

1

00:00:00,000 --> 00:00:09,200

But this is being taken now as part of this program to encourage people to fell off their

2

00:00:09,200 --> 00:00:10,200

birthright.

3

00:00:10,200 --> 00:00:15,200

Now we say that in the time of judgment, if we are in the time of judgment, anyone who

4

00:00:15,200 --> 00:00:22,640

fell off their birthright fells out the Christ and goes with the atheistic element of this

5

00:00:22,640 --> 00:00:23,640

world at this time.

6

00:00:23,640 --> 00:00:29,040

It could be a sad day for them to find out how long they have been and how they have

7

00:00:29,040 --> 00:00:30,040

sold out their birthright.

8

00:00:30,040 --> 00:00:33,040

So it would be a very sad day.

9

00:00:33,040 --> 00:00:36,640

I have seen these things happening.

10

00:00:36,640 --> 00:00:40,840

The nation's capital is one point in our to me that right now, a sense of intelligence

11

00:00:40,840 --> 00:00:46,840

has more suicide than any government agency there is.

12

00:00:46,840 --> 00:00:50,440

And I would say that the reason they are in the political is the same as what is happening

13

00:00:50,440 --> 00:00:51,440

in the other government agencies.

14

00:00:51,440 --> 00:00:57,440

But there is a program on the way to protect and keep department heads and very important

15

00:00:57,440 --> 00:00:58,440

around charging people.

16

00:00:58,440 --> 00:01:02,440

A point these people as much as possible, if we are in this position, atheistic ones,

17

00:01:02,440 --> 00:01:08,440

who say there is no God and there is no Christ, puts them in charge.

18

00:01:08,440 --> 00:01:12,440

Anyone who says that they believe in prayer, believe in spiritual things is being pushed

19

00:01:12,440 --> 00:01:19,440

out either by suicide, by resignation or by the route of a mental hospital with a government

20

00:01:19,440 --> 00:01:29,440

attorney and state officers fighting the papers, sending them right from their jobs to the

21

00:01:29,440 --> 00:01:32,440

new apartment.

22

00:01:32,440 --> 00:01:43,440

There is also something that is happening throughout the nation, the state cap proactive

23

00:01:43,440 --> 00:01:44,500

and being supported in the county government organization that there is a terrible fight

24

00:01:44,500 --> 00:01:47,080

going on within an agency.

25

00:01:47,080 --> 00:01:51,500

be free, is going to have a right to reach for the highest things and the garter things,

26

00:01:51,500 --> 00:01:57,140

or whether he is going to be a mental walking robot, and that he takes his orders and smiles

27

00:01:57,140 --> 00:02:01,480

always at the right time and pays his taxes and keeps up with his credit system and everything

28

00:02:01,480 --> 00:02:02,480

else.

29

00:02:02,480 --> 00:02:06,480

Doing this very grievously because he has become a walking robot.

30

00:02:06,480 --> 00:02:07,960

This is a struggle.

31

00:02:07,960 --> 00:02:12,600

I know what the outcome of this is going to be because in the last part of this lecture

32

00:02:12,600 --> 00:02:18,360

tonight I am going to tell to you things that I have been told this year in 1960 in a very

33

00:02:18,360 --> 00:02:22,840

profound and spiritual experience that I have been told to tell the people this time what

34

00:02:22,840 --> 00:02:23,840

is ahead of us.

35

00:02:23,840 --> 00:02:27,560

We are not going to be faced with a disease, we are going to be faced with a victory, but

36

00:02:27,560 --> 00:02:32,600

this victory will be brought about by those who still know the higher things and the higher

37

00:02:32,600 --> 00:02:33,600

truth.

38

00:02:33,600 --> 00:02:37,600

It is not going to be something very easy, but it can be done.

39

00:02:37,600 --> 00:02:41,600

And the victory is assured because God is still in charge of his universe.

40

00:02:41,600 --> 00:02:48,000

He has never relinquished control to any atheist or anyone who would try to push his fellow

41

00:02:48,000 --> 00:02:49,000

man now.

42

00:02:49,000 --> 00:02:50,000

He has never lost control.

43

00:02:50,000 --> 00:02:51,000

He has always maintained control.

44

00:02:51,000 --> 00:02:56,880

These people who think that they are gaining not great power, all that they are fooled by

45

00:02:56,880 --> 00:02:57,880

is their own ego.

46

00:02:57,880 --> 00:03:04,640

They are looking at their own ego and their own demonstration of things that are indeed

47

00:03:04,640 --> 00:03:07,600

an abomination upon the face of this earth.

48

00:03:07,600 --> 00:03:14,600

They are looking at their own ego.

49

00:03:14,600 --> 00:03:17,600

They are looking at their own ego.

50

00:03:17,600 --> 00:03:19,600

They are looking at their own ego.

51

00:03:19,600 --> 00:03:21,600

They are looking at their own ego.

52

00:03:21,600 --> 00:03:23,600

They are looking at their own ego.

53

00:03:23,600 --> 00:03:25,600

They are looking at their own ego.

54

00:03:25,600 --> 00:03:28,600

They are looking at their own ego.

55

00:03:28,600 --> 00:03:31,600

They are looking at their own ego.

56

00:03:31,600 --> 00:03:37,600

How did this situation, we are going to see something wonderful along, and it is not going

57

00:03:37,600 --> 00:03:42,600

to be, as some have thought, a great and mature society controlled by a few people.

58

00:03:42,600 --> 00:03:44,600

It is not going to be that at all.

59

00:03:44,600 --> 00:03:48,600

It is going to be a manifestation of the quite consciousness for people to live with their

60

00:03:48,600 --> 00:03:53,600

love and their hearts, practicing every day in everything they do.

61

00:03:53,600 --> 00:03:57,600

Those who can survive through the time ahead of them, and this includes the coming of these

62

00:03:57,600 --> 00:03:58,600

patients.

63

00:03:58,600 --> 00:03:59,600

They are all apart of this.

64

00:03:59,600 --> 00:04:01,600

They know what this program is.

65

00:04:01,600 --> 00:04:04,600

They are part of the fulfillment of the prophecy.

66

00:04:04,600 --> 00:04:15,600

They are here partly and greatly because a promise was made by one who came to the earth.

67

00:04:15,600 --> 00:04:20,600

Because of one who came to the earth on his silence upon a mission known as the Lord Jesus

68

00:04:20,600 --> 00:04:24,600

Christ, made certain promises.

69

00:04:24,600 --> 00:04:31,600

The promise that he made was that a kingdom of heaven would be established upon the earth.

70

00:04:31,600 --> 00:04:35,600

The old world, the old earth would disappear as a new heaven, a new earth, and a new heaven

71

00:04:35,600 --> 00:04:36,600

would appear.

72

00:04:36,600 --> 00:04:42,600

To me, the meaning of this is that we are going gradually into higher consciousness, or into

73

00:04:42,600 --> 00:04:48,600

what you might call a fourth dimensional awareness, even to the point where we can see things

74

00:04:48,600 --> 00:04:50,600

that we cannot see now.

75

00:04:50,600 --> 00:04:55,600

And as we gradually, by the higher vibratory frequency of the earth, and our own development,

76

00:04:55,600 --> 00:05:00,600

acquire this greater understanding, we will indeed see a new heaven and a new earth, because

77

00:05:00,600 --> 00:05:05,600

we will be looking at it, imagine a different school.

78

00:05:05,600 --> 00:05:10,600

The those who survive these things are ahead of us, and whose motives are right, who dedicate

79

00:05:10,600 --> 00:05:15,600

themselves in service to God and their fellow man, and they will be the new generation,

80

00:05:15,600 --> 00:05:18,600

they will be the fathers and the mothers and the children of a new age.

81

00:05:18,600 --> 00:05:23,600

And we will begin by the year 1980.

82

00:05:23,600 --> 00:05:29,600

That he was infected by the disciples about various things.

83

00:05:29,600 --> 00:05:36,600

They asked, for instance, in one case, they said, Will your words, will your teaching

84

00:05:36,600 --> 00:05:38,600

be accepted by the world?

85

00:05:38,600 --> 00:05:42,600

And they were very much concerned because they were also going to go out and teach this to

86

00:05:42,600 --> 00:05:43,600

the world.

87

00:05:43,600 --> 00:05:48,600

And it turned out by the historical report, it is indicated that none of these disciples

88

00:05:48,600 --> 00:05:53,600

survived except perhaps one, perhaps one, who was taken up.

89

00:05:53,600 --> 00:05:59,600

All the rest either died by crucifixion or by stoning or imprisonment, even as Jesus was

90

00:05:59,600 --> 00:06:00,600

crucified.

91

00:06:00,600 --> 00:06:03,600

But he answered them this question in these words.

92

00:06:03,600 --> 00:06:09,600

He said, It matter not whether the people accept my teachings, but I say unto you, The

93

00:06:09,600 --> 00:06:14,600

world will be judged by my words in the last day.

94

00:06:14,600 --> 00:06:20,600

And this judging by these words means by my interpretation that we are living and practicing

95

00:06:20,600 --> 00:06:21,600

these things.

96

00:06:21,600 --> 00:06:27,600

And as you said in the book, in that scripture, that the words are written in our hearts.

97

00:06:27,600 --> 00:06:33,600

That means that we practice the principle of love and understanding in our hearts in all

98

00:06:33,600 --> 00:06:35,600

we do in relation to our fellow man.

99

00:06:35,600 --> 00:06:42,600

And the field we have acquired as we have not yet accepted the great consciousness that

100

00:06:42,600 --> 00:06:44,600

we brought to him.

101

00:06:44,600 --> 00:06:49,600

They always want to know when Jesus always spoke about a future time as being the fulfillment

102

00:06:49,600 --> 00:06:50,600

of this.

103

00:06:50,600 --> 00:06:53,600

He made a definite promise and it was to be fulfilled.

104

00:06:53,600 --> 00:06:57,600

But the scriptures, everything was taught at that point because they could not be fulfilled

105

00:06:57,600 --> 00:06:58,600

without time.

106

00:06:58,600 --> 00:07:00,600

The world was not ready for it.

107

00:07:00,600 --> 00:07:02,600

It was not receiving it.

108

00:07:02,600 --> 00:07:07,600

And the important statement, I would say, is a guide for all of the things that are happening

109

00:07:07,600 --> 00:07:12,600

around us and to us today, because we found in the New Testament teaching there is a complete

110

00:07:12,600 --> 00:07:15,600

guide in principle there for us to follow.

111

00:07:15,600 --> 00:07:20,600

That is why it is said that the stone with the builder rejects us would become the head

112

00:07:20,600 --> 00:07:22,600

of the corner in this time.

113

00:07:22,600 --> 00:07:28,600

A very pathetic and very important statement described in the Pharisees, the Sanhedrin of

114

00:07:28,600 --> 00:07:33,600

the Holy Spirit, who is considered this teacher a terribly dangerous man because the people

115

00:07:33,600 --> 00:07:34,600

were following him.

116

00:07:34,600 --> 00:07:38,600

They would not have worried about it if he was from the Christ-pop and no one listened

117

00:07:38,600 --> 00:07:39,600

to him.

118

00:07:39,600 --> 00:07:41,600

They had changed the money changers out of the temple.

119

00:07:41,600 --> 00:07:43,600

They already had lost money on this situation.

120

00:07:43,600 --> 00:07:51,600

They had been selling sacrifices, land, doves, all sorts of things to be sacrificed to play

121

00:07:51,600 --> 00:07:55,600

case so-called angry God, to keep on the good side of them.

122

00:07:55,600 --> 00:07:58,600

And he had changed the money changers out of the temple.

123

00:07:58,600 --> 00:08:00,600

The people were listening and following all around.

124

00:08:00,600 --> 00:08:02,600

This was a dangerous situation.

125

00:08:02,600 --> 00:08:08,600

So they called in the very questioning, trying to find out something they could use against

126

00:08:08,600 --> 00:08:09,600

him.

127

00:08:09,600 --> 00:08:13,600

They would just like a quarter of our time that they would call a person in for questioning,

128

00:08:13,600 --> 00:08:17,600

not because they didn't know what he was doing, but to try to get him to say something that

129

00:08:17,600 --> 00:08:22,600

could be used against him, to put him in the jail or get rid of him, because it might be

130

00:08:22,600 --> 00:08:24,600

dangerous to this time.

131

00:08:24,600 --> 00:08:29,600

So he was to be trapped in this way, that they would try to get him to say things that would

132

00:08:29,600 --> 00:08:33,600

put him into a band-like with the people, that he outsmarted, that he knew even what their

133

00:08:33,600 --> 00:08:35,600

thoughts were before they even spoke the words.

134

00:08:35,600 --> 00:08:41,600

So he said to them, that the girls down in the red light district down here will reach

135

00:08:41,600 --> 00:08:46,600

the kingdom of heaven before you do, because you are hypocrite.

136

00:08:46,600 --> 00:08:49,600

Very straight words indeed, aren't they?

137

00:08:49,600 --> 00:08:51,600

Because you are hypocrite.

138

00:08:51,600 --> 00:08:58,600

And he said that where it is said in the scriptures of the stone which the builders rejected

139

00:08:58,600 --> 00:09:00,600

will become the head of the corner of it.

140

00:09:00,600 --> 00:09:03,600

Indeed, this will happen as a fulfillment of these things.

141

00:09:03,600 --> 00:09:09,600

Now I would say that the stone which the builders rejected was a vice teaching and principle.

142

00:09:09,600 --> 00:09:16,600

It is a part perhaps of the pyramidist symbology where the capstone has been left off.

143

00:09:16,600 --> 00:09:21,600

And some of this space reports and books indicated that this capstone will actually be installed

144

00:09:21,600 --> 00:09:27,600

in the pyramid in the fulfillment of this time, but it will be done by nations.

145

00:09:27,600 --> 00:09:34,600

Not by earth, machines or contractors climbing up, trying to put that stone in place, the capstone.

146

00:09:34,600 --> 00:09:39,600

But the acceptance of the Christ's truth and teachings by the people of this time will

147

00:09:39,600 --> 00:09:43,600

be the stone which the builders rejected will be the head of the corner.

148

00:09:43,600 --> 00:09:47,600

We are actually in these work and activities where they fully realize that you are not.

149

00:09:47,600 --> 00:09:54,600

We are actually laying the foundation for this principle to happen, to be activated and become a part of our world consciousness.

150

00:09:54,600 --> 00:10:00,600

It has never been accepted yet, but it will be before this cycle is over.

151

00:10:00,600 --> 00:10:06,600

We are living in the last days of a cycle of years that I would say has won 26,000 years.

152

00:10:06,600 --> 00:10:11,600

It has been indicated to me in such ways that I feel definitely this is so.

153

00:10:11,600 --> 00:10:17,600

And that many have served upon the earth, some even coming here from other planets have served upon the earth

154

00:10:17,600 --> 00:10:23,600

the 26,000 year cycle to try to uplift the consciousness of our people over 30 years.

155

00:10:23,600 --> 00:10:27,600

Some may have been here 300,000 years or longer.

156

00:10:27,600 --> 00:10:30,600

Some many on the earth have risen in the mother planet.

157

00:10:30,600 --> 00:10:36,600

We will find in the final understanding that there have been colonies planted upon the earth

158

00:10:36,600 --> 00:10:43,600

long, long ago in the long distance past from earlier planets where civilization was discouraged.

159

00:10:43,600 --> 00:10:48,600

And that there may have been an evolutionary line also developing on the earth at the same time.

160

00:10:48,600 --> 00:10:54,600

But it may be that many of the people now living on the earth have an inter-pliminary origin.

161

00:10:54,600 --> 00:10:58,600

And this will be eventually understood and comprehended.

162

00:10:58,600 --> 00:11:01,600

That the universe is not an empty universe.

163

00:11:01,600 --> 00:11:08,600

It is a system of planets that has been intelligently organized and has supported intelligent life.

164

00:11:08,600 --> 00:11:10,600

For who knows how long?

165

00:11:10,600 --> 00:11:16,600

Most of the astronomers now are accepting and saying that they believe that there are hundreds of millions of inhabited planets.

166

00:11:16,600 --> 00:11:19,600

And I'm doubtful that many of them are more advanced than our own.

167

00:11:19,600 --> 00:11:22,600

If we allow our ego to stand in the way and say to us,

168

00:11:22,600 --> 00:11:26,600

Well, gee, we're so powerful, we're so mighty.

169

00:11:26,600 --> 00:11:27,600

By look what we have.

170

00:11:27,600 --> 00:11:29,600

We have no cars, airplanes.

171

00:11:29,600 --> 00:11:31,600

We haven't had atomic bombs now.

172

00:11:31,600 --> 00:11:32,600

And got a missile.

173

00:11:32,600 --> 00:11:34,600

And look, they're warheads.

174

00:11:34,600 --> 00:11:39,600

We are dancing very rapidly and we are civilizing people.

175

00:11:39,600 --> 00:11:43,600

I think one of the quickest ways to displace any ego of that nature,

176

00:11:43,600 --> 00:11:46,600

it might be called a proof statement by some people,

177

00:11:46,600 --> 00:11:48,600

but sometimes by those stories like this,

178

00:11:48,600 --> 00:11:53,600

some things are brought out that might save hours of lecture.

179

00:11:53,600 --> 00:11:56,600

This is a story about the cannibals on this earth.

180

00:11:56,600 --> 00:12:02,600

We look down on the lonely cannibal and say that he is indeed lowly evolved,

181

00:12:02,600 --> 00:12:06,600

because he killed his own kind of eat the flesh.

182

00:12:06,600 --> 00:12:10,600

We send missionaries down to Britain to hire in better ways.

183

00:12:10,600 --> 00:12:16,600

And sometimes the missionaries put in the pot also and become the soup.

184

00:12:16,600 --> 00:12:19,600

I saw a cartoon one time that was quite interesting where one of these missionaries

185

00:12:19,600 --> 00:12:24,600

was about to be put in a huge, giant kennel and the water was beginning to sink.

186

00:12:24,600 --> 00:12:28,600

And the missionaries turned and sort of desperate to the cannibal chief

187

00:12:28,600 --> 00:12:32,600

and said, Say, I thought you had done away with these things.

188

00:12:32,600 --> 00:12:36,600

And the chief said, Well, to tell you the truth, we haven't done away with them,

189

00:12:36,600 --> 00:12:42,600

but the cost of living down too high, we have to go back to it again.

190

00:12:42,600 --> 00:12:46,600

So this is a problem faced by some of our cannibals.

191

00:12:46,600 --> 00:12:50,600

But in this story, we look down on the lonely cannibal and say they are lowly evolved

192

00:12:50,600 --> 00:12:54,600

because they kill their own kind of eat the flesh.

193

00:12:54,600 --> 00:12:58,600

But you know what? In Ohio, it's quite often, and it's been quite often,

194

00:12:58,600 --> 00:13:01,600

we declare a war, we make it legal to kill our own kind,

195

00:13:01,600 --> 00:13:07,600

and we go out and kill millions of our people, and we waste all that good meat.

196

00:13:07,600 --> 00:13:11,600

Now, if the cannibal were to go out and see that battlefield,

197

00:13:11,600 --> 00:13:13,600

if he were to see that battlefield, he would look and say,

198

00:13:13,600 --> 00:13:21,600

What a terrible violence, what a terrible destruction I could have lived for thousands of years upon this chaos.

199

00:13:21,600 --> 00:13:23,600

Isn't it true?

200

00:13:23,600 --> 00:13:29,600

Who are we to say that we are civilized when we have not learned yet to live in a civilized way?

201

00:13:29,600 --> 00:13:35,600

We in this world have not learned and have not been living what we call civilization.

202

00:13:35,600 --> 00:13:39,600

Right now, our very ones, various scientists, various leaders in our own nation

203

00:13:39,600 --> 00:13:44,600

have been proposing, and we understand from the past that the Russians have been proposing the same thing.

204

00:13:44,600 --> 00:13:48,600

Some have proposed that we fight a preventive war.

205

00:13:48,600 --> 00:13:53,600

We end wars, we have heard about wars to end wars.

206

00:13:53,600 --> 00:13:57,600

We declare war so that we can end wars and have no war wars.

207

00:13:57,600 --> 00:13:59,600

Isn't that a war also?

208

00:13:59,600 --> 00:14:04,600

And then some have proposed that we fight a preventive war to end wars

209

00:14:04,600 --> 00:14:07,600

so that the other party can't come and make war against us.

210

00:14:07,600 --> 00:14:11,600

Isn't that a war also? Doesn't that start the conflict? Doesn't that start it?

211

00:14:11,600 --> 00:14:16,600

Can we hold in just one strike to end any kind of opposition?

212

00:14:16,600 --> 00:14:20,600

And now until the age of never trying to have the so-called enemy have been destroyed,

213

00:14:20,600 --> 00:14:22,600

another one has risen up.

214

00:14:22,600 --> 00:14:25,600

Always everyone seems to have enemies to fight. Where did they come from?

215

00:14:25,600 --> 00:14:28,600

It shows that the whole principle is wrong.

216

00:14:28,600 --> 00:14:34,600

That man is the only time he will ever live by Jesus by establishing the Christ principle in our hearts and living it.

217

00:14:35,600 --> 00:14:38,600

And as some have said, there is a new age sown after the effect of all this lecture.

218

00:14:38,600 --> 00:14:41,600

Be peace on earth and let it begin with me.

219

00:14:41,600 --> 00:14:46,600

Let it begin with me. If we take the violence out of ourselves and start there,

220

00:14:46,600 --> 00:14:51,600

then we can perhaps extend this lack of violence to other people.

221

00:14:51,600 --> 00:14:54,600

We are engaged in a very dangerous struggle at this time.

222

00:14:54,600 --> 00:15:00,600

And I would say that we need to turn to divine guidance completely in order to take God's nation.

223

00:15:00,600 --> 00:15:04,600

The very forces and pressures on working against us to deter me within our own nation,

224

00:15:04,600 --> 00:15:07,600

and the masses of the borders of this nation,

225

00:15:07,600 --> 00:15:11,600

that should the bastards and the freedoms be destroyed on this free world, everything else will fall.

226

00:15:11,600 --> 00:15:17,600

And I would say that from the confusion ahead of us, the only way that we can be sustained is by divine guidance.

227

00:15:17,600 --> 00:15:21,600

The very principle the board of Unvarnas spoken of in our space program,

228

00:15:21,600 --> 00:15:27,600

where he has said in a talk to a woman forum on national security in Washington, D.C.

229

00:15:28,600 --> 00:15:34,600

He said that our last ventures in the space have produced new evidence,

230

00:15:34,600 --> 00:15:39,600

which indicates again the divine order of all creation.

231

00:15:39,600 --> 00:15:44,600

And he said it should naturally enhance our reverence.

232

00:15:44,600 --> 00:15:48,600

He was fearful that in our space exploration attempt,

233

00:15:48,600 --> 00:15:55,600

we, the earth nations, should try to conquer the universe, taking our wars out in the space.

234

00:15:55,600 --> 00:16:01,600

And he said that in our whole space program, we need to work by divine guidance.

235

00:16:01,600 --> 00:16:05,600

This from the very profound science, and I think he's a very wonderful and courageous man,

236

00:16:05,600 --> 00:16:07,600

to come out with the truth of that statement.

237

00:16:07,600 --> 00:16:12,600

We can have this blasted against us in the front pages of all of our newspapers.

238

00:16:12,600 --> 00:16:15,600

As it was, I was able to get it from a little cookie.

239

00:16:15,600 --> 00:16:17,600

Most of you have never heard about this statement, I'm sure.

240

00:16:17,600 --> 00:16:20,600

How many of you have you heard this statement made by one of them?

241

00:16:21,600 --> 00:16:28,600

This is something that should be known to all the world, coming from our formal space science.

242

00:16:30,600 --> 00:16:35,600

So I would say that the indication all around us is that what the signs of the signs are.

243

00:16:35,600 --> 00:16:38,600

We need to examine our space attempts and everything.

244

00:16:38,600 --> 00:16:42,600

And so what our intention is, I'll be going to go out to the moon tomorrow at the leaders,

245

00:16:42,600 --> 00:16:47,600

and stick off gold flames and haul gold back and put it down in Fort Knox,

246

00:16:47,600 --> 00:16:50,600

under water there, the way our gold is stored now.

247

00:16:50,600 --> 00:16:54,600

I would go into partitioning off very parts of the universe and say to other nations,

248

00:16:54,600 --> 00:16:56,600

keep off here, this is ours.

249

00:16:56,600 --> 00:17:02,600

And others do the same thing, even as we're sort of partitioning off the South Polar region,

250

00:17:02,600 --> 00:17:06,600

but beginning to argue about who's going to have control of certain areas off there.

251

00:17:06,600 --> 00:17:10,600

The whole universe always has been and always will along with any one theater,

252

00:17:10,600 --> 00:17:12,600

the one source, the one power.

253

00:17:12,600 --> 00:17:17,600

And that here, it merely has an opportunity to use and utilize these things,

254

00:17:17,600 --> 00:17:19,600

if you know, use them in an instructive way.

255

00:17:19,600 --> 00:17:27,600

When he proves his narrow mind of this and his ignorance, then he drops out of the picture.

256

00:17:27,600 --> 00:17:31,600

One man has said, one of our thinkers, workers of this time, he says,

257

00:17:31,600 --> 00:17:39,600

you know, I'm not sure that man is capable of controlling or living on the Earth,

258

00:17:39,600 --> 00:17:41,600

proving his right to survive.

259

00:17:41,600 --> 00:17:44,600

You know, it says that there are other forms of life,

260

00:17:44,600 --> 00:17:47,600

and they may not be as advanced as we are,

261

00:17:47,600 --> 00:17:51,600

but how can we say that the fighters wouldn't do a better job than we have done?

262

00:17:51,600 --> 00:17:56,600

That they can build bridges, they can fly in the sky, they can do fantastic things.

263

00:17:56,600 --> 00:18:00,600

Maybe the fighters would be able to do a better job than people have done.

264

00:18:00,600 --> 00:18:03,600

We have something that is not always the same.

265

00:18:03,600 --> 00:18:07,600

Have we done the right things in the right way, in the highest position,

266

00:18:07,600 --> 00:18:13,600

or are we capable now of turning and doing more of these right things?

267

00:18:13,600 --> 00:18:16,600

The answer is available to us.

268

00:18:16,600 --> 00:18:20,600

We will find them within our own hearts, within our own consciousness.

269

00:18:20,600 --> 00:18:24,600

We will find that there is a Father within even when Jesus spoke of it.

270

00:18:24,600 --> 00:18:28,600

He said it is not high, but the Father within that there is work.

271

00:18:28,600 --> 00:18:31,600

Harvard University has recently discovered an announcement

272

00:18:31,600 --> 00:18:35,600

that they have discovered a superconscious mind existing in man.

273

00:18:35,600 --> 00:18:39,600

Various teachers, our various schools and teachers have for years

274

00:18:39,600 --> 00:18:44,600

in teaching about the superconscious, the conscious, and the subconscious mind.

275

00:18:44,600 --> 00:18:46,600

Now, Harvard says that it is this.

276

00:18:46,600 --> 00:18:48,600

So they are making progress in Harvard too,

277

00:18:48,600 --> 00:18:51,600

but we need to step ahead, every one of us,

278

00:18:51,600 --> 00:18:55,600

and work with the highest minds and the highest principles of results,

279

00:18:55,600 --> 00:18:59,600

and dedicate our lives in such a way that we can be proud examples

280

00:18:59,600 --> 00:19:03,600

from the higher order which is being instilled upon the earth.

281

00:19:03,600 --> 00:19:04,600

It will come.

282

00:19:04,600 --> 00:19:09,600

There will be survivors, and there will be the ones who will turn the right way.

283

00:19:09,600 --> 00:19:12,600

Now, thank you very much for your interest and your attention.

284

00:19:12,600 --> 00:19:14,600

I'll turn the...

285

00:19:14,600 --> 00:19:18,600

There's no announcement to be made, or you can have any announcements, please.

286

00:19:18,600 --> 00:19:19,600

No announcements to make.

287

00:19:19,600 --> 00:19:22,600

I might tell about some of the books that I have on this place,

288

00:19:22,600 --> 00:19:24,600

and the photographs that are here.

289

00:19:24,600 --> 00:19:27,600

I'm sharing with me having a book called Your Wenshah

290

00:19:27,600 --> 00:19:31,600

which tells about the order of the universe, systems of planets,

291

00:19:31,600 --> 00:19:35,600

the universe and super universes, things of that sort, and nature.

292

00:19:35,600 --> 00:19:38,600

Many of you may want to look at that book, it's available for orders.

293

00:19:38,600 --> 00:19:43,600

Also, a book called The Pentagon Case that tells about the conspiracy behind the scenes,

294

00:19:43,600 --> 00:19:46,600

where one of our former Navy flyers who was working in the Pentagon

295

00:19:46,600 --> 00:19:49,600

as a top level speed driver for the Defense Department official

296

00:19:49,600 --> 00:19:53,600

discovered this very conspiracy within the Pentagon.

297

00:19:53,600 --> 00:19:57,600

And then it reveals in this book even more of it how various communist writers

298

00:19:57,600 --> 00:20:01,600

are now writing some of our public school textbooks using our public schools,

299

00:20:01,600 --> 00:20:04,600

how they have infiltrated the movie industry, many other things,

300

00:20:04,600 --> 00:20:09,600

and how he decided to call for an investigation that exposed this conspiracy,

301

00:20:09,600 --> 00:20:13,600

and he was run out of the Pentagon, attempt for a made-on-his-life-right-on-the-Penigun parking lot,

302

00:20:13,600 --> 00:20:17,600

and a program was underway to put him in a mental institution

303

00:20:17,600 --> 00:20:21,600

under official tension, disinvolving an even-United States Senate

304

00:20:21,600 --> 00:20:25,600

that was trying to get his brother to sign commencement papers against him

305

00:20:25,600 --> 00:20:27,600

without even seeing his brother.

306

00:20:27,600 --> 00:20:31,600

All of this failed because these people did not call for this.

307

00:20:31,600 --> 00:20:34,600

But he was eventually forced out of the Pentagon where they had first claimed

308

00:20:34,600 --> 00:20:36,600

that he was in pain or something wrong with him.

309

00:20:36,600 --> 00:20:37,600

He needed the rest.

310

00:20:37,600 --> 00:20:41,600

He was wise enough to go to the Senate's internal security subcommittee

311

00:20:41,600 --> 00:20:43,600

and reveal the whole story to them.

312

00:20:43,600 --> 00:20:46,600

They told him to go back and advise them about his actions

313

00:20:46,600 --> 00:20:49,600

and that everything that happened would be reported to them.

314

00:20:49,600 --> 00:20:50,600

Put them on notice.

315

00:20:50,600 --> 00:20:54,600

There was consternation now where they had been a conspiracy

316

00:20:54,600 --> 00:20:56,600

to put him out of commission.

317

00:20:56,600 --> 00:20:58,600

It was very quiet for two days, and then they...

318

00:20:58,600 --> 00:21:01,600

He found himself working in the Pentagon with no work done as this.

319

00:21:01,600 --> 00:21:03,600

They sent in no work whatsoever.

320

00:21:03,600 --> 00:21:06,600

He was what you might call an isolation.

321

00:21:06,600 --> 00:21:07,600

He had him in the Pentagon.

322

00:21:07,600 --> 00:21:09,600

No work still to our intelligence.

323

00:21:09,600 --> 00:21:11,600

Our radio station was in position.

324

00:21:11,600 --> 00:21:12,600

No work to do.

325

00:21:12,600 --> 00:21:14,600

And finally they began to tell him,

326

00:21:14,600 --> 00:21:16,600

he said, what are you, might as well resign.

327

00:21:16,600 --> 00:21:18,600

He said, you know, you can't do anything for him now.

328

00:21:18,600 --> 00:21:22,600

And they offered to give him even the recommendation for another job

329

00:21:22,600 --> 00:21:26,600

if he would voluntarily just resign and move on out.

330

00:21:26,600 --> 00:21:28,600

He realized that he was out of stalemate anyway.

331

00:21:28,600 --> 00:21:30,600

He might as well resign.

332

00:21:30,600 --> 00:21:33,600

So he left there and they gave him a recommendation

333

00:21:33,600 --> 00:21:37,600

proving that their first acquisition had been false in the first place.

334

00:21:37,600 --> 00:21:39,600

He went to work in private industry.

335

00:21:39,600 --> 00:21:40,600

He had a high level salary,

336

00:21:40,600 --> 00:21:42,600

proving that there's nothing wrong with his mind,

337

00:21:42,600 --> 00:21:46,600

and finally wrote this book, The Pentagon Case.

338

00:21:46,600 --> 00:21:49,600

He had challenged one of these people since that time

339

00:21:49,600 --> 00:21:51,600

in the New York City paper,

340

00:21:51,600 --> 00:21:53,600

who said it was right behind this program,

341

00:21:53,600 --> 00:21:55,600

who was the hidden man behind the scenes,

342

00:21:55,600 --> 00:21:58,600

who was instrumental in getting him preached out

343

00:21:58,600 --> 00:22:01,600

rather than investigate his report.

344

00:22:01,600 --> 00:22:06,600

And he said in the public news paper released in New York City

345

00:22:06,600 --> 00:22:10,600

that this man was and is Secretary Gates,

346

00:22:10,600 --> 00:22:14,600

who is now the top man in our Defense Department.

347

00:22:14,600 --> 00:22:18,600

He was at that time under Secretary of the Navy.

348

00:22:18,600 --> 00:22:20,600

Many of us have been wondering,

349

00:22:20,600 --> 00:22:22,600

and a lot of questions going around in the minds of many people,

350

00:22:22,600 --> 00:22:25,600

exactly what happened to Secretary of the Navy's horse calls.

351

00:22:25,600 --> 00:22:29,600

What happened to many people who were based in Stratocamericans,

352

00:22:29,600 --> 00:22:32,600

who have suddenly disappeared from the National Seas?

353

00:22:32,600 --> 00:22:35,600

We'll find out if you can put a lot of answers together.

354

00:22:35,600 --> 00:22:37,600

You can look in the right places.

355

00:22:37,600 --> 00:22:39,600

Another book which I'm carrying with me,

356

00:22:39,600 --> 00:22:41,600

which is available for ordinance called Mental Trafficking,

357

00:22:41,600 --> 00:22:43,600

is sort of layman's text,

358

00:22:43,600 --> 00:22:46,600

proving that a lot of telepathic communication,

359

00:22:46,600 --> 00:22:49,600

communication, mind-to-mind is possible.

360

00:22:49,600 --> 00:22:52,600

Our most advanced colleges and universities are saying

361

00:22:52,600 --> 00:22:56,600

that they have proved electronically by electronic instrumentation

362

00:22:56,600 --> 00:23:00,600

that they can record a brain wave going out from the mind

363

00:23:00,600 --> 00:23:03,600

that does not diminish the distance.

364

00:23:03,600 --> 00:23:06,600

I think that we will have adequate proof that communication is real.

365

00:23:06,600 --> 00:23:08,600

It is real, and it is.

366

00:23:08,600 --> 00:23:11,600

There is a great deal of evidence in this book.

367

00:23:11,600 --> 00:23:13,600

Well, thank you very much.

368

00:23:13,600 --> 00:23:15,600

We will see you in about 10 minutes.

369

00:23:15,600 --> 00:23:21,600

Now, in our second phase of tonight's program,

370

00:23:21,600 --> 00:23:25,600

I want to get into more specific things about the corollaries

371

00:23:25,600 --> 00:23:30,600

between the coming of the spacecraft and the biblical prophecies

372

00:23:30,600 --> 00:23:35,600

and the fulfillment of these prophecies within the next 20-year period.

373

00:23:35,600 --> 00:23:38,600

You'll begin to understand as we go on more and more

374

00:23:38,600 --> 00:23:43,600

that I not only believe in mental fallacy, but actually practice it.

375

00:23:43,600 --> 00:23:48,600

These things, to stand for something or make claims about something

376

00:23:48,600 --> 00:23:52,600

don't mean very much unless you can do something about it.

377

00:23:52,600 --> 00:23:56,600

And the things that I am relating and telling about generally in these lectures,

378

00:23:56,600 --> 00:23:58,600

even though I don't go into all the details,

379

00:23:58,600 --> 00:24:01,600

if I told you about everything that's happened in the Mojave Desert,

380

00:24:01,600 --> 00:24:04,600

it would be about a two-and-a-half hour lecture.

381

00:24:04,600 --> 00:24:06,600

That's not my subject material tonight.

382

00:24:06,600 --> 00:24:09,600

I try to sort of hit on some of the highlights

383

00:24:09,600 --> 00:24:11,600

to help people understand that there is something going on

384

00:24:11,600 --> 00:24:13,600

and people are involved.

385

00:24:13,600 --> 00:24:15,600

It concerns people on this earth.

386

00:24:15,600 --> 00:24:16,600

It concerns our civilization.

387

00:24:16,600 --> 00:24:18,600

That's why these ships are here.

388

00:24:18,600 --> 00:24:22,600

They're not here to look at our icebergs and then go back

389

00:24:22,600 --> 00:24:25,600

or take movies of some of our landscapes and scenery

390

00:24:25,600 --> 00:24:28,600

or some of our traffic jams in our city.

391

00:24:28,600 --> 00:24:29,600

It's far more than that.

392

00:24:29,600 --> 00:24:31,600

They have known of these things.

393

00:24:31,600 --> 00:24:34,600

The only thing that civilization doesn't care where it is,

394

00:24:34,600 --> 00:24:37,600

that it develops electronic and technical means,

395

00:24:37,600 --> 00:24:40,600

can tune in and know what's going on in the planet

396

00:24:40,600 --> 00:24:44,600

without going through all of that confusion

397

00:24:44,600 --> 00:24:47,600

to try to find out what is going on here.

398

00:24:47,600 --> 00:24:50,600

That they can monitor our television programs

399

00:24:50,600 --> 00:24:51,600

and our radio signals and things like that

400

00:24:51,600 --> 00:24:54,600

and what we're saying over the airways.

401

00:24:54,600 --> 00:24:55,600

They have known about wars.

402

00:24:55,600 --> 00:24:56,600

They have known about everything.

403

00:24:56,600 --> 00:24:58,600

It goes down the face of the earth.

404

00:24:58,600 --> 00:24:59,600

But they have known about the earth

405

00:24:59,600 --> 00:25:01,600

and they have known about the people here

406

00:25:01,600 --> 00:25:04,600

even before we became aware of our current civilization

407

00:25:04,600 --> 00:25:07,600

of the last 5,000 years here in the history of Princeton.

408

00:25:07,600 --> 00:25:08,600

They had a whole picture,

409

00:25:08,600 --> 00:25:11,600

not just one phase of the civilization.

410

00:25:11,600 --> 00:25:13,600

They had the reports and the knowledge

411

00:25:13,600 --> 00:25:15,600

of what happened in the Greek times,

412

00:25:15,600 --> 00:25:17,600

in Egyptian times, what happened before.

413

00:25:17,600 --> 00:25:19,600

Was there a basis of a moria?

414

00:25:19,600 --> 00:25:21,600

They will know and they have it in their records

415

00:25:21,600 --> 00:25:24,600

because they have, unlike the earth,

416

00:25:24,600 --> 00:25:26,600

they have not lost their records.

417

00:25:26,600 --> 00:25:28,600

We have had a great deal of chaos and confusion

418

00:25:28,600 --> 00:25:29,600

on this earth.

419

00:25:29,600 --> 00:25:31,600

We see all the evidence in our mountains

420

00:25:31,600 --> 00:25:33,600

and in our mountain ranges.

421

00:25:33,600 --> 00:25:35,600

In various places where land has risen in quality,

422

00:25:35,600 --> 00:25:37,600

been above the sea and below the sea,

423

00:25:37,600 --> 00:25:39,600

we see all sorts of chaotic things

424

00:25:39,600 --> 00:25:43,600

indicating an instantaneous, almost chaotic condition.

425

00:25:43,600 --> 00:25:48,600

Where tropical animals that live in tropical planets

426

00:25:48,600 --> 00:25:51,600

have been found frozen in the Siberian wasteland.

427

00:25:51,600 --> 00:25:54,600

The final epic masses of confusion.

428

00:25:54,600 --> 00:25:57,600

And they have found that in those areas

429

00:25:57,600 --> 00:25:59,600

that some of these tropical animals still had

430

00:25:59,600 --> 00:26:02,600

some of the tropical vegetation within their mouths

431

00:26:02,600 --> 00:26:05,600

that hadn't even swallowed it and there they fell.

432

00:26:05,600 --> 00:26:07,600

What has happened?

433

00:26:07,600 --> 00:26:09,600

It means chaotic conditions.

434

00:26:09,600 --> 00:26:12,600

Velikotsky, Emmanuel Velikotsky,

435

00:26:12,600 --> 00:26:15,600

brings out many of these things in his book called

436

00:26:15,600 --> 00:26:18,600

World and Colleges, Earth and Upheaval.

437

00:26:18,600 --> 00:26:21,600

And he's written a new book now on the

438

00:26:21,600 --> 00:26:23,600

Greek theory of history,

439

00:26:23,600 --> 00:26:25,600

bringing it all to folklore

440

00:26:25,600 --> 00:26:28,600

and the mythology of that time.

441

00:26:28,600 --> 00:26:30,600

We're beginning to understand more and more

442

00:26:30,600 --> 00:26:33,600

that much of that mythology is, again,

443

00:26:33,600 --> 00:26:35,600

related to this outer space activity.

444

00:26:35,600 --> 00:26:38,600

The names of the Greeks apply to various gods.

445

00:26:38,600 --> 00:26:41,600

Or what you might call space beings

446

00:26:41,600 --> 00:26:43,600

related to inner-pilotary limitations.

447

00:26:43,600 --> 00:26:47,600

Any time that man has been contacted by more superior

448

00:26:47,600 --> 00:26:49,600

intelligence than people,

449

00:26:49,600 --> 00:26:51,600

he tends to worship that which comes

450

00:26:51,600 --> 00:26:53,600

to bring him any higher understanding.

451

00:26:53,600 --> 00:26:55,600

The American Indians in their

452

00:26:55,600 --> 00:26:59,600

reports that have come down from generations to generations

453

00:26:59,600 --> 00:27:02,600

tell about the white gods who came down from the sky

454

00:27:02,600 --> 00:27:04,600

and were flying canoes.

455

00:27:04,600 --> 00:27:06,600

They didn't call them flying saucers,

456

00:27:06,600 --> 00:27:08,600

the crazy name that we have written in 1947.

457

00:27:08,600 --> 00:27:10,600

They called them flying canoes,

458

00:27:10,600 --> 00:27:12,600

comparing them to what they had

459

00:27:12,600 --> 00:27:14,600

that was a method of transportation,

460

00:27:14,600 --> 00:27:16,600

a canoe going on the water.

461

00:27:16,600 --> 00:27:18,600

So they became flying canoes.

462

00:27:18,600 --> 00:27:20,600

Much more simple.

463

00:27:20,600 --> 00:27:23,600

So we come up with flying saucers.

464

00:27:23,600 --> 00:27:26,600

And if these white gods from the sky

465

00:27:26,600 --> 00:27:29,600

landed and brought them corn and killed them on the roads,

466

00:27:29,600 --> 00:27:31,600

and if they did not come along anymore,

467

00:27:31,600 --> 00:27:36,600

they did not come so often after the white man came.

468

00:27:36,600 --> 00:27:39,600

Down through the ages, these contacts have been made,

469

00:27:39,600 --> 00:27:41,600

various beings have been contacted,

470

00:27:41,600 --> 00:27:43,600

the experience of the decal,

471

00:27:43,600 --> 00:27:45,600

where he describes their wheel within a wheel.

472

00:27:45,600 --> 00:27:47,600

And he says that a lightness,

473

00:27:47,600 --> 00:27:50,600

a light of a human, spoke to him from within this craft.

474

00:27:50,600 --> 00:27:53,600

And when he heard this voice calling his name,

475

00:27:53,600 --> 00:27:56,600

he fell on his face from the ground.

476

00:27:56,600 --> 00:28:00,600

That's always been the natural tendency of people

477

00:28:00,600 --> 00:28:02,600

when they see something advanced,

478

00:28:02,600 --> 00:28:03,600

something they can't understand,

479

00:28:03,600 --> 00:28:04,600

they think it's supernatural,

480

00:28:04,600 --> 00:28:06,600

or something, and boom, they fall on their face,

481

00:28:06,600 --> 00:28:08,600

in the mother's stand or whatever.

482

00:28:08,600 --> 00:28:11,600

And this voice commanded him,

483

00:28:11,600 --> 00:28:13,600

as if you'll stand on your feet, stand up,

484

00:28:13,600 --> 00:28:14,600

so he stood up.

485

00:28:14,600 --> 00:28:17,600

And then he was given instruction about certain things,

486

00:28:17,600 --> 00:28:20,600

how a certain city was in such a point

487

00:28:20,600 --> 00:28:24,600

of low moral degradation that if they did not change,

488

00:28:24,600 --> 00:28:27,600

the city would be destroyed.

489

00:28:27,600 --> 00:28:29,600

So eventually he was taken up,

490

00:28:29,600 --> 00:28:31,600

and was taken on a certain hill,

491

00:28:31,600 --> 00:28:33,600

where he was even tied in a position

492

00:28:33,600 --> 00:28:35,600

so he did not move and get away from there,

493

00:28:35,600 --> 00:28:37,600

and he was told to pray continually,

494

00:28:37,600 --> 00:28:40,600

day and night over that city.

495

00:28:40,600 --> 00:28:43,600

Entered extra-treatable visitation again,

496

00:28:43,600 --> 00:28:46,600

advanced means who knew the state and condition

497

00:28:46,600 --> 00:28:47,600

of the people of that time,

498

00:28:47,600 --> 00:28:51,600

and have known it through countless eons of time,

499

00:28:51,600 --> 00:28:54,600

because it is quite possible that they have originated

500

00:28:54,600 --> 00:28:56,600

much of our civilization in the first place,

501

00:28:56,600 --> 00:28:59,600

of the most colonies, established colonies on the Earth,

502

00:28:59,600 --> 00:29:01,600

and they have been watching the development of it.

503

00:29:01,600 --> 00:29:05,600

Unfortunately, man went down into a state

504

00:29:05,600 --> 00:29:08,600

of lower vibratory activity, lower consciousness,

505

00:29:08,600 --> 00:29:10,600

became materialist,

506

00:29:10,600 --> 00:29:13,600

now known as the Luciferian Rebellion in Heaven,

507

00:29:13,600 --> 00:29:15,600

that involves some 200 planets and more

508

00:29:15,600 --> 00:29:18,600

as reported in this book called Euracian,

509

00:29:18,600 --> 00:29:21,600

which was a rebellion of materialism,

510

00:29:21,600 --> 00:29:23,600

where man began to say that there is no God,

511

00:29:23,600 --> 00:29:25,600

there is no superior intelligence,

512

00:29:25,600 --> 00:29:29,600

even gravity is just what you call some kind of a natural something.

513

00:29:29,600 --> 00:29:31,600

They couldn't explain it, but they said it's just a natural,

514

00:29:31,600 --> 00:29:33,600

and there is a science behind it and so forth,

515

00:29:33,600 --> 00:29:35,600

and we understood it, we could explain it.

516

00:29:35,600 --> 00:29:37,600

Even as many of our scientists,

517

00:29:37,600 --> 00:29:39,600

some of our airports, people,

518

00:29:39,600 --> 00:29:42,600

different ones have been saying that these flying saucers are real,

519

00:29:42,600 --> 00:29:44,600

that you don't need to worry about them,

520

00:29:44,600 --> 00:29:47,600

that we can't explain this last sighting yet,

521

00:29:47,600 --> 00:29:49,600

it was automated or it wasn't automated,

522

00:29:49,600 --> 00:29:51,600

but we feel sure that after a reasonable time,

523

00:29:51,600 --> 00:29:55,600

we will have a logical answer to it.

524

00:29:55,600 --> 00:29:57,600

That's no answer, that's evading the whole issue.

525

00:29:57,600 --> 00:29:59,600

I don't care what is one in the million,

526

00:29:59,600 --> 00:30:02,600

that they can't explain,

527

00:30:02,600 --> 00:30:05,600

it still means that there is something going on in the sky,

528

00:30:05,600 --> 00:30:08,600

that indicates that there is more than what man has come for him,

529

00:30:08,600 --> 00:30:11,600

that he doesn't want to pretend to comprehend it upon the earth.

530

00:30:11,600 --> 00:30:13,600

The golden men of Lot, the ones who spoke to Lot,

531

00:30:13,600 --> 00:30:16,600

and told him to take his family and get out of the city,

532

00:30:16,600 --> 00:30:21,600

that was about to be destroyed in the case of Sodom and Gomorrah.

533

00:30:21,600 --> 00:30:24,600

All of these things relate incidents that are concerned

534

00:30:24,600 --> 00:30:28,600

with things that are going on on the earth right today,

535

00:30:28,600 --> 00:30:30,600

because I was shown in my experience

536

00:30:30,600 --> 00:30:35,600

that our civilization is on the very edge of a precipice,

537

00:30:35,600 --> 00:30:37,600

and that only the spiritually motivated people

538

00:30:37,600 --> 00:30:41,600

can guide our civilization through the difficult times ahead,

539

00:30:41,600 --> 00:30:45,600

on its own, with right intentions and right orders.

540

00:30:45,600 --> 00:30:48,600

And there is all of this experience that was such a shape,

541

00:30:48,600 --> 00:30:51,600

a shaping to me internally and every way,

542

00:30:51,600 --> 00:30:53,600

a two-leaf after this experience,

543

00:30:53,600 --> 00:30:55,600

I had to be on my way to Washington, D.C.,

544

00:30:55,600 --> 00:30:57,600

where I personally called on every senator in Congress

545

00:30:57,600 --> 00:30:59,600

from asking for open public hearings,

546

00:30:59,600 --> 00:31:02,600

I've been interviewed by a Central Intelligence Agency,

547

00:31:02,600 --> 00:31:07,600

and I have been working continuously since the year 1967 in this field,

548

00:31:07,600 --> 00:31:10,600

working without salary, not concerned about salary,

549

00:31:10,600 --> 00:31:13,600

I have traveled over 200,000 miles in this work,

550

00:31:13,600 --> 00:31:16,600

and a partner that will be many more miles added to the speedometer

551

00:31:16,600 --> 00:31:20,600

or to the aircraft flight before this is over.

552

00:31:20,600 --> 00:31:22,600

But this is a work that comes to a first one,

553

00:31:22,600 --> 00:31:24,600

you know that something has to be done,

554

00:31:24,600 --> 00:31:27,600

and if you can't go around and tell someone else to do it,

555

00:31:27,600 --> 00:31:30,600

what would good would it do if I went to my neighbors,

556

00:31:30,600 --> 00:31:32,600

if George or Sam was on stage,

557

00:31:32,600 --> 00:31:34,600

and you ought to go out and do something here and so forth,

558

00:31:34,600 --> 00:31:36,600

that our world is in great danger.

559

00:31:36,600 --> 00:31:40,600

The only way you can establish an example is by starting it yourself.

560

00:31:40,600 --> 00:31:43,600

If you do that, then you have established a precedent

561

00:31:43,600 --> 00:31:46,600

you can tell George, is you do something also,

562

00:31:46,600 --> 00:31:51,600

it is very important, and the situation is very clear.

563

00:31:51,600 --> 00:31:55,600

We must, by our own example, by our own choice,

564

00:31:55,600 --> 00:31:59,600

by our own actions, indicate that we are trying to do something to help

565

00:31:59,600 --> 00:32:02,600

When we do that, then we are given greater power.

566

00:32:02,600 --> 00:32:05,600

We are given help if we prove our sincerity

567

00:32:05,600 --> 00:32:10,600

and make a constructive approach.

568

00:32:10,600 --> 00:32:13,600

In these various incidents that I have seen across the nation,

569

00:32:13,600 --> 00:32:15,600

I have seen the craft many times,

570

00:32:15,600 --> 00:32:17,600

I have been traveling down the highways,

571

00:32:17,600 --> 00:32:20,600

and sometimes the flare has been no fired over the car,

572

00:32:20,600 --> 00:32:22,600

my wife and I have both seen them.

573

00:32:22,600 --> 00:32:24,600

We have stopped and there is no place in the sky

574

00:32:24,600 --> 00:32:26,600

to feel the flare but go over the car,

575

00:32:26,600 --> 00:32:28,600

kicking off the flare.

576

00:32:28,600 --> 00:32:32,600

Sometimes these flare were green, sometimes gold colored,

577

00:32:32,600 --> 00:32:35,600

sometimes blue-green, various colors.

578

00:32:35,600 --> 00:32:38,600

But there was no reason for anything to be in the sky,

579

00:32:38,600 --> 00:32:40,600

and it was quite close to done.

580

00:32:40,600 --> 00:32:42,600

It was not up high that she was confused

581

00:32:42,600 --> 00:32:44,600

and for a meteorite, these were close to done,

582

00:32:44,600 --> 00:32:46,600

and going in a parallel path of the automobile.

583

00:32:46,600 --> 00:32:48,600

I have seen so many of these things happen

584

00:32:48,600 --> 00:32:51,600

that it is a thought of this world.

585

00:32:51,600 --> 00:32:54,600

But again, I am not interested in any phenomenon of this situation.

586

00:32:54,600 --> 00:32:57,600

These would nearly give me heart and perhaps I would be tired.

587

00:32:58,600 --> 00:33:00,600

And I would say, well, I will try to do my best,

588

00:33:00,600 --> 00:33:02,600

I will keep on going.

589

00:33:02,600 --> 00:33:05,600

So this has been the practice of the day at home.

590

00:33:06,600 --> 00:33:08,600

It is very biblical experiences.

591

00:33:08,600 --> 00:33:10,600

We know and count this one through the Bible.

592

00:33:10,600 --> 00:33:12,600

I have been saying that the Holy Bible is possibly

593

00:33:12,600 --> 00:33:14,600

the best flying software book in the world

594

00:33:14,600 --> 00:33:16,600

because it is full of these spacecraft findings

595

00:33:16,600 --> 00:33:20,600

from colored colors, but people never read it that way.

596

00:33:20,600 --> 00:33:23,600

For instance, in Kings 2, it was pointed out to me

597

00:33:23,600 --> 00:33:26,600

just yesterday morning, right in the top.

598

00:33:26,600 --> 00:33:30,600

From Kings 2, the statement about planets.

599

00:33:30,600 --> 00:33:32,600

One person had challenged someone else

600

00:33:32,600 --> 00:33:34,600

that they would look into this subject

601

00:33:34,600 --> 00:33:36,600

and say they could find the word planet.

602

00:33:36,600 --> 00:33:38,600

He even mentioned one time in the Holy Bible.

603

00:33:39,600 --> 00:33:41,600

So this person had made a search

604

00:33:41,600 --> 00:33:43,600

and they showed me the scripture here

605

00:33:43,600 --> 00:33:45,600

just a couple of days ago.

606

00:33:45,600 --> 00:33:52,600

In 2 Kings, chapters 23 and 24, I think it is,

607

00:33:53,600 --> 00:33:57,600

there is a statement in the fourth and fifth verse

608

00:33:57,600 --> 00:33:59,600

and I type that out.

609

00:33:59,600 --> 00:34:02,600

I have a copy of it that I am going to use

610

00:34:02,600 --> 00:34:04,600

from time to time.

611

00:34:04,600 --> 00:34:06,600

The word planet is mentioned, but it is brought out

612

00:34:06,600 --> 00:34:08,600

in this way that the certain King of Judah

613

00:34:08,600 --> 00:34:12,600

of that time had rediscovered,

614

00:34:12,600 --> 00:34:14,600

they had rediscovered a book of law

615

00:34:14,600 --> 00:34:16,600

within the temple, the Holy Temple.

616

00:34:16,600 --> 00:34:19,600

And this had shown what the tribal of Judah

617

00:34:19,600 --> 00:34:21,600

should practice in a way worshiped.

618

00:34:21,600 --> 00:34:24,600

What was the abomination inside of God?

619

00:34:24,600 --> 00:34:27,600

What was idol worship?

620

00:34:27,600 --> 00:34:29,600

And all of these things were outlined

621

00:34:29,600 --> 00:34:31,600

what they should not worship.

622

00:34:31,600 --> 00:34:34,600

And indicated here was that they should not worship

623

00:34:34,600 --> 00:34:36,600

the sun or the moon or the planet,

624

00:34:36,600 --> 00:34:42,600

nor the host of heaven.

625

00:34:44,600 --> 00:34:47,600

And the same host of heaven is visiting the earth

626

00:34:47,600 --> 00:34:49,600

right today.

627

00:34:49,600 --> 00:34:50,600

They are visiting the earth.

628

00:34:50,600 --> 00:34:51,600

They are the extra-trust fields.

629

00:34:51,600 --> 00:34:52,600

They are visiting us.

630

00:34:52,600 --> 00:34:55,600

They have been visiting this with countless thousands of years.

631

00:34:55,600 --> 00:34:57,600

But they come not to be worshiped,

632

00:34:57,600 --> 00:35:00,600

they come to be helped, to be of help.

633

00:35:00,600 --> 00:35:02,600

And they want to be loved, they want to be understood.

634

00:35:02,600 --> 00:35:04,600

They don't want to be worshiped.

635

00:35:04,600 --> 00:35:07,600

So an abomination would be to worship these things.

636

00:35:07,600 --> 00:35:10,600

Man has down to the ages always followed those faiths.

637

00:35:10,600 --> 00:35:13,600

And in some of these various communications,

638

00:35:13,600 --> 00:35:14,600

various teachers, out of giant block,

639

00:35:14,600 --> 00:35:18,600

for instance, one person brought out in one of the lectures,

640

00:35:18,600 --> 00:35:21,600

that whenever a man sees something that's more advanced than he is,

641

00:35:21,600 --> 00:35:24,600

that he falls on his face and his bottom is off,

642

00:35:24,600 --> 00:35:27,600

and says they don't want to see his bottom is off.

643

00:35:27,600 --> 00:35:30,600

They'd rather talk to his face to face

644

00:35:30,600 --> 00:35:32,600

and have him act like men and women

645

00:35:32,600 --> 00:35:35,600

than follow him and his bottom is off.

646

00:35:35,600 --> 00:35:39,600

What good can you do talking to a bottom?

647

00:35:39,600 --> 00:35:44,600

They want his face to face and act like people.

648

00:35:44,600 --> 00:35:46,600

In his experience in England,

649

00:35:46,600 --> 00:35:52,600

this was resounded by Desmond Leslie in the books that he co-authored with George Adams.

650

00:35:52,600 --> 00:35:54,600

He brings out that in one of the earliest findings,

651

00:35:54,600 --> 00:35:57,600

early reports, this is a report from England,

652

00:35:57,600 --> 00:35:59,600

when they were having a wedding ceremony,

653

00:35:59,600 --> 00:36:01,600

and someone shouted during his wedding ceremony,

654

00:36:01,600 --> 00:36:02,600

when they happened to be outside,

655

00:36:02,600 --> 00:36:04,600

they saw one of these crafts going over,

656

00:36:04,600 --> 00:36:06,600

a circular floor craft.

657

00:36:06,600 --> 00:36:09,600

And he shouted, and everyone went outside.

658

00:36:09,600 --> 00:36:13,600

And when they saw this craft, they all fell on their ground,

659

00:36:13,600 --> 00:36:15,600

again, and bottomed up.

660

00:36:15,600 --> 00:36:18,600

And someone said, this is a terrible situation,

661

00:36:18,600 --> 00:36:21,600

this is a bridegroom or somebody is gravely in error,

662

00:36:21,600 --> 00:36:25,600

this is an omen, and this couple cannot be married.

663

00:36:25,600 --> 00:36:27,600

I would see something to celebrate,

664

00:36:27,600 --> 00:36:31,600

because we didn't have a visitation for this extra-trustile craft.

665

00:36:31,600 --> 00:36:33,600

But they all would call it an omen,

666

00:36:33,600 --> 00:36:35,600

and they were fearful that it would happen,

667

00:36:35,600 --> 00:36:39,600

they would even go maybe and give human sacrifice

668

00:36:39,600 --> 00:36:42,600

or animal sacrifices in the garden with anger or something,

669

00:36:42,600 --> 00:36:44,600

because here was the omen in the past.

670

00:36:44,600 --> 00:36:48,600

And in Oklahoma City, I've heard a report

671

00:36:48,600 --> 00:36:51,600

of people who are living today,

672

00:36:51,600 --> 00:36:56,600

that were children in the early 1900s in Oklahoma City,

673

00:36:56,600 --> 00:37:01,600

where a huge cigar-shaped craft came over that city,

674

00:37:01,600 --> 00:37:03,600

and the children were playing in the yard,

675

00:37:03,600 --> 00:37:05,600

and they all saw this craft, they were all watching it.

676

00:37:05,600 --> 00:37:07,600

Their father was a minister,

677

00:37:07,600 --> 00:37:09,600

and he came rushing home from church,

678

00:37:09,600 --> 00:37:10,600

and he spoke to his wife.

679

00:37:10,600 --> 00:37:12,600

They called the children inside the house,

680

00:37:12,600 --> 00:37:14,600

and they all went down on their knees in prayer,

681

00:37:14,600 --> 00:37:17,600

and it was not for the children or anyone to go outside of that house,

682

00:37:17,600 --> 00:37:20,600

until that craft had disappeared and taken off.

683

00:37:20,600 --> 00:37:21,600

They were all on their knees,

684

00:37:21,600 --> 00:37:25,600

praying to God for a saving, to be saved, and so forth,

685

00:37:25,600 --> 00:37:27,600

because there was a terrible omen in the sky,

686

00:37:27,600 --> 00:37:29,600

something that couldn't be missed.

687

00:37:29,600 --> 00:37:32,600

It is to garish an extra-trustile craft

688

00:37:32,600 --> 00:37:35,600

that was observing and knew what was going on.

689

00:37:35,600 --> 00:37:38,600

So until a man arrived at the point where he could understand

690

00:37:38,600 --> 00:37:43,600

such greater things that there was not much use in trying to contact him.

691

00:37:43,600 --> 00:37:45,600

Now we have this thing,

692

00:37:45,600 --> 00:37:47,600

we're trying rockets off into space,

693

00:37:47,600 --> 00:37:50,600

we can spend over thirty billion dollars on a rocket program,

694

00:37:50,600 --> 00:37:53,600

and our most advanced time is starting with Nicholas Teslows,

695

00:37:53,600 --> 00:37:55,600

Professor Herman Oberth,

696

00:37:55,600 --> 00:37:59,600

and very quick, that's that, for countless years,

697

00:37:59,600 --> 00:38:01,600

that man, when he does go into space,

698

00:38:01,600 --> 00:38:03,600

will not go into space with rockets and missiles,

699

00:38:03,600 --> 00:38:06,600

he will go into electrical spaces.

700

00:38:06,600 --> 00:38:09,600

And Nicholas Teslows put it on way back in the 1930s,

701

00:38:09,600 --> 00:38:10,600

he says,

702

00:38:10,600 --> 00:38:13,600

Don't waste your time on anything else.

703

00:38:13,600 --> 00:38:17,600

Concentrate on electrical energy, electrical space,

704

00:38:17,600 --> 00:38:20,600

that will travel between planets using the power

705

00:38:20,600 --> 00:38:24,600

that is found throughout the universe, which is electricity.

706

00:38:24,600 --> 00:38:28,600

A very profound scientist who has not much sense of it in his time.

707

00:38:28,600 --> 00:38:33,600

He's proved the principle of being able to transmit electrical energy without wires.

708

00:38:33,600 --> 00:38:36,600

And some people say, Well, be that wonderful if we do that,

709

00:38:36,600 --> 00:38:41,600

why have we built all these millions of miles of electrical cables and conduits

710

00:38:41,600 --> 00:38:45,600

up in the air, through the trees, and underground, and everywhere else?

711

00:38:45,600 --> 00:38:48,600

And the answer is that Nicholas Teslows demonstrated this principle

712

00:38:48,600 --> 00:38:52,600

to a group of penine spirits way back in that time.

713

00:38:52,600 --> 00:38:56,600

He proved that you could light an electric light source miles away from the generation.

714

00:38:56,600 --> 00:38:58,600

And they looked at him and they looked at it and said,

715

00:38:58,600 --> 00:39:01,600

How in the world can we make any money off of this?

716

00:39:01,600 --> 00:39:03,600

Everyone could tap in.

717

00:39:03,600 --> 00:39:05,600

So the project died right in the air.

718

00:39:05,600 --> 00:39:08,600

We have spent millions and billions of dollars on everything else

719

00:39:08,600 --> 00:39:11,600

because it can be now be needed off.

720

00:39:11,600 --> 00:39:12,600

And it can be sold.

721

00:39:12,600 --> 00:39:15,600

This, they thought, would be a no-control situation.

722

00:39:15,600 --> 00:39:17,600

And who could tap everyone to tap in?

723

00:39:17,600 --> 00:39:22,600

So world science, world technology is set back many times

724

00:39:22,600 --> 00:39:25,600

because man can only understand dollars and cents.

725

00:39:25,600 --> 00:39:30,600

He only made this progress sometimes by how much money he can make from it.

726

00:39:30,600 --> 00:39:32,600

He can't make the money he can always have.

727

00:39:32,600 --> 00:39:34,600

This can be terrible.

728

00:39:34,600 --> 00:39:36,600

This would change everything.

729

00:39:36,600 --> 00:39:41,600

So people like Nicholas Teslows could not do as much as they would have liked to do.

730

00:39:41,600 --> 00:39:44,600

Reportedly he had 1,100, 1,150 inventions or more.

731

00:39:44,600 --> 00:39:46,600

He tried to present to the world.

732

00:39:46,600 --> 00:39:49,600

And the world only knows of some 80 of those today.

733

00:39:49,600 --> 00:39:56,600

Some of the more simple things that were actually introduced and are in practice.

734

00:39:56,600 --> 00:40:00,600

But usually our greatest men are not recognized until they die.

735

00:40:00,600 --> 00:40:03,600

This is another pattern now through the history.

736

00:40:03,600 --> 00:40:07,600

That we look at those people's lives and look at them and say,

737

00:40:07,600 --> 00:40:10,600

well, gee, they talk over a head.

738

00:40:10,600 --> 00:40:12,600

Nicholas Teslows called him a group of newsmen.

739

00:40:12,600 --> 00:40:17,600

Every time that he had a birthday he would tell them some new inventions and new things.

740

00:40:17,600 --> 00:40:18,600

And they would liaify him.

741

00:40:18,600 --> 00:40:20,600

They would ridicule him, the newsmen.

742

00:40:20,600 --> 00:40:25,600

He had pointed out about cosmic rays way back in the 1800s.

743

00:40:25,600 --> 00:40:30,600

And he predicted television about scenes, a picture, writing your living room on a television screen.

744

00:40:30,600 --> 00:40:33,600

He predicted radio of all these things and told how they were.

745

00:40:33,600 --> 00:40:35,600

And they laughed at him.

746

00:40:35,600 --> 00:40:38,600

Even after some of these things began to matter, they still laughed at him.

747

00:40:38,600 --> 00:40:41,600

Because the ones he spoke about now were even more cruel.

748

00:40:41,600 --> 00:40:44,600

And he told about spaces and things like that.

749

00:40:44,600 --> 00:40:50,600

There are reports from a newsman who was actually living, who I met back in New York, in Poclos, in Washington, D.C.,

750

00:40:50,600 --> 00:40:52,600

who was an international course partner.

751

00:40:52,600 --> 00:40:59,600

And see, he said he was present in one of the Tesla demonstrations when the electrical type craft in the huge bar in Long Island

752

00:40:59,600 --> 00:41:04,600

was moved from here to beyond and back again from a control on the ground just from our little bar.

753

00:41:04,600 --> 00:41:06,600

There were no connecting wires.

754

00:41:06,600 --> 00:41:07,600

He said, now we'll make it go that way.

755

00:41:07,600 --> 00:41:08,600

We made it go that way.

756

00:41:08,600 --> 00:41:10,600

And he said, now we'll bring it back again.

757

00:41:10,600 --> 00:41:13,600

And they don't know how in the world it was done.

758

00:41:13,600 --> 00:41:15,600

But there it was.

759

00:41:15,600 --> 00:41:17,600

Some kind of a free-inertial presentation.

760

00:41:17,600 --> 00:41:20,600

But the world is not accessible.

761

00:41:20,600 --> 00:41:24,600

You know that now, since Tesla has been gone since about 1943,

762

00:41:24,600 --> 00:41:28,600

that in the city of Chicago versus now, one of his aunts,

763

00:41:28,600 --> 00:41:31,600

at that time, he was using it on New York City and Long Island.

764

00:41:31,600 --> 00:41:37,600

But in Chicago, they have dedicated a scientific school and library to make sure Tesla now,

765

00:41:37,600 --> 00:41:41,600

he's been gone long enough now, it's safe enough to dedicate some points.

766

00:41:41,600 --> 00:41:45,600

Now he's a great man, a great man.

767

00:41:45,600 --> 00:41:49,600

Down to the ages, we have seen this thing happen.

768

00:41:49,600 --> 00:41:53,600

In the case of in England, for instance, this holds true in all nations and all peoples.

769

00:41:53,600 --> 00:41:59,600

We persecute, we destroy, we crucify people because they come up with a new idea.

770

00:41:59,600 --> 00:42:03,600

We think that if we can eliminate that person, we can forget about the idea.

771

00:42:03,600 --> 00:42:05,600

But it never works that way.

772

00:42:05,600 --> 00:42:11,600

The idea stays even when that person might be eliminated from the physical plane.

773

00:42:11,600 --> 00:42:17,600

In the case of Jeremy, he was trying to conduct electrical experiments in school laboratories

774

00:42:17,600 --> 00:42:22,600

while he taught school pupils.

775

00:42:22,600 --> 00:42:27,600

He called such an uproar by these experiments that he was called clear into the British Parliament

776

00:42:27,600 --> 00:42:33,600

just as school teachers to come up and explain to them why he was spending tax money

777

00:42:33,600 --> 00:42:39,600

to carry on the foolish experiment trying to build what he called a portion.

778

00:42:39,600 --> 00:42:45,600

And his answer to these people was that, well, the answer, gentlemen, is that some day,

779

00:42:45,600 --> 00:42:48,600

when this is built, it says, you will tax it.

780

00:42:48,600 --> 00:42:50,600

You will tax it.

781

00:42:50,600 --> 00:42:53,600

So they thought about it from the tax angle, right to the bottom.

782

00:42:53,600 --> 00:42:56,600

Go ahead. That sounds good.

783

00:42:56,600 --> 00:42:57,600

We will tax it.

784

00:42:57,600 --> 00:43:01,600

And they did tax it. It's being taxed today all over the world.

785

00:43:01,600 --> 00:43:04,600

The election of the water is being taxed.

786

00:43:04,600 --> 00:43:07,600

But our most profound findings, our most profound thinkers down to the ages,

787

00:43:07,600 --> 00:43:09,600

have been pushed into all kinds of quarters.

788

00:43:09,600 --> 00:43:13,600

They have been ridiculed and anything else because they came up with a new idea.

789

00:43:13,600 --> 00:43:18,600

This evidence in the life of Columbus also, where he realized from the reveal of history

790

00:43:18,600 --> 00:43:23,600

that a full-generation past before the people of that time would accept that the world was round,

791

00:43:23,600 --> 00:43:25,600

even after it had been proven so.

792

00:43:25,600 --> 00:43:29,600

And I understand that we still have a flattery society.

793

00:43:29,600 --> 00:43:34,600

I thought about joining that society just for fun.

794

00:43:34,600 --> 00:43:39,600

But these things are real. They're around us all the time.

795

00:43:39,600 --> 00:43:46,600

That is the problem of our people, that we are failing to open our minds and examine things in their life-life.

796

00:43:46,600 --> 00:43:49,600

That's why in the front part of this book, *The Lifetime Incident*,

797

00:43:49,600 --> 00:43:54,600

a book which we haven't read, I certainly recommend that you read it.

798

00:43:54,600 --> 00:44:00,600

In the words of this alum, who is a man who he communicated with and was involved in this experience,

799

00:44:00,600 --> 00:44:07,600

that was not of a threshold nature, this man said that there should be a front of this book

800

00:44:07,600 --> 00:44:12,600

in every book of philosophy on the face of the earth.

801

00:44:12,600 --> 00:44:15,600

And these are the words that he quoted.

802

00:44:15,600 --> 00:44:21,600

It is easier to ridicule and to investigate, but not as possible.

803

00:44:21,600 --> 00:44:24,600

There's something for everyone in the city to examine.

804

00:44:24,600 --> 00:44:31,600

If we would laugh and ridicule something, then we'd find out later on that we were indeed in a sad fact,

805

00:44:31,600 --> 00:44:40,600

because we laughed at something that could have elevated our consciousness and reexamined the true fact.

806

00:44:40,600 --> 00:44:44,600

So down to the ages, man has pushed down the ridicule.

807

00:44:44,600 --> 00:44:50,600

People of an earlier time, in Boston, for instance, and the state of Massachusetts,

808

00:44:50,600 --> 00:44:54,600

in various parts of the world, were approving what we are talking about now again,

809

00:44:54,600 --> 00:44:58,600

that there are such things as communication.

810

00:44:58,600 --> 00:45:02,600

It's known through all through the Holy Bible, across the following, various ones have spoken about it.

811

00:45:02,600 --> 00:45:06,600

He told, he says, test the spirit, to find out if they are God.

812

00:45:06,600 --> 00:45:08,600

People hear voices.

813

00:45:08,600 --> 00:45:13,600

So now when a psychiatrist hears a someone who hears voices, then it's a hot stone.

814

00:45:13,600 --> 00:45:16,600

Lock him up, put him away.

815

00:45:16,600 --> 00:45:20,600

So if we had some psychiatrist who would understand that these things are real,

816

00:45:20,600 --> 00:45:24,600

and try to help people out, to understand what is happening to them,

817

00:45:24,600 --> 00:45:29,600

and have them test these things, to find out if they are God or they are something of a negative quality,

818

00:45:29,600 --> 00:45:34,600

a lower evolved form that is trying to destroy them or affect their mind and take them over,

819

00:45:34,600 --> 00:45:36,600

then they could maybe help those people.

820

00:45:36,600 --> 00:45:39,600

So what do they do? They start giving them shots and drugs and in the shot treatment,

821

00:45:39,600 --> 00:45:42,600

and say, boy, we've got to agree to work on this guy fast.

822

00:45:42,600 --> 00:45:44,600

He's in bad shape.

823

00:45:44,600 --> 00:45:48,600

But in Salem, Massachusetts, they burned people claiming this was witchcraft,

824

00:45:48,600 --> 00:45:50,600

burning for witchcraft.

825

00:45:50,600 --> 00:45:58,600

So now, after a considerable time has passed, the witchcraft trials have been reviewed now,

826

00:45:58,600 --> 00:46:01,600

in our modern time, we are civilized to that point,

827

00:46:01,600 --> 00:46:05,600

and the reverse of the outcome, the decisions made in these cases have been reversed,

828

00:46:05,600 --> 00:46:08,600

and they have been all granted the full part.

829

00:46:08,600 --> 00:46:12,600

If they are still walking the face of the earth, they get to have a clean bill of health,

830

00:46:12,600 --> 00:46:15,600

and they're decreased. They were part of it.

831

00:46:18,600 --> 00:46:24,600

The problem that we're faced with then is trying to comprehend all of these things in the light of higher consciousness,

832

00:46:24,600 --> 00:46:29,600

in the light of extraterrestrial life that is spoken of in the Bible,

833

00:46:29,600 --> 00:46:31,600

the life of the pilot.

834

00:46:32,600 --> 00:46:38,600

We will begin to find that there are origins on age, and the reason is a lot of things.

835

00:46:38,600 --> 00:46:41,600

And that many of these people are coming back.

836

00:46:41,600 --> 00:46:45,600

They have been coming back, and they're coming back to review again what is going on in the earth,

837

00:46:45,600 --> 00:46:49,600

to try to help this civilization evolve.

838

00:46:49,600 --> 00:46:53,600

What better way would there be to help a civilization evolve

839

00:46:53,600 --> 00:46:58,600

than to put some more bad people out there as a sort of a seed?

840

00:46:58,600 --> 00:47:01,600

And let these go along with the civilization.

841

00:47:01,600 --> 00:47:04,600

Do you know that down through the ages, if man ever saw something different,

842

00:47:04,600 --> 00:47:06,600

that we're just like a bunch of ants.

843

00:47:06,600 --> 00:47:09,600

You know what ants do? If you put a straight end in their agile,

844

00:47:09,600 --> 00:47:12,600

they all jump out on them and destroy them.

845

00:47:12,600 --> 00:47:15,600

Man has done the same thing. Anything that looks different,

846

00:47:15,600 --> 00:47:19,600

anyone that can do more things can communicate telepathically,

847

00:47:19,600 --> 00:47:21,600

what's called a witch.

848

00:47:21,600 --> 00:47:24,600

Anyone that could hear voices, that's witchcraft.

849

00:47:24,600 --> 00:47:28,600

Any man that invented something or had greater powers than the environment.

850

00:47:28,600 --> 00:47:31,600

They were dangerous. They could look in your mind, they might even reach your heart.

851

00:47:31,600 --> 00:47:35,600

And that's very bad. Destroy them.

852

00:47:35,600 --> 00:47:37,600

So since man has been like these ant-colonies,

853

00:47:37,600 --> 00:47:40,600

and they would destroy anything that's different from them,

854

00:47:40,600 --> 00:47:44,600

I would say that the only way that people could be helped to evolve

855

00:47:44,600 --> 00:47:47,600

out of their low state, out of the warfare,

856

00:47:47,600 --> 00:47:50,600

out of their lower state of development,

857

00:47:50,600 --> 00:47:54,600

is to put people among those people who drove up with them.

858

00:47:54,600 --> 00:47:58,600

They're now Earth people also. They have the same flesh and bones.

859

00:47:58,600 --> 00:48:01,600

And called Earth people, they look at the same.

860

00:48:01,600 --> 00:48:04,600

They act the same. They go around here and they're talking and doing things.

861

00:48:04,600 --> 00:48:06,600

But something happens in the lives of many people,

862

00:48:06,600 --> 00:48:10,600

and they begin to realize that there's a greater life, a higher life,

863

00:48:10,600 --> 00:48:14,600

and they begin to list a whole civilization with them.

864

00:48:14,600 --> 00:48:18,600

The Emerson, the Alfred Lord Tennyson.

865

00:48:18,600 --> 00:48:22,600

What is in the books of Shakespeare? Who wrote Shakespeare?

866

00:48:22,600 --> 00:48:26,600

Who was his mind? Who had greater and more profound ideas?

867

00:48:26,600 --> 00:48:29,600

You'll find that Emerson, the many of people knew about extraterrestrial life

868

00:48:29,600 --> 00:48:31,600

and began to realize these things.

869

00:48:31,600 --> 00:48:34,600

Many of our writers are authors.

870

00:48:34,600 --> 00:48:37,600

What caused Whitman to do the things he did?

871

00:48:37,600 --> 00:48:41,600

What do our composers do when they develop the beautiful sympathy

872

00:48:41,600 --> 00:48:44,600

the life of which was never heard on the Earth?

873

00:48:44,600 --> 00:48:46,600

Now, many of them have tests.

874

00:48:46,600 --> 00:48:49,600

And they're friends. And there's one in the district where they have tests

875

00:48:49,600 --> 00:48:51,600

that we heard this music.

876

00:48:51,600 --> 00:48:54,600

And we rarely recorded the notes of what we heard.

877

00:48:54,600 --> 00:48:57,600

The beautiful sympathy that they heard.

878

00:48:57,600 --> 00:49:01,600

Wouldn't that be good enough reason to lock them up in an institution?

879

00:49:01,600 --> 00:49:04,600

Lock up all the composers. They're all crazy.

880

00:49:04,600 --> 00:49:06,600

Lock them up.

881

00:49:06,600 --> 00:49:10,600

But they've got something for file that's something helpful to mankind.

882

00:49:10,600 --> 00:49:12,600

And we have accepted it as good.

883

00:49:12,600 --> 00:49:15,600

But some people would have claimed that isn't that person who is an individual.

884

00:49:15,600 --> 00:49:17,600

It says, why, he's a great man.

885

00:49:17,600 --> 00:49:20,600

He wrote this thing and he has done a beautiful job.

886

00:49:20,600 --> 00:49:22,600

We give them personal claim.

887

00:49:22,600 --> 00:49:27,600

Jesus said, it is not high, but to follow within, if you wish to work.

888

00:49:29,600 --> 00:49:34,600

Along with this line, I want to read you something that I believe it will come to understand

889

00:49:34,600 --> 00:49:36,600

in a profound and significant way.

890

00:49:36,600 --> 00:49:41,600

The very ones upon the Earth have been claiming even to be certain groups of people

891

00:49:41,600 --> 00:49:46,600

certain denominations, certain races and types and all this and that and so forth

892

00:49:46,600 --> 00:49:51,600

not understanding a greater significance that there has been changes in people.

893

00:49:51,600 --> 00:49:54,600

People have moved along the face of the Earth.

894

00:49:54,600 --> 00:49:56,600

There have been great migrations and movements.

895

00:49:56,600 --> 00:50:00,600

And there has been a great confusion in tongues and languages.

896

00:50:00,600 --> 00:50:04,600

These extra threats you'll know what has happened in our race situation.

897

00:50:04,600 --> 00:50:06,600

They know the background. They know what has happened.

898

00:50:06,600 --> 00:50:11,600

I'd like to read you something that I definitely believe will eventually be fully understood

899

00:50:11,600 --> 00:50:16,600

which will erase much of the confusion of our time as to who certain people are

900

00:50:16,600 --> 00:50:18,600

and what some of these things are.

901

00:50:18,600 --> 00:50:23,600

Israel is an interplanetary group of great courage and devotion.

902

00:50:23,600 --> 00:50:29,600

The line of David of Israel is the most crazy among and one of the glorious chapters they have written.

903

00:50:29,600 --> 00:50:33,600

The blood of Judah is the pure work of God.

904

00:50:33,600 --> 00:50:39,600

They are true sons of God and they are glorious blood it is.

905

00:50:39,600 --> 00:50:44,600

When we examine these things, these flames, these things that are being done upon the face of the Earth

906

00:50:44,600 --> 00:50:52,600

we have all sorts of arguments for a person making certain claims to having certain race lines and

all that and that and so forth.

907

00:50:52,600 --> 00:51:00,600

When we begin to examine the twelve chapters of Israel, for instance, in the light of interplanetary legislation

908

00:51:00,600 --> 00:51:05,600

and of these tribes that may have been brought here from interplanetary space originally

909

00:51:05,600 --> 00:51:12,600

and they were the chosen people because they chose to come to the Earth to help this civilization evolve

910

00:51:12,600 --> 00:51:19,600

and the down to the ages they have tried to do something and out of that group of people were one that were called Judah

911

00:51:19,600 --> 00:51:23,600

and apparently had a special line, a special courage involved.

912

00:51:23,600 --> 00:51:30,600

We know by the history, the example of David and Goliath and very things that they indeed had great courage

913

00:51:30,600 --> 00:51:34,600

and they have been working throughout this world.

914

00:51:34,600 --> 00:51:43,600

Many are saying and we may comprehend that there is a death of situation that the New Israel of the world of today right now is America

915

00:51:43,600 --> 00:51:49,600

and they include Canada, the North American continent, the New Israel of this time.

916

00:51:50,600 --> 00:51:56,600

And that America is being given a role to play in this time.

917

00:51:56,600 --> 00:52:00,600

Most of the space that landing in sightings has been in the United States.

918

00:52:00,600 --> 00:52:04,600

Most of the visitation reports, most of the books have been written in America.

919

00:52:04,600 --> 00:52:08,600

Others in Brazil and a few other countries, but most of them here.

920

00:52:08,600 --> 00:52:10,600

What is the reason for this?

921

00:52:10,600 --> 00:52:17,600

To find that the reason is to wake people up in this country to the fact and very carry on a role in the time of ambition

922

00:52:17,600 --> 00:52:21,600

and that is to bring to the world a higher understanding, a better way of living.

923

00:52:21,600 --> 00:52:27,600

And it can be done by America as a focal point, a basting of freedom of the free world.

924

00:52:27,600 --> 00:52:33,600

Even though we are taxed, we feel will I believe be sustained in this critical time ahead of us.

925

00:52:39,600 --> 00:52:45,600

I would like to tell you at this time about this experience that I have mentioned just briefly.

926

00:52:45,600 --> 00:52:49,600

I have had many experiences with these crafts. I have seen them many times.

927

00:52:49,600 --> 00:52:55,600

I know the communication is real and I have seen the evidence of it many, many times.

928

00:52:55,600 --> 00:53:03,600

But in this experience of February the 14th, it was something that was profoundly more than anything that had ever happened before.

929

00:53:03,600 --> 00:53:11,600

In this case, in this experience I awakened in the early morning hours on February the 14th, which happened to be Valentine's Day.

930

00:53:11,600 --> 00:53:17,600

When I awakened, I found that I was in a state of ecstasy from the top of my head to the bottom of my feet.

931

00:53:17,600 --> 00:53:22,600

I had never felt this before. And as I awakened, I said, what in the world is happening?

932

00:53:22,600 --> 00:53:25,600

This is a wonderful feeling, but what is the reason for this?

933

00:53:25,600 --> 00:53:32,600

Now I have come to understand and comprehend that there is a high-minded man that we can use or what is called an intuitive senses

934

00:53:32,600 --> 00:53:40,600

that we have what we call a still small voice to him that tells us things, gives us answers, if we will ask.

935

00:53:40,600 --> 00:53:45,600

There are reasoning minds that many people use all the time, and I think that's not the only mind they have.

936

00:53:45,600 --> 00:53:48,600

They say, reason, and they reason, and they reason.

937

00:53:48,600 --> 00:53:54,600

And they think that the last day is mistakes. The mistakes of yesterday were caused because there are reasons wrong.

938

00:53:54,600 --> 00:53:58,600

But now that they have learned so much from yesterday, they can reason better.

939

00:53:58,600 --> 00:54:05,600

And there are reason again today and find out tomorrow that today's answers also were wrong.

940

00:54:05,600 --> 00:54:11,600

But the reasoning mind works like an IBM machine that you put certain problems into the machine by pushing buttons.

941

00:54:11,600 --> 00:54:18,600

You put certain information in the machine and light flash and re-insert various things.

942

00:54:18,600 --> 00:54:26,600

A process is completed and comes out on the other end in a tick or tape or a typewriter. A certain answer is given.

943

00:54:26,600 --> 00:54:32,600

Now some people would say that by their reasoning mind, whatever conclusion they came up with was correct.

944

00:54:33,600 --> 00:54:38,600

Because they did all the right processes. They reasoned, and they got an answer.

945

00:54:38,600 --> 00:54:45,600

Now how many people have ever thought that the problem that was put into the machine might have been wrong in the first place?

946

00:54:45,600 --> 00:54:52,600

Why hasn't it been in our colleges and universities? We are continually throwing away the old books and writing new ones.

947

00:54:52,600 --> 00:54:55,600

Old concepts are falling. New ones are presented.

948

00:54:56,600 --> 00:55:00,600

How right, how more right are our new concepts than our old ones?

949

00:55:00,600 --> 00:55:05,600

Because we are always throwing away them in terms of thought. We learn something more and we throw the books away.

950

00:55:05,600 --> 00:55:13,600

Why don't they stand? Because much of the material put into the reasoning mind that having was wrong in the first place.

951

00:55:13,600 --> 00:55:16,600

Therefore the answer was also wrong.

952

00:55:17,600 --> 00:55:21,600

That our reasoning mind has a valuable contribution to give us.

953

00:55:21,600 --> 00:55:27,600

It can reason and it finds use. But it can only reason about certain things.

954

00:55:27,600 --> 00:55:37,600

It cannot tell you the truth or the falsity necessarily of a situation unless we have the exact right information put into the machine.

955

00:55:37,600 --> 00:55:43,600

People are reasoning. Our world has reasoned for thousands of years and we are still making mistakes.

956

00:55:43,600 --> 00:55:54,600

Unless we base what the reasoning mind works on by higher consciousness, by higher intelligence that comes from the created mind,

957

00:55:54,600 --> 00:55:57,600

or what may they call the super conscious God mind and mind.

958

00:55:57,600 --> 00:56:01,600

When we have right information, then our reasoning mind can be something with us.

959

00:56:01,600 --> 00:56:08,600

But as long as we go around in that old circle, we can have no other mind, rather than our ego, or our reasoning mind,

960

00:56:08,600 --> 00:56:13,600

that we have not arrived even at the right approach. We just go around in a big circle continually.

961

00:56:13,600 --> 00:56:19,600

So I ask in this case, what is the world that is happening? This is what my intuitive mind said, what is happening.

962

00:56:19,600 --> 00:56:25,600

You are where you are, but you are somewhere else at the same time.

963

00:56:25,600 --> 00:56:32,600

At the somewhere else there was a gathering of people and I could sense these people, these people in this gathering.

964

00:56:33,600 --> 00:56:37,600

I began to hear music within my temple. There was none in my ears but right in this part of my head,

965

00:56:37,600 --> 00:56:45,600

which is a part of the higher clock process that has to do with the pineal and the paracere glass, and the higher mind of man.

966

00:56:45,600 --> 00:56:50,600

I heard music within this part of my head. It was something like a banger, but it was not a banger.

967

00:56:50,600 --> 00:56:54,600

I have not heard any of it until I came on the face of this earth.

968

00:56:54,600 --> 00:57:01,600

At each note was struck, I began to realize, and I realized that I had knew about each note was going to be before I actually heard the note.

969

00:57:02,600 --> 00:57:07,600

And I thought to myself, I know this song, I have heard this music before.

970

00:57:07,600 --> 00:57:12,600

It was something that reverberates all through my system, I could sort of feel it all through my body.

971

00:57:12,600 --> 00:57:16,600

It had a profound effect.

972

00:57:16,600 --> 00:57:22,600

The name of a person was spoken, who is renowned upon the earth as a great singer, who knows throughout the world.

973

00:57:23,600 --> 00:57:32,600

I feel that this person was present at this gathering, perhaps adding to the musical accompaniment of the musical program at this time.

974

00:57:32,600 --> 00:57:38,600

This was a spiritual occasion. There were many of what you call a spiritual person present.

975

00:57:38,600 --> 00:57:44,600

It might have been one of these spaceships. It might not have been, but I had a feeling that it would like in the upper ether of the world.

976

00:57:44,600 --> 00:57:48,600

It was not only earth, it would like in the higher ether.

977

00:57:49,600 --> 00:57:55,600

As these things registered, then I had this feeling. I had a sensation, a feeling of someone approaching me.

978

00:57:55,600 --> 00:58:00,600

And as this person approached me, I had a feeling within inside of who this person was.

979

00:58:00,600 --> 00:58:09,600

I know from the qualities you're teaching, I've studied and read about such things as the seven chakras within the human body, the spiritual centers, the seven major centers in the body.

980

00:58:09,600 --> 00:58:17,600

I think the biblical comparison to this is the seven churches of Asia, comparing or relating to the same thing.

981

00:58:18,600 --> 00:58:24,600

I've heard that in my heart or soul center, one of these centers, I heard having identification of who this person was.

982

00:58:24,600 --> 00:58:33,600

I could feel this person. I didn't feel. And what I did say that as a Christ is within, I certainly can say that this is true because I found this other location.

983

00:58:33,600 --> 00:58:44,600

Then this person addressed me. These were not things that I heard in my ears. Again, it was words that were presented or given to my disciples in here.

984

00:58:44,600 --> 00:58:51,600

They are more clear, were more clear to me than my spoken word is to you because I also had feelings at the same time.

985

00:58:51,600 --> 00:58:57,600

A feeling about the situation. I signed up in bed and wrote everything down, not even bothering to turn the light on.

986

00:58:57,600 --> 00:59:05,600

I was in a hurry to get this recorded. I recommend that everyone who gets innocent needs things, if they begin to carry or have a pen and pencil beside their bed.

987

00:59:05,600 --> 00:59:13,600

Because these things happen best when you are in a state of relaxation, just when you wake up in the morning and you're sort of between that wakefulness

988

00:59:13,600 --> 00:59:20,600

and that please that you are in a state of relaxation. And these things begin to manifest sometimes.

989

00:59:20,600 --> 00:59:24,600

You begin to understand that there is something going on. Someone is trying to tell you something.

990

00:59:24,600 --> 00:59:28,600

You feel something from a higher plane.

991

00:59:28,600 --> 00:59:37,600

But I was wide awake. I signed up in bed and wrote everything down. And all the words were given to me very clearly, in a very clear fashion.

992

00:59:38,600 --> 00:59:44,600

The first thing that was said was the identity of the person's spirit. Speaking of this is what was said.

993

00:59:44,600 --> 00:59:54,600

As identification, the Lord Jesus Christ, Son of God, Lord of all creation, Son of love.

994

00:59:54,600 --> 01:00:02,600

I feel from this, and from this person that we know upon the earth as Lord Jesus Christ, has authority all through the universe.

995

01:00:02,600 --> 01:00:12,600

That the word Lord generally means angelic being or a spiritual principle. And He has authority all through the creation.

996

01:00:12,600 --> 01:00:20,600

The next thing that was said was 1960 is the year of the sign of the Star of David.

997

01:00:21,600 --> 01:00:32,600

This Star of David is referred in symbolic meanings and of paramedic uses, the great paramedic, and in all the scriptures as a sixth one of stars.

998

01:00:32,600 --> 01:00:40,600

I feel that the general meaning here is that in 1960 we're going to have many signs and wonders given to mankind.

999

01:00:41,600 --> 01:00:48,600

That it is a year that it might be considered a focal point, a year of great principles.

1000

01:00:48,600 --> 01:00:55,600

Now that this year of the sign of the Star of David generally means that we are living in the year of the Christ side right now.

1001

01:00:55,600 --> 01:00:58,600

The year of the Christ side.

1002

01:00:58,600 --> 01:01:04,600

That individuals or groups may make great spiritual growth and progression if they will apply themselves.

1003

01:01:04,600 --> 01:01:09,600

Depending upon what we do this year, in 1960 many things in the future may hinge.

1004

01:01:09,600 --> 01:01:18,600

We have a great chaotic time, a great difficulty upon the face of this earth, or it might be eased off depending on what man does.

1005

01:01:18,600 --> 01:01:21,600

Does he continue to be a sifnest and hardheaded?

1006

01:01:21,600 --> 01:01:25,600

Does he continue to be egotistical in everything he does and thinks?

1007

01:01:25,600 --> 01:01:27,600

And in his actions.

1008

01:01:27,600 --> 01:01:30,600

These are all chituring involved here.
