

1

00:00:00,000 --> 00:00:03,000

UFO reporting center?

2

00:00:03,000 --> 00:00:06,000

Hi. Have you heard about Missouri yet?

3

00:00:06,000 --> 00:00:08,000

Oh yes.

4

00:00:08,000 --> 00:00:10,000

What did you see?

5

00:00:10,000 --> 00:00:14,000

Oh shit. The Air Force gave me your number.

6

00:00:14,000 --> 00:00:17,000

Whiteman Air Force Base, as a matter of fact, gave me your number.

7

00:00:17,000 --> 00:00:18,000

Okay.

8

00:00:18,000 --> 00:00:22,000

They helped with 300 feet from me and stared at me like I was a...

9

00:00:22,000 --> 00:00:24,000

a zebra in the zoo.

10

00:00:24,000 --> 00:00:27,000

I was lying in a cage, you know?

11

00:00:27,000 --> 00:00:30,000

An insect in a jar.

12

00:00:30,000 --> 00:00:31,000

Three-craft.

13

00:00:31,000 --> 00:00:32,000

Directly overhead?

14

00:00:32,000 --> 00:00:33,000

Directly overhead.

15

00:00:33,000 --> 00:00:38,000

I saw their faces looking out the windows at me, man, pointing at me with their fingers.

16

00:00:38,000 --> 00:00:43,000

We're not talking about one, it's about three-crafts.

17

00:00:43,000 --> 00:00:45,000

I mean, there's nothing like this ever happened to me in my life.

18

00:00:45,000 --> 00:00:46,000

You know what I'm saying?

19

00:00:46,000 --> 00:00:47,000

Yeah.

20

00:00:47,000 --> 00:00:51,000

This shrouded a crowd of mist.

21

00:00:51,000 --> 00:00:55,000

And my body wasn't able to move.

22

00:00:55,000 --> 00:00:57,000

I was not able to move.

23

00:00:57,000 --> 00:01:01,000

Just there they hovered about 300 feet from me, the closest one.

24

00:01:01,000 --> 00:01:03,000

What'd they look like? I mean, what'd the objects look like?

25

00:01:03,000 --> 00:01:05,000

Cigars shape.

26

00:01:05,000 --> 00:01:07,000

Are they large or small?

27

00:01:07,000 --> 00:01:08,000

Giant.

28

00:01:08,000 --> 00:01:13,000

I would say the size of a large jet airliner at a minimum.

29

00:01:13,000 --> 00:01:14,000

Okay?

30

00:01:14,000 --> 00:01:15,000

But no wings or tails.

31

00:01:15,000 --> 00:01:16,000

Cigars shape.

32

00:01:16,000 --> 00:01:20,000

There was three of them flying in formation side by side.

33

00:01:20,000 --> 00:01:28,000

When they stopped over me, the closest one to me raised up so that the next one to him

34

00:01:28,000 --> 00:01:32,000

could lower down, so the next one to him could lower down, so that the rows of windows going

35

00:01:32,000 --> 00:01:38,000

down the side, all of the... be it however you want to, praise them, people, creatures,

36

00:01:38,000 --> 00:01:41,000

whatever, could all see me very plainly.

37

00:01:41,000 --> 00:01:45,000

So they looked at me until they caught their hands and pointed like I was an exhibition

38

00:01:45,000 --> 00:01:47,000

in a zoo.

39

00:01:47,000 --> 00:01:49,000

What did those occupants look like?

40

00:01:49,000 --> 00:01:50,000

You couldn't tell.

41

00:01:50,000 --> 00:01:55,000

The light from inside the craft was so bright, shining out the windows.

42

00:01:55,000 --> 00:01:58,000

That all you could tell was all I could tell.

43

00:01:58,000 --> 00:01:59,000

Okay.

44

00:01:59,000 --> 00:02:00,000

All I could tell.

45

00:02:00,000 --> 00:02:05,000

I mean, I'm telling you right now, buddy, I'm saying you're not know what the hell to think.

46

00:02:05,000 --> 00:02:08,000

Pants were human shaped.

47

00:02:08,000 --> 00:02:11,000

You could tell that there was eyes in the head.

48

00:02:11,000 --> 00:02:13,000

You could tell the eyes were large.

49

00:02:13,000 --> 00:02:17,000

There was no visual appearances of hair or ears.

50

00:02:17,000 --> 00:02:23,000

From what I could see, but the light was so bright, emanating from inside this craft

51

00:02:23,000 --> 00:02:28,000

that it looked like they were bald with no ears, but there was no way to really tell.

52

00:02:28,000 --> 00:02:31,000

But they were definitely... they had a human head shape.

53

00:02:31,000 --> 00:02:33,000

They definitely had a human shaped body.

54

00:02:33,000 --> 00:02:35,000

They definitely stood behind these windows and pointed at me.

55

00:02:35,000 --> 00:02:40,000

And these crafts had... they looked like a jet airliner with no wings and tail, okay?

56

00:02:40,000 --> 00:02:47,000

On the back of them, they had pods that resembled the same kind of pods

57

00:02:47,000 --> 00:02:50,000

that would be on the back of like a 727 or something, okay?

58

00:02:50,000 --> 00:02:51,000

Okay.

59

00:02:51,000 --> 00:02:58,000

Except that they had a green glob of light that was mounted to the top of these pods.

60

00:02:58,000 --> 00:03:01,000

That it wasn't real bright, but it glowed.

61

00:03:01,000 --> 00:03:05,000

And out of the back of these pods where it would normally come on a jet,

62

00:03:05,000 --> 00:03:10,000

like as we know it, where it would come... the exhaust was lights that were identical

63

00:03:10,000 --> 00:03:12,000

to what would be headlights of a car.

64

00:03:12,000 --> 00:03:14,000

That's what it really looked like, okay?

65

00:03:14,000 --> 00:03:16,000

That's what it looked like.

66

00:03:16,000 --> 00:03:18,000

The headlights of a car, they were shrouded in a crowd of mist.

67

00:03:18,000 --> 00:03:24,000

When they hovered in the air to stare at me, it was like I was on visual show at a zoo.

68

00:03:24,000 --> 00:03:25,000

You know what I'm saying?

69

00:03:25,000 --> 00:03:26,000

Right.

70

00:03:26,000 --> 00:03:29,000

And you could see these rows of windows going down the side and they were identical,

71

00:03:30,000 --> 00:03:34,000

just virtually identical to the rows of windows that you would see on an airliner.

72

00:03:34,000 --> 00:03:38,000

And there was beams behind each one of these windows.

73

00:03:38,000 --> 00:03:41,000

They were looking at me, and pointed.

74

00:03:41,000 --> 00:03:45,000

And I could have seen their faces and their features very clearly.

75

00:03:45,000 --> 00:03:49,000

It wouldn't have been to the fact that the light was so intensely bright

76

00:03:49,000 --> 00:03:51,000

coming from inside the aircraft.

77

00:03:51,000 --> 00:03:53,000

They made no noise.

78

00:03:53,000 --> 00:03:55,000

Absolutely none.

79

00:03:55,000 --> 00:03:57,000

There were no more.

80

00:03:57,000 --> 00:04:00,000

The closest one, the first one that raised up higher than the other two,

81

00:04:00,000 --> 00:04:06,000

so that the other two could raise in stair steps so that the occupants in the windows could see me,

82

00:04:06,000 --> 00:04:11,000

was no more than 250 grand feet from me.

83

00:04:11,000 --> 00:04:14,000

My body could not move.

84

00:04:14,000 --> 00:04:18,000

I wanted to scream for my girlfriend, my sister-in-law, my mother, my brother,

85

00:04:18,000 --> 00:04:21,000

and the seven children that were in the house come look too.

86

00:04:21,000 --> 00:04:24,000

I was not able to move.

87

00:04:24,000 --> 00:04:26,000

I tried to scream.

88

00:04:26,000 --> 00:04:32,000

The minute they ceased with looking at me, so to speak,

89

00:04:32,000 --> 00:04:35,000

and started to move off without making a sound,

90

00:04:35,000 --> 00:04:39,000

and there was no change in these lights that were shining out from behind them,

91

00:04:39,000 --> 00:04:41,000

it was just like headlights and fog, okay?

92

00:04:41,000 --> 00:04:42,000

Okay.

93

00:04:42,000 --> 00:04:43,000

And they were shrouded in mist.

94

00:04:43,000 --> 00:04:47,000

They started moving out across the lake at the 51 mom marker here in mid-Missouri.

95

00:04:47,000 --> 00:04:52,000

Then I jumped in my car then and drove to the top of the hill as these things were going over the lake

96

00:04:52,000 --> 00:04:54,000

and on the way out of sight.

97

00:04:54,000 --> 00:04:56,000

The sky is totally clear here.

98

00:04:56,000 --> 00:04:58,000

There's not a cloud in the sky.

99

00:04:58,000 --> 00:05:00,000

Speaker, none, okay?

100

00:05:00,000 --> 00:05:02,000

These things were clouded in the shroud of mist.

101

00:05:02,000 --> 00:05:03,000

Three of them.

102

00:05:03,000 --> 00:05:07,000

It's a gar shaped part on the end of them, green glow on the top,

103

00:05:07,000 --> 00:05:11,000

shining headlights out the back of these parts, just like headlights in the fog of a car.

104

00:05:11,000 --> 00:05:16,000

I'm standing on top of the hill with my binoculars looking for them to come back.

105

00:05:16,000 --> 00:05:19,000

People are passing me going, you saw it too.

106

00:05:19,000 --> 00:05:21,000

I'm going, yeah, I saw it too.

107

00:05:21,000 --> 00:05:22,000

What did you see?

108

00:05:22,000 --> 00:05:24,000

I told them what I saw.

109

00:05:24,000 --> 00:05:27,000

I told Whiteman Air Force Base they gave me your number.

110

00:05:27,000 --> 00:05:28,000

Who else has reported this?

111

00:05:28,000 --> 00:05:30,000

Am I nuts or what's going on out here?

112

00:05:30,000 --> 00:05:32,000

No, what time did you see it?

113

00:05:32,000 --> 00:05:33,000

God, I don't know.

114

00:05:33,000 --> 00:05:34,000

I had about nine o'clock.

115

00:05:34,000 --> 00:05:35,000

Okay.

116

00:05:35,000 --> 00:05:36,000

I don't know, man.

117

00:05:36,000 --> 00:05:37,000

I lost all track of time.

118

00:05:37,000 --> 00:05:39,000

I lost all track of anything like that.

119

00:05:39,000 --> 00:05:44,000

I mean, I was so, I was so immersed in what was happening here.

120

00:05:44,000 --> 00:05:47,000

The last thing I was going to worry about was looking at a goddamn clock.

121

00:05:47,000 --> 00:05:52,000

But two people that stopped to talk to me, who live in the same area as the Hills Oaks

122

00:05:52,000 --> 00:05:57,000

that I do and live on the lake here with me, they stopped and they saw me standing on

123

00:05:57,000 --> 00:05:59,000

top of the hill in the dark, standing on top of my car with binoculars.

124

00:05:59,000 --> 00:06:01,000

They stopped and they go, you saw it too, didn't you?

125

00:06:01,000 --> 00:06:03,000

They rolled down the windows and they go, you saw it too.

126

00:06:03,000 --> 00:06:04,000

I said, yeah, I saw it.

127

00:06:04,000 --> 00:06:05,000

They go, what did you see?

128

00:06:05,000 --> 00:06:09,000

I said, three cigar shaped aircraft hovering in a mist of fog.

129

00:06:09,000 --> 00:06:10,000

No noise.

130

00:06:10,000 --> 00:06:12,000

They said, that's exactly what we saw.

131

00:06:12,000 --> 00:06:13,000

We saw it cross over Highway 7.

132

00:06:13,000 --> 00:06:18,000

We pulled off our car, our truck, up the side of the road, show up, a motor show up,

133

00:06:18,000 --> 00:06:20,000

our headlights got out with our cameras.

134

00:06:20,000 --> 00:06:22,000

And you don't really bug me about it.

135

00:06:22,000 --> 00:06:28,000

They told me they were unable to remove the lens caps off their camera.

136

00:06:28,000 --> 00:06:29,000

That was the only thing I could do.

137

00:06:29,000 --> 00:06:30,000

Do you know those people?

138

00:06:30,000 --> 00:06:31,000

Yeah, I do know them personally.

139

00:06:31,000 --> 00:06:32,000

They're my neighbors.

140

00:06:32,000 --> 00:06:33,000

I don't know them personally.

141

00:06:33,000 --> 00:06:37,000

We live in Lake of the Oaks for a lot of people, our vacationers.

142

00:06:37,000 --> 00:06:39,000

They come down here only on the weekends during the summer.

143

00:06:39,000 --> 00:06:40,000

Lake of the Oaks, I don't know.

144

00:06:40,000 --> 00:06:41,000

I don't know where you're from.

145

00:06:41,000 --> 00:06:43,000

I live in the north of the 206 area coast.

146

00:06:43,000 --> 00:06:44,000

Washington?

147

00:06:44,000 --> 00:06:45,000

Okay.

148

00:06:45,000 --> 00:06:46,000

I don't know these people.

149

00:06:46,000 --> 00:06:47,000

I've never met them before personally.

150

00:06:47,000 --> 00:06:49,000

They are full climbers here like we are.

151

00:06:49,000 --> 00:06:50,000

Okay.

152

00:06:50,000 --> 00:06:52,000

We're in Lake of the Oaks.

153

00:06:52,000 --> 00:06:53,000

110 miles long.

154

00:06:53,000 --> 00:06:55,000

We've got 1,400 or so miles of shorelines.

155

00:06:55,000 --> 00:06:57,000

It's the vacation cap from the west.

156

00:06:57,000 --> 00:06:59,000

So a lot of people, they retired and they lived down here.

157

00:06:59,000 --> 00:07:01,000

These people, they retired a couple.

158

00:07:01,000 --> 00:07:04,000

A lot of people, they're only down here on weekends during the warm months.

159

00:07:04,000 --> 00:07:05,000

Okay.

160

00:07:05,000 --> 00:07:06,000

These people lived down here.

161

00:07:06,000 --> 00:07:08,000

They stopped and got out and tried to photograph it.

162

00:07:08,000 --> 00:07:11,000

And the only thing that really bugged me about what they said was is they go,

163

00:07:11,000 --> 00:07:13,000

but we couldn't get the lenses off our camera.

164

00:07:13,000 --> 00:07:14,000

Why couldn't they?

165

00:07:14,000 --> 00:07:17,000

Now this really bugged me because I'm going to tell you what, buddy,

166

00:07:17,000 --> 00:07:20,000

whatever these three things were,

167

00:07:20,000 --> 00:07:24,000

and I'm not necessarily a believer in Jesus and I am necessarily a believer in UFOs.

168

00:07:24,000 --> 00:07:28,000

But I'll tell you what, I saw three things as big as jet airliners,

169

00:07:28,000 --> 00:07:32,000

over 300 feet above my head atop of the trees here in the woods around my house.

170

00:07:32,000 --> 00:07:35,000

And they over there without a sound and a cloud of mist.

171

00:07:35,000 --> 00:07:40,000

And as they stopped dead, the mist thinned out enough that I could see that there was windows

172

00:07:40,000 --> 00:07:42,000

going down the side of these things.

173

00:07:42,000 --> 00:07:43,000

You know what it gave me?

174

00:07:43,000 --> 00:07:46,000

The idea of like a carnival cruise or something, you know?

175

00:07:46,000 --> 00:07:51,000

And these things were looking at me, out the windows in all three cracks.

176

00:07:51,000 --> 00:07:53,000

I was like on display all of a sudden.

177

00:07:53,000 --> 00:07:54,000

Did you hear any sound?

178

00:07:54,000 --> 00:07:55,000

No sound.

179

00:07:55,000 --> 00:07:57,000

Not a sound.

180

00:07:57,000 --> 00:08:01,000

And none of us that saw it down here, and I've got quite a few witnesses,

181

00:08:01,000 --> 00:08:05,000

not necessarily just people that are in my household and my family around here,

182

00:08:05,000 --> 00:08:08,000

but other witnesses that all live in these houses around here.

183

00:08:08,000 --> 00:08:10,000

There's a bunch of us that saw it.

184

00:08:10,000 --> 00:08:14,000

And I called white men and they told me their phone was ringing off the loud.

185

00:08:14,000 --> 00:08:17,000

They even accepted my collect call about it to hear what I had to say.

186

00:08:17,000 --> 00:08:22,000

I said, I said, I called and I said, hey, I said, I don't know if they know what's going on,

187

00:08:22,000 --> 00:08:26,000

but operator, I said, you tell them this is a collect call from a person who just had,

188

00:08:26,000 --> 00:08:29,000

although this sounds movie, of course, a kind of second kind.

189

00:08:29,000 --> 00:08:31,000

They accepted my collect call and talked to me,

190

00:08:31,000 --> 00:08:34,000

transferred me to some big shot up there, right in the Air Force Base at the radar.

191

00:08:34,000 --> 00:08:35,000

Okay.

192

00:08:35,000 --> 00:08:39,000

And he goes, yeah, he says, our phone's ringing off the wall from Kansas City to Camdenton.

193

00:08:39,000 --> 00:08:44,000

Now, I live about 20 miles as the bird flies out of Camdenton.

194

00:08:44,000 --> 00:08:49,000

Okay, when these craft took off, did they mist reappear around them?

195

00:08:49,000 --> 00:08:51,000

It never left them.

196

00:08:51,000 --> 00:08:52,000

Okay.

197

00:08:52,000 --> 00:08:54,000

It was like continuously there.

198

00:08:54,000 --> 00:08:56,000

What color was that mist?

199

00:08:56,000 --> 00:08:57,000

Like fog.

200

00:08:57,000 --> 00:08:59,000

Like white, off, off white?

201

00:08:59,000 --> 00:09:00,000

Okay.

202

00:09:00,000 --> 00:09:01,000

It was night, we had no moon.

203

00:09:01,000 --> 00:09:02,000

It was grayish white.

204

00:09:02,000 --> 00:09:03,000

Okay.

205

00:09:03,000 --> 00:09:08,000

But it like, when, I'm standing outside in my driveway, looking out across the lake,

206

00:09:08,000 --> 00:09:10,000

something all of us, I mean, it was really weird.

207

00:09:10,000 --> 00:09:12,000

It was like something told me, turn around.

208

00:09:12,000 --> 00:09:15,000

And my body all of a sudden, we've burnt surroundings.

209

00:09:15,000 --> 00:09:20,000

It does, I look up in the sky and just like out of the movie, like a polar guy or something.

210

00:09:20,000 --> 00:09:22,000

And I mean, this isn't even, this isn't even real.

211

00:09:22,000 --> 00:09:25,000

I don't know how I can even talk to you about this, but I got to talk to somebody.

212

00:09:25,000 --> 00:09:31,000

This cloud of mist, steam fog, whatever you want to call it, just comes rolling up over the tops of the trees.

213

00:09:31,000 --> 00:09:35,000

And it's so thick and so loaded, it's gulping the tops of the tree limbs.

214

00:09:35,000 --> 00:09:43,000

And I'm looking at it, and as I look at it, I see these three things that look like car headlights on a row.

215

00:09:43,000 --> 00:09:47,000

They're facing two west, but they're moving east.

216

00:09:47,000 --> 00:09:49,000

And I'm going, what the hell?

217

00:09:49,000 --> 00:09:53,000

There's no cars up there that can be doing that.

218

00:09:53,000 --> 00:09:56,000

And all of a sudden, they cease to move.

219

00:09:56,000 --> 00:09:59,000

And when they cease to move, the fog began to thin.

220

00:09:59,000 --> 00:10:00,000

Okay.

221

00:10:00,000 --> 00:10:06,000

As the fog thinned, you could see lights, you could see the shape, you could see these craft.

222

00:10:06,000 --> 00:10:12,000

Now, I don't know what color they were, but they appeared in the dark sky.

223

00:10:12,000 --> 00:10:22,000

And at this time, the reason I say I think they were dark green is because these lights shining out the back of them were so bright

224

00:10:22,000 --> 00:10:24,000

that they illuminated the mist.

225

00:10:24,000 --> 00:10:25,000

Okay.

226

00:10:25,000 --> 00:10:26,000

The spark or whatever.

227

00:10:26,000 --> 00:10:32,000

The fog gave the appearance that these craft were a dark green color, but they could have been dark blue, they could have been dark anything.

228

00:10:32,000 --> 00:10:35,000

They weren't dark, they could have, but they were a dark color.

229

00:10:35,000 --> 00:10:37,000

They were undoubtedly dying.

230

00:10:37,000 --> 00:10:39,000

And any shadow of a doubt, they were cigar shaped.

231

00:10:39,000 --> 00:10:44,000

There was no cockpit windows as cockpit windows would be in a jet as we know it.

232

00:10:44,000 --> 00:10:49,000

The only windows went down the side like an airliner's windows.

233

00:10:49,000 --> 00:10:58,000

And then there was pods on the back that really resembled pods that a jet engine would have on the back of like a 727 or something.

234

00:10:58,000 --> 00:10:59,000

Okay.

235

00:10:59,000 --> 00:11:10,000

And on top of them, there was a round circle of green glowing light, not real intensely bright, but glowing, edmall green.

236

00:11:10,000 --> 00:11:16,000

Obviously like some kind of a round dome shaped projectile that sat on top of the made light.

237

00:11:16,000 --> 00:11:21,000

Now out of the back of these pods, now the pods were pointed on the front.

238

00:11:21,000 --> 00:11:26,000

And if the mist was enough, I can't describe the exact appearance of them, but they looked more or less like they were pointed on the front.

239

00:11:26,000 --> 00:11:32,000

I couldn't see a dark spot in the front of them like an air intake as a jet engine as we know it.

240

00:11:32,000 --> 00:11:42,000

But the back of them was definitely flat as far as I could see because this beam of light came out that looked just like a headlight in the far of an automobile.

241

00:11:42,000 --> 00:11:47,000

There was no tails on them, there was no wings, they made no noise.

242

00:11:47,000 --> 00:11:53,000

And whatever was on board was taking out the windows like people looking out the windows of a bus.

243

00:11:53,000 --> 00:11:54,000

You know what I'm saying?

244

00:11:54,000 --> 00:11:57,000

Did you have a chance to count the number of those lighted openings?

245

00:11:57,000 --> 00:12:00,000

Well, there again.

246

00:12:00,000 --> 00:12:08,000

I couldn't move my body, I couldn't, I'm 20 feet from a plate glass window, a picture window for where everybody was sitting and you're watching TV.

247

00:12:08,000 --> 00:12:17,000

I wasn't, for some reason, and this is what scares me the most, or what's got me upset the most, is I wasn't able to scream to anybody in the house.

248

00:12:17,000 --> 00:12:19,000

My body froze, that's to it.

249

00:12:19,000 --> 00:12:20,000

I wasn't able to move.

250

00:12:20,000 --> 00:12:26,000

As these things hovered there, dead still in the air, I couldn't move until they started to move away.

251

00:12:26,000 --> 00:12:30,000

When they started to move away, then all of a sudden I could move again.

252

00:12:30,000 --> 00:12:37,000

There was at least to give you a minimum, 15 to 20 is minimum.

253

00:12:37,000 --> 00:12:40,000

I'd say 30 is maximum.

254

00:12:40,000 --> 00:12:45,000

Windows down the side, directly resembling total windows of a jetliner.

255

00:12:45,000 --> 00:12:52,000

But to be honest with you, I'm so upset from the situation, I can't tell you if they were square around.

256

00:12:52,000 --> 00:12:58,000

And the light was coming out of them so brightly that it would be hard to tell you if they were square around.

257

00:12:58,000 --> 00:13:02,000

There was an incredible light coming out of the inside of the thing.

258

00:13:02,000 --> 00:13:10,000

But the light undoubtedly showed the fact that there was things, creatures, what everyone termed

it, behind each and every window.

259

00:13:10,000 --> 00:13:12,000

Looking out and pointing.

260

00:13:12,000 --> 00:13:15,000

I mean, there were several of them that were pointing at me.

261

00:13:15,000 --> 00:13:18,000

Right, well, I got them in exhibit at the zoo.

262

00:13:18,000 --> 00:13:20,000

In a aquarium.

263

00:13:20,000 --> 00:13:25,000

And they stopped their dead end, and what really got me was the way they hovered into a stair step position.

264

00:13:25,000 --> 00:13:34,000

The closest one moved up, the bell one moved down a little, and the one on the farthest one moved down even yet to where it damn near touched the tree tops here.

265

00:13:34,000 --> 00:13:41,000

Now I'm talking, we're talking this craft was six feet over the trees, and it's mist was covering and golfing the trees on top of the hill above me.

266

00:13:41,000 --> 00:13:43,000

200 feet, 300 feet above me.

267

00:13:43,000 --> 00:13:54,000

And they moved down into stair steps so that all three craft, I looked at all three rows of windows, done all three crafts, and I could see these occupants, whatever you want to turn them, turn them in all three windows.

268

00:13:55,000 --> 00:13:58,000

And all three sets of windows going down these crafts, and they were looking at me.

269

00:13:58,000 --> 00:13:59,000

They were staring at me.

270

00:13:59,000 --> 00:14:08,000

They were definitely, I don't know, you know, you read about these things in the papers and instead, they were definitely humanoid looking.

271

00:14:08,000 --> 00:14:09,000

Okay.

272

00:14:09,000 --> 00:14:16,000

As far as I could see, they had arms that they could point at me, like you and I would point at something.

273

00:14:16,000 --> 00:14:18,000

Look at that an on the ground.

274

00:14:18,000 --> 00:14:20,000

They had heads that were shaped like ours.

275

00:14:20,000 --> 00:14:27,000

As far as whether or not they had ears, they had hair, I have no idea the light was too bright, but they had two eyes.

276

00:14:27,000 --> 00:14:31,000

You can see these areas that appeared dark.

277

00:14:31,000 --> 00:14:33,000

They appeared very dark where the eyes were.

278

00:14:33,000 --> 00:14:41,000

It was darker, but it was like, even though the light was so intensely bright, you could see that there was undoubtedly two eyes.

279

00:14:41,000 --> 00:14:47,000

I don't know how to explain it to you the way it looked, but you could see that, you know, there was undoubtedly two eyes on every head.

280

00:14:47,000 --> 00:14:59,000

And they were undoubtedly carrying on the conversation because the way their heads were pointing and looking at each other, why they pointed, you know, you could tell these things were talking about the fact that I was standing down there on the ground.

281

00:14:59,000 --> 00:15:00,000

Okay.

282

00:15:00,000 --> 00:15:02,000

Any estimate of length on those objects?

283

00:15:02,000 --> 00:15:03,000

Of what?

284

00:15:03,000 --> 00:15:05,000

How long they were.

285

00:15:05,000 --> 00:15:10,000

Well, I'll tell you what, at a minimum.

286

00:15:10,000 --> 00:15:12,000

At a minimum.

287

00:15:12,000 --> 00:15:16,000

Because I'm a traveling salesman, I've done a lot of flying.

288

00:15:16,000 --> 00:15:17,000

At a minimum.

289

00:15:17,000 --> 00:15:21,000

If you peel the wings and tail off a 747, you got it.

290

00:15:21,000 --> 00:15:22,000

Okay.

291

00:15:22,000 --> 00:15:24,000

I mean, I'm a 727.

292

00:15:24,000 --> 00:15:28,000

On a maximum, if you peel the wings and tail off a 747, you got it.

293

00:15:28,000 --> 00:15:32,000

But no hump, no cockpit windows.

294

00:15:32,000 --> 00:15:35,000

Only windows going down the side.

295

00:15:35,000 --> 00:15:37,000

Okay.

296

00:15:37,000 --> 00:15:46,000

And these things, well, not only did me and a whole bunch of my neighbors see, I apparently saw them the closest to all of us.

297

00:15:46,000 --> 00:15:55,000

But I understand from Leitman it's been reported from, at the time I talked to him from Kansas City to Camden, which Kansas City is about 150 miles, the crow flies.

298

00:15:55,000 --> 00:15:58,000

Now about 120, 30 miles is the crow flies.

299

00:15:58,000 --> 00:16:01,000

Camden is about 20 miles is the crow flies.

300

00:16:01,000 --> 00:16:03,000

It's got thousands of reports on it.

301

00:16:03,000 --> 00:16:05,000

They even accepted my car collect.

302

00:16:05,000 --> 00:16:06,000

I couldn't believe it.

303

00:16:06,000 --> 00:16:08,000

All right, sir, could I get your name?

304

00:16:08,000 --> 00:16:10,000

Well, yeah.

305

00:16:10,000 --> 00:16:12,000

This is strictly confidential.

306

00:16:12,000 --> 00:16:13,000

My name is...

307

00:16:13,000 --> 00:16:14,000

Is that your first name?

308

00:16:14,000 --> 00:16:15,000

Yeah.

309

00:16:15,000 --> 00:16:16,000

Okay.

310

00:16:16,000 --> 00:16:18,000

How many other cars you got about this tonight?

311

00:16:18,000 --> 00:16:20,000

Oh, dozens.

312

00:16:20,000 --> 00:16:23,000

Now, which town were you at?

313

00:16:23,000 --> 00:16:24,000

Okay.

314

00:16:24,000 --> 00:16:27,000

Climax Springs, Missouri, just like it sounds.

315

00:16:27,000 --> 00:16:29,000

Climax Springs, I don't know where they ever got that name.

316

00:16:29,000 --> 00:16:32,000

About today, I got several of my neighbors that saw the same thing.

317

00:16:32,000 --> 00:16:37,000

I did three crafts and formation moving without any noise in a cloud of mist.

318

00:16:37,000 --> 00:16:44,000

And I'm going to tell you what, I have never in my life experienced anything like this tonight.

319

00:16:44,000 --> 00:16:52,000

But my whole attitude just got a total rearrangement tonight because I know I'm not nuts.

320

00:16:52,000 --> 00:16:54,000

I know what I saw.

321

00:16:54,000 --> 00:16:57,000

I'm a stone sober.

322

00:16:57,000 --> 00:17:01,000

I don't do drugs or anything like that.

323

00:17:01,000 --> 00:17:04,000

I'm a man of four kids.

324

00:17:04,000 --> 00:17:05,000

I know what I saw.

325

00:17:05,000 --> 00:17:08,000

And I know what my retired neighbors across the way saw.

326

00:17:08,000 --> 00:17:11,000

I know what my mother saw and what all the rest of his guys are on this part of the lake saw.

327

00:17:11,000 --> 00:17:14,000

We all saw the same thing, whatever this thing was.

328

00:17:14,000 --> 00:17:17,000

I guarantee you the Air Force won't have no machines like this.

329

00:17:17,000 --> 00:17:19,000

My brother loves in the Air Force big time.

330

00:17:19,000 --> 00:17:24,000

He sent me pictures of the SR-71 Blackbird before they were even supposed to exist.

331

00:17:24,000 --> 00:17:27,000

And Americans don't have nothing like this.

332

00:17:27,000 --> 00:17:28,000

You know what I'm saying?

333

00:17:28,000 --> 00:17:29,000

Right.

334

00:17:29,000 --> 00:17:33,000

Whatever this was, it wasn't Russian or American.

335

00:17:33,000 --> 00:17:38,000

And so it leaves the mind up to decide what the hell it definitely was.

336

00:17:38,000 --> 00:17:44,000

But I guarantee you what, whatever these things were, they were large.

337

00:17:44,000 --> 00:17:46,000

They were silent.

338

00:17:46,000 --> 00:17:50,000

Why they were covered in mist, I don't know, but the cloud of mist moved along with them.

339

00:17:50,000 --> 00:17:51,000

You know what I'm saying?

340

00:17:51,000 --> 00:17:52,000

Right.

341

00:17:52,000 --> 00:17:54,000

They proceeded them as they moved through the sky.

342

00:17:54,000 --> 00:17:58,000

The noses of these craft never broke this cloud of steam or mist, whatever you want to call it.

343

00:17:58,000 --> 00:18:01,000

It constantly proceeded them.

344

00:18:01,000 --> 00:18:06,000

And as this thing moved through the sky, it made no noise.

345

00:18:06,000 --> 00:18:11,000

And each one of them was definitely loaded with multiple occupants that were stirring out windows.

346

00:18:11,000 --> 00:18:14,000

They were looking out the window sightseeing, man.

347

00:18:14,000 --> 00:18:17,000

These things were sightseeing, whatever they were.

348

00:18:17,000 --> 00:18:19,000

They were sightseeing.

349

00:18:19,000 --> 00:18:22,000

They stopped so close to me to look at me.

350

00:18:22,000 --> 00:18:23,000

And I could see no seams.

351

00:18:23,000 --> 00:18:27,000

They were close enough that I could see no seams, no rivets, no plates on this craft.

352

00:18:27,000 --> 00:18:31,000

The skin of this vehicle was totally smooth.

353

00:18:31,000 --> 00:18:33,000

Totally smooth.

354

00:18:33,000 --> 00:18:34,000

And it was matte.

355

00:18:34,000 --> 00:18:36,000

There was no shine.

356

00:18:36,000 --> 00:18:38,000

It was flat texture.

357

00:18:38,000 --> 00:18:39,000

Okay.

358

00:18:39,000 --> 00:18:40,000

No shine.

359

00:18:40,000 --> 00:18:43,000

But whatever it was, man, I'm going to tell you what, it was real bizarre.

360

00:18:43,000 --> 00:18:48,000

Definitely sugar-shaped, but it had these two parts on the back that shine out lights like

flashlight beams.

361

00:18:48,000 --> 00:18:50,000

And they were awful damn close to me.

362

00:18:50,000 --> 00:18:52,000

Awful damn close.

363

00:18:52,000 --> 00:18:53,000

Scared to shit out of me.

364

00:18:53,000 --> 00:18:58,000

Did you hear any or feel any increase of temperature in the air at the time?

365

00:18:58,000 --> 00:19:03,000

Not that I recognized, but I'm telling you what, I was so scared.

366

00:19:03,000 --> 00:19:05,000

I don't know if I'd have noticed it if there was.

367

00:19:05,000 --> 00:19:06,000

Okay.

368

00:19:06,000 --> 00:19:07,000

I was so scared.

369

00:19:07,000 --> 00:19:09,000

I don't know if I'd noticed it if there was.

370

00:19:09,000 --> 00:19:17,000

But I can tell you this, that they were close enough to me that the steam cloud that surrounded these craft

371

00:19:17,000 --> 00:19:20,000

perpetually as they moved through the air covered the trees in my yard.

372

00:19:20,000 --> 00:19:23,000

Covered the trees all over my hill.

373

00:19:23,000 --> 00:19:26,000

And that's no kidding.

374

00:19:26,000 --> 00:19:32,000

Because that third one, when it dropped down far enough for the, its windows could look out at me too,

375

00:19:32,000 --> 00:19:36,000

it was virtually touching the tops of the tree chops on top of my hill here.

376

00:19:36,000 --> 00:19:38,000

And I'm almost to the top of the hill.

377

00:19:38,000 --> 00:19:41,000

I'm about 50, 60 feet off the lake.

378

00:19:41,000 --> 00:19:45,000

And the top of the hill is probably 150 feet from me where it crests.

379

00:19:45,000 --> 00:19:47,000

Is there any movement on the top of the tree at all?

380

00:19:47,000 --> 00:19:48,000

No.

381

00:19:48,000 --> 00:19:49,000

Okay.

382

00:19:49,000 --> 00:19:52,000

There was no movement of anything but these craft, but they were moving slow, my man.

383

00:19:52,000 --> 00:19:53,000

Okay.

384

00:19:53,000 --> 00:19:55,000

I'm telling you, these things did not move fast.

385

00:19:55,000 --> 00:19:57,000

They idled away, so to speak.

386

00:19:57,000 --> 00:19:58,000

You understand what I'm saying?

387

00:19:58,000 --> 00:19:59,000

Yes.

388

00:19:59,000 --> 00:20:02,000

When they came into view for me, they were like, idling into view.

389

00:20:02,000 --> 00:20:06,000

And when they idled into view, like something, like it was really bizarre.

390

00:20:06,000 --> 00:20:10,000

I mean, something all of a sudden for some reason my body just turned around and looked up.

391

00:20:10,000 --> 00:20:14,000

And then I just saw this cloud of mist boil up like right out of a movie or something.

392

00:20:14,000 --> 00:20:15,000

It didn't look real.

393

00:20:15,000 --> 00:20:20,000

And when it boiled up and moved over, then you saw these things move into view.

394

00:20:20,000 --> 00:20:22,000

And then they also moved into view.

395

00:20:22,000 --> 00:20:23,000

They stopped.

396

00:20:23,000 --> 00:20:25,000

And then when they stopped, the mist spanned.

397

00:20:25,000 --> 00:20:31,000

And then they moved into this stair step position so that all three of them could look out the windows of all three of these crafts.

398

00:20:31,000 --> 00:20:33,000

And they stood there and stared at me.

399

00:20:33,000 --> 00:20:34,000

I don't know how long that was.

400

00:20:34,000 --> 00:20:40,000

I don't know whether they stared at me for 15 seconds or whether they stared at me for 15 minutes.

401

00:20:40,000 --> 00:20:44,000

Because the problem was I walked, I just loaded the fireplace with wood.

402

00:20:44,000 --> 00:20:47,000

I put on my coat and I walked out the bottom story of my house.

403

00:20:47,000 --> 00:20:49,000

Everybody else was upstairs.

404

00:20:49,000 --> 00:20:52,000

I walked out and went out to the driveway.

405

00:20:52,000 --> 00:20:58,000

So I don't know how long I was standing out there in the driveway with them staring at me.

406

00:20:58,000 --> 00:21:06,000

Because, but I do know that I was trying to yell and scream for everybody inside the house and I was not able to.

407

00:21:06,000 --> 00:21:13,000

And I was not able to yell and scream until they got through with looking at me, so to speak, and started to move away.

408

00:21:13,000 --> 00:21:22,000

In a minute, I mean the very instant that those crafts started to move away and started initiating a forward movement again, then all of a sudden my body had moved.

409

00:21:22,000 --> 00:21:26,000

And that's when I ran right now and started screaming, God, everybody come out here right now.

410

00:21:26,000 --> 00:21:27,000

I mean, I was screaming like a madman.

411

00:21:27,000 --> 00:21:30,000

Come out here and see this right now because I thought I was nuts.

412

00:21:30,000 --> 00:21:31,000

I thought I was lost in my mind.

413

00:21:31,000 --> 00:21:32,000

I mean, I was freaking out.

414

00:21:32,000 --> 00:21:34,000

I said, come out here and look at this right now.

415

00:21:34,000 --> 00:21:40,000

And everybody, I was so astirical when everybody ran out immediately and they all saw him too.

416

00:21:40,000 --> 00:21:42,000

And a whole bunch of people know what I did.

417

00:21:42,000 --> 00:21:44,000

And then that's when my brother and I went up on top of the hill.

418

00:21:44,000 --> 00:21:45,000

He got scared.

419

00:21:45,000 --> 00:21:47,000

He was so scared he came back down out.

420

00:21:47,000 --> 00:21:48,000

He wouldn't even wait up there with me.

421

00:21:48,000 --> 00:21:50,000

Okay, how many other people saw that?

422

00:21:50,000 --> 00:21:51,000

What's the total number?

423

00:21:51,000 --> 00:21:54,000

Well, in my family alone, 10.

424

00:21:54,000 --> 00:21:55,000

Okay.

425

00:21:55,000 --> 00:21:56,000

Because everybody's here this week.

426

00:21:56,000 --> 00:21:57,000

I mean, I have four kids.

427

00:21:57,000 --> 00:21:58,000

My brother's got three.

428

00:21:58,000 --> 00:22:00,000

I mean, I'm not a young, I'm not 20 years old.

429

00:22:00,000 --> 00:22:01,000

Okay.

430

00:22:01,000 --> 00:22:02,000

What is your age?

431

00:22:02,000 --> 00:22:03,000

34.

432

00:22:03,000 --> 00:22:08,000

But then I stood up on top of the hill with my binoculars and I'm looking around the horizon.

433

00:22:08,000 --> 00:22:12,000

And this pickup truck drives up and sees me standing there and they stop.

434

00:22:12,000 --> 00:22:17,000

They rolled down the window and the first thing they said to me was, you saw it too, didn't you?

435

00:22:17,000 --> 00:22:20,000

And I said, yeah, I saw something.

436

00:22:20,000 --> 00:22:21,000

What did you see?

437

00:22:21,000 --> 00:22:23,000

And we go, oh, we don't know what did you see?

438

00:22:23,000 --> 00:22:26,000

And they were like real apprehensive, you know?

439

00:22:26,000 --> 00:22:29,000

And I said, well, I'm not sure what I saw.

440

00:22:29,000 --> 00:22:32,000

I said, but I saw something float through the sky.

441

00:22:32,000 --> 00:22:34,000

They said, sort of, read.

442

00:22:34,000 --> 00:22:36,000

They said, how many of them did you see?

443

00:22:36,000 --> 00:22:37,000

I said, I saw three.

444

00:22:37,000 --> 00:22:39,000

I said, sort of, read.

445

00:22:39,000 --> 00:22:41,000

I said, in a crowd of myth, they said, yeah.

446

00:22:41,000 --> 00:22:42,000

I said, where'd you see them?

447

00:22:42,000 --> 00:22:46,000

And then they opened up a little more after it was obvious that we had both agreed on what we had saw.

448

00:22:46,000 --> 00:22:51,000

And they said they were sitting down around Climax Springs and they saw the crafts hover across the seven.

449

00:22:51,000 --> 00:22:53,000

This is a retired couple now.

450

00:22:53,000 --> 00:22:55,000

They're both gray-haired.

451

00:22:55,000 --> 00:22:57,000

And they proceeded to tell me that they shut off them.

452

00:22:57,000 --> 00:23:06,000

When they saw them, they realized that something was strange with the crafts, the fact that the lights were shining the opposite direction, that the crafts were moving.

453

00:23:06,000 --> 00:23:11,000

That they stopped their trucks, shut up the lights, put in the box, shut off the motor and got out.

454

00:23:11,000 --> 00:23:17,000

When they realized that they heard no engine noise, they tried to get their cameras.

455

00:23:17,000 --> 00:23:25,000

For some reason, and this is what the strangest thing that struck me about what they said was, they go, but we couldn't get our lens caps off the cameras.

456

00:23:25,000 --> 00:23:27,000

Now, that seems real strange.

457

00:23:27,000 --> 00:23:33,000

I don't know whether they really got pictures or whether they really couldn't get their lens caps off the cameras.

458

00:23:33,000 --> 00:23:36,000

But I'll tell you one thing, I really couldn't move out in the driveway.

459

00:23:36,000 --> 00:23:38,000

So I believe them.

460

00:23:38,000 --> 00:23:42,000

Maybe I believe them in the sense that they couldn't get the lens caps off their cameras.

461

00:23:42,000 --> 00:23:47,000

Because I know as long as those things stood for however long that was, they stood there and hovered away from me.

462

00:23:47,000 --> 00:23:49,000

I was not able to move a screen.

463

00:23:49,000 --> 00:23:51,000

I'm 20 feet from the place last one was at my house.

464

00:23:51,000 --> 00:23:54,000

Where everybody's sitting in the living room watching TV.

465

00:23:54,000 --> 00:23:58,000

And if I'd have been able to screen, they could have heard me instantly.

466

00:23:58,000 --> 00:23:59,000

They'd have heard me yelling.

467

00:23:59,000 --> 00:24:02,000

Down here in this part of the country, it's so quiet, we've got no traffic.

468

00:24:02,000 --> 00:24:04,000

There's no road noise. There's no airplane noise.

469

00:24:04,000 --> 00:24:08,000

I mean, it's dead flat. Somebody screams a half mile away. You can hear them.

470

00:24:08,000 --> 00:24:12,000

And I couldn't screen. These people couldn't get the lenses off their cameras.

471

00:24:12,000 --> 00:24:14,000

Do you see them quite often?

472

00:24:14,000 --> 00:24:17,000

I've never seen them before in my life. They live on Colfin Bend 11.

473

00:24:17,000 --> 00:24:19,000

Now, let me explain to you what that means.

474

00:24:19,000 --> 00:24:23,000

On every cove of the lake, one side of the cove will be Colfin Bend 2.

475

00:24:23,000 --> 00:24:26,000

The next side of the cove is Colfin Bend 3. Okay?

476

00:24:26,000 --> 00:24:27,000

Okay.

477

00:24:27,000 --> 00:24:29,000

And you have lots and lots and lots of coves.

478

00:24:29,000 --> 00:24:32,000

Get out your map of Missouri. Look up Lake of the Ozarks, Central Missouri.

479

00:24:32,000 --> 00:24:37,000

Just west of Jefferson City. Just south of Sedalia in Columbia.

480

00:24:37,000 --> 00:24:39,000

Just north of Springfield. Lake of the Ozarks.

481

00:24:39,000 --> 00:24:41,000

And you'll get the picture.

482

00:24:41,000 --> 00:24:44,000

Although the map will not show you how many coves the lake actually has.

483

00:24:44,000 --> 00:24:49,000

Because the lakes are like 110 miles long, but we've got 1456 miles of shoreline.

484

00:24:49,000 --> 00:24:51,000

That tells you we've got a lot of coves.

485

00:24:51,000 --> 00:24:53,000

So the map doesn't tell you how many coves.

486

00:24:53,000 --> 00:24:56,000

Now, in our area, there's Colfin Bend.

487

00:24:56,000 --> 00:24:58,000

And the first cove is Colfin Bend 1. The other side of the cove.

488

00:24:58,000 --> 00:25:00,000

The north side of the cove is Colfin Bend 2.

489

00:25:00,000 --> 00:25:03,000

Then the next cove you come to, the south side of the cove is Colfin Bend 3.

490

00:25:03,000 --> 00:25:05,000

The north side of the cove is Colfin Bend 4.

491

00:25:05,000 --> 00:25:06,000

Saddie?

492

00:25:06,000 --> 00:25:07,000

Right.

493

00:25:07,000 --> 00:25:10,000

Well, I'm Colfin Bend 7. These people live on Colfin Bend 11.

494

00:25:10,000 --> 00:25:11,000

Okay.

495

00:25:11,000 --> 00:25:15,000

They live just, you know, they live four coves and so up for me, whatever the case may be.

496

00:25:15,000 --> 00:25:20,000

But they definitely stopped and tried to photograph it.

497

00:25:20,000 --> 00:25:23,000

But they tell me they weren't able to.

498

00:25:23,000 --> 00:25:26,000

Now, I don't know whether they were just telling me that because they really weren't able to.

499

00:25:26,000 --> 00:25:29,000

But they couldn't get the lenses.

500

00:25:29,000 --> 00:25:33,000

They said they were not able to remove the lenses from the cameras.

501

00:25:33,000 --> 00:25:39,000

And I know that I wasn't able to yell to my family inside the house until the case of the crash started to move away.

502

00:25:39,000 --> 00:25:42,000

The minute they started to move away, my body could move again.

503

00:25:42,000 --> 00:25:45,000

And man, the first thing I did was run into the house and start screaming,

504

00:25:45,000 --> 00:25:47,000

God, everybody get out of here now and look at this.

505

00:25:47,000 --> 00:25:50,000

And I brought five to four adults out there.

506

00:25:50,000 --> 00:25:54,000

And of course, one of the children is way too young.

507

00:25:54,000 --> 00:26:04,000

But the other six of the children also had to, in fact, the children that ranged in ages from six to ten were so scared I had to really give some rationalized

508

00:26:05,000 --> 00:26:07,000

chances for what it meant.

509

00:26:07,000 --> 00:26:09,000

These are children that go to church.

510

00:26:09,000 --> 00:26:12,000

They don't understand what UFOs are about.

511

00:26:12,000 --> 00:26:14,000

Me and myself, I don't go to church.

512

00:26:14,000 --> 00:26:16,000

But my mother and the rest of them are ruling.

513

00:26:16,000 --> 00:26:18,000

They're just going to church every weekend, fable school.

514

00:26:18,000 --> 00:26:22,000

But their comprehension is Jesus was born two thousand years ago.

515

00:26:22,000 --> 00:26:28,000

And they don't grasp things like the fact that somebody else on the planet makes us look ignorant.

516

00:26:28,000 --> 00:26:33,000

And I'm going to tell you what, after tonight, I believe it will harm somebody somewhere out there.

517

00:26:33,000 --> 00:26:37,000

I'm going to tell you what, whatever these things were, I know I don't have hallucinations.

518

00:26:37,000 --> 00:26:40,000

I know I don't have hallucinations.

519

00:26:40,000 --> 00:26:42,000

I know what I saw.

520

00:26:42,000 --> 00:26:47,000

And even if I did have hallucinations, all my neighbors don't have the same exact hallucinations.

521

00:26:47,000 --> 00:26:48,000

Not all my neighbors.

522

00:26:48,000 --> 00:26:50,000

Some of my neighbors don't have the same exact hallucinations.

523

00:26:50,000 --> 00:26:56,000

My brother, my girlfriend, my mother, my sister-in-law and my kids aren't going to have the same hallucinations.

524

00:26:56,000 --> 00:26:59,000

I got four kids, but all saw it.

525

00:26:59,000 --> 00:27:02,000

And I mean, it shook them up big time.

526

00:27:02,000 --> 00:27:06,000

They don't, uh, you know, they don't comprehend stuff like that.

527

00:27:06,000 --> 00:27:07,000

And they see something like that.

528

00:27:07,000 --> 00:27:10,000

They think of the day of the year, day of the year to distill or something, you know.

529

00:27:10,000 --> 00:27:11,000

Okay.

530

00:27:11,000 --> 00:27:13,000

Well, thanks very much for calling.

531

00:27:13,000 --> 00:27:15,000

And if we get any follow-up on this, we'll get back to you.

532

00:27:15,000 --> 00:27:16,000

All right.

533

00:27:16,000 --> 00:27:19,000

I'd be willing to know just what the hell it was.

534

00:27:19,000 --> 00:27:22,000

I'd be willing to know who I was from my own spot.

535

00:27:22,000 --> 00:27:23,000

Okay.

536

00:27:24,000 --> 00:27:25,000

Have a good evening.

537

00:27:25,000 --> 00:27:26,000

Thank you again.

538

00:27:26,000 --> 00:27:27,000

Bye.

539

00:27:27,000 --> 00:27:28,000

Bye-bye.
