

1

00:00:00,000 --> 00:00:04,000

Do you have a reporting center?

2

00:00:04,000 --> 00:00:09,000

Yes sir, I live here in Humboldt, Texas, Houston.

3

00:00:09,000 --> 00:00:15,000

Something happened to me about 30 minutes ago.

4

00:00:15,000 --> 00:00:21,000

I call Houston and the Continental Report and they, this is weird.

5

00:00:21,000 --> 00:00:24,000

It really is.

6

00:00:24,000 --> 00:00:29,000

I don't know where to really start.

7

00:00:29,000 --> 00:00:33,000

Do you monitor the radar system as far as the United States is concerned?

8

00:00:33,000 --> 00:00:34,000

Where are you located at?

9

00:00:34,000 --> 00:00:35,000

Washington.

10

00:00:35,000 --> 00:00:36,000

Washington.

11

00:00:36,000 --> 00:00:43,000

I was out walking my dog and I went down at this point down to the beach.

12

00:00:43,000 --> 00:00:48,000

I was down there about 15, 20 minutes I guess and something landed.

13

00:00:48,000 --> 00:00:52,000

I don't know if it landed or what.

14

00:00:52,000 --> 00:00:57,000

As I got closer to it, it appeared that it did land.

15

00:00:57,000 --> 00:01:02,000

I had a criminal watch on and I don't know if you're familiar with him.

16

00:01:02,000 --> 00:01:08,000

For some reason I can't account for about 30-35 minutes.

17

00:01:08,000 --> 00:01:15,000

Before it landed, it shot off a blue ray.

18

00:01:15,000 --> 00:01:16,000

I don't...

19

00:01:16,000 --> 00:01:18,000

You still there?

20

00:01:18,000 --> 00:01:19,000

Yes.

21

00:01:19,000 --> 00:01:25,000

Okay, it shot off a blue kind of ray and hit me and it lit up the area.

22

00:01:25,000 --> 00:01:29,000

It just was for a few seconds.

23

00:01:29,000 --> 00:01:39,000

I don't know if it was for seconds or what, but at that time it went down and curiosity

24

00:01:39,000 --> 00:01:43,000

as I had, I went ahead and walked over to it.

25

00:01:43,000 --> 00:01:49,000

Did that appear to be on the ground at that point?

26

00:01:49,000 --> 00:01:51,000

Yes, I've seen it.

27

00:01:51,000 --> 00:01:54,000

I don't know about it.

28

00:01:54,000 --> 00:01:55,000

This is weird.

29

00:01:55,000 --> 00:02:06,000

I mean, I always bladed things like this, but my God, I don't know what that would say.

30

00:02:06,000 --> 00:02:08,000

What did that object look like?

31

00:02:08,000 --> 00:02:19,000

I know what it looked like, but to a certain extent my mind was more or less focused on the hatch when it opened.

32

00:02:19,000 --> 00:02:24,000

It was very weird.

33

00:02:24,000 --> 00:02:31,000

A few minutes after the craft landed, I don't exactly remember it very much.

34

00:02:31,000 --> 00:02:43,000

Like I said, my mind was so distorted, but after that, I had my dog with me.

35

00:02:43,000 --> 00:02:44,000

Yes.

36

00:02:44,000 --> 00:02:47,000

And I can't account for 35 minutes.

37

00:02:47,000 --> 00:02:52,000

In a way, something happened.

38

00:02:52,000 --> 00:03:00,000

I can say what happened in a way, but do you have a superrouter or something, or a humane person, or what?

39

00:03:00,000 --> 00:03:03,000

No, you can talk to me.

40

00:03:03,000 --> 00:03:06,000

What do you feel happened?

41

00:03:06,000 --> 00:03:09,000

I don't feel weird.

42

00:03:09,000 --> 00:03:18,000

I don't really know.

43

00:03:18,000 --> 00:03:29,000

I don't worry at all.

44

00:03:29,000 --> 00:03:36,000

I know what happened, but like I said, the person I want to tell us to, I want to have some authority on that.

45

00:03:36,000 --> 00:03:38,000

Do you need the person to tell us to?

46

00:03:38,000 --> 00:03:39,000

Sure, absolutely.

47

00:03:39,000 --> 00:03:40,000

What's your name?

48

00:03:40,000 --> 00:03:43,000

Robert Gribble, G-R-I-P-B-L-E.

49

00:03:43,000 --> 00:03:48,000

What is your profession as far as Air Force?

50

00:03:48,000 --> 00:03:50,000

No, I'm retired.

51

00:03:50,000 --> 00:03:52,000

What are you doing?

52

00:03:52,000 --> 00:03:53,000

Pardon me?

53

00:03:53,000 --> 00:03:55,000

I mean, what is your title now?

54

00:03:55,000 --> 00:03:59,000

Well, I'm the center I'm a member of the staff.

55

00:03:59,000 --> 00:04:01,000

I know what the staff called.

56

00:04:01,000 --> 00:04:06,000

It's the National UFO Reporting Center.

57

00:04:06,000 --> 00:04:08,000

You're a retired Air Force pilot?

58

00:04:08,000 --> 00:04:13,000

No, no, I'm not. No, I'm tired from private life.

59

00:04:13,000 --> 00:04:19,000

This is a private scientific agency.

60

00:04:19,000 --> 00:04:25,000

I've seen more or less, this is weird.

61

00:04:25,000 --> 00:04:27,000

Do you want to hear this?

62

00:04:27,000 --> 00:04:28,000

Absolutely.

63

00:04:28,000 --> 00:04:35,000

My parents make them crazy as hell, but I've seen what they look like.

64

00:04:35,000 --> 00:04:44,000

They told me that.

65

00:04:44,000 --> 00:04:46,000

I won't explain it to you.

66

00:04:46,000 --> 00:04:55,000

I've always played the thing like this, but this is, I guess you could say extraordinary, whatever.

67

00:04:55,000 --> 00:05:03,000

They told me that, well, for one thing I asked, you know, I've always been curious,

68

00:05:03,000 --> 00:05:06,000

which I've always been interested in things like this.

69

00:05:06,000 --> 00:05:10,000

I was asking them what the, you know, how did they travel?

70

00:05:10,000 --> 00:05:22,000

And they just told me that they used the Earth's gravity and more or less magnetic field.

71

00:05:22,000 --> 00:05:29,000

And I just asked them, I said, more or less, I just, I'm trying to remember exactly what I said to

them

72

00:05:29,000 --> 00:05:31,000

because I was so scared of my dog.

73

00:05:31,000 --> 00:05:32,000

He just stood there.

74

00:05:32,000 --> 00:05:34,000

In fact, it was really weird.

75

00:05:34,000 --> 00:05:36,000

He didn't even bark at them.

76

00:05:36,000 --> 00:05:41,000

And if you know this dog, if you come in this yard anytime during the night, he'll try to bite you.

77

00:05:41,000 --> 00:05:47,000

And he just more or less froze and he was in the sitting position.

78

00:05:47,000 --> 00:05:52,000

And like I said, right before they landed, they hit me with a kind of a beam.

79

00:05:52,000 --> 00:05:56,000

I don't know exactly blue or, I couldn't really tell.

80

00:05:56,000 --> 00:06:03,000

It blinded me, which I had surgery on my right eye about a month ago.

81

00:06:03,000 --> 00:06:08,000

And I don't know, I can't, it just hit me all of a sudden.

82

00:06:08,000 --> 00:06:12,000

Like I said, I couldn't understand what the hell it was.

83

00:06:12,000 --> 00:06:17,000

To me, it was kind of a bluish green or something to that effect.

84

00:06:17,000 --> 00:06:22,000

I don't know, but it did hit me and my dog was about 10 feet from me.

85

00:06:22,000 --> 00:06:26,000

And right after that, it landed.

86

00:06:26,000 --> 00:06:36,000

The crash itself looked similar to something to the Apollo moon landing.

87

00:06:36,000 --> 00:06:40,000

Like I said, it was about 100 feet from me.

88

00:06:40,000 --> 00:06:44,000

The occupants, it was different.

89

00:06:44,000 --> 00:06:46,000

Take my word for it.

90

00:06:46,000 --> 00:06:48,000

It was very different.

91

00:06:48,000 --> 00:06:53,000

It was very, very different.

92

00:06:53,000 --> 00:06:58,000

I don't say that extraordinary or whatever you want to say.

93

00:06:58,000 --> 00:07:04,000

And they more or less told me, I asked them, I said, well, what is your propulsion system?

94

00:07:04,000 --> 00:07:09,000

I don't know if you ever read it or not, but they, like I said, they used the Bicyl Brown effect.

95

00:07:09,000 --> 00:07:11,000

I don't know if you ever heard of that before.

96

00:07:11,000 --> 00:07:15,000

It was an article I read a lot, a few, about nine years ago.

97

00:07:15,000 --> 00:07:24,000

They used their gravitation for gravity or whatever, north and south, polarity.

98

00:07:24,000 --> 00:07:28,000

I'm making the sense.

99

00:07:28,000 --> 00:07:34,000

That's more or less it.

100

00:07:34,000 --> 00:07:41,000

Okay, what time does that occur?

101

00:07:41,000 --> 00:07:45,000

It was about three o'clock, I guess, about that.

102

00:07:45,000 --> 00:07:49,000

More time is it there?

103

00:07:49,000 --> 00:07:53,000

Well, here in Texas, it was through a car.

104

00:07:53,000 --> 00:07:55,000

I'll call it right off soon.

105

00:07:55,000 --> 00:08:02,000

They said they didn't show anything, but they wouldn't tell you if they did.

106

00:08:02,000 --> 00:08:05,000

And something happened.

107

00:08:05,000 --> 00:08:06,000

I'll take my word.

108

00:08:06,000 --> 00:08:17,000

Also, right after me seeing them, unfortunately, they resemble something out of Steven Spielberg's, one of his movies.

109

00:08:17,000 --> 00:08:33,000

And the big guys, the big head and all that shit, that I remember following that.

110

00:08:33,000 --> 00:08:37,000

I just, like I said, about 35, 40 minutes.

111

00:08:37,000 --> 00:08:39,000

I can't count.

112

00:08:39,000 --> 00:08:47,000

And when I finally realized what the hell was going on, I was sitting down and my dog was sitting next to me.

113

00:08:47,000 --> 00:08:50,000

And I don't know what happened from there.

114

00:08:50,000 --> 00:08:51,000

I don't.

115

00:08:51,000 --> 00:08:57,000

It was just complete blank.

116

00:08:57,000 --> 00:09:02,000

Was this a fairly large ship?

117

00:09:02,000 --> 00:09:04,000

Compared to what?

118

00:09:04,000 --> 00:09:17,000

To me, it looked about like something, like I said, I remember seeing it, but after that, it just, I don't exactly remember too much.

119

00:09:17,000 --> 00:09:24,000

It just, you know, the ray, the ray, whatever you want to call it, hit me.

120

00:09:24,000 --> 00:09:31,000

I don't, I believe it was a size.

121

00:09:31,000 --> 00:09:32,000

It was dimensions.

122

00:09:32,000 --> 00:09:39,000

Like I said, it was about 100 feet from me.

123

00:09:39,000 --> 00:09:42,000

I wouldn't, I couldn't, I couldn't, more or less tell you.

124

00:09:42,000 --> 00:09:44,000

I know what I've seen.

125

00:09:44,000 --> 00:09:53,000

And I swear to God to it, but I just, you know, as far as dimensions, I just, it was big.

126

00:09:53,000 --> 00:09:56,000

I know that much from the distance I was.

127

00:09:56,000 --> 00:10:07,000

But I know that the bottom part of it was flickering green, yellow, different colors.

128

00:10:07,000 --> 00:10:08,000

I know that much.

129

00:10:08,000 --> 00:10:09,000

Okay.

130

00:10:09,000 --> 00:10:11,000

Did you hear any sound associated with that?

131

00:10:11,000 --> 00:10:13,000

No, that's, that's weird.

132

00:10:13,000 --> 00:10:14,000

I didn't, nothing.

133

00:10:14,000 --> 00:10:15,000

Period.

134

00:10:15,000 --> 00:10:20,000

After, I don't know what happened.

135

00:10:20,000 --> 00:10:22,000

That's, like I said, about 35, 40 minutes.

136

00:10:22,000 --> 00:10:30,000

I don't know, but I remember, now I'm subconscious or what, but I remember humming noise.

137

00:10:30,000 --> 00:10:35,000

About humming or generation noise or something.

138

00:10:35,000 --> 00:10:38,000

I don't know exactly what.

139

00:10:38,000 --> 00:10:41,000

Did you see a takeoff?

140

00:10:41,000 --> 00:10:42,000

No.

141

00:10:42,000 --> 00:10:48,000

I was sitting down and looked up and I thought, what the fuck happened?

142

00:10:48,000 --> 00:10:51,000

And I don't know exactly what.

143

00:10:51,000 --> 00:10:52,000

Okay.

144

00:10:52,000 --> 00:10:55,000

But you figure you had about 30 or 35 minutes that you cannot account for.

145

00:10:55,000 --> 00:10:56,000

Right.

146

00:10:56,000 --> 00:10:57,000

Okay.

147

00:10:57,000 --> 00:10:59,000

I don't have any marks on me or anything like that.

148

00:10:59,000 --> 00:11:03,000

Please, I don't, I got to, but God knows.

149

00:11:03,000 --> 00:11:04,000

Okay.

150

00:11:04,000 --> 00:11:07,000

Would you talk to one of our representatives in the area?

151

00:11:07,000 --> 00:11:08,000

Did I?

152

00:11:08,000 --> 00:11:09,000

I said, would you talk to them?

153

00:11:09,000 --> 00:11:10,000

Sure.

154

00:11:10,000 --> 00:11:11,000

Okay.

155

00:11:11,000 --> 00:11:13,000

Will you be in this morning later on?

156

00:11:13,000 --> 00:11:17,000

Yeah, my more, yeah, sure.

157

00:11:17,000 --> 00:11:18,000

Okay.

158

00:11:18,000 --> 00:11:23,000

Lord help, if they call here, I'm living with my parents right now.

159

00:11:23,000 --> 00:11:24,000

Yes.

160

00:11:24,000 --> 00:11:30,000

And I don't know how he, I guess he could just ask me for by name.

161

00:11:30,000 --> 00:11:32,000

What times are you going to come?

162

00:11:32,000 --> 00:11:35,000

Is it, I thought for him now or what?

163

00:11:35,000 --> 00:11:38,000

No, it'll be sometime later this morning.

164

00:11:38,000 --> 00:11:44,000

Well, this is weird.

165

00:11:44,000 --> 00:11:46,000

Is he with the Air Force or with?

166

00:11:46,000 --> 00:11:47,000

Yes, scientist.

167

00:11:47,000 --> 00:11:49,000

I think he works with NASA.

168

00:11:49,000 --> 00:11:50,000

NASA?

169

00:11:50,000 --> 00:11:51,000

Mm-hmm.

170

00:11:51,000 --> 00:11:54,000

Well, yeah, I guess at what time you think he'd probably call me.

171

00:11:54,000 --> 00:11:56,000

It'll probably be before noon.

172

00:11:56,000 --> 00:11:57,000

How would that be?

173

00:11:57,000 --> 00:11:59,000

Okay, it'll be fine.

174

00:11:59,000 --> 00:12:00,000

Okay.

175

00:12:00,000 --> 00:12:02,000

Well, we sure appreciate your calling about that.
