

1

00:00:00,000 --> 00:00:07,000

Yes, I've got your number from March Air Force Base.

2

00:00:07,000 --> 00:00:08,000

Yes.

3

00:00:08,000 --> 00:00:10,000

I live in Ansa, California.

4

00:00:10,000 --> 00:00:11,000

Yes.

5

00:00:11,000 --> 00:00:18,000

And, you know, I've never had any of these things, experiences, or seen anything like

6

00:00:18,000 --> 00:00:20,000

this, and that's why I'm really concerned about this.

7

00:00:20,000 --> 00:00:24,000

There's a couple of them last week, twice in one week.

8

00:00:24,000 --> 00:00:28,000

My daughter, in fact, that's six years old, has seen this weird thing.

9

00:00:28,000 --> 00:00:32,000

But I was talking to March Air Force Base, but I'm really kind of concerned, is it their

10

00:00:32,000 --> 00:00:34,000

helicopters or is it not?

11

00:00:34,000 --> 00:00:38,000

Because I was telling my husband about the things I was seeing, and he said, oh, there's

12

00:00:38,000 --> 00:00:42,000

something March Air Force is doing, and I called and said they weren't.

13

00:00:42,000 --> 00:00:49,000

And today the newspaper came out, our newspaper, our town came out with UFO sighted in Ansa.

14

00:00:49,000 --> 00:00:52,000

So I'm not the only person, but I've never said anything to anyone, because I don't

15

00:00:52,000 --> 00:00:55,000

want to know and think I'm crazy, you know?

16

00:00:55,000 --> 00:01:00,000

And this is really weird, because it's like two days apart of seeing these things, and

17

00:01:00,000 --> 00:01:01,000

it's really weird.

18

00:01:01,000 --> 00:01:04,000

It's hovering right to the back of my property.

19

00:01:04,000 --> 00:01:06,000

This weird thing up in the sky.

20

00:01:06,000 --> 00:01:08,000

Okay, what does it look like?

21

00:01:08,000 --> 00:01:13,000

Well, what I've seen, my daughter spotted it out to me as we were driving up a road in

22

00:01:13,000 --> 00:01:18,000

the sky with a very bright light, unusual color, it looked like a golden, they called it the

23

00:01:18,000 --> 00:01:21,000

golden star, orange gold color.

24

00:01:21,000 --> 00:01:27,000

And then I was just stunned by it, and I was just staring at it, stopped in my vehicle,

25

00:01:27,000 --> 00:01:29,000

and it started to move.

26

00:01:29,000 --> 00:01:31,000

It was real weird.

27

00:01:31,000 --> 00:01:37,000

It was like moving real slow, I mean very, very slow, and it had lights down each side of it,

28

00:01:37,000 --> 00:01:39,000

like a triangle.

29

00:01:39,000 --> 00:01:40,000

Yes.

30

00:01:40,000 --> 00:01:44,000

And then next thing I know, and I didn't take my eyes off the damn thing, it was gone.

31

00:01:44,000 --> 00:01:46,000

It was just gone, and I got scared.

32

00:01:46,000 --> 00:01:48,000

I just hauled, I was real close to my house.

33

00:01:48,000 --> 00:01:53,000

I just gasped it, I got in my house, and I was just really scared.

34

00:01:53,000 --> 00:01:55,000

And my husband was watching a baseball game.

35

00:01:55,000 --> 00:01:59,000

I didn't want to call him where he was at because I didn't want to feel like an aunt.

36

00:01:59,000 --> 00:02:04,000

But this is a really weird thing, because my daughter, two days later, I was on the telephone,

37

00:02:04,000 --> 00:02:06,000

I went and to her, hello?

38

00:02:06,000 --> 00:02:07,000

Yes.

39

00:02:07,000 --> 00:02:08,000

Are you there?

40

00:02:08,000 --> 00:02:09,000

Yes.

41

00:02:09,000 --> 00:02:13,000

Anyways, and she was looking out the window, and I didn't paint it in her.

42

00:02:13,000 --> 00:02:16,000

Can you hold on a minute, it's another line, otherwise it'll bug me.

43

00:02:16,000 --> 00:02:17,000

Sure.

44

00:02:17,000 --> 00:02:18,000

Thank you.

45

00:02:18,000 --> 00:02:24,000

Anyways, and I had been painting attention to her, and she said, there it goes.

46

00:02:24,000 --> 00:02:26,000

And I said, what was it, Monique?

47

00:02:26,000 --> 00:02:28,000

Because I just hung up the phone, I was walking into my living room.

48

00:02:28,000 --> 00:02:31,000

She said, I don't know, it was weird looking, it was funny, Mommy.

49

00:02:31,000 --> 00:02:34,000

And I didn't paint any more attention to it.

50

00:02:34,000 --> 00:02:36,000

I thought, God, this is too much, I got kind of spooked.

51

00:02:36,000 --> 00:02:40,000

And then I said, Vic, you know, I'm getting really serious about, to talk to you about something.

52

00:02:40,000 --> 00:02:41,000

Don't think I'm nuts.

53

00:02:41,000 --> 00:02:45,000

And so I was talking to her about it, and he stabbed my daughter down, she's six years old.

54

00:02:45,000 --> 00:02:50,000

She's not an imaginator, she's a bright child.

55

00:02:50,000 --> 00:02:54,000

And he sat her down and had her draw him a picture.

56

00:02:54,000 --> 00:02:58,000

And the picture he drew her is just a defensive character.

57

00:02:58,000 --> 00:03:05,000

It was like, God, maybe whatever that was, we've seen the first time, or something two days later came back.

58

00:03:05,000 --> 00:03:11,000

In the same area, and it was round what she drew, with a square opening to the bottom of it.

59

00:03:11,000 --> 00:03:17,000

And she said, these things, I watched them come out, Mommy, and they were long, and they were round at the bottom.

60

00:03:17,000 --> 00:03:22,000

And it had, she's draw balls all around the thing as lights.

61

00:03:22,000 --> 00:03:24,000

She said they were golden lights.

62

00:03:24,000 --> 00:03:28,000

I mean, that something was launched from this object?

63

00:03:28,000 --> 00:03:30,000

Yeah, something came out of it.

64

00:03:30,000 --> 00:03:34,000

She's not a liar, she's not an imaginator, she's a very good daughter.

65

00:03:34,000 --> 00:03:38,000

I mean, I'm not seated about my daughter, but I'm just trying to tell you the time it's allowed to you.

66

00:03:38,000 --> 00:03:44,000

And it shocked me, I'm really shocked, because here, my husband says, you're not crazy, because look at the newspaper.

67

00:03:44,000 --> 00:03:53,000

He knew I'd be shocked, and it says UFO sighted in ANSA, and it says all the dates and the time, and it's exact times, exact dates of what I've been seeing.

68

00:03:53,000 --> 00:04:02,000

And I talked to Mark Air Force Base, and they said, well, President Reagan and Bush was down in this area.

69

00:04:02,000 --> 00:04:11,000

And there was special aircraft, they were helicopters that were patrolling the air all last week.

70

00:04:11,000 --> 00:04:15,000

And he said, maybe it could be nothing more than that.

71

00:04:15,000 --> 00:04:19,000

And I said, I don't know, but my daughter drew me a picture, and I'm just stunned.

72

00:04:19,000 --> 00:04:24,000

She don't know the last thing about UFOs, Martians, weird ship.

73

00:04:24,000 --> 00:04:27,000

She can identify an airplane and identify a helicopter.

74

00:04:27,000 --> 00:04:29,000

We have them all around us.

75

00:04:29,000 --> 00:04:33,000

We got Mark Air Force Base, the flights are big planes right through our valley.

76

00:04:33,000 --> 00:04:36,000

Okay, when did she see this one that launched an object?

77

00:04:36,000 --> 00:04:39,000

She's seen it, what is it today?

78

00:04:39,000 --> 00:04:43,000

Friday, it was last Monday.

79

00:04:43,000 --> 00:04:45,000

24th.

80

00:04:45,000 --> 00:04:48,000

It was last Monday, and it's...

81

00:04:48,000 --> 00:04:50,000

About what time?

82

00:04:50,000 --> 00:04:53,000

It was evening. It was about 8.30, 9 o'clock.

83

00:04:53,000 --> 00:04:54,000

Okay.

84

00:04:54,000 --> 00:04:56,000

In the evening.

85

00:04:56,000 --> 00:04:59,000

Did she say how many objects were launched from it?

86

00:04:59,000 --> 00:05:01,000

Two. She said there was two.

87

00:05:01,000 --> 00:05:06,000

She said one was coming out, one was out, you know, and the one was coming out.

88

00:05:06,000 --> 00:05:08,000

She only drew two.

89

00:05:08,000 --> 00:05:11,000

And she called them the color of...

90

00:05:11,000 --> 00:05:15,000

She said, mommy, I couldn't see the color, but the bottom thing was golden.

91

00:05:15,000 --> 00:05:17,000

And so it's round what she's drawing.

92

00:05:17,000 --> 00:05:20,000

It's a long thing, and it's round and it's lit up apparently.

93

00:05:20,000 --> 00:05:22,000

You mean it's like a tube?

94

00:05:22,000 --> 00:05:23,000

It's a tube.

95

00:05:23,000 --> 00:05:24,000

Okay.

96

00:05:24,000 --> 00:05:27,000

And she said, I'm going to go down to the round object at the end of this tube.

97

00:05:27,000 --> 00:05:29,000

She's telling me.

98

00:05:29,000 --> 00:05:31,000

So I'm going to be my husband, and we kept the thing.

99

00:05:31,000 --> 00:05:34,000

I said, Vic, I'm going to go down my term for it based on telling her.

100

00:05:34,000 --> 00:05:37,000

Was this close to her?

101

00:05:37,000 --> 00:05:39,000

She said it was close.

102

00:05:39,000 --> 00:05:42,000

You see, we have a three and a half acre parcel.

103

00:05:42,000 --> 00:05:43,000

Yes.

104

00:05:43,000 --> 00:05:52,000

And our house is in the front of the parcel, and it was across in the parcel next to us,

105

00:05:52,000 --> 00:05:56,000

and she pointed up in the air, and she said, daddy said, how far?

106

00:05:56,000 --> 00:05:58,000

Still, five feet, but she doesn't know footage.

107

00:05:58,000 --> 00:06:00,000

She's guessing.

108

00:06:00,000 --> 00:06:05,000

But she pointed directly to the same places where we've seen it the last time.

109

00:06:05,000 --> 00:06:07,000

And that's what really bothers me.

110

00:06:07,000 --> 00:06:09,000

It really scares me.

111

00:06:09,000 --> 00:06:12,000

Was there any estimate of distance between her and Vic?

112

00:06:12,000 --> 00:06:14,000

No, she couldn't identify really.

113

00:06:14,000 --> 00:06:16,000

She said, it was just right there, daddy.

114

00:06:16,000 --> 00:06:18,000

Just right there, sitting.

115

00:06:18,000 --> 00:06:22,000

And it's just really weird, because I moved in this house two years ago,

116

00:06:22,000 --> 00:06:26,000

and she was four at the time, and she was looking out our front window,

117

00:06:26,000 --> 00:06:30,000

and I paid no mind to her again, which I swear I'd never do again.

118

00:06:30,000 --> 00:06:33,000

And she kept yelling for me from the kitchen,

119

00:06:33,000 --> 00:06:36,000

mommy, mommy, come here, come here, look at this thing in the air.

120

00:06:36,000 --> 00:06:38,000

And I wouldn't pay no mind to her, and it was the evening.

121

00:06:38,000 --> 00:06:40,000

It was the same time.

122

00:06:40,000 --> 00:06:46,000

We go to bed by 9.30, 10, and it was somewhere in that time before bedtime.

123

00:06:46,000 --> 00:06:50,000

And I swear, I wonder if Vanessa had seen something weird.

124

00:06:50,000 --> 00:06:54,000

I'd seen it myself, a weird object, and it just vanished.

125

00:06:54,000 --> 00:06:57,000

I mean, it literally vanished in front of my eyes.

126

00:06:57,000 --> 00:07:04,000

And what was so scary is I got in my house, and I locked my door, and I was really scared.

127

00:07:04,000 --> 00:07:08,000

And I turned around, and I have this big picture window in my dining room,

128

00:07:08,000 --> 00:07:11,000

and I looked out in the same damn big light with the first scene,

129

00:07:11,000 --> 00:07:14,000

it was directly across from me.

130

00:07:14,000 --> 00:07:19,000

It like disappeared from the back of my property to the front of my property.

131

00:07:19,000 --> 00:07:21,000

And I said, where did that go?

132

00:07:21,000 --> 00:07:23,000

And my kids were looking out, we were driving our van,

133

00:07:23,000 --> 00:07:26,000

looking out all the windows and we couldn't find the thing.

134

00:07:26,000 --> 00:07:29,000

And I didn't know what it was, it just kind of spooked me,

135

00:07:29,000 --> 00:07:33,000

and I'm just kind of concerned about what this is all about.

136

00:07:33,000 --> 00:07:39,000

And there's people in this paper, I'm reading what the people have seen,

137

00:07:39,000 --> 00:07:41,000

and it's all the same time,

138

00:07:41,000 --> 00:07:44,000

and the paper is saying they're identifying the same thing.

139

00:07:44,000 --> 00:07:46,000

That's today's paper.

140

00:07:46,000 --> 00:07:52,000

This is today's paper Friday, October 28, 1988, and it comes out a week later.

141

00:07:52,000 --> 00:07:54,000

It's a very small town we live in.

142

00:07:54,000 --> 00:07:55,000

That's a weekly then?

143

00:07:55,000 --> 00:07:58,000

Yes, it's a weekly paper.

144

00:07:58,000 --> 00:08:03,000

Could you tell me one thing, are these things really real? Does this exist in our world?

145

00:08:03,000 --> 00:08:04,000

Oh yes.

146

00:08:04,000 --> 00:08:05,000

It's really true then?

147

00:08:05,000 --> 00:08:07,000

Very definitely.

148

00:08:07,000 --> 00:08:11,000

God, it just really shocked me, I'm kind of scared because I'm on my own home late.

149

00:08:11,000 --> 00:08:15,000

And we've seen so much, and apparently I'm not the only one,

150

00:08:15,000 --> 00:08:17,000

so I know I'm not nuts now.

151

00:08:17,000 --> 00:08:23,000

My daughter, whatever she is seeing, she is describing something very bizarre looking.

152

00:08:23,000 --> 00:08:27,000

All kids have an imagination, but she is very...

153

00:08:27,000 --> 00:08:29,000

When she tells you something, she tells you straight to the point.

154

00:08:29,000 --> 00:08:32,000

She doesn't sit there, a lot of kids, I'm a four-year-old,

155

00:08:32,000 --> 00:08:35,000

that is just totally an exaggeration, you can't believe her for nothing.

156

00:08:35,000 --> 00:08:38,000

She even has a story pattern, you know?

157

00:08:38,000 --> 00:08:42,000

But this is really weird, she came to me with this, you know, and she's always out.

158

00:08:42,000 --> 00:08:46,000

Has she ever been interested in space travel or anything like that?

159

00:08:46,000 --> 00:08:49,000

No, nothing, she doesn't even know anything about it.

160

00:08:49,000 --> 00:08:54,000

She doesn't. In fact, last night they watched D&T for the first time.

161

00:08:54,000 --> 00:08:56,000

She really doesn't know anything, which really shocks me,

162

00:08:56,000 --> 00:08:59,000

makes me to believe she's seen something out there.

163

00:08:59,000 --> 00:09:01,000

Okay.

164

00:09:01,000 --> 00:09:02,000

And where did you get our number?

165

00:09:02,000 --> 00:09:04,000

I got your number from March Air Force Base.

166

00:09:04,000 --> 00:09:06,000

Okay.

167

00:09:06,000 --> 00:09:08,000

Because I talked to a lady who was telling her, she said,

168

00:09:08,000 --> 00:09:10,000

you know, I really advise you to call this number.

169

00:09:10,000 --> 00:09:13,000

But I will have you talk to my watch commander.

170

00:09:13,000 --> 00:09:18,000

And he's the one that told me that President Reagan and Bush was in the area,

171

00:09:18,000 --> 00:09:24,000

so the air was being controlled, and they do have certain equipment, helicopters with lights.

172

00:09:24,000 --> 00:09:26,000

But he didn't satisfy me.

173

00:09:26,000 --> 00:09:32,000

You know, especially with my daughter, John, this picture, it's very unusual.

174

00:09:32,000 --> 00:09:37,000

And for her to just draw something, you know, she identified everything.

175

00:09:37,000 --> 00:09:39,000

Okay, well, we sure appreciate you reporting that,

176

00:09:39,000 --> 00:09:41,000

and if we get any more information on this, we'll let you know.

177

00:09:41,000 --> 00:09:45,000

Yeah, if you do, in case there is something around here, I don't know what to do.

178

00:09:45,000 --> 00:09:47,000

I mean, I don't know anything about this,

179

00:09:47,000 --> 00:09:52,000

and I really just always wrote it off as, I mean, I can't believe it to be true.

180

00:09:52,000 --> 00:09:55,000

But as you say, it's really a true fact.

181

00:09:55,000 --> 00:09:56,000

Okay, thanks a lot.

182

00:09:56,000 --> 00:09:58,000

Thank you so much. Bye-bye.
