

1

00:00:00,000 --> 00:00:05,000

They said they'd see some colon out there on the earth over again.

2

00:00:05,000 --> 00:00:08,000

The Pan-Dex all the way to the earth and we said no contact.

3

00:00:08,000 --> 00:00:11,000

Sir, that's the colon on the right side.

4

00:00:11,000 --> 00:00:14,000

Now, do you have any questions?

5

00:00:14,000 --> 00:00:18,000

No.

6

00:00:18,000 --> 00:00:19,000

Can you write them down?

7

00:00:19,000 --> 00:00:20,000

No.

8

00:00:20,000 --> 00:00:22,000

I'll give them the questions.

9

00:00:22,000 --> 00:00:27,000

You have an advert from the University of Colorado,

10

00:00:27,000 --> 00:00:30,000

Dr. Tannen Group has known him and went on.

11

00:00:30,000 --> 00:00:34,000

They are supposed to send a man to him here until it gets up.

12

00:00:34,000 --> 00:00:40,000

They said he decided to do it in several other places on the main.

13

00:00:40,000 --> 00:00:48,000

So now, you started to fill that keynote before it out, which is there.

14

00:00:48,000 --> 00:00:54,000

I just thought it too, but I thought maybe somebody would tell me from the government,

15

00:00:54,000 --> 00:00:57,000

you know, I want you to fill it out and fill it out.

16

00:00:57,000 --> 00:01:00,000

Well, of course, I think they will.

17

00:01:00,000 --> 00:01:02,000

They'll have a recovery center.

18

00:01:02,000 --> 00:01:04,000

Yeah, that's right.

19

00:01:04,000 --> 00:01:09,000

It was quite interesting that you took that to the piece of metal.

20

00:01:09,000 --> 00:01:14,000

Of course, it's so small that its significance may be difficult now.

21

00:01:14,000 --> 00:01:16,000

Have you had any reading of that?

22

00:01:16,000 --> 00:01:18,000

No.

23

00:01:18,000 --> 00:01:20,000

I haven't had an outline.

24

00:01:20,000 --> 00:01:24,000

I've had it in the area of the sport and radio activity.

25

00:01:24,000 --> 00:01:26,000

It's in the space behind it.

26

00:01:26,000 --> 00:01:31,000

It's in your world map and it's shown that it's in your pocket, I believe.

27

00:01:31,000 --> 00:01:35,000

You guys look higher here than in the military, but you're not getting it from there.

28

00:01:35,000 --> 00:01:37,000

I am.

29

00:01:37,000 --> 00:01:43,000

So back in April, I got two more papers in there.

30

00:01:43,000 --> 00:01:47,000

I told this reporter I got a piece that says to pull out here.

31

00:01:47,000 --> 00:01:50,000

I guess it was down here.

32

00:01:50,000 --> 00:01:51,000

What is that?

33

00:01:51,000 --> 00:01:54,000

It's all the way down the page when everyone was out.

34

00:01:54,000 --> 00:01:56,000

This is in the main area.

35

00:01:56,000 --> 00:01:58,000

It starts going all the way down here.

36

00:01:58,000 --> 00:02:01,000

Lincoln Journal for Friday, December 8th, PM.

37

00:02:01,000 --> 00:02:03,000

Right?

38

00:02:03,000 --> 00:02:04,000

Oh, yeah.

39

00:02:04,000 --> 00:02:07,000

See, this is why we should have some paper on that.

40

00:02:07,000 --> 00:02:08,000

Yeah, other side.

41

00:02:08,000 --> 00:02:13,000

Neither was deciding the Tuesday night that we came out here at 11 o'clock.

42

00:02:13,000 --> 00:02:16,000

I came again to see and we couldn't, we haven't been able to learn the names of anybody.

43

00:02:16,000 --> 00:02:18,000

But I got two more papers.

44

00:02:18,000 --> 00:02:20,000

Valerie Wendland.

45

00:02:20,000 --> 00:02:23,000

We were both told people that they were both with us.

46

00:02:23,000 --> 00:02:25,000

And they seemed to say anything.

47

00:02:25,000 --> 00:02:26,000

I understand.

48

00:02:26,000 --> 00:02:27,000

They don't.

49

00:02:27,000 --> 00:02:29,000

They're afraid of publicity.

50

00:02:29,000 --> 00:02:30,000

They're afraid of anybody.

51

00:02:30,000 --> 00:02:31,000

Well, probably.

52

00:02:31,000 --> 00:02:37,000

We just talked to them without publicity and that is a few words to, you know, if they ever get to know.

53

00:02:37,000 --> 00:02:39,000

Don't want to be, you want to call them up here.

54

00:02:39,000 --> 00:02:41,000

Eight micro-inchers.

55

00:02:41,000 --> 00:02:44,000

About 160 tons higher than normal.

56

00:02:44,000 --> 00:02:46,000

See, I'm not going to mention that.

57

00:02:46,000 --> 00:02:48,000

Yeah, that's an old training.

58

00:02:48,000 --> 00:02:55,000

Yeah, now, on that metal piece, there was a physics man, Dr. Madison.

59

00:02:55,000 --> 00:02:59,000

He was changed to McMillan at OU.

60

00:02:59,000 --> 00:03:04,000

It's quite interesting in this and he may assist you.

61

00:03:04,000 --> 00:03:07,000

See, I couldn't get hold of me at some meeting going on.

62

00:03:07,000 --> 00:03:11,000

We have a group of people who are getting right here at different places.

63

00:03:11,000 --> 00:03:13,000

We can call them.

64

00:03:13,000 --> 00:03:16,000

We had private assembly.

65

00:03:16,000 --> 00:03:18,000

I'm not going to go to the government.

66

00:03:18,000 --> 00:03:19,000

I'm going to the government.

67

00:03:19,000 --> 00:03:21,000

I'm not having any of them going to get out.

68

00:03:21,000 --> 00:03:24,000

But if you give them anything, you'll never get it back.

69

00:03:24,000 --> 00:03:25,000

No.

70

00:03:25,000 --> 00:03:28,000

They could have any pictures that usually try to get your negatives and that's it.

71

00:03:28,000 --> 00:03:29,000

Yeah, I'm just going.

72

00:03:29,000 --> 00:03:34,000

Now, you see, there was an incident in Omaha where we went and got some material in a guy's yard.

73

00:03:34,000 --> 00:03:36,000

And I made sure that we took pictures of it.

74

00:03:36,000 --> 00:03:41,000

And he worked for Allied Chemical this spring as a guard.

75

00:03:41,000 --> 00:03:44,000

Well, he took the material down there to their chemist.

76

00:03:44,000 --> 00:03:47,000

And the first thing, you know, the guys from Offit Field were there.

77

00:03:47,000 --> 00:03:51,000

But he managed to move back up each chunk about like that.

78

00:03:51,000 --> 00:03:58,000

And they took a photograph of Allied Chemical of the pieces that were in a gallon pan.

79

00:03:58,000 --> 00:04:02,000

Well, the only thing that he had left was photographs.

80

00:04:02,000 --> 00:04:08,000

In the Offit, you got all the little piece of wire and some of the things he brought for him to still have.

81

00:04:08,000 --> 00:04:10,000

He don't have many.

82

00:04:10,000 --> 00:04:16,000

But I met someone who had to rush to electric and they ran a respective graph on it, which is pretty fine.

83

00:04:16,000 --> 00:04:21,000

They told me exactly what they found.

84

00:04:21,000 --> 00:04:25,000

Did you get any report on your piece of metal yet?

85

00:04:25,000 --> 00:04:27,000

I guess I had an on it.

86

00:04:27,000 --> 00:04:29,000

I got something on it.

87

00:04:29,000 --> 00:04:33,000

Yeah, now we got this from his fellow.

88

00:04:33,000 --> 00:04:38,000

And now this extra radioactivity is very important.

89

00:04:38,000 --> 00:04:43,000

What's OPPD officials there to say about it?

90

00:04:43,000 --> 00:04:45,000

I didn't say that long.

91

00:04:45,000 --> 00:04:47,000

Oh, yeah.

92

00:04:47,000 --> 00:04:50,000

OPPD officials in Ashland, what have they got here?

93

00:04:50,000 --> 00:04:53,000

That's OPPD got an office here.

94

00:04:53,000 --> 00:04:54,000

They do.

95

00:04:54,000 --> 00:05:00,000

Well, we noticed there's a big switching or a transformer placed out by that power station.

96

00:05:00,000 --> 00:05:02,000

And you've got a...

97

00:05:02,000 --> 00:05:07,000

I had my mafiner, I'll tell you, but there's a \$59,000 line coming up from Moonsville.

98

00:05:07,000 --> 00:05:12,000

It crosses the highway out here and then it cuts straight north about where there's switching.

99

00:05:12,000 --> 00:05:16,000

Well, this may or may not have...

100

00:05:16,000 --> 00:05:23,000

There's evidence around the country where these are seen usually in the proximity to large power lines.

101

00:05:23,000 --> 00:05:25,000

They're not straight up in the middle of the country.

102

00:05:25,000 --> 00:05:27,000

No, power lines.

103

00:05:27,000 --> 00:05:29,000

And this, well, yeah.

104

00:05:29,000 --> 00:05:31,000

I know there's one on the other side. This is right straight out here.

105

00:05:31,000 --> 00:05:33,000

And these power lines are there.

106

00:05:33,000 --> 00:05:36,000

And this is the substation power line that's over here.

107

00:05:36,000 --> 00:05:39,000

What actually do you agree with OPPD girls?

108

00:05:39,000 --> 00:05:41,000

Let me put this over here.

109

00:05:41,000 --> 00:05:43,000

I have to stay and then I'll get out of this.

110

00:05:43,000 --> 00:05:47,000

We had heard in a cafe Tuesday night that there was a couple girls.

111

00:05:47,000 --> 00:05:51,000

Now did these girls tell you about this license so that you went out there?

112

00:05:51,000 --> 00:05:53,000

I found this a while.

113

00:05:53,000 --> 00:05:55,000

I read it.

114

00:05:55,000 --> 00:05:58,000

I told them I'd let two girls call them.

115

00:05:58,000 --> 00:06:04,000

They said they think they think they want to give any major.

116

00:06:04,000 --> 00:06:06,000

No, no.

117

00:06:06,000 --> 00:06:07,000

I really didn't.

118

00:06:07,000 --> 00:06:17,000

See, no, I have a daughter that's going nursing school and she's got a friend here by the name of Tad or Pam Johnson.

119

00:06:17,000 --> 00:06:21,000

And she's of the opinion that this is the oaths.

120

00:06:21,000 --> 00:06:24,000

That's the story she's telling my daughter down in school.

121

00:06:24,000 --> 00:06:31,000

But the thing is, this is the sort of thing that sometimes puts you on the spot.

122

00:06:31,000 --> 00:06:33,000

Both of you begin.

123

00:06:33,000 --> 00:06:37,000

Boy, not anything that you probably desire to get involved in.

124

00:06:37,000 --> 00:06:41,000

Because a lot of times people in the past neglect to be able to get involved.

125

00:06:41,000 --> 00:06:46,000

So like this highway, you're coming it up and they try to get you here.

126

00:06:46,000 --> 00:06:49,000

Anybody connected with it, it's just over the truth.

127

00:06:49,000 --> 00:06:53,000

They do this for their cause and their loss.

128

00:06:53,000 --> 00:06:55,000

And it's their start.

129

00:06:55,000 --> 00:06:58,000

That way it makes you feel kind of at least.

130

00:06:58,000 --> 00:07:01,000

That's why you're living in a life that's just a way of talking.

131

00:07:01,000 --> 00:07:06,000

That's one of the things that, like, well, who is interested in that?

132

00:07:06,000 --> 00:07:08,000

Has co-workers enough there?

133

00:07:08,000 --> 00:07:10,000

Yeah, that sort of thing.

134

00:07:10,000 --> 00:07:17,000

Although I don't know how much authenticity you've got all there in those stuff.

135

00:07:17,000 --> 00:07:20,000

You didn't just say that he did anything and he never came out.

136

00:07:20,000 --> 00:07:21,000

He came out yesterday.

137

00:07:21,000 --> 00:07:22,000

The King Craig?

138

00:07:22,000 --> 00:07:23,000

No.

139

00:07:23,000 --> 00:07:30,000

Okay, well I'm true about this because there seems to be a need to check out a couple of these girls

140

00:07:30,000 --> 00:07:32,000

and verify that somewhere.

141

00:07:32,000 --> 00:07:36,000

And then you say that there's a couple of older women.

142

00:07:36,000 --> 00:07:37,000

Yeah.

143

00:07:37,000 --> 00:07:40,000

They don't have any publicity.

144

00:07:40,000 --> 00:07:42,000

They don't have any publicity.

145

00:07:42,000 --> 00:07:48,000

They just want to ask the lady who was coming because there's a volunteer who was her name.

146

00:07:48,000 --> 00:07:52,000

My wife, she doesn't have any publicity.

147

00:07:52,000 --> 00:08:00,000

And around this town here, you're going to find out that these kids are really going to put a hold on people.

148

00:08:00,000 --> 00:08:01,000

Yeah.

149

00:08:01,000 --> 00:08:02,000

Don't make them.

150

00:08:02,000 --> 00:08:03,000

Who he is, what he is.

151

00:08:03,000 --> 00:08:04,000

What he is.

152

00:08:04,000 --> 00:08:05,000

Police officer.

153

00:08:05,000 --> 00:08:06,000

Definitely.

154

00:08:06,000 --> 00:08:07,000

Definitely.

155

00:08:07,000 --> 00:08:09,000

They can give you a rough time, right?

156

00:08:09,000 --> 00:08:10,000

In any case.

157

00:08:10,000 --> 00:08:11,000

Oh, we don't have any.

158

00:08:11,000 --> 00:08:13,000

I don't think we've seen the president.

159

00:08:13,000 --> 00:08:14,000

Too much.

160

00:08:14,000 --> 00:08:15,000

Too much.

161

00:08:15,000 --> 00:08:16,000

Yeah.

162

00:08:16,000 --> 00:08:20,000

But sometimes somebody can start a nice little rumor and say, this credit card's saying, you know,

163

00:08:20,000 --> 00:08:26,000

did you ever see one of these before or lights or any part of these before?

164

00:08:26,000 --> 00:08:27,000

How about you two?

165

00:08:27,000 --> 00:08:28,000

Never.

166

00:08:28,000 --> 00:08:30,000

I've never met any people.

167

00:08:30,000 --> 00:08:31,000

Any folks?

168

00:08:31,000 --> 00:08:32,000

Any around here?

169

00:08:32,000 --> 00:08:33,000

Yeah.

170

00:08:33,000 --> 00:08:34,000

Where are you going?

171

00:08:34,000 --> 00:08:35,000

South on 6.

172

00:08:35,000 --> 00:08:36,000

I know where it's going.

173

00:08:36,000 --> 00:08:37,000

Waverly.

174

00:08:37,000 --> 00:08:38,000

South.

175

00:08:38,000 --> 00:08:40,000

Over the whole South on 6.

176

00:08:40,000 --> 00:08:41,000

And you can see it just.

177

00:08:41,000 --> 00:08:43,000

What's it got to do with the traffic?

178

00:08:43,000 --> 00:08:44,000

How do you land?

179

00:08:44,000 --> 00:08:45,000

Right there, you know.

180

00:08:45,000 --> 00:08:47,000

I was going to the white van, right?

181

00:08:47,000 --> 00:08:48,000

Lansing.

182

00:08:48,000 --> 00:08:50,000

And I noticed red lights.

183

00:08:50,000 --> 00:08:52,000

I thought it was a truck.

184

00:08:52,000 --> 00:08:57,000

So I figured, well, if you leave lights on, it's flashing and I stopped.

185

00:08:57,000 --> 00:09:00,000

I pulled in this little plate before we turned around all the time.

186

00:09:00,000 --> 00:09:02,000

And that was my watch.

187

00:09:02,000 --> 00:09:05,000

I always looked for my watch to hand it.

188

00:09:05,000 --> 00:09:08,000

You know, you get out and take it when you're watching this.

189

00:09:08,000 --> 00:09:14,000

And I turned around and they come up on the object and I put my lights on bright and it

190

00:09:14,000 --> 00:09:18,000

just lit up like a grid of a street and the red lights started flashing on.

191

00:09:18,000 --> 00:09:21,000

These lights were not on the outside of the span.

192

00:09:21,000 --> 00:09:23,000

They were on the inside.

193

00:09:23,000 --> 00:09:25,000

Where are they on point lights?

194

00:09:25,000 --> 00:09:29,000

Like a spotlight or a grill?

195

00:09:29,000 --> 00:09:31,000

You see one of these.

196

00:09:31,000 --> 00:09:32,000

Take a big red light.

197

00:09:32,000 --> 00:09:34,000

Red light like this.

198

00:09:34,000 --> 00:09:36,000

Flash and all.

199

00:09:36,000 --> 00:09:42,000

That would mean it's just a path.

200

00:09:42,000 --> 00:09:44,000

Well, it's one of that, sure.

201

00:09:44,000 --> 00:09:45,000

That's what I mean.

202

00:09:45,000 --> 00:09:46,000

Inside and through there.

203

00:09:46,000 --> 00:09:47,000

On the purple.

204

00:09:47,000 --> 00:09:48,000

Yeah.

205

00:09:48,000 --> 00:09:50,000

When you leave lights, you set that on.

206

00:09:50,000 --> 00:09:54,000

When you first saw a light that got on the road or when it got your attention.

207

00:09:54,000 --> 00:09:56,000

What did light that got your attention?

208

00:09:56,000 --> 00:09:57,000

Lights near the top?

209

00:09:57,000 --> 00:09:59,000

Like it'd be on the top of the summit?

210

00:09:59,000 --> 00:10:01,000

No.

211

00:10:01,000 --> 00:10:08,000

No, uh, uh, these lights were mid-layered.

212

00:10:08,000 --> 00:10:11,000

What shape was the thing?

213

00:10:11,000 --> 00:10:16,000

A lot of disc or purple.

214

00:10:16,000 --> 00:10:20,000

That's straight.

215

00:10:20,000 --> 00:10:23,000

I don't have any with the top.

216

00:10:23,000 --> 00:10:25,000

Well, just the purple.

217

00:10:25,000 --> 00:10:26,000

We could have done this.

218

00:10:26,000 --> 00:10:28,000

If any had a lot of little mud layers.

219

00:10:28,000 --> 00:10:30,000

I got some of these girls over in here.

220

00:10:30,000 --> 00:10:32,000

There's C1.

221

00:10:32,000 --> 00:10:33,000

And they sent that letter to me.

222

00:10:33,000 --> 00:10:35,000

And they get all kind of fan mail.

223

00:10:35,000 --> 00:10:38,000

We see that.

224

00:10:38,000 --> 00:10:40,000

I don't know when your time is.

225

00:10:40,000 --> 00:10:42,000

Yeah, it's Jan Marys.

226

00:10:42,000 --> 00:10:45,000

It's a Milligan Nebraska.

227

00:10:45,000 --> 00:10:50,000

She sent you a letter on December 7th from Geneva to Nebraska.

228

00:10:50,000 --> 00:10:51,000

What is it?

229

00:10:51,000 --> 00:10:52,000

It's a letter.

230

00:10:52,000 --> 00:10:53,000

It's a letter.

231

00:10:53,000 --> 00:10:54,000

It's a letter.

232

00:10:54,000 --> 00:10:58,000

I'll, uh, let me set this up.

233

00:10:58,000 --> 00:11:01,000

It's a little bit of a fighting work.

234

00:11:01,000 --> 00:11:02,000

I'm going to get off.

235

00:11:02,000 --> 00:11:03,000

I'm going to get off.

236

00:11:03,000 --> 00:11:04,000

I'm going to get off.

237

00:11:04,000 --> 00:11:06,000

I have a little bit of a fight.

238

00:11:06,000 --> 00:11:07,000

I have a little bit of a fight.

239

00:11:07,000 --> 00:11:08,000

I have a little bit of a fight.

240

00:11:08,000 --> 00:11:09,000

I have a little bit of a fight.

241

00:11:09,000 --> 00:11:19,000

I'm going to get going at ■■ ado.

242

00:11:19,000 --> 00:11:26,000

I was a little bit worried about it.

243

00:11:26,000 --> 00:11:31,000

I was a little bit worried about it.

244

00:11:31,000 --> 00:11:37,000

I was a little bit worried about it.

245

00:11:37,000 --> 00:11:43,000

I was a little bit worried about it.

246

00:11:43,000 --> 00:11:53,000

I was a little bit worried about it.

247

00:11:53,000 --> 00:12:03,000

I was a little bit worried about it.

248

00:12:03,000 --> 00:12:23,000

I was a little bit worried about it.

249

00:12:23,000 --> 00:12:43,000

I was a little bit worried about it.

250

00:12:43,000 --> 00:13:03,000

I was a little bit worried about it.

251

00:13:03,000 --> 00:13:23,000

I was a little bit worried about it.

252

00:13:23,000 --> 00:13:43,000

I was a little bit worried about it.

253

00:13:43,000 --> 00:14:03,000

I was a little bit worried about it.

254

00:14:03,000 --> 00:14:23,000

I was a little bit worried about it.

255

00:14:23,000 --> 00:14:43,000

I was a little bit worried about it.

256

00:14:43,000 --> 00:15:03,000

I was a little bit worried about it.

257

00:15:03,000 --> 00:15:23,000

I was a little bit worried about it.

258

00:15:23,000 --> 00:15:43,000

I was a little bit worried about it.

259

00:15:43,000 --> 00:16:03,000

I was a little bit worried about it.

260

00:16:03,000 --> 00:16:23,000

I was a little bit worried about it.

261

00:16:23,000 --> 00:16:43,000

I was a little bit worried about it.

262

00:16:43,000 --> 00:17:03,000

I was a little bit worried about it.

263

00:17:03,000 --> 00:17:23,000

I was a little bit worried about it.

264

00:17:23,000 --> 00:17:43,000

I was a little bit worried about it.

265

00:17:43,000 --> 00:18:03,000

I was a little bit worried about it.

266

00:18:03,000 --> 00:18:23,000

I was a little bit worried about it.

267

00:18:23,000 --> 00:18:43,000

I was a little bit worried about it.

268

00:18:43,000 --> 00:19:03,000

I was a little bit worried about it.

269

00:19:03,000 --> 00:19:23,000

I was a little bit worried about it.

270

00:19:23,000 --> 00:19:43,000

I was a little bit worried about it.

271

00:19:43,000 --> 00:20:03,000

I was a little bit worried about it.

272

00:20:03,000 --> 00:20:23,000

I was a little bit worried about it.

273

00:20:23,000 --> 00:20:43,000

I was a little bit worried about it.

274

00:20:43,000 --> 00:21:03,000

I was a little bit worried about it.

275

00:21:03,000 --> 00:21:23,000

I was a little bit worried about it.

276

00:21:23,000 --> 00:21:43,000

I was a little bit worried about it.

277

00:21:43,000 --> 00:22:03,000

I was a little bit worried about it.

278

00:22:03,000 --> 00:22:23,000

I was a little bit worried about it.

279

00:22:23,000 --> 00:22:43,000

I was a little bit worried about it.

280

00:22:43,000 --> 00:23:03,000

I was a little bit worried about it.

281

00:23:03,000 --> 00:23:23,000

I was a little bit worried about it.

282

00:23:23,000 --> 00:23:43,000

I was a little bit worried about it.

283

00:23:43,000 --> 00:24:03,000

I was a little bit worried about it.

284

00:24:03,000 --> 00:24:23,000

I was a little bit worried about it.

285

00:24:23,000 --> 00:24:43,000

I was a little bit worried about it.

286

00:24:43,000 --> 00:25:03,000

I was a little bit worried about it.

287

00:25:03,000 --> 00:25:23,000

I was a little bit worried about it.

288

00:25:23,000 --> 00:25:43,000

I was a little bit worried about it.

289

00:25:43,000 --> 00:26:03,000

I was a little bit worried about it.

290

00:26:03,000 --> 00:26:23,000

I was a little bit worried about it.

291

00:26:23,000 --> 00:26:43,000

I was a little bit worried about it.

292

00:26:43,000 --> 00:27:03,000

I was a little bit worried about it.

293

00:27:03,000 --> 00:27:23,000

I was a little bit worried about it.

294

00:27:23,000 --> 00:27:43,000

I was a little bit worried about it.

295

00:27:43,000 --> 00:28:03,000

I was a little bit worried about it.

296

00:28:03,000 --> 00:28:23,000

I was a little bit worried about it.

297

00:28:23,000 --> 00:28:43,000

I was a little bit worried about it.

298

00:28:43,000 --> 00:29:03,000

I was a little bit worried about it.

299

00:29:03,000 --> 00:29:23,000

I was a little bit worried about it.

300

00:29:23,000 --> 00:29:43,000

I was a little bit worried about it.

301

00:29:43,000 --> 00:30:11,000

I was a little bit worried about it.

302

00:30:11,000 --> 00:30:31,000

I was a little bit worried about it.
