

1

00:00:00,000 --> 00:00:07,000

I was trying to get through one of y'all's toll-free line there, but I don't know if

2

00:00:07,000 --> 00:00:08,000

it's any good anymore.

3

00:00:08,000 --> 00:00:10,000

That was disconnected several years ago?

4

00:00:10,000 --> 00:00:11,000

I wasn't.

5

00:00:11,000 --> 00:00:13,000

There's no book anyway.

6

00:00:13,000 --> 00:00:20,000

I needed to report to y'all concerning a UFO sighting, and I wanted to see if I could

7

00:00:20,000 --> 00:00:22,000

give you some information on it.

8

00:00:22,000 --> 00:00:24,000

Okay, we got the party's name that reported it.

9

00:00:24,000 --> 00:00:26,000

Well, I'm one of the party's reportants.

10

00:00:26,000 --> 00:00:27,000

Oh, okay.

11

00:00:27,000 --> 00:00:29,000

What did you see?

12

00:00:29,000 --> 00:00:31,000

I'll give you a brief on it.

13

00:00:31,000 --> 00:00:34,000

I was dispatched on a UFO sighting.

14

00:00:34,000 --> 00:00:41,000

One of the intersections in our city here, when I arrived, what I saw was a real large

15

00:00:41,000 --> 00:00:49,000

craft in the air, circular, I would say it was at least 25 yards wide, or diameter, actually,

16

00:00:49,000 --> 00:00:50,000

would be.

17

00:00:50,000 --> 00:00:52,000

And it was hovering over a house.

18

00:00:52,000 --> 00:00:54,000

It was motionless.

19

00:00:54,000 --> 00:00:58,000

It had bright red lights coming from it.

20

00:00:58,000 --> 00:01:04,000

And it hovered over for a few seconds, and it took off towards another city.

21

00:01:04,000 --> 00:01:05,000

Okay.

22

00:01:05,000 --> 00:01:15,000

And I called the original Complighting on it, and she gave me the same description on it.

23

00:01:15,000 --> 00:01:18,000

Okay, any estimate of how close it was to that house?

24

00:01:18,000 --> 00:01:22,000

I would say within 100 feet of the house.

25

00:01:22,000 --> 00:01:23,000

Okay.

26

00:01:23,000 --> 00:01:26,000

Do you hear any sound?

27

00:01:26,000 --> 00:01:28,000

No, I didn't hear any sound at all.

28

00:01:28,000 --> 00:01:32,000

It didn't appear as though I never saw land, and from the people I talked to, they never

29

00:01:32,000 --> 00:01:34,000

saw land either.

30

00:01:34,000 --> 00:01:41,000

Okay, these lights, did they appear to be pulsating or flashing at all?

31

00:01:41,000 --> 00:01:43,000

No, they weren't flashing whatsoever.

32

00:01:43,000 --> 00:01:44,000

Okay.

33

00:01:44,000 --> 00:01:45,000

They were real bright.

34

00:01:45,000 --> 00:01:47,000

It lit up the whole area.

35

00:01:47,000 --> 00:01:48,000

Okay.

36

00:01:48,000 --> 00:01:53,000

I haven't seen a military before, and I've never seen any aircraft whatsoever look like

37

00:01:53,000 --> 00:01:54,000

that.

38

00:01:54,000 --> 00:01:55,000

You say it was circular?

39

00:01:55,000 --> 00:01:56,000

Yes.

40

00:01:56,000 --> 00:01:57,000

Okay.

41

00:01:57,000 --> 00:01:58,000

Circular.

42

00:01:58,000 --> 00:01:59,000

What time did that occur?

43

00:01:59,000 --> 00:02:04,000

It happened at about 11 p.m. Eastern Time.

44

00:02:04,000 --> 00:02:08,000

How long did you be watching it all together?

45

00:02:08,000 --> 00:02:11,000

No more than, I'd say, 10, 15 seconds.

46

00:02:11,000 --> 00:02:14,000

Was it stationary when you first saw it?

47

00:02:14,000 --> 00:02:17,000

Right, it was stationary when I first saw it.

48

00:02:17,000 --> 00:02:20,000

Do you remember which direction it moved away?

49

00:02:20,000 --> 00:02:25,000

It would be going west.

50

00:02:25,000 --> 00:02:30,000

Now, you feel it was about 100 feet over the house.

51

00:02:30,000 --> 00:02:32,000

How close do you feel it was to you?

52

00:02:32,000 --> 00:02:40,000

To me, I would say I was maybe 200 yards.

53

00:02:40,000 --> 00:02:45,000

Okay.

54

00:02:45,000 --> 00:02:48,000

Did this appear to be a solid object metallic?

55

00:02:48,000 --> 00:02:53,000

Well, it was hard for me to be able to tell because the lights were real bright red on

56

00:02:53,000 --> 00:02:54,000

it.

57

00:02:54,000 --> 00:02:59,000

To me, it seemed as though it had to be angled because I could see the whole bottom of it.

58

00:02:59,000 --> 00:03:00,000

Okay.

59

00:03:00,000 --> 00:03:03,000

I couldn't tell, you know, exactly how tall it was or anything.

60

00:03:03,000 --> 00:03:07,000

I couldn't, you know, see if there was any markings or anything of it.

61

00:03:07,000 --> 00:03:08,000

All right.

62

00:03:08,000 --> 00:03:10,000

Okay, can we get your name?

63

00:03:10,000 --> 00:03:11,000

Right.

64

00:03:11,000 --> 00:03:16,000

This is Officer Robert Lunsford.

65

00:03:16,000 --> 00:03:17,000

F-4-D.

66

00:03:17,000 --> 00:03:18,000

Right.

67

00:03:18,000 --> 00:03:21,000

I've checked with the international airports.

68

00:03:21,000 --> 00:03:23,000

They had no flights of area.

69

00:03:23,000 --> 00:03:26,000

Nothing unusual, visual or on radar.

70

00:03:26,000 --> 00:03:30,000

The military said there was a possibility but they couldn't confirm.

71

00:03:30,000 --> 00:03:32,000

There was some E-2s in the area.

72

00:03:32,000 --> 00:03:35,000

But these are definitely not E-2 Hawkeyes.

73

00:03:35,000 --> 00:03:38,000

Especially if they weren't making any sound.

74

00:03:38,000 --> 00:03:39,000

Right.

75

00:03:39,000 --> 00:03:40,000

Exactly.

76

00:03:40,000 --> 00:03:44,000

And, you know, E-2, the disc is on the top, head on the bottom.

77

00:03:44,000 --> 00:03:45,000

Right.

78

00:03:45,000 --> 00:03:46,000

Okay.

79

00:03:46,000 --> 00:03:47,000

Where did you get our number originally?

80

00:03:47,000 --> 00:03:51,000

I've talked to so many people.

81

00:03:51,000 --> 00:03:55,000

Originally, it was in our police manual.

82

00:03:55,000 --> 00:03:56,000

Oh, okay.

83

00:03:56,000 --> 00:03:57,000

Okay.

84

00:03:57,000 --> 00:04:04,000

And that number wasn't good so I got it from the Air Force Base, Lingley Air Force Base.

85

00:04:04,000 --> 00:04:05,000

Okay.

86

00:04:05,000 --> 00:04:09,000

Well, we sure appreciate you reporting that and if we get any follow-up on this, we'll

87

00:04:09,000 --> 00:04:10,000

sure let you know.

88

00:04:10,000 --> 00:04:11,000

Okay.

89

00:04:11,000 --> 00:04:13,000

There's something that I've struck me as kind of unusual.

90

00:04:13,000 --> 00:04:18,000

It's my understanding that in my city was the first one ever recorded sighting.

91

00:04:18,000 --> 00:04:20,000

Now, far from where this one was seen.

92

00:04:20,000 --> 00:04:23,000

I don't, that's according to the papers.

93

00:04:23,000 --> 00:04:28,000

You know, we've been getting quite a few of these sightings.

94

00:04:28,000 --> 00:04:32,000

I don't know if you've been hearing any from Chess speaker or not.

95

00:04:32,000 --> 00:04:34,000

No, we haven't.

96

00:04:34,000 --> 00:04:40,000

But it's my understanding we've been, we've never, I've been on this department for over

97

00:04:40,000 --> 00:04:44,000

four years and I've never received one other than, you know, a mental case.

98

00:04:44,000 --> 00:04:45,000

Yes.

99

00:04:45,000 --> 00:04:52,000

And then all of a sudden we're just getting flooded with, kind of strikes me unusual.

100

00:04:52,000 --> 00:04:53,000

Okay.

101

00:04:53,000 --> 00:05:00,000

Well, anytime you get calls from people having these experiences, you can give them our number

102

00:05:00,000 --> 00:05:01,000

if they want to call us.

103

00:05:01,000 --> 00:05:02,000

Okay.

104

00:05:02,000 --> 00:05:03,000

Sure will.

105

00:05:03,000 --> 00:05:04,000

All right.

106

00:05:04,000 --> 00:05:05,000

Thanks for calling.

107

00:05:05,000 --> 00:05:06,000

Thank you, sir.

108

00:05:06,000 --> 00:05:07,000

Bye.

109

00:05:07,000 --> 00:05:08,000

Okay.

110

00:05:08,000 --> 00:05:09,000

Bye.
