

1

00:00:30,000 --> 00:00:32,000

Oh, a little bit.

2

00:00:36,000 --> 00:00:41,000

Yeah, that's all it is now. It's just an orange glow. That's all I can see.

3

00:00:43,000 --> 00:00:46,000

Okay, uh, is that the way you can see from that?

4

00:00:48,000 --> 00:00:51,000

You guys still watching on the other side of the river there?

5

00:00:51,000 --> 00:00:54,000

Yeah, there. It's just an orange glow.

6

00:00:55,000 --> 00:00:58,000

We're gonna go to the river or what?

7

00:01:01,000 --> 00:01:04,000

The sun is coming up.

8

00:01:05,000 --> 00:01:07,000

There not being so poorly.

9

00:01:08,000 --> 00:01:13,000

I don't think the sun would just be in that one spot.

10

00:01:14,000 --> 00:01:18,000

I meant to go over to you. We can see now it looks like we're breaking out of the sun.

11

00:01:18,000 --> 00:01:20,000

Oh yeah, right.

12

00:01:21,000 --> 00:01:24,000

Okay, I'm gonna be 10-cell. I'm going in the jade here.

13

00:01:24,000 --> 00:01:29,000

I don't know, I'm thinking of just much.

14

00:01:30,000 --> 00:01:33,000

As a ladder you're probably a lot smarter than we are there.

15

00:01:34,000 --> 00:01:36,000

Okay, I'm gonna catch you later.

16

00:01:40,000 --> 00:01:42,000

I'm thinking more without you guys.

17

00:01:46,000 --> 00:01:49,000

I don't want to watch it. We moved into a higher vantage point.

18

00:01:49,000 --> 00:01:51,000

So you're telling us what it does.

19

00:01:51,000 --> 00:01:53,000

Well, listen here.

20

00:01:55,000 --> 00:01:57,000

I'm just gonna go up here.

21

00:02:00,000 --> 00:02:03,000

Somebody is ramping up its engines.

22

00:02:12,000 --> 00:02:14,000

Can you hear it?

23

00:02:14,000 --> 00:02:16,000

I heard it.

24

00:02:16,000 --> 00:02:19,000

I just hear a call out here.

25

00:02:24,000 --> 00:02:26,000

I'm going to go to the river.

26

00:02:39,000 --> 00:02:42,000

I'm going to go to the river next to you guys.

27

00:02:43,000 --> 00:02:45,000

Yes, we are.

28

00:02:45,000 --> 00:02:49,000

It sounds like to me a power plant diesel motor.

29

00:02:49,000 --> 00:02:52,000

And it's reaching noise in between it there early with it.

30

00:02:53,000 --> 00:02:56,000

Okay, what about the 429 AM?

31

00:02:58,000 --> 00:03:01,000

Uh, just for the record.
