two of the women received continuing messages of scientific and religious topics, including

170

00:10:47,000 --> 00:10:52,560

schemata or devices for mass psychic communications.

171

00:10:52,560 --> 00:10:56,840

Two other women received impressions of, quote, future, unquote, learning centers and methods

172

00:10:56,840 --> 00:10:59,160

of educating humankind.

173

00:10:59,160 --> 00:11:03,600

Two other women received impressions of possible earth changes and earthquakes.

174

00:11:03,600 --> 00:11:08,280

A friend of one of these women whose pseudonym is Stormy Winterstar has provided these UFO

175

00:11:08,280 --> 00:11:09,280

prophecies.

176

00:11:09,280 --> 00:11:13,960

One, during the 1980s there will be a revelation for the UFO phenomenon.

177

00:11:13,960 --> 00:11:17,600

During this time we will become enlightened as to who they are and where they come from.

178

00:11:17,600 --> 00:11:19,240

We'll have a craft on the ground.

179

00:11:19,240 --> 00:11:24,000

Two, government officials will try and discount this, but the cover-ups will not be successful.

180

00:11:24,000 --> 00:11:27,280

An explanation of this, people who have had close encounters will rally and come forth

181

00:11:27,280 --> 00:11:28,280

to be enlightened.

182

00:11:28,400 --> 00:11:32,720

Three, one of my basic predictions concerns their base, which I believe to be inside the

183

00:11:32,720 --> 00:11:37,560

earth and is accessible to them through water also, for example, or in other words, oceans,

184

00:11:37,560 --> 00:11:39,880

lakes, rivers, as well as through the earth.

185

00:11:39,880 --> 00:11:43,160

I believe the main place for them to enter their base from the earth's atmospheres around

186

00:11:43,160 --> 00:11:44,520

the polar ice cap.

187

00:11:44,520 --> 00:11:48,400

Four, it's my belief that there are many types of spacecraft used for many reasons and the

188

00:11:48,400 --> 00:11:51,440

majority of these occupants are friendly and nonviolent types.

189

00:11:51,440 --> 00:11:53,000

They are interested in research and study.

190

00:11:53,000 --> 00:11:57,960

However, I do believe and predict that we'll find those of war in outer space also.

191

00:11:57,960 --> 00:12:00,720

It seems to me that their base would be in the galaxy.

192

00:12:00,720 --> 00:12:03,680

We will find these beings more humanoid and violently aggressive.

193

00:12:03,680 --> 00:12:08,080

Five, there will be a ground war in the 1980s as well as a space war.

194

00:12:08,080 --> 00:12:11,560

The encounters of the two opposing forces will leave no mystery for us.

195

00:12:11,560 --> 00:12:15,200

It will be during this war that our questions will be answered for man to read.

196

00:12:15,200 --> 00:12:18,800

The aggressive forces of space will not emerge victorious in this war.

197

00:12:18,800 --> 00:12:24,560

Six, we will find that abductees and contactees are not carelessly selected but carefully

198

00:12:24,560 --> 00:12:26,000

chosen people.

199

00:12:26,000 --> 00:12:29,640

We will find that each one fits into the framework of the space age.

200

00:12:29,640 --> 00:12:33,440

When the space age dawns is a new era, we will learn how important these people are

201

00:12:33,440 --> 00:12:36,280

to the future of this continent and to the world.

202

00:12:36,280 --> 00:12:40,280

From observation, only the mentally strong can survive contact with the occupants of

203

00:12:40,280 --> 00:12:41,280

UFOs.

204

00:12:41,280 --> 00:12:45,720

Seven, I predict that we will find that from time of contact, the abductees are in a sleep-stated

205

00:12:45,720 --> 00:12:52,040

learning and programming for the space age on almost a daily or nightly basis.

206

00:12:52,040 --> 00:12:53,880

Contactees are vaguely aware of this training program.

207

00:12:53,960 --> 00:12:58,200

However, known communication produces a barrier between them and what we call normal life.

208

00:12:58,200 --> 00:13:02,320

Eight, we will one day be in a position to view spacecrafts that are now obsolete to

209

00:13:02,320 --> 00:13:03,320

space creatures.

210

00:13:03,320 --> 00:13:08,520

Nine, we will learn that reincarnation is an important factor between present contactees

211

00:13:08,520 --> 00:13:10,520

and other lives aboard spacecrafts.

212

00:13:10,520 --> 00:13:15,320

Ten, during a time of war and other physical stress, people known to us now as abductees

213

00:13:15,320 --> 00:13:17,440

will disappear, leaving no trace.

214

00:13:17,440 --> 00:13:21,760

This is to say that I believe that they will become residents of the UFO bases or compounds

215

00:13:21,760 --> 00:13:24,360

as a protective measure for contactees.

216

00:13:24,360 --> 00:13:28,080

When this becomes necessary, they will become useful in their respective fields of higher

217

00:13:28,080 --> 00:13:29,080

learning.

218

00:13:29,080 --> 00:13:32,680

I believe that all the above predictions have now started to come to pass and by the

219

00:13:32,680 --> 00:13:37,120

late 1990s we will find that we have been negligent in our pursuits and will be faced

220

00:13:37,120 --> 00:13:38,840

with the universal truths of realities.

221

00:13:38,840 --> 00:13:42,080

Sincerely, Stormy Winner Star.

222

00:13:42,080 --> 00:13:46,760

Another person, H.G., writes of possible future events.

223

00:13:46,760 --> 00:13:52,080

There has been much, much prattle about the rapture, each sect and denomination claiming

224

00:13:52,080 --> 00:13:54,200

exclusive priority in this event.

225

00:13:54,200 --> 00:13:57,440

None of them knows what it's all about and the prattlers do their flocks of great disservice

226

00:13:57,440 --> 00:14:01,960

by misleading them into believing that their particular sect offers surefire participation

227

00:14:01,960 --> 00:14:03,640

in this great event.

228

00:14:03,640 --> 00:14:08,960

Celestial command has exacted tail per preparations for what they refer to as operation lift off.

229

00:14:08,960 --> 00:14:12,080

This entails much, much more than a human mind can conceive.

230

00:14:12,080 --> 00:14:16,080

It allows for the coming in of celestial ships to carry the true believers to regions of

231

00:14:16,080 --> 00:14:20,040

safety during the time of the great cataclysms and geographic upheavals.

232

00:14:20,040 --> 00:14:24,720

As one source states, right intent will be the true passport.

233

00:14:24,720 --> 00:14:27,040

Lift off will include those from every race.

234

00:14:27,040 --> 00:14:29,760

Orthodox secularism will have no bearing.

235

00:14:29,760 --> 00:14:33,400

There will be great turmoil among those remaining on earth, great famine, great pestilence, great

236

00:14:33,400 --> 00:14:34,680

fighting.

237

00:14:34,680 --> 00:14:38,640

This person goes on to say, in the final showdown, Communist China will join hands with Communist

238

00:14:38,640 --> 00:14:41,400

Russia to, quote, fight against the Lord, unquote.

239

00:14:41,400 --> 00:14:46,040

The final battle will be fought between the, quote, good guys and the bad guys, unquote.

240

00:14:46,040 --> 00:14:49,320

After earth goes into new orbit, the good guys will come in and take over command of

241

00:14:49,320 --> 00:14:50,320

this planet.

242

00:14:50,320 --> 00:14:54,400

There will be an entirely new political and economic setup administered by celestial command,

243

00:14:54,400 --> 00:14:58,320

and interplanetary and even intergalactic communications will be reestablished.

244

00:14:58,320 --> 00:15:00,440

End of quotation.

245

00:15:00,440 --> 00:15:04,840

Another example, a 35-year-old woman who calls herself Gloria Archer, experienced some strange

246

00:15:04,840 --> 00:15:09,640

events for 12 long years which caused her much distress.

247

00:15:09,640 --> 00:15:11,640

She's a bright, attractive and perceptive person.

248

00:15:11,640 --> 00:15:15,920

However, she was raised in a family who valued family unity, nationalism, traditional views

249

00:15:15,920 --> 00:15:20,320

of common sense reality, and a fundamentalist Christian belief.

250

00:15:20,320 --> 00:15:24,480

She was unable to talk with her family about her UFO experiences which included out-of-the-body

251

00:15:24,480 --> 00:15:30,760

experience, near-death experience, abduction, bodily and sexual examination, mental communication

252

00:15:30,760 --> 00:15:33,320

with UFO personalities.

253

00:15:33,320 --> 00:15:37,360

Results of psychological inventories indicated that her profile of scores were in the normal

254

00:15:37,360 --> 00:15:40,000

range of scores for USA adults.

255

00:15:40,000 --> 00:15:43,960

Hypnotic suggestions to recall and relive her UFO experiences were helpful to her in

256

00:15:43,960 --> 00:15:48,680

recognizing that she had experienced direct contact with alien beings.

257

00:15:48,680 --> 00:15:53,000

Gloria Archer has described the effects of her UFO experience as shown by the following

258

00:15:53,000 --> 00:15:54,720

excerpts.

259

00:15:54,720 --> 00:15:59,640

Beginning of quote, changes brought about in the inner me as a result of this experience.

260

00:15:59,640 --> 00:16:04,040

After my experience, I knew that I'd been privileged with a glimpse of something infinitely

261

00:16:04,040 --> 00:16:06,280

wondrous and profound.

262

00:16:06,280 --> 00:16:11,720

My inner consciousness had undergone a complete and staggering metamorphosis.

263

00:16:11,720 --> 00:16:15,440

Those truths I had been taught to the ears by my church, family, parents and teachers

264

00:16:15,440 --> 00:16:18,120

no longer were valid to me.

265

00:16:18,120 --> 00:16:23,000

These beliefs have been replaced by an understanding of the process we call creation, and I know

266

00:16:23,000 --> 00:16:27,520

our earth science and education are not yet beginning to suspect the universal laws that

267

00:16:27,520 --> 00:16:30,960

govern the creation of worlds within our universe.

268

00:16:30,960 --> 00:16:35,640

The following is a synopsis of the changes brought about in the inner me as a direct consequence

269

00:16:35,640 --> 00:16:36,640

of my experience.

270

00:16:36,640 --> 00:16:41,800

I'll read just briefly some of the excerpts from those statements.

271

00:16:41,800 --> 00:16:42,800

1.

272

00:16:42,800 --> 00:16:45,360

I have embraced a faith of cosmic conditions.

273

00:16:45,360 --> 00:16:46,600

2.

274

00:16:46,600 --> 00:16:50,800

I no longer have allegiance to any particular form of earthly government, political system,

275

00:16:50,800 --> 00:16:52,800

race, economic or social structure.

276

00:16:52,800 --> 00:16:56,440

My only allegiance is to my Creator and to the cosmic Christ.

277

00:16:56,440 --> 00:16:57,440

3.

278

00:16:57,440 --> 00:17:01,840

I have continued to be obsessed with an expanding desire for truth and understanding of earths

279

00:17:01,840 --> 00:17:03,920

and man's evolutionary progress.

280

00:17:04,560 --> 00:17:05,560

4.

281

00:17:05,560 --> 00:17:07,360

I have studied the mind and the altered states of consciousness.

282

00:17:07,360 --> 00:17:08,360

5.

283

00:17:08,360 --> 00:17:10,120

I am a firm believer in reincarnation.

284

00:17:10,120 --> 00:17:15,000

All of us are immortal souls and we are responsible for what our minds manifest around us.

285

00:17:15,000 --> 00:17:16,000

6.

286

00:17:16,000 --> 00:17:19,520

I have strived to balance myself, to evolve physically, mentally and spiritually into

287

00:17:19,520 --> 00:17:21,200

a more balanced human being.

288

00:17:21,200 --> 00:17:22,200

7.

289

00:17:22,200 --> 00:17:25,160

I have tried to live my principles and moral laws within myself.

290

00:17:25,160 --> 00:17:26,160

8.

291

00:17:26,160 --> 00:17:28,080

I have vowed to serve the universal law.

292

00:17:28,080 --> 00:17:32,000

I try to feel and live the law of love for others.

293

00:17:32,000 --> 00:17:33,400

9.

294

00:17:33,400 --> 00:17:35,040

All my life is one.

295

00:17:35,040 --> 00:17:38,680

We are part of the stars, oceans, all creation.

296

00:17:38,680 --> 00:17:39,920

10.

297

00:17:39,920 --> 00:17:42,680

I have no fear of death.

298

00:17:42,680 --> 00:17:44,960

11.

299

00:17:44,960 --> 00:17:47,960

My mission is to earth citizens and environment.

300

00:17:47,960 --> 00:17:52,360

Unless the consciousness of humankind is raised, we will ultimately destroy the work of eons,

301

00:17:52,360 --> 00:17:55,760

ourselves and the present environment of our world.

302

00:17:55,760 --> 00:17:57,120

12.

303

00:17:57,120 --> 00:18:00,640

Man is facing a crucial period in his evolution as a species.

304

00:18:00,640 --> 00:18:01,640

13.

305

00:18:01,640 --> 00:18:05,360

I believe in a father, mother, god, a balanced interchange between the creativity of both

306

00:18:05,360 --> 00:18:06,360

sexes.

307

00:18:06,360 --> 00:18:07,360

14.

308

00:18:07,360 --> 00:18:10,800

I have the knowledge that we are unknowing participants in a living universe.

309

00:18:10,800 --> 00:18:13,840

There are other life forms, other worlds, other dimensions.

310

00:18:13,840 --> 00:18:14,840

15.

311

00:18:14,840 --> 00:18:18,760

I am experiencing loss of interest in the accumulation of material things.

312

00:18:18,760 --> 00:18:19,760

16.

313

00:18:19,760 --> 00:18:21,920

Basically I have become a pacifist.

314

00:18:21,920 --> 00:18:24,000

War depletes, it does not enrich.

315

00:18:24,000 --> 00:18:25,000

17.

316

00:18:25,000 --> 00:18:28,400

I have the knowledge that the world's fuel must be water.

317

00:18:28,400 --> 00:18:29,400

18.

318

00:18:29,400 --> 00:18:33,280

I feel a total disagreement within a society that pushes the use of nuclear fuel or weapons.

319

00:18:33,280 --> 00:18:34,280

18.

320

00:18:34,280 --> 00:18:39,400

Within myself, I experience the consummation of science with religion.

321

00:18:39,400 --> 00:18:43,560

After many years, I now realize and know that my own transformation was not and is not a

322

00:18:43,560 --> 00:18:46,040

single experience here upon earth.

323

00:18:46,040 --> 00:18:50,800

There are literally hundreds if not thousands of people who are and or have experienced

324

00:18:50,800 --> 00:18:52,320

this metamorphosis.

325

00:18:52,320 --> 00:18:56,000

Our numbers are growing yearly and we are beginning to locate and communicate with each

326

00:18:56,000 --> 00:18:57,000

other.

327

00:18:57,120 --> 00:19:01,040

An alien invasion has already occurred on earth.

328

00:19:01,040 --> 00:19:05,640

The conquering power is not military or technological economic superiority.

329

00:19:05,640 --> 00:19:09,680

It is the revolution in consciousness and spiritual knowing that has been implanted

330

00:19:09,680 --> 00:19:15,840

within the minds of thousands of people all over the world.

331

00:19:15,840 --> 00:19:20,760

The future of this world is passing into the hands and minds of these people.

332

00:19:20,760 --> 00:19:23,920

Those of us who have been contacted no longer serve the old orders.

333

00:19:23,960 --> 00:19:27,400

We fear nothing least of all the threat of death or physical deprivation.

334

00:19:27,400 --> 00:19:28,680

We are here now.

335

00:19:28,680 --> 00:19:29,720

We walk among you daily.

336

00:19:29,720 --> 00:19:32,520

We pass you on the streets, stand next to you in the elevators and you see little of

337

00:19:32,520 --> 00:19:35,520

what is moving daily closer to completion.

338

00:19:35,520 --> 00:19:40,760

We are among you and our force is the force of mind governed by a morality and an ethical

339

00:19:40,760 --> 00:19:43,880

code that upon earth is incomprehensible.

340

00:19:43,880 --> 00:19:44,880

End of quotation.

341

00:19:44,880 --> 00:19:48,640

I think it is interesting to note in regard to item 7, quote, I have the knowledge that

342

00:19:48,640 --> 00:19:50,480

the world's fuel must be water.

343

00:19:50,480 --> 00:19:56,400

I am quoting, I noticed in the Denver Post of November 13, 1979, an associated press

344

00:19:56,400 --> 00:20:01,440

news item about work being conducted in the Sandia Laboratories in Albuquerque, New Mexico

345

00:20:01,440 --> 00:20:06,680

regarding a particle beam fusion accelerator which was described as the only one of its

346

00:20:06,680 --> 00:20:11,920

kind outside the Soviet Union and is a type of nuclear reactor which if successful would

347

00:20:11,920 --> 00:20:15,480

be fueled by nature's most plentiful resource, water.

348

00:20:15,480 --> 00:20:21,480

And this young woman has no knowledge of this kind of scientific work as far as I can

349

00:20:21,480 --> 00:20:22,480

determine.

350

00:20:22,480 --> 00:20:28,040

Well, the question arises, what do UFO prophecies tell us about the possible purposes of UFO

351

00:20:28,040 --> 00:20:29,040

personalities?

352

00:20:29,040 --> 00:20:35,800

Here is a model of these claims or speculations about UFO experiences and related conditions.

353

00:20:35,800 --> 00:20:41,320

UFO experiences are one segment of a plan to transfer humans from planetary persons

354

00:20:41,320 --> 00:20:43,080

to cosmic citizens.

355

00:20:43,720 --> 00:20:45,920

UFO contactees have been chosen.

356

00:20:45,920 --> 00:20:48,520

No UFO contact is accidental.

357

00:20:48,520 --> 00:20:55,000

Two, contactees are ordinary people who exhibit a caring or loving concern for all humankind.

358

00:20:55,000 --> 00:20:59,120

Three, contactees have an experience which can be viewed as a manifestation of their

359

00:20:59,120 --> 00:21:00,800

ideas of reality.

360

00:21:00,800 --> 00:21:07,400

Four, UFO experiences include para-physical, para-biological, para-psychological, and para-spiritual

361

00:21:07,400 --> 00:21:13,840

manifestations which are designed to influence the, quote, world view of contactees.

362

00:21:13,840 --> 00:21:19,080

Five, contactees receive information during and after their UFO experiences which is related

363

00:21:19,080 --> 00:21:24,840

to their life interests, for example, natural sciences, ancient civilizations, psychic phenomena,

364

00:21:24,840 --> 00:21:27,280

and metaphysical or spiritual knowledge, etc.

365

00:21:27,280 --> 00:21:33,680

Six, contactees are gently coerced into studies and activities which blend with the ultimate

366

00:21:33,680 --> 00:21:35,560

purpose of UFO entities.

367

00:21:35,560 --> 00:21:39,080

They are not forced to be obedient to UFO personalities.

368

00:21:39,080 --> 00:21:44,480

Seven, contactees are initiated and maintained within the general framework of contactees'

369

00:21:44,480 --> 00:21:46,040

views of reality.

370

00:21:46,040 --> 00:21:52,680

Thus, UFO contacts can be reviewed as real, face-to-face encounters with flesh and blood

371

00:21:52,680 --> 00:21:58,760

beings, or UFO contacts can be viewed as dreams, fantasies, and subconscious ideas which are

372

00:21:58,760 --> 00:22:00,840

manifested consciously.

373

00:22:01,840 --> 00:22:06,720

Eight, contactees are programmed for a variety of future activities, including awareness

374

00:22:06,720 --> 00:22:12,400

of their own contacts and a desire to share their message and knowledge with other contactees.

375

00:22:12,400 --> 00:22:18,080

Nine, the lives of contactees move in the direction of greater self-awareness, greater

376

00:22:18,080 --> 00:22:22,920

concern for the welfare of the planet earth, and a greater sense of cosmic citizenship

377

00:22:22,920 --> 00:22:25,160

with other beings nearer to us.

378

00:22:25,160 --> 00:22:30,080

And ten, the personal metamorphosis of UFO contactees is the forerunner of a social

379

00:22:30,080 --> 00:22:35,360

transformation in human consciousness which now is leading to changes in the economic,

380

00:22:35,360 --> 00:22:40,800

educational, military, political, and religious institutions of nations of the earth.

381

00:22:40,800 --> 00:22:42,160

Summary and conclusions.

382

00:22:42,160 --> 00:22:47,400

On the basis of the various claims and the material submitted by UFO contactees, we

383

00:22:47,400 --> 00:22:51,680

are not able to determine if UFO entities exist.

384

00:22:51,680 --> 00:22:56,960

You may recall that Eileen Garrett, the renowned psychic and medium, who was able to obtain

385

00:22:56,960 --> 00:23:02,320

psychic impressions which later were verified, was asked if the sources of her impressions

386

00:23:02,320 --> 00:23:04,360

actually were discarnate spirits.

387

00:23:04,360 --> 00:23:07,640

And she replied, On Monday, Wednesday, and Friday, I say yes.

388

00:23:07,640 --> 00:23:09,840

On Tuesday, Thursday, and Saturday, I say no.

389

00:23:09,840 --> 00:23:11,800

And on Sundays, I'm not sure.

390

00:23:11,800 --> 00:23:16,120

Well, in the same vein, these good persons are not certain about the sources of their

391

00:23:16,120 --> 00:23:17,520

messages or transmission.

392

00:23:17,520 --> 00:23:20,560

However, on one point they all agree.

393

00:23:20,560 --> 00:23:24,560

They feel as if they are receiving information from sources who seem to be highly intelligent

394

00:23:24,560 --> 00:23:26,000

and deeply ethical.

395

00:23:26,000 --> 00:23:29,240

They feel that their lives are enriched.

396

00:23:29,240 --> 00:23:33,440

In conclusion, I suggest that we consider the work of a social psychologist, Lloyd,

397

00:23:33,440 --> 00:23:38,960

who has written a book entitled *The Noble Future*, a psychology of forecasting and prophecy.

398

00:23:38,960 --> 00:23:43,320

He claims that his book shows, one, how the future can be read, two, that this is a natural

399

00:23:43,320 --> 00:23:48,980

capacity within all of us, scholar and non-scholar-like, and three, that this ability can be strengthened

400

00:23:48,980 --> 00:23:55,240

and made more socially useful through methods for the, quote, pooling of visions, unquote.

401

00:23:55,240 --> 00:23:59,760

Lloyd offers the book in the hope of bridging the gap between rational and intuitive predictions,

402

00:23:59,760 --> 00:24:04,920

quote, to make the intelligent use of mind more palatable and of unconscious mind more

403

00:24:04,920 --> 00:24:10,480

respectable and to readers who need knowledge not merely of one or the other, but of both,

404

00:24:10,480 --> 00:24:11,480

unquote.

405

00:24:11,480 --> 00:24:17,480

I wonder what knowledge might arise if UFO researchers and UFO contactees would sit down

406

00:24:17,480 --> 00:24:19,680

together for a pooling of visions.

407

00:24:19,680 --> 00:24:20,680

Thank you.
