

1

00:00:00,000 --> 00:00:07,720

I was in bed in the back bedroom back there and she was down asleep and I was just kind

2

00:00:07,720 --> 00:00:13,040

of laying there and I heard a dog barking out front like he was after a cat or somebody

3

00:00:13,040 --> 00:00:14,040

was out there.

4

00:00:14,040 --> 00:00:19,360

I was by my car, I had my car parked out out front, not where it's now, you know, but

5

00:00:19,360 --> 00:00:20,360

out front.

6

00:00:20,360 --> 00:00:25,920

And I heard this dog barking for about two minutes and then just started yelping like

7

00:00:25,920 --> 00:00:27,160

somebody had kicked it.

8

00:00:27,160 --> 00:00:32,760

So I got up real slowly because I didn't want to wake my wife and I walked over to the window

9

00:00:32,760 --> 00:00:37,240

and I opened the blinds up a little bit and I saw the red light.

10

00:00:37,240 --> 00:00:43,320

It was about six inches off the ground about a foot away from the front of my car and that's

11

00:00:43,320 --> 00:00:48,160

what caught my eye at first and this is outside the fence, almost on the street but it wasn't

12

00:00:48,160 --> 00:00:49,160

on the street.

13

00:00:49,160 --> 00:00:55,400

And I looked at it for about 15 seconds because I couldn't figure out what it was and then

14

00:00:55,400 --> 00:01:00,040

I looked right next to it and there was this big tall individual, I don't know what it

15

00:01:00,040 --> 00:01:06,520

was, it was just standing there and it was facing toward me and it didn't make a move

16

00:01:06,520 --> 00:01:12,040

and I stared at it for about a couple seconds and I started getting, it sounded like sound

17

00:01:12,040 --> 00:01:13,040

waves or something.

18

00:01:13,040 --> 00:01:18,120

It didn't seem like it was coming, you know, like through my outer ear, it seemed like it

19

00:01:18,120 --> 00:01:20,520

was coming in my inner ear.

20

00:01:20,520 --> 00:01:23,640

It just kept on getting higher and higher pitched and then it reached a high pitched

21

00:01:23,640 --> 00:01:27,680

sound and it started to beep and sound and then I almost passed out and when I almost

22

00:01:27,680 --> 00:01:34,520

passed out I shut the blinds and I grabbed my wife and I shook her and the sound kept

23

00:01:34,520 --> 00:01:39,640

on going until she woke up, you know, when she woke up.

24

00:01:39,640 --> 00:01:43,520

The sound stopped and I said there's something out there and I asked her if she heard anything

25

00:01:43,520 --> 00:01:48,920

because the sound almost made me pass out and she said no and so the first thing I did

26

00:01:48,920 --> 00:01:53,120

was I ran out here and I looked on the outside light and we got four spotlights out in front

27

00:01:53,120 --> 00:01:55,400

of the house and everything was gone.

28

00:01:55,400 --> 00:01:57,600

There wasn't nothing else out there.

29

00:01:57,600 --> 00:02:03,480

Right back to the beginning, that light, that red light that you saw, how big was it?

30

00:02:03,480 --> 00:02:05,480

It was about that big.

31

00:02:05,480 --> 00:02:08,560

It was just a spear or a ball.

32

00:02:08,560 --> 00:02:13,040

It looked like you were just looking right at the front of a spotlight, a red, deep red

33

00:02:13,040 --> 00:02:18,240

spotlight but what was funny is that I looked around and there wasn't no one, like if there

34

00:02:18,240 --> 00:02:22,720

was a spotlight out there it would be shining on the tree and be shining on the grass and

35

00:02:22,720 --> 00:02:27,000

it would be shining on the leaves because it was right next to that archway and it wasn't

36

00:02:27,000 --> 00:02:28,000

like that.

37

00:02:28,000 --> 00:02:29,000

It was like...

38

00:02:29,000 --> 00:02:30,480

I just can't find what you could see.

39

00:02:30,480 --> 00:02:33,680

Yeah, right there.

40

00:02:33,680 --> 00:02:37,400

And this was red, but how red would you say?

41

00:02:37,400 --> 00:02:40,600

Would you compare it with a fire engine red or blood red?

42

00:02:40,600 --> 00:02:41,600

It was deep red.

43

00:02:41,600 --> 00:02:42,600

It was blood red, yeah.

44

00:02:42,600 --> 00:02:43,600

Okay.

45

00:02:43,600 --> 00:02:48,080

And do you feel that that object was sitting on the ground?

46

00:02:48,840 --> 00:02:50,920

No, he was the old battle light.

47

00:02:50,920 --> 00:02:55,480

No, it was about six inches off the ground, it was right next to the ground, it wasn't

48

00:02:55,480 --> 00:02:56,480

on the ground.

49

00:02:56,480 --> 00:02:59,440

And it was absolutely stationary at all times?

50

00:02:59,440 --> 00:03:03,480

Well, I couldn't say that for all times but when I was looking at it, it was stationary.

51

00:03:03,480 --> 00:03:10,320

When I saw the thing next to it, I wasn't even worried about the red light no more.

52

00:03:10,320 --> 00:03:16,120

You didn't see that creature the minute you spotted the light?

53

00:03:16,160 --> 00:03:22,360

No, the first thing I did was when I woke up, I thought it was going to be somebody breaking

54

00:03:22,360 --> 00:03:23,360

into my car.

55

00:03:23,360 --> 00:03:26,680

So I looked out and that red light was there and I was looking at it for a couple of minutes

56

00:03:26,680 --> 00:03:31,240

and I was looking around and I felt my eyes could pick up movement pretty good at night

57

00:03:31,240 --> 00:03:32,240

times.

58

00:03:32,240 --> 00:03:35,160

See, I'm in the Air Force and I work canine and I work at night.

59

00:03:35,160 --> 00:03:38,360

And I didn't see no movement when I saw this thing.

60

00:03:38,360 --> 00:03:42,960

He was standing there, he was standing like this, just like this.

61

00:03:42,960 --> 00:03:48,160

It looked like he was waiting for me because he wasn't facing the car, he was facing me

62

00:03:48,160 --> 00:03:49,320

and that was through the window.

63

00:03:49,320 --> 00:03:50,960

I don't know how I knew I was there.

64

00:03:50,960 --> 00:03:54,600

And then I started getting those sound waves and I almost parked out.

65

00:03:54,600 --> 00:03:57,520

I couldn't, it was all dark that night.

66

00:03:57,520 --> 00:04:01,920

Another thing, all the lights in the neighborhood were out and they usually leave lights on.

67

00:04:01,920 --> 00:04:06,960

They usually, you know, might have been just a coincidence or something because like people

68

00:04:06,960 --> 00:04:09,320

across the street, they're in there, they always leave lights on.

69

00:04:09,320 --> 00:04:11,040

There wasn't no lights on that night.

70

00:04:11,600 --> 00:04:16,480

When I saw this individual or whatever it was, it didn't move at all.

71

00:04:16,480 --> 00:04:21,640

He crouched down, he was standing up and he looked all black.

72

00:04:21,640 --> 00:04:24,200

All I could see was the outline, you know, pretty well the outline.

73

00:04:24,200 --> 00:04:28,960

Like I'd see, he was blacked in the background and that was it.

74

00:04:28,960 --> 00:04:33,320

They couldn't move, I couldn't see no clothes, I couldn't see no eye, couldn't see no outline

75

00:04:33,320 --> 00:04:34,560

like a jacket in me.

76

00:04:34,560 --> 00:04:35,560

He just flat like that.

77

00:04:35,560 --> 00:04:37,040

Just all the black forms.

78

00:04:37,040 --> 00:04:38,040

Yeah.

79

00:04:38,040 --> 00:04:39,040

Okay.

80

00:04:40,040 --> 00:04:47,120

When we, when we woke, when I woke her up, you know, just before I turned on the outside

81

00:04:47,120 --> 00:04:52,560

light, when I came out here and I turned on the outside light, I went back in the bedroom

82

00:04:52,560 --> 00:04:53,840

and I said, we got to get out of here.

83

00:04:53,840 --> 00:04:58,240

We got dressed and when we went outside to get in the car, to take off because I was

84

00:04:58,240 --> 00:04:59,240

too scared.

85

00:04:59,240 --> 00:05:02,240

We, a whole group of dogs were barking in the neighborhood.

86

00:05:02,240 --> 00:05:07,240

There was a dog across there and one up the street, the one up the street sounded like

87

00:05:07,240 --> 00:05:10,240

it was the one that was barking out front at first.

88

00:05:10,240 --> 00:05:15,240

There was a dog barking that originally attracted you or potentially.

89

00:05:15,240 --> 00:05:16,840

Yeah, that one dog was barking.

90

00:05:16,840 --> 00:05:20,920

I didn't hear any other dogs because I just, I don't know, I was mainly focusing on that

91

00:05:20,920 --> 00:05:25,240

one dog because it was out by my car.

92

00:05:25,240 --> 00:05:31,240

Now when this sound started, you figure it was fairly high pitched.

93

00:05:31,240 --> 00:05:37,160

No, when it started, it started down low and it just went right up the spectrum and

94

00:05:37,160 --> 00:05:43,520

so it got to a high point and then that tone stayed steady and there was bleeps in it.

95

00:05:43,520 --> 00:05:49,560

There was, you know, there was a, it went deep, deep, deep, but the tone kept on going

96

00:05:49,560 --> 00:05:50,560

straight, you know.

97

00:05:50,560 --> 00:05:52,560

It was a flat tone.

98

00:05:52,560 --> 00:05:57,040

I almost passed out from that so I grabbed the curtain and I grabbed my wife's leg because

99

00:05:57,040 --> 00:05:59,160

the bed's right next to the window.

100

00:05:59,160 --> 00:06:03,640

I woke her up and when she woke up the sound stopped and I felt that that sound was coming

101

00:06:03,640 --> 00:06:07,440

from the being or whatever it was that was out there because I was looking right at it.

102

00:06:07,440 --> 00:06:12,000

I couldn't, it's hard to explain this thing standing out there.

103

00:06:12,000 --> 00:06:16,720

I just, I'm just staring at it trying to figure out what it is and then all of a sudden inside

104

00:06:16,720 --> 00:06:20,440

your head you start getting noises like that and I didn't wake up too fast.

105

00:06:20,440 --> 00:06:25,440

I didn't get up fast at all because I got up slow because I didn't want to wake my wife

106

00:06:25,440 --> 00:06:26,440

up.

107

00:06:26,440 --> 00:06:31,240

And you feel this noise was actually just being picked up in your head that there was

108

00:06:31,240 --> 00:06:32,640

not a red shingling out there.

109

00:06:32,640 --> 00:06:34,640

It wasn't coming from outside.

110

00:06:34,640 --> 00:06:38,080

No, like a car goes down the street you could hear that.

111

00:06:38,080 --> 00:06:39,080

It wasn't like that.

112

00:06:39,080 --> 00:06:40,720

It wasn't like that at all.

113

00:06:40,720 --> 00:06:43,720

It was originating in my head.

114

00:06:43,720 --> 00:06:44,720

Okay.

115

00:06:44,720 --> 00:06:50,240

Then when the creature disappeared, were you looking at it when it disappeared?

116

00:06:50,240 --> 00:06:51,240

You turned away.

117

00:06:51,240 --> 00:06:57,640

Yeah, when I felt like I was going to pass out from the sound, I grabbed the curtain,

118

00:06:57,640 --> 00:07:02,840

I reached over and I was waking up my wife and the curtains just, you know, felt closed.

119

00:07:02,840 --> 00:07:04,520

And when she woke up the sound was gone.

120

00:07:04,520 --> 00:07:07,760

The first thing I did, it didn't take me more than 10 seconds to get out here and flip

121

00:07:07,760 --> 00:07:10,880

on that light and look through this window and everything was gone.

122

00:07:10,880 --> 00:07:12,080

There wasn't nothing out there.

123

00:07:12,080 --> 00:07:13,080

The light was gone.

124

00:07:13,080 --> 00:07:19,120

And, uh, okay, when you were watching the creature, could you still see that red light

125

00:07:19,120 --> 00:07:21,120

on the ground or close to the ground?

126

00:07:21,120 --> 00:07:22,120

Yeah.

127

00:07:22,120 --> 00:07:23,120

It was still there.

128

00:07:23,120 --> 00:07:24,120

Yeah.

129

00:07:24,120 --> 00:07:25,120

And it was there even with all that sound and everything.

130

00:07:25,120 --> 00:07:26,120

Yeah.

131

00:07:26,120 --> 00:07:30,200

But I was mainly staring at the head and stuff, trying to figure out what it was because it

132

00:07:30,200 --> 00:07:31,200

didn't move at all.

133

00:07:31,200 --> 00:07:33,200

It just stood there, you know.

134

00:07:33,200 --> 00:07:37,920

That's what figured me out because I couldn't figure it out and then the sound hit me and

135

00:07:37,920 --> 00:07:40,120

then I knew it had to be something weird.

136

00:07:40,120 --> 00:07:42,200

I wasn't going to hassle with it.

137

00:07:42,200 --> 00:07:43,200

Could you make out eyes?

138

00:07:43,200 --> 00:07:44,200

No.

139

00:07:44,200 --> 00:07:45,200

Nothing.

140

00:07:45,200 --> 00:07:48,280

No, it was awful dark out, but I definitely make out the outline.

141

00:07:48,280 --> 00:07:49,280

I can see it.

142

00:07:49,280 --> 00:07:51,280

You can see in darkness.

143

00:07:51,280 --> 00:07:53,320

And did you check that area daily?

144

00:07:53,320 --> 00:07:54,320

Yeah.

145

00:07:54,320 --> 00:07:55,320

Yeah.

146

00:07:55,320 --> 00:07:56,320

I checked it.

147

00:07:56,320 --> 00:07:59,320

Well, two hours later, there was nothing out there.

148

00:07:59,320 --> 00:08:01,320

No scratches or anything like that?

149

00:08:01,320 --> 00:08:02,320

No.

150

00:08:02,320 --> 00:08:05,960

Were there any, of course, there wouldn't be any power failure.

151

00:08:05,960 --> 00:08:08,320

Did you notice any electric clocks at the last time?

152

00:08:08,320 --> 00:08:09,320

We were gone.

153

00:08:09,320 --> 00:08:10,320

Oh, you were gone?

154

00:08:10,320 --> 00:08:11,320

Okay, we were there.

155

00:08:11,320 --> 00:08:12,320

Well, there's a soft winding clock.

156

00:08:12,320 --> 00:08:13,320

So, if that would have been...

157

00:08:13,320 --> 00:08:14,320

I don't think so.

158

00:08:14,320 --> 00:08:15,320

I don't think so.

159

00:08:15,320 --> 00:08:17,320

I think the clocks were working well, generally.

160

00:08:17,320 --> 00:08:20,320

Because the first time we switched down the light, I can't remember...

161

00:08:20,320 --> 00:08:22,320

See, we have an electric clock in the bedroom.

162

00:08:22,320 --> 00:08:25,320

I can't remember if it was on or off.

163

00:08:25,320 --> 00:08:26,320

I think it was off.

164

00:08:26,320 --> 00:08:28,320

I had cleaned all the windows.

165

00:08:28,320 --> 00:08:30,320

Because I would have noticed that.

166

00:08:30,320 --> 00:08:32,320

When I got up, I didn't notice it.

167

00:08:32,320 --> 00:08:34,320

So, it would be clear of age to one.

168

00:08:34,320 --> 00:08:38,320

See, like my watch, I really couldn't see a time step.

169

00:08:38,320 --> 00:08:40,320

Because it didn't happen very long.

170

00:08:40,320 --> 00:08:42,320

So, just he was here.

171

00:08:42,320 --> 00:08:48,320

I think that it must have been out there for a while because the dog was out there, you know?

172

00:08:48,320 --> 00:08:51,320

The dog was really barking to be held.

173

00:08:51,320 --> 00:08:53,320

For quite a while before you did it.

174

00:08:53,320 --> 00:08:55,320

Yeah, he was barking for about two minutes.

175

00:08:55,320 --> 00:08:57,320

And then I just heard him yell a couple of times.

176

00:08:57,320 --> 00:09:00,320

And I went out, you know, I got up real slow, walked over the window.

177

00:09:00,320 --> 00:09:03,320

The first thing I did was, caught my eye was the red light.

178

00:09:03,320 --> 00:09:06,320

And I looked around and it didn't move, you know?

179

00:09:06,320 --> 00:09:07,320

It just stood there.

180

00:09:07,320 --> 00:09:10,320

You look fairly good-sized, too.

181

00:09:10,320 --> 00:09:15,320

Now, that...

182

00:09:15,320 --> 00:09:19,320

The creature or being that was standing out there,

183

00:09:19,320 --> 00:09:23,320

that looked like an ordinary man, only just standing straight and upright.

184

00:09:23,320 --> 00:09:25,320

Yeah, he looked at two legs.

185

00:09:25,320 --> 00:09:27,320

Yeah, it had the outline of it.

186

00:09:27,320 --> 00:09:32,320

He had his arms together like he couldn't see, you know, he had his arms flat to his side

187

00:09:32,320 --> 00:09:35,320

like he couldn't see a space in between his arm and his side.

188

00:09:35,320 --> 00:09:39,320

And same with his legs, his legs were closed together.

189

00:09:39,320 --> 00:09:44,320

See, I couldn't see up in the air because my bedroom window is underneath this carport we have out here.

190

00:09:44,320 --> 00:09:46,320

And I couldn't see up in the sky.

191

00:09:46,320 --> 00:09:48,320

The only...

192

00:09:48,320 --> 00:09:55,320

I really don't think so myself, but it could have been possible for that red light to be reflected out the corner of my car.

193

00:09:55,320 --> 00:09:59,320

It's a pin-o and it's got that curved round bumper right there at the corner.

194

00:09:59,320 --> 00:10:04,320

But I don't think so because my bumper's up too high from where I saw the light.

195

00:10:04,320 --> 00:10:07,320

It could have been possible for both of us.

196

00:10:07,320 --> 00:10:08,320

I don't know.

197

00:10:08,320 --> 00:10:10,320

How about the hubcaps, the hubcaps?

198

00:10:10,320 --> 00:10:12,320

No, it wasn't the hubcaps.

199

00:10:12,320 --> 00:10:16,320

Because that's what I was looking for. That's what I thought it was when I first saw it.

200

00:10:16,320 --> 00:10:19,320

And I looked and I saw my hubcaps. It wasn't my hubcaps.

201

00:10:21,320 --> 00:10:25,320

Did you tell him how you promised that to go out in front of each side?

202

00:10:25,320 --> 00:10:26,320

Which way?

203

00:10:26,320 --> 00:10:27,320

The front or the back?

204

00:10:27,320 --> 00:10:28,320

He knew.

205

00:10:28,320 --> 00:10:32,320

The front of my car was right there on the right of the hedge.

206

00:10:32,320 --> 00:10:36,320

Your car, or is it operated alright since then?

207

00:10:36,320 --> 00:10:37,320

Yeah.

208

00:10:37,320 --> 00:10:38,320

The trouble is all.

209

00:10:39,320 --> 00:10:42,320

And nothing has happened since then?

210

00:10:42,320 --> 00:10:46,320

Nothing except for last night. I was in a deep dream and I woke up instantly at 5 o'clock.

211

00:10:46,320 --> 00:10:50,320

And I couldn't go back to sleep until at least 5.30.

212

00:10:50,320 --> 00:10:53,320

And I woke up and I was frightened to be held.

213

00:10:53,320 --> 00:10:54,320

Were you dreaming about this incident?

214

00:10:54,320 --> 00:10:56,320

No, I wasn't dreaming about this.

215

00:10:56,320 --> 00:11:01,320

It wouldn't have anything to do with associated with this, would it?

216

00:11:01,320 --> 00:11:03,320

I think I never woke up like that before.

217

00:11:03,320 --> 00:11:09,320

I was scared when I woke up and that was exactly 5 o'clock and I couldn't get back to sleep until at least 5.30.

218

00:11:09,320 --> 00:11:13,320

It might have just been my own fear in my head or something because it was...

219

00:11:13,320 --> 00:11:16,320

I was upset last night.

220

00:11:16,320 --> 00:11:19,320

Not last night, but the night that this happened.

221

00:11:22,320 --> 00:11:25,320

I'm glad to date, right? That was yesterday morning, right?

222

00:11:25,320 --> 00:11:26,320

Yeah.

223

00:11:26,320 --> 00:11:27,320

5.15. Okay.

224

00:11:27,320 --> 00:11:30,320

Were you upset physically or mentally?

225

00:11:30,320 --> 00:11:31,320

Yeah.

226

00:11:31,320 --> 00:11:33,320

Were you nervous about the days from this?

227

00:11:33,320 --> 00:11:37,320

Were you thinking about it a lot or did it just kind of pass off during the day?

228

00:11:37,320 --> 00:11:42,320

I wasn't. No bad movies. I just sat here watching TV most of the night.

229

00:11:42,320 --> 00:11:45,320

Any headaches?

230

00:11:45,320 --> 00:11:49,320

No.

231

00:11:49,320 --> 00:11:51,320

No nervousness?

232

00:11:51,320 --> 00:11:52,320

The shakes?

233

00:11:52,320 --> 00:11:56,320

No, if I had that after it happened, that's for sure.

234

00:11:57,320 --> 00:12:00,320

Did you have any unusual feelings yourself?

235

00:12:00,320 --> 00:12:02,320

I just...

236

00:12:02,320 --> 00:12:08,320

Oh, another thing that was funny is that I've had this knife that's been in my car since I had the car.

237

00:12:08,320 --> 00:12:15,320

And just yesterday or the day before this happened, I don't know, I just went out and cleaned it out and put the knife on the side of my bed.

238

00:12:17,320 --> 00:12:20,320

Had you had any dreams before this happened?

239

00:12:20,320 --> 00:12:21,320

No.

240

00:12:21,320 --> 00:12:25,320

What was your opinion of this subject you have told us previous to this?

241

00:12:25,320 --> 00:12:27,320

I will...

242

00:12:27,320 --> 00:12:31,320

I believe in UFOs. It has to be somebody in space.

243

00:12:31,320 --> 00:12:36,320

But I really couldn't believe the sightings or nothing until I really see one myself.

244

00:12:36,320 --> 00:12:38,320

What's your opinion of this?

245

00:12:38,320 --> 00:12:40,320

Definitely true because I...

246

00:12:40,320 --> 00:12:43,320

That thing out there, I don't think it was human.

247

00:12:43,320 --> 00:12:47,320

Because I can't see how it got into my head the way it did and almost made me pass out.

248

00:12:47,320 --> 00:12:50,320

Unless it not wanted me to see what it was doing or...

249

00:12:50,320 --> 00:12:55,320

But I was waiting for me because it was standing facing me when I saw it and so was the light.

250

00:12:55,320 --> 00:12:57,320

The light was facing me too.

251

00:12:58,320 --> 00:13:00,320

Did you have a feeling you were being watched?

252

00:13:00,320 --> 00:13:05,320

Yeah, I sure did. It was definitely dying because it wasn't...

253

00:13:05,320 --> 00:13:06,320

One...

254

00:13:06,320 --> 00:13:10,320

A couple seconds before I spotted it and was staring at it and it started...

255

00:13:10,320 --> 00:13:15,320

It started that sound that started as a low hum that just went up the spectrum and it stayed at one sound.

256

00:13:15,320 --> 00:13:18,320

And I kept on watching it and then it started to beep and sound.

257

00:13:18,320 --> 00:13:27,320

I almost passed out so I just let go of the curtains and just grabbed it with my left hand to hold myself up and then I woke up dark.

258

00:13:27,320 --> 00:13:30,320

And when your wife woke up the beeping stopped.

259

00:13:30,320 --> 00:13:32,320

Yeah, with the sound, the tone and the sound.

260

00:13:32,320 --> 00:13:35,320

Were you talking to her? Say, hey, wake up?

261

00:13:35,320 --> 00:13:39,320

When I grabbed her I said, dark, wake up, there's something out there.

262

00:13:39,320 --> 00:13:45,320

And when I did that I was pretty scared and hyped up so when I grabbed her leg I pulled her a little bit and she woke up instantly.

263

00:13:45,320 --> 00:13:47,320

And then that sound stopped when you started...

264

00:13:47,320 --> 00:13:51,320

No, it's when she woke up.

265

00:13:55,320 --> 00:13:58,320

How about the dogs? Have they been acting up at all?

266

00:13:58,320 --> 00:14:01,320

Was the dog... did you have a dog here?

267

00:14:01,320 --> 00:14:02,320

No.

268

00:14:02,320 --> 00:14:04,320

It was a neighbor's dog who were doing all the acting up.

269

00:14:04,320 --> 00:14:08,320

Well, the first sound of the dog, I only heard one dog.

270

00:14:08,320 --> 00:14:10,320

And that was out by my car.

271

00:14:10,320 --> 00:14:22,320

And then when we got ready to leave and we left, that didn't take more than five minutes, there was a couple dogs barking and they were really barking really good, you know, like they had a cat or something.

272

00:14:25,320 --> 00:14:30,320

It was just ordinary barking or was it? It sounded a little bit out of the ordinary.

273

00:14:30,320 --> 00:14:32,320

Out of the ordinary barking.

274

00:14:32,320 --> 00:14:39,320

Dogs around here don't just get up at 5.5, 15, 5.20 in the morning and just start barking like to beat hell like that.

275

00:14:50,320 --> 00:14:52,320

I don't think I've forgotten anything.

276

00:14:55,320 --> 00:14:57,320

And the figure itself was all dark.

277

00:14:57,320 --> 00:14:58,320

Yep.

278

00:14:59,320 --> 00:15:01,320

You figure about 6'5'?

279

00:15:03,320 --> 00:15:09,320

Yeah, a little bit less. Just a couple inches taller than me from standing out there by the car.

280

00:15:10,320 --> 00:15:13,320

Yeah, I'd say about that size.

281

00:15:15,320 --> 00:15:16,320

Yeah, I'd say about 6'5.

282

00:15:16,320 --> 00:15:20,320

And that was standing in front of the car, it was this way, and it was standing right in front of the car?

283

00:15:20,320 --> 00:15:21,320

Yeah.

284

00:15:22,320 --> 00:15:25,320

It was standing about, when you see that pole, it's, see that little pole?

285

00:15:25,320 --> 00:15:26,320

Yeah.

286

00:15:26,320 --> 00:15:30,320

It was standing about there, the other side of it.

287

00:15:32,320 --> 00:15:33,320

Pretty near the street.

288

00:15:37,320 --> 00:15:46,320

The red light was up here closer, more to the left, about a foot away from about 4 to 6 inches off the ground.

289

00:15:47,320 --> 00:15:55,320

And when I noticed that the red light was facing me, and then when I noticed the things standing there, it was facing me too.

290

00:15:57,320 --> 00:16:00,320

They were both facing me and it felt like I was being eyed.

291

00:16:00,320 --> 00:16:02,320

Didn't know I was there.

292

00:16:02,320 --> 00:16:05,320

Well then that creature must have just suddenly appeared.

293

00:16:06,320 --> 00:16:08,320

You were watching that light.

294

00:16:08,320 --> 00:16:11,320

It could have been, but what would explain the dog?

295

00:16:12,320 --> 00:16:17,320

He must have been out there a whole while before the dog.

296

00:16:17,320 --> 00:16:22,320

Unless your vision was just concentrated on that red light to begin with, then you just looked up.

297

00:16:22,320 --> 00:16:24,320

Yeah, well that's what I did.

298

00:16:24,320 --> 00:16:27,320

I concentrated on the light because I couldn't figure out what it was.

299

00:16:27,320 --> 00:16:33,320

And I couldn't see no reflection anywhere from the light, and then I just happened to look right next to it, and that thing was standing there.

300

00:16:34,320 --> 00:16:40,320

See the man and the thing was standing back from the light, a little bit back from the light too.

301

00:16:42,320 --> 00:16:48,320

He was standing about mid-center of my car, and the light was about even what side of the car.

302

00:16:51,320 --> 00:16:53,320

That was the eeriest feeling because he was just standing there.

303

00:16:53,320 --> 00:17:00,320

And if it was a burglar or something, it would have moved, you know.

304

00:17:00,320 --> 00:17:04,320

He would have hid, he would have tried to cross down or something, but this thing was too tall.

305

00:17:04,320 --> 00:17:08,320

He was standing there and it felt like he was looking right at me.

306

00:17:08,320 --> 00:17:10,320

He knew I was there.

307

00:17:10,320 --> 00:17:12,320

Then I started getting those sounds.

308

00:17:12,320 --> 00:17:17,320

That's when it all kind of fit together right here.

309

00:17:19,320 --> 00:17:26,320

I think he was trying to put me out or something because he didn't want me to see you or something.

310

00:17:26,320 --> 00:17:28,320

And the weather was clear then?

311

00:17:28,320 --> 00:17:31,320

Well, it was clear, partly cloudy that night.

312

00:17:31,320 --> 00:17:39,320

When we went out there was a few clouds hanging, you know, it was cloudy, but then there were spots, you know, great big spots up in the clouds that you could see.

313

00:17:40,320 --> 00:17:45,320

When we went out to get in the car, I was looking around up in the sky.

314

00:17:45,320 --> 00:17:48,320

I figured it must have been a UFO or something.

315

00:17:51,320 --> 00:17:59,320

And I've lived here, I was nine years before I went in service, and nothing like this ever happened to me.

316

00:17:59,320 --> 00:18:02,320

Nothing like this ever happened to me in the service.

317

00:18:02,320 --> 00:18:06,320

You ever talked to anybody in the service that had seen anything?

318

00:18:06,320 --> 00:18:13,320

Oh, not really seen anything. I talked to a friend back at Ellsworth, and he reads a lot of UFO books and magazines and stuff.

319

00:18:13,320 --> 00:18:16,320

I read a lot of magazines like that too.

320

00:18:16,320 --> 00:18:18,320

I read the ones he used to read.

321

00:18:18,320 --> 00:18:22,320

But I really, I think everything's got a reason or something, you know?

322

00:18:22,320 --> 00:18:25,320

And I really can't believe it until I saw it.

323

00:18:25,320 --> 00:18:27,320

I believe it.

324

00:18:27,320 --> 00:18:31,320

It wasn't no nightmare or nothing because I wake up pretty good.

325

00:18:31,320 --> 00:18:32,320

I was definitely awake.

326

00:18:32,320 --> 00:18:33,320

Excuse me, what's that?

327

00:18:33,320 --> 00:18:35,320

I was awake.

328

00:18:37,320 --> 00:18:40,320

I've never had a bad nightmare like that.

329

00:18:40,320 --> 00:18:43,320

I've never walked in my sleep, so why should I do it now?
