

1

00:00:00,000 --> 00:00:04,000

Can you dispatch me help you?

2

00:00:04,000 --> 00:00:09,000

Did you get any reports of any objects in the air about 15 minutes ago?

3

00:00:09,000 --> 00:00:15,000

I'm not sure what that would be.

4

00:00:15,000 --> 00:00:18,000

It was very strange.

5

00:00:18,000 --> 00:00:25,000

I was going to back into one of the fighter planes, like the plane coming at the back.

6

00:00:25,000 --> 00:00:28,000

Was it just like moving at a slow rate of speed?

7

00:00:28,000 --> 00:00:32,000

It was a slow rate of speed, but it was coming down.

8

00:00:32,000 --> 00:00:33,000

It was coming down?

9

00:00:33,000 --> 00:00:34,000

Yes.

10

00:00:34,000 --> 00:00:35,000

Like straight down or at an angle?

11

00:00:35,000 --> 00:00:37,000

At an angle.

12

00:00:37,000 --> 00:00:41,000

It was a little big in the back.

13

00:00:41,000 --> 00:00:42,000

Okay.

14

00:00:42,000 --> 00:00:48,000

I'll tell you what, we'll check with the air base in Lyanna and see if they have any report of anything in the area.

15

00:00:48,000 --> 00:00:49,000

Okay, thank you.

16

00:00:49,000 --> 00:00:51,000

Okay, come my way.

17

00:00:51,000 --> 00:01:00,000

996, we're in a port by a CC, actually two calls in of a vehicle in the sky.

18

00:01:00,000 --> 00:01:04,000

I know an object above Samson Drive. Have you noticed anything?

19

00:01:04,000 --> 00:01:07,000

Nothing, I really noticed.

20

00:01:07,000 --> 00:01:10,000

That's affirmative, sir.

21

00:01:10,000 --> 00:01:11,000

What's the location?

22

00:01:11,000 --> 00:01:13,000

The area of Samson Drive.

23

00:01:13,000 --> 00:01:15,000

Also soft.

24

00:01:15,000 --> 00:01:19,000

Sir, he just advised in the air in the sky, he didn't advise direction.

25

00:01:19,000 --> 00:01:20,000

998.

26

00:01:20,000 --> 00:01:22,000

998, cut.

27

00:01:22,000 --> 00:01:25,000

Did he give you a description of the object?

28

00:01:25,000 --> 00:01:27,000

Public service sir, I'll give you further.

29

00:01:27,000 --> 00:01:28,000

Okay.

30

00:01:28,000 --> 00:01:30,000

And it is batched.

31

00:01:30,000 --> 00:01:31,000

Okay.

32

00:01:31,000 --> 00:01:36,000

Bob, I swear to God, four calls in on an unidentified object over Liberty.

33

00:01:36,000 --> 00:01:37,000

Four calls.

34

00:01:37,000 --> 00:01:40,000

Four calls on an unidentified flying object.

35

00:01:40,000 --> 00:01:41,000

Why not take a look?

36

00:01:41,000 --> 00:01:43,000

Alright, we'll check it out.

37

00:01:43,000 --> 00:01:46,000

You want me to call the air base and see if there's anything in the area?

38

00:01:46,000 --> 00:01:48,000

I'll take a look.

39

00:01:48,000 --> 00:01:51,000

I swear to God, you want me to hear the call?

40

00:01:51,000 --> 00:01:52,000

I'm not being told to.

41

00:01:52,000 --> 00:01:53,000

You want me to hear the call?

42

00:01:53,000 --> 00:01:54,000

Wait a minute, I'll go ahead and hear the call.

43

00:01:54,000 --> 00:01:55,000

Do you think I'm lying?

44

00:01:55,000 --> 00:01:56,000

I believe it.

45

00:01:56,000 --> 00:01:58,000

No, I swear to God, listen.

46

00:01:58,000 --> 00:01:59,000

Okay.

47

00:01:59,000 --> 00:02:00,000

Bob, wait a minute.

48

00:02:00,000 --> 00:02:01,000

Listen to this.

49

00:02:01,000 --> 00:02:02,000

What's that?

50

00:02:02,000 --> 00:02:05,000

Um, my God, that's an unidentified flying object.

51

00:02:05,000 --> 00:02:09,000

You're talking to me in your chair for 20 years about 15 minutes now.

52

00:02:09,000 --> 00:02:13,000

You know, I've already called in, but I'm not in the night.

53

00:02:13,000 --> 00:02:15,000

I really don't know what that would be.

54

00:02:15,000 --> 00:02:16,000

I believe it, my Lord.

55

00:02:16,000 --> 00:02:17,000

It's very strange.

56

00:02:17,000 --> 00:02:18,000

Okay.

57

00:02:18,000 --> 00:02:21,000

I'm going to take a look at my phone.

58

00:02:21,000 --> 00:02:23,000

Wait a minute.

59

00:02:23,000 --> 00:02:30,000

I'm going to take a look at my phone.

60

00:02:30,000 --> 00:02:31,000

I'm stroking it out of this guy.

61

00:02:31,000 --> 00:02:34,000

Was it moving in slow to speak and it gets directly down?

62

00:02:34,000 --> 00:02:38,000

I'm going to start a friggin' panic.

63

00:02:38,000 --> 00:02:41,000

You guys got friggin' UFOs over there?

64

00:02:41,000 --> 00:02:43,000

Yeah, I hope it comes back out of the air.

65

00:02:43,000 --> 00:02:45,000

That's a...

66

00:02:45,000 --> 00:02:48,000

A dog is in town.

67

00:02:48,000 --> 00:02:49,000

A dog is in town?

68

00:02:49,000 --> 00:02:50,000

A spark.

69

00:02:50,000 --> 00:02:51,000

A spark?

70

00:02:51,000 --> 00:02:53,000

A big generation search, I think.

71

00:02:53,000 --> 00:02:54,000

Smartass.

72

00:02:54,000 --> 00:02:58,000

I'll tell them they're forming a sequel, solving the sequel right here in Liberty.

73

00:02:58,000 --> 00:02:59,000

Okay.

74

00:02:59,000 --> 00:03:01,000

You let me know.

75

00:03:01,000 --> 00:03:07,000

Oh, shit, if you get it back, who am I going to call?

76

00:03:07,000 --> 00:03:08,000

It's me.

77

00:03:08,000 --> 00:03:09,000

He's called DreamToby.

78

00:03:09,000 --> 00:03:10,000

He called DreamToby.

79

00:03:10,000 --> 00:03:14,000

I spit his ass so fast out of that friggin' machine.

80

00:03:14,000 --> 00:03:19,000

I swear to God, this is our fourth or fifth call on it.

81

00:03:19,000 --> 00:03:20,000

All right.

82

00:03:20,000 --> 00:03:22,000

I'm going to call DreamToby.

83

00:03:22,000 --> 00:03:24,000

I'm on a drill.

84

00:03:24,000 --> 00:03:26,000

I'm on a good...

85

00:03:26,000 --> 00:03:29,000

I'll be in the area in about just 30 seconds here.

86

00:03:29,000 --> 00:03:31,000

Is that one particular block?

87

00:03:31,000 --> 00:03:35,000

It's going over one area of the Samson Road, a drive.

88

00:03:35,000 --> 00:03:36,000

Okay.

89

00:03:36,000 --> 00:03:41,000

So our knowledge, we've had four different calls and this particular one came over Samson.

90

00:03:41,000 --> 00:03:45,000

Okay, different areas on Samson itself.

91

00:03:45,000 --> 00:03:47,000

They just said in the sky.

92

00:03:47,000 --> 00:03:50,000

That's all we have in the sky.

93

00:03:50,000 --> 00:03:51,000

Okay.

94

00:03:51,000 --> 00:03:53,000

On the area.

95

00:03:53,000 --> 00:03:56,000

On the area, checking for an object in the sky.

96

00:03:56,000 --> 00:03:57,000

Copy.

97

00:03:57,000 --> 00:03:58,000

At 30 after.

98

00:03:58,000 --> 00:04:00,000

County dispatch, you know how to...

99

00:04:00,000 --> 00:04:01,000

Yeah, I do.

100

00:04:01,000 --> 00:04:02,000

This is Stacey from 33.

101

00:04:02,000 --> 00:04:04,000

This is going to sound really dumb.

102

00:04:04,000 --> 00:04:08,000

I hear Liberty Police are in an area that I got a call about a little bit ago.

103

00:04:08,000 --> 00:04:11,000

A woman called claims she saw something in the sky.

104

00:04:11,000 --> 00:04:13,000

Yeah, you called me a little while ago.

105

00:04:13,000 --> 00:04:16,000

Okay, I heard her out there and they've got another call.

106

00:04:16,000 --> 00:04:19,000

Yeah, we finally got one on it somewhere.

107

00:04:19,000 --> 00:04:26,000

What the woman told me was on Samson Drive, like midway in the block, there's a vacant lot or something.

108

00:04:26,000 --> 00:04:29,000

Hold on, I'll let you talk to the Liberty Dispatcher.

109

00:04:29,000 --> 00:04:31,000

County dispatch, we'll help you.

110

00:04:31,000 --> 00:04:32,000

Hi, dear.

111

00:04:32,000 --> 00:04:33,000

This is Stacey from 33.

112

00:04:33,000 --> 00:04:34,000

Hi, Stacey, how are you?

113

00:04:34,000 --> 00:04:36,000

I got one of your...

114

00:04:36,000 --> 00:04:37,000

Did you really?

115

00:04:37,000 --> 00:04:39,000

This woman was almost...

116

00:04:39,000 --> 00:04:41,000

I'm sorry, sorry.

117

00:04:41,000 --> 00:04:43,000

Stacey, you saw something.

118

00:04:43,000 --> 00:04:50,000

Stacey told me that the area was like Samson Drive, there's a vacant field midway through the block.

119

00:04:50,000 --> 00:04:55,000

They're telling me this too, but I mean, it's probably some weather balloon or something.

120

00:04:55,000 --> 00:04:56,000

You know what I mean?

121

00:04:56,000 --> 00:04:58,000

They're checking the area, but I really...

122

00:04:58,000 --> 00:05:00,000

These UFO calls are getting on me.

123

00:05:00,000 --> 00:05:02,000

I don't know what it is.

124

00:05:02,000 --> 00:05:04,000

If it was, what the hell would they come to Liberty for?

125

00:05:04,000 --> 00:05:06,000

There's no intelligence life in Liberty.

126

00:05:06,000 --> 00:05:07,000

Come on.

127

00:05:08,000 --> 00:05:12,000

We're telling everybody they're doing this sequel to the...

128

00:05:12,000 --> 00:05:14,000

What's that new Star Trek movie?

129

00:05:14,000 --> 00:05:15,000

Generation stuff.

130

00:05:15,000 --> 00:05:16,000

It's a movie.

131

00:05:16,000 --> 00:05:17,000

It's a movie.

132

00:05:17,000 --> 00:05:19,000

Blue is green, no noise.

133

00:05:19,000 --> 00:05:20,000

No noise.

134

00:05:20,000 --> 00:05:22,000

It was low flying and it took off.

135

00:05:22,000 --> 00:05:23,000

Oh, come on.

136

00:05:23,000 --> 00:05:24,000

It's having a...

137

00:05:24,000 --> 00:05:25,000

Are you serious?

138

00:05:25,000 --> 00:05:27,000

It's driving up to 1000th extension.

139

00:05:27,000 --> 00:05:28,000

No, but...

140

00:05:28,000 --> 00:05:29,000

No, it's not.

141

00:05:29,000 --> 00:05:30,000

Christ.

142

00:05:30,000 --> 00:05:31,000

It's not driving.

143

00:05:31,000 --> 00:05:32,000

It's flying.

144

00:05:32,000 --> 00:05:36,000

It came down and just zopped over it with a big glowing object.

145

00:05:36,000 --> 00:05:37,000

Well, we got four calls on it.

146

00:05:37,000 --> 00:05:39,000

The last guy said it was a fighter plane.

147

00:05:39,000 --> 00:05:40,000

Or...

148

00:05:40,000 --> 00:05:43,000

So you tell me that...

149

00:05:43,000 --> 00:05:46,000

I would do like a big, big news story on the water in Liberty

150

00:05:46,000 --> 00:05:48,000

and the effects on the people.

151

00:05:48,000 --> 00:05:51,000

Because these people are clearly afflicted.

152

00:05:51,000 --> 00:05:53,000

But I appreciate the tip.

153

00:05:53,000 --> 00:05:55,000

I'll let them know with some more on it.

154

00:05:55,000 --> 00:05:56,000

I just...

155

00:05:56,000 --> 00:05:58,000

I dispatched it because God only knows my lack,

156

00:05:58,000 --> 00:06:00,000

it would land here, up ducks and people,

157

00:06:00,000 --> 00:06:01,000

and I would be in trouble.

158

00:06:01,000 --> 00:06:02,000

I dispatched it.

159

00:06:02,000 --> 00:06:04,000

I was impressed because I heard the way you dispatched it,

160

00:06:04,000 --> 00:06:07,000

and I said she's turning real hard, not the bridge.

161

00:06:07,000 --> 00:06:12,000

And I'm working with the biggest jokers on the force tonight, so...

162

00:06:12,000 --> 00:06:13,000

It's real hard not you.

163

00:06:13,000 --> 00:06:14,000

Lucky you.

164

00:06:14,000 --> 00:06:19,000

Well, if we do run into a UFO ice tour, I will call you personally.

165

00:06:19,000 --> 00:06:20,000

Okay?

166

00:06:20,000 --> 00:06:23,000

We'll give you an exclusive.

167

00:06:23,000 --> 00:06:24,000

Okay.

168

00:06:24,000 --> 00:06:25,000

Bye-bye.

169

00:06:25,000 --> 00:06:26,000

Bye-bye.

170

00:06:26,000 --> 00:06:27,000

County dispatch.

171

00:06:27,000 --> 00:06:28,000

Okay.

172

00:06:28,000 --> 00:06:29,000

Liberty's made.

173

00:06:29,000 --> 00:06:30,000

As you went.

174

00:06:30,000 --> 00:06:31,000

Army?

175

00:06:31,000 --> 00:06:32,000

The Mike County will Liberty's please.

176

00:06:32,000 --> 00:06:33,000

What you need, ma'am?

177

00:06:33,000 --> 00:06:36,000

I wonder if you had any...

178

00:06:36,000 --> 00:06:41,000

Anyone call you about a strange plane or airplane or something in the air?

179

00:06:41,000 --> 00:06:42,000

Yeah, they're checking it out.

180

00:06:42,000 --> 00:06:45,000

Yeah, I just thought I'd see a route.

181

00:06:45,000 --> 00:06:46,000

Where?

182

00:06:46,000 --> 00:06:47,000

On Tampson Drive.

183

00:06:47,000 --> 00:06:48,000

Oh, okay.

184

00:06:48,000 --> 00:06:50,000

I was coming down Tampson Drive.

185

00:06:50,000 --> 00:06:51,000

It was almost...

186

00:06:51,000 --> 00:06:52,000

It looked like it was...

187

00:06:52,000 --> 00:06:53,000

I don't know what it was.

188

00:06:53,000 --> 00:06:55,000

I was applying sausage or what it was.

189

00:06:55,000 --> 00:06:56,000

It wasn't an airplane.

190

00:06:56,000 --> 00:06:57,000

It was not an airplane.

191

00:06:57,000 --> 00:06:58,000

It was a plane.

192

00:06:58,000 --> 00:06:59,000

It was a plane.

193

00:06:59,000 --> 00:07:00,000

It was a plane.

194

00:07:00,000 --> 00:07:01,000

It was not an airplane.

195

00:07:01,000 --> 00:07:02,000

It was down off the road.

196

00:07:02,000 --> 00:07:04,000

You just said you wanted to call Channel 33?

197

00:07:04,000 --> 00:07:05,000

No.

198

00:07:05,000 --> 00:07:06,000

Okay.

199

00:07:06,000 --> 00:07:07,000

All right.

200

00:07:07,000 --> 00:07:08,000

You want to make calls?

201

00:07:08,000 --> 00:07:09,000

Other calls, anyway.

202

00:07:09,000 --> 00:07:10,000

Yeah, not many.

203

00:07:10,000 --> 00:07:11,000

A couple.

204

00:07:11,000 --> 00:07:12,000

Yeah.

205

00:07:12,000 --> 00:07:13,000

All right, thank you.

206

00:07:13,000 --> 00:07:14,000

What did it look like, ma'am?

207

00:07:14,000 --> 00:07:15,000

It was like an air dozen car.

208

00:07:15,000 --> 00:07:16,000

It was like a blueish...

209

00:07:16,000 --> 00:07:17,000

Blueish purple.

210

00:07:17,000 --> 00:07:18,000

It was like a long street.

211

00:07:18,000 --> 00:07:21,000

It almost was like a fire coming out of it.

212

00:07:21,000 --> 00:07:24,000

It was like a fire coming out of it.

213

00:07:24,000 --> 00:07:26,000

It was like a long street.

214

00:07:26,000 --> 00:07:31,000

It almost was like a fire coming out of it.

215

00:07:31,000 --> 00:07:32,000

Okay.

216

00:07:32,000 --> 00:07:36,000

Maybe it was either a little bit of a voice.

217

00:07:36,000 --> 00:07:38,000

I know it wasn't an airplane.

218

00:07:38,000 --> 00:07:39,000

Okay, ma'am.

219

00:07:39,000 --> 00:07:40,000

I'll let him know.

220

00:07:40,000 --> 00:07:41,000

All right.

221

00:07:41,000 --> 00:07:42,000

All right, ma'am.

222

00:07:42,000 --> 00:07:43,000

I'm at 8th Radio.

223

00:07:43,000 --> 00:07:44,000

I'm at 8th Radio.

224

00:07:44,000 --> 00:07:51,000

Yeah, CC Scottme said it appeared to be hovering about 50 feet off the ground, getting towards

225

00:07:51,000 --> 00:07:54,000

bottom watch and we'll be checking that area.

226

00:07:54,000 --> 00:07:57,000

It's supposed to be a large object with a lot of light on it.

227

00:07:57,000 --> 00:08:04,000

So I have another report on Samson Drive and also we've been advised by Collar to the media.

228

00:08:04,000 --> 00:08:08,000

Media informed us it was a red and it was a blue-green object hovering no noise.

229

00:08:08,000 --> 00:08:11,000

It was in the area of Fifth Avenue Extension.

230

00:08:11,000 --> 00:08:12,000

I'll go that.

231

00:08:12,000 --> 00:08:13,000

That's Fifth Avenue Extension.

232

00:08:13,000 --> 00:08:14,000

Just came in.

233

00:08:14,000 --> 00:08:16,000

This is just in now.

234

00:08:16,000 --> 00:08:17,000

28.

235

00:08:17,000 --> 00:08:18,000

28.

236

00:08:18,000 --> 00:08:20,000

I'm going to try to get over there.

237

00:08:20,000 --> 00:08:23,000

I got to go to the right.

238

00:08:23,000 --> 00:08:25,000

I got to go down the street here.

239

00:08:25,000 --> 00:08:27,000

A large object, whatever it is.

240

00:08:27,000 --> 00:08:30,000

996, are you in the area?

241

00:08:30,000 --> 00:08:33,000

925, do you want to head over to that area?

242

00:08:33,000 --> 00:08:34,000

Traffic.

243

00:08:34,000 --> 00:08:35,000

Repeat your traffic.

244

00:08:35,000 --> 00:08:36,000

Copy.

245

00:08:36,000 --> 00:08:37,000

I'm in the...

246

00:08:37,000 --> 00:08:38,000

What do you see there, Samson?

247

00:08:38,000 --> 00:08:40,000

I just got a glimpse of it.

248

00:08:40,000 --> 00:08:41,000

I could see...

249

00:08:41,000 --> 00:08:43,000

I'm on Samson right now.

250

00:08:43,000 --> 00:08:46,000

I could see it heading from Fifth Avenue on the other side.

251

00:08:46,000 --> 00:08:49,000

I could see some lights up in that area.

252

00:08:49,000 --> 00:08:50,000

All right.

253

00:08:50,000 --> 00:08:51,000

925, 998.

254

00:08:51,000 --> 00:08:52,000

10.

255

00:08:52,000 --> 00:08:55,000

Should I set my page for the sun?

256

00:08:55,000 --> 00:08:56,000

Yeah.

257

00:08:56,000 --> 00:08:57,000

Go ahead and do that.

258

00:08:57,000 --> 00:08:58,000

926, 936.

259

00:08:58,000 --> 00:08:59,000

96.

260

00:08:59,000 --> 00:09:01,000

Can you repeat your traffic?

261

00:09:01,000 --> 00:09:02,000

Yeah, yeah, yeah.

262

00:09:02,000 --> 00:09:03,000

Fifth Avenue Extension.

263

00:09:03,000 --> 00:09:05,000

The area of Fifth Avenue Extension.

264

00:09:05,000 --> 00:09:07,000

Oh, man, Larry.

265

00:09:07,000 --> 00:09:09,000

996, you advised me.

266

00:09:09,000 --> 00:09:10,000

You don't see anything?

267

00:09:10,000 --> 00:09:11,000

I could see much.

268

00:09:11,000 --> 00:09:14,000

It was like a red, pulsating light.

269

00:09:14,000 --> 00:09:17,000

Carri, it was advised it would be blue and green.

270

00:09:17,000 --> 00:09:18,000

I thought it was red.

271

00:09:18,000 --> 00:09:20,000

It was like a pulsating light.

272

00:09:20,000 --> 00:09:23,000

It looked like it was pointing to a bottom of the airplane,

273

00:09:23,000 --> 00:09:25,000

but it was a little big.

274

00:09:25,000 --> 00:09:27,000

Okay, we're trying to contact the airbase this time.

275

00:09:27,000 --> 00:09:28,000

Stand by.

276

00:09:28,000 --> 00:09:30,000

I think there's a number for the car, right?

277

00:09:30,000 --> 00:09:31,000

Car.

278

00:09:31,000 --> 00:09:33,000

Maybe it's a flying Christmas.

279

00:09:33,000 --> 00:09:36,000

Yeah, Santa was 8-Tidey Greenman.

280

00:09:36,000 --> 00:09:37,000

8-Tidey Greenman.

281

00:09:37,000 --> 00:09:39,000

Yeah, no more car on this.

282

00:09:39,000 --> 00:09:42,000

Last one in was when I advised last.

283

00:09:42,000 --> 00:09:43,000

Wow.

284

00:09:43,000 --> 00:09:46,000

Nobody's answering.

285

00:09:50,000 --> 00:09:52,000

Yeah, so I'm here to ask the culture.

286

00:09:52,000 --> 00:09:55,000

Hi, yes, so this is Ryan from Liberty Touch Police Department

287

00:09:55,000 --> 00:09:56,000

in Yax, Ohio.

288

00:09:56,000 --> 00:09:59,000

We have reported some flying objects in our jurisdiction

289

00:09:59,000 --> 00:10:01,000

in our area.

290

00:10:01,000 --> 00:10:03,000

Above the Samson Drive-Thru's Avenue Extension area,

291

00:10:03,000 --> 00:10:07,000

I could not give you any kind of traffic, you know,

292

00:10:07,000 --> 00:10:09,000

direction that would help you know that area.

293

00:10:09,000 --> 00:10:11,000

Do you know of anything that should be in our airspace

294

00:10:11,000 --> 00:10:13,000

this time close to the ground?

295

00:10:13,000 --> 00:10:14,000

Right now.

296

00:10:14,000 --> 00:10:15,000

This is not a prank phone call I swear.

297

00:10:15,000 --> 00:10:17,000

You can call me back to verify.

298

00:10:17,000 --> 00:10:22,000

Look at the radar scope and go 60 miles diameter of Youngstown

299

00:10:22,000 --> 00:10:24,000

and there is nothing out there.

300

00:10:24,000 --> 00:10:25,000

Oh, shit.

301

00:10:25,000 --> 00:10:26,000

Not even anything else high.

302

00:10:26,000 --> 00:10:30,000

We've got five accounts, five calls in on this.

303

00:10:30,000 --> 00:10:33,000

Something's flying in our area and it's below the ground.

304

00:10:33,000 --> 00:10:35,000

Would you be able to monitor like a session or something

305

00:10:35,000 --> 00:10:36,000

with a light on it?

306

00:10:36,000 --> 00:10:40,000

Well, we can also do it stupid visibly.

307

00:10:40,000 --> 00:10:42,000

No, with the radar.

308

00:10:42,000 --> 00:10:45,000

With the radar, it's about how high it is, where they are.

309

00:10:45,000 --> 00:10:48,000

The health is so low, radar coverage, so there isn't anything to do with it.

310

00:10:48,000 --> 00:10:51,000

Okay, now I get a test go there and tell them something

311

00:10:51,000 --> 00:10:53,000

and I don't want to say you couldn't find anything.

312

00:10:53,000 --> 00:10:59,000

Is there any like clause I might use that it might be like your personal aircraft

313

00:10:59,000 --> 00:11:01,000

or something, like B's at night or something?

314

00:11:01,000 --> 00:11:05,000

Could be, you know, it could be anything.

315

00:11:05,000 --> 00:11:09,000

As far as kind of helicopter tracking down low,

316

00:11:09,000 --> 00:11:13,000

they don't have any kind of requirements to come into the airport.

317

00:11:13,000 --> 00:11:15,000

Okay, so you have no communications with helicopters?

318

00:11:15,000 --> 00:11:16,000

Could be something like that?

319

00:11:16,000 --> 00:11:18,000

Yeah, it could be a helicopter.

320

00:11:18,000 --> 00:11:20,000

Yeah, it's a helicopter, particularly for...

321

00:11:20,000 --> 00:11:22,000

I'm buying this 100% but...

322

00:11:22,000 --> 00:11:25,000

Are you, you know, are those locations anywhere in your hospital?

323

00:11:25,000 --> 00:11:29,000

We are close to a hospital but the location is away from...

324

00:11:29,000 --> 00:11:31,000

as low as they said it was to the ground,

325

00:11:31,000 --> 00:11:34,000

it would be approximately five miles away from the hospital.

326

00:11:34,000 --> 00:11:39,000

We're closer to, that in a town is closer like out towards the Vian line.

327

00:11:39,000 --> 00:11:41,000

Vian air based area.

328

00:11:41,000 --> 00:11:43,000

And that's what I thought maybe it was related to.

329

00:11:43,000 --> 00:11:49,000

Yeah, we only had, I mean, go on, you know, another company that directed...

330

00:11:49,000 --> 00:11:50,000

Okay.

331

00:11:50,000 --> 00:11:51,000

...the traffic control.

332

00:11:51,000 --> 00:11:53,000

Then I'm going to repeat, like...

333

00:11:53,000 --> 00:11:57,000

Yeah, you just go out here northbound, climbed up high and nothing's going on out here.

334

00:11:57,000 --> 00:12:00,000

Okay, I am going to advise you of this.

335

00:12:00,000 --> 00:12:04,000

You could take an infiler under G and in your garbage can if you want to.

336

00:12:04,000 --> 00:12:07,000

We've got accounts of this, one second for me.

337

00:12:07,000 --> 00:12:10,000

Okay, I've got four to six calls.

338

00:12:10,000 --> 00:12:11,000

Hold on one second.

339

00:12:11,000 --> 00:12:13,000

So, what?

340

00:12:13,000 --> 00:12:14,000

Just one minute.

341

00:12:14,000 --> 00:12:22,000

Okay, at this time I've had four to six calls come in about a lit object, well lit object, blue-green lights,

342

00:12:22,000 --> 00:12:26,000

hovering above the area of Sanson Drive and Fifth Avenue.

343

00:12:26,000 --> 00:12:31,000

The object which floated to the ground did not make any noise.

344

00:12:31,000 --> 00:12:38,000

It hovered there for some time and it continued moving down the Fifth Avenue extension road.

345

00:12:38,000 --> 00:12:41,000

My unit was out, he got something he thought was red.

346

00:12:41,000 --> 00:12:44,000

Somebody described it as the end of a fighter pilot plane.

347

00:12:44,000 --> 00:12:48,000

I don't know what the hell kind of lines are continuing their driving here.

348

00:12:48,000 --> 00:12:51,000

I don't see any, but this is what I was advised of.

349

00:12:51,000 --> 00:12:52,000

So, I wanted to call.

350

00:12:52,000 --> 00:12:56,000

Okay, well, you know, we have a...

351

00:12:56,000 --> 00:12:58,000

It was downstairs in the right of room.

352

00:12:58,000 --> 00:13:00,000

I would have a flying person call number.

353

00:13:00,000 --> 00:13:02,000

We have a few hundred numbers for us.

354

00:13:02,000 --> 00:13:04,000

I don't identify flying objects or things like that.

355

00:13:04,000 --> 00:13:06,000

If you wish you can get one.

356

00:13:06,000 --> 00:13:08,000

I'm a business hours smart.

357

00:13:08,000 --> 00:13:10,000

Like I said, I don't know.

358

00:13:10,000 --> 00:13:12,000

I don't see anything out there.

359

00:13:12,000 --> 00:13:13,000

Nothing on the radar scope.

360

00:13:13,000 --> 00:13:16,000

I haven't seen anything and we don't really do anything with the information.

361

00:13:16,000 --> 00:13:21,000

Okay, I thought I'd pass along to somebody who was maybe flying without permission.

362

00:13:21,000 --> 00:13:23,000

Night flying or something like that.

363

00:13:23,000 --> 00:13:27,000

I don't know who's going on, but as long as I've done my job, I'll be so long.

364

00:13:27,000 --> 00:13:31,000

And I don't want to sound like a crackpot, but that's what we've got in so far.

365

00:13:31,000 --> 00:13:33,000

Okay, thank you.

366

00:13:33,000 --> 00:13:34,000

Bye.

367

00:13:34,000 --> 00:13:35,000

Hi, I'm Anitra.

368

00:13:35,000 --> 00:13:36,000

Hi, Nadeke.

369

00:13:36,000 --> 00:13:37,000

Sir, I'm Nadeke.

370

00:13:37,000 --> 00:13:39,000

I don't see anything right now.

371

00:13:39,000 --> 00:13:41,000

What I saw, I have no idea what I saw.

372

00:13:41,000 --> 00:13:43,000

It just might have been just a light up to the sky.

373

00:13:43,000 --> 00:13:44,000

I don't know.

374

00:13:44,000 --> 00:13:45,000

Yes, sir.

375

00:13:45,000 --> 00:13:46,000

Copy.

376

00:13:46,000 --> 00:13:48,000

Thank you for that.

377

00:13:48,000 --> 00:13:49,000

Night, you're fine.

378

00:13:49,000 --> 00:13:50,000

Good.

379

00:13:50,000 --> 00:13:57,000

Now, if anyone would like to advise you surrounding jurisdiction to stop an internet decouple

380

00:13:57,000 --> 00:13:58,000

process.

381

00:13:58,000 --> 00:13:59,000

Copy.

382

00:13:59,000 --> 00:14:00,000

Can I just touch?

383

00:14:00,000 --> 00:14:01,000

Yes.

384

00:14:01,000 --> 00:14:06,000

It's not a much of a road and stands and drives out in liberties.

385

00:14:06,000 --> 00:14:08,000

Yes, ma'am.

386

00:14:08,000 --> 00:14:13,000

I wonder if they've, I've heard on the scanner where they were looking for that big blue.

387

00:14:13,000 --> 00:14:14,000

Right, ma'am.

388

00:14:14,000 --> 00:14:16,000

Yeah, did they find anything?

389

00:14:16,000 --> 00:14:17,000

Not yet.

390

00:14:17,000 --> 00:14:23,000

The dispatcher for the retellations right now, she's speaking with the air base to see

391

00:14:23,000 --> 00:14:25,000

if they have possibly something in the area at this time.

392

00:14:25,000 --> 00:14:26,000

Oh, I see.

393

00:14:26,000 --> 00:14:27,000

I heard on the scanner.

394

00:14:27,000 --> 00:14:28,000

I don't sort of find stuff.

395

00:14:28,000 --> 00:14:33,000

This is a little bit very far from the ground.

396

00:14:33,000 --> 00:14:36,000

Well, that's why she contacted them in case it was a little bit of a mess.

397

00:14:36,000 --> 00:14:37,000

There's a news media in on that.

398

00:14:37,000 --> 00:14:38,000

Are they your partners?

399

00:14:38,000 --> 00:14:40,000

Do they call the news on that?

400

00:14:40,000 --> 00:14:42,000

I have no idea.

401

00:14:42,000 --> 00:14:44,000

I'll call her and let's get this.

402

00:14:44,000 --> 00:14:48,000

But they think it might be from the air base.

403

00:14:48,000 --> 00:14:49,000

Right.

404

00:14:49,000 --> 00:14:53,000

As I said, the Liberty dispatch is on the phone right now speaking with the air base.

405

00:14:53,000 --> 00:14:55,000

I think that's where it's from.

406

00:14:55,000 --> 00:14:56,000

Yes.

407

00:14:56,000 --> 00:14:57,000

All right.

408

00:14:57,000 --> 00:14:58,000

Well, thank you.

409

00:14:58,000 --> 00:14:59,000

Okay, ma'am.

410

00:14:59,000 --> 00:15:00,000

Bye-bye.

411

00:15:00,000 --> 00:15:06,000

We've contacted the FAA administration and once they've advised nothing on the radar

412

00:15:06,000 --> 00:15:08,000

scope in the 60 mile radius of Youngstown.

413

00:15:08,000 --> 00:15:09,000

They did advise.

414

00:15:09,000 --> 00:15:16,000

They have no communication with any helicopters or any private owned vehicles, air vehicles.

415

00:15:16,000 --> 00:15:20,000

98, they're not aware of anything, right?

416

00:15:20,000 --> 00:15:21,000

Negative.

417

00:15:21,000 --> 00:15:23,000

He checked the radar and advised negative.

418

00:15:23,000 --> 00:15:27,000

Nothing on the radar within 60 mile radius of the Youngstown area.

419

00:15:27,000 --> 00:15:29,000

Again, he did verify.

420

00:15:29,000 --> 00:15:34,000

They have no contact with any helicopter or private owned vehicles that might be in the

421

00:15:34,000 --> 00:15:35,000

area.

422

00:15:35,000 --> 00:15:38,000

They are continually getting calls on this.

423

00:15:38,000 --> 00:15:41,000

They're still saying from Fifth Avenue.

424

00:15:41,000 --> 00:15:42,000

We're right there.

425

00:15:42,000 --> 00:15:45,000

I don't see anything up in the air now.

426

00:15:45,000 --> 00:15:48,000

How long do they need to call from there?

427

00:15:48,000 --> 00:15:50,000

This just in within two.

428

00:15:50,000 --> 00:15:51,000

They're there, radio.

429

00:15:51,000 --> 00:15:56,000

It's always visible to certain people, people with scanners.

430

00:15:56,000 --> 00:15:58,000

98, radio.

431

00:15:58,000 --> 00:15:59,000

Good.

432

00:15:59,000 --> 00:16:02,000

If you get any more calls, try to get in the draft.

433

00:16:02,000 --> 00:16:04,000

I like to speak to people making the calls, please.

434

00:16:04,000 --> 00:16:05,000

Okay.

435

00:16:05,000 --> 00:16:06,000

98, radio.

436

00:16:06,000 --> 00:16:07,000

98, good.

437

00:16:07,000 --> 00:16:08,000

98, good.

438

00:16:08,000 --> 00:16:09,000

98, good.

439

00:16:09,000 --> 00:16:10,000

98, good.

440

00:16:10,000 --> 00:16:11,000

I'm okay now.

441

00:16:11,000 --> 00:16:12,000

I'll get back in service.

442

00:16:12,000 --> 00:16:13,000

59.

443

00:16:13,000 --> 00:16:14,000

Oh, I'll get back in service.

444

00:16:14,000 --> 00:16:15,000

I think this is the song that this guy's playing.

445

00:16:15,000 --> 00:16:16,000

Back to the UFO, I saw it.

446

00:16:16,000 --> 00:16:17,000

Did you really?

447

00:16:17,000 --> 00:16:18,000

I don't know.

448

00:16:18,000 --> 00:16:19,000

I don't know.

449

00:16:19,000 --> 00:16:20,000

I think you'll say this is blue.

450

00:16:20,000 --> 00:16:21,000

I pulled up to this.

451

00:16:21,000 --> 00:16:22,000

You just saw it, too.

452

00:16:22,000 --> 00:16:23,000

This thing is hovering right over Sonamudson.

453

00:16:23,000 --> 00:16:24,000

It just came over my house, right?

454

00:16:24,000 --> 00:16:25,000

I don't know.

455

00:16:25,000 --> 00:16:26,000

I don't know.

456

00:16:26,000 --> 00:16:27,000

I don't know.

457

00:16:27,000 --> 00:16:28,000

I don't know.

458

00:16:28,000 --> 00:16:29,000

I don't know.

459

00:16:29,000 --> 00:16:30,000

I don't know.

460

00:16:30,000 --> 00:16:31,000

I don't know.

461

00:16:31,000 --> 00:16:32,000

I don't know.

462

00:16:32,000 --> 00:16:33,000

I don't know.

463

00:16:33,000 --> 00:16:34,000

I don't know.

464

00:16:36,000 --> 00:16:44,600

This is super

465

00:16:44,600 --> 00:16:47,500

cool.

466

00:16:47,500 --> 00:16:56,720

This is really cool.

467

00:16:56,720 --> 00:16:58,720

She's like, oh my god!

468

00:16:58,720 --> 00:17:02,220

And she's screaming, and they're like, oh god, they called me.

469

00:17:02,220 --> 00:17:06,720

And I'm laughing it off, because I can't, you know, I'm not going to cause a panic.

470

00:17:06,720 --> 00:17:07,220

We don't know.

471

00:17:07,220 --> 00:17:08,720

Yeah, I'm going for some ideas, right?

472

00:17:08,720 --> 00:17:13,220

No, because Toby, I swear to god, we got seven to eight calls on this UFO.

473

00:17:13,220 --> 00:17:14,720

We're doing a scan of this.

474

00:17:14,720 --> 00:17:18,220

No, I'm telling you what, they were coming in at the same time.

475

00:17:18,220 --> 00:17:20,220

They were coming in at the same time.

476

00:17:20,220 --> 00:17:21,220

Why do I see this?

477

00:17:21,220 --> 00:17:23,720

And the county saw it. Somebody from the county saw it.

478

00:17:23,720 --> 00:17:24,720

Really?

479

00:17:24,720 --> 00:17:27,720

I think Pete Lucic sucked, because he came across this channel and he goes,

480

00:17:27,720 --> 00:17:30,720

you're such a big fucking thing in the sky with the lights.

481

00:17:30,720 --> 00:17:34,220

And first we thought they were making fun of us, but they went to another channel to do it,

482

00:17:34,220 --> 00:17:36,220

because they didn't want to be on their means.

483

00:17:36,220 --> 00:17:39,220

Well, with me, I saw this big red, so it was going in the sky.

484

00:17:39,220 --> 00:17:42,220

Well, that's what the guy said. He said it looked like spider pilot lights,

485

00:17:42,220 --> 00:17:43,720

in the back of the tail of a bomber.

486

00:17:43,720 --> 00:17:44,720

Yeah, that's what it looked like.

487

00:17:44,720 --> 00:17:46,720

And I said, you know, I said, well, maybe it's a weather balloon.

488

00:17:46,720 --> 00:17:50,220

Well, I called up and told Toby, I swear to you, I was laughing it off,

489

00:17:50,220 --> 00:17:52,720

and I thought, well, he's going to say weather balloon or something,

490

00:17:52,720 --> 00:17:55,220

but he says, no, I don't know. He goes, we have nothing.

491

00:17:55,220 --> 00:17:58,720

He goes, we have, and he's trying to give me numbers to report it,

492

00:17:58,720 --> 00:18:01,220

and I'm saying no.

493

00:18:01,220 --> 00:18:02,720

I don't want any numbers.

494

00:18:02,720 --> 00:18:07,220

He's going, well, he goes, you know, I don't have anything at a 16 mile radius in the outskirts.

495

00:18:07,220 --> 00:18:09,220

He goes, I'm looking at the radar right now.

496

00:18:09,220 --> 00:18:12,220

Well, this thing wasn't more than about 60 feet off the ground.

497

00:18:12,220 --> 00:18:14,220

Well, that's what I told him. I said, this is a load of the ground.

498

00:18:14,220 --> 00:18:15,720

I said, you might not pick it up.

499

00:18:15,720 --> 00:18:18,220

I said, you know, he goes, well, maybe it's a helicopter.

500

00:18:18,220 --> 00:18:20,220

I said, well, I heard from four people,

501

00:18:20,220 --> 00:18:23,720

and I thought, well, that way the ground would be making a hell of a noise.

502

00:18:23,720 --> 00:18:25,720

That thing wasn't making no noise.

503

00:18:25,720 --> 00:18:26,720

I know.

504

00:18:26,720 --> 00:18:28,720

Because I rolled down, when I saw the glow, I rolled down my window,

505

00:18:28,720 --> 00:18:31,720

I didn't hear a sound. The only sound I heard was my car.

506

00:18:31,720 --> 00:18:34,720

Well, what was, was it moving or was it just?

507

00:18:34,720 --> 00:18:36,720

Yeah, it was growing. It was moving.

508

00:18:36,720 --> 00:18:40,720

You could see it like up in the air, growing, and getting further away from me.

509

00:18:40,720 --> 00:18:43,720

I had to go all the way down over, but we got over to get on 6th Avenue.

510

00:18:43,720 --> 00:18:45,720

When I turned on 6th Avenue, I didn't see it.

511

00:18:45,720 --> 00:18:46,720

Did Bob see it?

512

00:18:46,720 --> 00:18:47,720

No.

513

00:18:47,720 --> 00:18:48,720

Did he see it?

514

00:18:48,720 --> 00:18:49,720

No.

515

00:18:49,720 --> 00:18:51,720

I don't know where it's on.

516

00:18:51,720 --> 00:18:54,720

There's about 10 other people, literally, who are just swearing up and down.

517

00:18:54,720 --> 00:18:55,720

They saw UFO.

518

00:18:55,720 --> 00:18:57,720

I'm sure they saw a public.

519

00:18:57,720 --> 00:19:00,720

Oh, they'll have a ball with it, because I mean, they called already.

520

00:19:00,720 --> 00:19:02,720

Oh, I wonder if they, did you guys locate anything?

521

00:19:02,720 --> 00:19:04,720

Yeah, well, they're like, you know, they're like,

522

00:19:04,720 --> 00:19:06,720

the people are serious, they're very upset.

523

00:19:06,720 --> 00:19:09,720

And I'm like, well, it's got to be a weather balloon or something.

524

00:19:09,720 --> 00:19:12,720

And I know it wasn't a weather balloon, because they, you know,

525

00:19:12,720 --> 00:19:13,720

FAA, we know about it.

526

00:19:13,720 --> 00:19:15,720

Bob, you said it was green and blue lights?

527

00:19:15,720 --> 00:19:16,720

Green, well, no.

528

00:19:16,720 --> 00:19:18,720

The media said it was green and blue lights.

529

00:19:18,720 --> 00:19:20,720

I had a man who said it was...

530

00:19:20,720 --> 00:19:23,720

He said, it's not...

531

00:19:23,720 --> 00:19:24,720

It's much.

532

00:19:24,720 --> 00:19:26,720

It's huge, and it doesn't make any noise.

533

00:19:26,720 --> 00:19:27,720

That's what I saw.

534

00:19:27,720 --> 00:19:29,720

And I said, well, I said, could it be like a weather balloon?

535

00:19:29,720 --> 00:19:30,720

He goes, no.

536

00:19:30,720 --> 00:19:33,720

He goes, these lights are incredibly bright.

537

00:19:33,720 --> 00:19:35,720

And he goes, and this thing's just...

538

00:19:35,720 --> 00:19:36,720

And this thing's just hovering.

539

00:19:36,720 --> 00:19:38,720

It's not moving.

540

00:19:38,720 --> 00:19:41,720

And I said, well, maybe it's a private plane or something.

541

00:19:41,720 --> 00:19:44,720

And this thing, whatever it was, I mean, literally,

542

00:19:44,720 --> 00:19:47,720

you could stand, if you were underneath it,

543

00:19:47,720 --> 00:19:49,720

you could see it would be like daylight, but red light.

544

00:19:49,720 --> 00:19:50,720

Well, I logged it.

545

00:19:50,720 --> 00:19:51,720

I knew it was coming back up.

546

00:19:51,720 --> 00:19:54,720

I knew everybody and their brothers were going to be calling tomorrow.

547

00:19:54,720 --> 00:19:56,720

And I'm like, I logged it.

548

00:19:56,720 --> 00:19:58,720

I saw it, oh my God.

549

00:19:58,720 --> 00:20:00,720

No, I didn't log his side.

550

00:20:00,720 --> 00:20:02,720

But you know what, don't be pulling that tape.

551

00:20:02,720 --> 00:20:03,720

We're all going to get our asses checked.

552

00:20:03,720 --> 00:20:04,720

You watch federal government,

553

00:20:04,720 --> 00:20:06,720

I'll come on here and go, okay,

554

00:20:06,720 --> 00:20:08,720

we're going all little green men, Santa Claus,

555

00:20:08,720 --> 00:20:10,720

flying Christmas tree all this shit on the channel.

556

00:20:10,720 --> 00:20:12,720

We're all going to get our asses in the grinder.

557

00:20:12,720 --> 00:20:14,720

Maybe I won't.

558

00:20:14,720 --> 00:20:16,720

So, I don't know.

559

00:20:16,720 --> 00:20:18,720

If it was a UFO, it's logged, you know?

560

00:20:18,720 --> 00:20:20,720

But, I mean, you saw it.

561

00:20:20,720 --> 00:20:23,720

Well, what did you think it was?

562

00:20:23,720 --> 00:20:25,720

What did you really think it was?

563

00:20:25,720 --> 00:20:27,720

I don't know.

564

00:20:27,720 --> 00:20:28,720

I didn't hear me.

565

00:20:28,720 --> 00:20:30,720

I came across it, but whatever it is, it's big.

566

00:20:30,720 --> 00:20:32,720

But I know you play.

567

00:20:32,720 --> 00:20:33,720

You know what I mean?

568

00:20:33,720 --> 00:20:34,720

I know you joke around.

569

00:20:34,720 --> 00:20:35,720

That's what I said.

570

00:20:35,720 --> 00:20:36,720

I wasn't joking.

571

00:20:36,720 --> 00:20:37,720

I was not joking.

572

00:20:37,720 --> 00:20:38,720

What?

573

00:20:38,720 --> 00:20:40,720

I admitted it didn't sound like you were.

574

00:20:40,720 --> 00:20:41,720

I mean, you were laughing, and then all of a sudden,

575

00:20:41,720 --> 00:20:42,720

you weren't laughing.

576

00:20:42,720 --> 00:20:44,720

And I thought, well, maybe he's trying to make me

577

00:20:44,720 --> 00:20:46,720

think there's really this UFO there.

578

00:20:46,720 --> 00:20:48,720

And I was like, oh, no.

579

00:20:48,720 --> 00:20:49,720

I was in joke.

580

00:20:49,720 --> 00:20:50,720

I saw the lights.

581

00:20:50,720 --> 00:20:52,720

I saw a large red light up.

582

00:20:52,720 --> 00:20:54,720

It was all red.

583

00:20:54,720 --> 00:20:55,720

Hold on one second.

584

00:20:55,720 --> 00:20:56,720

Howling guy, you think somebody,

585

00:20:56,720 --> 00:20:58,720

an UFO expert, he was talking to me.

586

00:20:58,720 --> 00:20:59,720

You want me to let you go?

587

00:20:59,720 --> 00:21:00,720

Yeah, I'll talk to him.

588

00:21:00,720 --> 00:21:01,720

Okay, sweetheart.

589

00:21:01,720 --> 00:21:02,720

Take care.

590

00:21:02,720 --> 00:21:03,720

Bye-bye.

591

00:21:03,720 --> 00:21:04,720

Howdy dispatch.

592

00:21:04,720 --> 00:21:05,720

May I help you?

593

00:21:05,720 --> 00:21:06,720

Yeah, this is how 433.

594

00:21:06,720 --> 00:21:07,720

Hey, 433.

595

00:21:07,720 --> 00:21:08,720

How you doing?

596

00:21:08,720 --> 00:21:09,720

Yeah, pretty good.

597

00:21:09,720 --> 00:21:10,720

Liberty was fought earlier.

598

00:21:10,720 --> 00:21:11,720

Oh, cut it out.

599

00:21:11,720 --> 00:21:12,720

No, I'm serious.

600

00:21:12,720 --> 00:21:13,720

He's not.

601

00:21:13,720 --> 00:21:15,720

He's been watching it for about 10 minutes now.

602

00:21:15,720 --> 00:21:16,720

He's your ass.

603

00:21:16,720 --> 00:21:17,720

No, I'm serious.

604

00:21:17,720 --> 00:21:18,720

Man.

605

00:21:18,720 --> 00:21:19,720

Go straight out your door.

606

00:21:19,720 --> 00:21:20,720

Hold on.

607

00:21:20,720 --> 00:21:21,720

I'm on hand hide.

608

00:21:21,720 --> 00:21:22,720

Where is it at?

609

00:21:22,720 --> 00:21:23,720

I'm on hand hide, okay?

610

00:21:23,720 --> 00:21:24,720

Come get me.

611

00:21:24,720 --> 00:21:25,720

I want to go see this.

612

00:21:25,720 --> 00:21:26,720

Is it outside?

613

00:21:26,720 --> 00:21:27,720

Can I, like, see from here?

614

00:21:27,720 --> 00:21:28,720

Well, you'll see it.

615

00:21:28,720 --> 00:21:29,720

I can't believe it.

616

00:21:29,720 --> 00:21:30,720

Here, look into me.

617

00:21:30,720 --> 00:21:31,720

All right, I'm going to go out and look at it now.

618

00:21:31,720 --> 00:21:32,720

All right, if you're up high enough,

619

00:21:32,720 --> 00:21:33,720

it's straight east of you.

620

00:21:33,720 --> 00:21:34,720

It's east of me?

621

00:21:34,720 --> 00:21:35,720

Straight east of you.

622

00:21:37,720 --> 00:21:38,720

I know where Kay's riding.

623

00:21:38,720 --> 00:21:39,720

He's across the hospital.

624

00:21:39,720 --> 00:21:40,720

So, plug in for me.

625

00:21:40,720 --> 00:21:41,720

I'm going to go out.

626

00:21:41,720 --> 00:21:42,720

Liberty, get howling Liberty.

627

00:21:42,720 --> 00:21:43,720

I'm going to run out.

628

00:21:43,720 --> 00:21:44,720

Stay on the phone.

629

00:21:44,720 --> 00:21:45,720

Okay.

630

00:21:45,720 --> 00:21:46,720

Okay, I'm coming back.

631

00:21:46,720 --> 00:21:47,720

I'll tell you if I see it.

632

00:21:47,720 --> 00:21:48,720

Okay.

633

00:21:48,720 --> 00:21:49,720

Okay.

634

00:21:49,720 --> 00:21:50,720

Hey, Mikey, do you got a copy or see it?

635

00:21:50,720 --> 00:21:52,720

Yeah, that thing has not moved in 10 minutes,

636

00:21:52,720 --> 00:21:53,720

but I've been watching it.

637

00:21:53,720 --> 00:21:54,720

I'm on the 14th.

638

00:21:54,720 --> 00:21:55,720

I want to come and check it out.

639

00:21:55,720 --> 00:21:57,720

Come up on hand hide and start south off at King's Rave

640

00:21:57,720 --> 00:21:58,720

if you're on hand hide.

641

00:21:58,720 --> 00:21:59,720

All right.

642

00:21:59,720 --> 00:22:00,720

Come on down.

643

00:22:00,720 --> 00:22:01,720

You'll see me in part.

644

00:22:01,720 --> 00:22:02,720

I've been watching this thing through my binoculars.

645

00:22:02,720 --> 00:22:03,720

I've been watching this thing through my binoculars.

646

00:22:07,720 --> 00:22:08,720

I can't quite make it out.

647

00:22:08,720 --> 00:22:11,720

It changes colors from white to red to green.

648

00:22:11,720 --> 00:22:13,720

You know, those are colors of planes,

649

00:22:13,720 --> 00:22:15,720

but the sucker has not moved.

650

00:22:15,720 --> 00:22:17,720

It hasn't gone any direction since I've been watching it.

651

00:22:17,720 --> 00:22:18,720

It's good 10 minutes.

652

00:22:18,720 --> 00:22:19,720

It's an alien.

653

00:22:19,720 --> 00:22:20,720

It's an alien.

654

00:22:20,720 --> 00:22:21,720

Yeah, it's an alien all right.

655

00:22:21,720 --> 00:22:22,720

Prove it.

656

00:22:22,720 --> 00:22:23,720

Hello.

657

00:22:23,720 --> 00:22:25,720

She went outside too back in that.

658

00:22:25,720 --> 00:22:26,720

Okay.

659

00:22:26,720 --> 00:22:27,720

I couldn't believe it.

660

00:22:27,720 --> 00:22:29,720

I just was puttin' by my house and I looked over,

661

00:22:29,720 --> 00:22:31,720

you know, laughing, we think it,

662

00:22:31,720 --> 00:22:33,720

because we had one two weeks ago.

663

00:22:33,720 --> 00:22:34,720

And I was like,

664

00:22:34,720 --> 00:22:36,720

oh, here's a plane coming in the land.

665

00:22:36,720 --> 00:22:38,720

Yeah, because I'm used to seeing those.

666

00:22:38,720 --> 00:22:40,720

This thing has not moved in 10 minutes.

667

00:22:40,720 --> 00:22:42,720

And it's too bright and too low,

668

00:22:42,720 --> 00:22:44,720

and it changes colors to be a star.

669

00:22:44,720 --> 00:22:45,720

It's an alien that came down

670

00:22:45,720 --> 00:22:47,720

and still are Christmas presents.

671

00:22:47,720 --> 00:22:48,720

Yeah, I wish.

672

00:22:48,720 --> 00:22:49,720

Hang on a second.

673

00:22:49,720 --> 00:22:50,720

It's an anaclos.

674

00:22:50,720 --> 00:22:51,720

Go ahead, 49.

675

00:22:51,720 --> 00:22:52,720

Oh, yeah.

676

00:22:52,720 --> 00:22:54,720

You see my car down on hand hide

677

00:22:54,720 --> 00:22:57,720

about a half to a quarter of a mile

678

00:22:57,720 --> 00:22:59,720

somewhere in there down from King's Grays.

679

00:22:59,720 --> 00:23:00,720

How do I get off?

680

00:23:00,720 --> 00:23:02,720

I'm going to go to the airport.

681

00:23:02,720 --> 00:23:04,720

Okay, you can put a good view out here

682

00:23:04,720 --> 00:23:06,720

on King's Grays.

683

00:23:06,720 --> 00:23:08,720

I'll hold it for a minute.

684

00:23:08,720 --> 00:23:09,720

Okay, you see it?

685

00:23:09,720 --> 00:23:11,720

I mean, I got a perfect view where I'm at.

686

00:23:11,720 --> 00:23:14,720

I just can't quite make it out through my binoculars.

687

00:23:14,720 --> 00:23:16,720

I got my head set.

688

00:23:16,720 --> 00:23:18,720

Can you go to 14?

689

00:23:18,720 --> 00:23:19,720

Right, I'm on public service too,

690

00:23:19,720 --> 00:23:21,720

so hang on, I'm trying to juggle mics.

691

00:23:21,720 --> 00:23:22,720

Okay.

692

00:23:22,720 --> 00:23:23,720

Okay, I'm on 14.

693

00:23:23,720 --> 00:23:24,720

You got a copy?

694

00:23:24,720 --> 00:23:26,720

Yeah, it looks like I'm getting pretty close.

695

00:23:26,720 --> 00:23:27,720

I'm on 14.

696

00:23:27,720 --> 00:23:28,720

I'm on 14.

697

00:23:28,720 --> 00:23:29,720

I'm on 14.

698

00:23:29,720 --> 00:23:30,720

I'm on 14.

699

00:23:30,720 --> 00:23:32,720

Yeah, it looks like I'm getting pretty close here,

700

00:23:32,720 --> 00:23:35,720

but I can't really judge how far out it is.

701

00:23:35,720 --> 00:23:38,720

I've been stationary since I called you.

702

00:23:38,720 --> 00:23:41,720

However long it took you to come from over on the left side,

703

00:23:41,720 --> 00:23:43,720

that bugger has not moved.

704

00:23:43,720 --> 00:23:47,720

I'm going over 11 right now.

705

00:23:47,720 --> 00:23:50,720

It looks like I'm starting to maybe get next to it here.

706

00:23:50,720 --> 00:23:52,720

It's still out a good way.

707

00:23:52,720 --> 00:23:53,720

Is it?

708

00:23:53,720 --> 00:23:55,720

No, see it down here to some other trees.

709

00:23:55,720 --> 00:23:56,720

Yeah.

710

00:23:56,720 --> 00:23:58,720

Okay, has it moved any?

711

00:23:58,720 --> 00:24:00,720

It looks like it might have flickered a little

712

00:24:00,720 --> 00:24:03,720

and that because it's moving slightly.

713

00:24:03,720 --> 00:24:04,720

It's moving.

714

00:24:04,720 --> 00:24:09,720

I was thinking you could get a pretty good eye on it.

715

00:24:09,720 --> 00:24:11,720

Okay, Mikey's up here with me now.

716

00:24:11,720 --> 00:24:13,720

He's looking through the binoc.

717

00:24:13,720 --> 00:24:16,720

It looks like it might have moved just slightly

718

00:24:16,720 --> 00:24:19,720

because it moved from one side of a tree to another.

719

00:24:19,720 --> 00:24:22,720

It's still visible right here where we're at.

720

00:24:22,720 --> 00:24:24,720

So, over around 11.

721

00:24:24,720 --> 00:24:26,720

It's around 11.

722

00:24:26,720 --> 00:24:30,720

It's about to reach the air base.

723

00:24:30,720 --> 00:24:32,720

You said you're at reach at the air base?

724

00:24:32,720 --> 00:24:34,720

Okay, it should be sippy, right?

725

00:24:34,720 --> 00:24:36,720

Yeah, it's like it's going circle.

726

00:24:36,720 --> 00:24:38,720

It looks like it's doing circles?

727

00:24:38,720 --> 00:24:39,720

Let's see it up.

728

00:24:39,720 --> 00:24:40,720

It's moving.

729

00:24:40,720 --> 00:24:41,720

What area is it in?

730

00:24:41,720 --> 00:24:42,720

What area?

731

00:24:42,720 --> 00:24:44,720

Uh, hang on one second.

732

00:24:44,720 --> 00:24:48,720

Dave, Davey, what area do you think it's in now?

733

00:24:48,720 --> 00:24:50,720

Hang on a minute, okay.

734

00:24:50,720 --> 00:24:52,720

You're at Warman.

735

00:24:52,720 --> 00:24:55,720

I'm about half a mile south of Kingsgrave on Hennheis.

736

00:24:55,720 --> 00:24:57,720

Half a mile south of Kingsgrave.

737

00:24:57,720 --> 00:24:59,720

It's still a little bit south for me.

738

00:24:59,720 --> 00:25:01,720

So, where are you at as far as on Ridge Road?

739

00:25:01,720 --> 00:25:02,720

I'm on it.

740

00:25:02,720 --> 00:25:04,720

Do you guys have to take P-Chess about that one?

741

00:25:04,720 --> 00:25:06,720

Because we went outside. We didn't see anything.

742

00:25:06,720 --> 00:25:08,720

I don't know where I got the bad.

743

00:25:08,720 --> 00:25:10,720

I'm right here.

744

00:25:10,720 --> 00:25:12,720

He's coming up on the main.

745

00:25:12,720 --> 00:25:14,720

They all see it.

746

00:25:14,720 --> 00:25:16,720

We were on Hennheis. We didn't see it.

747

00:25:16,720 --> 00:25:19,720

Okay, well, we're on Hennheis north of Haines.

748

00:25:19,720 --> 00:25:22,720

Okay, there's a brand new house under construction.

749

00:25:22,720 --> 00:25:25,720

We're watching it right through the empty field.

750

00:25:25,720 --> 00:25:27,720

You're seeing it through the field?

751

00:25:27,720 --> 00:25:28,720

Yeah, we're seeing it.

752

00:25:28,720 --> 00:25:30,720

What color is it?

753

00:25:30,720 --> 00:25:36,720

It's some like a whitish red to pulsating greenish lavender.

754

00:25:36,720 --> 00:25:37,720

Do you see any red?

755

00:25:37,720 --> 00:25:38,720

It was a whole red light.

756

00:25:38,720 --> 00:25:39,720

He said it looked like...

757

00:25:39,720 --> 00:25:41,720

Well, from the distance, I mean, I can't tell.

758

00:25:41,720 --> 00:25:44,720

My binoculars are a cheap set of binoculars.

759

00:25:44,720 --> 00:25:46,720

I thought I saw some red.

760

00:25:46,720 --> 00:25:48,720

Let me check what Dave from Hennheis angled.

761

00:25:48,720 --> 00:25:50,720

Do you see a red and green light?

762

00:25:50,720 --> 00:25:54,720

Dave, from your range, do you see a pulsating red and green?

763

00:25:54,720 --> 00:25:57,720

I'm telling you, we went outside. We didn't see anything.

764

00:25:57,720 --> 00:25:59,720

Oh, wait.

765

00:25:59,720 --> 00:26:01,720

I'm calling the air base again.

766

00:26:01,720 --> 00:26:03,720

Hold on. Just stand in line.

767

00:26:03,720 --> 00:26:05,720

I'm glad we came down to pick you up in the car.

768

00:26:05,720 --> 00:26:07,720

I don't want to see it. Come get me.

769

00:26:07,720 --> 00:26:09,720

Come get me. I'll be outside.

770

00:26:09,720 --> 00:26:10,720

Okay.

771

00:26:10,720 --> 00:26:12,720

I need a break.

772

00:26:12,720 --> 00:26:14,720

He's going to take me to see it.

773

00:26:15,720 --> 00:26:17,720

I don't believe this.

774

00:26:17,720 --> 00:26:20,720

It's the number I had before. Here it is.

775

00:26:20,720 --> 00:26:21,720

Thank you.

776

00:26:21,720 --> 00:26:22,720

Okay.

777

00:26:22,720 --> 00:26:24,720

I'll set it up here.

778

00:26:25,720 --> 00:26:27,720

Come on, FAA.

779

00:26:27,720 --> 00:26:28,720

Two more.

780

00:26:28,720 --> 00:26:30,720

I'll call you later.

781

00:26:30,720 --> 00:26:33,720

Yes, sir. This is Rene again from the center here

782

00:26:33,720 --> 00:26:36,720

and the 911 center called you about Liberty Township.

783

00:26:36,720 --> 00:26:39,720

The darn thing is in Holland Township now

784

00:26:39,720 --> 00:26:41,720

and it's hovering over a site.

785

00:26:41,720 --> 00:26:44,720

Anything at all on your radar screen in the Warren area?

786

00:26:44,720 --> 00:26:46,720

Holland Township.

787

00:26:46,720 --> 00:26:48,720

That's hovering where?

788

00:26:48,720 --> 00:26:51,720

Hovering over a hen hide in Holland Township

789

00:26:51,720 --> 00:26:54,720

about five minutes here from the center.

790

00:26:54,720 --> 00:26:56,720

They're seeing this. They're watching this thing.

791

00:26:56,720 --> 00:26:58,720

It goes 50 feet from the ground.

792

00:26:58,720 --> 00:27:01,720

There's blue and green lights. Some people say they see a red holding light.

793

00:27:01,720 --> 00:27:04,720

Hover's about 50 feet from the ground with no noise.

794

00:27:04,720 --> 00:27:06,720

We've had this all night.

795

00:27:06,720 --> 00:27:08,720

Look in the west.

796

00:27:08,720 --> 00:27:11,720

I don't see it. I'm 70 feet in the air.

797

00:27:11,720 --> 00:27:13,720

I'm going about to look for this right now.

798

00:27:13,720 --> 00:27:15,720

My unit's coming over. Tell me when he's out here.

799

00:27:15,720 --> 00:27:17,720

Okay, let me get a thoroughbred.

800

00:27:17,720 --> 00:27:19,720

I like that.

801

00:27:19,720 --> 00:27:22,720

Let me give you a number to contact. 675-2549.

802

00:27:22,720 --> 00:27:24,720

Okay.

803

00:27:24,720 --> 00:27:26,720

I'm going to look at it now myself.

804

00:27:26,720 --> 00:27:31,720

I'm talking about this thing that looked like a UFO or whatever.

805

00:27:31,720 --> 00:27:33,720

Who was it?

806

00:27:33,720 --> 00:27:35,720

That was a joke.

807

00:27:35,720 --> 00:27:39,720

We've had eight calls earlier.

808

00:27:39,720 --> 00:27:41,720

Liberty was telling us about it.

809

00:27:41,720 --> 00:27:44,720

We got calls last night on it too.

810

00:27:44,720 --> 00:27:46,720

I said something to the feed.

811

00:27:46,720 --> 00:27:48,720

I said, yeah, it's probably y'all.

812

00:27:48,720 --> 00:27:52,720

How's the UFO going to be detected on radar when it's a cell?

813

00:27:52,720 --> 00:27:55,720

I could only hear bits and pieces.

814

00:27:55,720 --> 00:27:57,720

That's what we were saying.

815

00:27:57,720 --> 00:27:59,720

We got eight calls on it earlier.

816

00:27:59,720 --> 00:28:01,720

That's all feed. I said, think about it.

817

00:28:01,720 --> 00:28:03,720

For 40 years you've heard about UFOs and they never had one on Ritz.

818

00:28:03,720 --> 00:28:05,720

They got to be cells.

819

00:28:05,720 --> 00:28:07,720

Exactly.

820

00:28:07,720 --> 00:28:09,720

I said, don't ever get them on radar.

821

00:28:09,720 --> 00:28:11,720

Who knows?

822

00:28:11,720 --> 00:28:17,720

We got out to the airport to see if they were picking anything up around the area.

823

00:28:17,720 --> 00:28:19,720

They said they hadn't seen anything.

824

00:28:19,720 --> 00:28:22,720

If you get one call or something like that, you know, you don't think anything of it.

825

00:28:22,720 --> 00:28:25,720

We got like eight different calls from different people on it.

826

00:28:25,720 --> 00:28:27,720

That's what I'm saying.

827

00:28:27,720 --> 00:28:31,720

You see a lot more shooting stars because the sky is clear.

828

00:28:31,720 --> 00:28:32,720

Right.

829

00:28:32,720 --> 00:28:34,720

And with the cold they drag on.

830

00:28:34,720 --> 00:28:35,720

Right.

831

00:28:35,720 --> 00:28:37,720

And when I left the station, there was one good one to come down.

832

00:28:37,720 --> 00:28:39,720

I mean, it was way down, still way bright.

833

00:28:39,720 --> 00:28:43,720

And that's what he was just joking about.

834

00:28:43,720 --> 00:28:45,720

Yeah, because I told him, wait a sec, I thought I was shooting stars.

835

00:28:45,720 --> 00:28:46,720

Yeah.

836

00:28:46,720 --> 00:28:48,720

Hey, you're like, beam me up, Captain Kirk.

837

00:28:48,720 --> 00:28:49,720

Yeah.

838

00:28:49,720 --> 00:28:52,720

So that's probably what they're saying.

839

00:28:52,720 --> 00:28:53,720

Yeah, most likely.

840

00:28:53,720 --> 00:28:54,720

Okay.

841

00:28:54,720 --> 00:29:00,720

All right, yeah, well, I'll make a note of that for whoever else comes out tomorrow, whatever.

842

00:29:00,720 --> 00:29:04,720

Hopefully she won't start up again, but just in case.

843

00:29:04,720 --> 00:29:08,720

Well, you might as well keep a note of that registration in case the guy is like an afternoon turn or somebody.

844

00:29:08,720 --> 00:29:09,720

Right.

845

00:29:09,720 --> 00:29:10,720

It's county dispens.

846

00:29:10,720 --> 00:29:13,720

Yeah, is that a UFO there looking for?

847

00:29:13,720 --> 00:29:14,720

Huh?

848

00:29:14,720 --> 00:29:15,720

Is that a UFO there looking for?

849

00:29:15,720 --> 00:29:16,720

Who's this?

850

00:29:16,720 --> 00:29:17,720

This is an old guy at the jail.

851

00:29:17,720 --> 00:29:18,720

Oh, yeah.

852

00:29:18,720 --> 00:29:19,720

Uh-huh.

853

00:29:19,720 --> 00:29:21,720

Yeah, seriously, we got like eight calls on it earlier.

854

00:29:21,720 --> 00:29:22,720

You gotta be shitting.

855

00:29:22,720 --> 00:29:23,720

No.

856

00:29:23,720 --> 00:29:27,720

Hey, Leslie, would you believe Leslie if she said yes?

857

00:29:27,720 --> 00:29:28,720

No.

858

00:29:28,720 --> 00:29:32,720

Isn't that the UFO that we got like eight calls on earlier today and they're looking at

859

00:29:32,720 --> 00:29:33,720

again?

860

00:29:33,720 --> 00:29:34,720

Leslie said yes.

861

00:29:34,720 --> 00:29:35,720

That didn't be shit.

862

00:29:35,720 --> 00:29:41,720

We got calls earlier tonight on it and a couple different people, the officers said they saw

863

00:29:41,720 --> 00:29:46,720

it and one of the Helen officers said he saw it at King's Graves in Henhine hovering there

864

00:29:46,720 --> 00:29:47,720

for like 10 minutes.

865

00:29:47,720 --> 00:29:48,720

So who knows?

866

00:29:48,720 --> 00:29:49,720

That's pretty messed up.

867

00:29:49,720 --> 00:29:51,720

We got reports on some last night.

868

00:29:51,720 --> 00:29:53,720

We got reports on them tonight.

869

00:29:53,720 --> 00:29:57,720

So who could it be?

870

00:29:57,720 --> 00:29:59,720

We're all quiet over there tonight.

871

00:29:59,720 --> 00:30:00,720

Yeah.

872

00:30:00,720 --> 00:30:03,720

See, you need to be over here where the cameras can things happen.

873

00:30:03,720 --> 00:30:05,720

I'm gonna go outside and take a look around.

874

00:30:05,720 --> 00:30:10,720

Yeah, we went out from here and couldn't see it but it's hard because there's a lot of

875

00:30:10,720 --> 00:30:14,720

lights, you know, with, I guess, one of the Helen officers said it was like an area of

876

00:30:14,720 --> 00:30:17,720

Henhine and King's Graves hovering there for like 10 minutes.

877

00:30:17,720 --> 00:30:19,720

What was it supposed to be?

878

00:30:19,720 --> 00:30:21,720

Rick, blue and green?

879

00:30:21,720 --> 00:30:23,720

Let me see what color it was for.

880

00:30:23,720 --> 00:30:25,720

Rick, what was it supposed to be?

881

00:30:25,720 --> 00:30:26,720

Blue and green?

882

00:30:26,720 --> 00:30:28,720

It's supposed to be blue and green, I guess.

883

00:30:28,720 --> 00:30:30,720

What are you doing?

884

00:30:30,720 --> 00:30:32,720

Oh, here we are.

885

00:30:32,720 --> 00:30:37,720

We called out to the air base earlier and they said that they hadn't had anything on their

886

00:30:37,720 --> 00:30:38,720

radar.

887

00:30:38,720 --> 00:30:45,720

But if it's an area of Henhine and King's Graves, then we have to be showing up on their radar,

888

00:30:45,720 --> 00:30:47,720

you know, if there was something there.

889

00:30:47,720 --> 00:30:49,720

Okay, would he fight or just not there?

890

00:30:49,720 --> 00:30:51,720

Can you tell what they just said?

891

00:30:51,720 --> 00:30:53,720

Somebody just said something about what they said.

892

00:30:53,720 --> 00:30:55,720

All right, I'll let you go.

893

00:30:56,720 --> 00:30:59,720

All right, if I find out anything else, I'll call and let you know.

894

00:30:59,720 --> 00:31:01,720

Okay, bye.

895

00:31:01,720 --> 00:31:03,720

433, 429.

896

00:31:03,720 --> 00:31:04,720

Go ahead.

897

00:31:04,720 --> 00:31:08,720

Okay, then move that from where you're in and I'm going down to pick up another person.

898

00:31:08,720 --> 00:31:11,720

Negative, I'm out of the air base here.

899

00:31:11,720 --> 00:31:13,720

We're stating our watches.

900

00:31:13,720 --> 00:31:17,720

I can put it as long as I want to let you know because I want to pick this person up, but I'm

901

00:31:17,720 --> 00:31:19,720

about 30 seconds away from picking them up.

902

00:31:19,720 --> 00:31:21,720

Okay, it looks like he's just sitting here.

903

00:31:21,720 --> 00:31:22,720

Okay.

904

00:31:22,720 --> 00:31:24,720

433 subjects in route.

905

00:31:24,720 --> 00:31:27,720

Okay, I'm going to be there in a minute and 30 seconds.

906

00:31:27,720 --> 00:31:29,720

Okay, right there.

907

00:31:29,720 --> 00:31:31,720

Okay, I'm out of the air base.

908

00:31:31,720 --> 00:31:32,720

Okay, bye.

909

00:31:32,720 --> 00:31:35,720

429, just go ahead and I'll be back in the air in about 20 seconds.

910

00:31:35,720 --> 00:31:38,720

Okay, I got a visual on it.

911

00:31:38,720 --> 00:31:40,720

I'm out of the air base.

912

00:31:40,720 --> 00:31:42,720

Are you coming out this way?

913

00:31:42,720 --> 00:31:45,720

432, I'm out of the air base.

914

00:31:45,720 --> 00:31:47,720

Okay, I got a visual on it.

915

00:31:47,720 --> 00:31:49,720

I'm out of the air base.

916

00:31:49,720 --> 00:31:55,720

I can see a large red, blue and green light up in the sky.

917

00:31:55,720 --> 00:31:56,720

It's east.

918

00:31:56,720 --> 00:31:59,720

I'm on Liberty.

919

00:31:59,720 --> 00:32:00,720

It's going east.

920

00:32:00,720 --> 00:32:01,720

Stand by.

921

00:32:01,720 --> 00:32:02,720

It's a better location.

922

00:32:02,720 --> 00:32:07,720

It's a problem with being in things like going so fast, there's no way to keep up with it.

923

00:32:07,720 --> 00:32:09,720

Yeah, I'm on the internet.

924

00:32:09,720 --> 00:32:10,720

That's why.

925

00:32:10,720 --> 00:32:13,720

When I pulled on Liberty, you could see it in the distance.

926

00:32:13,720 --> 00:32:16,720

It was like I got closer, it's stationary, and it'll start moving.

927

00:32:16,720 --> 00:32:17,720

Which Liberty?

928

00:32:17,720 --> 00:32:19,720

It's flipping off of Belmont.

929

00:32:19,720 --> 00:32:21,720

I don't see it now.

930

00:32:21,720 --> 00:32:23,720

I'm down on Logan now.

931

00:32:23,720 --> 00:32:25,720

It's going head direction.

932

00:32:25,720 --> 00:32:31,720

Okay, 429, it's enough of all of the 2.

933

00:32:31,720 --> 00:32:33,720

I'm moving east now on it.

934

00:32:33,720 --> 00:32:35,720

Okay, I'm still stationary up here at the air base.

935

00:32:35,720 --> 00:32:37,720

I'm still on the east.

936

00:32:37,720 --> 00:32:40,720

Yeah, it's all the same.

937

00:32:40,720 --> 00:32:42,720

I don't see anything else as far as movement.

938

00:32:42,720 --> 00:32:43,720

I know that's false data.

939

00:32:43,720 --> 00:32:45,720

Okay, that's about all it's doing.

940

00:32:45,720 --> 00:32:46,720

I don't see it.

941

00:32:46,720 --> 00:32:48,720

I need to call the air force base.

942

00:32:48,720 --> 00:32:50,720

What's the F going on?

943

00:32:50,720 --> 00:32:54,720

Okay, 429, I'm moving to Belmont.

944

00:32:54,720 --> 00:32:56,720

It's just still some of the links.

945

00:32:56,720 --> 00:33:00,720

Okay, it's stopped being that's permanent.

946

00:33:00,720 --> 00:33:02,720

I was just looking at it to the binoculars.

947

00:33:02,720 --> 00:33:06,720

It looks like it has something protruding out there.

948

00:33:06,720 --> 00:33:08,720

Top of it.

949

00:33:08,720 --> 00:33:12,720

Okay, you want to talk about a binocular, is the mic set correct?

950

00:33:12,720 --> 00:33:14,720

It's going to quite mention all of the tracks.

951

00:33:14,720 --> 00:33:18,720

I'm going to go down the block and see if I can get a better look at it.

952

00:33:18,720 --> 00:33:20,720

Okay, do you see any closer to us?

953

00:33:20,720 --> 00:33:22,720

Yeah, definitely closer than the air location.

954

00:33:22,720 --> 00:33:24,720

Because it's still south of me.

955

00:33:24,720 --> 00:33:26,720

It's south east of old 82.

956

00:33:26,720 --> 00:33:28,720

Okay.

957

00:33:28,720 --> 00:33:30,720

The first hole is over the tracks now.

958

00:33:30,720 --> 00:33:32,720

I'm going to go over now.

959

00:33:32,720 --> 00:33:34,720

I see it now too.

960

00:33:34,720 --> 00:33:36,720

It looks like it's flaking more and more.

961

00:33:36,720 --> 00:33:38,720

It looks like it's running a little loose to me now.

962

00:33:38,720 --> 00:33:42,720

I'm going to go east down old 82 from the center.

963

00:33:42,720 --> 00:33:44,720

Okay, I got a pretty deal of it here.

964

00:33:44,720 --> 00:33:48,720

Something flaking in the middle of the couple trees or clouds from the location.

965

00:33:48,720 --> 00:33:50,720

I'm going to get east down at the bottom of the wall.

966

00:33:50,720 --> 00:33:52,720

It's slightly north of it.

967

00:33:52,720 --> 00:33:56,720

Okay, I heard Liberty had some traffic too when we got into that.

968

00:33:56,720 --> 00:33:58,720

I don't know, I think that's probably south of it.

969

00:33:58,720 --> 00:34:00,720

I know, we're definitely seeing it.

970

00:34:00,720 --> 00:34:02,720

No, it's extremely bright.

971

00:34:02,720 --> 00:34:04,720

I mean, it's really bright.

972

00:34:04,720 --> 00:34:06,720

It's quite a try, man.

973

00:34:06,720 --> 00:34:08,720

This thing is going pretty good.

974

00:34:08,720 --> 00:34:10,720

It's all the way into Liberty now.

975

00:34:10,720 --> 00:34:12,720

I'll look into this center.

976

00:34:12,720 --> 00:34:14,720

I saw it real briefly.

977

00:34:14,720 --> 00:34:16,720

998 to the radio.

978

00:34:16,720 --> 00:34:18,720

998.

979

00:34:18,720 --> 00:34:20,720

How many reporters fighting?

980

00:34:20,720 --> 00:34:22,720

That's a few minutes.

981

00:34:22,720 --> 00:34:24,720

Hey, Walter, chase the back noise.

982

00:34:24,720 --> 00:34:26,720

I want to see this thing.

983

00:34:26,720 --> 00:34:28,720

It's going to be a little too visible.

984

00:34:28,720 --> 00:34:30,720

You should be able to see it.

985

00:34:30,720 --> 00:34:32,720

I'm going to add up a 305 and I'll have to see if I can get it.

986

00:34:32,720 --> 00:34:34,720

I'll enter it from there.

987

00:34:34,720 --> 00:34:36,720

Okay.

988

00:34:36,720 --> 00:34:38,720

2223 to control.

989

00:34:38,720 --> 00:34:40,720

2223 good.

990

00:34:40,720 --> 00:34:42,720

Okay, I got a visual on both of them.

991

00:34:42,720 --> 00:34:44,720

I'm sure you know what I'm talking about.

992

00:34:44,720 --> 00:34:46,720

That's enough.

993

00:34:46,720 --> 00:34:50,720

We have multiple departments right now that have sightings on it.

994

00:34:50,720 --> 00:34:52,720

Okay, I got them both.

995

00:34:52,720 --> 00:34:54,720

I'm in the area of the county hall.

996

00:34:54,720 --> 00:34:56,720

I got Holland.

997

00:34:56,720 --> 00:34:58,720

Looks like it's an area of one road.

998

00:34:58,720 --> 00:35:00,720

And I got Liberty.

999

00:35:00,720 --> 00:35:02,720

It looks like it's down there.

1000

00:35:02,720 --> 00:35:04,720

If you see it any closer, you can identify it with us.

1001

00:35:04,720 --> 00:35:06,720

No.

1002

00:35:06,720 --> 00:35:08,720

Go ahead.

1003

00:35:08,720 --> 00:35:12,720

I'm past 24 and we're still at least found.

1004

00:35:12,720 --> 00:35:16,720

It's still just southeast in the location.

1005

00:35:16,720 --> 00:35:20,720

Okay, it doesn't seem like it moves at all from where I'm at here.

1006

00:35:20,720 --> 00:35:22,720

Okay.

1007

00:35:22,720 --> 00:35:26,720

Do you want to come by yourself or are you going to find something that's document to the observation also?

1008

00:35:26,720 --> 00:35:28,720

Yeah, I'm at the air base.

1009

00:35:28,720 --> 00:35:30,720

I had the security guard out here.

1010

00:35:30,720 --> 00:35:32,720

We don't know what to make over here.

1011

00:35:32,720 --> 00:35:34,720

Do you want to go into the visual line?

1012

00:35:34,720 --> 00:35:36,720

Oh yeah, we can see it over here.

1013

00:35:36,720 --> 00:35:38,720

433, control.

1014

00:35:38,720 --> 00:35:40,720

433.

1015

00:35:40,720 --> 00:35:44,720

We have the Liberty dispatcher, the incumbent of the FAA, the inquiry.

1016

00:35:44,720 --> 00:35:48,720

Last check at the radar at the airport.

1017

00:35:48,720 --> 00:35:50,720

They're advising they have nothing on their screens.

1018

00:35:50,720 --> 00:35:52,720

Okay.

1019

00:35:52,720 --> 00:35:54,720

They're probably not going to tell us if there's anything anyway.

1020

00:35:54,720 --> 00:35:56,720

If it's anything, they'll do it with the military.

1021

00:35:56,720 --> 00:36:00,720

And another hangar, 7, happened here in Kilbrough County.

1022

00:36:00,720 --> 00:36:02,720

It's in Brookfield now.

1023

00:36:02,720 --> 00:36:04,720

We're at the radio.

1024

00:36:04,720 --> 00:36:06,720

598.

1025

00:36:06,720 --> 00:36:08,720

Okay, we could see it from 622.

1026

00:36:08,720 --> 00:36:10,720

It's a large light.

1027

00:36:10,720 --> 00:36:12,720

I don't know if it's changing in color, I could see red in it.

1028

00:36:12,720 --> 00:36:14,720

It seems to be hot right now.

1029

00:36:14,720 --> 00:36:16,720

That's fine.

1030

00:36:18,720 --> 00:36:20,720

Okay, flight, good control.

1031

00:36:20,720 --> 00:36:22,720

Good.

1032

00:36:22,720 --> 00:36:24,720

It's wonderful up at the home. I'm going to go up in a tower.

1033

00:36:24,720 --> 00:36:26,720

433.

1034

00:36:26,720 --> 00:36:30,720

If you have anything from any of the Liberty units, maybe Youngstown.

1035

00:36:32,720 --> 00:36:36,720

If you haven't seen the county, it's got a visual on it that I can hear.

1036

00:36:36,720 --> 00:36:38,720

Right now, control is copying.

1037

00:36:38,720 --> 00:36:42,720

It's somewhere in Brookfield Township.

1038

00:36:42,720 --> 00:36:44,720

East of 84, Warmer and Warren Shannon Road.

1039

00:36:44,720 --> 00:36:50,720

Got a unit at the old county home on Rep 7 in Brookfield.

1040

00:36:50,720 --> 00:36:52,720

It has a visual on it this time.

1041

00:36:52,720 --> 00:36:54,720

Looks like it's going southeast.

1042

00:36:54,720 --> 00:36:58,720

They pulled off the normal to Brookfield,

1043

00:36:58,720 --> 00:37:00,720

the monocular observation.

1044

00:37:00,720 --> 00:37:02,720

It's definitely a structure.

1045

00:37:02,720 --> 00:37:04,720

They were on 421.

1046

00:37:04,720 --> 00:37:06,720

I can see an upper structure on it.

1047

00:37:06,720 --> 00:37:08,720

It's a main point of the lighting.

1048

00:37:08,720 --> 00:37:12,720

It almost looks like a little parachute hanging from it.

1049

00:37:12,720 --> 00:37:14,720

Right, yeah.

1050

00:37:14,720 --> 00:37:16,720

It's a different color lighting to it.

1051

00:37:16,720 --> 00:37:20,720

433, have you been looking at this thing for your monocular observation?

1052

00:37:20,720 --> 00:37:24,720

I've been trying it as far as I could get as close

1053

00:37:24,720 --> 00:37:26,720

and get a good clear visual

1054

00:37:26,720 --> 00:37:28,720

to get them an open monocular.

1055

00:37:28,720 --> 00:37:30,720

I just found out what it said.

1056

00:37:30,720 --> 00:37:32,720

It's a functional center.

1057

00:37:32,720 --> 00:37:34,720

It's on 433, so let's get it.

1058

00:37:34,720 --> 00:37:36,720

That's an object that can be just going up top of it.

1059

00:37:36,720 --> 00:37:38,720

Yes, okay.

1060

00:37:38,720 --> 00:37:42,720

It's going over 221 to see if I can't go that way.

1061

00:37:42,720 --> 00:37:44,720

I just found out about the old home.

1062

00:37:44,720 --> 00:37:46,720

Okay.

1063

00:37:48,720 --> 00:37:50,720

I just found out.

1064

00:37:50,720 --> 00:37:52,720

2223.

1065

00:37:52,720 --> 00:37:54,720

What unit is that?

1066

00:37:54,720 --> 00:37:56,720

The UFO is a void court one.

1067

00:37:56,720 --> 00:38:00,720

It's another agency in the county.

1068

00:38:00,720 --> 00:38:02,720

Okay, is anybody close to that thing?

1069

00:38:02,720 --> 00:38:08,720

Last seen it was southeast from 84 Lumber in that area.

1070

00:38:08,720 --> 00:38:10,720

Okay, any quality?

1071

00:38:10,720 --> 00:38:14,720

If you come up on 46, you should be able to see it.

1072

00:38:14,720 --> 00:38:16,720

Got any problems?

1073

00:38:16,720 --> 00:38:18,720

If I pick it up on north or red?

1074

00:38:18,720 --> 00:38:20,720

I have 305 and 11 sitting on the overbed.

1075

00:38:20,720 --> 00:38:22,720

I don't see anything.

1076

00:38:22,720 --> 00:38:24,720

I'm a follower of red.

1077

00:38:24,720 --> 00:38:26,720

How high up are we talking here?

1078

00:38:26,720 --> 00:38:28,720

Not red far.

1079

00:38:28,720 --> 00:38:32,720

If you're in a tree line, you'll probably block your view.

1080

00:38:32,720 --> 00:38:34,720

Okay.

1081

00:38:34,720 --> 00:38:36,720

I'll be able to see it from 11 if I go south on 11.

1082

00:38:36,720 --> 00:38:38,720

Yeah, you should be able to.

1083

00:38:38,720 --> 00:38:40,720

We're in area 82, or King Graves or where?

1084

00:38:40,720 --> 00:38:44,720

Yeah, just look up towards King Graves.

1085

00:38:44,720 --> 00:38:46,720

Race done.

1086

00:38:46,720 --> 00:38:48,720

See yourself late towards the air base.

1087

00:38:48,720 --> 00:38:50,720

Alright, I'm going to take a shot down, well.

1088

00:38:50,720 --> 00:38:52,720

22-23, check up.

1089

00:38:52,720 --> 00:38:54,720

22-23, okay, I'm clear from the homes.

1090

00:38:54,720 --> 00:38:56,720

I'm going to get closer to it.

1091

00:38:56,720 --> 00:38:58,720

Okay, what's your last location?

1092

00:38:58,720 --> 00:39:00,720

What was your last location that you saw it?

1093

00:39:00,720 --> 00:39:02,720

Where is it at right now?

1094

00:39:02,720 --> 00:39:06,720

I already said it looks like it's a right right here.

1095

00:39:06,720 --> 00:39:08,720

84 Lumber, I'm going to head down to area 82.

1096

00:39:08,720 --> 00:39:10,720

I'll be right back.

1097

00:39:10,720 --> 00:39:12,720

Seth, we're giving registration when you can't see it.

1098

00:39:12,720 --> 00:39:14,720

Yeah, we've got to get back.

1099

00:39:14,720 --> 00:39:16,720

28th of ADM.

1100

00:39:16,720 --> 00:39:18,720

9-9-8.

1101

00:39:18,720 --> 00:39:20,720

I'm going to get back to the city.

1102

00:39:20,720 --> 00:39:22,720

There's some large light in the sky.

1103

00:39:22,720 --> 00:39:24,720

It seemed to be changing colors once in a while.

1104

00:39:24,720 --> 00:39:26,720

We're trying to signal it.

1105

00:39:26,720 --> 00:39:28,720

We're going to head back.

1106

00:39:28,720 --> 00:39:30,720

It's a book filled with whatever it is.

1107

00:39:30,720 --> 00:39:32,720

I don't know if it's 24 or 25.

1108

00:39:32,720 --> 00:39:34,720

That's one, 459.

1109

00:39:34,720 --> 00:39:36,720

Hey, we're going with the light over top of the air base.

1110

00:39:36,720 --> 00:39:38,720

Yeah, that's probably it.

1111

00:39:38,720 --> 00:39:40,720

The light is impulsating.

1112

00:39:40,720 --> 00:39:42,720

It's just looking for like a star or something.

1113

00:39:42,720 --> 00:39:44,720

Seth, I'll call you from the air base.

1114

00:39:44,720 --> 00:39:46,720

I'll call you from the air base.

1115

00:39:46,720 --> 00:39:48,720

I don't know why it's the air base on 11.

1116

00:39:48,720 --> 00:39:50,720

It's kind of southeast of there.

1117

00:39:50,720 --> 00:39:52,720

It looks to be rabbit-high though.

1118

00:39:52,720 --> 00:39:54,720

Not just the other tree lights.

1119

00:39:54,720 --> 00:39:56,720

It's not much probably.

1120

00:39:56,720 --> 00:39:58,720

And the stop at this one.

1121

00:40:00,720 --> 00:40:02,720

On 11.

1122

00:40:02,720 --> 00:40:04,720

I don't have any way to get there.

1123

00:40:04,720 --> 00:40:06,720

You heard from Wally or did he get seen as well?

1124

00:40:06,720 --> 00:40:08,720

No, I haven't heard.

1125

00:40:08,720 --> 00:40:10,720

432, which location?

1126

00:40:10,720 --> 00:40:12,720

433, check up.

1127

00:40:12,720 --> 00:40:14,720

433, check up.

1128

00:40:14,720 --> 00:40:16,720

Don't worry, they probably won't keep you long.

1129

00:40:24,720 --> 00:40:26,720

433.

1130

00:40:26,720 --> 00:40:28,720

433.

1131

00:40:28,720 --> 00:40:30,720

433.

1132

00:40:30,720 --> 00:40:32,720

433.

1133

00:40:32,720 --> 00:40:34,720

433.

1134

00:40:34,720 --> 00:40:36,720

Status.

1135

00:40:36,720 --> 00:40:38,720

I don't think we can get out.

1136

00:40:38,720 --> 00:40:40,720

We're on our way back.

1137

00:40:40,720 --> 00:40:42,720

Okay, 5.03.

1138

00:40:42,720 --> 00:40:44,720

So, what's your window T?

1139

00:40:44,720 --> 00:40:46,720

336, 28.

1140

00:40:46,720 --> 00:40:48,720

Yeah.

1141

00:40:48,720 --> 00:40:50,720

I believe I had a clue about making a loop

1142

00:40:50,720 --> 00:40:52,720

or something for the nature of the wind.

1143

00:40:52,720 --> 00:40:56,720

As I said, even the UFOs won't go in the quarter one.

1144

00:40:56,720 --> 00:41:00,720

Do you have any visual on the ground for the air and windings point?

1145

00:41:00,720 --> 00:41:04,720

I went down to 82 to cross over north of 82 on 11.

1146

00:41:04,720 --> 00:41:06,720

And the only I see is a white star out there.

1147

00:41:06,720 --> 00:41:08,720

And I replied, well, it looks like

1148

00:41:08,720 --> 00:41:11,720

82 cruise savers of the star wanted to.

1149

00:41:11,720 --> 00:41:13,720

Nothing moving, nothing pulsating.

1150

00:41:13,720 --> 00:41:15,720

Okay.

1151

00:41:15,720 --> 00:41:18,720

I feel like getting a little more rest during the day.

1152

00:41:18,720 --> 00:41:20,720

Right.

1153

00:41:20,720 --> 00:41:23,720

And I'm thinking, is that thing that's going to make a run for me

1154

00:41:23,720 --> 00:41:25,720

or are we going to the next shift?

1155

00:41:25,720 --> 00:41:28,720

I was going to say, there goes a claim for shift rotation

1156

00:41:28,720 --> 00:41:30,720

for administration and officer.

1157

00:41:30,720 --> 00:41:32,720

Yeah, I didn't.

1158

00:41:32,720 --> 00:41:34,720

Unless I'm looking at the wrong thing while I didn't see anything

1159

00:41:34,720 --> 00:41:38,720

that the white light is kind of southeast of the airport.

1160

00:41:38,720 --> 00:41:40,720

Yeah, okay.

1161

00:41:40,720 --> 00:41:42,720

Keep driving while you're fine, something.

1162

00:41:42,720 --> 00:41:44,720

Steve Baker.

1163

00:41:44,720 --> 00:41:46,720

All right, I talked to these guys.

1164

00:41:46,720 --> 00:41:48,720

They're going to go back to where they came from.

1165

00:41:48,720 --> 00:41:50,720

Who?

1166

00:41:50,720 --> 00:41:52,720

I can see them.

1167

00:41:52,720 --> 00:41:54,720

Did you see anything?

1168

00:41:54,720 --> 00:41:56,720

I got them right here. I'm looking at them.

1169

00:41:56,720 --> 00:41:58,720

Hold on a second. I'm going to turn my lights on

1170

00:41:58,720 --> 00:42:00,720

so I can rear-end it.

1171

00:42:00,720 --> 00:42:02,720

Well, I can see them from one of the roads.

1172

00:42:02,720 --> 00:42:04,720

I got three of them.

1173

00:42:04,720 --> 00:42:06,720

One is over, well, there.

1174

00:42:06,720 --> 00:42:08,720

And then there's two kind of close together.

1175

00:42:08,720 --> 00:42:10,720

What do they look like?

1176

00:42:10,720 --> 00:42:12,720

I'd like to say that they're just like flickering stars.

1177

00:42:12,720 --> 00:42:14,720

Except I've got four discernible colors.

1178

00:42:14,720 --> 00:42:16,720

I got red, yellow, green, and blue.

1179

00:42:16,720 --> 00:42:18,720

And the one just was like flashed.

1180

00:42:18,720 --> 00:42:22,720

And so if there's those planets those guys were talking about,

1181

00:42:22,720 --> 00:42:24,720

then they're planets with Christmas lights on.

1182

00:42:24,720 --> 00:42:26,720

You can see them.

1183

00:42:26,720 --> 00:42:28,720

I can see them. Not like Clear's Day.

1184

00:42:28,720 --> 00:42:30,720

I don't see any wings or any chiefs of them.

1185

00:42:30,720 --> 00:42:32,720

Yeah.

1186

00:42:32,720 --> 00:42:34,720

Unreal.

1187

00:42:34,720 --> 00:42:36,720

Unreal.

1188

00:42:36,720 --> 00:42:38,720

What are you doing?

1189

00:42:38,720 --> 00:42:40,720

That's what I mean.

1190

00:42:40,720 --> 00:42:44,720

Without my binoculars, I can see red, yellow, green, and blue.

1191

00:42:44,720 --> 00:42:46,720

I mean, we're way over there.

1192

00:42:46,720 --> 00:42:48,720

They've got to be way over in Cortland.

1193

00:42:48,720 --> 00:42:50,720

Did you hear Cortland on there?

1194

00:42:50,720 --> 00:42:52,720

Yeah.

1195

00:42:52,720 --> 00:42:54,720

He did your photos while coming to Cortland.

1196

00:42:54,720 --> 00:42:56,720

I can't believe it.

1197

00:42:56,720 --> 00:42:58,720

He's killing me.

1198

00:42:58,720 --> 00:43:00,720

I mean, they're so far away they look like stars.

1199

00:43:00,720 --> 00:43:02,720

They're just like big.

1200

00:43:02,720 --> 00:43:06,720

Well, the first calls we got from Liberty were they were like 50 feet above the ground.

1201

00:43:06,720 --> 00:43:08,720

Yeah, well, they could be on their way home.

1202

00:43:08,720 --> 00:43:10,720

All right.

1203

00:43:10,720 --> 00:43:12,720

I think everyone else should do this kind of thing.

1204

00:43:12,720 --> 00:43:14,720

They should go home.

1205

00:43:14,720 --> 00:43:16,720

Yeah, I'm already sure. This is weird.

1206

00:43:16,720 --> 00:43:22,720

I had a bead on them from the tower.

1207

00:43:22,720 --> 00:43:26,720

They got to be going away because they were closer than this.

1208

00:43:26,720 --> 00:43:28,720

Now I'm looking at them. Oh my God.

1209

00:43:28,720 --> 00:43:30,720

Why?

1210

00:43:30,720 --> 00:43:32,720

And they're not a plane because here goes a plane.

1211

00:43:32,720 --> 00:43:34,720

And I can see the plane and the plane can red.

1212

00:43:34,720 --> 00:43:36,720

And in fact, there's another plane.

1213

00:43:36,720 --> 00:43:38,720

I think.

1214

00:43:38,720 --> 00:43:40,720

I think there's several planes out of that.

1215

00:43:40,720 --> 00:43:42,720

Tom, one.

1216

00:43:42,720 --> 00:43:44,720

Wait a minute.

1217

00:43:44,720 --> 00:43:46,720

Oh my God, I hope that's a plane.

1218

00:43:50,720 --> 00:43:52,720

Oh, Jesus Christ, please be a plane.

1219

00:43:52,720 --> 00:43:54,720

Oh, please.

1220

00:43:54,720 --> 00:43:56,720

I'm going to get caught.

1221

00:43:56,720 --> 00:43:58,720

Little bitch, where'd you go?

1222

00:44:02,720 --> 00:44:04,720

That's a plane.

1223

00:44:04,720 --> 00:44:06,720

Well, I get nervous when they're coming right at me.

1224

00:44:06,720 --> 00:44:08,720

There's three planes up there.

1225

00:44:08,720 --> 00:44:10,720

I'll tell you what, they're flying from the Air Force Base.

1226

00:44:10,720 --> 00:44:12,720

Something's got to be.

1227

00:44:12,720 --> 00:44:14,720

Hold on. I'm going to let them get drilled again.

1228

00:44:14,720 --> 00:44:16,720

Where are you?

1229

00:44:16,720 --> 00:44:18,720

Right here.

1230

00:44:18,720 --> 00:44:20,720

Where are you?

1231

00:44:20,720 --> 00:44:22,720

Warner Road, south of

1232

00:44:22,720 --> 00:44:24,720

Merwin Chase.

1233

00:44:24,720 --> 00:44:26,720

Four up there, now there's four planes.

1234

00:44:26,720 --> 00:44:28,720

Oh, okay.

1235

00:44:28,720 --> 00:44:30,720

The other things are still there.

1236

00:44:30,720 --> 00:44:32,720

The views are like, yeah, you fuckers.

1237

00:44:32,720 --> 00:44:34,720

Oh, you don't see them.

1238

00:44:34,720 --> 00:44:36,720

What are we doing with this now, Pete?

1239

00:44:36,720 --> 00:44:38,720

I have no idea.

1240

00:44:38,720 --> 00:44:40,720

Well, you know what, I can tell it's not an Air Force Base,

1241

00:44:40,720 --> 00:44:42,720

so they know it's all.

1242

00:44:42,720 --> 00:44:44,720

I'll talk to you later.

1243

00:44:44,720 --> 00:44:46,720

Okay.

1244

00:44:46,720 --> 00:44:48,720

Are you at the Air Force Base?

1245

00:44:48,720 --> 00:44:50,720

We'll get back to you.

1246

00:44:50,720 --> 00:44:52,720

Negative, they advised did not show up on the radar.

1247

00:44:52,720 --> 00:44:54,720

Two five.

1248

00:44:54,720 --> 00:44:56,720

Two five, go.

1249

00:44:56,720 --> 00:44:58,720

Negative, we'll check for one.

1250

00:44:58,720 --> 00:45:00,720

98.

1251

00:45:00,720 --> 00:45:02,720

Okay.

1252

00:45:02,720 --> 00:45:04,720

Some reports from all these local police departments, right?

1253

00:45:04,720 --> 00:45:06,720

That's permanent, they're all recorded.

1254

00:45:06,720 --> 00:45:08,720

98, one party advised this may be

1255

00:45:08,720 --> 00:45:10,720

some kind of celestial planet

1256

00:45:10,720 --> 00:45:12,720

showing, uh, during a meteor shower.

1257

00:45:12,720 --> 00:45:14,720

Okay.

1258

00:45:14,720 --> 00:45:16,720

Negative, they advised did not show up on the radar.

1259

00:45:16,720 --> 00:45:18,720

Two five.

1260

00:45:18,720 --> 00:45:20,720

Negative, we're all recording.

1261

00:45:20,720 --> 00:45:22,720

All right, get on the meteor shower.

1262

00:45:22,720 --> 00:45:24,720

Okay.

1263

00:45:24,720 --> 00:45:26,720

Earlier, when we had an earlier call,

1264

00:45:26,720 --> 00:45:28,720

what I saw was a planet

1265

00:45:28,720 --> 00:45:30,720

close to the tree line,

1266

00:45:30,720 --> 00:45:32,720

and you gave off some big red light,

1267

00:45:32,720 --> 00:45:34,720

it was almost like a blue daylight,

1268

00:45:34,720 --> 00:45:36,720

but red on the front.

1269

00:45:36,720 --> 00:45:38,720

Copy, we'll document that.

1270

00:45:38,720 --> 00:45:40,720

Five forty nine.

1271

00:45:40,720 --> 00:45:42,720

Five just left.

1272

00:45:42,720 --> 00:45:44,720

Five, six.

1273

00:45:44,720 --> 00:45:46,720

Five fifty, seven,

1274

00:45:46,720 --> 00:45:48,720

Yeah, I bet it is.

1275

00:45:48,720 --> 00:45:58,720

That thing with the Air Force Base and the radar, do you remember last year that we called

1276

00:45:58,720 --> 00:46:05,720

the Air Force Base and they said, no, there's nothing going on, but then I don't know who

1277

00:46:05,720 --> 00:46:11,720

did it, they decided they called the National Weather thing and the weather had it on their

1278

00:46:11,720 --> 00:46:12,720

radar.

1279

00:46:12,720 --> 00:46:13,720

So that's me.

1280

00:46:13,720 --> 00:46:18,720

No, what I was just thinking, it was ever like running the show out there, who's like

1281

00:46:18,720 --> 00:46:19,720

really into this?

1282

00:46:19,720 --> 00:46:20,720

No.

1283

00:46:20,720 --> 00:46:21,720

Maybe nobody is?

1284

00:46:21,720 --> 00:46:24,720

Who's ever running the show out here, like laughing at all you guys out there.

1285

00:46:24,720 --> 00:46:28,720

But that's because they're in a closed building and we're out here looking at this.

1286

00:46:28,720 --> 00:46:32,720

But no, what I'm wondering is maybe somebody might want to give the National Weather people

1287

00:46:32,720 --> 00:46:37,720

a call because they're not going to classify shit, they'll call and say, oh, it's Louis

1288

00:46:37,720 --> 00:46:40,720

Pofolk, I saved you a doubt last year.

1289

00:46:40,720 --> 00:46:44,720

Hey, Pete, if you saw this, you'd be doing it too.

1290

00:46:44,720 --> 00:46:45,720

I'm serious.

1291

00:46:45,720 --> 00:46:47,720

Well, Jackson, it's Venus.

1292

00:46:47,720 --> 00:46:50,720

Okay, well then, there's six of them.

1293

00:46:50,720 --> 00:46:55,720

Yeah, she's right about that meteor shower thing because when I was standing here, when

1294

00:46:55,720 --> 00:47:00,720

I got up to talk to you, in five minutes in this little space that I'm watching, there

1295

00:47:00,720 --> 00:47:05,720

were six of them, whatever you call them, shooting star things, there's six of them, so they're

1296

00:47:05,720 --> 00:47:06,720

there.

1297

00:47:06,720 --> 00:47:07,720

I don't know what it is, but.

1298

00:47:07,720 --> 00:47:09,720

I just wish it was cloudy.

1299

00:47:09,720 --> 00:47:10,720

Then we wouldn't see this.

1300

00:47:10,720 --> 00:47:11,720

Right, exactly.

1301

00:47:11,720 --> 00:47:14,720

Well, what you see is, what was Liberty chasing then?

1302

00:47:14,720 --> 00:47:15,720

I have no idea.

1303

00:47:15,720 --> 00:47:18,720

Last time I heard, Venus really wasn't wanted anywhere.

1304

00:47:18,720 --> 00:47:21,720

So, had no reason to run for a week.

1305

00:47:21,720 --> 00:47:22,720

Negative 15s.

1306

00:47:22,720 --> 00:47:25,720

Negative 15s on Venus.

1307

00:47:25,720 --> 00:47:28,720

I feel like, by the way, I want you to get a registration when you can.

1308

00:47:28,720 --> 00:47:30,720

Yeah, get a registration when you can.

1309

00:47:30,720 --> 00:47:33,720

I'll tell you what, I couldn't see them well enough from the radar tower.

1310

00:47:33,720 --> 00:47:34,720

I climbed up there.

1311

00:47:34,720 --> 00:47:40,720

Then the fact that my legs went numb, it's a little bit too nippy to be climbing up that

1312

00:47:40,720 --> 00:47:41,720

thing.

1313

00:47:41,720 --> 00:47:42,720

It's a little chilly.

1314

00:47:42,720 --> 00:47:45,720

I went up three flights and I thought, well, you know, it's much of it like Star Trek.

1315

00:47:45,720 --> 00:47:46,720

I don't like it this much.

1316

00:47:46,720 --> 00:47:47,720

Oh, you got it.

1317

00:47:47,720 --> 00:47:50,720

I don't know, in fact, I think it's the Enterprise.

1318

00:47:50,720 --> 00:47:51,720

Oh, well.

1319

00:47:51,720 --> 00:47:53,720

All right, well, hey, have fun.

1320

00:47:53,720 --> 00:47:54,720

Let's go.

1321

00:47:54,720 --> 00:47:56,720

Okay, this much male here.

1322

00:47:56,720 --> 00:47:57,720

Yeah, 432.

1323

00:47:57,720 --> 00:47:58,720

Hello, Karen.

1324

00:47:58,720 --> 00:47:59,720

Hi, how you doing?

1325

00:47:59,720 --> 00:48:00,720

I'm doing.

1326

00:48:00,720 --> 00:48:01,720

Okay.

1327

00:48:01,720 --> 00:48:03,720

I got to look through this thing on a telescope.

1328

00:48:03,720 --> 00:48:05,720

Okay, I just, we were looking ahead.

1329

00:48:05,720 --> 00:48:06,720

It is a planet.

1330

00:48:06,720 --> 00:48:07,720

Really?

1331

00:48:07,720 --> 00:48:12,720

Yeah, but ironically, while everybody else was watching it, a couple of Niles guys had

1332

00:48:12,720 --> 00:48:13,720

a night vision scope.

1333

00:48:13,720 --> 00:48:17,720

Some lady who says she lives in Liberty came up to them.

1334

00:48:17,720 --> 00:48:19,720

They're down here on the Strip.

1335

00:48:19,720 --> 00:48:20,720

Okay.

1336

00:48:20,720 --> 00:48:23,720

And asked them, are you guys tracking the UFO?

1337

00:48:23,720 --> 00:48:26,720

And they looked at her and thought she was joking.

1338

00:48:26,720 --> 00:48:27,720

She says, dead-ass serious.

1339

00:48:27,720 --> 00:48:29,720

She says the thing was in her backyard.

1340

00:48:29,720 --> 00:48:32,720

I'm telling you, I told you that woman said she was in her backyard.

1341

00:48:32,720 --> 00:48:34,720

She said, it was in my backyard.

1342

00:48:34,720 --> 00:48:36,720

It was in the field and she was having a fit about it.

1343

00:48:36,720 --> 00:48:38,720

Would you please go from here in place?

1344

00:48:38,720 --> 00:48:41,720

So anyhow, she's telling them and they said, well, is that what you saw?

1345

00:48:41,720 --> 00:48:46,720

She turns around and looks at it and she goes, you know, that's a planet.

1346

00:48:46,720 --> 00:48:48,720

That's not what we saw.

1347

00:48:48,720 --> 00:48:53,720

This thing was red and Toby said it was right near the ground.

1348

00:48:53,720 --> 00:48:54,720

He said, let up this guy.

1349

00:48:54,720 --> 00:48:55,720

Okay.

1350

00:48:55,720 --> 00:48:59,720

And I'm like, well, it was pretty far away from all of us.

1351

00:48:59,720 --> 00:49:05,720

You know, we really can't make a good determination, but there's that chance, you know.

1352

00:49:05,720 --> 00:49:13,720

Well, for about the last 35 minutes, we've been tracking this with a telescope and it's moving in a set, you know, which would be with the rotation.

1353

00:49:13,720 --> 00:49:15,720

It's a planet.

1354

00:49:15,720 --> 00:49:18,720

Which one, God only knows, but it's a planet, not a star.

1355

00:49:18,720 --> 00:49:20,720

Well, we were all excited.

1356

00:49:20,720 --> 00:49:21,720

Oh, I know, I was too.

1357

00:49:21,720 --> 00:49:23,720

We got something.

1358

00:49:23,720 --> 00:49:35,720

It's definitely something else is, you know, whatever, you know, I don't dispute with the lady saying, but just out of funny that somebody came all the way down into Nile either on her way to work or whatever.

1359

00:49:35,720 --> 00:49:37,720

Yeah, so what the hell are you looking at now?

1360

00:49:37,720 --> 00:49:38,720

That's not what I saw.

1361

00:49:38,720 --> 00:49:46,720

Yeah, Toby said, he said, you know, it was there's no way that he said that did not look what he, you know, look like what he saw.

1362

00:49:46,720 --> 00:49:52,720

I did not know, you know, if it was the distance or what the situation was.

1363

00:49:52,720 --> 00:49:54,720

But if that's a planet, that's a planet.

1364

00:49:54,720 --> 00:49:55,720

It's pretty damn low.

1365

00:49:55,720 --> 00:49:56,720

Oh, yeah.

1366

00:49:56,720 --> 00:49:59,720

Well, like I said, it was lower when we first saw it.

1367

00:49:59,720 --> 00:50:01,720

And like I said, we've been sitting down here on the strip.

1368

00:50:01,720 --> 00:50:04,720

Just, you know, everybody's sitting still not moving.

1369

00:50:04,720 --> 00:50:07,720

And we, every so often we had to adjust the telescope.

1370

00:50:07,720 --> 00:50:10,720

So it's, it's moving and it's arching in a set pattern.

1371

00:50:10,720 --> 00:50:12,720

So it looks like it's stationary.

1372

00:50:12,720 --> 00:50:13,720

Other than it's a little higher.

1373

00:50:13,720 --> 00:50:21,720

You know, like where I'm at right now, I can see it where before I know I wouldn't have been because I'm down here at the corners, you know, and that's even lower than the center.

1374

00:50:22,720 --> 00:50:24,720

And I can see it now.

1375

00:50:24,720 --> 00:50:26,720

So, oh well.

1376

00:50:26,720 --> 00:50:27,720

Okay.

1377

00:50:27,720 --> 00:50:28,720

All right.

1378

00:50:28,720 --> 00:50:29,720

Thanks for calling.

1379

00:50:29,720 --> 00:50:30,720

Do you have any more calls on it?

1380

00:50:30,720 --> 00:50:32,720

No, nothing else.

1381

00:50:32,720 --> 00:50:35,720

Well, I'm trying to all have a lot of answers today.

1382

00:50:35,720 --> 00:50:36,720

I'll tell you what.

1383

00:50:36,720 --> 00:50:38,720

That's enough for me.

1384

00:50:38,720 --> 00:50:40,720

Thanks for calling.

1385

00:50:40,720 --> 00:50:41,720

All right, you take care.

1386

00:50:41,720 --> 00:50:42,720

Bye-bye.
