

1

00:00:00,000 --> 00:00:07,880

Yes, there has been a UFO sighted in Manton, California tonight.

2

00:00:07,880 --> 00:00:08,880

My son saw it.

3

00:00:08,880 --> 00:00:13,320

It came down damn near to him and it terrified him.

4

00:00:13,320 --> 00:00:16,000

He went into hysterics.

5

00:00:16,000 --> 00:00:18,120

Do you have the full details of this incident?

6

00:00:18,120 --> 00:00:19,120

Yes, I do.

7

00:00:19,120 --> 00:00:21,720

Could we get a full description of that, please?

8

00:00:21,720 --> 00:00:23,840

Yeah, how about if my son told you?

9

00:00:23,840 --> 00:00:24,840

Sure.

10

00:00:24,840 --> 00:00:25,840

Fine.

11

00:00:25,840 --> 00:00:26,840

If he feels like talking about it, sure.

12

00:00:26,840 --> 00:00:27,840

Okay.

13

00:00:27,840 --> 00:00:28,840

Yeah?

14

00:00:28,840 --> 00:00:29,840

Hi there.

15

00:00:29,840 --> 00:00:30,840

What's your first name?

16

00:00:30,840 --> 00:00:33,840

Would you like to tell us what happened today?

17

00:00:33,840 --> 00:00:40,840

I was outside and I was playing strawberries and I was going to water the sprinkler on.

18

00:00:40,840 --> 00:00:49,840

And I seen a meteorite and then a little later I was watching and I was putting the sprinkler

19

00:00:49,840 --> 00:00:54,840

on and then I looked over a public train and something there.

20

00:00:55,840 --> 00:00:59,840

I was covering a little bit.

21

00:00:59,840 --> 00:01:02,840

Okay, would you like to describe that?

22

00:01:02,840 --> 00:01:08,840

It was long, like cigar, and it was round in the center.

23

00:01:08,840 --> 00:01:12,840

It had a big round top.

24

00:01:12,840 --> 00:01:18,840

And when I see it, it had something coming down out of it.

25

00:01:18,840 --> 00:01:23,840

I was square, I think, coming down out of it.

26

00:01:23,840 --> 00:01:26,840

That was like straight down out of the bottom of it?

27

00:01:26,840 --> 00:01:28,840

Yeah, coming out of the bottom of it.

28

00:01:28,840 --> 00:01:29,840

Okay.

29

00:01:29,840 --> 00:01:32,840

How far down towards the ground did that go?

30

00:01:32,840 --> 00:01:33,840

Right above the tree.

31

00:01:33,840 --> 00:01:34,840

Okay.

32

00:01:34,840 --> 00:01:37,840

The tree is a two-hack.

33

00:01:37,840 --> 00:01:44,840

Now this, okay, the round thing that you saw on top, on top, was it like a dome on top?

34

00:01:44,840 --> 00:01:45,840

A dome?

35

00:01:45,840 --> 00:01:46,840

Yeah, like a dome.

36

00:01:46,840 --> 00:01:47,840

Okay.

37

00:01:47,840 --> 00:01:51,840

What color was that dome?

38

00:01:51,840 --> 00:01:54,840

Did that have any particular color of light or anything on it?

39

00:01:54,840 --> 00:01:57,840

Well, it was the old gray color.

40

00:01:57,840 --> 00:01:58,840

Okay.

41

00:01:58,840 --> 00:01:59,840

How about the rest of the object?

42

00:01:59,840 --> 00:02:01,840

What color was that?

43

00:02:01,840 --> 00:02:05,840

Oh, it was about the same thing.

44

00:02:05,840 --> 00:02:08,840

Okay, what time did this happen?

45

00:02:08,840 --> 00:02:13,840

About 9.30.

46

00:02:13,840 --> 00:02:16,840

Did you hear any sound coming from that object?

47

00:02:16,840 --> 00:02:20,840

Yeah, it had like a humming type sound.

48

00:02:20,840 --> 00:02:22,840

Not too loud.

49

00:02:22,840 --> 00:02:28,840

Then when it was running into the house, it came towards me and then it took off with the

50

00:02:28,840 --> 00:02:32,840

rocket power type because I can see the flames from it.

51

00:02:32,840 --> 00:02:37,840

Okay, when it took off like that, did that sound change at all?

52

00:02:37,840 --> 00:02:46,840

Yeah, it made a louder noise like a rocket was taking off.

53

00:02:46,840 --> 00:02:47,840

Kind of a roaring sound?

54

00:02:47,840 --> 00:02:49,840

Yeah, but not too loud.

55

00:02:49,840 --> 00:02:50,840

Okay.

56

00:02:50,840 --> 00:02:59,840

And when it was hovering, I could see it, there was a window with some people in it, something

57

00:02:59,840 --> 00:03:00,840

like that.

58

00:03:00,840 --> 00:03:03,840

Oh, you could actually see a big window in the object?

59

00:03:03,840 --> 00:03:08,840

Yeah, it had people with big heads, three of them.

60

00:03:08,840 --> 00:03:14,840

Now, was that window located on the dome or the other part?

61

00:03:14,840 --> 00:03:15,840

Yeah, right below the dome.

62

00:03:15,840 --> 00:03:18,840

Right below the dome, okay.

63

00:03:18,840 --> 00:03:21,840

Now, was that a large object?

64

00:03:21,840 --> 00:03:24,840

Yeah, very large.

65

00:03:24,840 --> 00:03:30,840

Now, can you compare it with something that you know of for size that would be the same

66

00:03:30,840 --> 00:03:31,840

size?

67

00:03:31,840 --> 00:03:32,840

Size.

68

00:03:32,840 --> 00:03:36,840

Was it as big as an airliner?

69

00:03:36,840 --> 00:03:43,840

Not as big as it yet, but by this big, a little smaller than that.

70

00:03:43,840 --> 00:03:44,840

Okay.

71

00:03:44,840 --> 00:03:52,340

When that object took off, did it maintain the same description like looking like a cigar

72

00:03:52,340 --> 00:03:54,840

with a dome on top or did it change?

73

00:03:54,840 --> 00:03:57,840

No, it was looking the same.

74

00:03:57,840 --> 00:03:59,840

It took off real fast.

75

00:03:59,840 --> 00:04:00,840

Okay.

76

00:04:00,840 --> 00:04:03,840

Did you watch it till it went out of sight in the sky?

77

00:04:03,840 --> 00:04:07,840

Yeah, real fast.

78

00:04:07,840 --> 00:04:10,840

How close do you feel it was to you?

79

00:04:10,840 --> 00:04:12,840

Very close.

80

00:04:12,840 --> 00:04:17,840

How was this, was it closer than like a city block away?

81

00:04:17,840 --> 00:04:20,840

Closer than that.

82

00:04:20,840 --> 00:04:21,840

Okay.

83

00:04:21,840 --> 00:04:26,840

Did it remain over the trees at all times while you were watching it before it took off?

84

00:04:26,840 --> 00:04:27,840

Yes.

85

00:04:27,840 --> 00:04:28,840

Okay.

86

00:04:28,840 --> 00:04:33,840

Regarding that opening or that window, was that quite a large window?

87

00:04:33,840 --> 00:04:34,840

Yes.

88

00:04:35,840 --> 00:04:36,840

Okay.

89

00:04:36,840 --> 00:04:43,840

Not all the way around about a quarter of the dome around it was window.

90

00:04:43,840 --> 00:04:44,840

Okay.

91

00:04:44,840 --> 00:04:51,840

Did you see or did that window, was it lit up inside so you could see right through and

92

00:04:51,840 --> 00:04:52,840

inside?

93

00:04:52,840 --> 00:04:53,840

No, not.

94

00:04:53,840 --> 00:04:55,840

You could see through it, but you could see the silhouette.

95

00:04:55,840 --> 00:04:56,840

Oh, I see.

96

00:04:56,840 --> 00:04:57,840

Okay.

97

00:04:57,840 --> 00:05:01,840

Then you actually saw silhouettes of somebody in there?

98

00:05:01,840 --> 00:05:02,840

Three.

99

00:05:02,840 --> 00:05:03,840

Three people?

100

00:05:03,840 --> 00:05:05,840

Whatever was in it.

101

00:05:05,840 --> 00:05:08,840

Okay, could you describe those as best you can?

102

00:05:08,840 --> 00:05:11,840

Big heads.

103

00:05:11,840 --> 00:05:14,840

Okay, is that all you could see was the heads?

104

00:05:14,840 --> 00:05:16,840

Yeah, the heads.

105

00:05:16,840 --> 00:05:19,840

Part of the neck and that's all I could see.

106

00:05:19,840 --> 00:05:21,840

And that was just a silhouette of those, right?

107

00:05:21,840 --> 00:05:22,840

Yes.

108

00:05:22,840 --> 00:05:23,840

Okay.

109

00:05:23,840 --> 00:05:31,840

Now, when the object started moving toward you, did that get pretty close before it took

110

00:05:31,840 --> 00:05:32,840

off?

111

00:05:32,840 --> 00:05:37,840

Any estimate of how many feet approximately?

112

00:05:37,840 --> 00:05:44,840

About 18 feet from me at first.

113

00:05:44,840 --> 00:05:51,840

I'd say about 18 to 25 feet away from me.

114

00:05:51,840 --> 00:05:57,840

But when it started coming, it got about 15 feet before I ran it up to the porch and I

115

00:05:57,840 --> 00:05:59,840

had to go over to the house.

116

00:05:59,840 --> 00:06:02,840

And then I'd see it take off.

117

00:06:02,840 --> 00:06:10,840

Okay, now when that took off up into the sky, did it, was this tilted upward or did it make

118

00:06:10,840 --> 00:06:16,840

a turn or how was it, how would you describe its flight characteristics as it took off?

119

00:06:16,840 --> 00:06:17,840

Tilted up.

120

00:06:17,840 --> 00:06:18,840

Okay.

121

00:06:18,840 --> 00:06:21,840

Running the domeward straight up.

122

00:06:21,840 --> 00:06:22,840

Straight up?

123

00:06:22,840 --> 00:06:23,840

Straight up.

124

00:06:23,840 --> 00:06:24,840

Tilted up.

125

00:06:24,840 --> 00:06:25,840

Kind of at an angle?

126

00:06:25,840 --> 00:06:26,840

Yeah.

127

00:06:26,840 --> 00:06:27,840

Okay.

128

00:06:27,840 --> 00:06:30,840

How long do you feel it took before it went out of sight?

129

00:06:30,840 --> 00:06:31,840

About three seconds.

130

00:06:31,840 --> 00:06:33,840

Really moving then, right?

131

00:06:33,840 --> 00:06:34,840

Yeah.

132

00:06:34,840 --> 00:06:35,840

Okay.

133

00:06:35,840 --> 00:06:41,840

It was terrified of it.

134

00:06:41,840 --> 00:06:45,840

And it was right above those tree tops?

135

00:06:45,840 --> 00:06:46,840

Yeah.

136

00:06:46,840 --> 00:06:47,840

One big palm tree.

137

00:06:47,840 --> 00:06:54,840

Okay, now about that thing that was coming down out of the bottom of it, before the object

138

00:06:54,840 --> 00:06:58,840

took off, did that, was it still hanging out there like that?

139

00:06:58,840 --> 00:06:59,840

Yeah.

140

00:06:59,840 --> 00:07:03,840

Okay, and it was still there as it moved off into the sky?

141

00:07:03,840 --> 00:07:10,840

Yes, it started closing up as it came to me.

142

00:07:10,840 --> 00:07:14,840

I mean the object, the thing on the bottom started going back up in?

143

00:07:14,840 --> 00:07:16,840

Yes, it started going up.

144

00:07:16,840 --> 00:07:17,840

Okay.

145

00:07:17,840 --> 00:07:22,840

Now in that area where the object was hovering over those trees, is there anything special

146

00:07:22,840 --> 00:07:23,840

over there?

147

00:07:23,840 --> 00:07:26,840

Or is it just a wooded area?

148

00:07:26,840 --> 00:07:33,840

It's wooded yet, we have an orchard next to our house and over.

149

00:07:33,840 --> 00:07:34,840

Okay.

150

00:07:34,840 --> 00:07:39,840

And about that acre across is a trailer.

151

00:07:39,840 --> 00:07:43,840

And on the other side, a bunch of brush.

152

00:07:43,840 --> 00:07:44,840

Okay.

153

00:07:44,840 --> 00:07:48,840

It's all the clearing where the hotel used to be.

154

00:07:48,840 --> 00:07:49,840

Okay.

155

00:07:49,840 --> 00:07:55,840

And you didn't see anything else strange going on in that area while that object was there?

156

00:07:55,840 --> 00:07:56,840

No.

157

00:07:56,840 --> 00:07:59,840

Just before it was meteorite though.

158

00:07:59,840 --> 00:08:07,840

It was a big one out, I looked up in the sky and there was a big flame and I couldn't

159

00:08:07,840 --> 00:08:11,840

go as fast as it was going.

160

00:08:11,840 --> 00:08:16,840

Now was that coming down at an angle or going straight across the sky?

161

00:08:16,840 --> 00:08:18,840

Coming down at an angle.

162

00:08:18,840 --> 00:08:20,840

Okay, what color was that?

163

00:08:20,840 --> 00:08:22,840

It was fire flame.

164

00:08:22,840 --> 00:08:23,840

Okay.

165

00:08:23,840 --> 00:08:26,840

How long did you watch that?

166

00:08:26,840 --> 00:08:30,840

About two and a half, one and a half seconds.

167

00:08:30,840 --> 00:08:31,840

Okay.

168

00:08:31,840 --> 00:08:36,840

Now when this other object moved away, do you remember the direction it was going?

169

00:08:36,840 --> 00:08:44,840

It was going to the right, it was going to west.

170

00:08:44,840 --> 00:08:45,840

West.

171

00:08:45,840 --> 00:08:46,840

To the west?

172

00:08:46,840 --> 00:08:51,840

Yeah, it was going down towards red bluff.

173

00:08:51,840 --> 00:08:52,840

Okay.

174

00:08:52,840 --> 00:08:55,840

It was going down.

175

00:08:55,840 --> 00:08:56,840

Okay.

176

00:08:56,840 --> 00:08:57,840

Fast.

177

00:08:57,840 --> 00:09:02,840

I think it was a meteorite because it was going pretty fast.

178

00:09:02,840 --> 00:09:08,840

I couldn't go as fast but at the beginning it was a big round.

179

00:09:08,840 --> 00:09:10,840

It was a big rock.

180

00:09:10,840 --> 00:09:11,840

Okay.

181

00:09:11,840 --> 00:09:15,840

Did you go over to that wooded area since that object left?

182

00:09:15,840 --> 00:09:17,840

I wouldn't go there.

183

00:09:17,840 --> 00:09:21,840

I was too scared, I just ran to the house.

184

00:09:21,840 --> 00:09:26,840

Now that shaft that came down out of, or that thing that came down out of the bottom of

185

00:09:26,840 --> 00:09:28,840

the object, what color was that?

186

00:09:28,840 --> 00:09:34,840

It was gray, a dull gray mixed with blue.

187

00:09:34,840 --> 00:09:37,840

Okay, was that about the same color as the object itself?

188

00:09:37,840 --> 00:09:38,840

Yeah.

189

00:09:38,840 --> 00:09:39,840

Okay.

190

00:09:39,840 --> 00:09:40,840

How old were you?

191

00:09:40,840 --> 00:09:41,840

Eleven.

192

00:09:41,840 --> 00:09:42,840

Okay.

193

00:09:42,840 --> 00:09:43,840

I was twelve.

194

00:09:43,840 --> 00:09:44,840

Okay.

195

00:09:44,840 --> 00:09:48,840

I think I was about the next two months.

196

00:09:48,840 --> 00:09:49,840

Alright.

197

00:09:49,840 --> 00:09:52,840

Is there a powerhouse in the area where you live?

198

00:09:52,840 --> 00:09:53,840

Yeah.

199

00:09:53,840 --> 00:09:54,840

Power station?

200

00:09:54,840 --> 00:09:55,840

Yeah.

201

00:09:55,840 --> 00:09:58,840

About 10 miles from where I live.

202

00:09:58,840 --> 00:10:00,840

Is that a fairly big powerhouse?

203

00:10:00,840 --> 00:10:01,840

Yeah.

204

00:10:01,840 --> 00:10:05,840

Is this a generating station or just a substation?

205

00:10:05,840 --> 00:10:09,840

It's the substation.

206

00:10:09,840 --> 00:10:13,840

Was there any other electrical problems in your house at the time?

207

00:10:13,840 --> 00:10:14,840

Yes.

208

00:10:14,840 --> 00:10:18,840

Yes, were there any other electrical problems in the house at the time?

209

00:10:18,840 --> 00:10:25,840

The lights were kind of dim, I think, but the TV was all lines, just electric lines wiggling

210

00:10:25,840 --> 00:10:26,840

across it.

211

00:10:26,840 --> 00:10:29,840

Okay, were you getting any audio at all?

212

00:10:29,840 --> 00:10:30,840

The voice?

213

00:10:30,840 --> 00:10:32,840

The voice on the TV.

214

00:10:32,840 --> 00:10:35,840

I wasn't paying much attention to it.

215

00:10:35,840 --> 00:10:38,840

I just looked at it and walked out of his foot ball.

216

00:10:38,840 --> 00:10:39,840

I don't pay attention to it.

217

00:10:39,840 --> 00:10:41,840

And the house lights dimmed?

218

00:10:41,840 --> 00:10:42,840

Yeah.

219

00:10:42,840 --> 00:10:45,840

Did all this problem clear up when the object left?

220

00:10:45,840 --> 00:10:47,840

Yeah, everything was fine.

221

00:10:47,840 --> 00:10:48,840

Okay.

222

00:10:48,840 --> 00:10:54,840

I knew that at first I thought maybe he was just scared over something else, but he was

223

00:10:54,840 --> 00:10:55,840

really hysterical.

224

00:10:55,840 --> 00:10:58,840

I mean, I'd never seen him quite like this.

225

00:10:58,840 --> 00:11:01,840

And he was crying.

226

00:11:01,840 --> 00:11:06,840

Is that area of private property where the object was over?

227

00:11:06,840 --> 00:11:11,840

Yes, this is our land, but it owns the land.

228

00:11:11,840 --> 00:11:15,840

Is there any way anybody can get in there tomorrow and just look over that area?

229

00:11:15,840 --> 00:11:16,840

Oh, yeah.

230

00:11:16,840 --> 00:11:18,840

Anybody can come up in the Internet like this.
