

1

00:00:00,000 --> 00:00:07,480

Good evening.

2

00:00:07,480 --> 00:00:26,480

At this time, I will speak to all those.

3

00:00:26,480 --> 00:00:48,480

Here in Treet you is symbols of the country called England.

4

00:00:48,480 --> 00:01:17,480

In the coming years, certain changes will take place in the surface of your world.

5

00:01:17,480 --> 00:01:29,480

These changes will directly affect all life upon your world.

6

00:01:29,480 --> 00:01:50,480

The country is England, and by that I naturally include Wales in the third part called Scotland.

7

00:01:50,480 --> 00:02:08,480

A will will be highly significant in this great change.

8

00:02:08,480 --> 00:02:22,480

As you know, the spiritual hierarchy of Terran, which you call the great, quite brotherhood,

9

00:02:22,480 --> 00:02:45,480

has been instructed to move from the remote Himalayas closer to civilisation.

10

00:02:45,480 --> 00:02:54,480

This move is taking place at this very moment.

11

00:02:54,480 --> 00:03:23,480

Or Freddie, as the mountain in Scotland called by Hugh, Ben MacDwane, is now a retreat for the great, white brotherhood.

12

00:03:24,480 --> 00:03:38,480

This is the first retreat of its kind in these islands for 100,000 of your earth years.

13

00:03:38,480 --> 00:03:49,480

This is a definite sign of the times, is it well?

14

00:03:49,480 --> 00:04:08,480

A sign which only gives to show you that things upon the surface of your world are now changing.

15

00:04:08,480 --> 00:04:22,480

This great change will result in the cosmic initiation of this earth as an inter-tier,

16

00:04:22,480 --> 00:04:47,480

and the direct result of this will be a great, golden millennium of peace, which will be enjoyed by some, but not all.

17

00:04:48,480 --> 00:04:58,480

The time of your trial is now, at this very moment.

18

00:04:58,480 --> 00:05:26,480

At this very moment, you all have sufficient information to say you prepare yourselves that you are able to take your rightful place in the future scheme.

19

00:05:26,480 --> 00:05:37,480

Of this great insignificant initiation.

20

00:05:38,480 --> 00:05:45,480

A choice is yours.

21

00:05:45,480 --> 00:06:14,480

To turn away from your great opportunities, then Hugh will, by this decision, signify that Hugh can only be reborn upon another,

22

00:06:15,480 --> 00:06:32,480

a younger world which will be then prepared for you.

23

00:06:32,480 --> 00:06:59,480

In the great change which is to come, the small surface of us in which Hugh in England now reside will be highly significant.

24

00:06:59,480 --> 00:07:21,480

Highly significant because the Hugh of Yarm, a spiritual opposition in the new world will change.

25

00:07:22,480 --> 00:07:40,480

It is a mark and essential mark of evolution that the spiritual hierarchy move from the remoteness of the Himalayas,

26

00:07:40,480 --> 00:07:51,480

and to the less remote parts of Terran.

27

00:07:52,480 --> 00:08:06,480

For thousands of years, the Himalayas have been the seat of wisdom.

28

00:08:06,480 --> 00:08:12,480

This is now being changed.

29

00:08:12,480 --> 00:08:41,480

Places like this hitherto for spiritually insignificant island, England, will in the future become of great significance throughout all earth.

30

00:08:41,480 --> 00:08:47,480

I do not make any attempt to say that in order to flatter you.

31

00:08:47,480 --> 00:08:53,480

Flattery is absurdity.

32

00:08:53,480 --> 00:08:59,480

It is beyond our indulgence.

33

00:08:59,480 --> 00:09:05,480

I say it because it is true.

34

00:09:05,480 --> 00:09:30,480

As it is true, Hugh people in this island have indeed great and vast opportunities to set a pattern for the rest of mankind.

35

00:09:30,480 --> 00:09:50,480

Please do not run away with the idea that England is such, will be the only place of spiritual significance.

36

00:09:50,480 --> 00:10:11,480

It will not be, but it will be one of the most important of those places which are spiritually significant to the new world.

37

00:10:11,480 --> 00:10:18,480

This is the first time that we have spoken of the new world.

38

00:10:18,480 --> 00:10:27,480

Before this we have always referred to the coming change as the new age.

39

00:10:27,480 --> 00:10:42,480

Mankind has ever for years been educated into the belief and acceptance of the new age.

40

00:10:42,480 --> 00:10:53,480

It is now time to educate mankind into the belief and acceptance of the new world.

41

00:10:53,480 --> 00:10:59,480

For virtually it will be that.

42

00:10:59,480 --> 00:11:22,480

Gradually the ionization units around this earth of yours will be taken down.

43

00:11:23,480 --> 00:11:39,480

This will allow a more complete cosmic bombardment of the surface of this earth of yours.

44

00:11:40,480 --> 00:11:58,480

Higher frequencies of light into the ultraviolet spectrum will be freer to bombard the actual

surface of terror.

45

00:11:58,480 --> 00:12:15,480

This energy of bombardment will be tend to mount to a cosmic initiation of the planet as an entity.

46

00:12:15,480 --> 00:12:34,480

All vibrations as a result of this concentrated bombardment of energy will be a step up to such an extent that

47

00:12:34,480 --> 00:12:50,480

unique views of radium, of all the residence within the new world could possibly live here.

48

00:12:50,480 --> 00:13:10,480

Because of mankind a terram as an entity has had to put off her a cosmic initiation of all ions.

49

00:13:11,480 --> 00:13:28,480

The great, a lords of karma have now declared it, no longer shall she suffer thus, the form.

50

00:13:28,480 --> 00:13:36,480

These things will come to pass.

51

00:13:36,480 --> 00:13:53,480

In the coming to pass a terror will a change upon her axis.

52

00:13:53,480 --> 00:14:01,480

This axis change can be brought about in two ways.

53

00:14:01,480 --> 00:14:24,480

Number one is a gradual preface governed by nature which is not interfered with by the meddling hands of stupid terrestrials.

54

00:14:25,480 --> 00:14:51,480

Or number two is an exaggerated move precipitated into this exaggeration by the continued use of atomic weapons

55

00:14:51,480 --> 00:14:59,480

or by an atomic conflict upon the surface of terror.

56

00:14:59,480 --> 00:15:16,480

Mankind and mankind only are the choosers which way this great move will be brought about.

57

00:15:17,480 --> 00:15:27,480

But that it will be brought about is definite.

58

00:15:27,480 --> 00:15:55,480

The constant bombardment as a result of the change of axis as a result of the dismantling of the ionosphere will alter all rates of vibration.

59

00:15:56,480 --> 00:16:00,480

Will alter all noon weather conditions.

60

00:16:00,480 --> 00:16:10,480

No longer will you have winter, spring, summer and autumn.

61

00:16:10,480 --> 00:16:20,480

You will have a different cycle of life entirely.

62

00:16:21,480 --> 00:16:32,480

The weather conditions so called a will for the most part remain quite constant.

63

00:16:32,480 --> 00:16:38,480

The cycle of life will remain a quite constant.

64

00:16:39,480 --> 00:16:53,480

No longer after the great initiation of will the vegetable matter need to rest in the wintertime

65

00:16:53,480 --> 00:17:05,480

thereby forming a particular cycle of expression as it does at the moment.

66

00:17:06,480 --> 00:17:17,480

Expression of will continue throughout of the years.

67

00:17:17,480 --> 00:17:26,480

Gradually mankind will be able to heal all noon diseases.

68

00:17:26,480 --> 00:17:49,480

Will be able at all a cure even the disease known as old age by mental processes enhanced by a great knowledge

69

00:17:49,480 --> 00:18:08,480

of which he is able to appreciate because of the heightened vibration within the brain structure of himself.

70

00:18:09,480 --> 00:18:31,480

Gradually mankind in the new world will learn to atep the great all pervasive energy of radiating from the legos of the planet as an intelligence.

71

00:18:32,480 --> 00:18:45,480

He will be able to bathe himself in this great light and thereby preserve his physical structure throughout the centuries.

72

00:18:48,480 --> 00:18:59,480

He will learn how to a cause procreation of without a physical contact.

73

00:19:00,480 --> 00:19:05,480

He will learn how to communicate with all the world.

74

00:19:05,480 --> 00:19:09,480

He will concom all space.

75

00:19:10,480 --> 00:19:16,480

He will be taken to the farings of the galaxy.

76

00:19:17,480 --> 00:19:23,480

Many and varied will be his experiences.

77

00:19:24,480 --> 00:19:42,480

He will gradually spread throughout the hill of space finding out for himself its great mystery of solving a these.

78

00:19:43,480 --> 00:19:56,480

A mystery is understanding and living by the great laws.

79

00:19:57,480 --> 00:20:03,480

In these days he will be evolved above all war.

80

00:20:03,480 --> 00:20:10,480

All thoughts of materialistic gain will be foreign to him.

81

00:20:12,480 --> 00:20:18,480

He will be evolved above all noon of political systems.

82

00:20:19,480 --> 00:20:41,480

He will be evolved above the use of his petty free will and he will be given the key to the great portal of total freedom.

83

00:20:42,480 --> 00:20:48,480

This is a new world.

84

00:20:49,480 --> 00:20:55,480

This is a picture of the new age as it will be.

85

00:20:58,480 --> 00:21:05,480

There is not a force in all the worlds which can alter this.

86

00:21:06,480 --> 00:21:11,480

Which can put one blemish upon it.

87

00:21:11,480 --> 00:21:17,480

Not even the foolishness of mankind.

88

00:21:21,480 --> 00:21:32,480

For those who turn away from their present opportunities to enter this new age.

89

00:21:32,480 --> 00:21:37,480

To reside upon this new world.

90

00:21:37,480 --> 00:21:42,480

There will be rebirth upon a younger planet.

91

00:21:42,480 --> 00:21:56,480

And a history similar to that which mankind has already experienced.

92

00:22:03,480 --> 00:22:07,480

Aeons ago when.

93

00:22:13,480 --> 00:22:21,480

The life streams now manifesting is to vestual men.

94

00:22:22,480 --> 00:22:27,480

At chose a free will.

95

00:22:31,480 --> 00:22:40,480

They also brought upon themselves a certain set of experiences.

96

00:22:40,480 --> 00:22:50,480

These experiences must be lived through to their full extent.

97

00:22:53,480 --> 00:22:59,480

England you may now choose.

98

00:23:00,480 --> 00:23:14,480

Choose whether you will play your rightful part in one of the most significant pieces of land.

99

00:23:14,480 --> 00:23:23,480

And a piece of land by the way which will of course not be flooded in the new world.

100

00:23:23,480 --> 00:23:31,480

As will other pieces of land now upon the surface of your earth.

101

00:23:34,480 --> 00:23:42,480

Or you may choose to be reborn upon a younger planet.

102

00:23:43,480 --> 00:24:01,480

And give through your histories again until you will be faced in some future time with this present situation.

103

00:24:02,480 --> 00:24:12,480

At chose now for you are the only one who can choose.

104

00:24:12,480 --> 00:24:17,480

No one can force you.

105

00:24:17,480 --> 00:24:20,480

No one can dictate to you.

106

00:24:20,480 --> 00:24:25,480

Save your higher self.

107

00:24:26,480 --> 00:24:32,480

Allow this higher self to guide you.

108

00:24:32,480 --> 00:24:44,480

The mental physical being through the portal to the new world.

109

00:24:46,480 --> 00:24:49,480

And you will be wise.

110

00:24:49,480 --> 00:24:59,480

Before I vacate a transmission of it.

111

00:24:59,480 --> 00:25:04,480

I will give you all the benefit of my invocation.

112

00:25:09,480 --> 00:25:15,480

Such is the vital importance of the message this evening.

113

00:25:16,480 --> 00:25:26,480

That there will be no other transmission of following.

114

00:25:26,480 --> 00:25:37,480

Therefore if you would neon in name name to zero fit.

115

00:25:38,480 --> 00:25:40,480

In the fear and suspect.

116

00:25:40,480 --> 00:25:43,480

Nero six.

117

00:25:43,480 --> 00:25:47,480

I will receive this.

118

00:25:52,480 --> 00:25:57,480

If you would be of assistance.

119

00:25:57,480 --> 00:26:06,480

To yourselves then avail yourself of this.

120

00:26:06,480 --> 00:26:09,480

In the vacation.

121

00:26:09,480 --> 00:26:10,480

Now.

122

00:26:10,480 --> 00:26:16,480

I first thought by thinking through yourself.

123

00:26:16,480 --> 00:26:21,480

A great pilot flame.

124

00:26:21,480 --> 00:26:23,480

Allow it to come through you.

125

00:26:23,480 --> 00:26:30,480

Do you feel it up at all just allow it to pass through you.

126

00:26:30,480 --> 00:26:33,480

Do you force just allow.

127

00:26:33,480 --> 00:26:36,480

This is the key word.

128

00:26:36,480 --> 00:26:40,480

Allow this pilot flame then to impregnate you.

129

00:26:40,480 --> 00:26:45,480

Great vibrant all living.

130

00:26:45,480 --> 00:26:51,480

Flame which comes from the very heart of the Lagos of your planet.

131

00:26:51,480 --> 00:26:59,480

Allow it to flow through you unimpeded right through your feet up to the heart center.

132

00:26:59,480 --> 00:27:04,480

Allow the transmuting flame.

133

00:27:04,480 --> 00:27:10,480

Which in your color would be referred to as white.

134

00:27:10,480 --> 00:27:17,480

To travel through your brain tissue through the neck right down to the heart center.

135

00:27:17,480 --> 00:27:21,480

White vibrant living.

136

00:27:21,480 --> 00:27:28,480

Very flame of life itself allow this to come down and impregnate you.

137

00:27:30,480 --> 00:27:31,480

Now then.

138

00:27:31,480 --> 00:27:36,480

You may all be made together the two forces.

139

00:27:36,480 --> 00:27:45,480

The violet flame and the white flame and raise these up above the top of your heads.

140

00:27:45,480 --> 00:27:49,480

Into the.

141

00:27:49,480 --> 00:27:54,480

Into the golden sphere.

142

00:27:54,480 --> 00:27:57,480

And when I give the invocation.

143

00:27:57,480 --> 00:27:59,480

Dear friends.

144

00:27:59,480 --> 00:28:03,480

Allow the great all pervasive.

145

00:28:03,480 --> 00:28:12,480

Guild and flame of complete spiritual transmutation to play you unimpeded.

146

00:28:12,480 --> 00:28:16,480

A through you.

147

00:28:16,480 --> 00:28:20,480

This is the practice which.

148

00:28:20,480 --> 00:28:23,480

Coupled with your right action.

149

00:28:23,480 --> 00:28:27,480

Will help you to be ready for.

150

00:28:27,480 --> 00:28:31,480

The new world.

151

00:28:36,480 --> 00:28:41,480

I in view.

152

00:28:41,480 --> 00:28:52,480

The path from the masters of the sun in sit and this very moment.

153

00:28:54,480 --> 00:28:56,480

May this power.

154

00:28:56,480 --> 00:29:00,480

A fall upon the heads.

155

00:29:00,480 --> 00:29:05,480

Of terrestrial men this very moment.

156

00:29:05,480 --> 00:29:08,480

See that he may know.

157

00:29:08,480 --> 00:29:11,480

That God.

158

00:29:11,480 --> 00:29:12,480

Twels.

159

00:29:12,480 --> 00:29:17,480

Silently.

160

00:29:17,480 --> 00:29:22,480

Within him.

161

00:29:22,480 --> 00:29:27,480

Thank you for your kind attention.

162

00:29:27,480 --> 00:29:29,480

Think well.

163

00:29:29,480 --> 00:29:33,480

On what was said.

164

00:29:33,480 --> 00:29:36,480

Act upon it.

165

00:29:36,480 --> 00:29:40,480

If you would enjoy.

166

00:29:40,480 --> 00:29:42,480

The new world.

167

00:29:42,480 --> 00:29:43,480

Good night.
