

1

00:00:00,000 --> 00:00:07,000

Hi, this is the Mercer County Sheriff's Department in Stanton, North Dakota.

2

00:00:07,000 --> 00:00:08,000

Yes.

3

00:00:08,000 --> 00:00:13,080

We have, I don't know if you could call the UFO or I don't know if it's just some kind

4

00:00:13,080 --> 00:00:16,920

of weird electrical happening or what.

5

00:00:16,920 --> 00:00:21,800

It's going on right now north of Bula, which is up by a gasification plant up here.

6

00:00:21,800 --> 00:00:24,320

And I don't know even though if you guys are interested.

7

00:00:24,320 --> 00:00:25,320

What's happening?

8

00:00:25,320 --> 00:00:32,160

The reporting party called in here and said that she could see what appeared to be a real

9

00:00:32,160 --> 00:00:36,200

bright light hovering over a farm.

10

00:00:36,200 --> 00:00:41,960

And as it would get real, real bright, all the lights on the farm yard would go out.

11

00:00:41,960 --> 00:00:45,680

And this happened once and she said it stays pretty much in the general area, but it goes

12

00:00:45,680 --> 00:00:48,200

east and west a little bit.

13

00:00:48,200 --> 00:00:51,480

And the second time the light got real bright and all the lights went on the farm, she called

14

00:00:51,480 --> 00:00:53,960

the people that live in the farm.

15

00:00:53,960 --> 00:00:57,680

And when the lady that lived there came out to answer the phone, the microwave was going

16

00:00:57,680 --> 00:00:59,800

crazy.

17

00:00:59,800 --> 00:01:03,120

And the lights in the house were real, real dim and the lights out in the yard were out

18

00:01:03,120 --> 00:01:04,120

completely.

19

00:01:04,120 --> 00:01:12,280

Now this, I got to call it, 1219, we're on mountain time, so about half an hour ago.

20

00:01:12,280 --> 00:01:15,800

And I've got two officers out there now and I had talked to the lady that lives at the

21

00:01:15,800 --> 00:01:19,240

farm and she says the microwave is still going crazy.

22

00:01:19,240 --> 00:01:26,240

The farm, the outside lights are flickering off and on and the basement lights in the

23

00:01:26,240 --> 00:01:29,480

house and up the stairs are real dim, but then there's one light in the house that's

24

00:01:29,480 --> 00:01:30,480

real bright.

25

00:01:30,480 --> 00:01:34,000

And it's really affected the microwave.

26

00:01:34,000 --> 00:01:36,440

That's the one thing that is really goofy.

27

00:01:36,440 --> 00:01:39,040

And the object is still inside?

28

00:01:39,040 --> 00:01:44,040

Well, the deputies are now over to the house that reported this and I haven't heard now

29

00:01:44,040 --> 00:01:48,040

if they can still see this bright light or not.

30

00:01:48,040 --> 00:01:52,560

So when she called me she could still see it, it wasn't as bright as that time, but

31

00:01:52,560 --> 00:01:56,320

it was, she could still see it.

32

00:01:56,320 --> 00:01:58,880

The lady that lives in the house couldn't see this bright light.

33

00:01:58,880 --> 00:02:00,880

I don't know.

34

00:02:00,880 --> 00:02:05,960

She saw a star that seemed to be a lot brighter than the others, but she didn't know if that's

35

00:02:05,960 --> 00:02:06,960

what it seemed.

36

00:02:06,960 --> 00:02:10,960

All right, thank you very much.

37

00:02:10,960 --> 00:02:12,680

Okay, that's all I do?

38

00:02:12,680 --> 00:02:14,880

Or you tell us if you ever saw anything?

39

00:02:14,880 --> 00:02:17,280

Sure, we'll get back to you if we get any information.

40

00:02:17,640 --> 00:02:18,640

Okay, thank you.

41

00:02:18,640 --> 00:02:19,640

Okay, thanks very much.

42

00:02:19,640 --> 00:02:20,640

Thanks.

43

00:02:20,640 --> 00:02:21,640

Bye-bye.
