

1

00:00:00,000 --> 00:00:07,000

Hi, this is Sygens from the Webster Massachusetts Police Calling.

2

00:00:07,000 --> 00:00:12,600

We have a resident that's claiming they saw something today that they've never seen before

3

00:00:12,600 --> 00:00:14,840

in the Lake area.

4

00:00:14,840 --> 00:00:19,760

And I was just there and I took a statement from this individual and it seems to be okay,

5

00:00:19,760 --> 00:00:25,080

you know, not living in the future or the past or anything like that and very adamant

6

00:00:25,080 --> 00:00:27,360

about what they saw.

7

00:00:27,360 --> 00:00:31,800

A young man about 11 years old who's not in school today but he was home with his dad

8

00:00:31,800 --> 00:00:36,320

but his dad unfortunately was in a shower at the time he made his observation.

9

00:00:36,320 --> 00:00:39,520

They live on the lake, waterfront property.

10

00:00:39,520 --> 00:00:43,120

And he claims he was standing in his living room overlooking the lake through a large

11

00:00:43,120 --> 00:00:44,960

glass window.

12

00:00:44,960 --> 00:00:51,080

And about 30 feet from the shoreline he saw what he believed to be bubbles that come up

13

00:00:51,080 --> 00:00:53,280

through the water.

14

00:00:53,280 --> 00:00:58,560

And the bubbles became more prevalent as he watched and then came to a point like they

15

00:00:58,560 --> 00:01:03,600

were boiling in a circumference of about 15 feet.

16

00:01:03,600 --> 00:01:09,000

After 8 to 12 seconds of this boiling he saw an object come up out of the water and go

17

00:01:09,000 --> 00:01:11,080

straight up into the air.

18

00:01:11,080 --> 00:01:18,320

It was a circular colored, a circular shaped object, probably 12 to 15 feet in diameter

19

00:01:18,320 --> 00:01:26,000

about 4 to 5 feet in height and it was brown or black in color, real dark color.

20

00:01:26,000 --> 00:01:31,760

It wasn't spinning, it didn't make any noise and it just went right straight up until it

21

00:01:31,760 --> 00:01:33,920

went out of sight.

22

00:01:33,920 --> 00:01:38,560

And I talked to the kid at length, after he didn't see any TV shows concerning this type

23

00:01:38,560 --> 00:01:46,080

of thing or reading any books, he says no, he's a very intelligent kid, had no reason

24

00:01:46,080 --> 00:01:50,240

to believe he's not telling the truth.

25

00:01:50,240 --> 00:01:54,000

I've never dealt with anything like this before so I'm sure I didn't ask some of the

26

00:01:54,000 --> 00:01:59,320

right questions but he's not a kid that's living a fantasy life anyway, a very intelligent

27

00:01:59,320 --> 00:02:00,320

young man.

28

00:02:00,320 --> 00:02:05,880

He made this observation around 11 o'clock this morning.

29

00:02:05,880 --> 00:02:07,640

What was the city?

30

00:02:07,640 --> 00:02:08,640

Webster.

31

00:02:08,640 --> 00:02:09,640

Webster.

32

00:02:09,640 --> 00:02:12,000

What was the name of that place?

33

00:02:12,000 --> 00:02:16,600

Well we call it Webster Lake but it's Lake Chagargag, Manchagagag, Chabunga, Munga,

34

00:02:16,600 --> 00:02:17,600

Mon.

35

00:02:17,600 --> 00:02:18,600

Okay, that's the one.

36

00:02:18,600 --> 00:02:19,600

You've heard of that one?

37

00:02:19,600 --> 00:02:20,600

Oh yes, you've heard of that one.

38

00:02:20,600 --> 00:02:21,600

Good old Indian name, yeah.

39

00:02:21,600 --> 00:02:22,600

All right sir, thank you very much.

40

00:02:22,600 --> 00:02:23,600

We'll get a follow up, we'll let you know.

41

00:02:23,600 --> 00:02:24,600

Somebody will follow up on it?

42

00:02:24,600 --> 00:02:25,600

Sure.

43

00:02:25,600 --> 00:02:26,600

Okay.

44

00:02:26,600 --> 00:02:27,600

Thank you.

45

00:02:27,600 --> 00:02:28,600

What am I speaking to sir?

46

00:02:28,600 --> 00:02:29,600

Robert?

47

00:02:29,600 --> 00:02:30,600

Yeah.

48

00:02:30,600 --> 00:02:31,600

Gribble.

49

00:02:31,600 --> 00:02:32,600

G-R-I-B-B-L-E.

50

00:02:32,600 --> 00:02:33,600

G-R-I-B-B-L-E.

51

00:02:33,600 --> 00:02:38,600

And where are you located, Bob?

52

00:02:38,600 --> 00:02:39,600

Where in Seattle?

53

00:02:39,600 --> 00:02:40,600

National Reporting Center.

54

00:02:40,600 --> 00:02:41,600

Washington.

55

00:02:41,600 --> 00:02:42,600

Yes.

56

00:02:42,600 --> 00:02:43,600

Thank you very much.

57

00:02:43,600 --> 00:02:44,600

Thanks again.

58

00:02:44,600 --> 00:02:45,600

Yeah, bye now.

59

00:02:45,600 --> 00:02:46,600

Bye.

60

00:02:46,600 --> 00:02:47,600

Bye.
