

1

00:00:00,000 --> 00:00:07,000

I was chasing a wrecking driver going up south on the high-speed.

2

00:00:07,000 --> 00:00:11,000

After a time I came to this little road.

3

00:00:11,000 --> 00:00:14,000

I heard this big roar flashed.

4

00:00:14,000 --> 00:00:18,000

He got a dynamite check to the west there.

5

00:00:18,000 --> 00:00:21,000

I thought I'd investigate maybe. I thought maybe blow it up.

6

00:00:21,000 --> 00:00:23,000

So I started up there real fast.

7

00:00:23,000 --> 00:00:29,000

Halfway through it, I spanked my head out the window out of the car.

8

00:00:29,000 --> 00:00:31,000

I was in the right 8th.

9

00:00:31,000 --> 00:00:38,000

I didn't know what it was at that time.

10

00:00:38,000 --> 00:00:41,000

I thought it was a car that turned over.

11

00:00:41,000 --> 00:00:44,000

Maybe it could turn over.

12

00:00:44,000 --> 00:00:49,000

I started out real fast so I could maybe help the people in the car.

13

00:00:49,000 --> 00:00:53,000

I went up to it's closed about 200 feet.

14

00:00:53,000 --> 00:00:55,000

I was 200 feet from it.

15

00:00:55,000 --> 00:00:57,000

I got out of the car and started to hear it.

16

00:00:57,000 --> 00:00:59,000

I heard this big noise again.

17

00:00:59,000 --> 00:01:00,000

Same noise.

18

00:01:00,000 --> 00:01:02,000

And the plane coming under it.

19

00:01:02,000 --> 00:01:04,000

I got scared as I ran it back.

20

00:01:04,000 --> 00:01:07,000

I ran about 50 feet from it.

21

00:01:07,000 --> 00:01:12,000

I pulled myself to the ground.

22

00:01:12,000 --> 00:01:14,000

You hide.

23

00:01:14,000 --> 00:01:18,000

Afterwards I heard the noise no more.

24

00:01:18,000 --> 00:01:23,000

I just looked at it and I had to see what was happening.

25

00:01:23,000 --> 00:01:30,000

I was real quiet then and I saw this white object just take off towards the west.

26

00:01:30,000 --> 00:01:35,000

Did it leave any kind of a vapor trail when it took off?

27

00:01:35,000 --> 00:01:36,000

No, it didn't.

28

00:01:36,000 --> 00:01:38,000

Quite no trail or nothing.

29

00:01:38,000 --> 00:01:41,000

But it did make a roar at the time you approached it?

30

00:01:41,000 --> 00:01:44,000

A big roar yesterday.

31

00:01:44,000 --> 00:01:47,000

And you could actually see the plane in under it?

32

00:01:47,000 --> 00:01:48,000

Yes, I did.

33

00:01:48,000 --> 00:01:50,000

Was it standing on the legs?

34

00:01:50,000 --> 00:01:52,000

Yes, it was legs.

35

00:01:52,000 --> 00:01:54,000

It was called legs.

36

00:01:54,000 --> 00:01:56,000

And you thought there were four of these?

37

00:01:56,000 --> 00:01:58,000

Apparently there were.

38

00:01:58,000 --> 00:02:01,000

And the markings on the ground were four legs.

39

00:02:01,000 --> 00:02:03,000

Were you examined it later on?

40

00:02:03,000 --> 00:02:04,000

Yes, we did.

41

00:02:04,000 --> 00:02:07,000

From me and state police to Mississippi police.

42

00:02:07,000 --> 00:02:11,000

After it took off, did you go back to get help?

43

00:02:11,000 --> 00:02:15,000

No, I raided help from the car and I think it went off.

44

00:02:15,000 --> 00:02:16,000

I see.

45

00:02:16,000 --> 00:02:20,000

When you went back to examine it, what did you find near where it had been parked?

46

00:02:20,000 --> 00:02:22,000

Well, a bush.

47

00:02:22,000 --> 00:02:26,000

A bush was there around the east wood and the grass was still burning.

48

00:02:26,000 --> 00:02:31,000

So I thought it was markings on the ground.

49

00:02:31,000 --> 00:02:33,000

Friends and everything else.

50

00:02:33,000 --> 00:02:36,000

There were friends as if it had been standing on these legs.

51

00:02:36,000 --> 00:02:37,000

Right.

52

00:02:37,000 --> 00:02:40,000

Did the legs go up into the object when it took off?

53

00:02:40,000 --> 00:02:41,000

Did you notice that?

54

00:02:41,000 --> 00:02:43,000

No, sir, I didn't notice it at all.

55

00:02:43,000 --> 00:02:46,000

And after it got into the air, did the roar stop?

56

00:02:46,000 --> 00:02:48,000

Yes, sir, when it came straight up.
