

1

00:00:00,000 --> 00:00:25,800

This is an original tape recorded interview conducted by Dr. A. G. Itmar of New York with

2

00:00:25,800 --> 00:00:32,600

the French Canadian family living near Hemingsport, Quebec, Canada, who had a flying saucer land

3

00:00:32,600 --> 00:00:38,800

on their farm. Some alarms must be made for the quality of the recording as it was obtained

4

00:00:38,800 --> 00:00:44,200

on portable equipment. And now, ladies and gentlemen, Dr. A. G. Itmar.

5

00:00:45,200 --> 00:00:56,000

Here is the farmhouse home of Mr. and Mrs. Philip Pupau, who are in St. Bernard of the

6

00:00:56,000 --> 00:01:03,800

Home, or near Hemingsport, Quebec, which is just across the border from Champagne, New York.

7

00:01:03,800 --> 00:01:12,500

28th of August, 1954, the most spectacular thing happened on their farm. The family is

8

00:01:12,500 --> 00:01:18,100

gathered around the microphone to tell us about it. And first I'd like to introduce to you Mrs.

9

00:01:18,100 --> 00:01:25,500

Pupau. Will you tell us all about that remarkable happening 28th of August, 1954?

10

00:01:25,500 --> 00:01:37,100

Well, it's for a matter of the night and after suffered, we are sent here to Buries to get some

11

00:01:37,100 --> 00:01:46,300

feed that we had a big field feed at the other end of our farm that's about 14 acres from the house.

12

00:01:46,300 --> 00:01:54,900

And they got the horse and they both went to the forest back to get some feed. And when they got

13

00:01:54,900 --> 00:02:00,500

that at the farm, that we had at the other end of the farm, they tied the horse at the post there,

14

00:02:01,300 --> 00:02:09,700

and they went for the feed. The part of Buries was a little further in the field and the big one

15

00:02:09,700 --> 00:02:20,500

had his back turned to the barn. But the sideways, you see a big thing come in in the air and came down

16

00:02:20,500 --> 00:02:28,700

on the north side of the barn. They were on the south side, southwest side. And the other

17

00:02:28,700 --> 00:02:38,500

barn didn't see it because he had his back turned to the thing that came. And the big barn didn't say

18

00:02:38,500 --> 00:02:47,900

nothing to the young one in case it'd be a price. He looked at it and when it came down on the ground,

19

00:02:47,900 --> 00:02:54,500

it was all like a bar fire when he seen it. But as soon as it came, it touched the ground,

20

00:02:55,100 --> 00:03:04,700

it was all back. There was like a cover that came twisting around it. And it was all back. And there

21

00:03:04,700 --> 00:03:14,100

was a door that opened that made like a ladder. And a man came down.

22

00:03:14,100 --> 00:03:18,300

Well, we're probably going through it. How much larger was it?

23

00:03:19,300 --> 00:03:22,500

It was about nine feet diameter.

24

00:03:22,500 --> 00:03:31,100

And it was like a sphere, a perfect sphere. And at first it had a color, a brilliant

25

00:03:31,100 --> 00:03:37,100

like fire. Until it landed and then it immediately had no color to it at all.

26

00:03:37,100 --> 00:03:38,100

It was black.

27

00:03:38,100 --> 00:03:42,500

Oh, it was black color. And at what time of day was this?

28

00:03:42,700 --> 00:03:48,300

It was about past seven. They liked saving time.

29

00:03:48,300 --> 00:03:50,300

I see. Well, go ahead.

30

00:03:52,300 --> 00:04:03,300

There's a man that came down. Big, calm man. All dressed in black like a rubber and a skin tight.

31

00:04:04,300 --> 00:04:05,900

Rubbered the homeland of it?

32

00:04:05,900 --> 00:04:06,900

Yes.

33

00:04:07,300 --> 00:04:17,700

Just his head was covered. But his arms and all his body was like skin tight.

34

00:04:17,700 --> 00:04:24,500

It was, yeah, this man, he could see the big muscles that he had. And he held himself

35

00:04:24,500 --> 00:04:31,100

on the side of the door like to come down. And then his other hand, he had like a machine

36

00:04:31,100 --> 00:04:32,100

gun.

37

00:04:32,100 --> 00:04:33,100

Oh, a gun.

38

00:04:33,100 --> 00:04:42,100

Yes, a gun. Something that looked like a machine gun. And when you see the boy, the big boy,

39

00:04:42,100 --> 00:04:50,700

just turned his head sideways. The boy, the third, right away when it came down, he could

40

00:04:50,700 --> 00:04:59,700

hear in the grass like fire was in the grass, but it was the hair coming out of that thing

41

00:04:59,700 --> 00:05:06,700

and the suction of something. He looked around and he could see there was fire in the grass.

42

00:05:06,700 --> 00:05:14,700

That thing didn't make no noise at all. Just something like a bee.

43

00:05:14,700 --> 00:05:16,700

Something like a bee.

44

00:05:16,700 --> 00:05:26,700

Yes. And then the big boy looked at the smile of the boy and he said, you think there's

45

00:05:26,700 --> 00:05:32,700

something that we could climb on the house near the barn? The young one said, I think so.

46

00:05:32,700 --> 00:05:38,700

Well, he said, you won't have a look. And the young one goes and has a look. He said,

47

00:05:38,700 --> 00:05:45,700

yes, there is. Well, he said, we'll go home then. He said, you run and open the gate for me.

48

00:05:45,700 --> 00:05:51,700

And the little ones didn't see nothing about it. After they got to the gate, he climbed

49

00:05:51,700 --> 00:05:58,700

on the house with the other ones. And now the big ones tell them, you look back if you see anything.

50

00:05:58,700 --> 00:06:01,700

I've seen something before we left.

51

00:06:01,700 --> 00:06:05,700

Only one of the fellas, the older fellas, the young one, saw a beautiful thing.

52

00:06:05,700 --> 00:06:06,700

Yes.

53

00:06:06,700 --> 00:06:08,700

Where away did he say wash from him when he first saw it?

54

00:06:08,700 --> 00:06:10,700

About 150 feet.

55

00:06:10,700 --> 00:06:11,700

150 feet.

56

00:06:11,700 --> 00:06:15,700

Maybe not quite as far, but something around there.

57

00:06:15,700 --> 00:06:24,700

And when the first thing, when it came down, the horse was so afraid of it that he just

58

00:06:24,700 --> 00:06:31,700

stood on his own feet and just stood up. And now they go for the other, the little one,

59

00:06:31,700 --> 00:06:39,700

he says to the big one, say, yes, there's a big man coming in back of us. And now they

60

00:06:39,700 --> 00:06:41,700

make the horse run.

61

00:06:41,700 --> 00:06:42,700

I see.

62

00:06:42,700 --> 00:06:49,700

And when they were about halfway to the house, this thing comes up in the air and passed

63

00:06:49,700 --> 00:06:55,700

right near them and just lands in back of our barn near the house.

64

00:06:55,700 --> 00:06:56,700

Right here.

65

00:06:56,700 --> 00:06:57,700

Yes.

66

00:06:57,700 --> 00:06:59,700

Near this barn, it's outside here.

67

00:06:59,700 --> 00:07:04,700

Yes, the big barn here. It's about an acre and a half, two acres from the barn.

68

00:07:04,700 --> 00:07:05,700

I see.

69

00:07:05,700 --> 00:07:12,700

In the pasture there. And as soon as it lands again, it comes out back.

70

00:07:12,700 --> 00:07:17,700

The circular thing that went around and around and around and made it flat.

71

00:07:17,700 --> 00:07:19,700

Yes, made it flat.

72

00:07:19,700 --> 00:07:28,700

And they took the horse in the stable and they come running to the house screaming and the

73

00:07:28,700 --> 00:07:33,700

young one comes in and he elapses the door.

74

00:07:33,700 --> 00:07:41,700

And I said, what's the matter? The big one tells me, mama, we've seen something tonight

75

00:07:41,700 --> 00:07:46,700

and what we're going to tell you is the real truth.

76

00:07:46,700 --> 00:07:51,700

We've seen something. It's a flying saucer, nothing but a flying saucer.

77

00:07:51,700 --> 00:07:56,700

And maybe they're running after us. They're going to come in, maybe.

78

00:07:56,700 --> 00:08:00,700

Just landed in back of the barn again.

79

00:08:00,700 --> 00:08:04,700

I said, oh no, they won't come in the house.

80

00:08:04,700 --> 00:08:10,700

I said, top of the milk in the car, we'll go and see him.

81

00:08:10,700 --> 00:08:13,700

Maybe we'll see it too.

82

00:08:13,700 --> 00:08:15,700

Oh no, they didn't want to go out.

83

00:08:15,700 --> 00:08:20,700

They were sure, sure that the people were going to come in the house.

84

00:08:21,700 --> 00:08:29,700

I decided, I said, you take the gun. We'll go out. We'll go to the barn.

85

00:08:29,700 --> 00:08:38,700

Well, they decided we'd go to the barn and we get back door and they go and see where it was.

86

00:08:38,700 --> 00:08:43,700

It was moonlight and they seen the thing and there was three men walking around it.

87

00:08:43,700 --> 00:08:44,700

Three this time.

88

00:08:44,700 --> 00:08:45,700

Three this time.

89

00:08:46,700 --> 00:08:48,700

And now it was in the moonlight.

90

00:08:48,700 --> 00:08:55,700

They couldn't see if their dress was black like they seen at the other end the first time

91

00:08:55,700 --> 00:08:59,700

because it was just shining like glass now.

92

00:08:59,700 --> 00:09:01,700

You could see it shining in the moonlight.

93

00:09:01,700 --> 00:09:03,700

It didn't look like it was black anymore.

94

00:09:03,700 --> 00:09:05,700

It looked like falafel.

95

00:09:05,700 --> 00:09:06,700

I see.

96

00:09:06,700 --> 00:09:15,700

And I come back to the house to telephone to somebody for them to come and see.

97

00:09:15,700 --> 00:09:18,700

We were kind of afraid too, you know.

98

00:09:18,700 --> 00:09:20,700

Sure, naturally.

99

00:09:20,700 --> 00:09:26,700

And I call up at Hemingford Village for Mr. Touch.

100

00:09:26,700 --> 00:09:28,700

And that's the agronomist.

101

00:09:28,700 --> 00:09:30,700

And he wasn't home.

102

00:09:30,700 --> 00:09:34,700

The guy answered and he said he's over to Mr. Larry.

103

00:09:34,700 --> 00:09:38,700

So I told him the guy, what was going on.

104

00:09:38,700 --> 00:09:46,700

And him and a nine man, they had, I don't remember his name, they started to come here.

105

00:09:46,700 --> 00:09:50,700

And by this time I called Mr. Larry.

106

00:09:50,700 --> 00:09:55,700

And while I don't know, I think that they didn't believe us.

107

00:09:55,700 --> 00:10:02,700

They talked about it a little while and when I see nobody was coming, I call up again.

108

00:10:02,700 --> 00:10:08,700

By this time it goes up again in the air and it lands on the other side of the road.

109

00:10:08,700 --> 00:10:10,700

It wouldn't have come off here?

110

00:10:10,700 --> 00:10:12,700

In the back of the barn there.

111

00:10:12,700 --> 00:10:15,700

And it lands on the other side of the road near the water hole there.

112

00:10:15,700 --> 00:10:16,700

Oh, it did.

113

00:10:16,700 --> 00:10:17,700

Yeah.

114

00:10:17,700 --> 00:10:26,700

Well, by this time I call up again, Mr. Larry's and Mrs. Larry tells me that they just left to come.

115

00:10:26,700 --> 00:10:32,700

When I go out the house, this thing was going up again.

116

00:10:32,700 --> 00:10:38,700

And the father, he told me and said come quick, ma, ma, he's going up again.

117

00:10:38,700 --> 00:10:48,700

And now Mr. Fetch and all the boys, Mr. Fetch's sons and the Iron Man, they all were here then.

118

00:10:48,700 --> 00:10:51,700

And they see, they see this go up in the air.

119

00:10:51,700 --> 00:10:59,700

But it was far enough now, it looked just to be like three feet diameters when we seen it.

120

00:10:59,700 --> 00:11:04,700

And we seen it go far, far.

121

00:11:04,700 --> 00:11:10,700

It was just as big as a marvel when you couldn't see it no more.

122

00:11:10,700 --> 00:11:12,700

It took off very rapidly, you say?

123

00:11:12,700 --> 00:11:13,700

Yes.

124

00:11:13,700 --> 00:11:20,700

And it ended up and it had a big cable and with something back hanging to it, like a big,

125

00:11:20,700 --> 00:11:23,700

iron piece, clarity.

126

00:11:23,700 --> 00:11:26,700

What color was it when it was moving again?

127

00:11:26,700 --> 00:11:28,700

The buzz.

128

00:11:28,700 --> 00:11:33,700

It was like a big salt bubble.

129

00:11:33,700 --> 00:11:36,700

And the salt bubble.

130

00:11:36,700 --> 00:11:40,700

It was like fire, like a big moon.

131

00:11:40,700 --> 00:11:42,700

So after you saw the pattern?

132

00:11:42,700 --> 00:11:43,700

Yes.

133

00:11:43,700 --> 00:11:45,700

And it went away west.

134

00:11:45,700 --> 00:11:54,700

And it passed over Mrs. Larry's residence and she seen it too when it went on, when it went over there.

135

00:11:54,700 --> 00:11:57,700

Well, what were the boys' names that, uh, was?

136

00:11:57,700 --> 00:12:00,700

Henry was the big bar, he'd seen it.

137

00:12:00,700 --> 00:12:01,700

How old was he at the time?

138

00:12:01,700 --> 00:12:03,700

He was 13.

139

00:12:03,700 --> 00:12:09,700

And the other one was one of my twin bars.

140

00:12:09,700 --> 00:12:11,700

It was Gabriel.

141

00:12:11,700 --> 00:12:12,700

Right.

142

00:12:12,700 --> 00:12:13,700

He was 11.

143

00:12:13,700 --> 00:12:14,700

11.

144

00:12:14,700 --> 00:12:15,700

Mm-hmm.

145

00:12:15,700 --> 00:12:16,700

Could we hear from them?

146

00:12:16,700 --> 00:12:17,700

A few words from them?

147

00:12:17,700 --> 00:12:19,700

There's Henry right behind you there.

148

00:12:19,700 --> 00:12:23,700

Henry, tell us just a little about how you felt when you saw that first.

149

00:12:23,700 --> 00:12:26,700

Take some life and fall in there.

150

00:12:26,700 --> 00:12:28,700

When you first saw it out there in the field, yeah?

151

00:12:28,700 --> 00:12:30,700

I was very afraid of that.

152

00:12:30,700 --> 00:12:32,700

You sure were, huh?

153

00:12:32,700 --> 00:12:37,700

And I rinsed the house and I told that to my, all about it.

154

00:12:37,700 --> 00:12:39,700

Uh-huh.

155

00:12:39,700 --> 00:12:45,700

I was, uh, ranting about 90 square, 90 times, I tell you.

156

00:12:45,700 --> 00:12:46,700

You know.

157

00:12:46,700 --> 00:12:50,700

And red, all kind of colors.

158

00:12:50,700 --> 00:12:52,700

All kind of colors, I tell you.

159

00:12:52,700 --> 00:12:55,700

And when he comes in the house, he's like,

160

00:12:55,700 --> 00:12:57,700

Mama, je vais vous dire quelque chose, là.

161

00:12:57,700 --> 00:13:01,700

Ça va c'est beurre, beurre, à quoi je vais vous dire, là?

162

00:13:01,700 --> 00:13:06,700

Et on a vu un secours bonheur, certain.

163

00:13:06,700 --> 00:13:08,700

C'est bien, mais je ne m'en veux pas.

164

00:13:08,700 --> 00:13:10,700

Vous pouvez inquire ce que j'ai dit.

165

00:13:10,700 --> 00:13:12,700

C'est pas des mandrilles.

166

00:13:12,700 --> 00:13:14,700

It ain't life.

167

00:13:14,700 --> 00:13:18,700

What I'm going to tell you is the real truth.

168

00:13:18,700 --> 00:13:25,700

And they had seen it the Saturday before, this same thing.

169

00:13:25,700 --> 00:13:27,700

It seems Saturday was the first one.

170

00:13:27,700 --> 00:13:29,700

Yes, not landing.

171

00:13:29,700 --> 00:13:30,700

Just went by.

172

00:13:30,700 --> 00:13:36,700

And going on the same place where they first seen it.

173

00:13:36,700 --> 00:13:38,700

Have you seen it since?

174

00:13:38,700 --> 00:13:43,700

Well, one Saturday, or quite a long time after that,

175

00:13:43,700 --> 00:13:46,700

we've seen something on a Saturday night again.

176

00:13:46,700 --> 00:13:52,700

But not near enough that we could say it was that.

177

00:13:52,700 --> 00:13:56,700

Well, Mrs. Coupal, about three weeks later,

178

00:13:56,700 --> 00:13:58,700

you had a strange visitor visit your house.

179

00:13:58,700 --> 00:13:59,700

Is that so?

180

00:13:59,700 --> 00:14:00,700

Yes.

181

00:14:00,700 --> 00:14:02,700

What else about him?

182

00:14:02,700 --> 00:14:06,700

Well, this man had seen on the paper,

183

00:14:06,700 --> 00:14:10,700

because somebody had come on the paper,

184

00:14:10,700 --> 00:14:16,700

the Sunday morning paper, and he had seen it.

185

00:14:16,700 --> 00:14:19,700

And on the Tuesday, he called me up,

186

00:14:19,700 --> 00:14:24,700

he talked about it to him and showed him where this thing came down

187

00:14:24,700 --> 00:14:28,700

and everything that he was very interested in trying saucers

188

00:14:28,700 --> 00:14:32,700

and that he'd like to know more about it.

189

00:14:32,700 --> 00:14:34,700

He just showed up here at the house?

190

00:14:34,700 --> 00:14:36,700

He called me.

191

00:14:36,700 --> 00:14:37,700

He called you on the phone?

192

00:14:37,700 --> 00:14:38,700

On the phone.

193

00:14:38,700 --> 00:14:41,700

So I told him yes.

194

00:14:41,700 --> 00:14:48,700

He came, he comes down, and the boy took him where it landed here

195

00:14:48,700 --> 00:14:49,700

near the barn.

196

00:14:49,700 --> 00:14:52,700

He didn't take him down at the other end of the farm,

197

00:14:52,700 --> 00:14:57,700

he seemed to know something about it.

198

00:14:57,700 --> 00:15:01,700

He didn't want to go right away at the other end of the farm.

199

00:15:01,700 --> 00:15:07,700

He wanted to come back at night around six o'clock or at now six.

200

00:15:07,700 --> 00:15:12,700

I told him that we didn't have time in this afternoon to go all over the farm

201

00:15:12,700 --> 00:15:17,700

that we had too much work to do and to come back that night.

202

00:15:17,700 --> 00:15:22,700

He said I'd like to come back tonight because I'm quite sure this thing

203

00:15:22,700 --> 00:15:24,700

is going to come back again tonight.

204

00:15:24,700 --> 00:15:26,700

He seemed to know all about it.

205

00:15:26,700 --> 00:15:29,700

Well, I said you come back tonight.

206

00:15:29,700 --> 00:15:35,700

He comes at the time that he had said around half past six he was here

207

00:15:35,700 --> 00:15:41,700

and had a bite for supper with us and he leaves with the boy,

208

00:15:41,700 --> 00:15:44,700

Henry, with the boy that had seen it.

209

00:15:44,700 --> 00:15:49,700

Because this time the other one was away on a vacation.

210

00:15:49,700 --> 00:15:56,700

So Henry goes and I didn't like the idea of him going alone with this man.

211

00:15:56,700 --> 00:16:02,700

I had my other boy, Medaur, to go with him but he didn't seem to like it very much.

212

00:16:02,700 --> 00:16:04,700

He wanted to go alone with the boy.

213

00:16:04,700 --> 00:16:05,700

He wanted to go alone.

214

00:16:05,700 --> 00:16:10,700

I don't know if he had a revolver or something on him.

215

00:16:10,700 --> 00:16:12,700

He had what you call a five-lace.

216

00:16:12,700 --> 00:16:14,700

Field glasses, yes.

217

00:16:14,700 --> 00:16:16,700

Field glasses, yes, right.

218

00:16:16,700 --> 00:16:19,700

Well, they go.

219

00:16:19,700 --> 00:16:22,700

I was well organized.

220

00:16:22,700 --> 00:16:26,700

We had somebody in the field all over the place.

221

00:16:26,700 --> 00:16:33,700

If anything had happened, there was something, somebody in the area that they could...

222

00:16:33,700 --> 00:16:34,700

Well-guided.

223

00:16:34,700 --> 00:16:35,700

Yes.

224

00:16:36,700 --> 00:16:47,700

Around quarter past nine there was something that came from far, from the south

225

00:16:47,700 --> 00:16:52,700

and seemed to come right for the same place.

226

00:16:52,700 --> 00:16:58,700

And this man gets up and he had a big white handkerchief

227

00:16:58,700 --> 00:17:01,700

and he runs in the meadow that wasn't back to mind.

228

00:17:01,700 --> 00:17:06,700

They're a big long meadow and he runs almost past the meadow

229

00:17:06,700 --> 00:17:11,700

and he wades the handkerchief and he comes back and says,

230

00:17:11,700 --> 00:17:14,700

oh, it's all right.

231

00:17:14,700 --> 00:17:16,700

They won't come back now.

232

00:17:16,700 --> 00:17:18,700

It passed right over?

233

00:17:18,700 --> 00:17:20,700

Yes, it passed right over.

234

00:17:20,700 --> 00:17:21,700

Oh, well.

235

00:17:21,700 --> 00:17:22,700

And then stopped.

236

00:17:22,700 --> 00:17:23,700

What did it look like?

237

00:17:23,700 --> 00:17:26,700

Henry, can you tell us what it looked like?

238

00:17:26,700 --> 00:17:35,700

It looked round and after she passed over, I had to go right at the wing.

239

00:17:35,700 --> 00:17:36,700

At the wing.

240

00:17:36,700 --> 00:17:38,700

The wing came out.

241

00:17:38,700 --> 00:17:39,700

Very far out?

242

00:17:39,700 --> 00:17:40,700

Or long or short wings?

243

00:17:40,700 --> 00:17:41,700

Short.

244

00:17:41,700 --> 00:17:42,700

Short wings.

245

00:17:42,700 --> 00:17:45,700

After that, the rest will go home now.

246

00:17:45,700 --> 00:17:47,700

There's nothing doing.

247

00:17:47,700 --> 00:17:49,700

There was a light there.

248

00:17:49,700 --> 00:17:52,700

It was dark enough for it to be a light to see in.

249

00:17:52,700 --> 00:17:53,700

What color was the light?

250

00:17:53,700 --> 00:17:54,700

Red.

251

00:17:54,700 --> 00:17:55,700

A red light?

252

00:17:55,700 --> 00:17:56,700

Yes.

253

00:17:56,700 --> 00:17:58,700

It's just passed on over and didn't come down.

254

00:17:58,700 --> 00:17:59,700

How far up was it about?

255

00:17:59,700 --> 00:18:01,700

Was it very far up off the ground?

256

00:18:01,700 --> 00:18:02,700

Yes.

257

00:18:02,700 --> 00:18:03,700

Way up?

258

00:18:03,700 --> 00:18:04,700

Yes.

259

00:18:04,700 --> 00:18:05,700

Any noise?

260

00:18:05,700 --> 00:18:06,700

Any sound to it?

261

00:18:06,700 --> 00:18:07,700

Yes, no noise.

262

00:18:07,700 --> 00:18:08,700

Much?

263

00:18:08,700 --> 00:18:10,700

What did it sound like?

264

00:18:10,700 --> 00:18:12,700

Like a motor.

265

00:18:12,700 --> 00:18:17,700

Well, do you think it might have been an airplane or was it a different kind of sound than an

airplane?

266

00:18:17,700 --> 00:18:19,700

It was a kind of sound.

267

00:18:19,700 --> 00:18:20,700

I see.

268

00:18:20,700 --> 00:18:23,700

Wasn't it all like an airplane motor?

269

00:18:23,700 --> 00:18:24,700

No.

270

00:18:24,700 --> 00:18:27,700

Can you think of what it might have sounded like?

271

00:18:27,700 --> 00:18:29,700

Or kind of a motor?

272

00:18:29,700 --> 00:18:30,700

Or was it a...

273

00:18:30,700 --> 00:18:32,700

A washing machine motor?

274

00:18:32,700 --> 00:18:34,700

A washing machine motor.

275

00:18:34,700 --> 00:18:35,700

Very interesting.

276

00:18:35,700 --> 00:18:36,700

Yes.

277

00:18:36,700 --> 00:18:44,700

This time when the first thing was that first night, and we thought that when it came down

278

00:18:44,700 --> 00:18:46,700

there was fire in the ground.

279

00:18:46,700 --> 00:18:49,700

This thing didn't make no noise.

280

00:18:49,700 --> 00:18:52,700

Just about like a honeybee.

281

00:18:53,700 --> 00:18:54,700

A hum.

282

00:18:54,700 --> 00:18:55,700

A hum.

283

00:18:55,700 --> 00:18:58,700

Well, what happened after that?

284

00:18:58,700 --> 00:19:00,700

They just gave up the chase?

285

00:19:00,700 --> 00:19:01,700

Yes.

286

00:19:01,700 --> 00:19:09,700

Well, he was questioned here at the house by some of the authorities that this man didn't

287

00:19:09,700 --> 00:19:13,700

seem to... and nothing to say after.

288

00:19:13,700 --> 00:19:19,700

He didn't seem to be afraid or nothing, but he was very calm.

289

00:19:19,700 --> 00:19:22,700

And we never heard about him anymore.

290

00:19:22,700 --> 00:19:25,700

Did he say where he came from?

291

00:19:25,700 --> 00:19:33,700

Well, the way he talked, he was working in the Laurentied, but I don't think so.

292

00:19:33,700 --> 00:19:34,700

No.

293

00:19:34,700 --> 00:19:35,700

And...

294

00:19:35,700 --> 00:19:38,700

I think he was making up a story about his identity.

295

00:19:38,700 --> 00:19:45,700

He showed me papers, he had his pocketbook, and that he was very interested in flying

296

00:19:45,700 --> 00:19:58,700

off the... he said that he was going to come back and with cameras, maybe that he'd go

297

00:19:58,700 --> 00:20:00,700

and go in the flying saucer too.

298

00:20:00,700 --> 00:20:04,700

He expected it to land that night and he thought he might get in?

299

00:20:04,700 --> 00:20:05,700

Yes.

300

00:20:05,700 --> 00:20:07,700

And Henry would take pictures.

301

00:20:07,700 --> 00:20:09,700

He was going to...

302

00:20:09,700 --> 00:20:12,700

He wanted Henry to take a picture of it or get in with him?

303

00:20:12,700 --> 00:20:14,700

In order to take pictures with him.

304

00:20:14,700 --> 00:20:17,700

From the ground, what's he getting in the flying saucer?

305

00:20:17,700 --> 00:20:18,700

I see.

306

00:20:18,700 --> 00:20:21,700

But he had no camera and didn't land either?

307

00:20:21,700 --> 00:20:27,700

He didn't mind, and he didn't have no camera with him when he came back.

308

00:20:27,700 --> 00:20:35,700

But he was supposed to come back again and he wanted us to have a bed down there at the

309

00:20:35,700 --> 00:20:39,700

other side that he could stay there night.

310

00:20:39,700 --> 00:20:43,700

But you didn't care for that at all.

311

00:20:43,700 --> 00:20:46,700

Well, he certainly did access preciously.

312

00:20:46,700 --> 00:20:53,700

What do you think this thing that you saw flying across and landing...

313

00:20:53,700 --> 00:20:56,700

Do you think that's anything that came from the Earth?

314

00:20:56,700 --> 00:20:57,700

Well...

315

00:20:57,700 --> 00:20:59,700

We never heard anything like that.

316

00:20:59,700 --> 00:21:02,700

We've never heard of anything like that, never seen it before.

317

00:21:02,700 --> 00:21:05,700

It took off so quickly, so rapidly, we don't have to take it.

318

00:21:05,700 --> 00:21:09,700

The man didn't look like people from this Earth.

319

00:21:09,700 --> 00:21:19,700

He was a big man with a great big round eyes, very black, his hairs were black and straight,

320

00:21:19,700 --> 00:21:22,700

not the clone, not the like man.

321

00:21:22,700 --> 00:21:23,700

Not my cup.

322

00:21:23,700 --> 00:21:29,700

And I...not my cup, like men's around here.

323

00:21:29,700 --> 00:21:33,700

They weren't up to...his hair was not cut like that.

324

00:21:33,700 --> 00:21:34,700

I see.

325

00:21:34,700 --> 00:21:35,700

Was it longer, you mean?

326

00:21:35,700 --> 00:21:37,700

Well, not very long, eh?

327

00:21:37,700 --> 00:21:38,700

Not very long, eh?

328

00:21:38,700 --> 00:21:39,700

Well, why?

329

00:21:39,700 --> 00:21:47,700

Like, oh...Henry just motioned to us there, down to the center of his neck, in the back.

330

00:21:47,700 --> 00:21:48,700

That's it.

331

00:21:48,700 --> 00:21:55,700

Well, many people who are studying flying saucers are convinced that they come from other planets.

332

00:21:55,700 --> 00:21:56,700

Yes, they are.

333

00:21:56,700 --> 00:21:57,700

All right.

334

00:21:57,700 --> 00:21:59,700

What do you think about this man that came to visit you?

335

00:21:59,700 --> 00:22:01,700

Well, he seemed to know all about this thing.

336

00:22:01,700 --> 00:22:03,700

Do you think he was one of those fellows?

337

00:22:03,700 --> 00:22:04,700

Who do you think he was?

338

00:22:04,700 --> 00:22:05,700

I don't know.

339

00:22:05,700 --> 00:22:15,700

And something was mysterious about it, because this day when he came, it was just after dinner,

340

00:22:15,700 --> 00:22:24,700

and while he was gone around, at 4, 5 o'clock, there was another man walking around the bush,

341

00:22:24,700 --> 00:22:29,700

where in the back were existing land at the first time.

342

00:22:29,700 --> 00:22:37,700

And the same horse that they had when they went to pick the bees, it came back from the

343

00:22:37,700 --> 00:22:41,700

field running, and it seemed to be very scared of this thing.

344

00:22:41,700 --> 00:22:44,700

And from the same thing again, this day.

345

00:22:44,700 --> 00:22:48,700

That was the same day the man in the other man was there.

346

00:22:48,700 --> 00:22:54,700

That was the man walking along the bush down there.

347

00:22:54,700 --> 00:22:56,700

We seen it from here.

348

00:22:56,700 --> 00:23:00,700

We never heard about him anymore.

349

00:23:00,700 --> 00:23:05,700

This man stayed two days at an hotel not very far from here.

350

00:23:05,700 --> 00:23:07,700

We heard about it.

351

00:23:07,700 --> 00:23:11,700

Well, that certainly is a very interesting story.

352

00:23:11,700 --> 00:23:17,700

I wish we could get to the bottom of it and find out just where it came from, where the

353

00:23:17,700 --> 00:23:22,700

man came from, where he went, and who he was, and what he was doing here.

354

00:23:22,700 --> 00:23:27,700

What we can do is guess and guess.

355

00:23:27,700 --> 00:23:34,700

We heard on the radio the next day that he had the red arm.

356

00:23:34,700 --> 00:23:35,700

The red arm?

357

00:23:35,700 --> 00:23:36,700

Yeah.

358

00:23:36,700 --> 00:23:44,700

At Trindex, in the serious thing, and out of it, about 20 minutes past Sunday, that same

359

00:23:44,700 --> 00:23:46,700

morning.

360

00:23:46,700 --> 00:23:48,700

In there?

361

00:23:48,700 --> 00:23:52,700

Yeah, they picked it up on the radar.

362

00:23:52,700 --> 00:23:57,700

20 after one, that was about three hours after left here.

363

00:23:57,700 --> 00:24:02,700

It was about 10 o'clock, 9 o'clock, I guess, or something like that.

364

00:24:02,700 --> 00:24:04,700

Four hours.

365

00:24:04,700 --> 00:24:06,700

Four hours.

366

00:24:06,700 --> 00:24:08,700

Maybe about four hours.

367

00:24:08,700 --> 00:24:14,700

The rate it was going, it got into Ottawa very quickly, didn't it?

368

00:24:14,700 --> 00:24:15,700

Well, yes.

369

00:24:15,700 --> 00:24:20,700

I don't think so far as that to go to Ottawa.

370

00:24:20,700 --> 00:24:24,700

Maybe it stopped again before it got there, two hours ago.

371

00:24:24,700 --> 00:24:25,700

It was like that.

372

00:24:25,700 --> 00:24:30,700

There are quite a few mysterious things that have been seen around here, haven't they?

373

00:24:30,700 --> 00:24:31,700

Yes.

374

00:24:31,700 --> 00:24:32,700

And beside that.

375

00:24:32,700 --> 00:24:38,700

The same night after it just left, for the last time we've seen it, well, I called up

376

00:24:38,700 --> 00:24:46,700

the John that the airport there, asked them if they had anything, trying anything in the

377

00:24:46,700 --> 00:24:50,700

air, just nice, and he said no, that's his name.

378

00:24:50,700 --> 00:24:56,700

Well, that seems to be the way so many of these sightings go that the Air Force say they

379

00:24:56,700 --> 00:25:01,700

haven't anything up in the air, they're not trying anything, yet they do see these things.

380

00:25:01,700 --> 00:25:06,700

And a lot of the Air Force pilots have seen these things and reported back, and there's

381

00:25:06,700 --> 00:25:10,700

nothing supposed to be anywhere near them, and they see them in radar.

382

00:25:10,700 --> 00:25:14,700

They're the most fascinating subject.

383

00:25:14,700 --> 00:25:17,700

We live on up to find out what they're coming from.

384

00:25:17,700 --> 00:25:19,700

I don't know, I don't think we will.

385

00:25:19,700 --> 00:25:20,700

You don't?

386

00:25:20,700 --> 00:25:21,700

I don't know.

387

00:25:21,700 --> 00:25:27,700

They say that the next hour will be between planets then?

388

00:25:27,700 --> 00:25:28,700

I don't know.

389

00:25:28,700 --> 00:25:33,700

They also think that these people, if they are coming from other planets, are showing

390

00:25:33,700 --> 00:25:36,700

themselves friendly, or so that we are toward them.

391

00:25:36,700 --> 00:25:38,700

Yeah, but both matter.

392

00:25:38,700 --> 00:25:42,700

Maybe we should learn a lesson, we should learn a lesson, be friendly to them, and maybe

393

00:25:42,700 --> 00:25:46,700

they come and we get along fine.

394

00:25:46,700 --> 00:25:51,700

Maybe they're not bad, they're not bad people, they're from other planets.

395

00:25:51,700 --> 00:25:55,700

Well, if they're that far ahead of us, if they can fly from one planet to another, they must

396

00:25:55,700 --> 00:25:56,700

be way ahead of us.

397

00:25:56,700 --> 00:25:57,700

Oh, yeah.

398

00:25:57,700 --> 00:25:59,700

So they'd be way ahead of us, also, and so wouldn't they?

399

00:25:59,700 --> 00:26:04,700

Nobody from this earth could reach other planets yet, huh?

400

00:26:04,700 --> 00:26:05,700

Not yet.

401

00:26:05,700 --> 00:26:10,700

Well, I was certainly having a very interesting talk that we've had, Mrs. Kupam.

402

00:26:10,700 --> 00:26:16,700

You say a few words in French, so I was trying to get gay earlier to say a few words in French

403

00:26:16,700 --> 00:26:22,700

at least, because you talk very good French, and I understand English very well.

404

00:26:22,700 --> 00:26:25,700

How about just a little bit?

405

00:26:25,700 --> 00:26:27,700

Come on, say it.

406

00:26:27,700 --> 00:26:34,700

I'll just say that in French, I'd say what you thought of it when you saw it land out

407

00:26:34,700 --> 00:26:37,700

there in the field the first time.

408

00:26:37,700 --> 00:26:41,700

We have just a couple seconds here, let us say it.

409

00:26:41,700 --> 00:26:42,700

Okay.

410

00:26:42,700 --> 00:26:43,700

Thank you.

411

00:26:43,700 --> 00:26:44,700

Thank you.

412

00:26:44,700 --> 00:26:45,700

Thank you.

413

00:26:45,700 --> 00:26:46,700

Thank you.

414

00:26:46,700 --> 00:26:47,700

You're welcome.

415

00:26:47,700 --> 00:26:48,700

Well, thanks a lot.

416

00:26:48,700 --> 00:26:53,700

Today I gave earlier a little bashful about it, but today he did say it for the record.

417

00:26:53,700 --> 00:26:56,700

And you want to say a word of joy?

418

00:26:56,700 --> 00:26:57,700

It's Michael.

419

00:26:57,700 --> 00:26:58,700

It's Michael.

420

00:26:58,700 --> 00:26:59,700

Hi, Michael.

421

00:26:59,700 --> 00:27:00,700

Michael was an honor scene.

422

00:27:00,700 --> 00:27:01,700

Hi, Michael.

423

00:27:01,700 --> 00:27:02,700

I didn't see it though.

424

00:27:02,700 --> 00:27:03,700

I didn't see it though.

425

00:27:03,700 --> 00:27:06,700

Weren't you here when it landed out here in the field?

426

00:27:06,700 --> 00:27:07,700

No.

427

00:27:07,700 --> 00:27:08,700

No, you weren't even home, huh?

428

00:27:08,700 --> 00:27:09,700

No, I'm not.

429

00:27:09,700 --> 00:27:10,700

I see.

430

00:27:10,700 --> 00:27:11,700

I'm not.

431

00:27:11,700 --> 00:27:12,700

I'm not.

432

00:27:12,700 --> 00:27:13,700

I see.

433

00:27:13,700 --> 00:27:14,700

I was just in the field earlier.

434

00:27:14,700 --> 00:27:15,700

Oh, that's too bad you missed it.

435

00:27:15,700 --> 00:27:16,700

You're fine sight.

436

00:27:16,700 --> 00:27:17,700

Well, thank you very much, Mrs. Kupam, and Henry and Jay Brillan.

437

00:27:17,700 --> 00:27:18,700

Anyone else?

438

00:27:18,700 --> 00:27:20,700

Well, there's wonderful talk.

439

00:27:20,700 --> 00:27:33,700

You know, it's going to be very interesting to all those who are watching this.

440

00:27:33,700 --> 00:27:34,700

Oh, I see.

441

00:27:34,700 --> 00:27:35,700

I don't know what I'm saying.

442

00:27:35,700 --> 00:27:36,700

All right, Mr. Kupam.

443

00:27:36,700 --> 00:27:37,700

I'm not, I'm not.

444

00:27:37,700 --> 00:27:38,700

I'm not.

445

00:27:38,700 --> 00:27:39,700

I'm not.

446

00:27:39,700 --> 00:27:40,700

I'm not.

447

00:27:40,700 --> 00:27:41,700

I'm not.

448

00:27:41,700 --> 00:27:42,700

I'm not.

449

00:27:42,700 --> 00:27:43,700

I'm not.

450

00:27:43,700 --> 00:27:44,700

I'm not.

451

00:27:44,700 --> 00:27:45,700

I'm not.

452

00:27:45,700 --> 00:27:46,700

I'm not.

453

00:27:46,700 --> 00:27:47,700

I'm not.

454

00:27:47,700 --> 00:27:48,700

I'm not.

455

00:27:48,700 --> 00:27:49,700

I'm not.

456

00:27:49,700 --> 00:27:50,700

I'm not.

457

00:27:50,700 --> 00:27:51,700

I'm not.

458

00:27:51,700 --> 00:27:52,700

I'm not.

459

00:27:52,700 --> 00:27:53,700

I'm not.

460

00:27:53,700 --> 00:27:54,700

I'm not.

461

00:27:54,700 --> 00:27:55,700

I'm not.

462

00:27:55,700 --> 00:27:56,700

I'm not.

463

00:27:56,700 --> 00:27:57,700

I'm not.

464

00:27:57,700 --> 00:27:58,700

I'm not.

465

00:27:58,700 --> 00:27:59,700

I'm not.

466

00:27:59,700 --> 00:28:00,700

I'm not.

467

00:28:00,700 --> 00:28:01,700

I'm not.

468

00:28:01,700 --> 00:28:02,700

I'm not.

469

00:28:02,700 --> 00:28:03,700

I'm not.

470

00:28:03,700 --> 00:28:04,700

I'm not.

471

00:28:04,700 --> 00:28:05,700

I'm not.

472

00:28:05,700 --> 00:28:06,700

I'm not.

473

00:28:06,700 --> 00:28:07,700

I'm not.

474

00:28:07,700 --> 00:28:08,700

I'm not.

475

00:28:08,700 --> 00:28:09,700

I'm not.

476

00:28:09,700 --> 00:28:10,700

I'm not.

477

00:28:10,700 --> 00:28:11,700

I'm not.

478

00:28:11,700 --> 00:28:12,700

I'm not.

479

00:28:12,700 --> 00:28:13,700

I'm not.

480

00:28:13,700 --> 00:28:14,700

I'm not.

481

00:28:14,700 --> 00:28:15,700

I'm not.

482

00:28:15,700 --> 00:28:16,700

I'm not.

483

00:28:16,700 --> 00:28:17,700

I'm not.

484

00:28:17,700 --> 00:28:18,800

I'm not.

485

00:28:18,800 --> 00:28:20,000

I'm not.

486

00:28:20,000 --> 00:28:20,760

I'm not.

487

00:28:20,760 --> 00:28:21,700

I'm not.

488

00:28:21,700 --> 00:28:22,700

I'm not.

489

00:28:22,700 --> 00:28:23,700

I'm not.

490

00:28:23,700 --> 00:28:24,700

I'm not.

491

00:28:24,700 --> 00:28:25,700

I'm not.

492

00:28:25,700 --> 00:28:26,700

Oh.

493

00:28:26,700 --> 00:28:27,700

It rose.

494

00:28:27,700 --> 00:28:28,700

No ■■.

495

00:28:28,700 --> 00:28:29,700

Oh.

496

00:28:29,700 --> 00:28:30,700

No.

497

00:28:30,700 --> 00:28:31,700

Okay.

498

00:28:31,700 --> 00:28:32,700

That's it.

499

00:28:32,700 --> 00:28:33,700

That's how we start.

500

00:28:33,700 --> 00:28:34,700

Boss.

501

00:28:34,700 --> 00:28:36,700

I don't have a long term,

502

00:28:36,700 --> 00:28:39,700

I just have to go through all the times

503

00:28:39,700 --> 00:28:40,700

before almost this rich masseur,

504

00:28:41,700 --> 00:28:42,700

so I'm the one Dom **

505

00:28:42,700 --> 00:28:44,760

you
