

1

00:00:00,000 --> 00:00:03,000

You have a report in the center?

2

00:00:03,000 --> 00:00:06,000

Yes sir, this is the Supervisory Indianapolis Center.

3

00:00:06,000 --> 00:00:07,000

Yes.

4

00:00:07,000 --> 00:00:10,000

We've got a controller that's been talking to some aircraft that have seen some sightings

5

00:00:10,000 --> 00:00:13,000

of unusual objects over Charleston, West Virginia.

6

00:00:13,000 --> 00:00:17,000

And I'll put him on, let him describe what he saw to you, how's that sound?

7

00:00:17,000 --> 00:00:18,000

Thank you.

8

00:00:18,000 --> 00:00:19,000

Hello there.

9

00:00:19,000 --> 00:00:20,000

Yes sir.

10

00:00:20,000 --> 00:00:24,000

Okay, we had an aircraft at 35,000 feet westbound.

11

00:00:24,000 --> 00:00:27,000

They reported sightings of four objects.

12

00:00:27,000 --> 00:00:31,000

Three of them were at his altitude, and one of them was a lot lower.

13

00:00:31,000 --> 00:00:34,000

Well, I should say around 33,000 feet.

14

00:00:34,000 --> 00:00:35,000

Yes.

15

00:00:35,000 --> 00:00:39,000

And we told him, if he wants to, he could deviate, and he started towards the objects,

16

00:00:39,000 --> 00:00:41,000

and he said he could never catch them.

17

00:00:41,000 --> 00:00:44,000

They were out, they always stayed about 30 miles out in front of him.

18

00:00:44,000 --> 00:00:45,000

Okay.

19

00:00:45,000 --> 00:00:51,000

And he said they were just like, well, white dots basically is what he said.

20

00:00:51,000 --> 00:00:56,000

And he said then later on, I think in the process of about three to five minutes,

21

00:00:56,000 --> 00:01:00,000

one of the objects broke off the group of three and went northbound,

22

00:01:00,000 --> 00:01:03,000

and the other two just continued on towards the west.

23

00:01:03,000 --> 00:01:04,000

Okay.

24

00:01:04,000 --> 00:01:06,000

Were you painting those?

25

00:01:06,000 --> 00:01:09,000

No, we didn't see them down the radar at all.

26

00:01:09,000 --> 00:01:10,000

Okay.

27

00:01:10,000 --> 00:01:12,000

Now how long did this last?

28

00:01:12,000 --> 00:01:15,000

Well, it lasted approximately 10 minutes.

29

00:01:15,000 --> 00:01:16,000

Okay.

30

00:01:16,000 --> 00:01:21,000

We had an aircraft lower reported first, and then they, in turn, told us about it,

31

00:01:21,000 --> 00:01:25,000

and we asked an aircraft at 35,000 feet to look at it.

32

00:01:25,000 --> 00:01:27,000

Oh, they were the first ones to spot them then?

33

00:01:27,000 --> 00:01:30,000

Yeah, they were climbing up to 25,000 feet through 20,000 feet.

34

00:01:30,000 --> 00:01:31,000

Okay.

35

00:01:31,000 --> 00:01:32,000

What time did that occur?

36

00:01:32,000 --> 00:01:37,000

Approximately, I'll call it 10 minutes ago.

37

00:01:37,000 --> 00:01:38,000

Okay.

38

00:01:38,000 --> 00:01:39,000

All right, sir.

39

00:01:39,000 --> 00:01:40,000

Thank you very much.

40

00:01:40,000 --> 00:01:41,000

All right.

41

00:01:41,000 --> 00:01:42,000

Appreciate the information.

42

00:01:42,000 --> 00:01:43,000

Okay.

43

00:01:43,000 --> 00:01:44,000

Bye.
