

1

00:00:00,000 --> 00:00:09,860

I am powered mentioned. The following statements which I shall make are true facts that can

2

00:00:09,860 --> 00:00:17,100

and will be verified at the proper time. The music that has been recorded on the reverse

3

00:00:17,100 --> 00:00:26,100

side of this record has come to me from outer space. I have been instructed by a person

4

00:00:26,100 --> 00:00:33,860

from another planet to bring this music to the attention of the people on this earth.

5

00:00:33,860 --> 00:00:42,340

I have had direct contact with people from other planets and have spoken with them on

6

00:00:42,340 --> 00:00:51,100

many occasions. I have ridden in their spaceships. They have taken me to their planets and brought

7

00:00:51,100 --> 00:00:59,700

me back to earth again several times. I have seen how they live, what they wear, what they

8

00:00:59,700 --> 00:01:14,140

eat, and how they look. They are friendly people and are by far more advanced spiritually

9

00:01:14,140 --> 00:01:23,780

and physically than the people of this planet. At the present time they are observing us.

10

00:01:23,780 --> 00:01:32,200

They wish to help us, to help ourselves, to attain a higher understanding of life and

11

00:01:32,200 --> 00:01:40,540

its meaning. Many people from this earth have already seen some of their spacecraft, which

12

00:01:40,540 --> 00:01:50,820

they call flying saucers, and other flying objects which they cannot describe. These objects

13

00:01:50,820 --> 00:02:00,060

are real and are spacecraft from other planets. There are people in them and many of them have

14

00:02:00,060 --> 00:02:09,700

already landed on this earth. They are now in our midst, mingling with you and observing you

15

00:02:09,740 --> 00:02:19,300

without your knowledge. As I have said before, they are only here to help you. They are peace-loving

16

00:02:19,300 --> 00:02:29,180

people and worship the same infinite Creator that we do. This shall all be proven at the proper

17

00:02:29,180 --> 00:02:37,940

time. Now, getting back to the music that has come to me from another planet. One day while

18

00:02:38,180 --> 00:02:45,700

driving alone in my car, I suddenly noticed that I had no control of the car whatsoever. I kept

19

00:02:45,700 --> 00:02:52,780

riding for miles through the countryside under the direction of a higher intelligence. I knew

20

00:02:52,780 --> 00:03:02,380

that my car and I were being assisted by someone from outer space. I did not know where I was

21

00:03:02,420 --> 00:03:13,180

being taken. When I finally came to a stop, I saw an old cabin in the woods. It was the only

22

00:03:13,180 --> 00:03:20,820

cabin in sight from miles around, secluded and obscure. While I was standing outside the cabin,

23

00:03:20,820 --> 00:03:28,940

I heard the strains of music from a piano being played from within the cabin. I was entranced.

24

00:03:29,940 --> 00:03:36,460

I walked in and there sitting at the piano and playing was a man who later introduced himself

25

00:03:36,460 --> 00:03:46,900

as someone from the planet Saturn. I looked at the piano and saw that it was entirely different

26

00:03:46,900 --> 00:03:56,340

from our conventional pianos. The instrument was much lower and closer to the floor and the

keyboard

27

00:03:56,340 --> 00:04:03,140

was much longer and contained many more keys than our piano keyboard. The keys had strange

28

00:04:03,140 --> 00:04:11,100

markings on them which I did not understand. I heard the music played only once and yet it

29

00:04:11,100 --> 00:04:20,060

remained in my mind as if I knew it before. I was then told by this man to play this music on a

30

00:04:20,140 --> 00:04:29,220

piano and bring to the attention of the people here on earth. I never before knew how to play

31

00:04:29,220 --> 00:04:36,340

the piano and yet it seems that some strange force guides my fingers to play the music that I

32

00:04:36,340 --> 00:04:44,180

heard in the cabin. I stayed with the man who said he was from Saturn and with the two other

33

00:04:44,220 --> 00:04:50,660

wonderful men who said they were from Venus. I stayed with them through the early morning hours.

34

00:04:50,660 --> 00:04:59,100

There were other fascinating instruments and gadgets in the cabin. I asked many questions

35

00:04:59,100 --> 00:05:08,020

which were answered some of which will be revealed in my book. Before turning this record over you

36

00:05:08,020 --> 00:05:16,380

will hear two selections. The first selection entitled Marla she is the young lady pictured with

37

00:05:16,380 --> 00:05:22,980

me on the album cover. She is the sister of the beautiful blonde Venusian who spoke to me many

38

00:05:22,980 --> 00:05:31,340

years ago who was my first contact from outer space. The whole story will be found in the books

39

00:05:31,500 --> 00:05:42,020

entitled From Outer Space to You written by me and My Satternian Love written by Miss Marla Baxter.

40

00:05:42,020 --> 00:05:50,180

The second selection is called The Theme from the Song from Saturn. These two selections are

41

00:05:50,180 --> 00:05:57,940

interpretations taken from the actual music that has come to me from another planet. You will

42

00:05:57,940 --> 00:06:04,460

now hear Marla followed by The Theme from the Song from Saturn.

43

00:11:27,940 --> 00:11:47,540

You may now turn the record over and listen to the song from Saturn as it is played by me while

44

00:11:47,540 --> 00:11:55,500

my fingers are guided by this strange force. I have also been instructed to tell the people that

45

00:11:55,700 --> 00:12:06,140

those hearing this music would get a feeling, would reach an awareness. It would act as a

46

00:12:06,140 --> 00:12:12,860

mental assist to release something from their subconscious and they would react in their

47

00:12:12,860 --> 00:12:19,740

conscious state with understanding and spiritual love for each other, thought mankind on this

48

00:12:19,740 --> 00:12:28,060

planet Earth. Now you may listen to the song from Saturn. Thank you.
