

1

00:00:00,000 --> 00:00:08,800

I, my name is William Ferguson and I'm known as the man who has been to Mars.

2

00:00:08,800 --> 00:00:17,360

This is the 18th anniversary of a great event in my life.

3

00:00:17,360 --> 00:00:23,040

Great events are occurring in the atmosphere of our planet and greater events will occur

4

00:00:23,040 --> 00:00:29,920

during the next two years in particular because of the advent of the Martians, the Nusians,

5

00:00:30,160 --> 00:00:34,800

and now the Jovians who have interest in our development.

6

00:00:35,440 --> 00:00:41,920

I visited Mars in January 1947 and was given a message to the earth's people.

7

00:00:42,720 --> 00:00:49,760

The Martians told me that I was the first earth man they had ever been able to take to Mars.

8

00:00:50,400 --> 00:00:53,840

There was great rejoicing on Mars at that time.

9

00:00:54,240 --> 00:01:02,560

I was taken to Mars and returned to the earth via the method and environment in which the Martians

10

00:01:02,560 --> 00:01:06,480

function, namely the fourth dimension.

11

00:01:07,760 --> 00:01:19,840

My three-dimensional body was raised into four dimensions and transported or teleported to Mars.

12

00:01:20,240 --> 00:01:28,240

This great feat of interplanetary and interdimensional travel was made possible

13

00:01:28,880 --> 00:01:35,360

through the activated principle of unophysics of which the Martians are adepts.

14

00:01:36,560 --> 00:01:43,280

The entire project was created by Kawa, the chief unophysicist of our solar system,

15

00:01:43,920 --> 00:01:47,040

who is a member of the Holy Triune.

16

00:01:47,840 --> 00:01:55,840

The detailed work was accomplished by the unophysicist of Mars working with the plan outlined by Kawa.

17

00:01:57,840 --> 00:02:05,840

There has been a great cosmic plan concerning the planet earth functioning during the past 11,000 years.

18

00:02:05,840 --> 00:02:09,840

The finale of that plan is upon us now.

19

00:02:10,400 --> 00:02:18,400

The message I was given to give to the earth people explains the why and the wherefore of that plan.

20

00:02:18,400 --> 00:02:24,800

The most controversial questions and problems which have plagued the earth people

21

00:02:26,800 --> 00:02:36,800

can now be answered and solved with the wisdom given to me by these very human but immortal beings.

22

00:02:37,040 --> 00:02:43,040

I feel very humbled to have been chosen for so great a mission.

23

00:02:43,040 --> 00:02:49,040

The responsibility is great, the ridicule has been outstanding,

24

00:02:49,040 --> 00:02:58,160

but help has been given constantly since 1947 by the appearance in our atmosphere of the visitors from

25

00:02:58,160 --> 00:03:04,240

Mars, Venus and Jupiter to substantiate the details of the message given to me.

26

00:03:04,640 --> 00:03:14,640

In February of 1954 I spent five hours aboard a Venusian flying saucer and was briefed in great length

27

00:03:14,640 --> 00:03:22,640

by the Holy Garks of Venus concerning the part they are playing in this great drama concerning the planet earth,

28

00:03:22,640 --> 00:03:24,640

according to cosmic plan.

29

00:03:24,640 --> 00:03:30,640

I was told to give the message in detail by a word of mouth wherever possible

30

00:03:31,440 --> 00:03:39,440

and to have transcripts made and later on to make the transcripts available to all the people of the earth.

31

00:03:39,440 --> 00:03:43,440

This is all being accomplished at the present.

32

00:03:43,440 --> 00:03:51,440

The first public message was given September 27, 1954 and at least one message each week has been given since that date.

33

00:03:51,440 --> 00:03:57,440

The Martians and Venusians, the first of whom are the people of the earth,

34

00:03:58,240 --> 00:04:04,240

the Martians and Venusian exist in their evolved reality,

35

00:04:04,240 --> 00:04:14,240

a state of four dimensions, four frequencies, which is our next evolutionary step.

36

00:04:14,240 --> 00:04:18,240

They are helping us to bring that about.

37

00:04:18,240 --> 00:04:26,240

They not only told me how that would take place, but gave me means and methods to pass on to all people,

38

00:04:27,040 --> 00:04:33,040

to help them to attain the status necessary for the big step.

39

00:04:35,040 --> 00:04:45,040

I have personally been functioning inter-dimensionally since July the 9th, 1938.

40

00:04:45,040 --> 00:04:51,040

And that was why as the Martians and later the Venusians told me,

41

00:04:51,840 --> 00:04:57,840

for this work as a messenger and representative of our solar system,

42

00:04:57,840 --> 00:05:05,840

the beauties and wonders of Martian life is indescribably beautiful.

43

00:05:05,840 --> 00:05:09,840

There is no death, no pain, no hate, no war.

44

00:05:09,840 --> 00:05:15,840

There is love, harmony, peace, joy, and happiness.

45

00:05:16,640 --> 00:05:24,640

The Martians have living areas which are completely enclosed in magnetic light fields.

46

00:05:24,640 --> 00:05:30,640

These enclosures are mistakenly referred to at times by our astronomers as canals.

47

00:05:30,640 --> 00:05:36,640

Beyond the confines of the gravitational orbit of a planet,

48

00:05:36,640 --> 00:05:40,640

the photo land sees in four dimensions.

49

00:05:41,440 --> 00:05:45,440

Beyond this orbit, time ceases to exist as we know it.

50

00:05:45,440 --> 00:05:51,440

Reality begins here, which is four-dimensional.

51

00:05:51,440 --> 00:05:57,440

Time is now consciousness, and space is the movement of consciousness.

52

00:05:57,440 --> 00:06:03,440

The present race of Martians have not reached a perfected status yet,

53

00:06:03,440 --> 00:06:07,440

but they are immortals working toward perfection.

54

00:06:08,240 --> 00:06:12,240

They are able to function in three dimensions when they so desire.

55

00:06:12,240 --> 00:06:20,240

They merely project matter of their reality and thereby become visible to us.

56

00:06:20,240 --> 00:06:26,240

Because as you will see, we are the projected matter of our reality.

57

00:06:26,240 --> 00:06:32,240

The only difference between us and the Martians is we don't know it.

58

00:06:32,640 --> 00:06:36,640

And as a rule, we will not understand it when it is pointed out to us.

59

00:06:36,640 --> 00:06:44,640

Even though we have not known it, we coexist in three and four dimensions.

60

00:06:44,640 --> 00:06:48,640

And in our case, the accent has been the three,

61

00:06:48,640 --> 00:06:54,640

because we have been deluded into denying the existence of the fourth.

62

00:06:55,040 --> 00:07:01,040

The four in four dimensions, there is no language barrier.

63

00:07:01,040 --> 00:07:07,040

There is a transcription of consciousness ahead of any spoken word,

64

00:07:07,040 --> 00:07:11,040

which makes all languages understood.

65

00:07:11,040 --> 00:07:15,040

Therefore, all tongues become the universal language.

66

00:07:15,040 --> 00:07:21,040

The Martians taught me how to apply unophysics, principles, and laws

67

00:07:21,440 --> 00:07:27,440

into matter projections in three dimensions, which will surely bring about the amount of

68

00:07:27,440 --> 00:07:33,440

unnecessary to break the dimensional barrier which has held the earth's man enslaved to

69

00:07:33,440 --> 00:07:35,440

three-dimensional matter.

70

00:07:35,440 --> 00:07:39,440

This very thing is being accomplished every day at this time.

71

00:07:41,040 --> 00:07:49,440

Some of the information I have received cannot be printed because of the very evil creatures

72

00:07:49,840 --> 00:07:53,840

of this planet who would obstruct the transformation of the great plan.

73

00:07:53,840 --> 00:08:01,840

However, any and all the good ones of the planet earth will be given every iota of all I have been given,

74

00:08:01,840 --> 00:08:07,840

if they so desire, and will talk to me personally.

75

00:08:07,840 --> 00:08:09,840

I am available.

76

00:08:14,840 --> 00:08:16,840

Well, thank you very much, Mr. Ferguson.

77

00:08:17,240 --> 00:08:23,240

Your story was quite interesting, and while I am fairly new to the UFO investigation field,

78

00:08:23,240 --> 00:08:27,240

there are several questions I would like to ask you about your experiences.

79

00:08:27,240 --> 00:08:34,240

You mentioned that, I believe you took your first trip or your first contact was in 1947, is that correct?

80

00:08:34,240 --> 00:08:40,240

No, that was the time I went to Mars in 1947.

81

00:08:40,640 --> 00:08:52,640

My first contact with space people or with space experience was July the 9th, 1938.

82

00:08:52,640 --> 00:08:56,640

Well, then you have been in this field quite a while, researching along these lines.

83

00:08:56,640 --> 00:08:58,640

Yes, sir.

84

00:09:10,640 --> 00:09:21,640

If we were to explain it in our terminology, would be the physics that has to do with the entire universe,

85

00:09:21,640 --> 00:09:24,640

or the entire cosmos.

86

00:09:24,640 --> 00:09:35,640

Physics, as we understand it, or science, as we understand it, is a search for truth.

87

00:09:36,040 --> 00:09:39,040

The universe is the finding of truth.

88

00:09:39,040 --> 00:09:44,040

Now, it isn't quite clear to me whether your experience has been an objective experience,

89

00:09:44,040 --> 00:09:46,040

or a subjective experience.

90

00:09:46,040 --> 00:09:48,040

Would you mind clarifying that a little?

91

00:09:48,040 --> 00:09:53,040

Every one of my experiences have been objective.

92

00:09:53,040 --> 00:10:01,040

You speak of this process of, I don't know whether or not I am using the correct term,

93

00:10:01,440 --> 00:10:05,440

transportation or where you are teleportation.

94

00:10:05,440 --> 00:10:12,440

And that's where the molecular components of your body are transferred from one spot to another.

95

00:10:12,440 --> 00:10:14,440

Is that correct or not?

96

00:10:14,440 --> 00:10:21,440

Yes, first, they are first chains, that is the frequency is changed, the actual structure.

97

00:10:21,440 --> 00:10:30,440

The atomic structure of my body is changed from a three-dimensional frequency to a four-dimensional frequency.

98

00:10:30,840 --> 00:10:44,840

And then, after that has taken place, then I am teleported through space in my four-dimensional frequency.

99

00:10:44,840 --> 00:10:50,840

Then I would be returned, which has been the case hundreds of times,

100

00:10:50,840 --> 00:10:56,840

I would be returned to the Earth's four-dimensional frequency.

101

00:10:57,240 --> 00:11:05,240

And then, the change into three-dimensional frequency takes place.

102

00:11:05,240 --> 00:11:08,240

Well, what does this phenomenon take place?

103

00:11:08,240 --> 00:11:15,240

I mean, you leave here and you arrive at another place, do you have to prepare yourself physically or mentally or spiritually for the process?

104

00:11:15,240 --> 00:11:23,240

The only preparation that is necessary, the only preparation that has been necessary for me,

105

00:11:23,640 --> 00:11:31,640

has been to relax and to be completely neutral and not to have fear.

106

00:11:31,640 --> 00:11:37,640

The process of teleportation is an awesome thing.

107

00:11:37,640 --> 00:11:42,640

And if one was not prepared for it, they would be frightened out of their wits.

108

00:11:42,640 --> 00:11:52,640

Because if you can, as you feel yourself being completely taken apart, so to speak,

109

00:11:53,040 --> 00:11:58,040

and if you didn't know what was taking place or if you hadn't had preparation for it,

110

00:11:58,040 --> 00:12:00,040

you would become very frightened.

111

00:12:00,040 --> 00:12:09,040

And in all probability, it wouldn't be attempted with anyone who had not had great preparation.

112

00:12:09,040 --> 00:12:17,040

Because even before July the 9th, 1938, I had been an expert at relaxation,

113

00:12:17,440 --> 00:12:27,440

and I taught relaxation, and I had written a book which will teach people how to relax

114

00:12:27,440 --> 00:12:31,440

and the title of that book is Relax First.

115

00:12:31,440 --> 00:12:44,440

And many thousands of people have practiced that technique and today some of my students have had teleportation.

116

00:12:44,840 --> 00:12:48,840

Just a few more questions along this same line.

117

00:12:48,840 --> 00:12:52,840

Do you know in advance that this type of thing is going to take place?

118

00:12:52,840 --> 00:12:57,840

Are you told that it's going to take place or do you just choose any arbitrary time that you want?

119

00:12:57,840 --> 00:13:01,840

I do not choose any time that this takes place.

120

00:13:01,840 --> 00:13:11,840

The actual teleportation is engineered by celestial beings, and in my case it is K■tava.

121

00:13:12,240 --> 00:13:16,240

In other words, he gets in touch with you for some reason.

122

00:13:16,240 --> 00:13:20,240

Yes, he causes the teleportation to take place.

123

00:13:20,240 --> 00:13:26,240

I can tell when it is about to take place. I am relaxed, I am quiet, I am peaceful.

124

00:13:26,240 --> 00:13:34,240

And it starts like a current of energy of great power.

125

00:13:34,240 --> 00:13:40,240

It starts in the solar plexus and I feel it go from the solar plexus up to the top of my head

126

00:13:40,640 --> 00:13:47,640

and it increases in temple and it increases faster and faster and faster and finally it goes so fast

127

00:13:47,640 --> 00:13:53,640

that the actual change has begun.

128

00:13:53,640 --> 00:13:57,640

And I am fully conscious and I do not lose consciousness.

129

00:13:57,640 --> 00:14:01,640

I remember everything, that is why it is completely objective.

130

00:14:01,640 --> 00:14:08,640

And I know when it has become final,

131

00:14:09,040 --> 00:14:13,040

that is the teleportation is taking the change has become final.

132

00:14:13,040 --> 00:14:17,040

And then as far as my part is concerned,

133

00:14:17,040 --> 00:14:24,040

is wondering, well now which planet am I going to or where am I going to in the universe at this particular time?

134

00:14:24,040 --> 00:14:29,040

Because it is not something that I have arranged.

135

00:14:29,040 --> 00:14:36,040

I have been an instrument and without fear, permit.

136

00:14:39,040 --> 00:14:47,040

Kagawa to take me and show me and enlighten me on whatever he decides is good.

137

00:14:47,040 --> 00:14:59,040

Because each and every experience of this nature I have had has been informative for all the peoples of the planet Earth.

138

00:14:59,040 --> 00:15:04,040

One other question along that particular phenomena.

139

00:15:04,440 --> 00:15:11,440

Is anyone else allowed to be present and to be in your vicinity when this takes place or are you supposed to be alone?

140

00:15:13,440 --> 00:15:21,440

It has taken place and members of my family have been around.

141

00:15:21,440 --> 00:15:32,440

And if they are, when it does take place, they do not see me because I become invisible.

142

00:15:32,840 --> 00:15:41,840

This has never taken place with strangers to the best of my knowledge.

143

00:15:41,840 --> 00:15:45,840

If anyone was observing me at the time,

144

00:15:45,840 --> 00:15:52,840

then I have walked around my home after I have been teleported to four dimensions,

145

00:15:52,840 --> 00:15:56,840

passed my hands through members of my family,

146

00:15:57,240 --> 00:16:01,240

and I have walked through their body, attempted to talk to them.

147

00:16:01,240 --> 00:16:05,240

I was completely inaudible and invisible to them.

148

00:16:05,240 --> 00:16:09,240

And in the meantime, your physical three-dimensional body had disappeared?

149

00:16:09,240 --> 00:16:10,240

Yes.

150

00:16:10,240 --> 00:16:15,240

Both to your side and to anyone left in the vicinity of which you departed?

151

00:16:15,240 --> 00:16:16,240

Yes.

152

00:16:16,240 --> 00:16:21,240

I have often, we hear people say,

153

00:16:21,640 --> 00:16:24,640

I left my body or I was separated from my body.

154

00:16:24,640 --> 00:16:26,640

In my case, that has never been.

155

00:16:26,640 --> 00:16:29,640

I have never seen my body.

156

00:16:29,640 --> 00:16:31,640

My body has always been with me.

157

00:16:31,640 --> 00:16:39,640

I have looked at the place where my body was previous and there was nothing there because I was here.

158

00:16:39,640 --> 00:16:44,640

Also, imagine whatever clothing you were wearing at that time is also teleported with you.

159

00:16:44,640 --> 00:16:45,640

Yes.

160

00:16:45,640 --> 00:16:47,640

Yes, that is.

161

00:16:48,040 --> 00:16:58,040

Now, have you actually, then is it my understanding that you have or have not traveled in spaceships or flying saucers per se?

162

00:16:58,040 --> 00:17:02,040

No, I have not traveled in spaceships or flying saucers.

163

00:17:04,040 --> 00:17:09,040

Now, you mentioned that this first experience was in July the 9th, 1938, is that correct?

164

00:17:09,040 --> 00:17:10,040

Yes, sir.

165

00:17:10,440 --> 00:17:18,440

And once again, I don't remember how to pronounce the, and it is named the Jew.

166

00:17:18,440 --> 00:17:19,440

Kogwa.

167

00:17:19,440 --> 00:17:23,440

It is spelled K-H-A-U-G-A.

168

00:17:23,440 --> 00:17:25,440

And it is pronounced Kogwa.

169

00:17:25,440 --> 00:17:27,440

And he is from what?

170

00:17:27,440 --> 00:17:28,440

The place?

171

00:17:28,440 --> 00:17:30,440

He is from the Holy Triune.

172

00:17:32,440 --> 00:17:37,440

Now, he's also known as the Spirit of Truth.

173

00:17:37,840 --> 00:17:46,840

Have your experiences been confined to this planetary system or have you been allowed to observe anything outside of this solar system?

174

00:17:46,840 --> 00:17:51,840

I have observed much outside of this solar system.

175

00:17:51,840 --> 00:17:55,840

I have observed creation in action.

176

00:17:55,840 --> 00:18:02,840

I have looked and gazed upon what some people might call the ever living.

177

00:18:03,240 --> 00:18:08,240

Other people call the Almighty.

178

00:18:08,240 --> 00:18:17,240

And I would tell you now exactly what they look like because there's two of them.

179

00:18:17,240 --> 00:18:20,240

And yet they are one.

180

00:18:20,240 --> 00:18:30,240

There is a sphere of pure intelligent energy completely surrounded by a cube of pure substance.

181

00:18:30,640 --> 00:18:39,640

That is the heart, the center of the ever living, of the Almighty.

182

00:18:39,640 --> 00:18:44,640

And everything that has been created is part of their created body.

183

00:18:44,640 --> 00:18:56,640

And that which has not been created or the uncreated part of the cosmos is part of their body.

184

00:18:57,040 --> 00:19:03,040

But it is that part of their body which has not been expressed as yet.

185

00:19:03,040 --> 00:19:13,040

Does this have anything to do with a theory that was postulated recently about the possibility of the sun having a cube as a center?

186

00:19:13,040 --> 00:19:16,040

Is there any relationship between this?

187

00:19:16,040 --> 00:19:26,040

Well, there might be some relationship because of course in the Uniphysics we teach now.

188

00:19:26,440 --> 00:19:37,440

I teach the Uniphysics as it was given to me by Kogwa and many details by the Martians and other celestial beings.

189

00:19:37,440 --> 00:19:51,440

That the very building blocks of the cosmos are cubes with spheres inside of the cubes.

190

00:19:51,840 --> 00:19:56,840

In fact that is exactly what an atom looks like.

191

00:19:56,840 --> 00:20:01,840

The atom is the microcosm.

192

00:20:01,840 --> 00:20:08,840

It is the actual building block of the creators.

193

00:20:09,240 --> 00:20:29,240

It is completely and totally fills all of the created and uncreated parts of the body of the cosmos.

194

00:20:29,640 --> 00:20:34,640

Mr. Ferguson, I was wondering about a last time while you were away.

195

00:20:34,640 --> 00:20:40,640

Were you conscious of how long were you away as we measure time on this earth?

196

00:20:40,640 --> 00:20:57,640

As we measure time the various experiences have been from I would say one half hour to as long as two and one half hours.

197

00:20:59,640 --> 00:21:16,640

Of course time is different in four dimensions or five dimensions or six or seven than it is in three.

198

00:21:16,640 --> 00:21:25,640

Another great truth of Uniphysics is that time is consciousness.

199

00:21:26,040 --> 00:21:30,040

Space is the movement of consciousness.

200

00:21:30,040 --> 00:21:36,040

That is your space, time or time space continuum.

201

00:21:36,040 --> 00:21:40,040

Let the Einstein theory do the same.

202

00:21:40,040 --> 00:21:46,040

Isn't that Mr. Einstein's theory, relativity, time and space?

203

00:21:46,040 --> 00:21:54,040

Well there is a Mr. Einstein postulate theory but it's not exactly the same as this.

204

00:21:54,440 --> 00:22:13,440

I wouldn't take anything away from Mr. Einstein or I wouldn't expect Mr. Einstein to subtract from the theory of Uniphysics that was given to me by Kogwa.

205

00:22:13,440 --> 00:22:23,440

At this point I think that most of us present here would like to have a discussion open to a general discussion of flying saucers per se.

206

00:22:23,840 --> 00:22:26,840

Is that agreeable to you to talk about flying saucers in general?

207

00:22:26,840 --> 00:22:33,840

The phenomena and the different viewpoints that those interested in this have on the subject.

208

00:22:33,840 --> 00:22:37,840

Any questions that started off on it?

209

00:22:37,840 --> 00:22:39,840

Well I'll start it off.

210

00:22:39,840 --> 00:22:45,840

I seem to be monopolized in the conversation but someone is needed to sort of monitor the discourse.

211

00:22:46,240 --> 00:22:57,240

Mr. Furksen, do you anticipate any increase in flying saucers this year, 1956 or any time thereafter?

212

00:22:57,240 --> 00:23:08,240

Yes, the sightings will increase in this year in particular in September.

213

00:23:08,640 --> 00:23:22,640

Now of course I am certain that at the present time there's not going to be a mass landing of flying saucers.

214

00:23:22,640 --> 00:23:33,640

Because I have been told by the space people and I have been functioning in their frequency and have talked to them face to face.

215

00:23:34,040 --> 00:23:46,040

That their purpose is to acquaint the people of this planet with the idea that they are not alone.

216

00:23:46,040 --> 00:24:00,040

That there are other beings in the cosmos and other planets are inhabited, other systems are inhabited outside the Earth.

217

00:24:00,440 --> 00:24:04,440

Now that is one reason for them appearing.

218

00:24:04,440 --> 00:24:29,440

Another reason for them appearing is to help us in any way that they can to bring about a decontamination of the negative energy particles of which there are three kinds.

219

00:24:29,840 --> 00:24:44,840

In the atmosphere of the Earth, one is the physical particles of contamination, another is the mental particles of contamination,

220

00:24:44,840 --> 00:24:50,840

and the others are the spiritual particles of contamination.

221

00:24:51,240 --> 00:24:59,240

Now the physical contamination, of course everyone is familiar with that today.

222

00:24:59,240 --> 00:25:03,240

It is the talk of the world at this date.

223

00:25:03,240 --> 00:25:09,240

There's great controversy about the amount of the physical contamination.

224

00:25:09,640 --> 00:25:23,640

The mental contamination has to do with the thought, the wrong thinking, the negative thinking of so many people,

225

00:25:23,640 --> 00:25:27,640

and thoughts are things, actual particles.

226

00:25:28,040 --> 00:25:40,040

And you might summarize all of the things having to do with particles in an electronic sense.

227

00:25:40,040 --> 00:25:57,040

Although, electronic says we know them, are coarse and slow as compared to the electronics of the mentality,

228

00:25:57,440 --> 00:26:03,440

and of the emotion, of the spiritual aspect of the contamination, of course, is in the emotions.

229

00:26:03,440 --> 00:26:14,440

Negative emotions, the great amount of tension, emotional tension, which is still very rampant in the world today.

230

00:26:16,440 --> 00:26:22,440

Each time that is indulged in, a negative emotion is indulged in,

231

00:26:22,840 --> 00:26:37,840

and there is particles of negative particles or negative spiritual particles that are released into the atmosphere.

232

00:26:38,240 --> 00:26:59,240

Now, the Martians in particular have been helping to decontaminate the planet of the physical contamination.

233

00:26:59,240 --> 00:27:05,240

And most of them are familiar with angels hair.

234

00:27:05,640 --> 00:27:16,640

Well, angels hair is just some of the stuff that the Martians have released into our atmosphere in order to decontaminate it.

235

00:27:16,640 --> 00:27:31,640

And after the decontamination has taken place, of course, the negative particles that has been clung on,

236

00:27:32,040 --> 00:27:39,040

or become a part of the angels hair is disintegrated.

237

00:27:39,040 --> 00:27:46,040

That's why when an angel's hair is cut store, if you leave it alone, it completely disintegrates.

238

00:27:46,040 --> 00:27:51,040

But that is what the angels hair is, and that is the purpose of that.

239

00:27:51,440 --> 00:28:04,440

The Martians are taking care of the decontamination of the mental negative particles.

240

00:28:07,440 --> 00:28:16,440

Our Jovian friends are taking care of the spiritual decontamination.

241

00:28:16,440 --> 00:28:18,440

Would you clarify that term again?

242

00:28:18,840 --> 00:28:25,840

The Jovian is one who comes from Jupiter.

243

00:28:29,840 --> 00:28:36,840

You speak of the radiation danger and that's under discussion today by the world's top physicists.

244

00:28:36,840 --> 00:28:43,840

I think they're equally divided. Some say that it has reached a dangerous level. Some say that it has not.

245

00:28:43,840 --> 00:28:47,840

Is that what you had reference to on the physical impurities in the air?

246

00:28:48,240 --> 00:28:53,240

Well, I'm going to leave that as I stated.

247

00:28:53,240 --> 00:29:02,240

Another question. When you have this experience of teleportation to other dimensions and spheres of manifestation,

248

00:29:02,240 --> 00:29:07,240

are you able to actually see or comprehend the other entities?

249

00:29:07,240 --> 00:29:10,240

Do they have a three-dimensional or four-dimensional form?

250

00:29:10,240 --> 00:29:14,240

Can you see it as a form as we know it, almost sapient, or what?

251

00:29:14,640 --> 00:29:21,640

Yes. I have never, in all of my travels throughout the cosmos,

252

00:29:21,640 --> 00:29:29,640

have ever met any entity that looked otherwise than a human being.

253

00:29:29,640 --> 00:29:42,640

In fact, it's quite easy to describe Martian, or Jovian, or Saturnian, or any of the ones that I have come in contact with.

254

00:29:43,040 --> 00:29:54,040

Because there's plenty of them right here on the Earth today that is walking around that we call human beings

255

00:29:54,040 --> 00:29:58,040

that originally came from those planets.

256

00:29:58,040 --> 00:30:09,040

But just because an immortal being is functioning in a four-dimensional frequency

257

00:30:09,440 --> 00:30:16,440

doesn't make them any less real. In fact, they're much more real than the three-dimensional entity,

258

00:30:16,440 --> 00:30:22,440

or much more real than we are as we look at each other at this time.

259

00:30:22,440 --> 00:30:29,440

Because there is a little law of physics which is very understandable,

260

00:30:29,440 --> 00:30:36,440

that whatever is the most solid will pass through that which is the least solid.

261

00:30:36,840 --> 00:30:45,840

And if you remember in part of this interview I said that when I was functioning in a four-dimensional solid

262

00:30:45,840 --> 00:30:48,840

will pass through that which is the least solid.

263

00:30:48,840 --> 00:30:57,840

And if you remember in part of this interview I said that when I was functioning in a four-dimensional frequency

264

00:30:57,840 --> 00:31:02,840

that I could pass through the body of someone in three dimensions.

265

00:31:03,840 --> 00:31:08,840

And that is the reason because I'm more solid and more real.

266

00:31:08,840 --> 00:31:16,840

And after all, the Earth physicists tell us that we are mostly space.

267

00:31:17,840 --> 00:31:21,840

Well, thank you very much Mr. Ferguson for allowing us to make this take.
