

1

00:00:30,000 --> 00:00:37,000

We have been working at the moment on another book, other plans and other plans.

2

00:00:37,000 --> 00:00:45,000

And I just want to say we have found that just a few years ago, we have been working

3

00:00:45,000 --> 00:00:51,000

with and have had a great many conversations with other men who have had experience with

4

00:00:51,000 --> 00:00:55,000

these self-harm self-reported people.

5

00:00:55,000 --> 00:01:01,000

And if you have any questions, we will have a clue at the end of May 10th.

6

00:01:01,000 --> 00:01:04,000

We will have had some of them that have been handed in.

7

00:01:04,000 --> 00:01:08,000

And Mr. Williams will answer them in time.

8

00:01:08,000 --> 00:01:15,000

I think that, inside of the book, we will see that what the people have not been waiting for,

9

00:01:15,000 --> 00:01:20,000

we will find it very enjoyable and very enlightening.

10

00:01:20,000 --> 00:01:26,000

It is a great honor to have the privilege of introducing Mr. Williams to this film.

11

00:01:26,000 --> 00:01:28,000

Thank you very much.

12

00:01:28,000 --> 00:01:33,000

It is a pleasure to be here in Detroit, especially since I have been brought here under the auspices

13

00:01:33,000 --> 00:01:37,000

of the Sanctus Institute, and it is by my good friend, Lita Gell, Hunter.

14

00:01:37,000 --> 00:01:41,000

Lita Gell, as you stand up for the office, is right there.

15

00:01:42,000 --> 00:01:47,000

I think that now I have got to do that.

16

00:01:47,000 --> 00:01:55,000

It is a great privilege to be here to speak to you on the subject of flying software.

17

00:01:55,000 --> 00:02:02,000

The flying software is a very recently developed by proving to be more last-reported than a

18

00:02:02,000 --> 00:02:04,000

half-dened software version.

19

00:02:04,000 --> 00:02:10,000

I think that all over the world, I begin to realize that this phenomenon known specifically

20

00:02:10,000 --> 00:02:16,000

as the flying software may have a great sign on the life of each and every one of us,

21

00:02:16,000 --> 00:02:18,000

and we are not too distant from each other.

22

00:02:18,000 --> 00:02:24,000

As Mrs. Todd has said, I know many men who have had similar experiences.

23

00:02:24,000 --> 00:02:29,000

I have happened to be with Mr. George Adams in November of 1952,

24

00:02:29,000 --> 00:02:33,000

and he had his memorable contact with the devil.

25

00:02:33,000 --> 00:02:39,000

He was devil-cited California on November 20th of 1952,

26

00:02:39,000 --> 00:02:45,000

and he had his memorable experience with the flying software on the deletion.

27

00:02:45,000 --> 00:02:48,000

My wife and I were both listening to that event.

28

00:02:48,000 --> 00:02:55,000

But I was in flying software started long before the contact with Mr. Adams.

29

00:02:55,000 --> 00:03:01,000

In fact, before he moved to the US, it was through our own words that we heard of him

30

00:03:01,000 --> 00:03:03,000

and I eventually met him.

31

00:03:03,000 --> 00:03:10,000

When I was in 1952, we had our own contact via software or radio telegraph.

32

00:03:10,000 --> 00:03:15,000

I had been up and here on North King's List in Minnesota,

33

00:03:15,000 --> 00:03:18,000

where I was working with Mr. Cripple of the Indian Academy,

34

00:03:18,000 --> 00:03:22,000

and I had been meeting non-lokies and talks about this particular group of Crippleies

35

00:03:22,000 --> 00:03:26,000

that had never been assimilated or written down before.

36

00:03:26,000 --> 00:03:31,000

I was in some of the best countries in the United Minnesota,

37

00:03:31,000 --> 00:03:34,000

and I also did work at Milance.

38

00:03:34,000 --> 00:03:38,000

Milance was just some of the most familiar with the Crippleies there.

39

00:03:38,000 --> 00:03:40,000

I didn't know any one about Crippleies,

40

00:03:40,000 --> 00:03:44,000

and most of the ones I've seen, there's been a few things in the news pages,

41

00:03:45,000 --> 00:03:49,000

and I heard a quiet, foolish line in the stories, but that's all that I knew.

42

00:03:49,000 --> 00:03:52,000

And on my way up to Minnesota, I went up on the garden,

43

00:03:52,000 --> 00:03:56,000

I picked up the Madonna C. Hall's first book on the garden,

44

00:03:56,000 --> 00:04:01,000

The Flying Cripple in Rio, in the pocket of the British.

45

00:04:01,000 --> 00:04:04,000

And I never read the book, never even started it.

46

00:04:04,000 --> 00:04:07,000

I got up to Minnesota, and for one minute it was raining,

47

00:04:07,000 --> 00:04:12,000

though the women in Minnesota know that in the fall, you get a lot of rain once in a while,

48

00:04:12,000 --> 00:04:15,000

and it rains steadily for about a week.

49

00:04:15,000 --> 00:04:20,000

I couldn't get out of my cabin in the field, so I picked up the book.

50

00:04:20,000 --> 00:04:24,000

And I didn't put it down, believe me, until I finished it.

51

00:04:24,000 --> 00:04:28,000

And after I had read it, I was determined to do it myself,

52

00:04:28,000 --> 00:04:33,000

but at least it seemed so clumsy in a climate-like way.

53

00:04:33,000 --> 00:04:38,000

Because really, the Madonna Cripple in Rio was down into the drain in an aggressive way,

54

00:04:39,000 --> 00:04:42,000

and what analyzed all this stuff, it seemed to be some crazy,

55

00:04:42,000 --> 00:04:47,000

but they couldn't do anything, but something from out of state.

56

00:04:47,000 --> 00:04:50,000

In fact, I think you mentioned in the book that in Rio,

57

00:04:50,000 --> 00:04:54,000

it seemed like it was a shallow one, and in the little fantastic stuff,

58

00:04:54,000 --> 00:04:57,000

that's all it could be, right? That's what it had to be.

59

00:04:57,000 --> 00:05:01,000

I mean, with me, all of the legends that I had been collecting,

60

00:05:01,000 --> 00:05:04,000

were going to fall in place.

61

00:05:04,000 --> 00:05:08,000

And I thought, good heavens, a lot of these things I've been collecting

62

00:05:08,000 --> 00:05:13,000

sound like flying saucers, and that is out of the picture.

63

00:05:13,000 --> 00:05:17,000

But that book seemed to make anything go in place.

64

00:05:17,000 --> 00:05:22,000

And I wrote to my wife, who couldn't come up with her country with me,

65

00:05:22,000 --> 00:05:26,000

because she suffers from arthritis, and I wrote to her,

66

00:05:26,000 --> 00:05:29,000

she was doing work in Mexico, in the Indian Mexico,

67

00:05:29,000 --> 00:05:33,000

and I said, listen, I think I went under something,

68

00:05:33,000 --> 00:05:36,000

and I reached and stuck into a swamp, and she wrote back,

69

00:05:36,000 --> 00:05:39,000

and said, well, I've been running under the same thing,

70

00:05:39,000 --> 00:05:41,000

as you mentioned.

71

00:05:41,000 --> 00:05:45,000

I'm pretty envious of what you've found with all American Indian facts,

72

00:05:45,000 --> 00:05:49,000

that they have the same stories, and I know there will be quite a lot of them,

73

00:05:49,000 --> 00:05:53,000

actually, but they almost all have the same stories,

74

00:05:53,000 --> 00:05:55,000

the same basic facts.

75

00:05:55,000 --> 00:05:59,000

For a long time, ancient politics started even like these

76

00:05:59,000 --> 00:06:03,000

and making these stories called somebody's secret throughout the world,

77

00:06:03,000 --> 00:06:07,000

because they said they would never destroy the secret of the secret of people

78

00:06:07,000 --> 00:06:09,000

and had no basic success.

79

00:06:09,000 --> 00:06:11,000

But no longer are they doing that.

80

00:06:11,000 --> 00:06:15,000

They realize now that there has to be something to solve a story,

81

00:06:15,000 --> 00:06:19,000

and although these people did not write down stories,

82

00:06:19,000 --> 00:06:22,000

because they did not have a looking language,

83

00:06:22,000 --> 00:06:26,000

and these things are passed from generation to generation,

84

00:06:26,000 --> 00:06:31,000

nevertheless, there had to be something that caused this story to begin with.

85

00:06:31,000 --> 00:06:35,000

Now, the secret lies are given one or two of the legends,

86

00:06:35,000 --> 00:06:41,000

let's say briefly, because it's a long belief in the nice and many nice

87

00:06:41,000 --> 00:06:46,000

and the self-indulgent legends, but they're all about the same.

88

00:06:46,000 --> 00:06:51,000

Among the secret ones, they have legends of what they call the Green Gland,

89

00:06:51,000 --> 00:06:55,000

or the Earth Landings, or the realms of Land of the Earth,

90

00:06:55,000 --> 00:07:01,000

and they say in ancient history that at various times,

91

00:07:01,000 --> 00:07:06,000

this local New York or New York, sometimes surrounded by a cloud,

92

00:07:06,000 --> 00:07:12,000

which is going and like in sometimes it's the secret secret out of it,

93

00:07:12,000 --> 00:07:16,000

all of it would step a young man, always a young man,

94

00:07:16,000 --> 00:07:19,000

and a fair-haired young man.

95

00:07:19,000 --> 00:07:22,000

The novel-hosts called him Baphys City, the fair-haired god,

96

00:07:22,000 --> 00:07:25,000

or the fair-haired boy who comes from the sky,

97

00:07:25,000 --> 00:07:29,000

have no faith on land for the novel-hosts and the pious,

98

00:07:29,000 --> 00:07:33,000

as the militant boys who come and join both.

99

00:07:33,000 --> 00:07:37,000

Now, those stories have come throughout the United States,

100

00:07:37,000 --> 00:07:40,000

and later in my life and I both discovered that

101

00:07:40,000 --> 00:07:46,000

almost all fair-haired women see this throughout the world are the same story.

102

00:07:46,000 --> 00:07:49,000

When I came back to Arizona, I met my wife,

103

00:07:49,000 --> 00:07:52,000

and we both of us originally came from close to Arizona,

104

00:07:52,000 --> 00:07:54,000

where my first name, my daddy,

105

00:07:54,000 --> 00:07:59,000

he's the first of all because we're the first high county in Northern Arizona.

106

00:07:59,000 --> 00:08:02,000

And I wanted to live there my son,

107

00:08:02,000 --> 00:08:06,000

and I settled in here in Beaver, so I'd rather live up in the mountains,

108

00:08:06,000 --> 00:08:10,000

and my wife, who the right-rightist couldn't live by her here,

109

00:08:10,000 --> 00:08:12,000

I don't see her now.

110

00:08:12,000 --> 00:08:14,000

We decided to live there.

111

00:08:14,000 --> 00:08:18,000

The first of mine from the old owner, Northern Arizona,

112

00:08:18,000 --> 00:08:21,000

came down and he conducted a mission to the railroad.

113

00:08:21,000 --> 00:08:23,000

I'll keep him sailing,

114

00:08:23,000 --> 00:08:26,000

he's a good boy walking with me on the boat.

115

00:08:26,000 --> 00:08:32,000

And he said, I'd like to see what people accumulate on your ship.

116

00:08:32,000 --> 00:08:34,000

And I didn't mention talking,

117

00:08:34,000 --> 00:08:36,000

but I let him use some of the movies,

118

00:08:36,000 --> 00:08:38,000

and when he got to 300, he said,

119

00:08:38,000 --> 00:08:40,000

well, this time I'm flying,

120

00:08:40,000 --> 00:08:43,000

so I can go up there and get it in the movie.

121

00:08:43,000 --> 00:08:45,000

And I said, well, it's good, doesn't it?

122

00:08:45,000 --> 00:08:48,000

He said, I want to let him sail down.

123

00:08:48,000 --> 00:08:52,000

I said, well, it might be weather conditions sometime,

124

00:08:52,000 --> 00:08:55,000

because after all, we would be the first ones to have

125

00:08:55,000 --> 00:08:57,000

really been weather conditions,

126

00:08:57,000 --> 00:09:00,000

and many of them would have been the same thing.

127

00:09:00,000 --> 00:09:03,000

And of course, perhaps, most likely the same.

128

00:09:03,000 --> 00:09:06,000

And so when I was just leaving the night before,

129

00:09:06,000 --> 00:09:09,000

I had a lot of grip to me.

130

00:09:09,000 --> 00:09:12,000

But it said, grip and land in both the mother planet,

131

00:09:12,000 --> 00:09:15,000

and grip would even have a grip.

132

00:09:15,000 --> 00:09:17,000

And the grip they have radio,

133

00:09:17,000 --> 00:09:20,000

some similar type of communication,

134

00:09:20,000 --> 00:09:22,000

we will monitor that.

135

00:09:22,000 --> 00:09:25,000

And we're controlling the landing

136

00:09:25,000 --> 00:09:28,000

and find out the culture of these people,

137

00:09:28,000 --> 00:09:30,000

how they say what they're doing down there,

138

00:09:30,000 --> 00:09:33,000

the born and the man.

139

00:09:33,000 --> 00:09:36,000

He said, let's take down an in-birth to get them out.

140

00:09:36,000 --> 00:09:39,000

And believe me, when we get home in an ice-cream,

141

00:09:39,000 --> 00:09:42,000

we won't even fear to get caught in a highway,

142

00:09:42,000 --> 00:09:45,000

commonly known as an old bulls-tank,

143

00:09:45,000 --> 00:09:48,000

or an ice-cream truck or whatever it was.

144

00:09:48,000 --> 00:09:51,000

He said, let's take down a moment of these things out

145

00:09:51,000 --> 00:09:53,000

of the planet's way,

146

00:09:53,000 --> 00:09:55,000

and even intelligence in them,

147

00:09:55,000 --> 00:09:57,000

to throw down there perhaps,

148

00:09:57,000 --> 00:10:00,000

the entire contact in the face of people.

149

00:10:00,000 --> 00:10:02,000

Perhaps people around us,

150

00:10:02,000 --> 00:10:05,000

we're not just going to be meeting them.

151

00:10:05,000 --> 00:10:07,000

He said, but how is the time that the science class

152

00:10:07,000 --> 00:10:09,000

can just go out on a hilltop

153

00:10:09,000 --> 00:10:11,000

and wait a half-hour to get to one day's pass?

154

00:10:11,000 --> 00:10:14,000

I said, well, no, you couldn't do that.

155

00:10:14,000 --> 00:10:16,000

It's been a long way since.

156

00:10:16,000 --> 00:10:19,000

I said, I heard of a man back in Houston

157

00:10:19,000 --> 00:10:21,000

and had been three times in his house,

158

00:10:21,000 --> 00:10:23,000

and he said, well, I knew he was inside,

159

00:10:23,000 --> 00:10:25,000

and he knew he was doing this colored light

160

00:10:25,000 --> 00:10:27,000

to try to make some kind of a coast

161

00:10:27,000 --> 00:10:29,000

to make his pass.

162

00:10:29,000 --> 00:10:31,000

But I said, I don't have the time

163

00:10:31,000 --> 00:10:34,000

or the money to throw around with the light.

164

00:10:34,000 --> 00:10:37,000

Then the scientist said, what about radio?

165

00:10:37,000 --> 00:10:39,000

He said, well, he said that they would not,

166

00:10:39,000 --> 00:10:41,000

he decided he would not,

167

00:10:41,000 --> 00:10:43,000

if they were radio scientists.

168

00:10:43,000 --> 00:10:45,000

So I noted after furthering,

169

00:10:45,000 --> 00:10:47,000

he said, why not contact the radio?

170

00:10:47,000 --> 00:10:49,000

He said, because I said they wouldn't understand this,

171

00:10:49,000 --> 00:10:51,000

like maybe now,

172

00:10:51,000 --> 00:10:53,000

and they wouldn't have our time to be Christmas,

173

00:10:53,000 --> 00:10:55,000

or something.

174

00:10:55,000 --> 00:10:57,000

So I said, well, wait a minute.

175

00:10:57,000 --> 00:10:59,000

I have to apologize.

176

00:10:59,000 --> 00:11:01,000

If they're all of you here tonight,

177

00:11:01,000 --> 00:11:03,000

I'm going to say I'm sorry,

178

00:11:03,000 --> 00:11:05,000

I'm sorry, Bill,

179

00:11:05,000 --> 00:11:09,000

and I'm coming in as an apology to study you.

180

00:11:09,000 --> 00:11:11,000

Now, my first job was doing

181

00:11:11,000 --> 00:11:13,000

to find someone in your new family,

182

00:11:13,000 --> 00:11:15,000

and I'm going to find someone who's

183

00:11:15,000 --> 00:11:17,000

like I'm new as well as you are.

184

00:11:17,000 --> 00:11:19,000

It's just both my new family.

185

00:11:19,000 --> 00:11:21,000

Then they come in as English,

186

00:11:21,000 --> 00:11:23,000

but they're new ones in your new family,

187

00:11:23,000 --> 00:11:25,000

so I'm new.

188

00:11:25,000 --> 00:11:27,000

I'm not saying that I only speak my own language,

189

00:11:27,000 --> 00:11:29,000

and there isn't anyone out here who can speak my language.

190

00:11:29,000 --> 00:11:31,000

If I would sit and listen

191

00:11:31,000 --> 00:11:33,000

to all of these talks

192

00:11:33,000 --> 00:11:35,000

and we're going to talk

193

00:11:35,000 --> 00:11:37,000

until about six months,

194

00:11:37,000 --> 00:11:39,000

I'll depend on the audience

195

00:11:39,000 --> 00:11:41,000

until it's the audience in six months.

196

00:11:41,000 --> 00:11:43,000

Some people are much longer,

197

00:11:43,000 --> 00:11:45,000

others less.

198

00:11:45,000 --> 00:11:47,000

I have a friend who is

199

00:11:47,000 --> 00:11:49,000

an Indian group,

200

00:11:49,000 --> 00:11:51,000

and sits up alone in about three weeks.

201

00:11:51,000 --> 00:11:53,000

He'll be with me for three months.

202

00:11:53,000 --> 00:11:55,000

He'll be with me for three months longer.

203

00:11:55,000 --> 00:11:57,000

Well, the audience is six months,

204

00:11:57,000 --> 00:11:59,000

and we're going to understand,

205

00:11:59,000 --> 00:12:01,000

I will be doing what we can,

206

00:12:01,000 --> 00:12:03,000

and that's what people are saying.

207

00:12:03,000 --> 00:12:05,000

But I'll be doing what they say.

208

00:12:05,000 --> 00:12:07,000

Because that's how a baby learns,

209

00:12:07,000 --> 00:12:09,000

and if we get older,

210

00:12:09,000 --> 00:12:11,000

it's not just a personal language,

211

00:12:11,000 --> 00:12:13,000

but it's a personal drill.

212

00:12:13,000 --> 00:12:15,000

Well, the whole thing is,

213

00:12:15,000 --> 00:12:17,000

these people have been here since 1947

214

00:12:17,000 --> 00:12:19,000

when Jennifer and her first ex-girlfriend

215

00:12:19,000 --> 00:12:21,000

were in North American.

216

00:12:21,000 --> 00:12:23,000

In Brooklyn, they know our language,

217

00:12:23,000 --> 00:12:25,000

and in Brooklyn, our most closest

218

00:12:25,000 --> 00:12:27,000

because they're most close

219

00:12:27,000 --> 00:12:29,000

and not a basic to your dating.

220

00:12:29,000 --> 00:12:31,000

Constantly.

221

00:12:31,000 --> 00:12:33,000

Throughout the world.

222

00:12:33,000 --> 00:12:35,000

Well, that's

223

00:12:35,000 --> 00:12:37,000

something incredible to me.

224

00:12:37,000 --> 00:12:39,000

I don't know how that's a thing to do,

225

00:12:39,000 --> 00:12:41,000

but while I'm at success,

226

00:12:41,000 --> 00:12:43,000

I finally hope that

227

00:12:43,000 --> 00:12:45,000

I'm about ten days later

228

00:12:45,000 --> 00:12:47,000

to call you up in New York

229

00:12:47,000 --> 00:12:49,000

and remember what we said about the fire in South England?

230

00:12:49,000 --> 00:12:51,000

I said, yes.

231

00:12:51,000 --> 00:12:53,000

He said, well,

232

00:12:53,000 --> 00:12:55,000

we had success.

233

00:12:55,000 --> 00:12:57,000

I said, oh, did you see one?

234

00:12:57,000 --> 00:12:59,000

He said, no, I don't mean that.

235

00:12:59,000 --> 00:13:01,000

He said, I didn't know you.

236

00:13:01,000 --> 00:13:03,000

And I said, oh, you're silly.

237

00:13:03,000 --> 00:13:05,000

He said, no, I'm not silly.

238

00:13:05,000 --> 00:13:07,000

Because when I asked him closely

239

00:13:07,000 --> 00:13:09,000

and I was here with her,

240

00:13:09,000 --> 00:13:11,000

I said, oh, you're the host.

241

00:13:11,000 --> 00:13:13,000

And he said, yes,

242

00:13:13,000 --> 00:13:15,000

I mean, think it is.

243

00:13:15,000 --> 00:13:17,000

I'm so excited to host.

244

00:13:17,000 --> 00:13:19,000

He said, believe me, you can't go for it at all.

245

00:13:19,000 --> 00:13:21,000

Because we say, what's the heaven

246

00:13:21,000 --> 00:13:23,000

saying that they can't have for nobody like me for?

247

00:13:23,000 --> 00:13:25,000

Why don't they can't have

248

00:13:25,000 --> 00:13:27,000

the government or

249

00:13:27,000 --> 00:13:29,000

own sign of something?

250

00:13:29,000 --> 00:13:31,000

I really told the radio man,

251

00:13:31,000 --> 00:13:33,000

I said, how do you know they're having

252

00:13:33,000 --> 00:13:35,000

time to talk to the government?

253

00:13:35,000 --> 00:13:37,000

He said, well, I can go for that.

254

00:13:37,000 --> 00:13:39,000

Maybe so. Maybe I'm not the questioner.

255

00:13:39,000 --> 00:13:41,000

We saw what kind of work was going on.

256

00:13:41,000 --> 00:13:43,000

But once we noticed,

257

00:13:43,000 --> 00:13:45,000

first of all, he thought it was another

258

00:13:45,000 --> 00:13:47,000

honestly that was coming to the picture.

259

00:13:47,000 --> 00:13:49,000

Then he noticed that the

260

00:13:49,000 --> 00:13:51,000

code was extremely loud.

261

00:13:51,000 --> 00:13:53,000

He had to say it

262

00:13:53,000 --> 00:13:55,000

in the hopes that I might completely

263

00:13:55,000 --> 00:13:57,000

after the following way down.

264

00:13:57,000 --> 00:13:59,000

It was very loud.

265

00:13:59,000 --> 00:14:01,000

He noticed that the code was very

266

00:14:01,000 --> 00:14:03,000

fast.

267

00:14:03,000 --> 00:14:05,000

It was very fast.

268

00:14:05,000 --> 00:14:07,000

And he was not only a

269

00:14:07,000 --> 00:14:09,000

non-operator, but he was a

270

00:14:09,000 --> 00:14:11,000

emotionally-living calculator

271

00:14:11,000 --> 00:14:13,000

in the San Jose Railroad in

272

00:14:13,000 --> 00:14:15,000

Arizona.

273

00:14:15,000 --> 00:14:17,000

And all the record-breaking had been

274

00:14:17,000 --> 00:14:19,000

both fast and both were

275

00:14:19,000 --> 00:14:21,000

completely un-sounding.

276

00:14:21,000 --> 00:14:23,000

And he missed that kind of

277

00:14:23,000 --> 00:14:25,000

a lot of it he couldn't get.

278

00:14:25,000 --> 00:14:27,000

He constantly asked him to slow down

279

00:14:27,000 --> 00:14:29,000

and the radio was fast

280

00:14:29,000 --> 00:14:31,000

and he was going to go and

281

00:14:31,000 --> 00:14:33,000

re-hop his computer copies.

282

00:14:33,000 --> 00:14:35,000

And when he would ask him to slow down,

283

00:14:35,000 --> 00:14:37,000

he would slow down between words,

284

00:14:37,000 --> 00:14:39,000

but not between words.

285

00:14:39,000 --> 00:14:41,000

So he told it to him,

286

00:14:41,000 --> 00:14:43,000

but I know it's not another honestly.

287

00:14:43,000 --> 00:14:45,000

Whatever it is, it's a

288

00:14:45,000 --> 00:14:47,000

piece of operation.

289

00:14:47,000 --> 00:14:49,000

I couldn't let him say this to

290

00:14:49,000 --> 00:14:51,000

me, because he was a calculator

291

00:14:51,000 --> 00:14:53,000

in the San Jose Railroad.

292

00:14:53,000 --> 00:14:55,000

If he's not a race, it's a nice

293

00:14:55,000 --> 00:14:57,000

and common in Mexico.

294

00:14:57,000 --> 00:14:59,000

I don't know if I'm even

295

00:14:59,000 --> 00:15:01,000

a mechanic, I haven't seen the idea

296

00:15:01,000 --> 00:15:03,000

for too long.

297

00:15:03,000 --> 00:15:05,000

But he said the nice and common

298

00:15:05,000 --> 00:15:07,000

in Mexico, when the police said

299

00:15:07,000 --> 00:15:09,000

something of a man

300

00:15:09,000 --> 00:15:11,000

why not do anything about it,

301

00:15:11,000 --> 00:15:13,000

he was confused, if in a case,

302

00:15:13,000 --> 00:15:15,000

he would try that and then the rest

303

00:15:15,000 --> 00:15:17,000

would help out.

304

00:15:17,000 --> 00:15:19,000

He thought it might be a part of the plan.

305

00:15:19,000 --> 00:15:21,000

He remembered he was a comic-bomb

306

00:15:21,000 --> 00:15:23,000

attached to Clark's comic and dentist.

307

00:15:23,000 --> 00:15:25,000

But he didn't think that I would

308

00:15:25,000 --> 00:15:27,000

assume very quickly.

309

00:15:27,000 --> 00:15:29,000

Because then he began to notice

310

00:15:29,000 --> 00:15:31,000

that, by the way, his hands

311

00:15:31,000 --> 00:15:33,000

back in the bad ride were separated

312

00:15:33,000 --> 00:15:35,000

and there'd be two sections.

313

00:15:35,000 --> 00:15:37,000

One section

314

00:15:37,000 --> 00:15:39,000

he used to say was

315

00:15:39,000 --> 00:15:41,000

mis-gap.

316

00:15:41,000 --> 00:15:43,000

Because not only was it a kind of

317

00:15:43,000 --> 00:15:45,000

phase, but he got ham-operated,

318

00:15:45,000 --> 00:15:47,000

he also did work for the police

319

00:15:47,000 --> 00:15:49,000

radio that day, and he also had

320

00:15:49,000 --> 00:15:51,000

an interview for one of the radio

321

00:15:51,000 --> 00:15:53,000

stations.

322

00:15:53,000 --> 00:15:55,000

And he had his

323

00:15:55,000 --> 00:15:57,000

fanfare and so on in the other

324

00:15:57,000 --> 00:15:59,000

room.

325

00:15:59,000 --> 00:16:01,000

He would notice that he was

326

00:16:01,000 --> 00:16:03,000

absolutely mis-gaped, and it was

327

00:16:03,000 --> 00:16:05,000

going to be a cut-down to this.

328

00:16:05,000 --> 00:16:07,000

But if he was after work-time,

329

00:16:07,000 --> 00:16:09,000

they would always come in and give

330

00:16:09,000 --> 00:16:11,000

a preliminary warning before the

331

00:16:11,000 --> 00:16:13,000

message starts.

332

00:16:13,000 --> 00:16:15,000

There's a couple of questions.

333

00:16:15,000 --> 00:16:17,000

And then when he got to the set, the

334

00:16:17,000 --> 00:16:19,000

message was sent.

335

00:16:19,000 --> 00:16:21,000

By the way, he received an

336

00:16:21,000 --> 00:16:23,000

inter-mountain warning.

337

00:16:23,000 --> 00:16:25,000

One time there was radio call-up

338

00:16:25,000 --> 00:16:27,000

phone, but the rest of the time

339

00:16:27,000 --> 00:16:29,000

it was all radio telegraphies.

340

00:16:29,000 --> 00:16:31,000

But if he was after-set,

341

00:16:31,000 --> 00:16:33,000

he would notice.

342

00:16:33,000 --> 00:16:35,000

He said, it was a very, very silly

343

00:16:35,000 --> 00:16:37,000

and it seemed he'd better know

344

00:16:37,000 --> 00:16:39,000

whether I'm after the person or not.

345

00:16:39,000 --> 00:16:41,000

And the next thing that he noticed

346

00:16:41,000 --> 00:16:43,000

was that he

347

00:16:43,000 --> 00:16:45,000

found some kind of a plug to get

348

00:16:45,000 --> 00:16:47,000

them to choose where they were

349

00:16:47,000 --> 00:16:49,000

because maybe they were going to

350

00:16:49,000 --> 00:16:51,000

cross it any closer.

351

00:16:51,000 --> 00:16:53,000

He said, listen, I'm not

352

00:16:53,000 --> 00:16:55,000

a radio-creditor.

353

00:16:55,000 --> 00:16:57,000

You know who I am.

354

00:16:57,000 --> 00:16:59,000

I don't know who you are.

355

00:16:59,000 --> 00:17:01,000

I'd be much more interested in

356

00:17:01,000 --> 00:17:03,000

hearing such a thing.

357

00:17:03,000 --> 00:17:05,000

So therefore, with the mind,

358

00:17:05,000 --> 00:17:07,000

with what color to do, whatever

359

00:17:07,000 --> 00:17:09,000

you like to do, with the mind

360

00:17:09,000 --> 00:17:11,000

within a sunny type of a zone

361

00:17:11,000 --> 00:17:13,000

that I didn't know that you are

362

00:17:13,000 --> 00:17:15,000

the new savior.

363

00:17:15,000 --> 00:17:17,000

So you really say, well, is there

364

00:17:17,000 --> 00:17:19,000

a way to do that?

365

00:17:19,000 --> 00:17:21,000

If you'll get a glass, you will be

366

00:17:21,000 --> 00:17:23,000

by the throat for high times

367

00:17:23,000 --> 00:17:25,000

tomorrow.

368

00:17:25,000 --> 00:17:27,000

Well, when you put that to me, if

369

00:17:27,000 --> 00:17:29,000

I was doing the next day,

370

00:17:29,000 --> 00:17:31,000

we didn't have a color-creditor.

371

00:17:31,000 --> 00:17:33,000

We didn't know what the head and

372

00:17:33,000 --> 00:17:35,000

bone they went by to see by the

373

00:17:35,000 --> 00:17:37,000

sound.

374

00:17:37,000 --> 00:17:39,000

I would actually say by the way

375

00:17:39,000 --> 00:17:41,000

it moved and looked up at the

376

00:17:41,000 --> 00:17:43,000

bloating sound through the

377

00:17:43,000 --> 00:17:45,000

voice of iron and through my

378

00:17:45,000 --> 00:17:47,000

instrumentation.

379

00:17:47,000 --> 00:17:49,000

That evening, the new crack

380

00:17:49,000 --> 00:17:51,000

coming up from Pinochroa zone

381

00:17:51,000 --> 00:17:53,000

at 5.45, a night that

382

00:17:53,000 --> 00:17:55,000

allowed for you to do both

383

00:17:55,000 --> 00:18:00,000

over the need of air force things around me that way.

384

00:18:00,000 --> 00:18:03,000

My wife said, oh, that's not right.

385

00:18:03,000 --> 00:18:04,000

That might be it.

386

00:18:04,000 --> 00:18:07,000

My behavior, let my death be between you and me.

387

00:18:07,000 --> 00:18:11,000

You can say something inside of me anything that might be right.

388

00:18:11,000 --> 00:18:13,000

You'll say something else.

389

00:18:13,000 --> 00:18:17,000

The next day, the law-abiding and trying to be party,

390

00:18:17,000 --> 00:18:19,000

but not working at public life,

391

00:18:19,000 --> 00:18:21,000

where the middle-class of the previous day

392

00:18:21,000 --> 00:18:24,000

had a great tremendous amount of fun stuff

393

00:18:24,000 --> 00:18:27,000

suddenly with you on the sun.

394

00:18:27,000 --> 00:18:30,000

Now there's nothing in the middle-class of the sun

395

00:18:30,000 --> 00:18:34,000

except for this particular year that we've been climbing sunspots at liberty.

396

00:18:34,000 --> 00:18:36,000

We couldn't do anything about it,

397

00:18:36,000 --> 00:18:38,000

at least not that alive.

398

00:18:38,000 --> 00:18:41,000

And instead of laughing at things that we've been doing,

399

00:18:41,000 --> 00:18:44,000

at least done stuff only last one day.

400

00:18:44,000 --> 00:18:47,000

But for this day, we do not know if there's any connection

401

00:18:47,000 --> 00:18:50,000

or not, or if this trip is going to be a good thing.

402

00:18:51,000 --> 00:18:53,000

I know it's rather a calling to say

403

00:18:53,000 --> 00:18:56,000

that these people will be in good spirits coming to the sun.

404

00:18:56,000 --> 00:18:58,000

I don't know.

405

00:18:58,000 --> 00:19:01,000

If they are not tired.

406

00:19:01,000 --> 00:19:03,000

I'd like to mention here too,

407

00:19:03,000 --> 00:19:06,000

that I have not seen a technical man,

408

00:19:06,000 --> 00:19:09,000

but probably the philanthropist here,

409

00:19:09,000 --> 00:19:12,000

who's a little in the philanthropist mass.

410

00:19:12,000 --> 00:19:14,000

And that's what they always say,

411

00:19:14,000 --> 00:19:16,000

the banger in the philanthropist mass

412

00:19:16,000 --> 00:19:19,000

and the women doing it, is a very good man.

413

00:19:19,000 --> 00:19:21,000

I was in Arizona, by the way,

414

00:19:21,000 --> 00:19:24,000

I was ready to be a group promotion manager

415

00:19:24,000 --> 00:19:26,000

for a lady over in Arizona.

416

00:19:26,000 --> 00:19:28,000

But I was not a technical man.

417

00:19:28,000 --> 00:19:30,000

But what I tell you,

418

00:19:30,000 --> 00:19:33,000

as we get into our scientific terminology,

419

00:19:33,000 --> 00:19:36,000

is that we should expect all these guys

420

00:19:36,000 --> 00:19:40,000

who really want to believe that they're not spoken or lived.

421

00:19:40,000 --> 00:19:43,000

But I'm not going to live with my own opinion,

422

00:19:43,000 --> 00:19:46,000

why do you think I'm ready to be a group promotion?

423

00:19:46,000 --> 00:19:49,000

I'm ready to support another bunch of I-S■■■,

424

00:19:49,000 --> 00:19:51,000

because after all,

425

00:19:51,000 --> 00:19:54,000

I don't think there might be a bigger team here in my opinion.

426

00:19:54,000 --> 00:19:57,000

That is just one man to say.

427

00:19:57,000 --> 00:19:59,000

And I want to ask the truth

428

00:19:59,000 --> 00:20:02,000

of the many opinions that are people there.

429

00:20:02,000 --> 00:20:04,000

But I think the other thing is,

430

00:20:04,000 --> 00:20:06,000

so if you guys know that,

431

00:20:06,000 --> 00:20:08,000

and you've heard from the others,

432

00:20:08,000 --> 00:20:10,000

I think that there's 50 more than I think

433

00:20:10,000 --> 00:20:13,000

that there's 50 people in here.

434

00:20:13,000 --> 00:20:17,000

I like to think of you before I get more into our language on this too.

435

00:20:17,000 --> 00:20:25,000

I'd like to mention that, by the way, how many of you have gone from being blinded by a language in a country?

436

00:20:25,000 --> 00:20:31,000

I'd like to mention that my wife and I heard a woman, the wife of these people, I just found out after the baby.

437

00:20:31,000 --> 00:20:35,000

I'm the best of four, the best of four.

438

00:20:35,000 --> 00:20:40,000

I'd like to say that that's everything that we say to know about this.

439

00:20:40,000 --> 00:20:44,000

But that did happen as we spoke.

440

00:20:44,000 --> 00:20:51,000

Now, one thing I'd like to say after a fifth term, and perhaps some of you guys in your mind too,

441

00:20:51,000 --> 00:20:54,000

and it's not a mystery going to be solved.

442

00:20:54,000 --> 00:20:55,000

Not a mystery.

443

00:20:55,000 --> 00:21:00,000

In the course, and I mentioned it, there's been many people have asked me about it.

444

00:21:00,000 --> 00:21:03,000

Well, first of all, I tell you what I got in the letter.

445

00:21:03,000 --> 00:21:05,000

The woman wrote to me and she said,

446

00:21:05,000 --> 00:21:09,000

Listen, you have gone out and tested supernaturalist.

447

00:21:09,000 --> 00:21:12,000

It's true, you have seen the people of history.

448

00:21:12,000 --> 00:21:17,000

But at a mile away, the person in that book, you've found.

449

00:21:17,000 --> 00:21:23,000

And she says, the book, which we're going to, which we're going to find out in the book,

450

00:21:23,000 --> 00:21:30,000

that looking through the book, looking through the book is one of the things, looking through the book is true.

451

00:21:30,000 --> 00:21:34,000

And we know that people do see that people have got good things.

452

00:21:34,000 --> 00:21:41,000

And I'd like to say too that I wrote back to this lady and to many others who asked the same question and said,

453

00:21:41,000 --> 00:21:47,000

Look, if you'll read that again, you will find that it is not in Mr. Donkey's book.

454

00:21:47,000 --> 00:21:52,000

It's in the question under the drawing of the book.

455

00:21:52,000 --> 00:21:58,000

Now, as many of you know here, the question, you know that by the publishing.

456

00:21:58,000 --> 00:22:07,000

Mr. Donkey said in that drawing that Mr. Jones had made obvious in this, and he had said in his manuscript,

457

00:22:07,000 --> 00:22:17,000

The public says to me that Mr. Jones had made the drawing while looking through the document.

458

00:22:17,000 --> 00:22:20,000

And the public thinks that that's the question under that book.

459

00:22:20,000 --> 00:22:23,000

It's unfortunate that it got in that way.

460

00:22:23,000 --> 00:22:27,000

But we really mean that many of you have that question in your mind.

461

00:22:27,000 --> 00:22:33,000

And we really need you to write a copy and read out the copy and you'll find that it's not in there.

462

00:22:33,000 --> 00:22:40,000

He made the drawing from what he did see and then the detail by what he did and he's described later.

463

00:22:40,000 --> 00:22:44,000

He didn't possibly do that. He wrote about this to anyone else.

464

00:22:44,000 --> 00:22:50,000

But he had to include as what he did and he wrote.

465

00:22:51,000 --> 00:22:56,000

So we really found ourselves in times of tension and we were very interested.

466

00:22:56,000 --> 00:23:01,000

The man finally asked me, he said, Mr. Jones, did I need this or what?

467

00:23:01,000 --> 00:23:04,000

So he didn't give it to the world, he said, I can give it to the world.

468

00:23:04,000 --> 00:23:07,000

He found out it was true and I think that I might not be able to say it to him.

469

00:23:07,000 --> 00:23:13,000

Because he said it to me, he said it to him, I couldn't even accept what I'm going to ask him.

470

00:23:13,000 --> 00:23:17,000

And I told him, yes, go ahead, but I need him to give it to the world.

471

00:23:17,000 --> 00:23:21,000

He said, but I'm not a middle-class woman, I'm a job.

472

00:23:21,000 --> 00:23:28,000

But by the way, at that time I wasn't in there until I was working for the Civil Service and was up in the Civil Service.

473

00:23:28,000 --> 00:23:35,000

I brought some of you here, I'm not sure who I'm not, so I'm in a station or working in Civil Service.

474

00:23:35,000 --> 00:23:40,000

And you know that you are still alive in this time, or in the future.

475

00:23:40,000 --> 00:23:47,000

And in order to do this work, I was moving from Texas, going up to Chicago up in Northern Arizona.

476

00:23:47,000 --> 00:23:53,000

And I was stuck at the same time my wife was, she was working there too.

477

00:23:53,000 --> 00:23:56,000

And I was in London with close to Texas.

478

00:23:56,000 --> 00:24:01,000

I told him I said I'm getting a sudden feeling, a sudden feeling that I'm happening right.

479

00:24:01,000 --> 00:24:06,000

I said I had one or two warnings already, so I said let's watch this thing upstairs.

480

00:24:06,000 --> 00:24:13,000

One word, another, but if it is true, I'm saying that my God, then he told a test.

481

00:24:13,000 --> 00:24:16,000

He was literally telling me what he was going to do.

482

00:24:16,000 --> 00:24:21,000

And what did he do? Seven or eight people were standing in the hands of him.

483

00:24:21,000 --> 00:24:27,000

And he didn't even tell him why until a week later when he told him he had been told what had happened.

484

00:24:27,000 --> 00:24:35,000

And he was on 40 minutes, and he asked a question, and he got an answer.

485

00:24:35,000 --> 00:24:43,000

And then both of them, he was just 150 minutes, and I asked the question, and he answered with my own.

486

00:24:43,000 --> 00:24:51,000

And I told him for a week later that even if he had told the other fellow on the other end, and he was going 60, 40 to 160,

487

00:24:51,000 --> 00:24:57,000

that the fellow wouldn't have had time to find me, and both of them had heard the question.

488

00:24:57,000 --> 00:25:01,000

And of course if he didn't hear the question, he wouldn't have answered it.

489

00:25:01,000 --> 00:25:05,000

That is the amount of room for a test that he went.

490

00:25:05,000 --> 00:25:12,000

But that's the only way to tell the baby to move from bathroom to bathroom is to contact the son of a man.

491

00:25:12,000 --> 00:25:17,000

And if he doesn't even mention the fact that he's a baby, then he knows the funny buzzings sound.

492

00:25:17,000 --> 00:25:23,000

And when we went outside, where we had the selected student, many of you probably heard a noise

around the room,

493

00:25:23,000 --> 00:25:26,000

they're low hands, I'll tell you a little bit.

494

00:25:26,000 --> 00:25:36,000

There's a lot to see when we went outside on the ground, and when we started to go outside, and see if there was anything wrong after,

495

00:25:36,000 --> 00:25:42,000

and when we did, we went inside and saw a big dog man get out of here.

496

00:25:42,000 --> 00:25:49,000

Well, I thought the young fellow had been with large-owned kids, and when we checked the meat, that's the other one,

497

00:25:49,000 --> 00:25:54,000

they were going with the other, meat, sauce, and the dog.

498

00:25:54,000 --> 00:25:58,000

So, to see what he's talking with, he said, well, what do you think that's like?

499

00:25:58,000 --> 00:26:03,000

He said, well, he might think I'm crazy, but I think he just saw one of those strong bosses.

500

00:26:03,000 --> 00:26:07,000

But then he goes down and told him what he can do with them.

501

00:26:07,000 --> 00:26:13,000

So the next thing, he saw that all the people I learned to contact us by radio,

502

00:26:13,000 --> 00:26:17,000

maybe they would be willing to land in some remote area.

503

00:26:17,000 --> 00:26:20,000

But we asked that, and they said, yes, yes.

504

00:26:21,000 --> 00:26:26,000

We went to radio, and we got a copy asking them to get a copy of that.

505

00:26:26,000 --> 00:26:28,000

And they called it the 100.

506

00:26:28,000 --> 00:26:35,000

So we left the radio man, and they found the radio man, and they were going to go and in the cellar in our car.

507

00:26:35,000 --> 00:26:40,000

They went and started the radio man's car, and they asked him when he was in town, and he said,

508

00:26:40,000 --> 00:26:42,000

no, I don't know.

509

00:26:42,000 --> 00:26:46,000

They got him in by the way, and he passed away soon.

510

00:26:46,000 --> 00:26:50,000

And he was talking to some kind of brain transfer or tumor.

511

00:26:50,000 --> 00:26:58,000

And he was very soon out, very tired, and couldn't keep himself from the way he was falling down.

512

00:26:58,000 --> 00:27:02,000

And in the finished, finished company by the evening,

513

00:27:02,000 --> 00:27:06,000

he got a copy of the man's death.

514

00:27:06,000 --> 00:27:10,000

And I got a copy, and I don't know what to do about my father.

515

00:27:10,000 --> 00:27:12,000

So a husband said, well, what do you mean?

516

00:27:12,000 --> 00:27:18,000

He said, well, he said, if you take him, if you think of anything,

517

00:27:18,000 --> 00:27:20,000

you might have a heart attack.

518

00:27:20,000 --> 00:27:24,000

Certainly I can't tell my father, we're going out to meet somebody from another world.

519

00:27:24,000 --> 00:27:29,000

He said, if they see the man, maybe they won't mind.

520

00:27:29,000 --> 00:27:32,000

And so when you help them, the radio man,

521

00:27:32,000 --> 00:27:35,000

he's going to see somebody in town.

522

00:27:35,000 --> 00:27:37,000

And he said, I can't do that.

523

00:27:37,000 --> 00:27:40,000

He said, if you let them in, might fall down and hurt yourself.

524

00:27:40,000 --> 00:27:43,000

He said, well, where's your phone with you?

525

00:27:43,000 --> 00:27:48,000

He said, no, because the doctor said he can't get emotional upset.

526

00:27:48,000 --> 00:27:50,000

And he said, where's the lady there in that phone,

527

00:27:50,000 --> 00:27:52,000

and she's taking emotional damages?

528

00:27:52,000 --> 00:27:55,000

He looked around at the mountain for a picture.

529

00:27:55,000 --> 00:27:58,000

He's going to the face of the death mountain,

530

00:27:58,000 --> 00:28:02,000

and he's just not wanted to see those people now and leaving it in flames.

531

00:28:02,000 --> 00:28:05,000

He wanted the island, and I want to be.

532

00:28:05,000 --> 00:28:09,000

That is the thousandth force for no more than an hour.

533

00:28:09,000 --> 00:28:16,000

And we will not attempt any ceremony of extracensory possession or telepathy

534

00:28:16,000 --> 00:28:19,000

that never ended our minds.

535

00:28:19,000 --> 00:28:23,000

But the receiver was on, the censor was off, as I said before,

536

00:28:23,000 --> 00:28:28,000

and all the messengers were on, because he said that if they were going to leave the money,

537

00:28:28,000 --> 00:28:33,000

he's making an issue, and they might come in sometime, and the island's going to end up off.

538

00:28:33,000 --> 00:28:36,000

So he was just described in one minute, he said, where were you?

539

00:28:36,000 --> 00:28:39,000

He said, in one minute, he said, where were you?

540

00:28:39,000 --> 00:28:41,000

He didn't know what to do.

541

00:28:41,000 --> 00:28:44,000

And the better end of the season started, he said,

542

00:28:44,000 --> 00:28:46,000

well, about the father.

543

00:28:46,000 --> 00:28:50,000

Well, believe me, and he's going to hell standing up on him.

544

00:28:50,000 --> 00:28:54,000

I don't trust my brother, but he couldn't be thought like this.

545

00:28:54,000 --> 00:28:58,000

When I looked over his shoulder and saw what he was writing,

546

00:28:58,000 --> 00:29:01,000

and he turned around those tears, and all of those, and he said,

547

00:29:01,000 --> 00:29:04,000

believe me, if I ever got it, would I don't know?

548

00:29:04,000 --> 00:29:06,000

And those tears were impossible.

549

00:29:06,000 --> 00:29:09,000

What was happening before my very eyes?

550

00:29:09,000 --> 00:29:13,000

Now, these people told us about this man's condition,

551

00:29:13,000 --> 00:29:18,000

which is both my mother's eye, a doctor, from that time.

552

00:29:18,000 --> 00:29:20,000

It was very, very condition.

553

00:29:20,000 --> 00:29:23,000

They mentioned this man who had been old,

554

00:29:23,000 --> 00:29:27,000

and he was having some of these siblings.

555

00:29:27,000 --> 00:29:30,000

They said that they were very used to being put by the fed,

556

00:29:30,000 --> 00:29:32,000

but he was helping the contract, and with some of these,

557

00:29:32,000 --> 00:29:34,000

we knew that he came about.

558

00:29:34,000 --> 00:29:37,000

And the water running inside was going up their way.

559

00:29:37,000 --> 00:29:40,000

He came out looking very, very old, so.

560

00:29:40,000 --> 00:29:45,000

And they didn't really know anything that was going on.

561

00:29:46,000 --> 00:29:49,000

Now, before I tell you the main part, by the way,

562

00:29:49,000 --> 00:29:51,000

in that message, the group of gentlemen

563

00:29:51,000 --> 00:29:54,000

was the longest one we've ever had.

564

00:29:54,000 --> 00:29:56,000

And I said, perhaps, the most important,

565

00:29:56,000 --> 00:29:59,000

not the most important, though, to know your whole family,

566

00:29:59,000 --> 00:30:02,000

but because of what they did say,

567

00:30:02,000 --> 00:30:04,000

what it might mean, or what it does mean,

568

00:30:04,000 --> 00:30:06,000

is what they want to know.

569

00:30:06,000 --> 00:30:09,000

And of course, the whole world.

570

00:30:09,000 --> 00:30:12,000

But before I mention that, I would like to say that the next day,

571

00:30:12,000 --> 00:30:15,000

the 14-year-old boy from next year,

572

00:30:15,000 --> 00:30:18,000

is going to be back in the middle of the year,

573

00:30:18,000 --> 00:30:21,000

and he's taking on a blast in his court.

574

00:30:21,000 --> 00:30:24,000

He's a guy that's going to be quite long,

575

00:30:24,000 --> 00:30:27,000

and this guy is on this court.

576

00:30:27,000 --> 00:30:29,000

And so, that's the next day of the year,

577

00:30:29,000 --> 00:30:32,000

and that is going on over the last month.

578

00:30:32,000 --> 00:30:35,000

And the radio man is kind of ashamed because

579

00:30:35,000 --> 00:30:38,000

he's running around the world on this every night,

580

00:30:38,000 --> 00:30:41,000

and all the neighbors around here

581

00:30:41,000 --> 00:30:43,000

are the cause.

582

00:30:43,000 --> 00:30:46,000

He said, well, that's the only thing I would get on the radio.

583

00:30:46,000 --> 00:30:49,000

The boy said, no, I don't mean that.

584

00:30:49,000 --> 00:30:51,000

And the radio man, he said, very soon,

585

00:30:51,000 --> 00:30:52,000

he's going to let me know.

586

00:30:52,000 --> 00:30:53,000

He said, what did you say?

587

00:30:53,000 --> 00:30:55,000

What is your wish?

588

00:30:55,000 --> 00:30:56,000

He said, well, I know that.

589

00:30:56,000 --> 00:30:58,000

But he gave the time.

590

00:30:58,000 --> 00:31:01,000

And by the way, the time is exactly the same time

591

00:31:01,000 --> 00:31:04,000

that we were having this conflict

592

00:31:04,000 --> 00:31:08,000

about to go to a gentleman in his court in the house.

593

00:31:08,000 --> 00:31:12,000

And then, when I woke up, I looked at the clock,

594

00:31:12,000 --> 00:31:15,000

because I thought I was going to do what I think to myself

595

00:31:15,000 --> 00:31:17,000

to find out that I was.

596

00:31:17,000 --> 00:31:19,000

I looked out over the court,

597

00:31:19,000 --> 00:31:23,000

and above your house is a long, sweet, middle staff

598

00:31:23,000 --> 00:31:25,000

with white lights.

599

00:31:25,000 --> 00:31:26,000

I couldn't see where they were,

600

00:31:26,000 --> 00:31:29,000

and they just kept going around straight up.

601

00:31:29,000 --> 00:31:33,000

And I went right down into your bedroom.

602

00:31:33,000 --> 00:31:37,000

And, of course, the radio man was early again.

603

00:31:37,000 --> 00:31:40,000

That was just a fact, because this boy did not know

604

00:31:40,000 --> 00:31:42,000

no one down there.

605

00:31:42,000 --> 00:31:44,000

In fact, I didn't even tell my dad,

606

00:31:44,000 --> 00:31:46,000

because every month later,

607

00:31:46,000 --> 00:31:48,000

he's got to be in a good family,

608

00:31:48,000 --> 00:31:50,000

really, what he's been doing.

609

00:31:50,000 --> 00:31:53,000

And my dad was quite stupid about it,

610

00:31:53,000 --> 00:31:56,000

and I told him I said, well, you got me,

611

00:31:56,000 --> 00:31:58,000

I don't need to believe you,

612

00:31:58,000 --> 00:32:01,000

and I tell you this, I bet I've never liked you.

613

00:32:01,000 --> 00:32:03,000

And he said, well, I believe you,

614

00:32:03,000 --> 00:32:05,000

but I think, perhaps, the government

615

00:32:05,000 --> 00:32:07,000

is probably being harsh.

616

00:32:07,000 --> 00:32:09,000

But, most of all, I hope to my mother,

617

00:32:09,000 --> 00:32:11,000

who said, Father, find a self-sacrifice,

618

00:32:11,000 --> 00:32:13,000

even if it's confirmed I informed

619

00:32:13,000 --> 00:32:15,000

the head of the Welfare Bureau

620

00:32:15,000 --> 00:32:18,000

that I wasn't a delinquent in an ass-sacrifice,

621

00:32:18,000 --> 00:32:21,000

but I'm easily going to be understood.

622

00:32:21,000 --> 00:32:25,000

But, if any of these people start to live here,

623

00:32:25,000 --> 00:32:26,000

then nothing can be done,

624

00:32:26,000 --> 00:32:29,000

and they're going to be TRIs, the patients.

625

00:32:29,000 --> 00:32:30,000

And when they start,

626

00:32:30,000 --> 00:32:32,000

no one's feeling anxious,

627

00:32:32,000 --> 00:32:34,000

they're hoping to help in their

628

00:32:34,000 --> 00:32:37,000

breast-dive-scented life again.

629

00:32:37,000 --> 00:32:40,000

And you can talk about any way you want to,

630

00:32:40,000 --> 00:32:45,000

but I feel that that is very important.

631

00:32:45,000 --> 00:32:47,000

Now I know you wonder, well,

632

00:32:47,000 --> 00:32:49,000

it's very interesting to

633

00:32:49,000 --> 00:32:51,000

speak to the beneath you around the drug,

634

00:32:51,000 --> 00:32:53,000

it's very interesting to

635

00:32:53,000 --> 00:32:57,000

talk to people I've said they're radio,

636

00:32:57,000 --> 00:32:59,000

but really, when the mother sees her

637

00:32:59,000 --> 00:33:01,000

about the risk in the incitement,

638

00:33:01,000 --> 00:33:04,000

they're very much like it's me.

639

00:33:04,000 --> 00:33:05,000

But the best method,

640

00:33:05,000 --> 00:33:07,000

some say the least when it happens to

641

00:33:07,000 --> 00:33:08,000

you is to walk down the road,

642

00:33:08,000 --> 00:33:09,000

and walk to the main road,

643

00:33:09,000 --> 00:33:10,000

and out to the building,

644

00:33:10,000 --> 00:33:11,000

to take off the road,

645

00:33:11,000 --> 00:33:12,000

and up to the end of it,

646

00:33:12,000 --> 00:33:14,000

to go to the middle of it, really.

647

00:33:14,000 --> 00:33:16,000

But what's the goal of this meeting?

648

00:33:16,000 --> 00:33:17,000

And that's just the thing

649

00:33:17,000 --> 00:33:19,000

of the road I asked you now.

650

00:33:19,000 --> 00:33:22,000

If you start to know what it is going to say,

651

00:33:22,000 --> 00:33:23,000

the goal of coming here,

652

00:33:23,000 --> 00:33:26,000

what does it mean to you?

653

00:33:26,000 --> 00:33:28,000

Are they good to talk to you?

654

00:33:28,000 --> 00:33:30,000

Are they all going to be in my way?

655

00:33:30,000 --> 00:33:33,000

What does it mean, and why are they not?

656

00:33:33,000 --> 00:33:36,000

And we asked those questions.

657

00:33:36,000 --> 00:33:38,000

One of the questions,

658

00:33:38,000 --> 00:33:40,000

my wife, if I'm just a four-preface from

659

00:33:40,000 --> 00:33:43,000

my office, and she thought,

660

00:33:43,000 --> 00:33:45,000

well, maybe she's in the workplace,

661

00:33:45,000 --> 00:33:47,000

but I'm going to be so optimistic

662

00:33:47,000 --> 00:33:48,000

that she thinks I'm going to give

663

00:33:48,000 --> 00:33:50,000

us the secrets of the poison,

664

00:33:50,000 --> 00:33:51,000

and so I'm going to remind me

665

00:33:51,000 --> 00:33:54,000

that this is a sexy thing.

666

00:33:54,000 --> 00:33:57,000

But they're more willing to think that

667

00:33:57,000 --> 00:33:59,000

I'm finding out how to get

668

00:33:59,000 --> 00:34:01,000

cancer, polaroid, and so on.

669

00:34:01,000 --> 00:34:03,000

If they must stay six months ahead of it,

670

00:34:03,000 --> 00:34:05,000

perhaps they'll be seven

671

00:34:05,000 --> 00:34:08,000

before for these things.

672

00:34:08,000 --> 00:34:10,000

I've been a lot of that question to be asked,

673

00:34:10,000 --> 00:34:12,000

but she went into the pharmacy

674

00:34:12,000 --> 00:34:13,000

and asked the college and both,

675

00:34:13,000 --> 00:34:15,000

made me some of these,

676

00:34:15,000 --> 00:34:17,000

because she wanted to work in the library,

677

00:34:17,000 --> 00:34:19,000

that's the work she was doing

678

00:34:19,000 --> 00:34:20,000

for the government,

679

00:34:20,000 --> 00:34:21,000

and we had a hundred, by the way,

680

00:34:21,000 --> 00:34:24,000

in the doctoriality lab.

681

00:34:24,000 --> 00:34:26,000

She found something that would help

682

00:34:26,000 --> 00:34:28,000

her studies.

683

00:34:28,000 --> 00:34:30,000

And the question was asked,

684

00:34:30,000 --> 00:34:32,000

do you have such tremendous development

685

00:34:32,000 --> 00:34:34,000

in face-tricks and in problems

686

00:34:34,000 --> 00:34:35,000

in face and so on,

687

00:34:35,000 --> 00:34:38,000

have you advanced in medical science?

688

00:34:38,000 --> 00:34:40,000

And they said no.

689

00:34:40,000 --> 00:34:42,000

Let's know.

690

00:34:42,000 --> 00:34:44,000

But what was the most fun?

691

00:34:44,000 --> 00:34:46,000

You had face-tricks and so on,

692

00:34:46,000 --> 00:34:48,000

and you had an advancement in medical science,

693

00:34:48,000 --> 00:34:49,000

and I was lying.

694

00:34:49,000 --> 00:34:50,000

And they said,

695

00:34:50,000 --> 00:34:51,000

SEMPRICS.

696

00:34:51,000 --> 00:34:53,000

No disease, no medical science.

697

00:34:53,000 --> 00:34:55,000

Now believe me,

698

00:34:55,000 --> 00:34:57,000

what's that for that makes me fantastic?

699

00:34:57,000 --> 00:34:59,000

Don't even think it's fantastic,

700

00:34:59,000 --> 00:35:00,000

fantastic.

701

00:35:00,000 --> 00:35:02,000

The fact that we're alive

702

00:35:02,000 --> 00:35:04,000

and sitting here is fantastic.

703

00:35:04,000 --> 00:35:07,000

I remember what both of said when

704

00:35:07,000 --> 00:35:09,000

someone told them,

705

00:35:09,000 --> 00:35:10,000

they said,

706

00:35:10,000 --> 00:35:11,000

I just, and both the friends

707

00:35:11,000 --> 00:35:12,000

who were in science and medicine

708

00:35:12,000 --> 00:35:14,000

doing the re-imparation,

709

00:35:14,000 --> 00:35:15,000

but I just,

710

00:35:15,000 --> 00:35:17,000

can't believe that he made more than one.

711

00:35:17,000 --> 00:35:19,000

It's fantastic.

712

00:35:19,000 --> 00:35:20,000

And they both said,

713

00:35:20,000 --> 00:35:21,000

no, my friend,

714

00:35:21,000 --> 00:35:23,000

it's not fantastic in the best way

715

00:35:23,000 --> 00:35:24,000

for the one.

716

00:35:24,000 --> 00:35:25,000

See that,

717

00:35:25,000 --> 00:35:27,000

it might make many times.

718

00:35:27,000 --> 00:35:29,000

So this fact is a real fantastic.

719

00:35:29,000 --> 00:35:32,000

Two things can be depicted.

720

00:35:32,000 --> 00:35:35,000

And we have to keep an open mind.

721

00:35:35,000 --> 00:35:37,000

And that's what I have decided to do

722

00:35:37,000 --> 00:35:38,000

in the rest of these,

723

00:35:38,000 --> 00:35:39,000

in the course of these,

724

00:35:39,000 --> 00:35:40,000

to keep an open mind.

725

00:35:40,000 --> 00:35:43,000

Because we realize that what

726

00:35:43,000 --> 00:35:45,000

to know now is only a very clear set

727

00:35:45,000 --> 00:35:47,000

over what we're going to know tomorrow.

728

00:35:47,000 --> 00:35:49,000

Remember the boys in Columbus' time,

729

00:35:49,000 --> 00:35:51,000

at the Spanish court,

730

00:35:51,000 --> 00:35:53,000

he was held there for two years,

731

00:35:53,000 --> 00:35:54,000

because he was very tired

732

00:35:54,000 --> 00:35:56,000

about the three and all the way

733

00:35:56,000 --> 00:35:58,000

to know about science.

734

00:35:58,000 --> 00:35:59,000

And I was really certain

735

00:35:59,000 --> 00:36:01,000

that they would first wise plan.

736

00:36:01,000 --> 00:36:03,000

But we've got to know now

737

00:36:03,000 --> 00:36:05,000

that that is not true.

738

00:36:05,000 --> 00:36:06,000

And we didn't put a mind to that,

739

00:36:06,000 --> 00:36:07,000

I mean, Columbus did not

740

00:36:07,000 --> 00:36:09,000

the first one to say that.

741

00:36:09,000 --> 00:36:11,000

And everything during the rest was wrong.

742

00:36:11,000 --> 00:36:13,000

But it wasn't anything new.

743

00:36:13,000 --> 00:36:15,000

In fact, I might say that

744

00:36:15,000 --> 00:36:16,000

he only did to me

745

00:36:16,000 --> 00:36:18,000

that I was going to be unhappy.

746

00:36:18,000 --> 00:36:20,000

That's nothing new.

747

00:36:20,000 --> 00:36:21,000

Really, there's nothing

748

00:36:21,000 --> 00:36:23,000

that these people have in common,

749

00:36:23,000 --> 00:36:25,000

that's all there is to me.

750

00:36:25,000 --> 00:36:26,000

There's nothing new

751

00:36:26,000 --> 00:36:28,000

under these standards.

752

00:36:28,000 --> 00:36:31,000

About our time of existence.

753

00:36:31,000 --> 00:36:33,000

Because we so much talk

754

00:36:33,000 --> 00:36:34,000

about fun whether it is

755

00:36:34,000 --> 00:36:37,000

or not only what happens.

756

00:36:37,000 --> 00:36:38,000

And they said,

757

00:36:38,000 --> 00:36:39,000

yes, there was nothing

758

00:36:39,000 --> 00:36:43,000

about our time of existence.

759

00:36:43,000 --> 00:36:45,000

Many people have said to me,

760

00:36:45,000 --> 00:36:46,000

how in heaven can I,

761

00:36:46,000 --> 00:36:48,000

when there's a person

762

00:36:48,000 --> 00:36:50,000

who's got this place many nights ago,

763

00:36:50,000 --> 00:36:53,000

at about 1200 people's place.

764

00:36:53,000 --> 00:36:54,000

I used to live about two days

765

00:36:54,000 --> 00:36:55,000

by the way after

766

00:36:55,000 --> 00:36:58,000

my family's family set up.

767

00:36:58,000 --> 00:36:59,000

I mentioned this to someone,

768

00:36:59,000 --> 00:37:01,000

that the Japanese family

769

00:37:01,000 --> 00:37:03,000

was poking up our old house

770

00:37:03,000 --> 00:37:05,000

and they're causing some of these things.

771

00:37:05,000 --> 00:37:06,000

And I said,

772

00:37:06,000 --> 00:37:07,000

wait a minute,

773

00:37:07,000 --> 00:37:09,000

I was only 1500 miles away

774

00:37:09,000 --> 00:37:11,000

from the brown black.

775

00:37:11,000 --> 00:37:13,000

Nothing happened to me in the year.

776

00:37:13,000 --> 00:37:14,000

I mean, in my mind,

777

00:37:14,000 --> 00:37:16,000

I was only 1500 miles away

778

00:37:16,000 --> 00:37:18,000

from the brown black.

779

00:37:18,000 --> 00:37:19,000

And I said,

780

00:37:19,000 --> 00:37:20,000

wait a minute,

781

00:37:20,000 --> 00:37:22,000

it's not only that,

782

00:37:22,000 --> 00:37:24,000

life doesn't stop to kill

783

00:37:24,000 --> 00:37:25,000

on our own son,

784

00:37:25,000 --> 00:37:27,000

who is a little 90 million miles away,

785

00:37:27,000 --> 00:37:30,000

running a common bond with us.

786

00:37:30,000 --> 00:37:31,000

So I said,

787

00:37:31,000 --> 00:37:32,000

if it's an effect to son,

788

00:37:32,000 --> 00:37:33,000

that's for a way for a reason

789

00:37:33,000 --> 00:37:35,000

that is an effect to person.

790

00:37:35,000 --> 00:37:36,000

But at least I'm concerned

791

00:37:36,000 --> 00:37:37,000

about our time as bond,

792

00:37:37,000 --> 00:37:39,000

but it is not our time as bond

793

00:37:39,000 --> 00:37:42,000

that is so many concerns.

794

00:37:42,000 --> 00:37:43,000

They said this,

795

00:37:43,000 --> 00:37:45,000

that our entire civilization

796

00:37:45,000 --> 00:37:47,000

is moving into a new area

797

00:37:47,000 --> 00:37:49,000

of the universe.

798

00:37:49,000 --> 00:37:51,000

And that time as bond,

799

00:37:51,000 --> 00:37:52,000

that will increase

800

00:37:52,000 --> 00:37:54,000

at a critical rate.

801

00:37:54,000 --> 00:37:56,000

They said this many months ago,

802

00:37:56,000 --> 00:37:58,000

that recently,

803

00:37:58,000 --> 00:37:59,000

that's in sight,

804

00:37:59,000 --> 00:38:01,000

very famous American physicist,

805

00:38:01,000 --> 00:38:03,000

working in Colorado,

806

00:38:03,000 --> 00:38:05,000

in the mountains.

807

00:38:05,000 --> 00:38:06,000

And he's now down

808

00:38:06,000 --> 00:38:07,000

in California,

809

00:38:07,000 --> 00:38:09,000

where 18,000 feet in the mountains

810

00:38:09,000 --> 00:38:12,000

getting the same result.

811

00:38:12,000 --> 00:38:13,000

And now,

812

00:38:13,000 --> 00:38:14,000

for the scientific world,

813

00:38:14,000 --> 00:38:16,000

that the electron can't

814

00:38:16,000 --> 00:38:17,000

even see it up,

815

00:38:17,000 --> 00:38:18,000

and that the hydrogen-ray bond

816

00:38:18,000 --> 00:38:19,000

bonds with the frequency,

817

00:38:19,000 --> 00:38:21,000

that it's a number three,

818

00:38:21,000 --> 00:38:22,000

and the seven things

819

00:38:22,000 --> 00:38:24,000

would not account for

820

00:38:24,000 --> 00:38:26,000

in any way.

821

00:38:26,000 --> 00:38:28,000

And he's very alarmed.

822

00:38:28,000 --> 00:38:29,000

He's been alarmed,

823

00:38:29,000 --> 00:38:30,000

I might add,

824

00:38:30,000 --> 00:38:32,000

if I'm talking about him.

825

00:38:32,000 --> 00:38:34,000

They found a place in four,

826

00:38:34,000 --> 00:38:37,000

they've been discovered.

827

00:38:37,000 --> 00:38:38,000

Another thing they mentioned was

828

00:38:38,000 --> 00:38:40,000

about the extra satellite

829

00:38:40,000 --> 00:38:42,000

there may have been there.

830

00:38:42,000 --> 00:38:43,000

They said,

831

00:38:43,000 --> 00:38:44,000

maybe that was the man

832

00:38:44,000 --> 00:38:46,000

who got to the top,

833

00:38:46,000 --> 00:38:48,000

and got to the top,

834

00:38:48,000 --> 00:38:50,000

but it's over in the kind of freedom.

835

00:38:50,000 --> 00:38:51,000

But then recently,

836

00:38:51,000 --> 00:38:52,000

they announced that I know

837

00:38:52,000 --> 00:38:53,000

that they were looking on

838

00:38:53,000 --> 00:38:54,000

at the radio

839

00:38:54,000 --> 00:38:55,000

the two years ago.

840

00:38:55,000 --> 00:38:56,000

In fact, they were looking

841

00:38:56,000 --> 00:38:58,000

at two miles from us,

842

00:38:58,000 --> 00:38:59,000

at the Molder River,

843

00:38:59,000 --> 00:39:01,000

and he had a radio contact

844

00:39:01,000 --> 00:39:03,000

in Northern Arizona,

845

00:39:03,000 --> 00:39:05,000

because many of our contacts

846

00:39:05,000 --> 00:39:06,000

spoke on the radio,

847

00:39:06,000 --> 00:39:08,000

but some people spoke off

848

00:39:08,000 --> 00:39:10,000

the Molder River contact.

849

00:39:10,000 --> 00:39:12,000

And I know they were selling

850

00:39:12,000 --> 00:39:13,000

over million dollars

851

00:39:13,000 --> 00:39:14,000

over the time of the Christmas.

852

00:39:14,000 --> 00:39:16,000

I'm talking miles here,

853

00:39:16,000 --> 00:39:18,000

could be some kind of news,

854

00:39:18,000 --> 00:39:19,000

and I didn't know what it was.

855

00:39:19,000 --> 00:39:21,000

But we're the most

856

00:39:21,000 --> 00:39:23,000

related to two satellites,

857

00:39:23,000 --> 00:39:25,000

or the two artificial spaces

858

00:39:25,000 --> 00:39:26,000

that are now in the

859

00:39:26,000 --> 00:39:28,000

least-growing-of-person sphere.

860

00:39:28,000 --> 00:39:30,000

It's not a secret,

861

00:39:30,000 --> 00:39:31,000

but I think it's out of any news

862

00:39:31,000 --> 00:39:32,000

track,

863

00:39:32,000 --> 00:39:33,000

it's been blood-sucking,

864

00:39:33,000 --> 00:39:35,000

I find it is a great

865

00:39:35,000 --> 00:39:37,000

scientific tool of the sun,

866

00:39:37,000 --> 00:39:39,000

but it's nothing new.

867

00:39:39,000 --> 00:39:40,000

But they never make

868

00:39:40,000 --> 00:39:42,000

any history back.

869

00:39:42,000 --> 00:39:43,000

They are not making

870

00:39:43,000 --> 00:39:44,000

such great things

871

00:39:44,000 --> 00:39:46,000

in the back of the long way.

872

00:39:46,000 --> 00:39:47,000

They try to say that

873

00:39:47,000 --> 00:39:48,000

they're doing good

874

00:39:48,000 --> 00:39:50,000

things to not buy telephones,

875

00:39:50,000 --> 00:39:51,000

but they have these

876

00:39:51,000 --> 00:39:52,000

types of images

877

00:39:52,000 --> 00:39:54,000

that are trying to fix it.

878

00:39:54,000 --> 00:39:55,000

But these people

879

00:39:55,000 --> 00:39:57,000

also are making that.

880

00:39:57,000 --> 00:39:58,000

They said that all we need

881

00:39:58,000 --> 00:39:59,000

is a degree of

882

00:39:59,000 --> 00:40:01,000

what we need to do,

883

00:40:01,000 --> 00:40:02,000

but they're going to be

884

00:40:02,000 --> 00:40:03,000

some very serious

885

00:40:03,000 --> 00:40:04,000

mistakes this life.

886

00:40:04,000 --> 00:40:05,000

And I hear

887

00:40:05,000 --> 00:40:06,000

people to blending

888

00:40:06,000 --> 00:40:07,000

their■■s

889

00:40:07,000 --> 00:40:08,000

in a public space

890

00:40:08,000 --> 00:40:10,000

on the

891

00:40:10,000 --> 00:40:11,000

892

00:40:11,000 --> 00:40:12,000

model and

893

00:40:12,000 --> 00:40:13,000

flushed the

894

00:40:13,000 --> 00:40:14,000

plate.

895

00:40:14,000 --> 00:40:15,000

People's minds

896

00:40:15,000 --> 00:40:16,000

are going to

897

00:40:16,000 --> 00:40:17,000

Bake there

898

00:40:17,000 --> 00:40:18,000

one day.

899

00:40:18,000 --> 00:40:19,000

Also,

900

00:40:19,000 --> 00:40:20,000

the carngring

901

00:40:20,000 --> 00:40:21,000

903

00:40:22,000 --> 00:40:24,000

Camera management

904

00:40:24,000 --> 00:40:25,000

and the

905

00:40:25,000 --> 00:40:26,000

parts that have

906

00:40:26,000 --> 00:40:27,000

never been

907

00:40:27,000 --> 00:40:28,000

out in the

908

00:40:28,000 --> 00:40:30,000

history of man to

909

00:40:30,000 --> 00:40:30,840

one of

910

00:40:30,840 --> 00:40:34,440

the most productive of all, but I don't think we'll be done.

911

00:40:34,440 --> 00:40:39,400

You just have to do something in the small corners of the mood,

912

00:40:39,400 --> 00:40:42,240

and you can see the sound yourself.

913

00:40:42,240 --> 00:40:47,240

The island is actually a cell, but all you have in the medical room

914

00:40:47,240 --> 00:40:51,640

in the world, clearly, there's major fault lines in both.

915

00:40:51,640 --> 00:40:55,040

Really, there's major fault lines in both.

916

00:40:55,040 --> 00:40:58,240

Then again, the loud explosion of the sound of the piano

917

00:40:58,240 --> 00:41:01,840

over a couple of years ago, the green cell ball of the floor,

918

00:41:01,840 --> 00:41:05,440

and probably such a liberal, just like the Seattle area

919

00:41:05,440 --> 00:41:09,000

in the North Union, Seattle is also only in our little

920

00:41:09,000 --> 00:41:12,440

two major fault lines of the Reds and West.

921

00:41:12,440 --> 00:41:18,840

Now these factories, all of them, are not coming in the same place.

922

00:41:18,840 --> 00:41:22,640

Well, I say there, let me put down what these, let me tell you

923

00:41:22,640 --> 00:41:26,440

what these people are up to, about Maine.

924

00:41:26,440 --> 00:41:30,840

Man lives long, life long, life long too.

925

00:41:30,840 --> 00:41:34,040

They say that man is not in the world because he lives too long,

926

00:41:34,040 --> 00:41:37,640

and he lives too high, so he's just a rich man ahead.

927

00:41:37,640 --> 00:41:41,040

And because he was so much in the world before this,

928

00:41:41,040 --> 00:41:46,640

they say that man is man, because he is a spiritual being.

929

00:41:46,640 --> 00:41:49,240

That man exists throughout the universe.

930

00:41:49,240 --> 00:41:54,040

Man has a race, is an inhabitant of space.

931

00:41:54,240 --> 00:41:57,440

And that he says that 30 political manifestations

932

00:41:57,440 --> 00:42:00,440

are to be achieved on a certain planet,

933

00:42:00,440 --> 00:42:06,240

to one certain level, and have 30 political experiences.

934

00:42:06,240 --> 00:42:11,040

Now we can argue that race has been passed through a spirit.

935

00:42:11,040 --> 00:42:13,240

One thing we see about how to be a good spirit,

936

00:42:13,240 --> 00:42:15,840

let's say you and the race race,

937

00:42:15,840 --> 00:42:18,640

to give it down to the first grade of this good disguise

938

00:42:18,640 --> 00:42:23,640

and laugh at them because they have very simple problems,

939

00:42:23,640 --> 00:42:27,440

or because they're just in the wrong class, you know?

940

00:42:27,440 --> 00:42:29,240

And we know we can't get out of the first grade

941

00:42:29,240 --> 00:42:31,640

until we've got a first-none way to do it.

942

00:42:31,640 --> 00:42:34,440

That's why we might skip a grade if we're so too smart

943

00:42:34,440 --> 00:42:37,440

or so we're not going to be so many, but...

944

00:42:37,440 --> 00:42:40,440

We're not going to get out of there until we make the grade.

945

00:42:40,440 --> 00:42:42,840

And they say we don't have to get our first grade

946

00:42:42,840 --> 00:42:45,040

until we make the grade.

947

00:42:45,040 --> 00:42:46,840

And they like it if we make the grade.

948

00:42:46,840 --> 00:42:50,040

We might have to find some many minds.

949

00:42:50,040 --> 00:42:51,640

They say that on any planet,

950

00:42:51,640 --> 00:42:54,440

they say all of them on a island have a secret,

951

00:42:54,440 --> 00:42:57,040

spying life.

952

00:42:57,040 --> 00:42:58,640

Now, you need to leave a follow-up.

953

00:42:58,640 --> 00:43:01,240

You need to read about some of our astronomical theories

954

00:43:01,240 --> 00:43:03,040

and show them.

955

00:43:03,040 --> 00:43:06,440

Well, let me show you a hard theory in the one and two ago.

956

00:43:06,440 --> 00:43:11,240

I think you can get a good idea of how after you've been a spirit.

957

00:43:11,240 --> 00:43:14,240

The first and the second one is known as the second and third science

958

00:43:14,240 --> 00:43:16,440

to demonstrate the mathematics.

959

00:43:16,440 --> 00:43:18,040

The one and two.

960

00:43:18,040 --> 00:43:20,840

And you need to guess how true and true it is.

961

00:43:20,840 --> 00:43:23,640

So most of us in school,

962

00:43:23,640 --> 00:43:26,440

we would tell that they said the plan of the future today,

963

00:43:26,440 --> 00:43:28,440

and I just think young fellow right here now,

964

00:43:28,440 --> 00:43:30,240

the night we say the same thing,

965

00:43:30,240 --> 00:43:32,640

the both of us say small silence,

966

00:43:32,640 --> 00:43:33,840

but give it a little,

967

00:43:33,840 --> 00:43:34,640

and tell them,

968

00:43:34,640 --> 00:43:36,040

no, don't let them know you're dead.

969

00:43:36,040 --> 00:43:37,840

You got it right, boy?

970

00:43:37,840 --> 00:43:42,640

Okay, well, recently they have announced in scientific journals

971

00:43:42,640 --> 00:43:46,640

that they were 100% wrong.

972

00:43:46,640 --> 00:43:49,240

But these are the two kinds of things.

973

00:43:49,440 --> 00:43:51,840

The last one is known as the morning.

974

00:43:51,840 --> 00:43:54,640

Now, if they're 100% accurate about one thing,

975

00:43:54,640 --> 00:43:57,440

they're likely to be about 1.

976

00:43:57,440 --> 00:43:59,640

Also, very recently, as many of you know,

977

00:43:59,640 --> 00:44:01,640

it's been in most of the papers,

978

00:44:01,640 --> 00:44:03,840

but let's just say that the distance between

979

00:44:03,840 --> 00:44:06,840

the denominator and the other great galactic system

980

00:44:06,840 --> 00:44:11,440

beside their own motorway are double the distance.

981

00:44:11,440 --> 00:44:13,440

Again, they were 100% wrong.

982

00:44:13,440 --> 00:44:16,440

Twice as far away as they felt.

983

00:44:16,440 --> 00:44:17,640

But if the time is in the column,

984

00:44:18,440 --> 00:44:20,040

the time is in the column of the time

985

00:44:20,040 --> 00:44:22,040

are not any less great

986

00:44:22,040 --> 00:44:25,040

because they're so close to the latest one.

987

00:44:25,040 --> 00:44:26,540

And personally, they're way, way,

988

00:44:26,540 --> 00:44:28,540

blind with the time.

989

00:44:28,540 --> 00:44:34,040

But on the great mistake are those that face tomorrow.

990

00:44:34,040 --> 00:44:36,240

Let me just say again that as time has gone,

991

00:44:36,240 --> 00:44:38,740

having a great distance,

992

00:44:38,740 --> 00:44:40,540

like sometimes it was.

993

00:44:40,540 --> 00:44:43,740

They made a comment that sounded so amazing.

994

00:44:43,740 --> 00:44:47,540

Now, that is one of the latest astronomical theories

995

00:44:47,640 --> 00:44:49,640

that I've thrown over the world regularly

996

00:44:49,640 --> 00:44:51,440

and found it has no hypotheses

997

00:44:51,440 --> 00:44:54,940

that we blew off in this time and so on.

998

00:44:54,940 --> 00:44:58,440

Also, that the moon blew off in the air.

999

00:44:58,440 --> 00:45:01,440

The latest theory is that time has gone

1000

00:45:01,440 --> 00:45:03,540

to make a selection of bodies by

1001

00:45:03,540 --> 00:45:05,640

carbon matter accumulating in states

1002

00:45:05,640 --> 00:45:09,940

and getting billions of other snowballs rolling down the earth.

1003

00:45:09,940 --> 00:45:13,640

And these people say that comets are a kind of simulation.

1004

00:45:13,740 --> 00:45:17,240

After many of the theories, this comment

1005

00:45:17,240 --> 00:45:22,740

blew off in the legislation and the so on of theories

1006

00:45:22,740 --> 00:45:25,940

and single-cell life developed

1007

00:45:25,940 --> 00:45:28,940

in good news to that planet.

1008

00:45:28,940 --> 00:45:32,540

And when the planet was made for human life,

1009

00:45:32,540 --> 00:45:35,340

the classroom is already got

1010

00:45:35,340 --> 00:45:39,040

personal life or life from out of space.

1011

00:45:39,040 --> 00:45:40,840

Let it be that these people are telling me

1012

00:45:40,840 --> 00:45:43,440

that they are your bodies, you're sick.

1013

00:45:43,540 --> 00:45:44,840

They are not your people.

1014

00:45:44,840 --> 00:45:46,040

They are not your people.

1015

00:45:46,040 --> 00:45:47,540

They are purposeful humans.

1016

00:45:47,540 --> 00:45:48,840

They want to live in real-life

1017

00:45:48,840 --> 00:45:49,840

and real-life because real-life

1018

00:45:49,840 --> 00:45:52,340

is something like a real classroom.

1019

00:45:52,340 --> 00:45:54,040

And even now I'm not even sure

1020

00:45:54,040 --> 00:45:57,740

if they're going to have left that way.

1021

00:45:57,740 --> 00:46:00,440

But they really know that they're going to have life

1022

00:46:00,440 --> 00:46:01,640

for human life and for out of space

1023

00:46:01,640 --> 00:46:04,740

and they're going to get into the kind of earth.

1024

00:46:04,740 --> 00:46:05,840

But it's the only reason

1025

00:46:05,840 --> 00:46:07,240

that I'm going to think of Adam and Eve

1026

00:46:07,240 --> 00:46:10,840

as two of you guys are all a bunch of us.

1027

00:46:10,840 --> 00:46:13,940

We're not safe in any way that you can face them too.

1028

00:46:13,940 --> 00:46:15,640

Also, we're not safe in any way

1029

00:46:15,640 --> 00:46:16,940

that you don't live underground.

1030

00:46:16,940 --> 00:46:19,340

We live on the surface of the planet.

1031

00:46:19,340 --> 00:46:22,440

So we're not safe in any way that people are not.

1032

00:46:22,440 --> 00:46:24,240

We are not safe past people.

1033

00:46:24,240 --> 00:46:26,940

We don't follow the people that want to come.

1034

00:46:26,940 --> 00:46:29,940

But we are safe people.

1035

00:46:29,940 --> 00:46:33,640

These people are human beings like I said.

1036

00:46:33,640 --> 00:46:37,240

I need to be the center of our community.

1037

00:46:37,240 --> 00:46:39,040

One of the world's most healthy people,

1038

00:46:39,140 --> 00:46:41,740

and it was very exciting when we did go

1039

00:46:41,740 --> 00:46:45,740

and believe me, I was in the center of here

1040

00:46:45,740 --> 00:46:47,840

about 10 years ago.

1041

00:46:47,840 --> 00:46:53,340

And everything that's coming through the government

1042

00:46:53,340 --> 00:46:56,740

department of the National Institute for Life Education

1043

00:46:56,740 --> 00:46:58,940

that has now been carried on to investigate

1044

00:46:58,940 --> 00:47:01,740

the particular phenomena

1045

00:47:01,740 --> 00:47:07,540

from the bottom up and even inside the individual department.

1046

00:47:07,640 --> 00:47:10,440

But I will say that I mentioned the fact that I was working

1047

00:47:10,440 --> 00:47:12,140

because my brother-in-law is working

1048

00:47:12,140 --> 00:47:14,440

on that thing from the mixed country.

1049

00:47:14,440 --> 00:47:20,240

And I also have discovered that all of the Earth's bacteria

1050

00:47:20,240 --> 00:47:24,240

that's found in humans is found in a bed of waste.

1051

00:47:24,240 --> 00:47:29,040

In other words, it's 9,000 years to the 33rd of May

1052

00:47:29,040 --> 00:47:31,340

because of these kinds of drugs,

1053

00:47:31,340 --> 00:47:33,840

we're living through this.

1054

00:47:33,940 --> 00:47:39,940

And there is no stopping us from coming into God

1055

00:47:39,940 --> 00:47:42,940

because of these things that we've been doing.

1056

00:47:42,940 --> 00:47:46,740

Now, these things are absolutely trash

1057

00:47:46,740 --> 00:47:48,240

and they can be touched on

1058

00:47:48,240 --> 00:47:49,740

and we have to do so every year.

1059

00:47:49,740 --> 00:47:50,740

We're getting dirty.

1060

00:47:50,740 --> 00:47:53,140

That's a fact, though,

1061

00:47:53,140 --> 00:47:55,240

because you're not getting to the mean things.

1062

00:47:55,240 --> 00:47:56,740

You're starting to have to be found

1063

00:47:56,740 --> 00:47:58,940

with these drugs and you're immediately high-stuffed.

1064

00:47:58,940 --> 00:48:00,940

But if you look in front of the back,

1065

00:48:00,940 --> 00:48:01,940

you can see the side here.

1066

00:48:02,040 --> 00:48:03,040

You can see what it is.

1067

00:48:03,040 --> 00:48:05,040

It shows off the many school students

1068

00:48:05,040 --> 00:48:08,040

who are found by this side of the world.

1069

00:48:08,040 --> 00:48:11,040

And that's the intelligence we've heard

1070

00:48:11,040 --> 00:48:12,040

of the way we know

1071

00:48:12,040 --> 00:48:13,840

that there's not a living being

1072

00:48:13,840 --> 00:48:16,040

who's going to come after the map

1073

00:48:16,040 --> 00:48:20,040

because the thing that's here is going to happen.

1074

00:48:20,040 --> 00:48:21,940

I've always believed that

1075

00:48:21,940 --> 00:48:24,040

some people say the same thing,

1076

00:48:24,040 --> 00:48:27,040

but this is the God of time

1077

00:48:27,040 --> 00:48:29,040

and not of the world.

1078

00:48:29,140 --> 00:48:32,140

And what I say is true

1079

00:48:32,140 --> 00:48:35,140

while it's being moved on

1080

00:48:35,140 --> 00:48:38,140

is that it's going to be a very good trip.

1081

00:48:38,140 --> 00:48:41,140

I know it's going to be hard for you guys,

1082

00:48:41,140 --> 00:48:44,140

but on the first day of the week,

1083

00:48:44,140 --> 00:48:47,140

it's going to be very, very important

1084

00:48:47,140 --> 00:48:49,140

because every one of us is tonight

1085

00:48:49,140 --> 00:48:51,140

and it's hard for you to be saying

1086

00:48:51,140 --> 00:48:54,140

that you're going to be already going to be in school.

1087

00:48:54,140 --> 00:48:56,140

Now, I hope it's for a lot of my own stuff

1088

00:48:56,140 --> 00:48:58,140

that I do about the world.

1089

00:48:58,240 --> 00:49:00,240

I believe I went to school

1090

00:49:00,240 --> 00:49:02,240

and learned around the part of you

1091

00:49:02,240 --> 00:49:04,240

about where men are supposed to run from

1092

00:49:04,240 --> 00:49:07,240

and so on and I always like to see a lot of that out.

1093

00:49:07,240 --> 00:49:10,240

But I do. It's a good trip.

1094

00:49:10,240 --> 00:49:11,240

I see.

1095

00:49:11,240 --> 00:49:13,240

John Robinson and everybody,

1096

00:49:13,240 --> 00:49:15,240

the one who's trying to learn

1097

00:49:15,240 --> 00:49:16,740

is that many of the oldest

1098

00:49:16,740 --> 00:49:17,740

astronomers on their heads

1099

00:49:17,740 --> 00:49:19,740

have been named by a non-team that

1100

00:49:19,740 --> 00:49:21,740

70 miles above our Earth

1101

00:49:21,740 --> 00:49:23,740

there was a layer of pure hydrogen.

1102

00:49:23,740 --> 00:49:26,740

But the moment you see what I'm trying to learn

1103

00:49:26,740 --> 00:49:28,740

you're looking to expect to see what I'm going to see.

1104

00:49:28,740 --> 00:49:30,740

Nothing is coming to you.

1105

00:49:30,740 --> 00:49:32,740

You can live on Earth with bigger tidings.

1106

00:49:32,740 --> 00:49:34,740

Now, you know that all life

1107

00:49:34,740 --> 00:49:36,740

has to be a lot of work to improve on

1108

00:49:36,740 --> 00:49:38,740

the sound, moving surface of our planet.

1109

00:49:38,740 --> 00:49:40,740

And remember what I just said about

1110

00:49:40,740 --> 00:49:42,740

reasoning, they are just an answer

1111

00:49:42,740 --> 00:49:44,740

to the previous part of this,

1112

00:49:44,740 --> 00:49:46,740

not much on the moment.

1113

00:49:46,740 --> 00:49:48,740

Go like that, come on, live on, do it.

1114

00:49:48,740 --> 00:49:50,740

Another thing, some of our astronomers

1115

00:49:50,740 --> 00:49:52,740

think we can put great authorities

1116

00:49:52,740 --> 00:49:55,740

on the next, these other bodies are.

1117

00:49:55,740 --> 00:49:57,740

I so try to ask your figure,

1118

00:49:57,740 --> 00:49:59,740

he says that these bodies

1119

00:49:59,740 --> 00:50:03,740

are a second set, or a second set.

1120

00:50:03,740 --> 00:50:05,740

Recently, a very, very,

1121

00:50:05,740 --> 00:50:07,740

an astronomer announced that the core of

1122

00:50:07,740 --> 00:50:09,740

the reasoning is definitely done.

1123

00:50:09,740 --> 00:50:11,740

How can we know that

1124

00:50:11,740 --> 00:50:13,740

when our own reality is

1125

00:50:13,740 --> 00:50:15,740

still debating the question of whether our

1126

00:50:15,740 --> 00:50:17,740

core is solid enough?

1127

00:50:17,740 --> 00:50:19,740

We don't even know,

1128

00:50:19,740 --> 00:50:21,740

we know still our own kind of a direction.

1129

00:50:21,740 --> 00:50:23,740

How are we going to know what people have

1130

00:50:23,740 --> 00:50:25,740

to do to know the way?

1131

00:50:25,740 --> 00:50:27,740

Also, the human structure

1132

00:50:27,740 --> 00:50:29,740

is not only,

1133

00:50:29,740 --> 00:50:31,740

you have limited miles where all

1134

00:50:31,740 --> 00:50:33,740

time is trying to figure into

1135

00:50:33,740 --> 00:50:35,740

the way we are. That's why we

1136

00:50:35,740 --> 00:50:37,740

check this scope, sometimes we get

1137

00:50:37,740 --> 00:50:39,740

running into the data time and we get

1138

00:50:39,740 --> 00:50:41,740

a totally different meaning from the

1139

00:50:41,740 --> 00:50:43,740

same study scope.

1140

00:50:43,740 --> 00:50:45,740

People that are affected by the

1141

00:50:45,740 --> 00:50:47,740

Alzheimer's disease, but I think

1142

00:50:47,740 --> 00:50:49,740

in terms of our source, it's not knowing.

1143

00:50:49,740 --> 00:50:51,740

And of course,

1144

00:50:51,740 --> 00:50:53,740

there's more than 30,000 in our symbology.

1145

00:50:53,740 --> 00:50:55,740

And in our

1146

00:50:55,740 --> 00:50:57,740

structure, like we do,

1147

00:50:57,740 --> 00:50:59,740

there's a set of factors,

1148

00:50:59,740 --> 00:51:01,740

so, one, so, some,

1149

00:51:01,740 --> 00:51:03,740

there's a lot of them going on.

1150

00:51:03,740 --> 00:51:05,740

Also, the first one is 12,

1151

00:51:05,740 --> 00:51:07,740

or 144.

1152

00:51:07,740 --> 00:51:09,740

So, they're all found

1153

00:51:09,740 --> 00:51:11,740

in symbology.

1154

00:51:11,740 --> 00:51:13,740

And so, there's

1155

00:51:13,740 --> 00:51:15,740

one kind of the uncertainty

1156

00:51:15,740 --> 00:51:17,740

that we're going to see in this country.

1157

00:51:17,740 --> 00:51:19,740

And one of those,

1158

00:51:19,740 --> 00:51:21,740

I've only been seen in

1159

00:51:21,740 --> 00:51:23,740

San Francisco in the long

1160

00:51:23,740 --> 00:51:25,740

way, 300, in San Francisco,

1161

00:51:25,740 --> 00:51:27,740

and there's many more

1162

00:51:27,740 --> 00:51:29,740

but there's not a structure

1163

00:51:29,740 --> 00:51:31,740

by most of the scientists

1164

00:51:31,740 --> 00:51:33,740

at the world.

1165

00:51:33,740 --> 00:51:35,740

I've actually really had

1166

00:51:35,740 --> 00:51:37,740

the most of my

1167

00:51:37,740 --> 00:51:39,740

with Jupiter and Saturn.

1168

00:51:39,740 --> 00:51:41,740

And for the Saturn,

1169

00:51:41,740 --> 00:51:43,740

it's by meaning of our solar system

1170

00:51:43,740 --> 00:51:45,740

or the Earth.

1171

00:51:45,740 --> 00:51:47,740

As it was.

1172

00:51:47,740 --> 00:51:49,740

And there's a lot of the things

1173

00:51:49,740 --> 00:51:51,740

I know a lot of you have read,

1174

00:51:51,740 --> 00:51:53,740

a good many of the talks in this book,

1175

00:51:53,740 --> 00:51:55,740

some of you have read all those books

1176

00:51:55,740 --> 00:51:57,740

that I just read.

1177

00:51:57,740 --> 00:51:59,740

And you can see very well

1178

00:51:59,740 --> 00:52:01,740

about the research in how to do it.

1179

00:52:01,740 --> 00:52:03,740

And how to do stuff,

1180

00:52:03,740 --> 00:52:05,740

how to do astronomy, the physics,

1181

00:52:05,740 --> 00:52:07,740

how to do some other world

1182

00:52:07,740 --> 00:52:09,740

that I would do medicine,

1183

00:52:09,740 --> 00:52:11,740

how to do invisible, how to do stupid,

1184

00:52:11,740 --> 00:52:13,740

how to do chronic spirits

1185

00:52:13,740 --> 00:52:15,740

of our dead coming back.

1186

00:52:15,740 --> 00:52:17,740

And I've seen that in the other world,

1187

00:52:17,740 --> 00:52:19,740

and I've seen that such a question now.

1188

00:52:19,740 --> 00:52:21,740

The question coming back in the world

1189

00:52:21,740 --> 00:52:23,740

are there actual beings

1190

00:52:23,740 --> 00:52:25,740

like myself in the human

1191

00:52:25,740 --> 00:52:27,740

and other forms that are

1192

00:52:27,740 --> 00:52:29,740

more human and other systems?

1193

00:52:29,740 --> 00:52:31,740

Are there any

1194

00:52:31,740 --> 00:52:33,740

those feeling more active

1195

00:52:33,740 --> 00:52:35,740

in this disease?

1196

00:52:35,740 --> 00:52:37,740

The question is coming from

1197

00:52:37,740 --> 00:52:39,740

many different places.

1198

00:52:39,740 --> 00:52:41,740

From our own solar system,

1199

00:52:41,740 --> 00:52:43,740

from other solar systems,

1200

00:52:43,740 --> 00:52:45,740

and they're also coming from higher dimensions.

1201

00:52:45,740 --> 00:52:47,740

They're saying that

1202

00:52:47,740 --> 00:52:49,740

at the present time,

1203

00:52:49,740 --> 00:52:51,740

there are 51 solar systems

1204

00:52:51,740 --> 00:52:53,740

in the generation that is working around this.

1205

00:52:53,740 --> 00:52:55,740

Including

1206

00:52:55,740 --> 00:52:57,740

600 in an ancient planet,

1207

00:52:57,740 --> 00:52:59,740

and that they have given

1208

00:52:59,740 --> 00:53:01,740

1.5 million spacecrafts

1209

00:53:01,740 --> 00:53:03,740

around in the planet of this time.

1210

00:53:03,740 --> 00:53:05,740

They say that they have

1211

00:53:05,740 --> 00:53:07,740

agents throughout the years.

1212

00:53:07,740 --> 00:53:09,740

But there are plenty of means

1213

00:53:09,740 --> 00:53:11,740

that they're not aware on the surface

1214

00:53:11,740 --> 00:53:13,740

of the planet of this time.

1215

00:53:13,740 --> 00:53:15,740

6 million in the United States.

1216

00:53:15,740 --> 00:53:17,740

I can break down

1217

00:53:17,740 --> 00:53:19,740

all of those people

1218

00:53:19,740 --> 00:53:21,740

and not people that are just

1219

00:53:21,740 --> 00:53:23,740

stuck out of the dust.

1220

00:53:23,740 --> 00:53:25,740

And later on, the fighting is going on.

1221

00:53:25,740 --> 00:53:27,740

We will probably get some questions on.

1222

00:53:27,740 --> 00:53:29,740

Because I don't want to ruin the guys'

1223

00:53:29,740 --> 00:53:31,740

knowledge, but they're going to

1224

00:53:31,740 --> 00:53:33,740

have to hold on to stuff.

1225

00:53:33,740 --> 00:53:35,740

But there is a tremendous interest

1226

00:53:35,740 --> 00:53:37,740

in our planet's own modern space.

1227

00:53:37,740 --> 00:53:39,740

Now, these people claim we are not guys

1228

00:53:39,740 --> 00:53:41,740

only a little bit ahead of you,

1229

00:53:41,740 --> 00:53:43,740

and there are plenty of mistakes.

1230

00:53:43,740 --> 00:53:45,740

But we think that all of this is going to happen

1231

00:53:45,740 --> 00:53:47,740

on this planet. If you just go to

1232

00:53:47,740 --> 00:53:49,740

nuclear energy and so on,

1233

00:53:49,740 --> 00:53:51,740

about 1960,

1234

00:53:51,740 --> 00:53:53,740

between 1967.

1235

00:53:53,740 --> 00:53:55,740

But because of these second years more

1236

00:53:55,740 --> 00:53:57,740

and the speed up and the

1237

00:53:57,740 --> 00:53:59,740

potential of going,

1238

00:53:59,740 --> 00:54:01,740

we're going to go back in the past.

1239

00:54:01,740 --> 00:54:03,740

And so we really are hoping

1240

00:54:03,740 --> 00:54:05,740

to be as confident and we are

1241

00:54:05,740 --> 00:54:07,740

at the universe and we think that we have to be done.

1242

00:54:07,740 --> 00:54:09,740

And so,

1243

00:54:09,740 --> 00:54:11,740

the first thing we think will not exist

1244

00:54:11,740 --> 00:54:13,740

on Earth, clearly, is the meaning

1245

00:54:13,740 --> 00:54:15,740

of guys before Earth.

1246

00:54:15,740 --> 00:54:17,740

Also, as I said before,

1247

00:54:17,740 --> 00:54:19,740

these people are not standing in

1248

00:54:19,740 --> 00:54:21,740

the center of the Earth,

1249

00:54:21,740 --> 00:54:23,740

in the sense of coming down and stopping

1250

00:54:23,740 --> 00:54:25,740

always, you know. Many people say,

1251

00:54:25,740 --> 00:54:27,740

well, if they're into guys, why don't

1252

00:54:27,740 --> 00:54:29,740

you stop the Earth first, or what?

1253

00:54:29,740 --> 00:54:31,740

And they also say that about the

1254

00:54:31,740 --> 00:54:33,740

guys before the guys are powerful,

1255

00:54:33,740 --> 00:54:35,740

and they might not have time, and they

1256

00:54:35,740 --> 00:54:37,740

might not have time to stop.

1257

00:54:37,740 --> 00:54:39,740

And so, good night. I'm looking

1258

00:54:39,740 --> 00:54:41,740

for them, but I don't want to

1259

00:54:41,740 --> 00:54:43,740

show them the meaning of the

1260

00:54:43,740 --> 00:54:45,740

most serious, most important, and most

1261

00:54:45,740 --> 00:54:47,740

serious, and most serious.

1262

00:54:47,740 --> 00:54:49,740

Let us go down and show the

1263

00:54:49,740 --> 00:54:51,740

most serious people on the Earth

1264

00:54:51,740 --> 00:54:53,740

that don't want to fight the

1265

00:54:53,740 --> 00:54:55,740

comic people. But they're not going to

1266

00:54:55,740 --> 00:54:57,740

do that. They're not going to do that

1267

00:54:57,740 --> 00:54:59,740

for this reason, because I'm

1268

00:54:59,740 --> 00:55:01,740

looking for them. They are not going

1269

00:55:01,740 --> 00:55:03,740

to stop what we are learning in this

1270

00:55:03,740 --> 00:55:05,740

time. And I'm looking for them, and I'm

1271

00:55:05,740 --> 00:55:07,740

looking for them. They're not going to

1272

00:55:07,740 --> 00:55:09,740

stop what we are learning in this

1273

00:55:09,740 --> 00:55:11,740

time. And after they've stopped

1274

00:55:11,740 --> 00:55:13,740

the Earth, and they've just

1275

00:55:13,740 --> 00:55:15,740

gone up about 25 behind,

1276

00:55:15,740 --> 00:55:17,740

they finally realize that it's

1277

00:55:17,740 --> 00:55:19,740

all over this place, and then

1278

00:55:19,740 --> 00:55:21,740

it goes on to the next.

1279

00:55:21,740 --> 00:55:23,740

At least people do not like the

1280

00:55:23,740 --> 00:55:25,740

scene at all. They don't like the

1281

00:55:25,740 --> 00:55:27,740

scene being seen of how you

1282

00:55:27,740 --> 00:55:29,740

need to stop the Earth.

1283

00:55:29,740 --> 00:55:31,740

And all of our viewers say

1284

00:55:31,740 --> 00:55:33,740

that we need to do this thing.

1285

00:55:33,740 --> 00:55:35,740

Because they're calling a life in

1286

00:55:35,740 --> 00:55:37,740

this tunnel, and they're saying if you

1287

00:55:37,740 --> 00:55:39,740

need something, you can do it, but

1288

00:55:39,740 --> 00:55:41,740

it doesn't matter. There are not

1289

00:55:41,740 --> 00:55:43,740

people you look for over anyone.

1290

00:55:43,740 --> 00:55:45,740

They see these boys down in the

1291

00:55:45,740 --> 00:55:47,740

valley, so they realize it is not

1292

00:55:47,740 --> 00:55:49,740

good. And that

1293

00:55:49,740 --> 00:55:51,740

those people are going to go

1294

00:55:51,740 --> 00:55:53,740

to learn something. However, they

1295

00:55:53,740 --> 00:55:55,740

say that we are the only

1296

00:55:55,740 --> 00:55:57,740

knowing sign of a new structure in

1297

00:55:57,740 --> 00:55:59,740

the universe. And we are not

1298

00:55:59,740 --> 00:56:01,740

the only ones that have here.

1299

00:56:01,740 --> 00:56:03,740

But the new structure is in the

1300

00:56:03,740 --> 00:56:05,740

universe we are.

1301

00:56:05,740 --> 00:56:07,740

And to give an example of that,

1302

00:56:07,740 --> 00:56:09,740

they're saying that they know

1303

00:56:09,740 --> 00:56:11,740

how to fix them, that the people

1304

00:56:11,740 --> 00:56:13,740

have just presented a video, and

1305

00:56:13,740 --> 00:56:15,740

have an article, and they found out

1306

00:56:15,740 --> 00:56:17,740

that if there's a video on the

1307

00:56:17,740 --> 00:56:19,740

article, they're giving an article.

1308

00:56:19,740 --> 00:56:21,740

But the articles were many

1309

00:56:21,740 --> 00:56:23,740

still running around with press.

1310

00:56:23,740 --> 00:56:25,740

And the article on it that I just

1311

00:56:25,740 --> 00:56:27,740

said, and it's been

1312

00:56:27,740 --> 00:56:29,740

a process, and I've had

1313

00:56:29,740 --> 00:56:31,740

the whole thing in the

1314

00:56:31,740 --> 00:56:33,740

system of course, there is no

1315

00:56:33,740 --> 00:56:35,740

going. There is no going.

1316

00:56:35,740 --> 00:56:37,740

We are all, what is the one

1317

00:56:37,740 --> 00:56:39,740

structure that we want to get

1318

00:56:39,740 --> 00:56:41,740

from? And we are not the

1319

00:56:41,740 --> 00:56:43,740

most, that's my own business, but

1320

00:56:43,740 --> 00:56:45,740

in this structure we are. In other

1321

00:56:45,740 --> 00:56:47,740

ways we're going into the animal

1322

00:56:47,740 --> 00:56:49,740

and we're not into the body

1323

00:56:49,740 --> 00:56:51,740

system. And some of them are telling

1324

00:56:51,740 --> 00:56:53,740

me to go in, but some of them are

1325

00:56:53,740 --> 00:56:55,740

telling me to go in and in.

1326

00:56:55,740 --> 00:56:57,740

And in fact, one of the

1327

00:56:57,740 --> 00:56:59,740

minutes with me in Cincinnati,

1328

00:56:59,740 --> 00:57:01,740

for the new program, she said

1329

00:57:01,740 --> 00:57:03,740

you know I don't know all of this,

1330

00:57:03,740 --> 00:57:05,740

but I just want to know

1331

00:57:05,740 --> 00:57:07,740

that anything in all of

1332

00:57:07,740 --> 00:57:09,740

New York City

1333

00:57:09,740 --> 00:57:11,740

couldn't have anything to

1334

00:57:11,740 --> 00:57:13,740

share with the other American

1335

00:57:13,740 --> 00:57:15,740

guys. And believe me,

1336

00:57:15,740 --> 00:57:17,740

I'm proud that I'm an American

1337

00:57:17,740 --> 00:57:19,740

citizen, I'm proud of our

1338

00:57:19,740 --> 00:57:21,740

famous and development and so

1339

00:57:21,740 --> 00:57:23,740

on. Anyway, she didn't like to

1340

00:57:23,740 --> 00:57:25,740

tell me to go in, but we have to

1341

00:57:25,740 --> 00:57:27,740

say that's what she said.

1342

00:57:27,740 --> 00:57:29,740

And what about, what do these

1343

00:57:29,740 --> 00:57:31,740

people say about it? Well,

1344

00:57:31,740 --> 00:57:33,740

I know that this is what

1345

00:57:33,740 --> 00:57:35,740

David said to me.

1346

00:57:35,740 --> 00:57:37,740

We're honored right now.

1347

00:57:37,740 --> 00:57:39,740

We're honored right now.

1348

00:57:39,740 --> 00:57:41,740

We'll never be any closer to

1349

00:57:41,740 --> 00:57:43,740

this.

1350

00:57:43,740 --> 00:57:45,740

One of the times,

1351

00:57:45,740 --> 00:57:47,740

the Michigan

1352

00:57:47,740 --> 00:57:49,740

was

1353

00:57:49,740 --> 00:57:51,740

really, really, sound like

1354

00:57:51,740 --> 00:57:53,740

seven. And they said,

1355

00:57:53,740 --> 00:57:55,740

no, you must not say that, because

1356

00:57:55,740 --> 00:57:57,740

we are very, very close.

1357

00:57:57,740 --> 00:57:59,740

What do you think

1358

00:57:59,740 --> 00:58:01,740

of the plan?

1359

00:58:01,740 --> 00:58:03,740

What do you think

1360

00:58:03,740 --> 00:58:05,740

of the plan?

1361

00:58:05,740 --> 00:58:07,740

What does that

1362

00:58:07,740 --> 00:58:09,740

mean? It's not always

1363

00:58:09,740 --> 00:58:11,740

the plan that we know now.

1364

00:58:11,740 --> 00:58:13,740

It's the plan that we know

1365

00:58:13,740 --> 00:58:15,740

that we've done. Now this is

1366

00:58:15,740 --> 00:58:17,740

telling me that I'm getting more

1367

00:58:17,740 --> 00:58:19,740

and more confused with what we were

1368

00:58:19,740 --> 00:58:21,740

told.

1369

00:58:21,740 --> 00:58:23,740

They said we know of

1370

00:58:23,740 --> 00:58:25,740

no, although we cannot

1371

00:58:25,740 --> 00:58:27,740

comprehend them, but we know

1372

00:58:27,740 --> 00:58:29,740

that there are no, there are

1373

00:58:29,740 --> 00:58:31,740

many, few and nothing can

1374

00:58:31,740 --> 00:58:33,740

form.

1375

00:58:33,740 --> 00:58:35,740

I'm not going to teach them

1376

00:58:35,740 --> 00:58:37,740

the longer I'm talking about it.

1377

00:58:37,740 --> 00:58:39,740

But I'm going to be

1378

00:58:39,740 --> 00:58:41,740

just the one that's

1379

00:58:41,740 --> 00:58:43,740

not going to do it. I'll be good

1380

00:58:43,740 --> 00:58:45,740

good for all of you.

1381

00:58:45,740 --> 00:58:47,740

These people are talking about it too.

1382

00:58:47,740 --> 00:58:49,740

But I'm just thinking about it.

1383

00:58:49,740 --> 00:58:51,740

We have this plan that we have

1384

00:58:51,740 --> 00:58:53,740

now and we're going to do

1385

00:58:53,740 --> 00:58:55,740

a different plan.

1386

00:58:55,740 --> 00:58:57,740

They're going to let me think about it

1387

00:58:57,740 --> 00:58:59,740

more than once.

1388

00:58:59,740 --> 00:59:01,740

Now I'm going to think about it a bit

1389

00:59:01,740 --> 00:59:03,740

this way.

1390

00:59:03,740 --> 00:59:05,740

We have to really be the person

1391

00:59:05,740 --> 00:59:07,740

that I'm not going to teach them

1392

00:59:07,740 --> 00:59:09,740

what they're doing, so I don't want to

1393

00:59:09,740 --> 00:59:11,740

start a party.

1394

00:59:11,740 --> 00:59:13,740

But they will be the person that

1395

00:59:13,740 --> 00:59:15,740

we're going to teach, thinking

1396

00:59:15,740 --> 00:59:17,740

I was nearly behind it.

1397

00:59:17,740 --> 00:59:19,740

So we'll be now

1398

00:59:19,740 --> 00:59:21,740

left.

1399

00:59:21,740 --> 00:59:23,740

The politics after a lot of

1400

00:59:23,740 --> 00:59:25,740

going fast ways, that's why

1401

00:59:25,740 --> 00:59:27,740

the ice is not

1402

00:59:27,740 --> 00:59:29,740

snowing.

1403

00:59:29,740 --> 00:59:31,740

That's why the other lines are

1404

00:59:31,740 --> 00:59:33,740

in Europe, it's

1405

00:59:33,740 --> 00:59:35,740

the ones in the world that

1406

00:59:35,740 --> 00:59:37,740

you can call it.

1407

00:59:37,740 --> 00:59:39,740

The snow is melting.

1408

00:59:39,740 --> 00:59:41,740

That's why the ice is snowing

1409

00:59:41,740 --> 00:59:43,740

and it's going to be the one

1410

00:59:43,740 --> 00:59:45,740

that's going to melt.

1411

00:59:45,740 --> 00:59:47,740

Now these

1412

00:59:47,740 --> 00:59:49,740

that lines are coming to us

1413

00:59:49,740 --> 00:59:51,740

I forgot to bring my map.

1414

00:59:51,740 --> 00:59:53,740

I don't know how but

1415

00:59:53,740 --> 00:59:55,740

these that lines are

1416

00:59:55,740 --> 00:59:57,740

maybe going to cover the rest.

1417

00:59:57,740 --> 00:59:59,740

When we decided on where to

1418

00:59:59,740 --> 01:00:01,740

present our economy to the

1419

01:00:01,740 --> 01:00:03,740

government, of course

1420

01:00:03,740 --> 01:00:05,740

we definitely took the place where

1421

01:00:05,740 --> 01:00:07,740

they would have to move the

1422

01:00:07,740 --> 01:00:09,740

least amount of people.

1423

01:00:09,740 --> 01:00:11,740

Unfortunately

1424

01:00:11,740 --> 01:00:13,740

the economy just got off

1425

01:00:13,740 --> 01:00:15,740

right under the sea of our

1426

01:00:15,740 --> 01:00:17,740

major country.

1427

01:00:17,740 --> 01:00:19,740

Also in the Pacific

1428

01:00:19,740 --> 01:00:21,740

the one that

1429

01:00:21,740 --> 01:00:23,740

I think I'm nice to find this

1430

01:00:23,740 --> 01:00:25,740

that about a very later

1431

01:00:25,740 --> 01:00:27,740

the Caribbean coast in

1432

01:00:27,740 --> 01:00:29,740

the Hawaiian Islands.

1433

01:00:29,740 --> 01:00:31,740

We found a time when I'm not

1434

01:00:31,740 --> 01:00:33,740

going to say the conditions that

1435

01:00:33,740 --> 01:00:35,740

they are expecting and already

1436

01:00:35,740 --> 01:00:37,740

the situation.

1437

01:00:37,740 --> 01:00:39,740

So I think I'm going to

1438

01:00:39,740 --> 01:00:41,740

find that while you go on

1439

01:00:41,740 --> 01:00:43,740

and you're feeling the

1440

01:00:43,740 --> 01:00:45,740

cross in the ground and you

1441

01:00:45,740 --> 01:00:47,740

stop around a little bit while you

1442

01:00:47,740 --> 01:00:49,740

listen to this, your own

1443

01:00:49,740 --> 01:00:51,740

feelings are going to work.

1444

01:00:51,740 --> 01:00:53,740

So they're going to need to

1445

01:00:53,740 --> 01:00:55,740

concentrate.

1446

01:00:55,740 --> 01:00:57,740

That's the people saying to you

1447

01:00:57,740 --> 01:00:59,740

no one is not coming to you

1448

01:00:59,740 --> 01:01:01,740

at all.

1449

01:01:01,740 --> 01:01:03,740

That only the good and the

1450

01:01:03,740 --> 01:01:05,740

beautiful only

1451

01:01:05,740 --> 01:01:07,740

the beautiful only

1452

01:01:07,740 --> 01:01:09,740

you know you got just that

1453

01:01:09,740 --> 01:01:11,740

feeling no one now has the

1454

01:01:11,740 --> 01:01:13,740

ability to speak to these

1455

01:01:13,740 --> 01:01:15,740

people from our own coast.

1456

01:01:15,740 --> 01:01:17,740

That's not easy

1457

01:01:17,740 --> 01:01:19,740

to do this.

1458

01:01:19,740 --> 01:01:21,740

That disease

1459

01:01:21,740 --> 01:01:23,740

no longer exists.

1460

01:01:23,740 --> 01:01:25,740

There is still

1461

01:01:25,740 --> 01:01:27,740

a number of types of

1462

01:01:27,740 --> 01:01:29,740

things that are life

1463

01:01:29,740 --> 01:01:31,740

when we say that we do not

1464

01:01:31,740 --> 01:01:33,740

have to struggle by this

1465

01:01:33,740 --> 01:01:35,740

and that we have to begin to

1466

01:01:35,740 --> 01:01:37,740

develop and open and

1467

01:01:37,740 --> 01:01:39,740

I have faith

1468

01:01:39,740 --> 01:01:41,740

I think it's all true

1469

01:01:41,740 --> 01:01:43,740

no longer we have to

1470

01:01:43,740 --> 01:01:45,740

go on by this

1471

01:01:45,740 --> 01:01:47,740

but we have to

1472

01:01:47,740 --> 01:01:49,740

think well what about

1473

01:01:49,740 --> 01:01:51,740

a committed believe.

1474

01:01:51,740 --> 01:01:53,740

We believe in the same

1475

01:01:53,740 --> 01:01:55,740

God and we call

1476

01:01:55,740 --> 01:01:57,740

Him to believe in the same

1477

01:01:57,740 --> 01:01:59,740

God and we do so good

1478

01:01:59,740 --> 01:02:01,740

and we say well we have

1479

01:02:01,740 --> 01:02:03,740

I'm not stupid.

1480

01:02:03,740 --> 01:02:07,740

He had many cases, but a mass murderous crime is a crime of the conflict.

1481

01:02:07,740 --> 01:02:11,740

God, they're all doing the same, God.

1482

01:02:11,740 --> 01:02:17,740

The way he says yes, but he makes it by means, not by means.

1483

01:02:17,740 --> 01:02:19,740

Well, that's true.

1484

01:02:19,740 --> 01:02:21,740

Young men who are out of the world, not only men,

1485

01:02:21,740 --> 01:02:24,740

when the religious people speak, by the way I might read,

1486

01:02:24,740 --> 01:02:27,740

they never speak in a derogatory fashion against any nation,

1487

01:02:27,740 --> 01:02:30,740

against any race, against any faith.

1488

01:02:30,740 --> 01:02:35,740

And they speak in a way that all of the personality or people of all.

1489

01:02:35,740 --> 01:02:38,740

They also ask about times like the West,

1490

01:02:38,740 --> 01:02:40,740

where there's a West-Poen, a West-Poen, a West-Poen,

1491

01:02:40,740 --> 01:02:43,740

and then there's a 15-West, and a 15-West, and a 11-West.

1492

01:02:43,740 --> 01:02:46,740

But it's not a really effective, a regular time,

1493

01:02:46,740 --> 01:02:50,740

but it's simply a reason that the West and people have a lot of left

1494

01:02:50,740 --> 01:02:54,740

on the Sunday set, very much.

1495

01:02:54,740 --> 01:02:56,740

But there's a West-Poen, a 21-West,

1496

01:02:56,740 --> 01:02:59,740

but it's just another one in the West.

1497

01:02:59,740 --> 01:03:01,740

That's what I'm saying, that I lost my voice.

1498

01:03:01,740 --> 01:03:04,740

The way I come, men, sees everyone.

1499

01:03:04,740 --> 01:03:09,740

It's not being said, it's being one of them times what they mean

1500

01:03:09,740 --> 01:03:12,740

by the basis of context and development,

1501

01:03:12,740 --> 01:03:15,740

but maybe not sees me, maybe sees us.

1502

01:03:15,740 --> 01:03:19,740

The religious people in any one, is interesting in some ways.

1503

01:03:19,740 --> 01:03:22,740

I might ask you that for a long time,

1504

01:03:22,740 --> 01:03:26,740

silence has been on the left and related on the far right.

1505

01:03:26,740 --> 01:03:30,740

And more and more people in the West are becoming closer and closer together.

1506

01:03:30,740 --> 01:03:33,740

The way that silence is just building a social background

1507

01:03:33,740 --> 01:03:37,740

in the East and the other people are putting themselves in the same place,

1508

01:03:37,740 --> 01:03:40,740

to think of a call, because they're talking from the side

1509

01:03:40,740 --> 01:03:43,740

and they're talking to the other people in the West.

1510

01:03:43,740 --> 01:03:47,740

They've put a very large phone that has been discovered in the West

1511

01:03:47,740 --> 01:03:51,740

and hung it up in a place that it is one of the phones about.

1512

01:03:51,740 --> 01:03:55,740

That's how this concept lies with the West.

1513

01:03:56,740 --> 01:03:59,740

We're talking about coming closer and closer together.

1514

01:03:59,740 --> 01:04:02,740

And how can silence be separated from religious?

1515

01:04:02,740 --> 01:04:05,740

How can silence be separated from peace?

1516

01:04:05,740 --> 01:04:06,740

Someone asked me and thinking about it,

1517

01:04:06,740 --> 01:04:10,740

why would anyone want to combine silence and religion for other things?

1518

01:04:10,740 --> 01:04:16,740

But I say that there is no religion higher than peace.

1519

01:04:16,740 --> 01:04:20,740

And if silence has some of that peace, and the religion has some of that peace,

1520

01:04:20,740 --> 01:04:24,740

then that peace will not be separated from peace.

1521

01:04:24,740 --> 01:04:29,740

The idea that we must tell the story of it is that religion is silence

1522

01:04:29,740 --> 01:04:33,740

and the religion is silence and religion.

1523

01:04:33,740 --> 01:04:36,740

Because those things are going to be won.

1524

01:04:36,740 --> 01:04:39,740

Also under the pre-courtage of the bill done by the district

1525

01:04:39,740 --> 01:04:43,740

and all folks, we all hope that all of those things will pass away,

1526

01:04:43,740 --> 01:04:46,740

that we won't have to wonder if these things are going to get through.

1527

01:04:46,740 --> 01:04:48,740

We will know.

1528

01:04:48,740 --> 01:04:51,740

That's what it is going to be, we will still be coming back.

1529

01:04:51,740 --> 01:04:55,740

We notice now that, I know, when I was a school-based downman,

1530

01:04:55,740 --> 01:04:57,740

I was going down my studies.

1531

01:04:57,740 --> 01:05:00,740

So if I was one of those school-based downmen,

1532

01:05:00,740 --> 01:05:05,740

because I was very easy, and the school was very much like modern men,

1533

01:05:05,740 --> 01:05:07,740

we notice that in my studies,

1534

01:05:07,740 --> 01:05:11,740

about how many things are being thrown out for what they are.

1535

01:05:11,740 --> 01:05:14,740

We can call it the pre-right coming from the court.

1536

01:05:14,740 --> 01:05:17,740

We can call it the new vibration or the new gentrification.

1537

01:05:17,740 --> 01:05:19,740

We can call it the new religion.

1538

01:05:20,740 --> 01:05:23,740

Now, as I've just said, as I've seen,

1539

01:05:23,740 --> 01:05:25,740

we've left the old-fashioned density,

1540

01:05:25,740 --> 01:05:28,740

and we are no longer doing it at all.

1541

01:05:28,740 --> 01:05:29,740

So while in the country,

1542

01:05:29,740 --> 01:05:32,740

we're still going to be doing the new dimension

1543

01:05:32,740 --> 01:05:35,740

of all of New York City right now.

1544

01:05:35,740 --> 01:05:37,740

We're still going to come and go slowly,

1545

01:05:37,740 --> 01:05:41,740

and that's why we don't know the future, too much.

1546

01:05:41,740 --> 01:05:44,740

If we don't say we're going to put a tightie through the court,

1547

01:05:44,740 --> 01:05:47,740

that is being heard, it's so bad.

1548

01:05:47,740 --> 01:05:51,740

At least, there's going to be more to make sure of.

1549

01:05:51,740 --> 01:05:55,740

These people, then, are coming from many different countries,

1550

01:05:55,740 --> 01:06:00,740

but I'm here merely to go along and help the rest into the new dimension.

1551

01:06:00,740 --> 01:06:04,740

Help the rest into this new age.

1552

01:06:04,740 --> 01:06:07,740

When I was saying, then, that the broad clothing,

1553

01:06:07,740 --> 01:06:09,740

people that I've wondered,

1554

01:06:09,740 --> 01:06:13,740

how is what going to happen in the future now?

1555

01:06:13,740 --> 01:06:16,740

And people have heard the women's fear,

1556

01:06:16,740 --> 01:06:18,740

and here I'm thinking about this fear,

1557

01:06:18,740 --> 01:06:20,740

I mean, I'm going to get to myself now,

1558

01:06:20,740 --> 01:06:23,740

but I'll explain it,

1559

01:06:23,740 --> 01:06:26,740

because so that there are no more ways to see

1560

01:06:26,740 --> 01:06:31,740

whether we decide upon two or more.

1561

01:06:31,740 --> 01:06:34,740

If we decide on a peaceful money-money,

1562

01:06:34,740 --> 01:06:36,740

there are very, very, many, many, many kids there,

1563

01:06:36,740 --> 01:06:38,740

in the new age of our.

1564

01:06:38,740 --> 01:06:41,740

And if we decide on a wealthy girl,

1565

01:06:41,740 --> 01:06:48,740

And then they were in a school after that.

1566

01:06:48,740 --> 01:06:56,740

In other words, when the civilisation was destroyed and people are now watching and

1567

01:06:56,740 --> 01:07:02,740

look to the sky and the ground in their knees, then they were now in the city of New York.

1568

01:07:02,740 --> 01:07:06,740

And then about this is what we see in the New York Times.

1569

01:07:06,740 --> 01:07:13,740

First of all, when people are what I was telling before, when people, it is not that matter to people,

1570

01:07:13,740 --> 01:07:17,740

they are not playing for the purpose of anything that is by the way by force.

1571

01:07:17,740 --> 01:07:23,740

Nothing by force. One time they said, yes, we are here for time for good.

1572

01:07:23,740 --> 01:07:26,740

That's true, we are there for time for good.

1573

01:07:26,740 --> 01:07:30,740

But that time for it is not time for anything.

1574

01:07:30,740 --> 01:07:33,740

The idea is to find anything that is in the world.

1575

01:07:33,740 --> 01:07:37,740

And we are anxious for a man like yourself to live in those communities,

1576

01:07:37,740 --> 01:07:43,740

we notice in our lives that some people in the world can find out about these things,

1577

01:07:43,740 --> 01:07:48,740

and we are not just that. We are not going to have one in the world.

1578

01:07:48,740 --> 01:07:53,740

We are going to go and play with the American people and listen to the idea that others can't have it.

1579

01:07:53,740 --> 01:07:57,740

Maybe tomorrow is the minute or so, tomorrow is the day.

1580

01:07:57,740 --> 01:08:06,740

But I think it's stated by some of these guys who just say, no, you've got time to announce that another other planet will arrive in the world.

1581

01:08:06,740 --> 01:08:11,740

Without making sense, we won't be able to discuss this, and I thought it was a little bit.

1582

01:08:11,740 --> 01:08:15,740

I think we're done with the announcement in a little bit.

1583

01:08:15,740 --> 01:08:18,740

Then I mean, we are picking the disaster.

1584

01:08:18,740 --> 01:08:20,740

We cannot bring the government.

1585

01:08:20,740 --> 01:08:24,740

The American people are older than the government, and they just ask for it and call it the government.

1586

01:08:24,740 --> 01:08:28,740

We cannot bring the government, because that's what I mean with the government.

1587

01:08:28,740 --> 01:08:32,740

That's the very, very strong. A lot of us are strong in the government.

1588

01:08:32,740 --> 01:08:37,740

After all, what is easy is we have that kind of information that's going to be available.

1589

01:08:37,740 --> 01:08:44,740

I feel like they're doing the best thing they can, and I feel that they're taking very, very seriously a lot of,

1590

01:08:44,740 --> 01:08:47,740

a lot of money and they're best of them.

1591

01:08:47,740 --> 01:08:51,740

Because they have, you know, if an island will come out,

1592

01:08:51,740 --> 01:08:55,740

and I think about the craftsmanship, and it's nothing that I really like to do,

1593

01:08:55,740 --> 01:08:59,740

like I remember the article, it's not too many weeks to go in two minutes.

1594

01:08:59,740 --> 01:09:02,740

That's the last one I found out about the craftsmanship.

1595

01:09:02,740 --> 01:09:04,740

You can see the little note in there.

1596

01:09:04,740 --> 01:09:06,740

I have to know the more the more the article.

1597

01:09:06,740 --> 01:09:09,740

It's not something that we really know the more the article.

1598

01:09:09,740 --> 01:09:12,740

It's the article I read at the latest conference.

1599

01:09:12,740 --> 01:09:17,740

You notice that I would say, first minute, so much to say, and so on.

1600

01:09:17,740 --> 01:09:20,740

I'm not going to say not known.

1601

01:09:20,740 --> 01:09:24,740

There's no feeling by better sending one-day, one-day, or many, many,

1602

01:09:24,740 --> 01:09:26,740

than one-minute time to make,

1603

01:09:26,740 --> 01:09:29,740

to get people to talk.

1604

01:09:29,740 --> 01:09:31,740

There was no success in contemplation,

1605

01:09:31,740 --> 01:09:36,740

to get people to talk about what the craftsmanship is to make.

1606

01:09:36,740 --> 01:09:40,740

I feel it. I don't think it's doing the best thing it can to make a good person do.

1607

01:09:40,740 --> 01:09:42,740

And I can also say that this time,

1608

01:09:42,740 --> 01:09:45,740

because I don't feel I'm valuing my environment,

1609

01:09:45,740 --> 01:09:47,740

because I'm security to do so,

1610

01:10:17,740 --> 01:10:19,740

I don't know what it is.

1611

01:10:19,740 --> 01:10:21,740

I don't know what it is.

1612

01:10:21,740 --> 01:10:23,740

I don't know what it is.

1613

01:10:23,740 --> 01:10:25,740

I don't know what it is.

1614

01:10:25,740 --> 01:10:27,740

I don't know what it is.

1615

01:10:27,740 --> 01:10:29,740

I don't know what it is.

1616

01:10:29,740 --> 01:10:31,740

I don't know what it is.

1617

01:10:31,740 --> 01:10:33,740

I don't know what it is.

1618

01:10:33,740 --> 01:10:35,740

I don't know what it is.

1619

01:10:35,740 --> 01:10:37,740

I don't know what it is.

1620

01:10:37,740 --> 01:10:39,740

I don't know what it is.

1621

01:10:39,740 --> 01:10:41,740

I don't know what it is.

1622

01:10:41,740 --> 01:10:43,740

I don't know what it is.

1623

01:10:43,740 --> 01:10:45,740

I don't know what it is.

1624

01:10:46,740 --> 01:10:48,740

I don't know what it is.

1625

01:10:48,740 --> 01:10:52,740

I don't know what it is.

1626

01:10:52,740 --> 01:10:54,740

I don't know what it is.

1627

01:10:54,740 --> 01:10:56,740

I don't know what it is.

1628

01:10:56,740 --> 01:10:58,740

I don't know what it is.

1629

01:10:58,740 --> 01:11:00,740

I don't know what it is.

1630

01:11:00,740 --> 01:11:04,740

I don't know what it is.

1631

01:11:04,740 --> 01:11:10,740

I don't know what it is.

1632

01:11:10,740 --> 01:11:13,740

I don't know what it is.

1633

01:11:13,740 --> 01:11:17,740

to go to the next, they really go and pass out of the system.

1634

01:11:17,740 --> 01:11:23,740

They say that it is not necessary for men to die in an edinine country and other diseases.

1635

01:11:23,740 --> 01:11:27,740

They also say that it's not really necessary to be facing a round all the time, but

1636

01:11:27,740 --> 01:11:30,740

still are, or cause diseases.

1637

01:11:30,740 --> 01:11:35,740

Again, the men in the study read on a dangerous disease, which causes disease.

1638

01:11:35,740 --> 01:11:41,740

As a real person, science is so alive.

1639

01:11:41,740 --> 01:11:44,740

But God bless and bless those.

1640

01:11:44,740 --> 01:11:51,740

I know that science can have a lot of questions and I think it could get to the question and answer period.

1641

01:11:51,740 --> 01:11:56,740

I don't think you'd like to sound up and touch me there. Thank you very much.
