

1

00:00:00,000 --> 00:00:03,160

Did you want to make a report?

2

00:00:03,160 --> 00:00:04,160

Yes, okay.

3

00:00:04,160 --> 00:00:06,560

Okay, first give us the description of what you saw.

4

00:00:06,560 --> 00:00:08,060

Okay, I didn't see it.

5

00:00:08,060 --> 00:00:09,960

Okay, this has been reported to me.

6

00:00:09,960 --> 00:00:11,560

This is the Egremont Police Department?

7

00:00:11,560 --> 00:00:12,560

Yes.

8

00:00:12,560 --> 00:00:14,080

Okay, in Egremont, Massachusetts.

9

00:00:14,080 --> 00:00:15,080

Yes.

10

00:00:15,080 --> 00:00:25,040

Okay, briefly what she saw was she was awakened by a bright light and a loud noise outside

11

00:00:25,040 --> 00:00:28,720

her house at approximately 8 a.m.

12

00:00:28,720 --> 00:00:29,720

This morning?

13

00:00:29,720 --> 00:00:30,720

Sunday morning.

14

00:00:30,720 --> 00:00:31,720

Sunday, okay.

15

00:00:31,720 --> 00:00:34,720

She was embarrassed to report it.

16

00:00:34,720 --> 00:00:35,720

Okay.

17

00:00:35,720 --> 00:00:42,240

Okay, and she experienced, she thought what was a dream, I don't know, she explained the

18

00:00:42,240 --> 00:00:46,080

phenomenon as she woke up with a pain in her side.

19

00:00:46,080 --> 00:00:51,560

Okay, and then she noticed she had been, I don't know, she had like a cut or something

20

00:00:51,560 --> 00:00:53,200

on her chest area.

21

00:00:53,200 --> 00:00:54,200

Okay.

22

00:00:54,200 --> 00:00:58,680

Okay, and she got up and she put on her shoes and her shoes.

23

00:00:58,680 --> 00:01:02,560

Her shoes were wet and she didn't remember leaving the house for the night.

24

00:01:02,560 --> 00:01:07,600

For some reason she walked up into the area where she seemed to light and she seemed a

25

00:01:07,600 --> 00:01:11,720

triangular, I don't know what she'd call it, I just went up and looked at it with another

26

00:01:11,720 --> 00:01:12,720

police officer.

27

00:01:12,720 --> 00:01:24,120

I describe it as a area in the grass with three triangular spots on the grass.

28

00:01:24,120 --> 00:01:25,640

I got the impressions.

29

00:01:25,640 --> 00:01:26,640

Right.

30

00:01:26,640 --> 00:01:28,840

It would be an impression, but it's not a deep impression.

31

00:01:28,840 --> 00:01:30,880

It's grass is soft, okay.

32

00:01:30,880 --> 00:01:35,160

It would be the grasses down in those three spots and the grasses discolored to a white

33

00:01:35,160 --> 00:01:36,160

color.

34

00:01:36,160 --> 00:01:37,160

Okay.

35

00:01:37,160 --> 00:01:38,660

Okay.

36

00:01:38,660 --> 00:01:44,760

We measured the spots, they're all approximately 16 inches in diameter.

37

00:01:44,760 --> 00:01:47,360

The three of them.

38

00:01:47,360 --> 00:01:48,360

Yes.

39

00:01:48,360 --> 00:01:52,600

And from center to center measured, it is exactly 10 feet, four inches.

40

00:01:52,600 --> 00:01:53,600

Okay.

41

00:01:54,560 --> 00:01:56,680

I did take some of the grass as a sample.

42

00:01:56,680 --> 00:01:59,320

I probably shouldn't have touched it with my hands, but I did.

43

00:01:59,320 --> 00:02:01,320

They burned out, I'm going to sue you.

44

00:02:01,320 --> 00:02:04,320

I'll be screaming, nananananana.

45

00:02:04,320 --> 00:02:11,320

But she reports that last night, the next night I guess it was, the night after this,

46

00:02:11,320 --> 00:02:21,240

sort of the Monday night, she did see in the sky a flat shaped object, okay, with all different

47

00:02:21,240 --> 00:02:22,880

colorations of lights on them.

48

00:02:23,160 --> 00:02:24,160

Okay.

49

00:02:24,160 --> 00:02:27,240

Okay, she was embarrassed to report them, but finally convinced them.

50

00:02:27,240 --> 00:02:34,240

We took pictures of the, of the indentations in the grass, the discoloration in the grass

51

00:02:34,240 --> 00:02:36,600

and also did the measuring of course.

52

00:02:36,600 --> 00:02:38,600

Now file a report here.

53

00:02:38,600 --> 00:02:40,600

Could I get your name?

54

00:02:40,600 --> 00:02:41,600

Sure, it's Cheat.

55

00:02:41,600 --> 00:02:43,600

And your number there?

56

00:02:43,600 --> 00:02:44,600

Okay.

57

00:02:44,600 --> 00:02:45,600

And it's the Egremont Police Department.

58

00:02:45,600 --> 00:02:46,600

That's E-G-R-E-M-O-N-T.

59

00:02:46,600 --> 00:02:47,600

Egremont, Massachusetts.

60

00:02:47,600 --> 00:02:48,600

Okay.

61

00:02:48,600 --> 00:02:51,600

I know you had a report nearby here.

62

00:02:51,600 --> 00:02:54,600

I don't know if you took the report or who it was reported to Columbia County, New York

63

00:02:54,600 --> 00:02:55,600

the other night.

64

00:02:55,600 --> 00:02:56,600

Okay.

65

00:02:56,600 --> 00:02:57,600

Okay.

66

00:02:57,600 --> 00:03:00,600

Somebody, it was on the radio that somebody reported the sighting.

67

00:03:00,600 --> 00:03:01,600

Okay.

68

00:03:01,600 --> 00:03:07,600

Okay, we appreciate your reporting that and I wonder though, I wonder, you know, to have

69

00:03:07,600 --> 00:03:09,600

somebody look at that, who would I get in touch with?

70

00:03:09,600 --> 00:03:11,600

Well, we'll not apologize.

71

00:03:11,600 --> 00:03:16,600

And if they've got people in that area, they'll be there right away.

72

00:03:16,600 --> 00:03:17,600

Tonight or tomorrow?

73

00:03:17,600 --> 00:03:18,600

Probably tomorrow, yes.

74

00:03:18,600 --> 00:03:19,600

Right.

75

00:03:19,600 --> 00:03:20,600

Okay.

76

00:03:20,600 --> 00:03:21,600

But they'll call ahead of time, make some kind of appointment.

77

00:03:21,600 --> 00:03:24,600

Okay, listen, have them, I would prefer they got in touch with me first.

78

00:03:24,600 --> 00:03:27,600

She's pretty quite embarrassed over it and everything and I can probably sue things for it.

79

00:03:27,600 --> 00:03:30,600

Because she's got a kennel there with a lot of German shepherds and she's afraid everybody's

80

00:03:30,600 --> 00:03:32,600

going to be running wild up there.

81

00:03:32,600 --> 00:03:33,600

Okay, we'll do.

82

00:03:33,600 --> 00:03:34,600

Okay.

83

00:03:34,600 --> 00:03:35,600

Okay.

84

00:03:35,600 --> 00:03:36,600

Okay.

85

00:03:36,600 --> 00:03:37,600

Thanks for your help.

86

00:03:37,600 --> 00:03:38,600

Bye.
