

1

00:00:00,000 --> 00:00:03,000

You have a full request, sir?

2

00:00:03,000 --> 00:00:05,000

Yeah, I got a doozy for you.

3

00:00:05,000 --> 00:00:08,000

Okay.

4

00:00:08,000 --> 00:00:11,000

Gonna put me into the hospital, I'll tell you that.

5

00:00:11,000 --> 00:00:13,000

What happened?

6

00:00:13,000 --> 00:00:17,000

Uh, I guess I could start from this morning.

7

00:00:17,000 --> 00:00:19,000

Okay.

8

00:00:19,000 --> 00:00:21,000

Dave just didn't seem right.

9

00:00:21,000 --> 00:00:23,000

I'm a truck driver.

10

00:00:23,000 --> 00:00:27,000

I'm at a load to Salt Lake City from Banting.

11

00:00:27,000 --> 00:00:32,000

I was running with a partner that had the same type of load.

12

00:00:32,000 --> 00:00:36,000

He was in front of me, you were, he was going, so I was following him.

13

00:00:36,000 --> 00:00:40,000

His trailer tires on the right rear were basically brand new.

14

00:00:40,000 --> 00:00:43,000

Now they blew out for no reason, both of them.

15

00:00:43,000 --> 00:00:49,000

So it caused him to end up staying behind while he gave me directions to go there.

16

00:00:49,000 --> 00:00:53,000

I didn't find anything odd about that at the beginning,

17

00:00:53,000 --> 00:00:56,000

but it would get interesting here.

18

00:00:56,000 --> 00:01:03,000

Now, it is a, you know, it was a pretty long, it got to be a long day,

19

00:01:03,000 --> 00:01:06,000

but at the beginning I was fresh.

20

00:01:06,000 --> 00:01:11,000

I started on the way back hallucinating things.

21

00:01:11,000 --> 00:01:15,000

I mean, like, my mind wasn't working correctly.

22

00:01:15,000 --> 00:01:19,000

I mean, I'm a professional driver, it never happened to me.

23

00:01:19,000 --> 00:01:24,000

But I would see things like dips in the road.

24

00:01:24,000 --> 00:01:28,000

I dodged him, but then right after I dodged him and realized I was in the other lane,

25

00:01:28,000 --> 00:01:30,000

I kind of snapped out of it.

26

00:01:30,000 --> 00:01:34,000

And now it was good for another, you know, five miles.

27

00:01:34,000 --> 00:01:36,000

And then it would reoccur again.

28

00:01:36,000 --> 00:01:40,000

And this is all the way back from, you know, Utah, you know.

29

00:01:40,000 --> 00:01:49,000

As I got up to Nellis Air Force Base out there in Las Vegas,

30

00:01:49,000 --> 00:01:54,000

I had pulled over before then, but then I pulled over again.

31

00:01:54,000 --> 00:01:59,000

And I never, it never occurred to me what reason why did I pull over.

32

00:01:59,000 --> 00:02:04,000

You know, other than that maybe I was hallucinating, maybe I was tired,

33

00:02:04,000 --> 00:02:10,000

I think, well, maybe I should pull over, but it was like something possessed me to pull over.

34

00:02:10,000 --> 00:02:14,000

I pulled over, didn't, I got out of the truck, kind of stretched.

35

00:02:14,000 --> 00:02:16,000

I looked up at the stars.

36

00:02:16,000 --> 00:02:23,000

I looked up and I saw these two, there were quite a few of them that were kind of low.

37

00:02:23,000 --> 00:02:30,000

And they were like flickering, dancing around, so to speak.

38

00:02:30,000 --> 00:02:37,000

I looked and I mean they appeared to be no bigger than, you know, they were only on the other side of the freeway.

39

00:02:37,000 --> 00:02:42,000

They appeared to be, maybe in fact, I thought somebody was there with a flashed bite,

40

00:02:42,000 --> 00:02:47,000

but then they were a glow, they weren't a beam of light, it was a glow.

41

00:02:47,000 --> 00:02:53,000

And I had looked at them for a while and they were moving back and forth

42

00:02:53,000 --> 00:02:58,000

and they'd move along the side of this mountain.

43

00:02:58,000 --> 00:03:02,000

You know, I got back in the truck, I didn't close the door of the truck,

44

00:03:02,000 --> 00:03:08,000

I kind of hung my arms on the side of the door and watched them, because it just made me curious.

45

00:03:08,000 --> 00:03:12,000

I was thinking of myself, fireflies, but then there's most such thing, you know.

46

00:03:12,000 --> 00:03:15,000

I was thinking, you know, what could it be?

47

00:03:15,000 --> 00:03:19,000

And then it occurred to me, maybe I'm seeing a UFO.

48

00:03:19,000 --> 00:03:28,000

I closed the door and no sooner did I close that door, that light got bright and it stopped moving.

49

00:03:28,000 --> 00:03:34,000

And it, I got the feeling that it was staring at me.

50

00:03:34,000 --> 00:03:39,000

It scared me, put the truck in gear and I started accelerating.

51

00:03:39,000 --> 00:03:42,000

I don't know who I cut off on this freeway, but I took off.

52

00:03:42,000 --> 00:03:47,000

This thing followed me at a speed that was just unbelievable.

53

00:03:47,000 --> 00:03:51,000

For about five miles and I was kind of looking out the corner of my eye,

54

00:03:51,000 --> 00:03:55,000

feeling that it was staring at me.

55

00:03:55,000 --> 00:04:01,000

No, it kind of veered off and, you know, then it was gone.

56

00:04:01,000 --> 00:04:05,000

You know, I thought about it, I said, God, damn, I bet this was a UFO.

57

00:04:05,000 --> 00:04:06,000

I don't believe it.

58

00:04:06,000 --> 00:04:13,000

I've actually, I'm going to be one of these people to report it, you know, that I've seen it.

59

00:04:13,000 --> 00:04:18,000

And then I pulled over again, the curiosity killed me, you know.

60

00:04:18,000 --> 00:04:23,000

I pulled over again and I looked and I seen this light on the opposite now.

61

00:04:23,000 --> 00:04:30,000

This one was in colors, red, blue and green.

62

00:04:30,000 --> 00:04:36,000

And it appeared the shape of almost like an airplane.

63

00:04:36,000 --> 00:04:40,000

But like I said, it wasn't that far above me and it wasn't that big.

64

00:04:40,000 --> 00:04:54,000

It was maybe a three foot in diameter type of thing or, you know, about no longer than three foot in length.

65

00:04:54,000 --> 00:04:59,000

I shut off the motor in the truck and there was some traffic but not very much, you know.

66

00:04:59,000 --> 00:05:02,000

If the plane was that low, you should be able to hear the engine.

67

00:05:02,000 --> 00:05:04,000

I heard nothing.

68

00:05:04,000 --> 00:05:11,000

This thing kind of cruised on an angle over the top of my truck, went off to the mountains,

69

00:05:11,000 --> 00:05:16,000

went over the mountains, then came back the same direction I never heard an engine.

70

00:05:16,000 --> 00:05:22,000

And it had this most awesome looking bright laser beam.

71

00:05:22,000 --> 00:05:27,000

You know, not a red laser beam, just white, you know, like a flashlight.

72

00:05:27,000 --> 00:05:33,000

But very sharp, you know, it was a laser. It was very pinpointing to me.

73

00:05:33,000 --> 00:05:40,000

And it kind of, you know, it was about 300 yards away and it just kind of grazed the side of the mountain.

74

00:05:40,000 --> 00:05:43,000

It was like it was looking for something.

75

00:05:43,000 --> 00:05:47,000

And then it took off and I didn't see it.

76

00:05:47,000 --> 00:05:56,000

And I looked over again and I saw a lot of those lights kind of over the air, right over the air force base.

77

00:05:56,000 --> 00:05:59,000

And it was like a lot of action over there.

78

00:05:59,000 --> 00:06:02,000

I thought, well, maybe the air force is doing something.

79

00:06:02,000 --> 00:06:10,000

You know, maybe, you know, trying to get it out of my head, you know, why make a prank call to you guys, you know.

80

00:06:10,000 --> 00:06:13,000

But then it still was, it was bothering me the rest of the way.

81

00:06:13,000 --> 00:06:17,000

Now I still had these hallucinations, being very tired.

82

00:06:17,000 --> 00:06:22,000

There would have been no reason for me to be tired, you know.

83

00:06:22,000 --> 00:06:27,000

I went into a filling station and I looked over, looking over Vegas.

84

00:06:27,000 --> 00:06:30,000

I could still see these lights.

85

00:06:30,000 --> 00:06:42,000

Now they're on the southern section of town, a western southern section, you know, in the corner there, over, you know, around the Caesar's Palace area.

86

00:06:42,000 --> 00:06:44,000

Now I see these lights.

87

00:06:44,000 --> 00:06:48,000

And I showed the guy a pointed amount to this gas station.

88

00:06:48,000 --> 00:06:54,000

I said, you're probably going to think I'm crazy, but some lights are moving off a weird to me.

89

00:06:54,000 --> 00:06:57,000

And they were kind of in a formation.

90

00:06:57,000 --> 00:07:00,000

This guy says, oh, it's the airplanes coming in for a landing.

91

00:07:00,000 --> 00:07:05,000

So I agreed with him.

92

00:07:05,000 --> 00:07:09,000

Just for my own well-being, I figured, maybe he's right.

93

00:07:09,000 --> 00:07:13,000

And that's a logical explanation.

94

00:07:13,000 --> 00:07:24,000

But I, for some reason, oh, and then he could, what was really odd is the gas station attendant, I told him, I saw this thing and it was like an airplane.

95

00:07:24,000 --> 00:07:28,000

He said, did it have green, red and blue lights?

96

00:07:28,000 --> 00:07:34,000

So that's a special weapon that the Air Force has come out with.

97

00:07:34,000 --> 00:07:39,000

Very sophisticated and top secret.

98

00:07:39,000 --> 00:07:42,000

I never even asked him, well, if it's so top secret,

99

00:07:42,000 --> 00:07:48,000

first off, what would they be doing flying it over the 15 freeway when there's traffic around?

100

00:07:48,000 --> 00:07:56,000

You'd think they'd do that in some rural section of the desert, you know, but right over the freeway.

101

00:07:56,000 --> 00:07:58,000

And how would he know about it?

102

00:07:58,000 --> 00:08:07,000

But as I pulled off out of the gas station, side of the road on my way, you know, coming back to California,

103

00:08:07,000 --> 00:08:14,000

I pulled over just, right as I entered the freeway, I pulled over and looked at those lights and I watched them.

104

00:08:14,000 --> 00:08:16,000

And they weren't in formation anymore.

105

00:08:16,000 --> 00:08:21,000

They kind of broke off, then they'd get back in, then they'd break off.

106

00:08:21,000 --> 00:08:31,000

Meanwhile, there was actually planes flying about in that area, but the day scene was a question.

107

00:08:31,000 --> 00:08:37,000

Well, I carried on down the freeway and hallucinating again.

108

00:08:37,000 --> 00:08:41,000

I pulled off off ramps, but for God knows why I pulled off.

109

00:08:41,000 --> 00:08:47,000

I had no idea why I pulled off, but I pulled off and I got right back on.

110

00:08:47,000 --> 00:08:52,000

In fact, I drove right through Baker and I don't know why I got off the off ramp.

111

00:08:53,000 --> 00:09:03,000

I smacked the brakes once, locked up the trailer, because I thought I saw an animal cross the road.

112

00:09:03,000 --> 00:09:05,000

Stupid things.

113

00:09:05,000 --> 00:09:10,000

I blacked out at one point and I was in the next lane.

114

00:09:10,000 --> 00:09:13,000

I was in the slow lane all the time, but now I ended up in the next lane.

115

00:09:13,000 --> 00:09:17,000

I thought, God, who does that, you know, what's happening to me?

116

00:09:17,000 --> 00:09:20,000

I figured, well, maybe I ought to go to sleep.

117

00:09:20,000 --> 00:09:27,000

Before I even thought of that, I had pulled over several times now on the highway, over to the side,

118

00:09:27,000 --> 00:09:30,000

but then I'd drive right back out again.

119

00:09:30,000 --> 00:09:40,000

Now, when I got up to this one section, razor road overpass, it was very dark.

120

00:09:40,000 --> 00:09:42,000

There was no more traffic.

121

00:09:42,000 --> 00:09:47,000

I had pulled over, a few cars passed me as I pulled over.

122

00:09:47,000 --> 00:09:49,000

I crawled into sleeper.

123

00:09:49,000 --> 00:09:56,000

I shut off my headlights, but I left my trailer lights on and the dash lights included were on.

124

00:09:56,000 --> 00:10:06,000

Now I jumped into sleeper and now I hear this short, a massive short, you know,

125

00:10:06,000 --> 00:10:11,000

the popping sound of electrical cord.

126

00:10:11,000 --> 00:10:18,000

I looked and my dash lights are flickering on and off.

127

00:10:18,000 --> 00:10:21,000

Now I looked in my side, and this still never occurred to me.

128

00:10:21,000 --> 00:10:23,000

Is it a UFO?

129

00:10:23,000 --> 00:10:26,000

It's just a further thing from my mind.

130

00:10:26,000 --> 00:10:32,000

I looked in my rearview mirror and I saw the actual spark.

131

00:10:32,000 --> 00:10:36,000

I didn't see anybody there, but I saw spark.

132

00:10:36,000 --> 00:10:41,000

And then I saw that the trailer lights themselves look like they blew up.

133

00:10:41,000 --> 00:10:43,000

I mean, they look like they popped.

134

00:10:43,000 --> 00:10:49,000

They got so much voltage, but then they'd come back on slowly till full brightness.

135

00:10:49,000 --> 00:10:53,000

Then they'd pop again, then they'd come back on slowly.

136

00:10:53,000 --> 00:10:57,000

Then the trailer and trucks started bouncing around.

137

00:10:57,000 --> 00:11:03,000

I mean, like I was experiencing some massive earthquake.

138

00:11:03,000 --> 00:11:06,000

Now, I jumped from the sleeper here again.

139

00:11:06,000 --> 00:11:09,000

I don't know the reason why I did this.

140

00:11:09,000 --> 00:11:17,000

I jumped from the sleeper into the driver's seat, started the truck, had one hand on the steering wheel, one hand on the shifter.

141

00:11:17,000 --> 00:11:20,000

Now, when I start the truck, I never put my foot on that gas pedal.

142

00:11:20,000 --> 00:11:23,000

My foot's always on the clutch.

143

00:11:23,000 --> 00:11:30,000

And the pedal went down on its own automatically.

144

00:11:30,000 --> 00:11:36,000

At the same time that happened, the trailer, oh, okay.

145

00:11:36,000 --> 00:11:41,000

I'm scared when people walk indoors now.

146

00:11:41,000 --> 00:11:49,000

My air release on the trailer, all the air locks, the buttons got pushed in and I watched them go in.

147

00:11:49,000 --> 00:11:55,000

My fans on the inside of the cooling fans, you know, just oscillating fans, they went on.

148

00:11:55,000 --> 00:12:01,000

But the switches were in the off position, but they went on.

149

00:12:01,000 --> 00:12:07,000

I have chains that are on the back header panel, and the back of the cab.

150

00:12:07,000 --> 00:12:11,000

The chains were being rambled around.

151

00:12:11,000 --> 00:12:18,000

Well, partly probably to do with the bouncing around and all of that.

152

00:12:18,000 --> 00:12:26,000

Then, I mean, when I jumped in the driver's seat though, I got this strange feeling.

153

00:12:26,000 --> 00:12:32,000

A cold, I felt cold, like somebody stuck some electrodes to me.

154

00:12:32,000 --> 00:12:36,000

I had some charge that took over me.

155

00:12:36,000 --> 00:12:38,000

I put the thing in gear.

156

00:12:38,000 --> 00:12:39,000

I didn't do it.

157

00:12:39,000 --> 00:12:43,000

Whoever had control of me, this is what's so odd.

158

00:12:43,000 --> 00:12:47,000

I mean, I can't deal with it.

159

00:12:47,000 --> 00:12:49,000

I let out the clutch.

160

00:12:49,000 --> 00:12:56,000

I tried, I was my body, I wanted not to, but I had no choice.

161

00:12:56,000 --> 00:13:01,000

I wanted to steer, but it's like something had control of my body steering.

162

00:13:01,000 --> 00:13:04,000

I couldn't let go of the steering wheel.

163

00:13:04,000 --> 00:13:11,000

And it was, the truck was bouncing something so fierce that finally it started taking off.

164

00:13:11,000 --> 00:13:15,000

And now I'm on a hill, 6% grade.

165

00:13:15,000 --> 00:13:17,000

I parked right at the top.

166

00:13:17,000 --> 00:13:20,000

It's like there's going downhill and I've got no control over it.

167

00:13:20,000 --> 00:13:23,000

The thing that's going through my head is dying.

168

00:13:23,000 --> 00:13:27,000

And I'll be damned.

169

00:13:27,000 --> 00:13:30,000

Airlocks came on them, this son of a bitch.

170

00:13:30,000 --> 00:13:32,000

Trailer jackknife.

171

00:13:32,000 --> 00:13:37,000

Not very, you know, not such a severe jackknife, but it jackknife bad enough.

172

00:13:37,000 --> 00:13:39,000

Right in the middle of the freeway.

173

00:13:39,000 --> 00:13:45,000

I looked, I looked in my, my mirrors and I saw a very bright light.

174

00:13:45,000 --> 00:13:48,000

I thought cars were coming for a right now they're going to rear in me.

175

00:13:48,000 --> 00:13:50,000

I'm going to die anyway.

176

00:13:50,000 --> 00:13:55,000

And all of a sudden that like a tornado.

177

00:13:55,000 --> 00:13:58,000

There, you know, I was on the freeway.

178

00:13:58,000 --> 00:14:00,000

Now where did the dirt come from?

179

00:14:00,000 --> 00:14:03,000

But dirt flew up with leaves and everything in front of it.

180

00:14:03,000 --> 00:14:06,000

And I saw this, this bright light.

181

00:14:06,000 --> 00:14:10,000

Boom, it was gone before I can blink my eyes.

182

00:14:10,000 --> 00:14:15,000

Now I was able to open the truck door which I couldn't release the steering wheel before

183

00:14:15,000 --> 00:14:18,000

and I jumped out of the truck.

184

00:14:18,000 --> 00:14:21,000

As I jumped out, all these cars start coming up this freeway now.

185

00:14:21,000 --> 00:14:25,000

Now there's massive traffic.

186

00:14:25,000 --> 00:14:30,000

The only thing I could think of is all those times I pulled over a month.

187

00:14:30,000 --> 00:14:33,000

Must not have been the right time for them or something.

188

00:14:33,000 --> 00:14:38,000

They had this plan all, all it's so weird to be, it's weird to be talking like this.

189

00:14:38,000 --> 00:14:44,000

You'd have to experience this in order to believe me.

190

00:14:44,000 --> 00:14:47,000

I, I'm afraid to walk outside.

191

00:14:47,000 --> 00:14:49,000

I won't get back in my truck.

192

00:14:49,000 --> 00:14:50,000

They have to come and get it.

193

00:14:50,000 --> 00:14:51,000

The company has to come and get it.

194

00:14:51,000 --> 00:14:53,000

I'm forced into my job.

195

00:14:53,000 --> 00:14:57,000

I will never drive again.

196

00:14:57,000 --> 00:15:00,000

I will especially never in that truck.

197

00:15:00,000 --> 00:15:02,000

I'm frightened to drive my own vehicle.

198

00:15:02,000 --> 00:15:05,000

I don't want to go pick up my car.

199

00:15:05,000 --> 00:15:15,000

This thing or whatever it was had this plan from, right from this morning.

200

00:15:15,000 --> 00:15:19,000

They followed me all this time.

201

00:15:19,000 --> 00:15:21,000

But once it took off everything was okay?

202

00:15:21,000 --> 00:15:28,000

Yeah, I mean, and it was like a split second after that this police car comes.

203

00:15:28,000 --> 00:15:32,000

It's all come screeching to a skidding halt.

204

00:15:32,000 --> 00:15:38,000

I ran, I tried to flag people down.

205

00:15:38,000 --> 00:15:48,000

And truck people in the middle of the road they would have had to have slowed down correct to get around it safely.

206

00:15:48,000 --> 00:15:50,000

Because there's a dirt shoulder now.

207

00:15:50,000 --> 00:15:56,000

And on the hard shoulder there's a dirt divider.

208

00:15:56,000 --> 00:16:00,000

These people almost like they were possessed to run me over.

209

00:16:00,000 --> 00:16:04,000

One guy I heard him accelerate 200 yards.

210

00:16:04,000 --> 00:16:05,000

He saw me flagging him down.

211

00:16:05,000 --> 00:16:09,000

He accelerated to go around it.

212

00:16:09,000 --> 00:16:10,000

I dove out of his way.

213

00:16:10,000 --> 00:16:14,000

Then two sammys come by and then two cars after that.

214

00:16:14,000 --> 00:16:22,000

And then the police car had skidded to a stop.

215

00:16:22,000 --> 00:16:29,000

And he screamed and yelled at me to get in the effing truck and move it now.

216

00:16:29,000 --> 00:16:33,000

Or I'm going to jail, listen man, because I could, you know, this could kill somebody.

217

00:16:33,000 --> 00:16:36,000

And he was in a very bad mood.

218

00:16:36,000 --> 00:16:37,000

I was in hysterics.

219

00:16:37,000 --> 00:16:40,000

I ran up to him for help and I got screamed at.

220

00:16:40,000 --> 00:16:43,000

I didn't, you know, they didn't want explanation.

221

00:16:43,000 --> 00:16:45,000

They wanted the truck move.

222

00:16:45,000 --> 00:16:51,000

They forced me to get back in the truck to move it to the next exit.

223

00:16:51,000 --> 00:16:55,000

I was frightened to death this whole way.

224

00:16:55,000 --> 00:16:58,000

It was five miles to the next exit.

225

00:16:58,000 --> 00:16:59,000

I mean, pulled the truck off.

226

00:16:59,000 --> 00:17:01,000

They were in front of me.

227

00:17:01,000 --> 00:17:04,000

I parked it and I couldn't even open the door.

228

00:17:04,000 --> 00:17:08,000

I was shaking so bad.

229

00:17:08,000 --> 00:17:12,000

I mean, they literally had to help me out.

230

00:17:12,000 --> 00:17:13,000

I couldn't talk to them.

231

00:17:13,000 --> 00:17:15,000

I couldn't tell them my name.

232

00:17:15,000 --> 00:17:20,000

They had, I have tried to hand them my wallet, but they got it for themselves.

233

00:17:20,000 --> 00:17:26,000

You know, all of this, this is too much.

234

00:17:26,000 --> 00:17:28,000

It's okay.

235

00:17:28,000 --> 00:17:30,000

I need help.

236

00:17:30,000 --> 00:17:32,000

I don't know how to deal with this.

237

00:17:32,000 --> 00:17:34,000

It's so strange.

238

00:17:34,000 --> 00:17:39,000

I'm frightened to go to sleep.

239

00:17:39,000 --> 00:17:42,000

What if they come back?

240

00:17:42,000 --> 00:17:46,000

What if this happens to me while I'm sleeping?

241

00:17:47,000 --> 00:17:50,000

Will they harm my wife?

242

00:17:50,000 --> 00:17:54,000

This is too much.

243

00:17:54,000 --> 00:18:00,000

Okay, now are you going to go ahead and get some sleep now?

244

00:18:00,000 --> 00:18:01,000

I can't.

245

00:18:01,000 --> 00:18:03,000

I'm afraid to.

246

00:18:03,000 --> 00:18:07,000

I can't say, what if they come back?

247

00:18:07,000 --> 00:18:13,000

I always lost myself to a very strong person I can take with anybody I ever dissed out.

248

00:18:13,000 --> 00:18:15,000

I can't take this.

249

00:18:15,000 --> 00:18:17,000

I'm so weak right now.

250

00:18:17,000 --> 00:18:30,000

I want to go to a house, but I want to have a doctor look after me 24 hours a day because I'm frightened to be alone.

251

00:18:30,000 --> 00:18:35,000

It's like, in some ways, maybe I don't even have a choice because they made that choice for themselves.

252

00:18:35,000 --> 00:18:36,000

They got me alone.

253

00:18:36,000 --> 00:18:42,000

They tried plenty of times throughout the day and they made it clear that they were going to.

254

00:18:42,000 --> 00:18:45,000

This sounds so weird talking like this.

255

00:18:45,000 --> 00:18:47,000

I don't even believe my own self.

256

00:18:47,000 --> 00:18:49,000

It's happened.

257

00:18:49,000 --> 00:18:52,000

And that's the way it's happened.

258

00:18:52,000 --> 00:18:54,000

It's so...

259

00:18:54,000 --> 00:18:57,000

God, it's too real.

260

00:18:57,000 --> 00:19:01,000

I wish I could believe this was just a dream.

261

00:19:01,000 --> 00:19:07,000

I wish I could just wake up tomorrow and it did not happen, but it did.

262

00:19:07,000 --> 00:19:10,000

Okay, we're going to try to get somebody in there to talk to you.

263

00:19:10,000 --> 00:19:17,000

It won't be until later this morning, but we'll see if we can't get somebody in there to talk to you about this.

264

00:19:17,000 --> 00:19:20,000

Okay, come to my house.

265

00:19:20,000 --> 00:19:22,000

Yeah, they'll call ahead of time for an appointment.

266

00:19:22,000 --> 00:19:26,000

I don't want to explain this to my employer.

267

00:19:26,000 --> 00:19:29,000

Can this person maybe help me out?

268

00:19:29,000 --> 00:19:30,000

What?

269

00:19:30,000 --> 00:19:34,000

I mean, to be honest with you.

270

00:19:34,000 --> 00:19:41,000

That's so hard. You have to have been there in order to believe that people won't believe you.

271

00:19:41,000 --> 00:19:45,000

God.

272

00:19:45,000 --> 00:19:48,000

Maybe try to get some rest.

273

00:19:48,000 --> 00:19:53,000

I'm sure that nothing else is going to happen.

274

00:19:53,000 --> 00:19:55,000

It's happened all day.

275

00:19:55,000 --> 00:19:59,000

It's whispering to me, what's to say? It's not going to happen again.

276

00:19:59,000 --> 00:20:07,000

All of the things they've been doing to me all day.

277

00:20:07,000 --> 00:20:17,000

The only way I could ever get any sleep is to just get myself some damn drunk where I end up passing out.

278

00:20:17,000 --> 00:20:21,000

I just want to come out and I hope he comes out soon.

279

00:20:21,000 --> 00:20:25,000

Okay, we'll try to get him out there so as we can.

280

00:20:25,000 --> 00:20:28,000

Okay, they don't have to travel from Washington.

281

00:20:28,000 --> 00:20:31,000

No, no, no, no. There's people down there in that area.

282

00:20:31,000 --> 00:20:33,000

Okay.

283

00:20:33,000 --> 00:20:35,000

So weird.

284

00:20:35,000 --> 00:20:44,000

Things you read about in the movies, you don't think of it as real or vague, you just don't know.

285

00:20:44,000 --> 00:20:45,000

Right.

286

00:20:45,000 --> 00:20:54,000

And then when something happens to somebody close to you or yourself, now you know what the people are like that are trying to explain that.

287

00:20:55,000 --> 00:20:57,000

Okay, we'll do our best to help.

288

00:20:57,000 --> 00:20:59,000

Okay, I really appreciate it.

289

00:20:59,000 --> 00:21:01,000

I really appreciate it. Thank you.

290

00:21:01,000 --> 00:21:03,000

Okay. Bye-bye.
