

1

00:00:00,000 --> 00:00:09,200

This is Harry McDonald, a member of Pasadena Unit No. 12 of Understanding, Incorporated.

2

00:00:09,200 --> 00:00:14,280

I would like very much to be with you at this moment to tell you something about understanding,

3

00:00:14,280 --> 00:00:21,840

also about Major Wayne Aho, a man who gave the following lecture to the members of Pasadena

4

00:00:21,840 --> 00:00:26,600

Unit, the latter part of September 1960.

5

00:00:26,600 --> 00:00:31,960

We will have to settle for this method to talk to you this time.

6

00:00:31,960 --> 00:00:36,800

Understanding, Incorporated, as some of you already know, was sounded by Dr. Dan Frye

7

00:00:36,800 --> 00:00:46,840

under the guidance of Alan, one of the extraterrestrial beings for the purpose of a better understanding

8

00:00:46,840 --> 00:00:53,960

among all the peoples of the earth and those who are not avert.

9

00:00:53,960 --> 00:00:59,360

To provide true and practical solutions to those great basic problems which presently

10

00:00:59,360 --> 00:01:04,480

threaten the happiness, the welfare, and existence of humanity upon the earth.

11

00:01:04,480 --> 00:01:10,640

To promote and encourage a complete and precise determination of the causes of said problems,

12

00:01:10,640 --> 00:01:16,040

which when achieved leads directly to clear understanding, thereof opening the way to

13

00:01:16,040 --> 00:01:18,360

practical solution.

14

00:01:18,360 --> 00:01:24,200

And to try the total area of mutual agreement in the social sciences today, that is to determine

15

00:01:24,200 --> 00:01:29,880

the total number of basic postulates and tenants designed to guide the behavior of man toward

16

00:01:29,880 --> 00:01:37,520

his fellow man, which are accepted as valued by all races and creeds upon the earth today.

17

00:01:37,520 --> 00:01:43,920

By which process results comparable to phenomenal developments achieved by the same process

18

00:01:43,920 --> 00:01:51,160

long practiced in the field of physical science, may also be achieved and to chart in light

19

00:01:51,160 --> 00:01:56,440

manner the area of worldwide agreement in the spiritual sciences by means of which to

20

00:01:56,440 --> 00:02:02,040

achieve a rapid advance to understanding of the true goal of life and in the practice

21

00:02:02,040 --> 00:02:03,920

of right relationships.

22

00:02:03,920 --> 00:02:09,280

And to engage in scientific and other research study, analysis, and investigations of any

23

00:02:09,280 --> 00:02:14,680

and all things and in any and all fields in an endeavor to obtain new, greater, and

24

00:02:14,680 --> 00:02:16,880

advanced knowledge.

25

00:02:16,880 --> 00:02:22,200

The establishment of truth for all the betterment, improvement, encouragement, and advancement

26

00:02:22,200 --> 00:02:27,720

of mankind and its posterity.

27

00:02:27,720 --> 00:02:33,640

We feel it is not necessary to give up our birthright given to us by God.

28

00:02:33,640 --> 00:02:39,720

We feel that this would be giving away the Christ consciousness, this we can never do.

29

00:02:39,720 --> 00:02:44,280

We know it is not necessary to bow to any man or thing.

30

00:02:44,280 --> 00:02:51,040

We are equally confident that with the help of the God within us and the extraterrestrial

31

00:02:51,040 --> 00:02:57,560

beings coming to us by, if you will, flying saucers, we can do something about these chaotic

32

00:02:57,560 --> 00:03:00,320

conditions.

33

00:03:00,320 --> 00:03:07,400

I will quote an editorial from our November magazine of Understanding by Dr. Frey.

34

00:03:07,400 --> 00:03:08,920

And I quote,

35

00:03:08,920 --> 00:03:11,560

Moving the world.

36

00:03:11,560 --> 00:03:17,360

Many members of organizations which are devoted to the improvement of man's lot and to uplifting

37

00:03:17,360 --> 00:03:22,640

of his consciousness often experience a depressing sense of inadequacy.

38

00:03:22,640 --> 00:03:28,240

It appears that their efforts are of no avail, that the inertia and the apathy of the world

39

00:03:28,280 --> 00:03:33,840

is so tremendous that no individual or group could possibly have any effect upon it.

40

00:03:33,840 --> 00:03:37,920

I have often wondered how many of these people have ever watched a pair of tugboats take

41

00:03:37,920 --> 00:03:40,920

a giant ocean liner out of the harbor.

42

00:03:40,920 --> 00:03:45,840

When the tiny tugs come chugging up to the mammoth bulk of the liner, they appear almost

43

00:03:45,840 --> 00:03:48,600

as two flies approaching an elephant.

44

00:03:48,600 --> 00:03:53,240

It seems almost conceited of the tugs to think that they could ever move such a tremendous

45

00:03:53,240 --> 00:03:54,840

mass.

46

00:03:54,840 --> 00:03:59,600

The towing lines are drawn into place and foam spurts from the stern of each of the

47

00:03:59,600 --> 00:04:03,600

tugs as their tiny propellers turn the water.

48

00:04:03,600 --> 00:04:08,400

The observers watch the ship for what seems to be a long time and nothing happens, just

49

00:04:08,400 --> 00:04:12,640

as he is coming to the conclusion that a mistake had been made and that the tugs will never

50

00:04:12,640 --> 00:04:19,360

be able to start the ship, his eyes detect a minute, an almost indistinguishable motion.

51

00:04:19,360 --> 00:04:22,640

The great ship is actually beginning to move.

52

00:04:22,680 --> 00:04:28,640

As the tugs' engines continue to labor, the ship slowly but surely gathers speed and is

53

00:04:28,640 --> 00:04:34,400

eventually escorted clear of the harbor and into the open sea, where its own giant engines

54

00:04:34,400 --> 00:04:40,640

may safely be put to work, and the ship is well and truly on its way to distant ports.

55

00:04:40,640 --> 00:04:43,600

The task of understanding is much the same.

56

00:04:43,600 --> 00:04:47,960

The impatient reformer who is determined to change the world at a single stroke comes

57

00:04:48,000 --> 00:04:52,880

charging headlong against the inertia of the world and receives only a bruised head in

58

00:04:52,880 --> 00:04:54,440

payment for his efforts.

59

00:04:54,440 --> 00:05:02,040

It is a consistent, gentle, patient but unyielding tug which will move the world and mold the

60

00:05:02,040 --> 00:05:03,440

destiny of man.

61

00:05:08,240 --> 00:05:11,480

You too can do something about it.

62

00:05:11,480 --> 00:05:17,920

We invite you to become a part of understanding, not because you need us, but because we need

63

00:05:17,920 --> 00:05:18,920

you.

64

00:05:18,920 --> 00:05:26,560

Major Wayne Elho is a retired officer of our Armed Forces, a man of great wisdom and

65

00:05:26,560 --> 00:05:32,160

understanding who has devoted his life to bringing us a better world to live in and

66

00:05:32,160 --> 00:05:34,480

all without any material remuneration.

67

00:05:34,480 --> 00:05:41,840

He is known and loved in very high places in those little people who will shape most

68

00:05:41,840 --> 00:05:43,720

of our new world.

69

00:05:43,720 --> 00:05:47,960

I have had the pleasure of working with Wayne and following him in too many communities

70

00:05:47,960 --> 00:05:54,560

over the country and find that he leaves a trail of love and understanding so badly needed

71

00:05:54,560 --> 00:05:56,640

this day.

72

00:05:56,640 --> 00:06:01,560

This tape was created by Pasadena in No. 12 of understanding for one purpose only, that

73

00:06:01,560 --> 00:06:05,360

is to get this message to all who care to listen.

74

00:06:05,360 --> 00:06:11,960

We care not who hears it, we ask only that it is changed in no way, either by addition

75

00:06:12,000 --> 00:06:14,320

or subtraction.

76

00:06:14,320 --> 00:06:18,560

Also handled with care, we hope to reach many people.

77

00:06:18,560 --> 00:06:23,680

Two, do not let it lay on a shelf somewhere.

78

00:06:23,680 --> 00:06:30,120

After you have run out of listeners, send it on to some other interested people or return.

79

00:06:30,120 --> 00:06:33,120

I now present Major Wayne Elho.

80

00:06:33,120 --> 00:06:40,120

Please, twinkle and believe in the presence of Pasadena.

81

00:06:40,120 --> 00:06:47,560

It is a pleasure to me to address you here this evening and bring you some of the facts

82

00:06:47,560 --> 00:06:52,560

about the UFO field and the expanded consciousness that is coming to earth.

83

00:06:52,560 --> 00:06:57,440

I am happy to see my brother Hart who is in the audience this evening, who has also been

84

00:06:57,440 --> 00:07:01,440

working in the field of basic science and lecturing in this field.

85

00:07:01,440 --> 00:07:08,440

I know very often that our pathways cross except here and there and tonight is one of

86

00:07:08,440 --> 00:07:10,440

the times, so believe me not.

87

00:07:10,440 --> 00:07:17,440

Now this evening I am going to bring to you some of the important things that are developing

88

00:07:17,440 --> 00:07:20,440

in this nation and in the world.

89

00:07:20,440 --> 00:07:25,440

How all of these things are a conformation of biblical prophecy and how these spacecraft

90

00:07:25,440 --> 00:07:28,440

are also a part of it.

91

00:07:28,440 --> 00:07:35,440

I know way back about 1956 when I first began looking into this subject because of biblical

92

00:07:35,440 --> 00:07:37,440

references that I read.

93

00:07:37,440 --> 00:07:43,440

You might say that some of this biblical reading was being guided, although I did not fully

94

00:07:43,440 --> 00:07:46,440

realize the significance of it at that time.

95

00:07:46,440 --> 00:07:54,440

I found many tired and I have always understood this subject to be a conformation of prophecy.

96

00:07:54,440 --> 00:07:59,440

Although many groups, perhaps many lecturers have not been bringing this forth.

97

00:07:59,440 --> 00:08:07,440

I feel that the flying saucer subject is far more than just a discussion of finding what

98

00:08:07,440 --> 00:08:10,440

color the craft were, what direction they were going.

99

00:08:10,440 --> 00:08:16,440

And if some are maintaining or have said that these craft will only make touchdown landing

100

00:08:16,440 --> 00:08:23,440

and then take off again if they have not contacted anyone, there is no evidence to indicate that

101

00:08:23,440 --> 00:08:25,440

they have actually contacted anyone.

102

00:08:25,440 --> 00:08:29,440

I have known along the road that this is a very immature concept.

103

00:08:29,440 --> 00:08:33,440

At any advance intelligence I don't care what kind of thing they were from.

104

00:08:33,440 --> 00:08:38,440

Even if the lowly earth were now trying to visit Mar and Ovinus, one of the first things

105

00:08:38,440 --> 00:08:41,440

they would do is try to make contact with someone.

106

00:08:41,440 --> 00:08:47,440

We wouldn't travel all that distance through space, arrive there and make a little touchdown

107

00:08:47,440 --> 00:08:51,440

landing like a football skipping off the ground and then take off again.

108

00:08:51,440 --> 00:08:57,440

Things of this nature to me are nothing but a facility and it shows a lack of understanding

109

00:08:57,440 --> 00:09:05,440

and comprehension in minds of many people, usually thought by a sort of concentration

110

00:09:05,440 --> 00:09:08,440

on the physical and material only.

111

00:09:08,440 --> 00:09:13,440

Many people think that these crafts will only bring us scientific know-how.

112

00:09:13,440 --> 00:09:18,440

They will only bring us new invention or a new radio or something improved to us that

113

00:09:18,440 --> 00:09:19,440

they are here.

114

00:09:19,440 --> 00:09:23,440

Actually, I think that they are not trying to prove to the hard-headed ones at all that

115

00:09:23,440 --> 00:09:24,440

they are here.

116

00:09:24,440 --> 00:09:30,440

They have come and have reached persons who have been able to expand their understanding

117

00:09:30,440 --> 00:09:35,440

to the point where they were trying to comprehend what this is all about and it is far more

118

00:09:35,440 --> 00:09:38,440

than merely fighting and touchdown landing.

119

00:09:38,440 --> 00:09:42,440

It is one of the most significant and important things of the ages that has happened to the

120

00:09:42,440 --> 00:09:45,440

earth for thousands of years for those who try to understand it.

121

00:09:45,440 --> 00:09:50,440

For those who do not try to understand it, it doesn't mean very much.

122

00:09:50,440 --> 00:09:54,440

Some people have seen the craft and have been dismissive from their minds.

123

00:09:54,440 --> 00:09:59,440

They have gone home and said, well, now, a person has done something to it and they have

124

00:09:59,440 --> 00:10:01,440

not done anything more about it.

125

00:10:01,440 --> 00:10:03,440

I have met many such people.

126

00:10:03,440 --> 00:10:05,440

I have talked to them in various parts of the nation.

127

00:10:05,440 --> 00:10:09,440

I would ask, well, doesn't it mean something to you now that you have seen the craft or

128

00:10:09,440 --> 00:10:13,440

seen the aircraft chasing them, trying to find upon them or clashing to them?

129

00:10:13,440 --> 00:10:16,440

And they would say, no, that's all the answers I have.

130

00:10:16,440 --> 00:10:20,440

I know there's something about us that I'm not interested in reading any books or doing

131

00:10:20,440 --> 00:10:21,440

anything about us.

132

00:10:21,440 --> 00:10:27,440

I would say that there is something in the consciousness of some people that has practiced

133

00:10:27,440 --> 00:10:29,440

and expected to this subject.

134

00:10:29,440 --> 00:10:33,440

And when they begin to understand the whole pattern, they will find that it is a subconscious

135

00:10:33,440 --> 00:10:39,440

impression and memory recollection of earlier times when they have known much more about

136

00:10:39,440 --> 00:10:41,440

this situation than we know now.

137

00:10:41,440 --> 00:10:47,440

And our memories have been blanked out over a period of thousands of years of time.

138

00:10:47,440 --> 00:10:54,440

And since this memory has not been fully restored, we have just what you call a main sort of

139

00:10:54,440 --> 00:10:59,440

yearning, a sort of desire to be close to this subject, although we do not realize the

140

00:10:59,440 --> 00:11:03,440

full significance of this yearning.

141

00:11:03,440 --> 00:11:07,440

I do have felt much of this as many of you have, I know.

142

00:11:07,440 --> 00:11:12,440

And to me it has been bearing greater and greater fruit, possibly because I have been

143

00:11:12,440 --> 00:11:15,440

devoting my full time in this work.

144

00:11:15,440 --> 00:11:20,440

I'm not working in this field for what you call material motives.

145

00:11:20,440 --> 00:11:27,440

Material motives may be a part of some of the people's activities, but for me it has not

146

00:11:27,440 --> 00:11:28,440

been.

147

00:11:28,440 --> 00:11:33,440

We feel need to live in a material world, but I understand that many of the things will

148

00:11:33,440 --> 00:11:34,440

change upon the earth.

149

00:11:34,440 --> 00:11:41,440

Gradually to the point where we look not against or at the material first, we look to spiritual

150

00:11:41,440 --> 00:11:44,440

development first and the comprehension of all things.

151

00:11:44,440 --> 00:11:49,440

As Jesus said, sticky first the kingdom of heaven and all things shall be added.

152

00:11:49,440 --> 00:11:54,440

Many people concentrate their attention and their life time just the opposite way around.

153

00:11:54,440 --> 00:12:00,440

They would work for a lifetime doing very things in the material way, and then when they get

154

00:12:00,440 --> 00:12:05,440

60 or 65 years of age they decide, well now I better look into something else and getting

155

00:12:05,440 --> 00:12:10,440

along toward the end of that road, and I wonder what's going to happen afterwards.

156

00:12:10,440 --> 00:12:15,440

I would say that there is a great need for all of us, men, women and children, to begin

157

00:12:15,440 --> 00:12:19,440

to explore and examine the greater things in our lives.

158

00:12:19,440 --> 00:12:25,440

Devote ourselves in a greater way to the service of the Father's plan and the Father's kingdom.

159

00:12:25,440 --> 00:12:32,440

When we do, we will find that there are wonderful things do happen in our lives, but we must

160

00:12:32,440 --> 00:12:38,440

first trust, we must realize that this supreme intelligence, this supreme creator, has created

161

00:12:38,440 --> 00:12:40,440

all that has ever been created.

162

00:12:40,440 --> 00:12:45,440

Know everything that is nor not, even within our minds, that there is nothing hidden.

163

00:12:45,440 --> 00:12:46,440

Everything is known.

164

00:12:46,440 --> 00:12:53,440

If we have even a funny fill of doubt in our minds about what we are here for, or we doubt

165

00:12:53,440 --> 00:12:58,440

that there is anything more intelligent than man on the earth, why that God is known, and

166

00:12:58,440 --> 00:13:04,440

a person is not ready to make greater sense until they have proved within themselves that

167

00:13:04,440 --> 00:13:10,440

they have already completed what you might say the earth cycle, and as Jesus brought

168

00:13:10,440 --> 00:13:16,440

out again, he said, I have overcome the world, meaning that he was not controlled by the

169

00:13:16,440 --> 00:13:21,440

world system, race, consciousness, or belief.

170

00:13:21,440 --> 00:13:23,440

He had overcome all of this.

171

00:13:23,440 --> 00:13:27,440

This is a fact that all of us are facing individually in our lives.

172

00:13:27,440 --> 00:13:33,440

Every one of us, whatever we admit it or not, we are faced with this problem of overcoming

173

00:13:33,440 --> 00:13:38,440

all of the weaknesses, the frailties, all of the things of this world, and establishing

174

00:13:38,440 --> 00:13:45,440

ourselves a higher understanding and know-how which comes from our eyes.

175

00:13:45,440 --> 00:13:50,440

There is not one thing that we have that didn't originate from this one creator.

176

00:13:50,440 --> 00:13:55,440

I don't care what is wisdom, whether we call ourselves intelligent, I don't care what we

177

00:13:55,440 --> 00:13:56,440

call ourselves.

178

00:13:56,440 --> 00:13:58,440

Everything is from one source.

179

00:13:58,440 --> 00:14:02,440

And as we realize that, then we can begin to live greater lives.

180

00:14:02,440 --> 00:14:07,440

I have consistently tried, especially since 19, just to fix some before that time, I became

181

00:14:07,440 --> 00:14:11,440

innocent and such things as mental telepathy about the year 1953.

182

00:14:11,440 --> 00:14:16,440

I began to realize that it would work, that it could work, and that it was a fact.

183

00:14:16,440 --> 00:14:19,440

I began to practice and learn more about it.

184

00:14:19,440 --> 00:14:26,440

About the year 1956, I began to have some telling experiences that were almost shocking in some

185

00:14:26,440 --> 00:14:27,440

ways.

186

00:14:27,440 --> 00:14:31,440

I was shown some things that indicated our whole civilization is in great danger and

187

00:14:31,440 --> 00:14:32,440

great stress.

188

00:14:33,440 --> 00:14:39,440

This was indicated even more when the crack landed upon the Mahavadeva desert on May 11

189

00:14:39,440 --> 00:14:40,440

of 1957.

190

00:14:40,440 --> 00:14:45,440

I was shown that our civilization is on the very brink of disaster and that only the spiritually

191

00:14:45,440 --> 00:14:50,440

motivated people could guide the civilization through the critical times ahead.

192

00:14:50,440 --> 00:14:53,440

This was not what you call exactly a pleasant experience.

193

00:14:53,440 --> 00:14:57,440

It was an experience that you might say was fulfilling.

194

00:14:57,440 --> 00:14:59,440

Something was fulfilled.

195

00:14:59,440 --> 00:15:04,440

It was like an initiation experience, and it was very personal indeed.

196

00:15:04,440 --> 00:15:09,440

I had tried to bring some of these things out in very places and groups to try to help

197

00:15:09,440 --> 00:15:12,440

people understand out of it something that might help them.

198

00:15:12,440 --> 00:15:18,440

But I have found that even in space groups, there is a great deal of lack of understanding

199

00:15:18,440 --> 00:15:23,440

that some people have found after worse people who were metaphysicians or had a metaphysical

200

00:15:23,440 --> 00:15:24,440

background.

201

00:15:24,440 --> 00:15:27,440

They have said, well, don't you know he had a psychic experience.

202

00:15:27,440 --> 00:15:30,440

It seemed to know more about it than even though they weren't there.

203

00:15:30,440 --> 00:15:33,440

The fact of it is that there were witnesses who saw the craft.

204

00:15:33,440 --> 00:15:39,440

As I saw, they checked the time of the landing and they verified it the next morning as they

205

00:15:39,440 --> 00:15:42,440

were returning from the desert and had breakfast with them.

206

00:15:42,440 --> 00:15:45,440

This was Mr. and Mrs. Struggling-Truner of Santa Ana, California.

207

00:15:45,440 --> 00:15:46,440

Many of you may know them.

208

00:15:46,440 --> 00:15:51,440

They will verify this anytime that they are asked, but they don't know exactly what happened

209

00:15:51,440 --> 00:15:52,440

out there.

210

00:15:52,440 --> 00:15:53,440

Only I know what happened.

211

00:15:53,440 --> 00:15:55,440

And some of it I don't still understand fully.

212

00:15:55,440 --> 00:15:56,440

I have been trying to understand.

213

00:15:56,440 --> 00:16:00,440

But the important thing is that these intelligences can contact us.

214

00:16:00,440 --> 00:16:02,440

They know who we are.

215

00:16:02,440 --> 00:16:05,440

They can monitor meetings like this, such as we have here this evening.

216

00:16:05,440 --> 00:16:07,440

They know what everyone is thinking.

217

00:16:07,440 --> 00:16:08,440

They know what I am thinking.

218

00:16:08,440 --> 00:16:09,440

They hear what it says.

219

00:16:09,440 --> 00:16:13,440

And they are able to analyze the results of the meeting, to know whether some good came

220

00:16:13,440 --> 00:16:18,440

from it, and how they can then help those persons more who have been fairly turned out and tried

221

00:16:18,440 --> 00:16:23,440

to find out something that might be helpful to them in their lives.

222

00:16:23,440 --> 00:16:28,440

This intelligence, this wisdom that is involved is so profound and so fantastic that I don't

223

00:16:28,440 --> 00:16:34,440

know in any way even described it except to say that I have seen the truth of it.

224

00:16:34,440 --> 00:16:39,440

The class of that star-laden on the Mahabhidhip on May 11th of 1957 was first a star-like

225

00:16:39,440 --> 00:16:43,440

object twinkling in the heavens just like a star.

226

00:16:43,440 --> 00:16:48,440

I have had reason to believe even more since that time that probably the star of Bethlehem

227

00:16:49,440 --> 00:16:55,440

is star-flaking round up in the heavens, but it was an object of this nature because it

228

00:16:55,440 --> 00:16:59,440

was twinkling just like a star, and it looked like a star except that it was closer than

229

00:16:59,440 --> 00:17:01,440

the stars in the heavens.

230

00:17:01,440 --> 00:17:05,440

As I watched it, suddenly it flashed an orange light.

231

00:17:05,440 --> 00:17:11,440

As I continued to watch it, thinking that now here is this star that flashes colors,

232

00:17:11,440 --> 00:17:17,440

it changed from a star-like object to a white egg-shaped lighted object, and it glided toward

233

00:17:17,440 --> 00:17:21,440

me without sound, coming in a beautiful, sleeping motion across the sky.

234

00:17:21,440 --> 00:17:25,440

When it was directly in front of me at about a quarter of a mile away, it stopped and hovered

235

00:17:25,440 --> 00:17:26,440

for about five minutes.

236

00:17:26,440 --> 00:17:31,440

At this point, it turned into an orange-orbal light, completely round, about twenty-two to

237

00:17:31,440 --> 00:17:33,440

twenty-five feet in diameter.

238

00:17:33,440 --> 00:17:35,440

I kept walking toward it without any fear.

239

00:17:35,440 --> 00:17:39,440

I was out there for a reason, and I knew I was there for a reason, but I had no comprehension

240

00:17:39,440 --> 00:17:44,440

that I would see one of these objects when I first started out from a giant rock site.

241

00:17:44,440 --> 00:17:50,440

As I walked toward the object, I kept sending out these thoughts because I do believe that

242

00:17:50,440 --> 00:17:55,440

some of these are part of this, that we can communicate with the trans beings of our mind,

243

00:17:55,440 --> 00:18:00,440

that our minds are actually a more complete, more accurate, and better communication system

244

00:18:00,440 --> 00:18:04,440

that we will ever build with our hands in the field of television or radio.

245

00:18:04,440 --> 00:18:06,440

And the communication is two ways.

246

00:18:06,440 --> 00:18:08,440

They can go both ways.

247

00:18:08,440 --> 00:18:13,440

So I kept sending the thought out that you apparently are when they shift, and I want you to

248

00:18:13,440 --> 00:18:16,440

land, and I want to see what's there.

249

00:18:16,440 --> 00:18:20,440

So I kept walking toward the craft, thinking, sending that thought forth.

250

00:18:20,440 --> 00:18:24,440

After about five minutes, the craft glided down to the desert and landed about two miles away.

251

00:18:24,440 --> 00:18:28,440

I walked down the out-shore of the craft at Ladon.

252

00:18:28,440 --> 00:18:32,440

I actually saw several timings during the night after this.

253

00:18:32,440 --> 00:18:36,440

But I found after I got out there that the craft being there was only incidental.

254

00:18:36,440 --> 00:18:39,440

There were many other things that were involved.

255

00:18:39,440 --> 00:18:44,440

And these other things that were involved were experiences of a personal nature.

256

00:18:44,440 --> 00:18:50,440

I was shown by symbols, many things, about our civilization and the times that we are in.

257

00:18:50,440 --> 00:18:53,440

And everything indicated a profound intelligence.

258

00:18:53,440 --> 00:18:56,440

They knew more, a lot, needed not know myself.

259

00:18:56,440 --> 00:19:00,440

The craft itself was not what you call a physical, third-dimensional craft.

260

00:19:00,440 --> 00:19:05,440

When some people will maintain, and I don't care who it is, but these crafts are only physical,

261

00:19:05,440 --> 00:19:08,440

that they're third-dimensional, that they're just like we are and so forth.

262

00:19:08,440 --> 00:19:11,440

I had seen them too when they appeared to be third-dimensional.

263

00:19:11,440 --> 00:19:14,440

They could have been photographed, they have been photographed in many parts of the world,

264

00:19:14,440 --> 00:19:18,440

but I have also seen them disappear right before my eyes.

265

00:19:18,440 --> 00:19:24,440

As though controlled by a real type of power, it gradually faded out right before my eyes.

266

00:19:24,440 --> 00:19:29,440

This happened before a whole group of people had signed the ban on March 5, 1958,

267

00:19:29,440 --> 00:19:34,440

when one of these crafts appeared before the eyes of hundreds of people watching in the streets.

268

00:19:34,440 --> 00:19:37,440

Now, I don't say that that indicates something supernatural.

269

00:19:37,440 --> 00:19:40,440

It means that indicates that there are higher frequencies involved.

270

00:19:40,440 --> 00:19:48,440

We are living in only one plane, or a one dimension with our eyes, and what we call our physical senses.

271

00:19:48,440 --> 00:19:51,440

But there are other dimensions, higher planes of activity.

272

00:19:51,440 --> 00:19:55,440

You might call them fourth or fifth dimension, or you might call them a higher frequency,

273

00:19:55,440 --> 00:19:57,440

higher octave, things of that nature.

274

00:19:57,440 --> 00:20:03,440

And I feel that what happens when these crafts disappear like that is that they increase their vibration

275

00:20:03,440 --> 00:20:09,440

of the molecular structure, and they gradually go into the higher octave or the higher frequency,

276

00:20:09,440 --> 00:20:18,440

and then they are really invisible to our eyes because we are sort of entwined by this third dimensional aspect or approach.

277

00:20:18,440 --> 00:20:20,440

I know that this has happened not once, but many times.

278

00:20:20,440 --> 00:20:24,440

I know that pilots have flown towards these crafts.

279

00:20:24,440 --> 00:20:29,440

This happened over Houston, for instance, told by I went with the spouse in that area,

280

00:20:29,440 --> 00:20:35,440

where three jet aircraft were approaching one of these crafts that was going over the city of Houston,

281

00:20:35,440 --> 00:20:40,440

going towards the spouse, and they certainly had been learned to go and fly after this craft,

282

00:20:40,440 --> 00:20:42,440

or shoot it down, or do something.

283

00:20:42,440 --> 00:20:46,440

Anyway, they approached this craft at high speed as a supranamite or crash engine.

284

00:20:46,440 --> 00:20:54,440

We had heard some reports that airport pilots had had instructions to try to crash into these with their plane

285

00:20:54,440 --> 00:20:58,440

and then parachute out in the last minute, hoping that they could triple on these

286

00:20:58,440 --> 00:21:01,440

and get it to the ground and learn the secrets and the science of it.

287

00:21:01,440 --> 00:21:02,440

Now, this may be possible.

288

00:21:02,440 --> 00:21:05,440

I wouldn't doubt it at all that it has happened.

289

00:21:05,440 --> 00:21:11,440

But in this case, these people said these crafts, the jet planes were going right toward it as if they were crashing to it.

290

00:21:11,440 --> 00:21:16,440

And suddenly the staffs who disappeared right before their eyes, it just disappeared.

291

00:21:16,440 --> 00:21:19,440

And the jet plane took off in all directions.

292

00:21:19,440 --> 00:21:25,440

One of them, the pilot of the friend, was so out of control by shock or fear of flight because of what happened,

293

00:21:25,440 --> 00:21:30,440

that he came down and went right over the rooftop of Bell Air, the southern part of Houston.

294

00:21:30,440 --> 00:21:36,440

These people complained literally to airports and newspapers and newspapers and by phone,

295

00:21:36,440 --> 00:21:43,440

and the airport said later on that they had no idea who this pilot was, that he couldn't fly it.

296

00:21:43,440 --> 00:21:47,440

Of course, it's understandable to know what happened with this pilot.

297

00:21:47,440 --> 00:21:50,440

It was frightened by the fact that something disappeared by before his eyes.

298

00:21:50,440 --> 00:21:52,440

Why do you do in a case like that?

299

00:21:52,440 --> 00:21:59,440

So, apparently he lost control of his plane momentarily and came down and just practically crashed in the rooftop of the town.

300

00:21:59,440 --> 00:22:01,440

So these things do happen.

301

00:22:01,440 --> 00:22:04,440

They happen to happen, but it is not again something to be frightened about.

302

00:22:04,440 --> 00:22:08,440

It merely indicates that there is highly advanced technology involved.

303

00:22:08,440 --> 00:22:10,440

These are intelligence beings.

304

00:22:10,440 --> 00:22:11,440

They know what we're thinking.

305

00:22:11,440 --> 00:22:12,440

They know what we're doing.

306

00:22:12,440 --> 00:22:14,440

And they're not afraid of it.

307

00:22:14,440 --> 00:22:15,440

They're not afraid of it.

308

00:22:15,440 --> 00:22:20,440

They don't come down here to, to, with fear in their hearts.

309

00:22:20,440 --> 00:22:31,440

They're trying to understand the things of this world and how this world situation might be benefited and changed to the point that at least a portion of our civilization might survive in its two years.

310

00:22:31,440 --> 00:22:36,440

That we are actually in the time of the fulfillment of the prophecy of the scriptures.

311

00:22:36,440 --> 00:22:40,440

We are in that time, although we want to accept the Lord, and it will be proven so.

312

00:22:40,440 --> 00:22:49,440

And within the twenty years that he's immediately ahead of us, the prophecies will be fulfilled, and his crafts are part of the fulfillment of that prophecy.

313

00:22:49,440 --> 00:22:59,440

Jesus pointed out in his instructions as disciples and people of that time, especially as disciples, when he said, when he sees signs in the heavens and in the earth,

314

00:22:59,440 --> 00:23:05,440

there are earthquakes in diverse places, and rumors of wars, and rejoice and know your salvation draw us nigh.

315

00:23:05,440 --> 00:23:11,440

Now we have been having these signs consistently since 1946 and 47, and they are continuing.

316

00:23:11,440 --> 00:23:21,440

All through my lecture shores where I studied new clubs in Montana, Idaho, Washington, and Minnesota and Wisconsin recently, there are new signings.

317

00:23:21,440 --> 00:23:23,440

They are continuous.

318

00:23:23,440 --> 00:23:38,440

A time in which I used to live with one time and work along the Washington where I was in the research department of the Longbell Lumber Company, also a Longbell City and Longbell Plant and City Firemen.

319

00:23:38,440 --> 00:23:44,440

I had been lecturing, I was going to lecturing Portland and the women of Washington and other cities in Washington State.

320

00:23:44,440 --> 00:23:53,440

So I called some friends that I knew in Longby, Washington, asking them to line up a lecture hall or find out where a hall must be available, YMCA, YMCA, and so on.

321

00:23:53,440 --> 00:24:01,440

And as they told me on the phone that they just were too busy with their clubs and societies, they had no time to do any phoning at this nature.

322

00:24:01,440 --> 00:24:09,440

I could understand very shortly that what the real problem was that they just didn't want to be associated or connected in any way with patients.

323

00:24:09,440 --> 00:24:11,440

They wanted no part of it.

324

00:24:11,440 --> 00:24:13,440

So I was quite disappointed.

325

00:24:13,440 --> 00:24:16,440

I didn't know what places in the city to call.

326

00:24:16,440 --> 00:24:22,440

And I knew that I could spend quite a bit of funds, but they're hard to come by in the field anyway.

327

00:24:22,440 --> 00:24:24,440

I tried to find a proper facility.

328

00:24:24,440 --> 00:24:34,440

So I went ahead and lectured in my hometown of Woodland, Washington, having one meeting at a range, a great hall there, and an effective meeting in a private hall.

329

00:24:34,440 --> 00:24:44,440

I lectured in Portland, Oregon, and when Chakoma, Washington came back to Woodland, Washington for another meeting there, in the home of Willie Mills, who is a Ford salesman in that city,

330

00:24:44,440 --> 00:24:50,440

who has a telescope, a private telescope, and he and his son, Jeff Mills, are highly interested in astronomy.

331

00:24:51,440 --> 00:24:53,440

And I was lecturing in that home that evening.

332

00:24:53,440 --> 00:24:56,440

I thought it was about the fact that people in long views seem to be interested.

333

00:24:56,440 --> 00:25:01,440

And I was very hopeful that a space group might be counted in the Longview Council to this area.

334

00:25:01,440 --> 00:25:05,440

One person attending the lecture said, well, you know what's in the Longview paper tonight.

335

00:25:05,440 --> 00:25:06,440

I said, no.

336

00:25:06,440 --> 00:25:08,440

So they brought the paper forward.

337

00:25:08,440 --> 00:25:14,440

Here, the item read that the flying saucers have been over-longed in the evening before, making two passes over the warehouse of plants.

338

00:25:14,440 --> 00:25:17,440

And a number of people had seen them.

339

00:25:17,440 --> 00:25:19,440

So I thought, well, here's the answer.

340

00:25:19,440 --> 00:25:21,440

It's not a hopeless situation yet.

341

00:25:21,440 --> 00:25:26,440

The next morning before going anywhere else, or before doing anywhere else, I was on the phone again.

342

00:25:26,440 --> 00:25:28,440

And I called the police department.

343

00:25:28,440 --> 00:25:32,440

I called the National Guard Army until I finally located a place where a lecture might be held.

344

00:25:32,440 --> 00:25:35,440

The lecture was scheduled for Thursday of that week.

345

00:25:35,440 --> 00:25:40,440

And about 34 people turned out because the Longview Daily News spent as the item about the lecture.

346

00:25:40,440 --> 00:25:44,440

The radio station shares the news, and we were able to get the news out.

347

00:25:44,440 --> 00:25:50,440

It would have been, to me, an impossible situation had not these crafts done something about it.

348

00:25:50,440 --> 00:25:54,440

But apparently they knew what was going on, and they knew of my disappointment.

349

00:25:54,440 --> 00:25:57,440

And so they sort of intervened.

350

00:25:57,440 --> 00:26:04,440

Not that I'm such an especially good speaker, or they like the way my nose curves, but apparently I was doing something to sincerity.

351

00:26:04,440 --> 00:26:11,440

I should try to accomplish something in this field, and they recognized also sincerity.

352

00:26:11,440 --> 00:26:14,440

The time of the date of the signing was June the 20th.

353

00:26:14,440 --> 00:26:19,440

It was printed in the Longview Daily News on July 21st, the next day.

354

00:26:19,440 --> 00:26:22,440

And the lecture came on Thursday of that week.

355

00:26:22,440 --> 00:26:27,440

And the interest has been modeling in that area to now have a functioning unit.

356

00:26:27,440 --> 00:26:30,440

And I believe that there will be an understanding unit in that city.

357

00:26:30,440 --> 00:26:35,440

I appoint, always in these cities, where I travel, I appoint what I call a nucleus group.

358

00:26:35,440 --> 00:26:40,440

Those who seem the most qualified and the most able to take on a leadership role that appear to be sincere.

359

00:26:40,440 --> 00:26:45,440

And they voted to do something to raise consciousness, which is a real work of this field.

360

00:26:45,440 --> 00:26:49,440

If they're up with the consciousness of our people, of mankind.

361

00:26:49,440 --> 00:27:01,440

The reason that I recommend understanding in these various areas is because understanding has openly maintained and come out with a flat statement that they stand for the Christ consciousness.

362

00:27:01,440 --> 00:27:09,440

And I think that that is very important in this field, that there is any group, any unit, anyone that has not yet connected

363

00:27:09,440 --> 00:27:14,440

the Christ consciousness with the coming of these fictitious while they have lots to learn.

364

00:27:14,440 --> 00:27:23,440

And because of the fact that understanding has openly come out of the native statement on their friend's literature that this is what they stand for, and that this is part of this work.

365

00:27:23,440 --> 00:27:33,440

Therefore, I feel that as long as that is done, and that continues, that understanding is the best qualified organization to exert a worldwide leadership role in this field.

366

00:27:33,440 --> 00:27:40,440

Because I know that these crafts are here for far more than just fighting or things of that nature.

367

00:27:40,440 --> 00:27:58,440

It was interesting to note from my lecture in Northern California, at San Francisco, that someone came forward with a clipping from a Cromwell Massachusetts newspaper with a diagram of something else that has been seen in the sky.

368

00:27:58,440 --> 00:28:12,440

And some of you may want to look at this clipping afterwards. It is a drawing of a triangle with a white light in one corner of the triangle, a blue light in the other, a white light in the other one, and a revolving red light in the center.

369

00:28:12,440 --> 00:28:19,440

So we now have flying triangles as well as what appear to be central form of crafts and cigar shaped crafts.

370

00:28:19,440 --> 00:28:27,440

All of these, to me, indicates more of the signs in the sky because we were told, it was promised that we would have signs in the sky, but in the earth.

371

00:28:27,440 --> 00:28:35,440

We are having all of it, and they are continuing. They have not come for a little while and thought it has been a continuous program.

372

00:28:35,440 --> 00:28:42,440

There is a name of a witness in Southern California who says he has also seen in Southern California the flying triangles in the sky.

373

00:28:42,440 --> 00:28:50,440

I don't know if anything that could be construed more as being a sign of something like that flying in the heavens, a flying triangle, imagine.

374

00:28:50,440 --> 00:28:55,440

It takes intelligence to do these things, and there is a reason behind all of it.

375

00:28:56,440 --> 00:29:01,440

In my own work, I have seen many things I have seen in these crafts at least 13 times as I mentioned.

376

00:29:01,440 --> 00:29:14,440

Since then I have understood right from the beginning that we are faced with a psychological problem in that people need to understand it in a way in which it does not seem to violate their consciousness,

377

00:29:15,440 --> 00:29:23,440

their conscience, that they can explore this a little by little and take a little bite or a little nibble of it and then gradually take a little more.

378

00:29:23,440 --> 00:29:37,440

I have seen the evidence of this all across the nation. For this reason I stopped at 13 times because I know that some people were out to tell them that I had seen 25 or 50 crafts or more.

379

00:29:37,440 --> 00:29:49,440

That would be just too many. Some people would get right up in the audience and say, well, I believe this man and he had gone up to 20-side in his craft.

380

00:29:49,440 --> 00:29:58,440

And he thought it was very good until that point, and right from that point on they closed their ears and said, I was not listening to him anymore.

381

00:29:58,440 --> 00:30:09,440

So for psychological reasons I stopped at 13. And I will remain there until I feel that it is psychologically safe to add in some more of the findings which I have already had.

382

00:30:09,440 --> 00:30:18,440

We are faced with a psychological problem. We also have a responsibility in this field that we try to present it in the highest light possible.

383

00:30:18,440 --> 00:30:30,440

That we get away from wild approaches, from things that are nonsensical and things that people can understand. I know that many people have had experiences that have been wonderful and profound to them.

384

00:30:30,440 --> 00:30:42,440

Some of these experiences I would say were for a personal reason, something to help awaken them to the fact that there is something going on, that they have also something to do with this new age program that is developing.

385

00:30:42,440 --> 00:30:52,440

But it does not mean that everything needs to be told to the public. Some people think that when they get up to speak they have to lay on everything just like a carpet.

386

00:30:52,440 --> 00:31:02,440

They roll out the whole carpet and whether it is just or good or bad or what. Why there it is. How are people going to understand all of these complications perhaps from their own life?

387

00:31:02,440 --> 00:31:13,440

Why they might have been shown something specific, but they might have gone through an experience that is very difficult to understand. How it is to fix that person, the other people? It might not mean anything to them.

388

00:31:13,440 --> 00:31:22,440

We need, I think, in this field to present this in such a way that it will help people comprehend

something worthwhile enough to listen.

389

00:31:22,440 --> 00:31:36,440

And that out of our personal experiences we have become those things that might help other people understand that when they do have an experience they don't need to go to see the pachybiens or go to a mental hospital when they have such an experience.

390

00:31:36,440 --> 00:31:42,440

Many of these things have happened to people. It is a very difficult situation in the world as materialistic as this world is.

391

00:31:42,440 --> 00:31:52,440

The battle between the material element and all of these things bring about what you might call a terrible shakeup in the consciousness and the minds of people.

392

00:31:52,440 --> 00:32:01,440

I know many people who by reports have gone to psychiatrists and told them about craft that they have seen.

393

00:32:01,440 --> 00:32:09,440

And that they were sent by friends or family of someone to see a psychiatrist or find a mental hospital because of them. And some of them are similar hospitals.

394

00:32:09,440 --> 00:32:19,440

I don't think that's the answer at all. Many of our psychiatrists, unfortunately, are people now who say that there is no soul in man, there is no God, and there is no chitra.

395

00:32:19,440 --> 00:32:30,440

Which I think is indicative of the fact that these people cannot possibly understand a spiritual experience or spiritual awakening that many are going through.

396

00:32:30,440 --> 00:32:39,440

We are going through an Armageddon period, and this Armageddon extends to every individual. It extends to groups. It extends to every one of us.

397

00:32:39,440 --> 00:32:47,440

This Armageddon may eventually break out into even physical conflict between nations before this is over. It may very possibly do so.

398

00:32:47,440 --> 00:32:56,440

But this Armageddon is going on within each individual, and it is a fight within that individual whether it is spiritual, moral, sports, and power.

399

00:32:56,440 --> 00:33:06,440

The highest things in that person can rule that person's life, or whether the other things, the emotions, the ego nature, and the lower virtues, the lower things are going to rule and control that person.

400

00:33:06,440 --> 00:33:13,440

And there is a fight going on. I have experienced this fight within myself, and I know that it is real.

401

00:33:13,440 --> 00:33:25,440

What we need to do is come out winner. Let the Christ be the winner in this matter, and turn all of our power and attention and concentration on the Christ part of us, on the Christ power.

402

00:33:25,440 --> 00:33:34,440

If we do not, this battle may go on to the point where it will end up in a stalemate, or perhaps set us on the long side of the fence.

403

00:33:34,440 --> 00:33:39,440

We are in the period of the time of judging of all of our nations and peoples. We are in that time.

404

00:33:39,440 --> 00:33:48,440

And every person is going to be judged. A part of this work, a part of the work in the fine thought, for instance, in the space puzzle, is this judging work, this judgment work.

405

00:33:48,440 --> 00:33:55,440

It is going on every day in the highest sense of the world. Word, and it will be even more profound

before this is finished.

406

00:33:55,440 --> 00:34:00,440

Now, many people have already won this battle within themselves. They have come out winners.

407

00:34:00,440 --> 00:34:06,440

But they still need to be on guard, because attacks are still leveled against them.

408

00:34:06,440 --> 00:34:13,440

But you might say from psychic forces, from various invisible elements, and even from the physical plane around us,

409

00:34:13,440 --> 00:34:20,440

we need to be strong enough to be over and above the temptations of the emotional nature and the emotional world.

410

00:34:20,440 --> 00:34:28,440

Jealously, hatred, all things of that nature. If we cannot prove ourselves master over that, we have not won the battle yet.

411

00:34:28,440 --> 00:34:34,440

And we might have to go through the very difficult lessons that we have enjoyed through upon the earth for thousands of years,

412

00:34:34,440 --> 00:34:38,440

and we might have to go through that whole cycle all over again. And who wants that?

413

00:34:39,440 --> 00:34:46,440

Who wants that? What do we have? A golden opportunity right here, right now, to prove ourselves masters over this situation.

414

00:34:46,440 --> 00:34:53,440

Until we have proven ourselves, we have not won. And this must be done by each individual, every one of us.

415

00:34:53,440 --> 00:35:00,440

It cannot be done by the people. Each one of us must prove these things within ourselves. This is a matter. The battle of the ages.

416

00:35:00,440 --> 00:35:07,440

All of these things have been prophesied of old, the early day process, all indicated that there will be a time of great tribulation,

417

00:35:08,440 --> 00:35:14,440

great trial of tribulation upon the face of the earth before the great and terrible day of the coming of the Lord.

418

00:35:14,440 --> 00:35:22,440

And we are in that time. It is right here. It is right now. And whether we are ready or not to face it, it is here.

419

00:35:22,440 --> 00:35:28,440

The elaborate hour has come. There is no more time. There is no more time to feel it down here now, or say,

420

00:35:28,440 --> 00:35:34,440

well, I'm going to work now for Social Security or for this or that. I have some other things that I want to do first.

421

00:35:34,440 --> 00:35:40,440

And then perhaps if I see enough or someone knocks me on the head or one of these crafts comes out and knocks my hat off,

422

00:35:40,440 --> 00:35:45,440

then maybe I will look into this and begin to do something in a greater way.

423

00:35:45,440 --> 00:35:51,440

Some people have come up with ideas. I've heard these ideas expressed. They have spoken them to me.

424

00:35:51,440 --> 00:35:59,440

They said, well, you know, there are a lot of things that I could do. I'm very much interested in healthy mind and mind.

425

00:35:59,440 --> 00:36:05,440

In time, I have ability, I think, to have great talent. Perhaps public relations.

426

00:36:05,440 --> 00:36:12,440

A stockbroker or something else. And they say, you know, I could even retire. And it wouldn't hurt me one bit.

427

00:36:12,440 --> 00:36:17,440

I could even retire at hours. And they wrote my whole time in this work.

428

00:36:17,440 --> 00:36:24,440

They said, if these thoughts are really looking for people that would really help this world situation, why don't they let me see them?

429

00:36:24,440 --> 00:36:35,440

Why don't they come in line and talk to me? My answer to a person like that is that they are indeed looking at this from a short-sighted field.

430

00:36:35,440 --> 00:36:42,440

If they already know the need in the world, if they can see the things around us, then all of us can see.

431

00:36:42,440 --> 00:36:48,440

And they must see them unless they're blind. Then why aren't they already doing something about it?

432

00:36:48,440 --> 00:36:58,440

Why shouldn't the advanced intelligence come down and contact a person who has ability and should be doing something and isn't doing a blessed thing?

433

00:36:58,440 --> 00:37:03,440

What would be gained by such an experience? What would be gained?

434

00:37:03,440 --> 00:37:14,440

The ones who have the right intentions, the right motives, the right feelings within our hearts, the ones who are motivated by right principles will be the ones who can help the world now.

435

00:37:14,440 --> 00:37:22,440

Later on, those who are not yet sure of themselves, they don't know for sure what stand they're going to take or which side of the fence they're going to get on.

436

00:37:22,440 --> 00:37:28,440

They may come later, but they will come because of the work of those who have already begun to do something.

437

00:37:28,440 --> 00:37:41,440

Also, I feel that sometimes these cracks have come or have made themselves visible, or have contacted various persons who were so immersed in the world situation, the materialism of this time.

438

00:37:41,440 --> 00:37:50,440

They knew about something about the backgrounds of those people. They knew that they were right intentions, but they were all tangled up in this physical, material world.

439

00:37:50,440 --> 00:37:57,440

And because of the needs, the great needs that is apparent throughout the world, it's in the Daily News papers every day.

440

00:37:57,440 --> 00:38:05,440

Right now, it wasn't as apparent to many people in 1957 or 1956 or 1949, many of us begin to feel

these things.

441

00:38:05,440 --> 00:38:10,440

We begin to feel a great danger, a great danger coming to the earth.

442

00:38:10,440 --> 00:38:15,440

And we are now seeing this danger forming, taking form before our very eyes.

443

00:38:15,440 --> 00:38:24,440

But to help people get untangled from the physical, material things of the world, it is possible that some of these cracks may come from that reason.

444

00:38:24,440 --> 00:38:29,440

It is not my purpose or intention to try to outline all of their motives. They know their motives.

445

00:38:29,440 --> 00:38:33,440

It is important for us to know our motives and make sure that our motives are right.

446

00:38:33,440 --> 00:38:39,440

When we do that, we also will be on the right track. We cannot judge always about the circumstances.

447

00:38:39,440 --> 00:38:45,440

We cannot judge always as to what happens in some situation in the person's life.

448

00:38:45,440 --> 00:38:53,440

If we knew the motives that's brought that about, what that person was trying to do, even though perhaps they didn't succeed in that way, then we are again on the right track.

449

00:38:53,440 --> 00:39:01,440

And I feel with these beings, even as I've communicated in the many of the books, that they don't judge people. How could they judge?

450

00:39:01,440 --> 00:39:09,440

They try to understand the motives of people as to whether their motives were right or intentioned in the right way in the first place.

451

00:39:09,440 --> 00:39:19,440

And if they had right motives and they do try to help those people of that person, that is to judge in some of the results, look at the craze of things going on in this world every day.

452

00:39:19,440 --> 00:39:27,440

We start out sometimes with many right intentions and motives, but it's sort of backfire from it.

People are putting them to jail.

453

00:39:27,440 --> 00:39:35,440

The various ones have told me that right now there are many in our jail. Our jails are full of people who are not guilty.

454

00:39:35,440 --> 00:39:48,440

They weren't intended to commit a crime. They either crossed someone, they got in someone's way, or they had money in their own family sometimes assigned them to a mental institution to get them out of the way so they could spend the money.

455

00:39:48,440 --> 00:39:54,440

So these things are happening because of the world situation, the confusion of this world.

456

00:39:54,440 --> 00:40:00,440

So there are many well-intentioned people even in jail, in penitentiaries every day.

457

00:40:00,440 --> 00:40:08,440

We're living in what you might call a very confusing time. We have something like 40,000 accidents on highways every year.

458

00:40:09,440 --> 00:40:19,440

We have more people in the United States dropping of cancer and heart disease in any country in the world, even while we have more doctors, more hospitals, and more nurses in any country in the world.

459

00:40:19,440 --> 00:40:28,440

What is wrong? If we have so much of this medical aid, how come our people are dropping faster and more so than any nation in the world?

460

00:40:28,440 --> 00:40:39,440

Even as we see the evidence in this world of this time, a group of people called the Hunters who are going to India, some 20,000, and so on, have no doctors, they have no hospitals.

461

00:40:39,440 --> 00:40:48,440

They live by nature's way, eating the fruits and the vegetables grown in their own soil. By natural methods they don't even use chemical fertilizers.

462

00:40:49,440 --> 00:40:57,440

And they eat that food. They live to be 100 to 150 years of age and older. They can work in the fields until that age.

463

00:40:57,440 --> 00:41:05,440

They can give childbirth to children at the age of 100 years, and they have no cancer and they have no heart disease. They never heard of them.

464

00:41:05,440 --> 00:41:12,440

What is wrong? The indication is that we have gone off the beat. We have gone off the way. We are not following the cleanest way.

465

00:41:12,440 --> 00:41:19,440

And because we violate these things in our lives, we don't live by right principle our ways. We live by worrying, confusion.

466

00:41:19,440 --> 00:41:28,440

Our minds are in a constant world about how we are going to pay our taxes, or how we are going to do this and that and so forth, that we can't live what you call a balanced life.

467

00:41:28,440 --> 00:41:32,440

On top of that we have all this mud. We have all this cigarette smoke.

468

00:41:32,440 --> 00:41:47,440

And all sorts of things that we have added to the situation, drugs and narcotics, and all sorts of things that people are taking into their bodies, and then they wonder what happens to the body, how it comes, and can't support them, how come it begins to fail?

469

00:41:47,440 --> 00:41:56,440

I would say that from what I have seen going on in this world, it is a miracle that anyone has any good health at all. It's a miracle that there is any kind of health at all.

470

00:41:57,440 --> 00:42:10,440

And I would say that God is indeed fantastically intelligent and powerful that we can even walk around in the confusion of this time. But we have gone so far away from some of these truths.

471

00:42:10,440 --> 00:42:28,440

Many people don't understand what is going on in the world today in the lives of national and international events. They read things in the newspapers. They watch television programs. Sometimes after watching a television program they go to a mental hospital.

472

00:42:29,440 --> 00:42:40,440

This has happened also, watching some of these crazy psycho programs that we have on TV where you watch broken glass and spider webs and mirrors and crazy things that are meant to distort the mind.

473

00:42:40,440 --> 00:42:51,440

And I have actually heard of people who have gone to a mental institution after watching one of these crazy television programs. Many people don't understand that they are being brainwashed when they go to movies.

474

00:42:51,440 --> 00:43:05,440

Many of our movies are written by and presented by the verses. They are not to uplift consciousness. They are meant to confuse and twist the minds of people. They are attacking the American armed forces. They are attacking the American nation.

475

00:43:05,440 --> 00:43:16,440

They are attacking the highest principles of God the Creator. And everything good that was ever done. They have even gone to using titles such as Heaven and Angel and God.

476

00:43:17,440 --> 00:43:30,440

And all of the things that would indicate to you that this is going to be something angelic and something beautiful and something profound. And the people go to those shows and they find that there is a terrible twist in this as they have put it in the show.

477

00:43:30,440 --> 00:43:40,440

There is something that is lacking of God. It is lacking at anything wonderful and profound. There is spiritual or angelic. And it is a twist. It is a twist of the mind. This is done deliberately.

478

00:43:41,440 --> 00:43:56,440

We are faced with a time right now when we are engaged in probably the worst psychological struggle. We have had a side to us directed towards it. The greatest program of psychological warfare that I think any nation has ever seen.

479

00:43:56,440 --> 00:44:15,440

And this is aimed against America and against the free world, but especially America. Because America is a match in the freedom of this free world. If America can be eliminated by confusion, by sickness, by disease and by drugs and all kinds of wrong ideas, then nothing more needs to be done.

480

00:44:16,440 --> 00:44:29,440

And as has been indicated by these who are engaged in this program of destruction, they have said,

outlined, for instance, in the Soviet Union, way back in 1932, we had three-point programs in which chief of police was telling American students who were overwhelmed.

481

00:44:29,440 --> 00:44:41,440

There were college professors, students, lawyers, nurses, doctors who were over there to learn how to revert and destroy the nation as they were. He said, first of all, we are going to destroy America without firing one shot.

482

00:44:42,440 --> 00:44:53,440

Number two, we will tax your middle class out of existence. We are fighting that fact. The very thing is happening in America today. Our taxes are going higher and higher.

483

00:44:54,440 --> 00:45:01,440

Wars are propagated, and when these war is over, the taxes that were formulated to pay for that war are never repealed. They just go on and on.

484

00:45:01,440 --> 00:45:15,440

And we find that one of the first principles of the Communist manifesto written by Karl Marx was, number one, we will formulate or develop a graduated income tax scale for every nation.

485

00:45:16,440 --> 00:45:31,440

And America got the income tax about 1913, after Karl Marx and Michera were being published in this country in the late 1800s. We got the graduate income tax in 1913.

486

00:45:31,440 --> 00:45:42,440

Since that time, individual liberty has been fighting a losing battle, little by little by little, by little, by creeping takeover of all individual liberty and individual control.

487

00:45:45,440 --> 00:45:52,440

It is indicated that they are not worried about the very rich because some of the biggest money in the world is behind this program of international conspiracy.

488

00:45:52,440 --> 00:45:58,440

Money can be controlled by money. People can be threatened. They can be told, well, now either you work with us or we will eliminate you.

489

00:45:59,440 --> 00:46:10,440

You are a losing stock and bond. We will lose out with this white guy. The very poor are so concerned with where the next day's food is coming from that they cannot be concerned with politics and things of that nature.

490

00:46:10,440 --> 00:46:22,440

I would say that our present political campaign, the fight that is going on within this nation for the survival of individual liberties, is probably the greatest danger time in our history since the days of the revolution.

491

00:46:22,440 --> 00:46:32,440

One of the biggest dangers is that most people don't even know there is a danger. They are so apathetic now to the real situation that they don't even think there is any danger. Everything is going along fine.

492

00:46:34,440 --> 00:46:41,440

To illustrate that, to show what is happening and what has been done with work, I was lecturing in Logan, Utah.

493

00:46:42,440 --> 00:46:49,440

There are a lot of people of the LDS faith, Mother Day Saints, or what used to be called Mormon, in that area.

494

00:46:49,440 --> 00:47:00,440

I was told that a college professor from one of the colleges appeared before a Kiwanis club in that region and they gave a beautiful talk to this Kiwanis club.

495

00:47:00,440 --> 00:47:08,440

He outlined a program of what you call ethics, ethical procedure in business and in government to this Kiwanis club.

496

00:47:08,440 --> 00:47:17,440

It was a very finely presented talk. After the talk was over, he asked these Kiwanis members, how many of you would vote for such a program?

497

00:47:17,440 --> 00:47:24,440

And they all raised their hands. Then he said, gentlemen, you have just voted for communism.

498

00:47:25,440 --> 00:47:35,440

Then he put it out to them how, as a modernistic, communist principle, the way they are being presented to are American people and the people of this world.

499

00:47:35,440 --> 00:47:43,440

The old words have been changed. The old slogans have disappeared. They are a new one and it is all ethics. Everything is ethical.

500

00:47:43,440 --> 00:47:50,440

Everyone gets their cut. Everyone gets their little bonus and they are cut. Everything is done by ethics, business and in government.

501

00:47:50,440 --> 00:47:56,440

And part of this is that every taxpayer must be a happy taxpayer. We must pay our taxes and pay them willingly and gladly.

502

00:47:56,440 --> 00:48:00,440

And be very happy when it's all over, even though the taxes might go higher and higher.

503

00:48:00,440 --> 00:48:05,440

We're all going to be a bunch of happy taxpayers all over the station.

504

00:48:05,440 --> 00:48:15,440

The third part of this program, the three-point program outlined in the Soviet Union, was that, number three, we will send you to Kansas.

505

00:48:15,440 --> 00:48:20,440

You ought to go back and tell your people that European saccharists are the best in the world.

506

00:48:20,440 --> 00:48:29,440

Educators meant it. Let them know that Europe produces the greatest saccharists in the world, so that when they come through your immigration, etc.,

507

00:48:29,440 --> 00:48:38,440

and if they speak in a foreign accent or a broken tongue, your people will say, ah, I have a good saccharist. He can't even speak English.

508

00:48:39,440 --> 00:48:47,440

The American Legion, of which I am a member, also a member of the Veterans of Foreign Wars, and the past commander in the Veterans of Foreign Wars,

509

00:48:47,440 --> 00:48:58,440

the greatest patriotic organization, including the Legion, have pointed out that now we have from 70 to 84% foreign-born saccharists practicing in America,

510

00:48:58,440 --> 00:49:01,440

and thankfully all of them came from Europe.

511

00:49:01,440 --> 00:49:05,440

What would the matter with our own colleges and our own universities?

512

00:49:05,440 --> 00:49:15,440

The answer is that we have to have a special breed of saccharists, and the special breed of saccharists are ones who come and say openly or in very ways,

513

00:49:15,440 --> 00:49:25,440

veiled hints, and by a twist in their words, say that there is no God, there is no Christ, and man has no soul.

514

00:49:25,440 --> 00:49:29,440

Man is merely an animal, and a man's stage of the animal kingdom.

515

00:49:29,440 --> 00:49:42,440

He can be brainwashed. He can be made to do things by mind procedure, by psychological procedure, and they have set a bar on a program to prove this and make it happen in this world.

516

00:49:42,440 --> 00:49:51,440

Instituting a group of people who have selected themselves as the intelligentsia of the future world, when peace would reign upon the world,

517

00:49:51,440 --> 00:50:01,440

that it would reign under their control, under a materialist society, where anyone who did not agree with this would be hospitalized,

518

00:50:01,440 --> 00:50:11,440

or would have psychiatric procedure practiced upon him, and as was pointed out in the same document, the same teaching and practices which is vital political procedure

519

00:50:11,440 --> 00:50:16,440

to be practiced in the taking over America, vital political procedure.

520

00:50:16,440 --> 00:50:24,440

It was pointed out by various that in your mental hospitals you have ruled for millions of your citizens,

521

00:50:24,440 --> 00:50:32,440

where they can have all of their constitutional rights denied to them, even more so than in the Middle-Eastern countries.

522

00:50:32,440 --> 00:50:42,440

They have no right whatsoever. And there, get noticed, and shot-away treatment can be practiced, departmental, and jail-way, and cannot lie.

523

00:50:42,440 --> 00:50:50,440

The same branch again. This is a elimination program. A goal that would be called an amusement society.

524

00:50:50,440 --> 00:50:58,440

Now, all these things are happening before our very eyes. The psychiatrists are here. The mental health programs are being instituted.

525

00:50:58,440 --> 00:51:06,440

We have seen nationwide riots in this election, and many people would say, well, gee, that sounds good. We've got to have mental health.

526

00:51:06,440 --> 00:51:14,440

And an idea is being formulated in the mind that many people now that you should go to see your psychiatrists at least once a month.

527

00:51:14,440 --> 00:51:19,440

Their fee is something like twenty or twenty-five dollars an hour, but you should go and see them at least once a month.

528

00:51:19,440 --> 00:51:25,440

And school shows, you know, that the characters are being assigned to public schools, elementary schools, and high schools,

529

00:51:25,440 --> 00:51:32,440

and that if the child breaks a pencil or steps on someone's toes at many times the sentences of psychiatry is now,

530

00:51:32,440 --> 00:51:36,440

and then they come home with a slip of paper and say, the parent now should come and see the psychiatrist.

531

00:51:36,440 --> 00:51:45,440

If this child is abnormal, there's something terribly wrong with them. They're confused and mixed up, kid.

532

00:51:45,440 --> 00:51:51,440

And in one school, a teacher actually did this, and this was brought to me on my lecture to her right here in California.

533

00:51:51,440 --> 00:51:59,440

This was a pre-school-aged child. They were not even in their first grade. It was pre-first-age, first grade.

534

00:51:59,440 --> 00:52:03,440

And the parent got a call, and the parent was working.

535

00:52:03,440 --> 00:52:07,440

The parent got a call and told her to rush to the school immediately.

536

00:52:07,440 --> 00:52:14,440

And she jumped in the car thinking that the child had lost his head or something had happened, something terrible had happened.

537

00:52:14,440 --> 00:52:18,440

And at the end has come, and she arrives in great anxiety and consternation.

538

00:52:18,440 --> 00:52:22,440

She arrives to the teacher and says, well, what in the world has happened?

539

00:52:23,440 --> 00:52:34,440

Well, this pre-first grade teacher said to her that her child has even some pink pink, and she says, I have sent the child with the kind of...

540

00:52:36,440 --> 00:52:42,440

And it is indicative of this, very something, very subconsciously wrong in the mind of the child.

541

00:52:42,440 --> 00:52:47,440

And she says, this is a terrible situation, and you must do something about it.

542

00:52:48,440 --> 00:52:52,440

So the parent said, well, gee, that doesn't have very good of a mission.

543

00:52:52,440 --> 00:52:59,440

So she asked the child, she asked the child, and later on she says, what in the world? Why in the world did you use that same thing?

544

00:52:59,440 --> 00:53:02,440

The parent said, no one had bothered to ask the child why she had it.

545

00:53:02,440 --> 00:53:05,440

She said, because it looks like strawberry asked me.

546

00:53:08,440 --> 00:53:11,440

Something was terribly wrong in the mind of the child.

547

00:53:12,440 --> 00:53:27,440

Can you see how by insinuation and by planting ideas and the minds of the youth of the children, how they can later on be affected to a point where, as it was indicated in the Ohio,

548

00:53:27,440 --> 00:53:30,440

Toledo, Ohio, public school, this happened there by a mother who was alert.

549

00:53:30,440 --> 00:53:36,440

People should be watching these things, should be knowing what's going on to their children and in the public schools.

550

00:53:37,440 --> 00:53:42,440

In that case, this mother said that her children came home from the school crisis during.

551

00:53:42,440 --> 00:53:45,440

And she asked them, what in the world was wrong?

552

00:53:45,440 --> 00:53:57,440

They said, well, the teacher told them today that within ten years the mental hospital will be so crowded with mental patients that some of them will have to be killed and make room for the others coming in.

553

00:53:57,440 --> 00:54:00,440

In the public schools.

554

00:54:00,440 --> 00:54:03,440

In the public schools told to the children.

555

00:54:04,440 --> 00:54:14,440

Within ten years time, upon the justification of the future, where people would actually be destroyed, their lives would be taken inside the hospital to make room for those trying to come in.

556

00:54:14,440 --> 00:54:16,440

In the public schools.

557

00:54:16,440 --> 00:54:18,440

Done by the future.

558

00:54:20,440 --> 00:54:23,440

Now we are engaged in this struggle upon this earth.

559

00:54:23,440 --> 00:54:25,440

We are in a struggle, and it is a real one.

560

00:54:25,440 --> 00:54:30,440

This struggle is for the very survival of the freedom of man in America.

561

00:54:30,440 --> 00:54:35,440

America is going to see the greatest attack leveled against this country we have ever seen.

562

00:54:35,440 --> 00:54:38,440

It is from the inside, and it is from the outside.

563

00:54:38,440 --> 00:54:43,440

So the work for this is from the inside because many people fail to recognize what is happening.

564

00:54:43,440 --> 00:54:44,440

They won't accept it.

565

00:54:44,440 --> 00:54:49,440

Some people after a lecture like this have come to me after a consensus.

566

00:54:49,440 --> 00:54:51,440

They say, aren't you a communist?

567

00:54:51,440 --> 00:54:54,440

You talk like you're talking against something.

568

00:54:54,440 --> 00:54:58,440

You're talking against someone, or even the government.

569

00:54:58,440 --> 00:55:05,440

Others have told me in the question of NASA period after one of these lectures about the spaceship.

570

00:55:05,440 --> 00:55:14,440

They have said afterwards, they have said, well, they sort of shook their shoulders, known as they draw on each breath, and now they're going to give you the impossible question.

571

00:55:14,440 --> 00:55:19,440

They're going to show what a food yard, and they're going to show what a wise man they are.

572

00:55:20,440 --> 00:55:33,440

And they say, well, wouldn't you think that if it was important for us to know about flying saucers, that the government would make a public and let us know about it?

573

00:55:33,440 --> 00:55:36,440

And then they sort of left their breath to out, you know, and they're self-satisfied.

574

00:55:36,440 --> 00:55:38,440

Everything is fine now.

575

00:55:38,440 --> 00:55:40,440

They have presented the impossible question.

576

00:55:40,440 --> 00:55:48,440

My answer to a question like that has been and is, I said, brother, you have just made one of the most dangerous statements of any American into May.

577

00:55:49,440 --> 00:55:59,440

You have already delegated your right to think for yourself to someone else, to an invisible something you can't even see that you call the government.

578

00:55:59,440 --> 00:56:06,440

And according to the Constitution, the government has been and is the people of the United States.

579

00:56:06,440 --> 00:56:08,440

It is not a group of people.

580

00:56:08,440 --> 00:56:16,440

We elect people to Congress, but any sign that we turned over these people, let them do anything they want to do,

581

00:56:16,440 --> 00:56:18,440

and we hold no reign on them.

582

00:56:18,440 --> 00:56:19,440

We are not Americans anymore.

583

00:56:19,440 --> 00:56:21,440

We are not abiding by the Constitution.

584

00:56:21,440 --> 00:56:27,440

We not only elect people into office, and we think we serve our nation the best, but we watch every move they make.

585

00:56:27,440 --> 00:56:30,440

And if they don't do the right things, we get them out of here.

586

00:56:30,440 --> 00:56:39,440

The fact this is generally in America, unfortunately enough, is that when a name becomes popular, be it the name of Roosevelt or anyone else,

587

00:56:39,440 --> 00:56:44,440

people keep on voting for that name just because they have seen it so many times.

588

00:56:44,440 --> 00:56:47,440

Do you know what repetition of anything is?

589

00:56:47,440 --> 00:56:49,440

A continual repetition of something is?

590

00:56:49,440 --> 00:56:51,440

It's hypnotized.

591

00:56:51,440 --> 00:56:54,440

People have become hypnotized by name.

592

00:56:54,440 --> 00:56:58,440

They don't look and see what the voting records of these people are.

593

00:56:58,440 --> 00:57:04,440

They don't find out what kind of, what they stand for, whether they stand for the America and the real Constitution,

594

00:57:04,440 --> 00:57:10,440

but they keep on voting them because they have seen their name on the ballot over and over again or in the Navy Crest.

595

00:57:10,440 --> 00:57:14,440

They say, well, gee, he must be a good man. He's been there two times already.

596

00:57:14,440 --> 00:57:16,440

But he's not sending back.

597

00:57:16,440 --> 00:57:21,440

He must know more about the job than anyone else because he's already been there twice.

598

00:57:21,440 --> 00:57:32,440

Do you know that in California, in San Francisco, up in the Bay Area, college students from the University of California, Kansas,

599

00:57:32,440 --> 00:57:41,440

practically ran the House on American Activities Committee out of that area by fiction, by fictioning in my violence,

600

00:57:41,440 --> 00:57:45,440

right here in California, right here.

601

00:57:45,440 --> 00:57:54,440

And the House on American Activities Committee is one of the groups that is still trying to fight to bring the things that are happening into the open.

602

00:57:54,440 --> 00:57:57,440

Also the Senate internal security subcommittee.

603

00:57:57,440 --> 00:58:01,440

To the committees. I don't care how many committees would be disbanded.

604

00:58:01,440 --> 00:58:05,440

Those would be the last to go because they're trying to bring out truth.

605

00:58:05,440 --> 00:58:13,440

Even at sometimes personal ridicule to the chairman of those committees whenever they leave the Congress, they have a terrible time.

606

00:58:13,440 --> 00:58:18,440

They say they have a black ball by these very elements that are trying to destroy America.

607

00:58:18,440 --> 00:58:22,440

Their name has been dragged to the mud in very plain.

608

00:58:22,440 --> 00:58:32,440

And you know that one of the famous days in our history of the science, James Roosevelt from California, twice now,

609

00:58:32,440 --> 00:58:40,440

the United States Congress has come up with proposals and campaigns to disband the House on American Activities Committee.

610

00:58:40,440 --> 00:58:46,440

Do you know that? Do you know that? Life in California.

611

00:58:46,440 --> 00:58:49,440

I would say, ladies and gentlemen, that we are going to be patient with the situation.

612

00:58:49,440 --> 00:58:56,440

We are not going to be patient with the art, because when we are going to have to reckon with everything we have,

613

00:58:56,440 --> 00:59:05,440

of the highest wisdom and the health challenges we have, that is to hold this nation together, again, to the elements that are trying to destroy.

614

00:59:05,440 --> 00:59:11,440

From my experience and what I have seen, whether you believe this is not or what any part of it, I don't care.

615

00:59:11,440 --> 00:59:15,440

I have found the fact more and more myself and I have decided by the system what is going on,

616

00:59:15,440 --> 00:59:21,440

that there is an adjustment attempt to turn the black man against the white man and white person,

617

00:59:21,440 --> 00:59:28,440

to get them to be at his best under control, deliberately, if this is a part of a deliberate plan.

618

00:59:28,440 --> 00:59:35,440

And out of all of it, whether it is an economic chaos, whether it is race, white or what it is,

619

00:59:35,440 --> 00:59:42,440

if you get people fighting with each other enough, then through chaos, the conspiracy which is common,

620

00:59:42,440 --> 00:59:48,440

it is called confidence, it is a very coordinated, it is an international conspiracy, takes over.

621

00:59:48,440 --> 00:59:54,440

And then they say, well now you have demonstrated that you have nothing but race, white,

622

00:59:54,440 --> 00:59:57,440

you have all of these insurmounts and confusion, nothing is common,

623

00:59:57,440 --> 01:00:02,440

because now we are going to deliberate you and we are going to set up a system of the people,

624

01:00:02,440 --> 01:00:07,440

that the people never have anything to see, they can have a vote for one party

625

01:00:07,440 --> 01:00:11,440

or they can select a vote for a selected candidate.

626

01:00:11,440 --> 01:00:13,440

And that's the end of it.

627

01:00:13,440 --> 01:00:19,440

We are faced with a period of time right ahead of us where these people have been saying openly,

628

01:00:19,440 --> 01:00:28,440

or in hidden discussion groups, that they plan to have this nation taken over maybe as early as 1961.

629

01:00:29,440 --> 01:00:33,440

And that the way they are getting converts, people are joining them, joining their cause.

630

01:00:33,440 --> 01:00:39,440

And there are probably more commoners in the United States than there is in Russia right today, possibly more.

631

01:00:39,440 --> 01:00:42,440

If by going around and making promises, they say to this and that,

632

01:00:42,440 --> 01:00:46,440

they find a good looking young girl who is having trouble getting a job or has a job

633

01:00:46,440 --> 01:00:51,440

but has a greater aspiration, and they say to this girl, or to this young man,

634

01:00:51,440 --> 01:00:57,440

and they say, what you do now is that you have great talent, you have great beauty,

635

01:00:57,440 --> 01:01:01,440

you have it in that and so forth, that if you will join the party,

636

01:01:01,440 --> 01:01:06,440

we will feed you of what you are making now, and the way money is chicken feed.

637

01:01:06,440 --> 01:01:10,440

And when the great day of the takeover comes, you will be one of the great ones,

638

01:01:10,440 --> 01:01:13,440

you will be one of the main ones, one of the powers.

639

01:01:13,440 --> 01:01:17,440

You will be having shoulders about everyone else in this community, you will be one of the powers.

640

01:01:17,440 --> 01:01:23,440

And you know that many of our American youth and people are falling for this hook-slide inflation.

641

01:01:23,440 --> 01:01:28,440

It's being used in political strategies, in this political campaign that's already been used a great deal,

642

01:01:28,440 --> 01:01:30,440

it is used in politics.

643

01:01:30,440 --> 01:01:37,440

But this is being taken now as a part of this program to encourage people to sell out their birthright.

644

01:01:37,440 --> 01:01:41,440

Now we say that in this time of judgment, and we are in the time of judgment,

645

01:01:41,440 --> 01:01:43,440

anyone who sells out their birthright...
