

1

00:00:00,000 --> 00:00:03,000

You have a reporting center?

2

00:00:03,000 --> 00:00:05,000

Calling from Los Angeles.

3

00:00:05,000 --> 00:00:06,000

Yes.

4

00:00:06,000 --> 00:00:11,000

I've got to make this fairly short because I've got to get back to my doctors at 2.30.

5

00:00:11,000 --> 00:00:16,000

The FAA and the Air Force gave me this number.

6

00:00:16,000 --> 00:00:17,000

Yes.

7

00:00:17,000 --> 00:00:21,000

And I'd like to report something that happened to my girlfriend and I last night to Panga Canyon.

8

00:00:21,000 --> 00:00:23,000

Okay, would you describe it please?

9

00:00:23,000 --> 00:00:31,000

And by the way, we called the Malibu police and they said that three other people had reported similar things.

10

00:00:31,000 --> 00:00:33,000

It's nothing that's part imagining.

11

00:00:33,000 --> 00:00:34,000

Okay.

12

00:00:34,000 --> 00:00:41,000

We were driving up Coast Highway number one, Pacific Coast Highway.

13

00:00:41,000 --> 00:00:42,000

Are you familiar with that area?

14

00:00:42,000 --> 00:00:43,000

Yes, I am.

15

00:00:43,000 --> 00:00:49,000

And we backtracked and went inside to go up to Panga Canyon Road, which is a...

16

00:00:49,000 --> 00:00:53,000

It goes pretty high up into the Canyon Country.

17

00:00:53,000 --> 00:00:55,000

Do you know where Panga Canyon is?

18

00:00:55,000 --> 00:00:56,000

Yes.

19

00:00:56,000 --> 00:00:57,000

Okay.

20

00:00:57,000 --> 00:01:03,000

There's a place where old Panga Canyon goes to...

21

00:01:03,000 --> 00:01:05,000

New Panga Canyon is.

22

00:01:05,000 --> 00:01:09,000

There's a real high ledge that goes deep, deep down.

23

00:01:09,000 --> 00:01:11,000

You overlook the canyon.

24

00:01:11,000 --> 00:01:12,000

Okay.

25

00:01:12,000 --> 00:01:17,000

At any rate, it gets weirder as it goes on.

26

00:01:17,000 --> 00:01:32,000

Out of nowhere, appeared over our car a brilliant, brilliant, brilliant light that was hovering

about, I'd say, 50 feet on top of our car.

27

00:01:32,000 --> 00:01:33,000

Okay.

28

00:01:33,000 --> 00:01:42,000

And at first we thought it was a helicopter, a police helicopter or something, except that we realized that we didn't hear any sound.

29

00:01:42,000 --> 00:01:47,000

And we looked up and we could see clearly the defined shape of a...

30

00:01:47,000 --> 00:01:51,000

A pie-shaped object, a saucer.

31

00:01:51,000 --> 00:01:53,000

I mean, I hate to use that term.

32

00:01:53,000 --> 00:01:54,000

Okay.

33

00:01:54,000 --> 00:01:55,000

A saucer type object.

34

00:01:55,000 --> 00:01:57,000

There was a rim.

35

00:01:57,000 --> 00:01:58,000

We could see a rim.

36

00:01:58,000 --> 00:02:06,000

And then within the rim was this just one big, brilliant, brilliant light that kept shining on our car.

37

00:02:06,000 --> 00:02:07,000

Okay.

38

00:02:07,000 --> 00:02:08,000

Was this like a beam of light?

39

00:02:08,000 --> 00:02:09,000

Yes.

40

00:02:09,000 --> 00:02:10,000

Okay.

41

00:02:10,000 --> 00:02:13,000

Was that in the form of a beam or a cone?

42

00:02:13,000 --> 00:02:20,000

Um, it was a wide cone.

43

00:02:20,000 --> 00:02:21,000

Okay.

44

00:02:21,000 --> 00:02:23,000

A wide cone.

45

00:02:23,000 --> 00:02:24,000

Okay.

46

00:02:24,000 --> 00:02:28,000

Levered, or I'd say a good, maybe 50 feet in diameter.

47

00:02:28,000 --> 00:02:29,000

Okay.

48

00:02:29,000 --> 00:02:31,000

But it was very, very bright.

49

00:02:31,000 --> 00:02:37,000

At any rate, we turned the car around and we decided to go back down the canyon and this damn thing kept following us.

50

00:02:37,000 --> 00:02:43,000

It kept...at the speed we were going, at the same speed we were going, it was following us.

51

00:02:43,000 --> 00:02:48,000

It was above our car, about 50 feet, I'd say.

52

00:02:48,000 --> 00:02:50,000

And we kept looking up and it kept...it was there.

53

00:02:50,000 --> 00:02:52,000

And if we would go faster, it would go faster.

54

00:02:52,000 --> 00:02:55,000

If we would slow down, it would slow down.

55

00:02:55,000 --> 00:02:59,000

And we had the distinct impression that it was pursuing us.

56

00:02:59,000 --> 00:03:10,000

The only noise that I could...I felt that we could hear was the sound that a transformer would make.

57

00:03:10,000 --> 00:03:11,000

Like a hum.

58

00:03:11,000 --> 00:03:12,000

All right.

59

00:03:12,000 --> 00:03:13,000

A high-pitched hum.

60

00:03:13,000 --> 00:03:14,000

Okay.

61

00:03:14,000 --> 00:03:19,000

Then I told my girlfriend, we'd better get out of here.

62

00:03:19,000 --> 00:03:28,000

So I accelerated the car, but you gotta be very careful not to pan the canyon because it's a very windy...it's a very windy road.

63

00:03:29,000 --> 00:03:35,000

And when I tried to accelerate the car, my engine went out.

64

00:03:35,000 --> 00:03:37,000

The lights went out, everything went out.

65

00:03:37,000 --> 00:03:38,000

Okay.

66

00:03:38,000 --> 00:03:43,000

And we got out of the car thinking that we were going to run away.

67

00:03:43,000 --> 00:03:47,000

I'm telling you, my girlfriend was almost to the state of hysteria.

68

00:03:47,000 --> 00:03:54,000

In fact, later on, we went to see the Sinai Emergency Room when I got home, when we got to our home here.

69

00:03:55,000 --> 00:04:00,000

When we got out of the car, we got even a better look at it.

70

00:04:00,000 --> 00:04:03,000

We saw that it was not a helicopter.

71

00:04:05,000 --> 00:04:16,000

And within, I'd say, seconds, it just went straight up in the air and as quickly as it appeared, that's how quickly it vanished.

72

00:04:16,000 --> 00:04:17,000

Okay.

73

00:04:17,000 --> 00:04:27,000

And anyway, we got back into the car and the car started and we got down to the coast highway.

74

00:04:27,000 --> 00:04:33,000

We came home to Los Angeles and my girlfriend was very, very shaken up.

75

00:04:33,000 --> 00:04:35,000

She's a nurse, I'm an accountant.

76

00:04:37,000 --> 00:04:46,000

We went to see the Sinai Emergency Room and we had broken up in blisters on the backs of our hands.

77

00:04:46,000 --> 00:04:51,000

My girlfriend, where she was wearing a necklace, you could see the mark where the necklace was.

78

00:04:51,000 --> 00:04:52,000

I wear glasses.

79

00:04:52,000 --> 00:04:56,000

You could see on my face the glass mark.

80

00:04:57,000 --> 00:05:03,000

And we have a very nauseous all night in diarrhea.

81

00:05:05,000 --> 00:05:08,000

Okay, was that like a bad sunburn?

82

00:05:08,000 --> 00:05:09,000

Yes.

83

00:05:09,000 --> 00:05:10,000

Okay.

84

00:05:11,000 --> 00:05:13,000

Yes, it's like a bad sunburn, but it's weeping.

85

00:05:13,000 --> 00:05:15,000

They're weeping blisters.

86

00:05:15,000 --> 00:05:16,000

Okay.

87

00:05:16,000 --> 00:05:19,000

And I sure didn't have it.

88

00:05:19,000 --> 00:05:22,000

We didn't have this when we went out.

89

00:05:22,000 --> 00:05:36,000

But anyway, we did call the Malibu police when we got home and they said that three other people

had called concerning similar incidents that evening.

90

00:05:36,000 --> 00:05:37,000

In the same area?

91

00:05:37,000 --> 00:05:40,000

In the same area, the Tanga Canyon area.

92

00:05:40,000 --> 00:05:43,000

There was an officer burned that I had spoken with.

93

00:05:43,000 --> 00:05:44,000

Okay.

94

00:05:45,000 --> 00:05:53,000

And we're going to go back to the doctor today at 2.30 so I can't stay too long and I don't want to get terribly involved with the...

95

00:05:53,000 --> 00:05:55,000

Even the doctor said I should...

96

00:05:55,000 --> 00:05:57,000

I could report this.

97

00:05:57,000 --> 00:06:06,000

I'm not prone to these far out situations, sir, but it was the most amazing thing I've ever seen in my life.

98

00:06:06,000 --> 00:06:07,000

It was really quite frightening.

99

00:06:07,000 --> 00:06:08,000

Okay.

100

00:06:08,000 --> 00:06:09,000

That was your girlfriend at RN?

101

00:06:09,000 --> 00:06:11,000

Yes, she's a registered nurse.

102

00:06:11,000 --> 00:06:13,000

What time did that occur?

103

00:06:13,000 --> 00:06:17,000

It occurred, I would say approximately at 12.30 in the evening.

104

00:06:17,000 --> 00:06:19,000

That's this morning?

105

00:06:19,000 --> 00:06:20,000

Yes.

106

00:06:20,000 --> 00:06:22,000

My girlfriend works at the Wadsworth Veterans Hospital.

107

00:06:22,000 --> 00:06:24,000

Okay.

108

00:06:25,000 --> 00:06:27,000

What was the name of that Veterans Hospital?

109

00:06:27,000 --> 00:06:29,000

The Wadsworth Veterans Hospital.

110

00:06:29,000 --> 00:06:30,000

Okay.

111

00:06:30,000 --> 00:06:33,000

Do you have any estimate of the diameter of the object?

112

00:06:33,000 --> 00:06:35,000

It was about 50 feet in diameter.

113

00:06:35,000 --> 00:06:36,000

Okay.

114

00:06:37,000 --> 00:06:41,000

Now, do you remember the color of that cone of light?

115

00:06:43,000 --> 00:06:44,000

White.

116

00:06:44,000 --> 00:06:45,000

Okay.

117

00:06:46,000 --> 00:06:48,000

White was...

118

00:06:48,000 --> 00:06:52,000

But there was some blue around the edges.

119

00:06:54,000 --> 00:07:00,000

Okay, now when you were exposed to that beam of light, did you detect any change of temperature?

120

00:07:02,000 --> 00:07:04,000

No, but our skin tingled.

121

00:07:04,000 --> 00:07:05,000

Okay.

122

00:07:05,000 --> 00:07:10,000

It felt like there was a little electrical feeling in your skin.

123

00:07:10,000 --> 00:07:11,000

Okay.

124

00:07:12,000 --> 00:07:16,000

And then from a brief moment to tell you that neither of us even could remember what happened.

125

00:07:16,000 --> 00:07:18,000

It was almost as if we had blacked out.

126

00:07:20,000 --> 00:07:23,000

But you feel that that was a very short duration?

127

00:07:23,000 --> 00:07:24,000

I think so.

128

00:07:24,000 --> 00:07:25,000

I have no way of knowing.

129

00:07:25,000 --> 00:07:26,000

Okay.

130

00:07:28,000 --> 00:07:32,000

Did you detect any unusual odors at the time?

131

00:07:32,000 --> 00:07:34,000

Come to think of it, yeah.

132

00:07:36,000 --> 00:07:40,000

I would say like burnt cinnamon.

133

00:07:40,000 --> 00:07:41,000

Okay.

134

00:07:42,000 --> 00:07:45,000

Did you have any trouble restarting your car?

135

00:07:48,000 --> 00:07:51,000

At that point, I can't tell you the truth, I can't remember.

136

00:07:51,000 --> 00:07:52,000

Okay.

137

00:07:52,000 --> 00:07:53,000

I don't know.

138

00:07:53,000 --> 00:07:54,000

I think maybe...

139

00:07:54,000 --> 00:07:55,000

I don't know.

140

00:07:55,000 --> 00:07:56,000

I don't know.

141

00:07:56,000 --> 00:07:57,000

I don't know.

142

00:07:57,000 --> 00:07:58,000

I don't know.

143

00:07:58,000 --> 00:07:59,000

I don't know.

144

00:07:59,000 --> 00:08:04,000

I think maybe a couple clicks have started.

145

00:08:04,000 --> 00:08:05,000

I can't remember.

146

00:08:05,000 --> 00:08:06,000

Okay.

147

00:08:06,000 --> 00:08:10,000

Have you seen any other problems with the car since you got home?

148

00:08:10,000 --> 00:08:11,000

No.

149

00:08:11,000 --> 00:08:12,000

Okay.

150

00:08:12,000 --> 00:08:17,000

Now, were there any other unusual physical traces with you or your lady friend?

151

00:08:17,000 --> 00:08:18,000

No.

152

00:08:18,000 --> 00:08:19,000

Okay.

153

00:08:23,000 --> 00:08:27,000

And how long do you feel this entire incident went on?

154

00:08:29,000 --> 00:08:32,000

I feel that it followed us for about 10 minutes.

155

00:08:32,000 --> 00:08:33,000

Okay.

156

00:08:33,000 --> 00:08:37,000

And then out of the car, maybe a minute or so.

157

00:08:38,000 --> 00:08:44,000

But when we were out of the cars, I kind of lost track of what was going on for a while.

158

00:08:44,000 --> 00:08:45,000

Okay.

159

00:08:47,000 --> 00:08:49,000

Do other people report things like this?

160

00:08:49,000 --> 00:08:50,000

Yes, sir.

161

00:08:50,000 --> 00:08:51,000

They sure have.

162

00:08:51,000 --> 00:08:53,000

They've been reporting them for years.

163

00:08:53,000 --> 00:08:56,000

Now, what was the name of the doctor you were going to?

164

00:08:56,000 --> 00:09:01,000

Well, we went to the Cedar Sanay Emergency Room and I don't recall the name of the doctor.

165

00:09:01,000 --> 00:09:02,000

Okay.

166

00:09:02,000 --> 00:09:03,000

Okay.

167

00:09:03,000 --> 00:09:09,000

Because of my job, I really don't want to get very visible because when you talk about

168

00:09:09,000 --> 00:09:12,000

this to people, we are going to go see a psychiatrist.

169

00:09:12,000 --> 00:09:16,000

I mean, we weren't hallucinating.

170

00:09:16,000 --> 00:09:19,000

I didn't make this rash up.

171

00:09:19,000 --> 00:09:20,000

Yes.

172

00:09:20,000 --> 00:09:22,000

Okay, could I get your name?

173

00:09:22,000 --> 00:09:24,000

Sir, I don't want to give my name.

174

00:09:24,000 --> 00:09:25,000

Okay.

175

00:09:25,000 --> 00:09:28,000

So, what's the way we can kind of get back to you if we need more information?

176

00:09:28,000 --> 00:09:31,000

Well, what more information would you need?

177

00:09:31,000 --> 00:09:34,000

I'm going to go back to the doctors.

178

00:09:34,000 --> 00:09:36,000

I can't call you back.

179

00:09:36,000 --> 00:09:40,000

It's just that my wife, my girlfriend has a governmental job.

180

00:09:40,000 --> 00:09:41,000

All right.

181

00:09:41,000 --> 00:09:49,000

You've got to understand, this is such high-strangeness that people tend, if it gets out, they tend

182

00:09:49,000 --> 00:09:52,000

to look at you as if you're weird or something.

183

00:09:52,000 --> 00:09:54,000

I understand.

184

00:09:54,000 --> 00:09:55,000

Okay.

185

00:09:55,000 --> 00:10:01,000

What we'd like to do after you visit your doctor, if you feel like it, we'd like to hear what

186

00:10:01,000 --> 00:10:04,000

his diagnosis of the injuries is.

187

00:10:04,000 --> 00:10:09,000

What do they do with all this stuff?

188

00:10:09,000 --> 00:10:12,000

What do we do with it?

189

00:10:12,000 --> 00:10:20,000

Well, we compare it with other similar cases over the past years, which gives us a basis

190

00:10:20,000 --> 00:10:24,000

for determining the reality of what is going on.

191

00:10:24,000 --> 00:10:28,000

Is this something that the government is doing?

192

00:10:28,000 --> 00:10:29,000

No.

193

00:10:29,000 --> 00:10:37,000

No, this type of incident has occurred off and on throughout the United States and overseas

194

00:10:37,000 --> 00:10:42,000

for the last 40 years.

195

00:10:42,000 --> 00:10:49,000

I've read about things like this, but reading it is one thing, but when you see it firsthand,

196

00:10:49,000 --> 00:10:51,000

I don't know how to explain it.

197

00:10:51,000 --> 00:10:53,000

I don't know how to explain it.

198

00:10:53,000 --> 00:10:55,000

It can be very traumatic.

199

00:10:55,000 --> 00:10:58,000

And other people do call you?

200

00:10:58,000 --> 00:10:59,000

Oh, yes.

201

00:10:59,000 --> 00:11:05,000

We get ravaged about six calls or six reports a day right now, and that's very, very quiet.

202

00:11:05,000 --> 00:11:09,000

We cover all of North America.

203

00:11:09,000 --> 00:11:14,000

What is this thought to be?

204

00:11:14,000 --> 00:11:18,000

Well, there's, of course, three or four different theories.

205

00:11:18,000 --> 00:11:23,000

My own personal opinion is that these are objects coming in from outer space.

206

00:11:23,000 --> 00:11:29,000

I've been studying this subject for 36 years.
