

1

00:00:00,000 --> 00:00:08,000

Our first guest on the Delta Fruit is one of the world's leading authorities on unidentified

2

00:00:08,000 --> 00:00:09,000

flying objects.

3

00:00:09,000 --> 00:00:10,000

What is your name please?

4

00:00:10,000 --> 00:00:11,000

My name is Donald Keel.

5

00:00:11,000 --> 00:00:12,000

My name is Donald Keel.

6

00:00:12,000 --> 00:00:13,000

My name is Donald Keel.

7

00:00:13,000 --> 00:00:16,000

Only one of these gentlemen is the real Donald Keel.

8

00:00:16,000 --> 00:00:17,000

The other two emblosers.

9

00:00:17,000 --> 00:00:18,000

And will try to fool this panel.

10

00:00:18,000 --> 00:00:19,000

Donald Keel.

11

00:00:19,000 --> 00:00:20,000

Donald Keel.

12

00:00:20,000 --> 00:00:21,000

Donald Keel.

13

00:00:21,000 --> 00:00:22,000

Donald Keel.

14

00:00:22,000 --> 00:00:23,000

Donald Keel.

15

00:00:23,000 --> 00:00:24,000

Donald Keel.

16

00:00:24,000 --> 00:00:25,000

Donald Keel.

17

00:00:25,000 --> 00:00:26,000

Donald Keel.

18

00:00:26,000 --> 00:00:27,000

Donald Keel.

19

00:00:27,000 --> 00:00:28,000

Donald Keel.

20

00:00:28,000 --> 00:00:29,000

Donald Keel.

21

00:00:29,000 --> 00:00:39,000

Donald Keel if you hear me, then we will mis cultivate this ruler's galaxy beforezelotêtre.

22

00:00:39,000 --> 00:00:48,000

So you can tour with Donald Keel, rule it down.

23

00:00:48,000 --> 00:00:55,880

I'm hosting, thank you, Carrot or to me, and kitty caela II to tell the truth.

24

00:00:55,880 --> 00:00:58,620

my copy of this first story, if you will.

25

00:00:58,620 --> 00:01:05,340

I, Donald Keyhaw, am a graduate of the United States Naval Academy, a retired Marine Corps

26

00:01:05,340 --> 00:01:09,420

pilot, and have been an aviation writer for many years.

27

00:01:09,420 --> 00:01:14,260

Currently, I am working in Washington, D.C., as director of the National Investigations

28

00:01:14,260 --> 00:01:16,740

Committee on Aerial Phenomenon.

29

00:01:16,740 --> 00:01:22,740

NYCAP is a scientific organization which was especially created ten years ago to investigate

30

00:01:22,740 --> 00:01:29,100

the facts surrounding unidentified flying objects, whether it's UFOs or flying saucers.

31

00:01:29,100 --> 00:01:33,980

Recently, there's been another rash of reports of strange things in the sky.

32

00:01:33,980 --> 00:01:39,900

In the past 20 years, there have been over 10,000 such sightings of UFOs.

33

00:01:39,900 --> 00:01:45,540

While many of these flying objects have been satisfactorily explained as a result of natural

34

00:01:45,540 --> 00:01:50,460

phenomena, others so far defy logical explanations.

35

00:01:50,500 --> 00:01:54,980

It is the position of NYCAP that there is nothing to be gained by secrecy, and that

36

00:01:54,980 --> 00:02:01,020

a thorough and intensive scientific investigation of unidentified flying objects would give the

37

00:02:01,020 --> 00:02:06,060

subject a dignity and importance it deserves, and quite possibly reveal some straddling

38

00:02:06,060 --> 00:02:07,060

facts.

39

00:02:07,060 --> 00:02:09,060

Signed, Major Donald Keyhaw.

40

00:02:09,060 --> 00:02:14,060

Finally, three gentlemen are claimed to be Major Donald Keyhaw.

41

00:02:14,060 --> 00:02:16,060

I thought the question was Tom Pusher.

42

00:02:16,380 --> 00:02:17,380

Tom, thank you for that.

43

00:02:17,380 --> 00:02:23,580

One thing that puzzled me always, number one, has there ever been any photographic and physical

44

00:02:23,580 --> 00:02:30,580

evidence of terrestrial disturbance by these UFOs?

45

00:02:30,580 --> 00:02:37,580

Yes, last year in South Africa, there, Pretoria, one of these objects was seen by local police

46

00:02:37,580 --> 00:02:41,580

on a highway, and they were approached with a bleach cruiser.

47

00:02:41,580 --> 00:02:45,580

It distracts the boys from flying all the way to the highway and took off at high speed.

48

00:02:45,580 --> 00:02:51,580

When they checked it, they found that the pavement has been, whether the hole has been broken

49

00:02:51,580 --> 00:02:56,580

in the pavement, about six feet in diameter, and the McAdams road was set on fire and blazed

50

00:02:56,580 --> 00:02:59,580

for about three hours, and this was officially confirmed by the common men.

51

00:02:59,580 --> 00:03:01,580

That's exactly the kind of thing I mean.

52

00:03:01,580 --> 00:03:05,580

Number two, any of these things happened in this country?

53

00:03:05,580 --> 00:03:10,580

Yes, out in Denver, near Denver, Colorado, there was one that took off from a snowfall,

54

00:03:10,580 --> 00:03:15,580

covered area, and there were signs of it in the snow.

55

00:03:15,580 --> 00:03:19,580

That's a, number three, uh, was it the radio radar?

56

00:03:19,580 --> 00:03:20,580

Uh, radio.

57

00:03:20,580 --> 00:03:25,580

Number three, radio, the panacea comes from.

58

00:03:25,580 --> 00:03:28,580

Other planets, perhaps?

59

00:03:28,580 --> 00:03:31,580

That's the best explanation we can think of.

60

00:03:31,580 --> 00:03:33,580

I don't think they can come down here.

61

00:03:33,580 --> 00:03:34,580

Go away.

62

00:03:34,580 --> 00:03:39,580

Number two, it says it was Coast Guard, a photograph number 5,554.

63

00:03:39,580 --> 00:03:44,580

Have you taken pictures of 5,554 of these things?

64

00:03:44,580 --> 00:03:50,580

Well, that's a number of a Coast Guard photograph, but that doesn't necessarily mean that they

65

00:03:50,580 --> 00:03:52,580

were all a fine object.

66

00:03:52,580 --> 00:03:55,580

Well, I started to ask, number one, I started to ask the man, give me a picture of us,

67

00:03:55,580 --> 00:03:59,580

it's like a big handbag with green film.

68

00:03:59,580 --> 00:04:03,580

Now, they do turn in sort of different shapes and sizes, right?

69

00:04:03,580 --> 00:04:09,580

Uh, the man, most of the signs describe this shape of the, in fact, the Air Force Secret

70

00:04:09,580 --> 00:04:12,580

Project's reds report years ago confirmed that.

71

00:04:12,580 --> 00:04:15,580

And number three, did any kind of noise when it was flying by?

72

00:04:15,580 --> 00:04:19,580

Uh, a number of witnesses have described a humming noise.

73

00:04:19,580 --> 00:04:20,580

Thank you.

74

00:04:20,580 --> 00:04:22,580

Number two, have you seen a green thing coming?

75

00:04:22,580 --> 00:04:25,580

I've seen babies crying at these ads.

76

00:04:25,580 --> 00:04:29,580

Number two, uh, what was the name of your face?

77

00:04:29,580 --> 00:04:35,580

Look, uh, Flying Sauter's Outer Space.

78

00:04:35,580 --> 00:04:37,580

Number one, you agree with that?

79

00:04:37,580 --> 00:04:38,580

No.

80

00:04:38,580 --> 00:04:42,580

All right, number one, what does, uh, what does, uh, let me ask you to number three.

81

00:04:42,580 --> 00:04:45,580

Number three, what does variety mean to you?

82

00:04:45,580 --> 00:04:47,580

It's an entertainment magazine.

83

00:04:47,580 --> 00:04:49,580

Does it mean anything else to you?

84

00:04:49,580 --> 00:04:55,580

Uh, yes, uh, one of its writers, uh, Frank Scully, is, uh, very interested in, uh, the...

85

00:04:55,580 --> 00:04:58,580

All right, number one, who said slump catch recently?

86

00:04:58,580 --> 00:04:59,580

Who said that?

87

00:04:59,580 --> 00:05:00,580

Dr. J. Allen, hi, Nick.

88

00:05:00,580 --> 00:05:02,580

You're the first number one consultant.

89

00:05:02,580 --> 00:05:07,580

Number two, uh, who coined the phrase UFO?

90

00:05:07,580 --> 00:05:09,580

Who first did it?

91

00:05:09,580 --> 00:05:15,580

Uh, this was part of, uh, you, it was about, uh, ten years ago when they, when they, uh,

92

00:05:15,580 --> 00:05:17,580

organized NICAB.

93

00:05:17,580 --> 00:05:19,580

Uh, number one...

94

00:05:19,580 --> 00:05:21,580

Oh, here you go.

95

00:05:21,580 --> 00:05:23,580

Uh, number one, who's Gerald Herre?

96

00:05:23,580 --> 00:05:27,580

Gerald Herre is the author of a book, is another world-watching.

97

00:05:27,580 --> 00:05:28,580

Thank you.

98

00:05:28,580 --> 00:05:32,580

Uh, number two, is your organization, uh, sponsored by the government in any way?

99

00:05:32,580 --> 00:05:33,580

No, it is not.

100

00:05:33,580 --> 00:05:38,580

In other words, number three, do you believe that the Air Force is trying to keep secrets

101

00:05:38,580 --> 00:05:41,580

from the general public and you are going to...

102

00:05:41,580 --> 00:05:42,580

I'm sure they are.

103

00:05:42,580 --> 00:05:43,580

You really think so?

104

00:05:43,580 --> 00:05:44,580

I do indeed.

105

00:05:44,580 --> 00:05:48,580

Uh, number one, in Gerald Herre's book, it was said that there will be great concentration

106

00:05:48,580 --> 00:05:51,580

of unidentified flying objects over four knots.

107

00:05:51,580 --> 00:05:52,580

For a while.

108

00:05:52,580 --> 00:05:53,580

Do you remember that?

109

00:05:53,580 --> 00:05:58,580

Yes, that was the case of which Kesson Thomas Mantell was killed chasing one of these objects.

110

00:05:58,580 --> 00:05:59,580

Right.

111

00:05:59,580 --> 00:06:05,580

Number two, were there any manifestations of burnings or anything in, in, uh, Michigan?

112

00:06:05,580 --> 00:06:07,580

Uh, I don't believe that.

113

00:06:07,580 --> 00:06:12,580

It's still under investigation if you're speaking of the, uh, Ann Arbor and the...

114

00:06:12,580 --> 00:06:13,580

Right.

115

00:06:13,580 --> 00:06:14,580

...next year.

116

00:06:14,580 --> 00:06:15,580

Right.

117

00:06:15,580 --> 00:06:16,580

Now that's...

118

00:06:16,580 --> 00:06:17,580

Mr. Wendell...

119

00:06:17,580 --> 00:06:18,580

That's all we have time for.

120

00:06:18,580 --> 00:06:19,580

We have time for our entire debate.

121

00:06:19,580 --> 00:06:23,580

Mr. Wendell, at least you made one spot of his goal and I just still not to wind up

122

00:06:23,580 --> 00:06:26,580

all the things we would like to find out about and wish we could.

123

00:06:26,580 --> 00:06:27,580

But it's time to vote now.

124

00:06:27,580 --> 00:06:28,580

So mark your ballots.

125

00:06:28,580 --> 00:06:29,580

There's a little panel.

126

00:06:29,580 --> 00:06:30,580

Mark them without any consultation.

127

00:06:30,580 --> 00:06:33,580

Which you might be tempted to do in this case at all.

128

00:06:33,580 --> 00:06:36,580

And of course, don't change what you have marked.

129

00:06:36,580 --> 00:06:39,580

Vote now for number one.

130

00:06:39,580 --> 00:06:41,580

Number two.

131

00:06:41,580 --> 00:06:44,580

R number three.

132

00:06:44,580 --> 00:06:49,580

These challenges will of course be \$250 for every incorrect vote.

133

00:06:49,580 --> 00:06:50,580

That's all, Mark.

134

00:06:50,580 --> 00:06:51,580

That's all.

135

00:06:51,580 --> 00:06:52,580

Very well.

136

00:06:52,580 --> 00:06:54,580

Time for whom did you vote?

137

00:06:54,580 --> 00:06:58,580

I vote for number one because he, uh, I mean...

138

00:06:58,580 --> 00:07:02,580

He's lack of hesitation about any of his answers.

139

00:07:02,580 --> 00:07:07,580

He even had too much information, but Josh, uh, he was great about, uh, selling his data

140

00:07:07,580 --> 00:07:08,580

like a soldier.

141

00:07:08,580 --> 00:07:09,580

Take a chance.

142

00:07:09,580 --> 00:07:16,580

Well, I voted for number three because he was very funny because he looked like a Marine.

143

00:07:16,580 --> 00:07:19,580

Or somebody around you, you know.

144

00:07:19,580 --> 00:07:23,580

I voted for number two because the name of the book that I signed up with is a real.

145

00:07:23,580 --> 00:07:25,580

I was on the team one and three.

146

00:07:25,580 --> 00:07:29,580

Three new Frank Scully, but I felt that one was...

147

00:07:29,580 --> 00:07:34,580

And one has just been cited.

148

00:07:34,580 --> 00:07:36,580

Can I talk about...

149

00:07:36,580 --> 00:07:37,580

I'm going to talk about...

150

00:07:37,580 --> 00:07:42,580

I voted for number one because he made up and his hands don't match his face.

151

00:07:42,580 --> 00:07:45,580

Uh, and if it was an ill one...

152

00:07:45,580 --> 00:07:47,580

Maybe they wouldn't do that.

153

00:07:47,580 --> 00:07:50,580

But on the other hand, we knew everything.

154

00:07:50,580 --> 00:07:53,580

And so I had to vote for number one.

155

00:07:53,580 --> 00:07:57,580

I liked the wrong Robin was born when you're getting there.

156

00:07:57,580 --> 00:08:00,580

But the thing that was, and any of that, the ones that are in the minds of me now

157

00:08:00,580 --> 00:08:03,580

let's find out now which one of these three can vote in who.

158

00:08:03,580 --> 00:08:05,580

You make your Donald deal.

159

00:08:05,580 --> 00:08:07,580

Will it be real?

160

00:08:07,580 --> 00:08:09,580

Make your Donald deal.

161

00:08:09,580 --> 00:08:10,580

Please.

162

00:08:10,580 --> 00:08:12,580

And...

163

00:08:12,580 --> 00:08:18,580

Ahhhh!

164

00:08:18,580 --> 00:08:24,580

If you let me ask you something, if I were to cite what I pretty well thought was the flying saucer,

165

00:08:24,580 --> 00:08:27,580

not a thing of my imagination, what should I do?

166

00:08:27,580 --> 00:08:34,580

A finger report to me or to our organization at 1536 Connecticut Avenue

167

00:08:34,580 --> 00:08:37,580

to play by anybody who would get voice in DC.

168

00:08:37,580 --> 00:08:40,580

Anyone who would like information on this subject.

169

00:08:40,580 --> 00:08:42,580

Thank you very much.

170

00:08:42,580 --> 00:08:43,580

Thanks.

171

00:08:43,580 --> 00:08:44,580

You find it what they are.

172

00:08:44,580 --> 00:08:46,580

We're close to it.

173

00:08:46,580 --> 00:08:50,580

Number two, what is your real name and what do you really do?

174

00:08:50,580 --> 00:08:52,580

I'm Walter Seymour Jr.

175

00:08:52,580 --> 00:08:58,580

and I'm a regional sales manager in the credit card division of American Express.

176

00:08:58,580 --> 00:08:59,580

I'm the same.

177

00:08:59,580 --> 00:09:01,580

You don't even know what you did there.

178

00:09:01,580 --> 00:09:02,580

I'm Donald Dillon.

179

00:09:02,580 --> 00:09:06,580

I'm an editor for United Express International.

180

00:09:06,580 --> 00:09:08,580

The battle almost came close now.

181

00:09:08,580 --> 00:09:15,580

The unanimous truth in this fact is that it was one incorrect and that's worth \$250 divided up to you gentlemen three ways.

182

00:09:15,580 --> 00:09:17,580

And we thank you for being with us.

183

00:09:17,580 --> 00:09:18,580

And it was a very exciting story.

184

00:09:18,580 --> 00:09:19,580

Good night.
